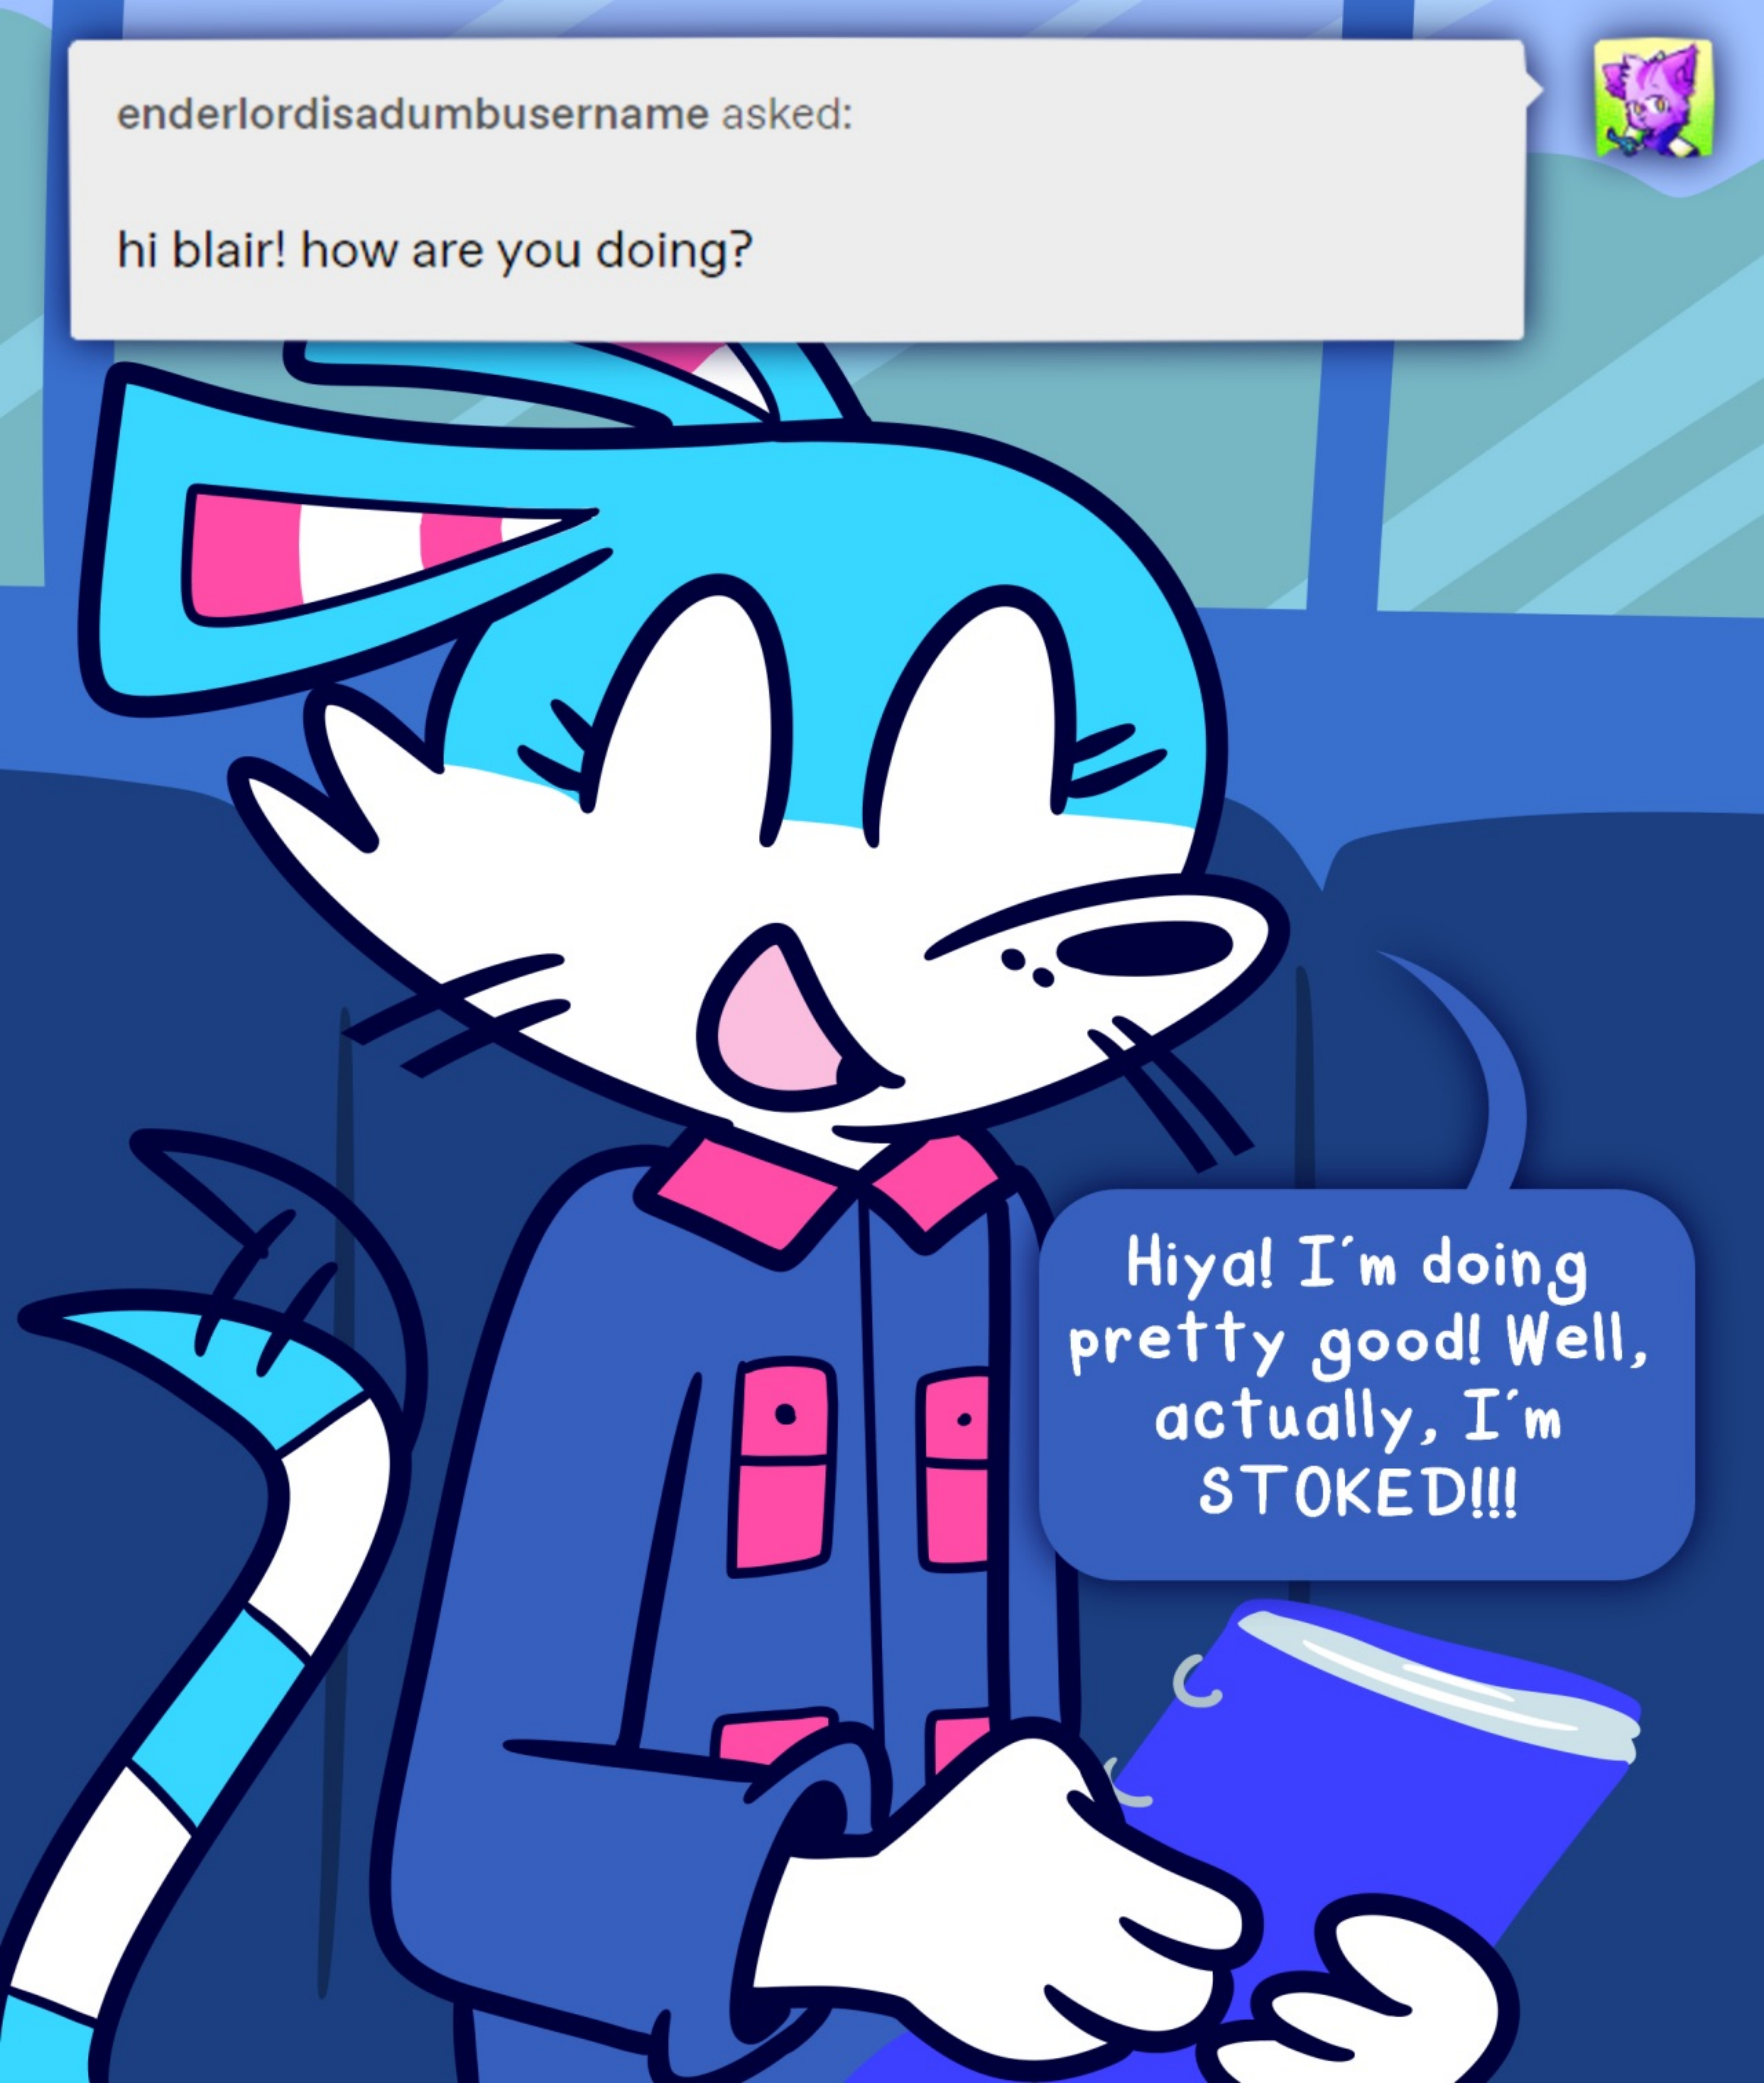
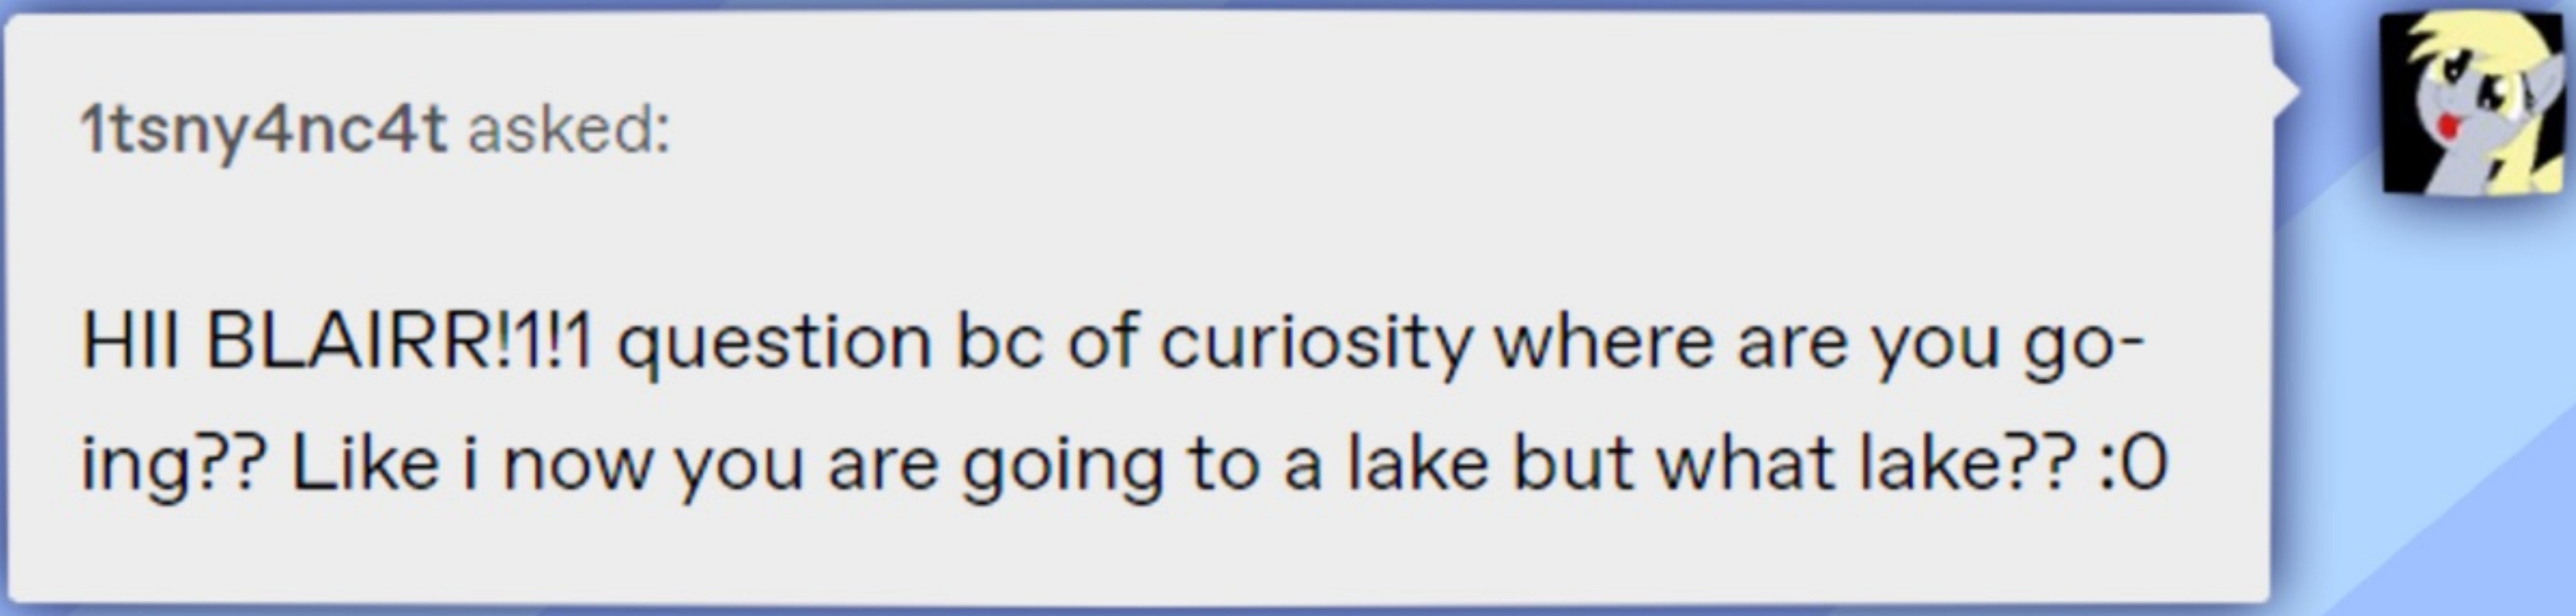
Arc 4:
LakeMockless



enderlordisadumbusername asked:

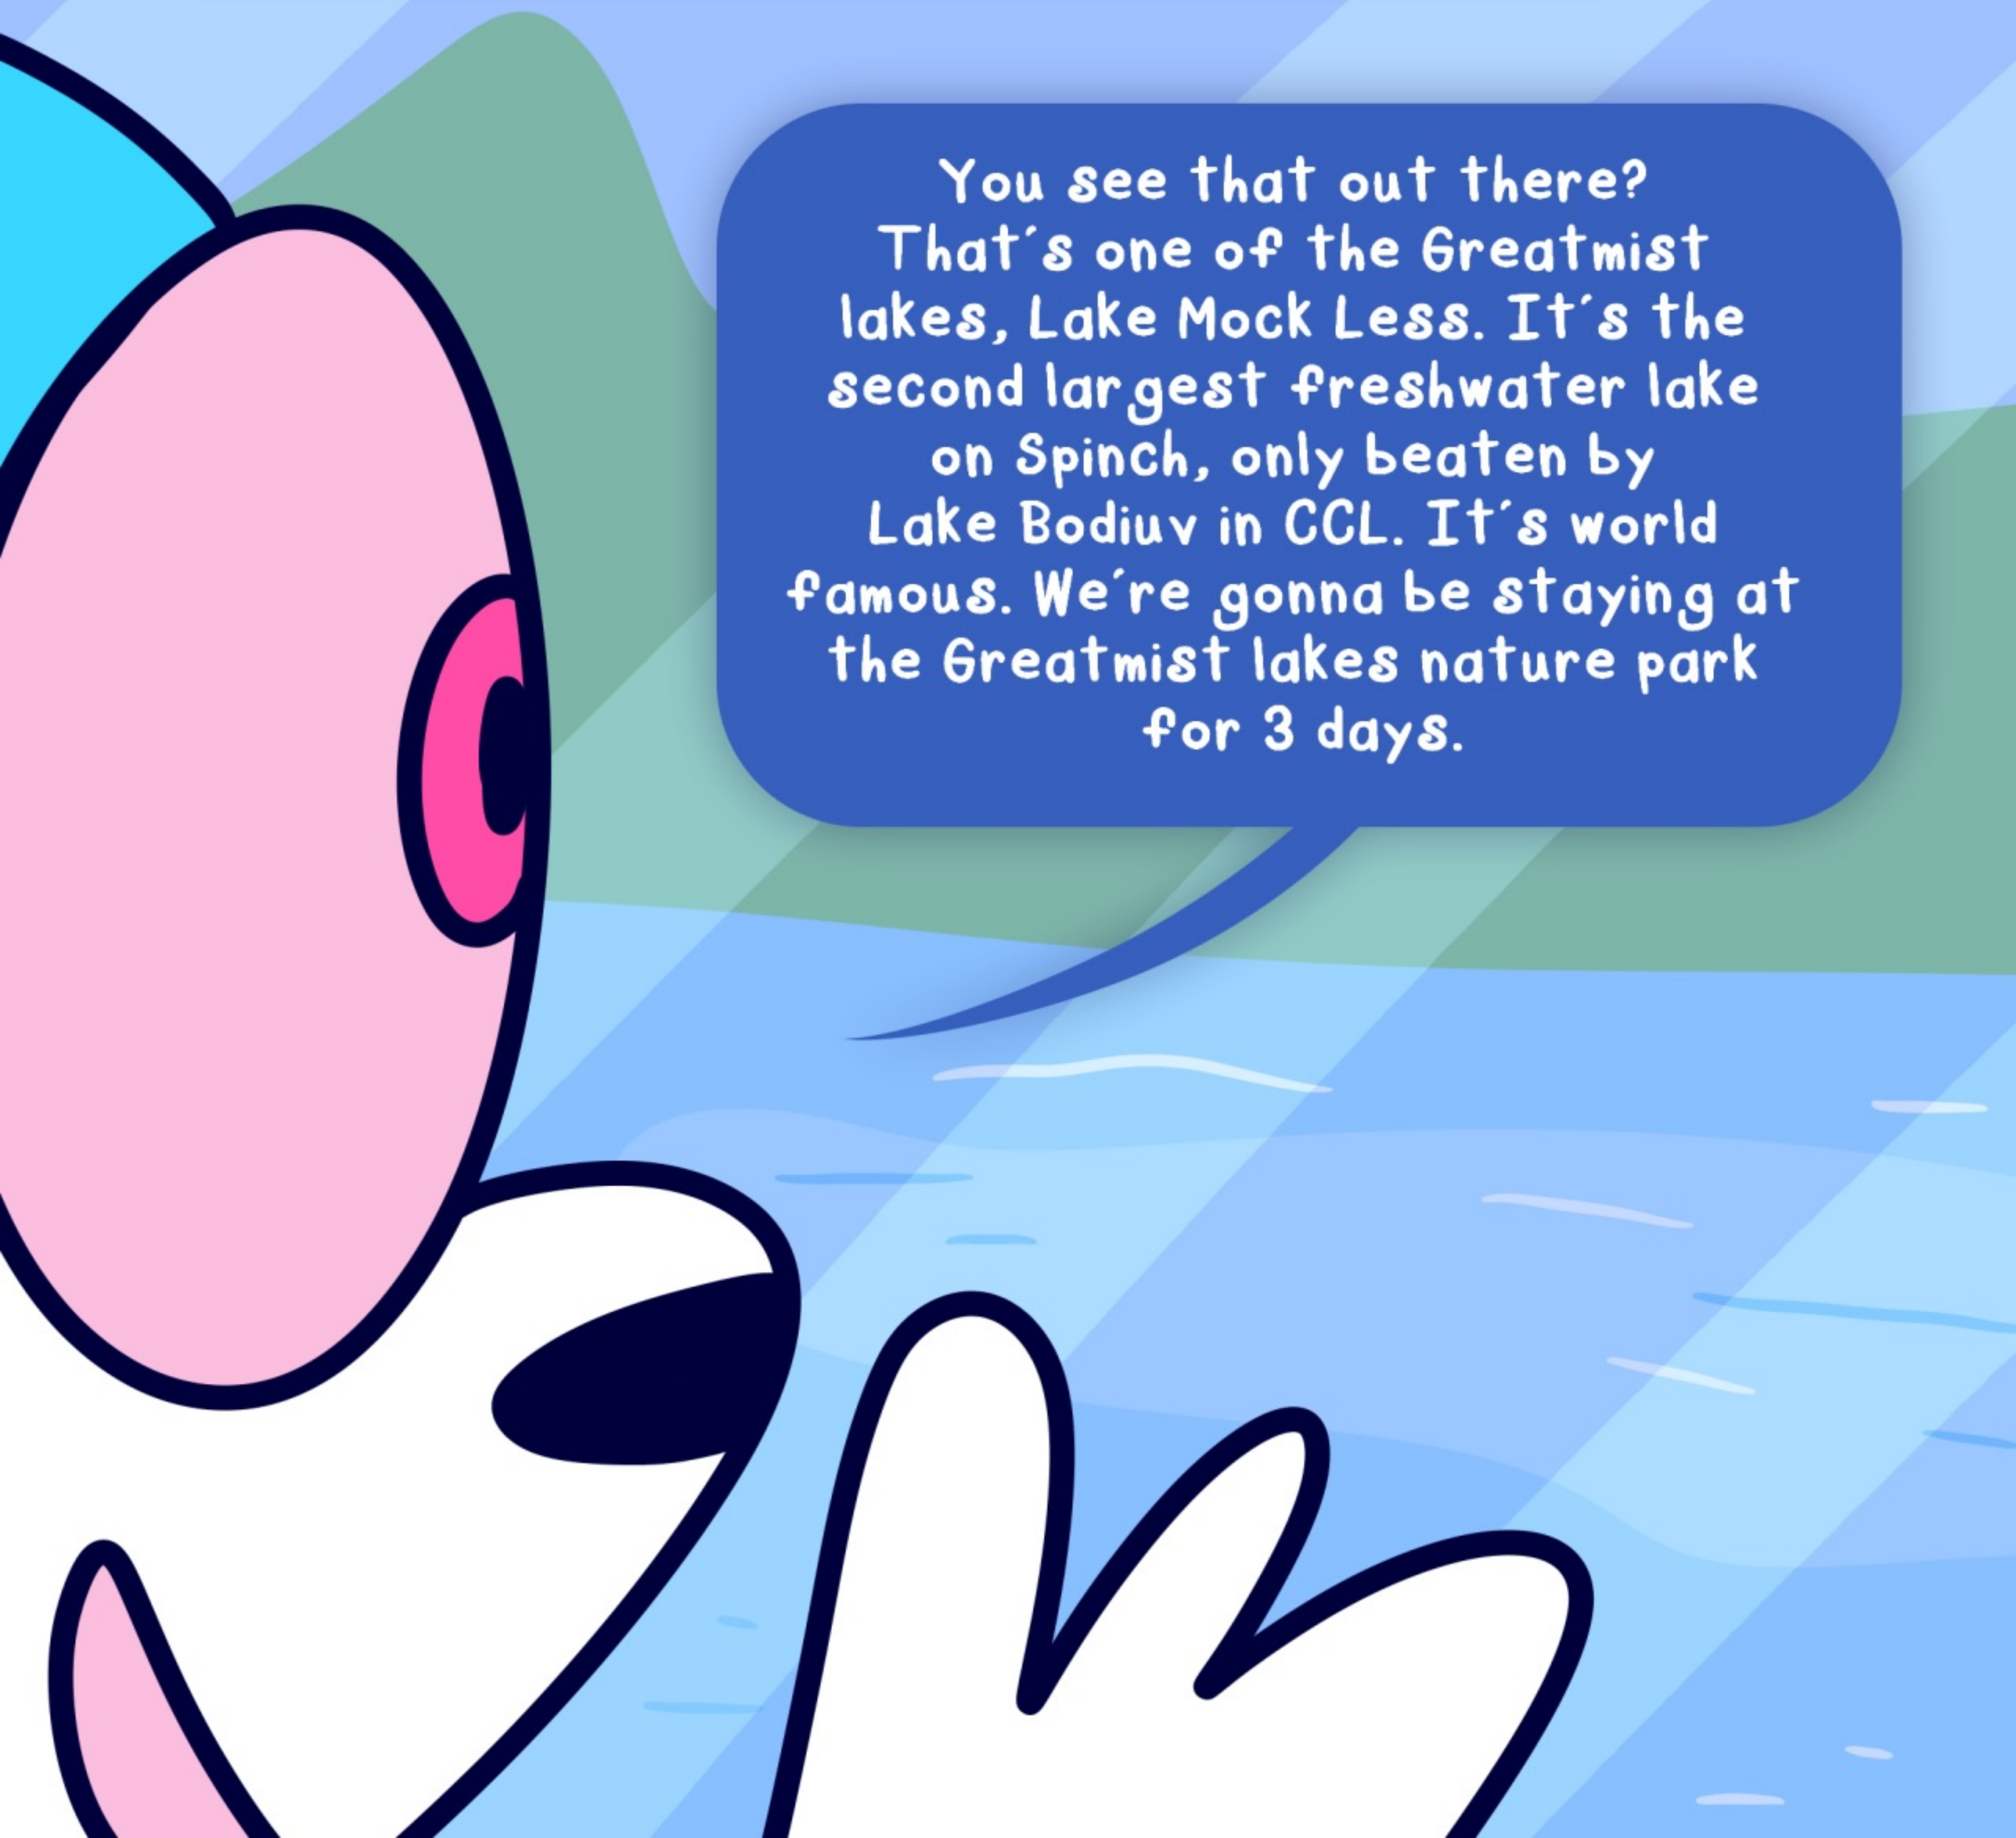
hi blair! how are you doing?

Hiya! I'm doing pretty good! Well, actually, I'm STOKED!!!

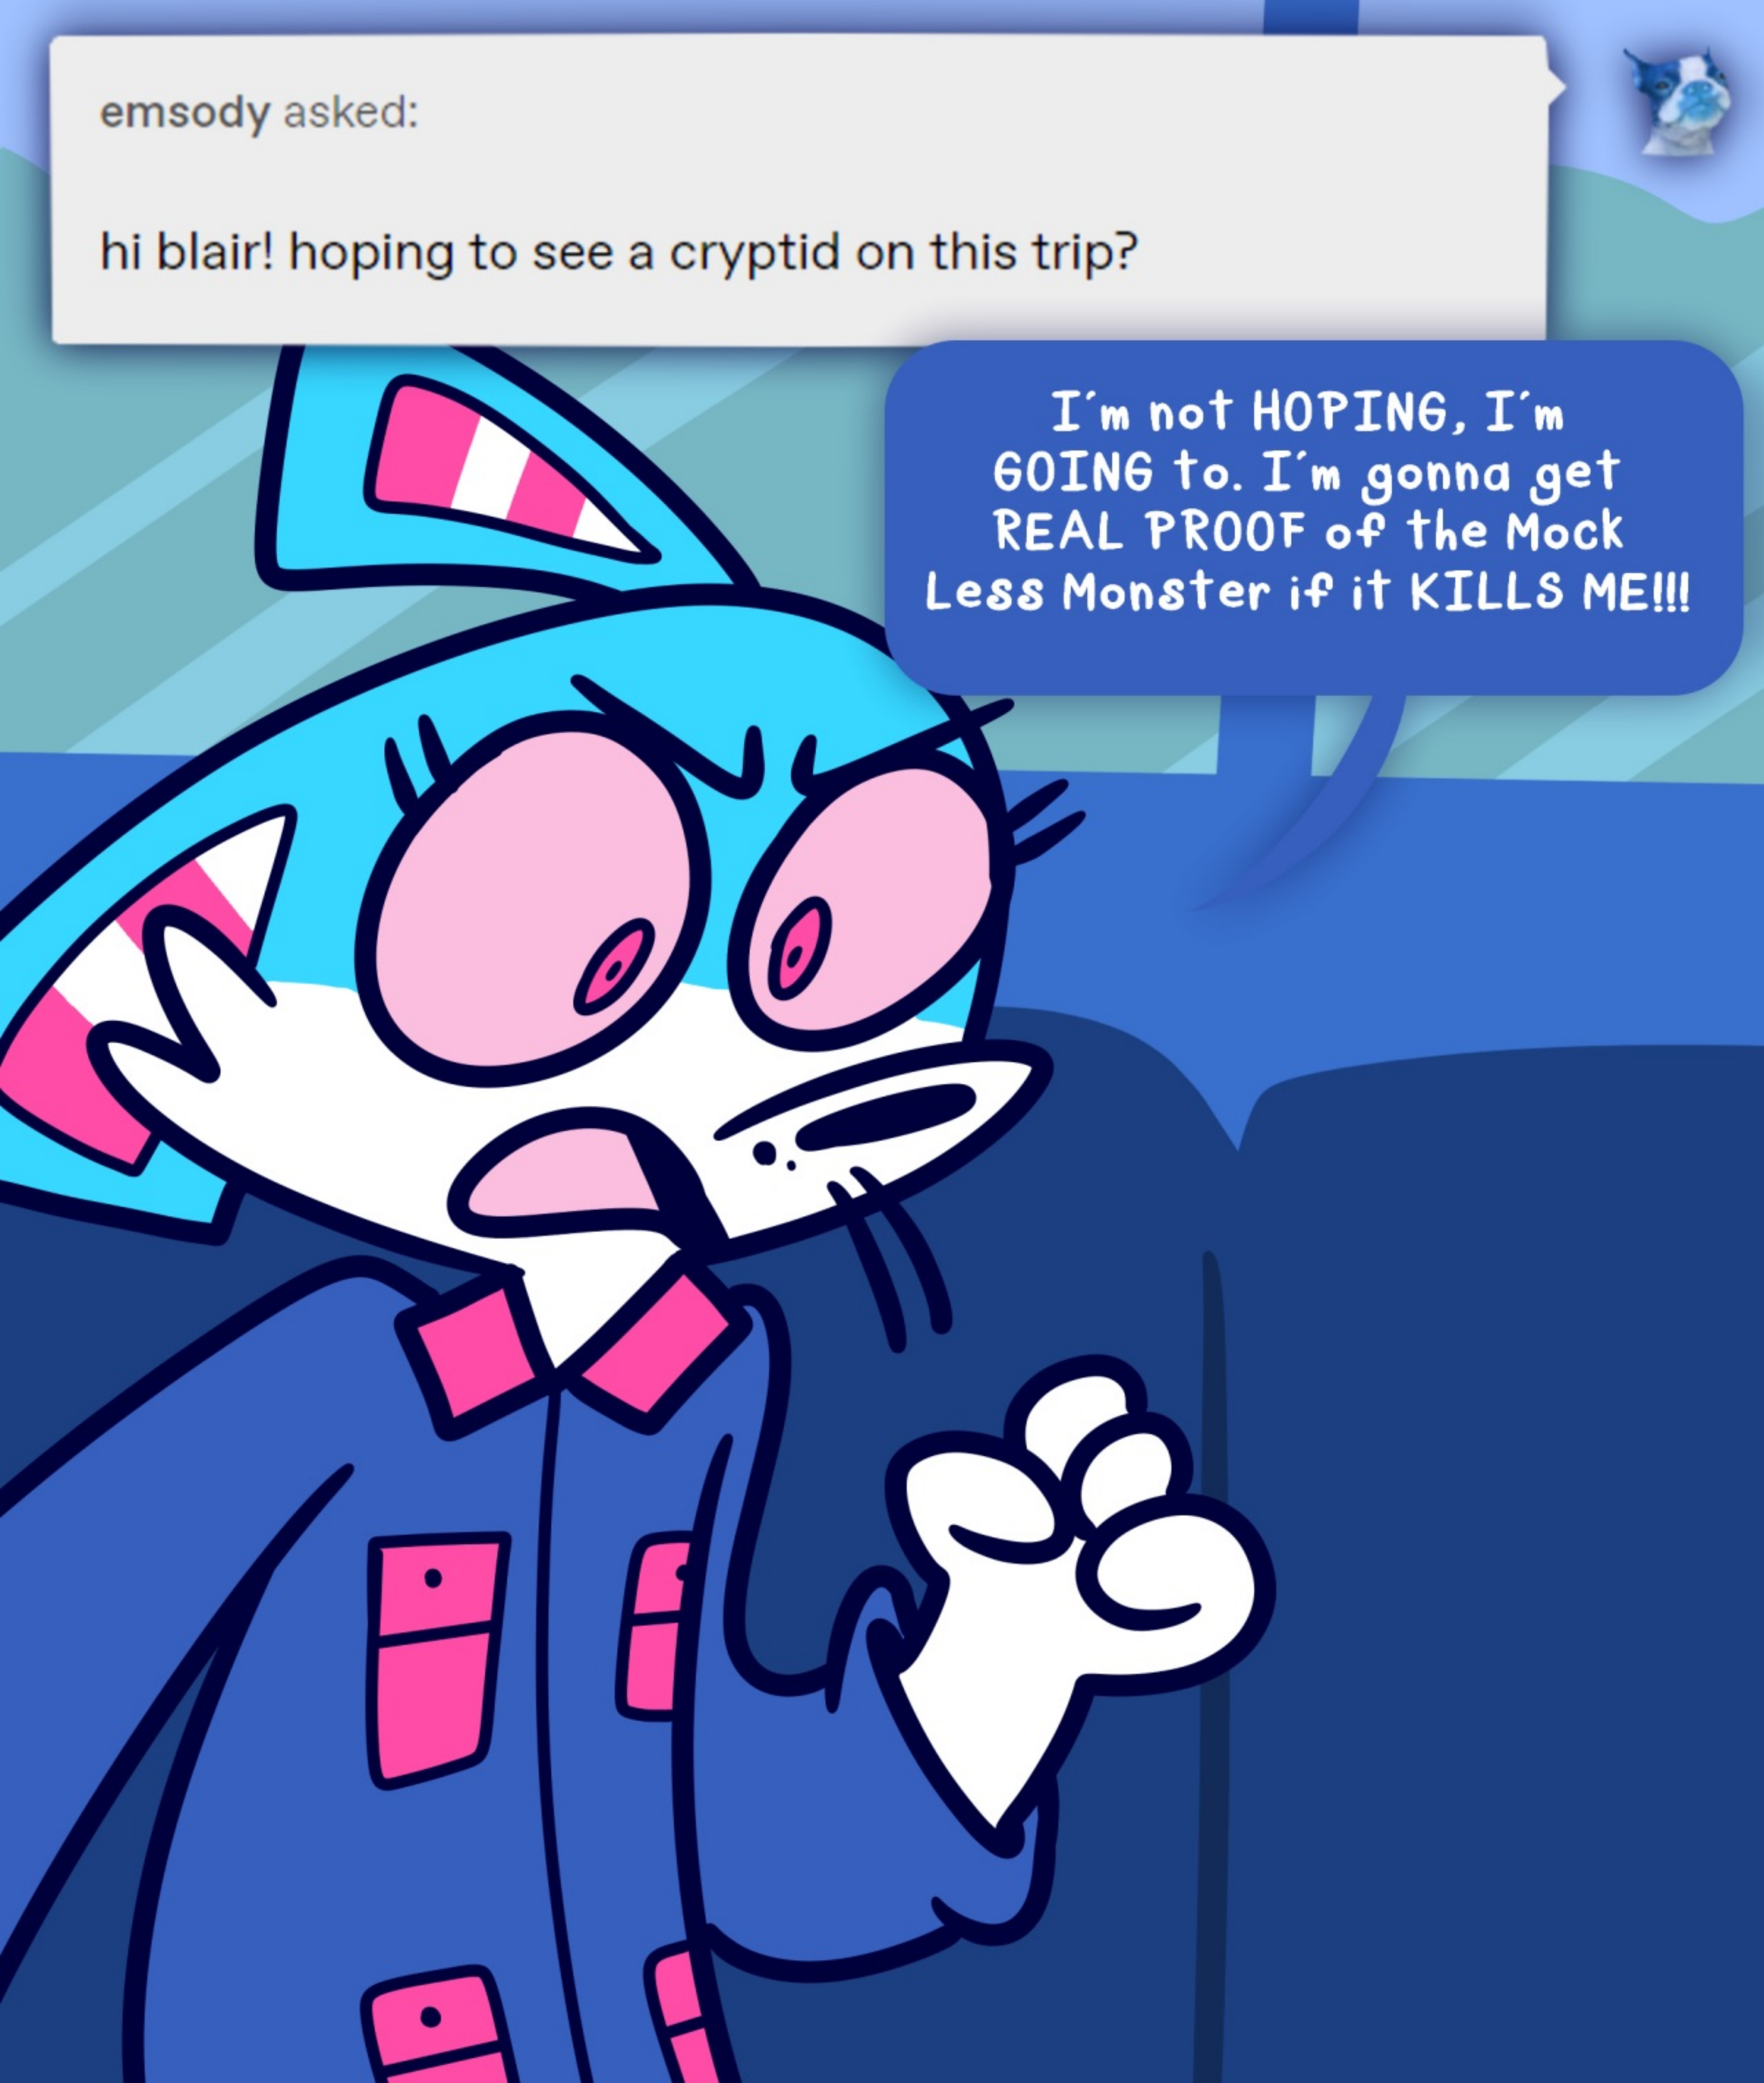


1tsny4nc4t asked:

HII BLAIRR!1!1 question bc of curiosity where are you going?? Like i now you are going to a lake but what lake?? :0



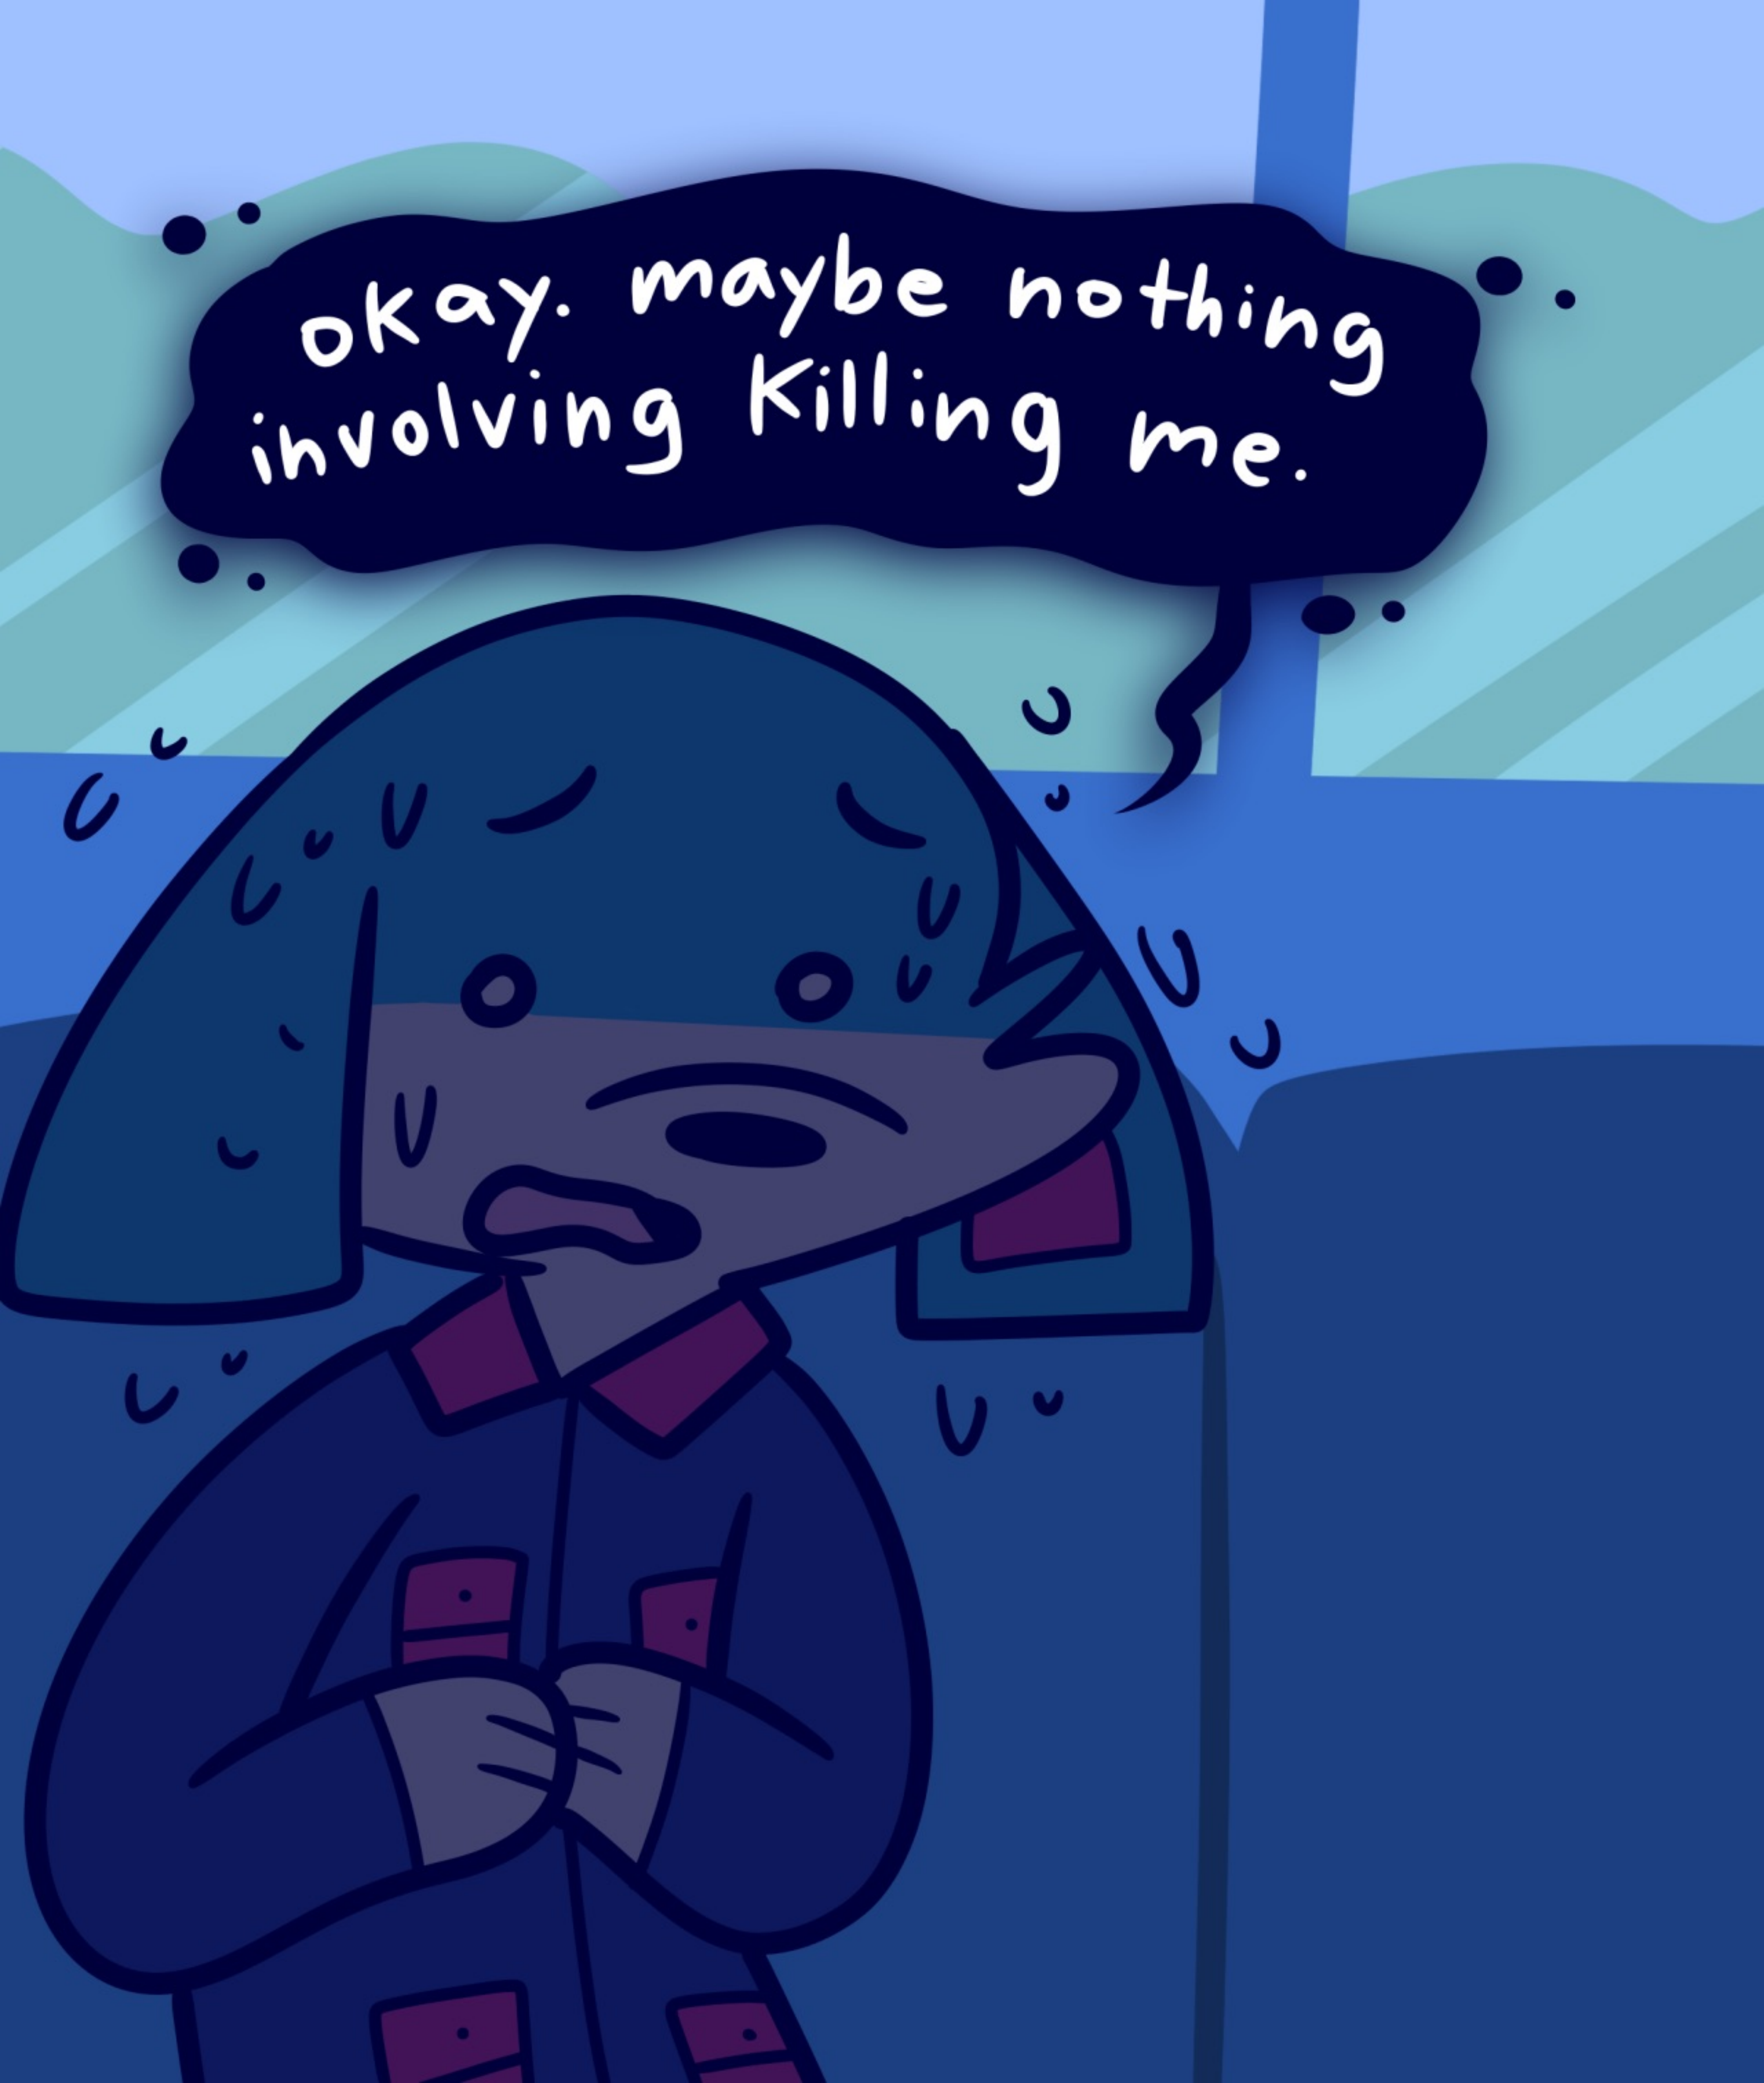
You see that out there? That´s one of the Greatmist lakes, Lake Mock Less. It´s the second largest freshwater lake on Spinch, only beaten by Lake Bodiuv in CCL. It´s world famous. We´re gonna be staying at the Greatmist lakes nature park for 3 days.



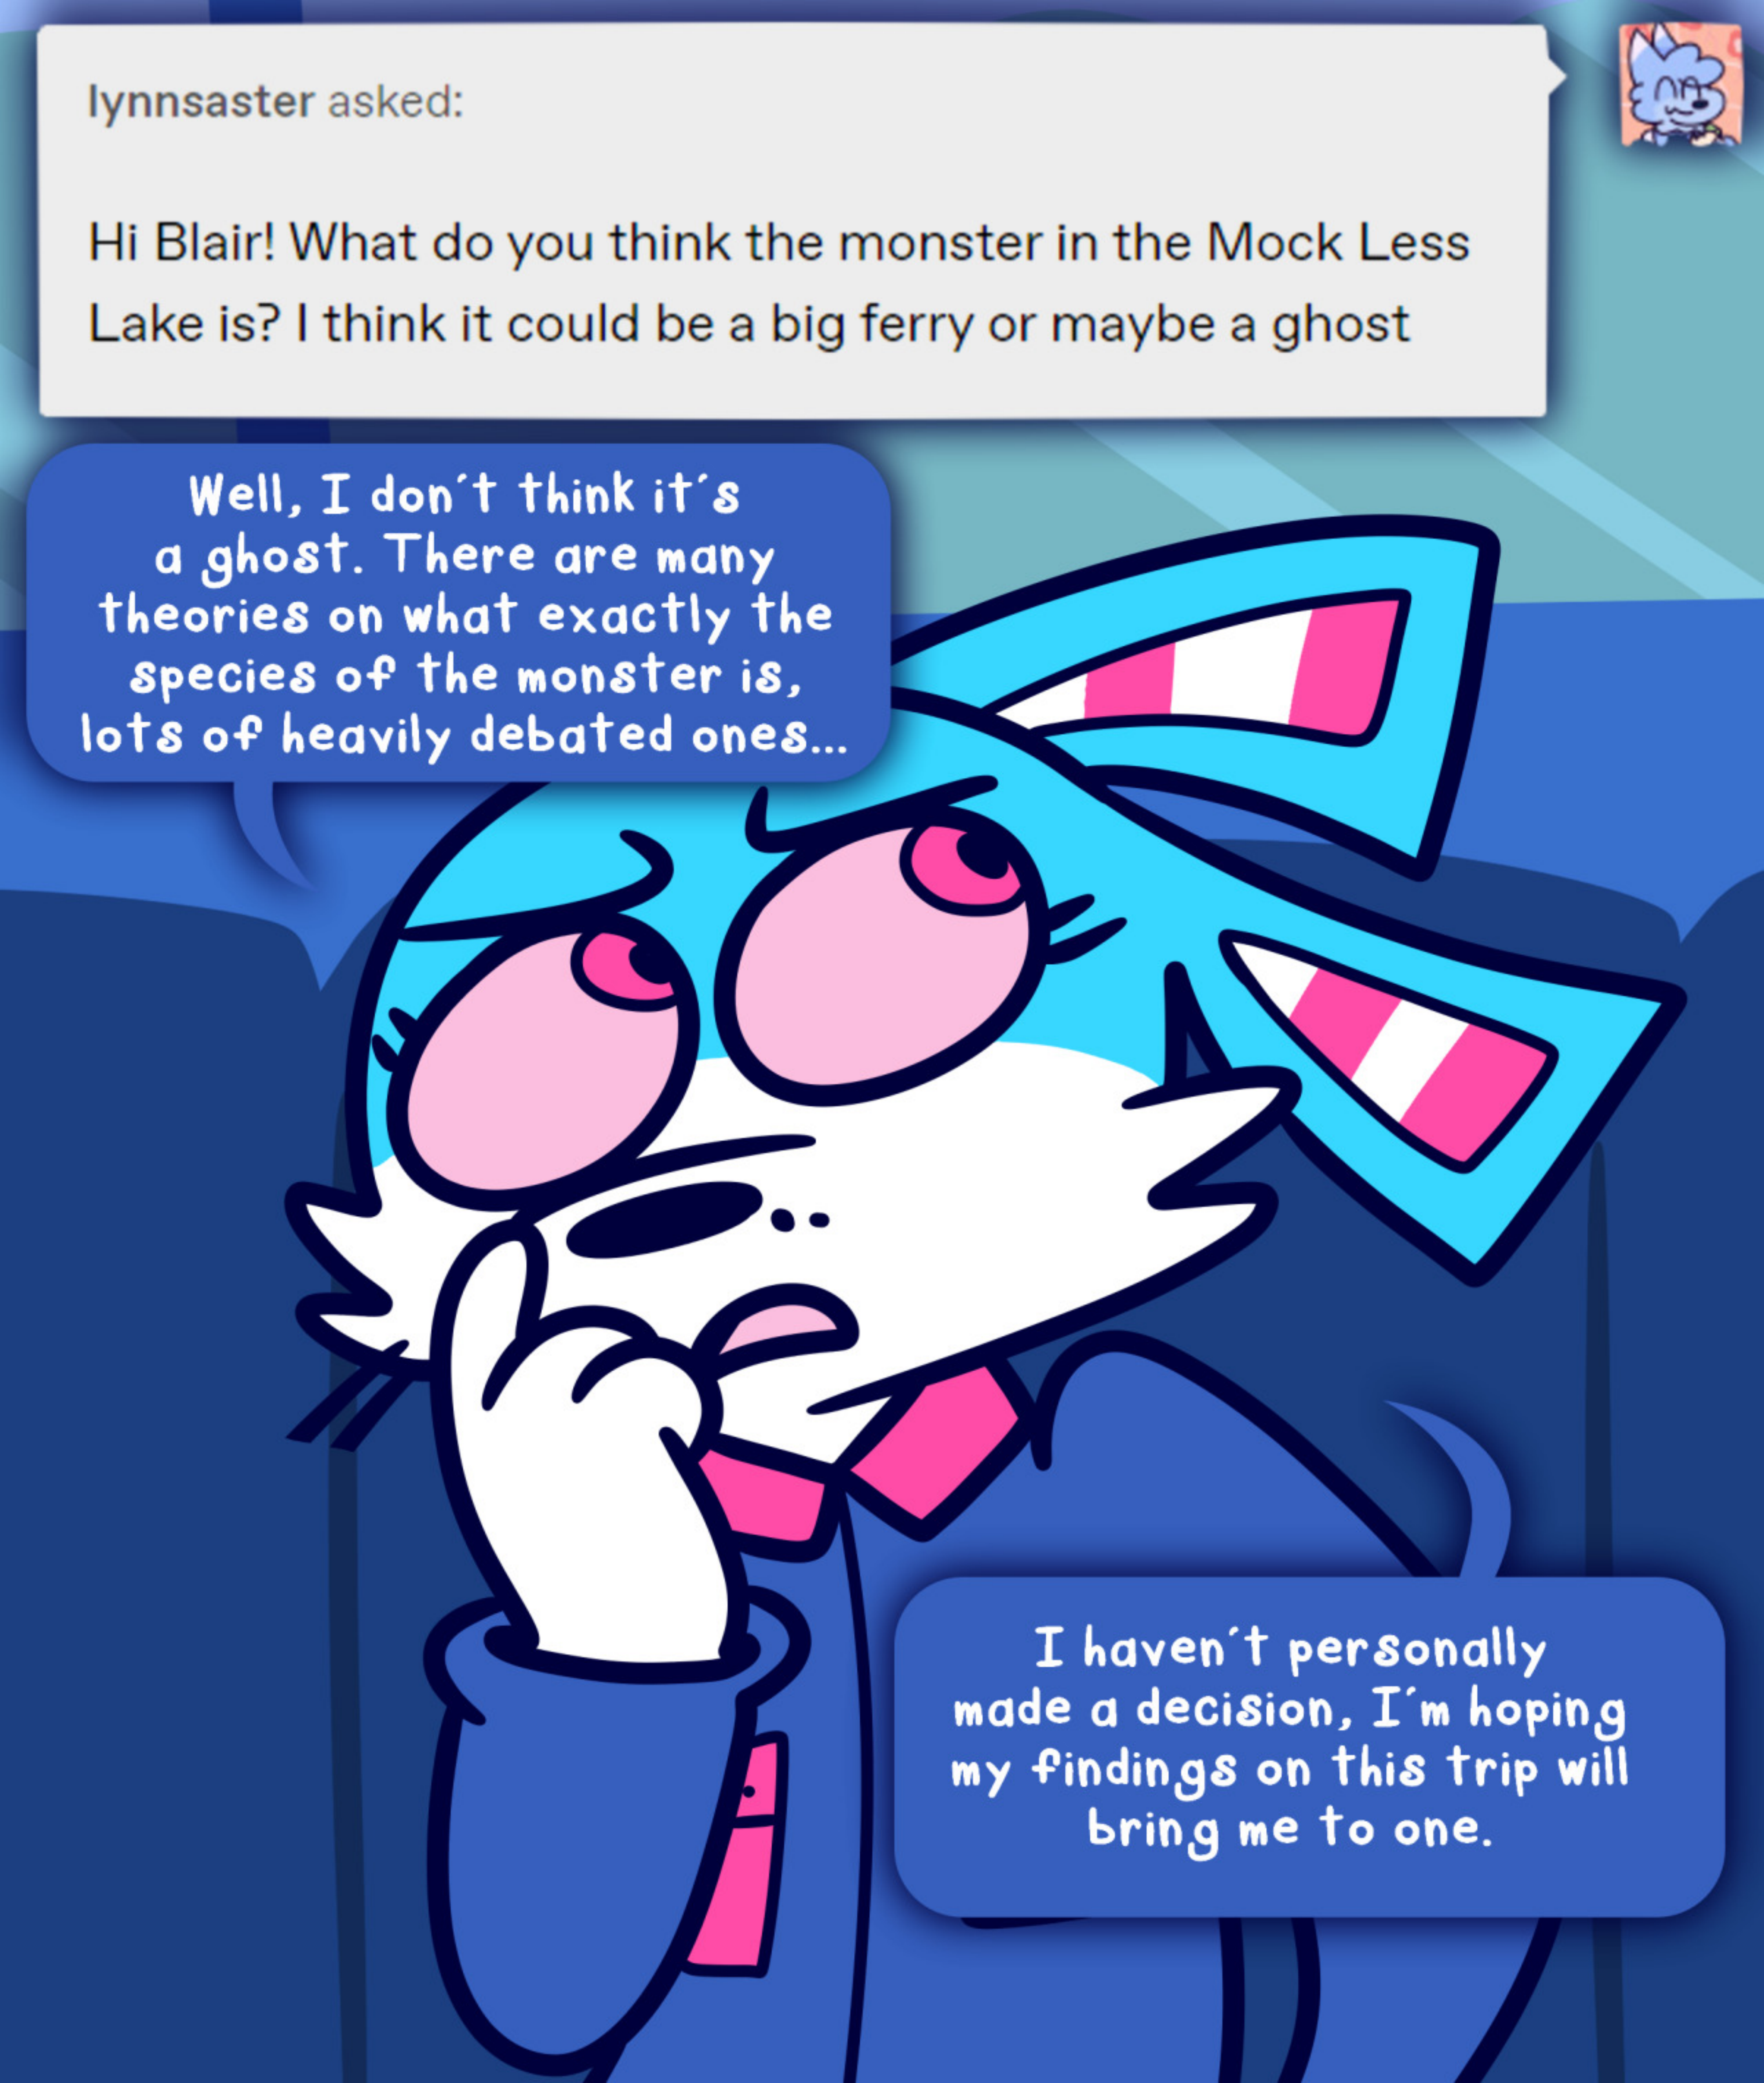
emsody asked:

hi blair! hoping to see a cryptid on this trip?

I´m not HOPING, I´m GOING to. I´m gonna get REAL PROOF of the Mock Less Monster if it KILLS ME!!!



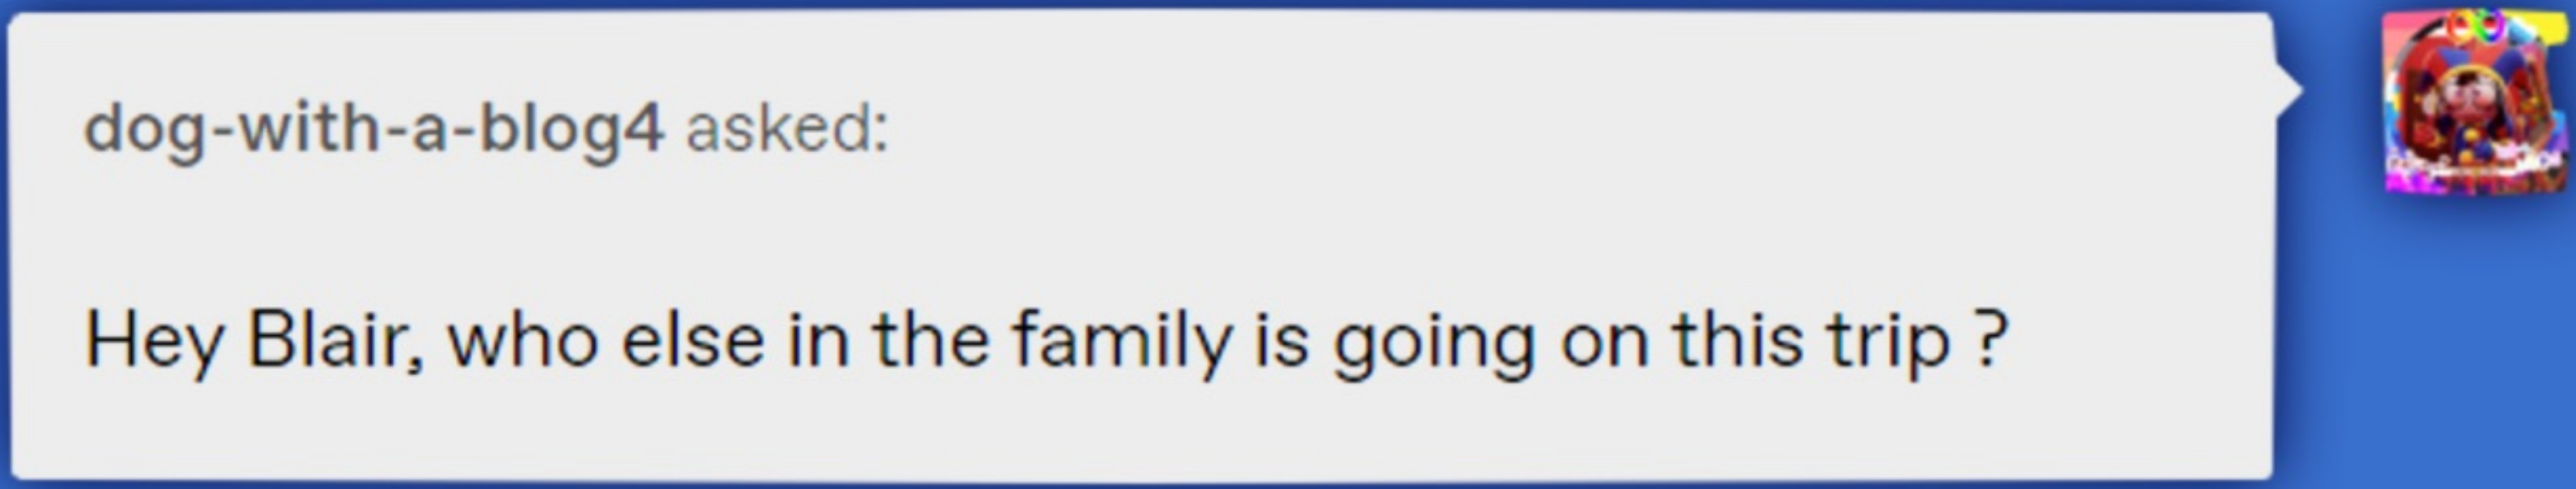
okay. maybe nothing involving killing me.



lynnsaster asked:

Hi Blair! What do you think the monster in the Mock Less Lake is? I think it could be a big ferry or maybe a ghost

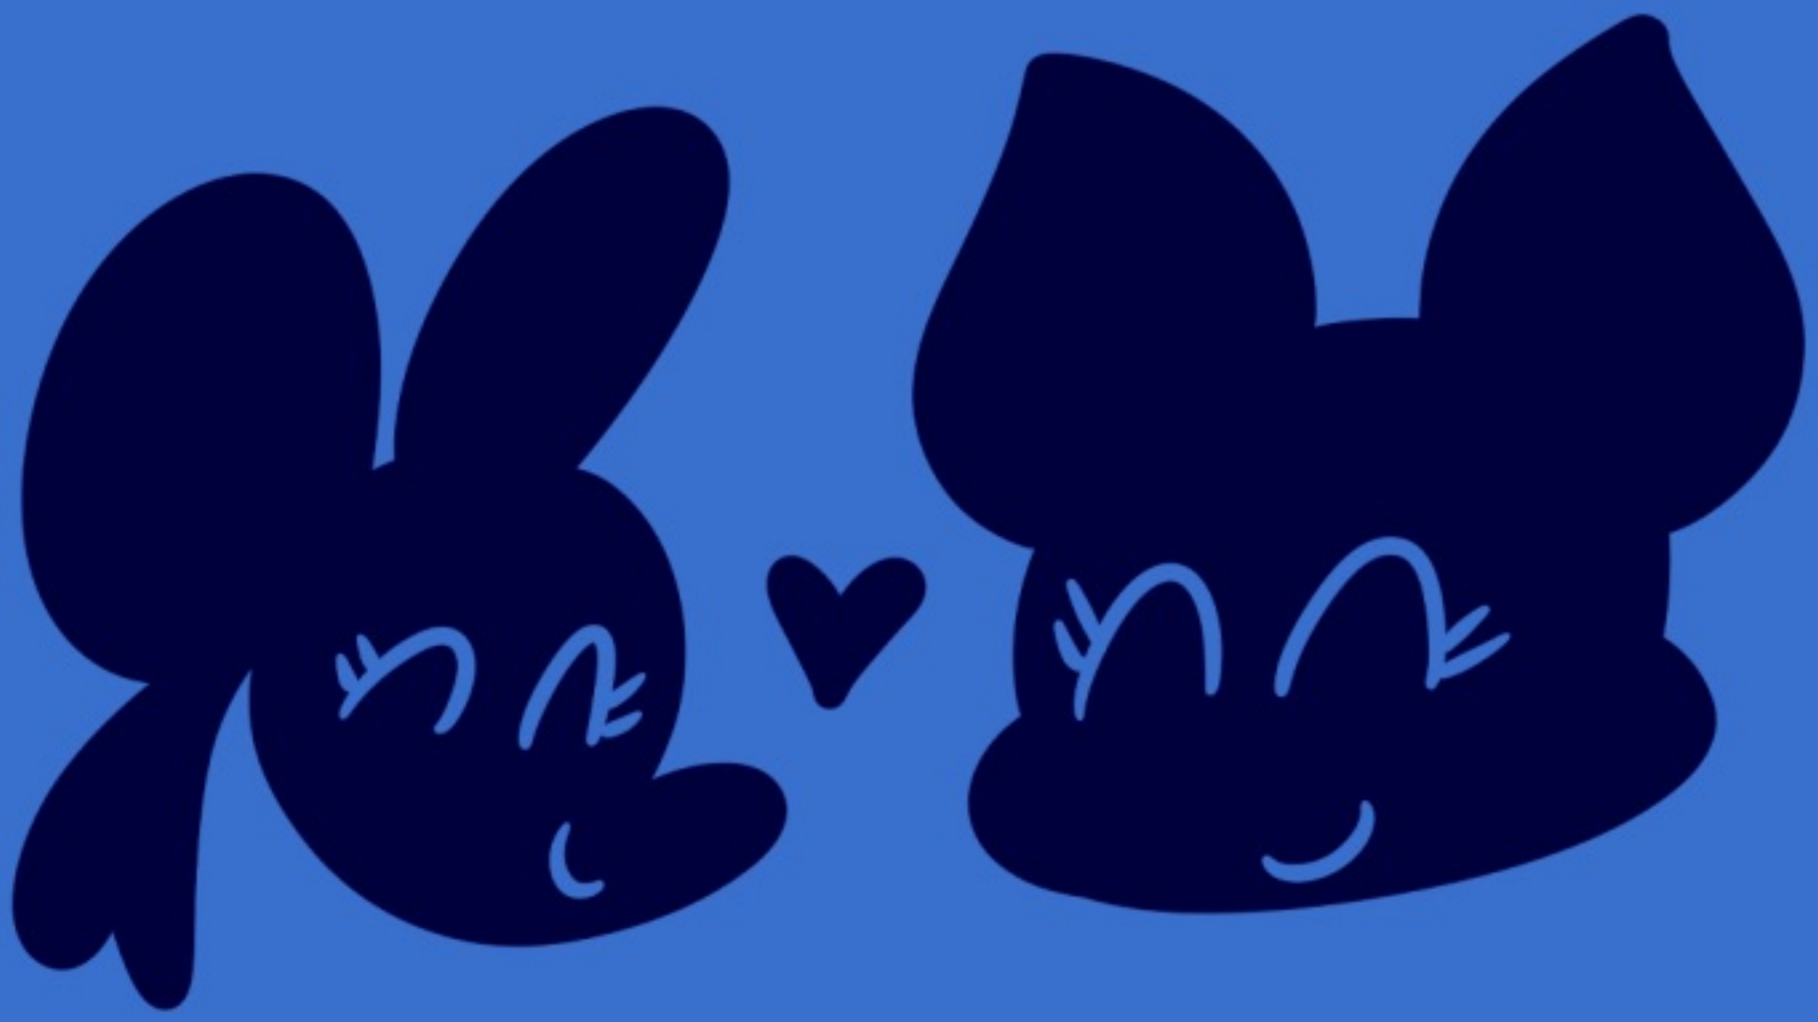
Well, I don't think it's a ghost. There are many theories on what exactly the species of the monster is, lots of heavily debated ones...
I haven't personally made a decision, I'm hoping my findings on this trip will bring me to one.

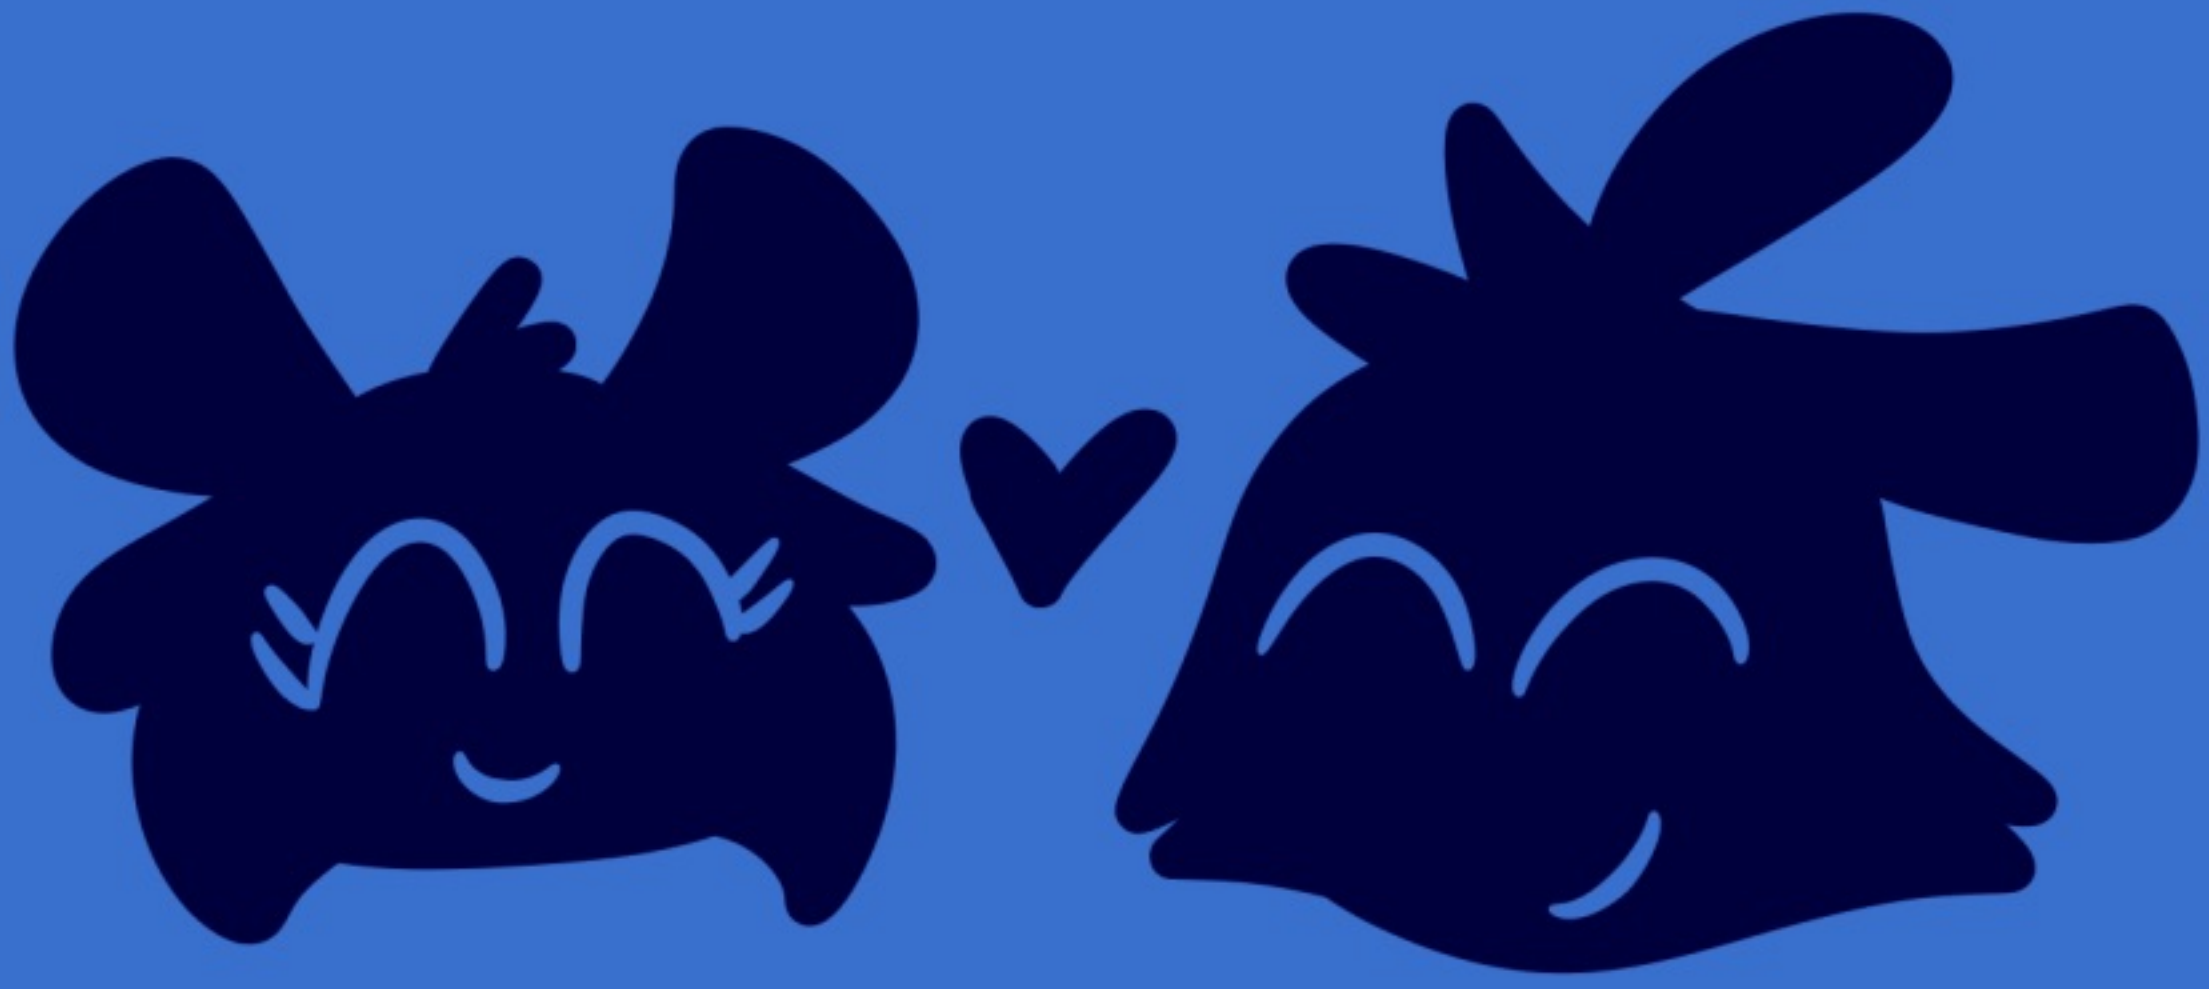


dog-with-a-blog4 asked:

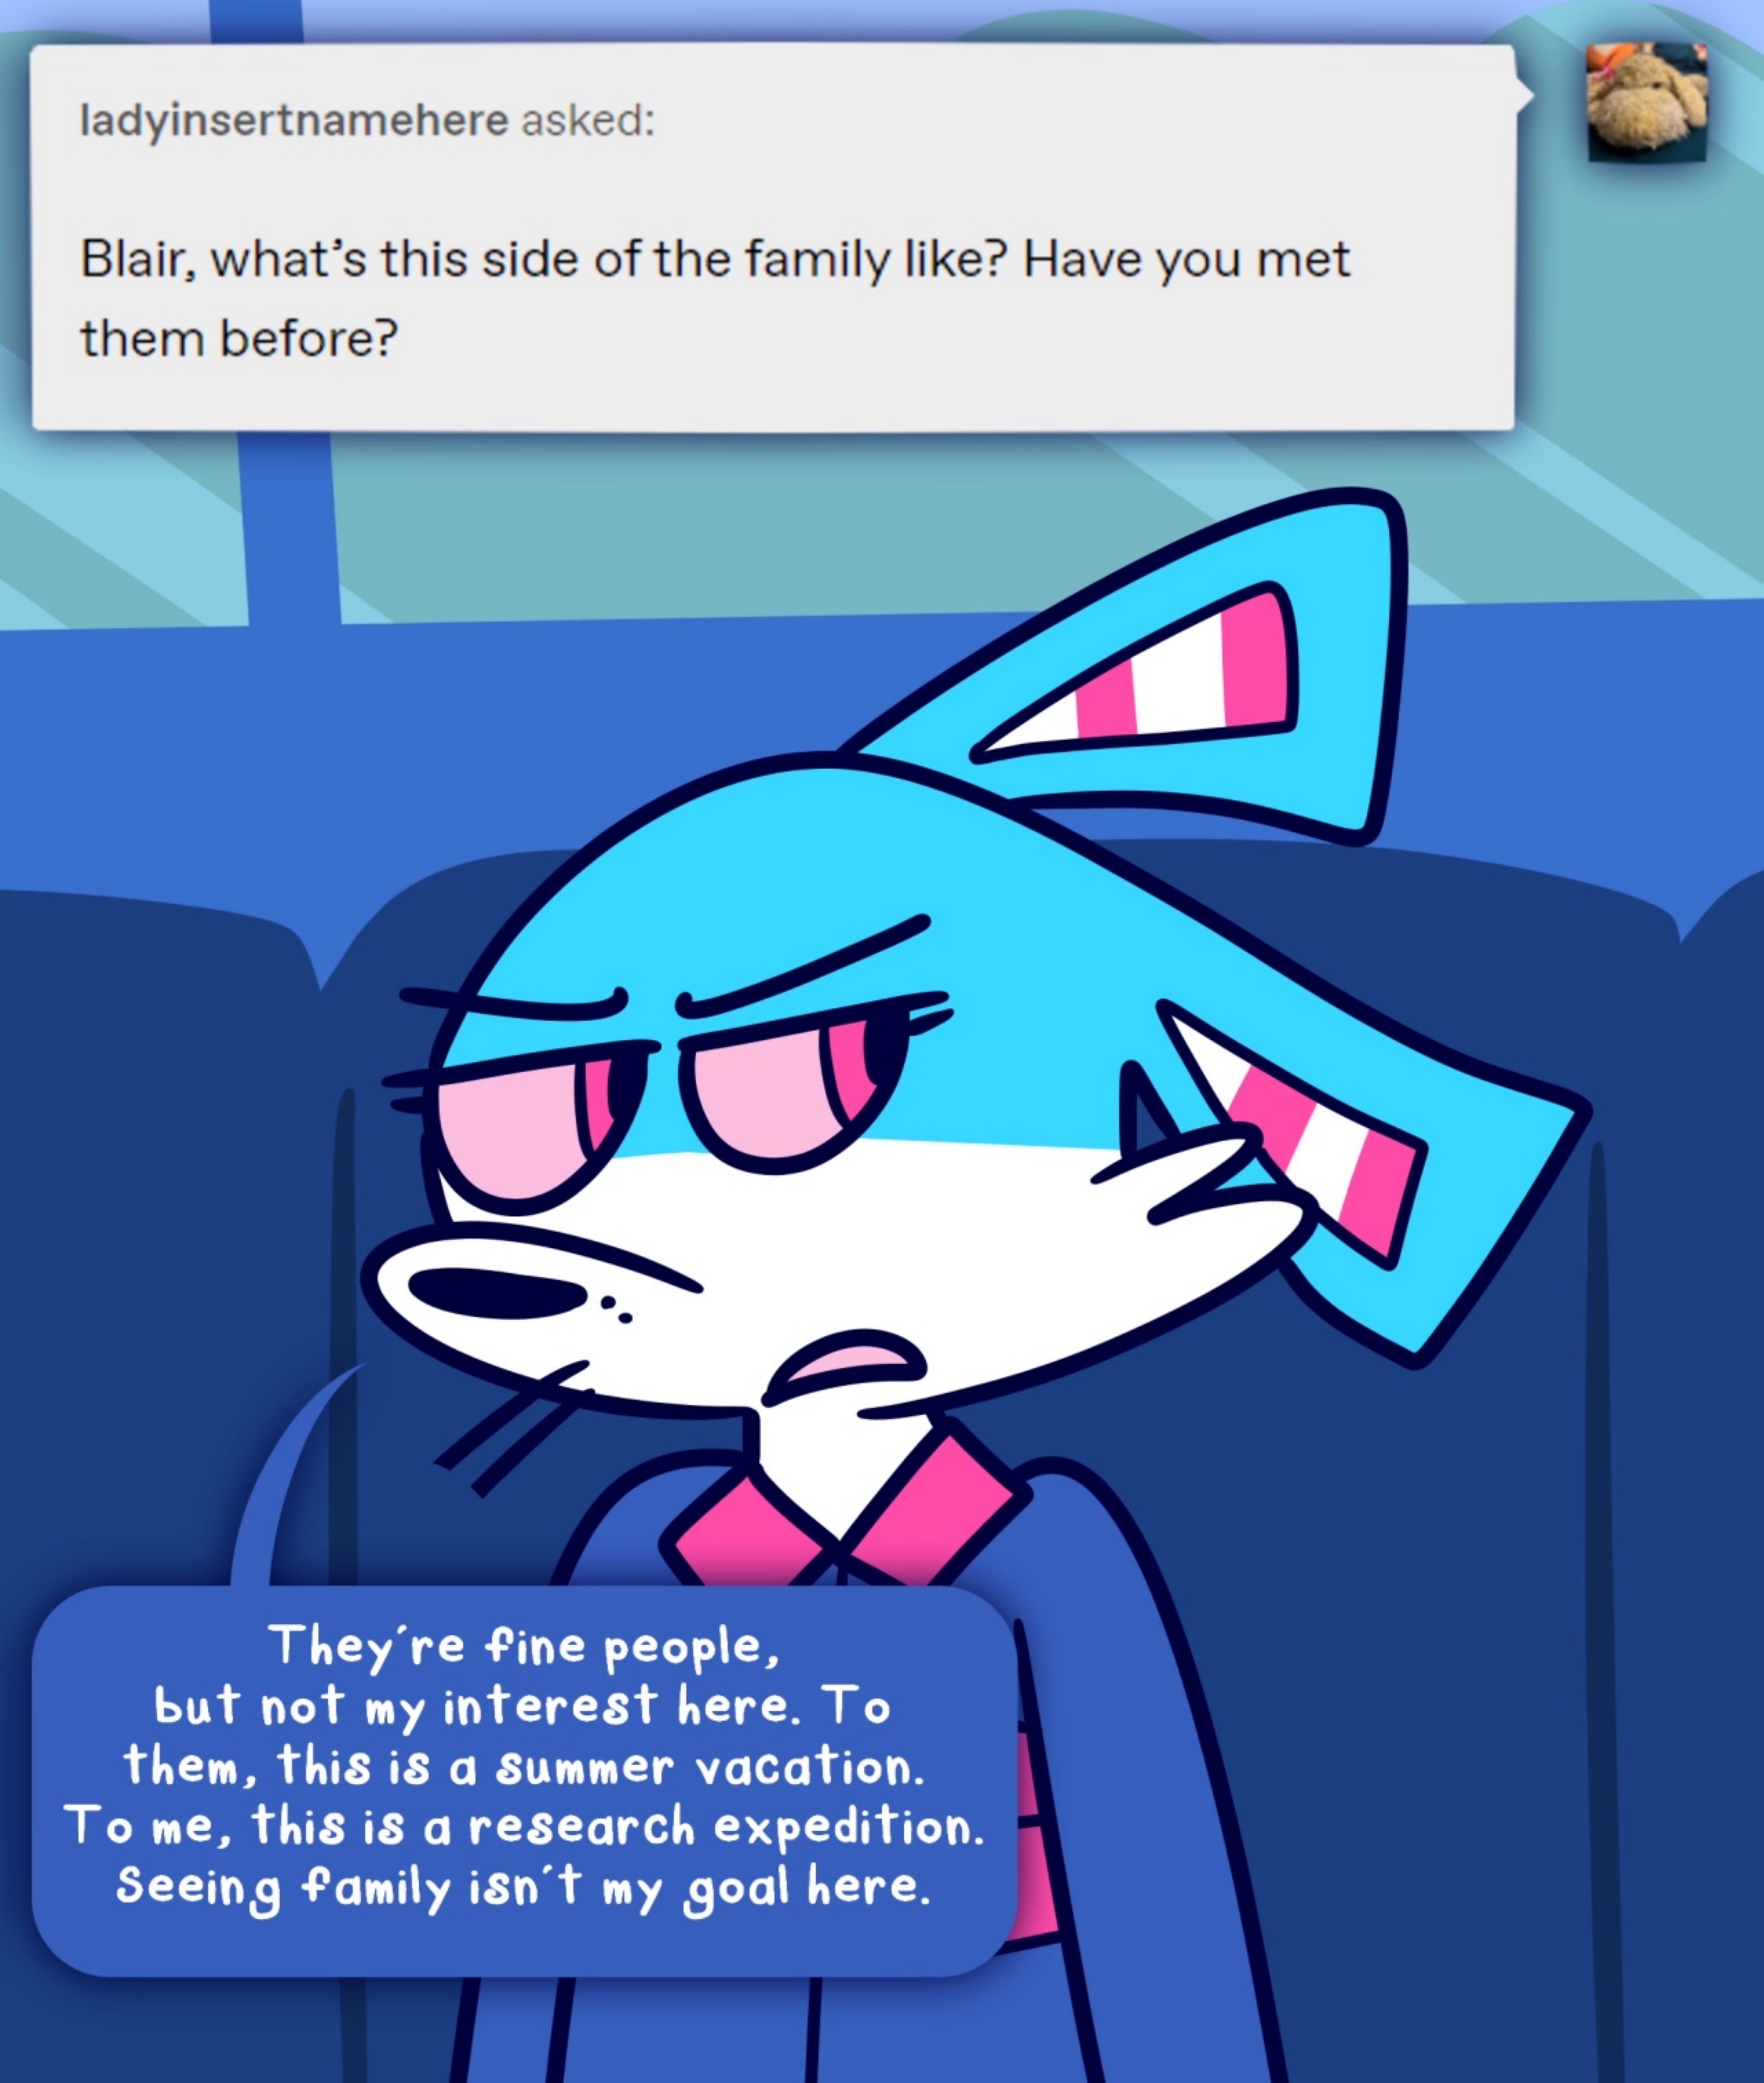
Hey Blair, who else in the family is going on this trip ?

Well, aside from obviously my mom and dad's families, we're gonna be seeing both of our aunts Mood and Rem and their kids,





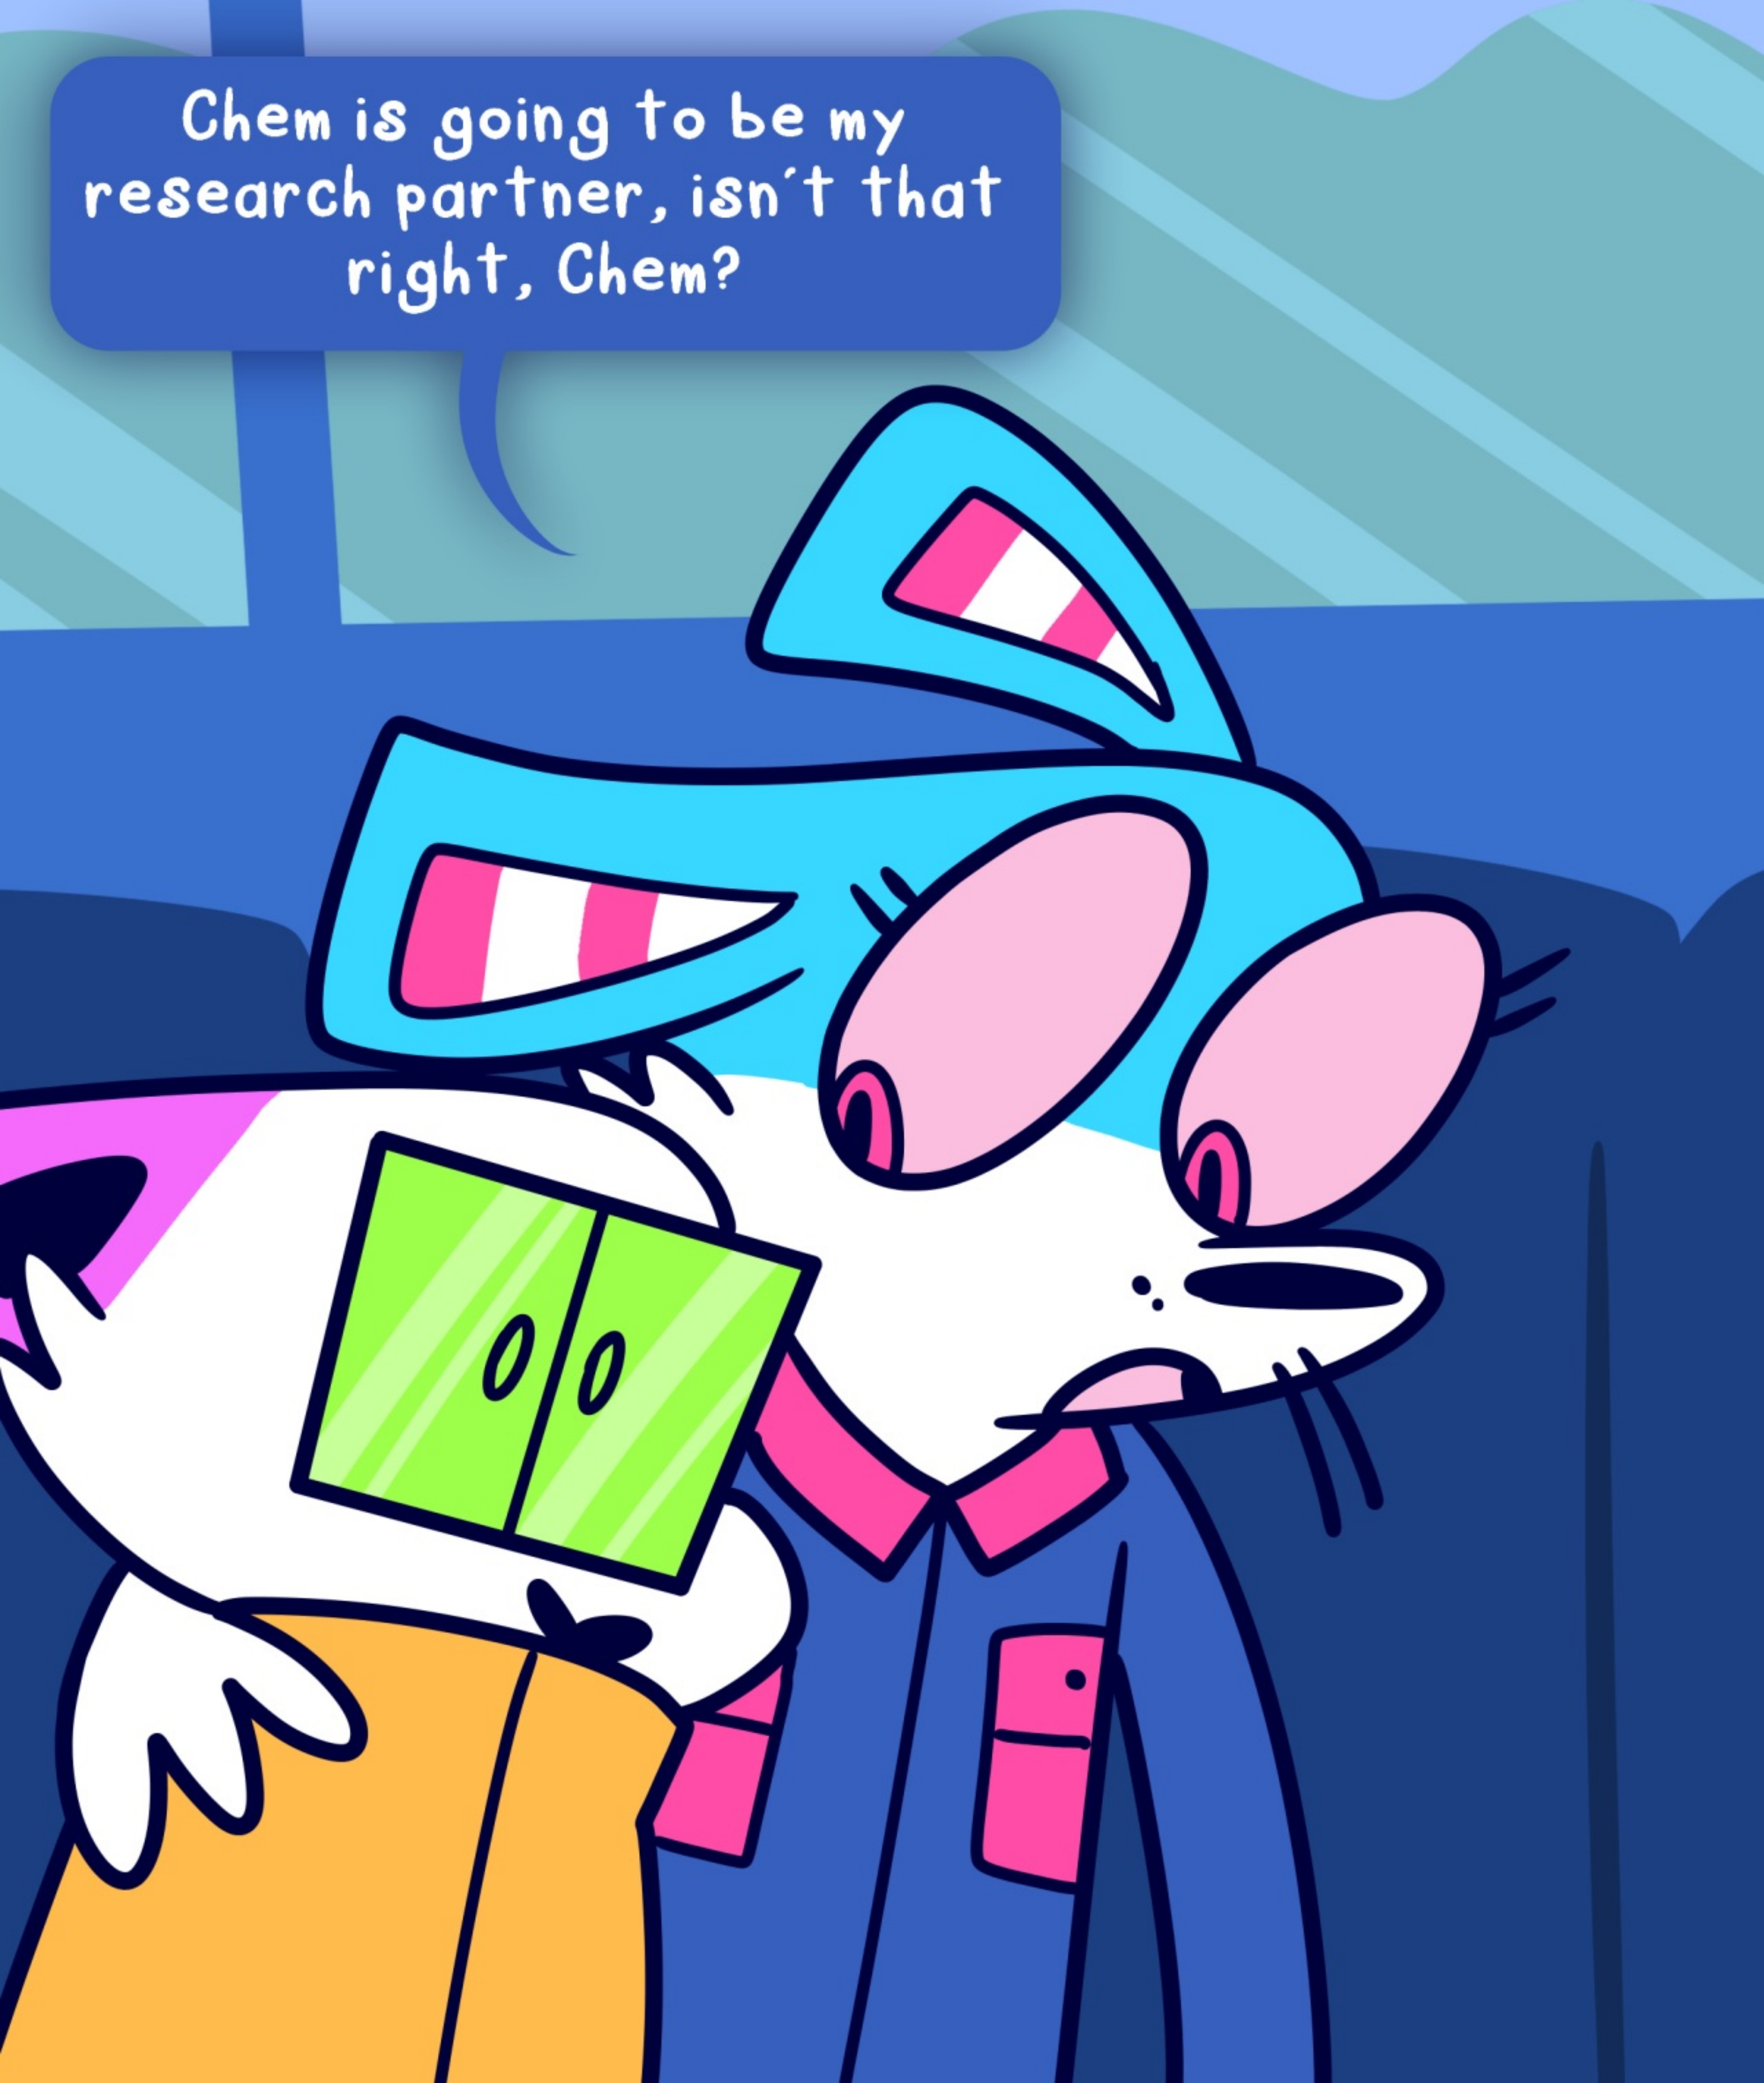
plus our nearparents Miley and Bec and all their kids.



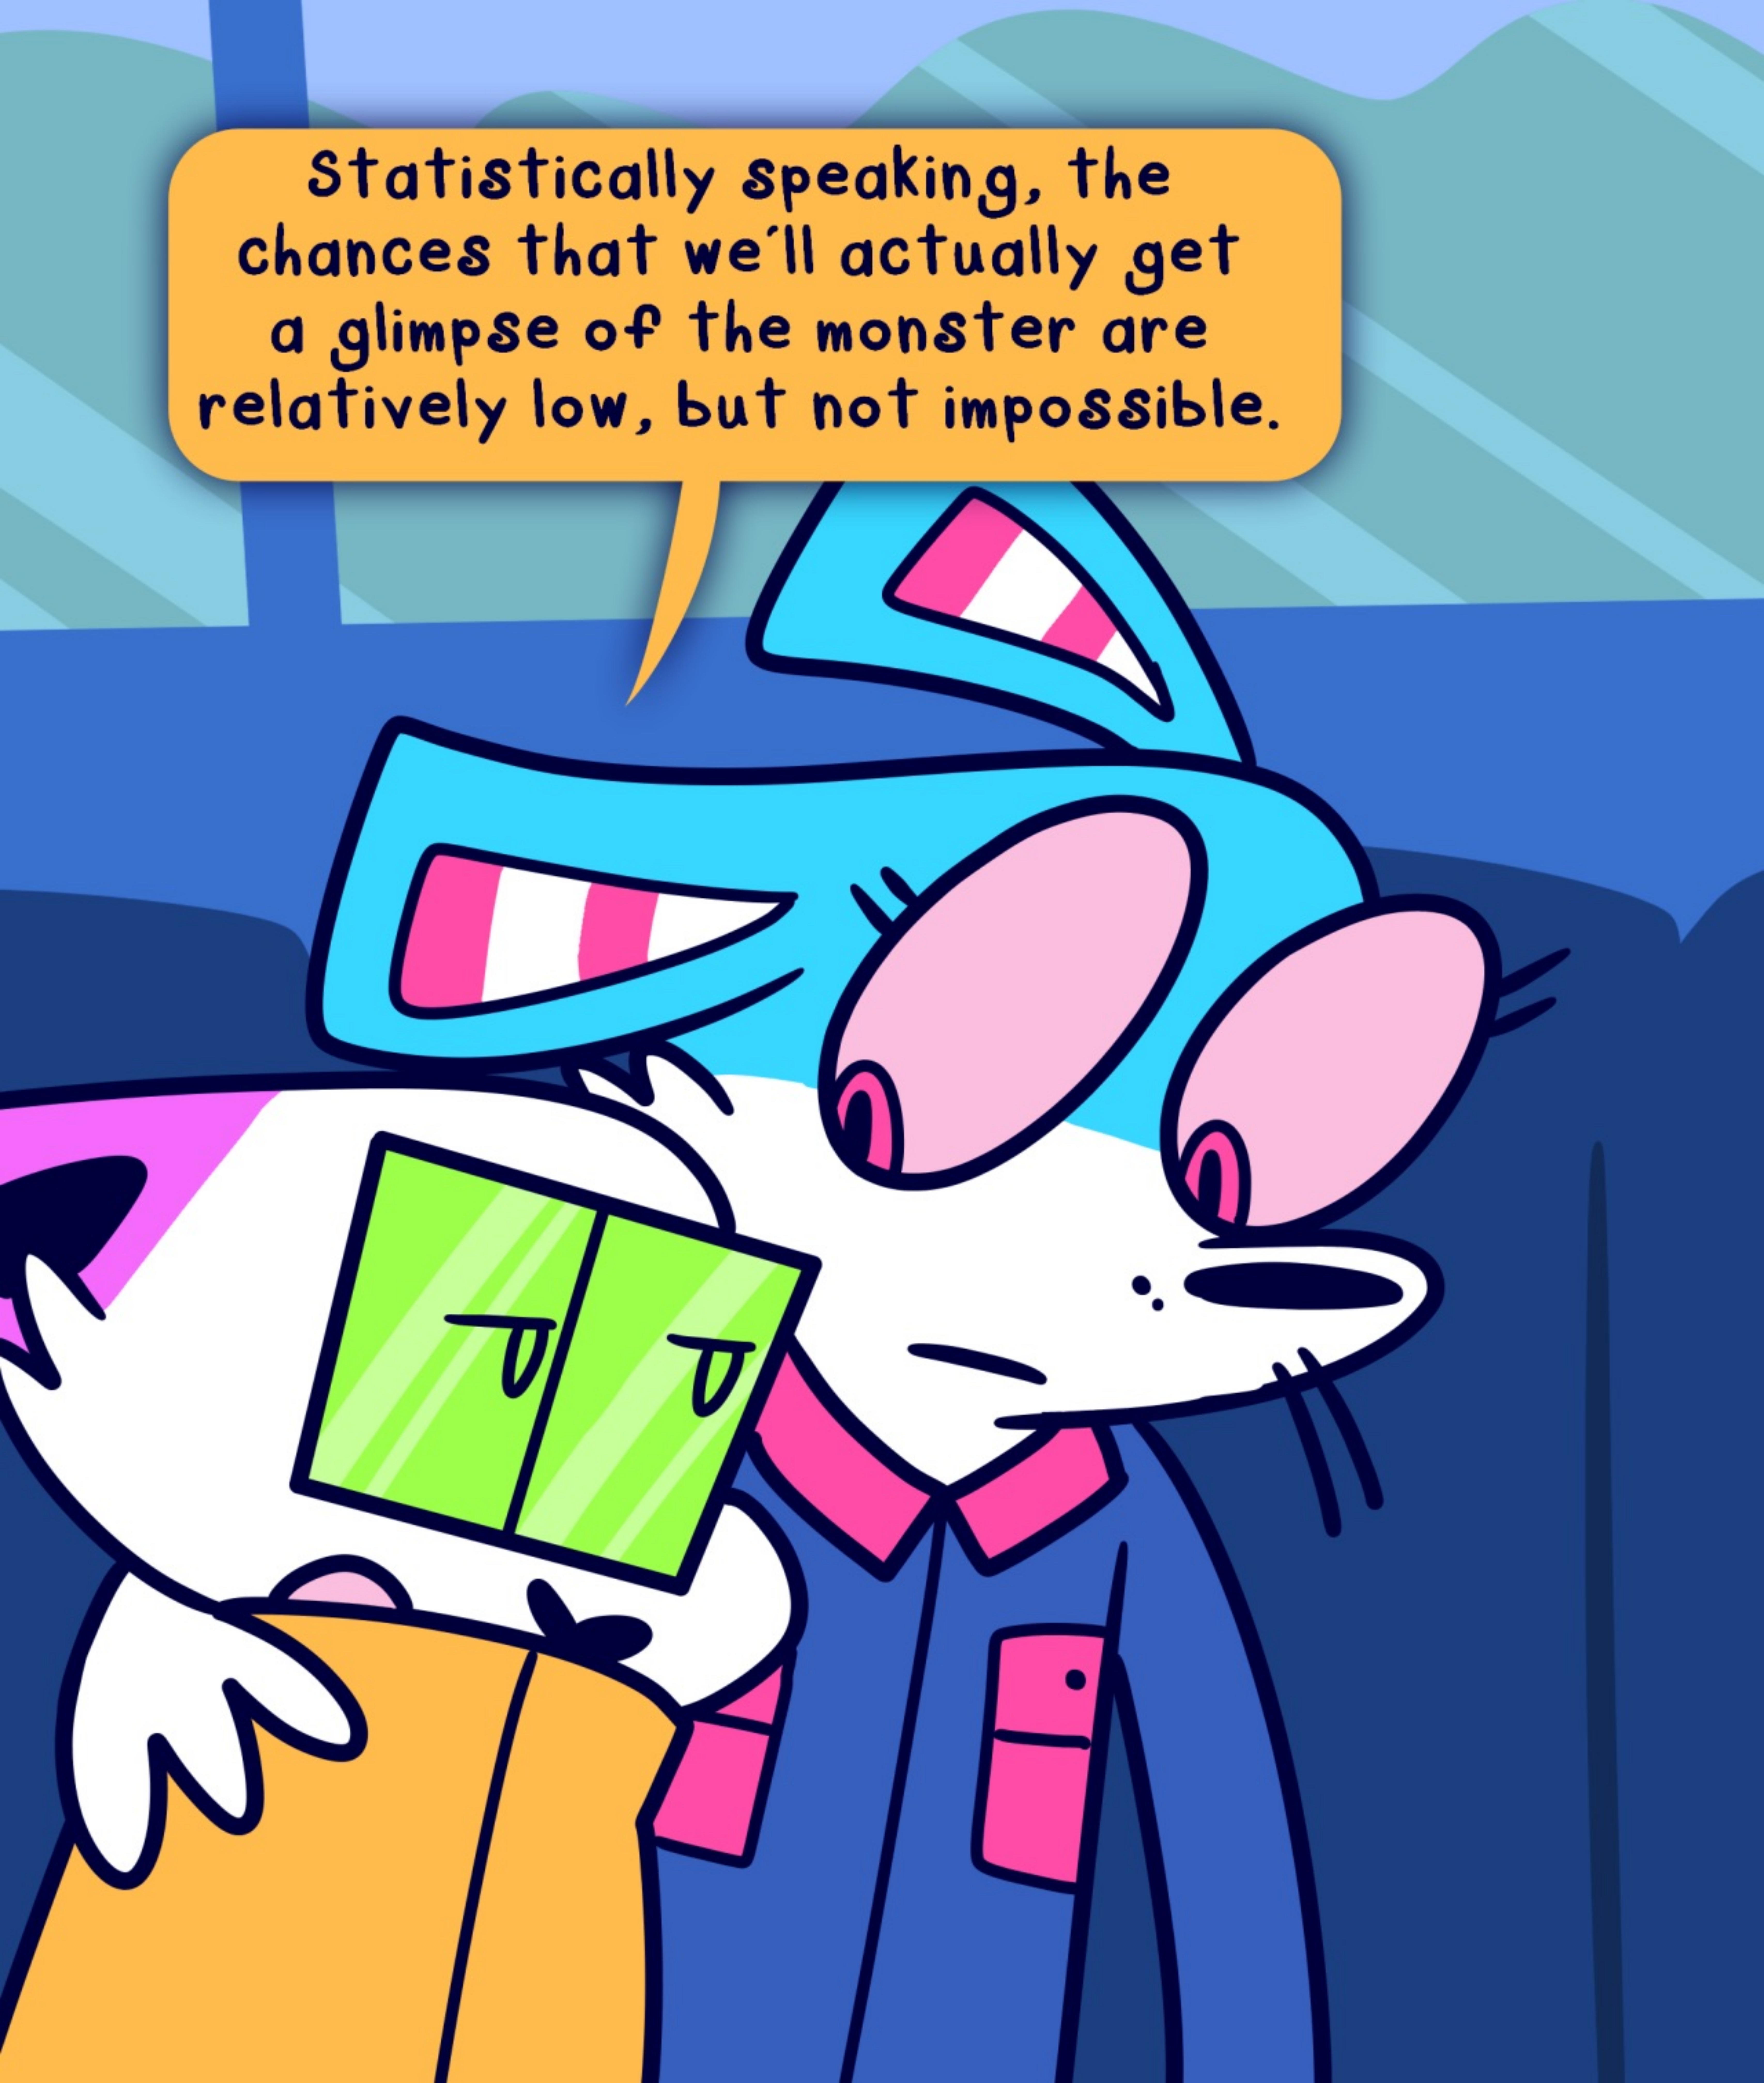
ladyinsertnamehere asked:

Blair, what's this side of the family like? Have you met them before?

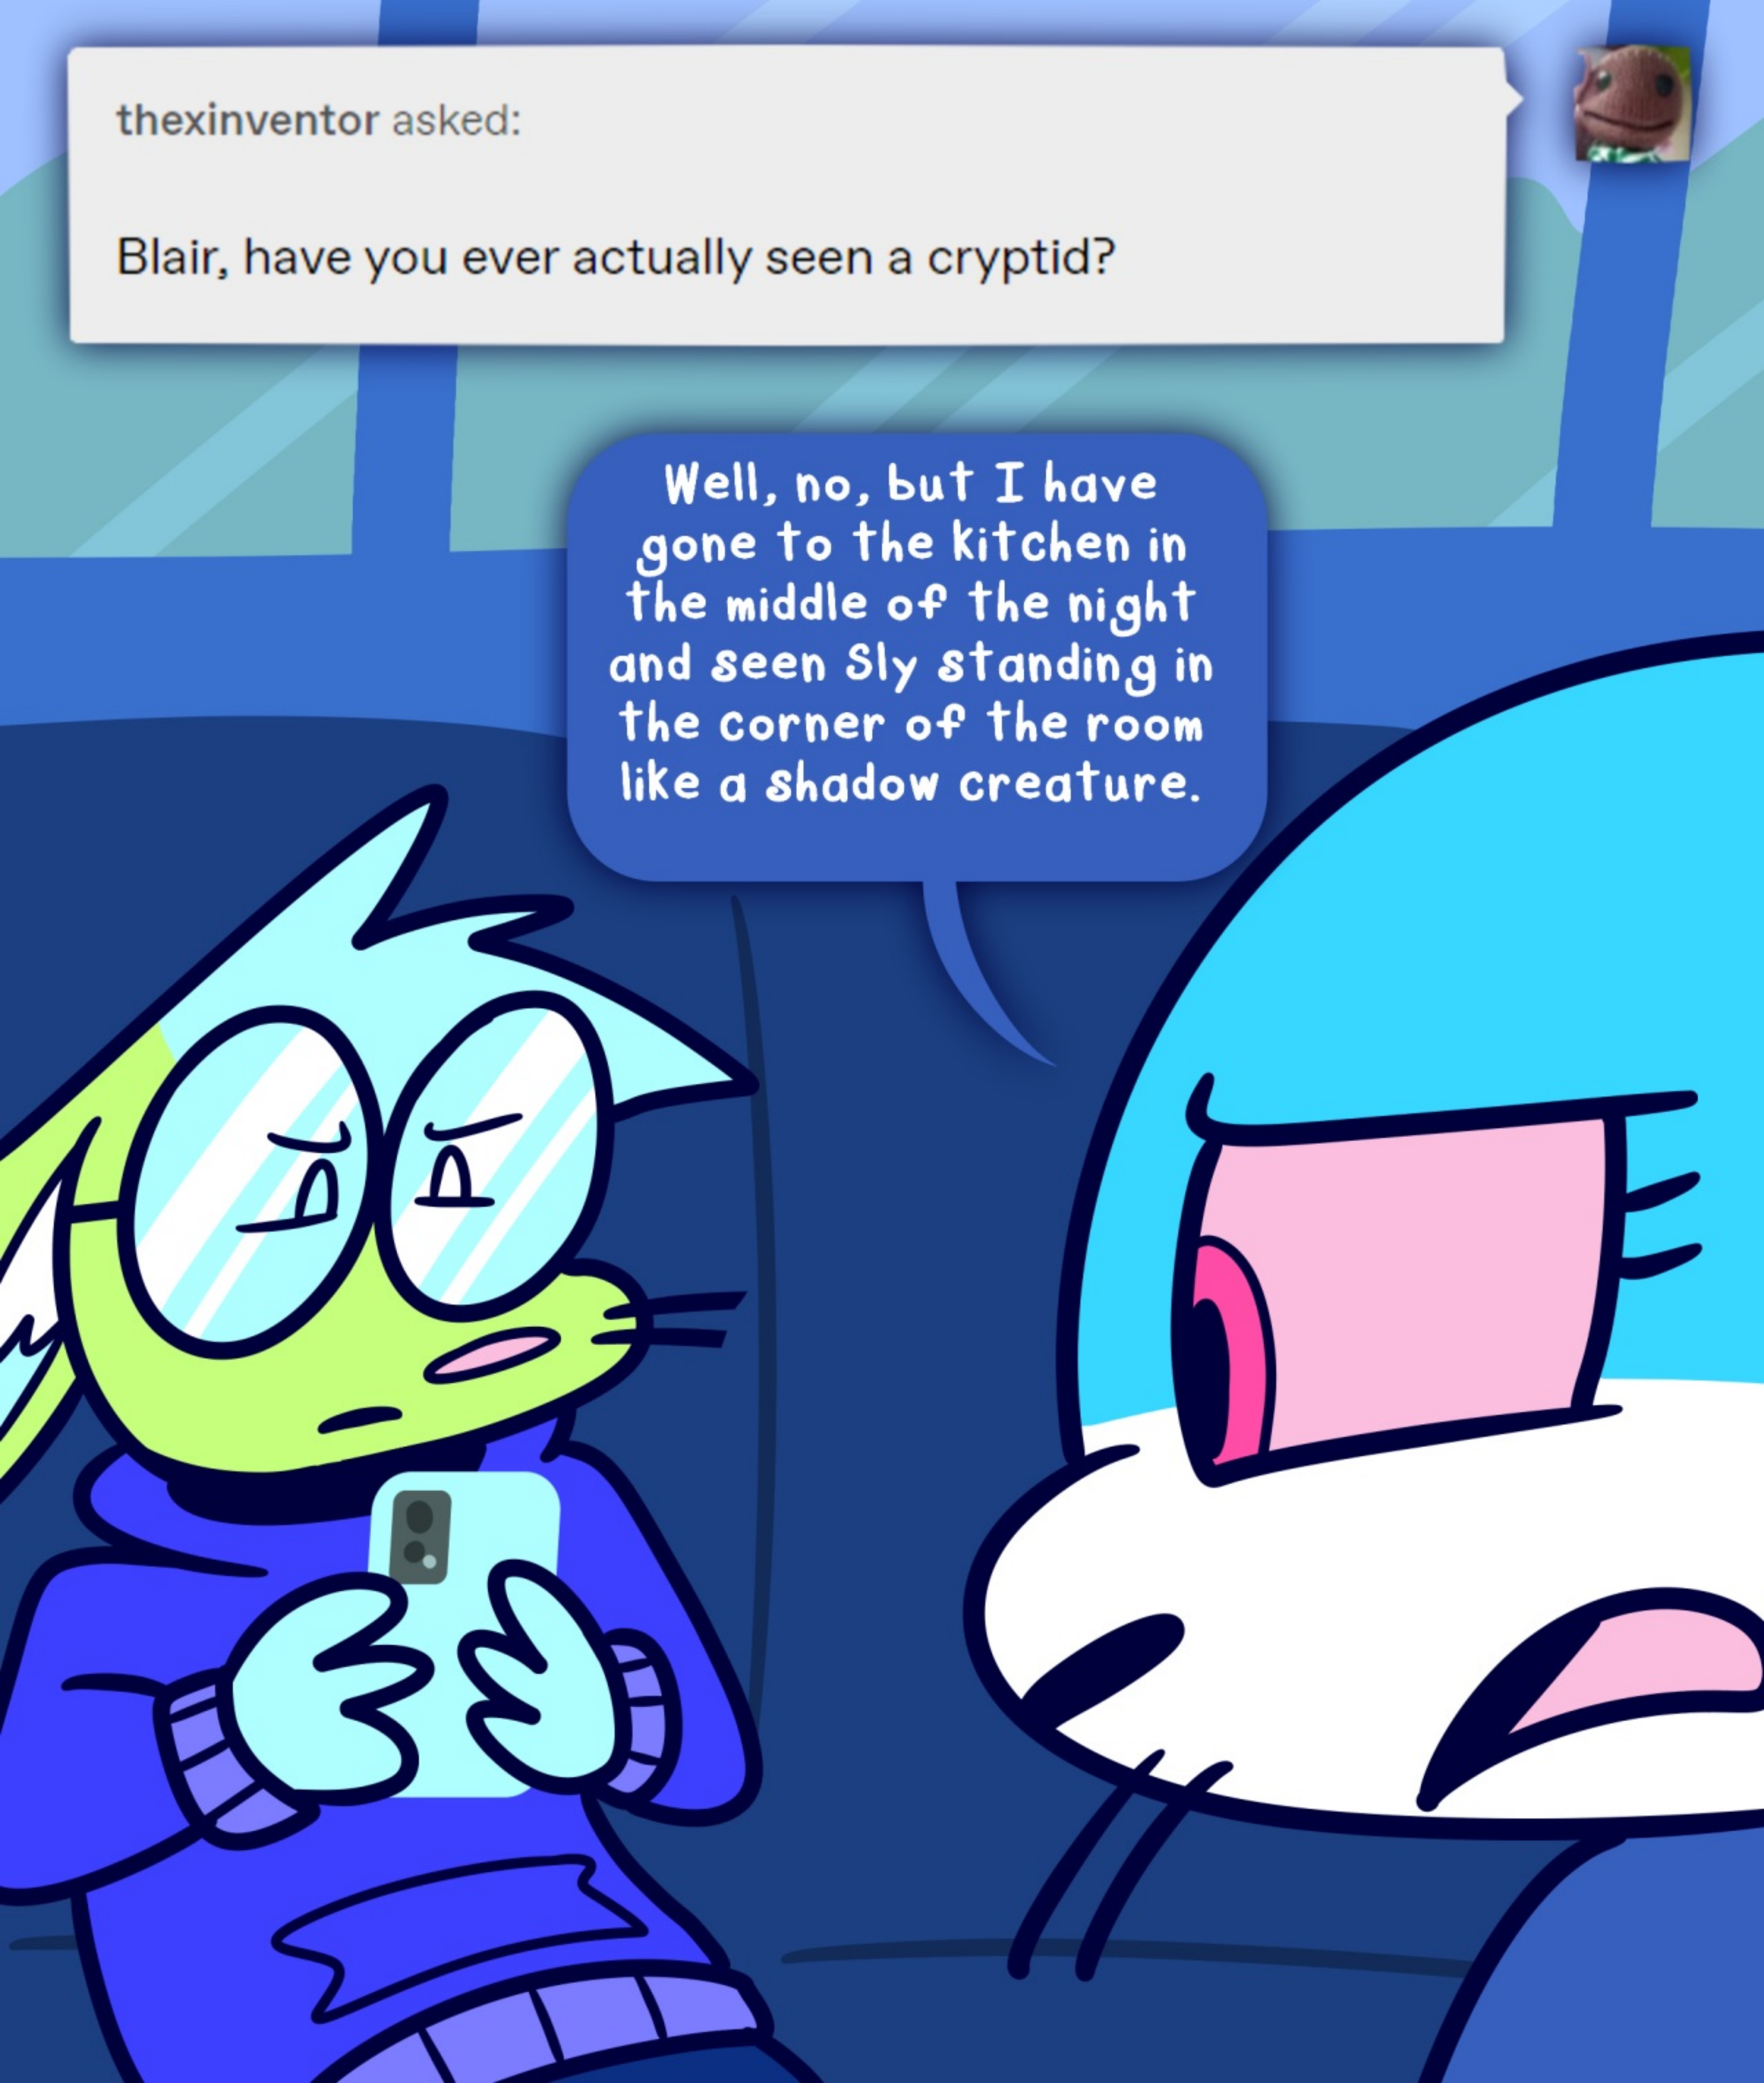
They're fine people, but not my interest here. To them, this is a summer vacation. To me, this is a research expedition. Seeing family isn't my goal here.



Chem is going to be my research partner, isn´t that right, Chem?



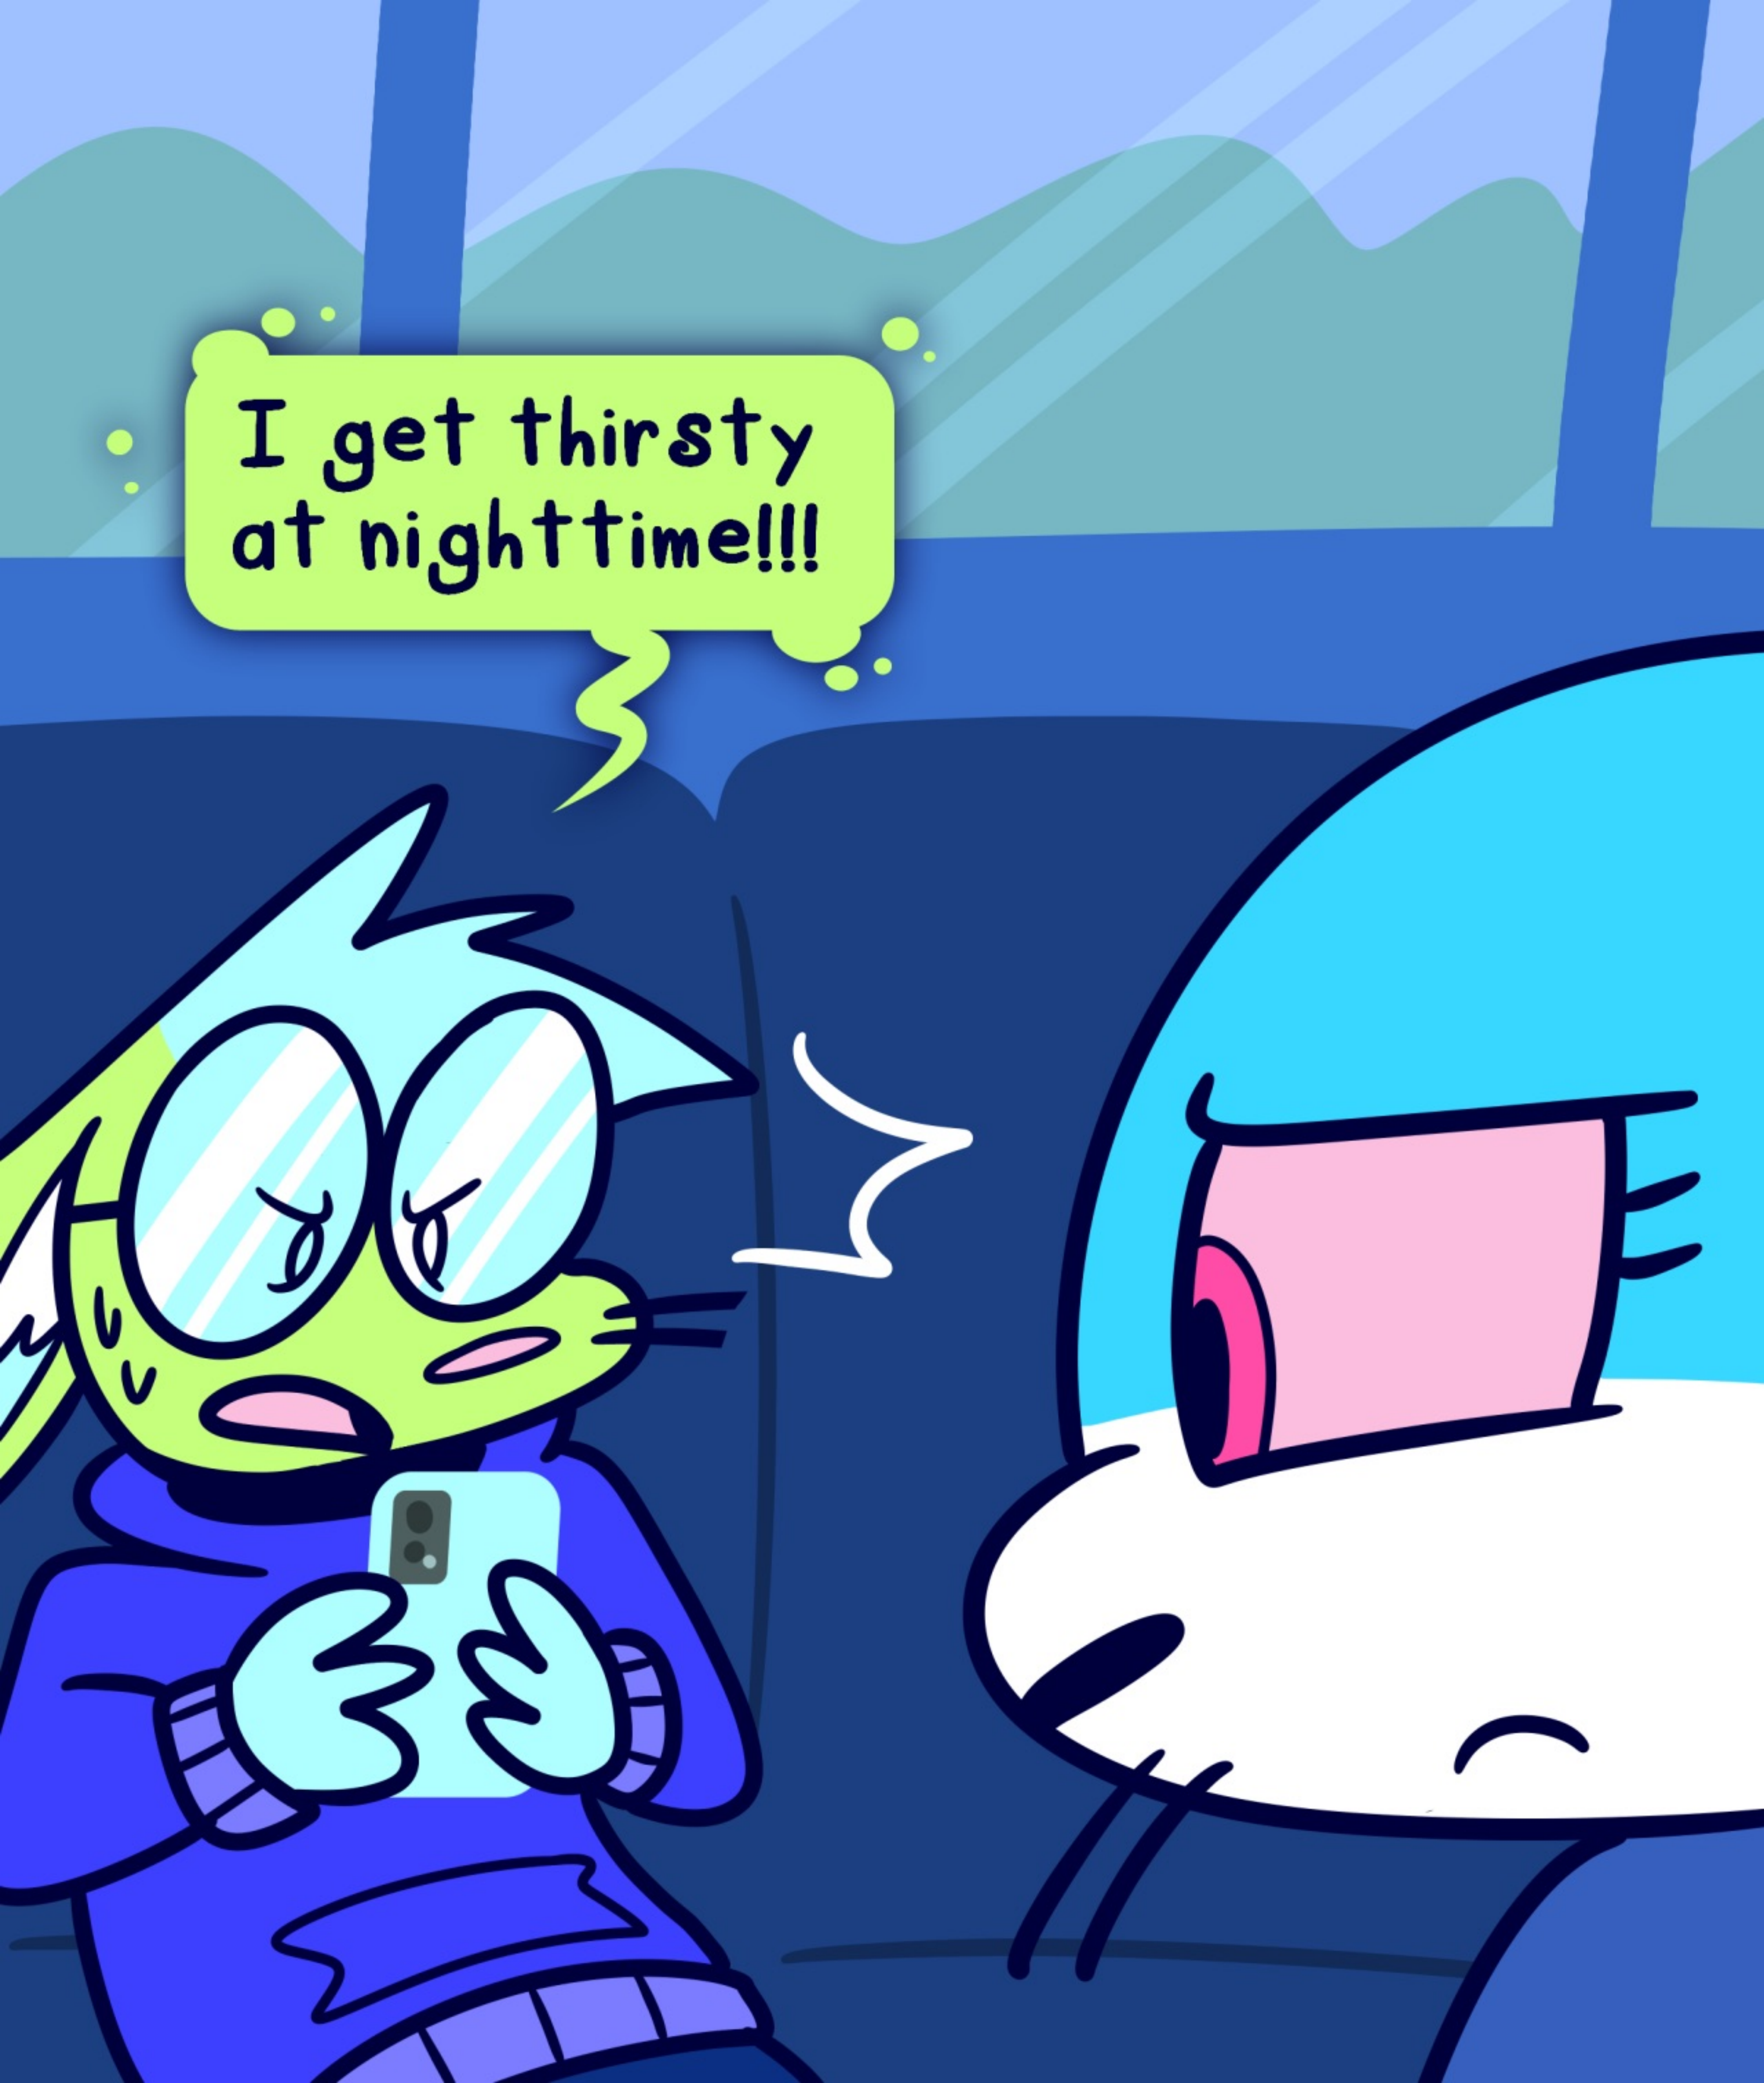
Statistically speaking, the chances that we'll actually get a glimpse of the monster are relatively low, but not impossible.



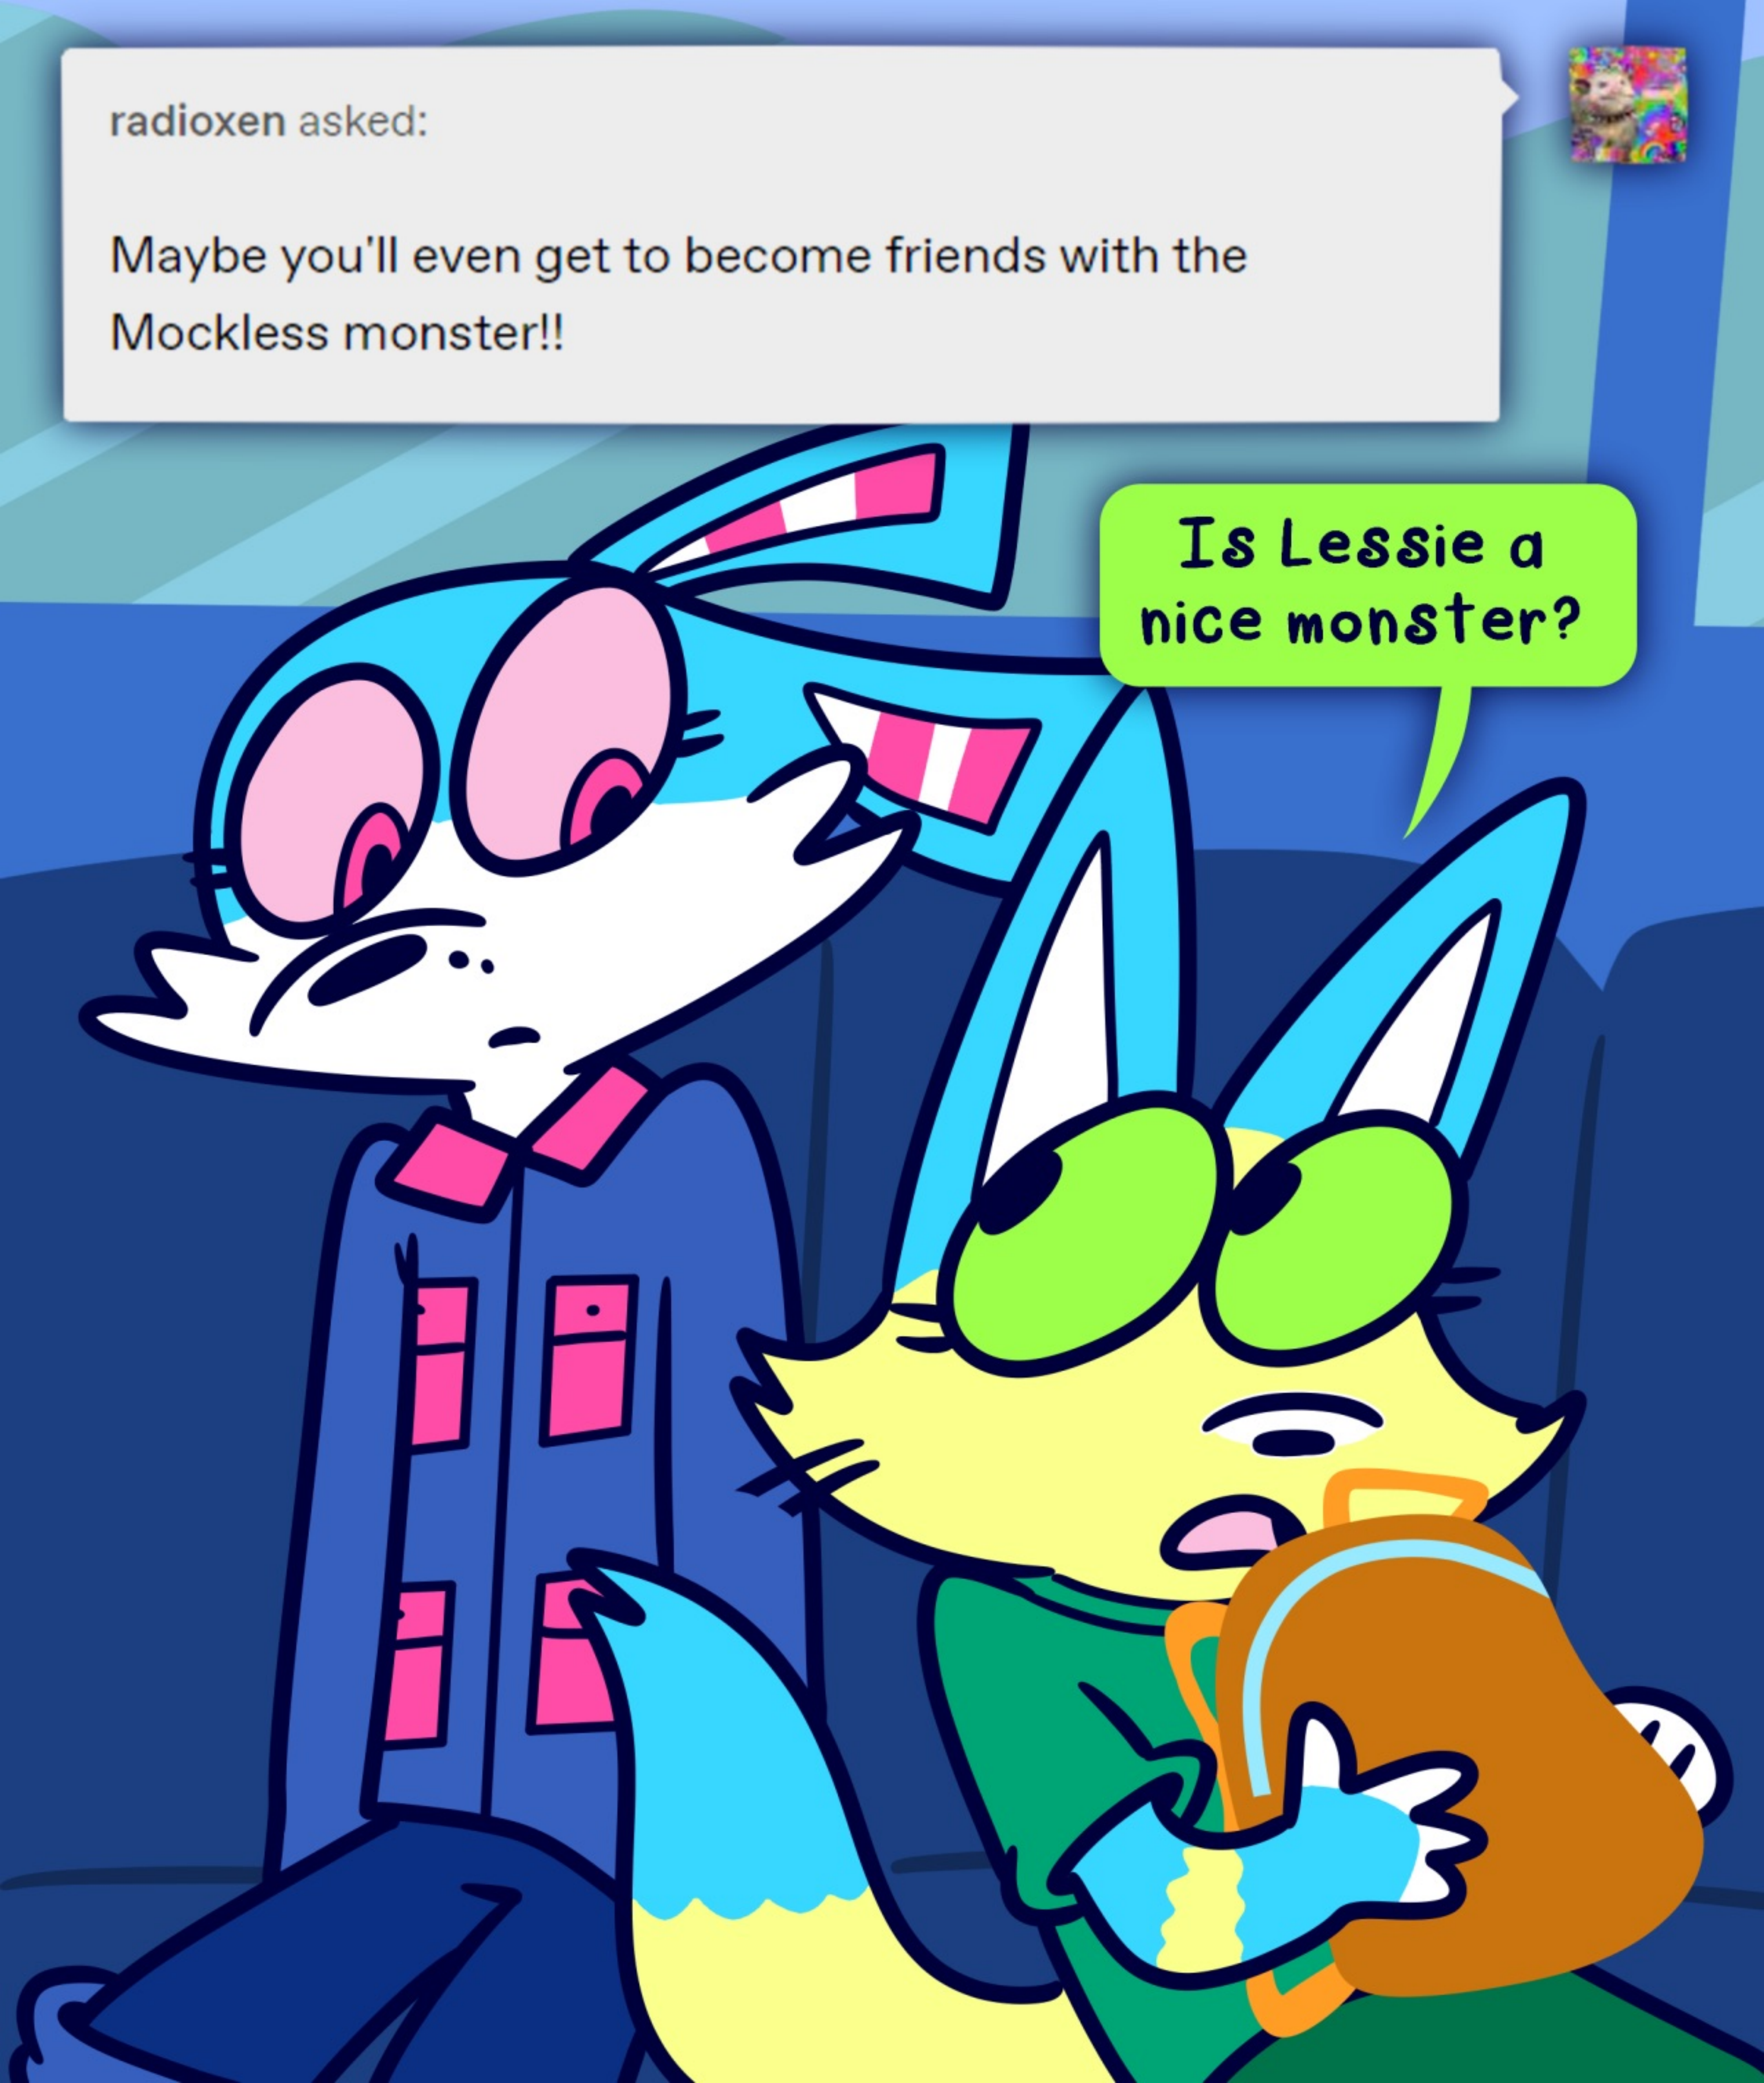
thexinventor asked:

Blair, have you ever actually seen a cryptid?

Well, no, but I have gone to the kitchen in the middle of the night and seen Sly standing in the corner of the room like a shadow creature.



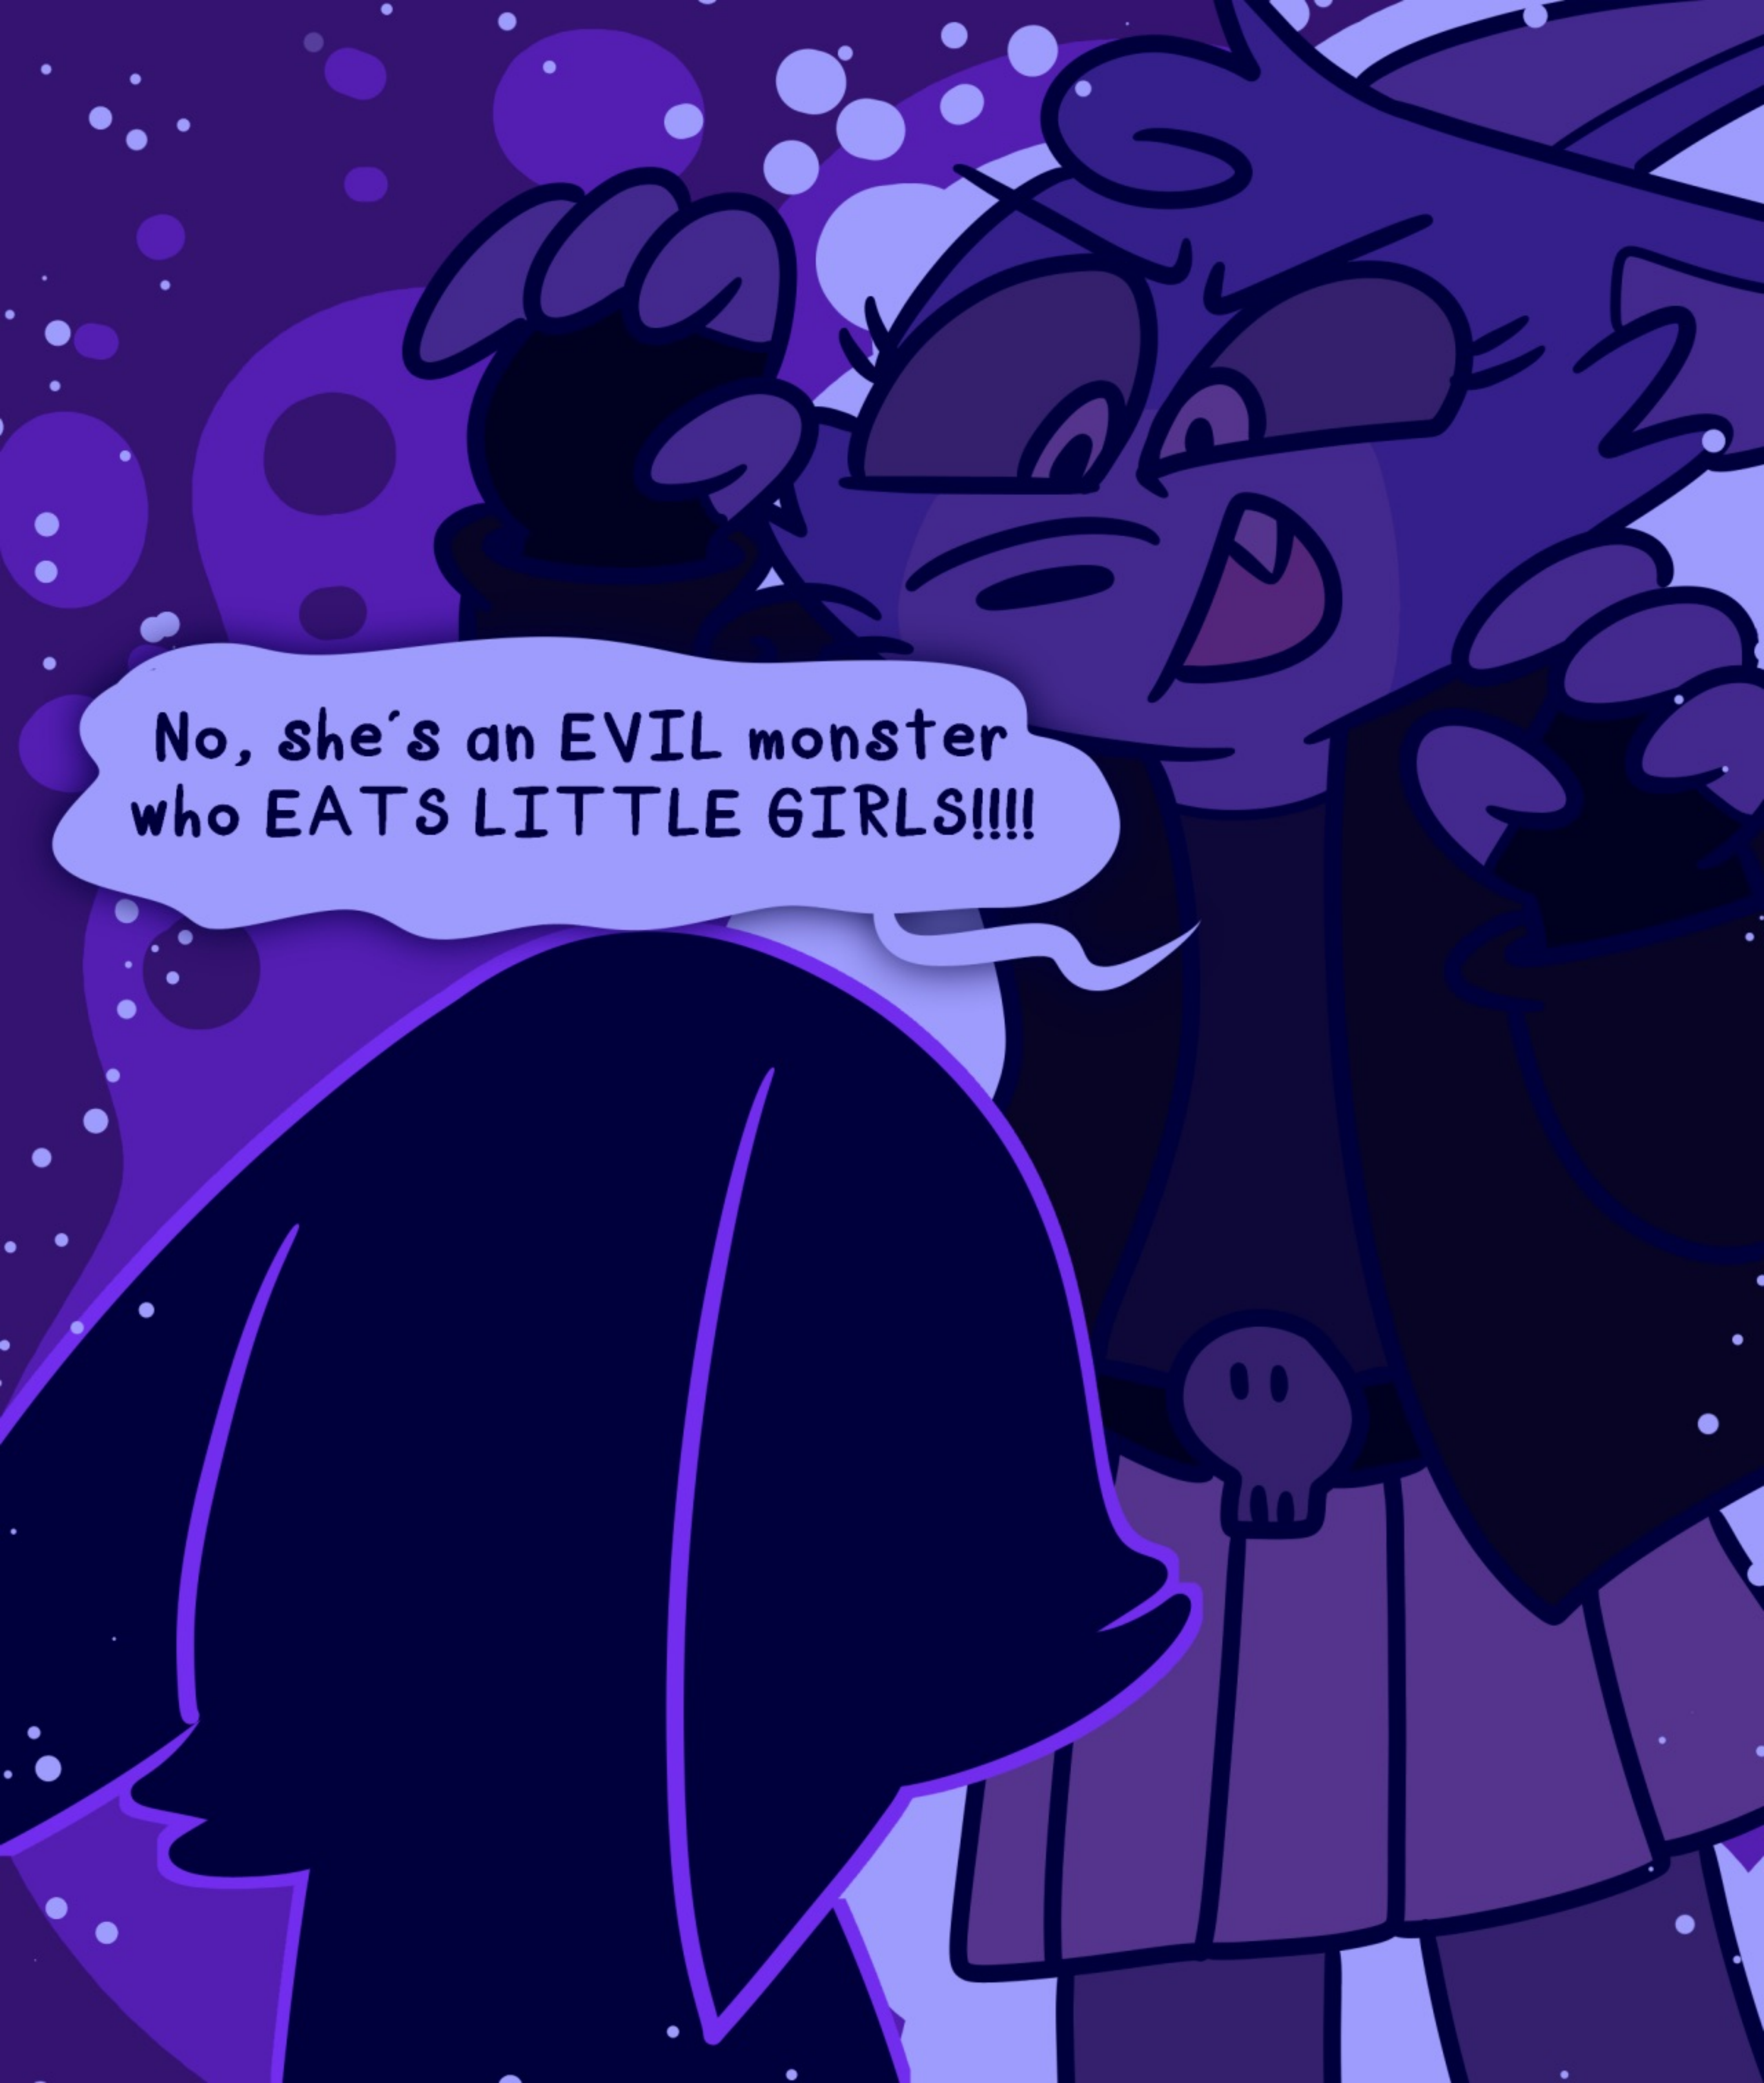
I get thirsty at nighttime!!!



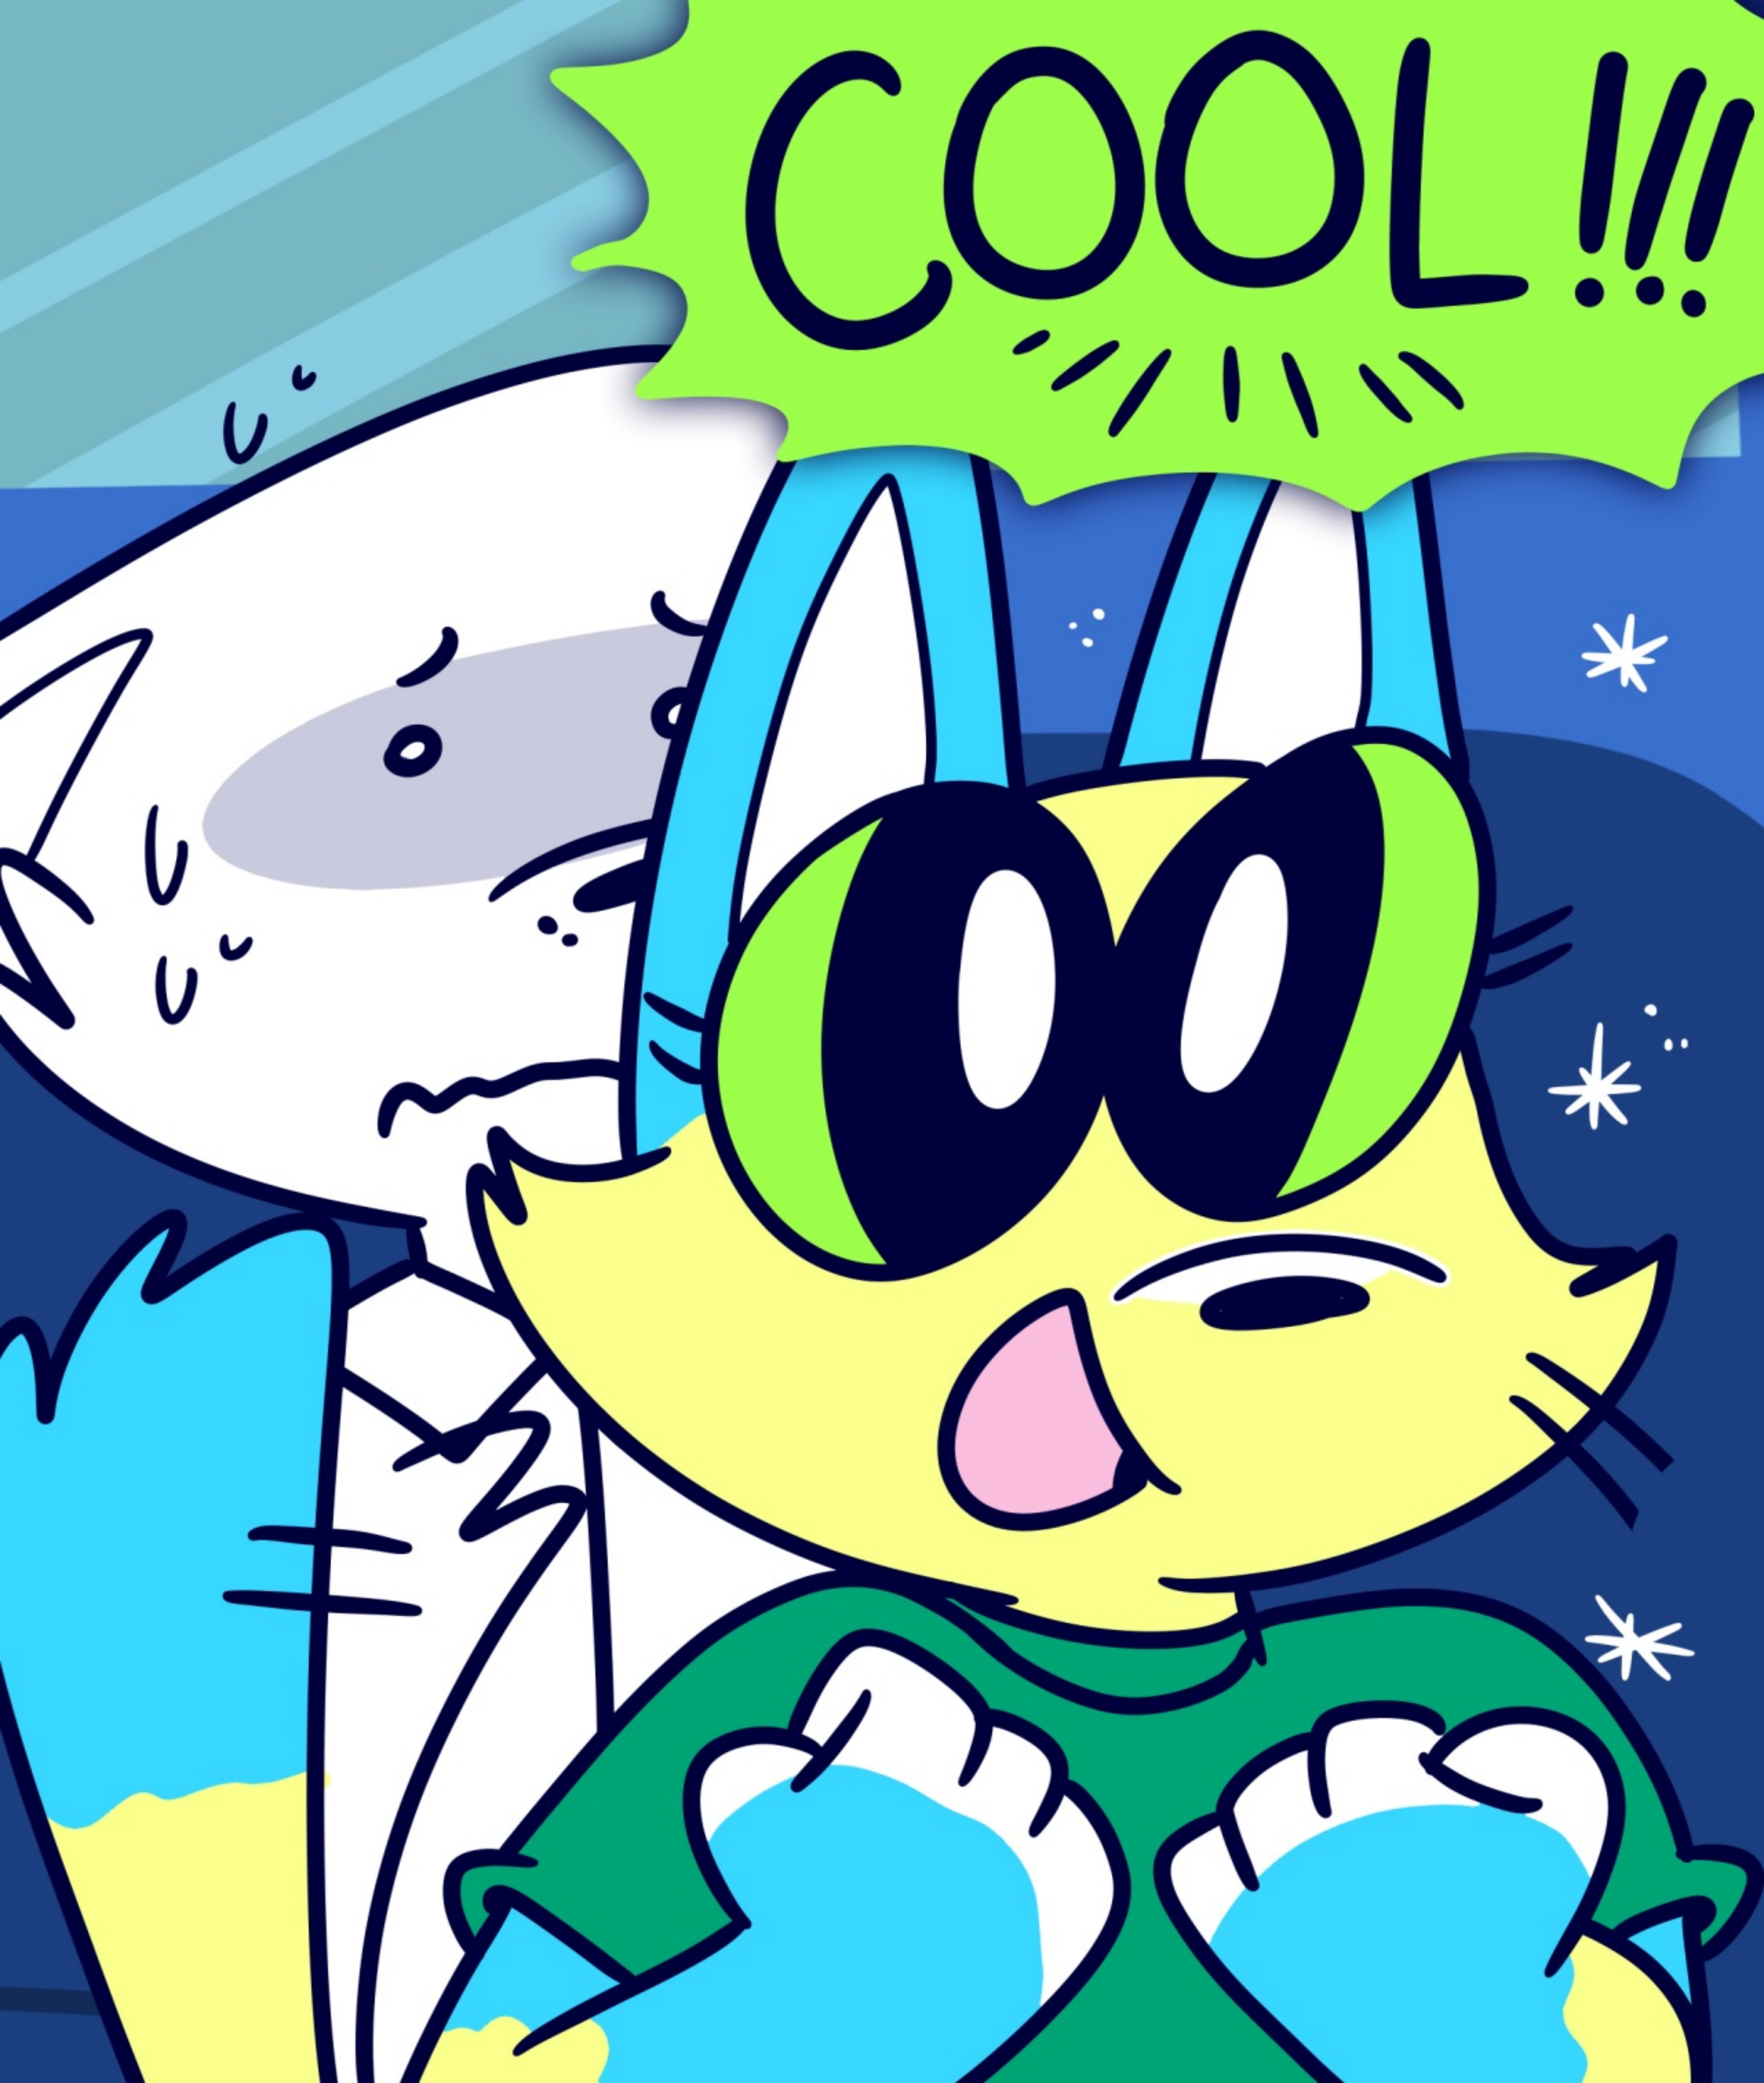
radioxen asked:

Maybe you'll even get to become friends with the Mockless monster!!

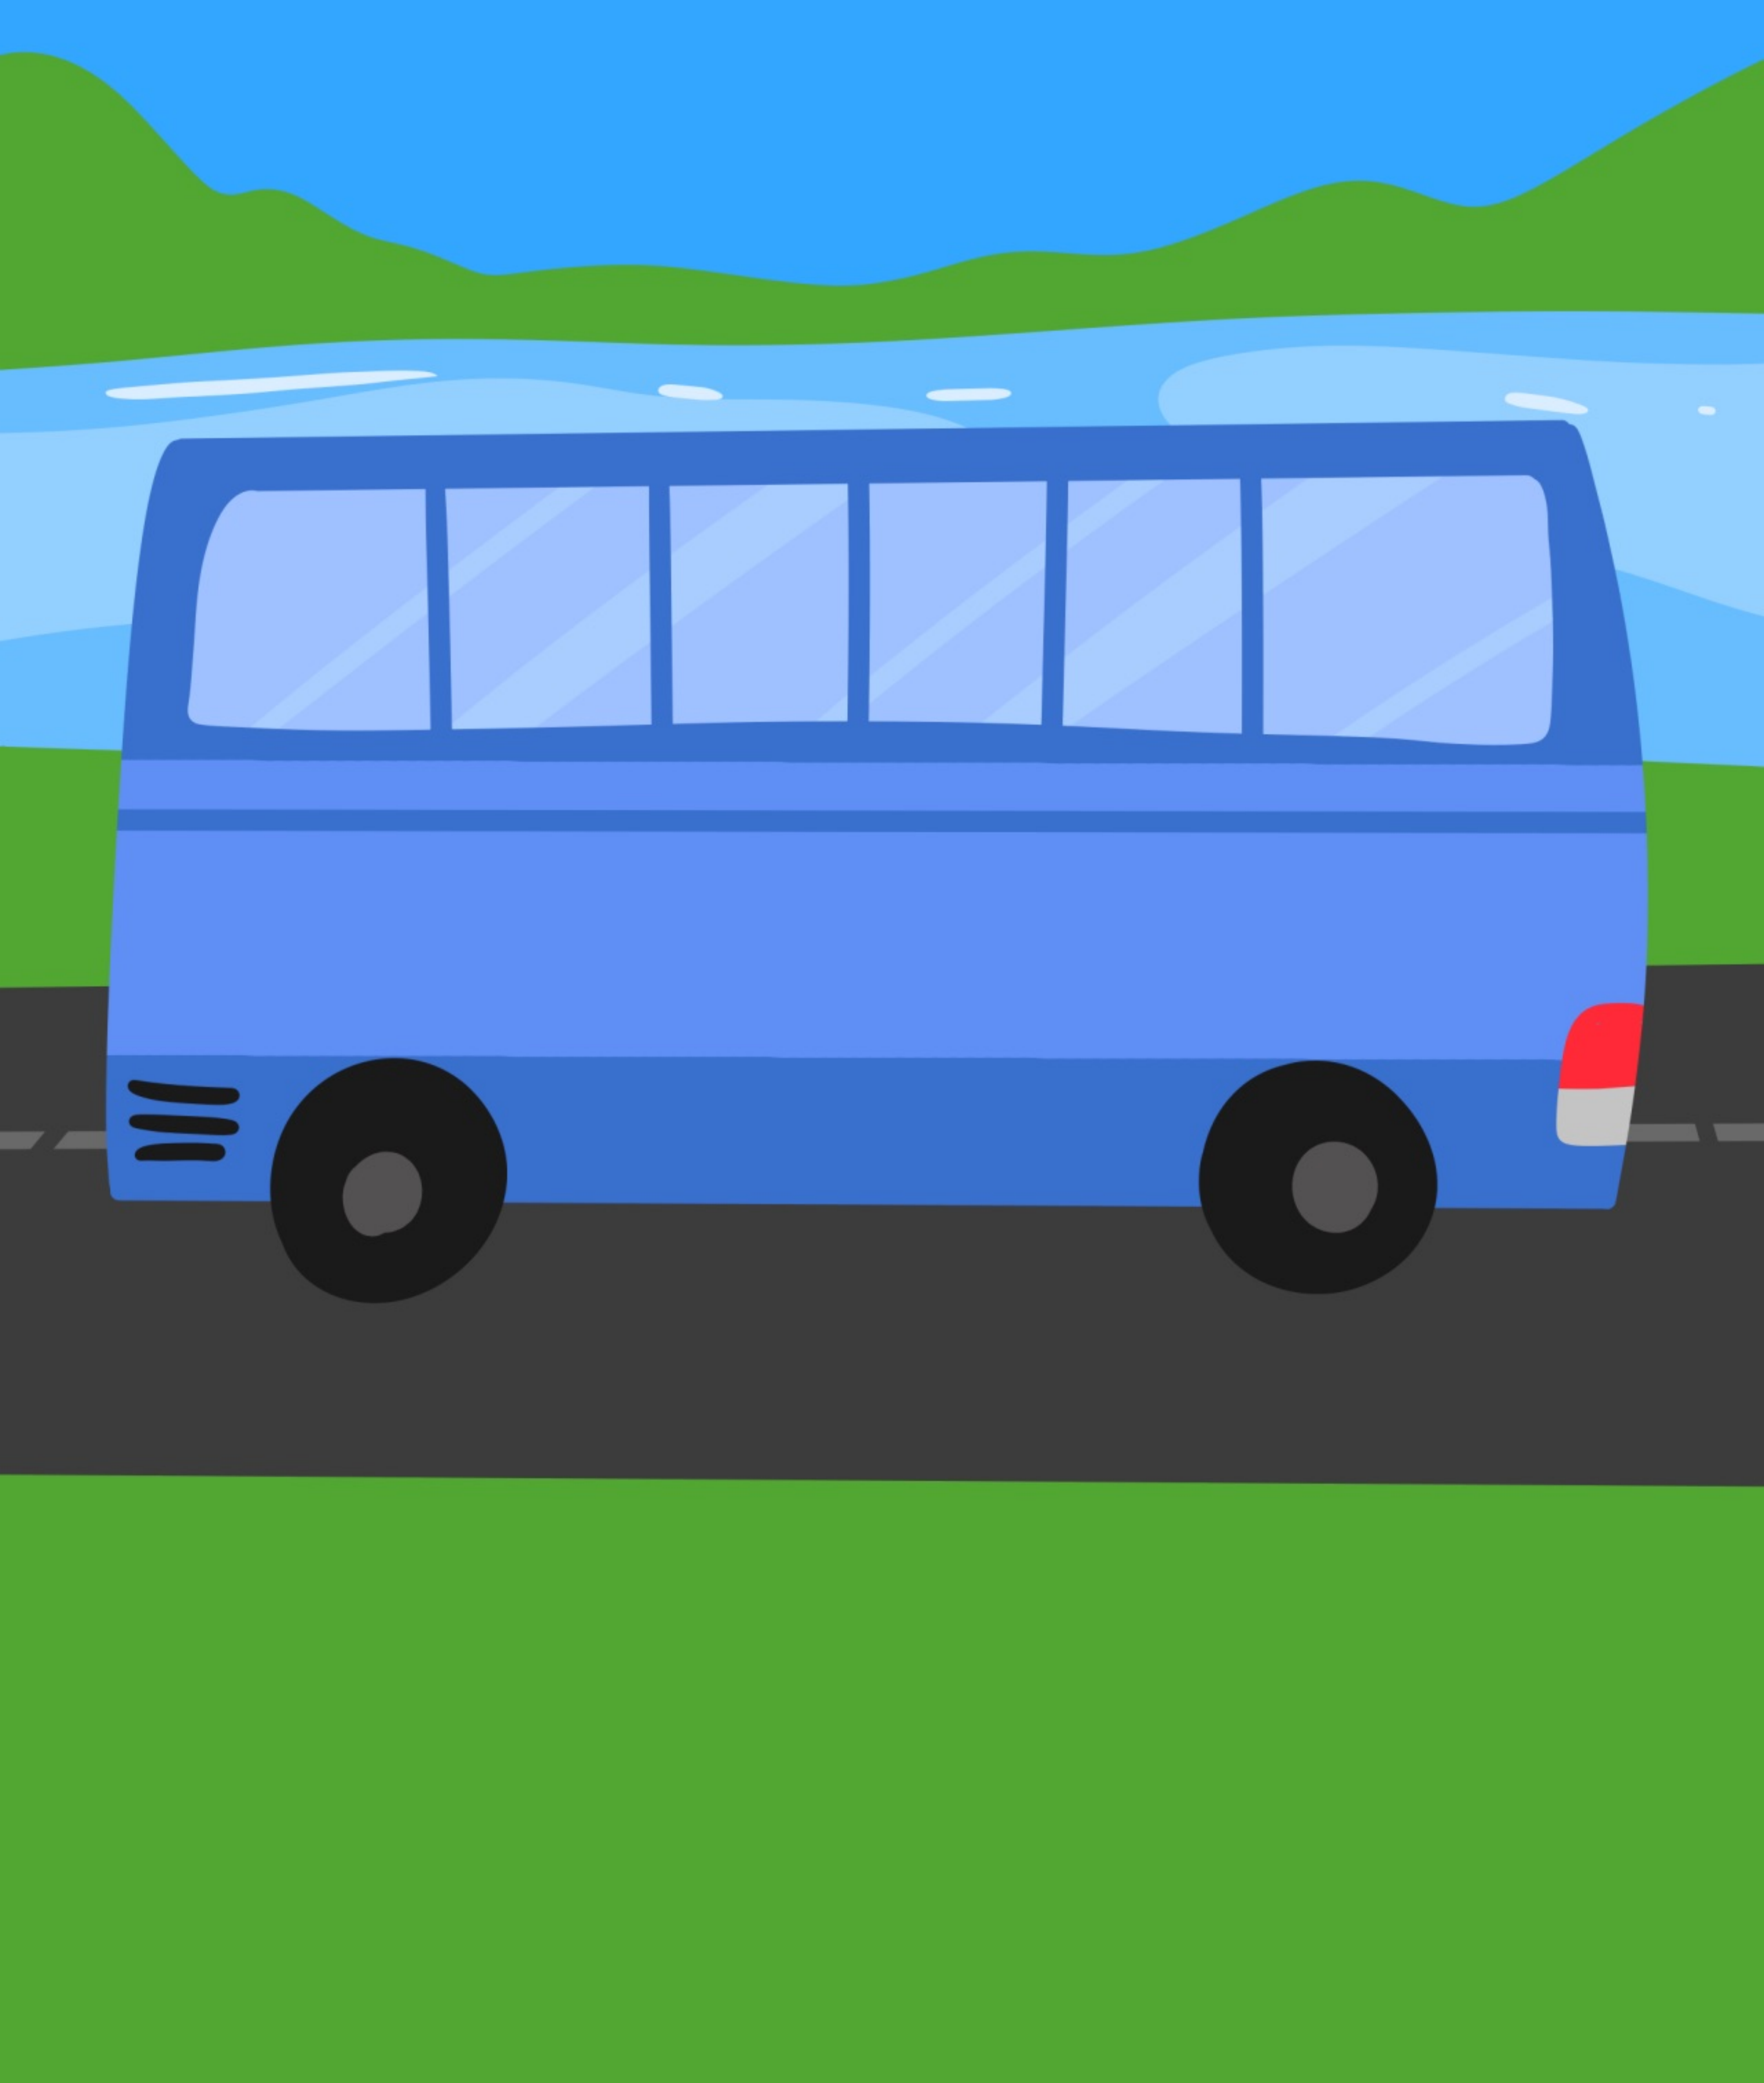
Is Lessie a nice monster?

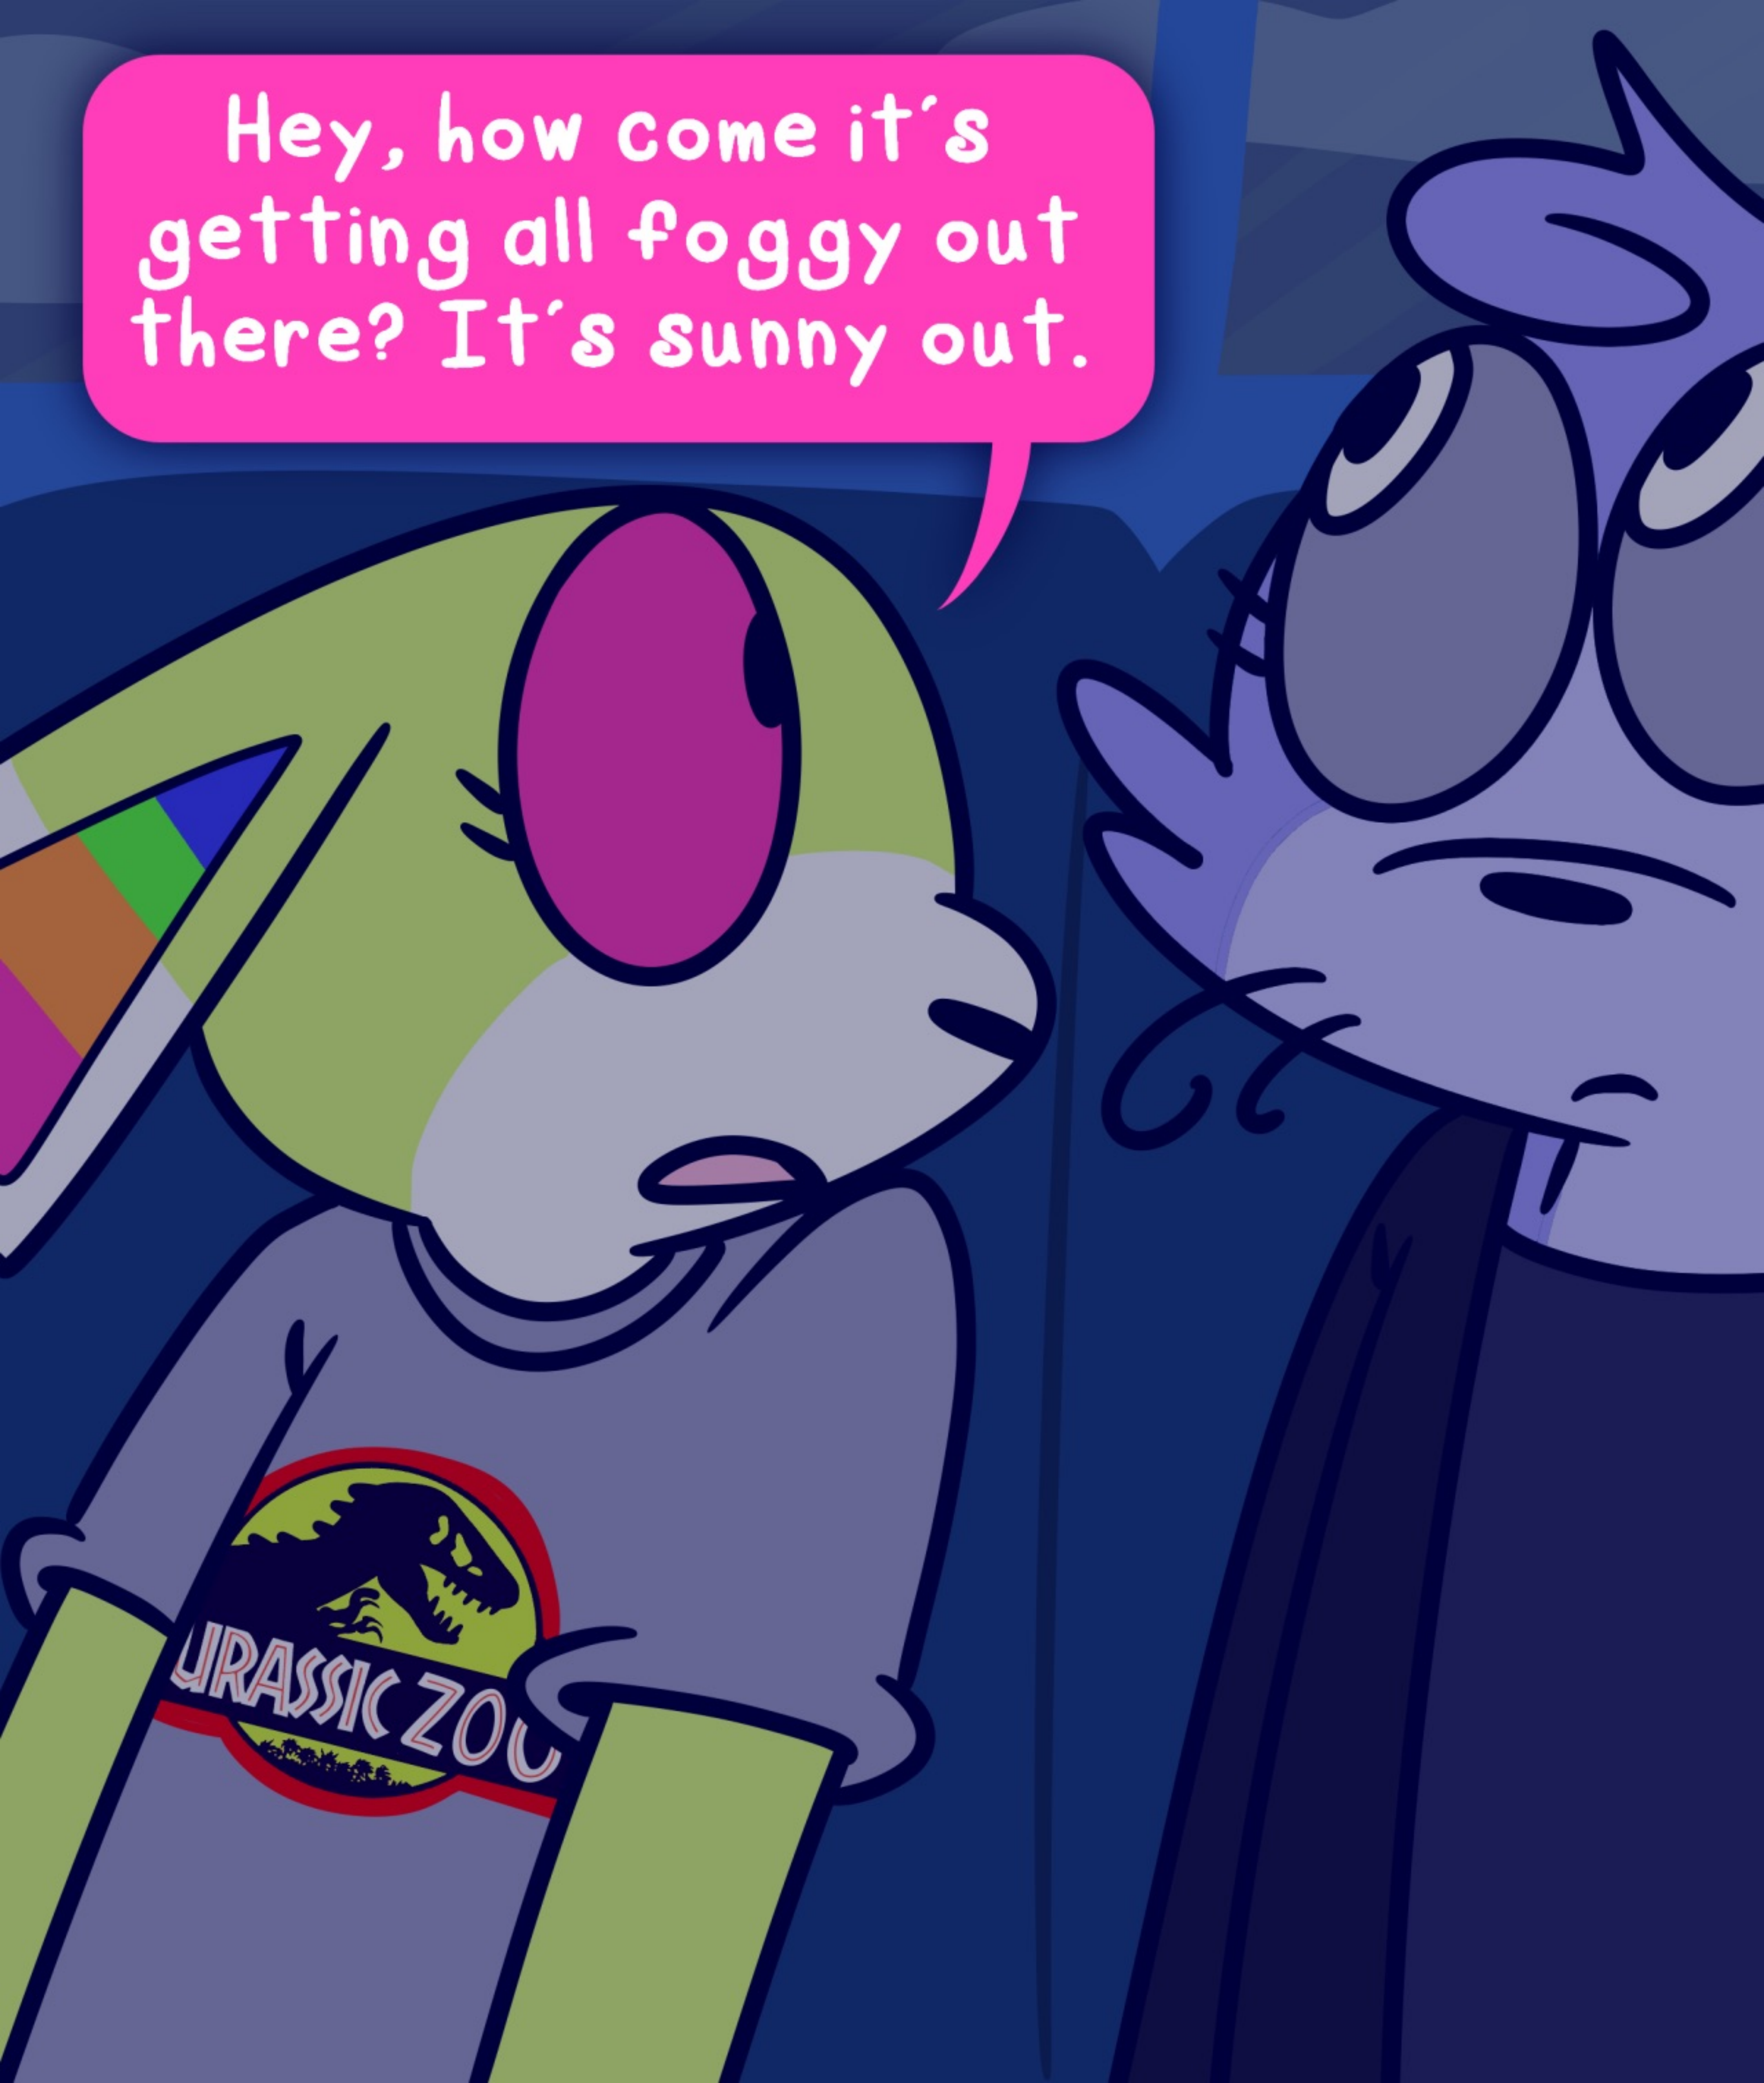


No, she's an EVIL monster who EATS LITTLE GIRLS!!!!

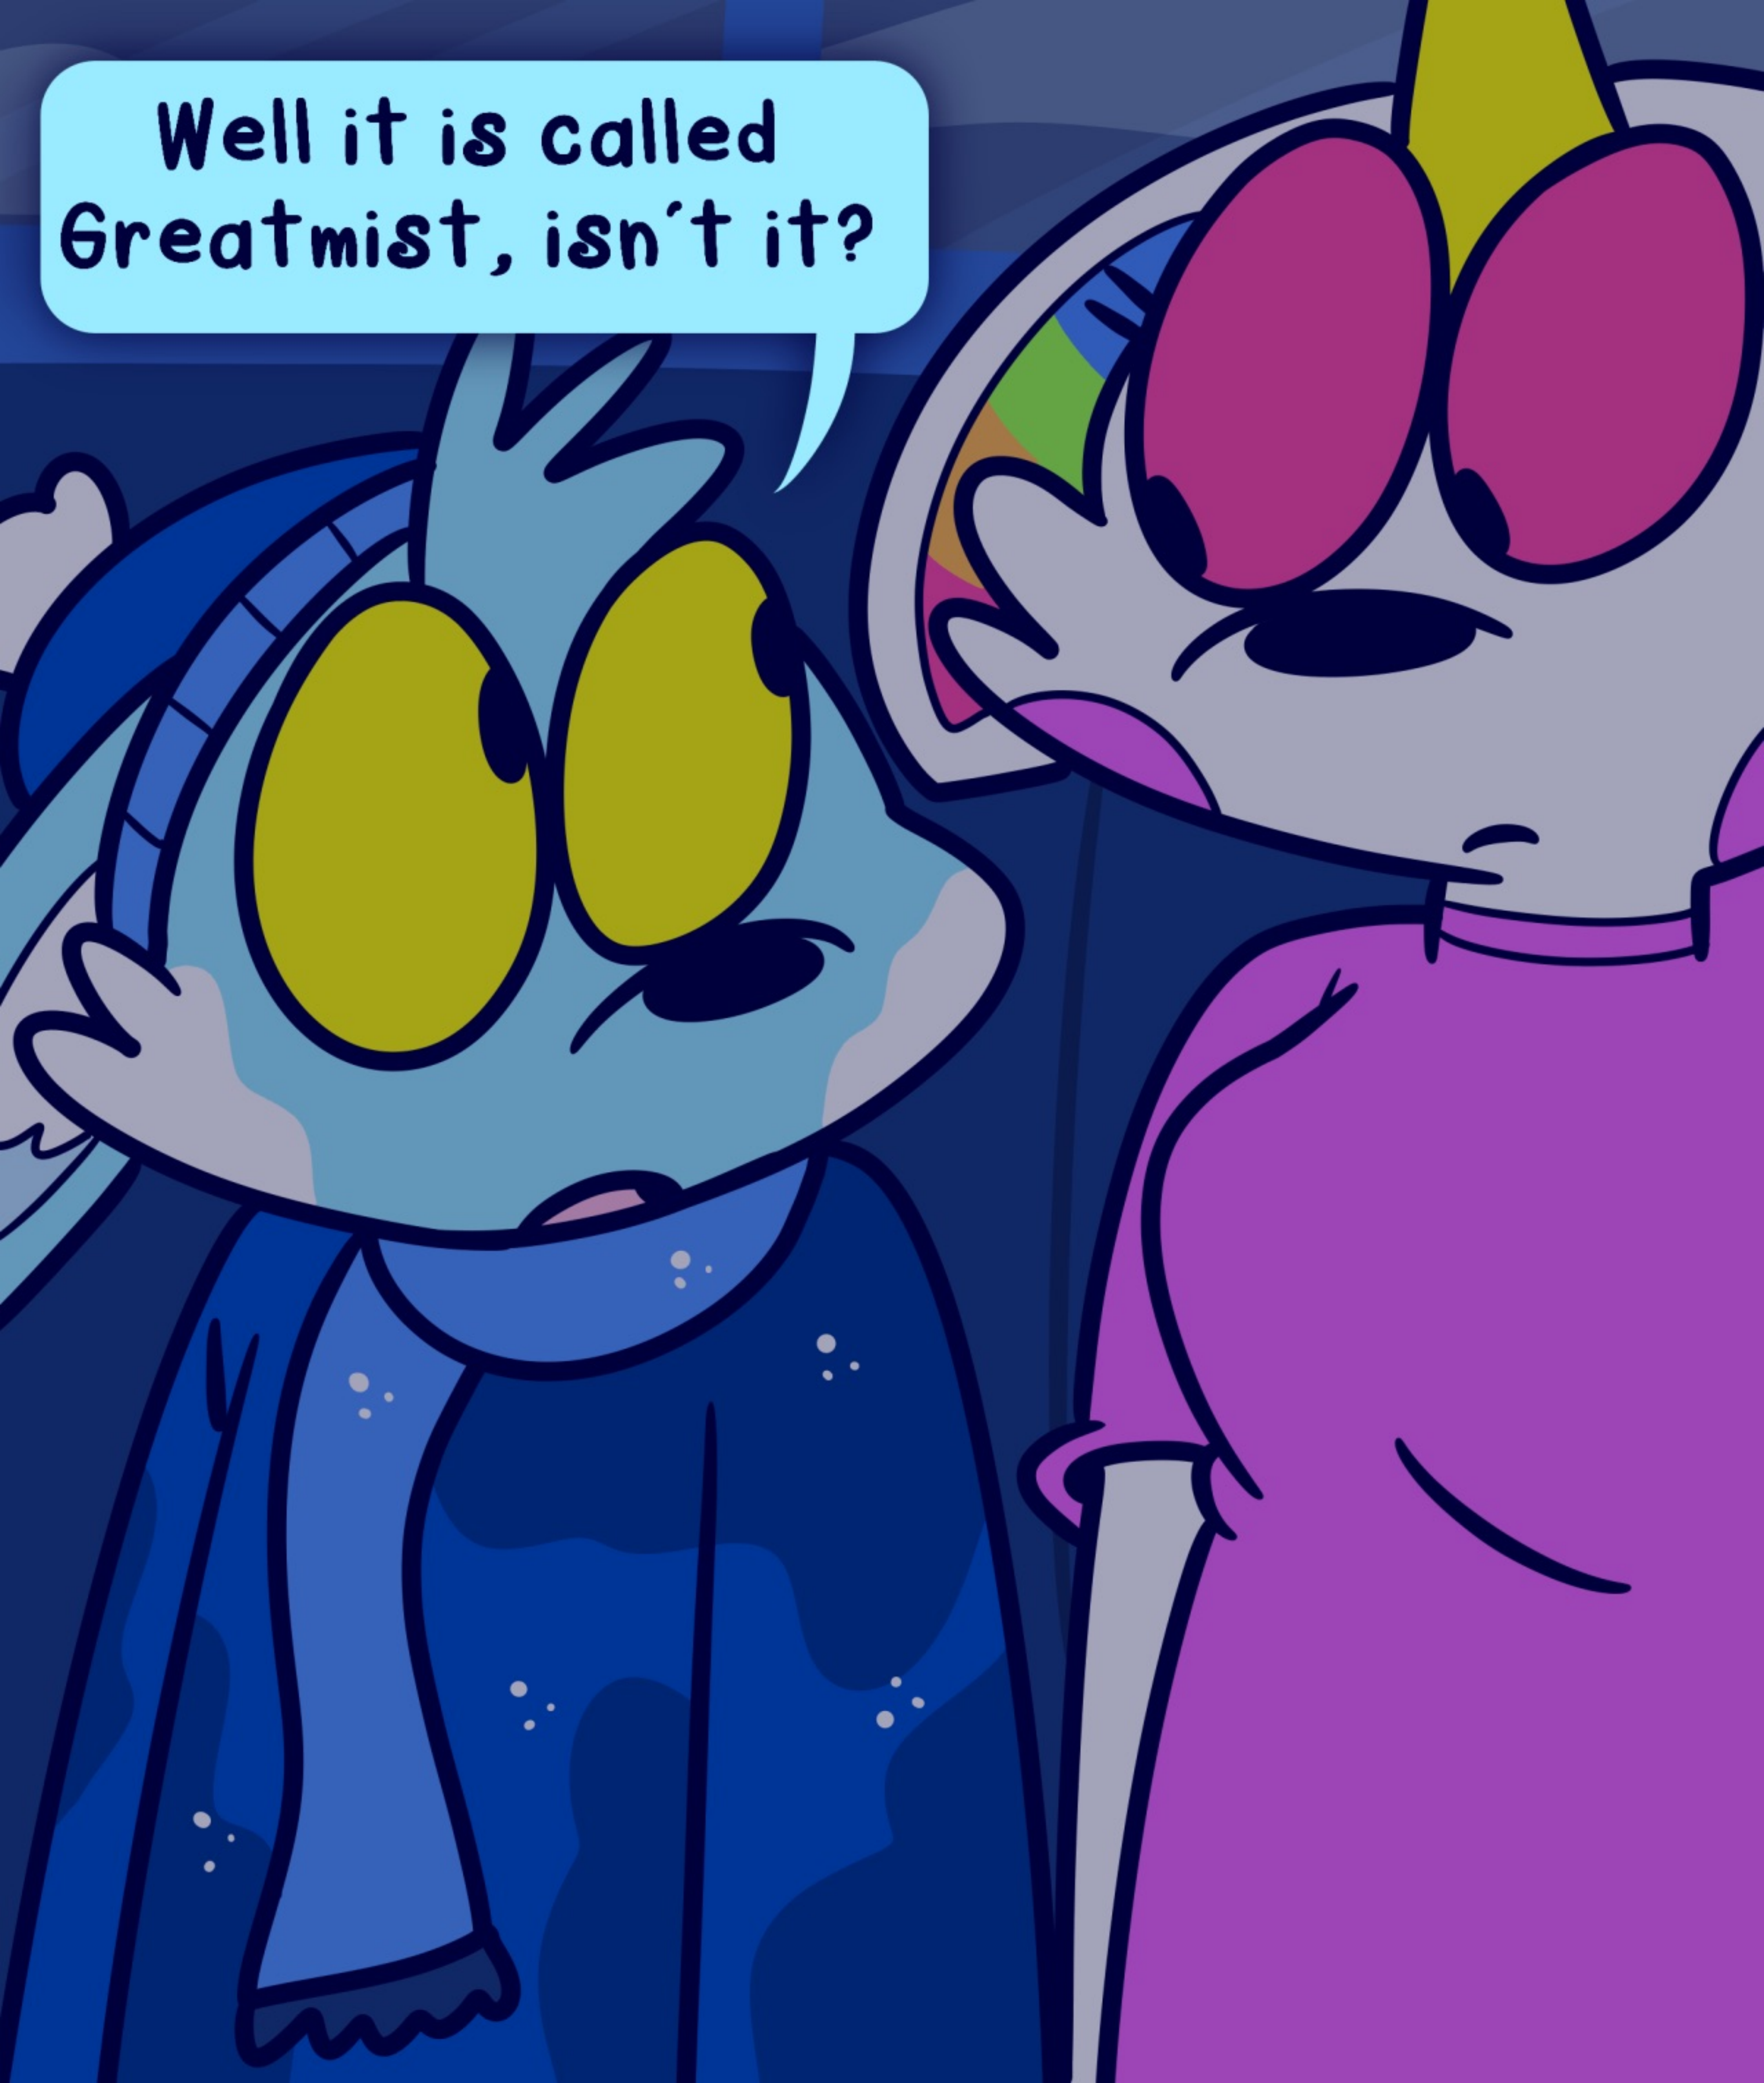


COOL!!!

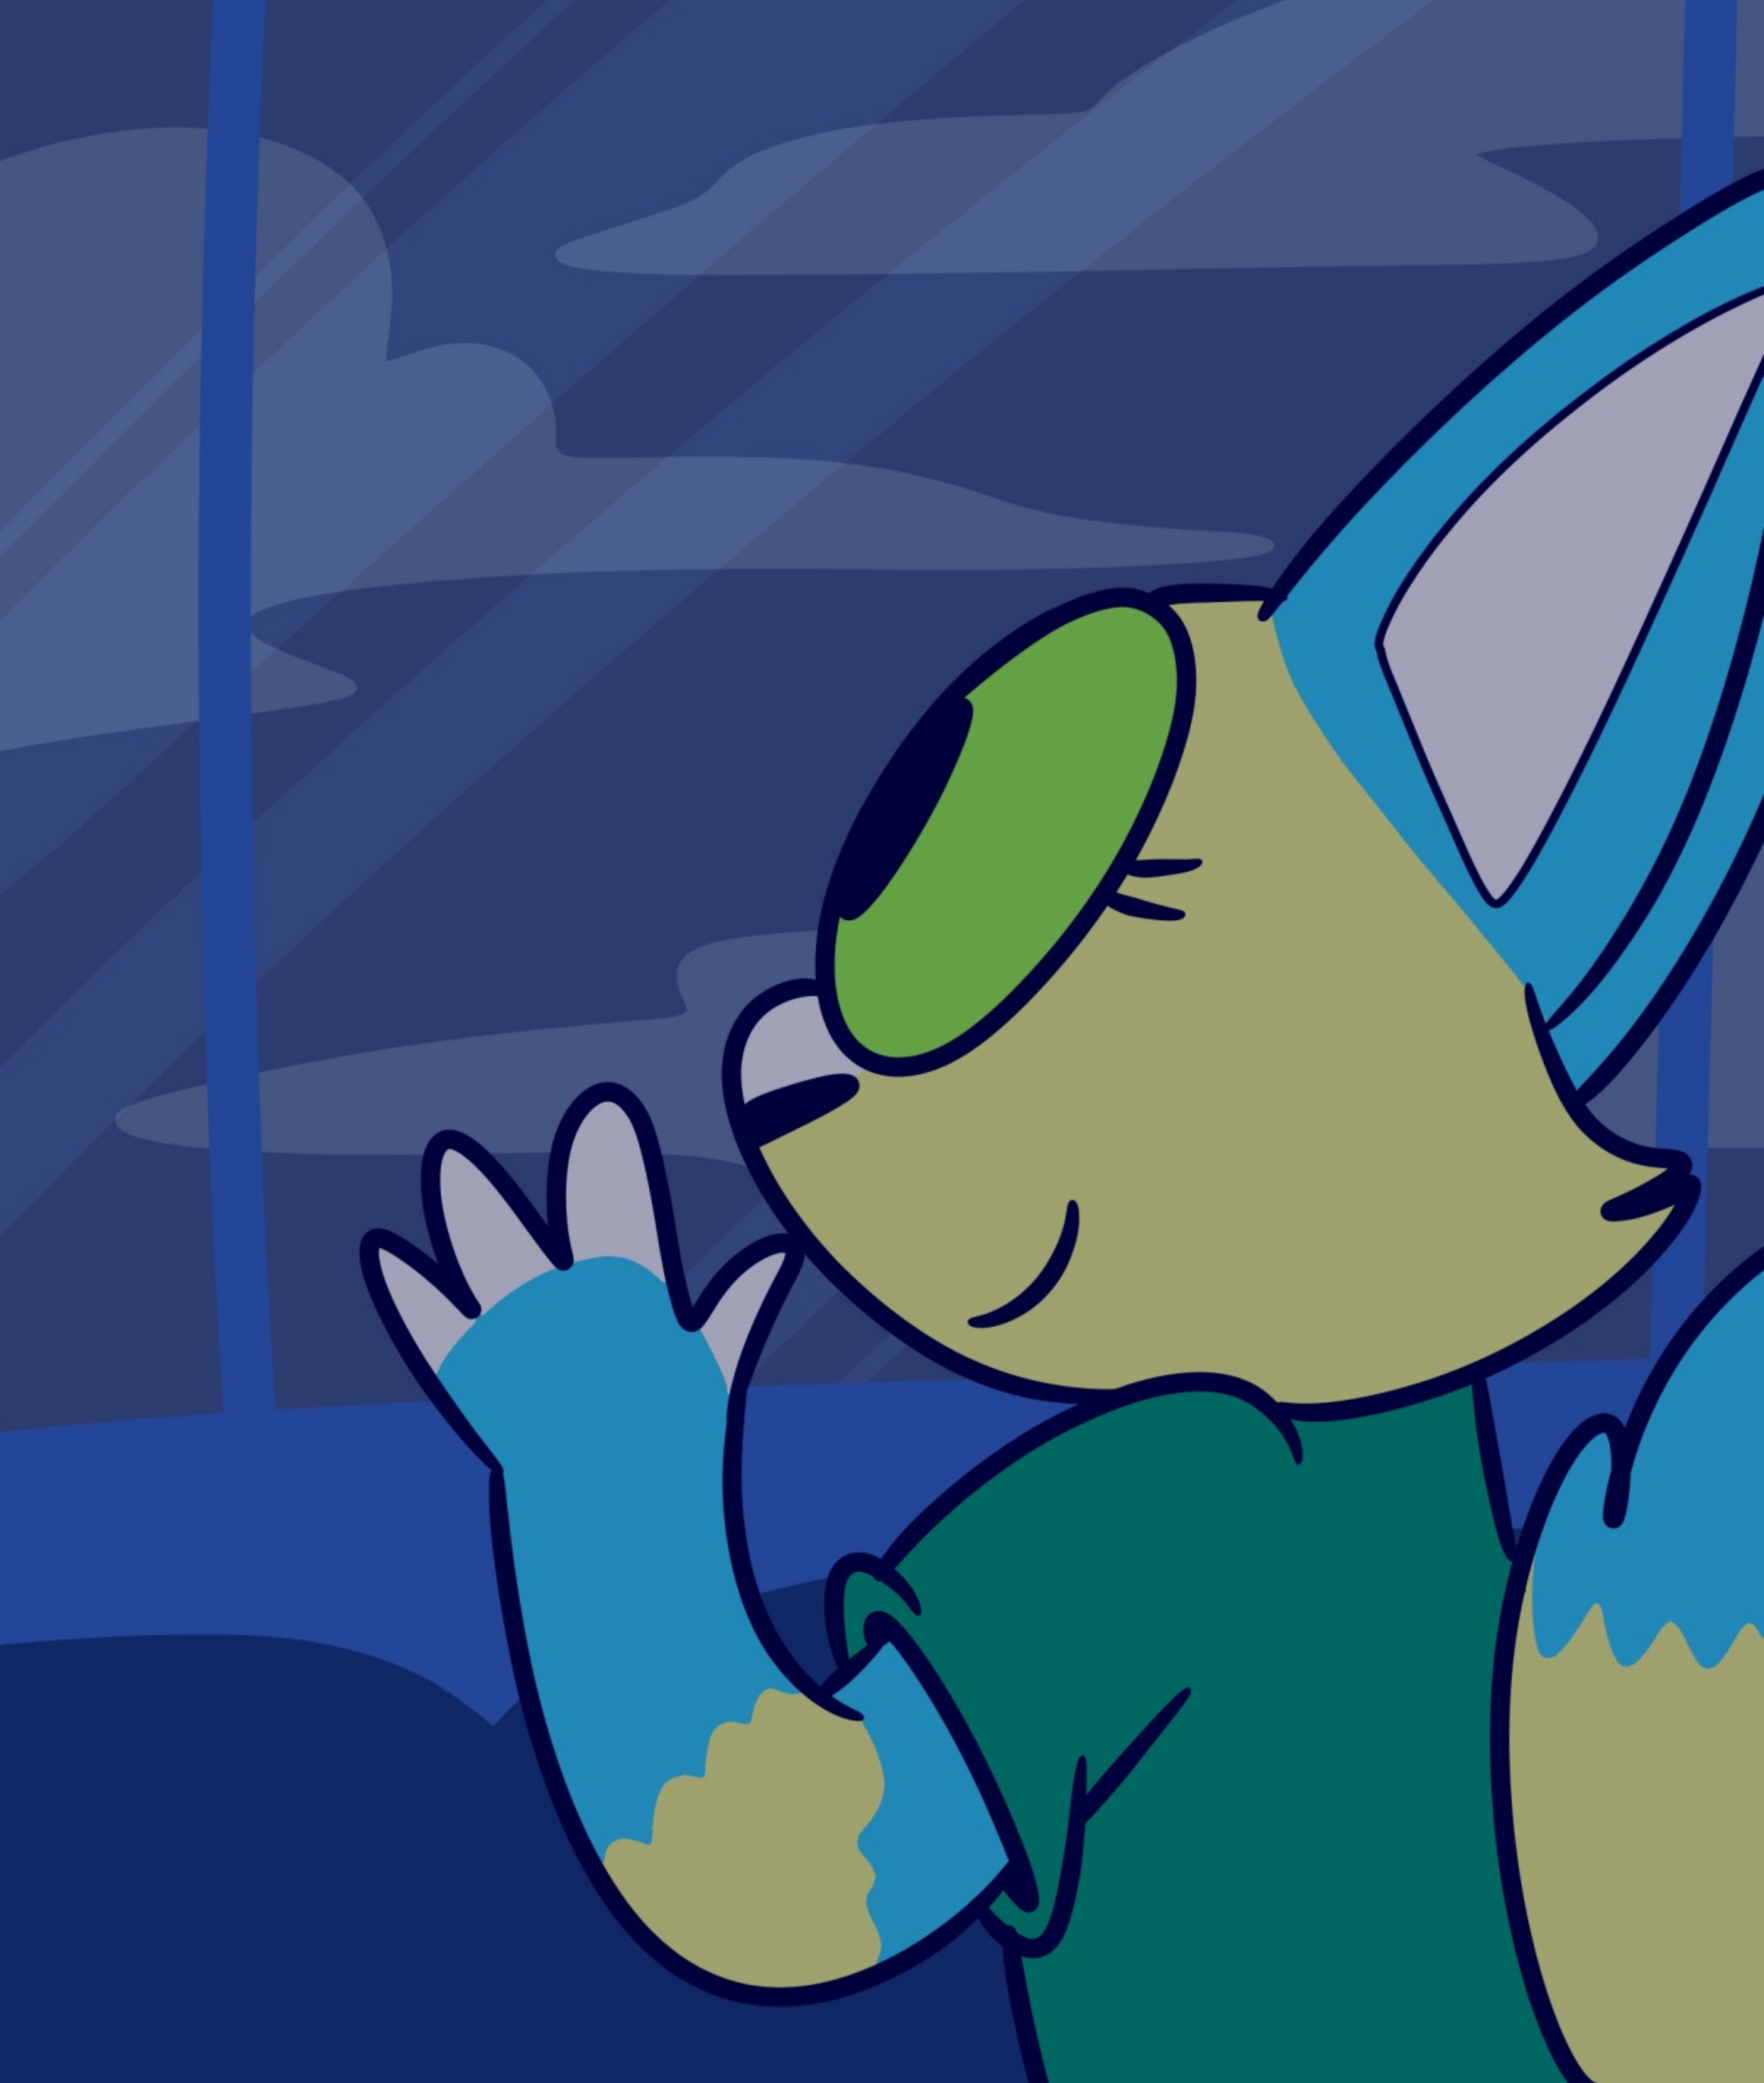


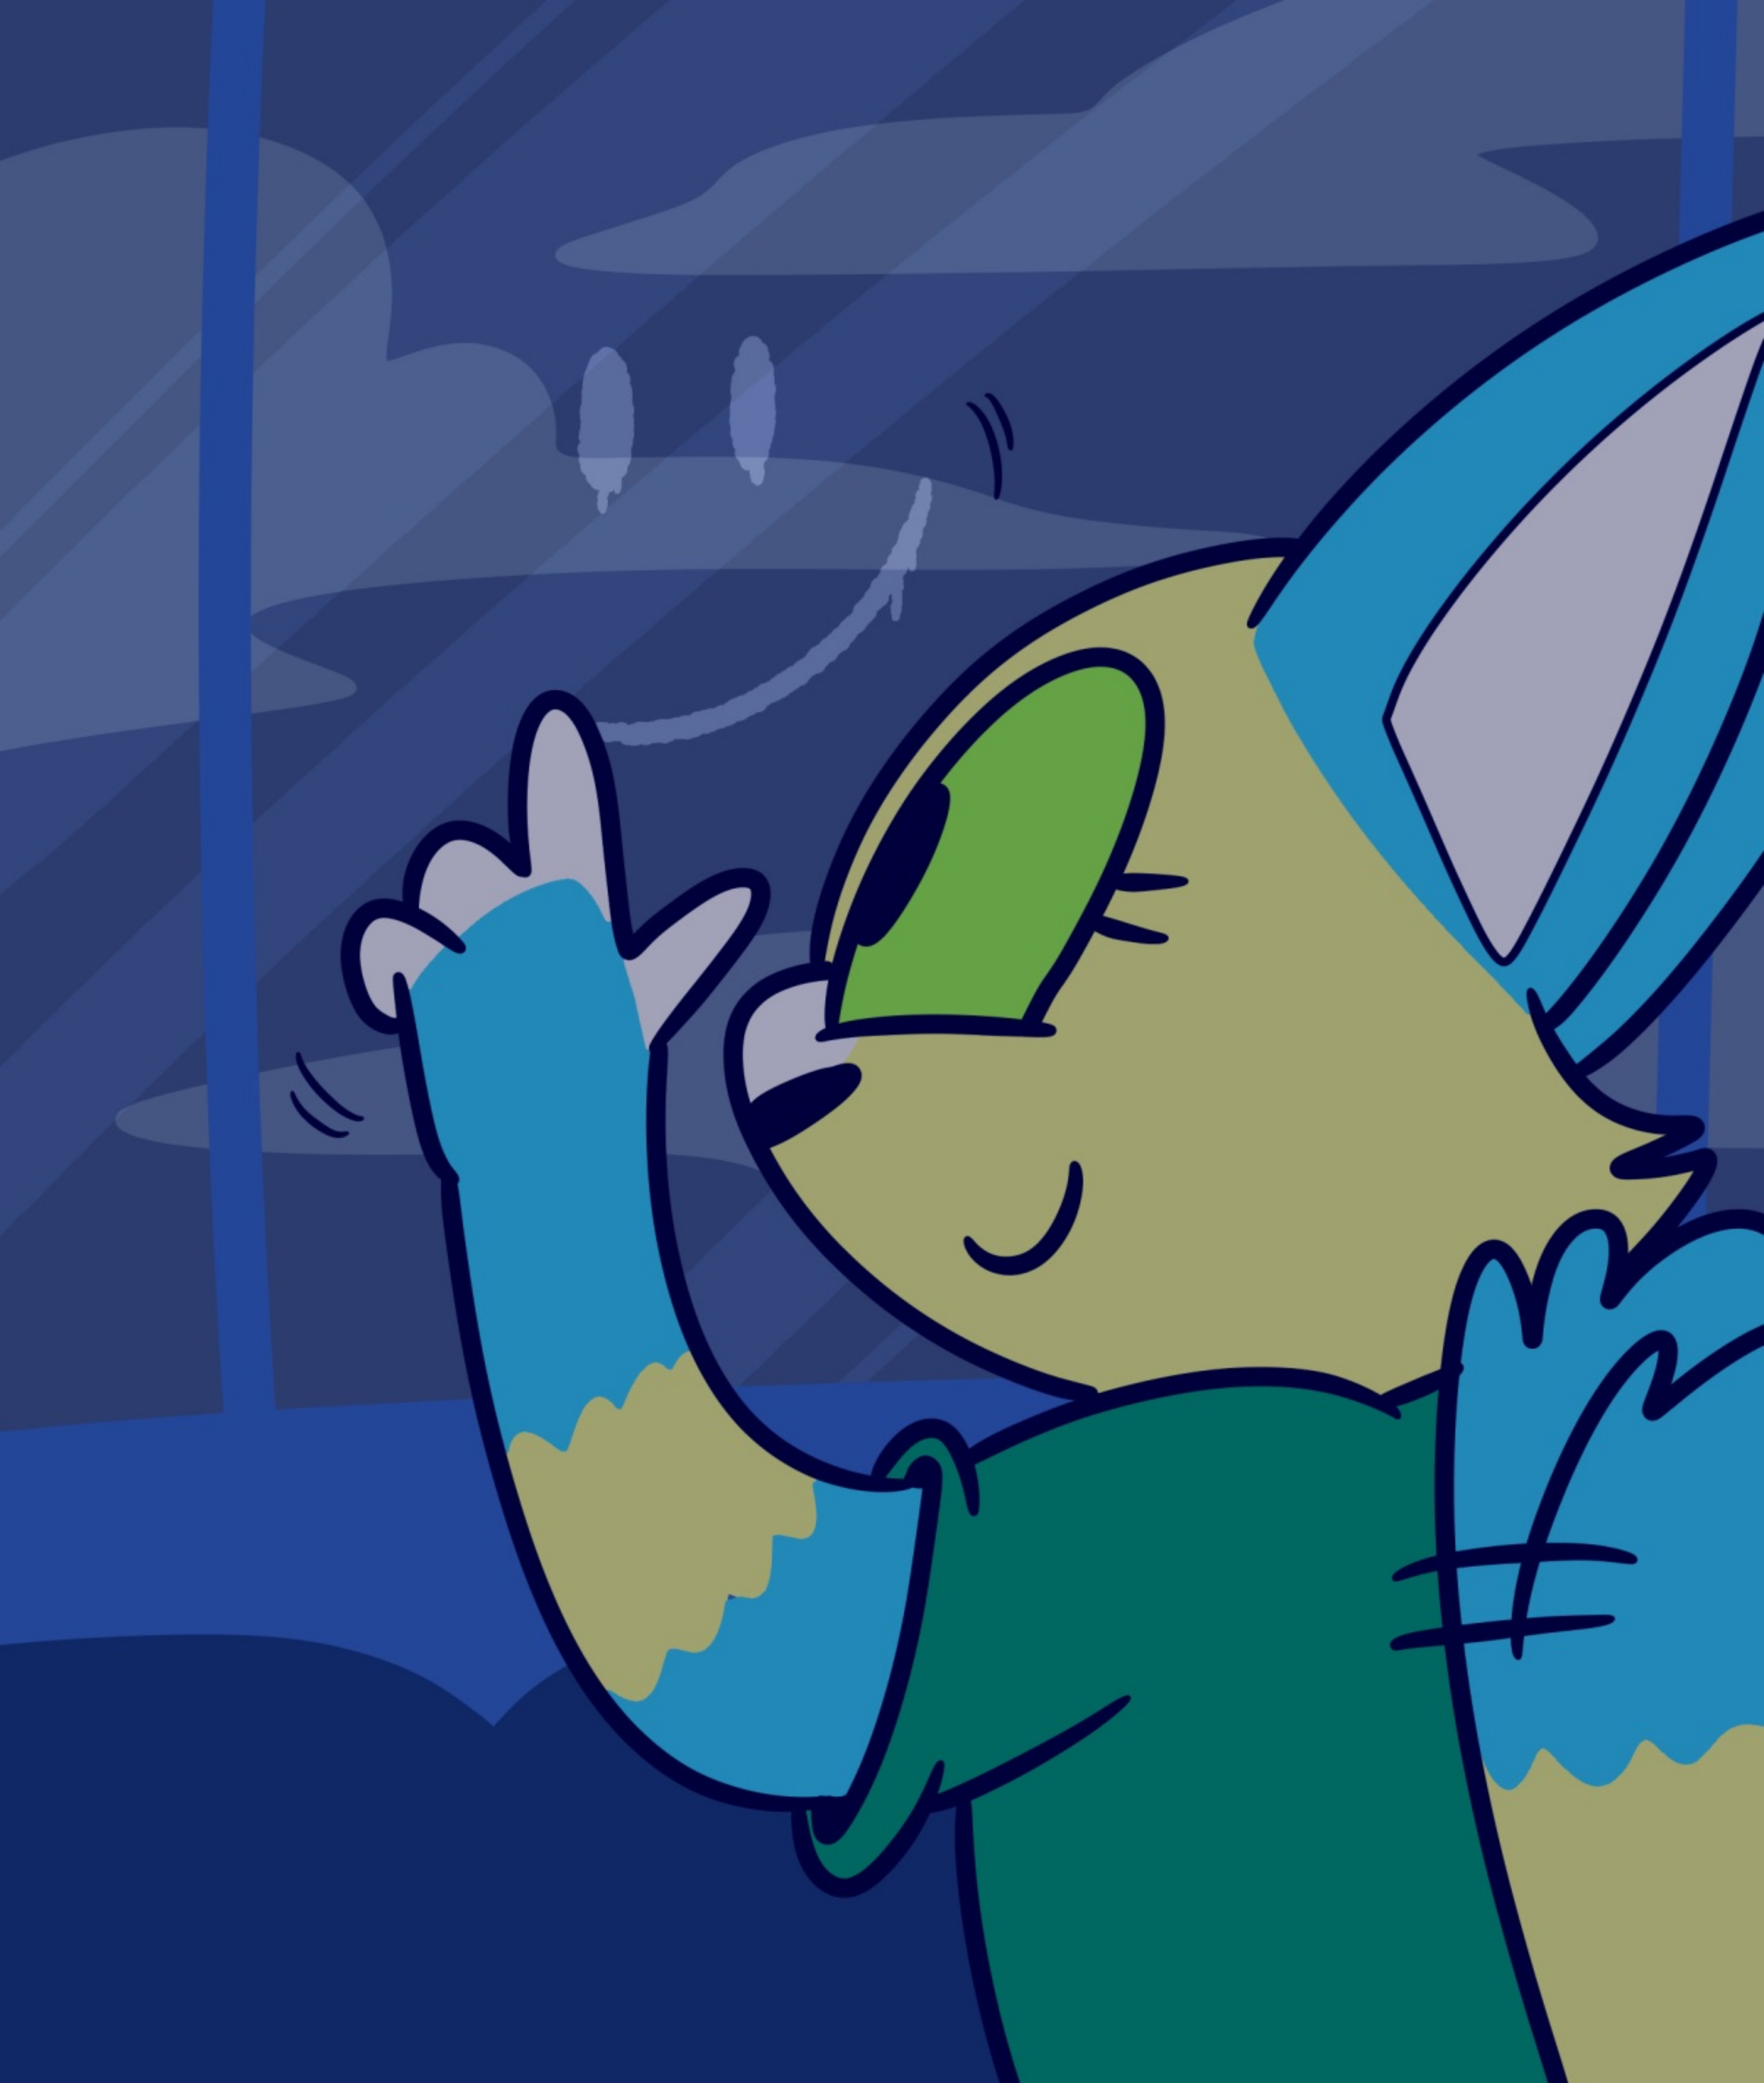


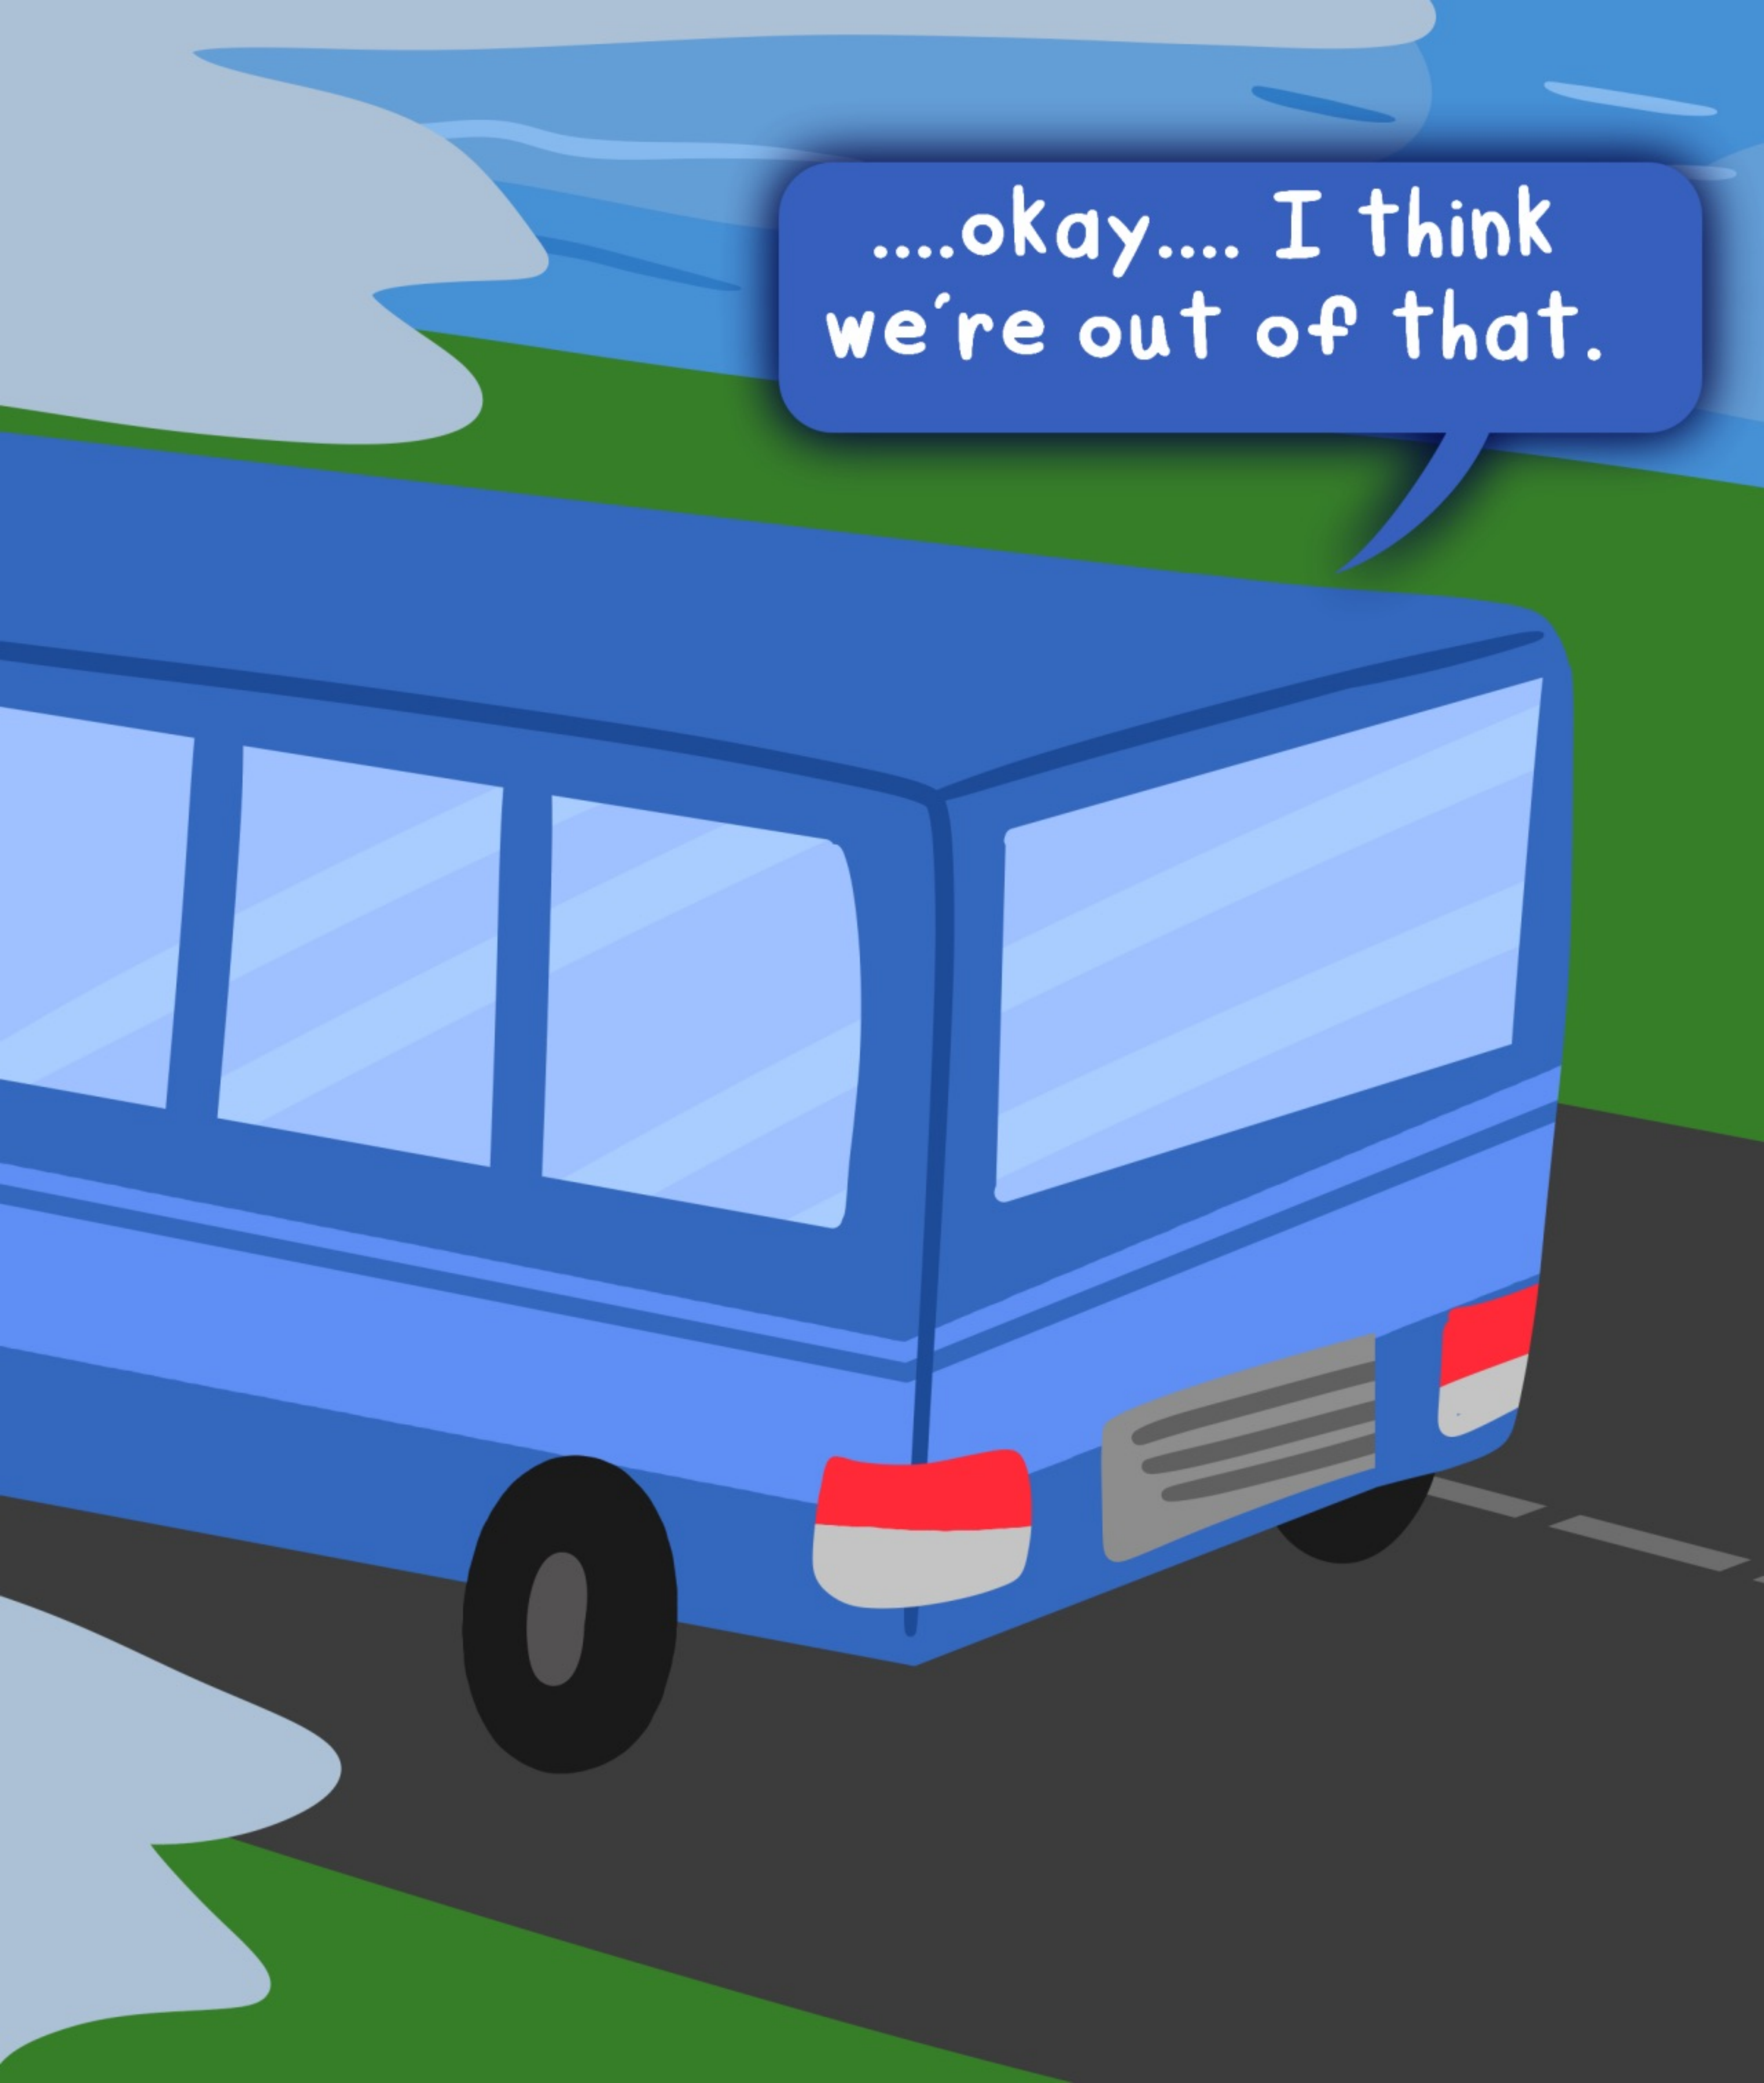
Hey, how come it's getting all foggy out there? It's sunny out.
URASSIC ZOO



Well it is called Greatmist, isn´t it?







....okay.... I think we're out of that.

HAI BARRY!!! Excited for this getaway? :]

Of course I am! You know I love trips!!!

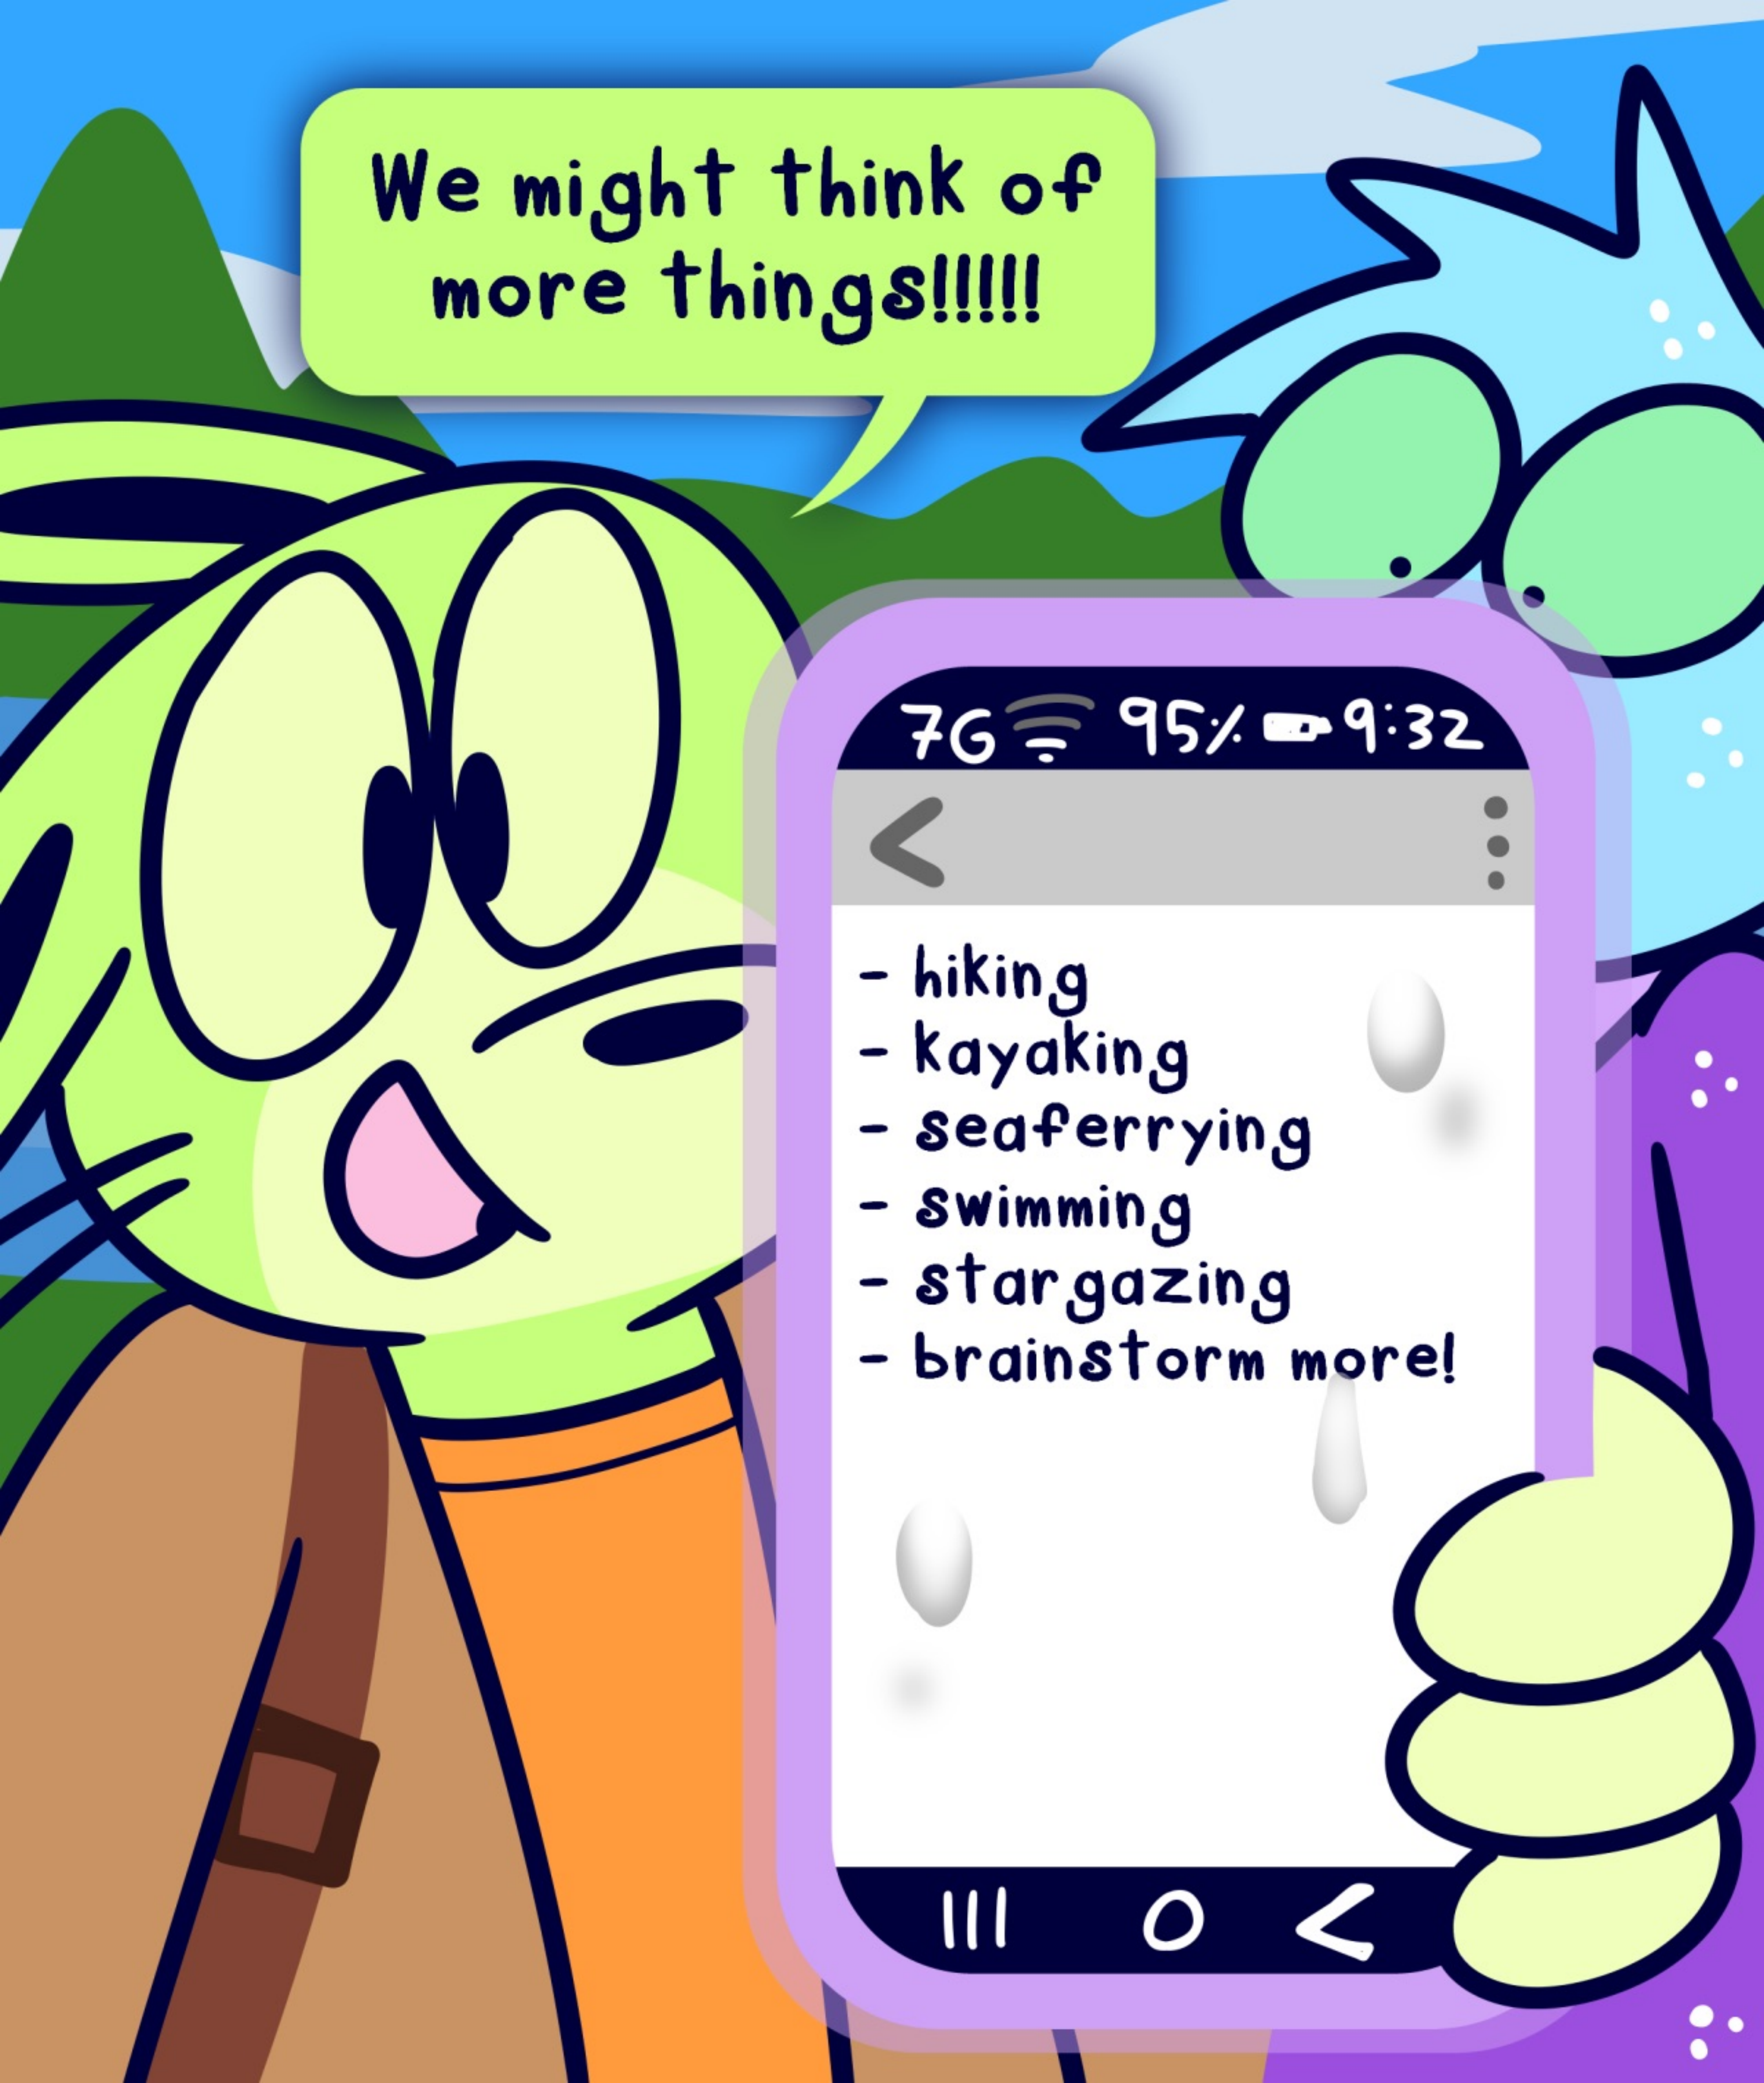
We have a bunch of activities we're gonna do together! Like kayaking, hiking...



We might think of more things!!!!!

- hiking
- kayaking

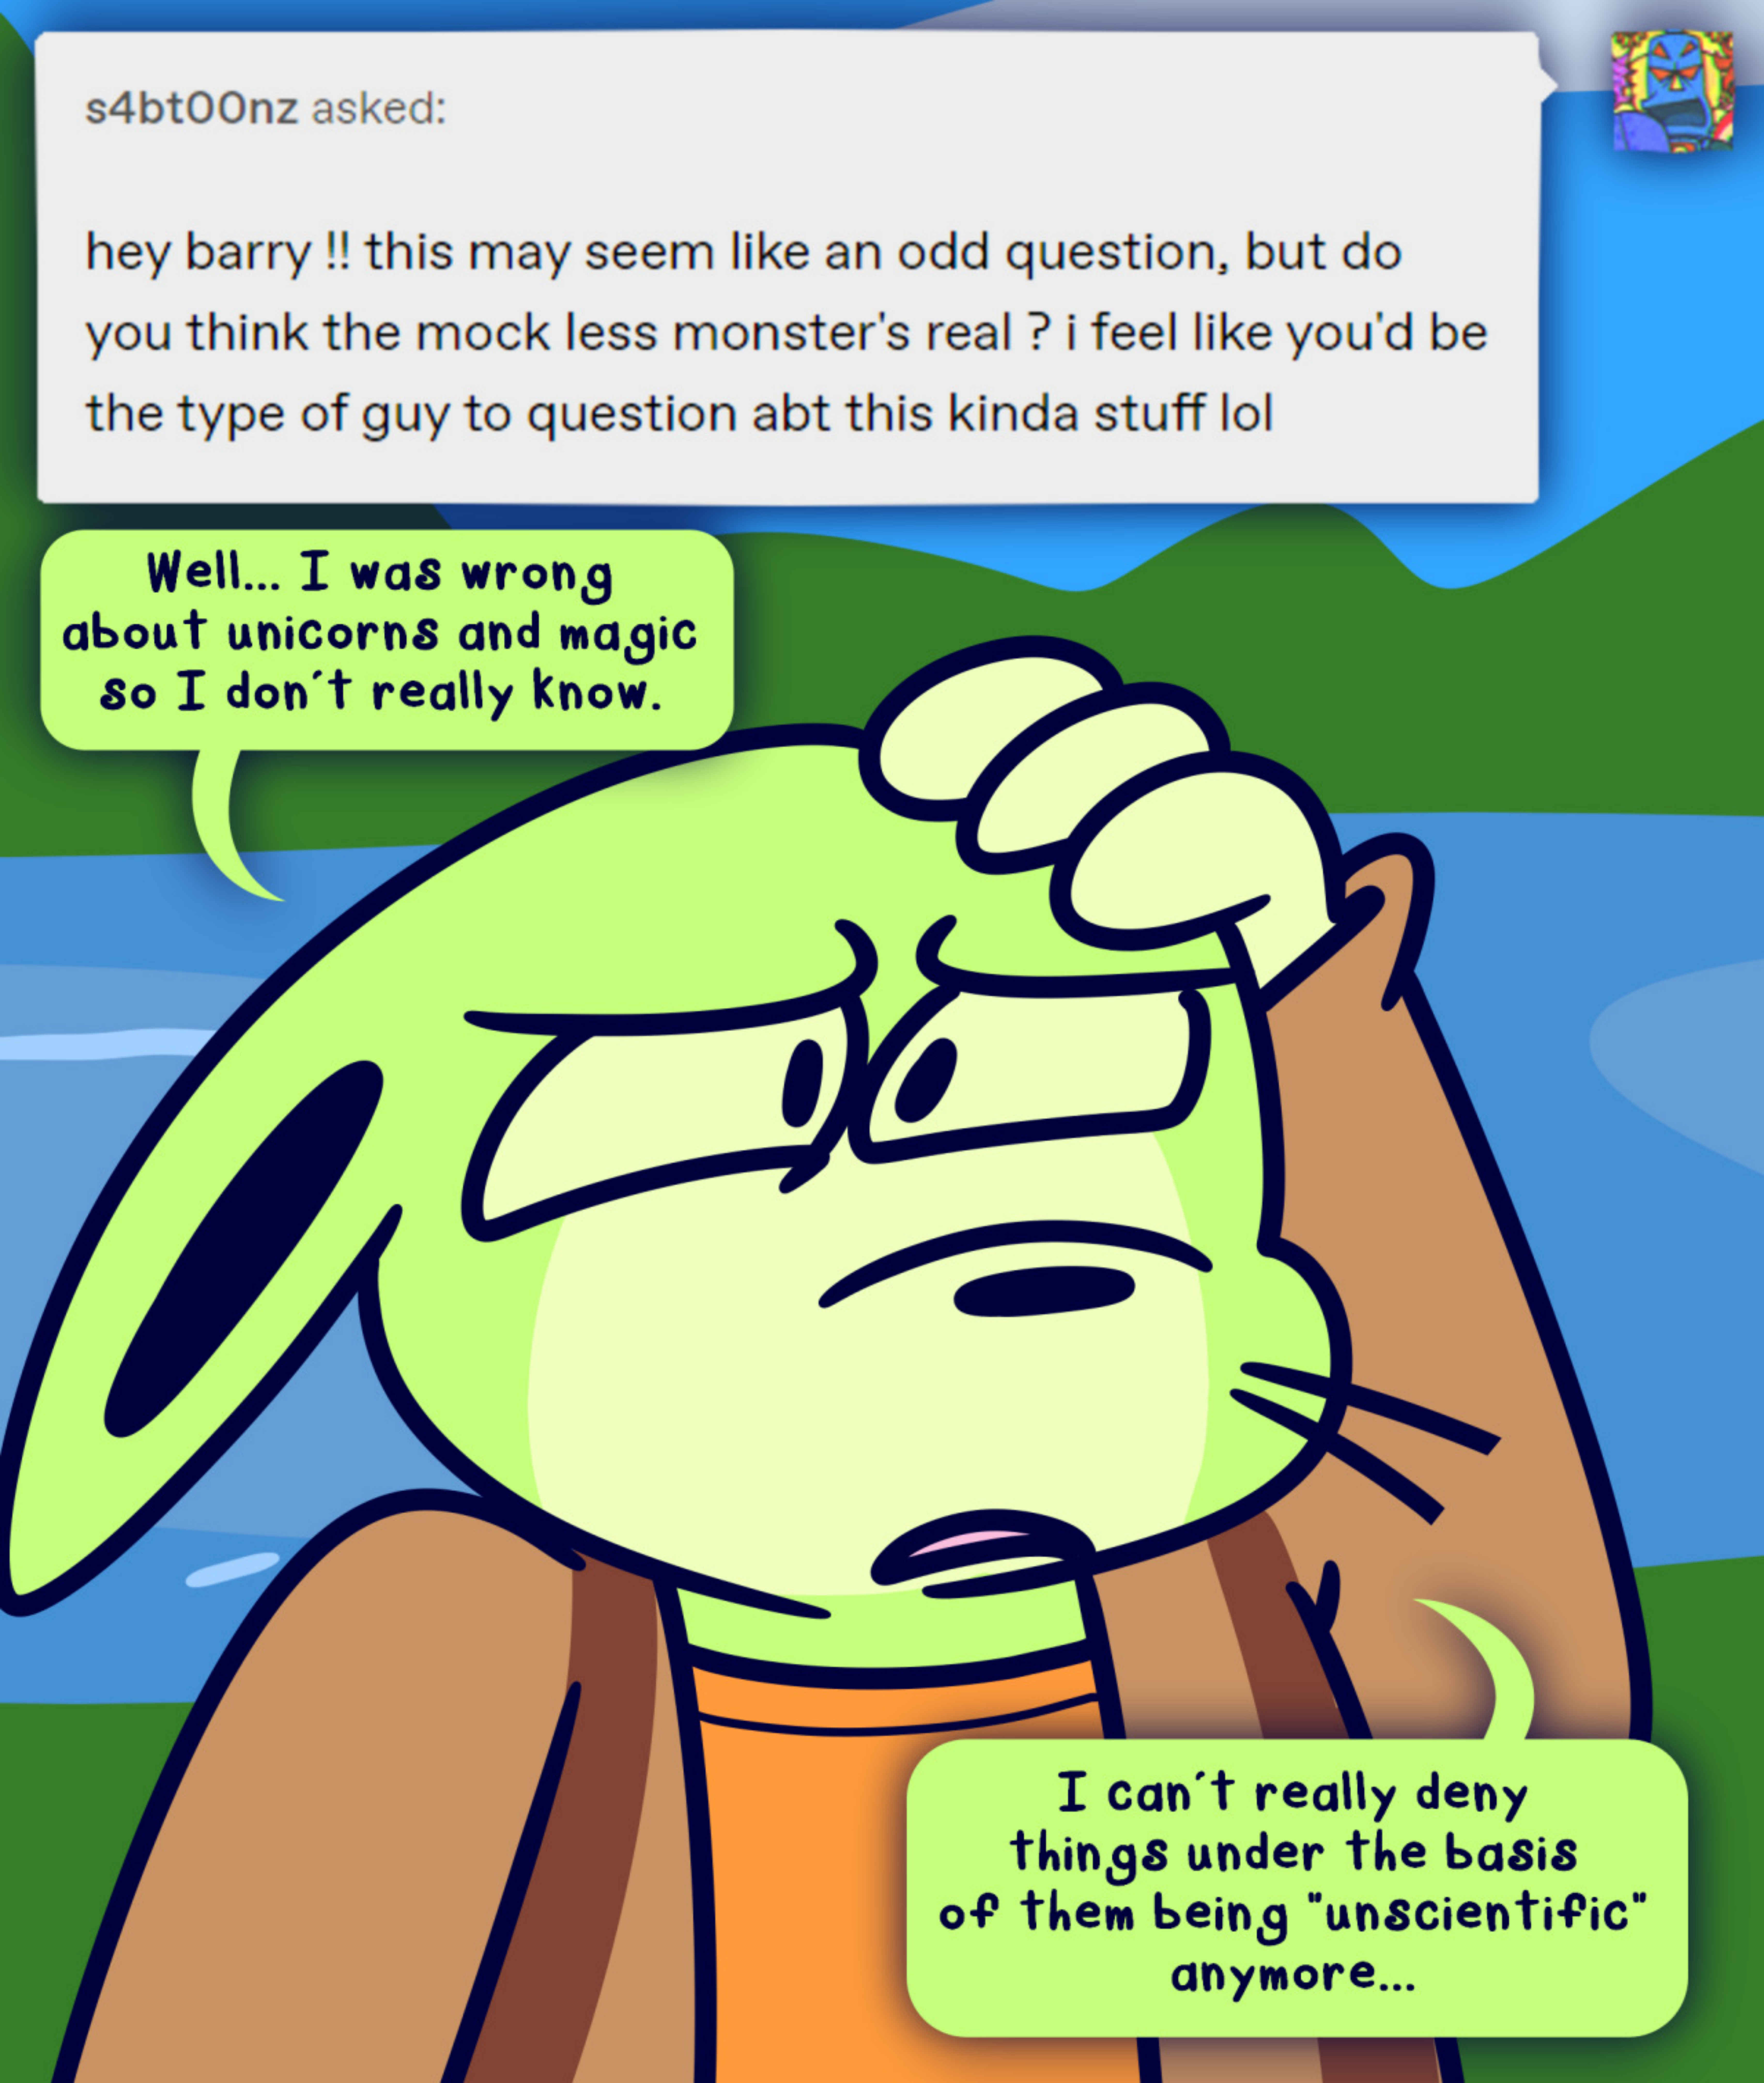
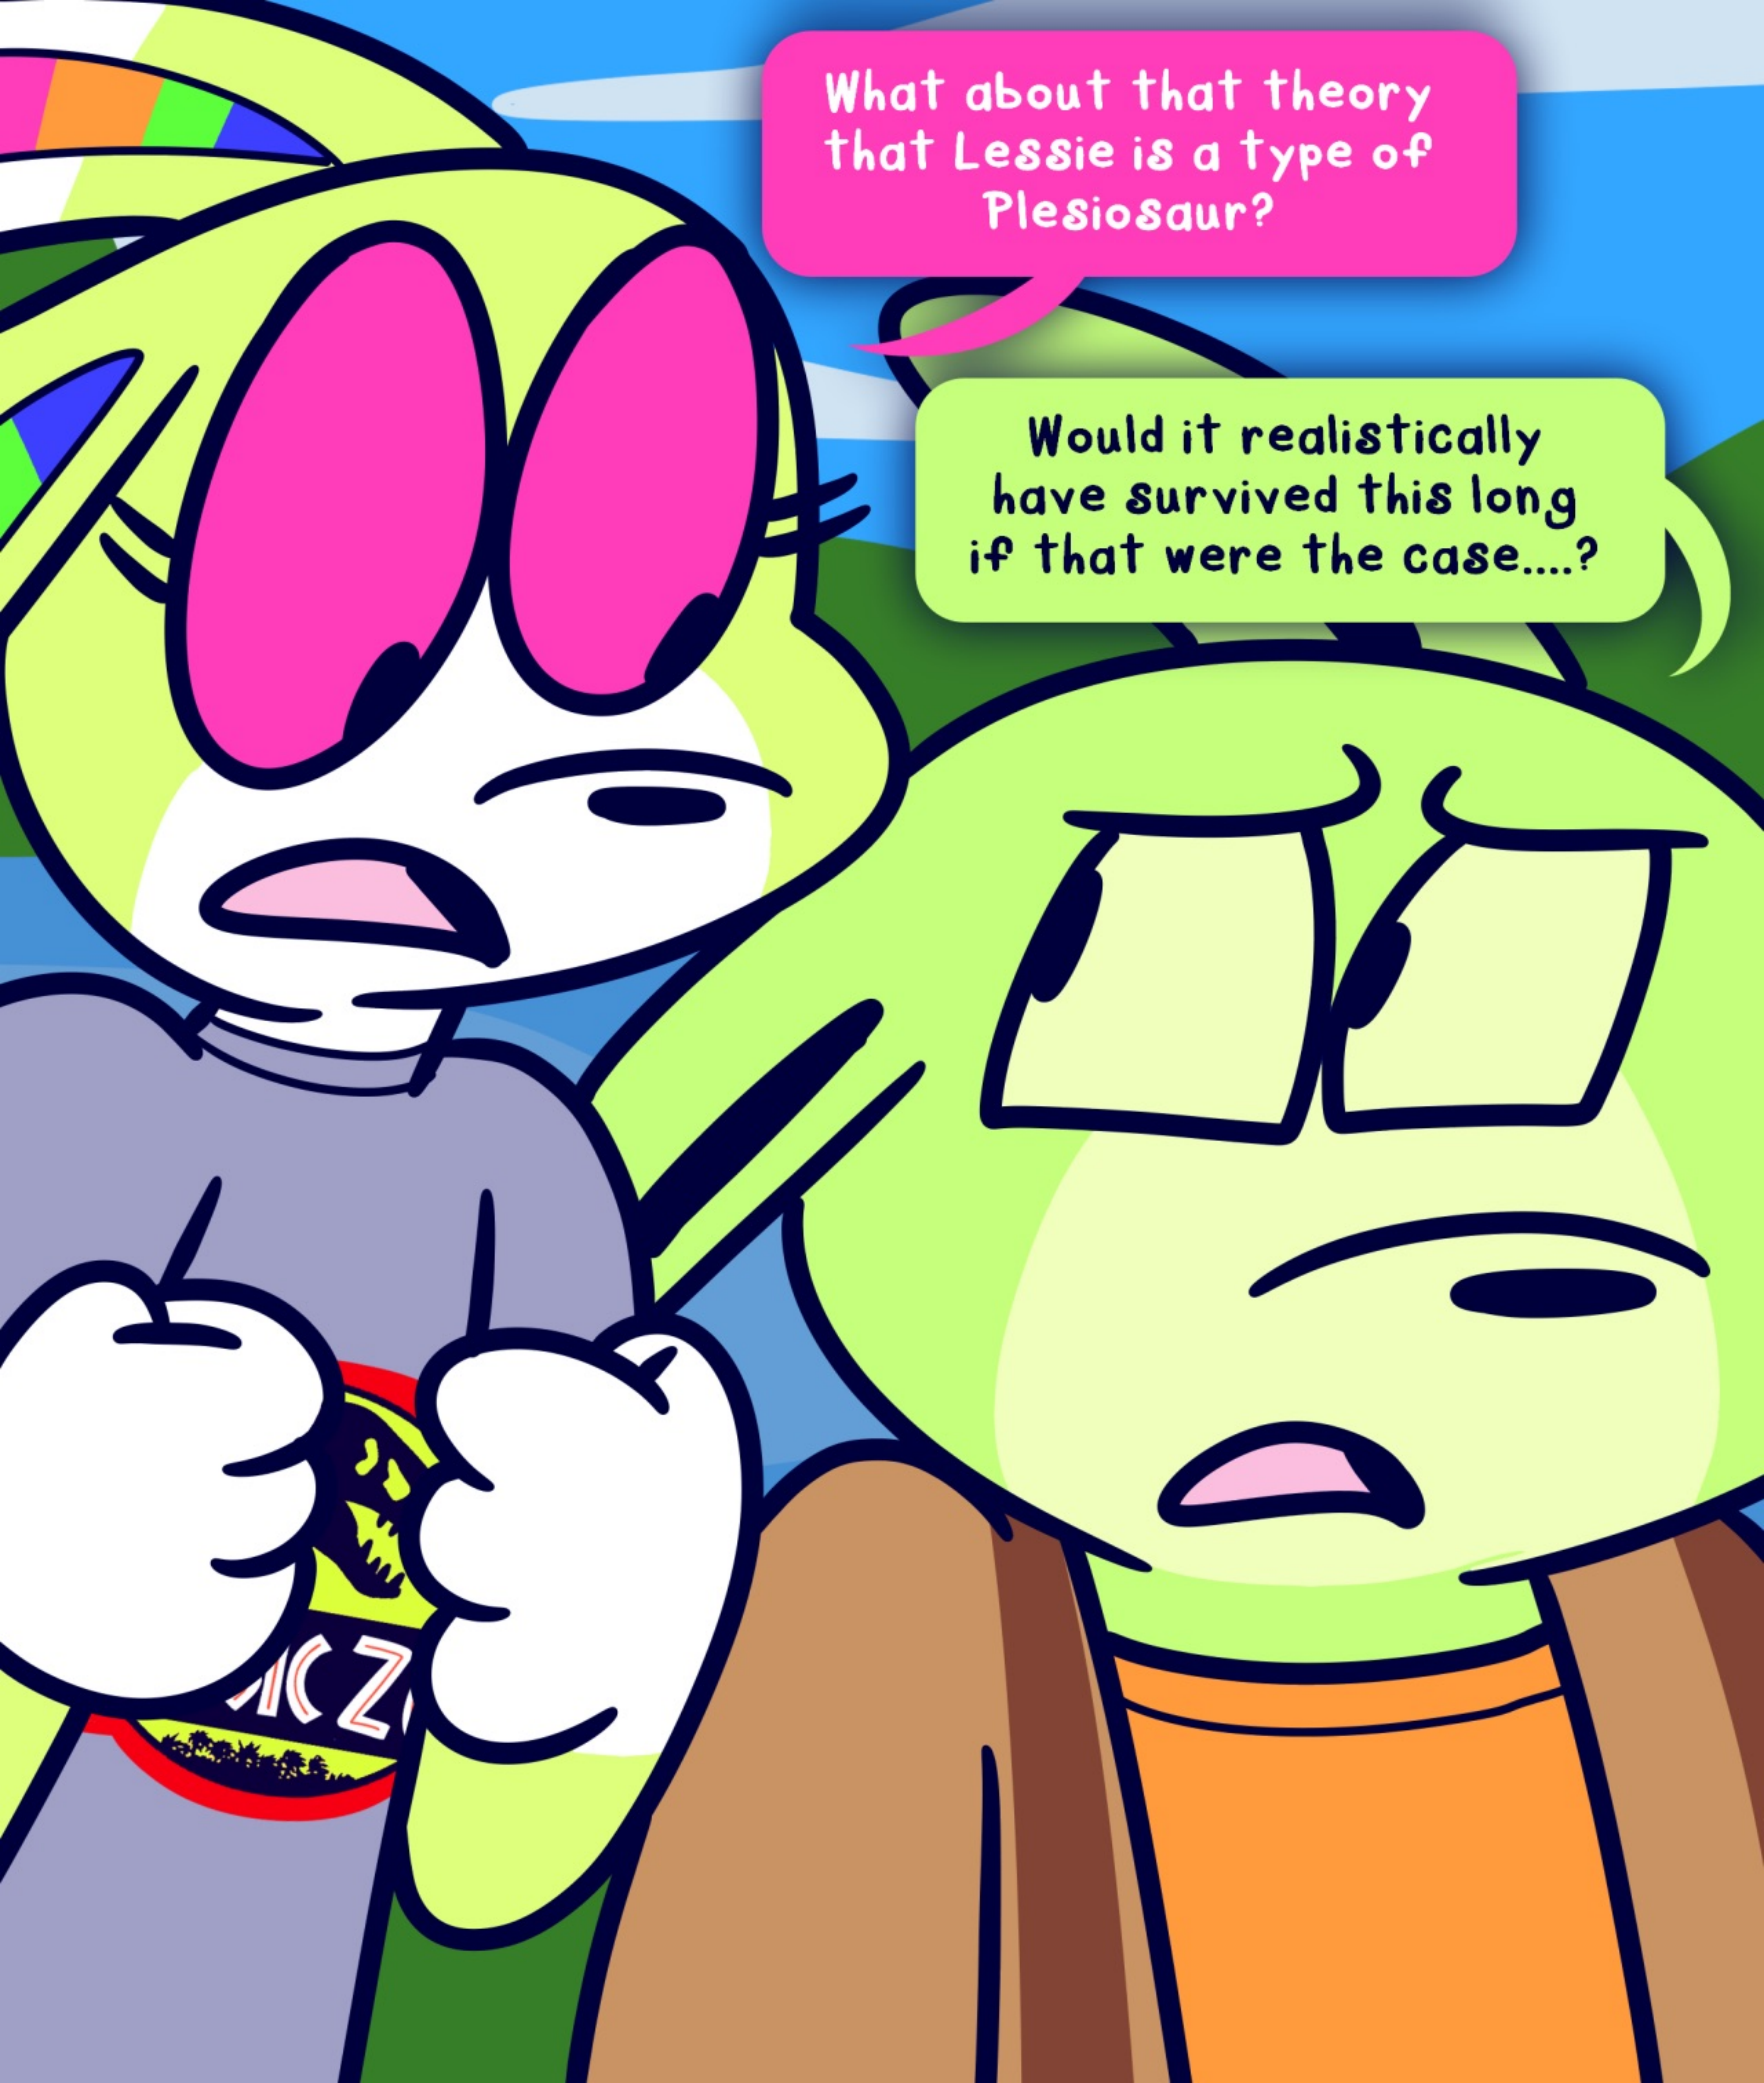
- swimming
- stargazing
- brainstorm more!



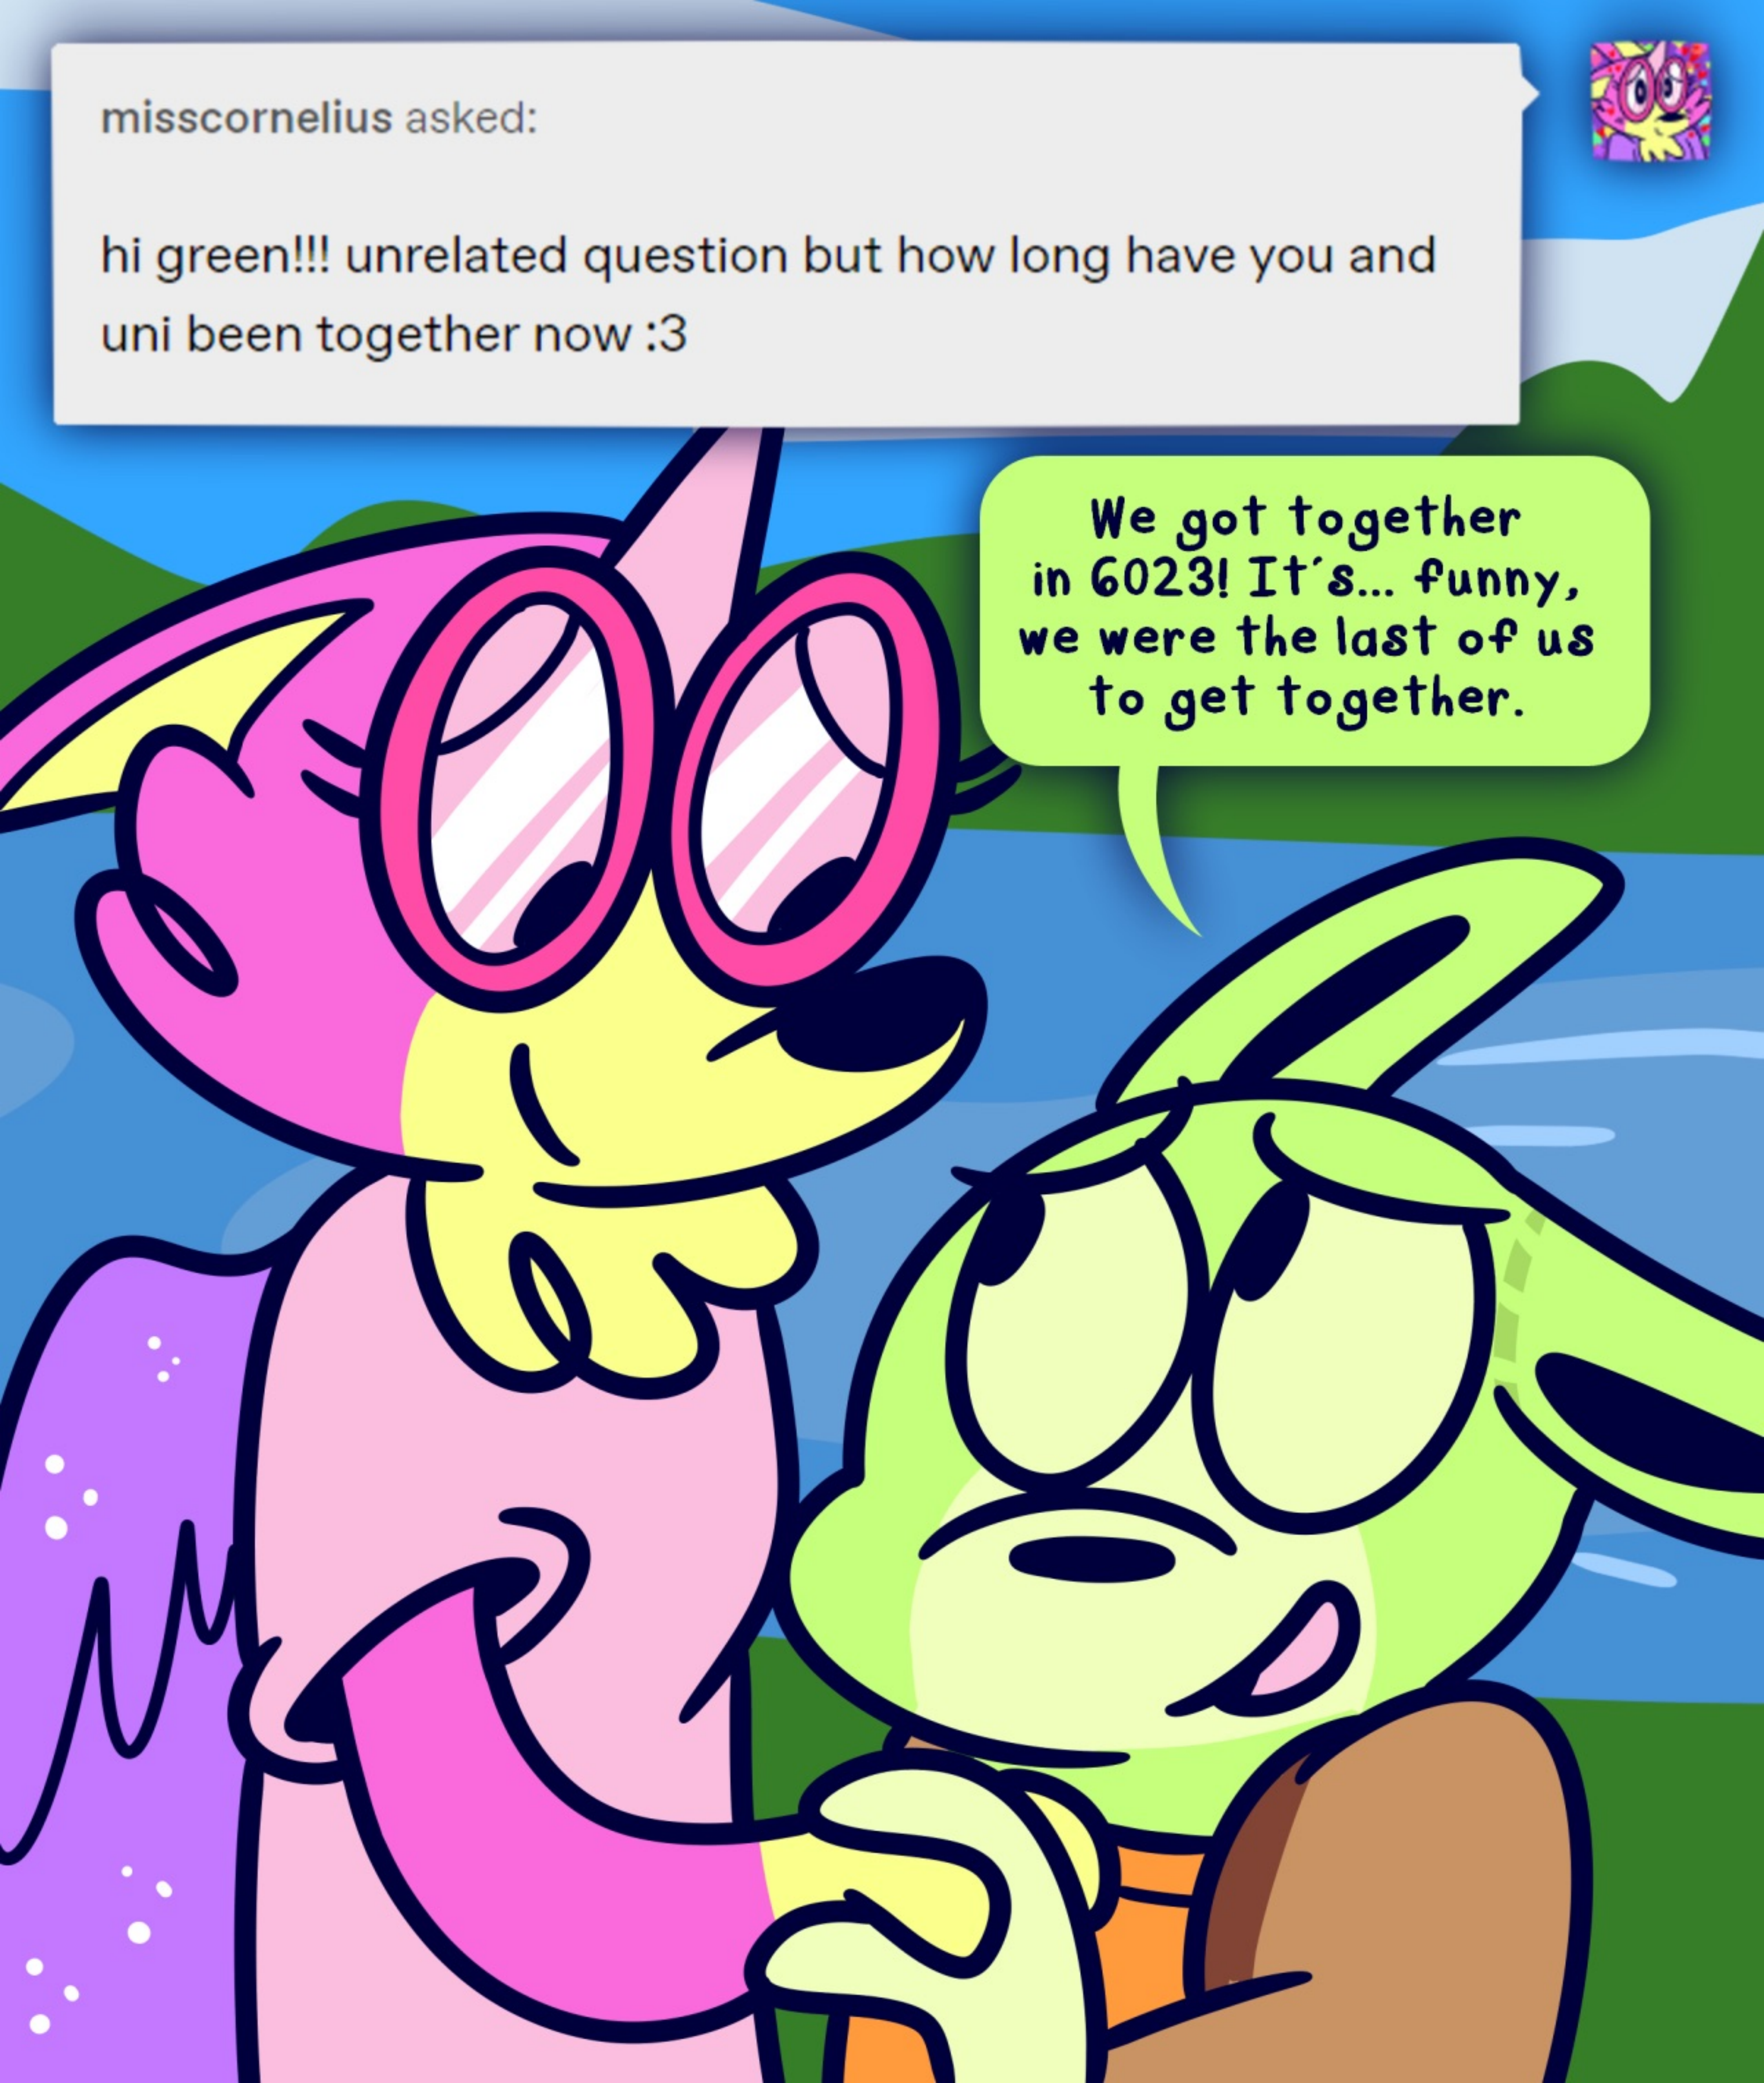
s4bt00nz asked:

hey barry !! this may seem like an odd question, but do you think the mock less monster's real ? i feel like you'd be the type of guy to question abt this kinda stuff lol

Well... I was wrong about unicorns and magic so I don't really know.
I can't really deny things under the basis of them being "unscientific" anymore...



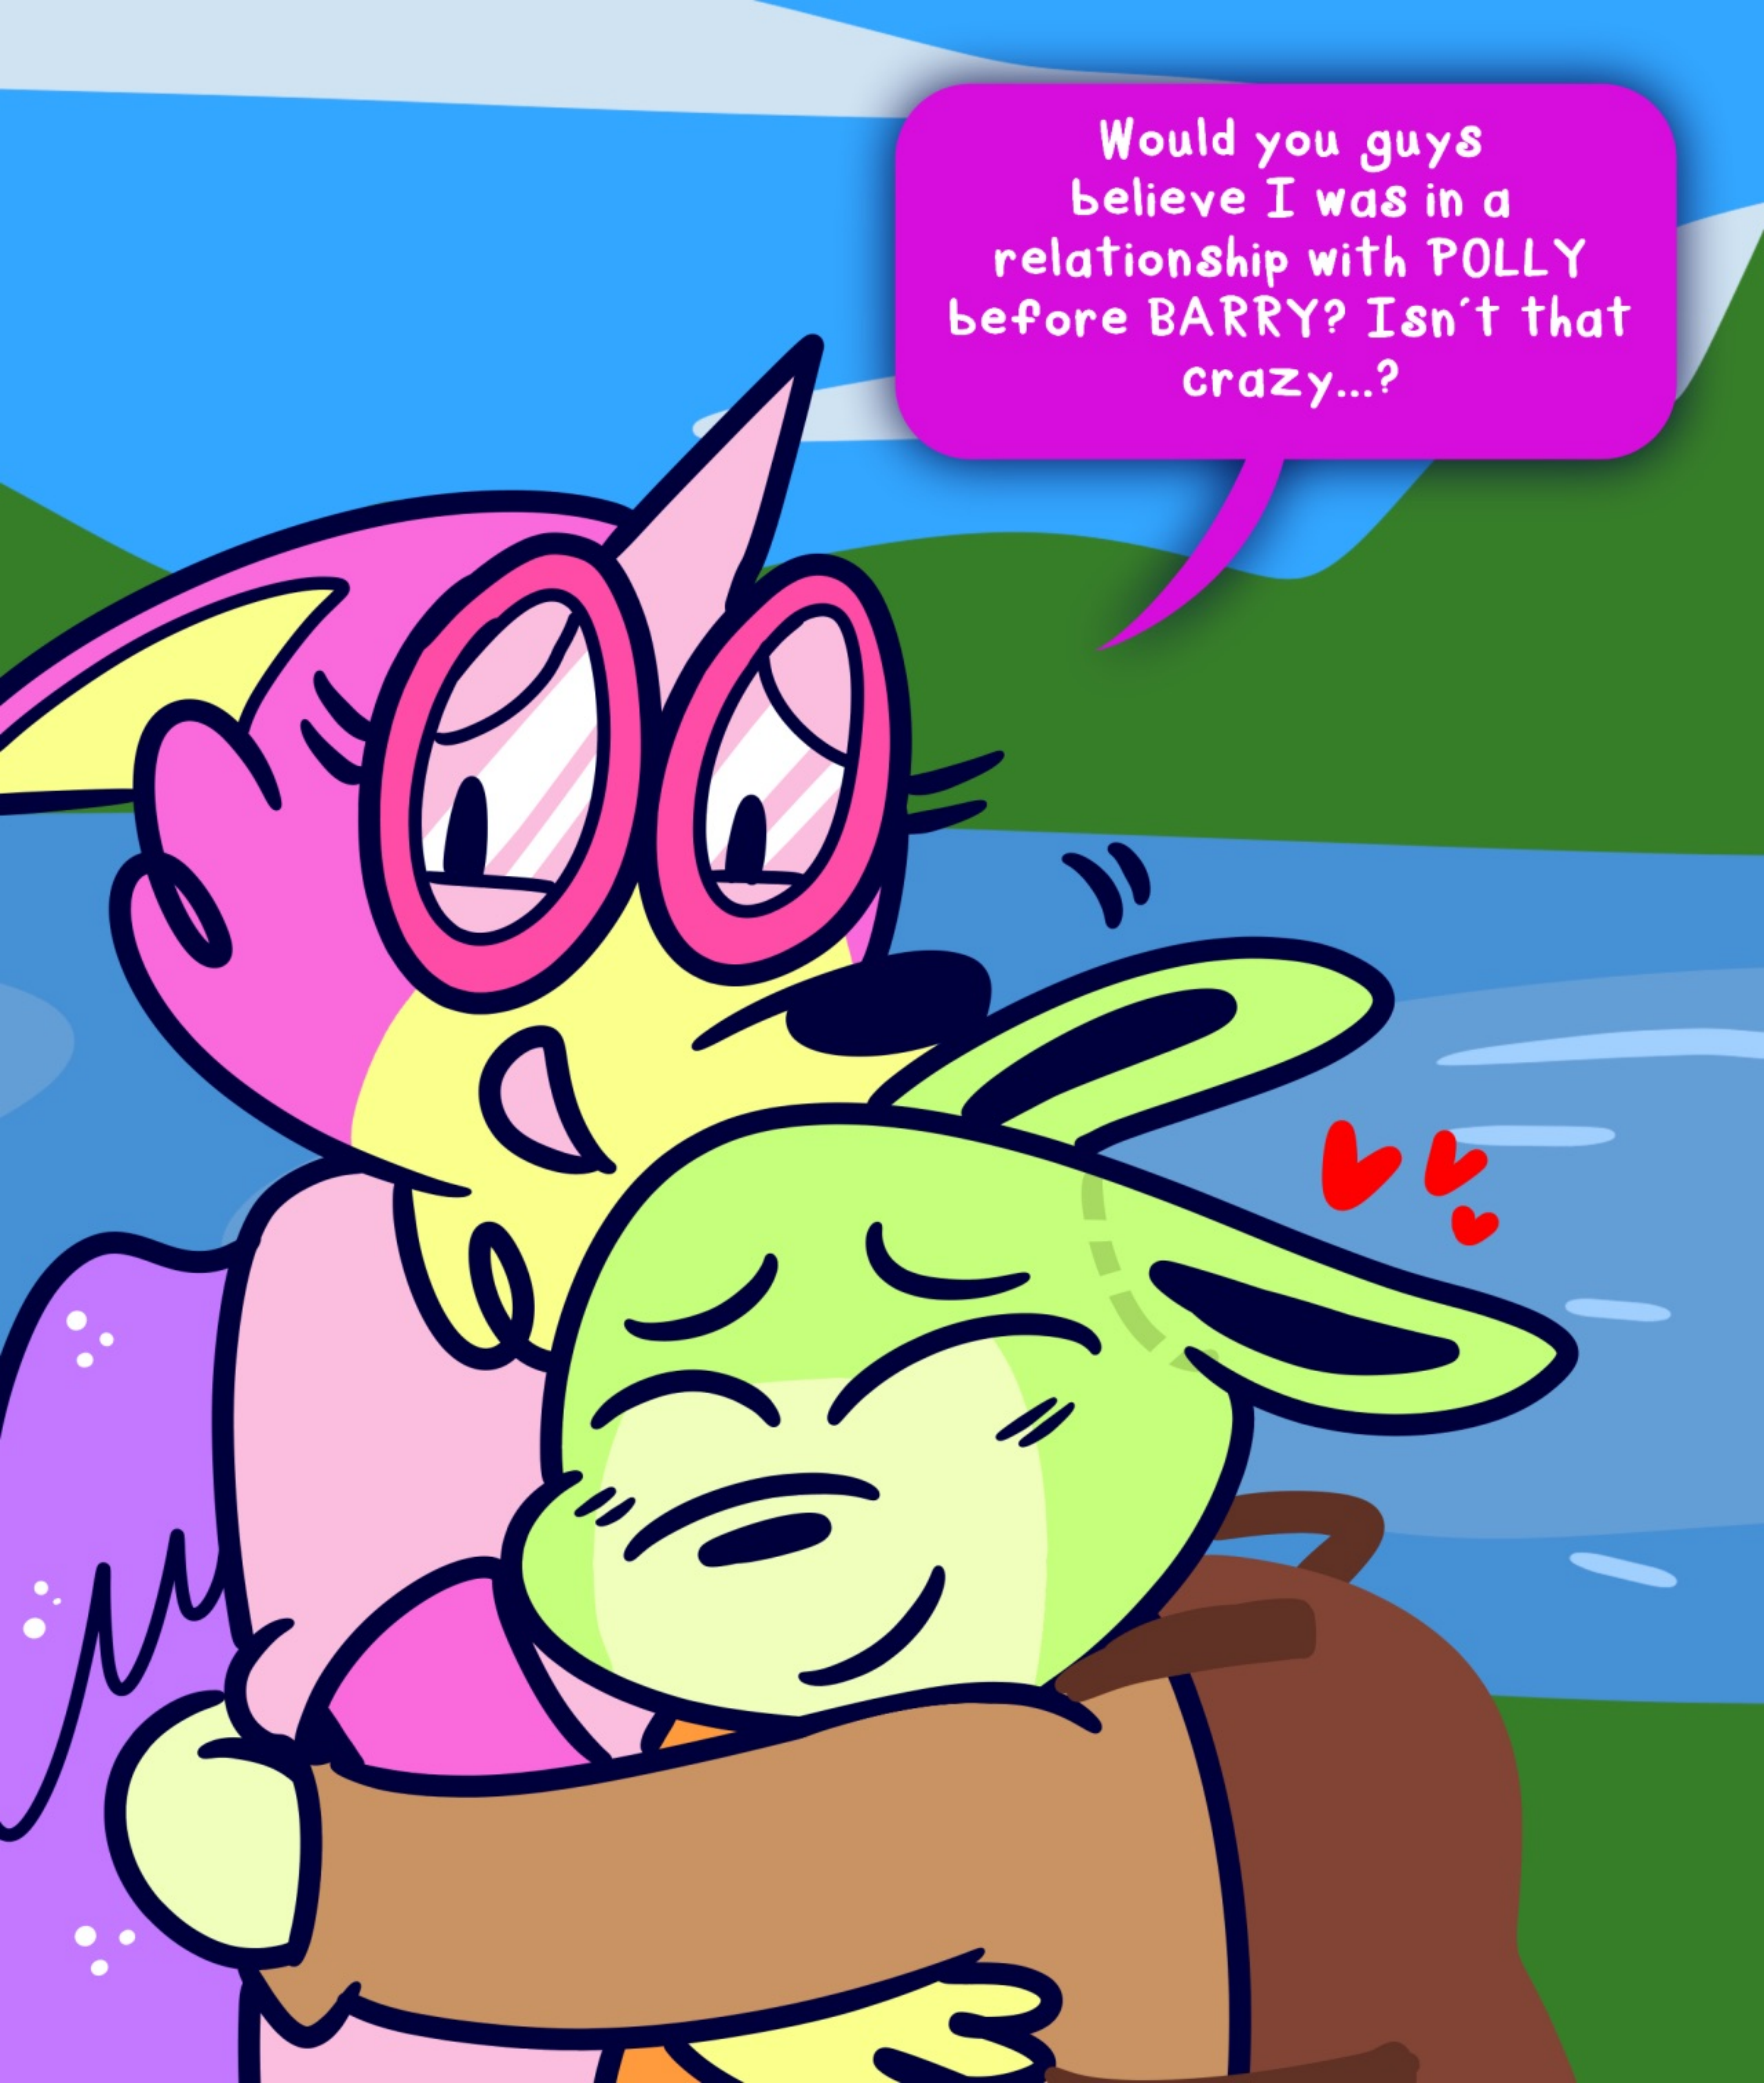
What about that theory that Lessie is a type of Plesiosaur?
Would it realistically have survived this long if that were the case....?



misscornelius asked:

hi green!!! unrelated question but how long have you and uni been together now :3

We got together in 6023! It's... funny, we were the last of us to get together.



Would you guys believe I was in a relationship with POLLY before BARRY? Isn´t that crazy...?

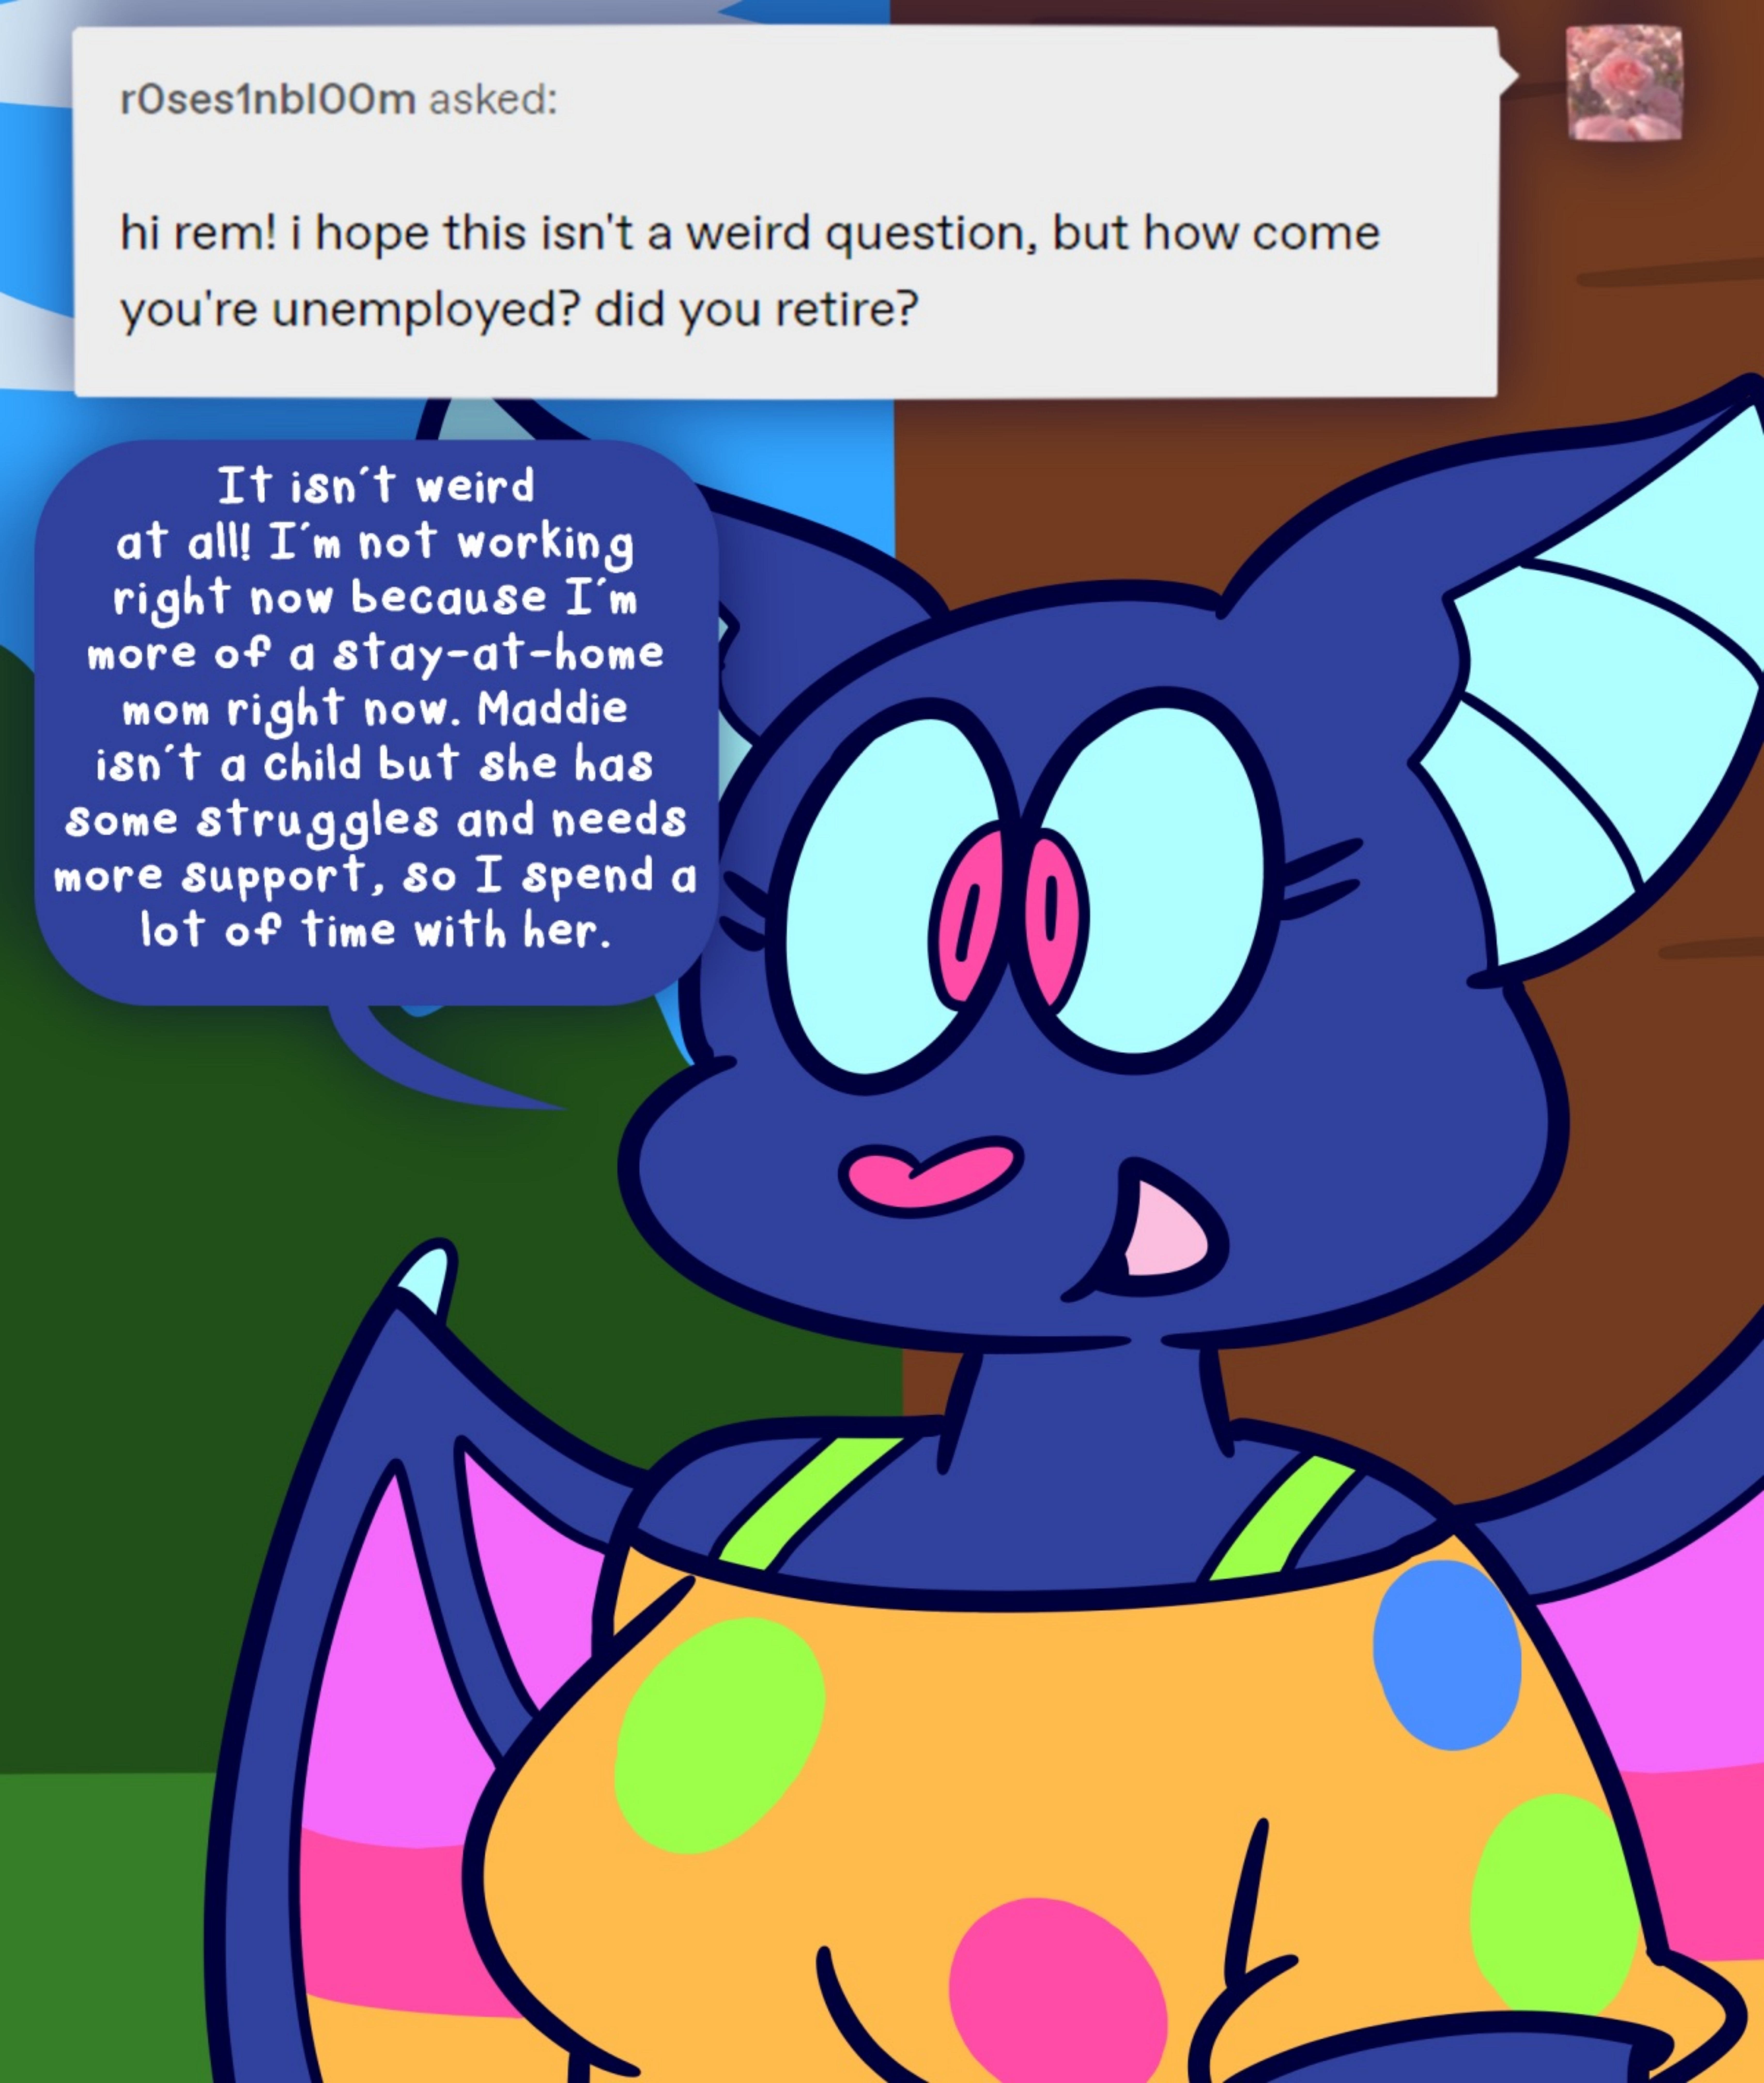
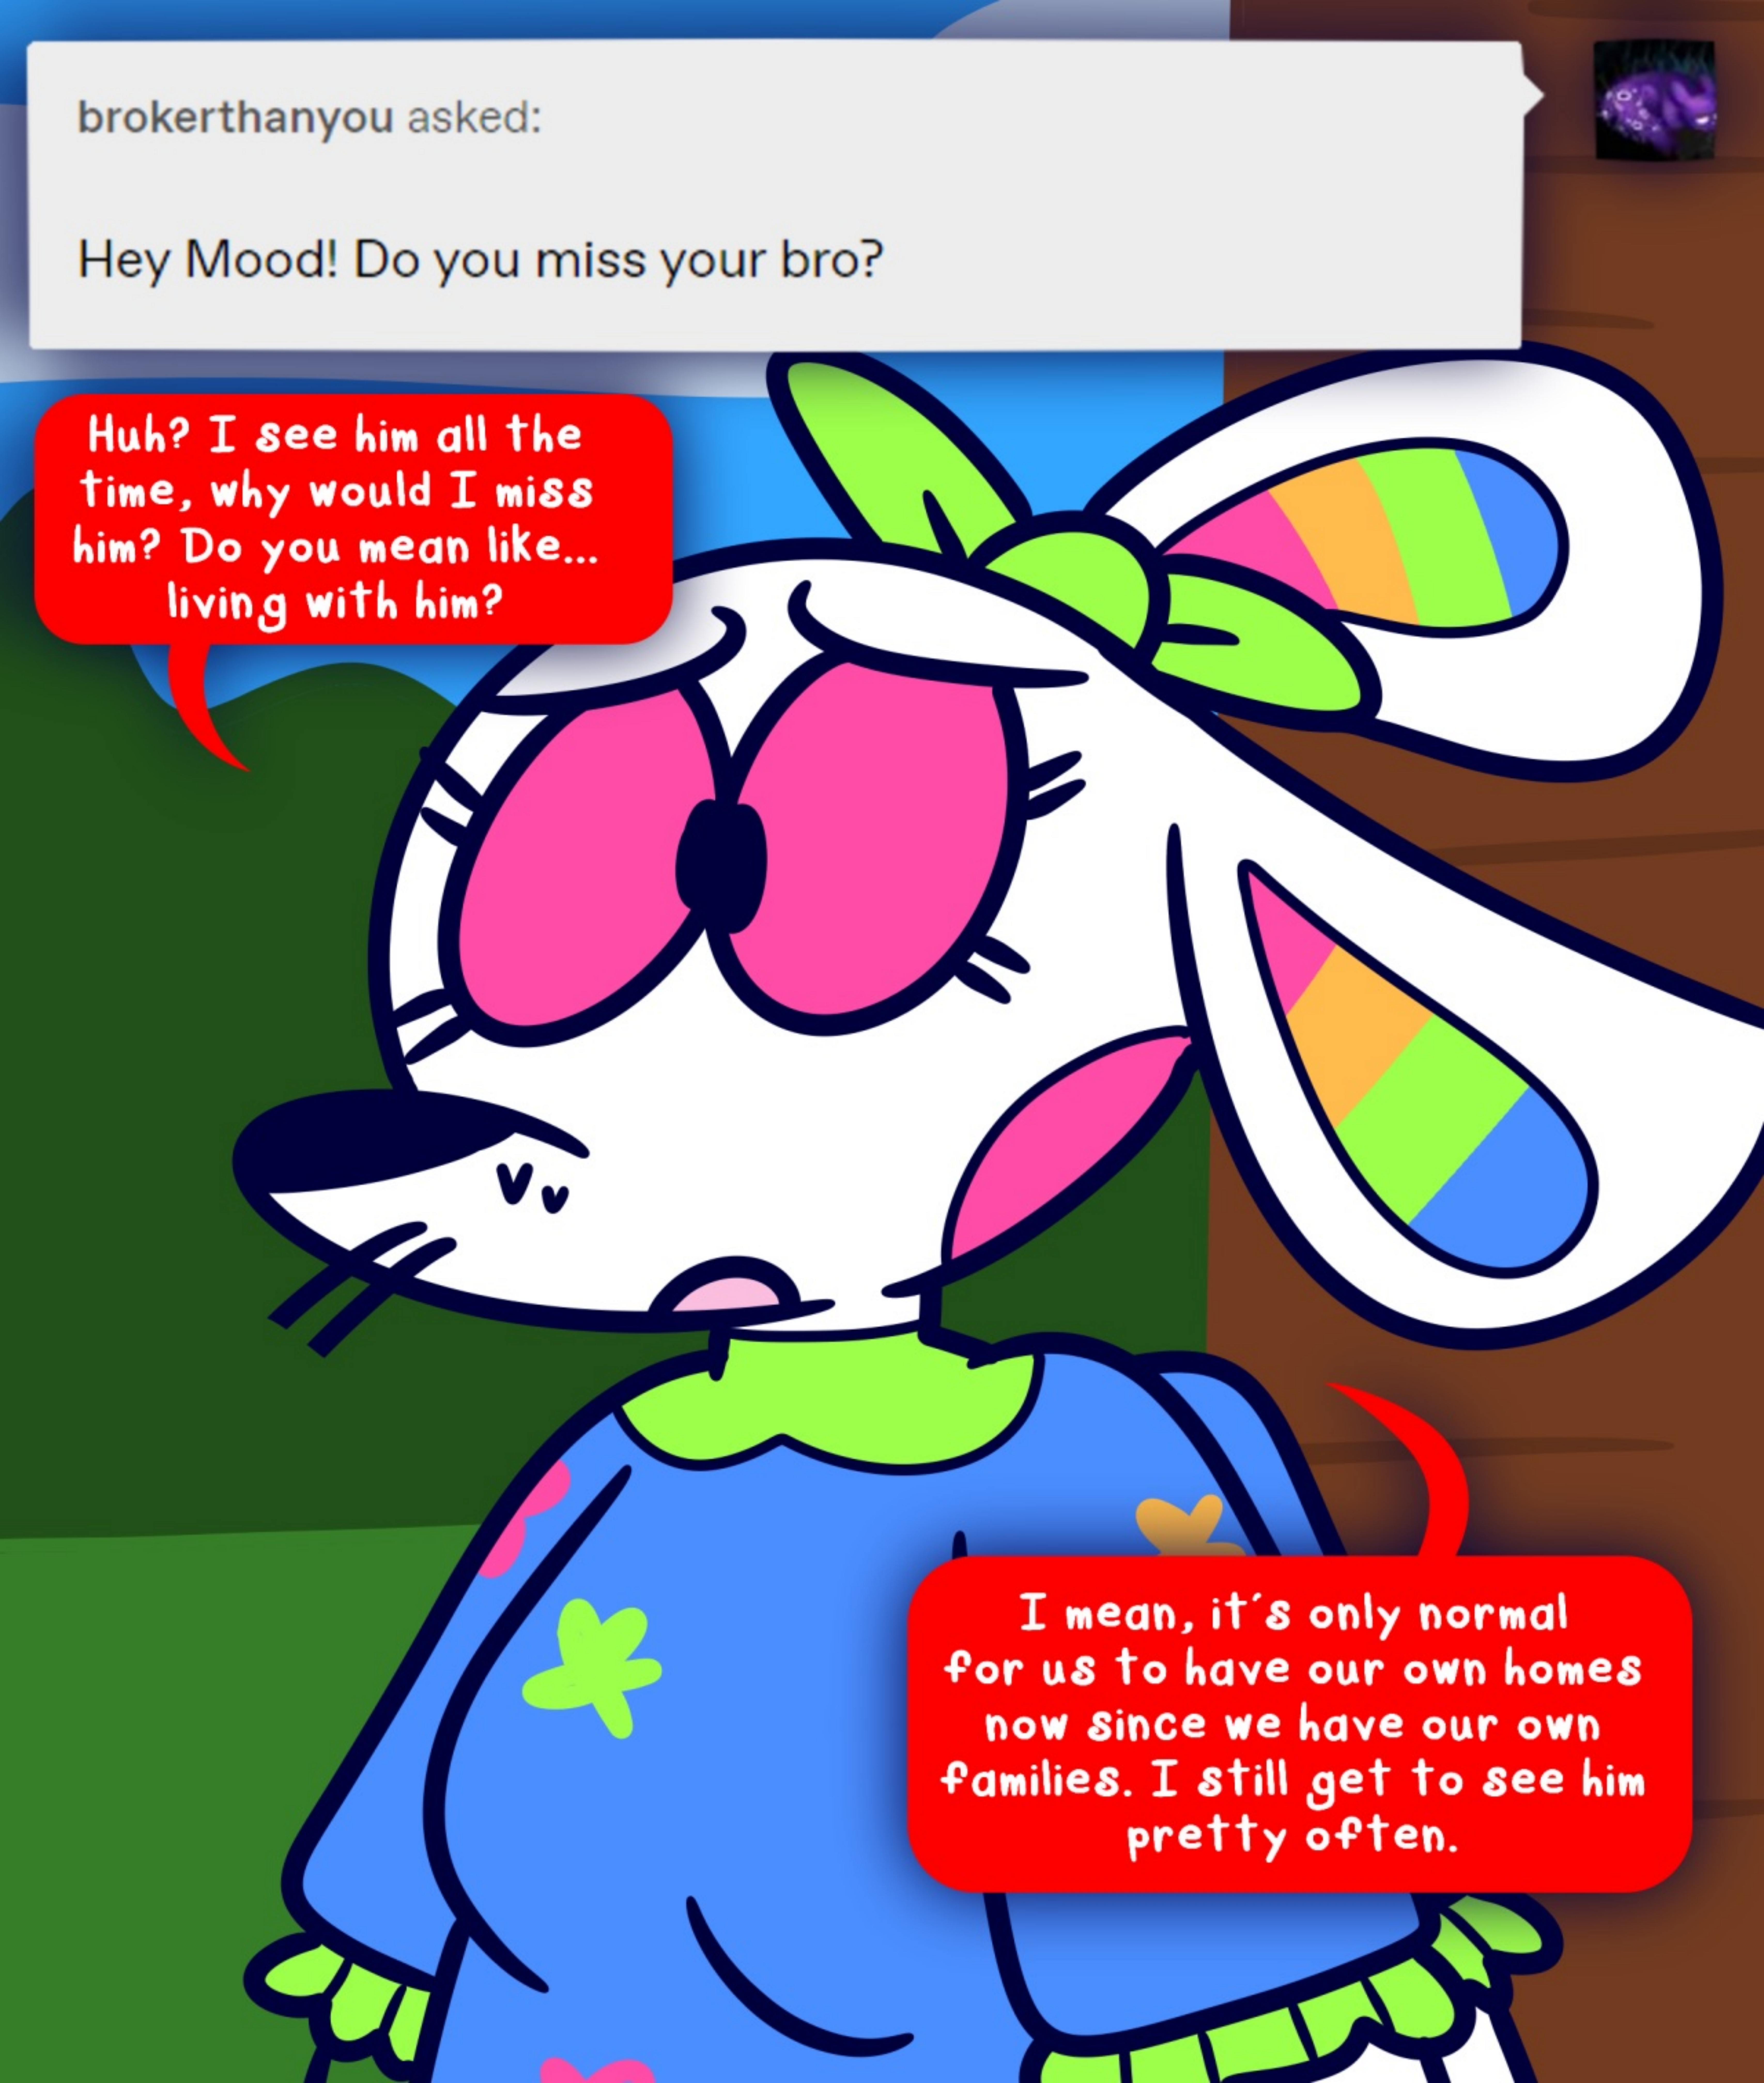
She means very much to me... we've been through... ...a lot together.
I'm very grateful to have her in my life as long as I have, she's very wonderful. I love her so much.



r0ses1nbl00m asked:

hi rem! i hope this isn't a weird question, but how come you're unemployed? did you retire?

It isn't weird at all! I'm not working right now because I'm more of a stay-at-home mom right now. Maddie isn't a child but she has some struggles and needs more support, so I spend a lot of time with her.



brokerthanyou asked:

Hey Mood! Do you miss your bro?

Huh? I see him all the time, why would I miss him? Do you mean like... living with him?
I mean, it´s only normal for us to have our own homes now since we have our own families. I still get to see him pretty often.

ladyinsertnamehere asked:

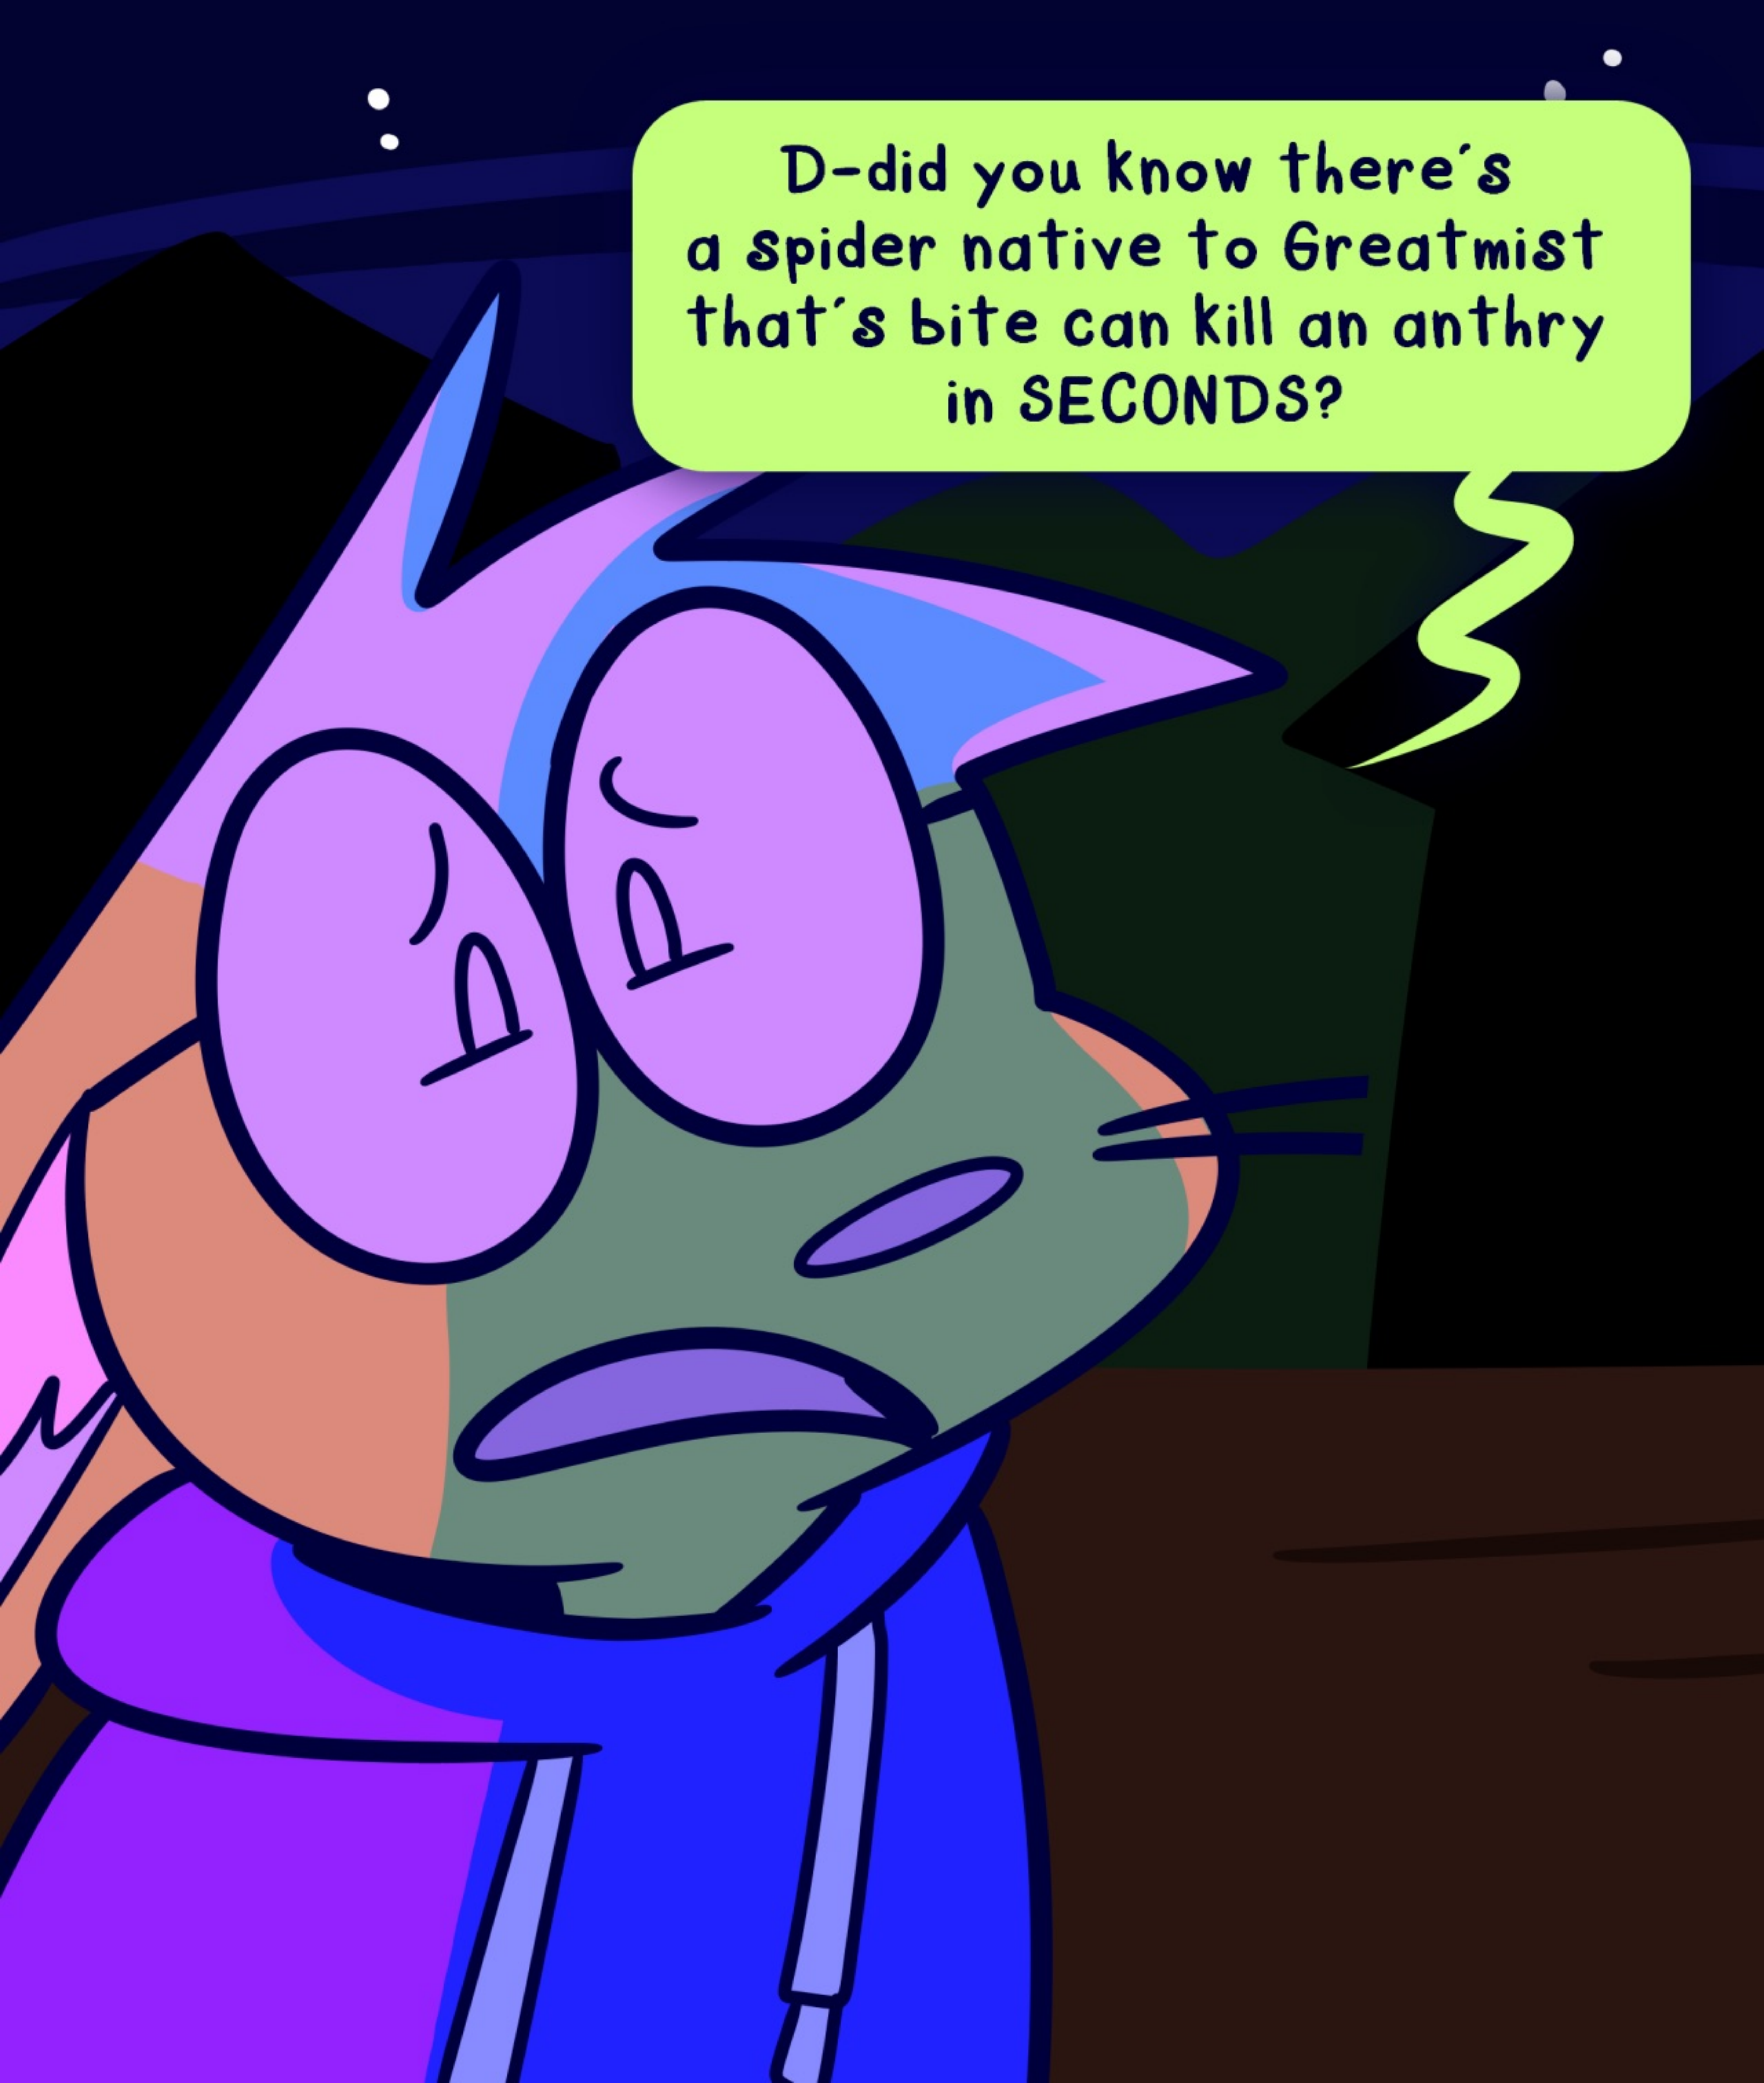
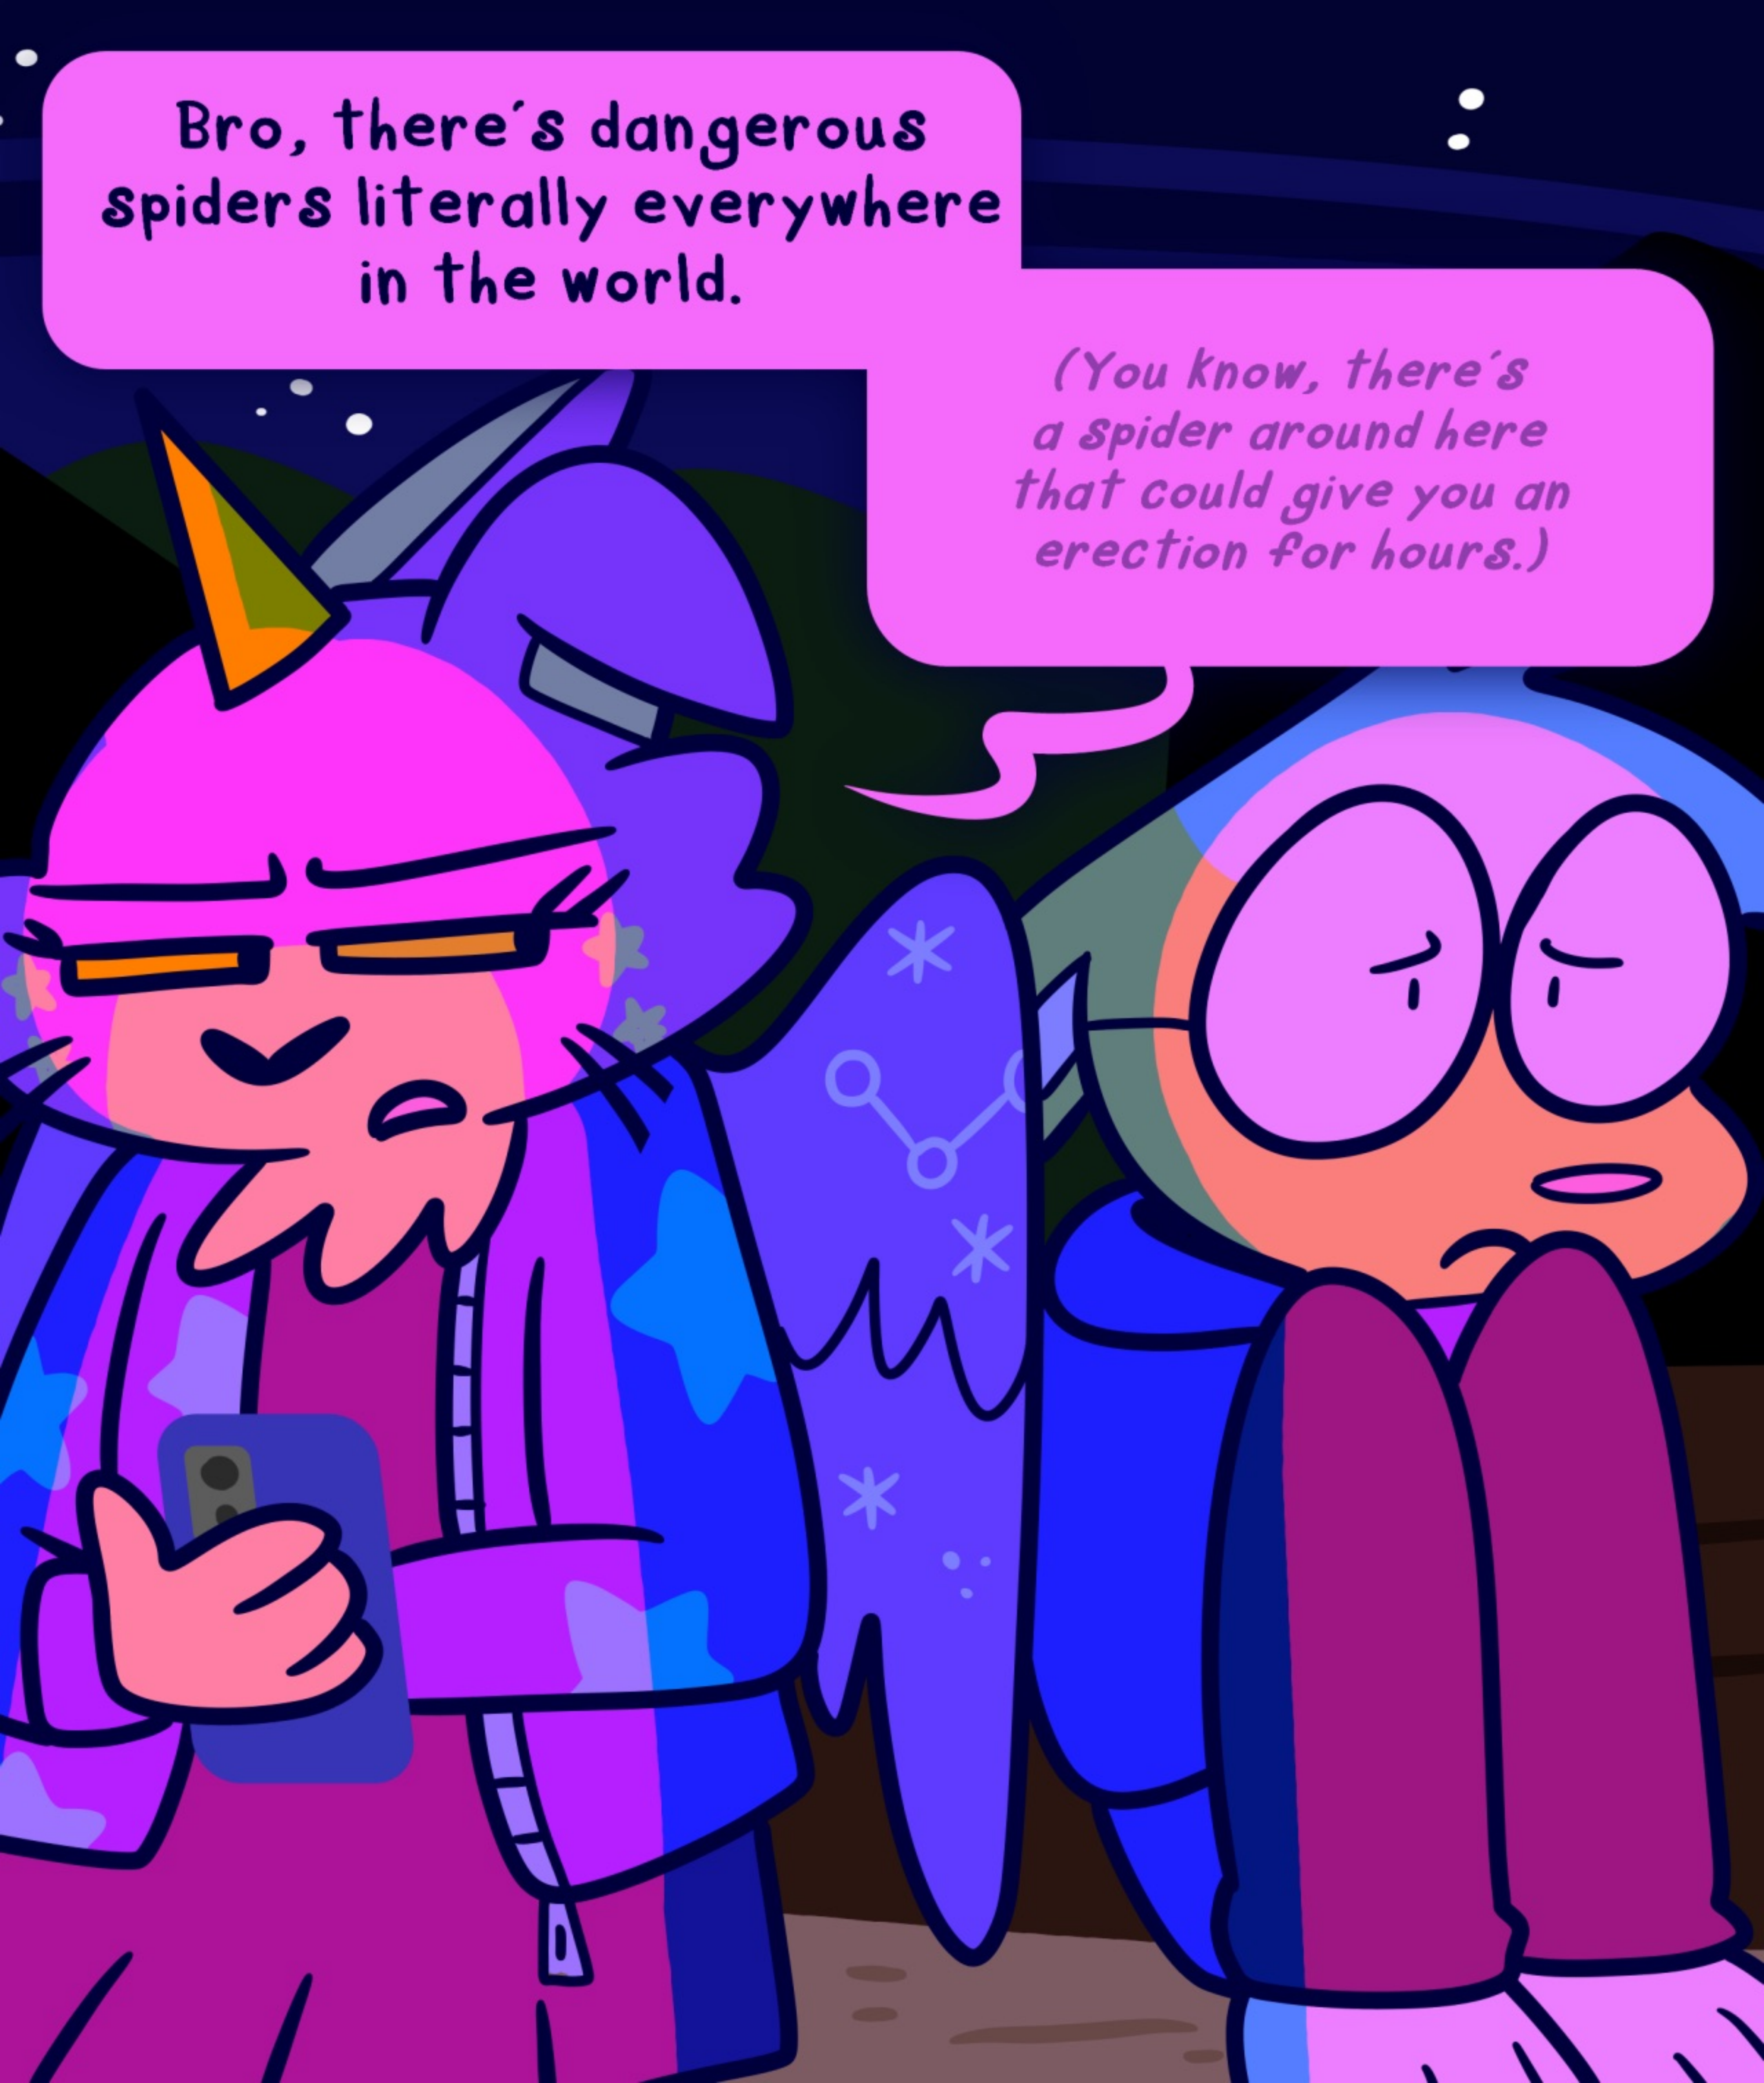
Sly...you still feelin' off about the quake?

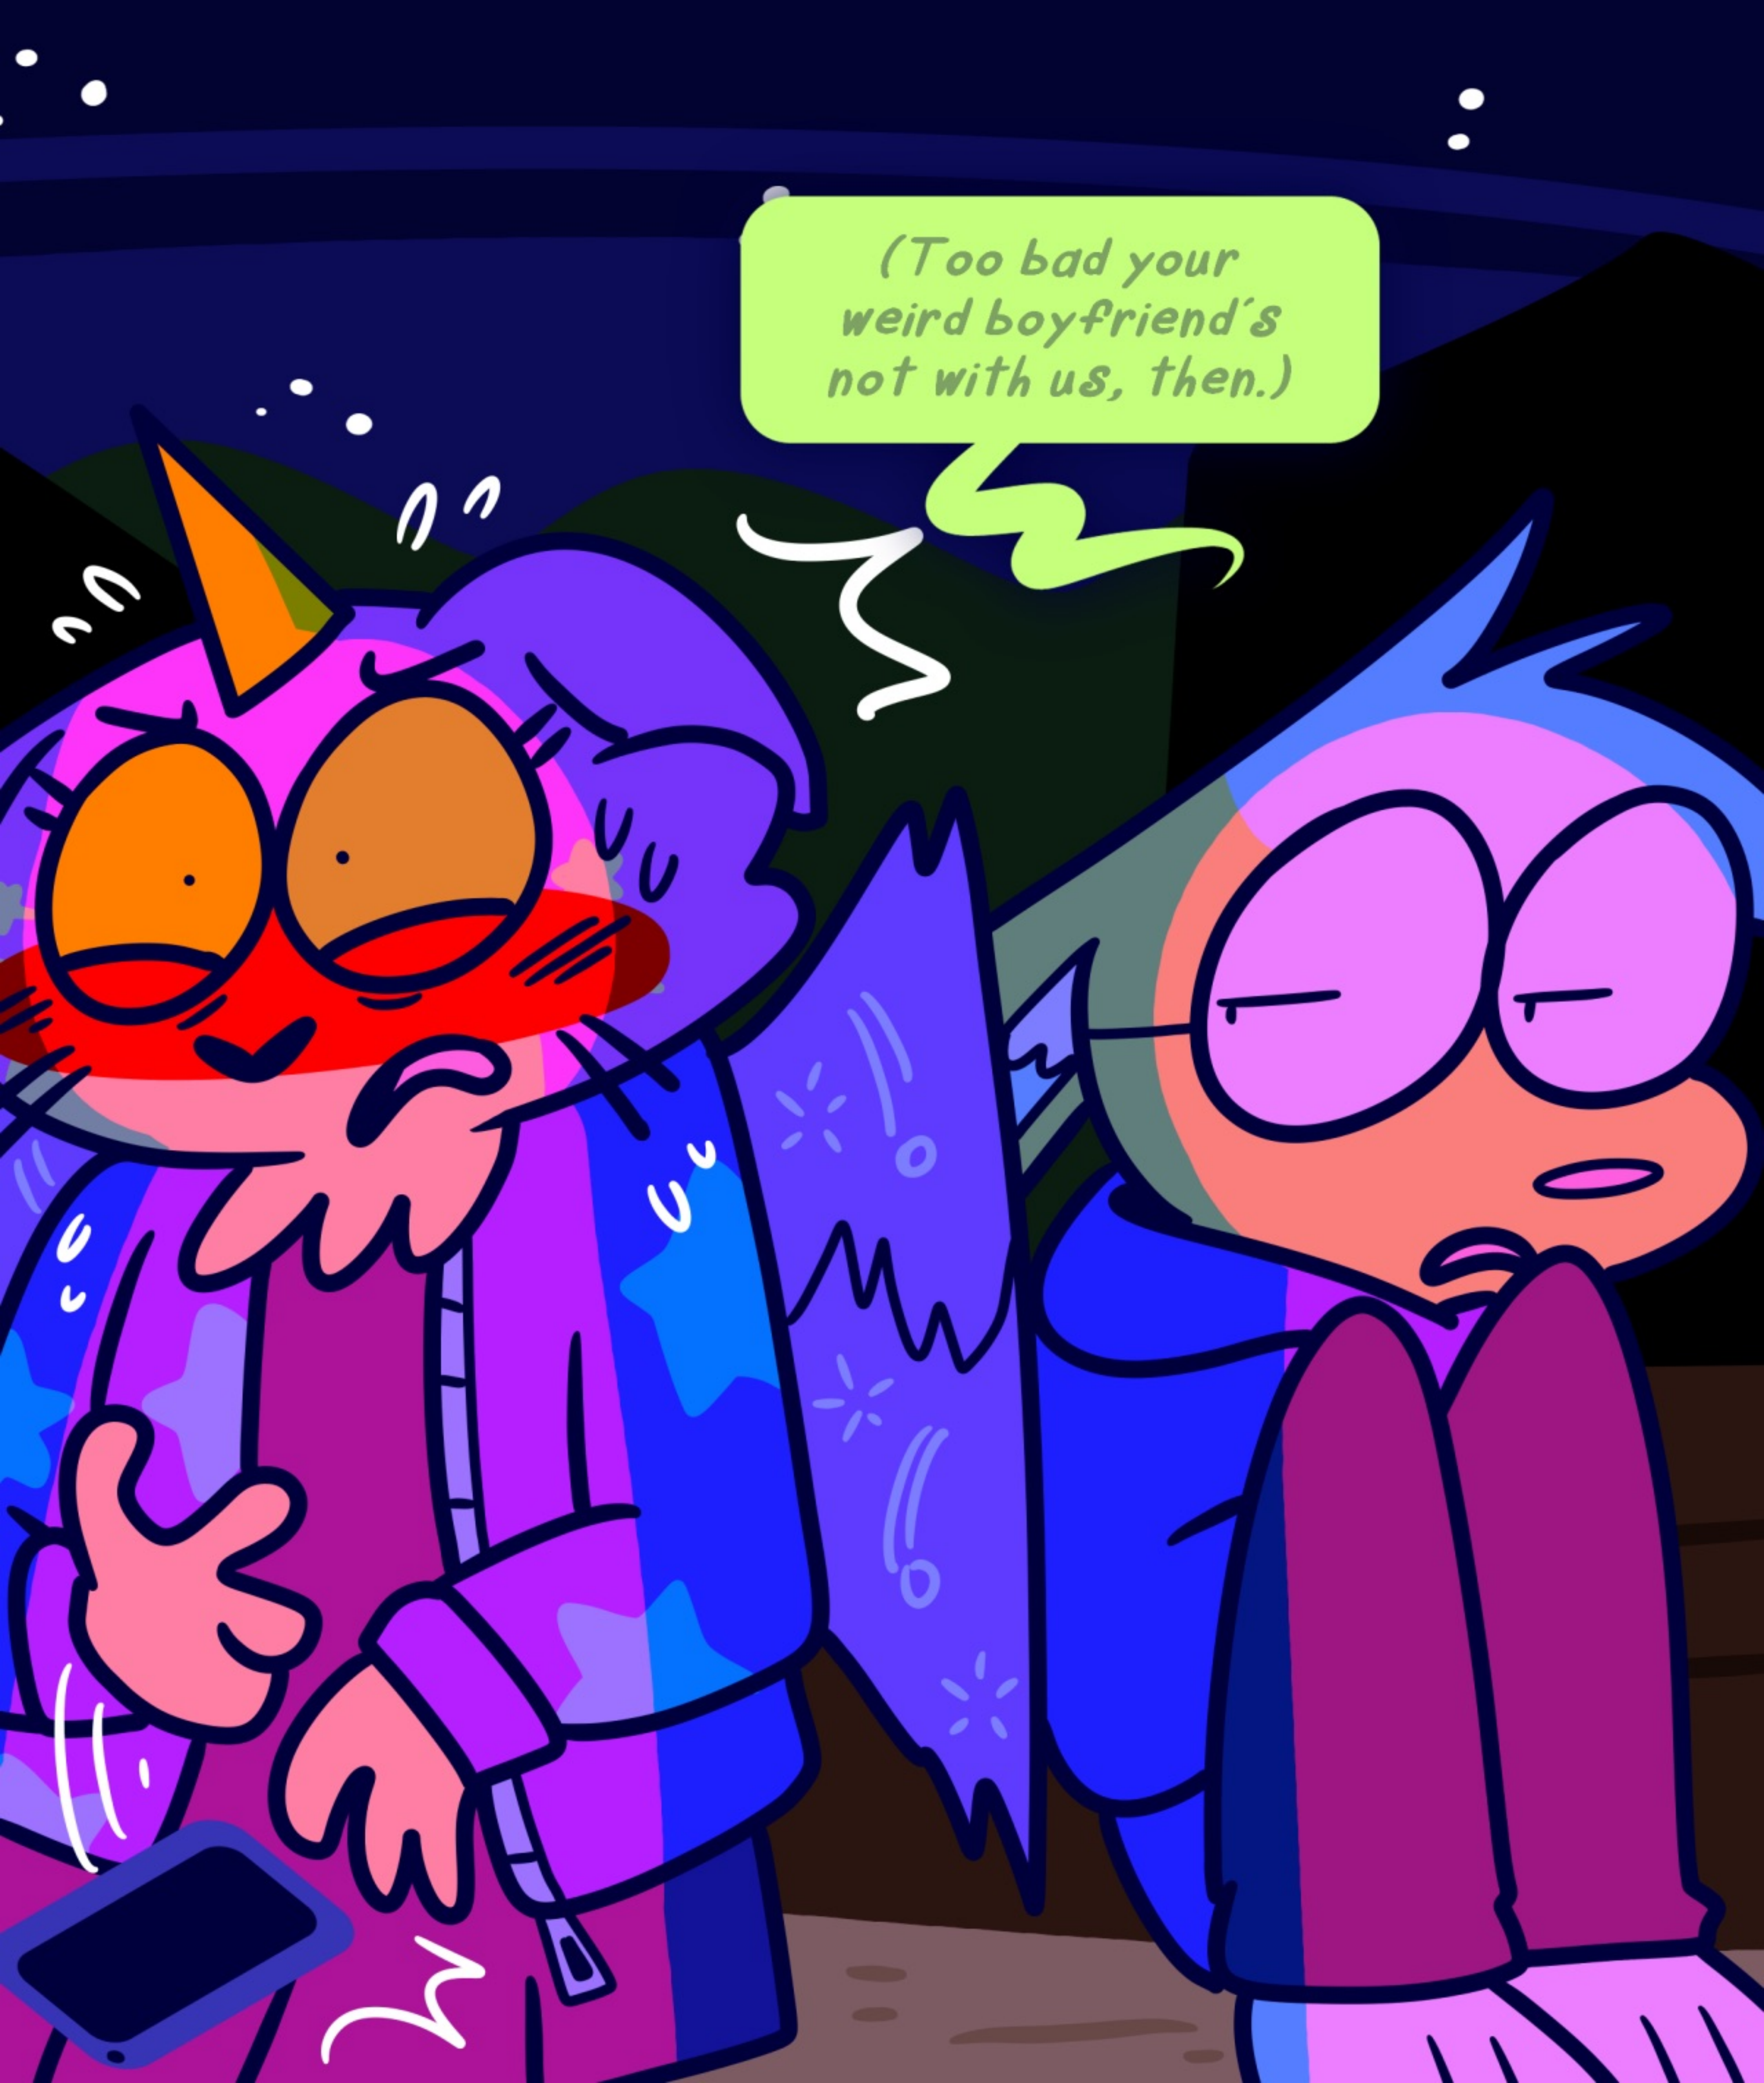
...y-yes, and other things. I don't like... b-being in nature like this.
There's wild ferries and scary bugs a-and...



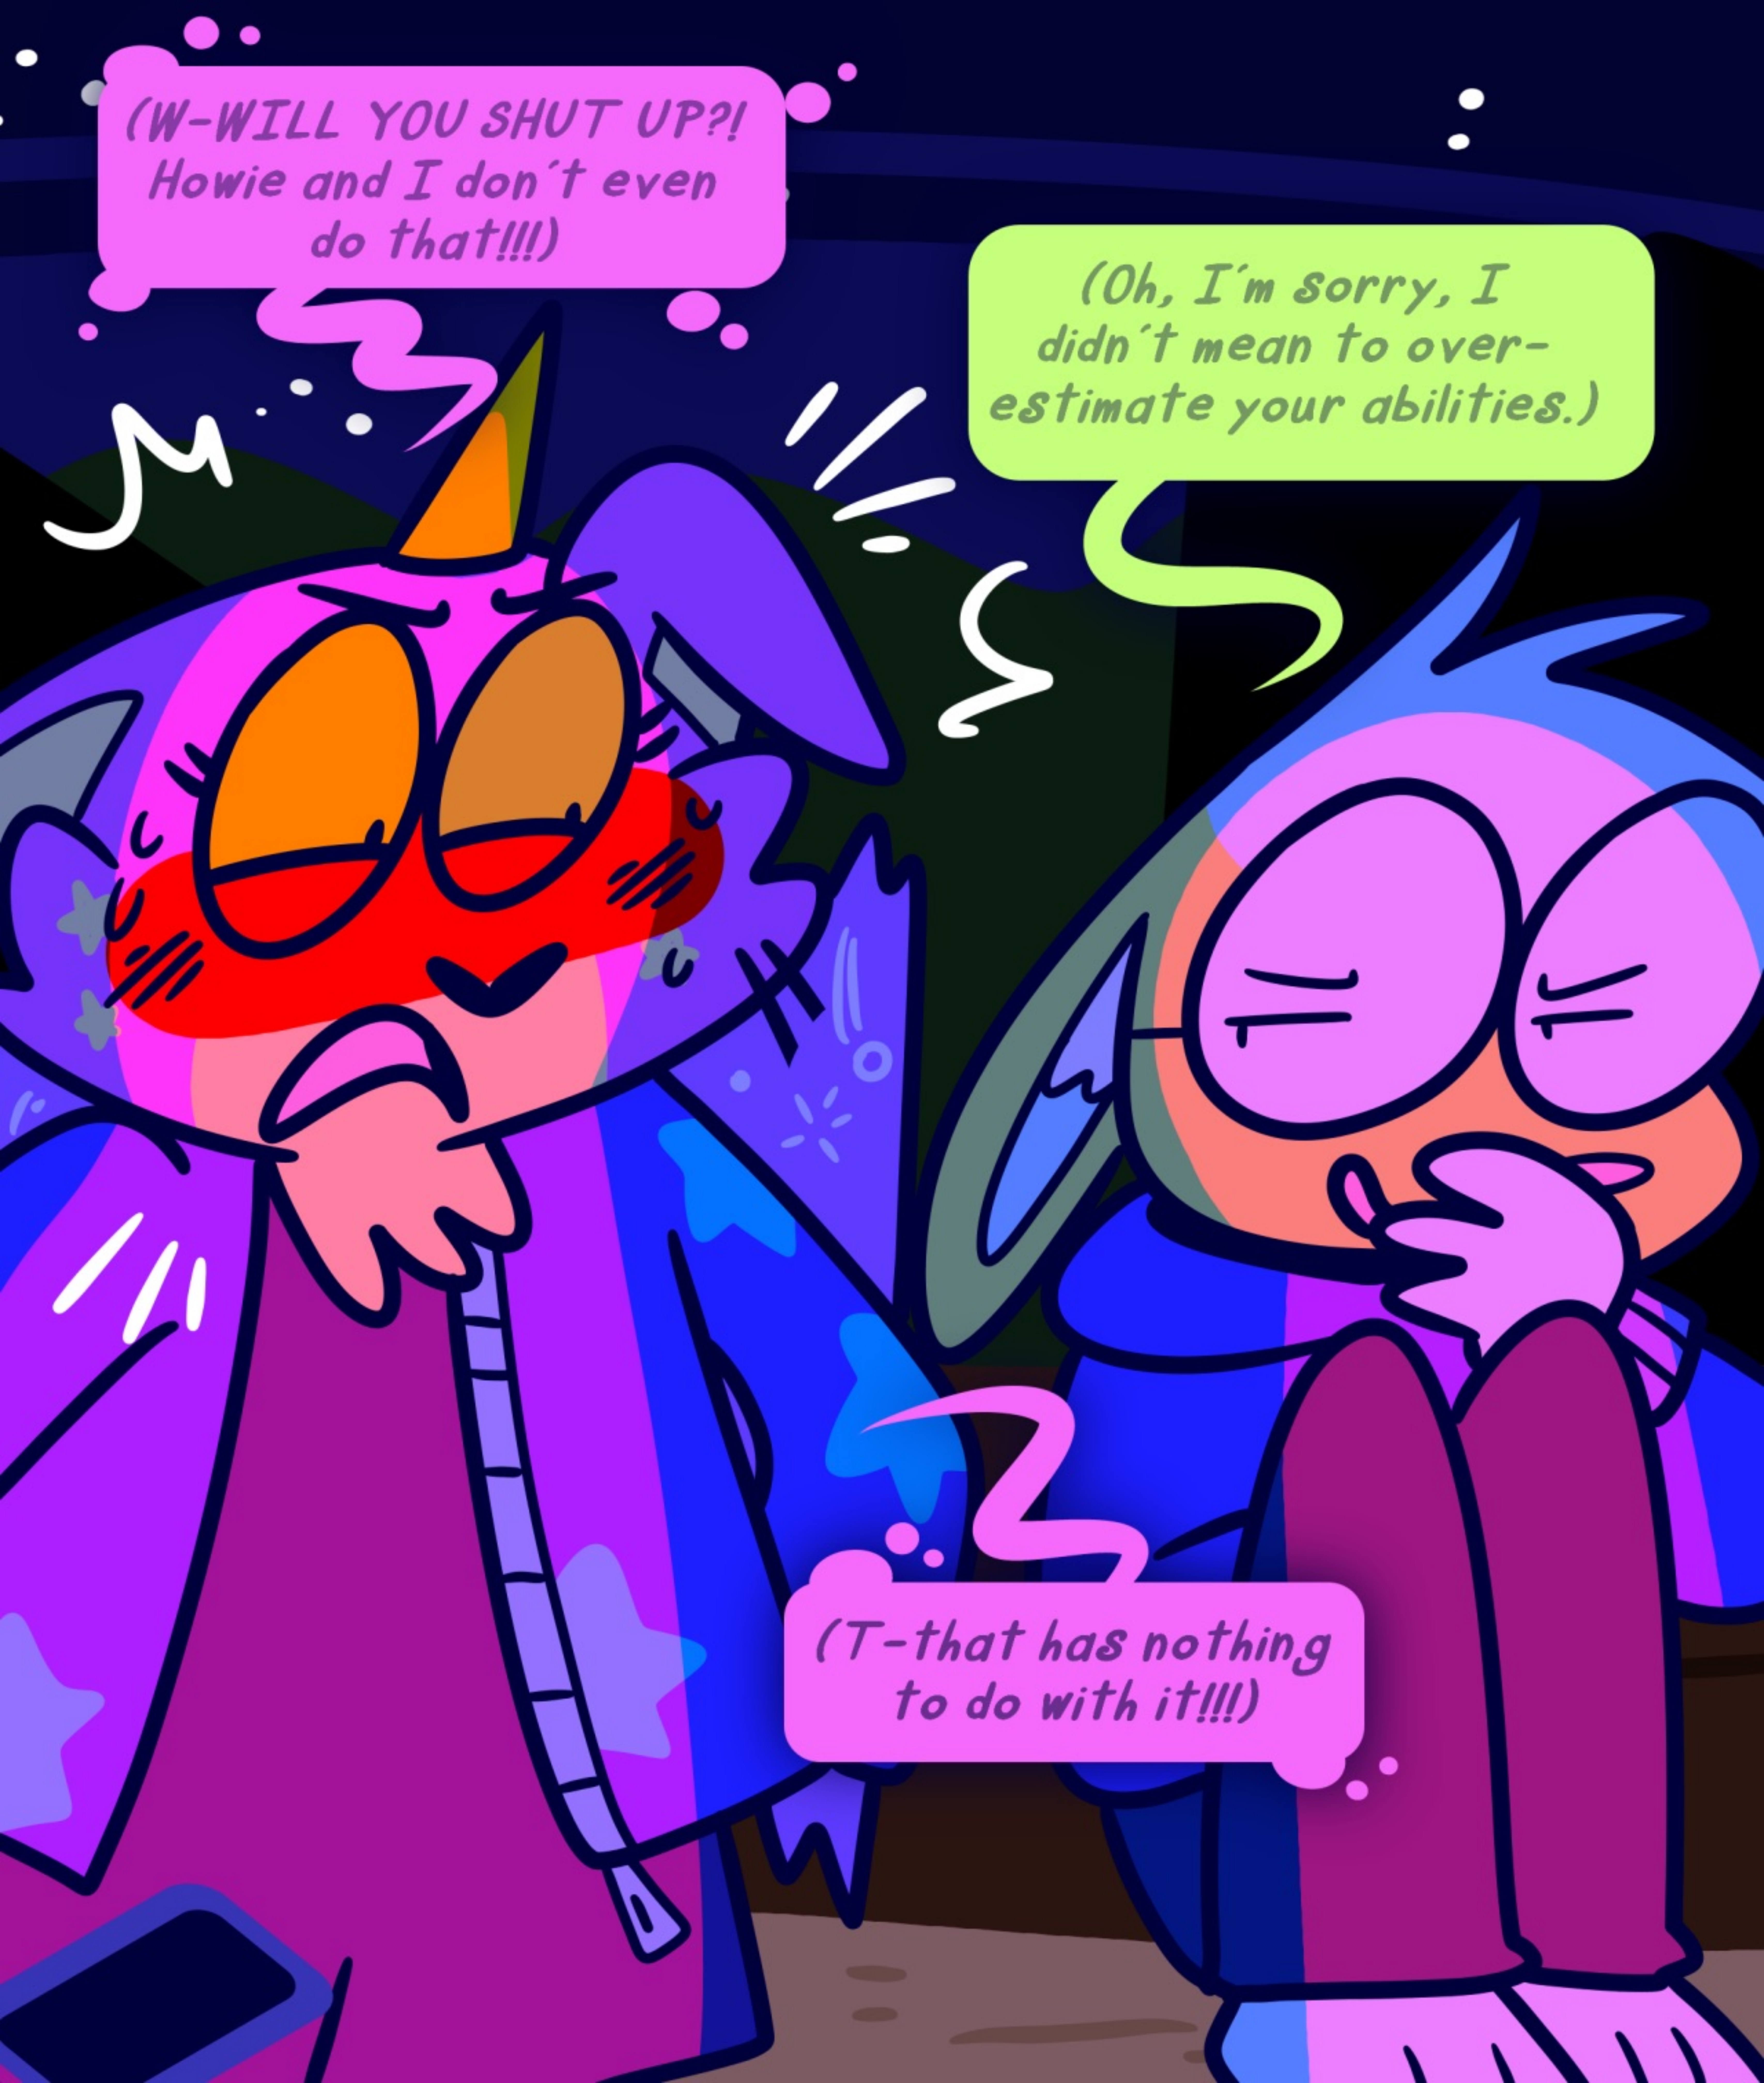
D-did you know there's a spider native to Greatmist that's bite can kill an anthry in SECONDS?



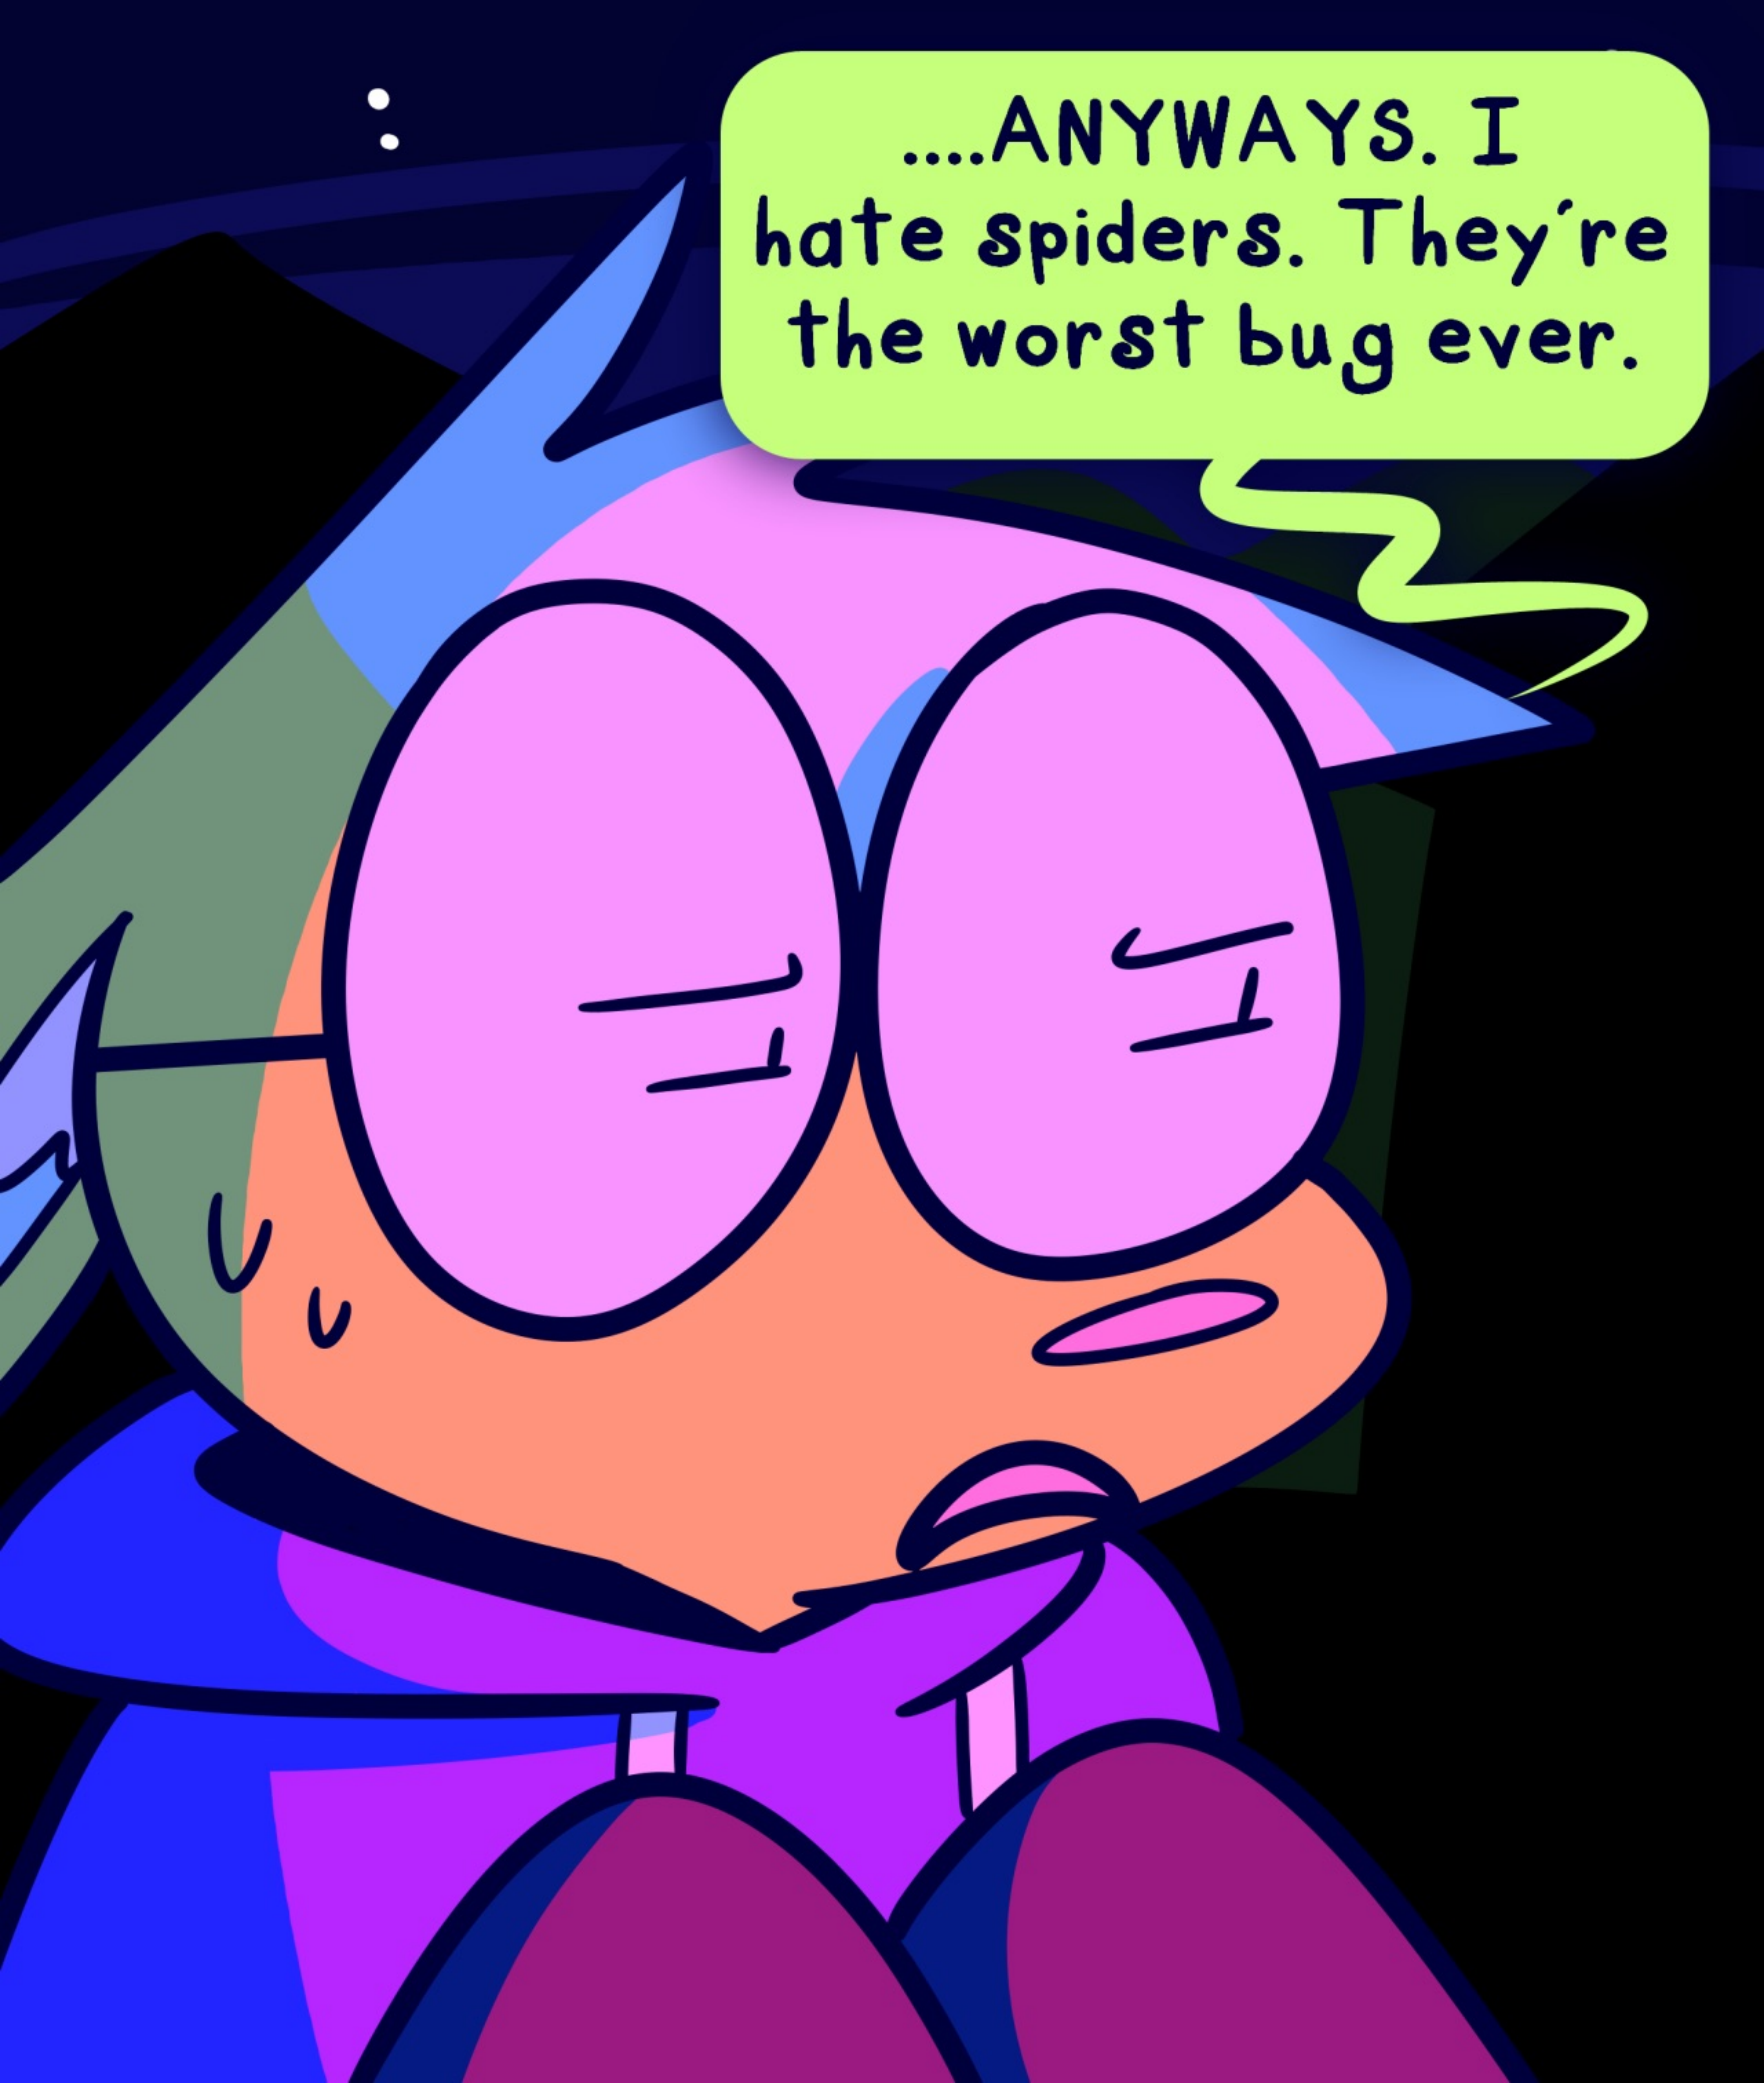
Bro, there's dangerous spiders literally everywhere in the world.
(You know, there's a spider around here that could give you an erection for hours.)



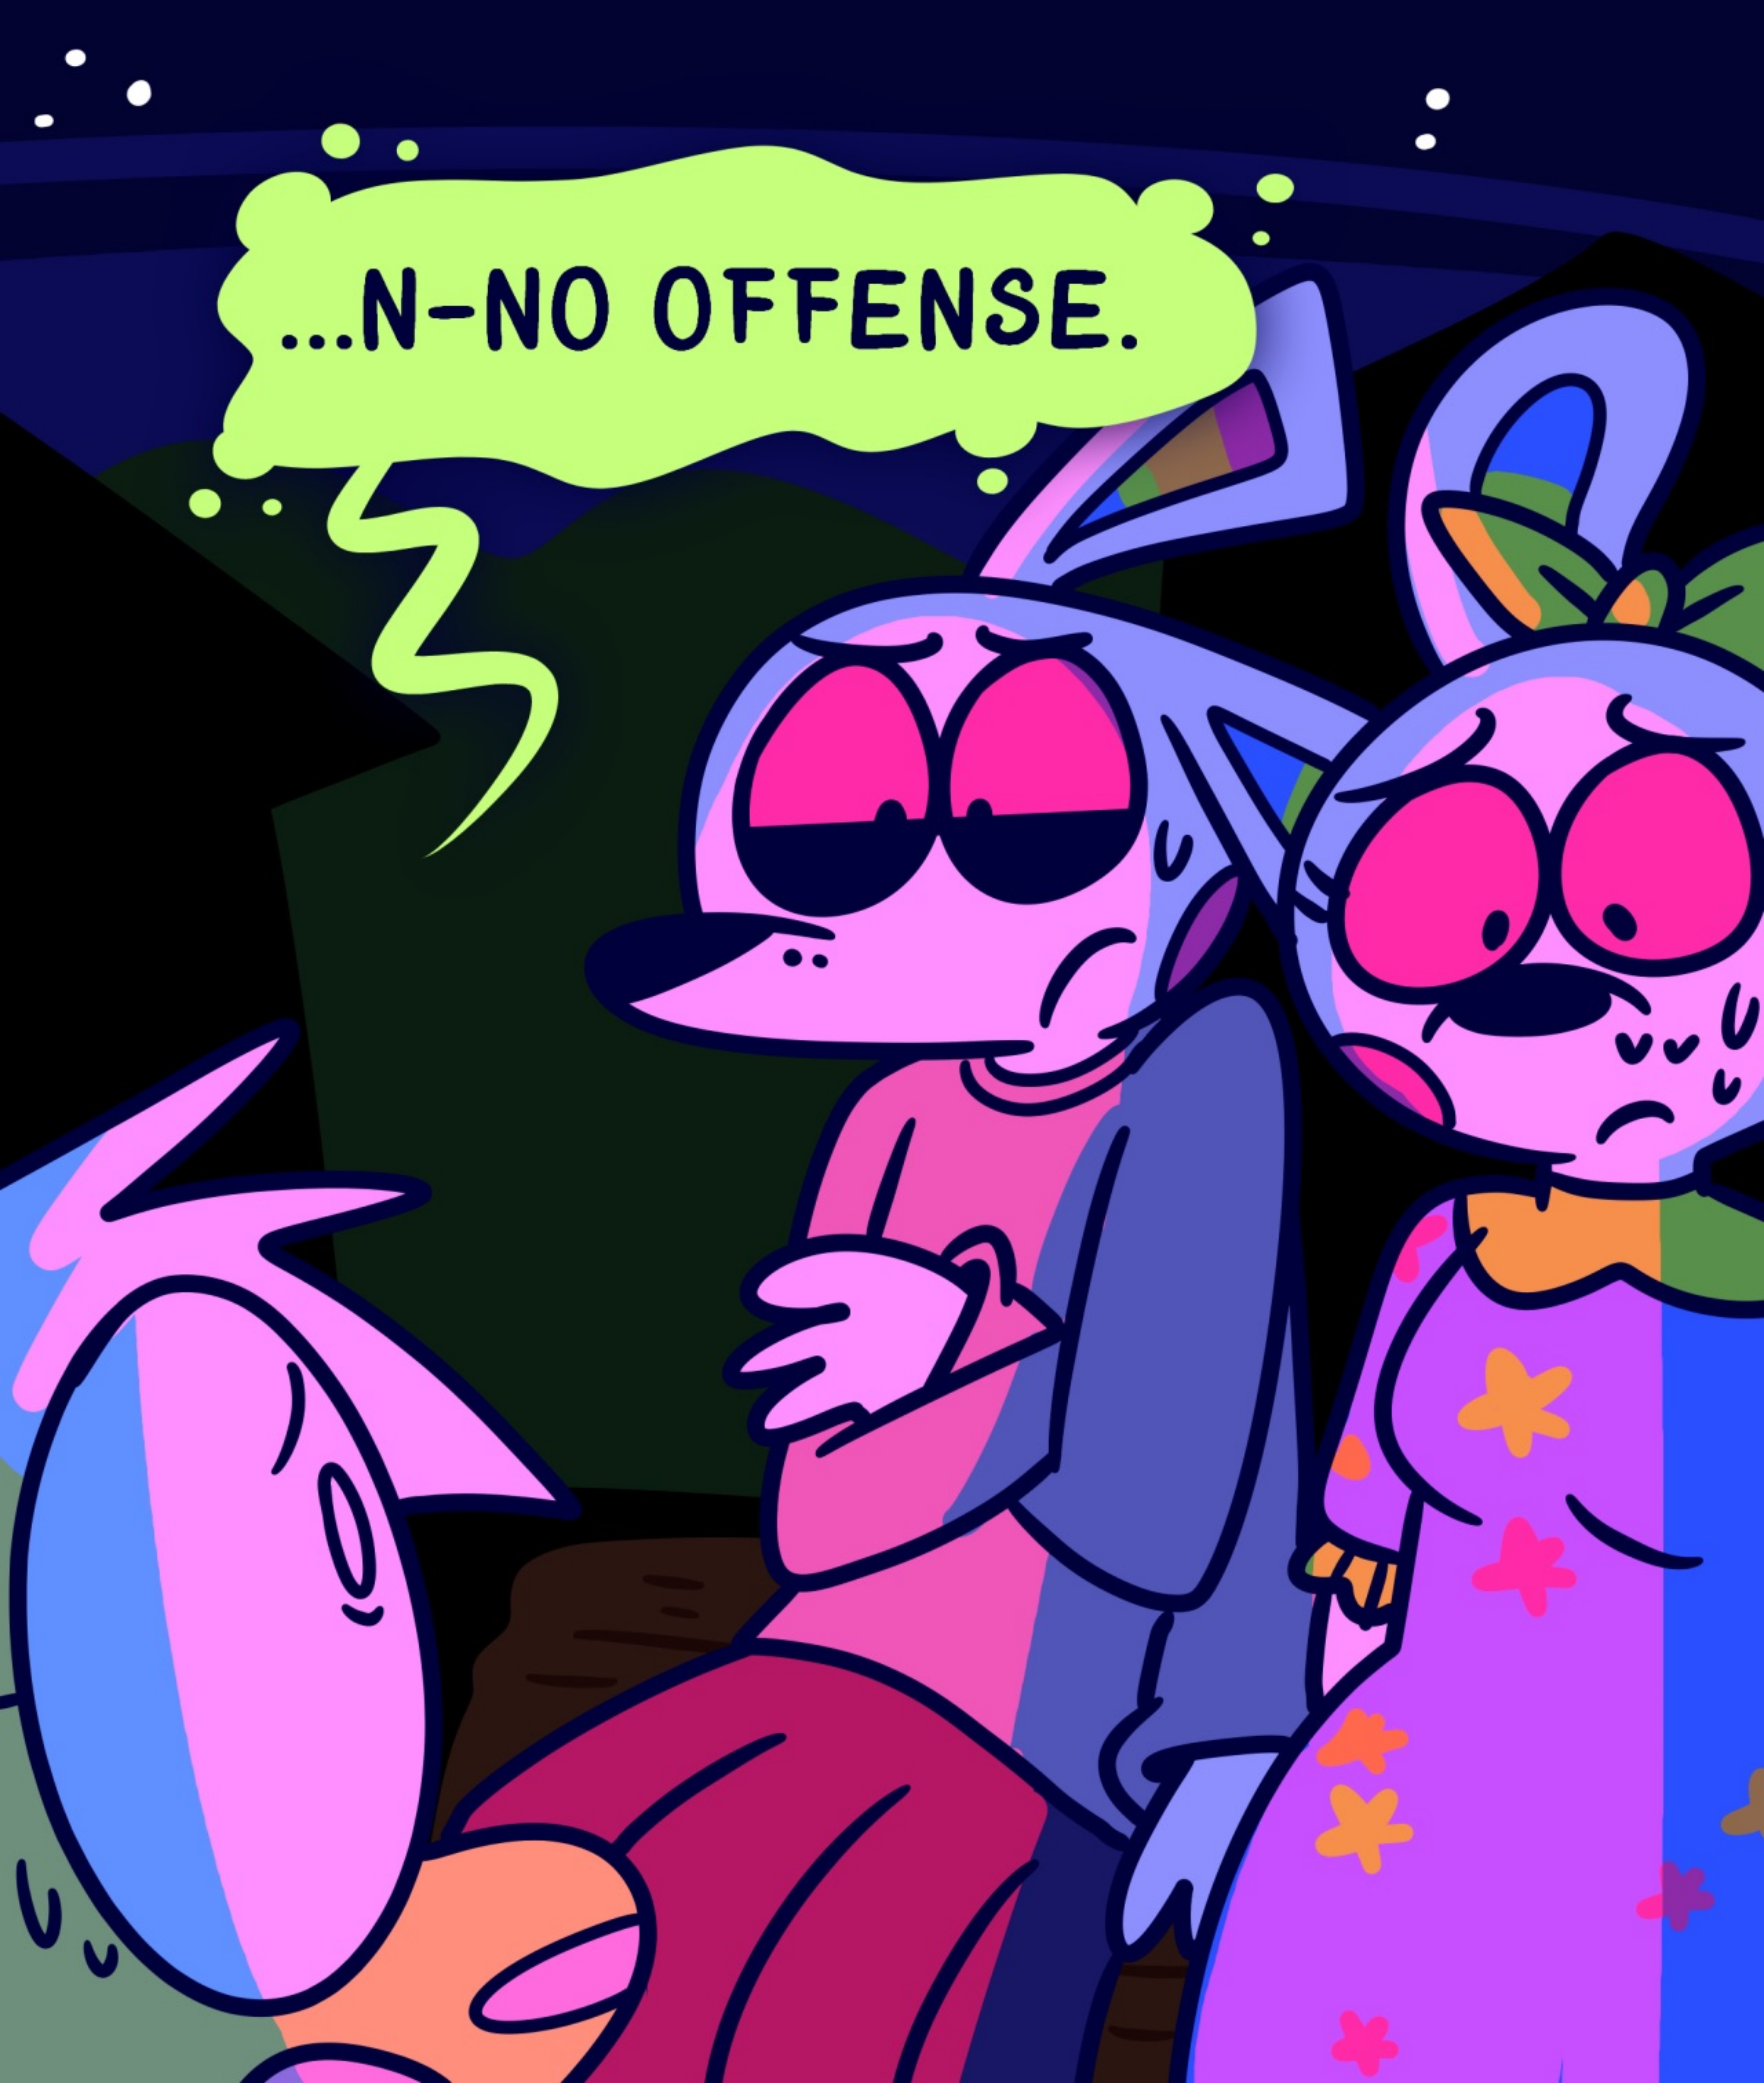
(Too bad your weird boyfriend's not with us, then.)



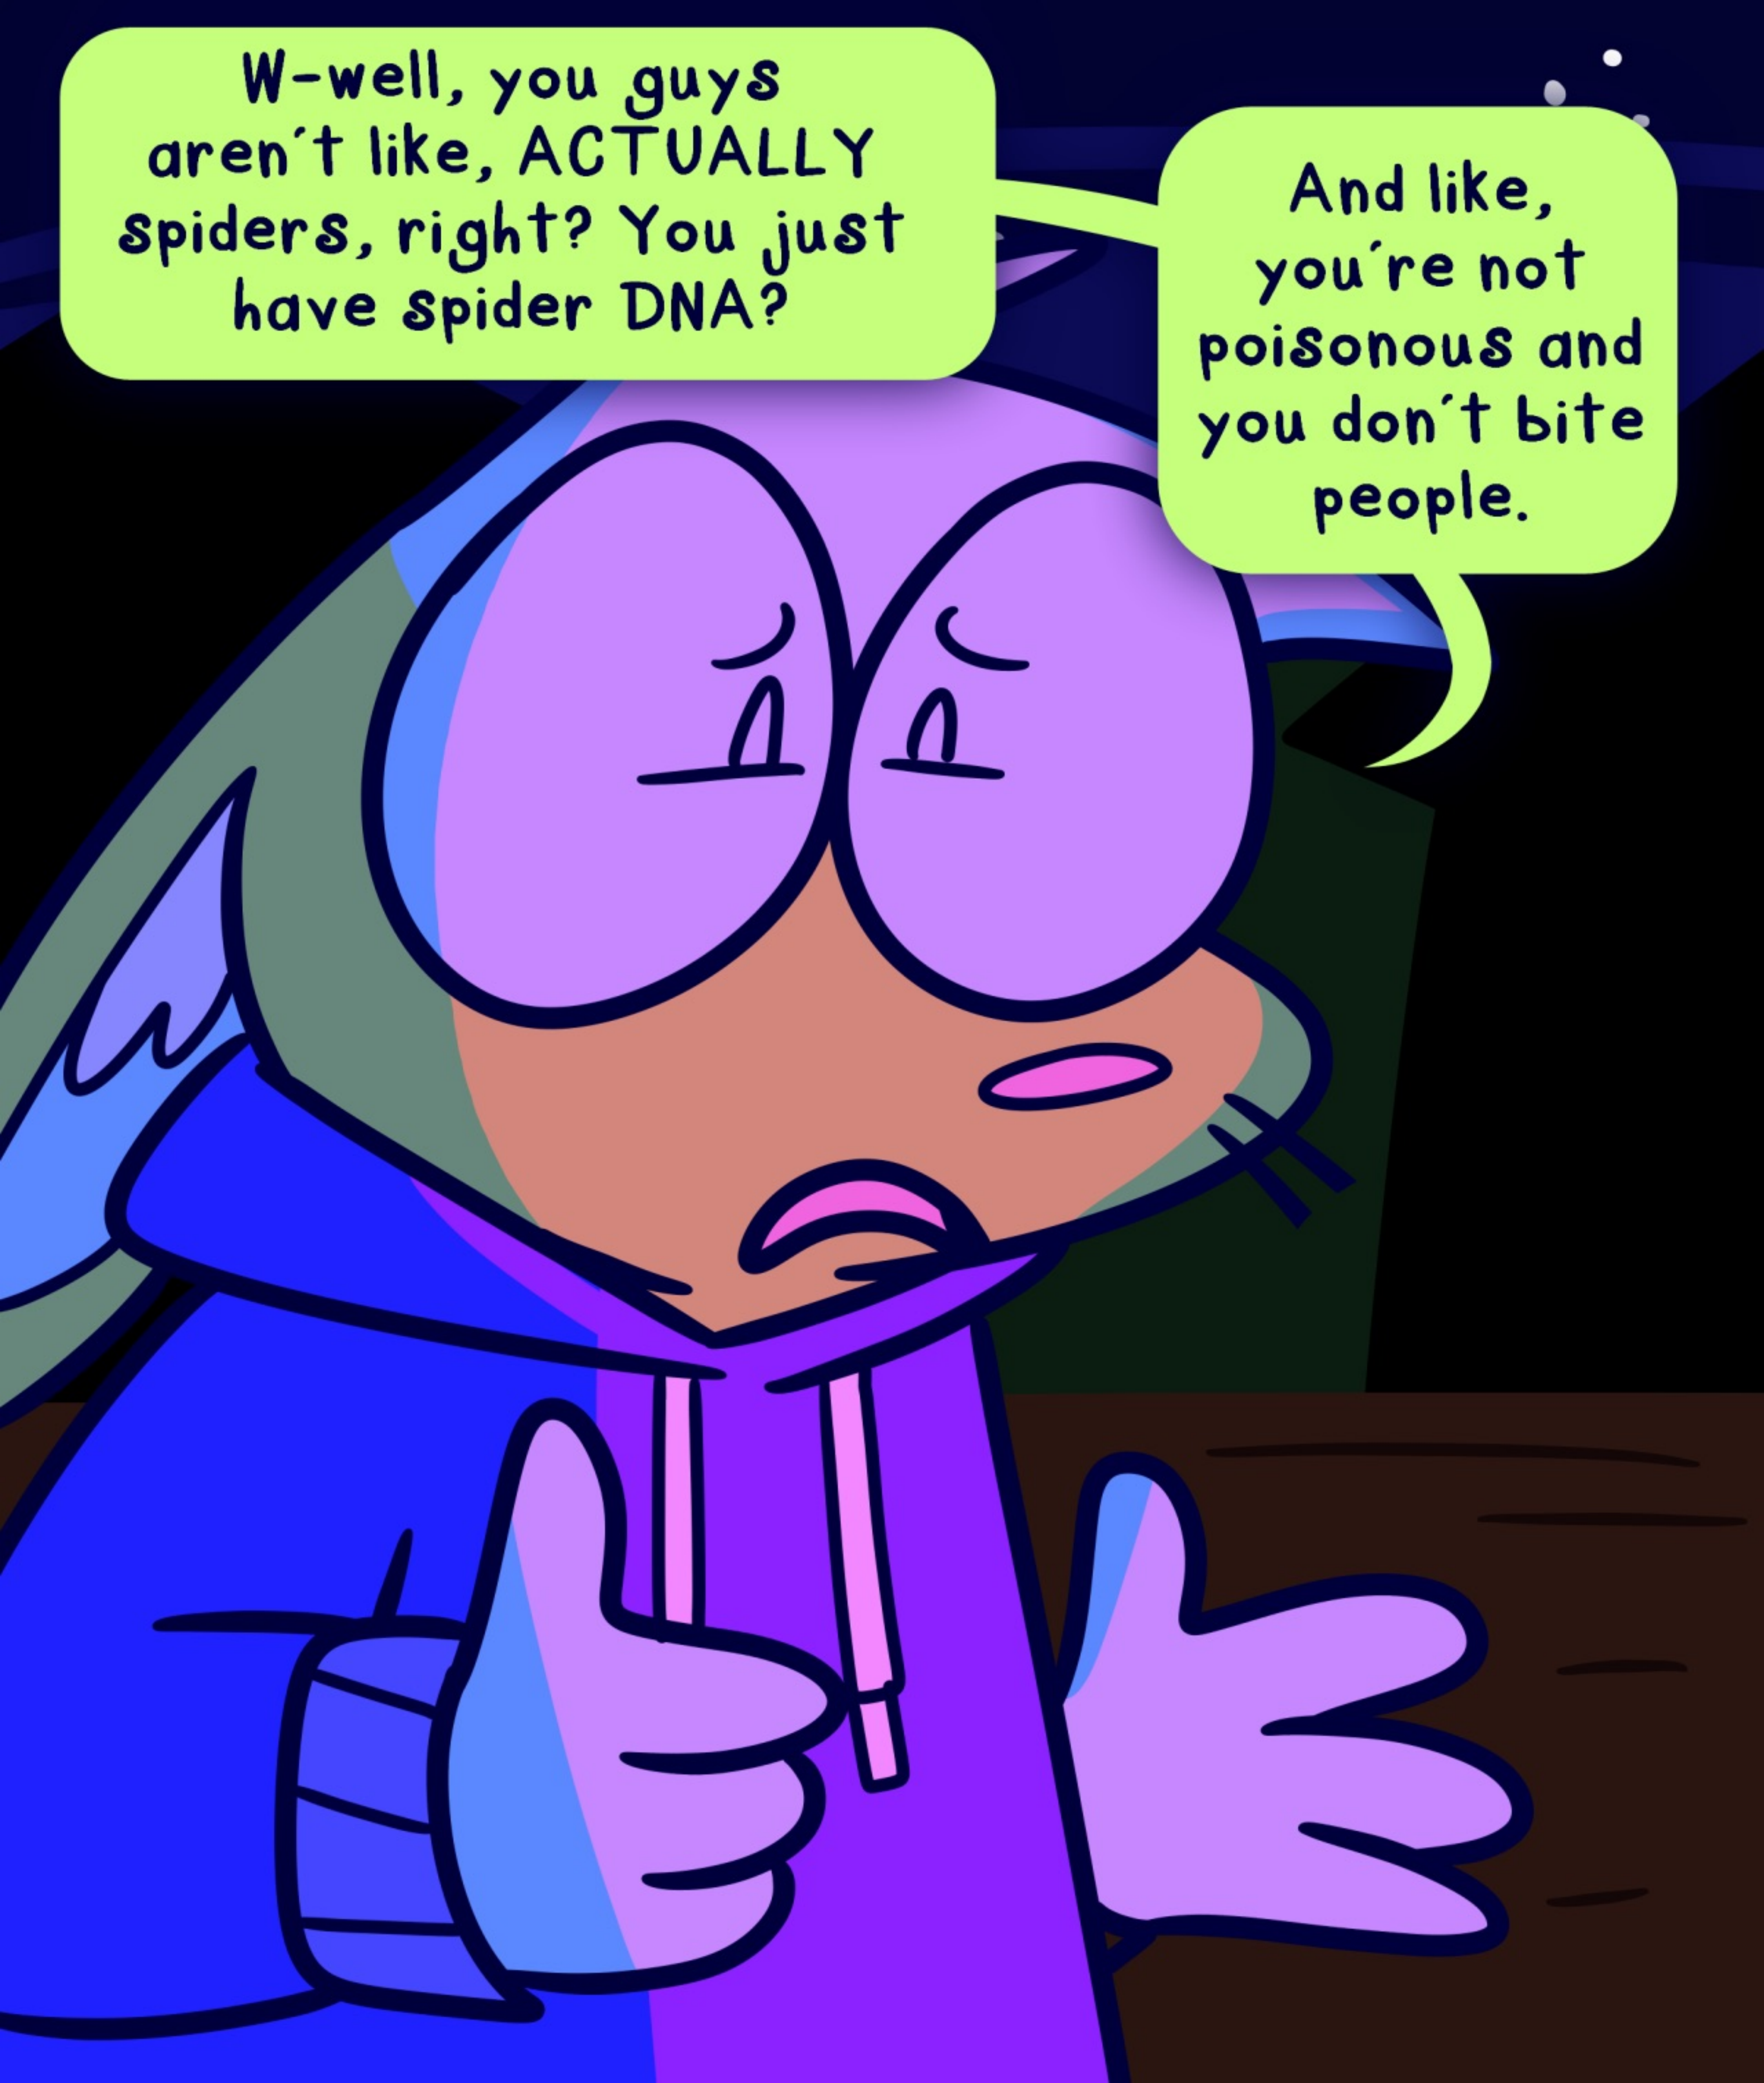
(W-WILL YOU SHUT UP?! Howie and I don't even do that!!!)
(Oh, I'm sorry, I didn't mean to over-estimate your abilities.)
(T-that has nothing to do with it!!!)



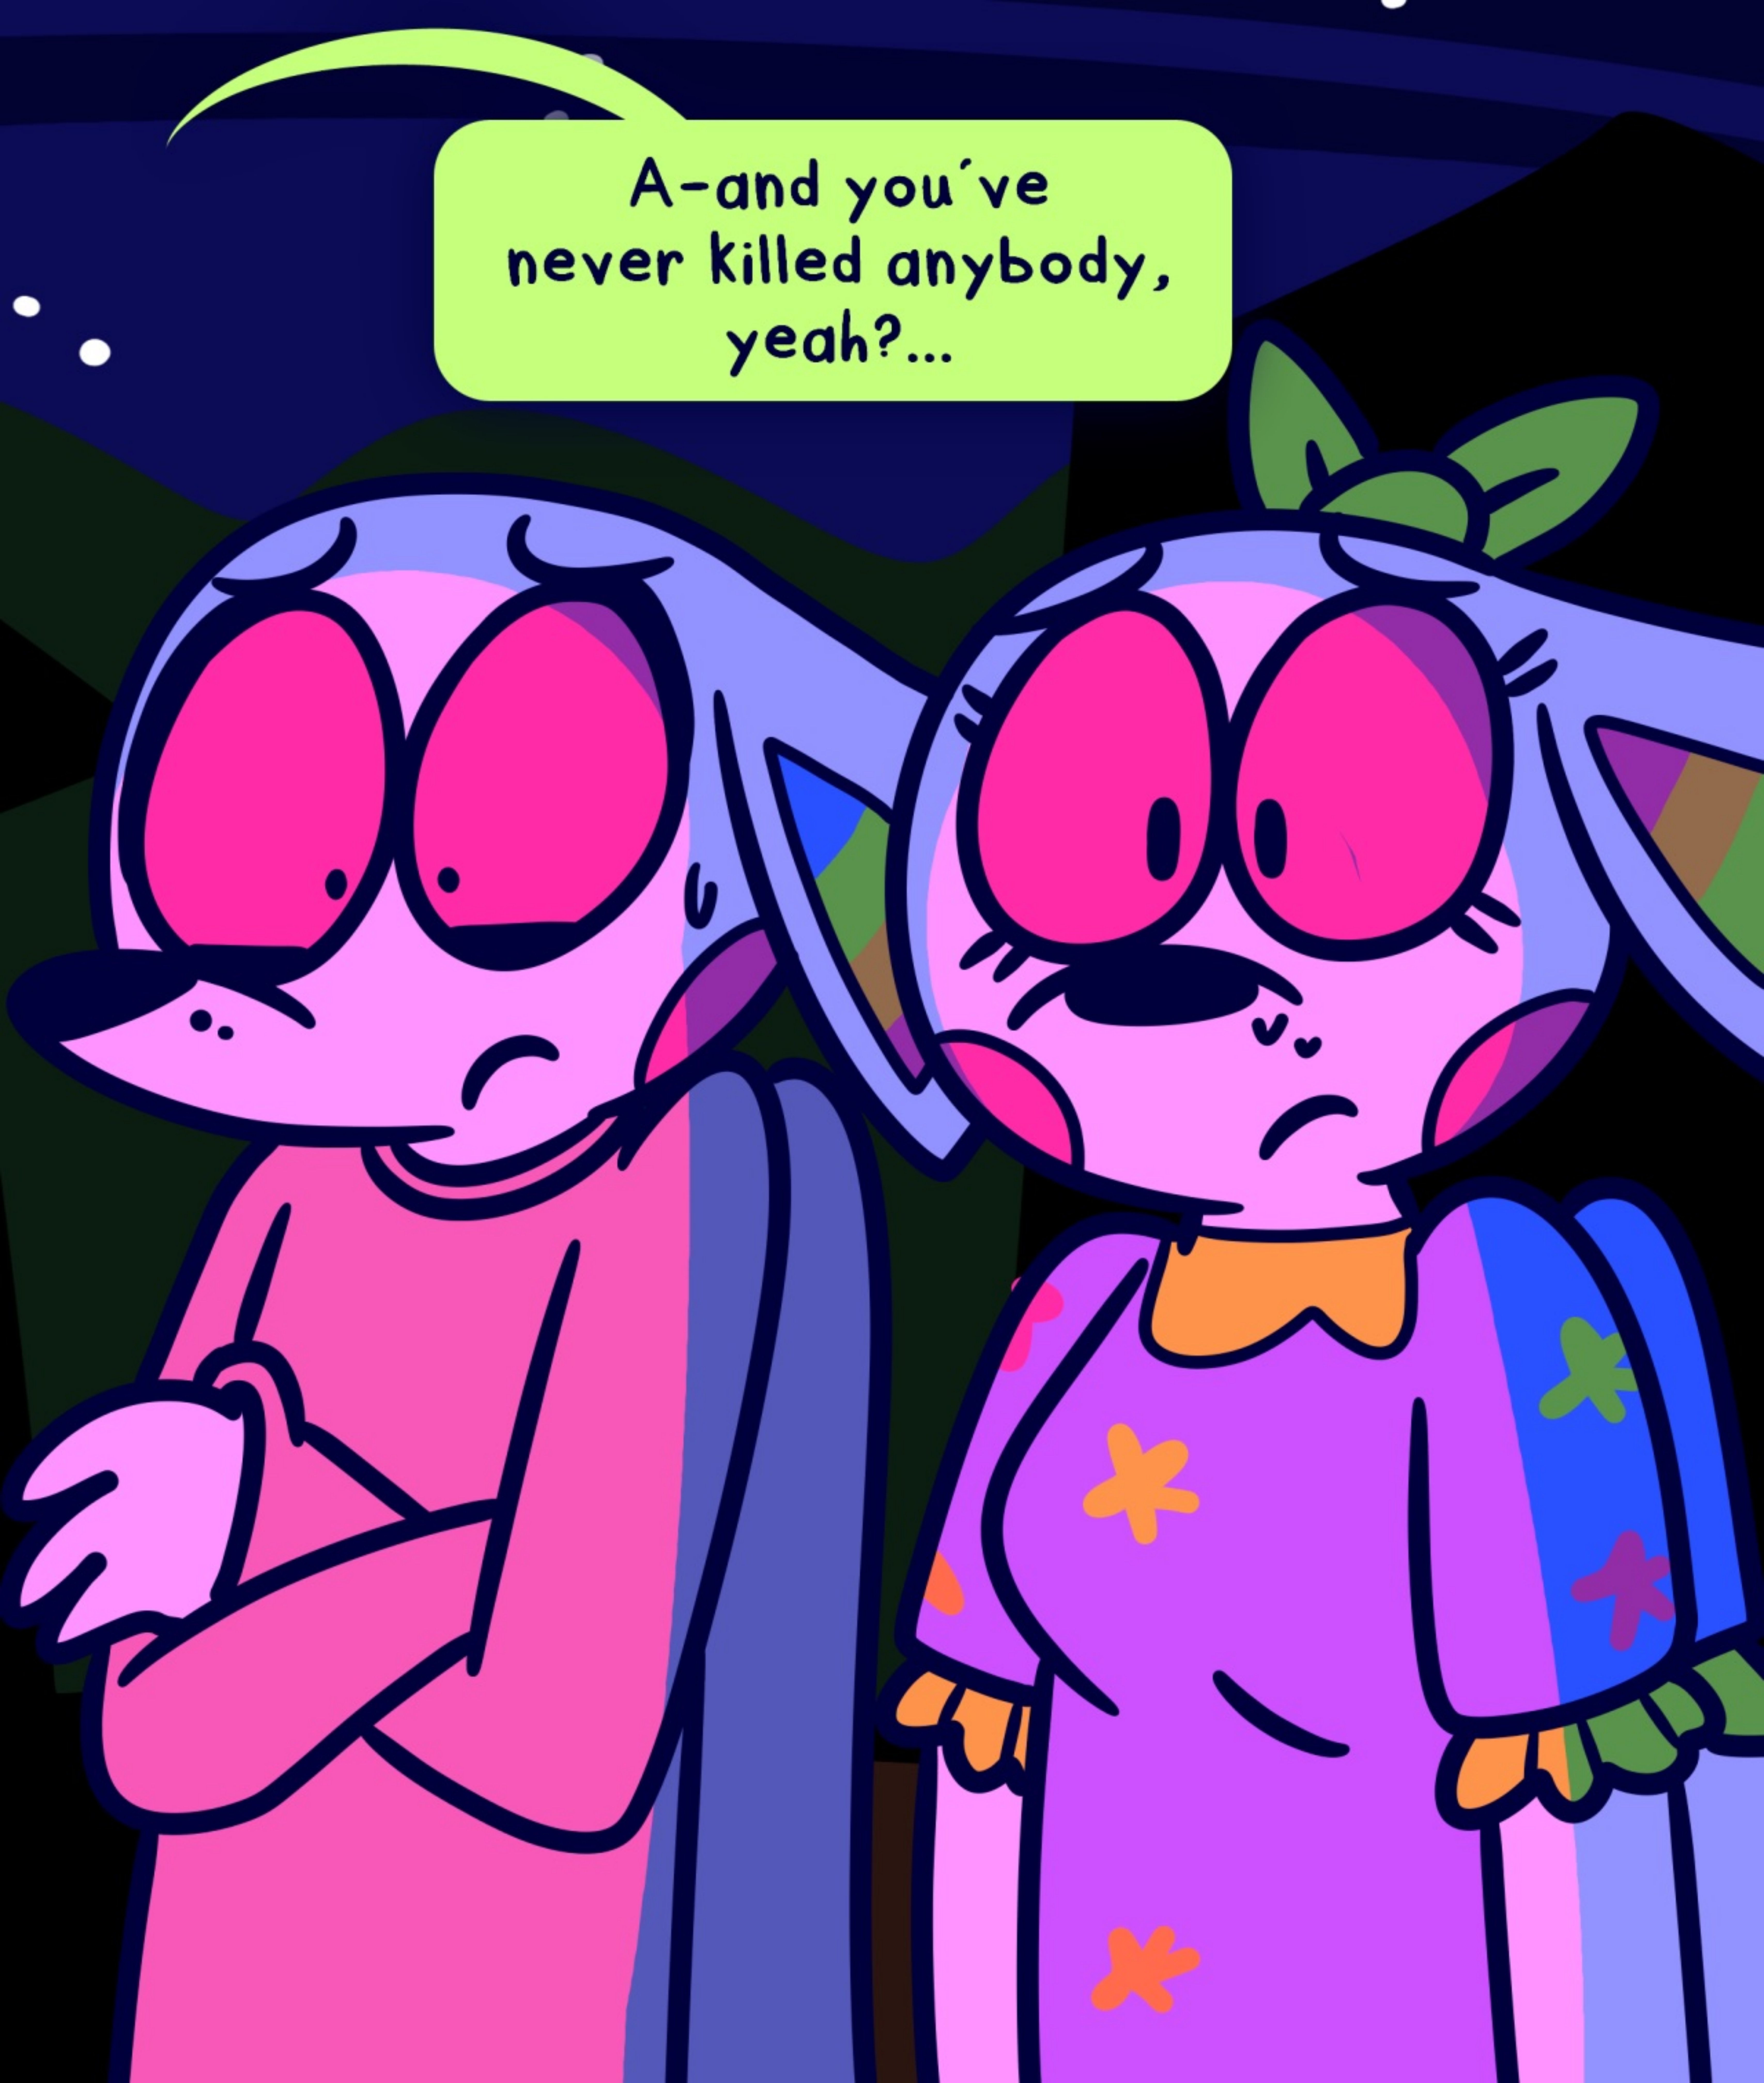
....ANYWAYS. I hate spiders. They're the worst bug ever.



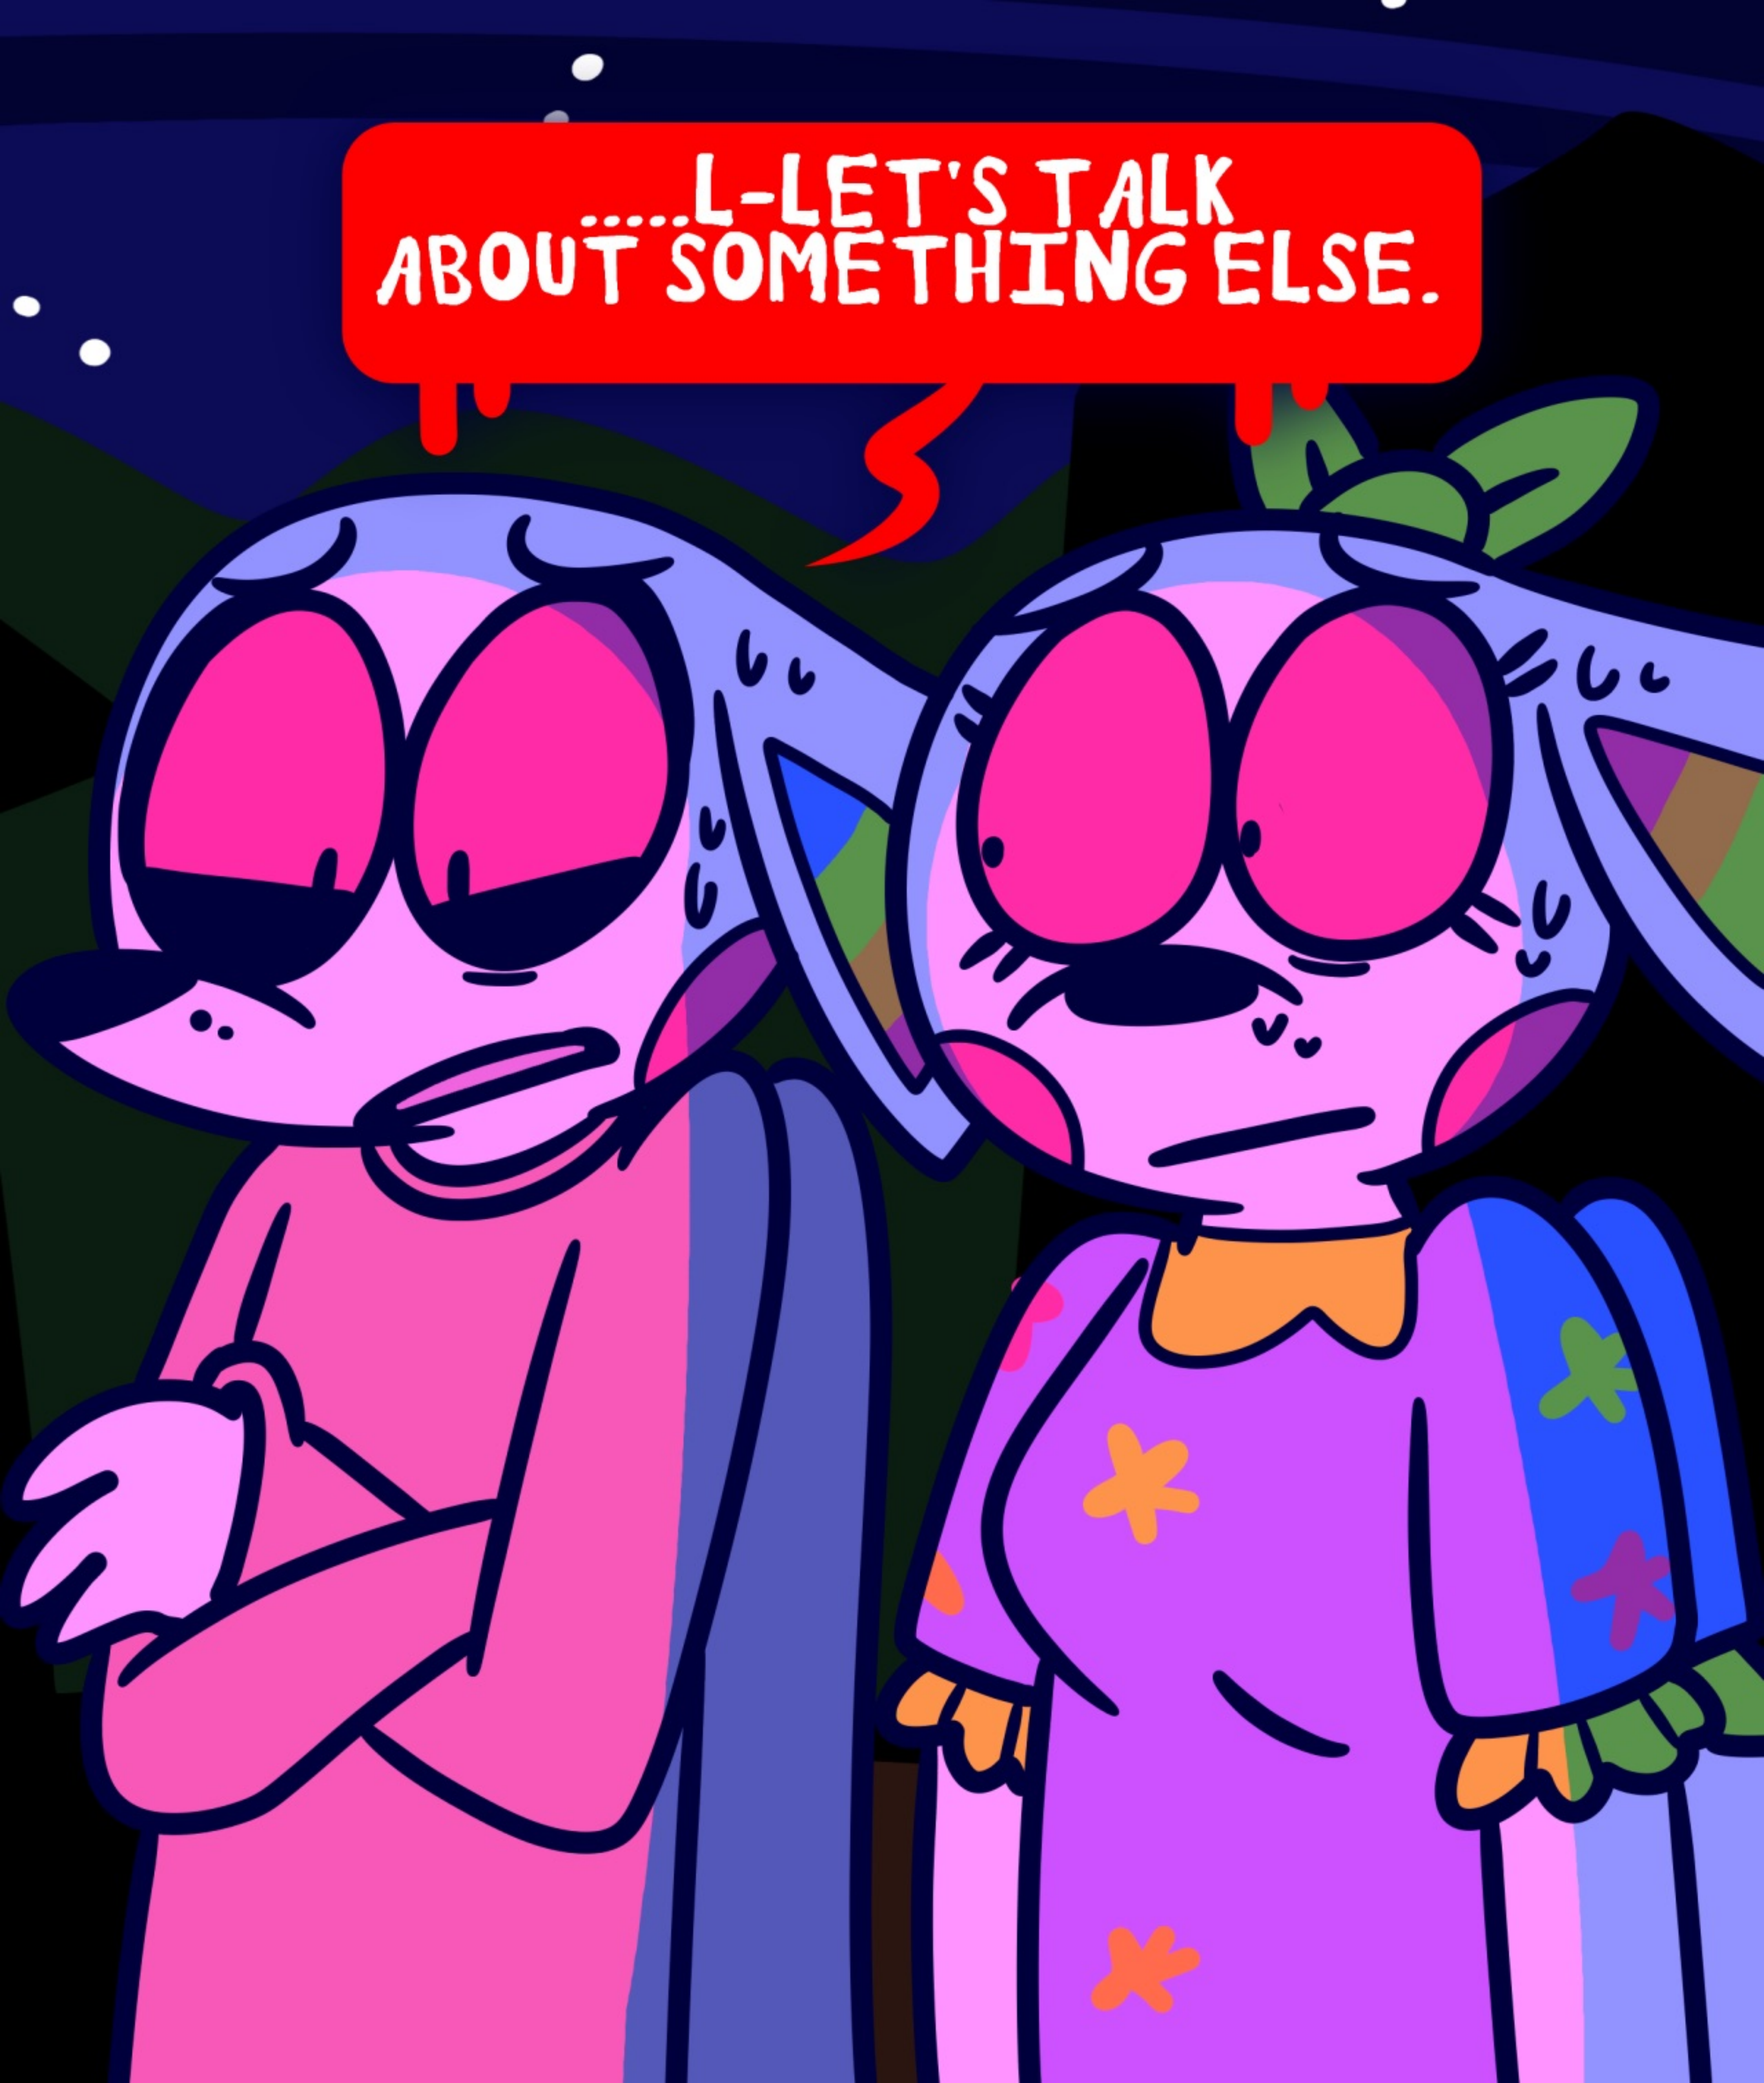
...N-NO OFFENSE.



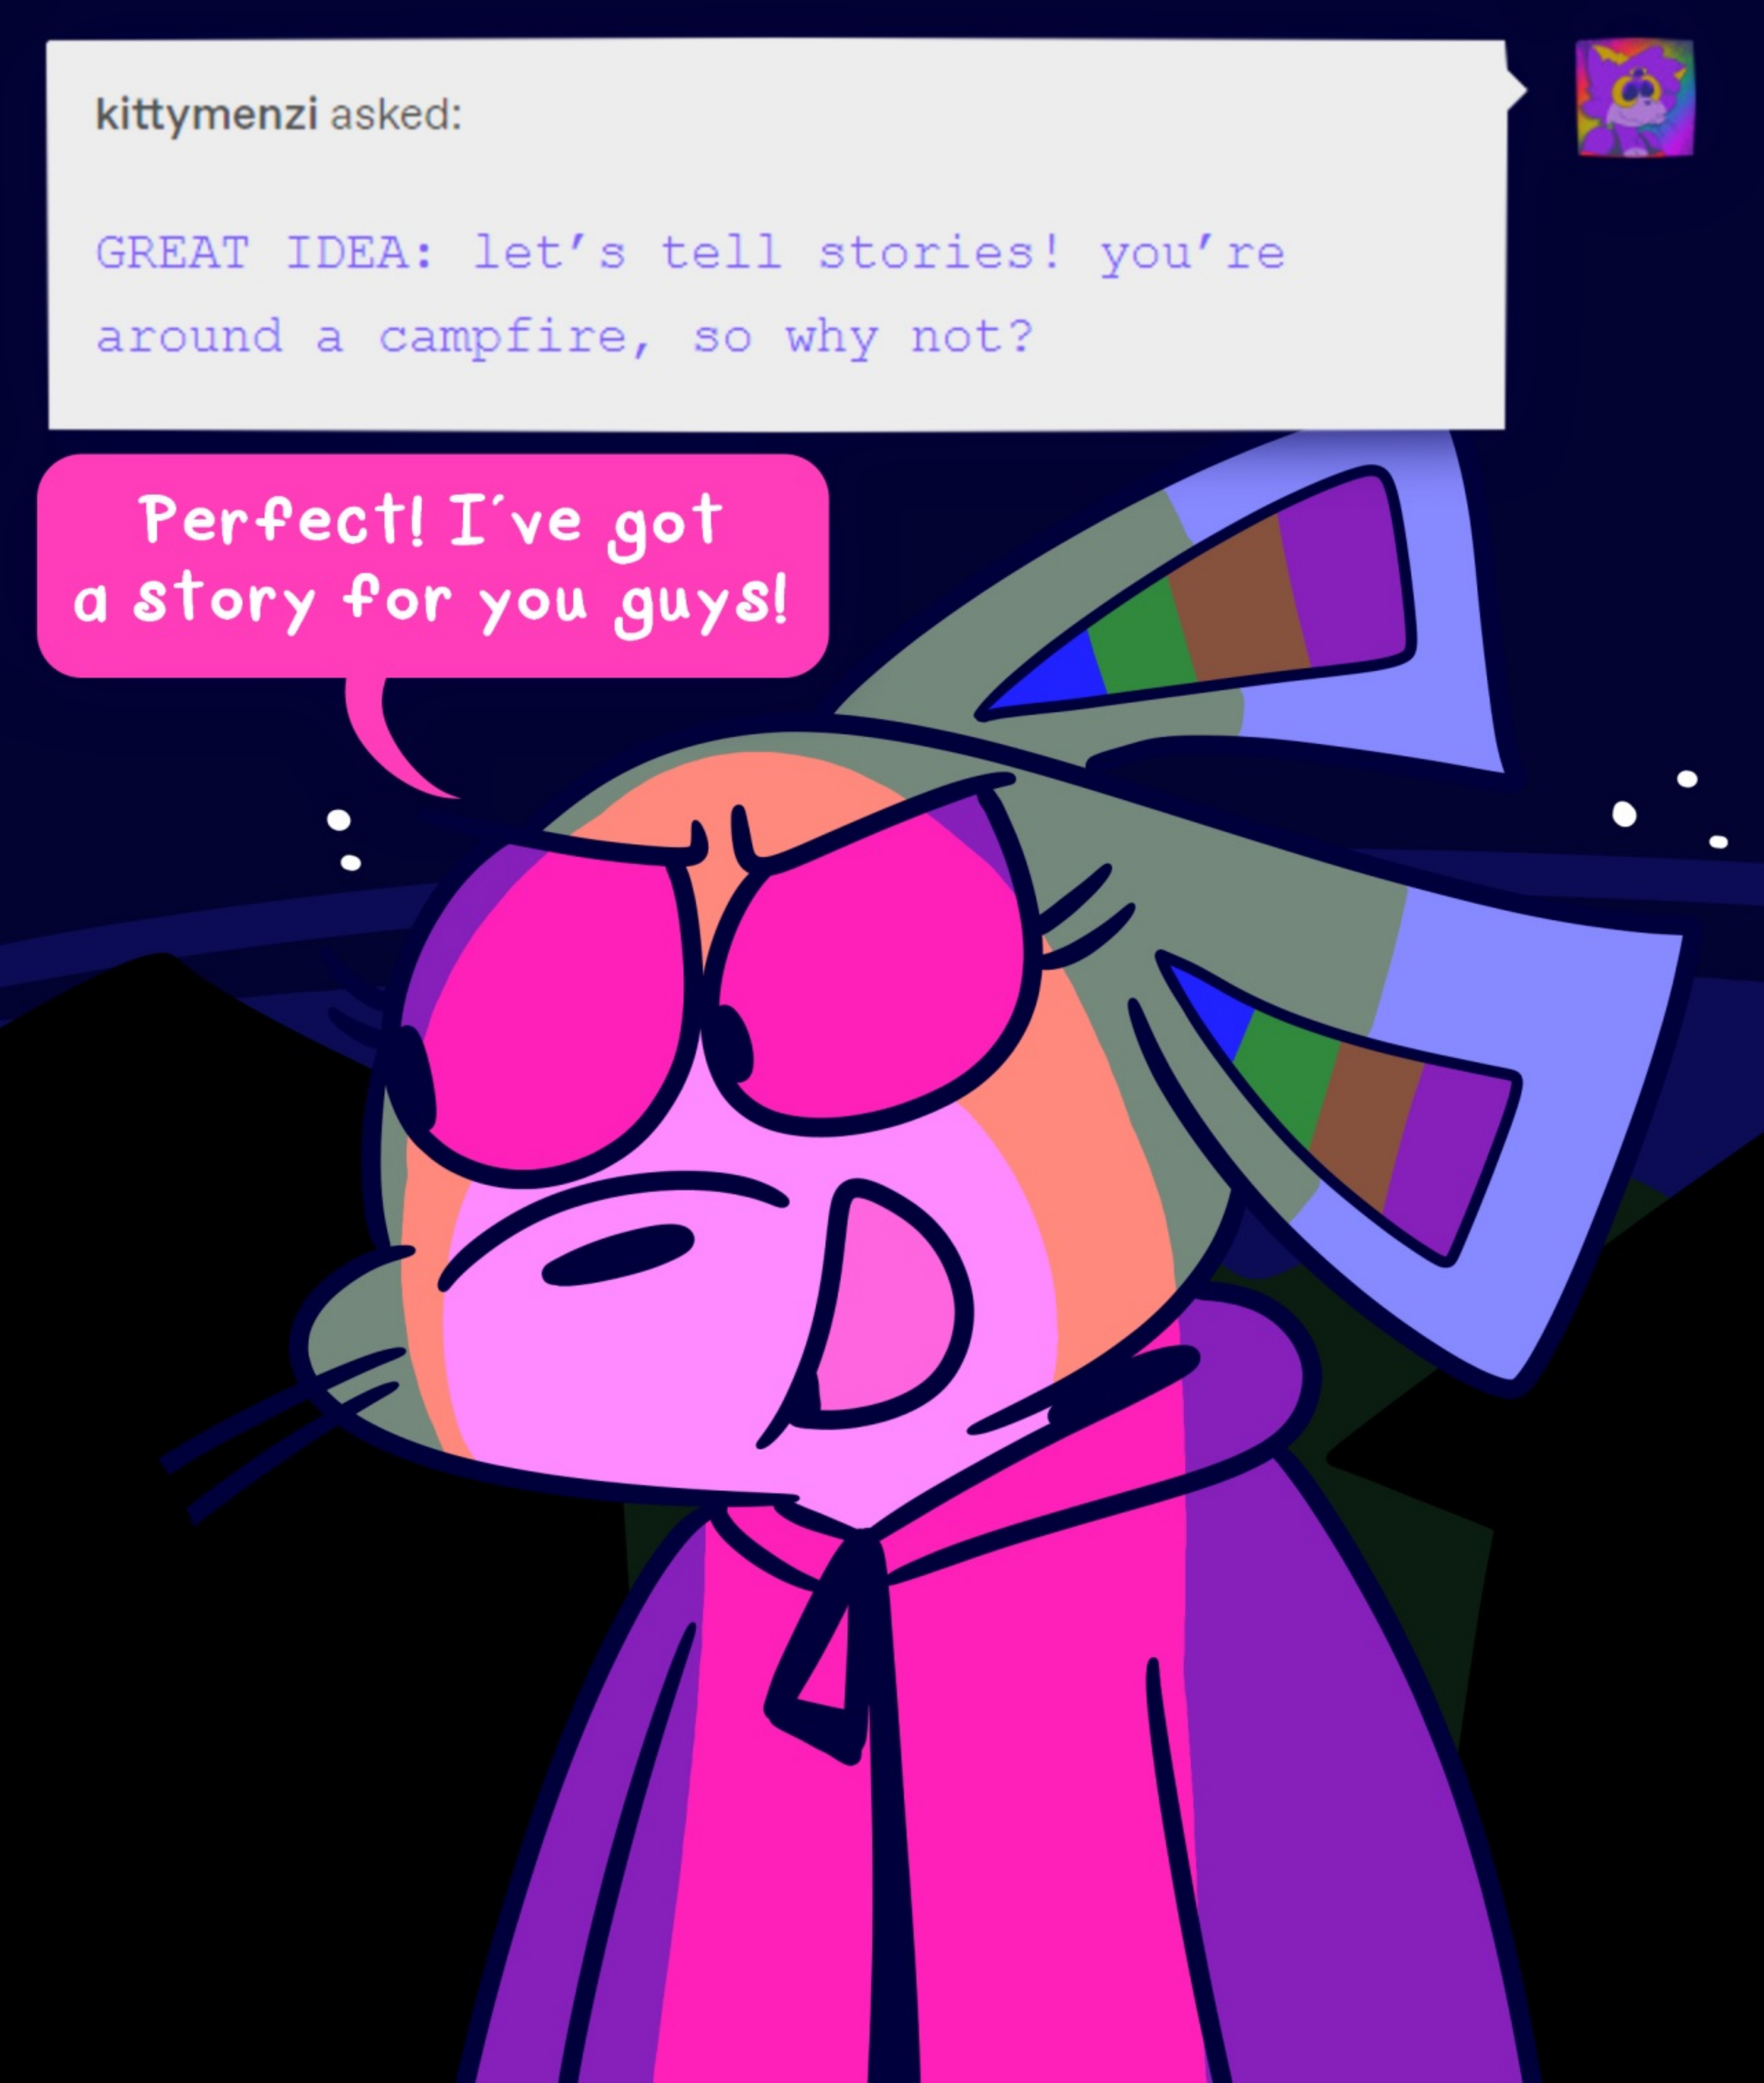
W-well, you guys aren't like, ACTUALLY spiders, right? You just have spider DNA?
And like, you're not poisonous and you don't bite people.



A-and you´ve never killed anybody, yeah?...



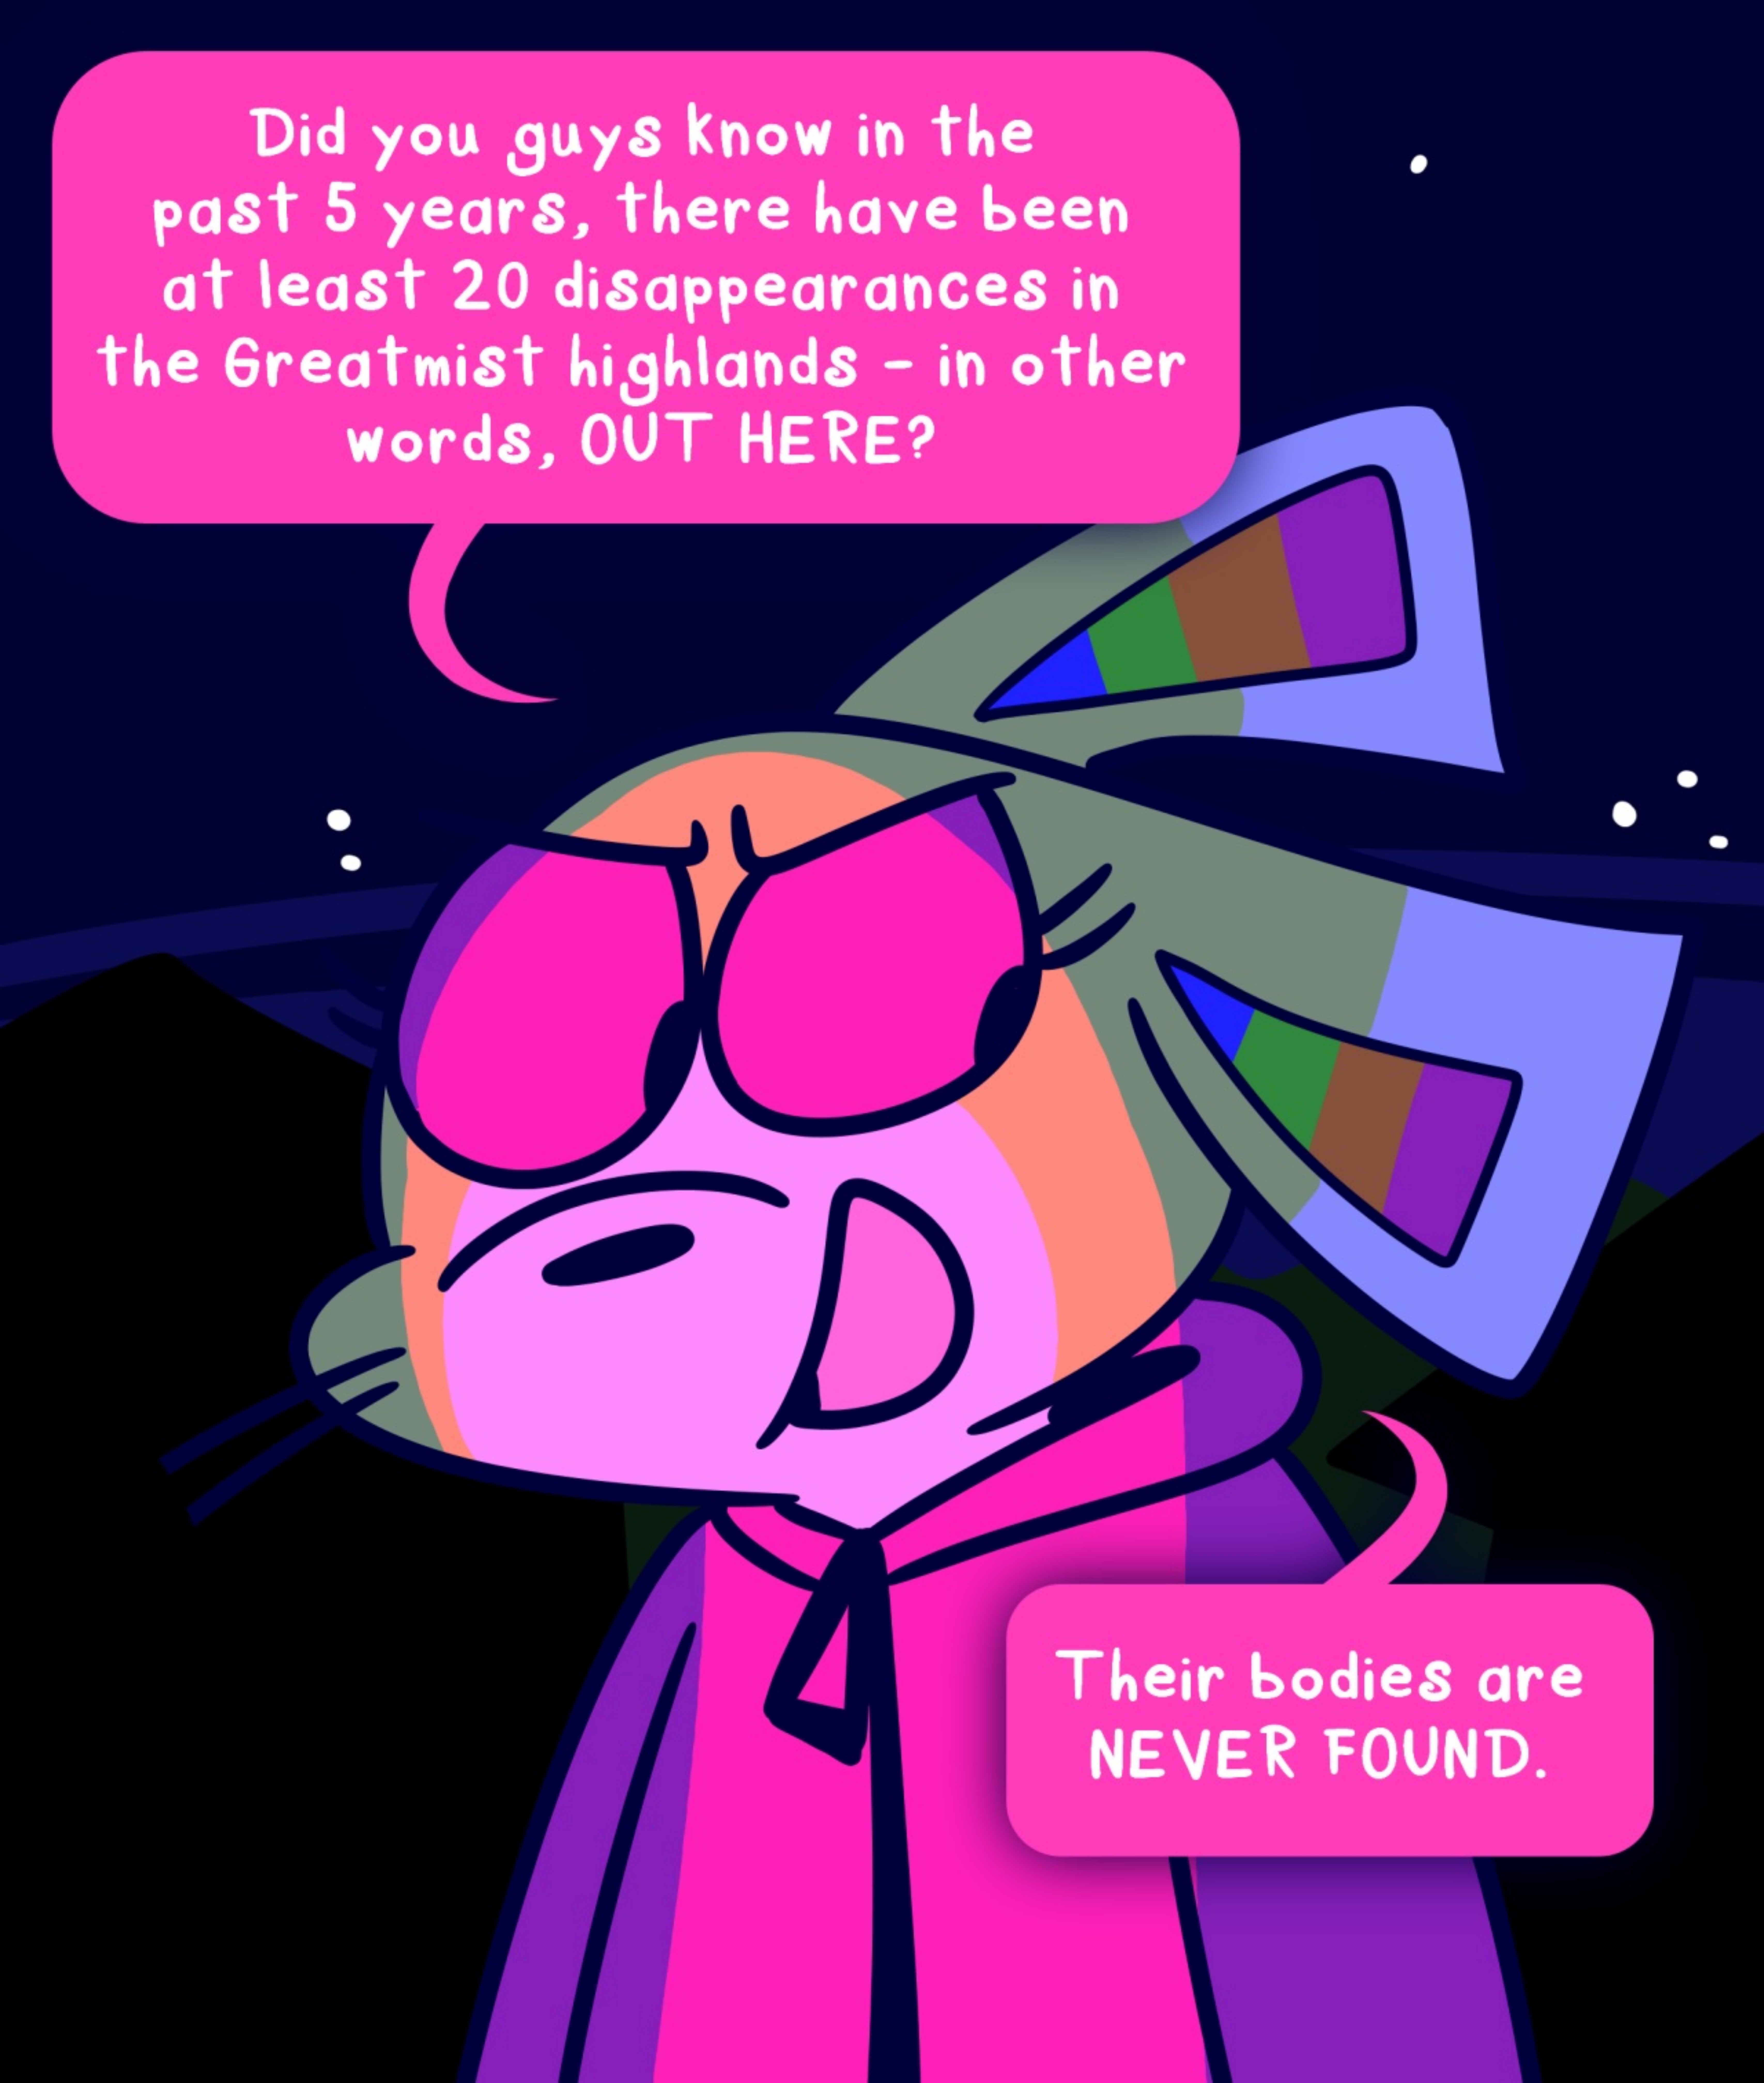
.....L-LET'S TALK ABOUT SOMETHING ELSE.



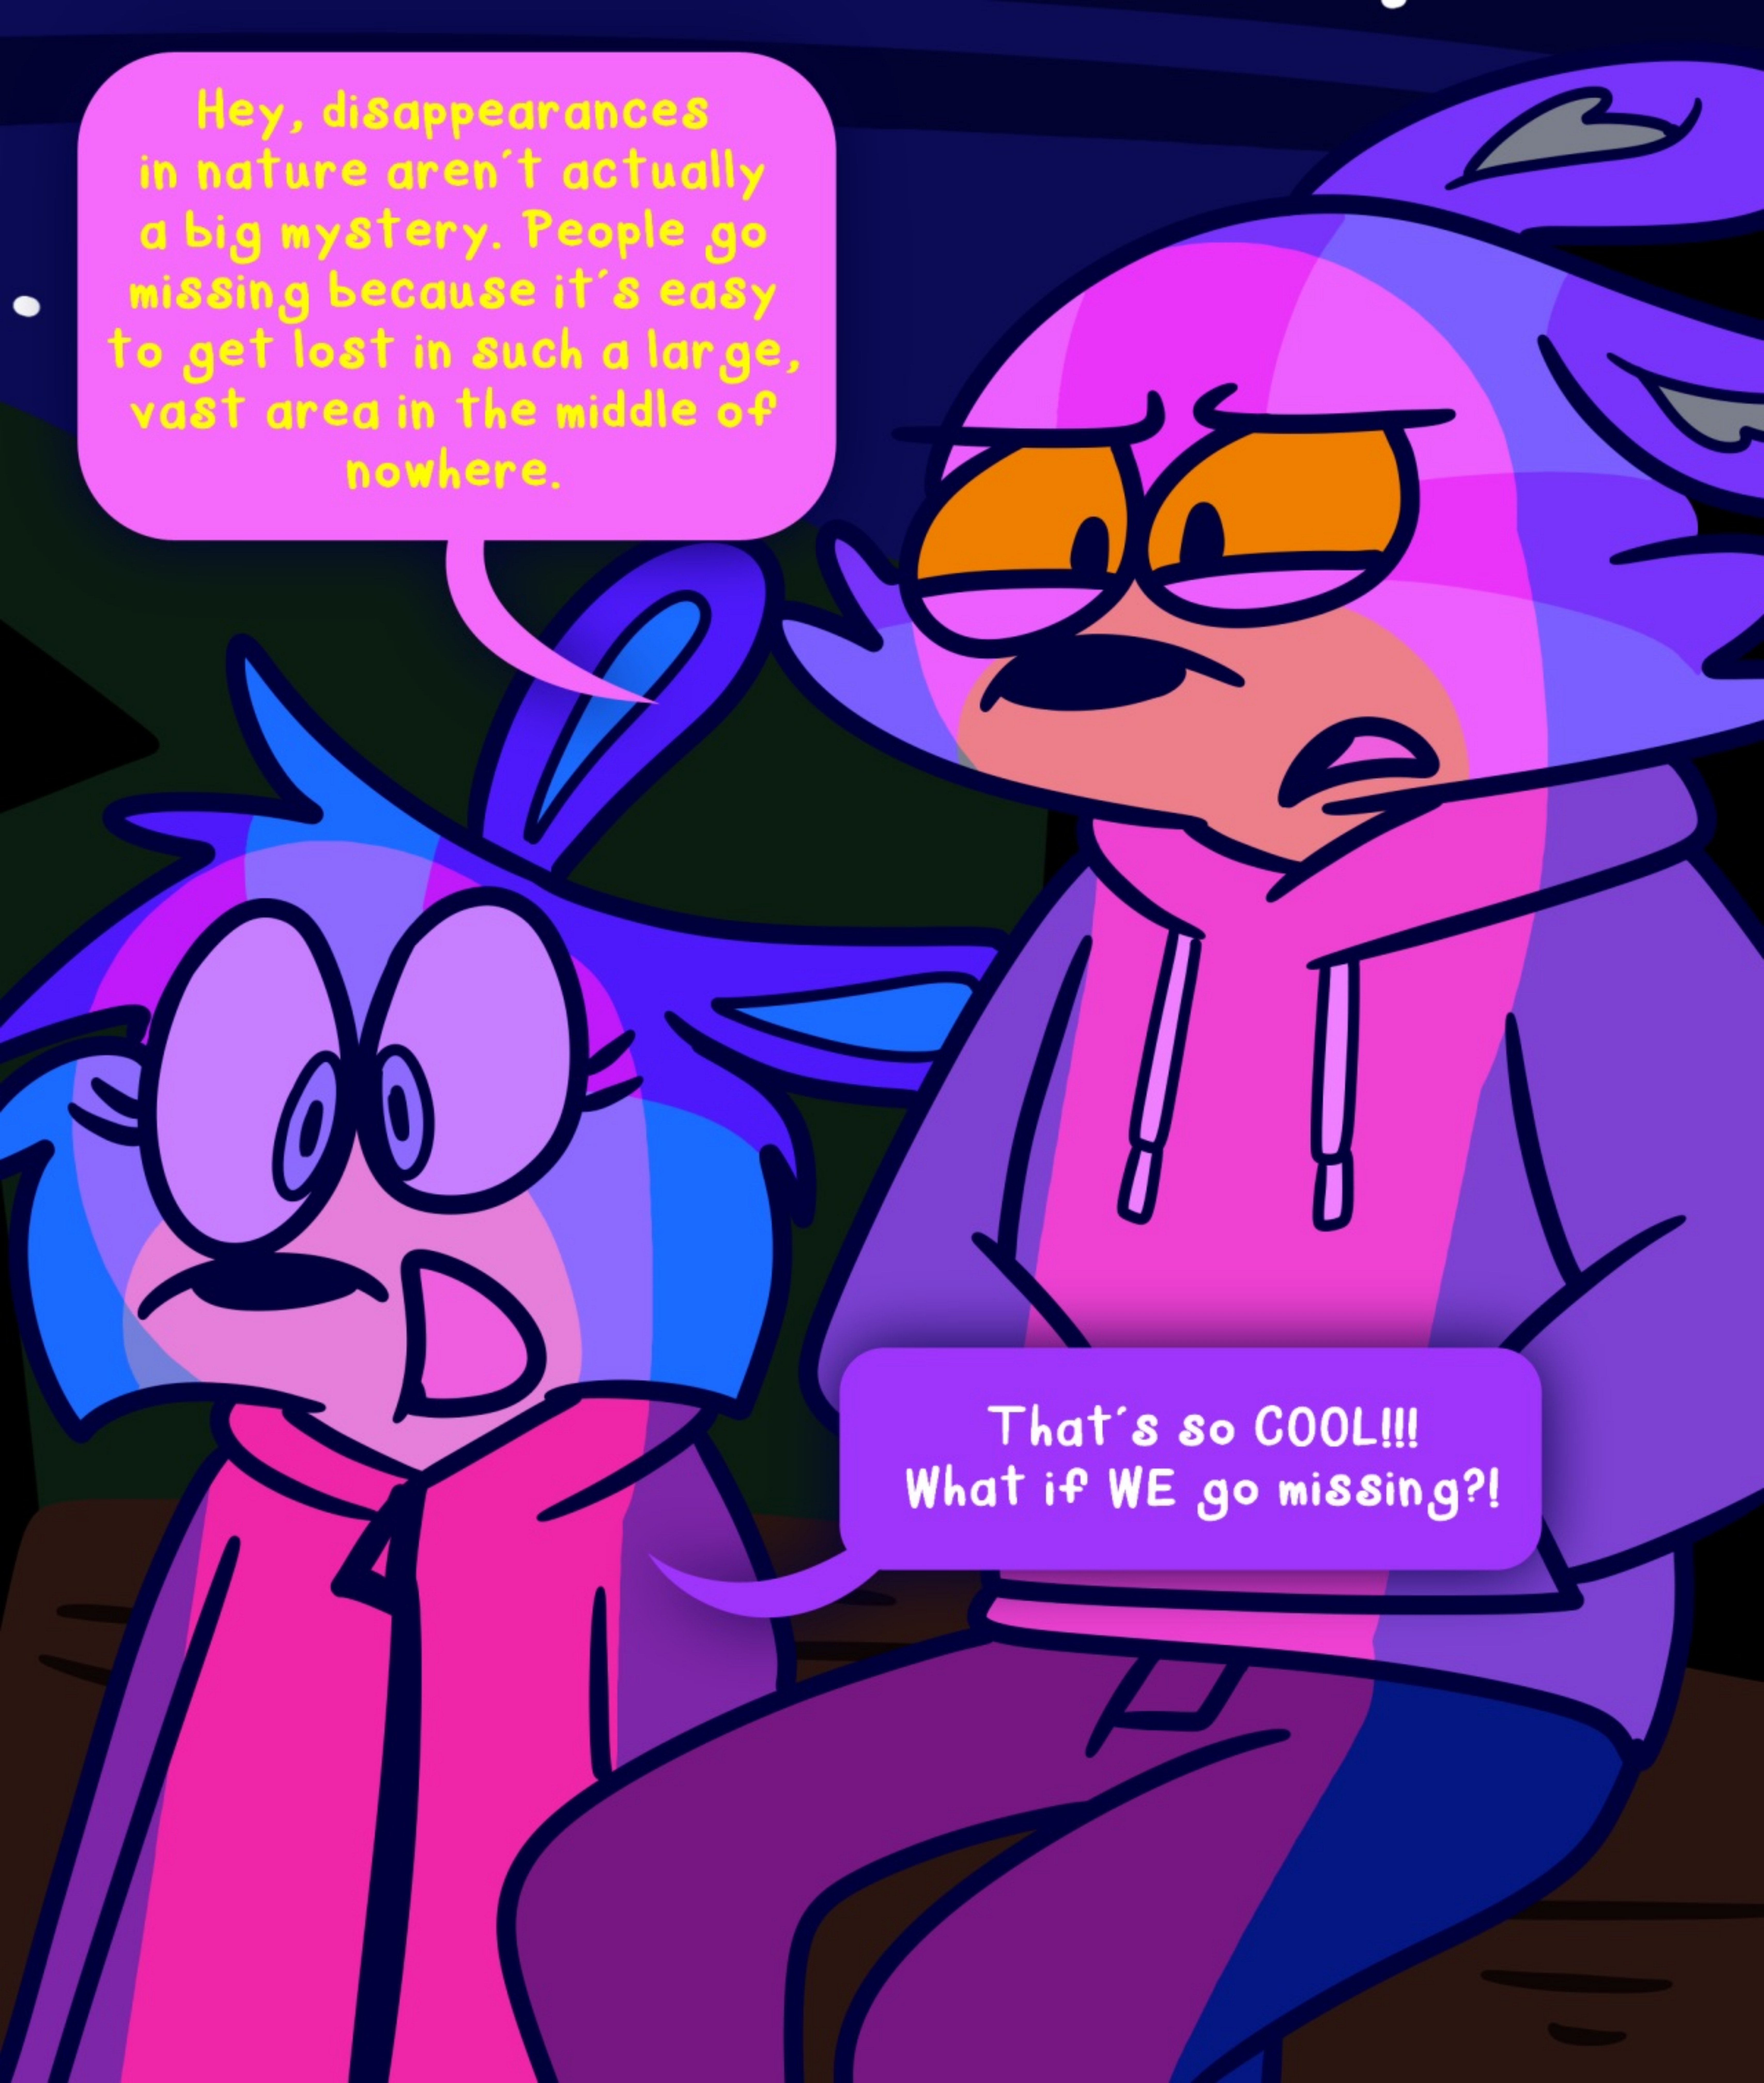
kittymenzi asked:

GREAT IDEA: let's tell stories! you're around a campfire, so why not?

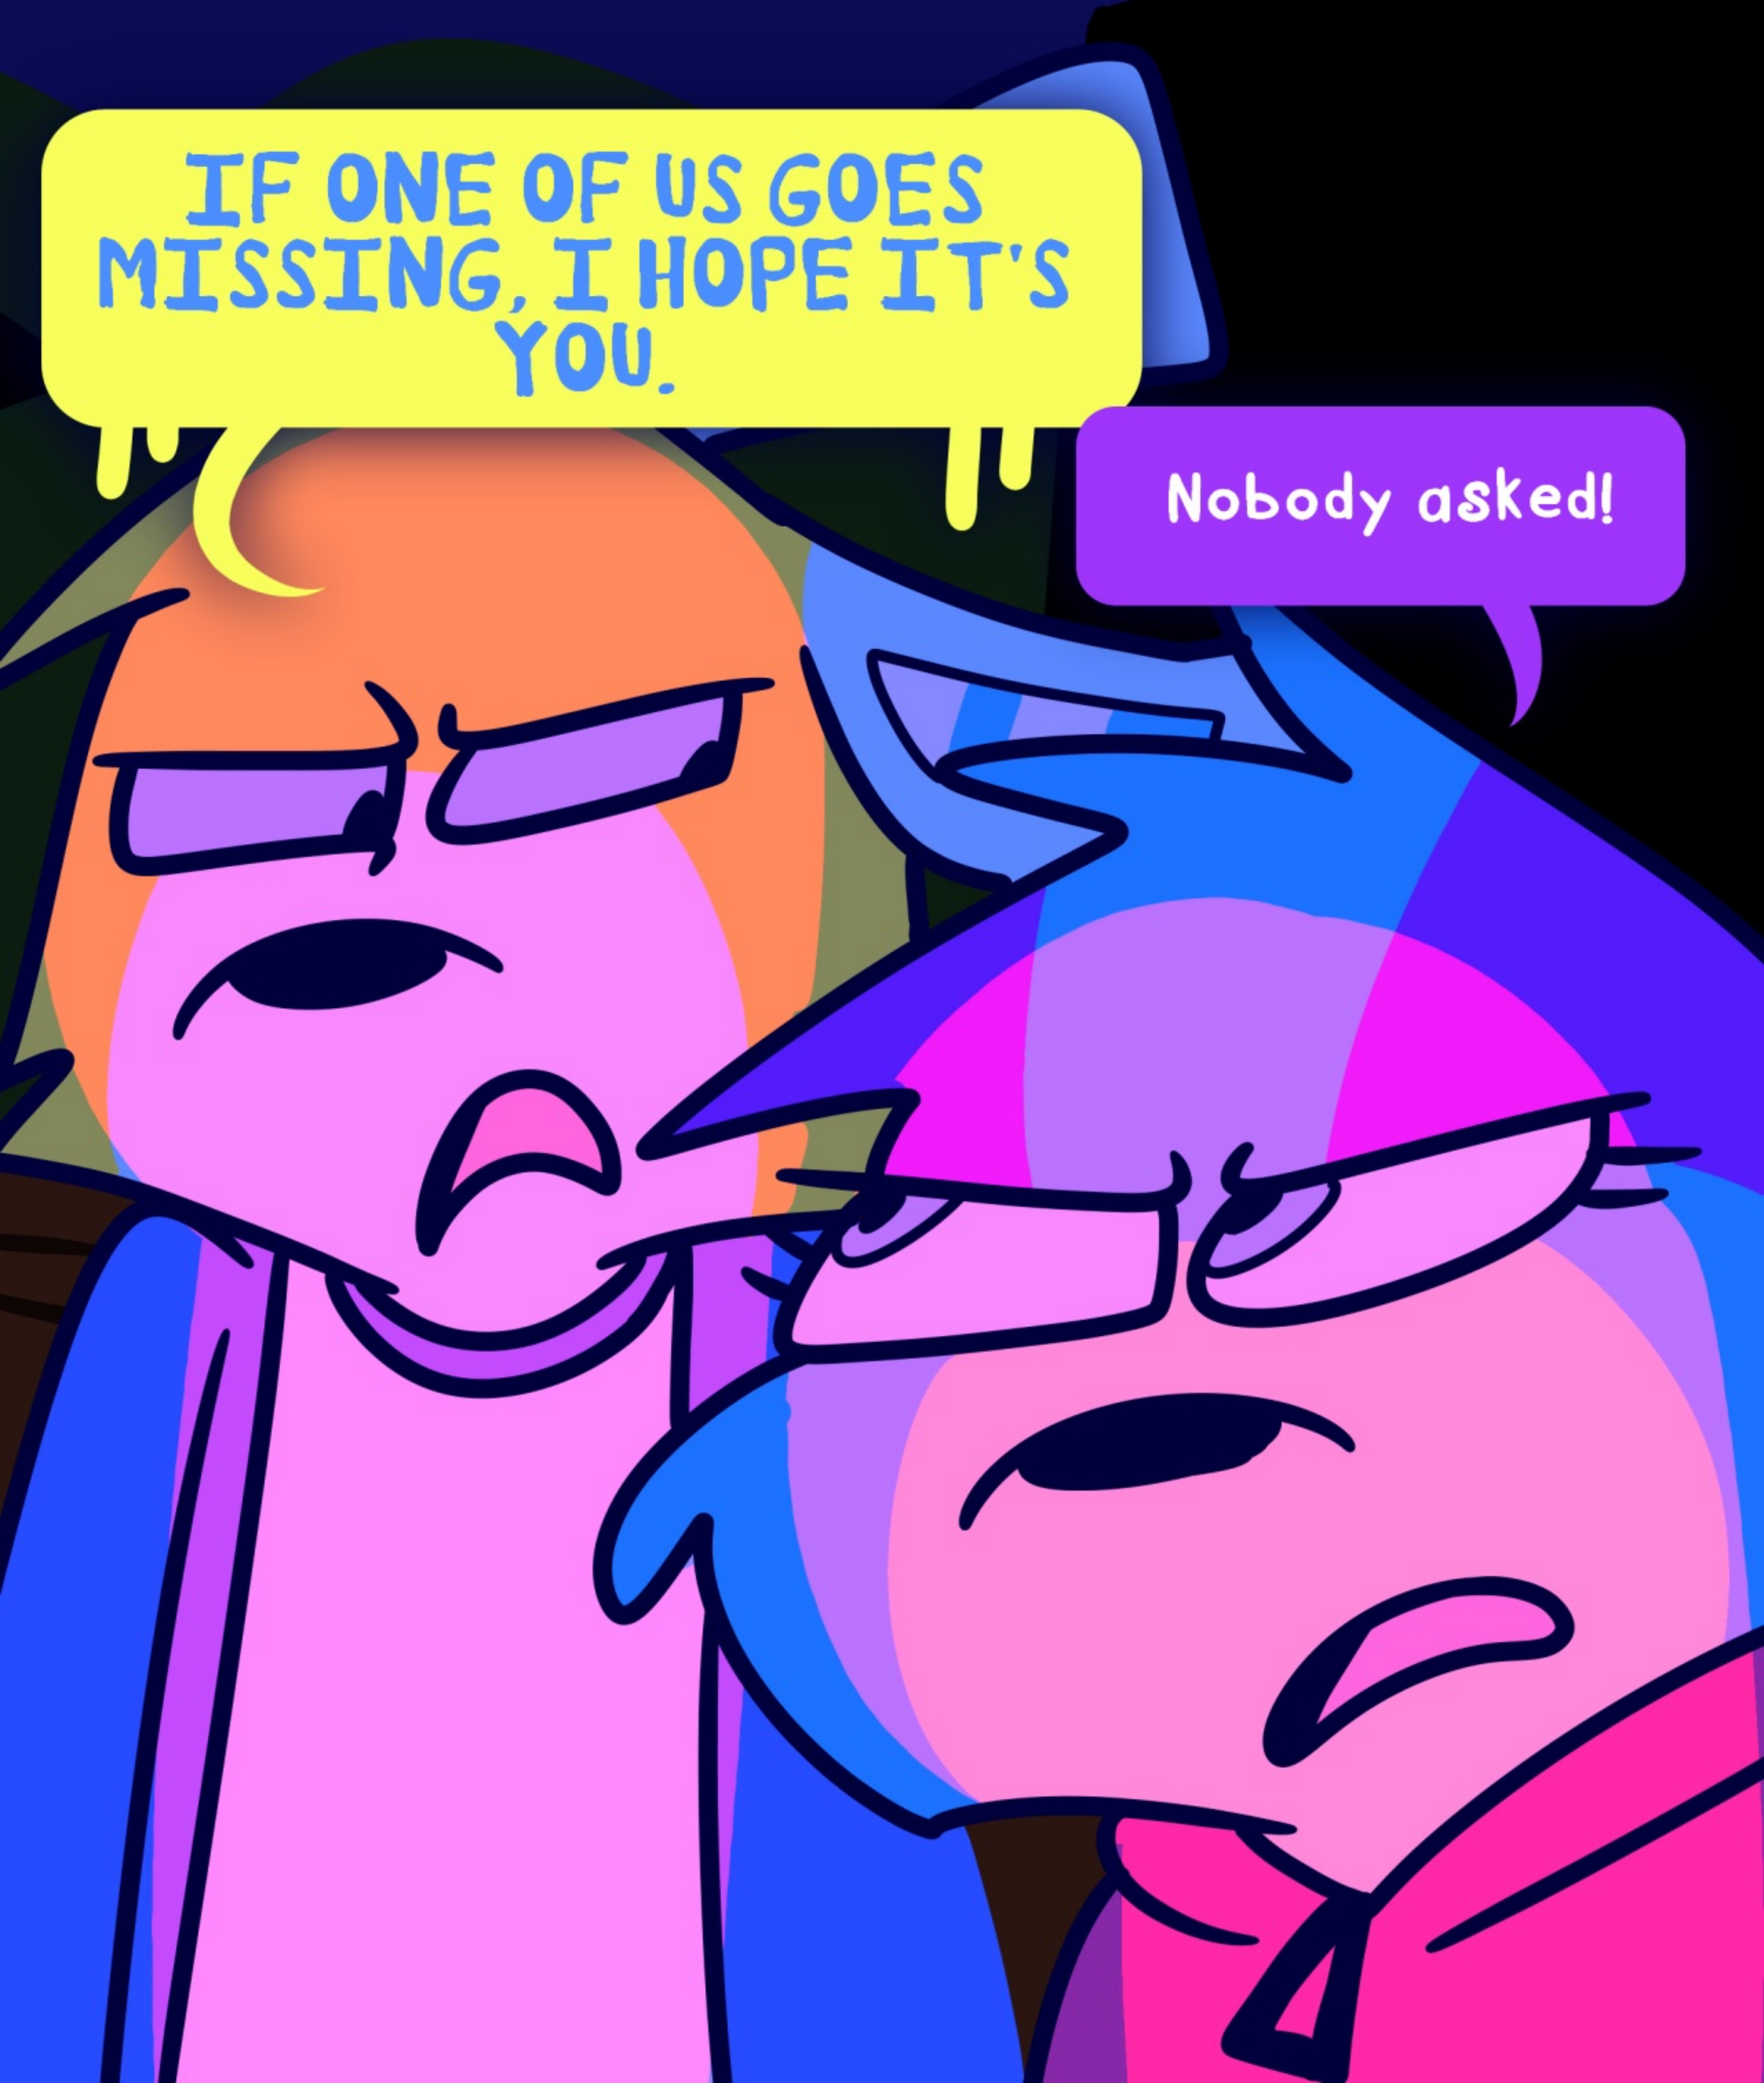
Perfect! I've got a story for you guys!



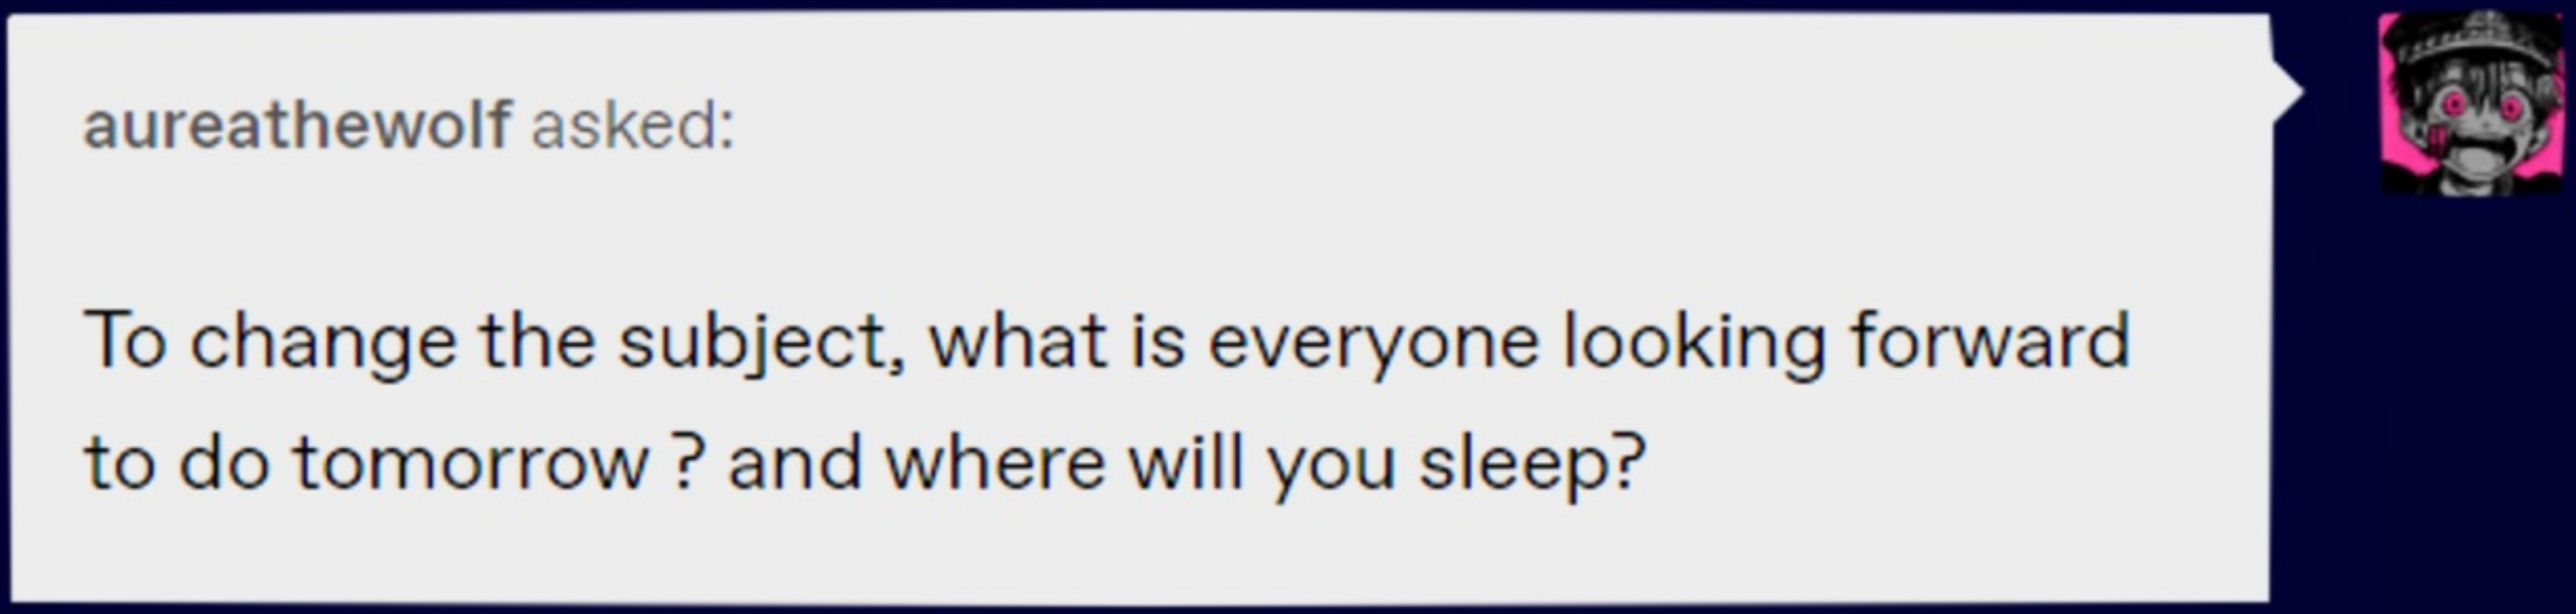
Did you guys know in the past 5 years, there have been at least 20 disappearances in the Greatmist highlands - in other words, OUT HERE?
Their bodies are NEVER FOUND.



Hey, disappearances in nature aren´t actually a big mystery. People go missing because it´s easy to get lost in such a large, vast area in the middle of nowhere.
That´s so COOL!!! What if WE go missing?!

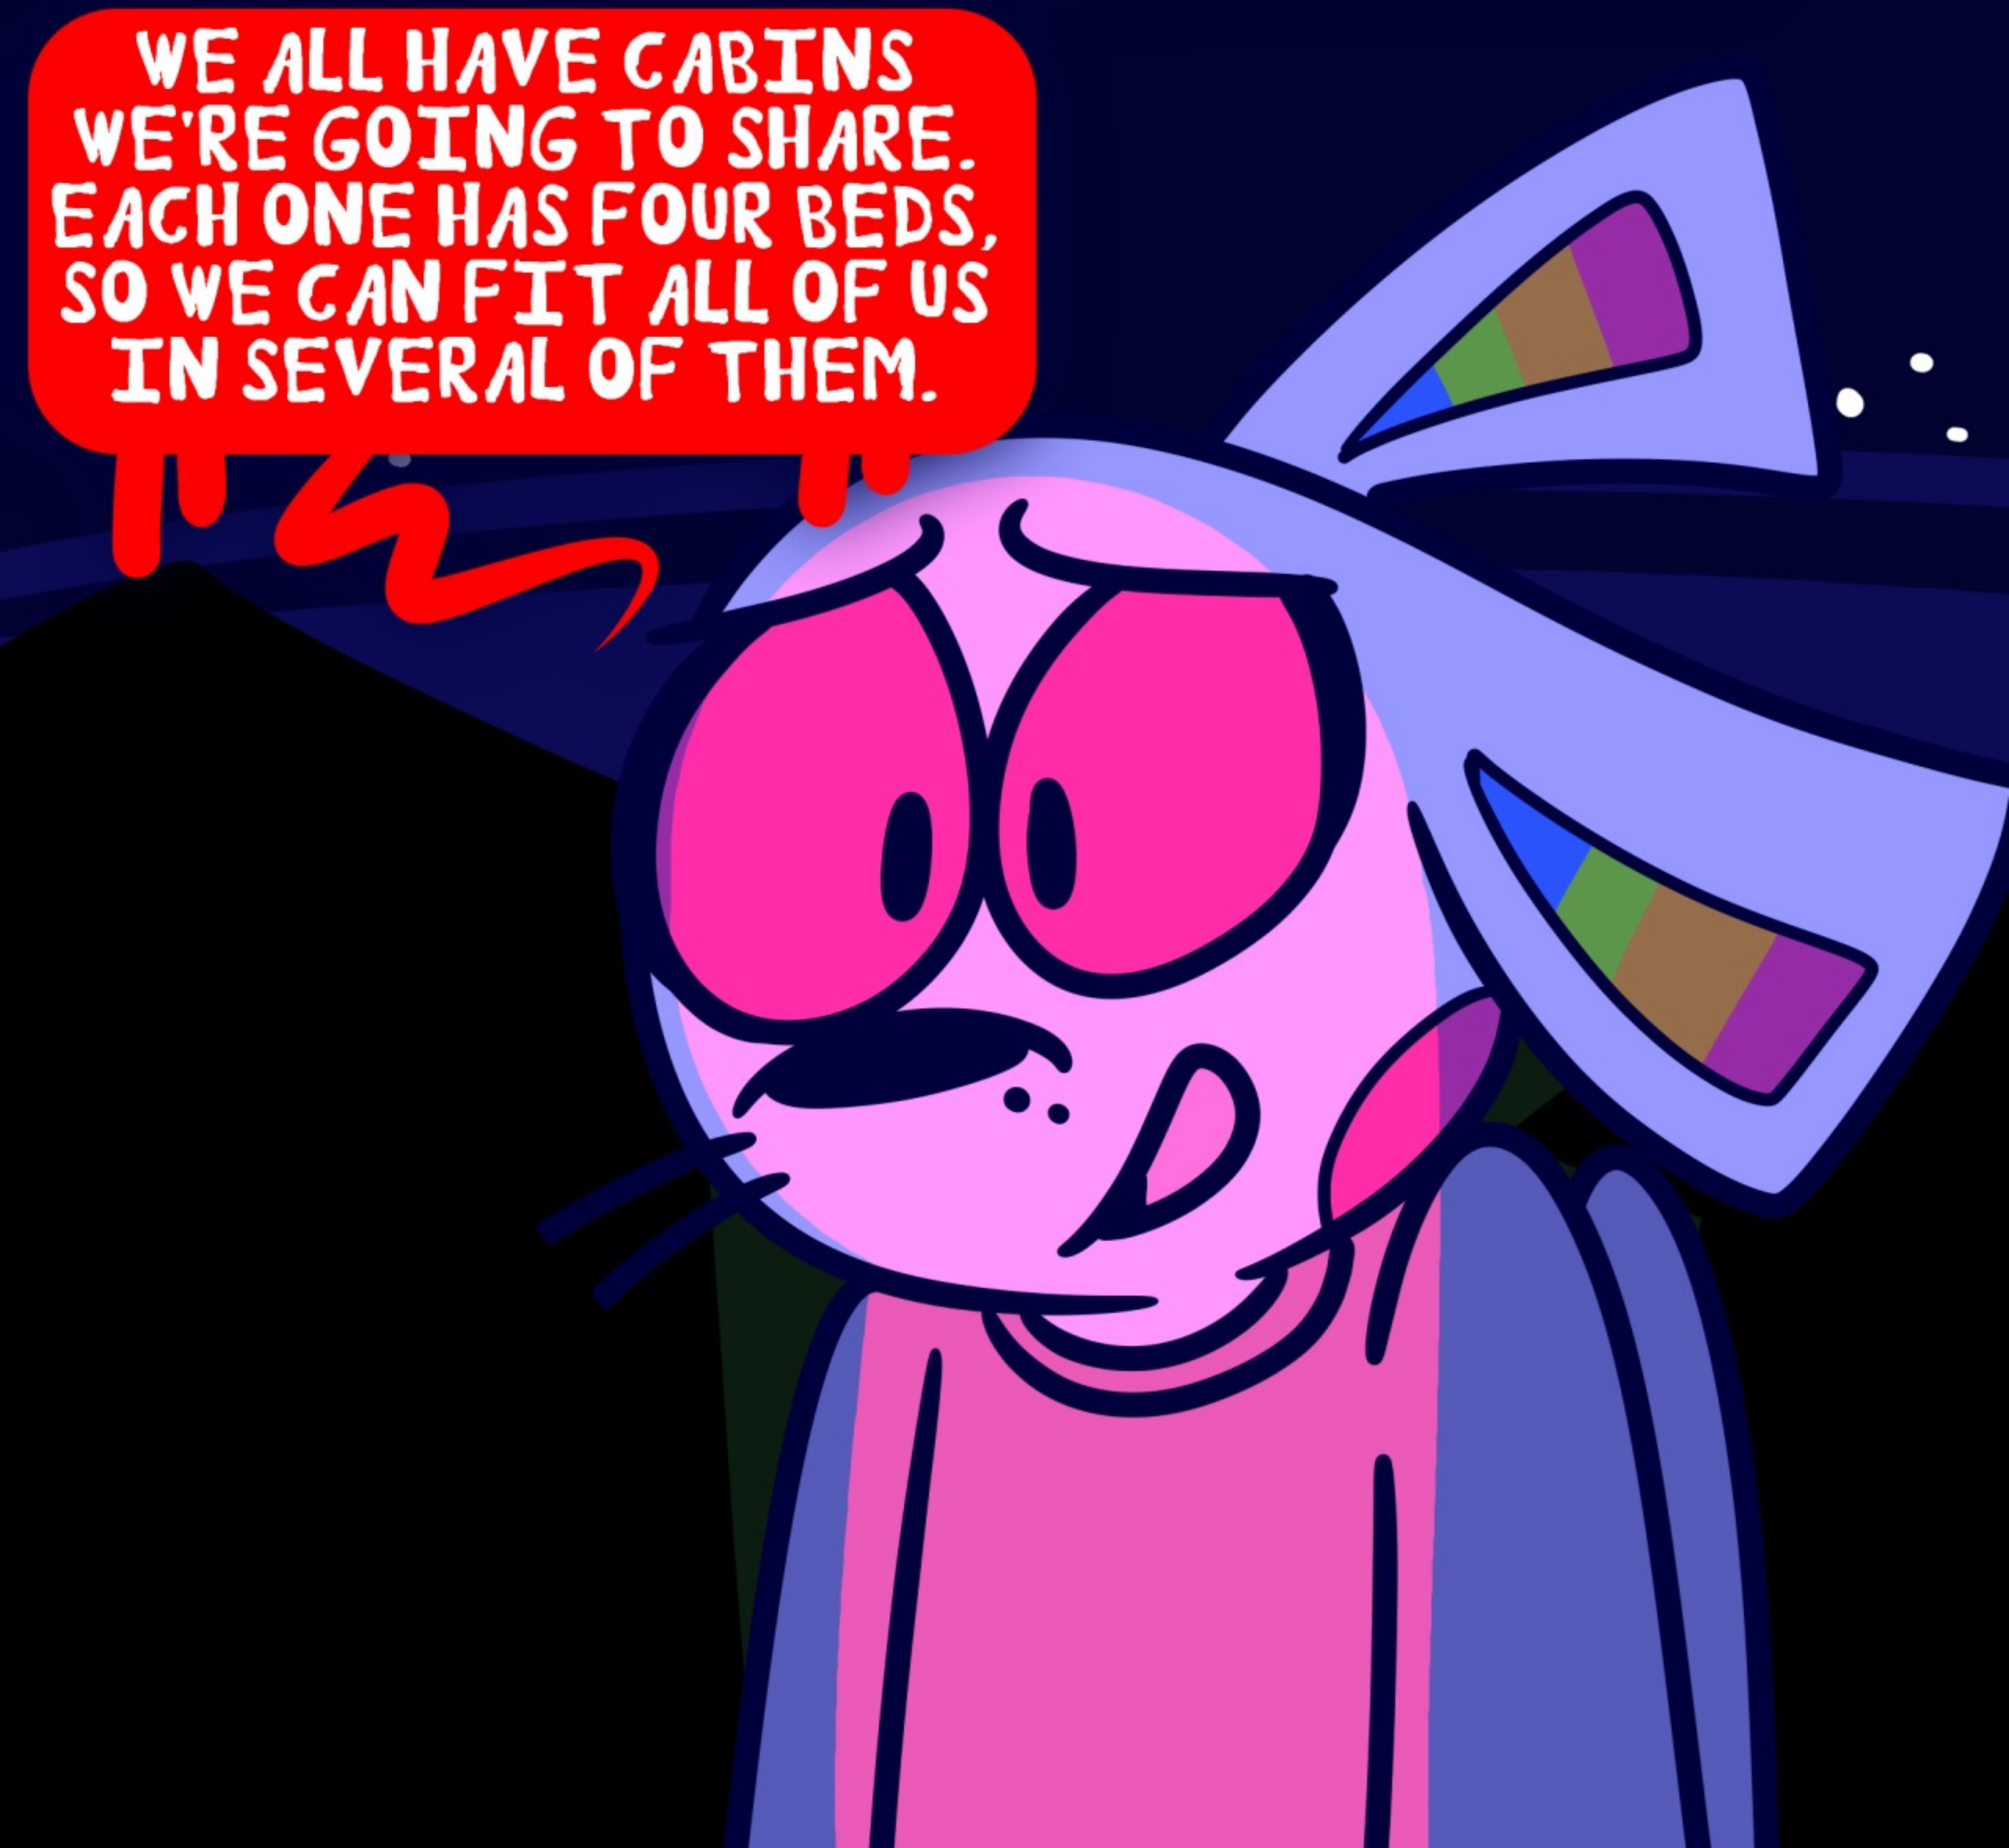


IF ONE OF US GOES MISSING, I HOPE IT'S YOU.
Nobody asked!

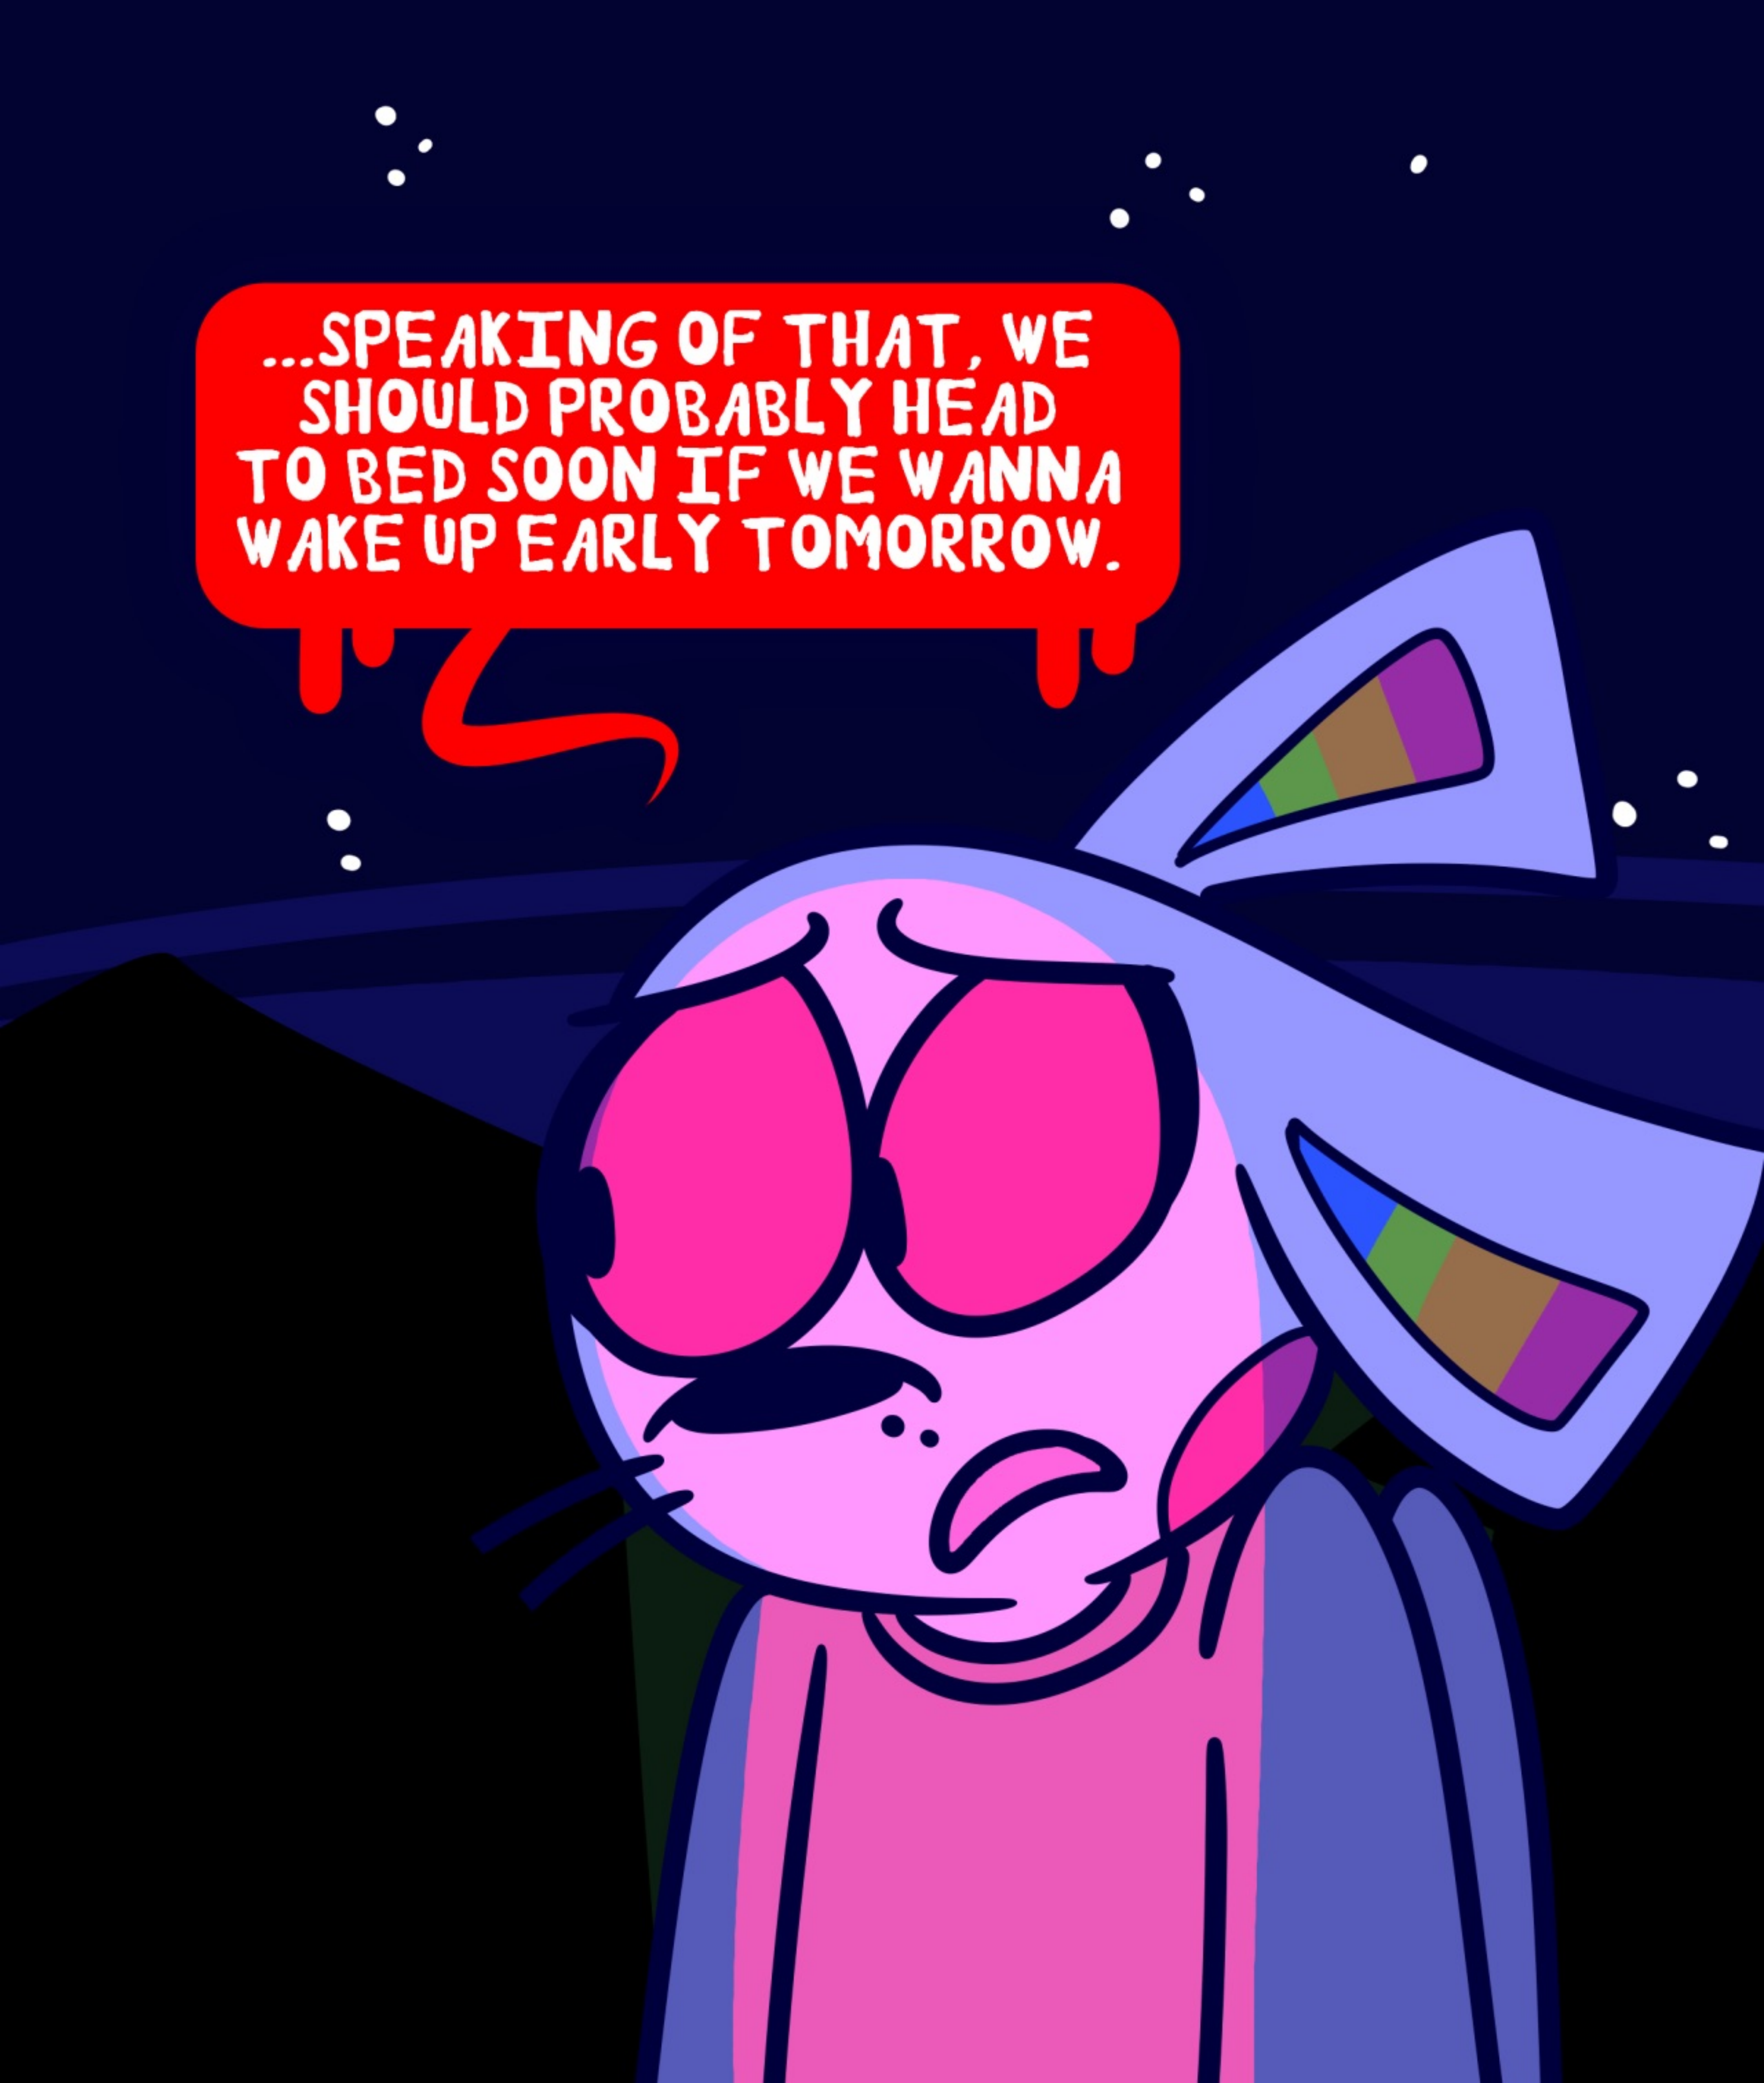


aureathewolf asked:

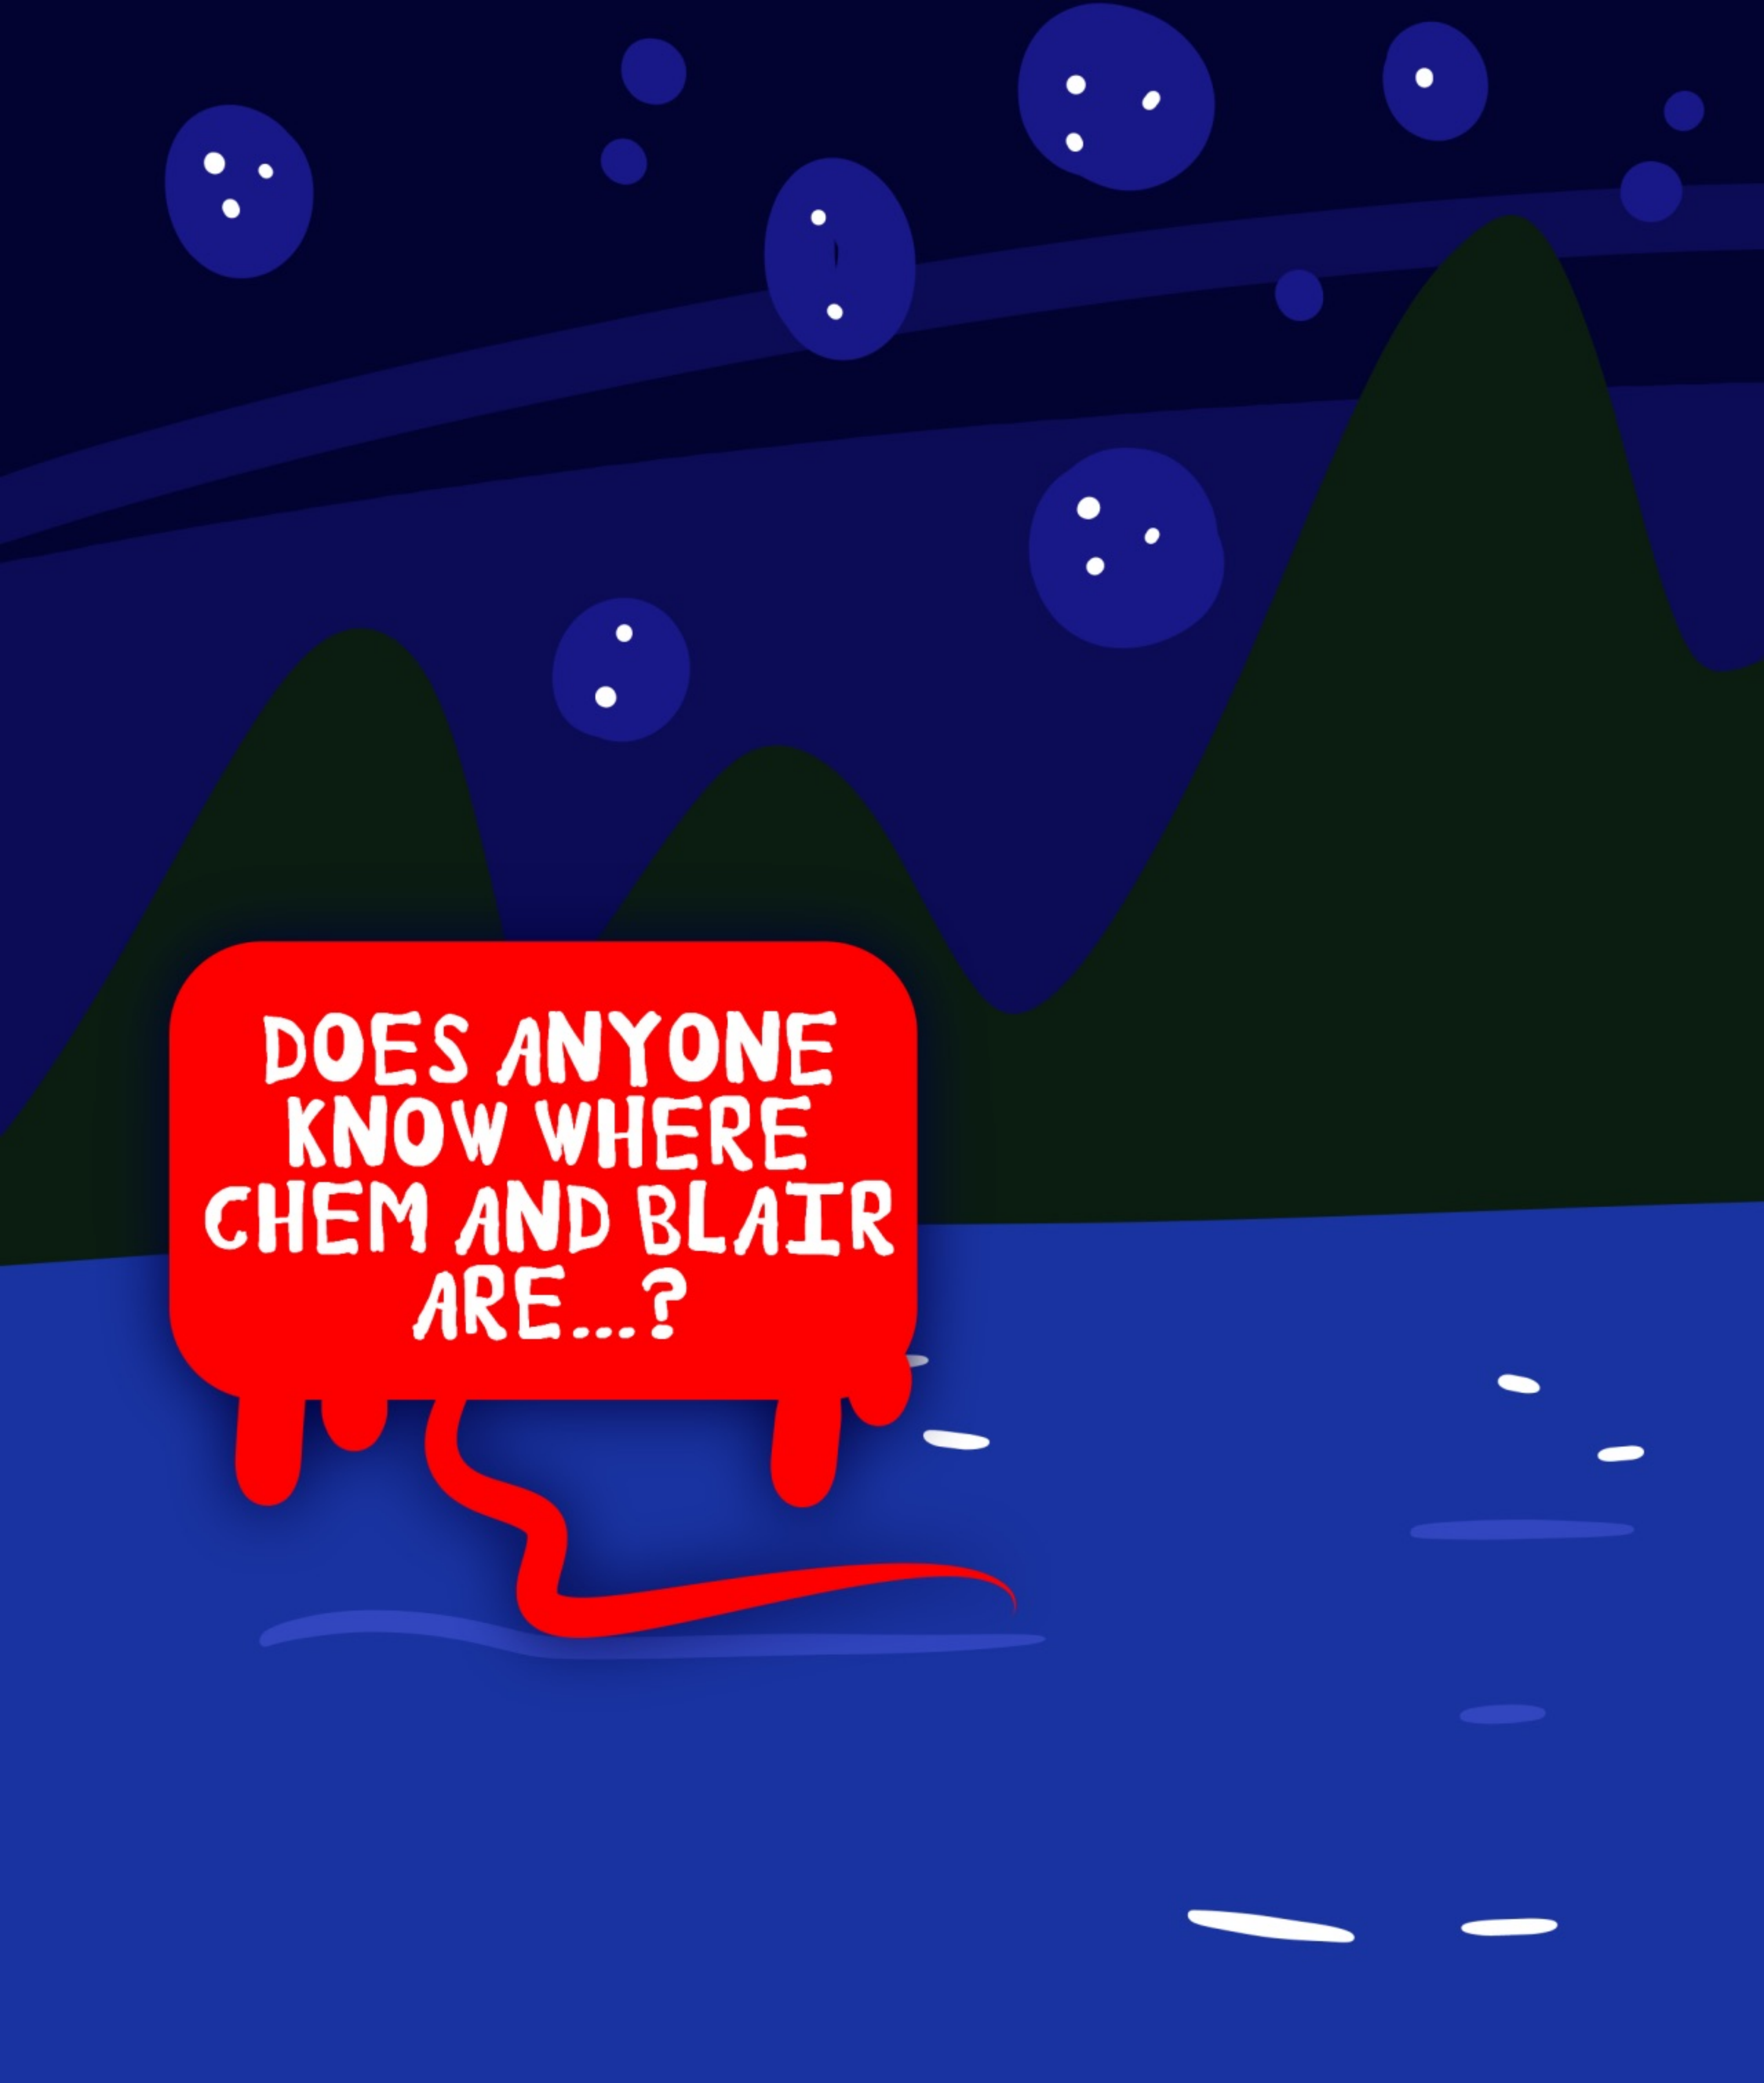
To change the subject, what is everyone looking forward to do tomorrow ? and where will you sleep?



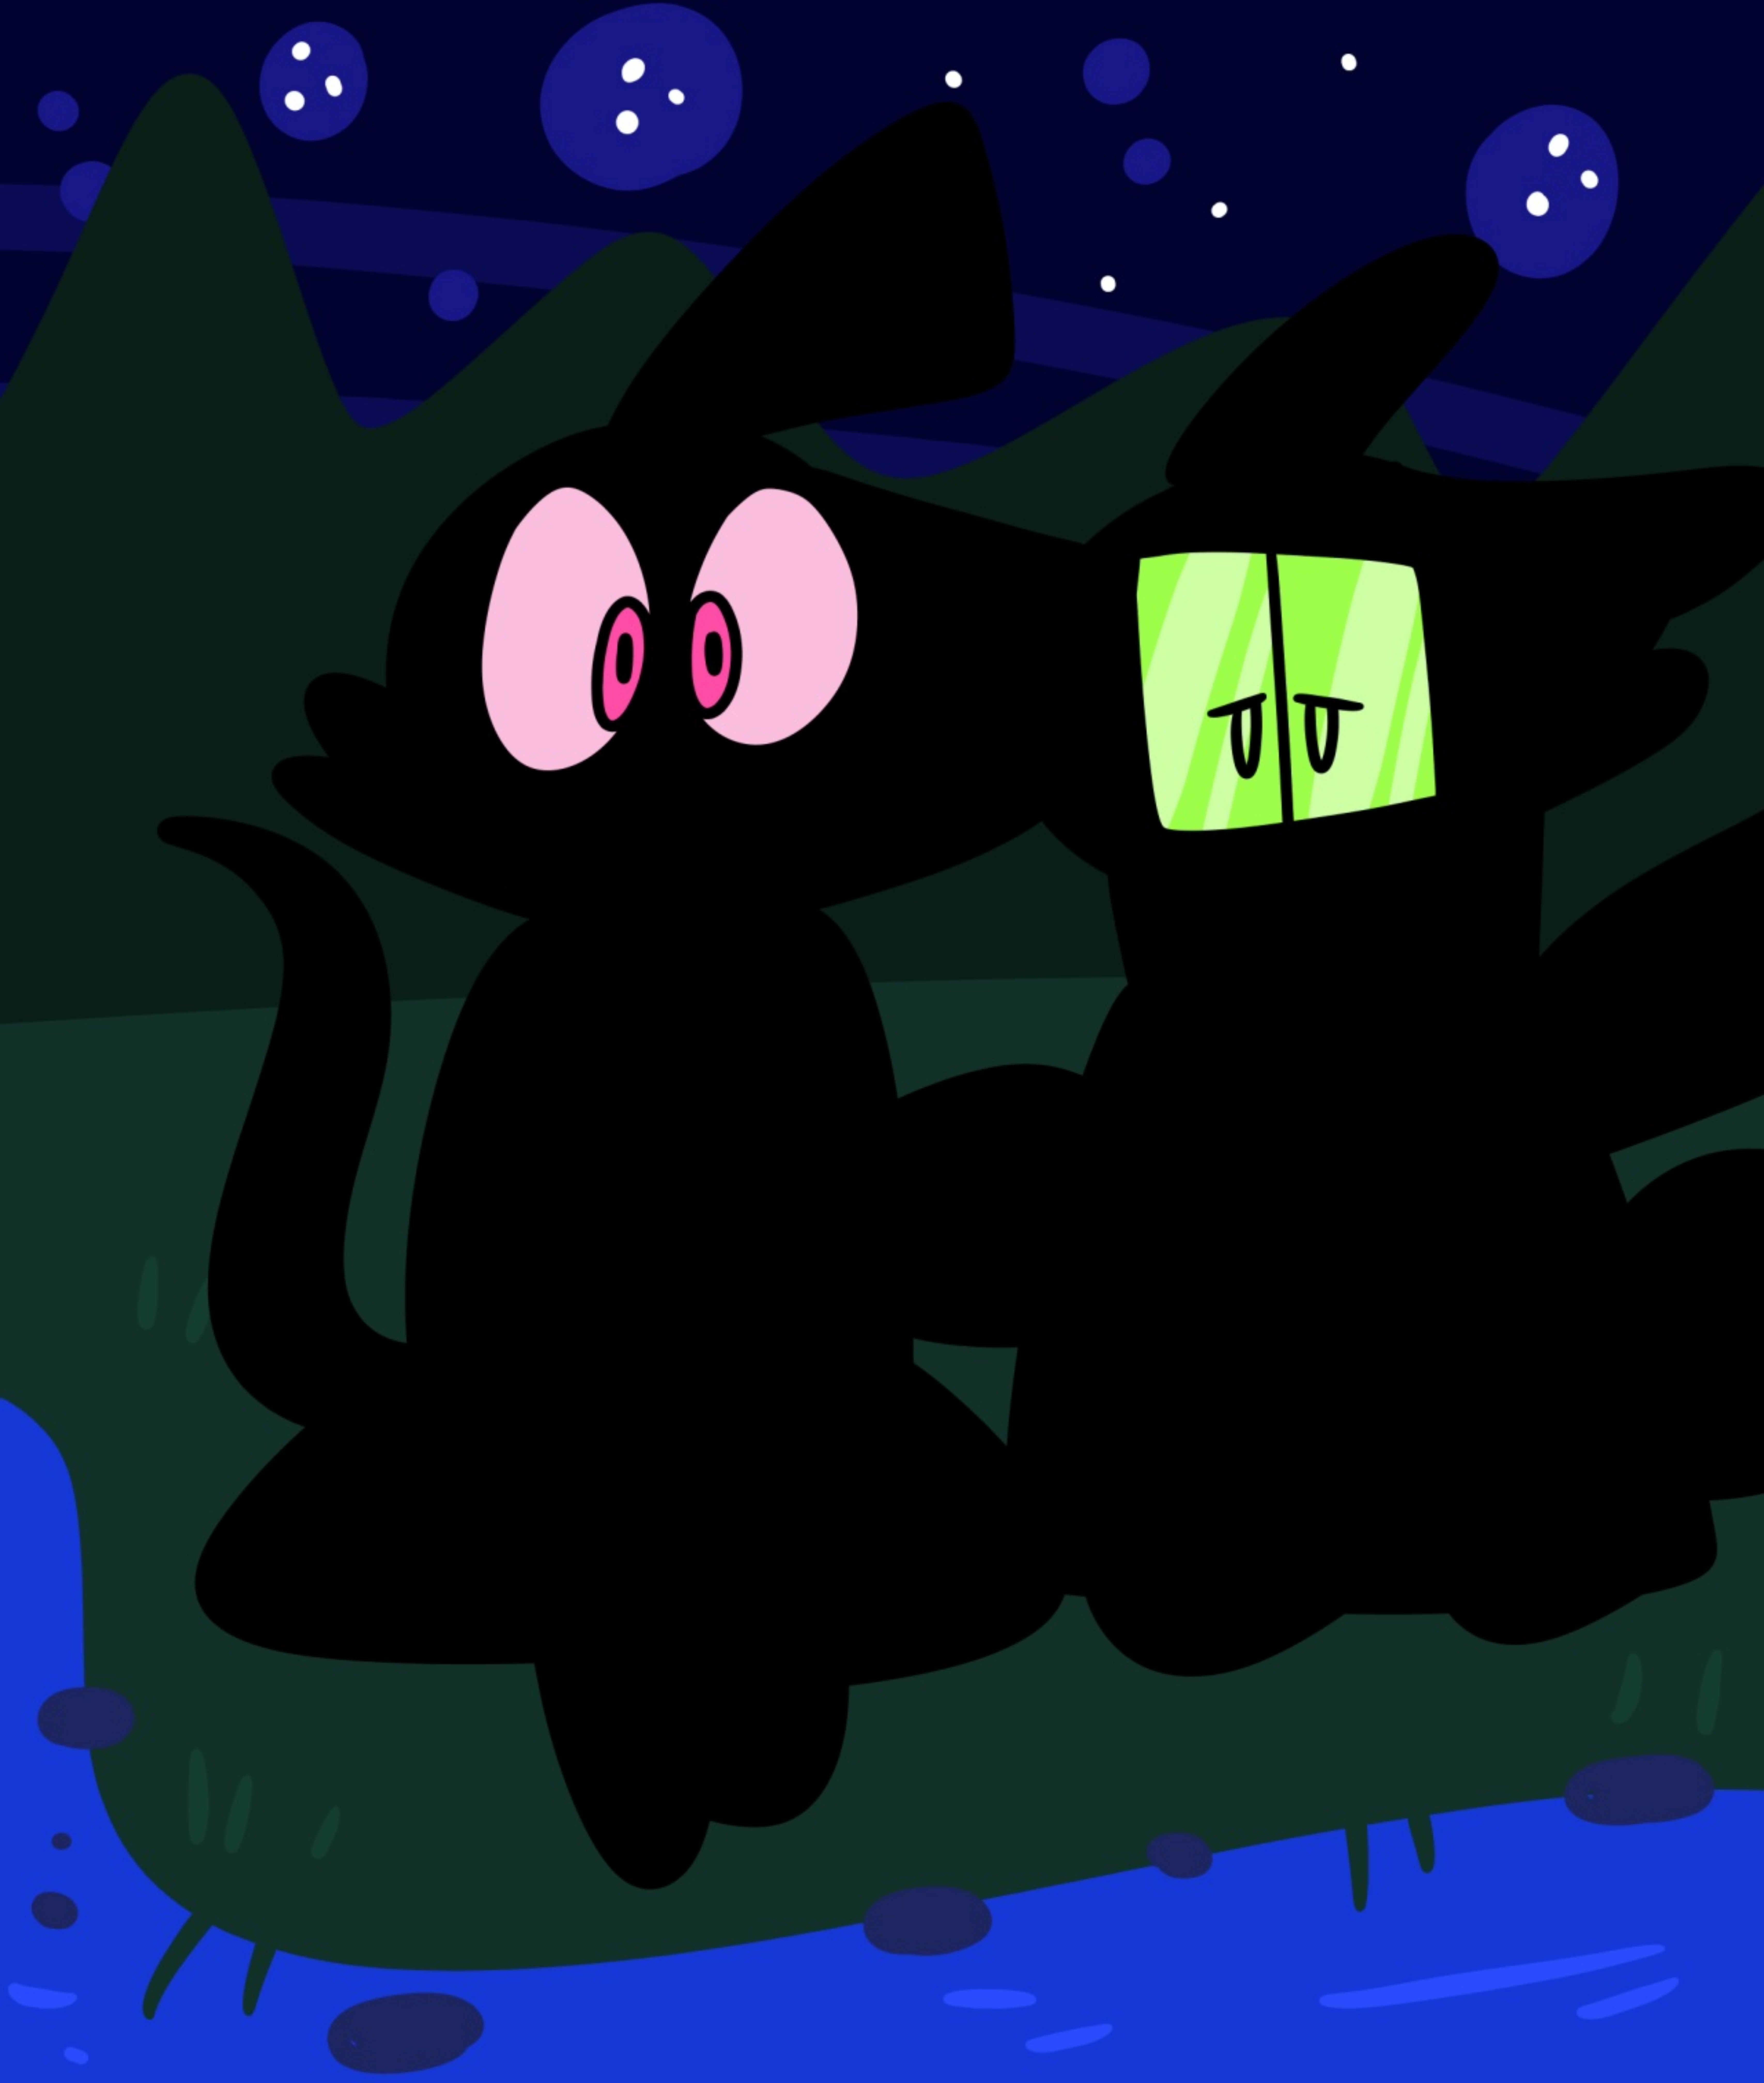
WE ALL HAVE CABINS WE'RE GOING TO SHARE. EACH ONE HAS FOUR BEDS, SO WE CAN FIT ALL OF US IN SEVERAL OF THEM.

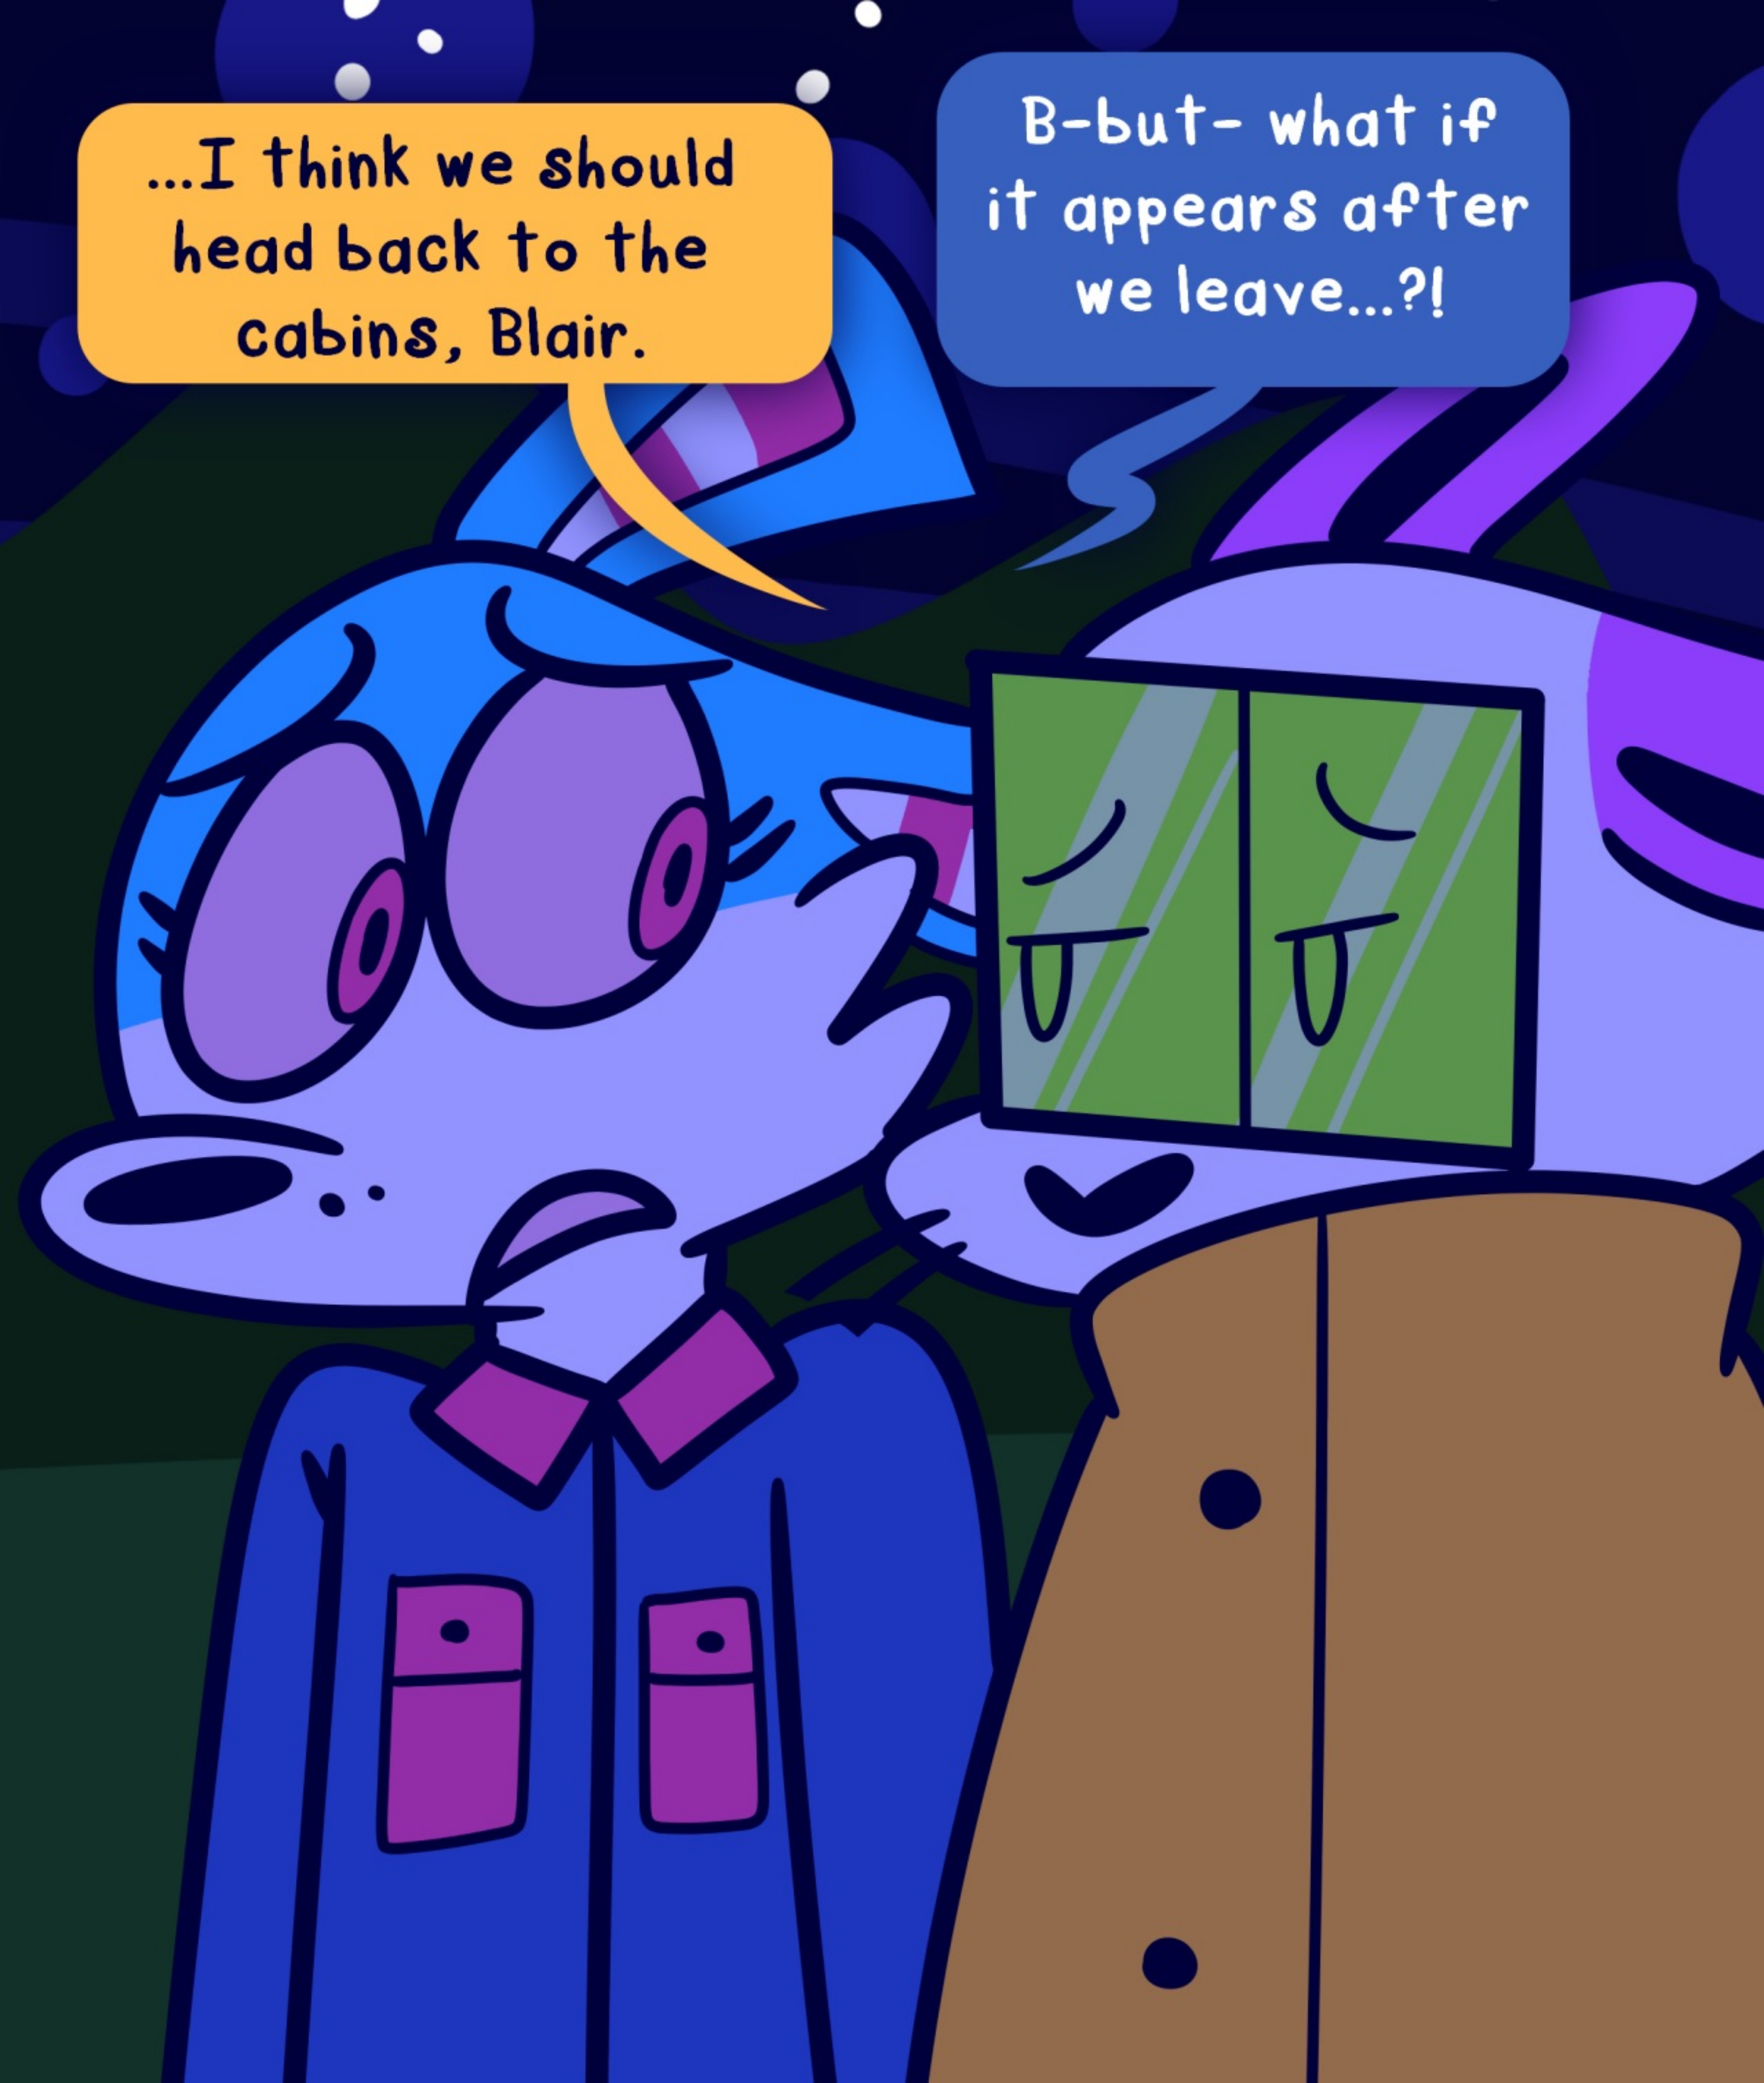


...SPEAKING OF THAT, WE SHOULD PROBABLY HEAD TO BED SOON IF WE WANNA WAKE UP EARLY TOMORROW.



DOES ANYONE KNOW WHERE CHEM AND BLAIR ARE...?





...I think we should head back to the cabins, Blair.
B-but- what if it appears after we leave...?!

Maybe you should listen to Chem on this one. It's pretty late. Even Paranormal Investigators and Cryptids need to rest at some point! Plus, if you go to the cabin now you'll have enough energy for more scouting tomorrow

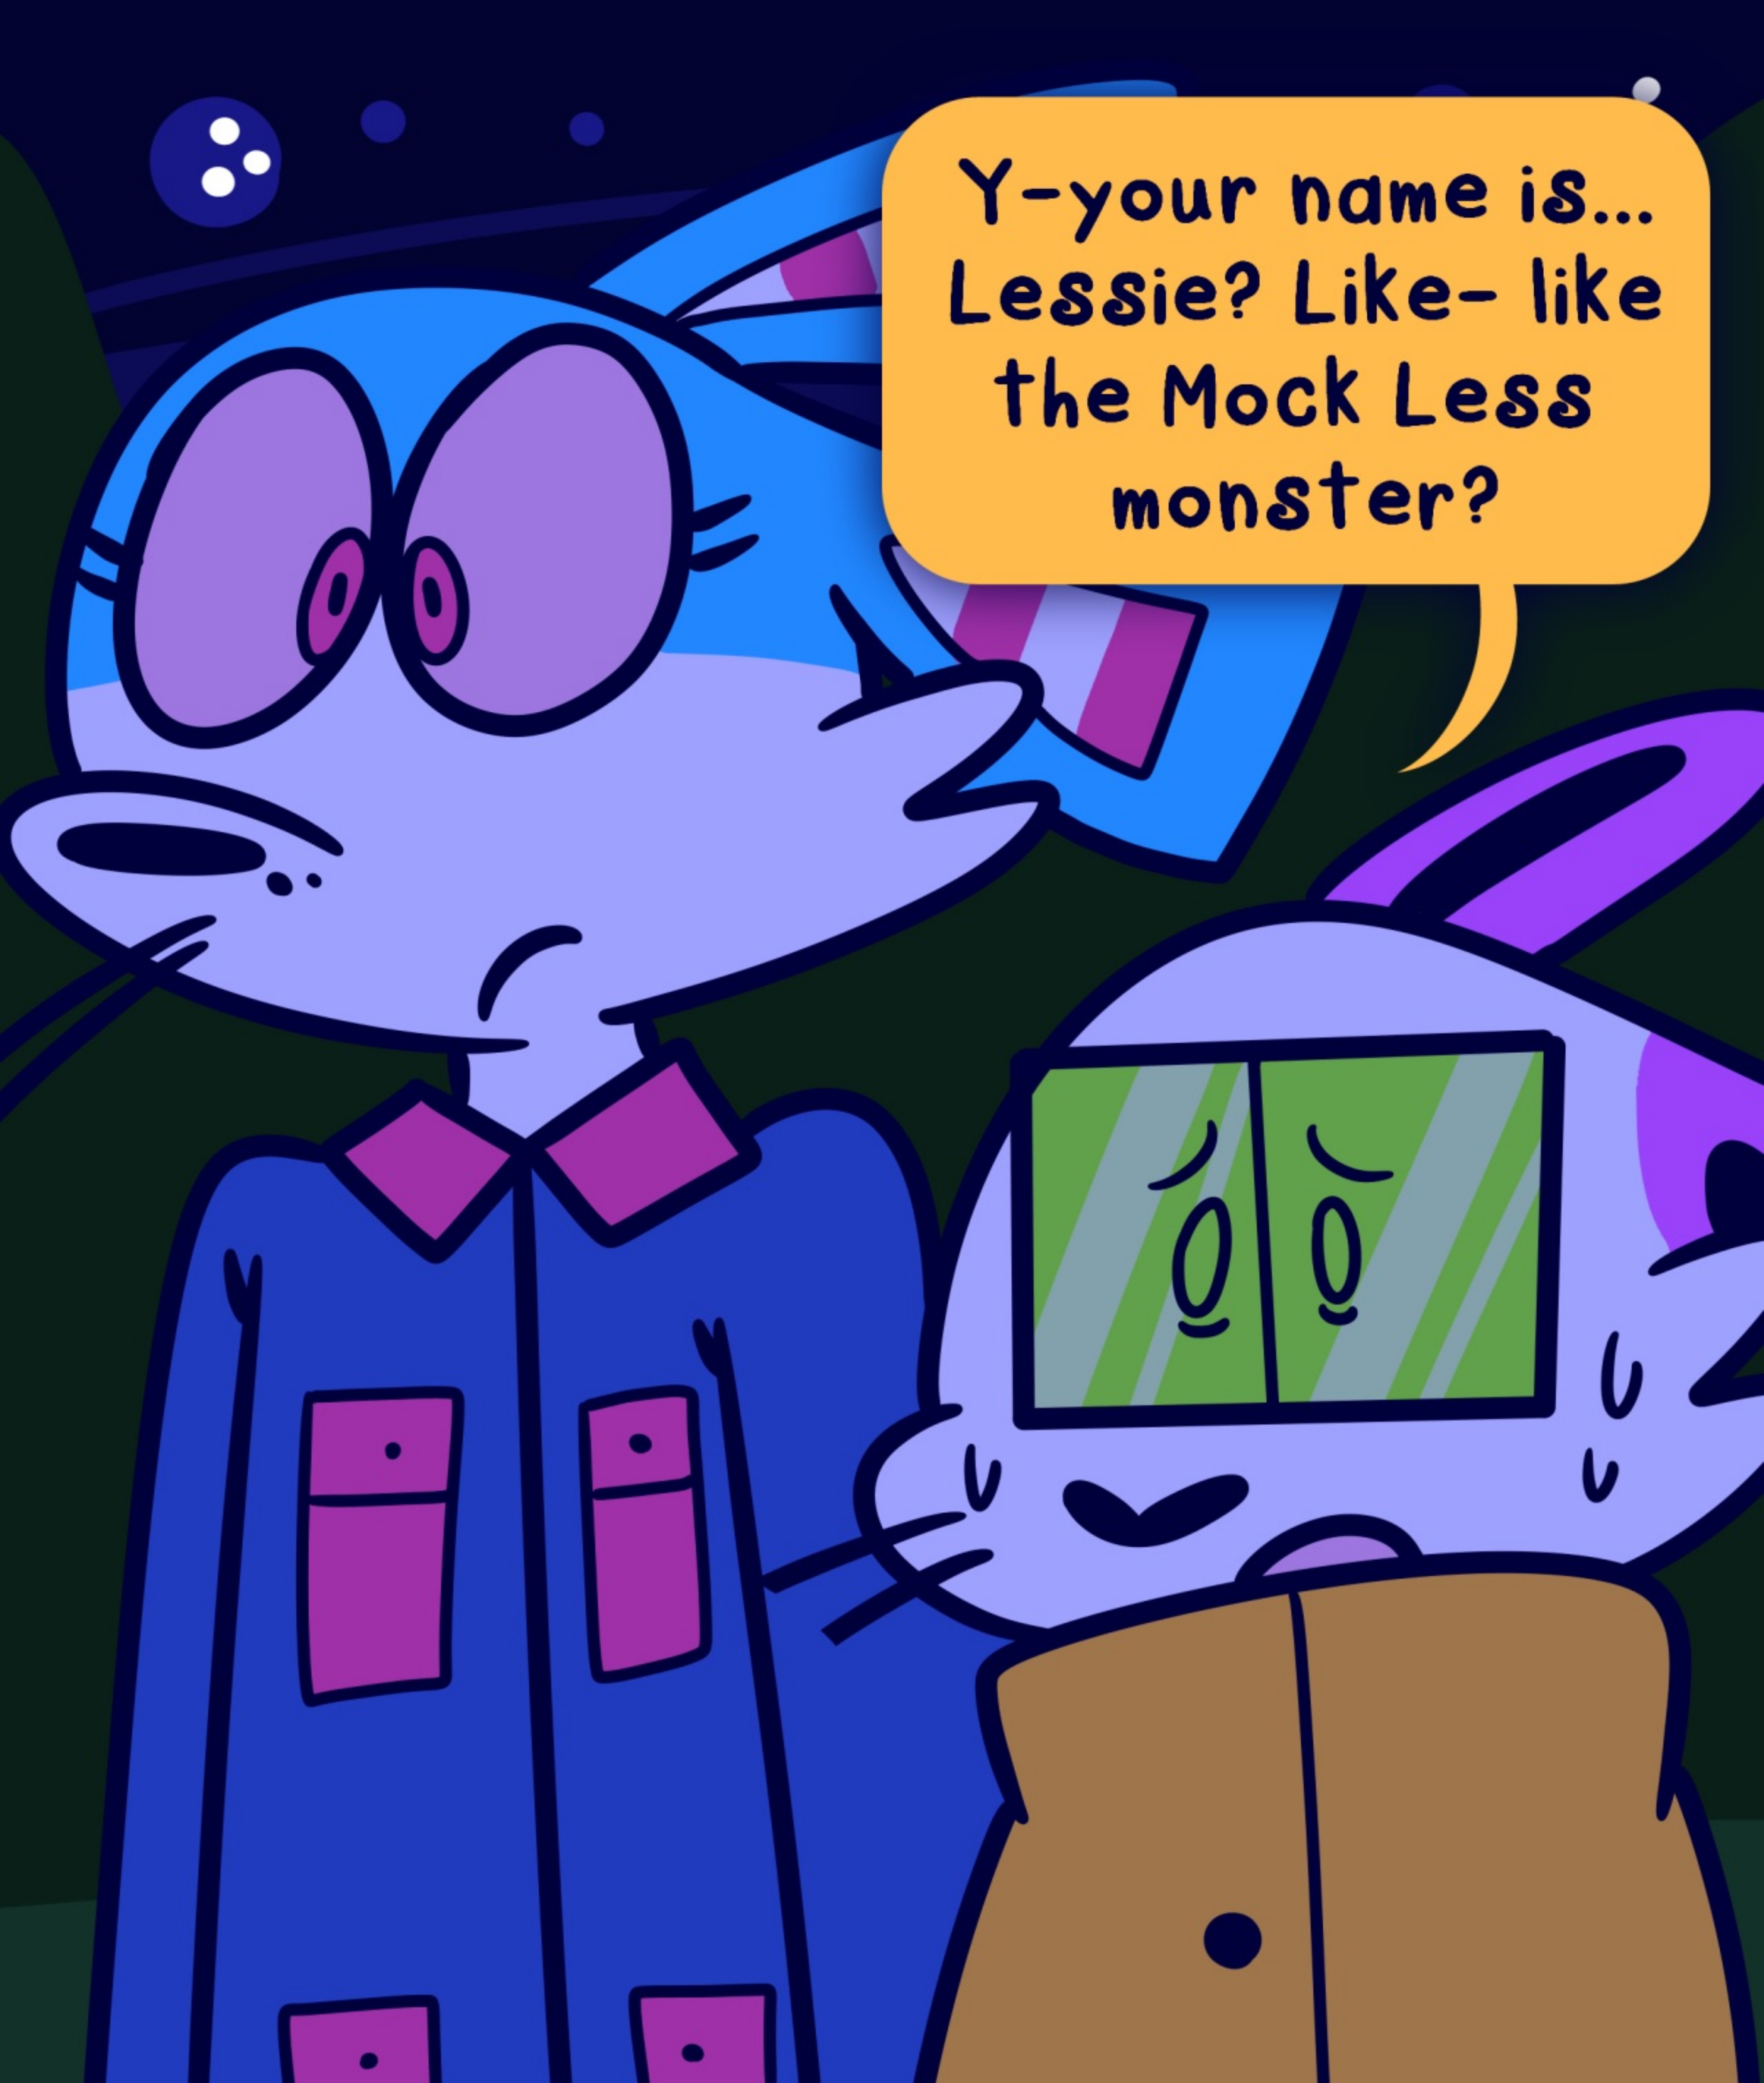
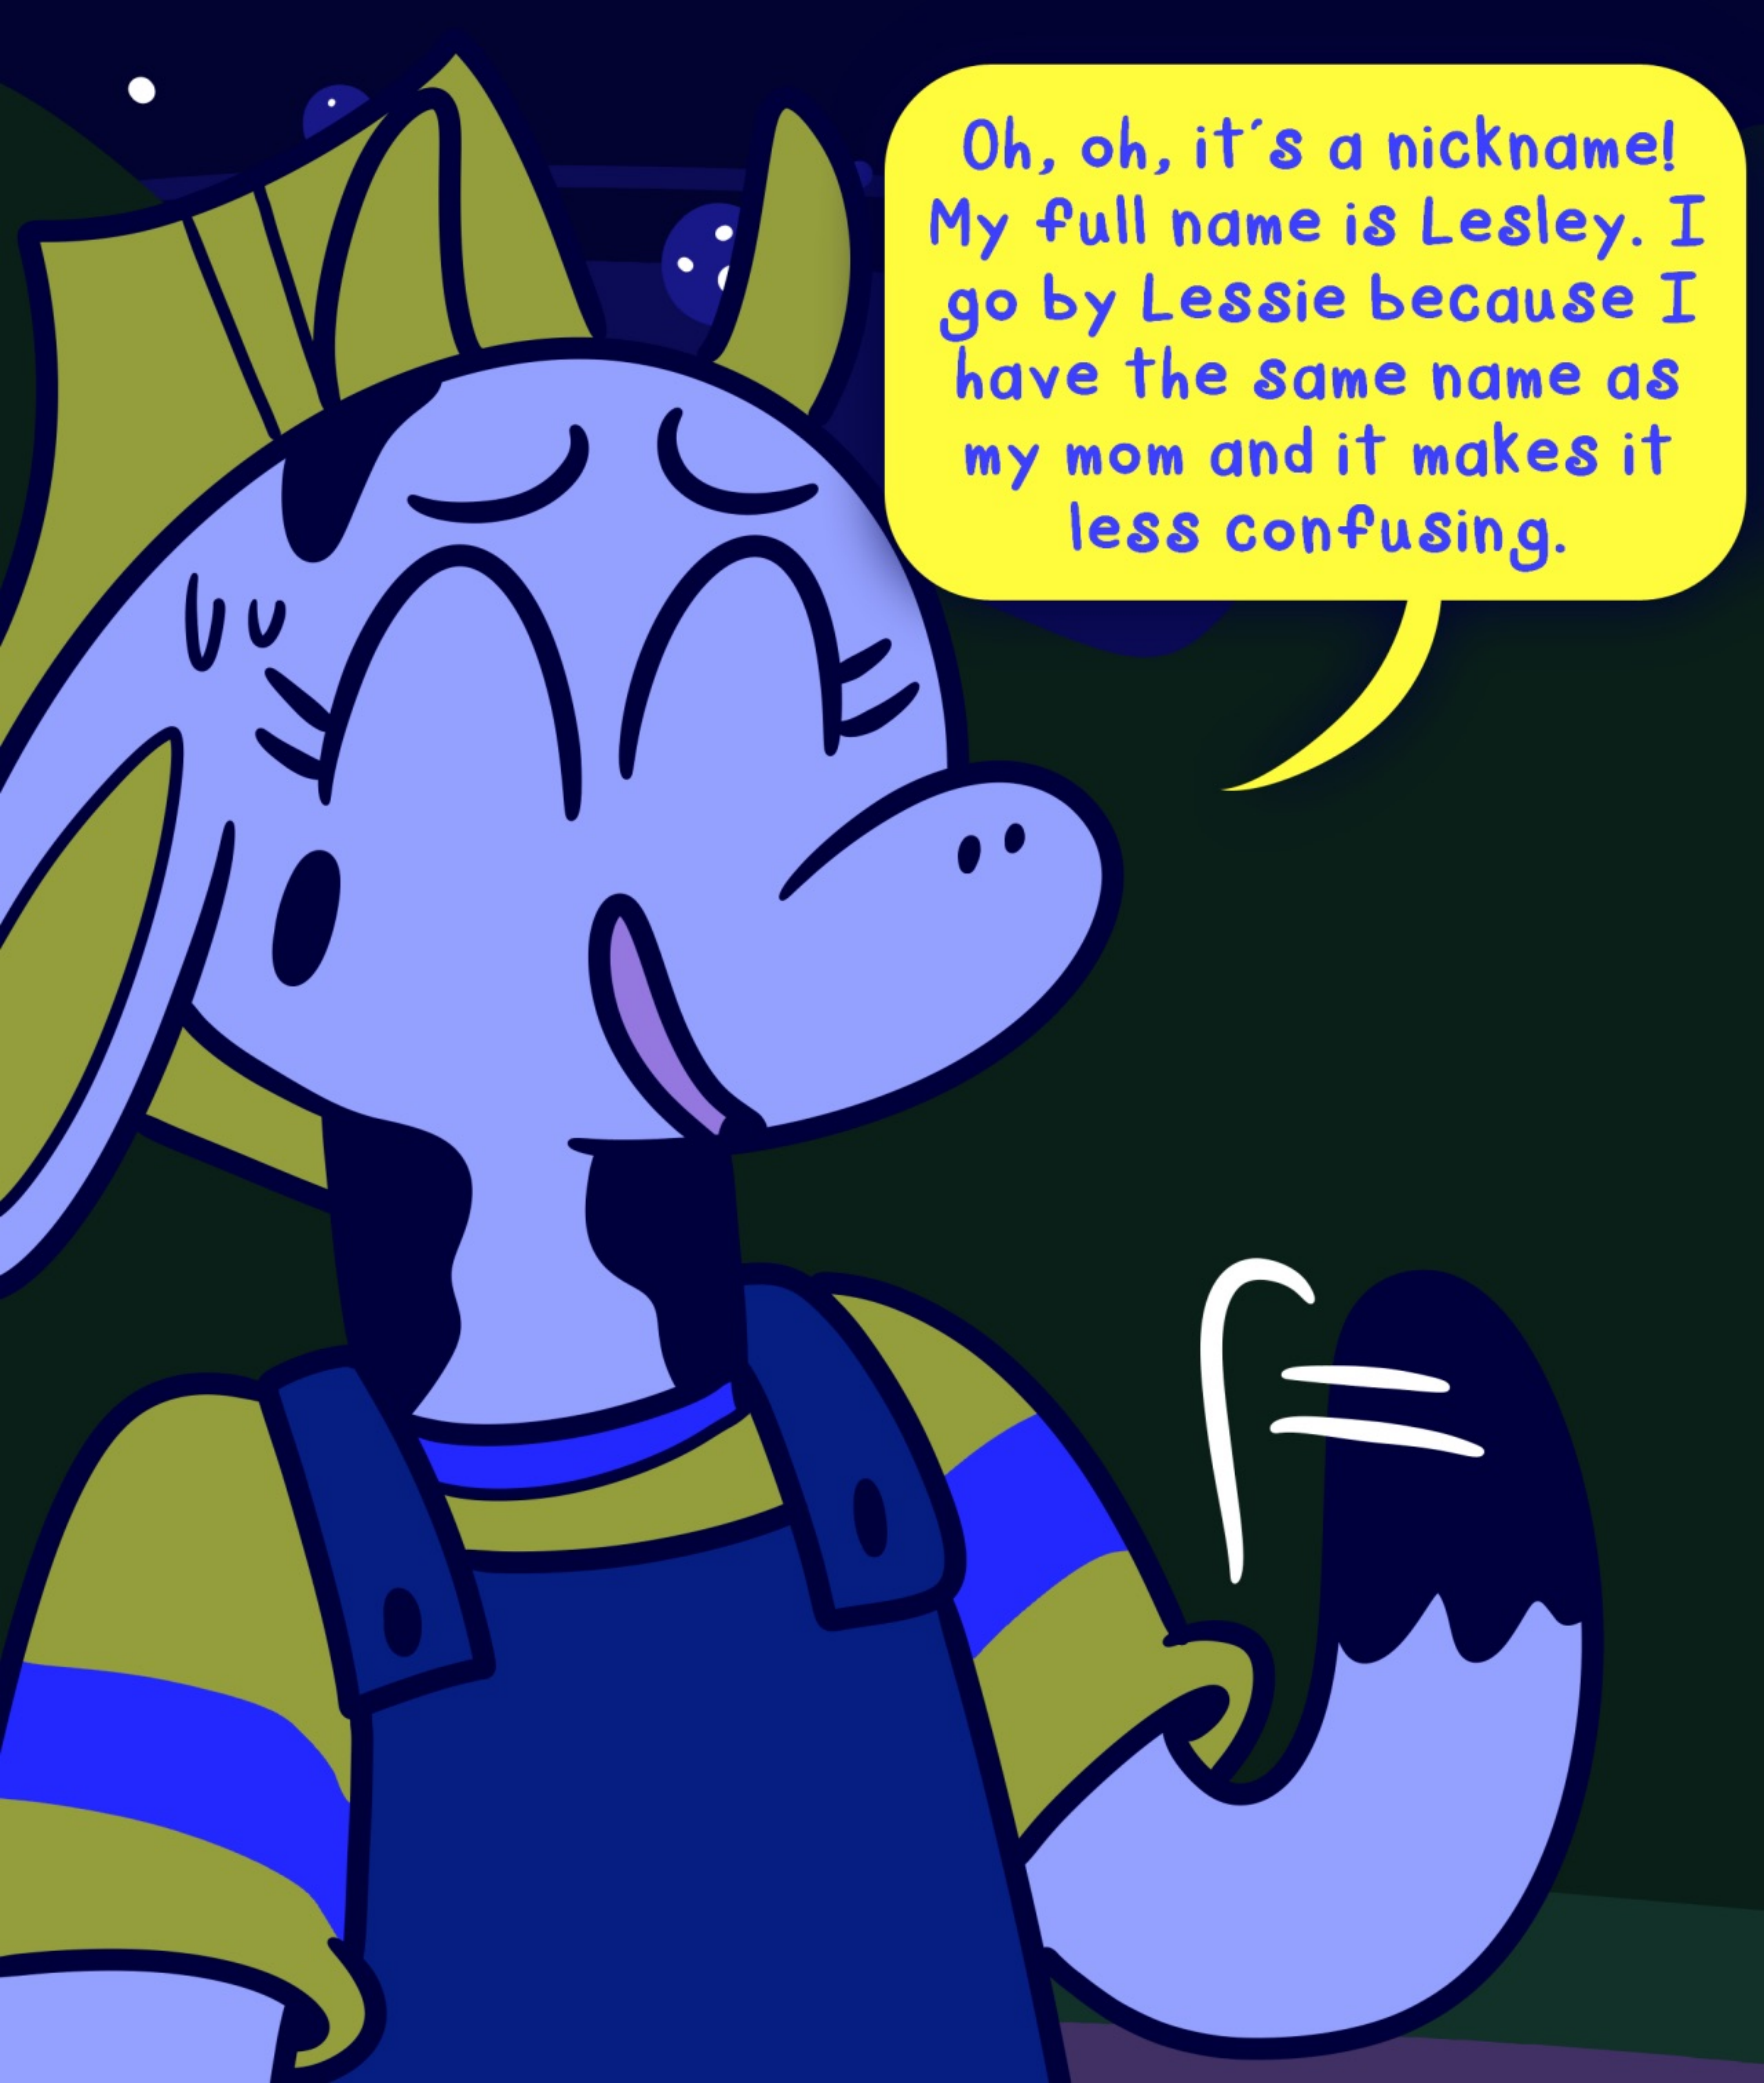
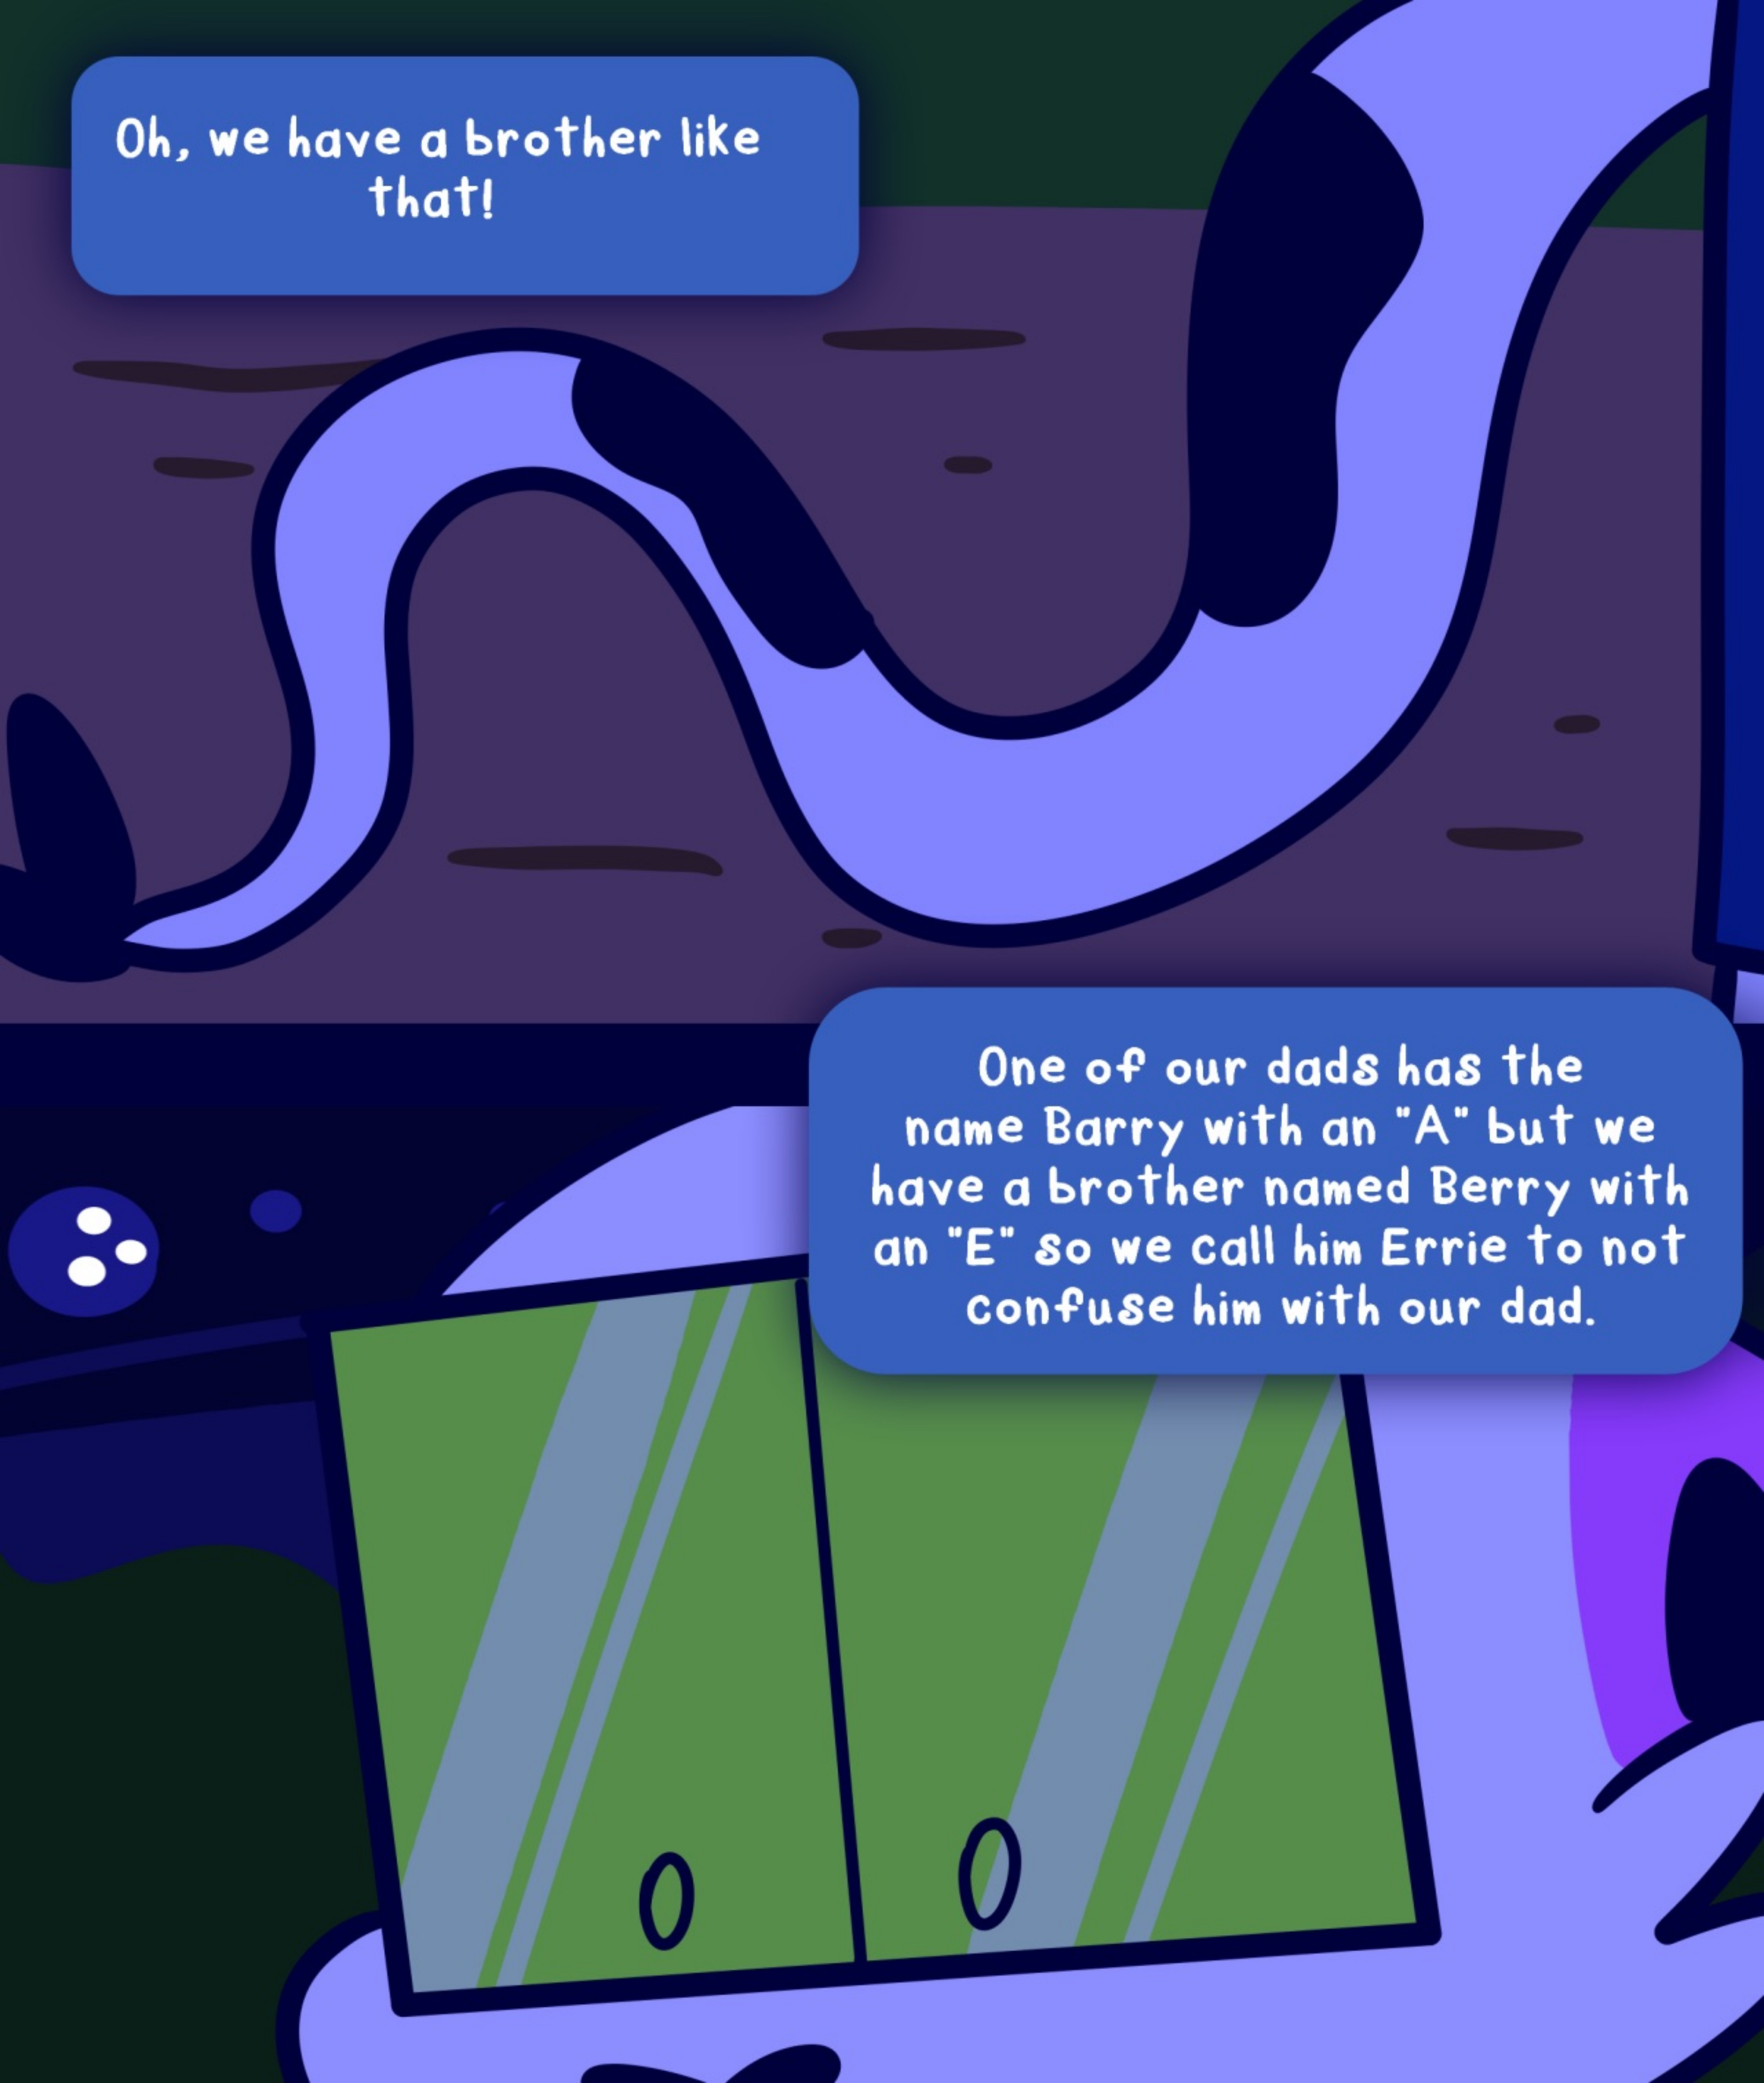
Oh, hello! My name is Lessie!



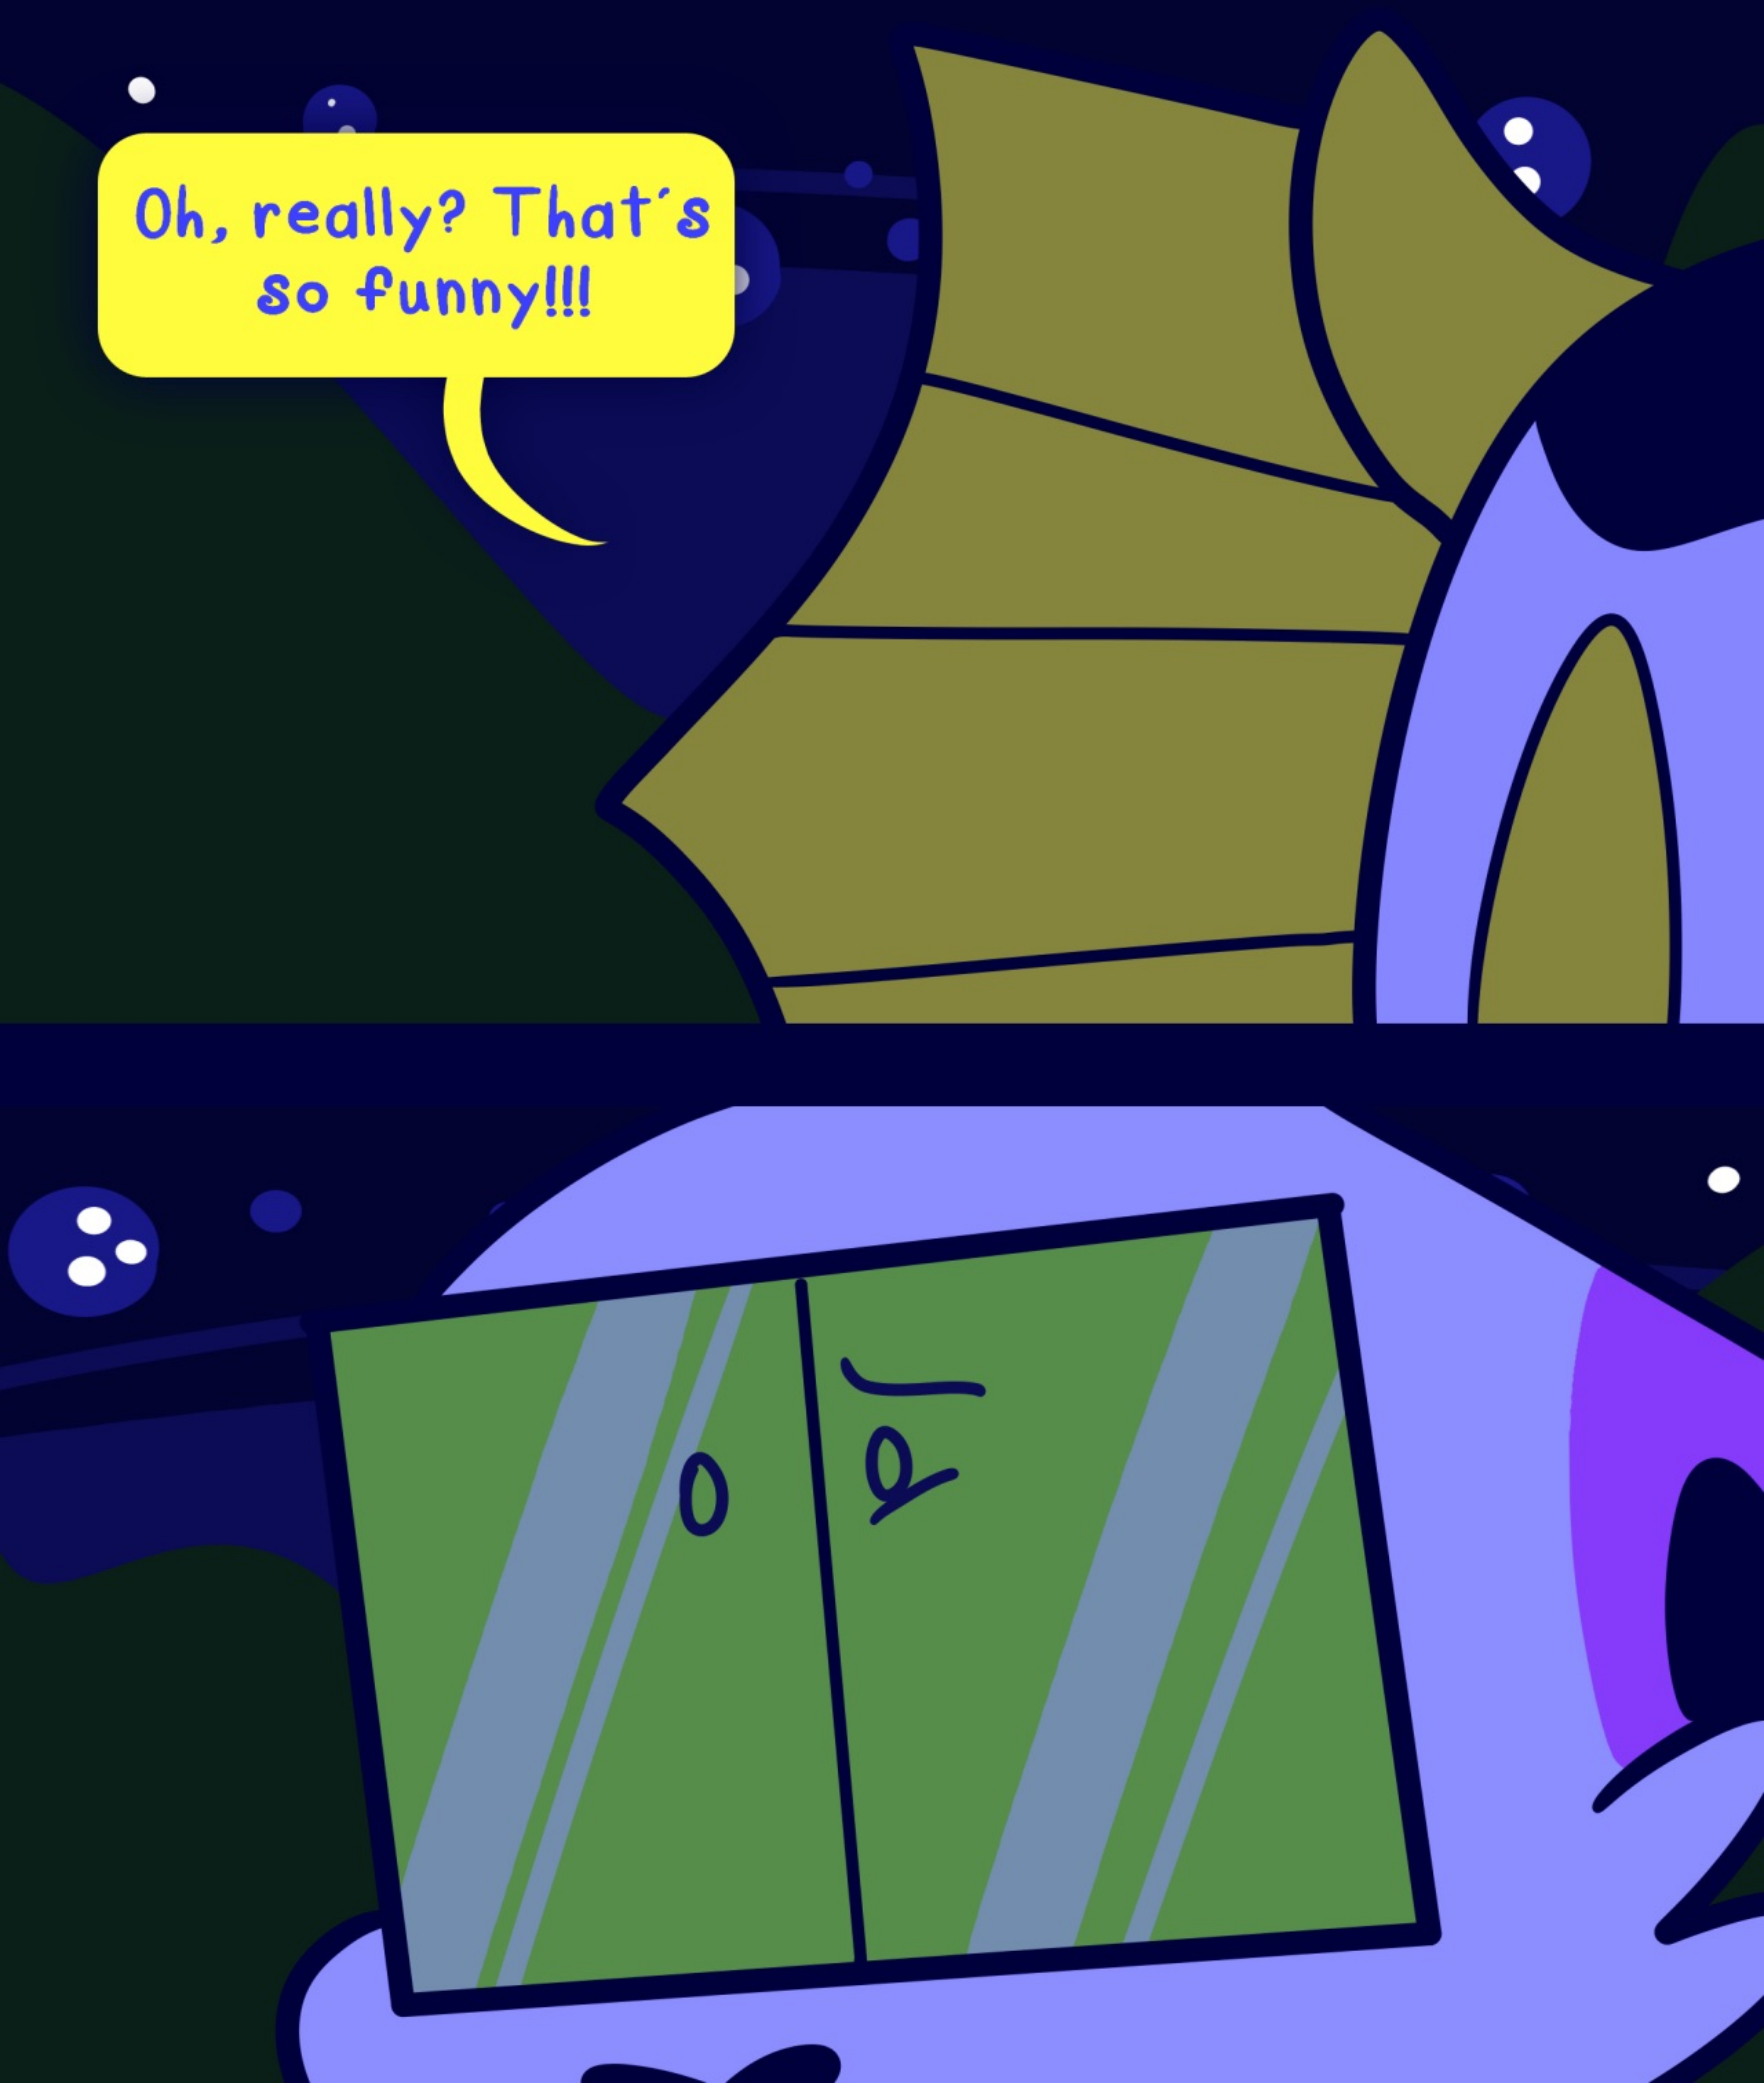
Y-your name is... Lessie? Like- like the Mock Less monster?



Oh, oh, it´s a nickname! My full name is Lesley. I go by Lessie because I have the same name as my mom and it makes it less confusing.



Oh, we have a brother like that!
One of our dads has the name Barry with an "A" but we have a brother named Berry with an "E" so we call him Errie to not confuse him with our dad.



Oh, really? That´s so funny!!!

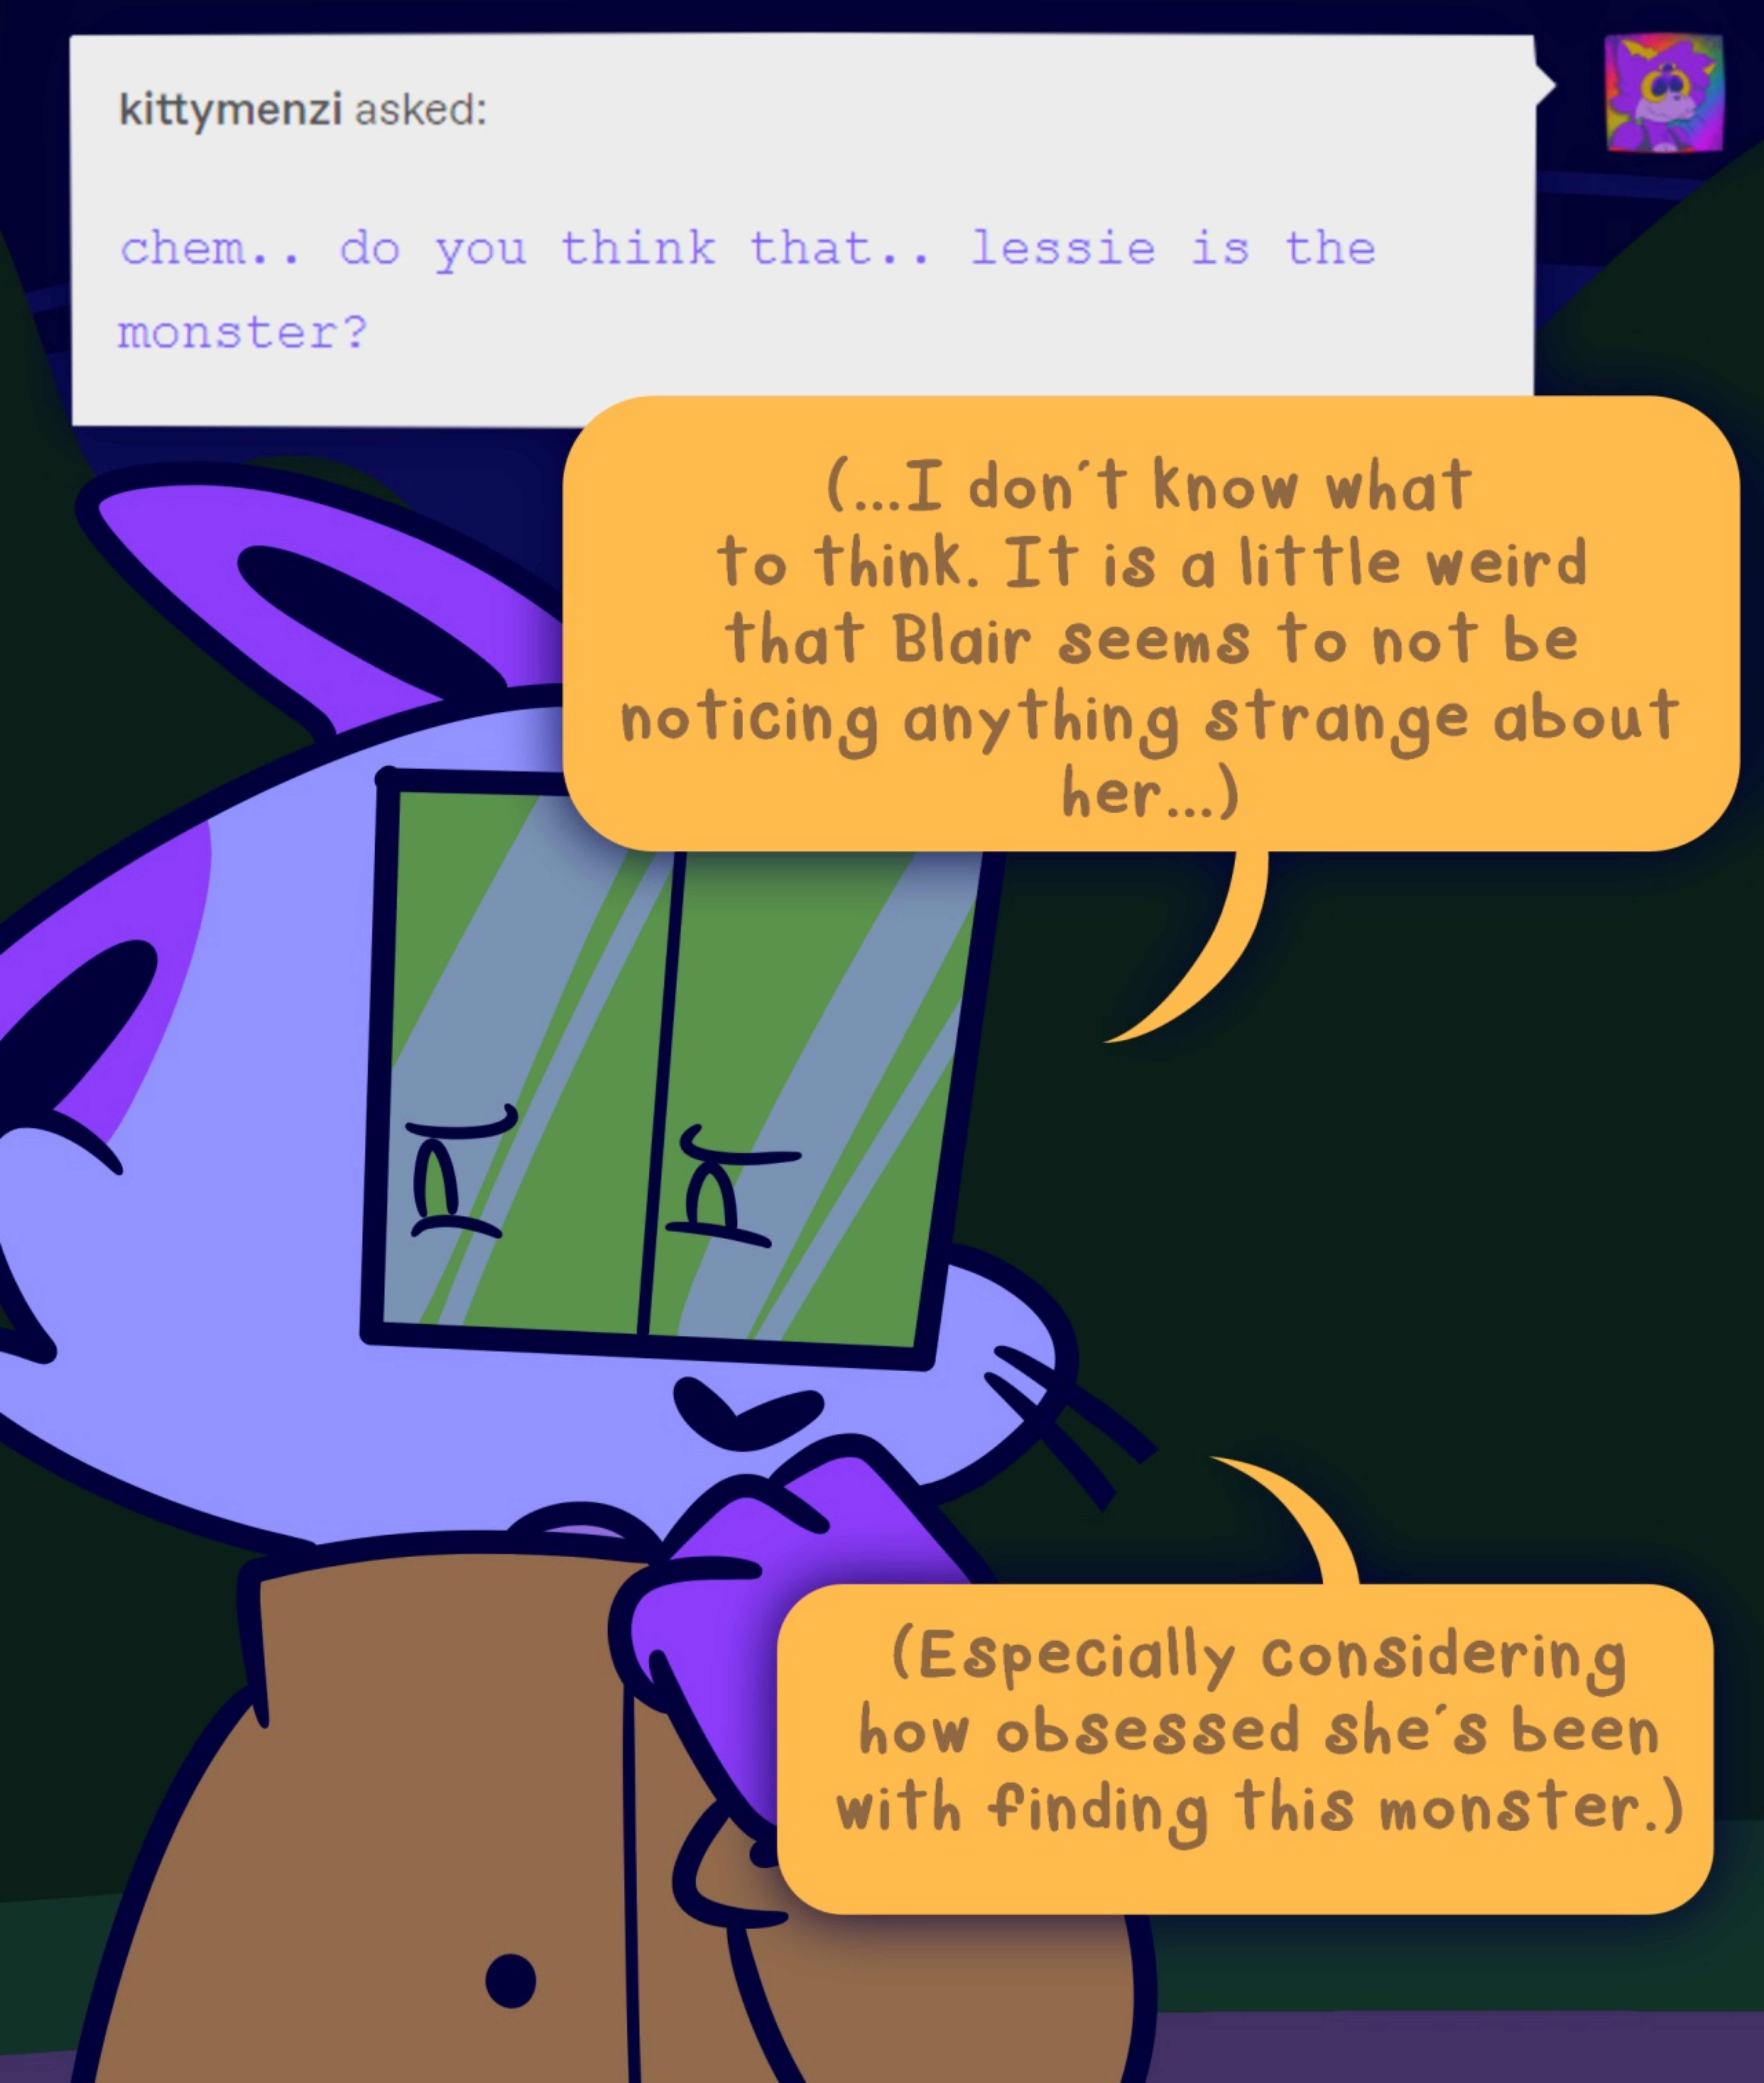
Y-yeah, haha, what are the odds?



kittymenzi asked:

chem.. do you think that.. lessie is the monster?

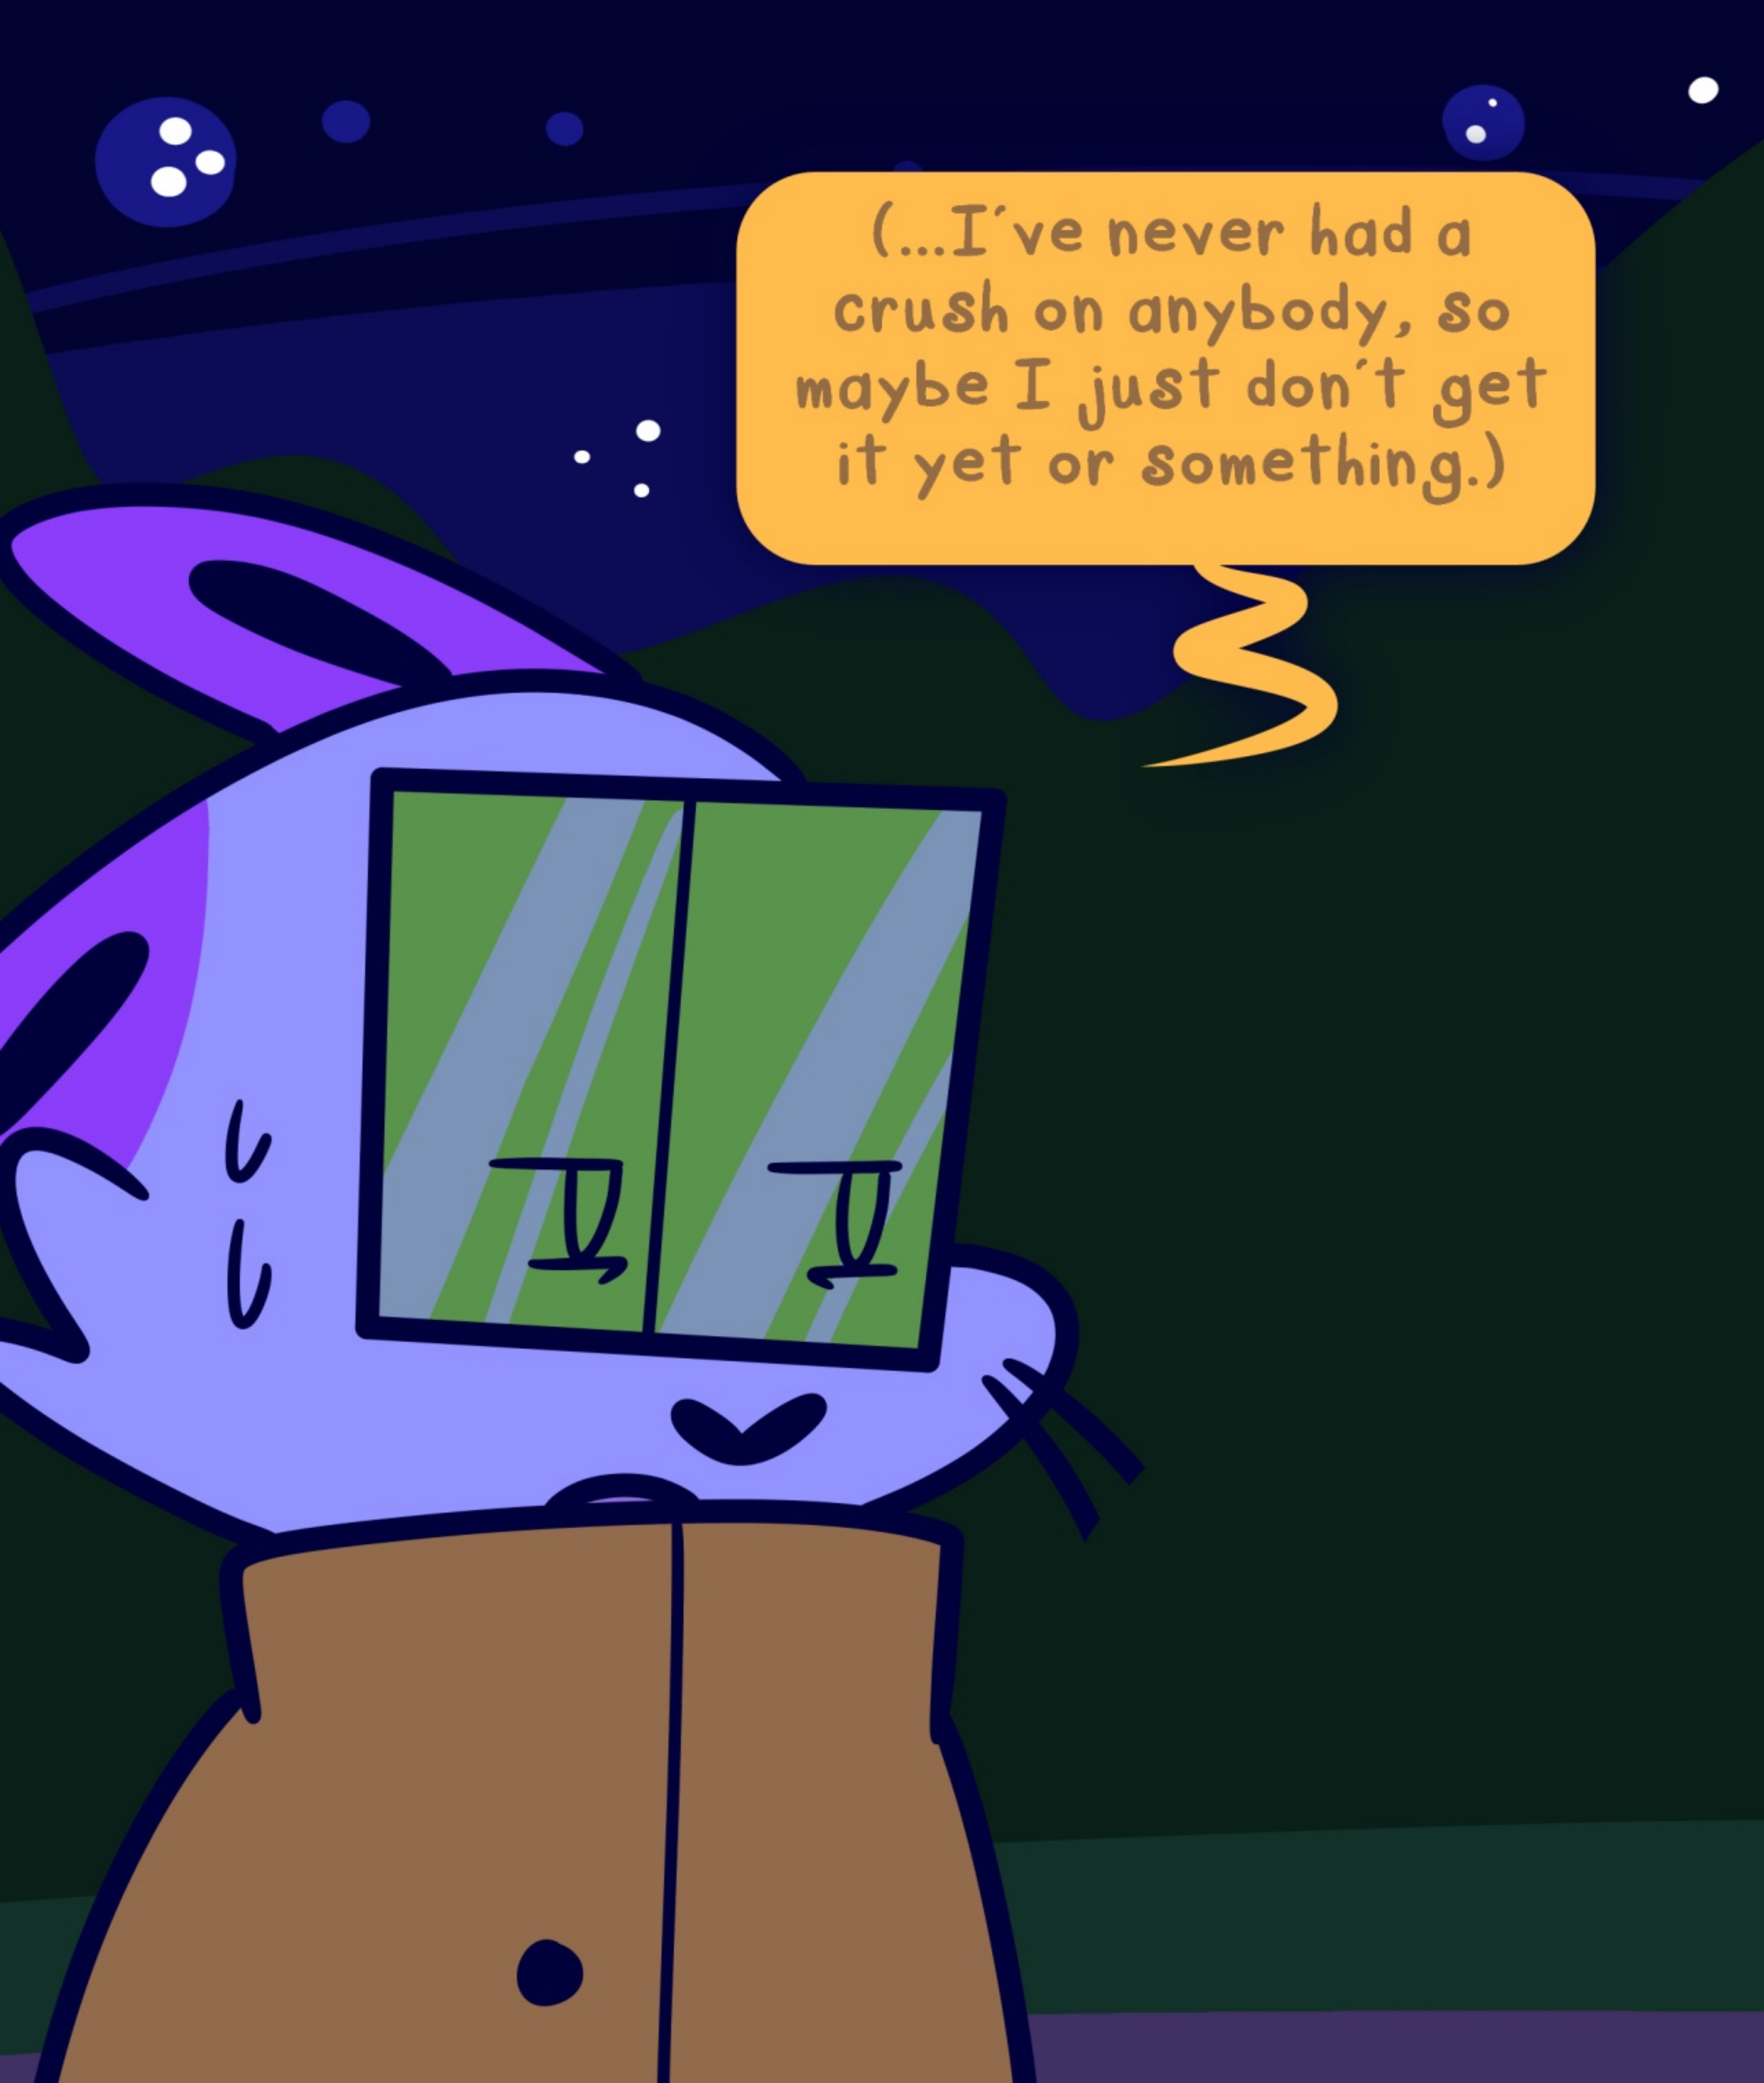
(Especially considering how obsessed she's been with finding this monster.)



(...I've never had a crush on anybody, so maybe I just don't get it yet or something.)

chem, maybe dont say anything. she seems nice and blair might freak out

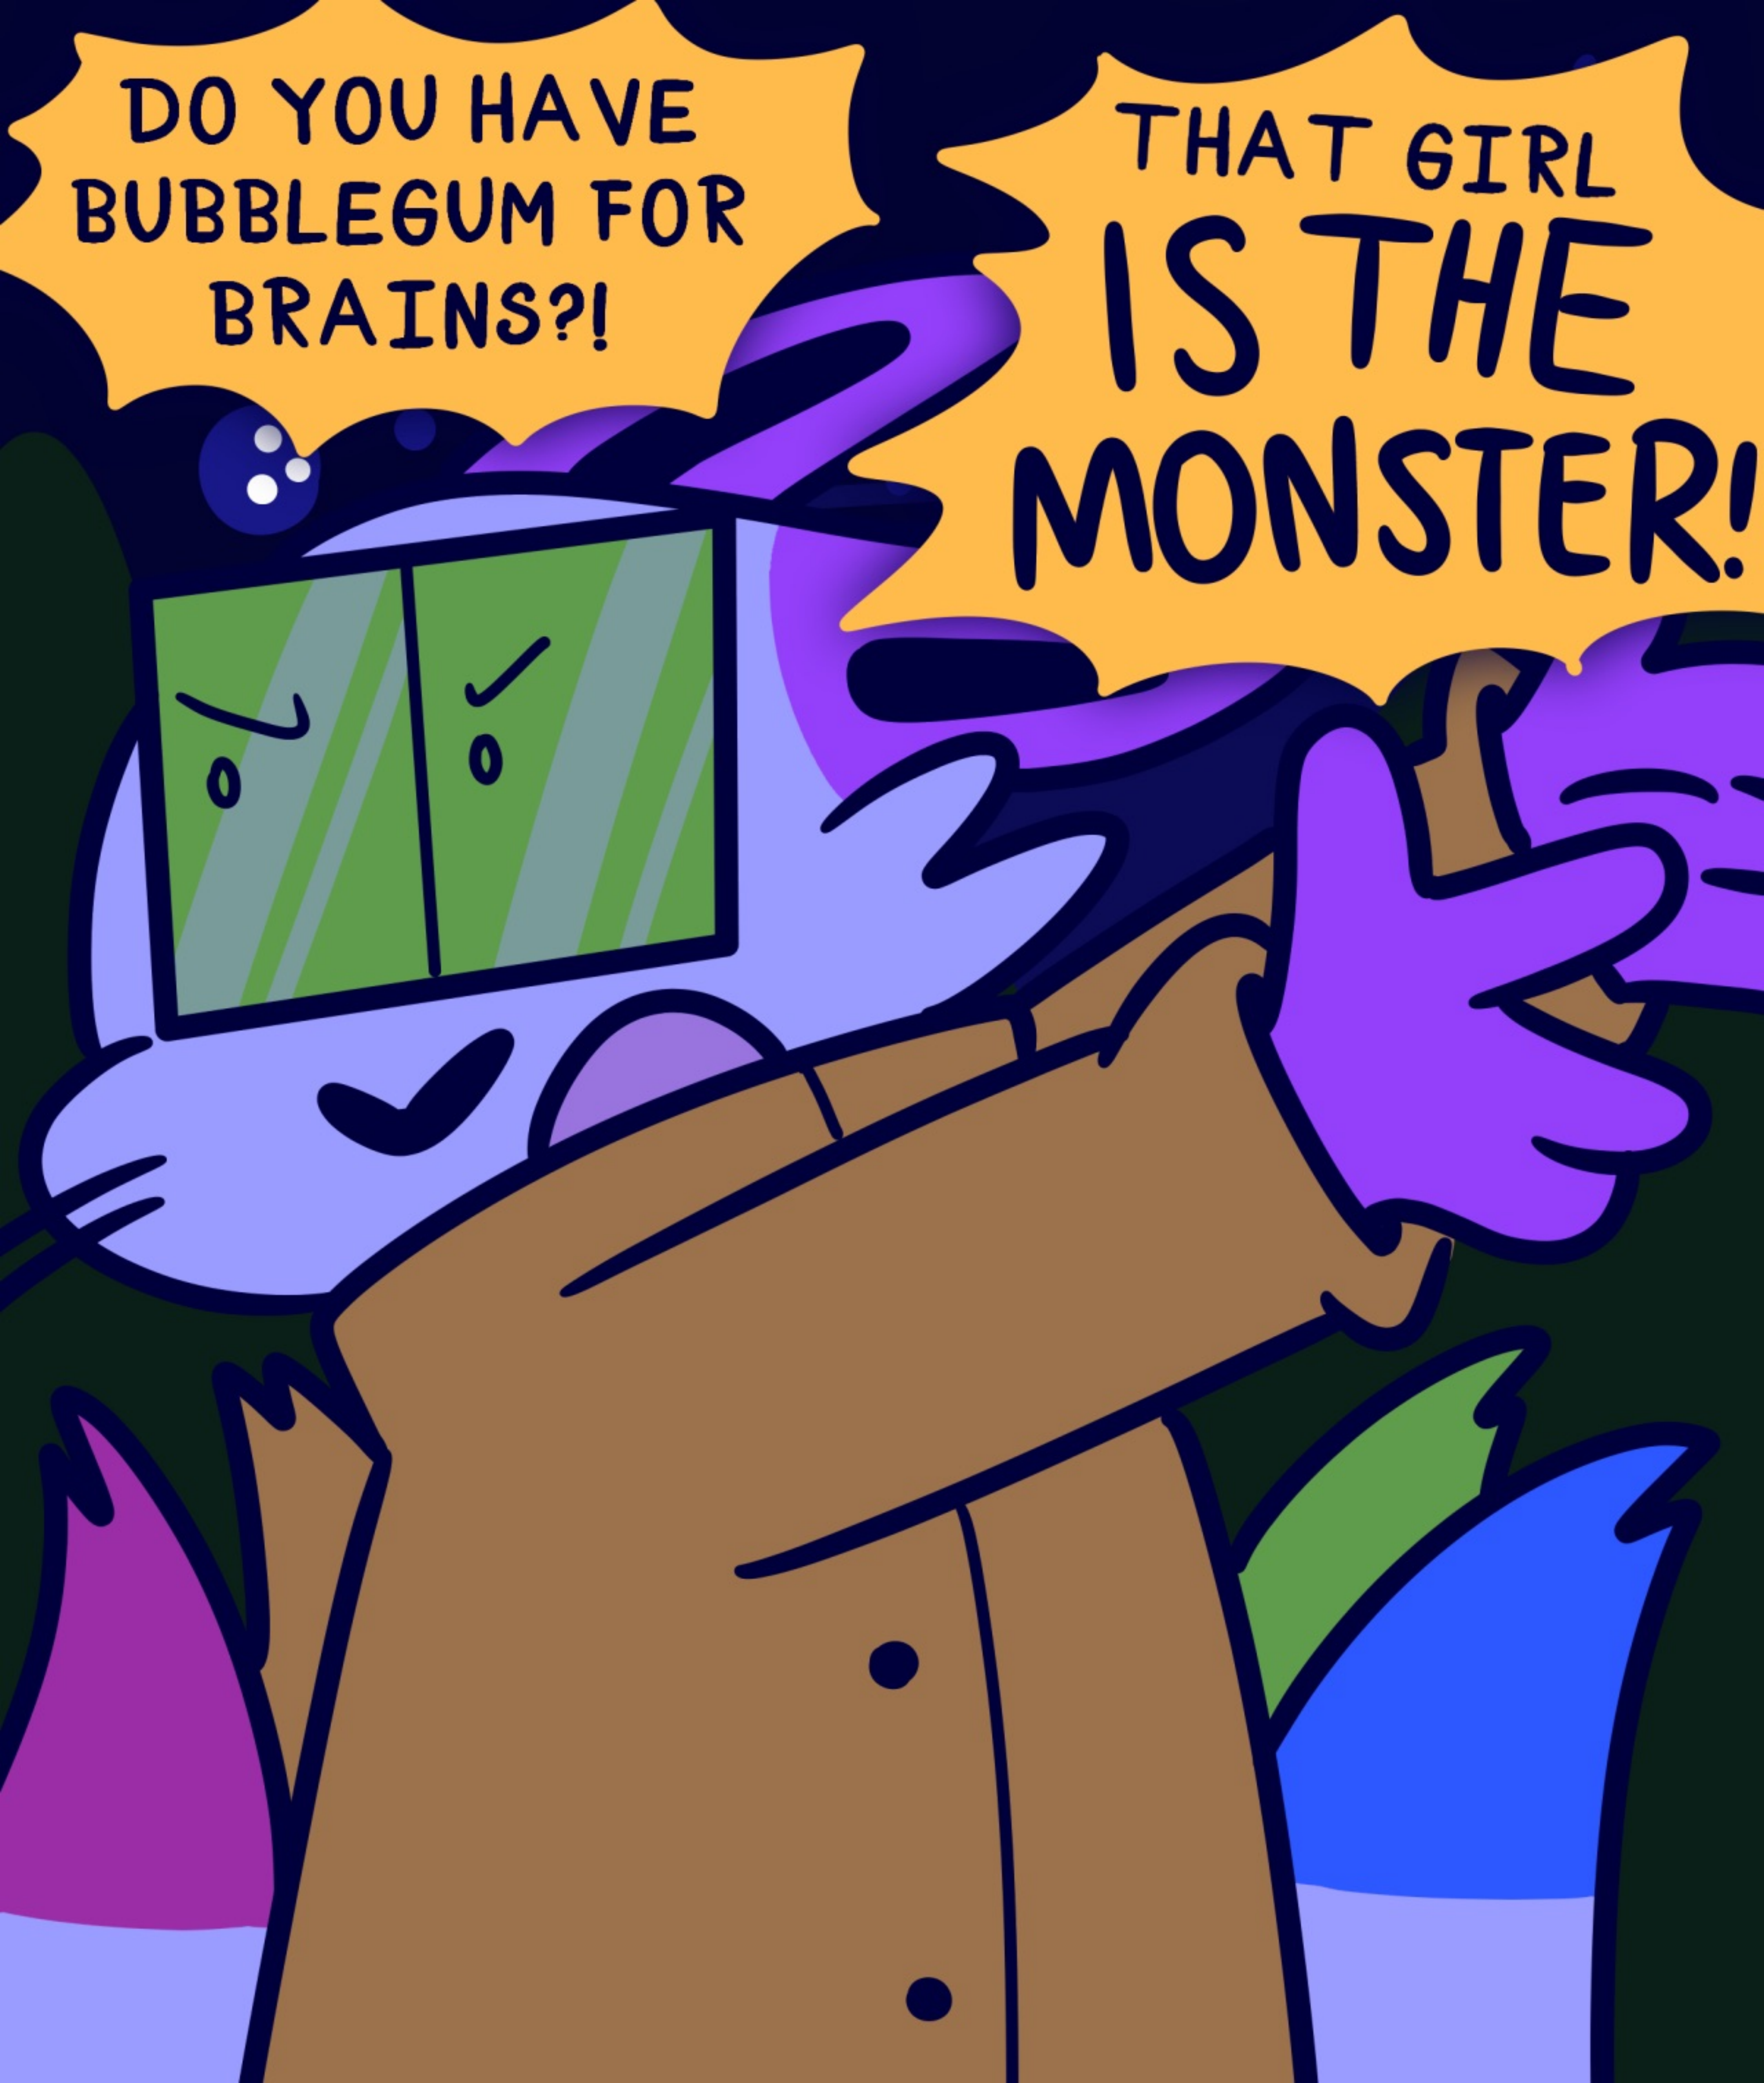
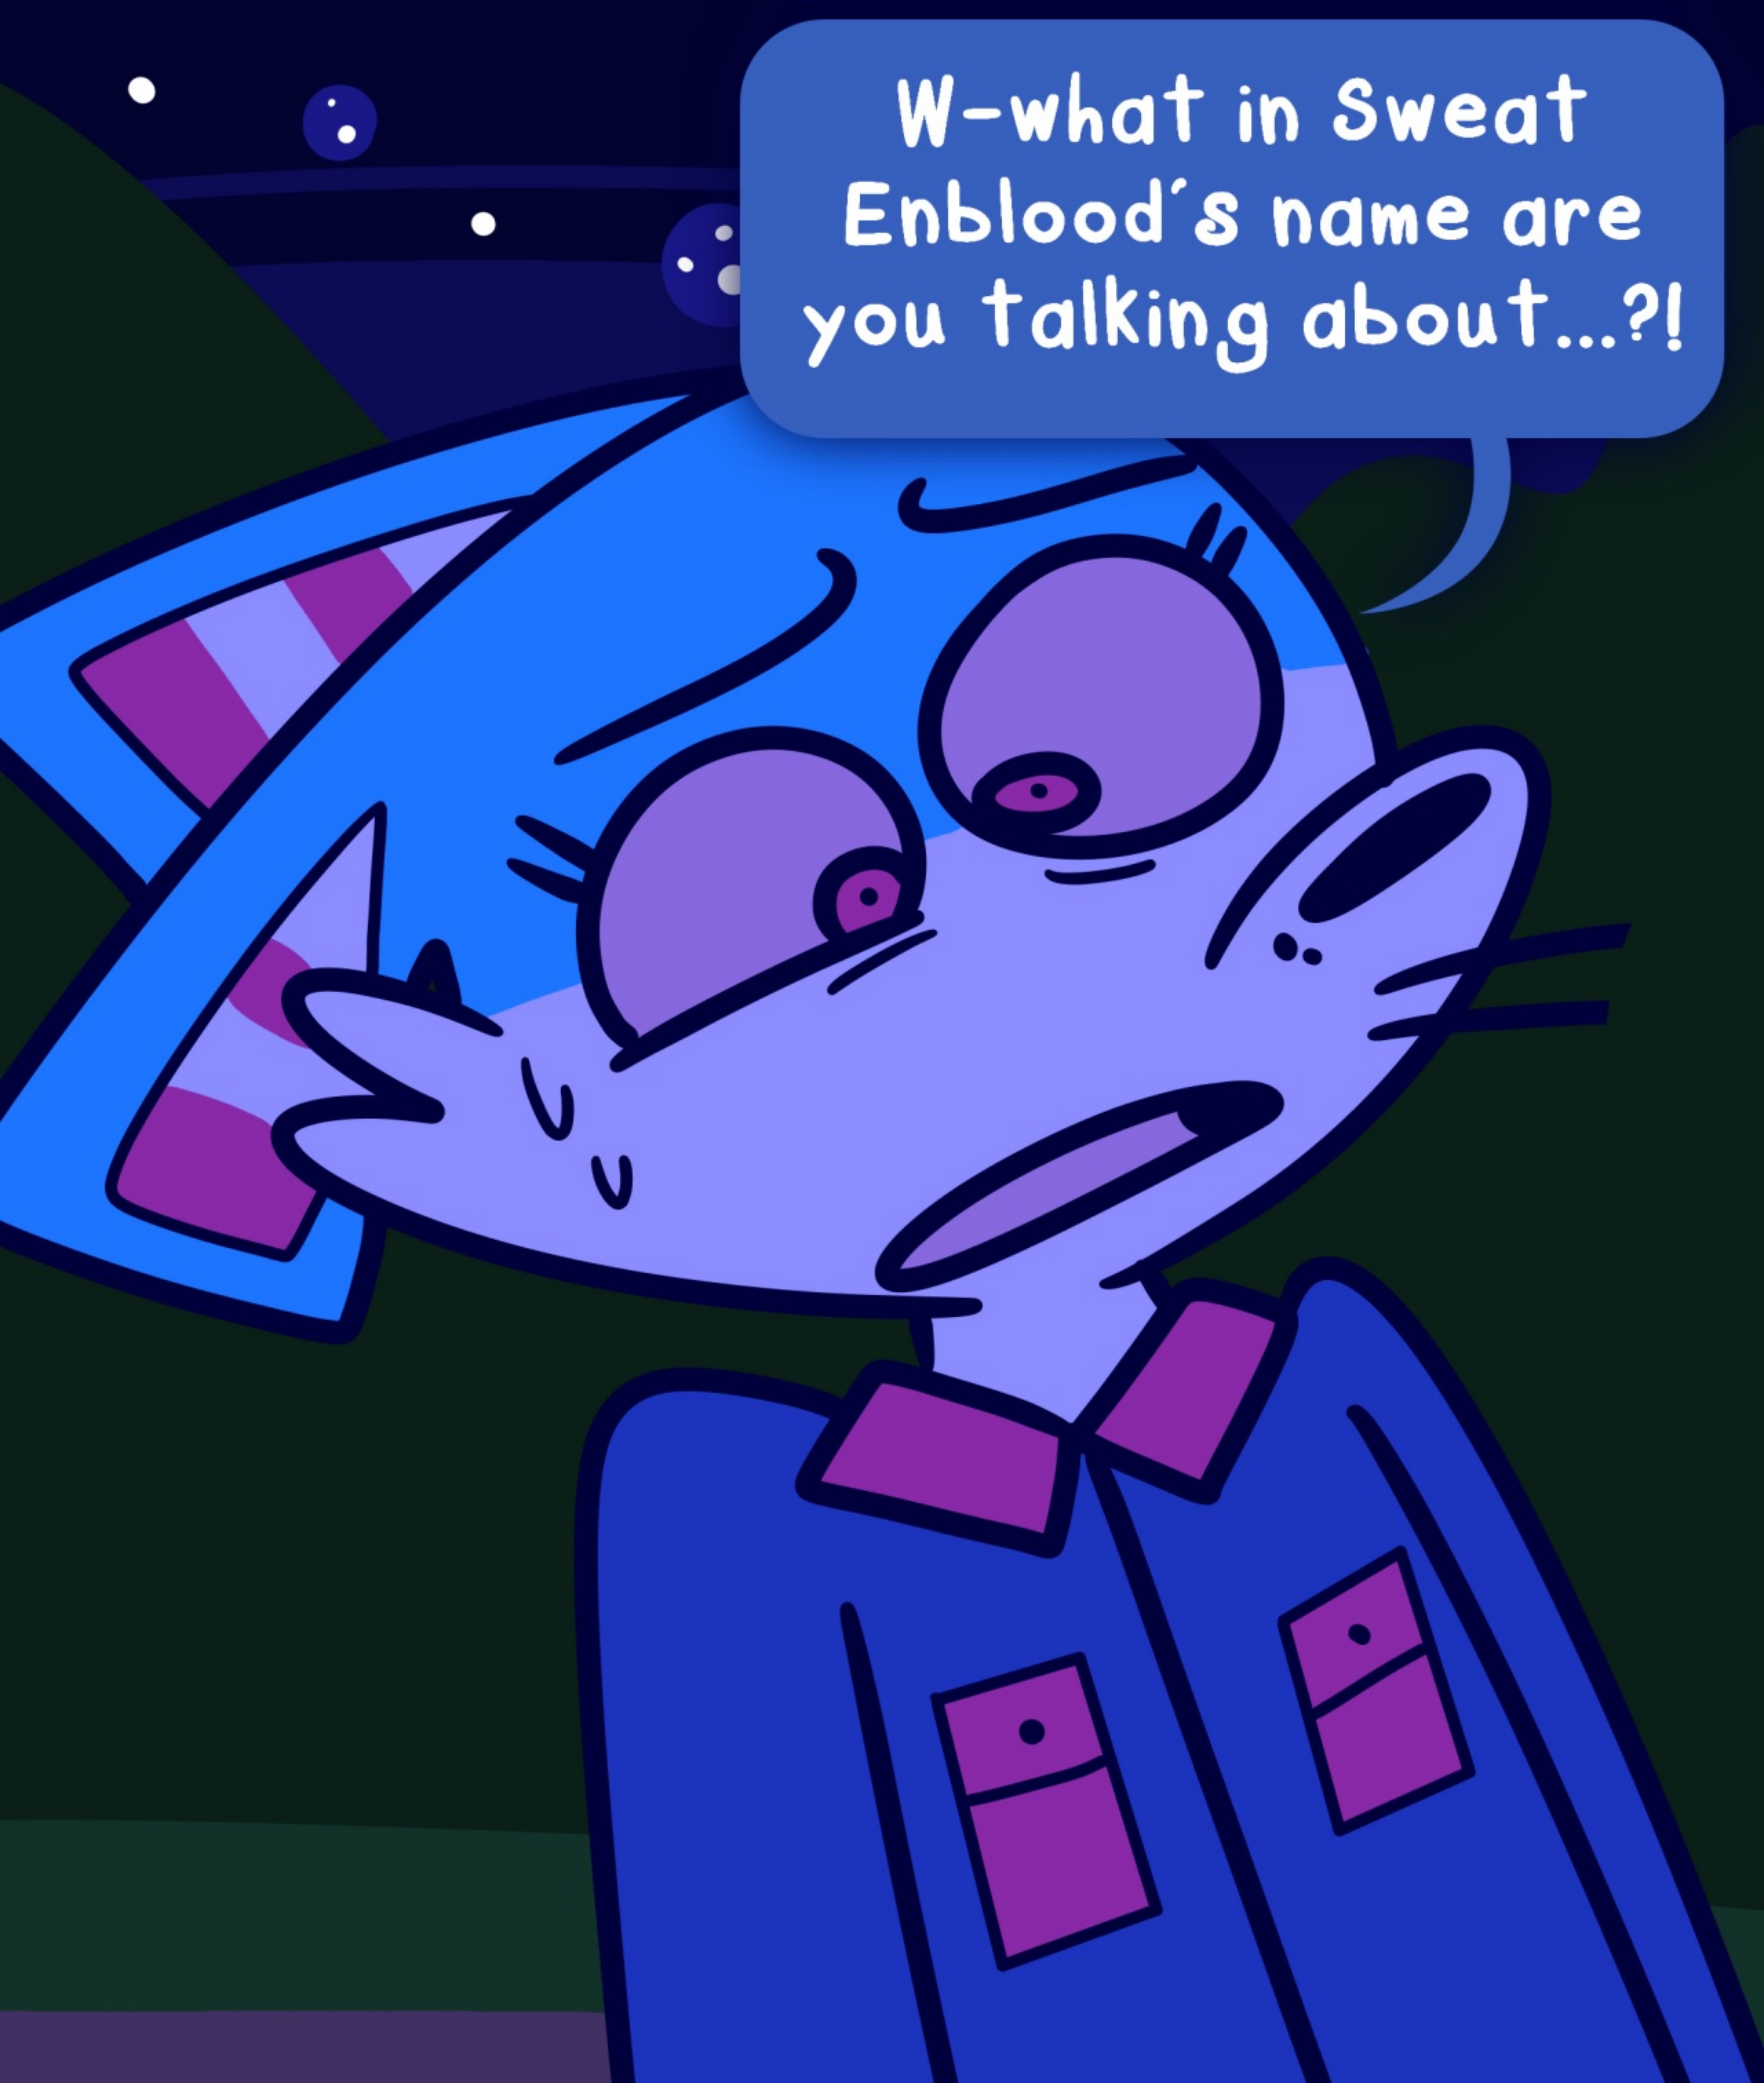
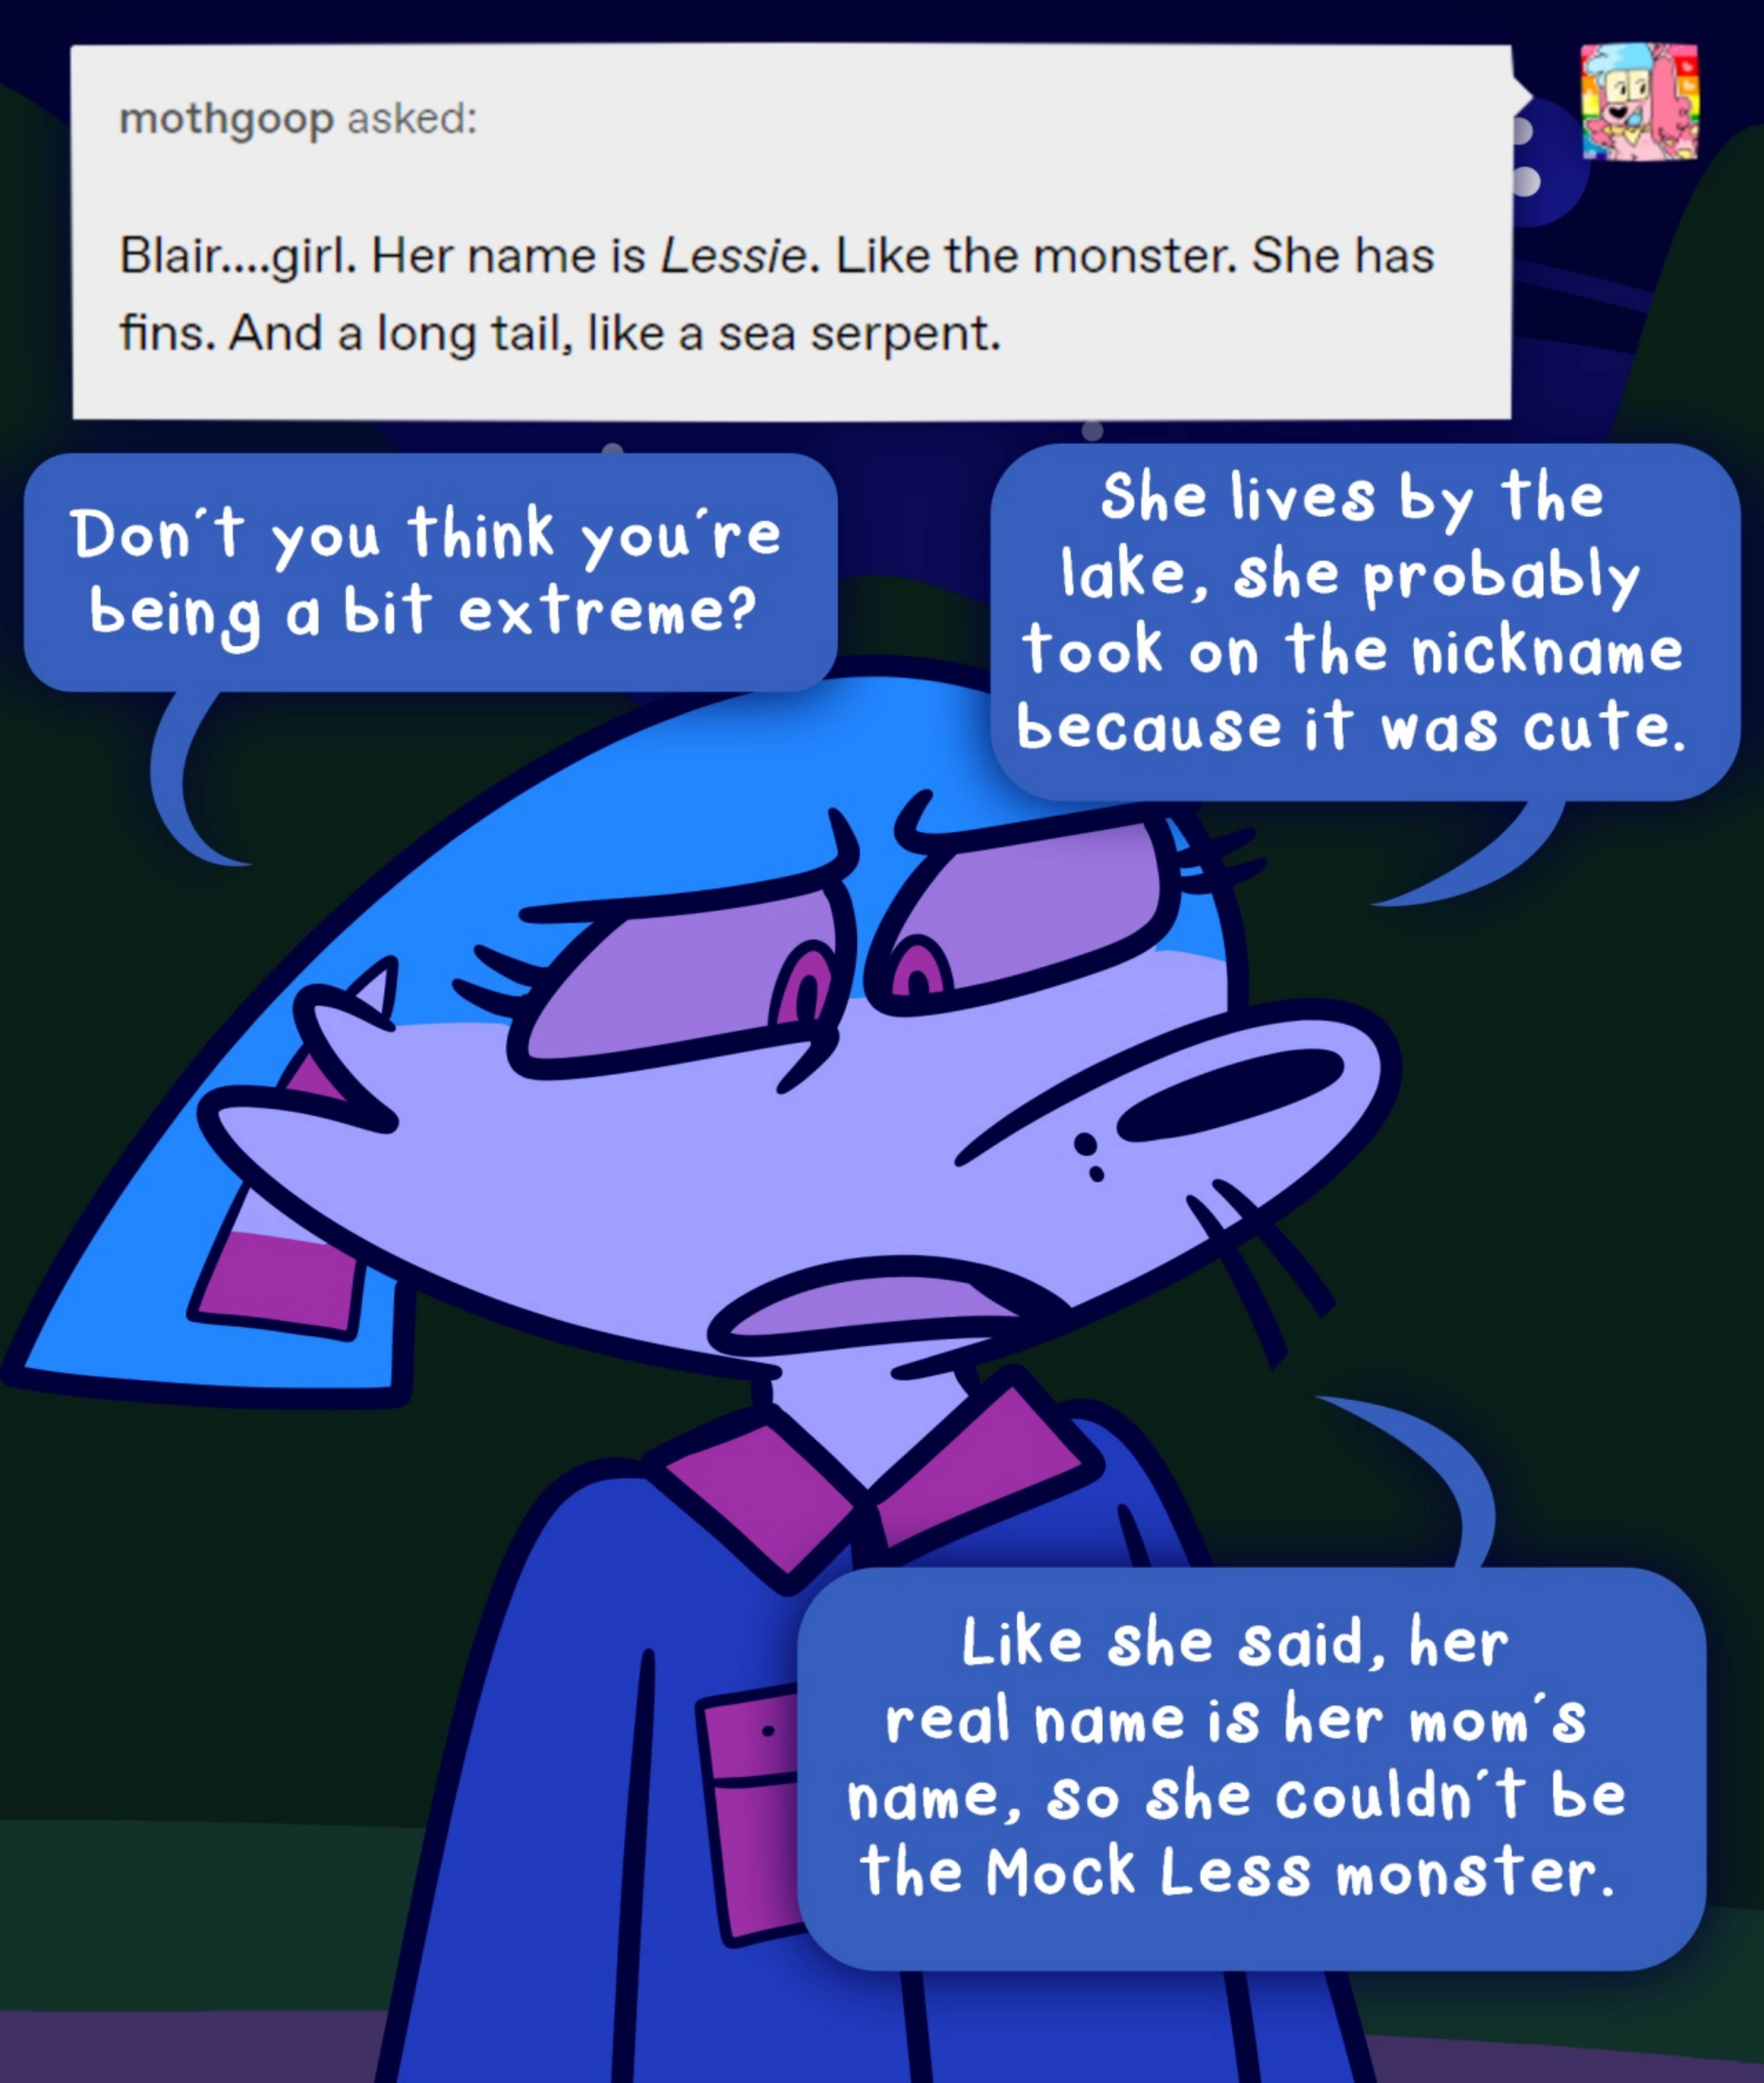
SNAP OUT OF IT, GAY PERSON!!!!



DO YOU HAVE BUBBLEGUM FOR BRAINS?!
THAT GIRL IS THE MONSTER!



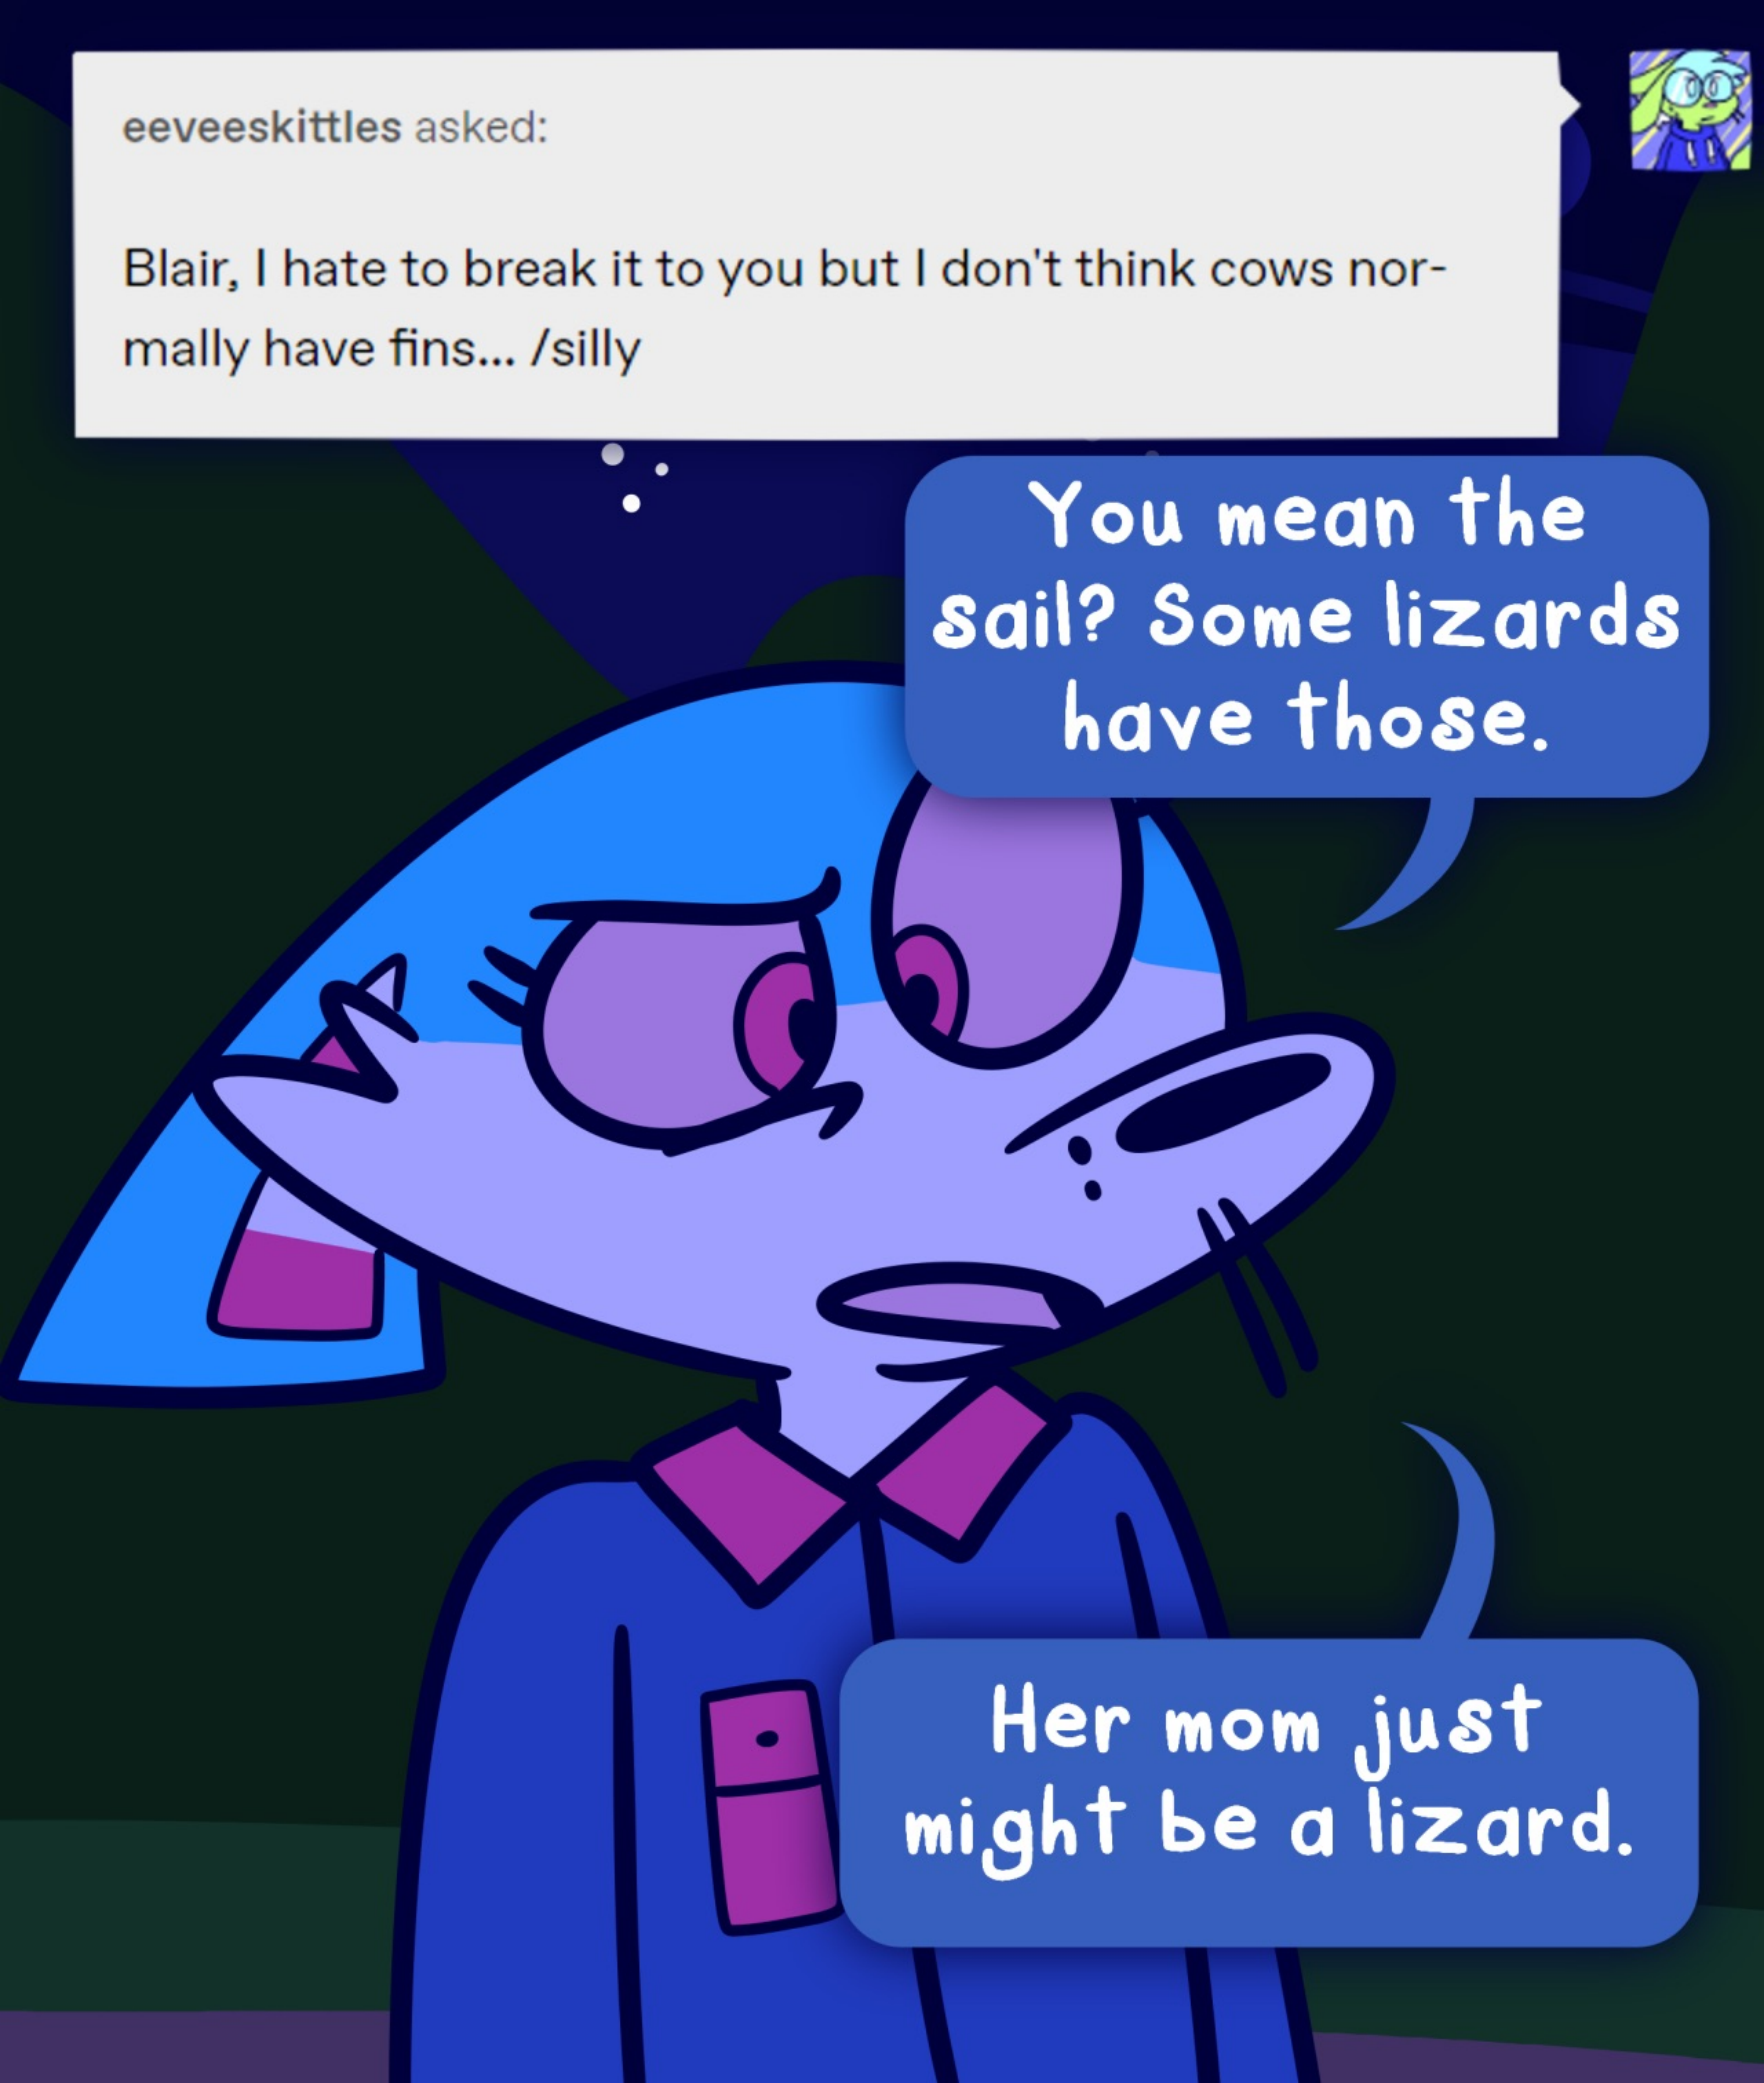
W-what in Sweat Enblood's name are you talking about...?!



mothgoop asked:

Blair....girl. Her name is *Lessie*. Like the monster. She has fins. And a long tail, like a sea serpent.

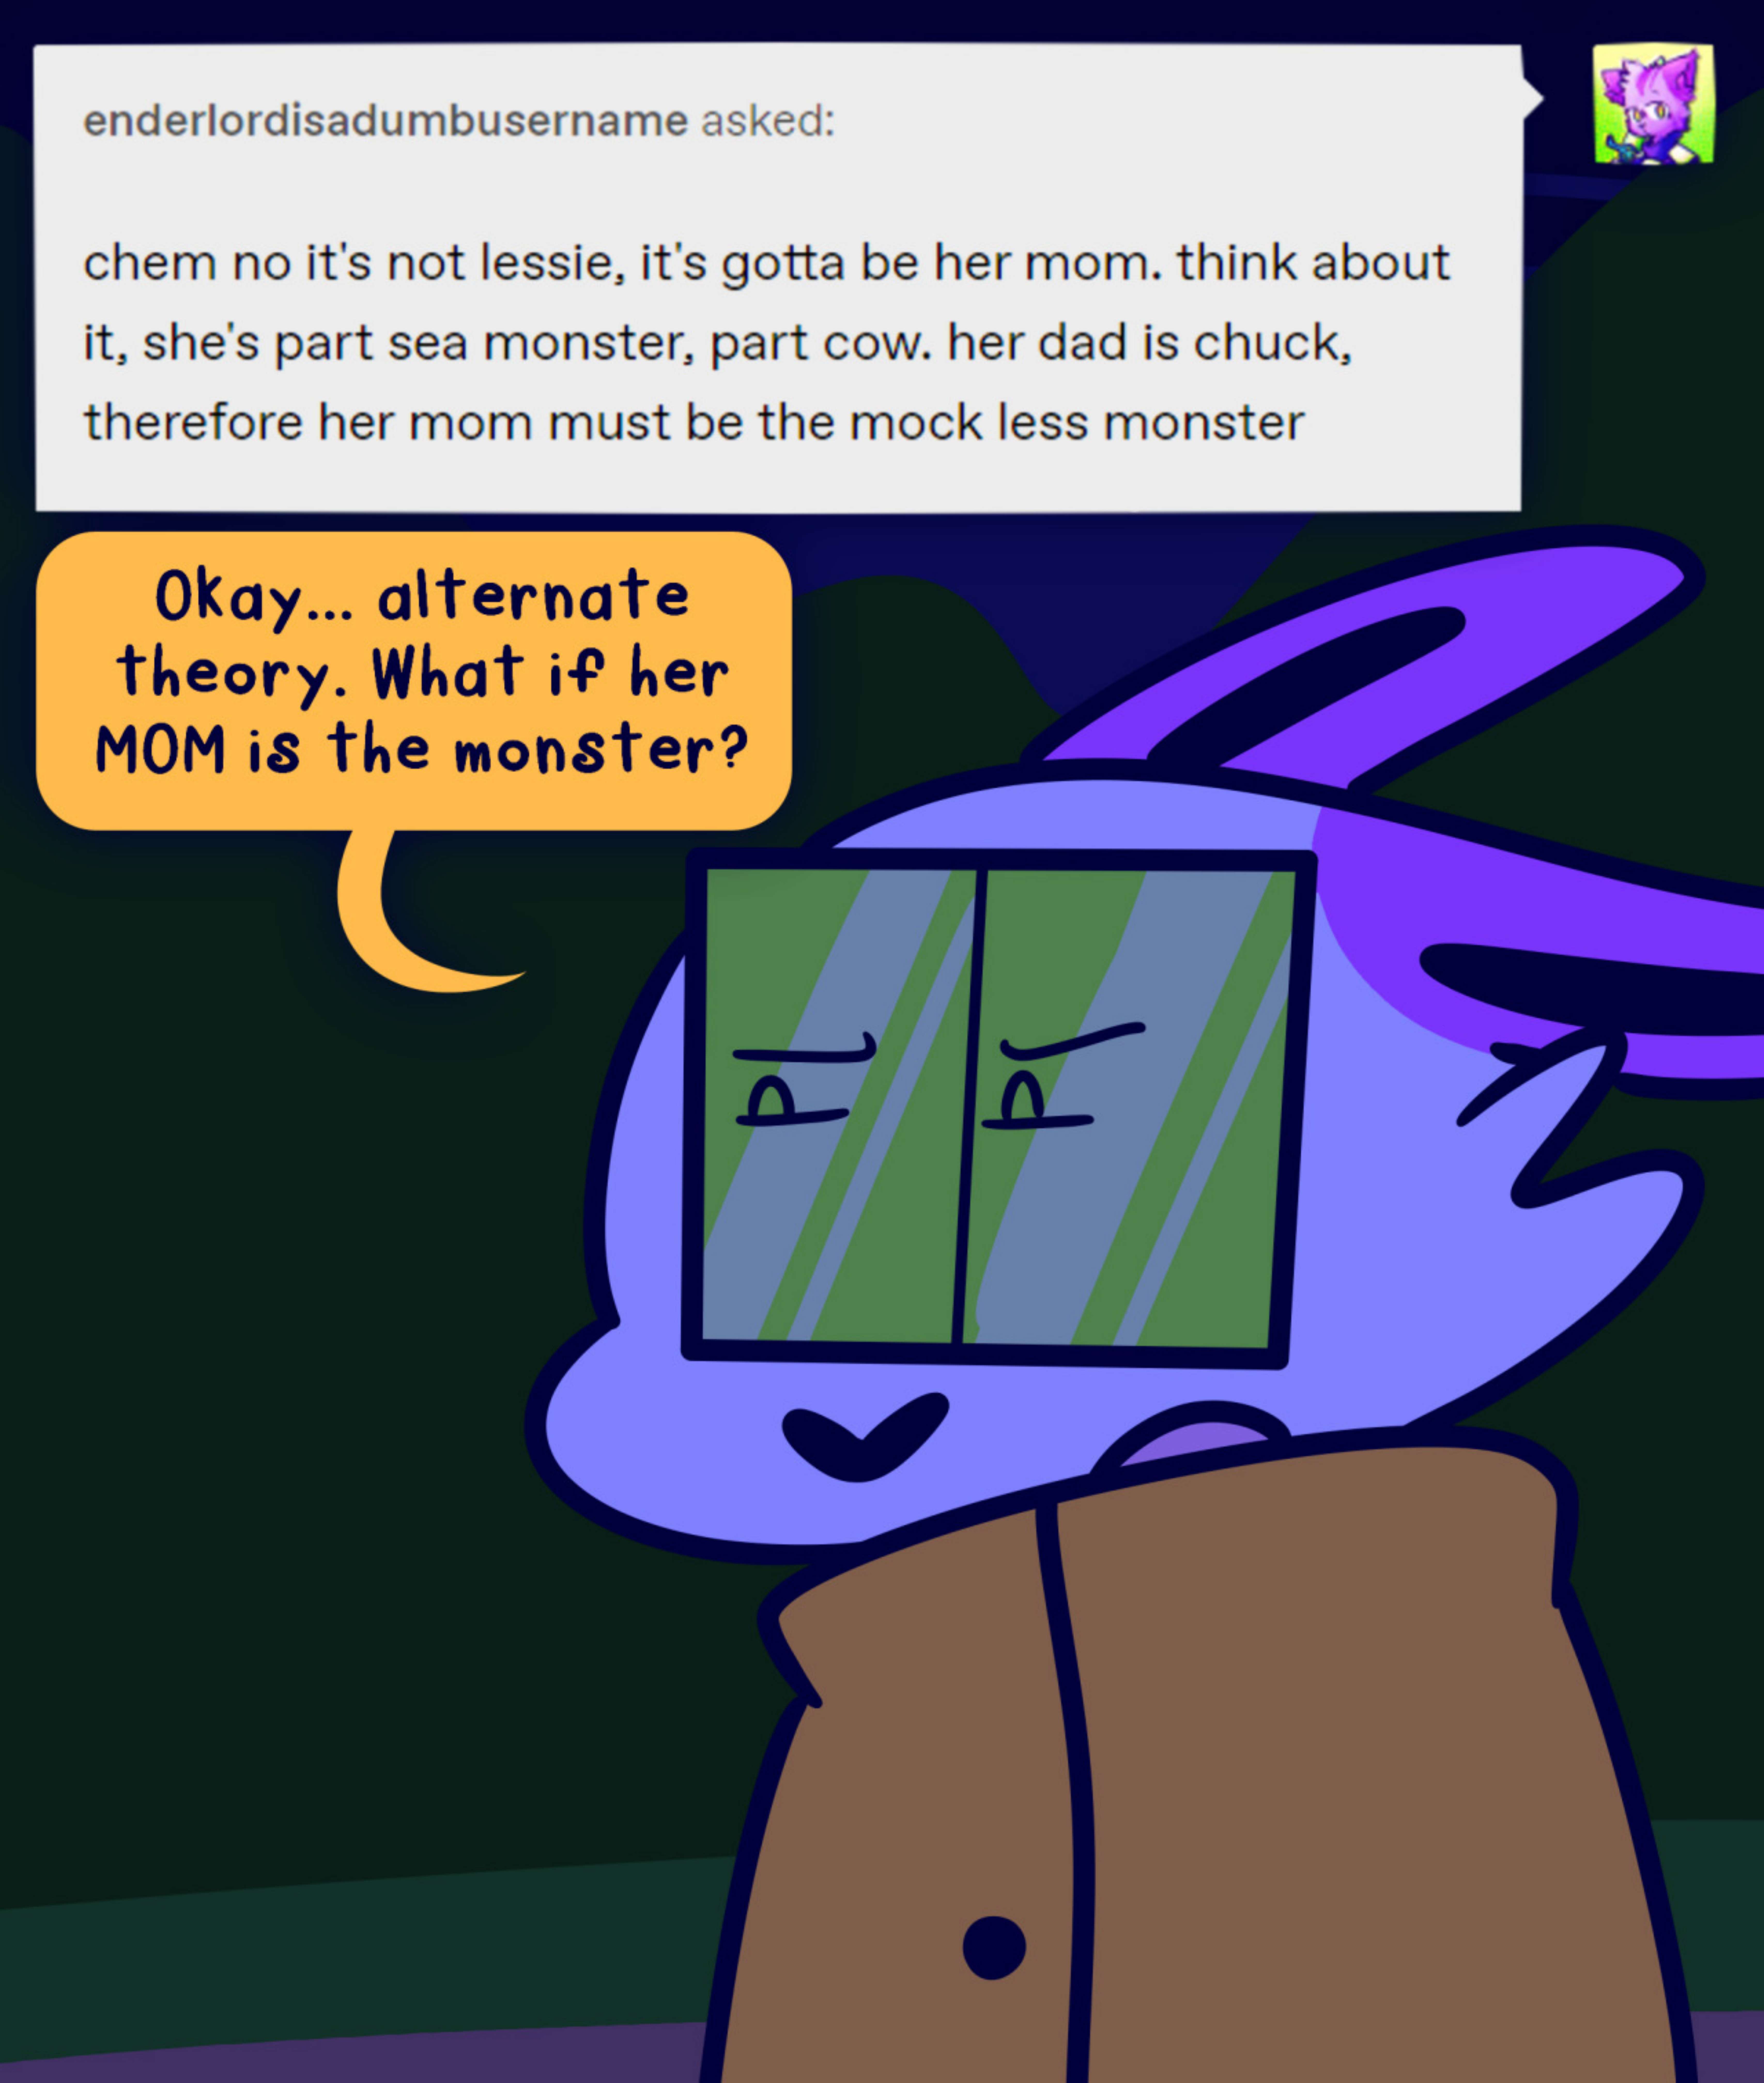
Don't you think you're being a bit extreme?
She lives by the lake, she probably took on the nickname because it was cute.
Like she said, her real name is her mom's name, so she couldn't be the Mock Less monster.



eeveeskittles asked:

Blair, I hate to break it to you but I don't think cows normally have fins... /silly

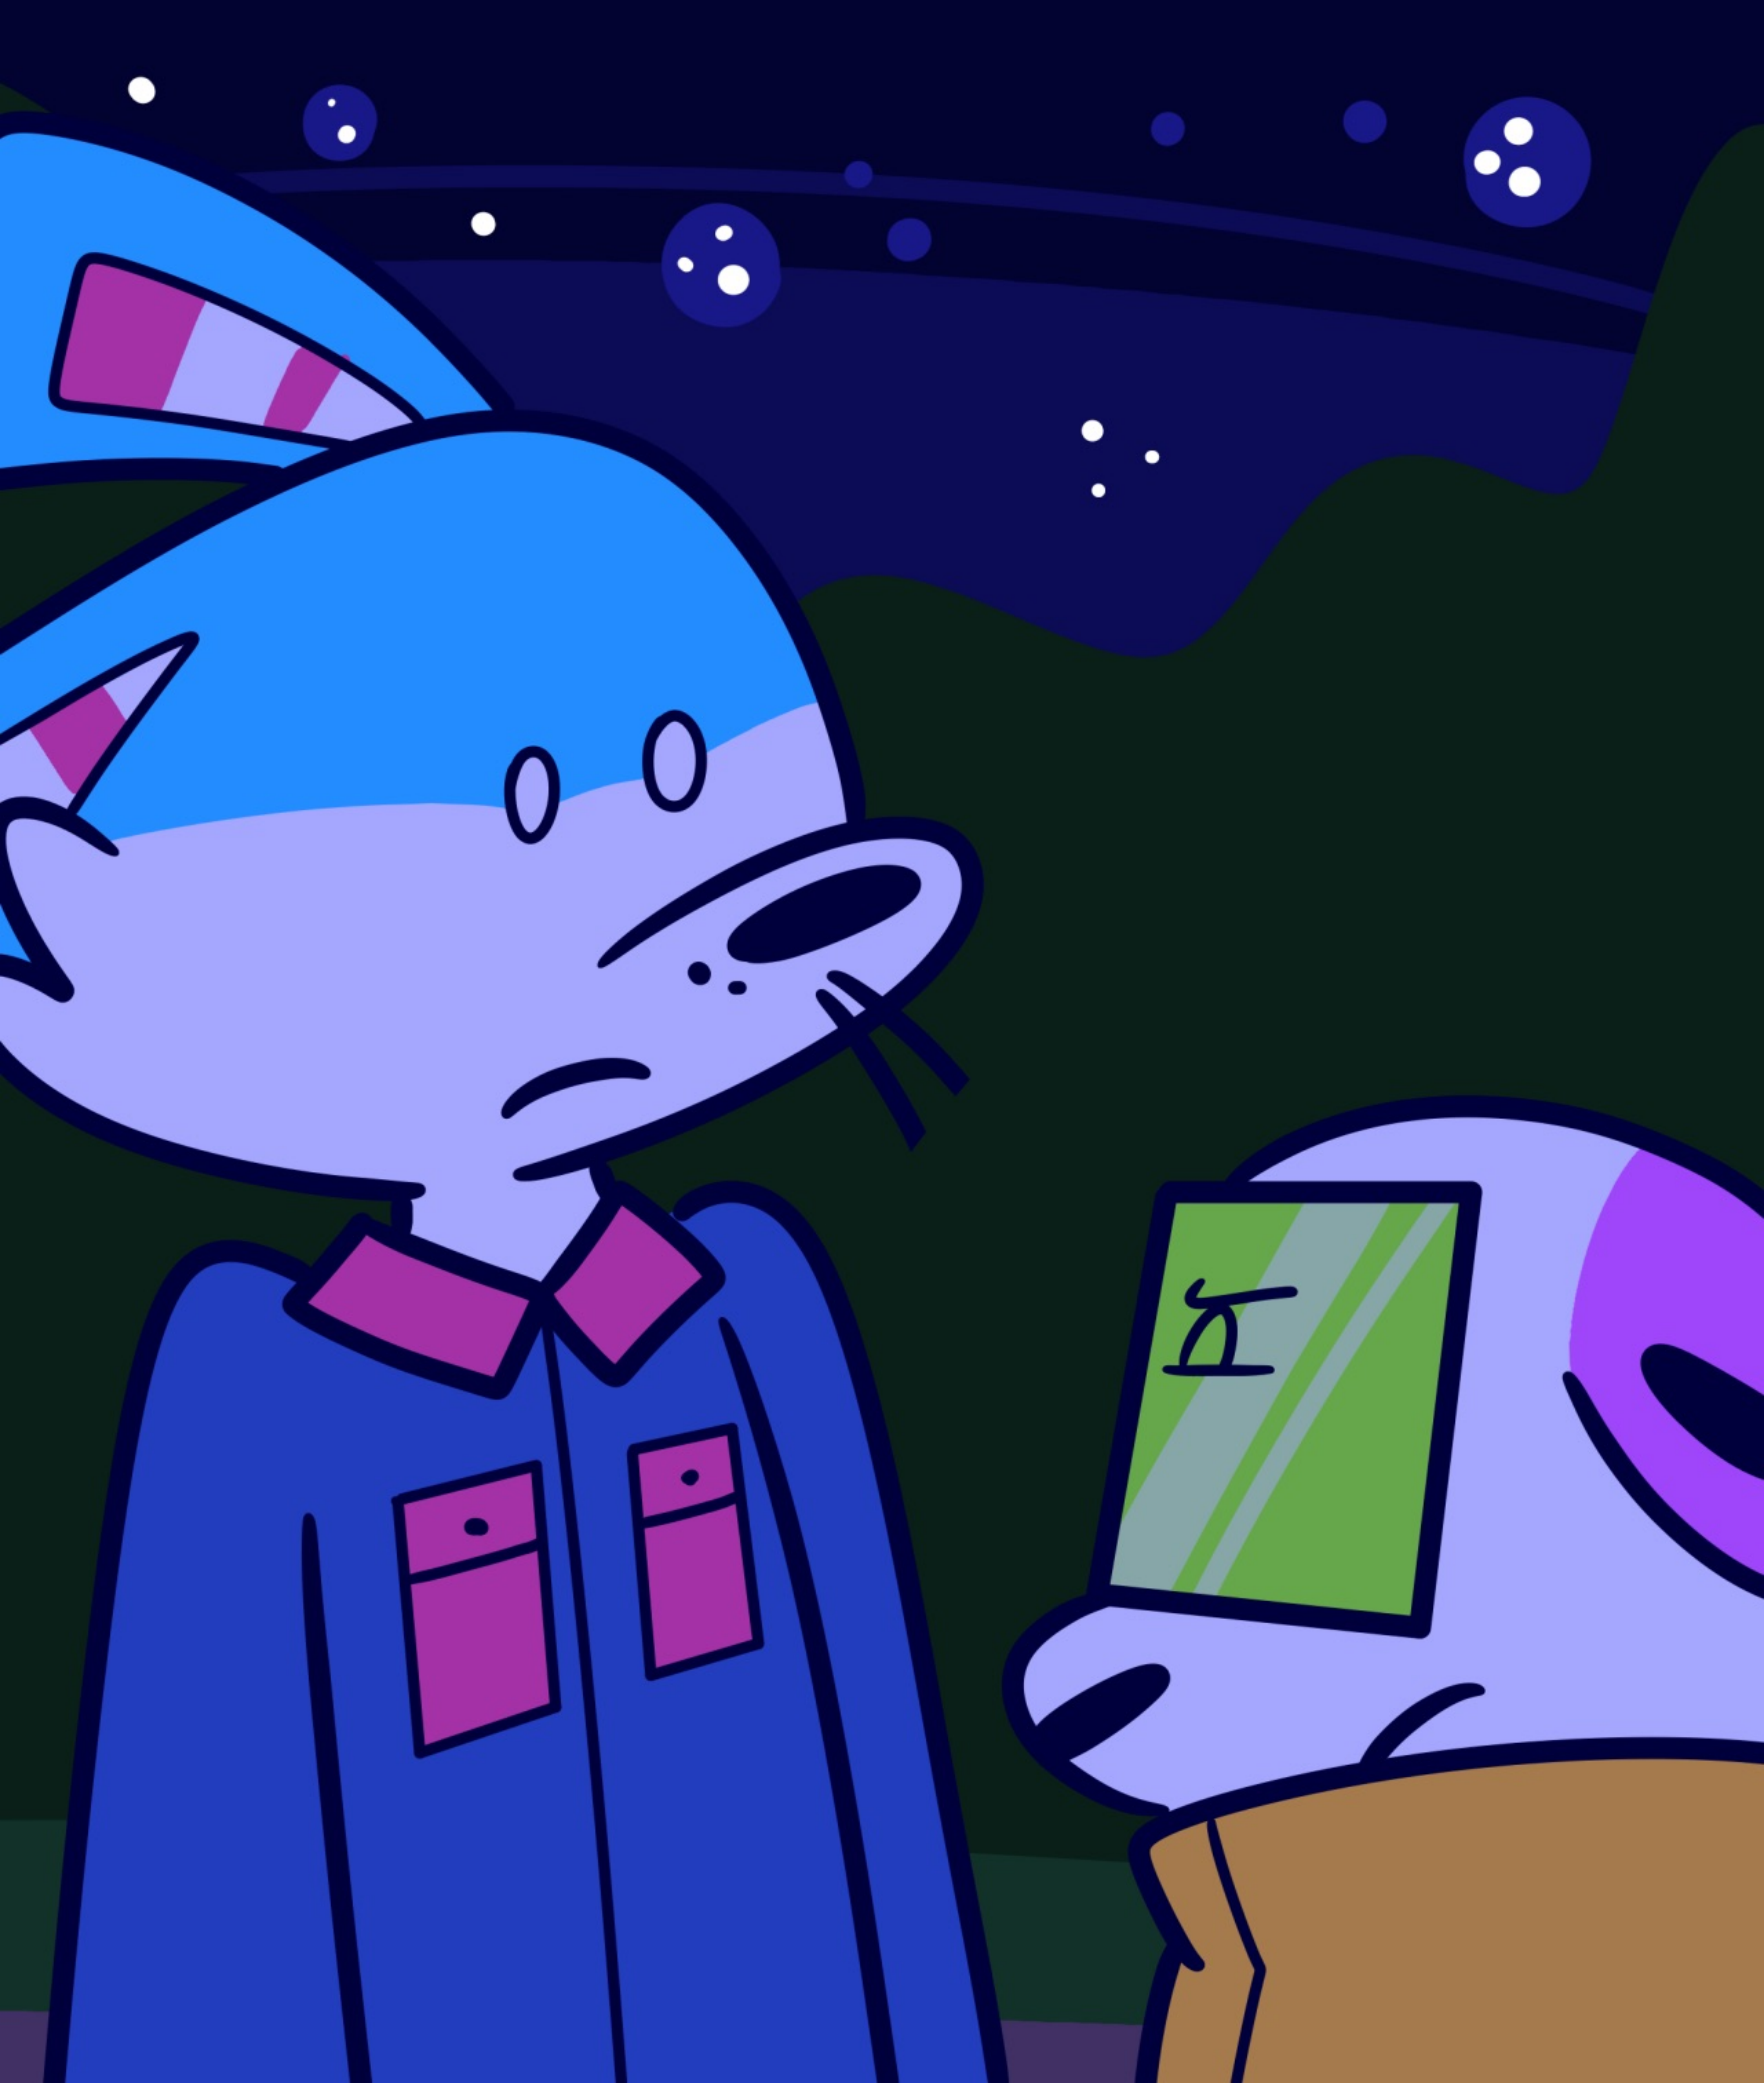
You mean the sail? Some lizards have those.
Her mom just might be a lizard.

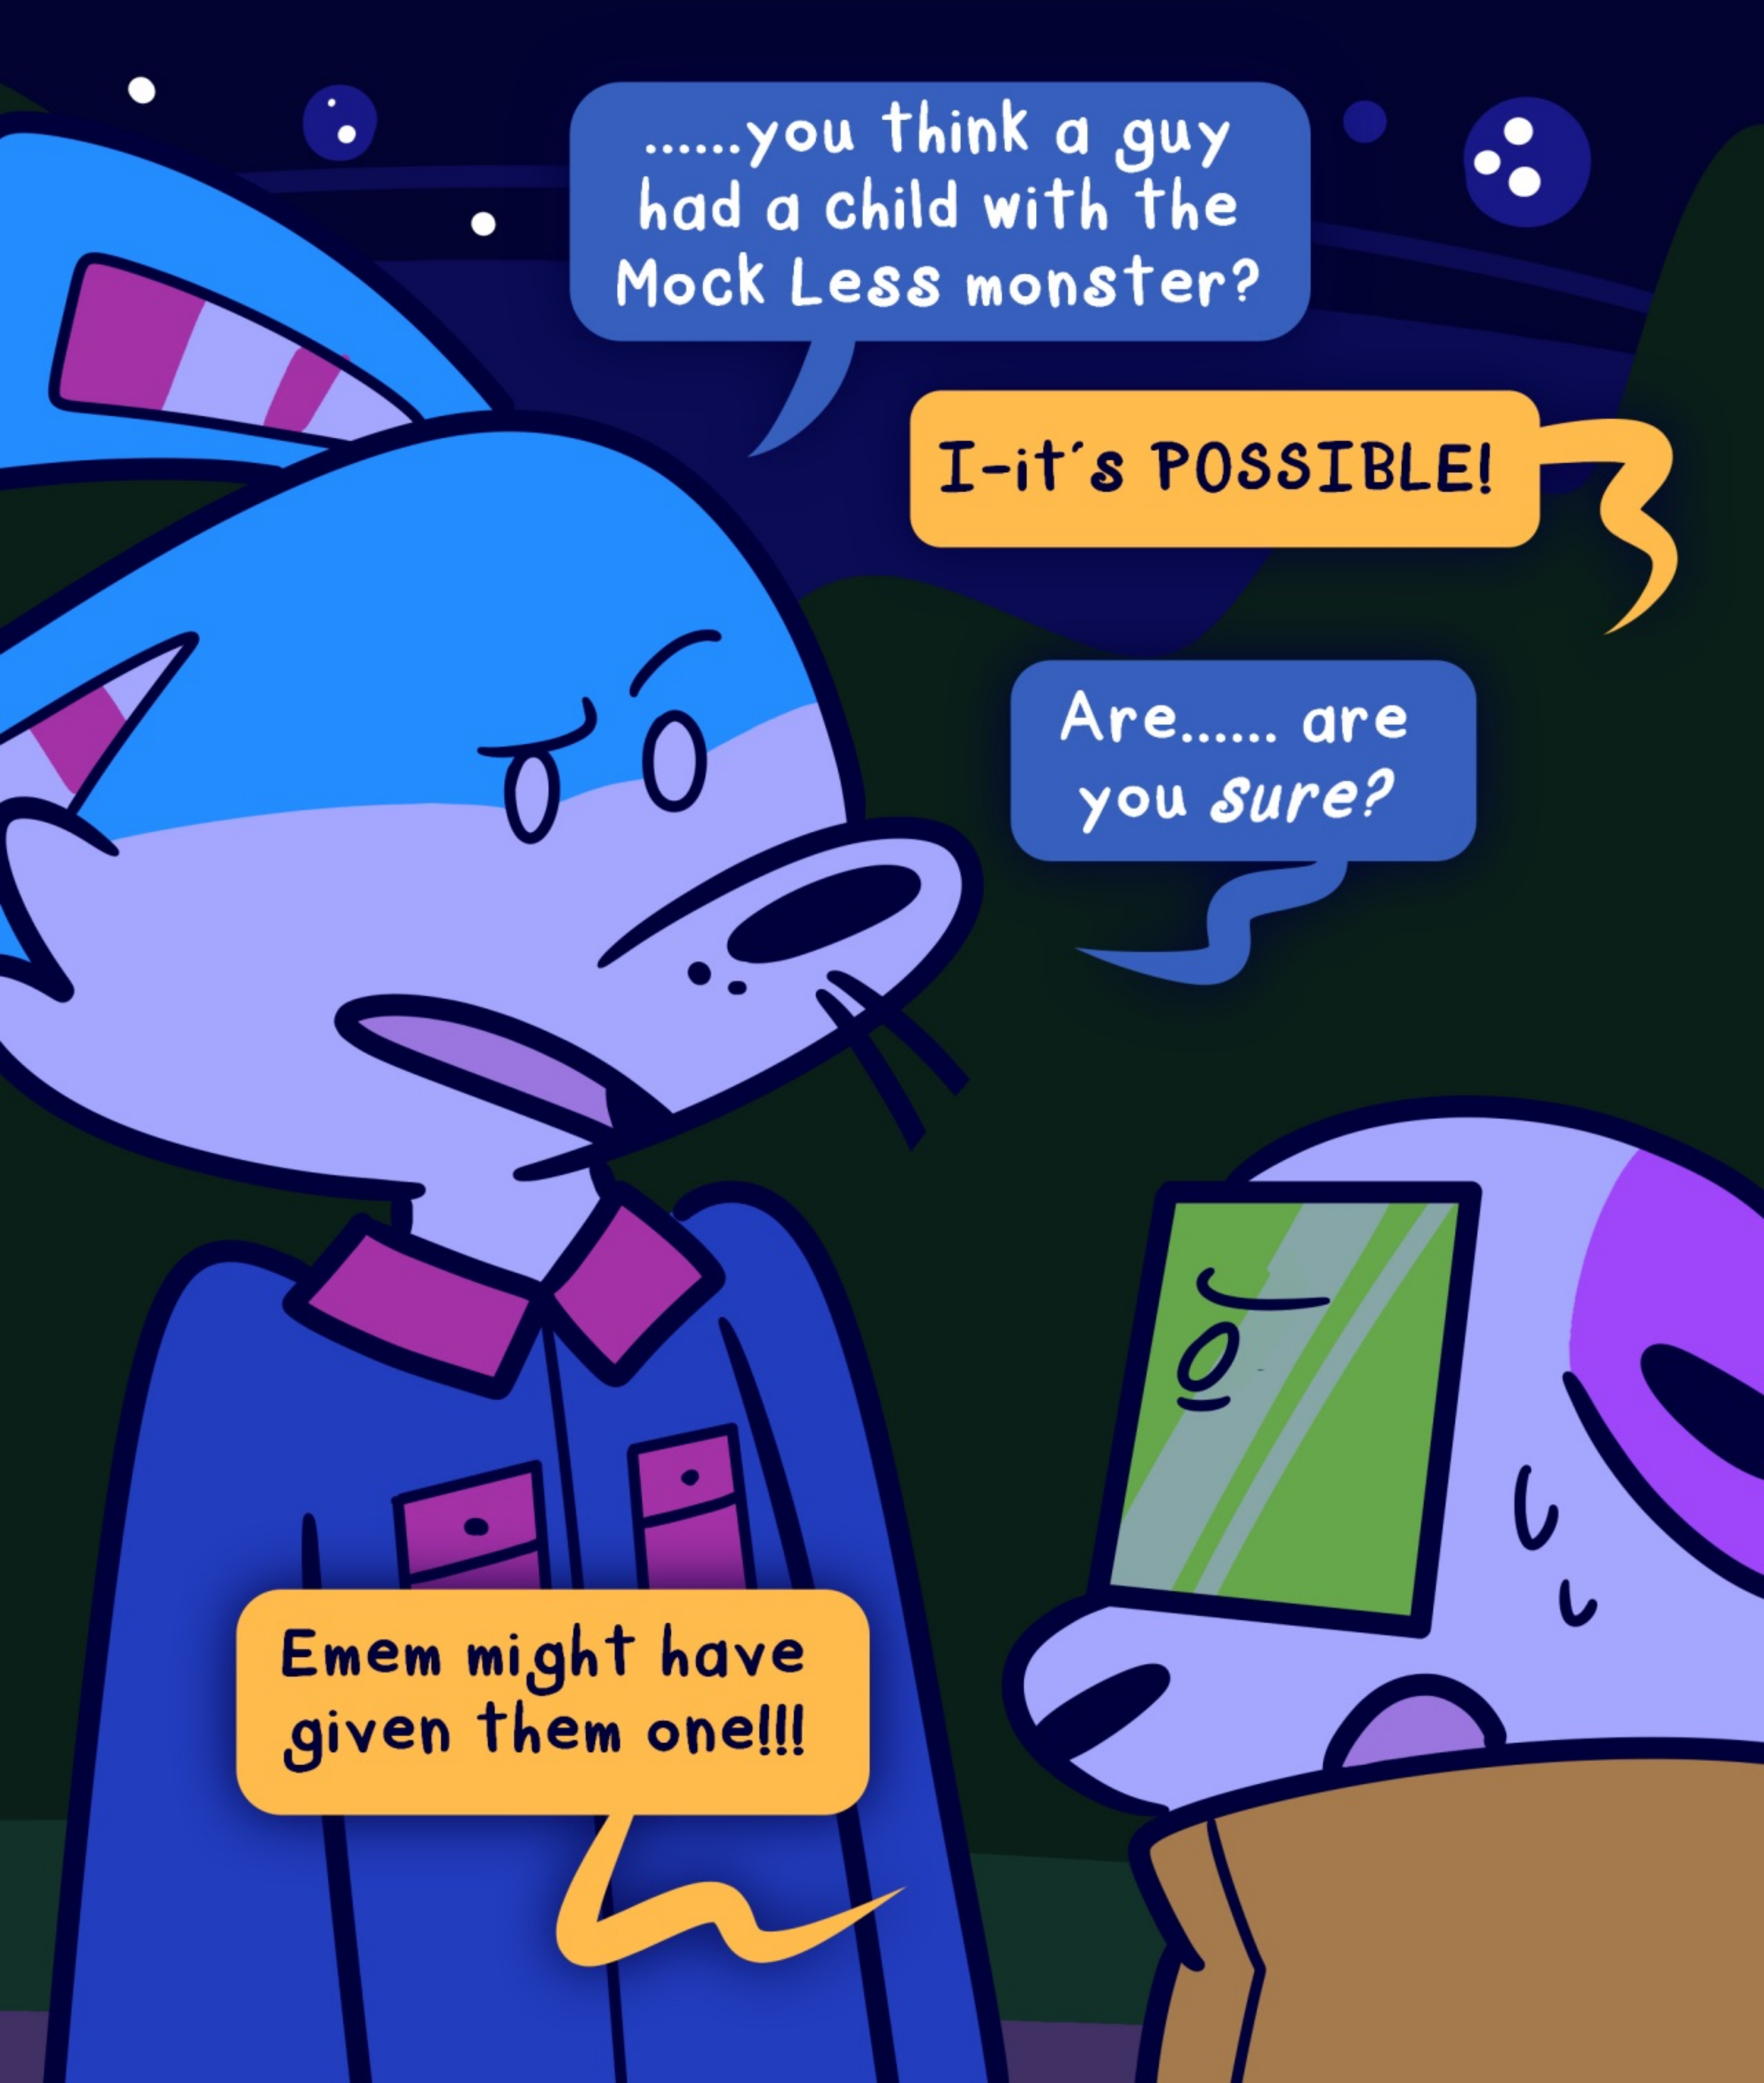


enderlordisadumbusername asked:

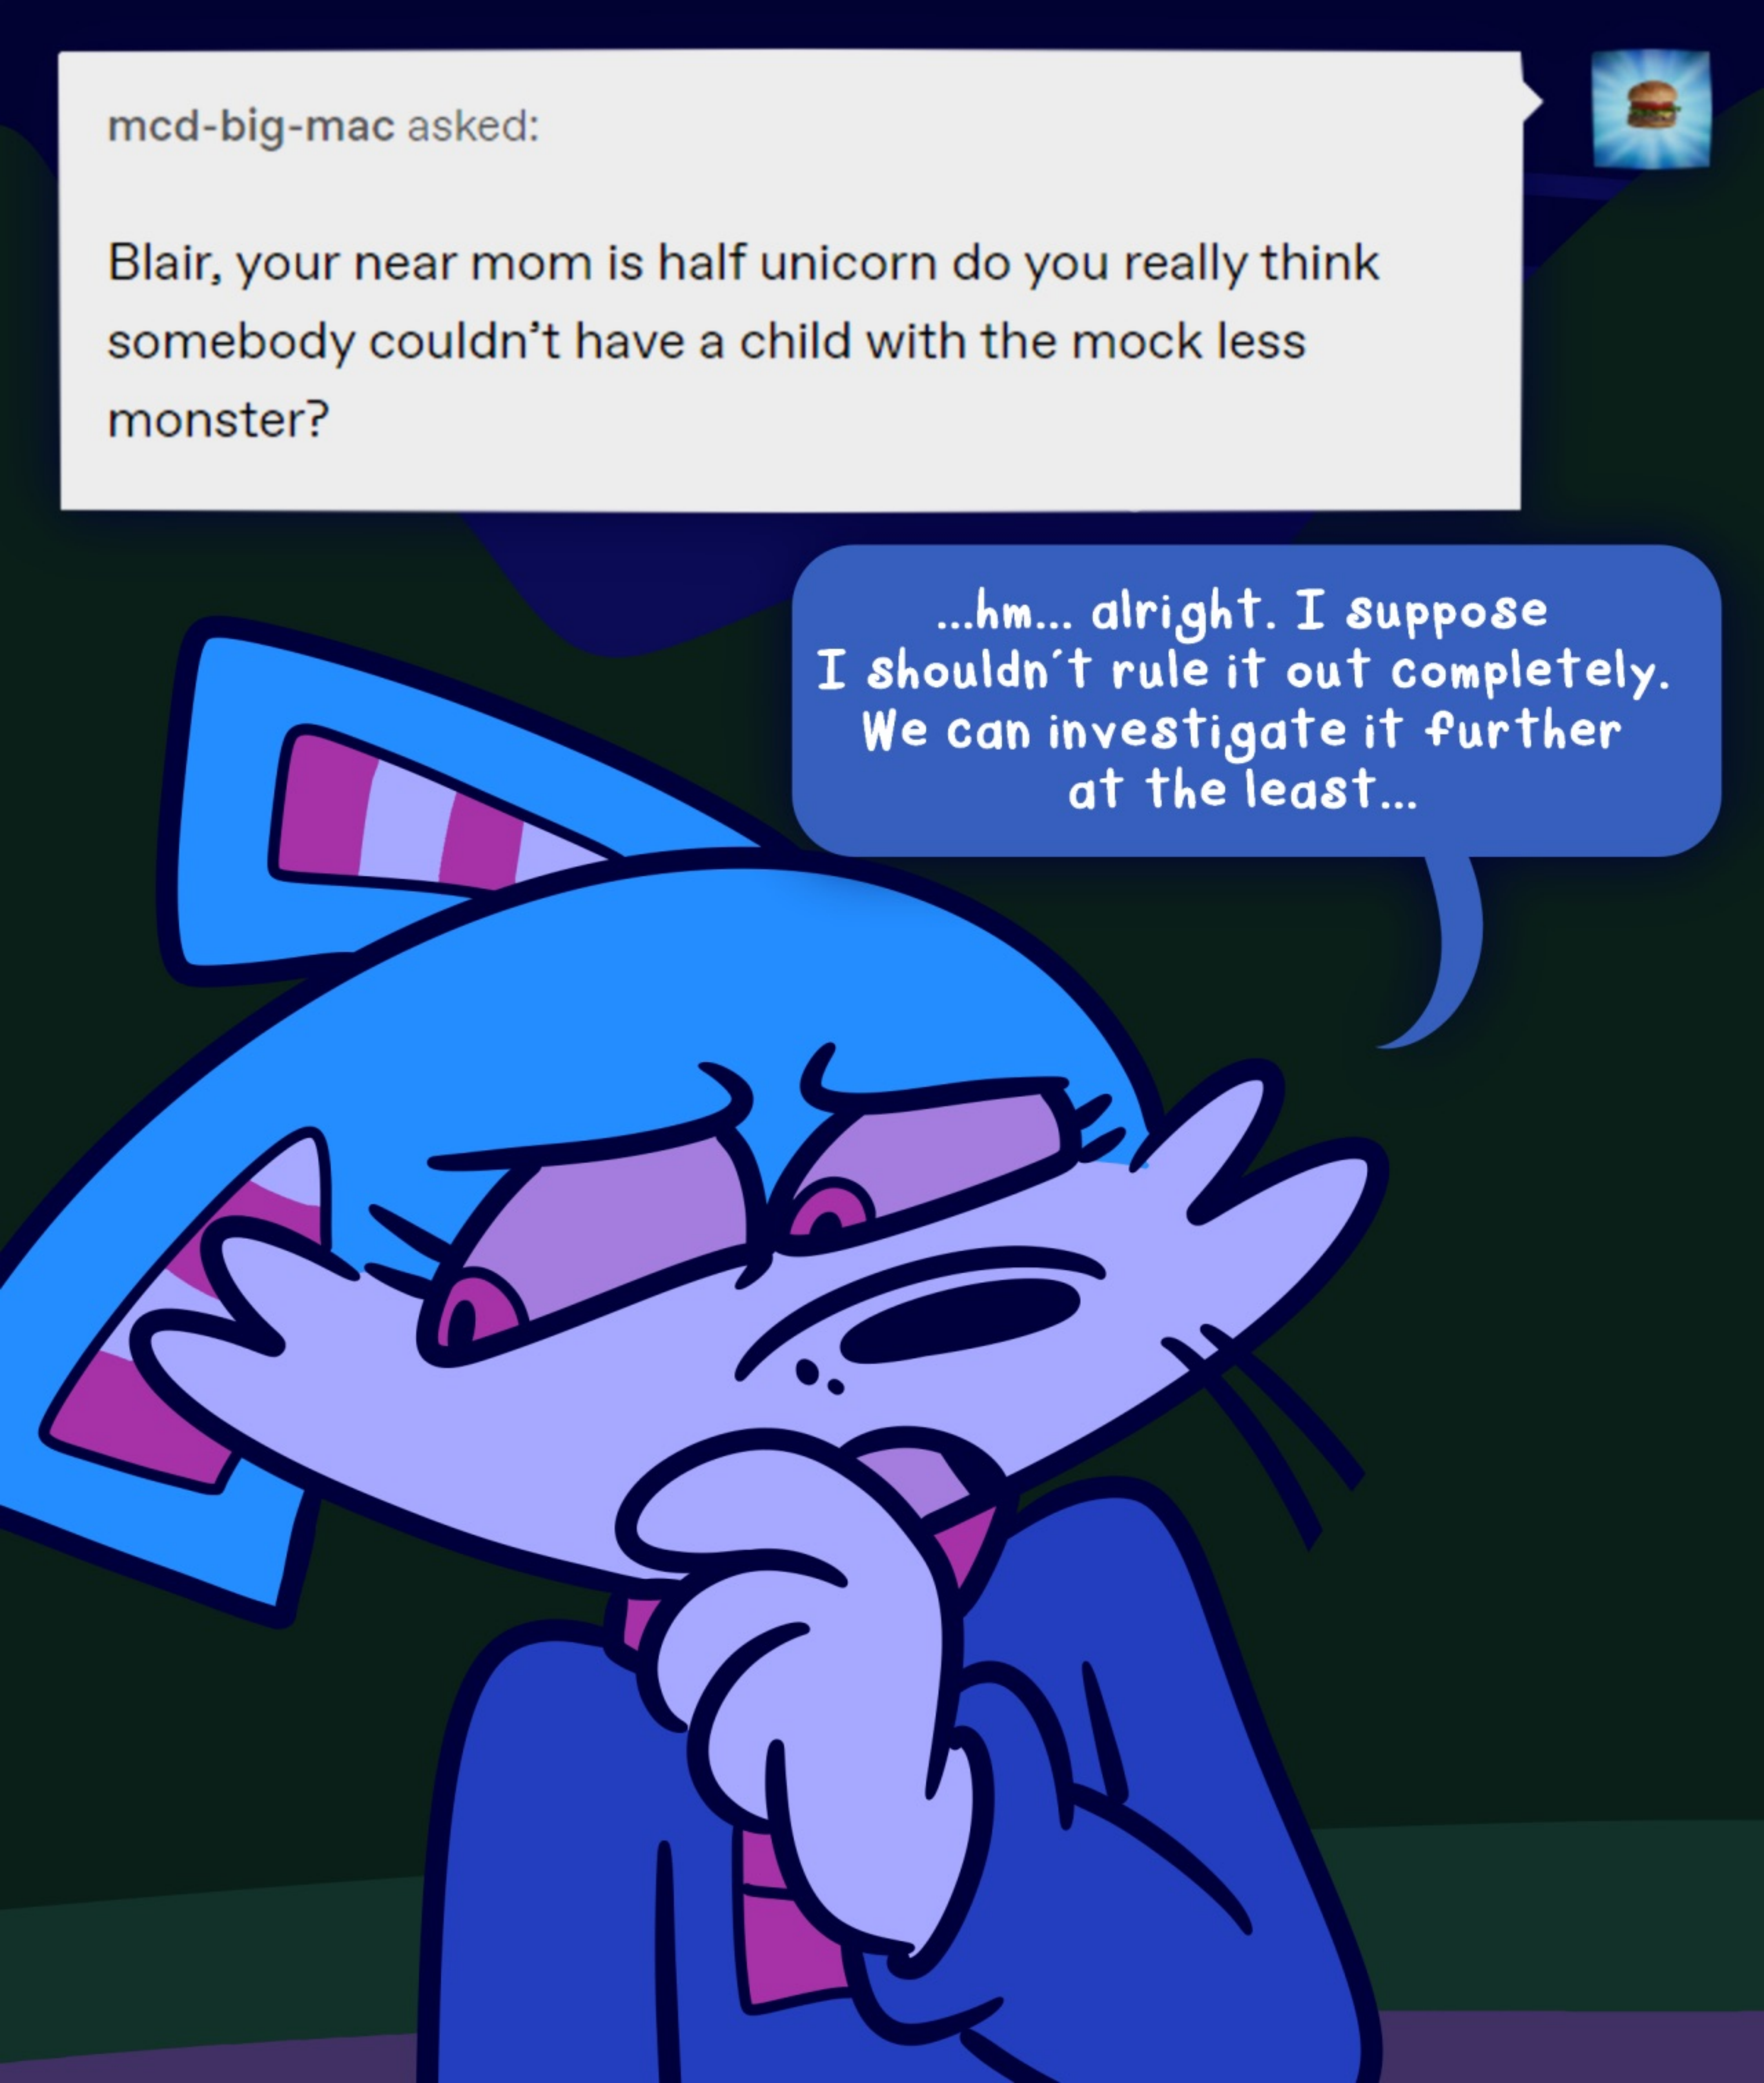
chem no it's not lessie, it's gotta be her mom. think about it, she's part sea monster, part cow. her dad is chuck, therefore her mom must be the mock less monster

Okay... alternate theory. What if her MOM is the monster?





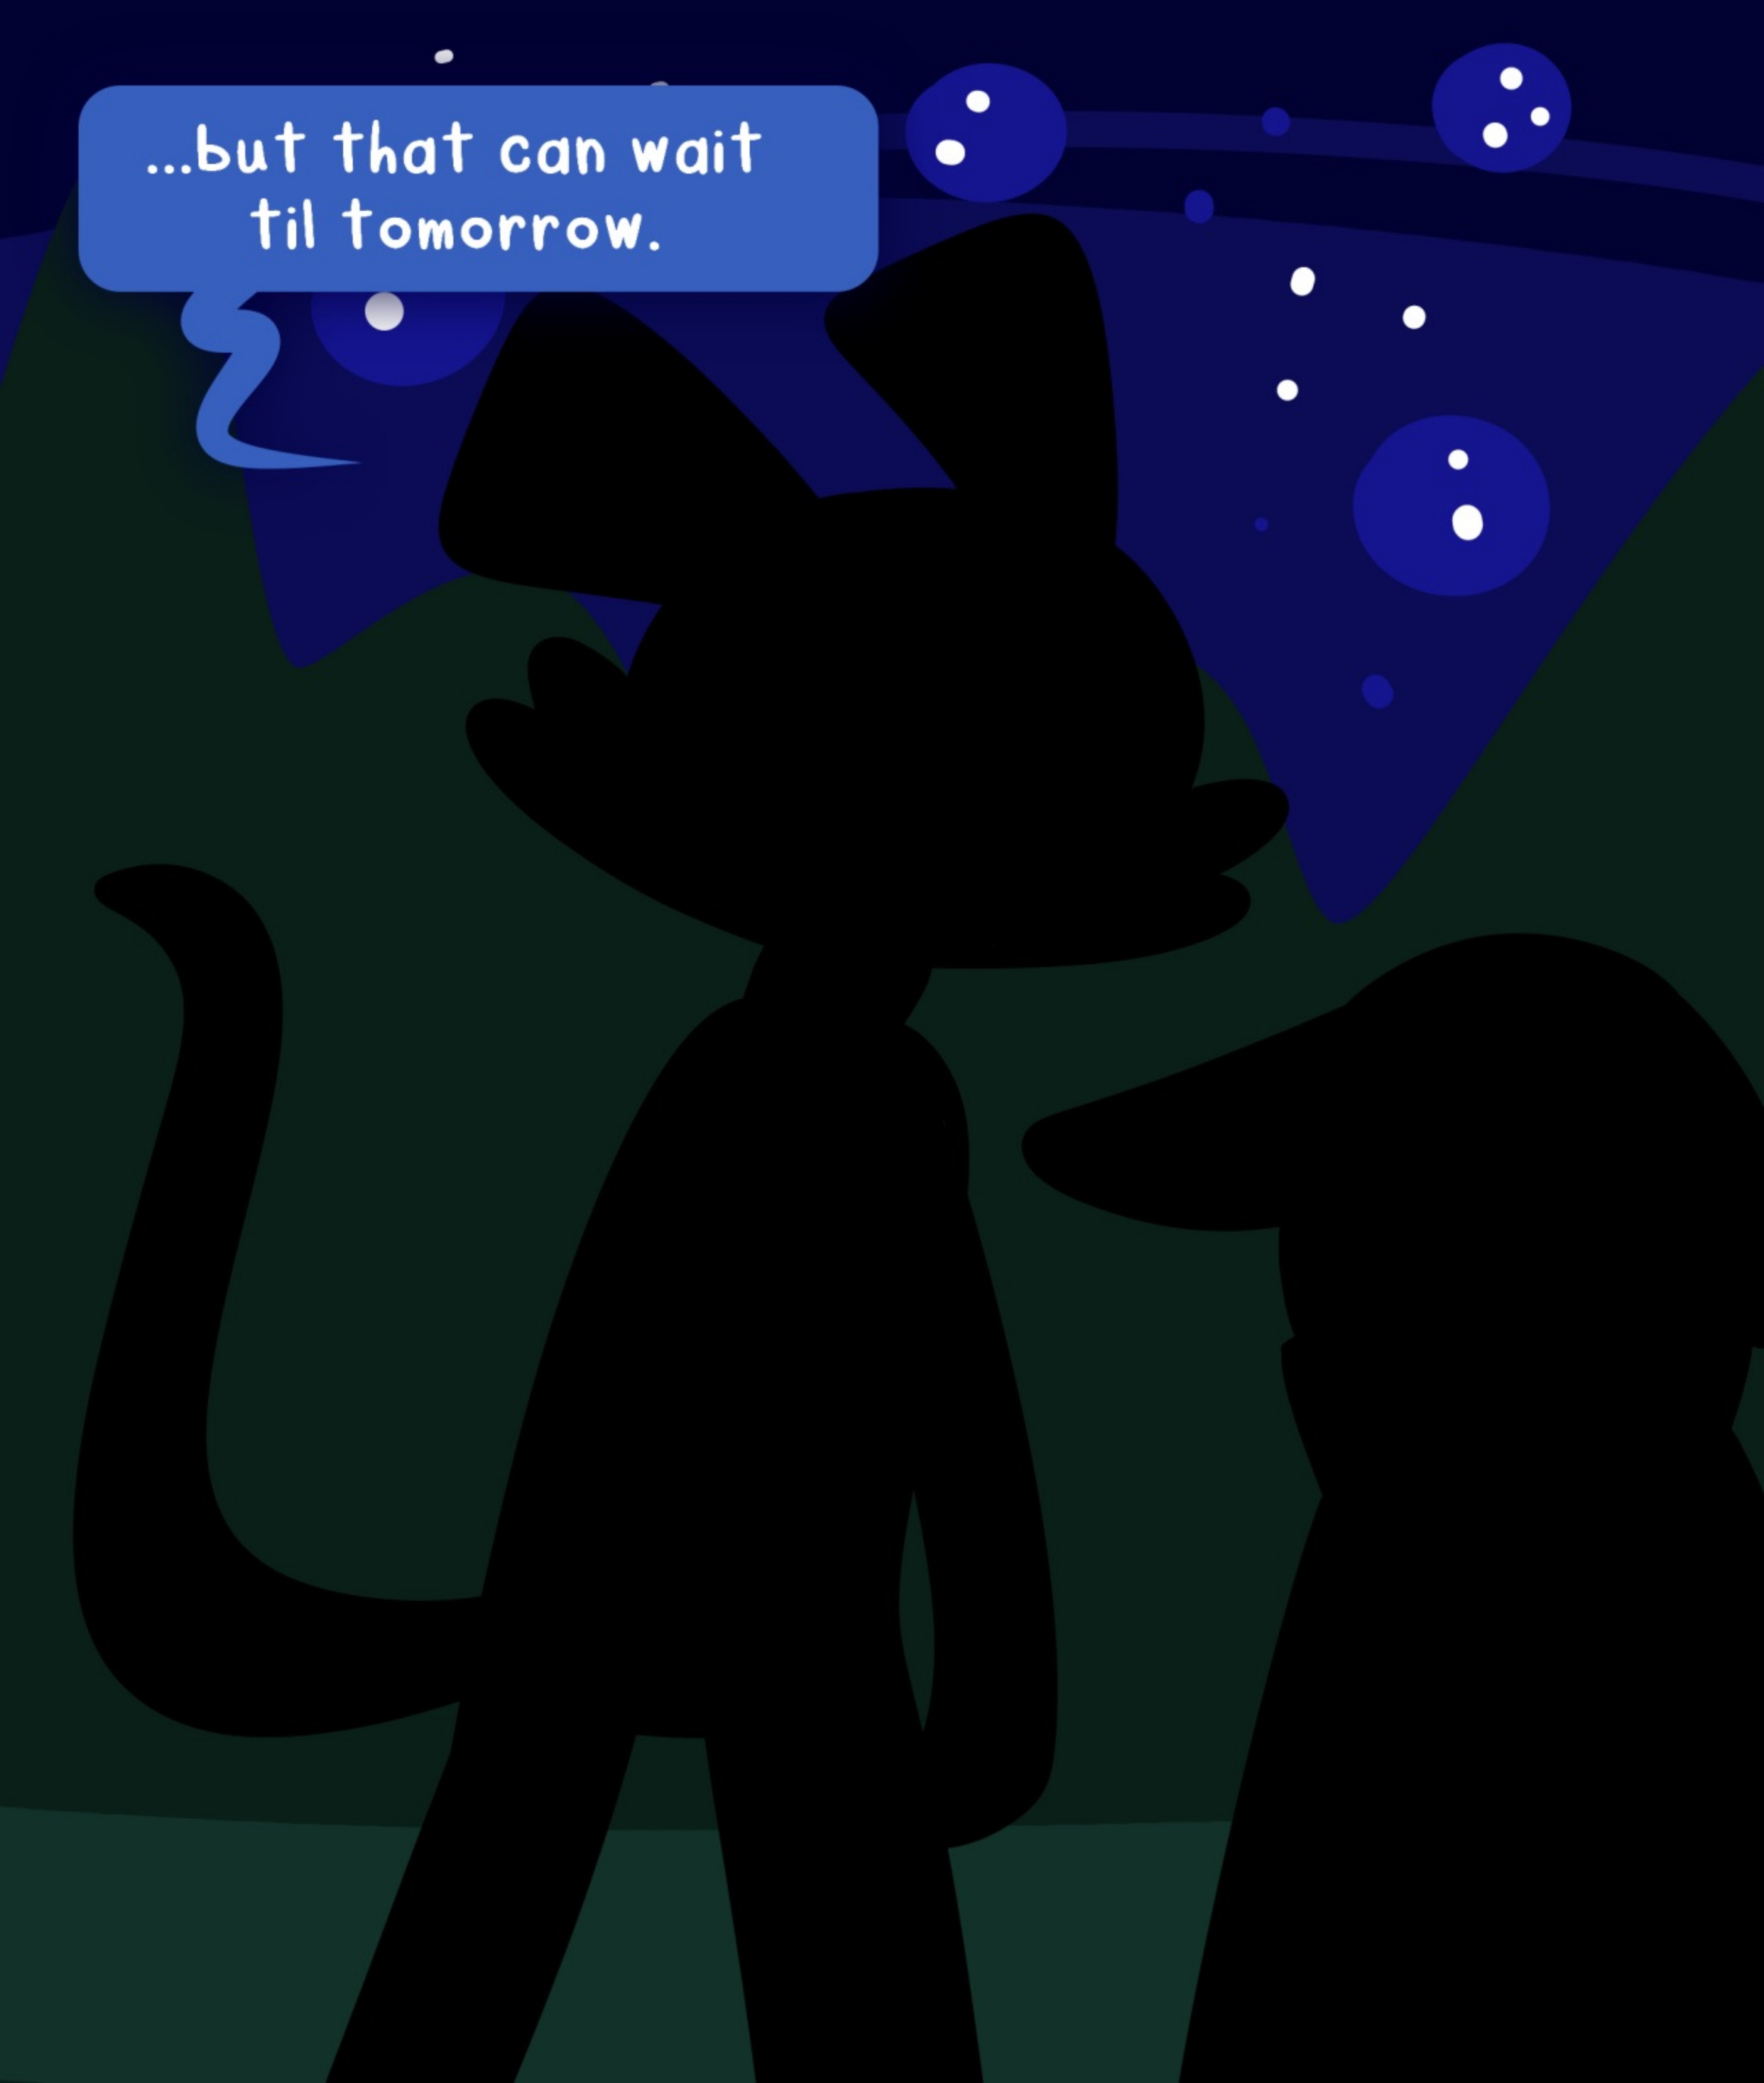
......you think a guy had a child with the Mock Less monster?
I-it's POSSIBLE!
Are...... are you *sure*?
Emem might have given them one!!!



mcd-big-mac asked:

Blair, your near mom is half unicorn do you really think somebody couldn't have a child with the mock less monster?

...hm... alright. I suppose I shouldn't rule it out completely. We can investigate it further at the least...



...but that can wait til tomorrow.

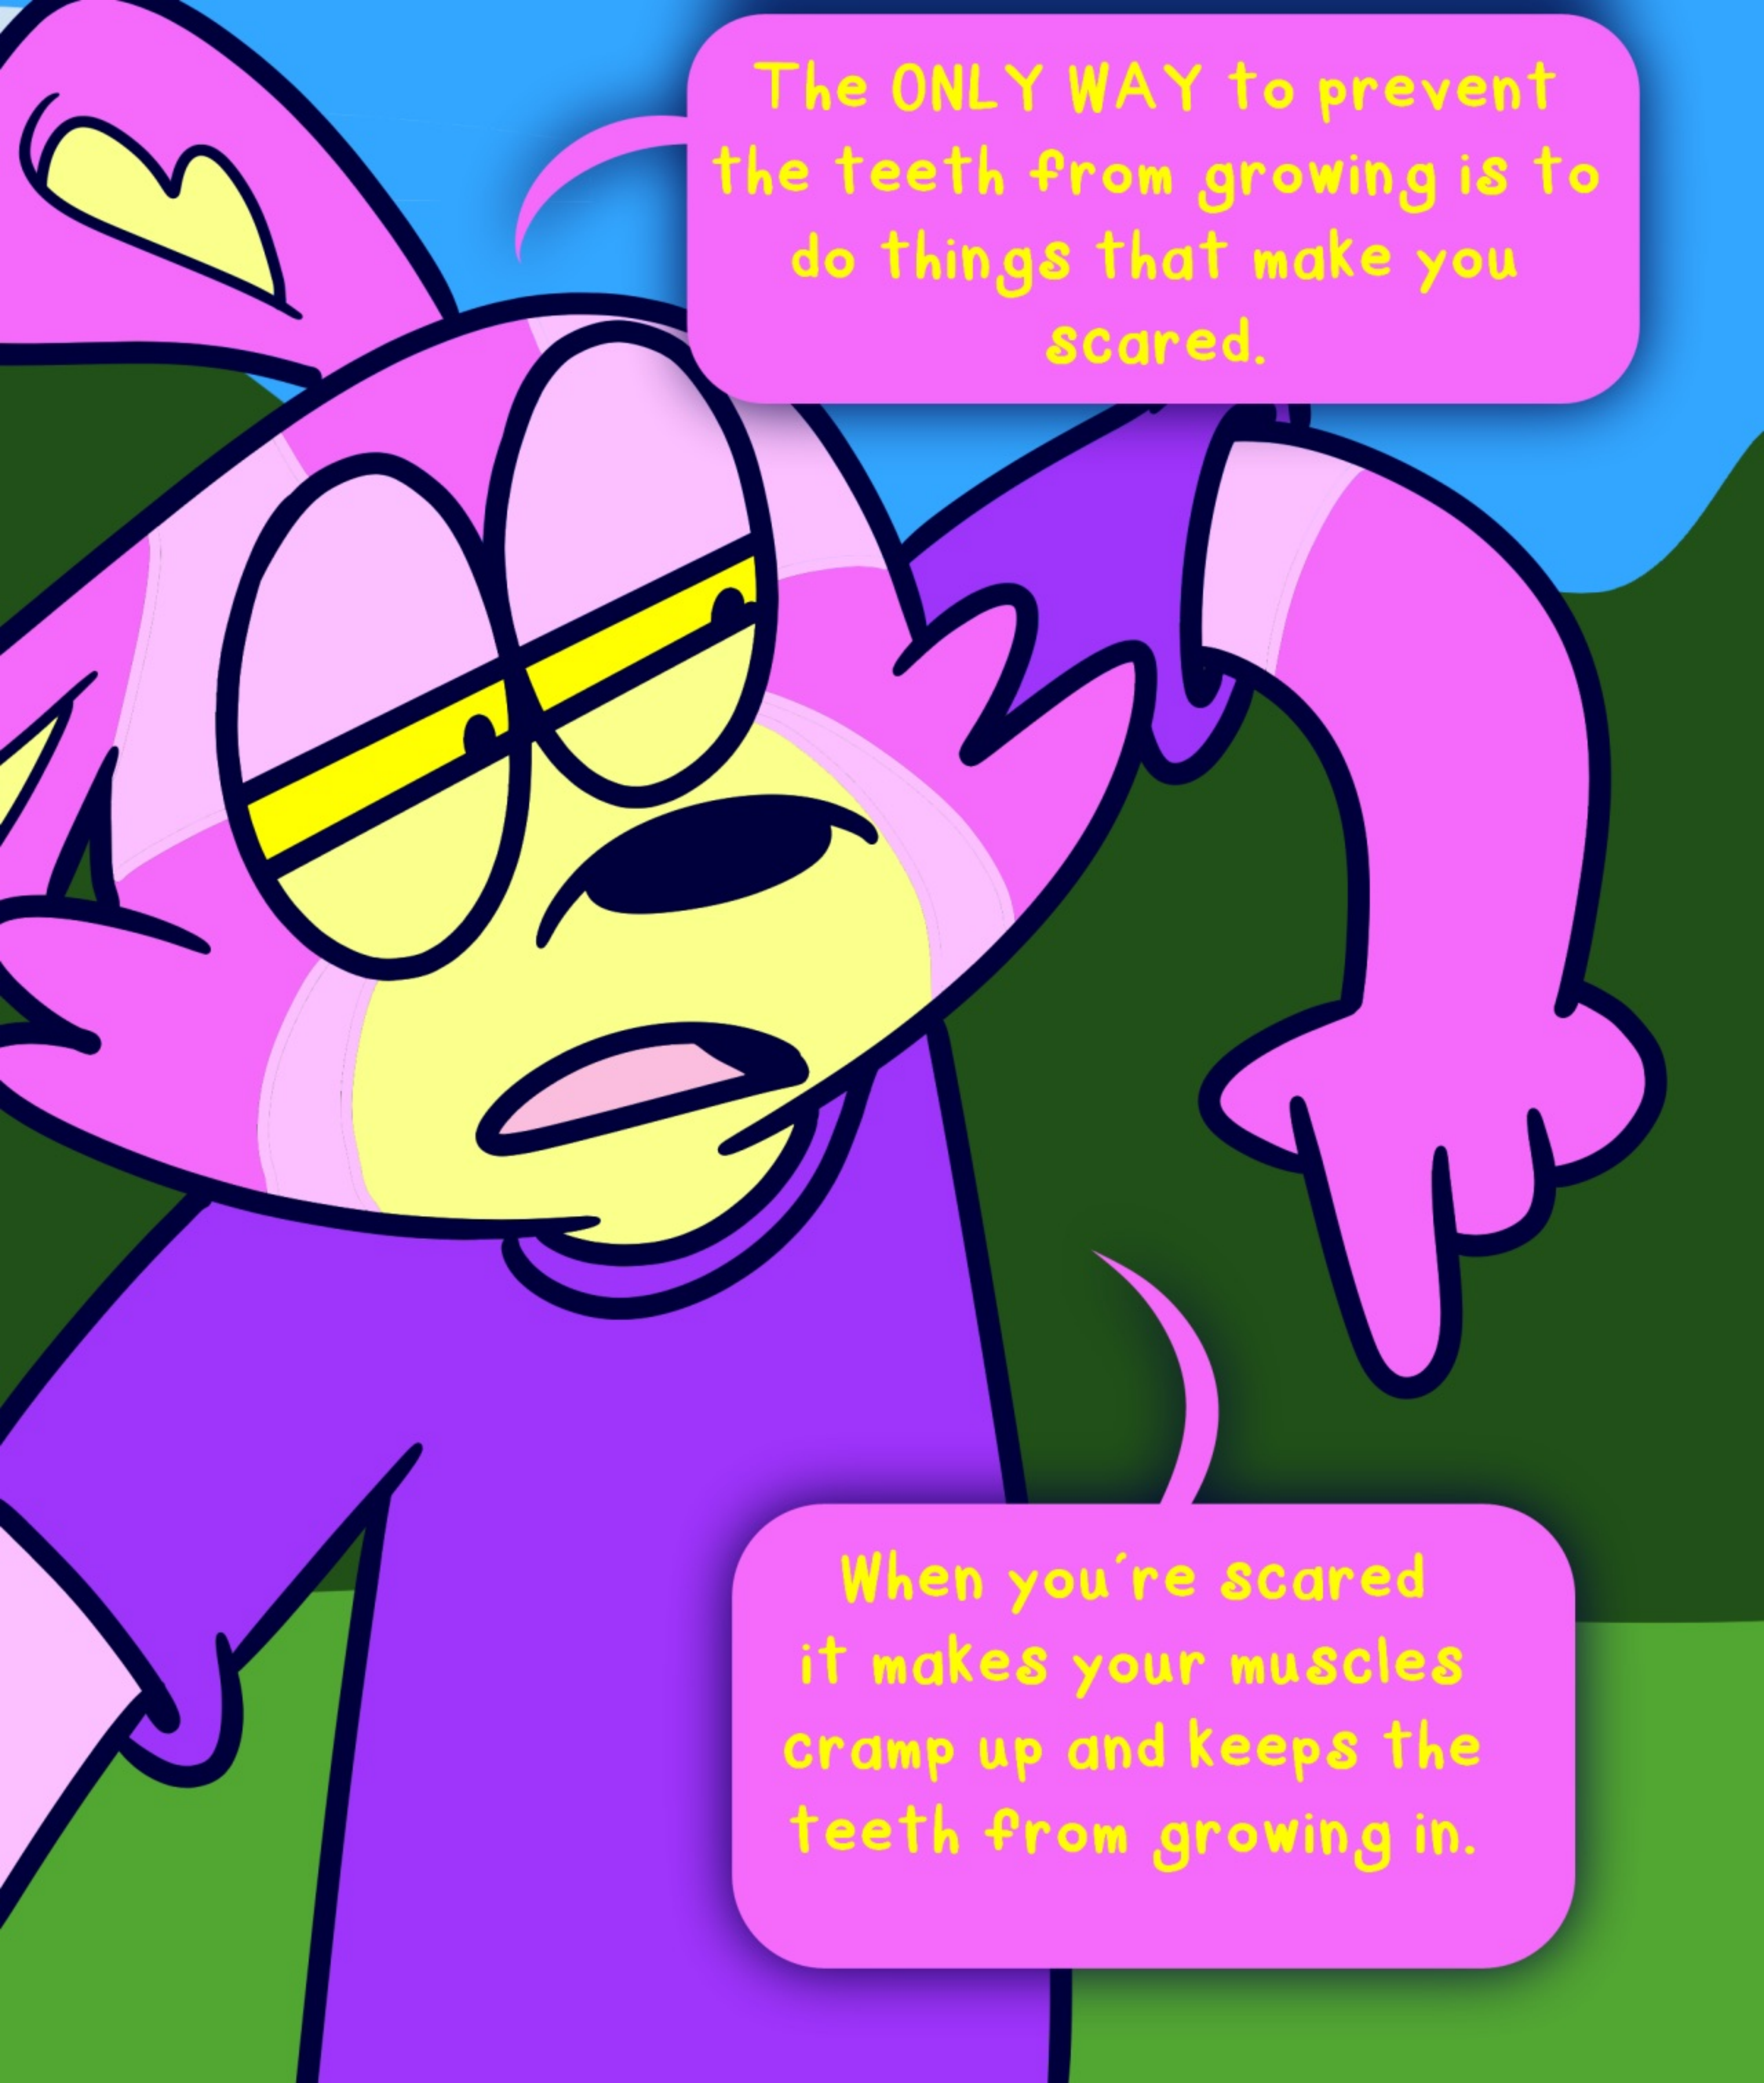
Y-YOU MEAN.... LIKE OUR NEARDAD CHIP...?
EXACTLY like Chip. Where do you think all his teeth come from?!



The ONLY WAY to prevent the teeth from growing is to do things that make you scared.
When you´re scared it makes your muscles cramp up and keeps the teeth from growing in.

I like the traditional stuff... Stereobody, Impartial Cream Lodging... but my favourite band of all time is Bike seat Handlebars.

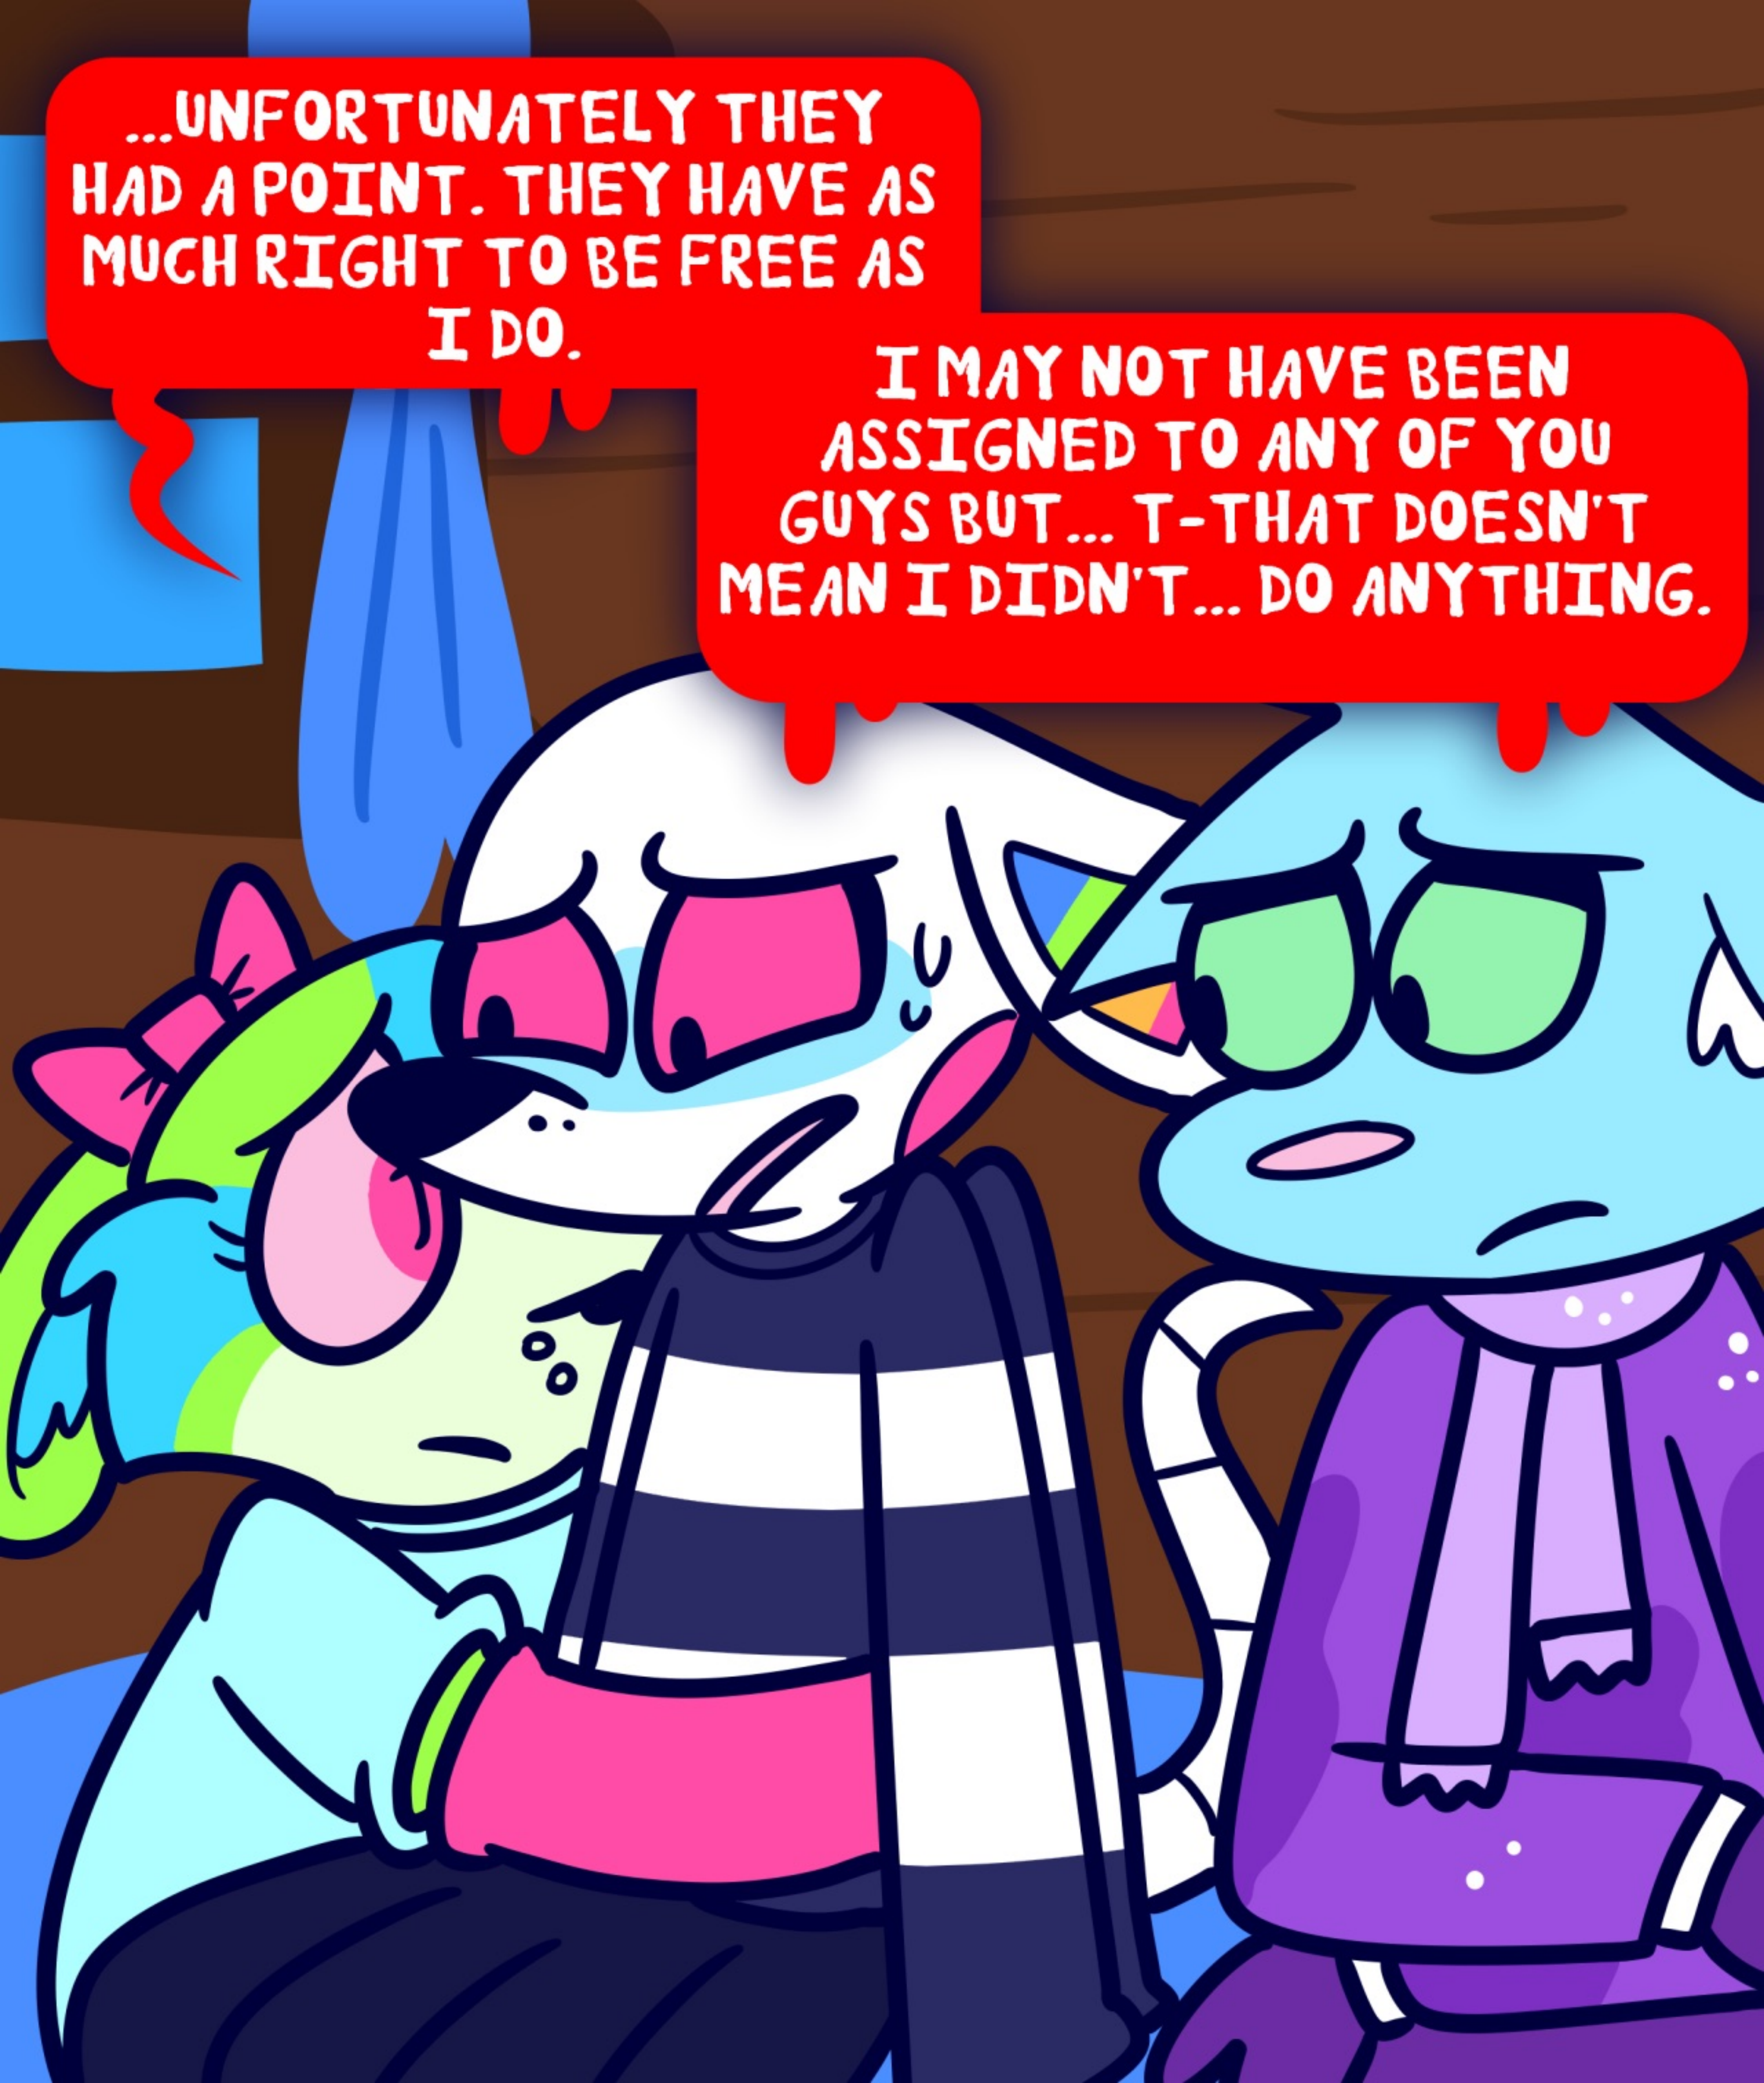
I mean, they let ALL OF US go, which DID mean ALL OF US.
I mean, we can´t really complain-- Doom, Mood, and Rem wouldn´t be with us if those three weren´t also allowed to be free.



...UNFORTUNATELY THEY HAD A POINT. THEY HAVE AS MUCH RIGHT TO BE FREE AS I DO.

I KNOW IT MIGHT BE EASY TO FORGET THAT BECAUSE YOU GUYS LOVE ME... B-BUT... I DID BAD THINGS.

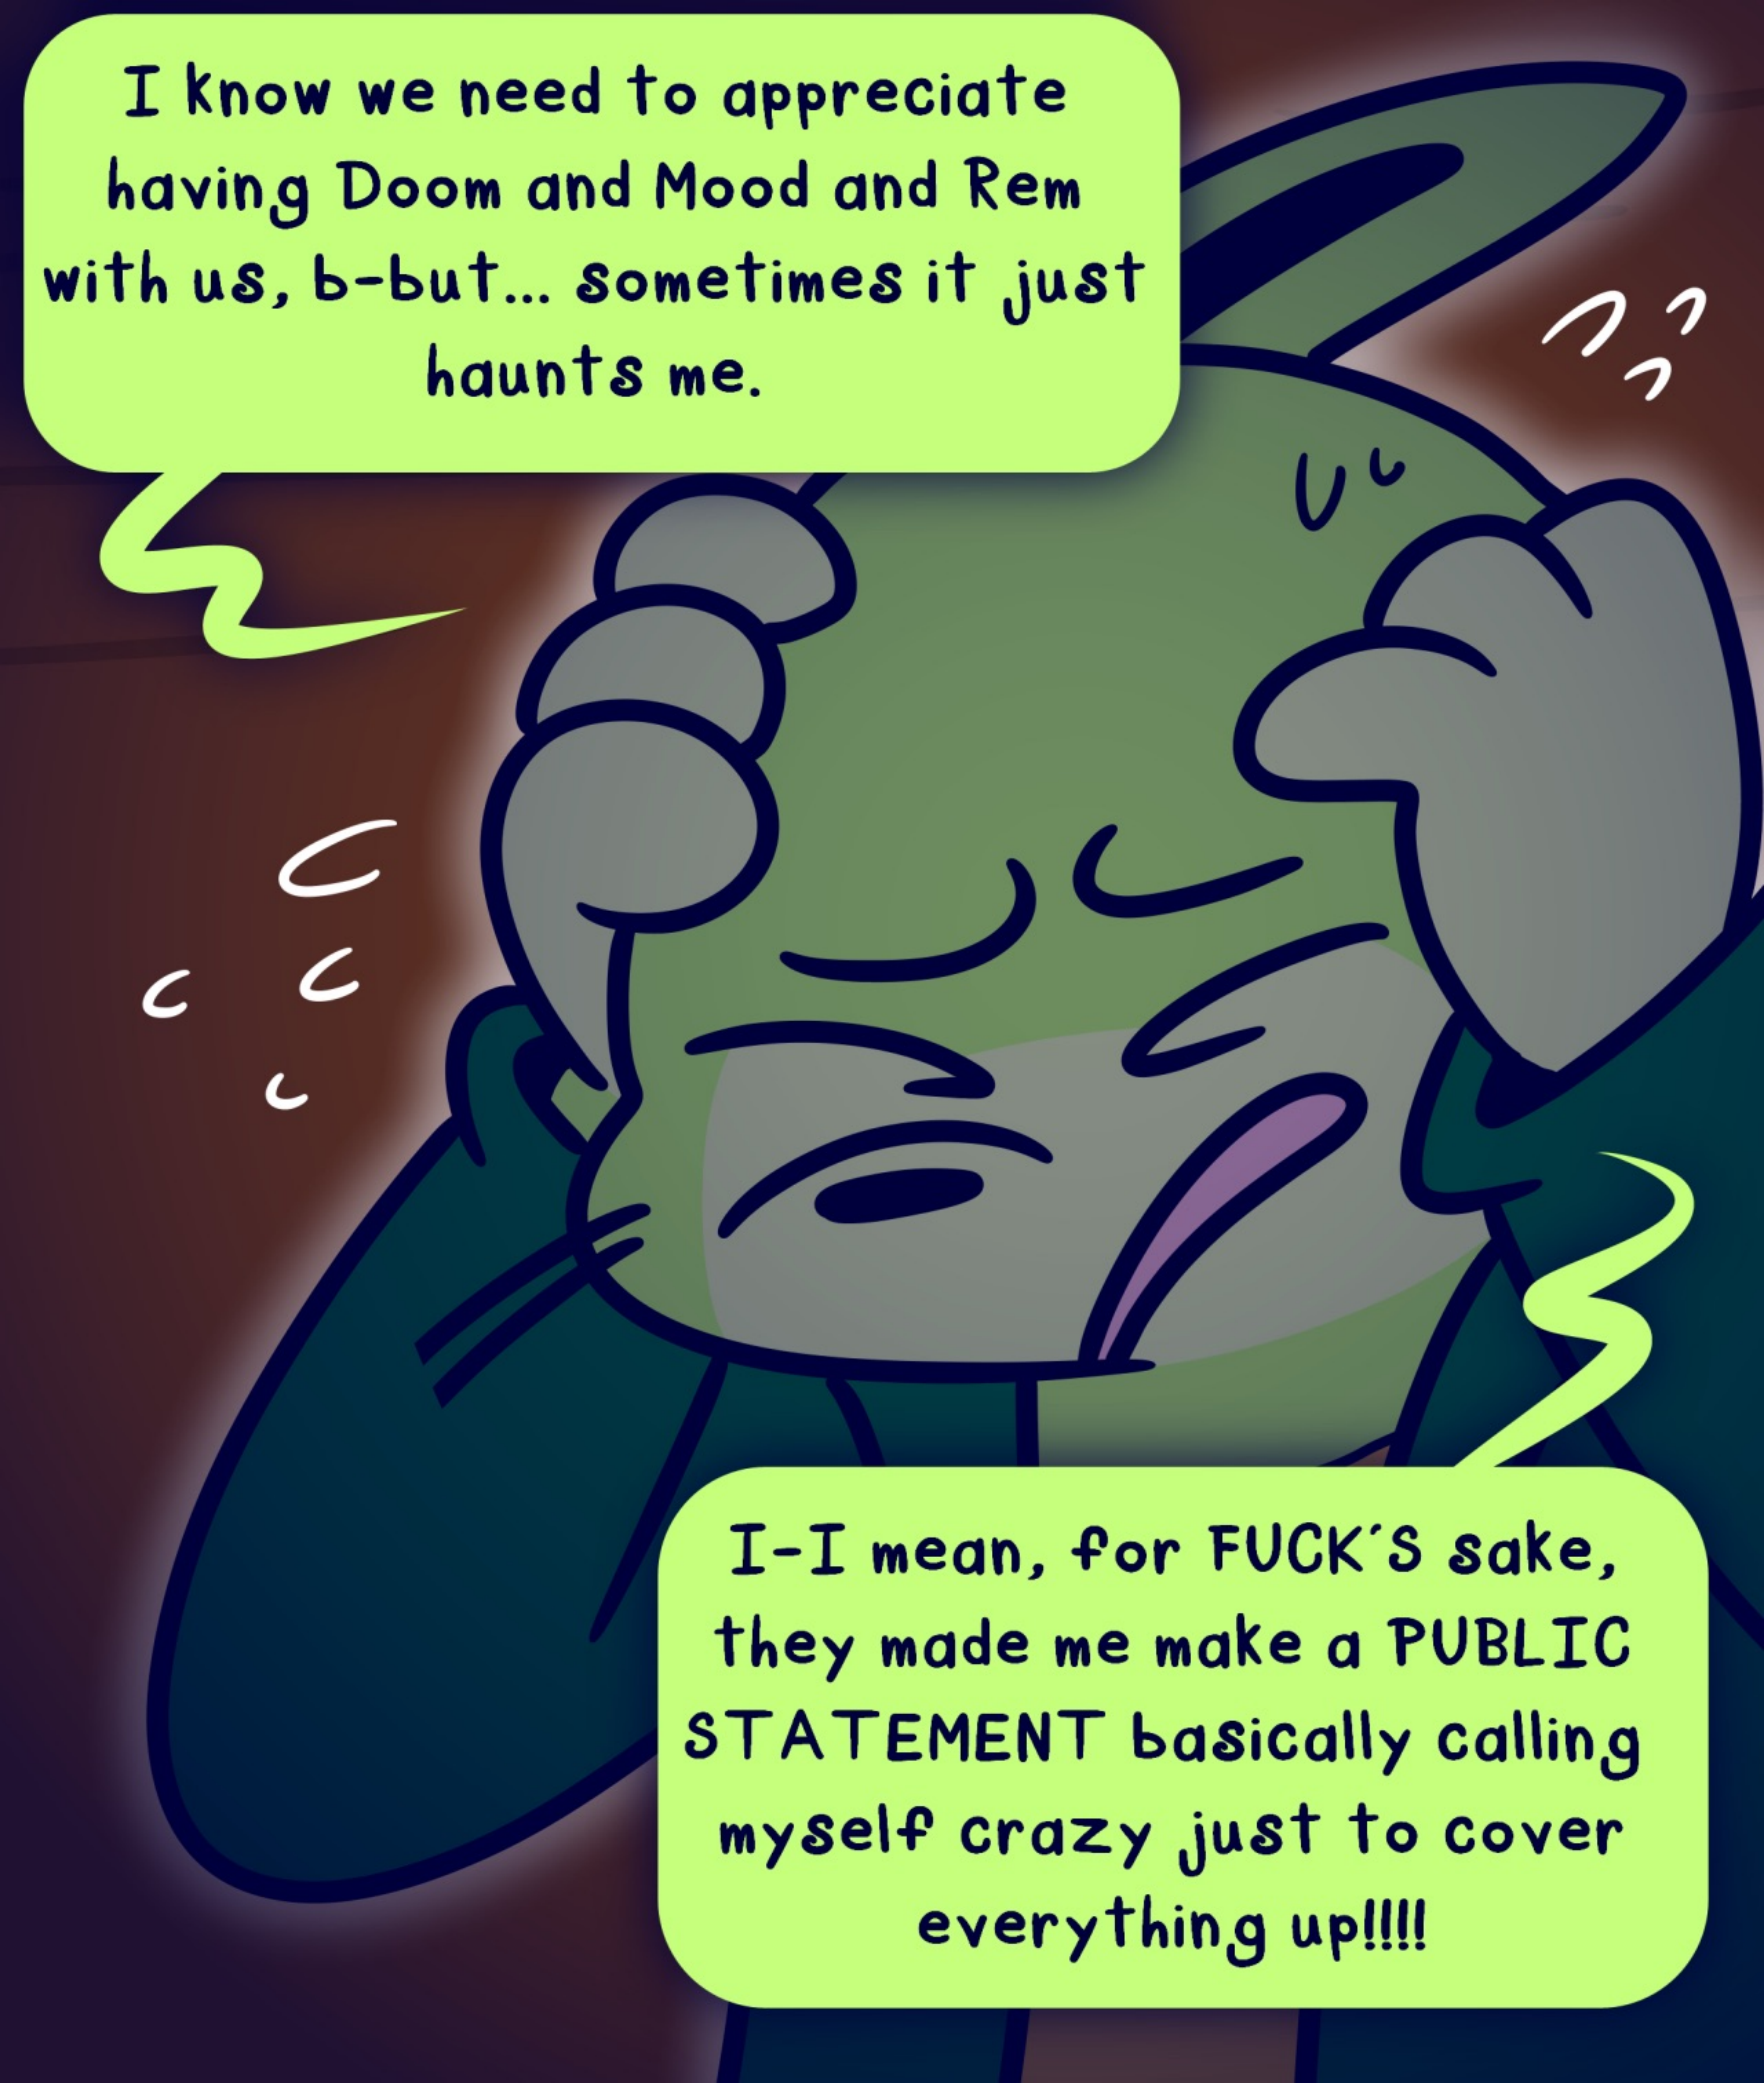
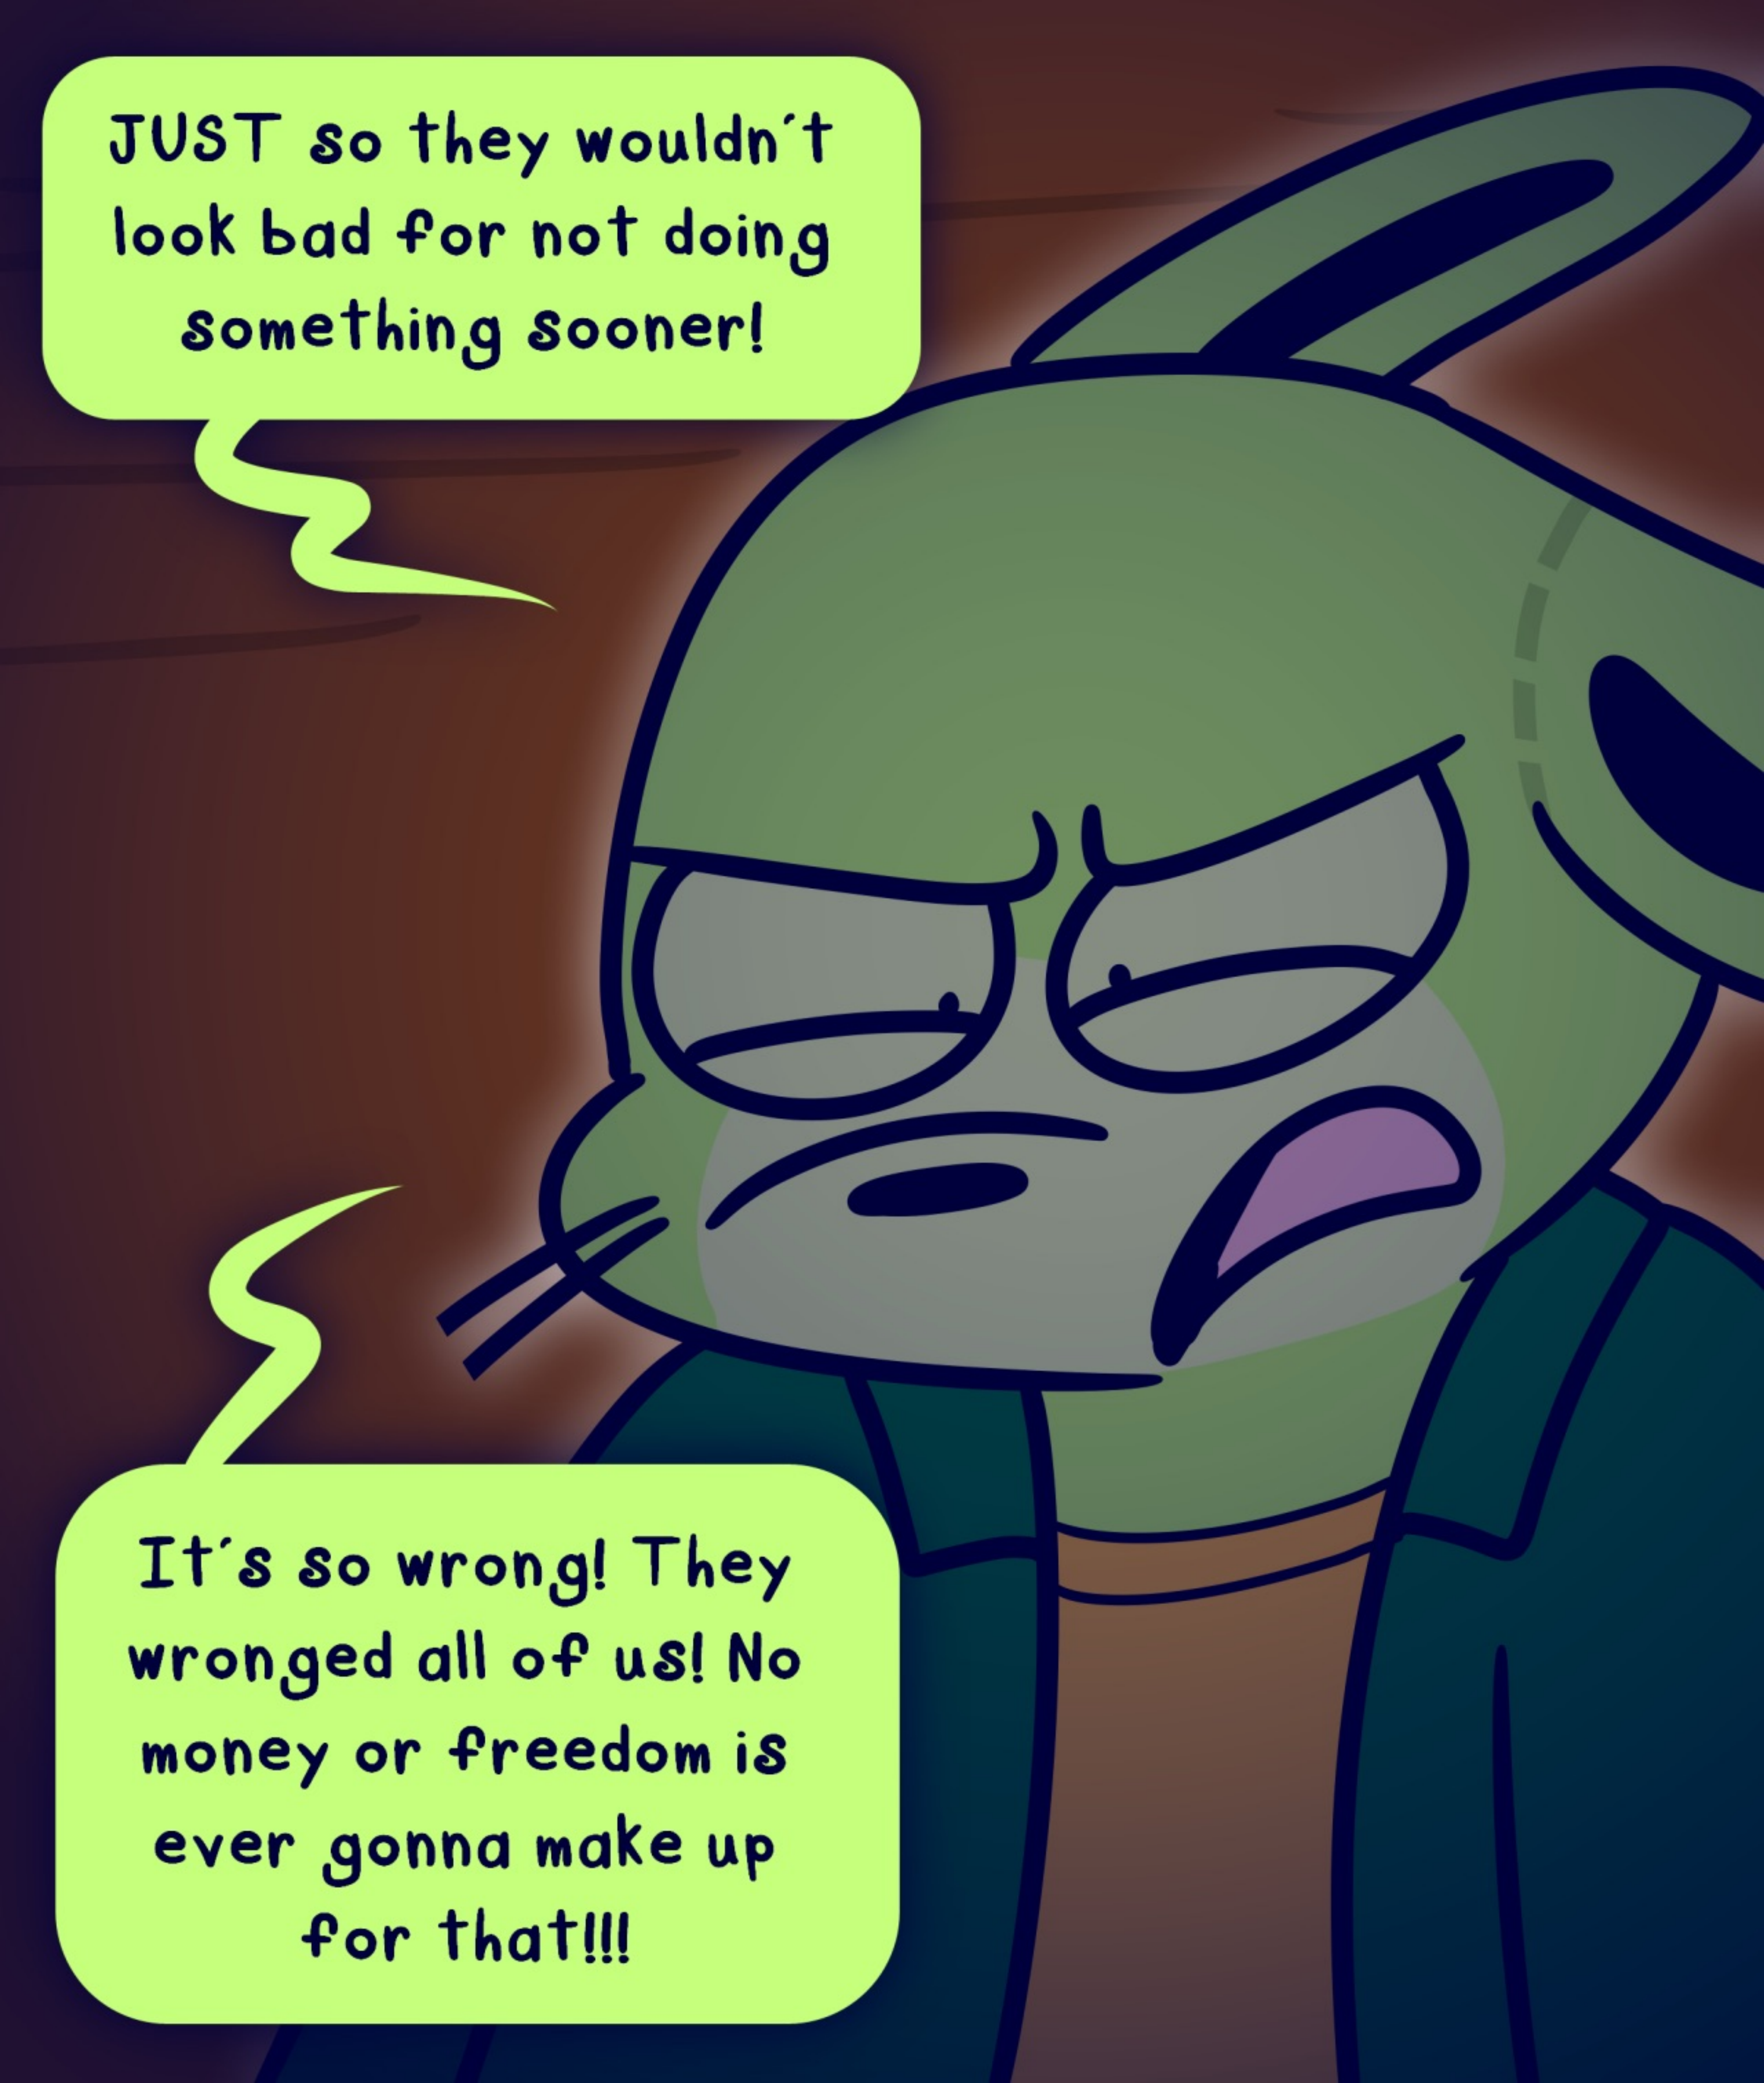
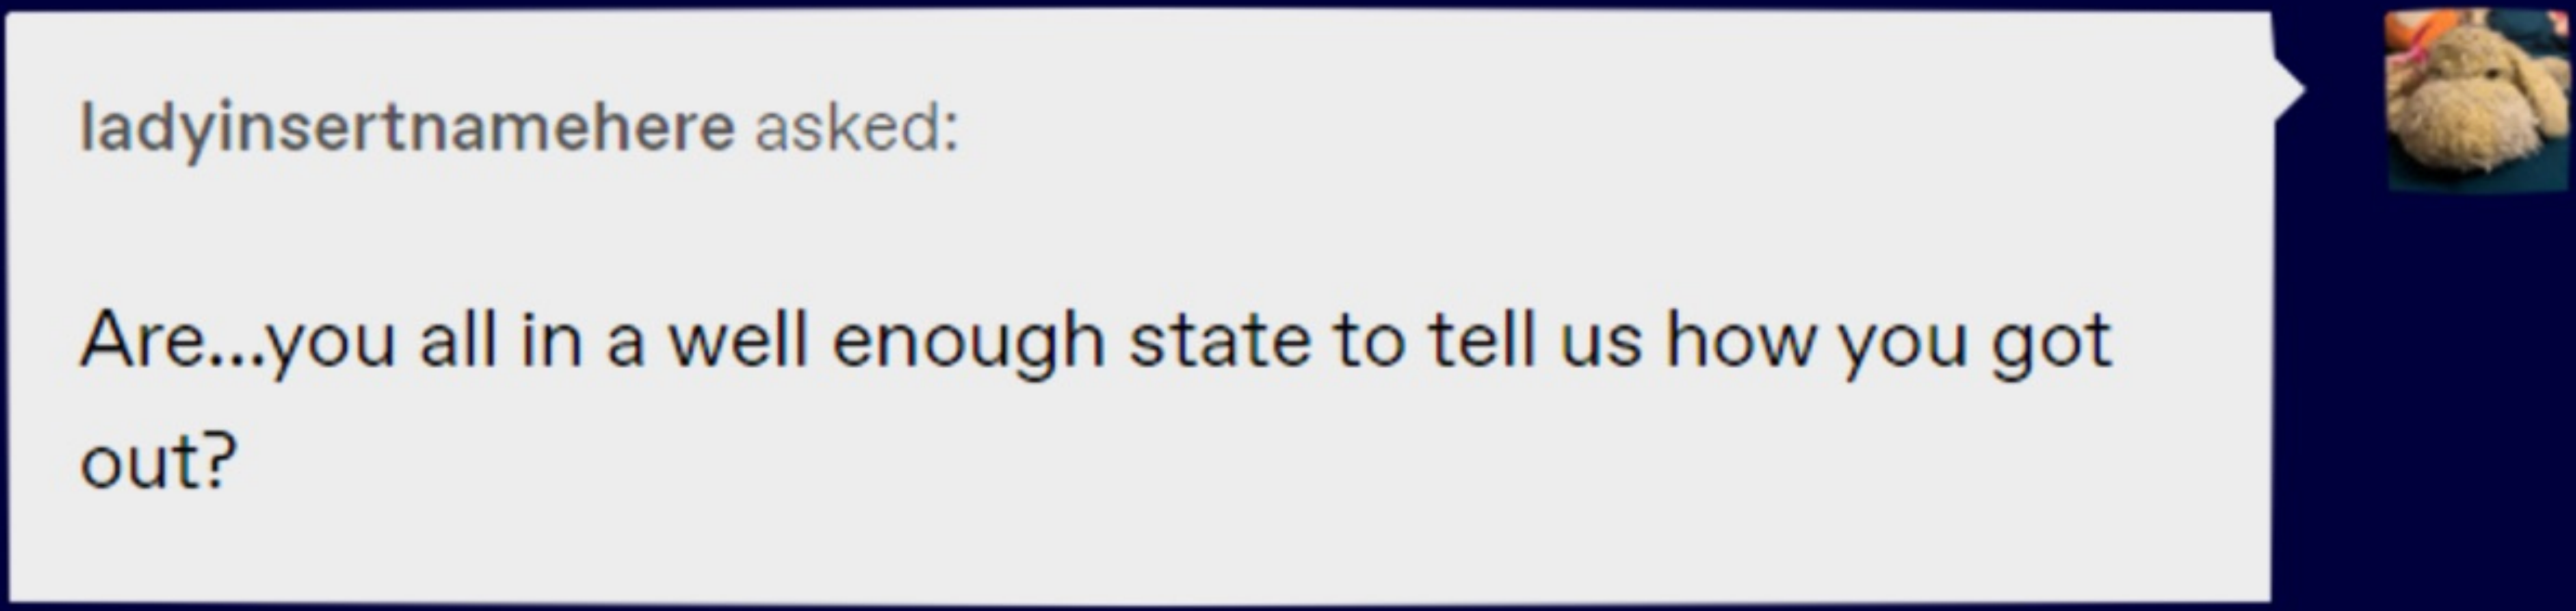
...he has a point. Had they been locked up, our family probably would look very different.
Even if they did it for selfish reasons, we need to try and appreciate the fact we're here at all.



I know we need to appreciate having Doom and Mood and Rem with us, b-but... sometimes it just haunts me.
I-I mean, for FUCK'S sake, they made me make a PUBLIC STATEMENT basically calling myself crazy just to cover everything up!!!!



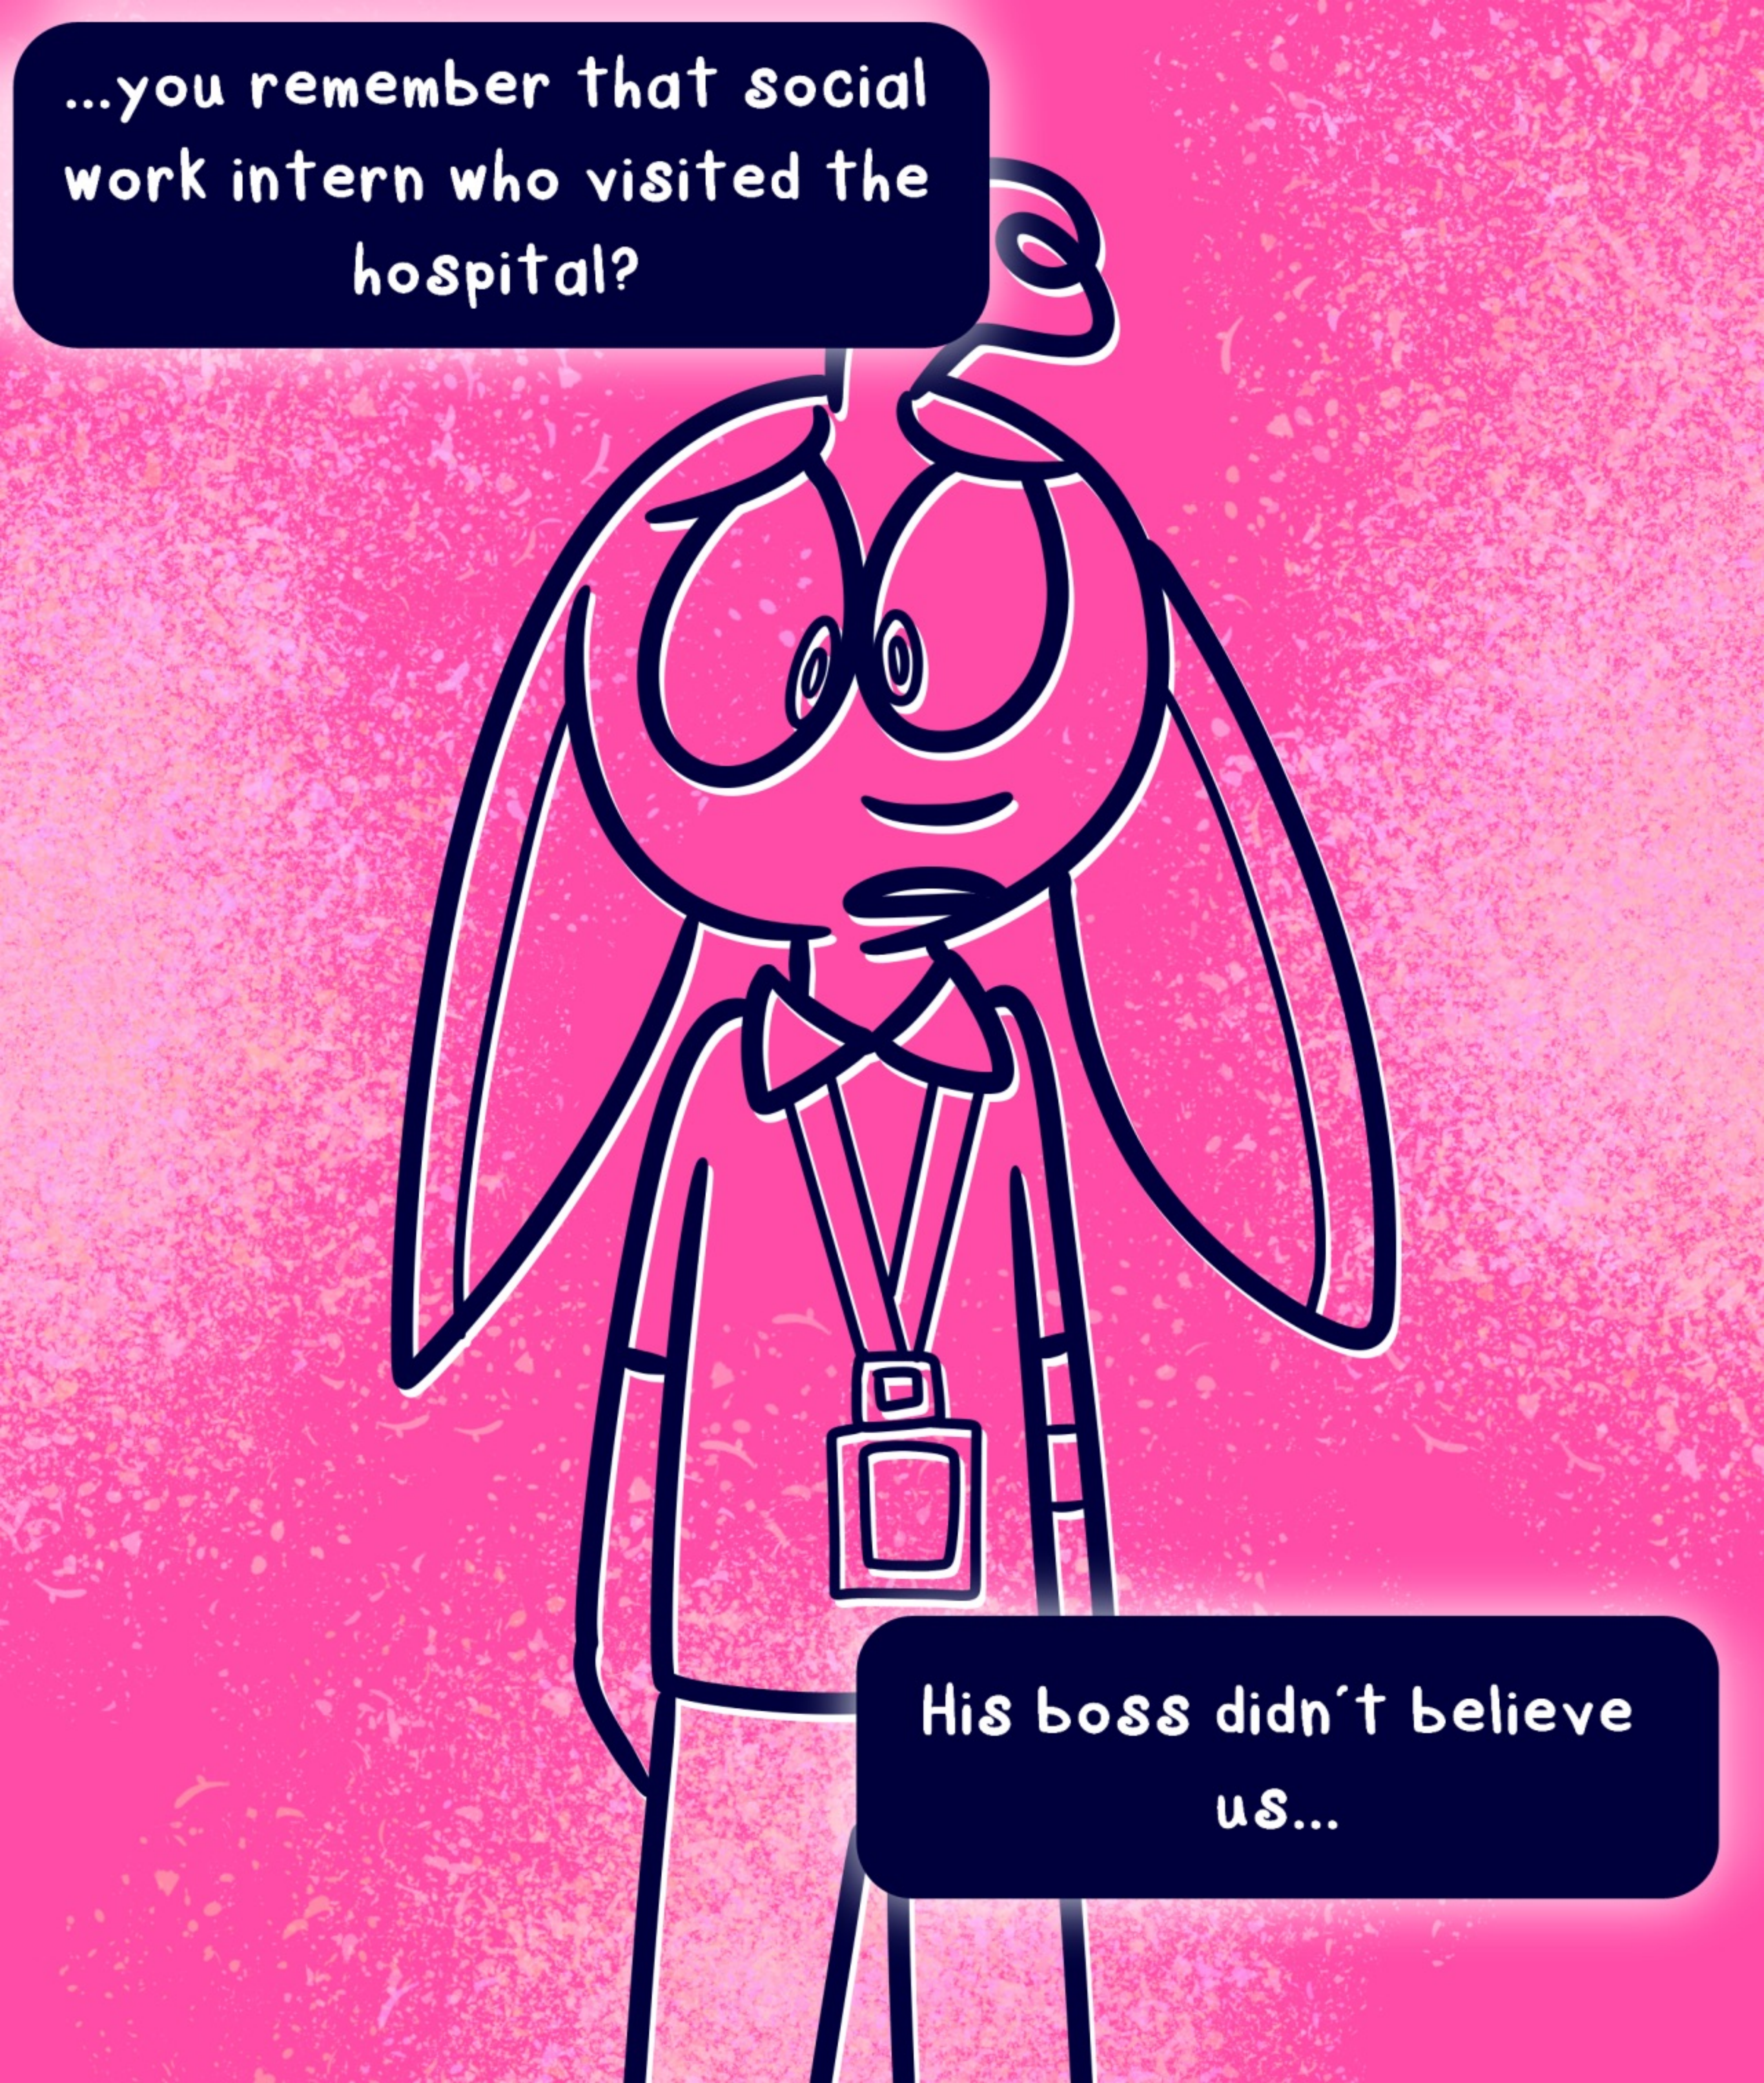
JUST so they wouldn´t look bad for not doing something sooner!
It´s so wrong! They wronged all of us! No money or freedom is ever gonna make up for that!!!



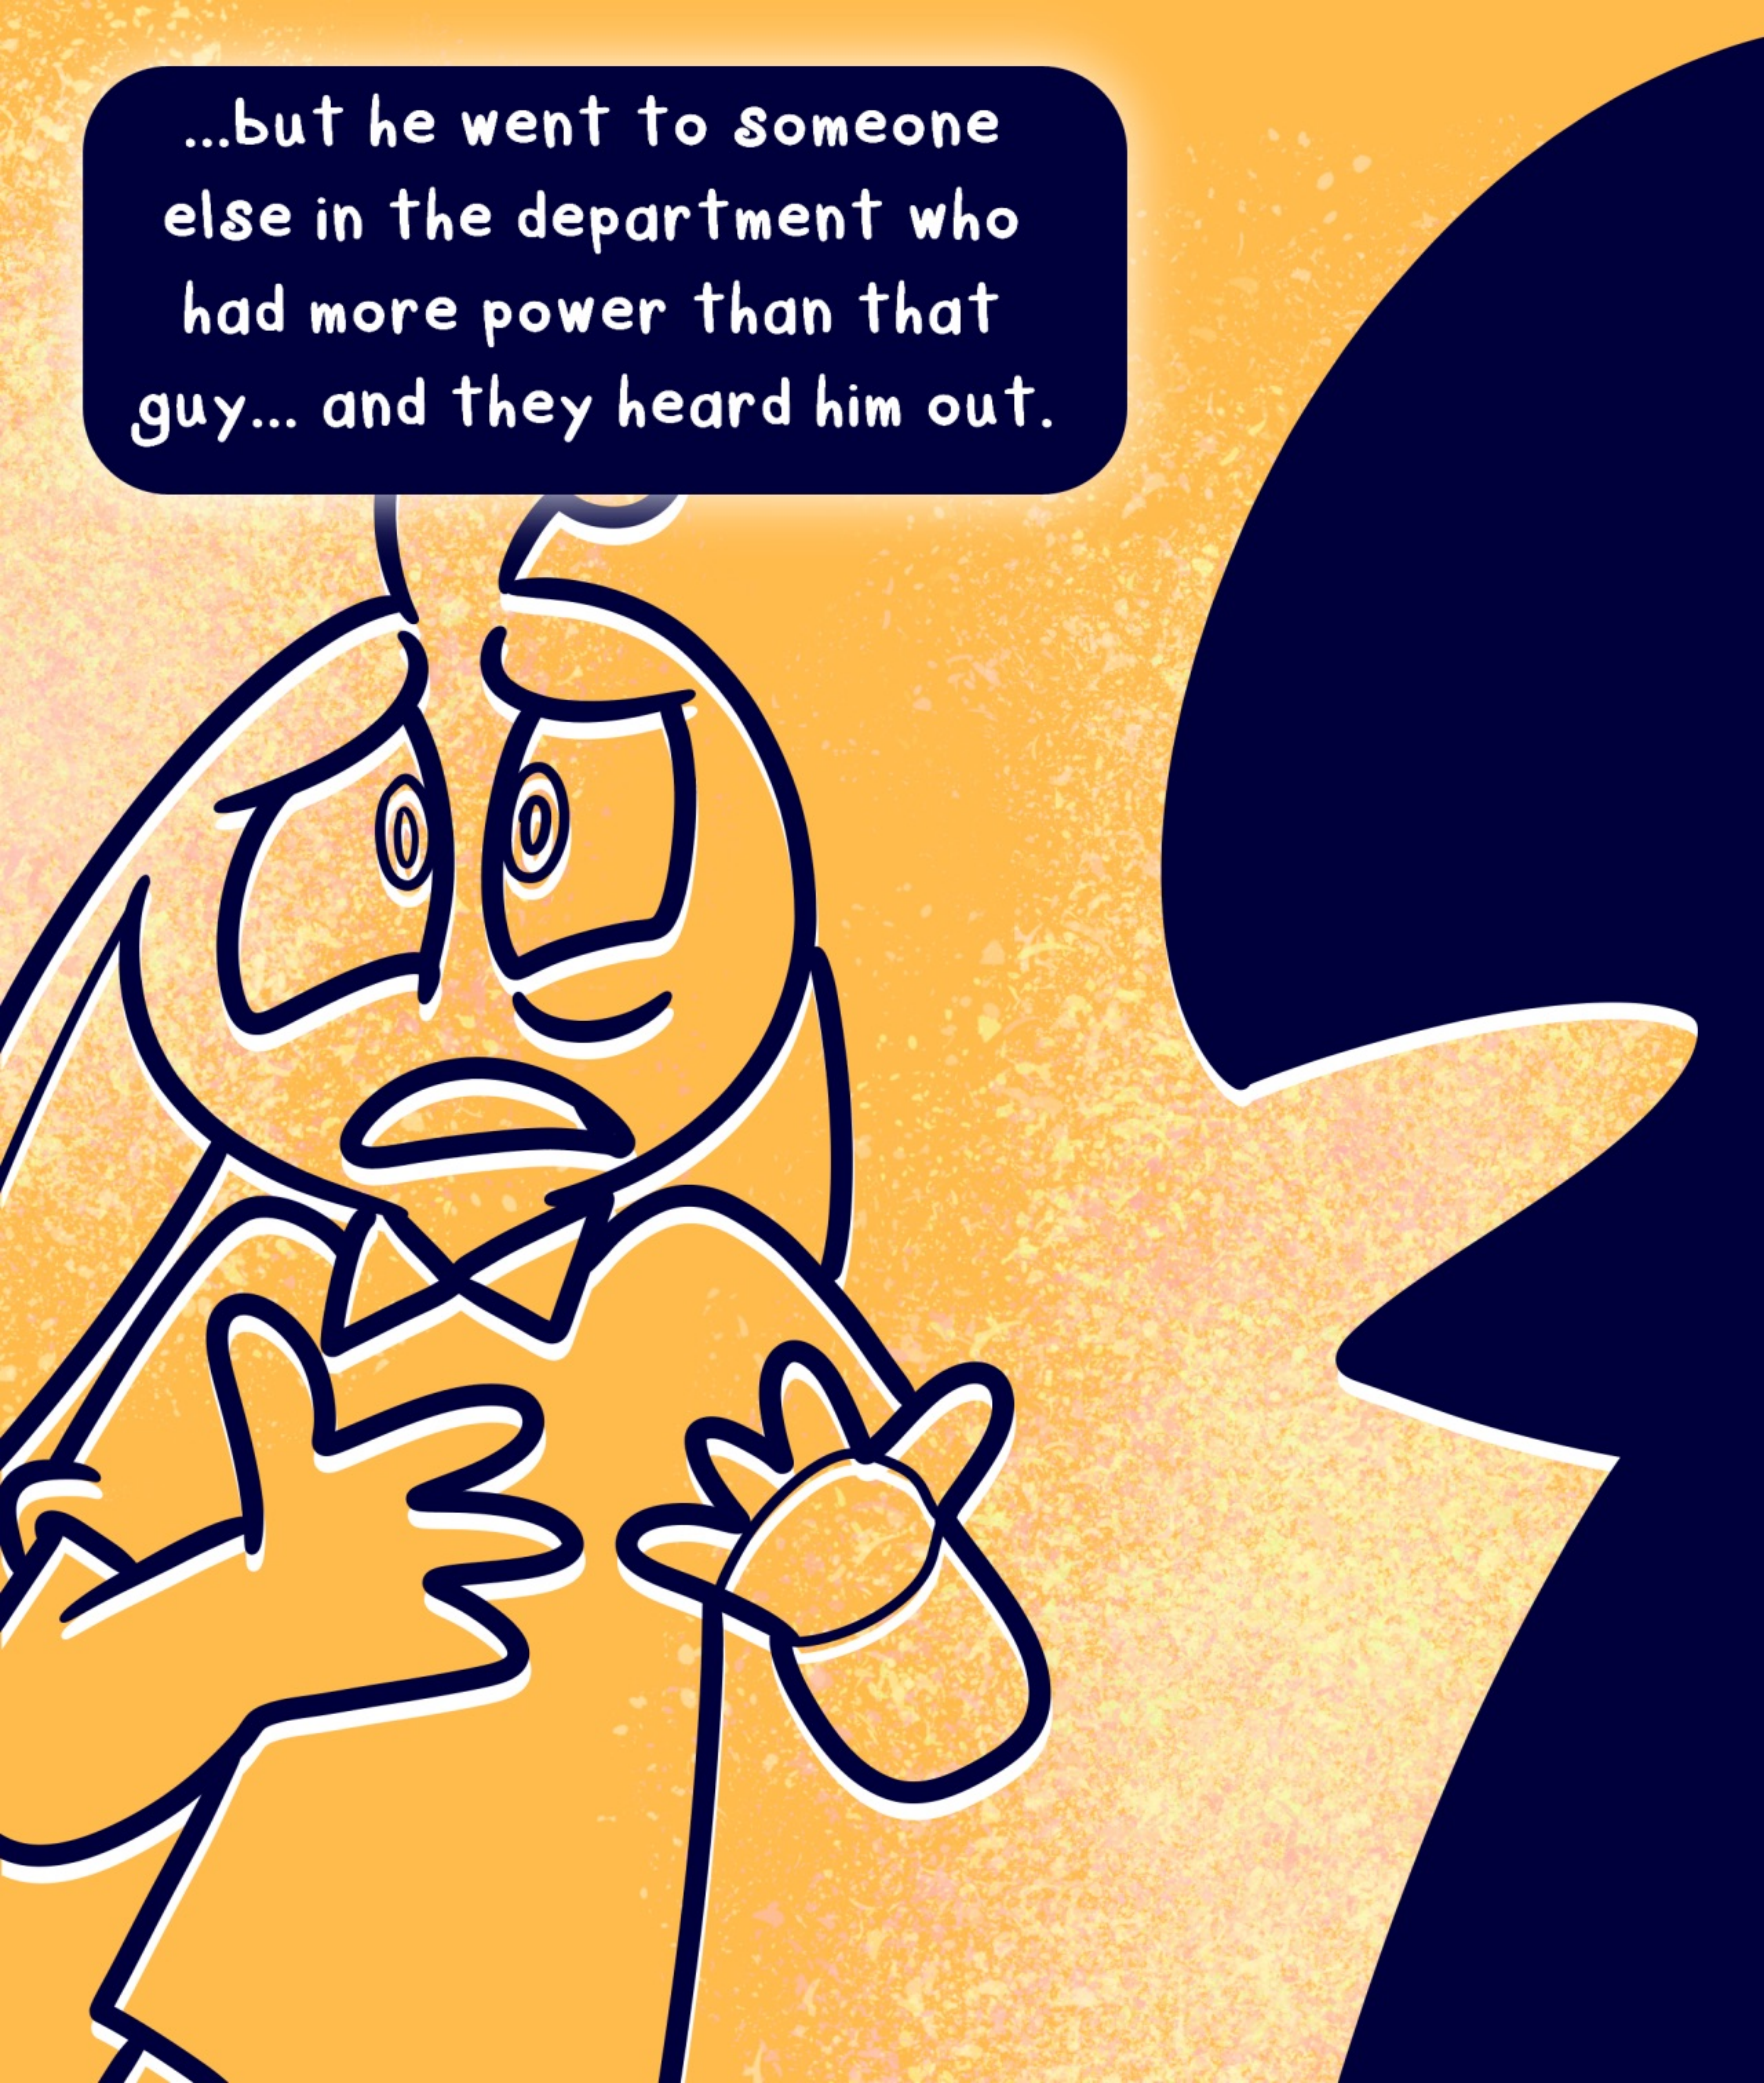
ladyinsertnamehere asked:

Are...you all in a well enough state to tell us how you got out?

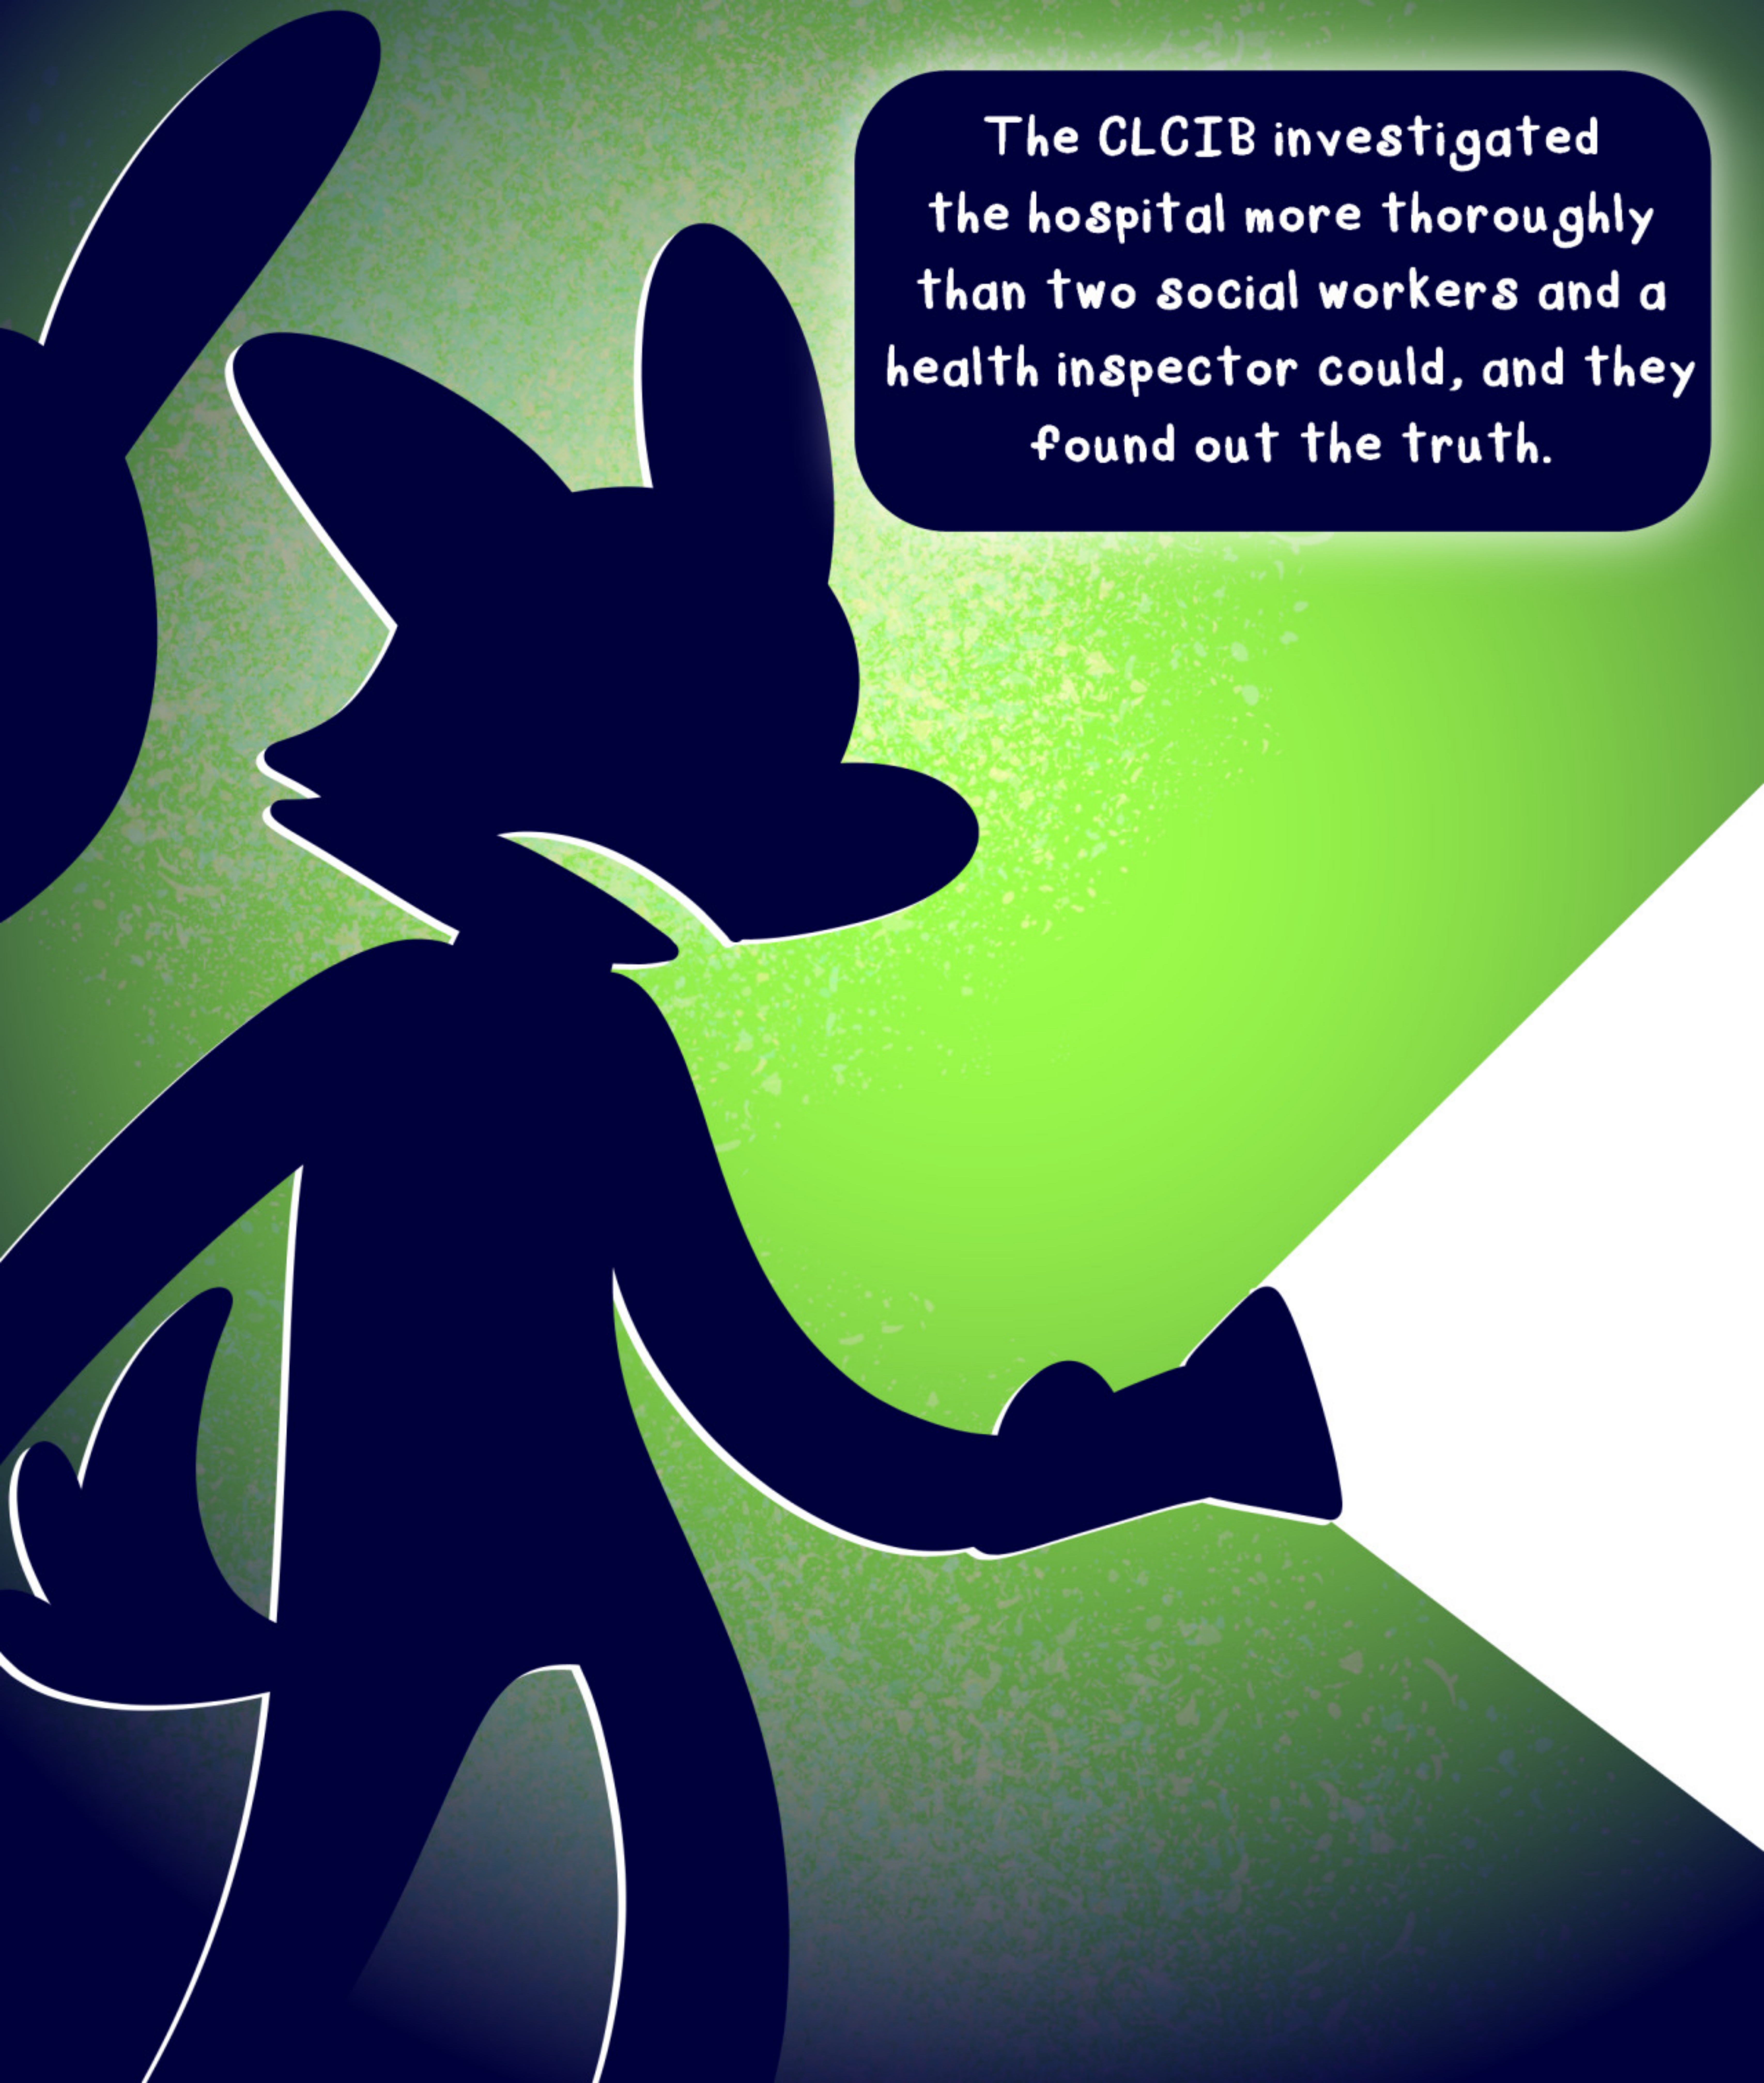
...well....



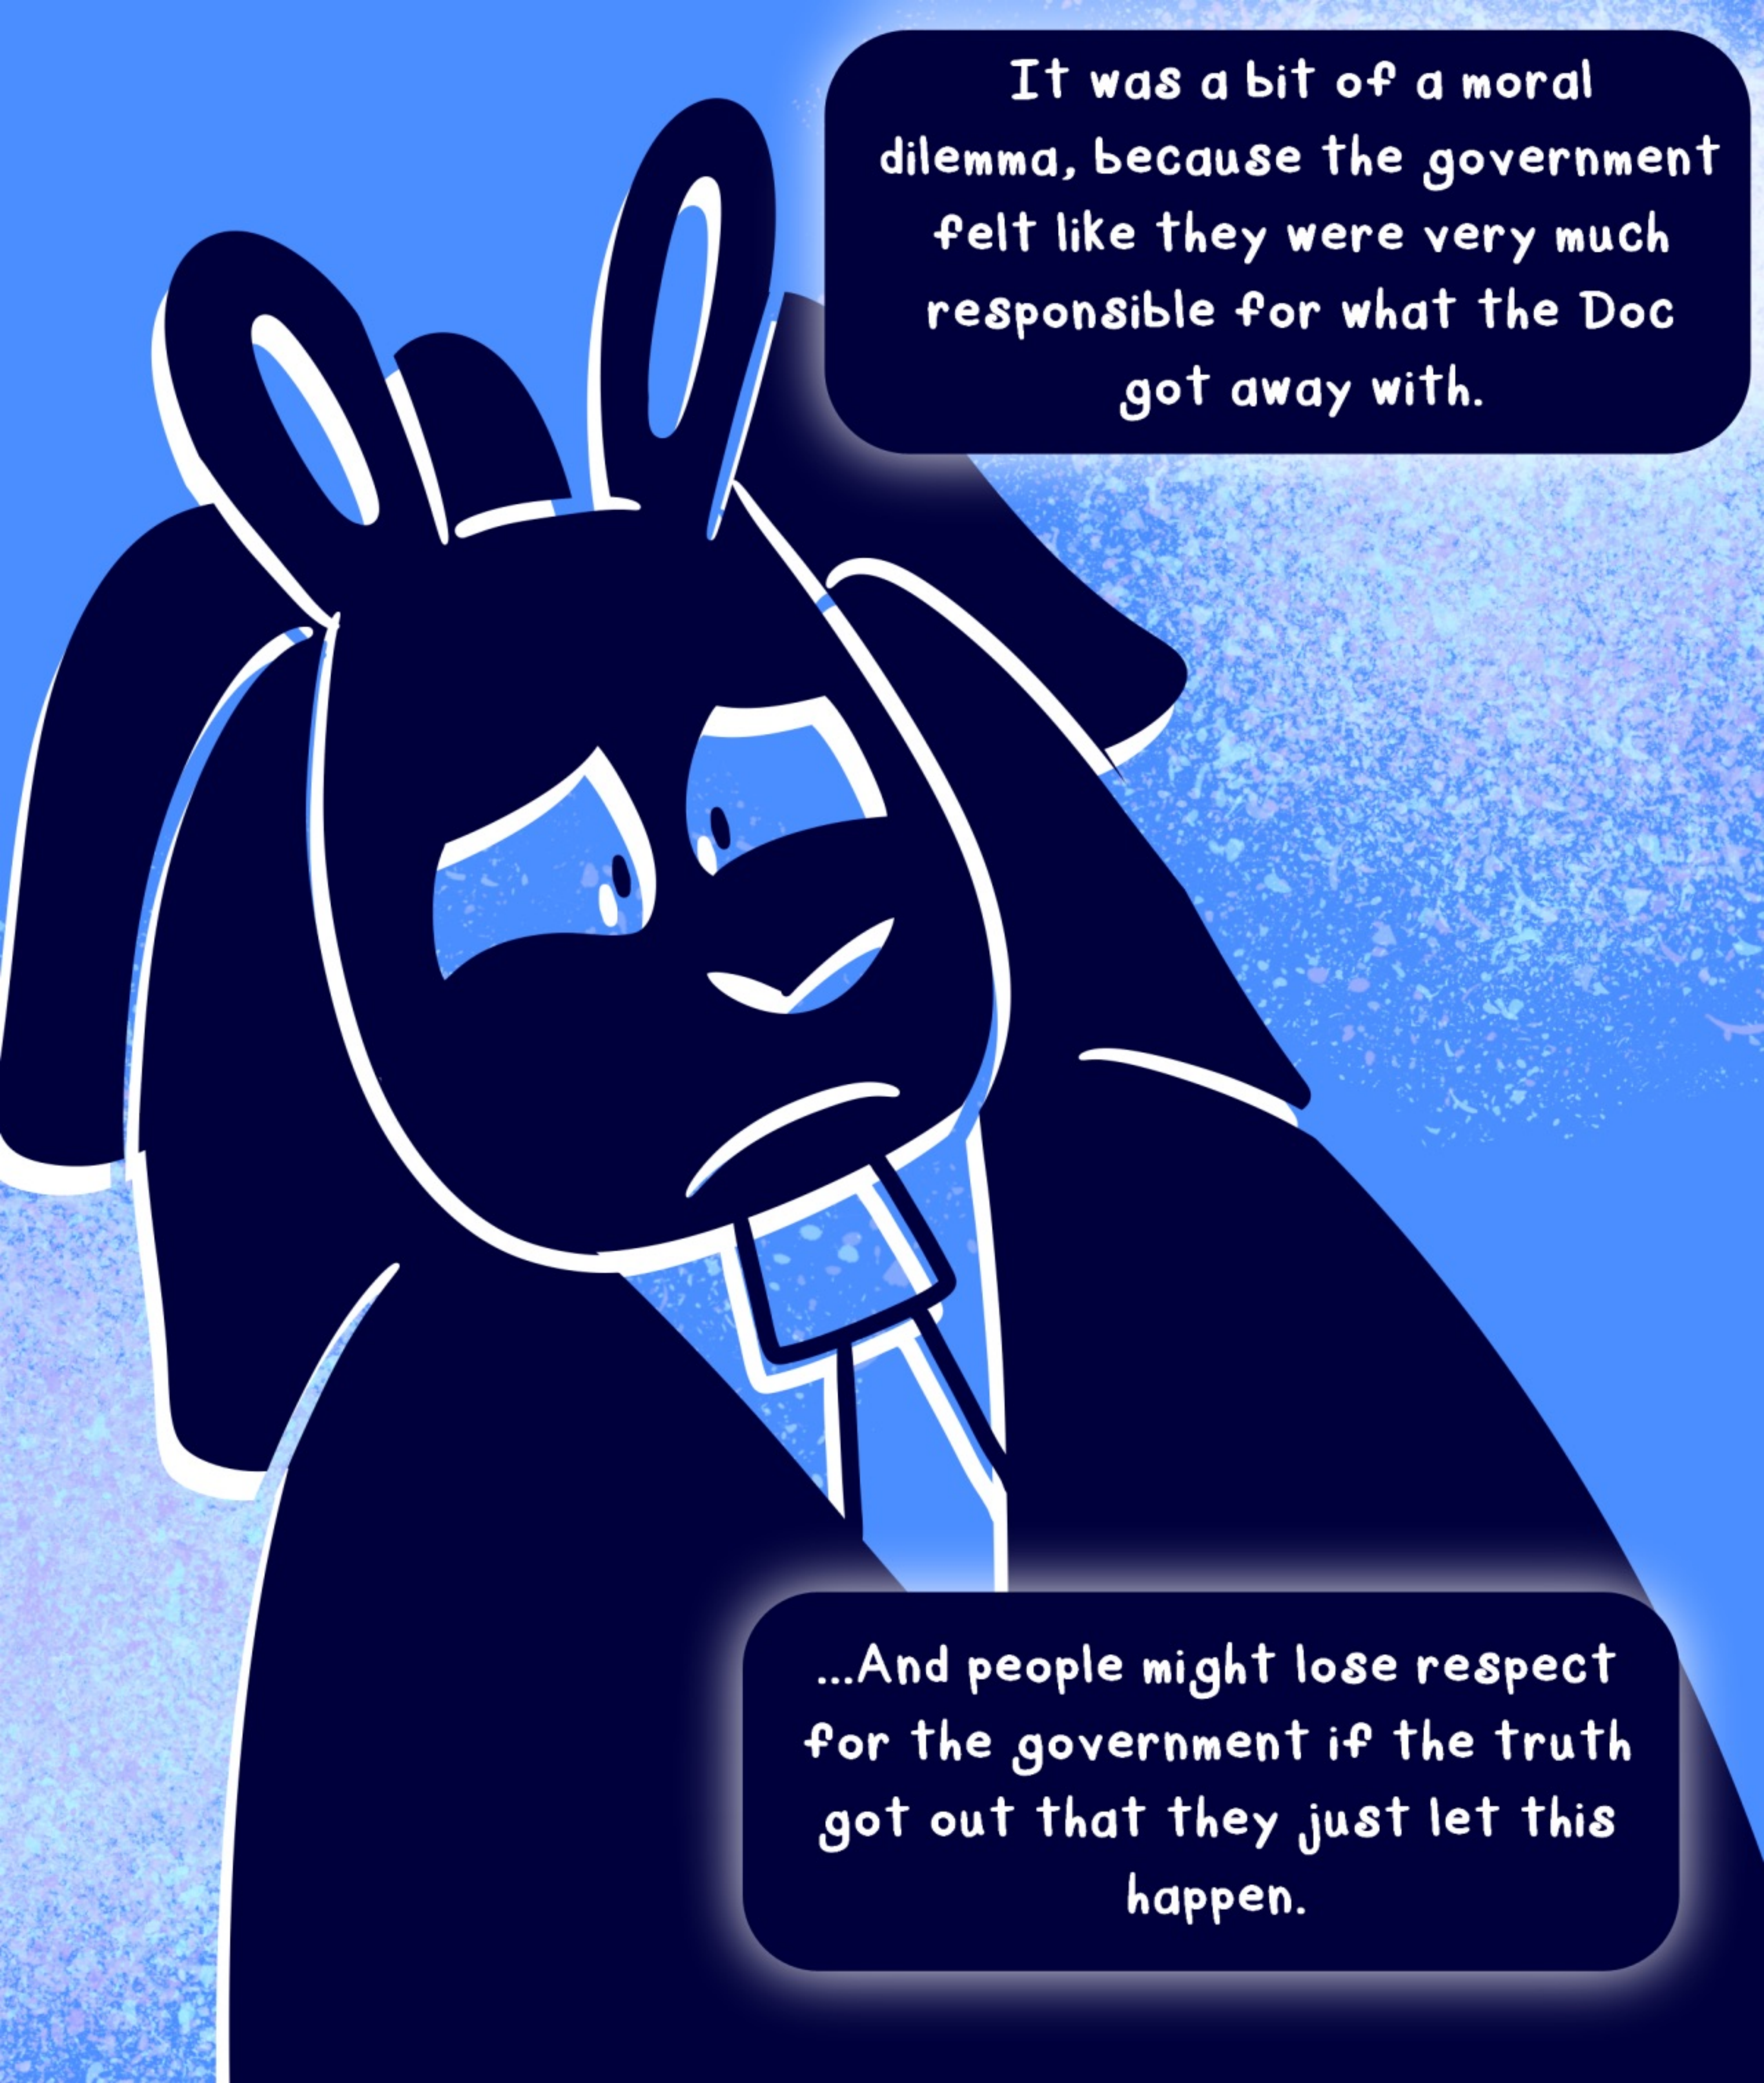
...you remember that social work intern who visited the hospital?
His boss didn´t believe us...



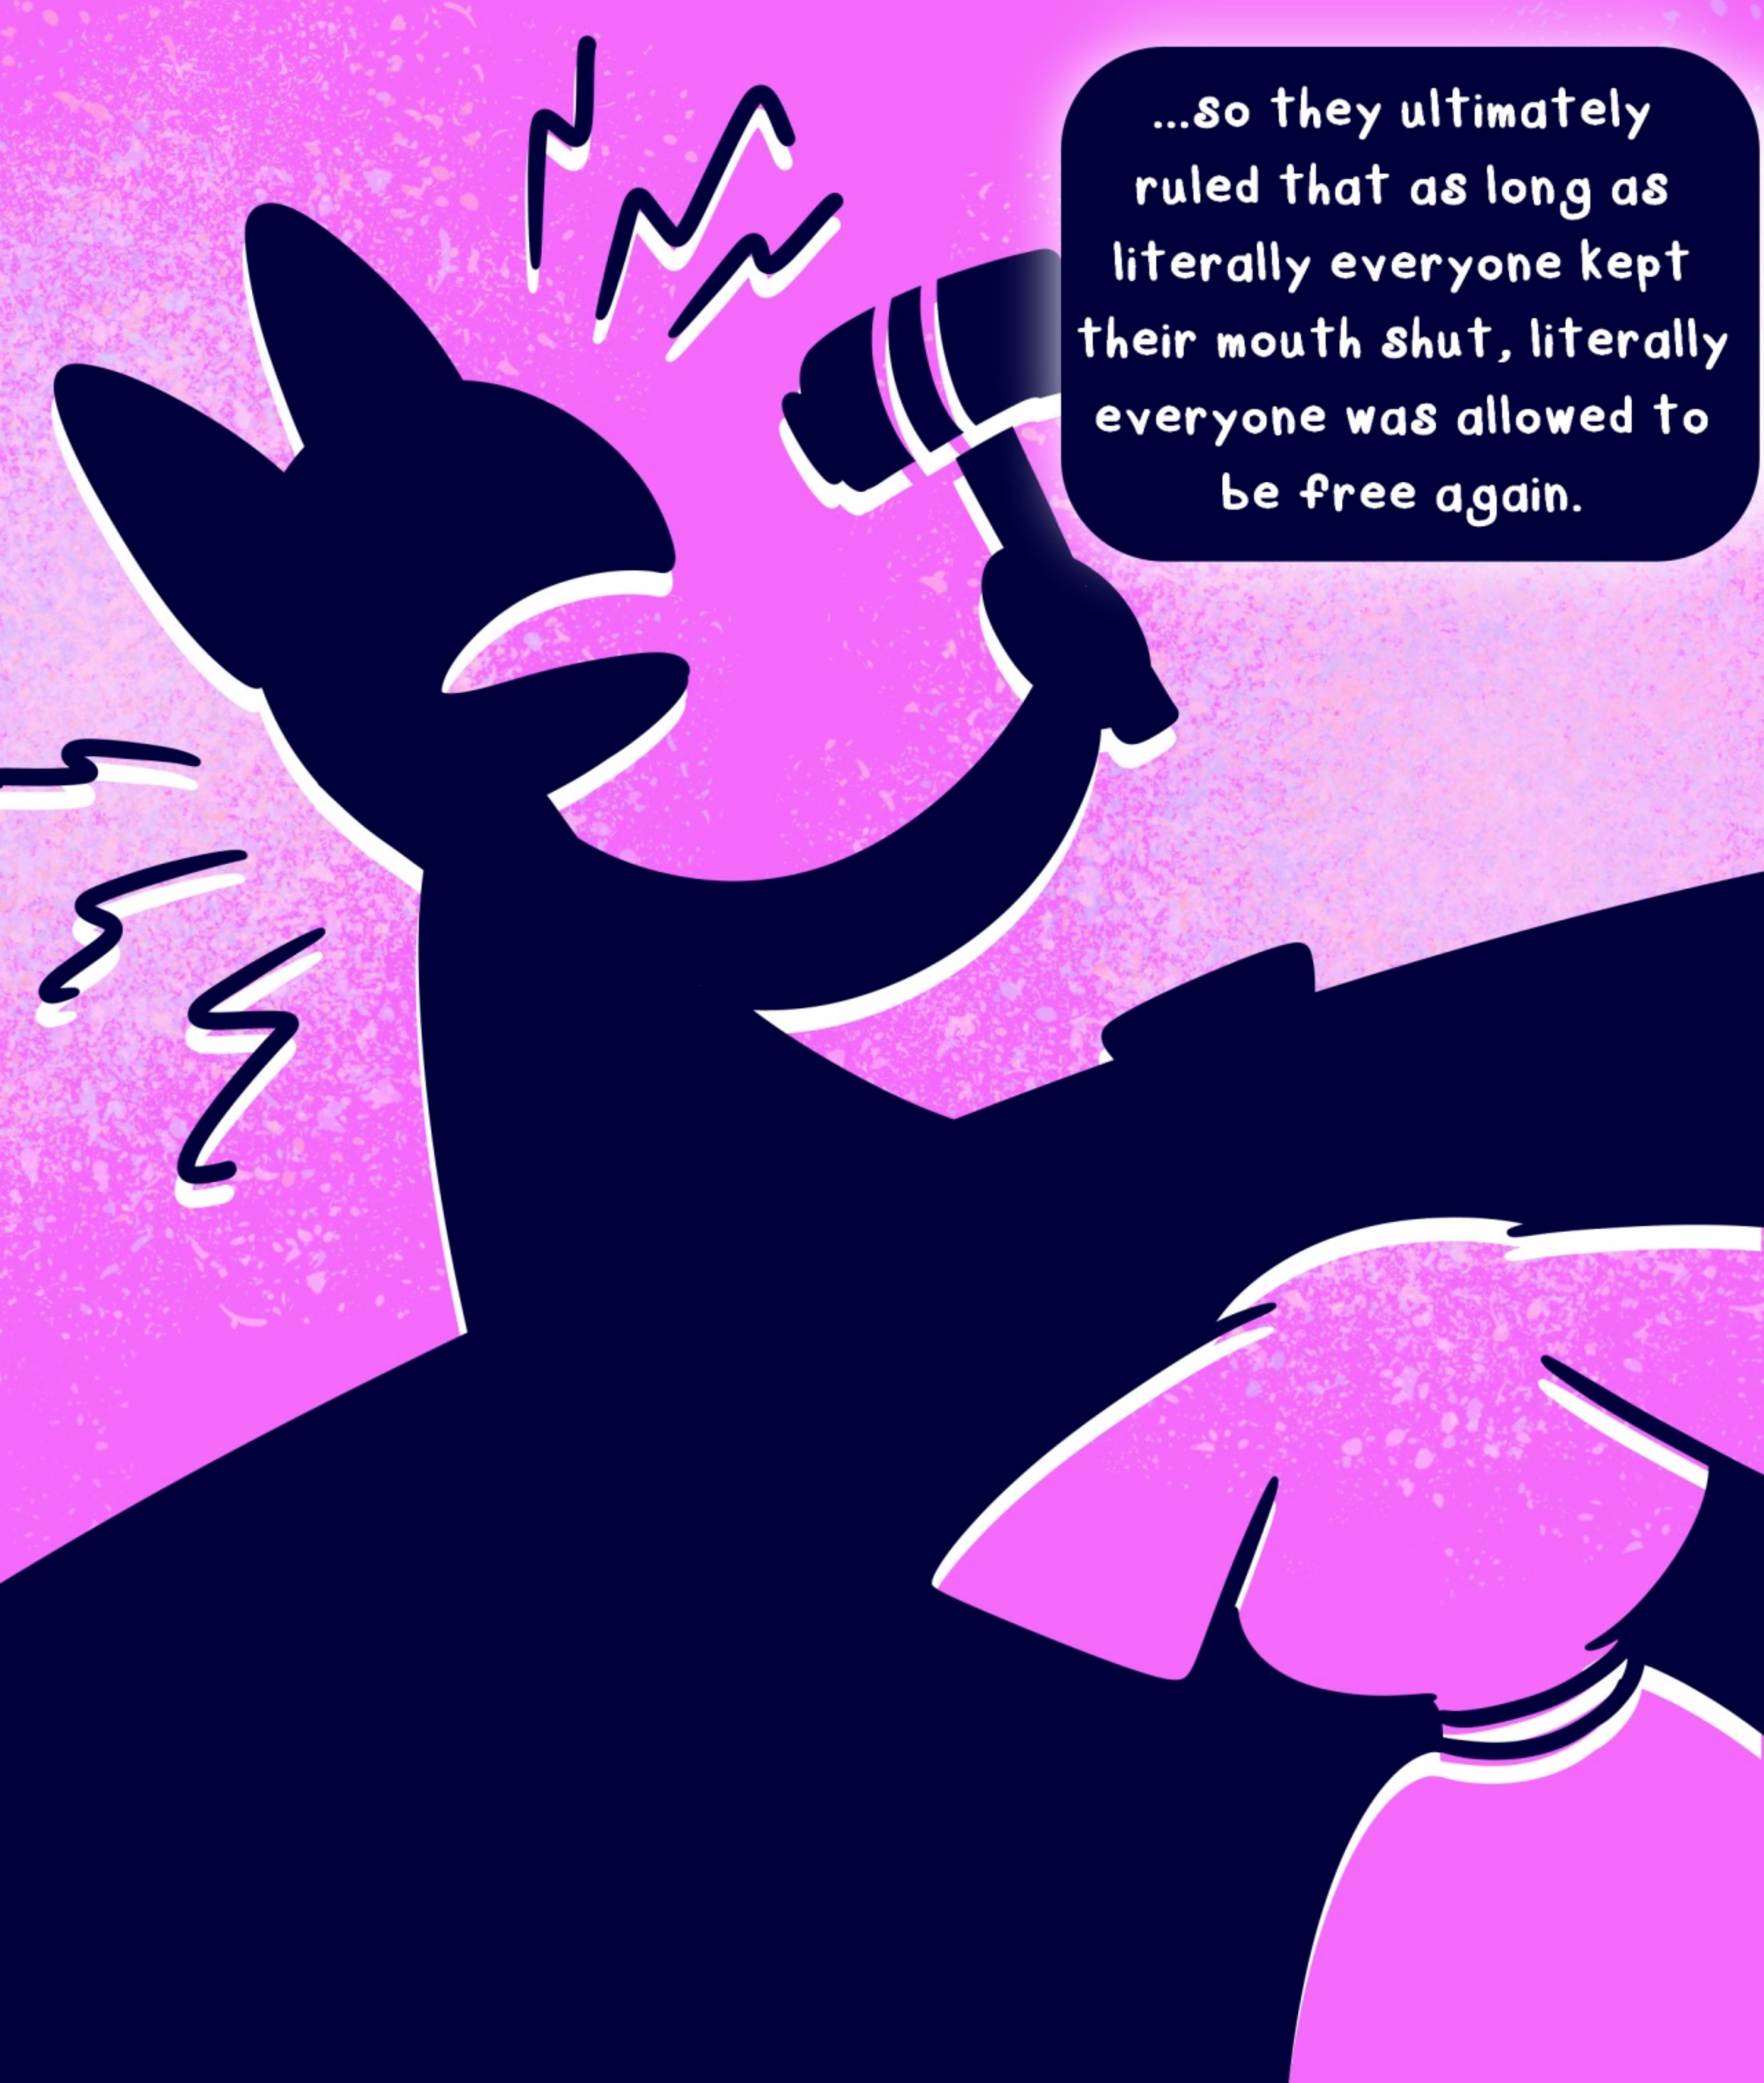
...but he went to someone else in the department who had more power than that guy... and they heard him out.



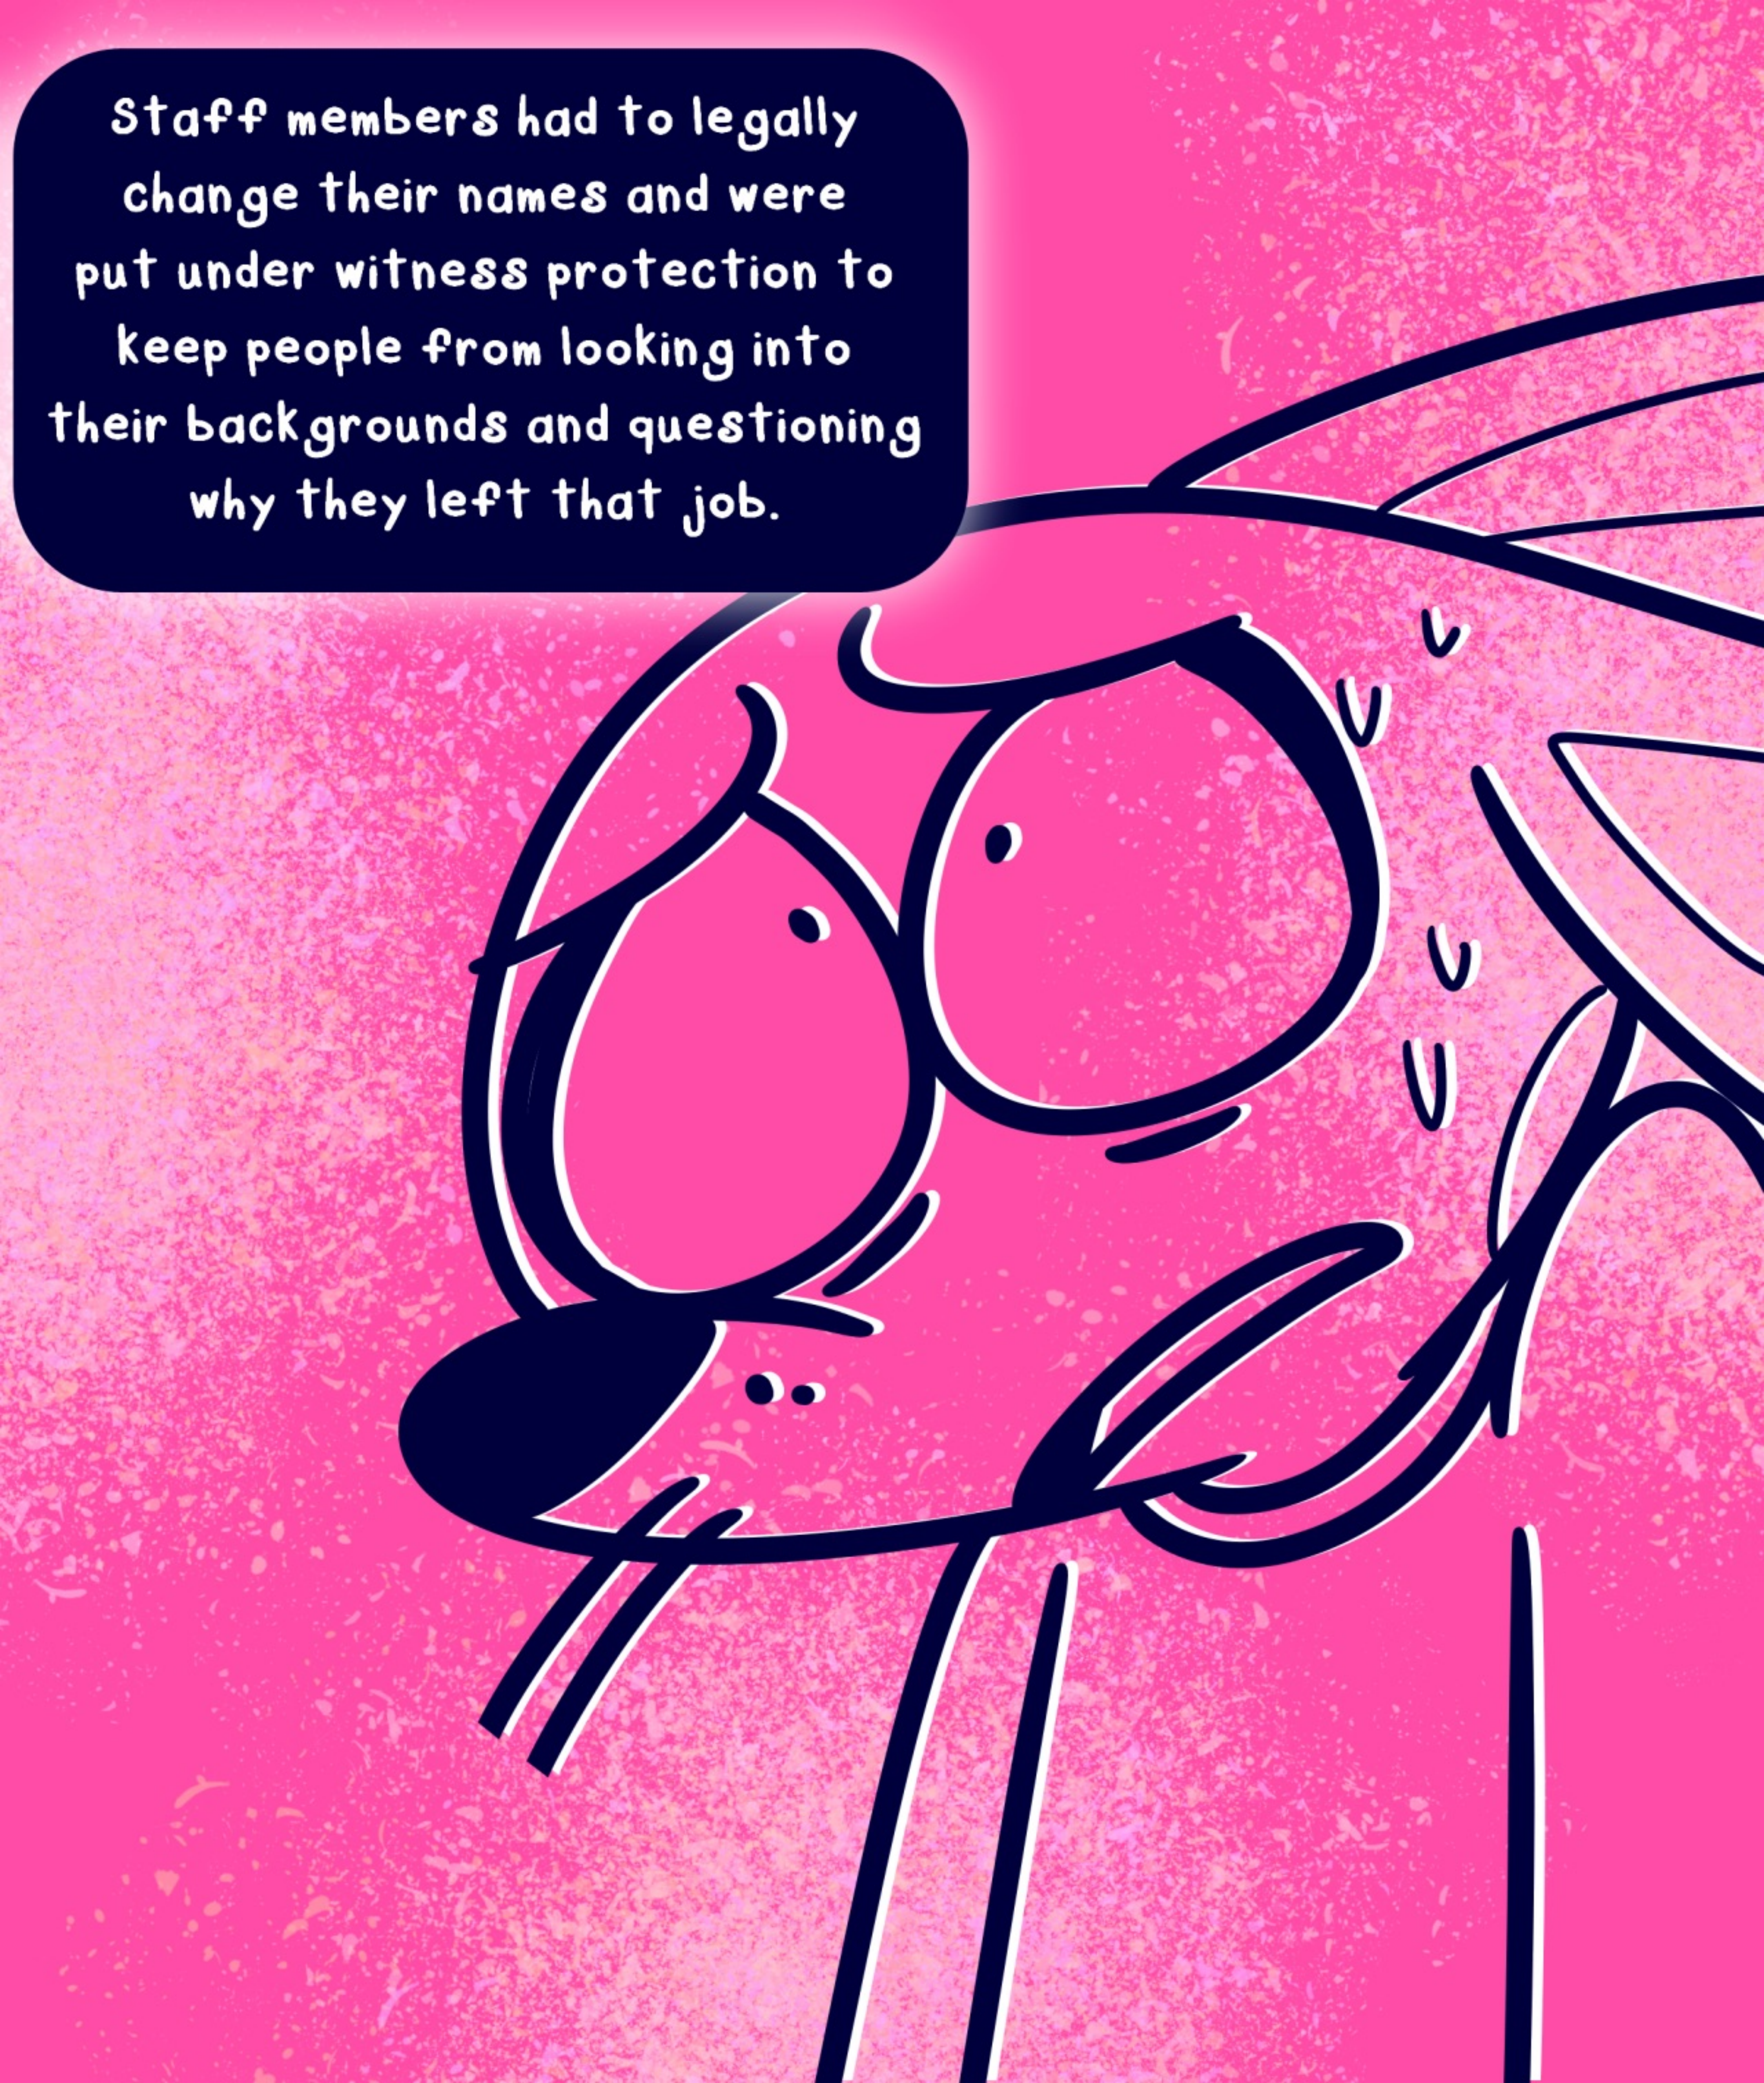
The CLCIB investigated the hospital more thoroughly than two social workers and a health inspector could, and they found out the truth.



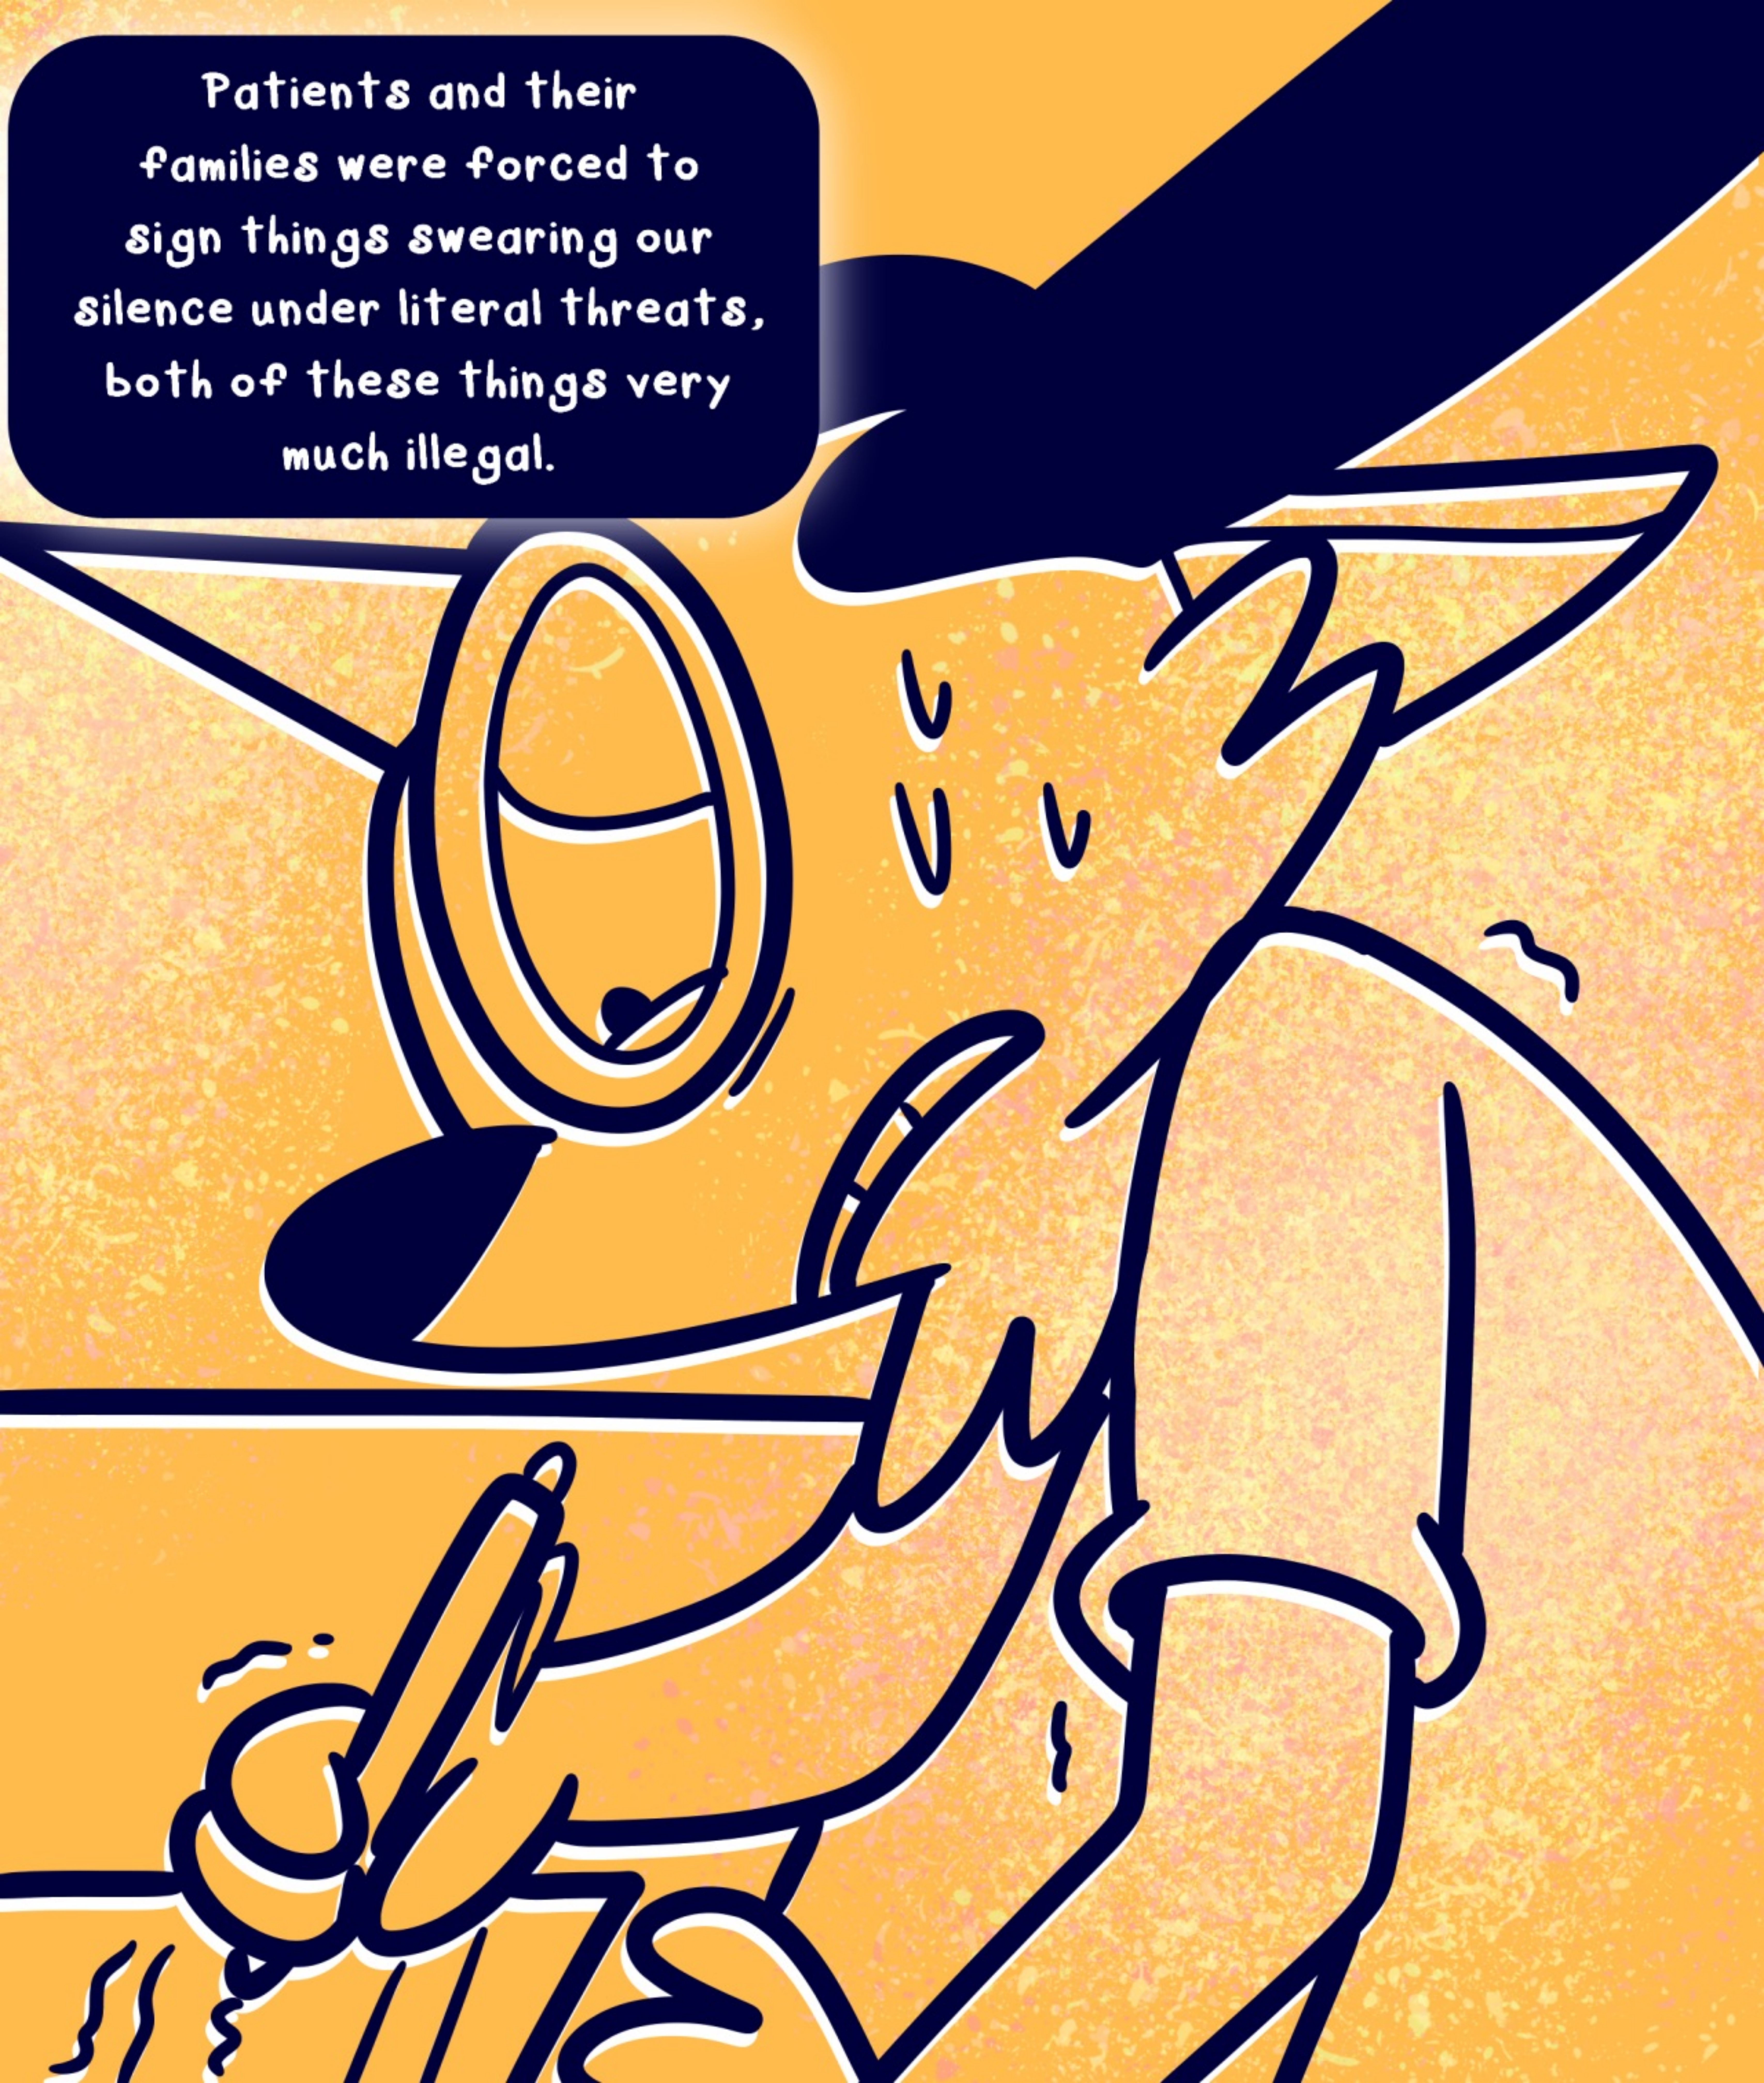
It was a bit of a moral dilemma, because the government felt like they were very much responsible for what the Doc got away with.
...And people might lose respect for the government if the truth got out that they just let this happen.



...so they ultimately ruled that as long as literally everyone kept their mouth shut, literally everyone was allowed to be free again.



Staff members had to legally change their names and were put under witness protection to keep people from looking into their backgrounds and questioning why they left that job.



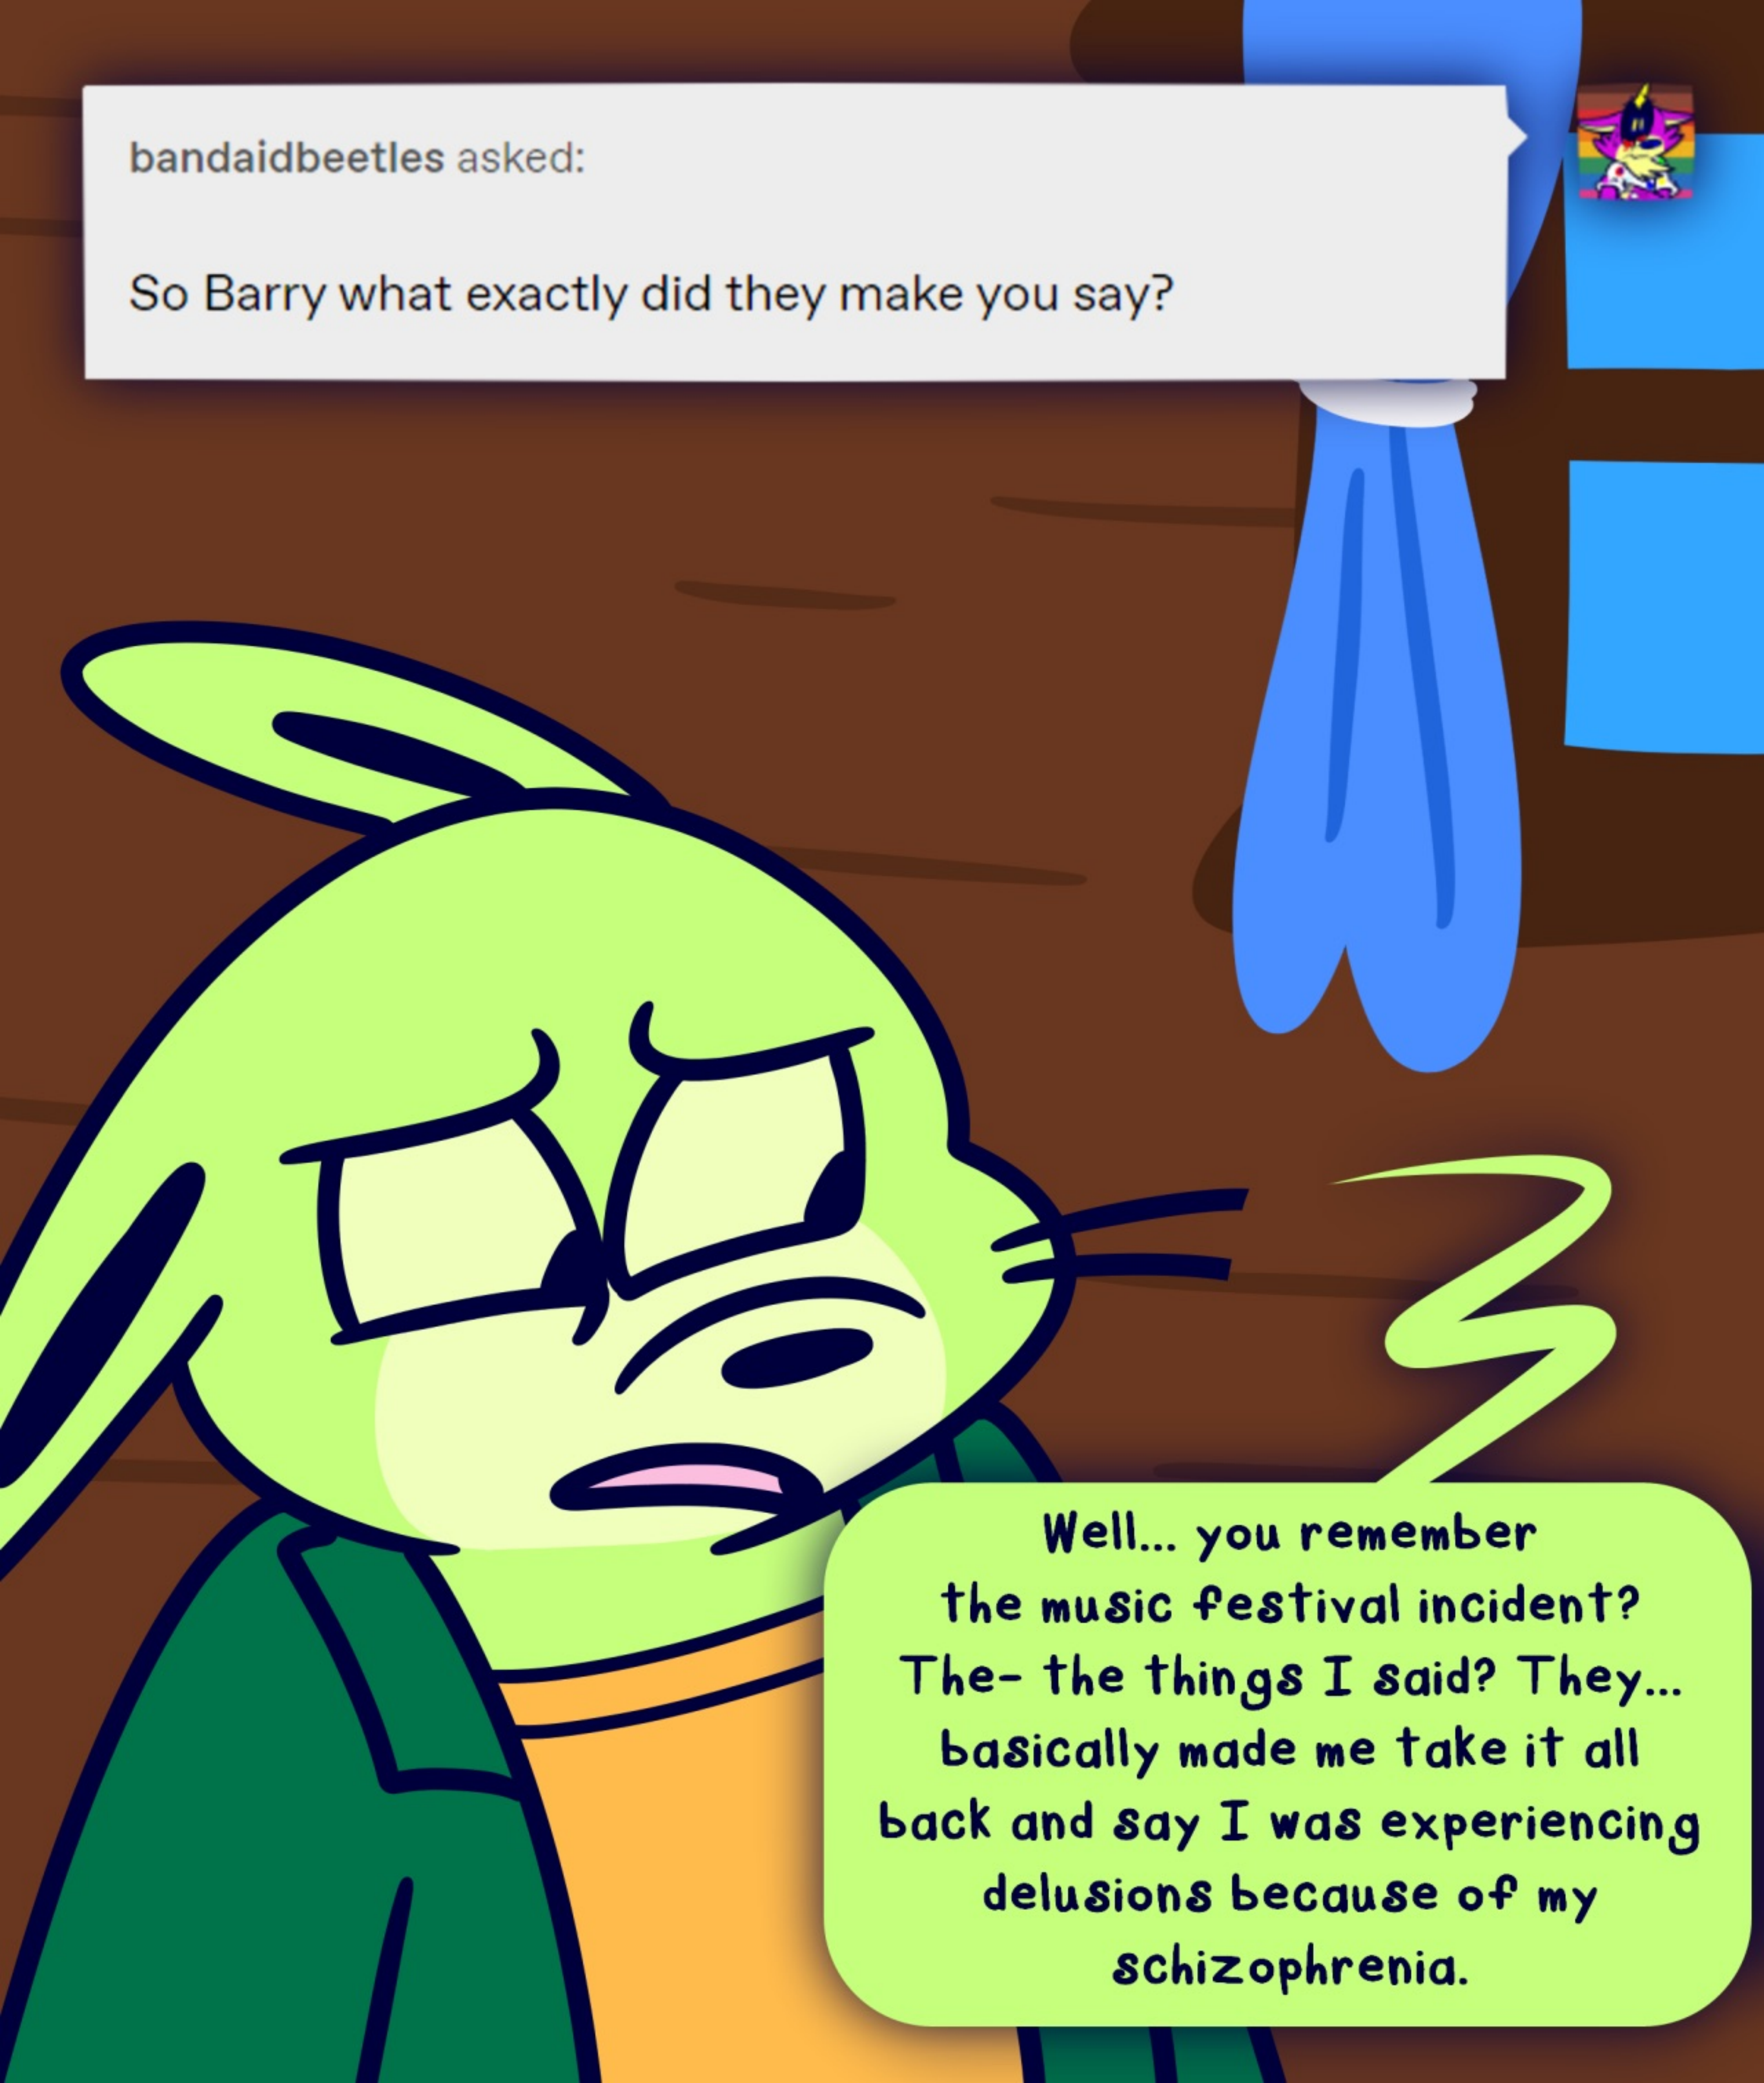
Patients and their families were forced to sign things swearing our silence under literal threats, both of these things very much illegal.

They told the world it shut down for financial reasons.

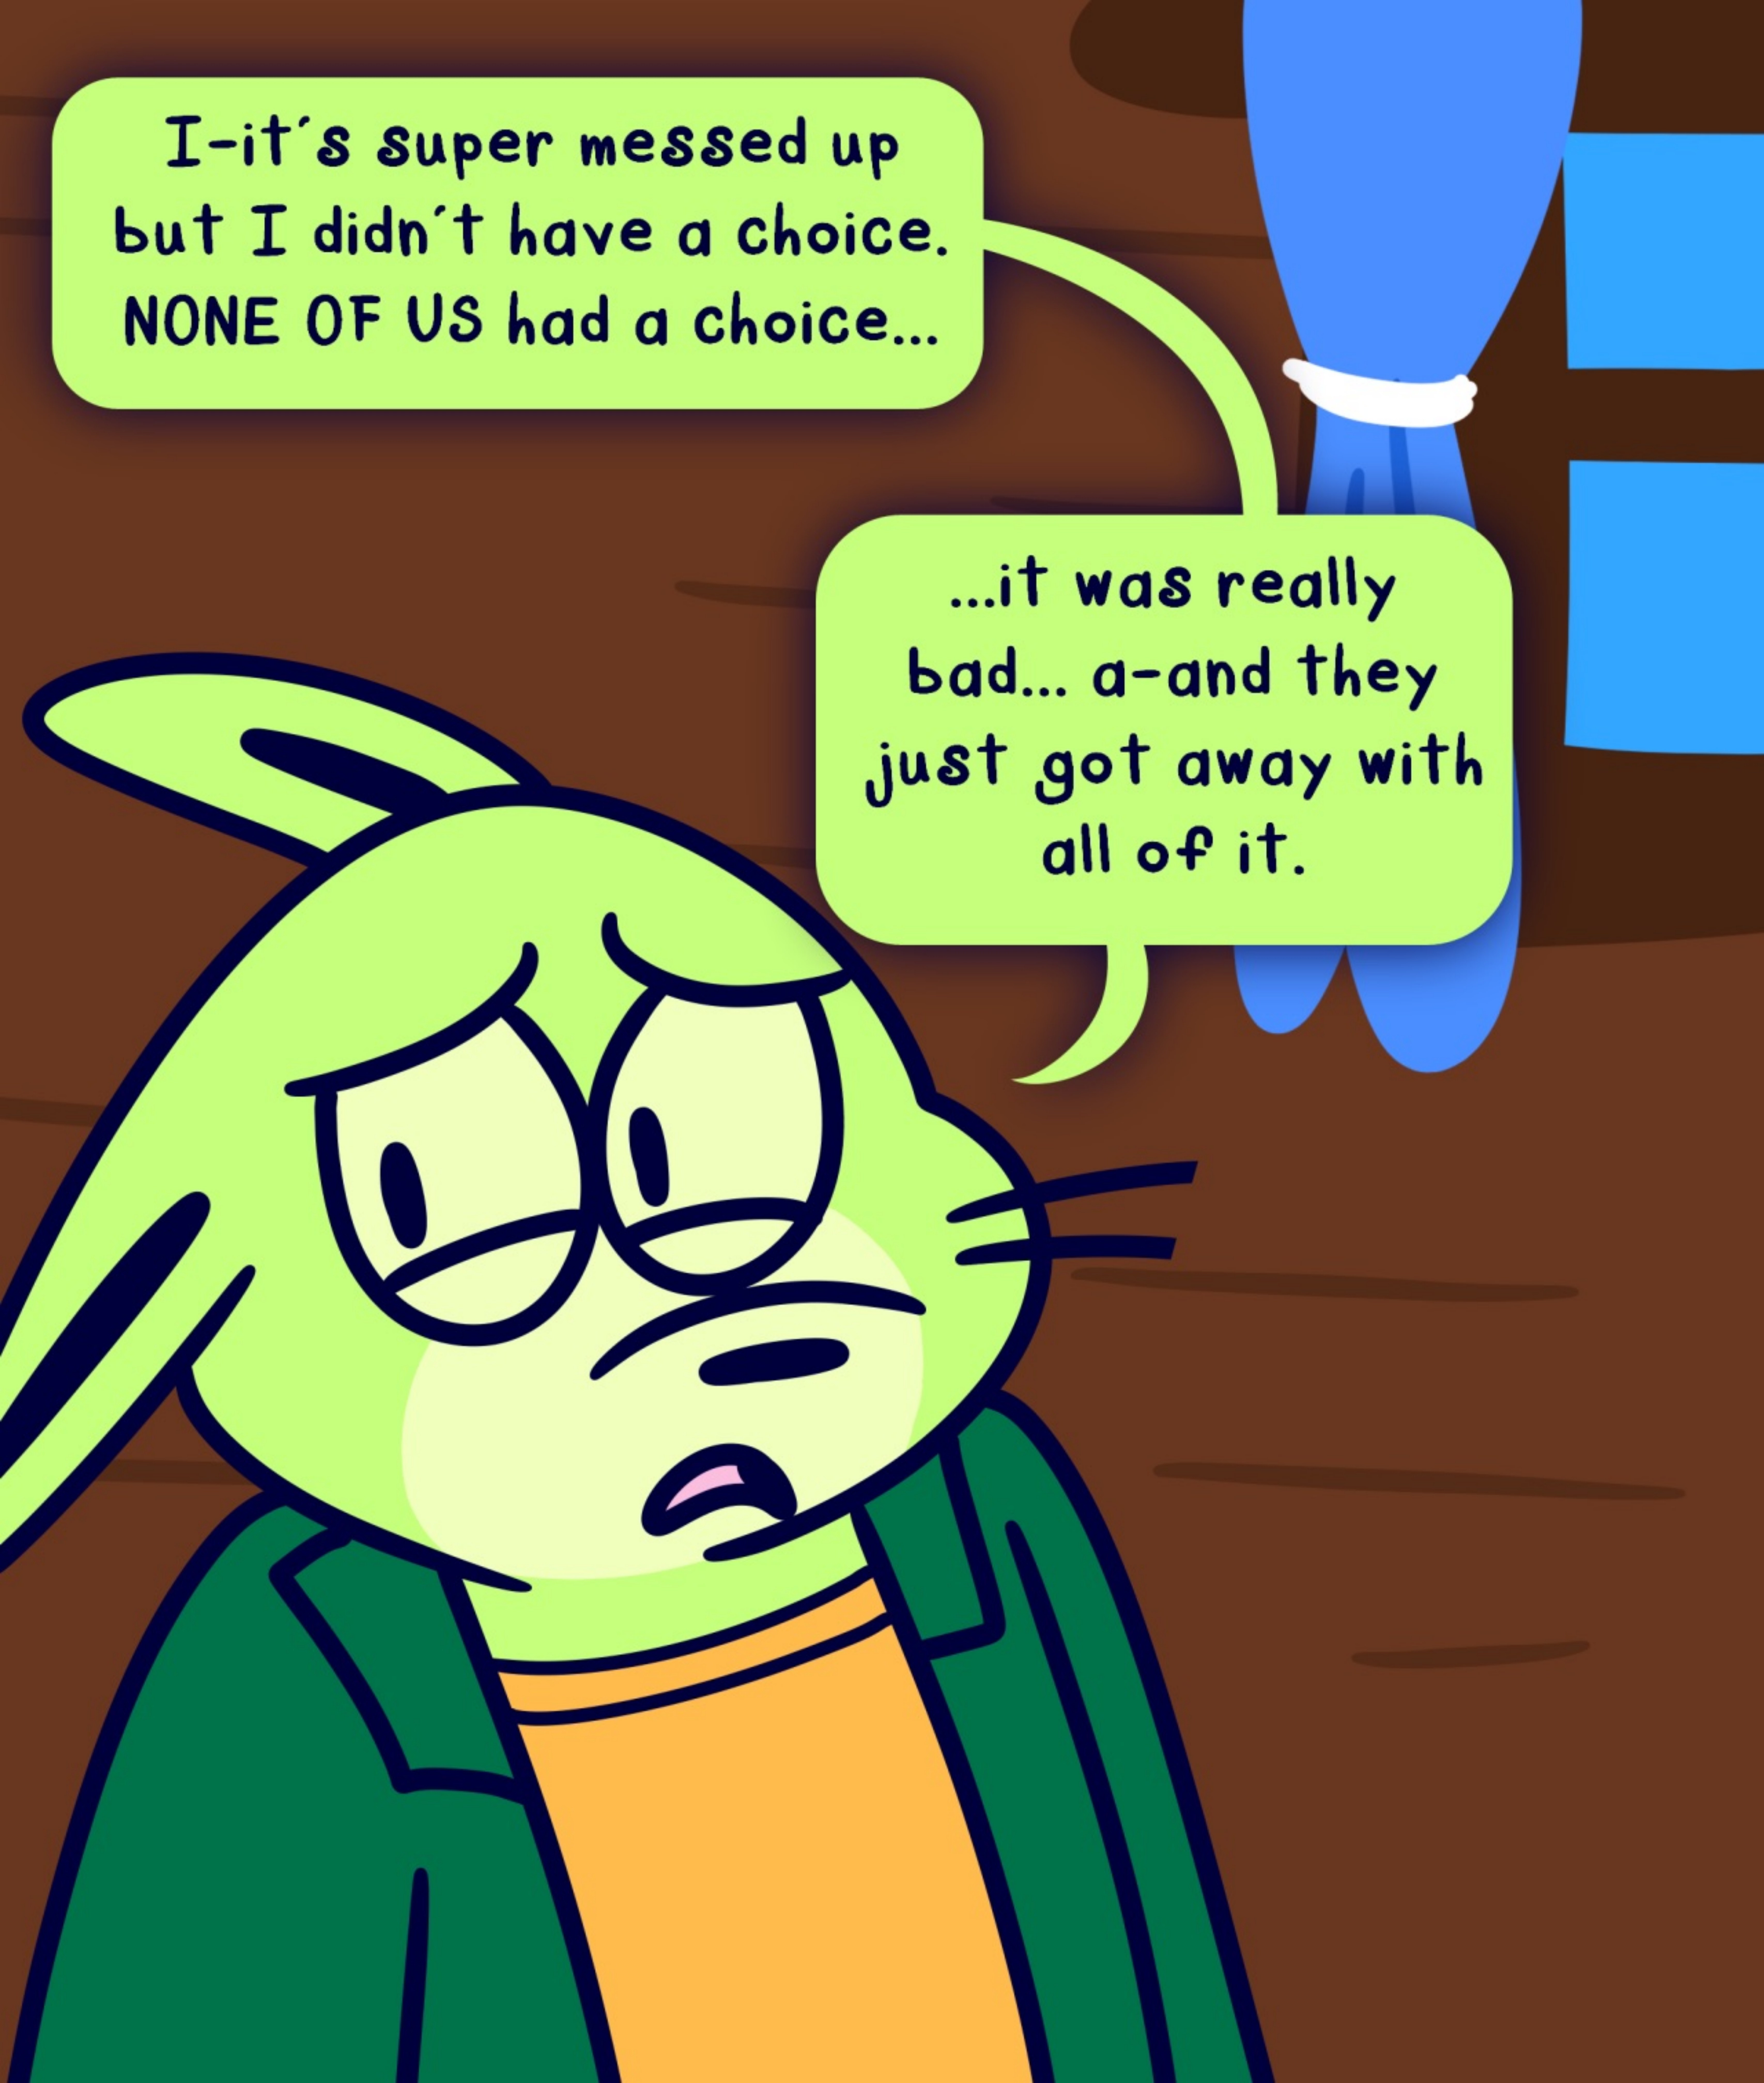
And nobody questioned it.

bandaidbeetles asked:

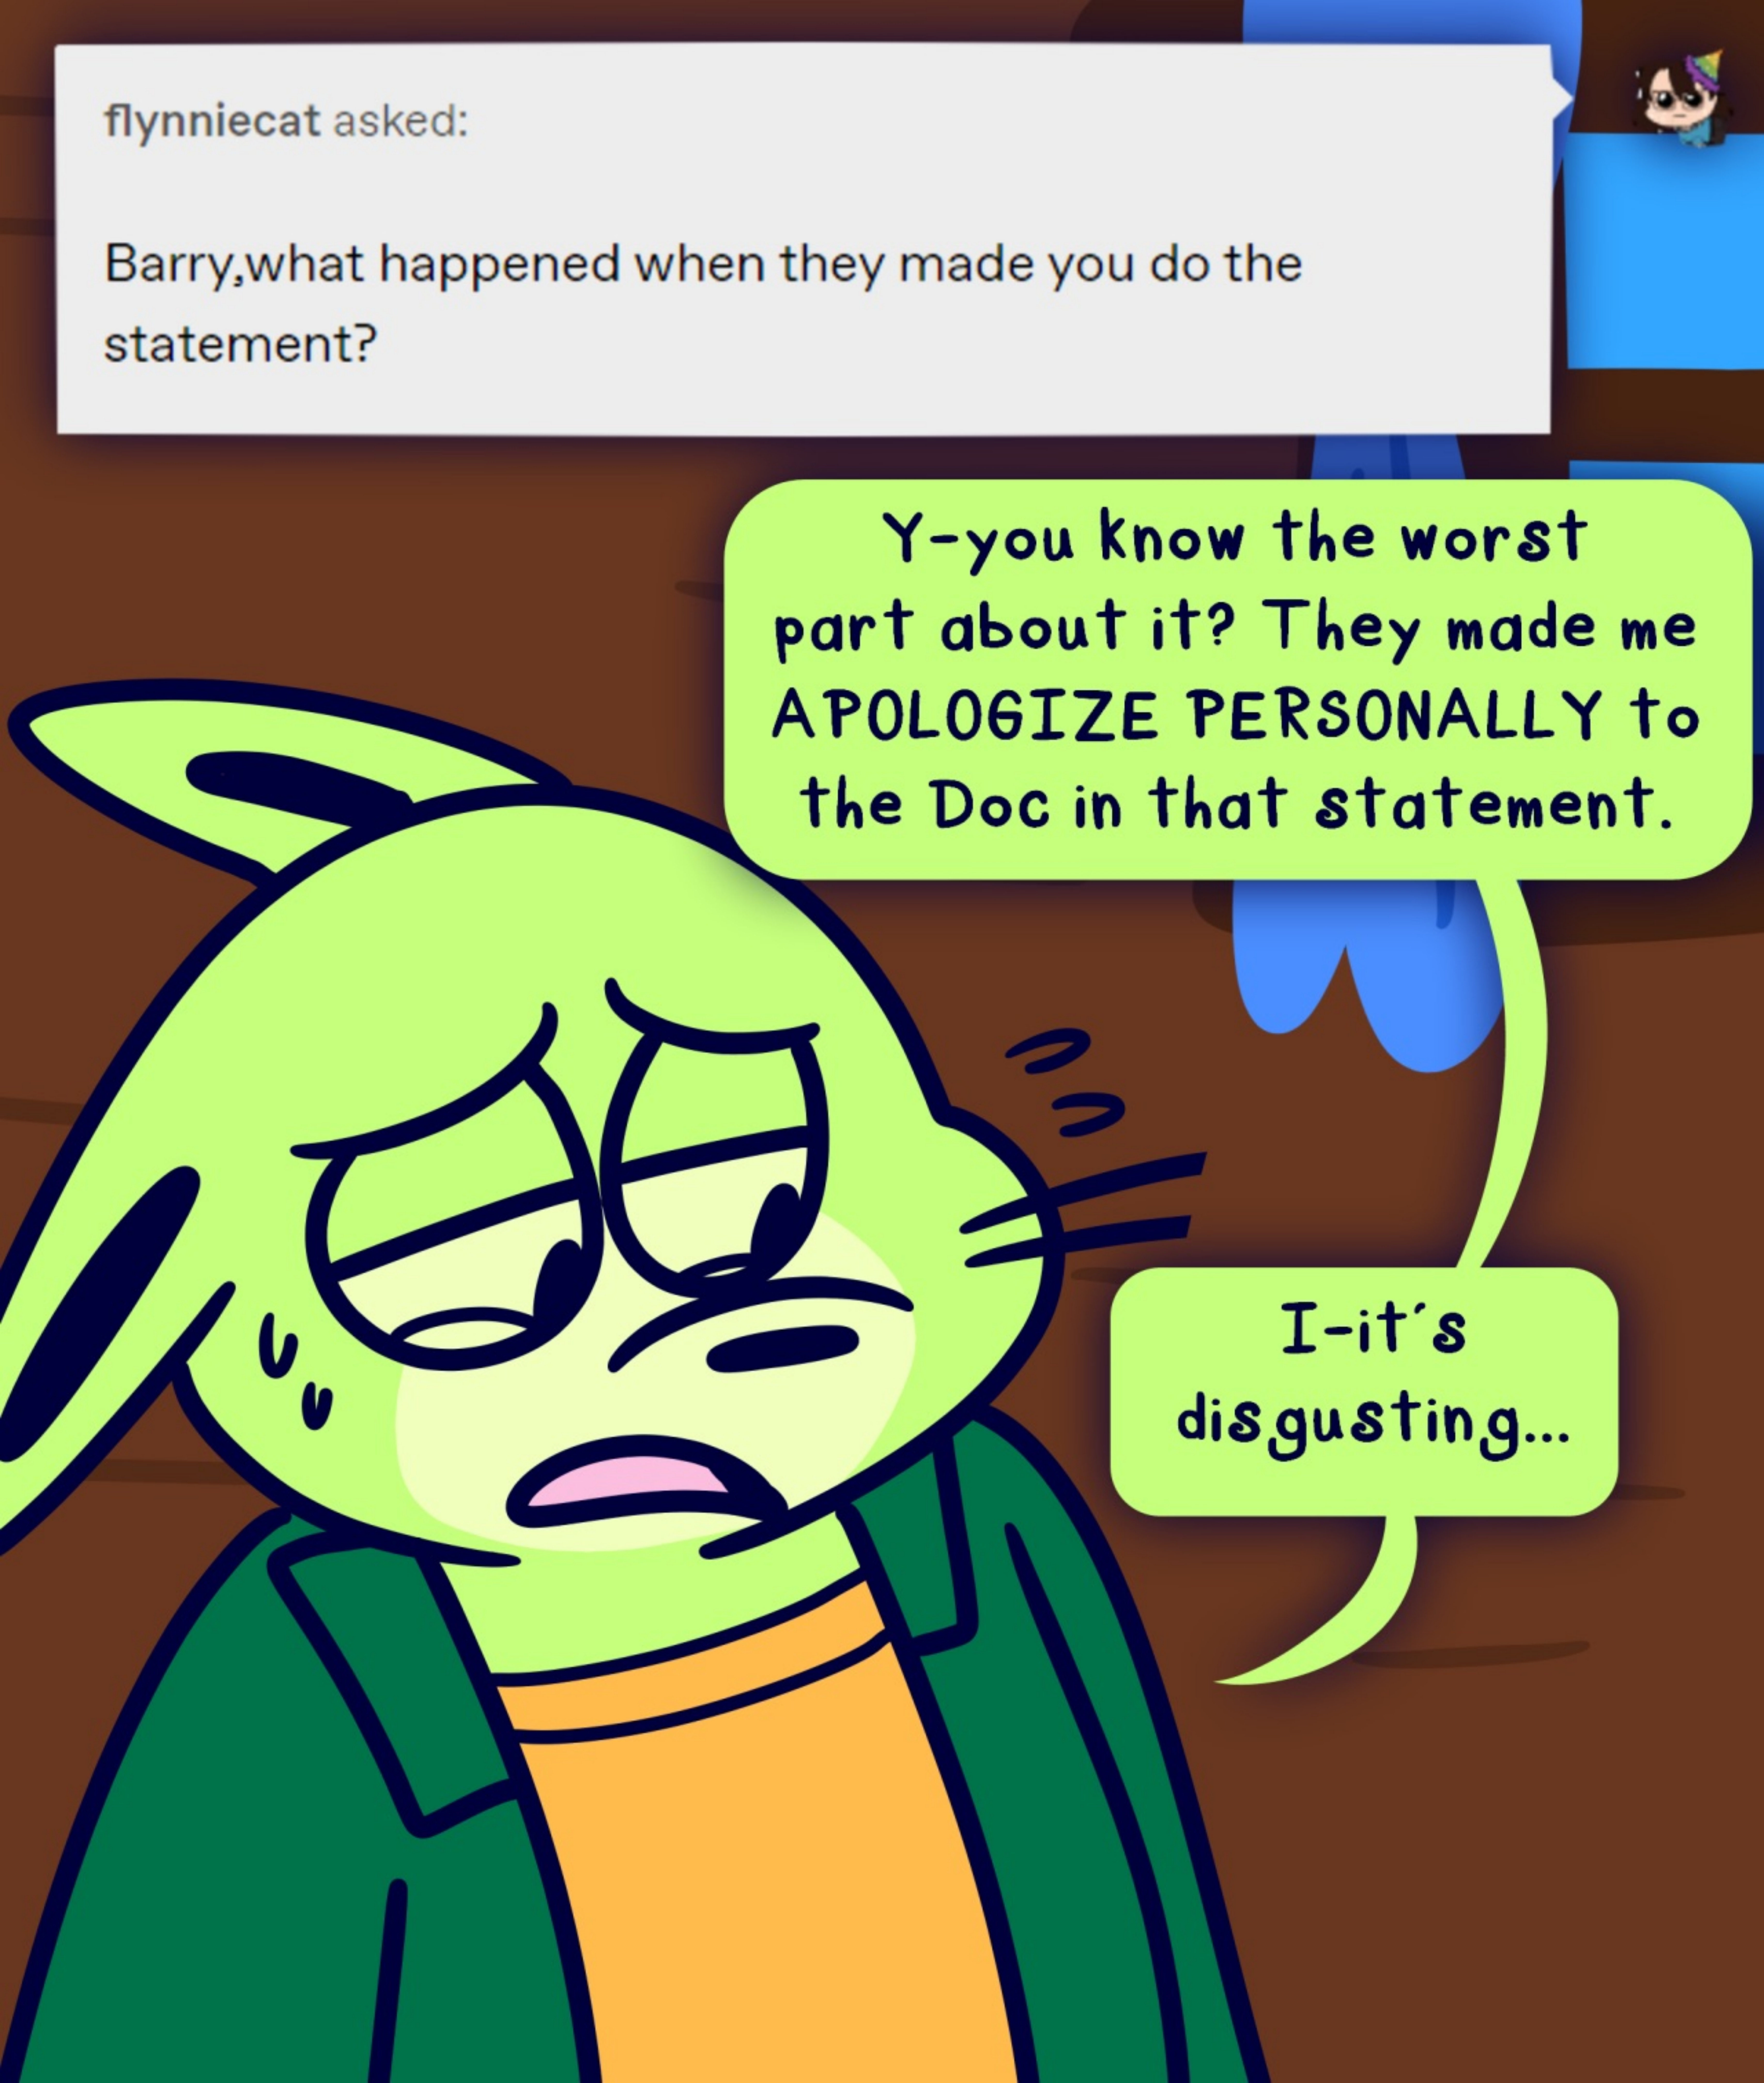
So Barry what exactly did they make you say?



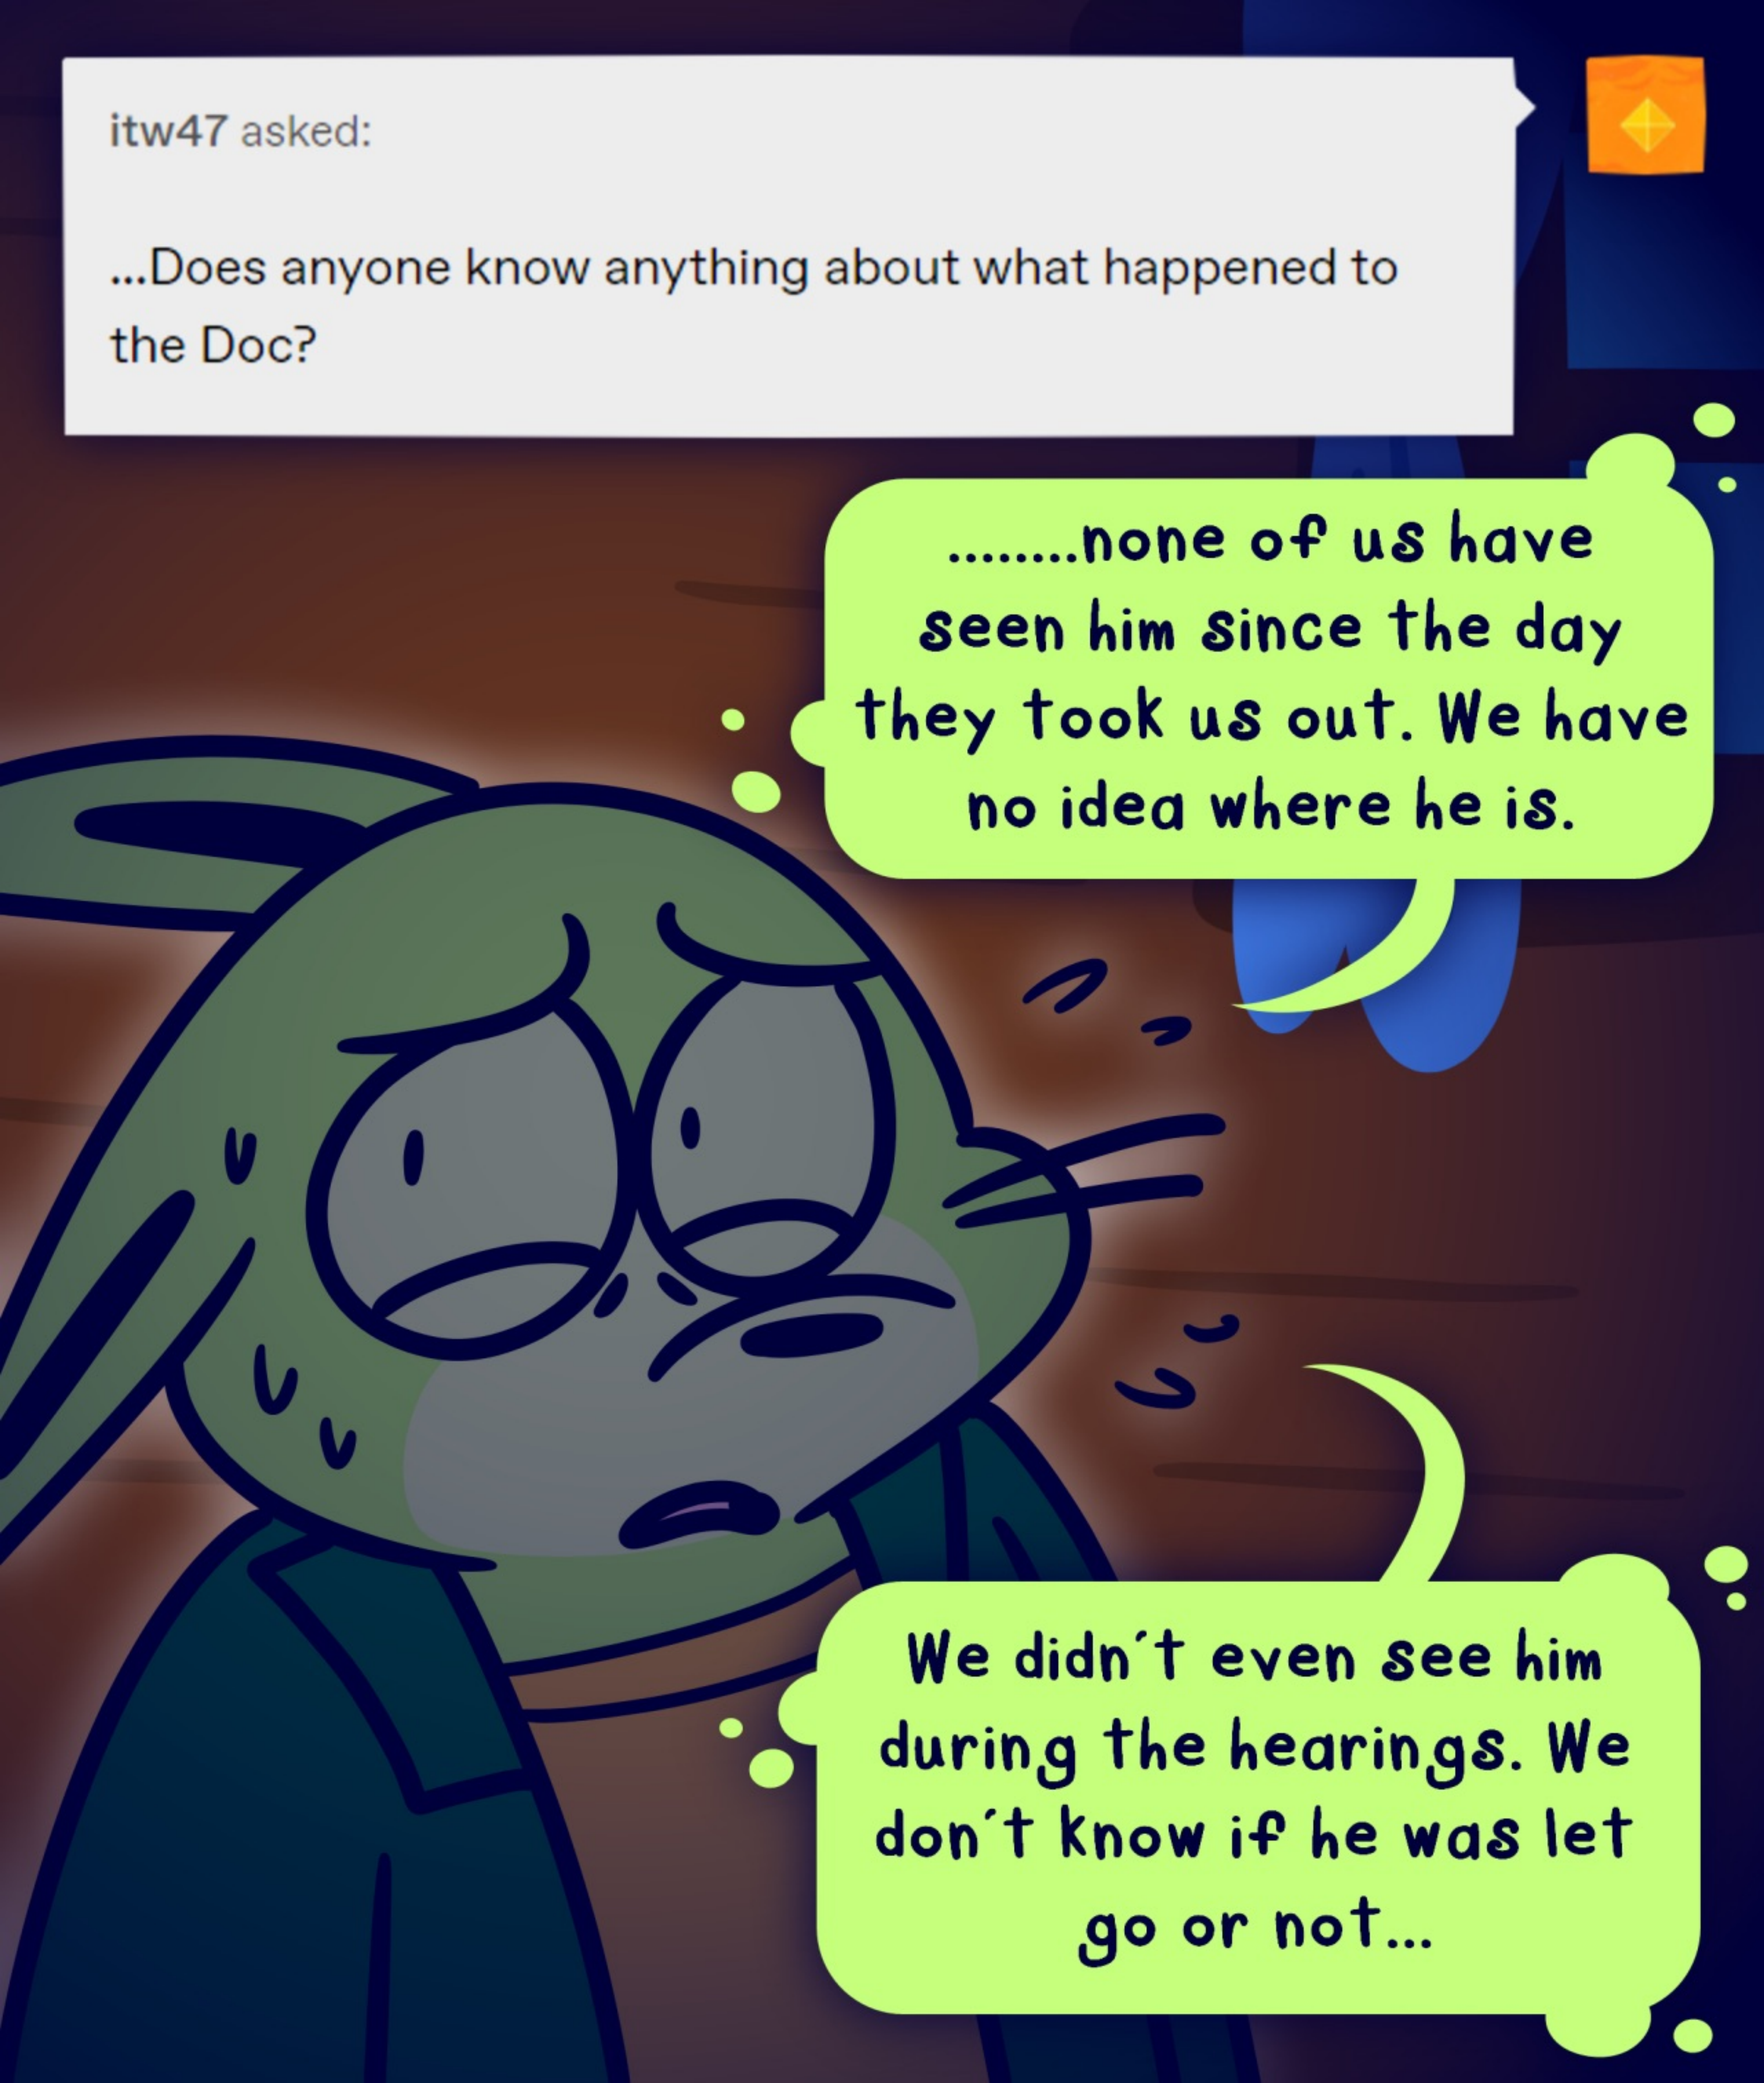
Well... you remember the music festival incident? The- the things I said? They... basically made me take it all back and say I was experiencing delusions because of my schizophrenia.



I-it's super messed up but I didn't have a choice. NONE OF US had a choice...
...it was really bad... a-and they just got away with all of it.



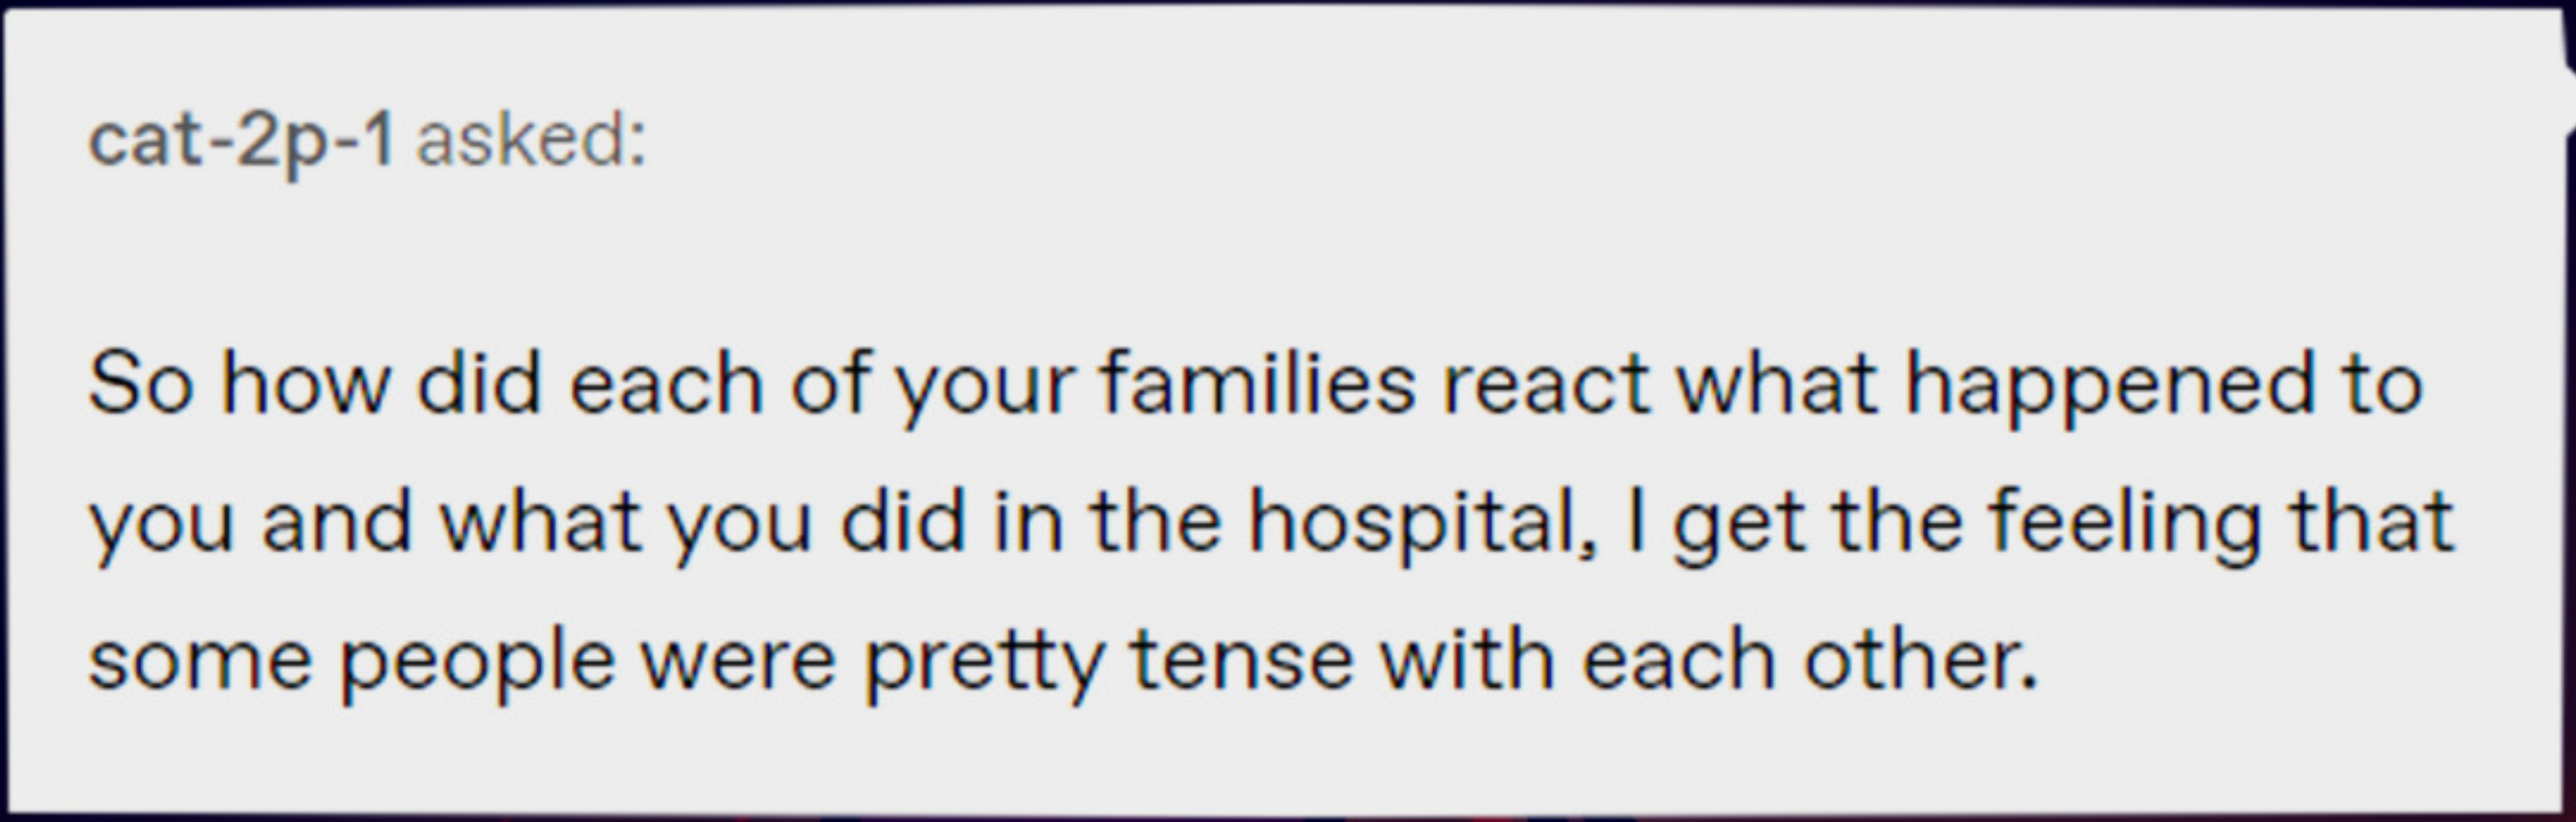
flynniecat asked:
Barry,what happened when they made you do the statement?
Y-you know the worst part about it? They made me APOLOGIZE PERSONALLY to the Doc in that statement.
I-it´s disgusting...



itw47 asked:

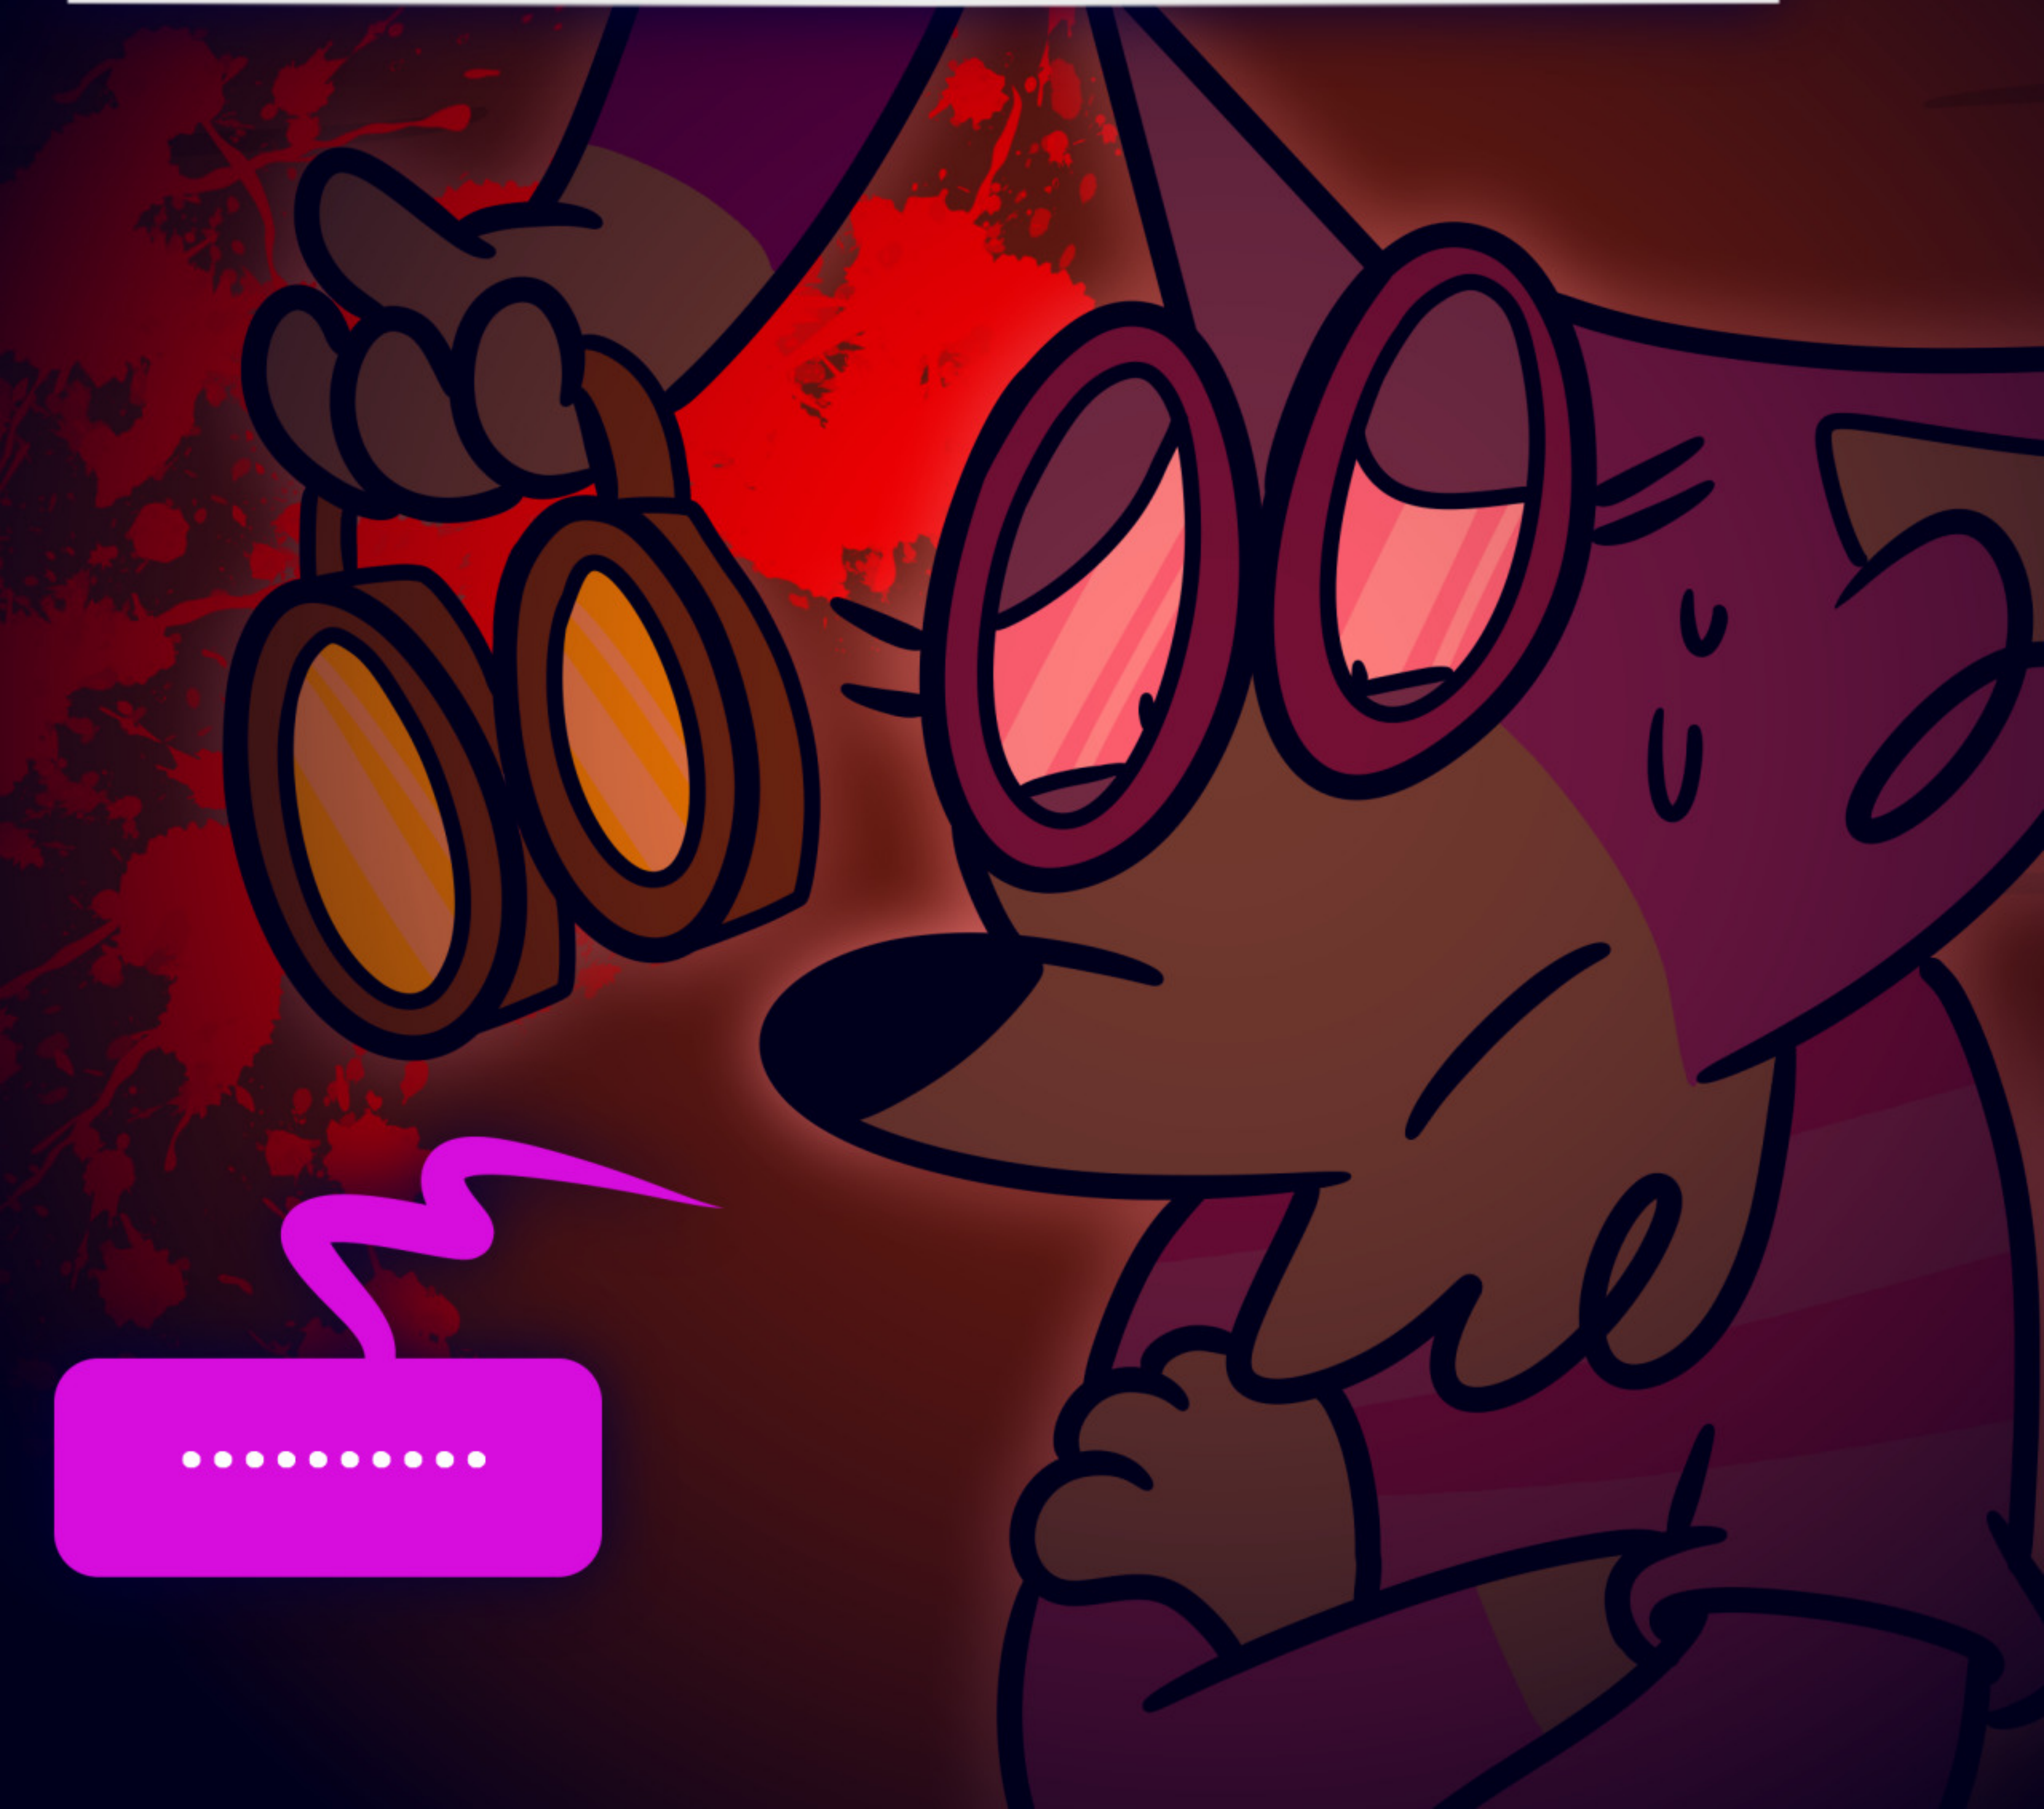
...Does anyone know anything about what happened to the Doc?

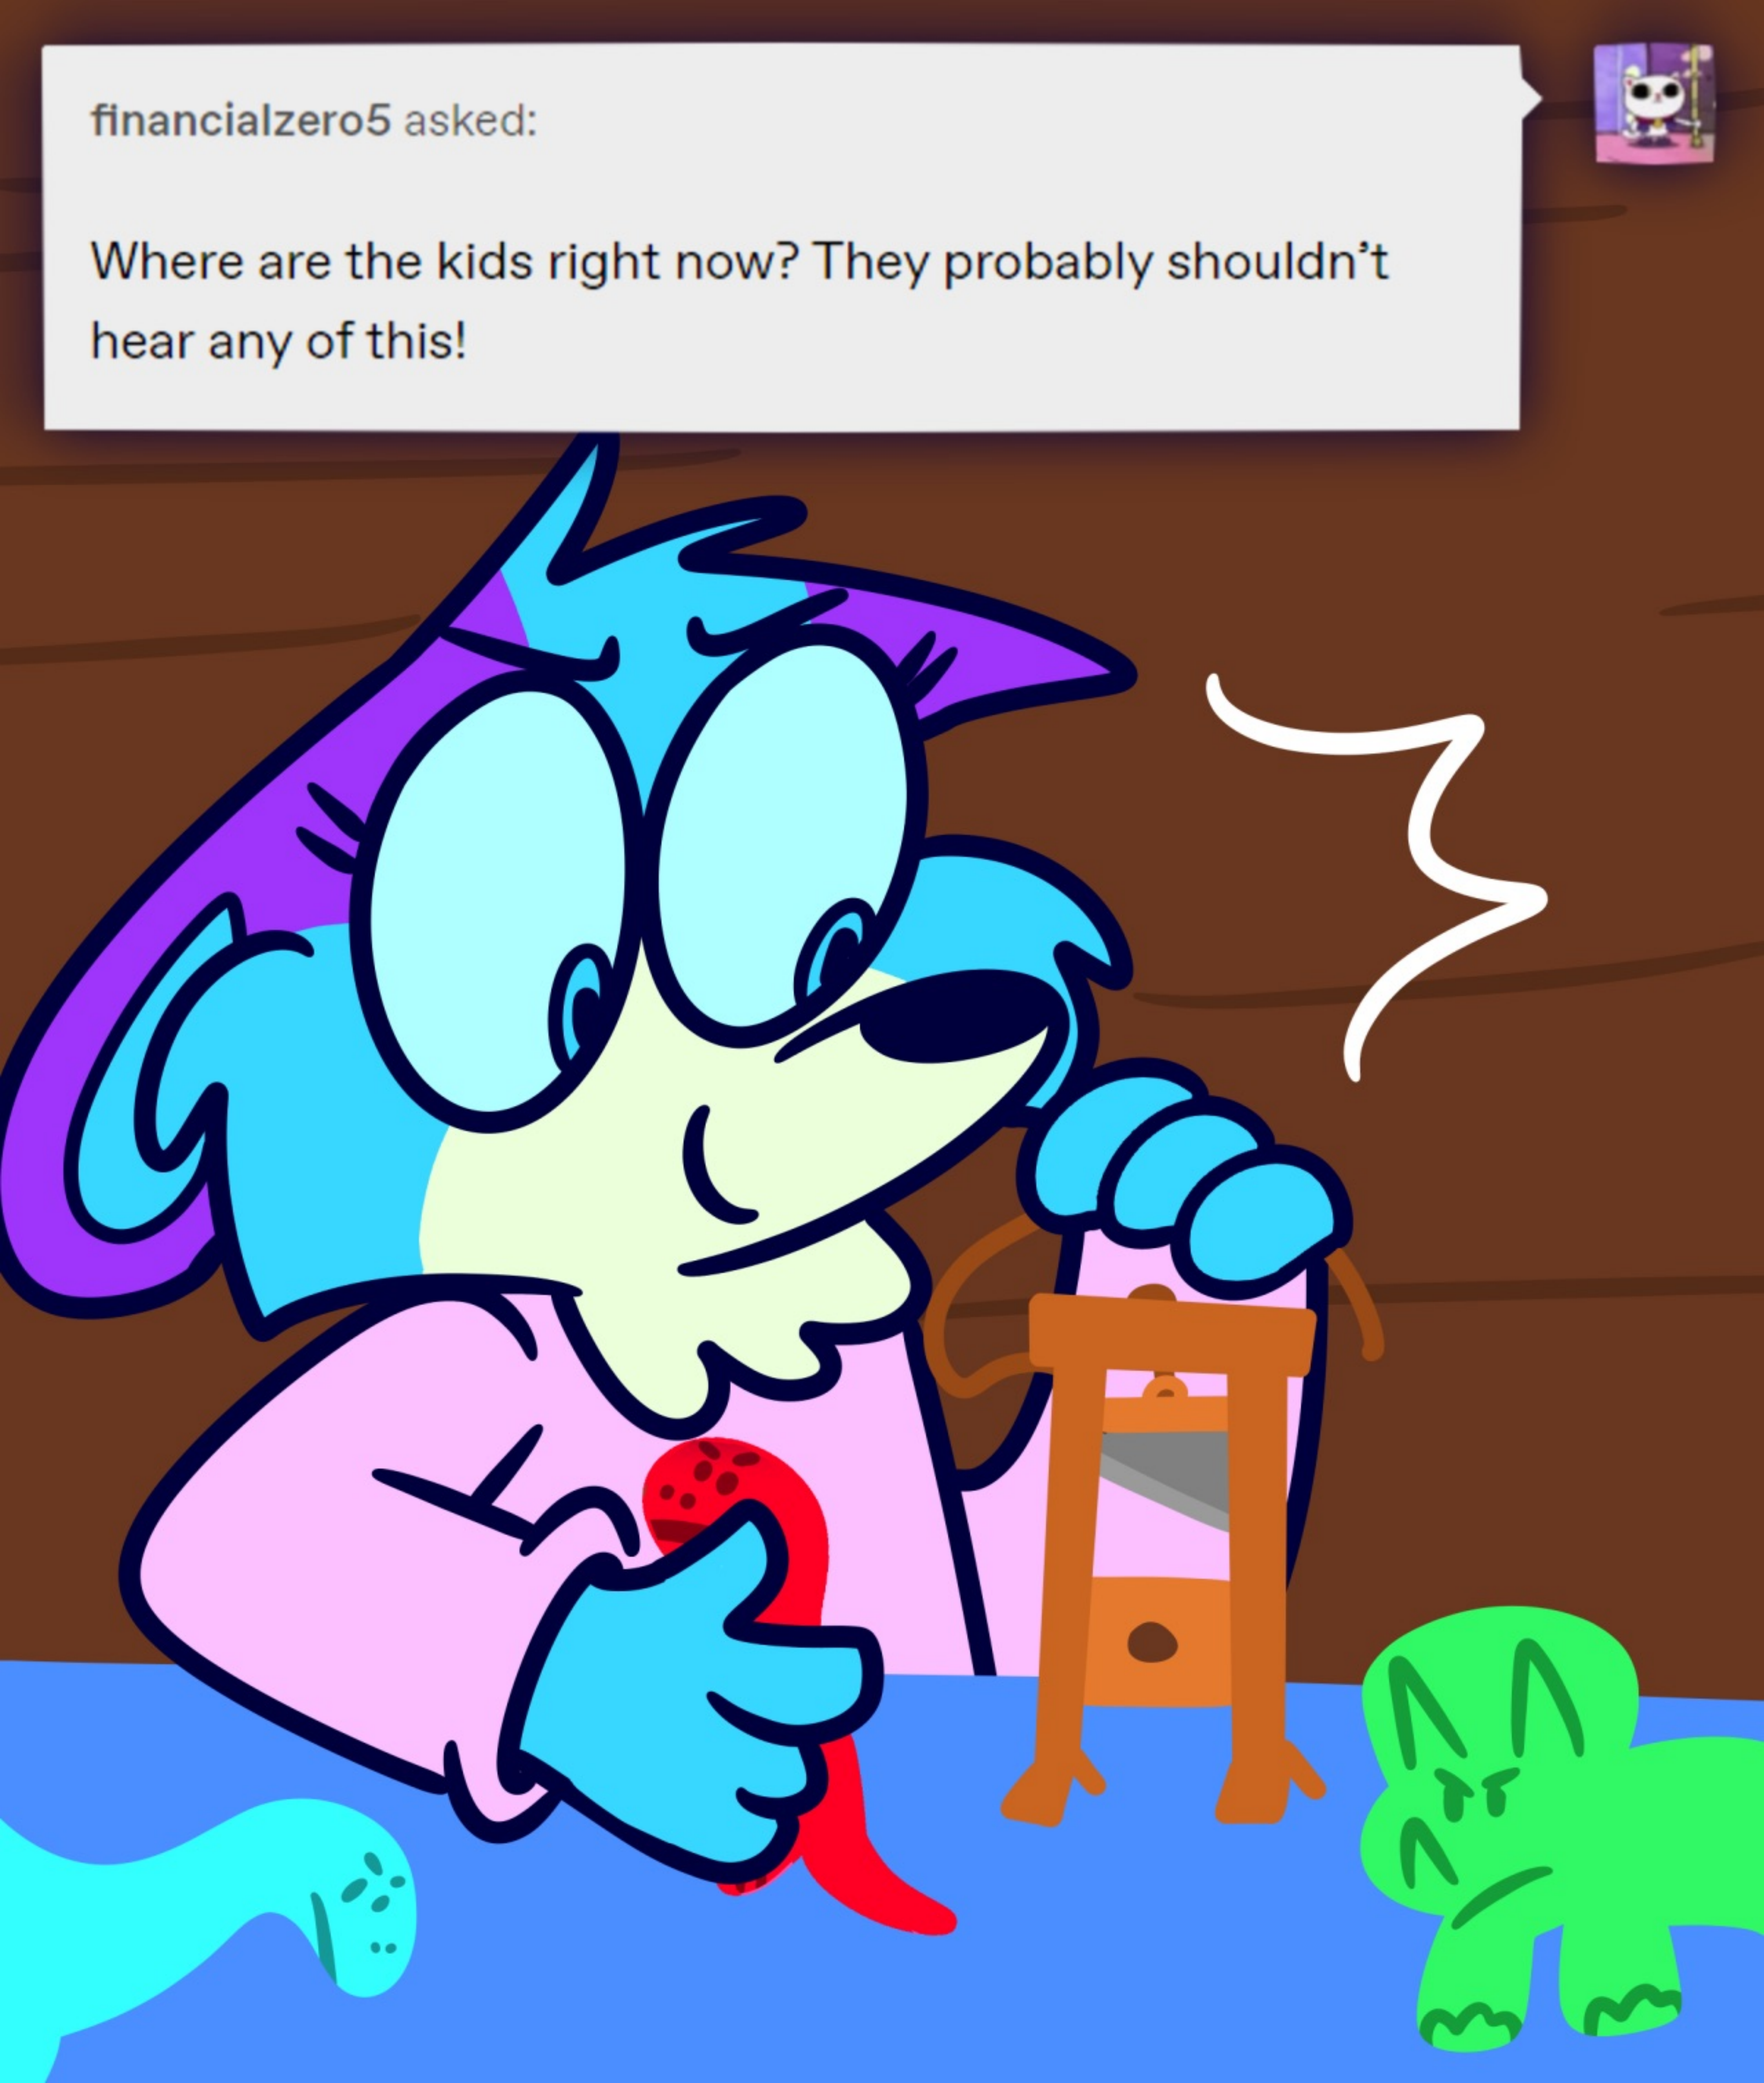
........none of us have seen him since the day they took us out. We have no idea where he is.
We didn´t even see him during the hearings. We don´t know if he was let go or not...



cat-2p-1 asked:

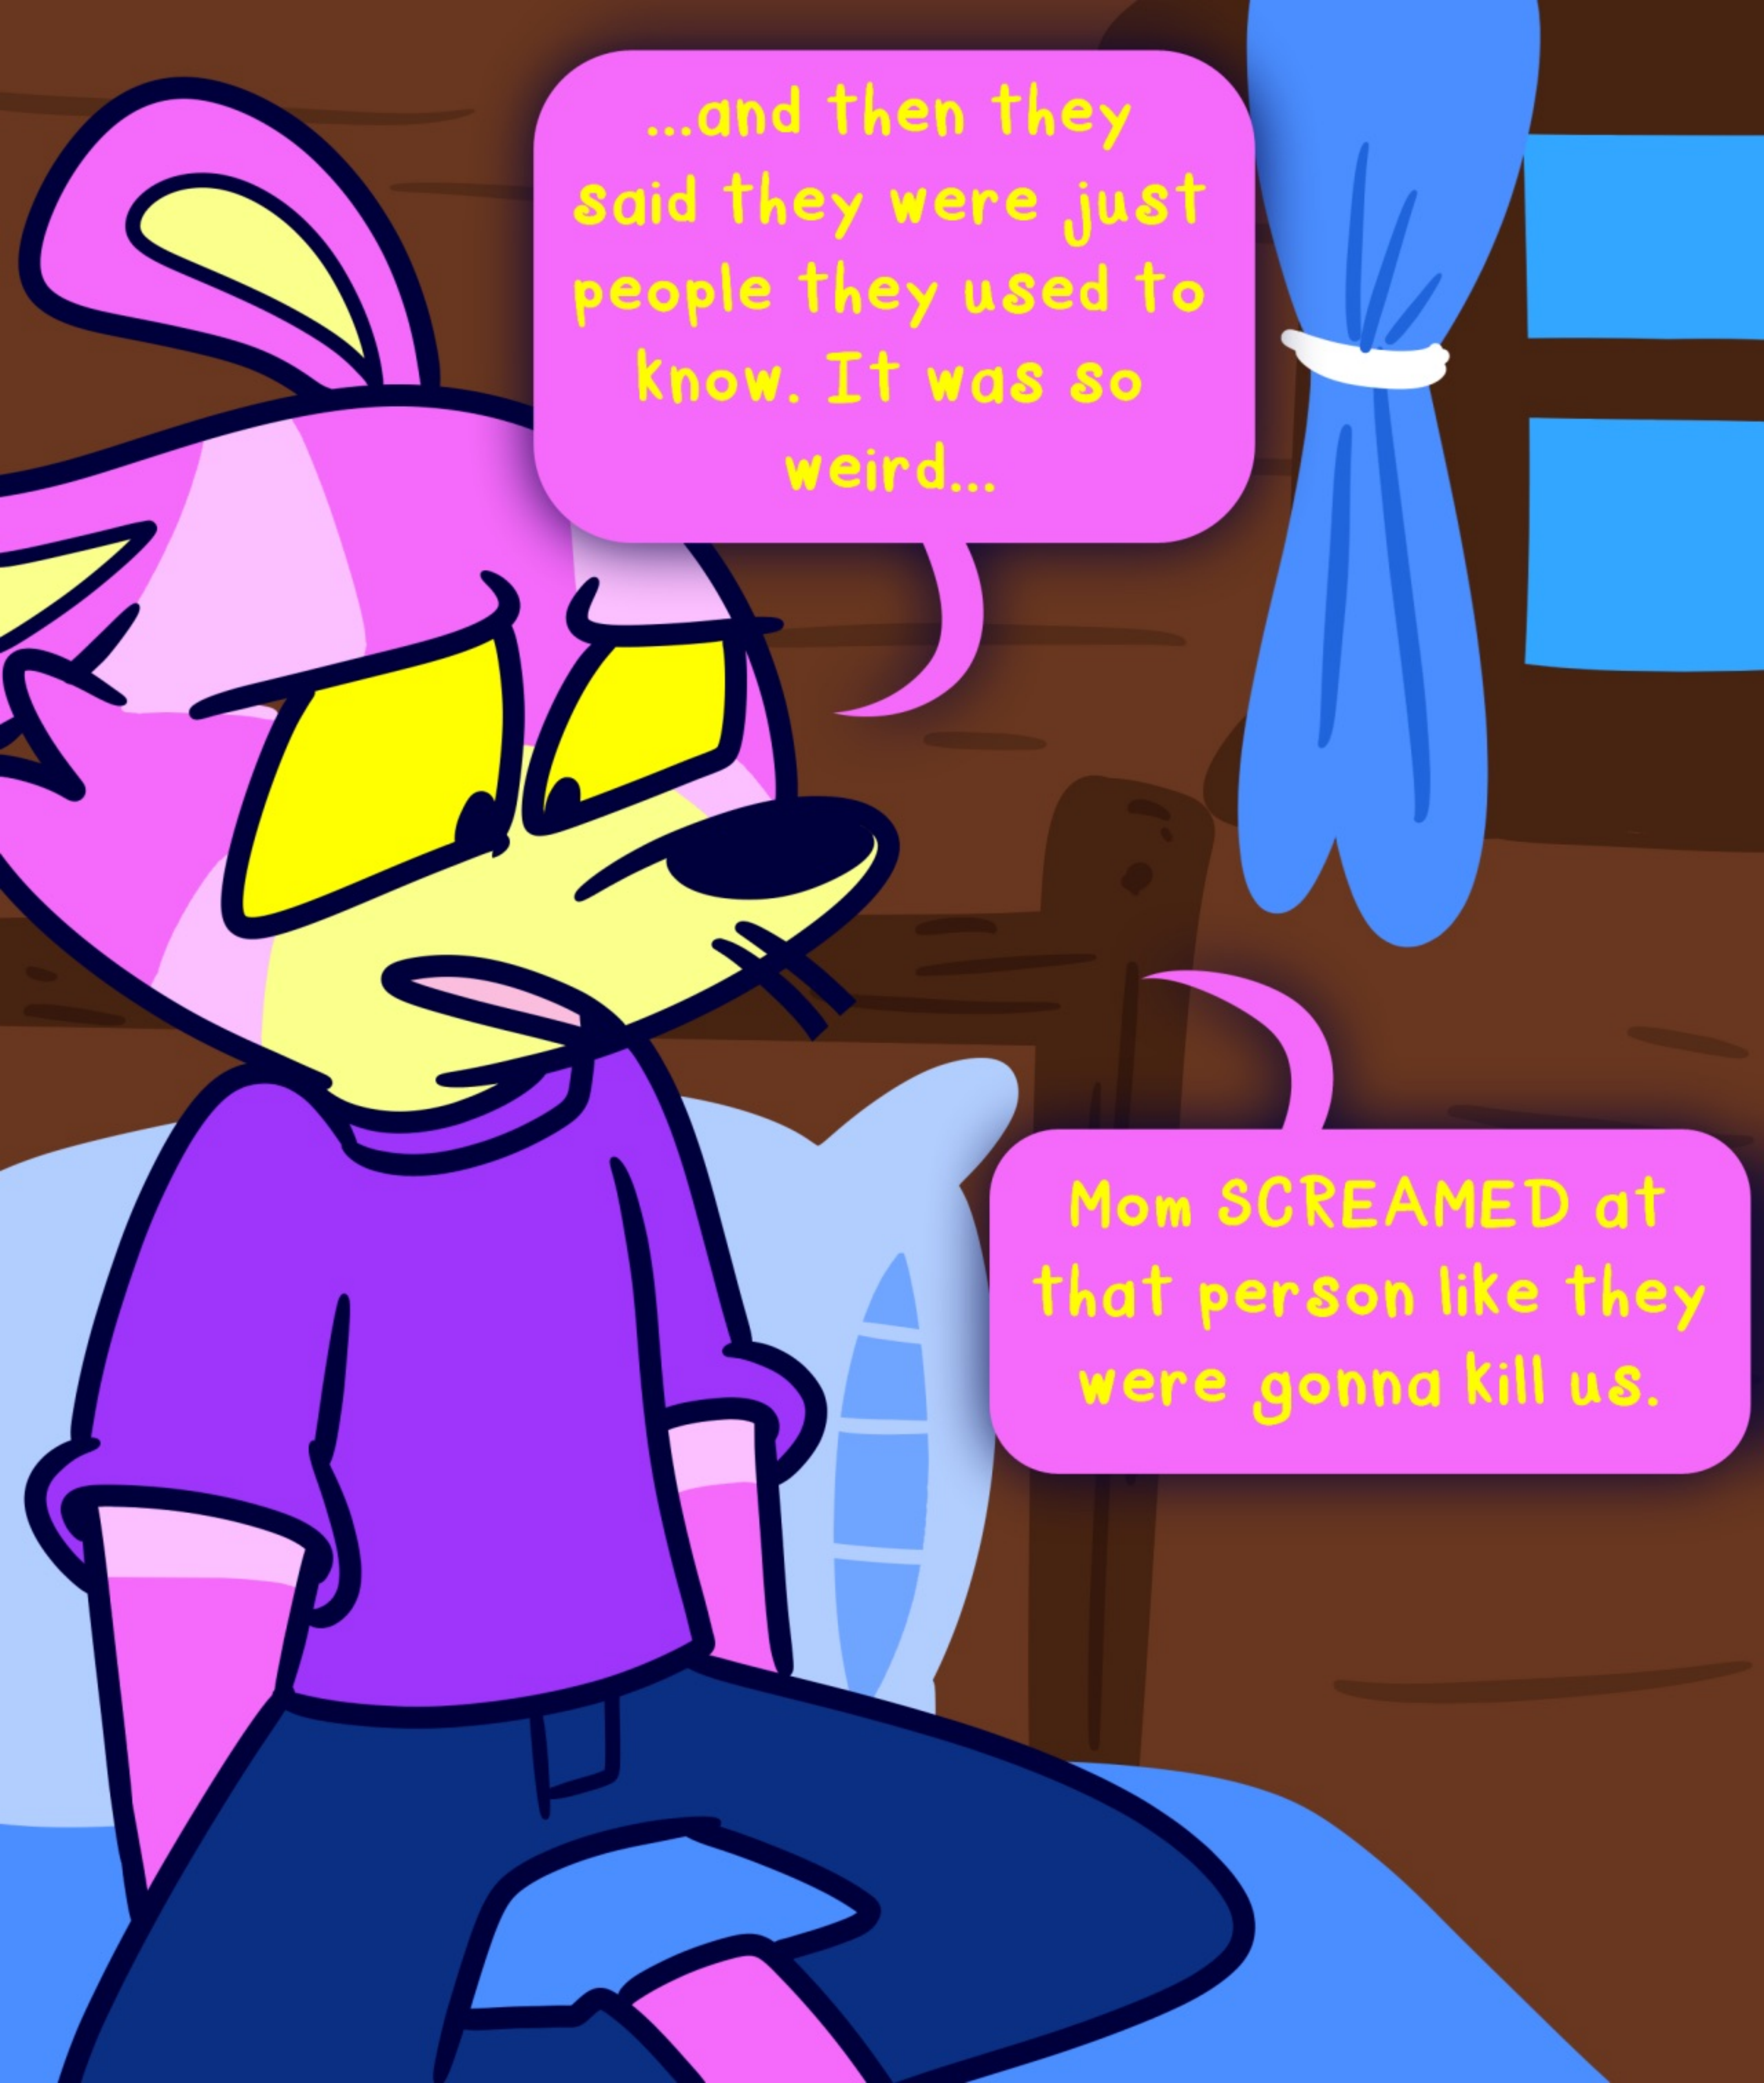
So how did each of your families react what happened to you and what you did in the hospital, I get the feeling that some people were pretty tense with each other.



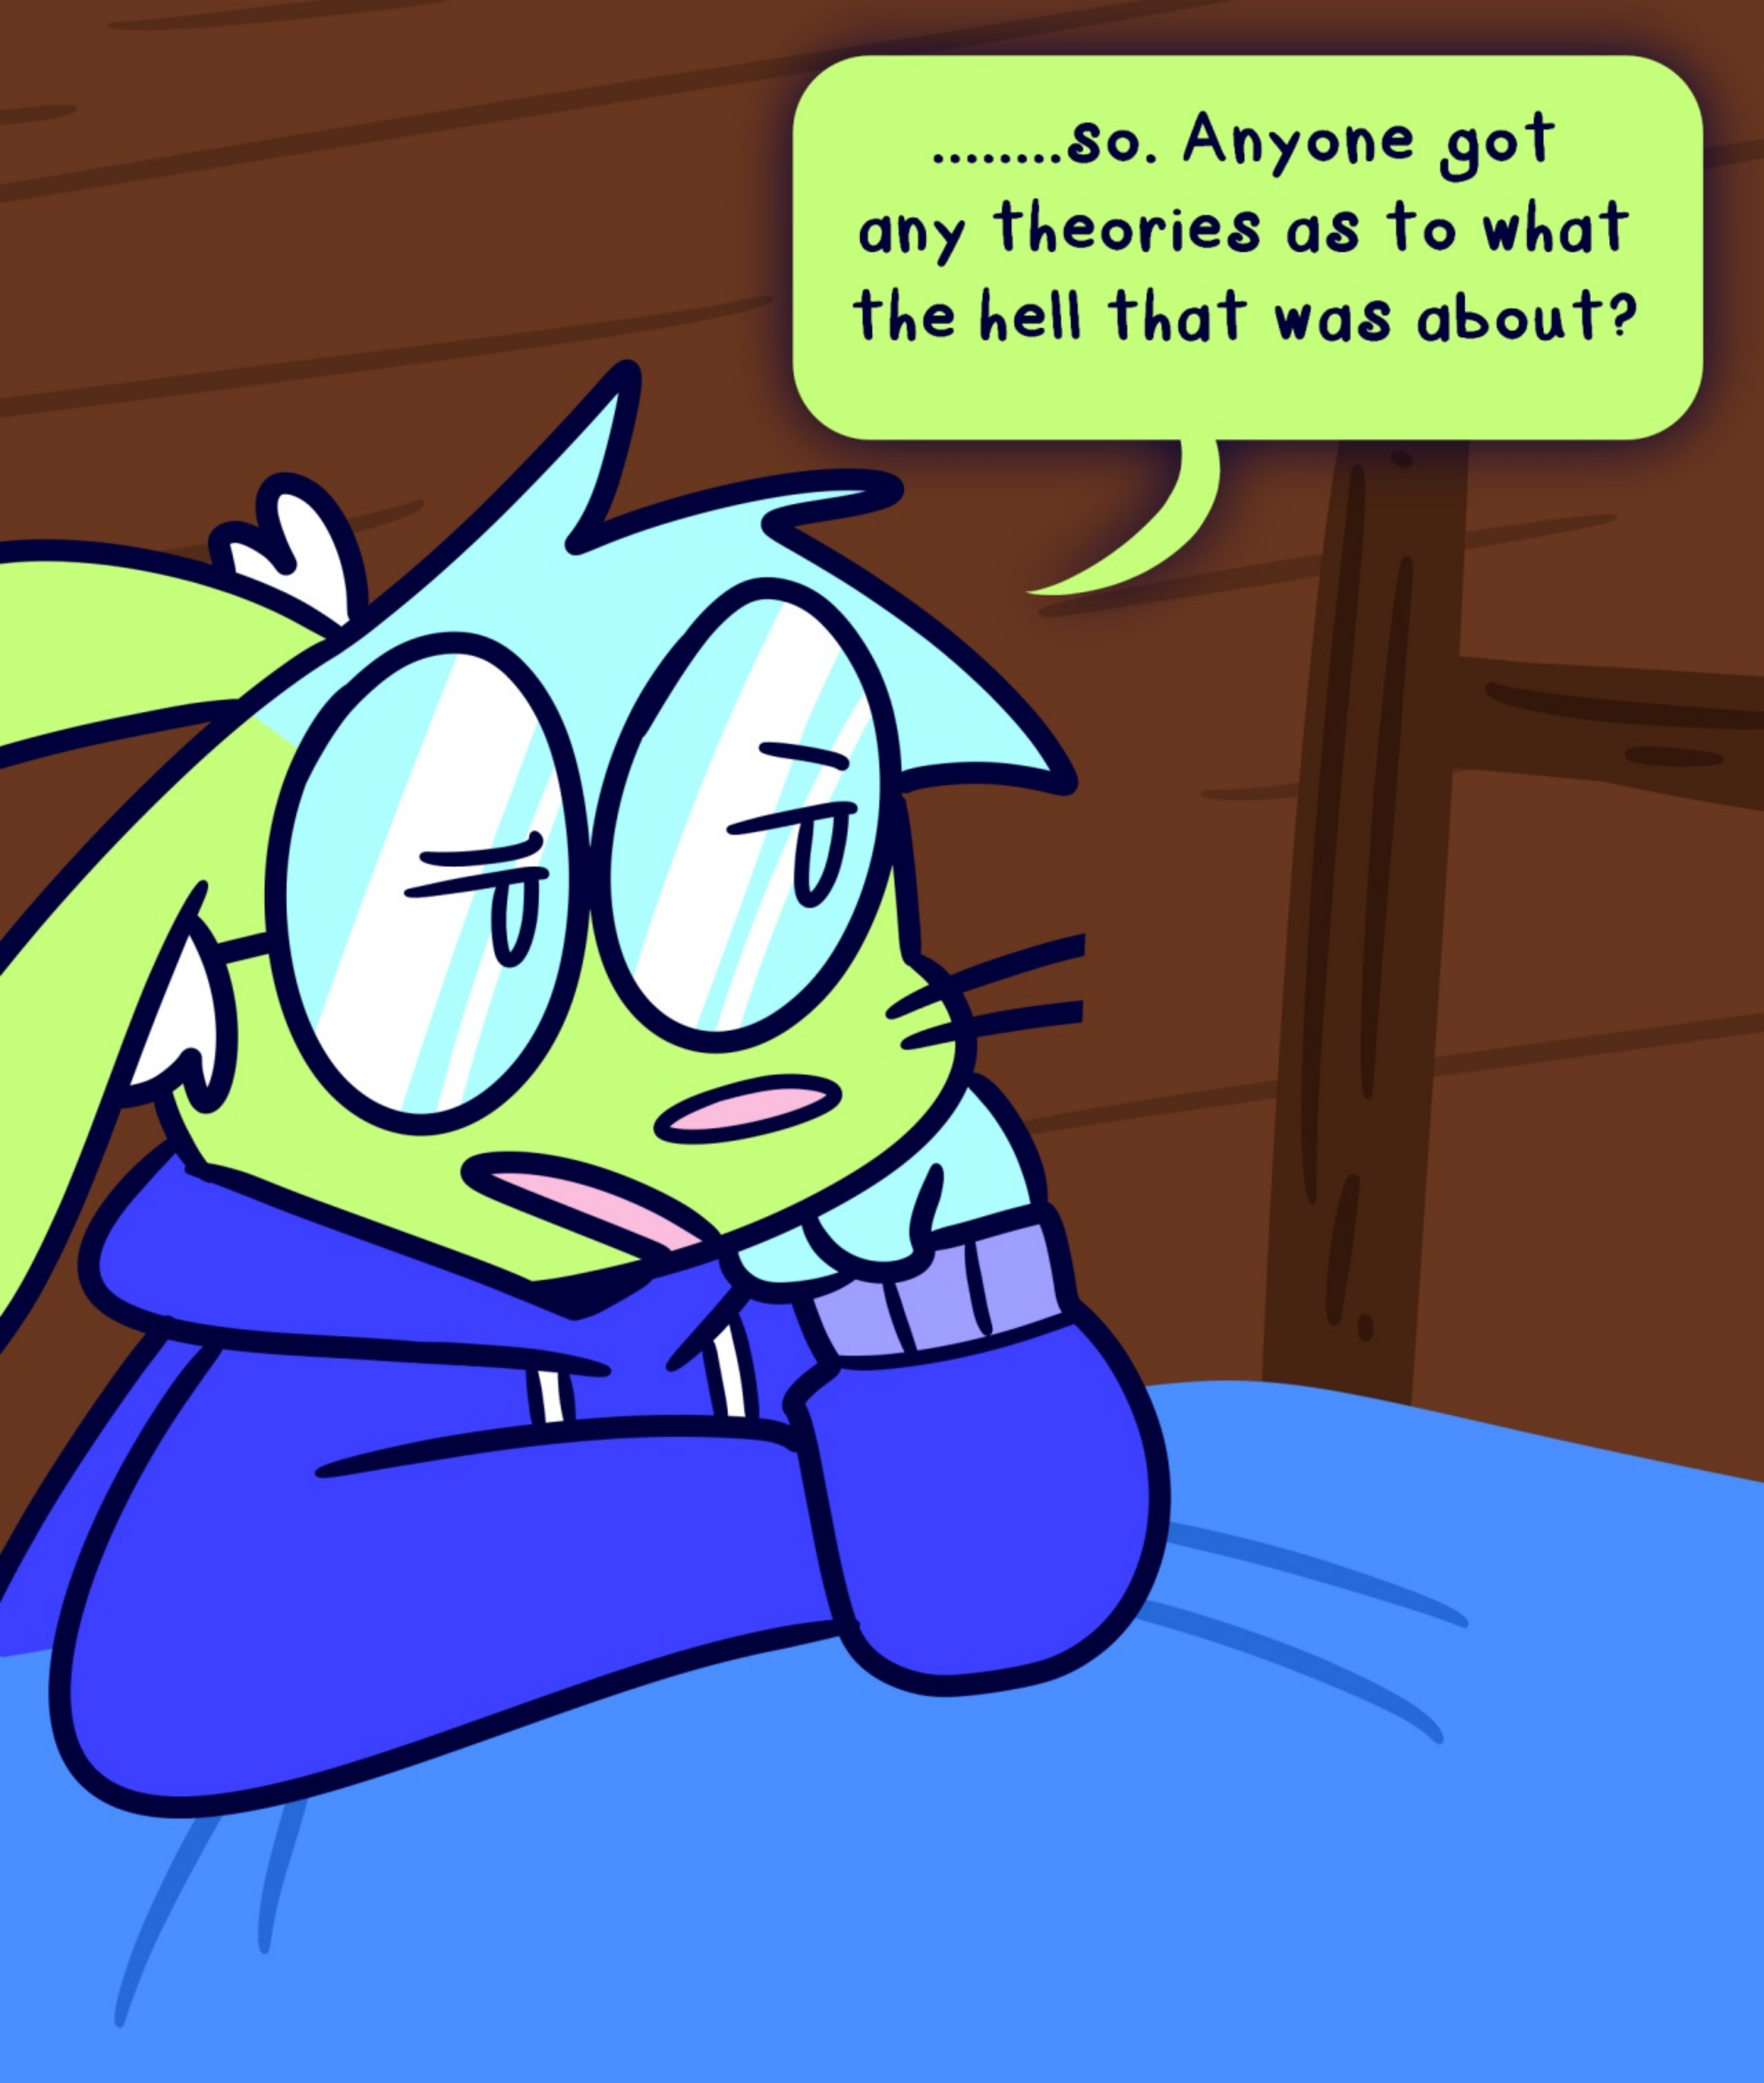


financialzero5 asked:

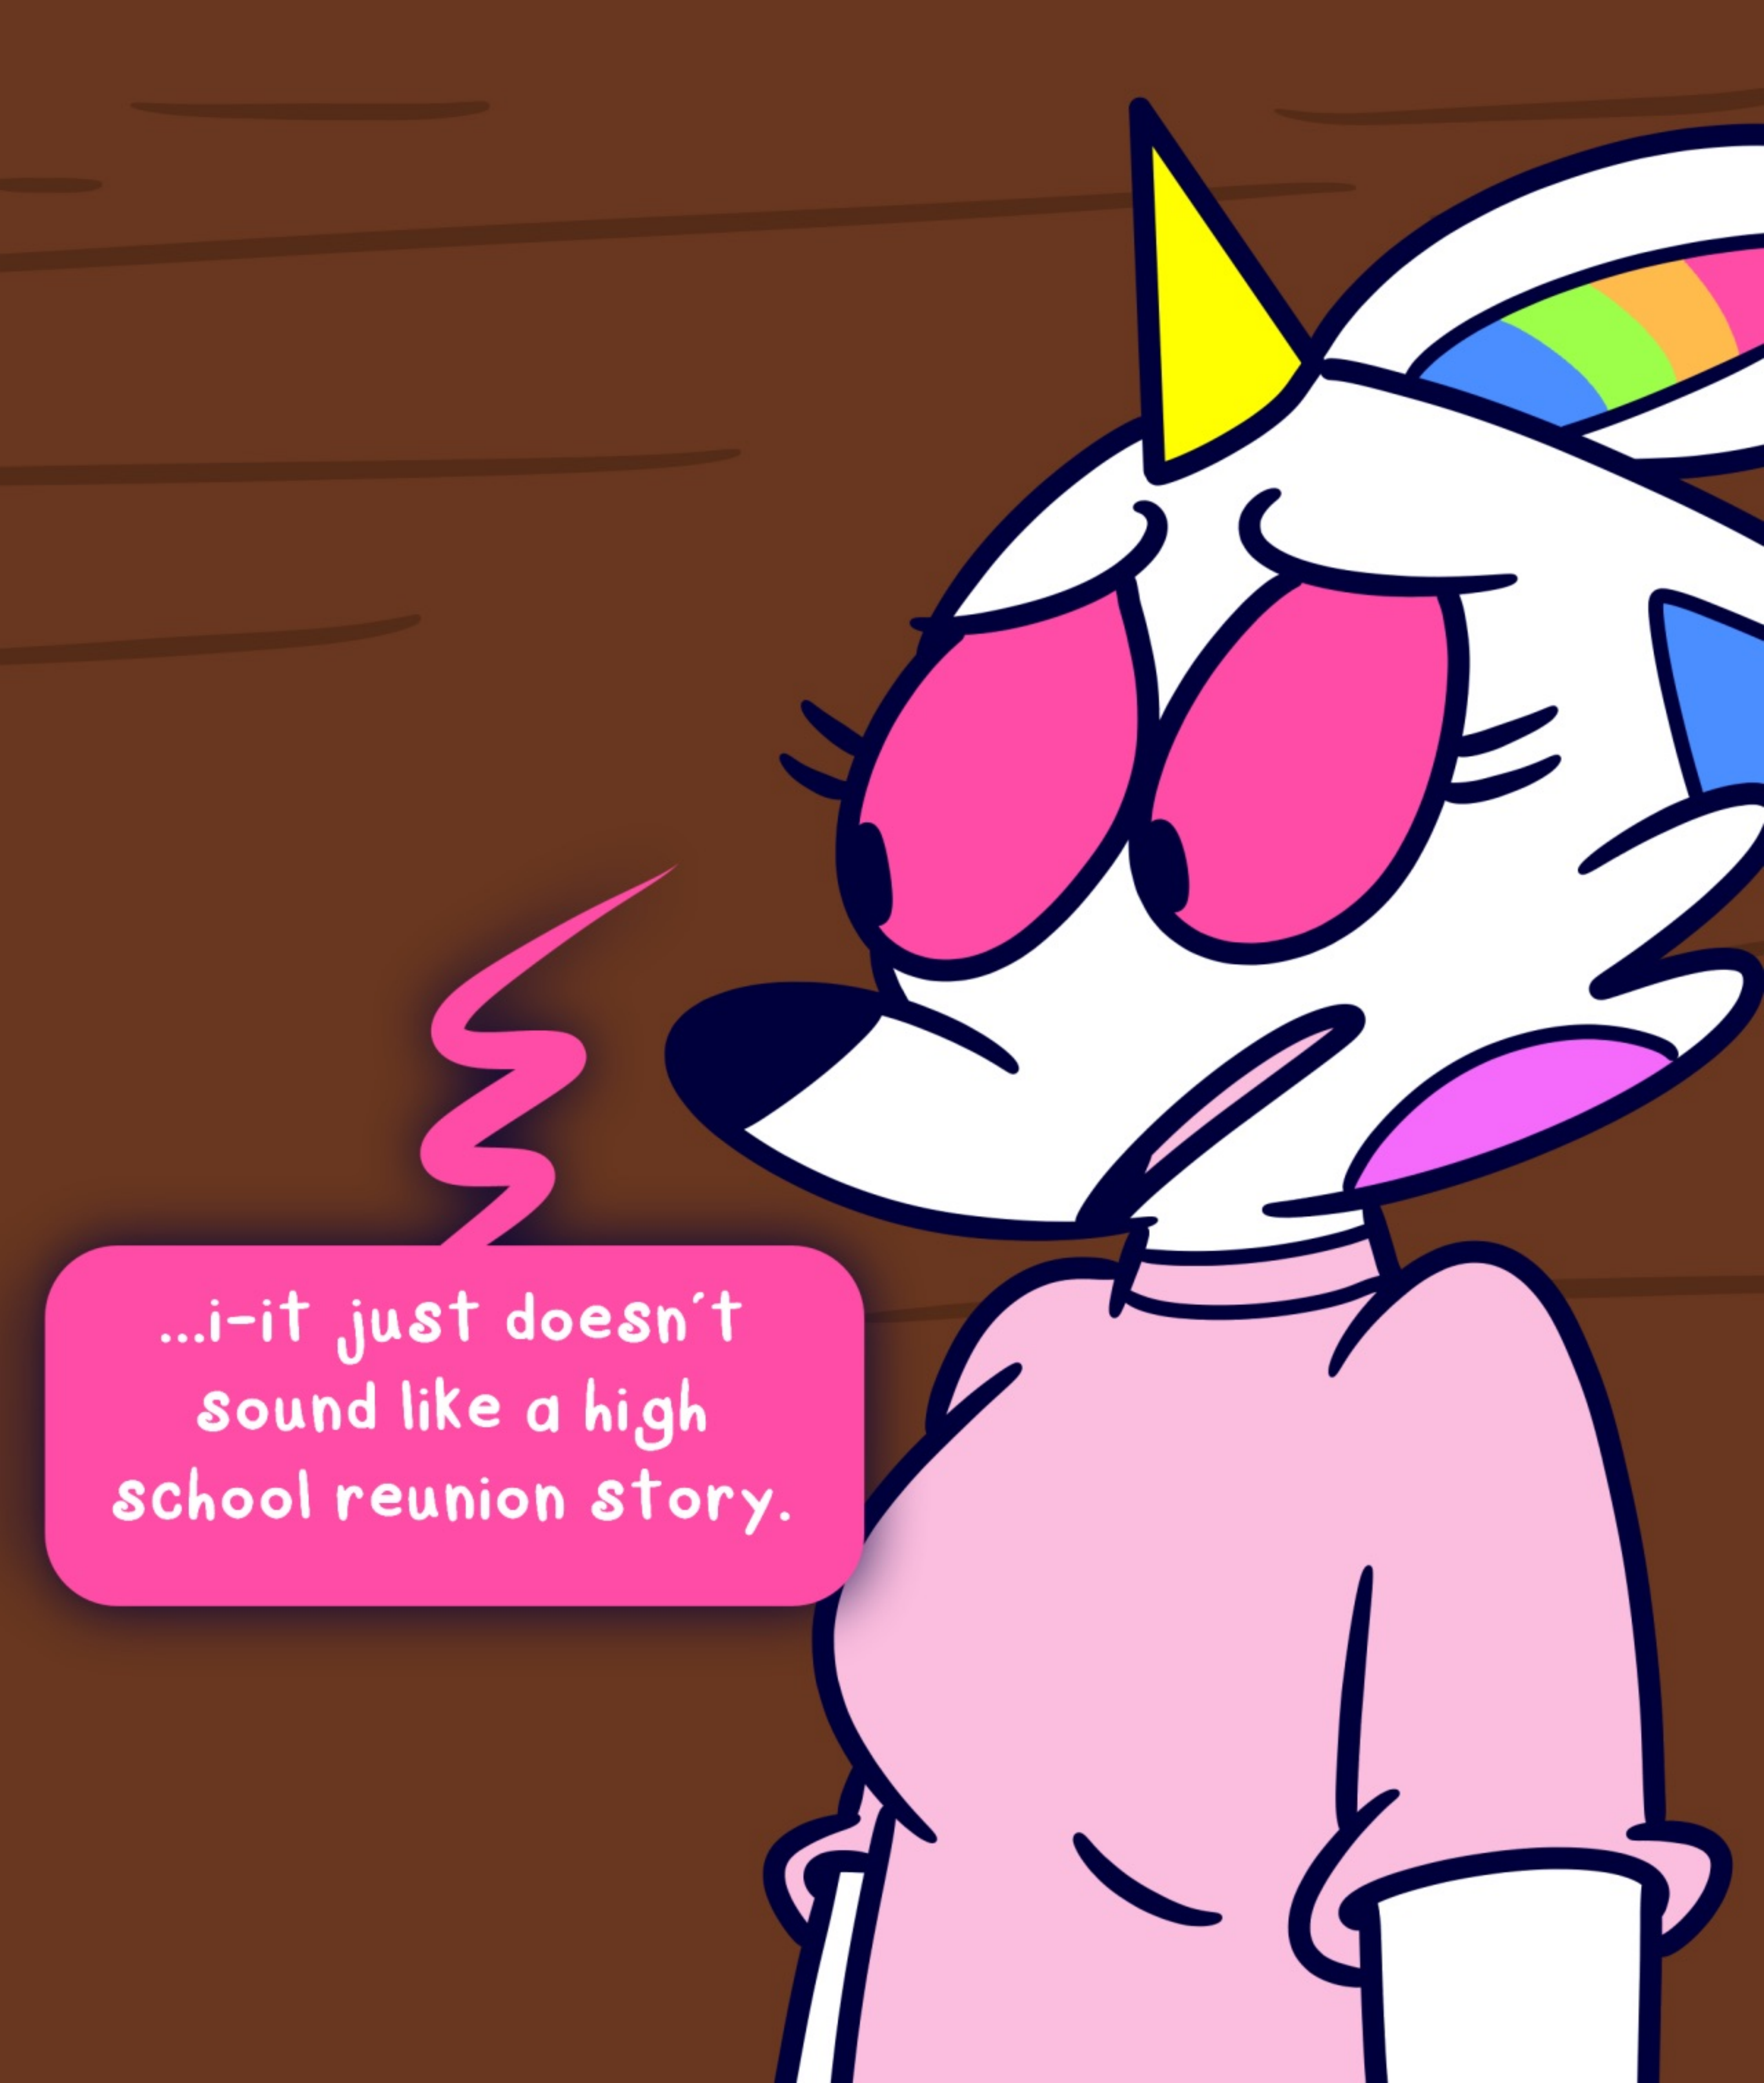
Where are the kids right now? They probably shouldn't hear any of this!



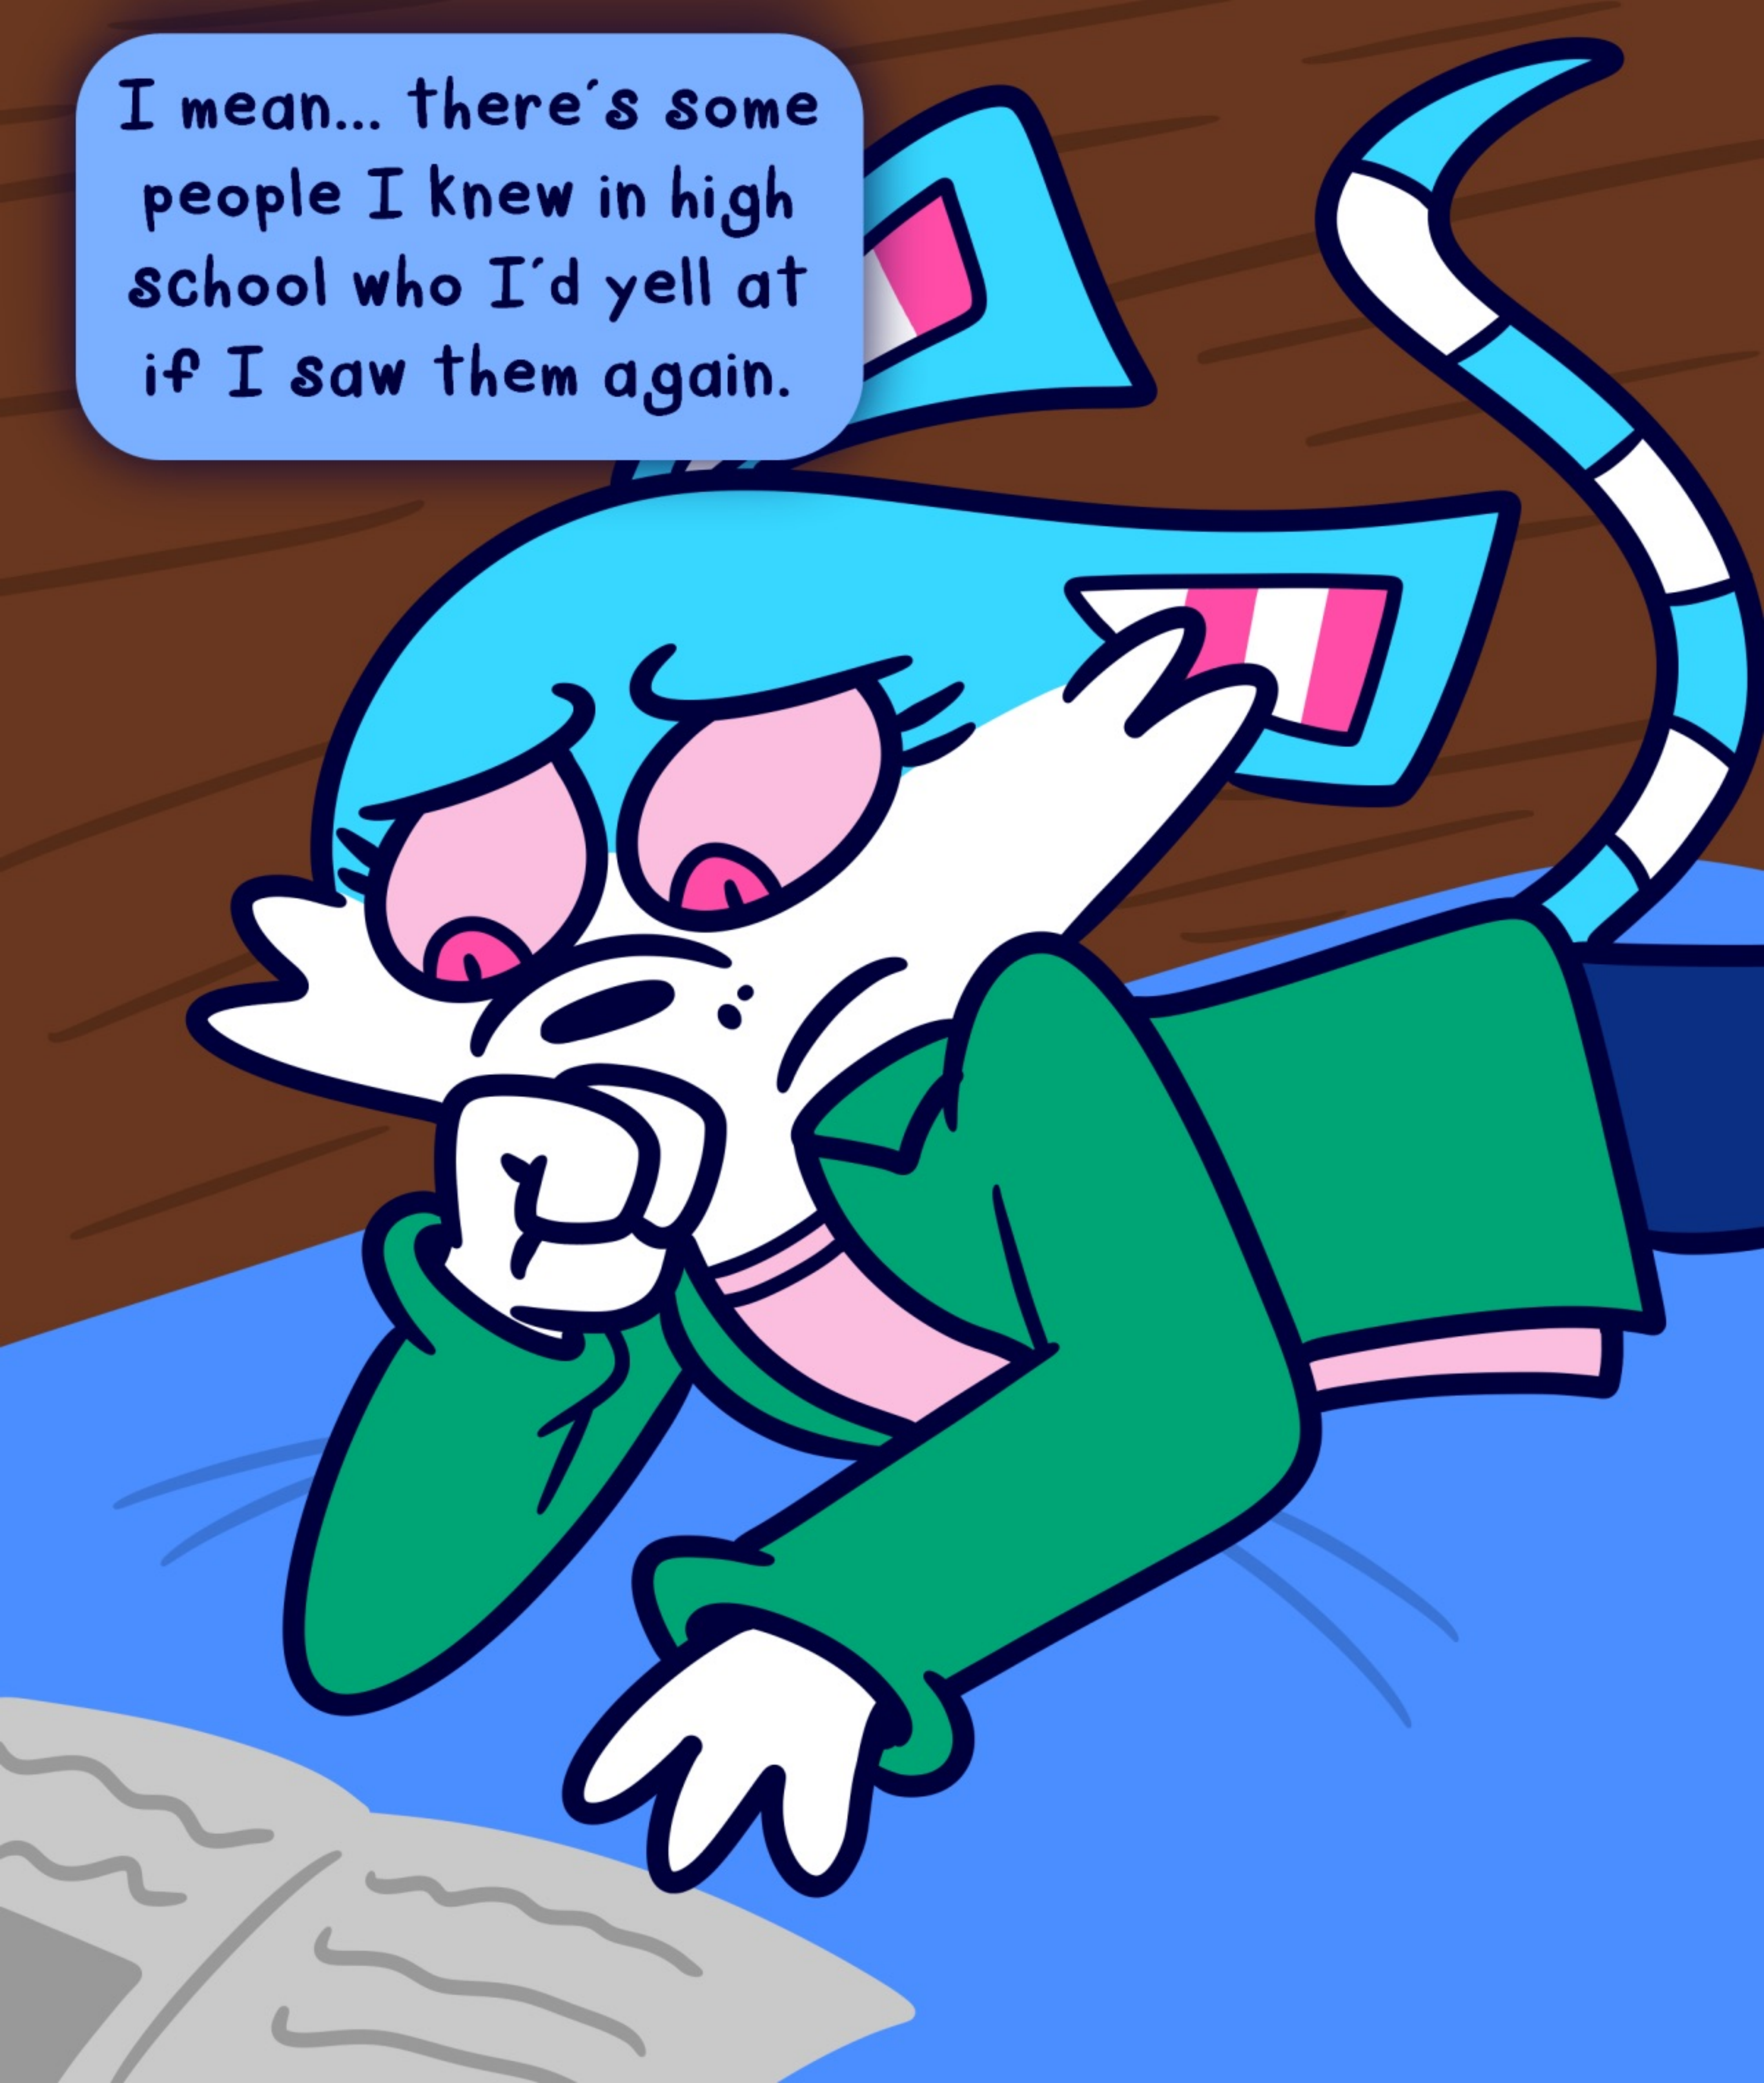
...and then they said they were just people they used to know. It was so weird...
Mom SCREAMED at that person like they were gonna kill us.



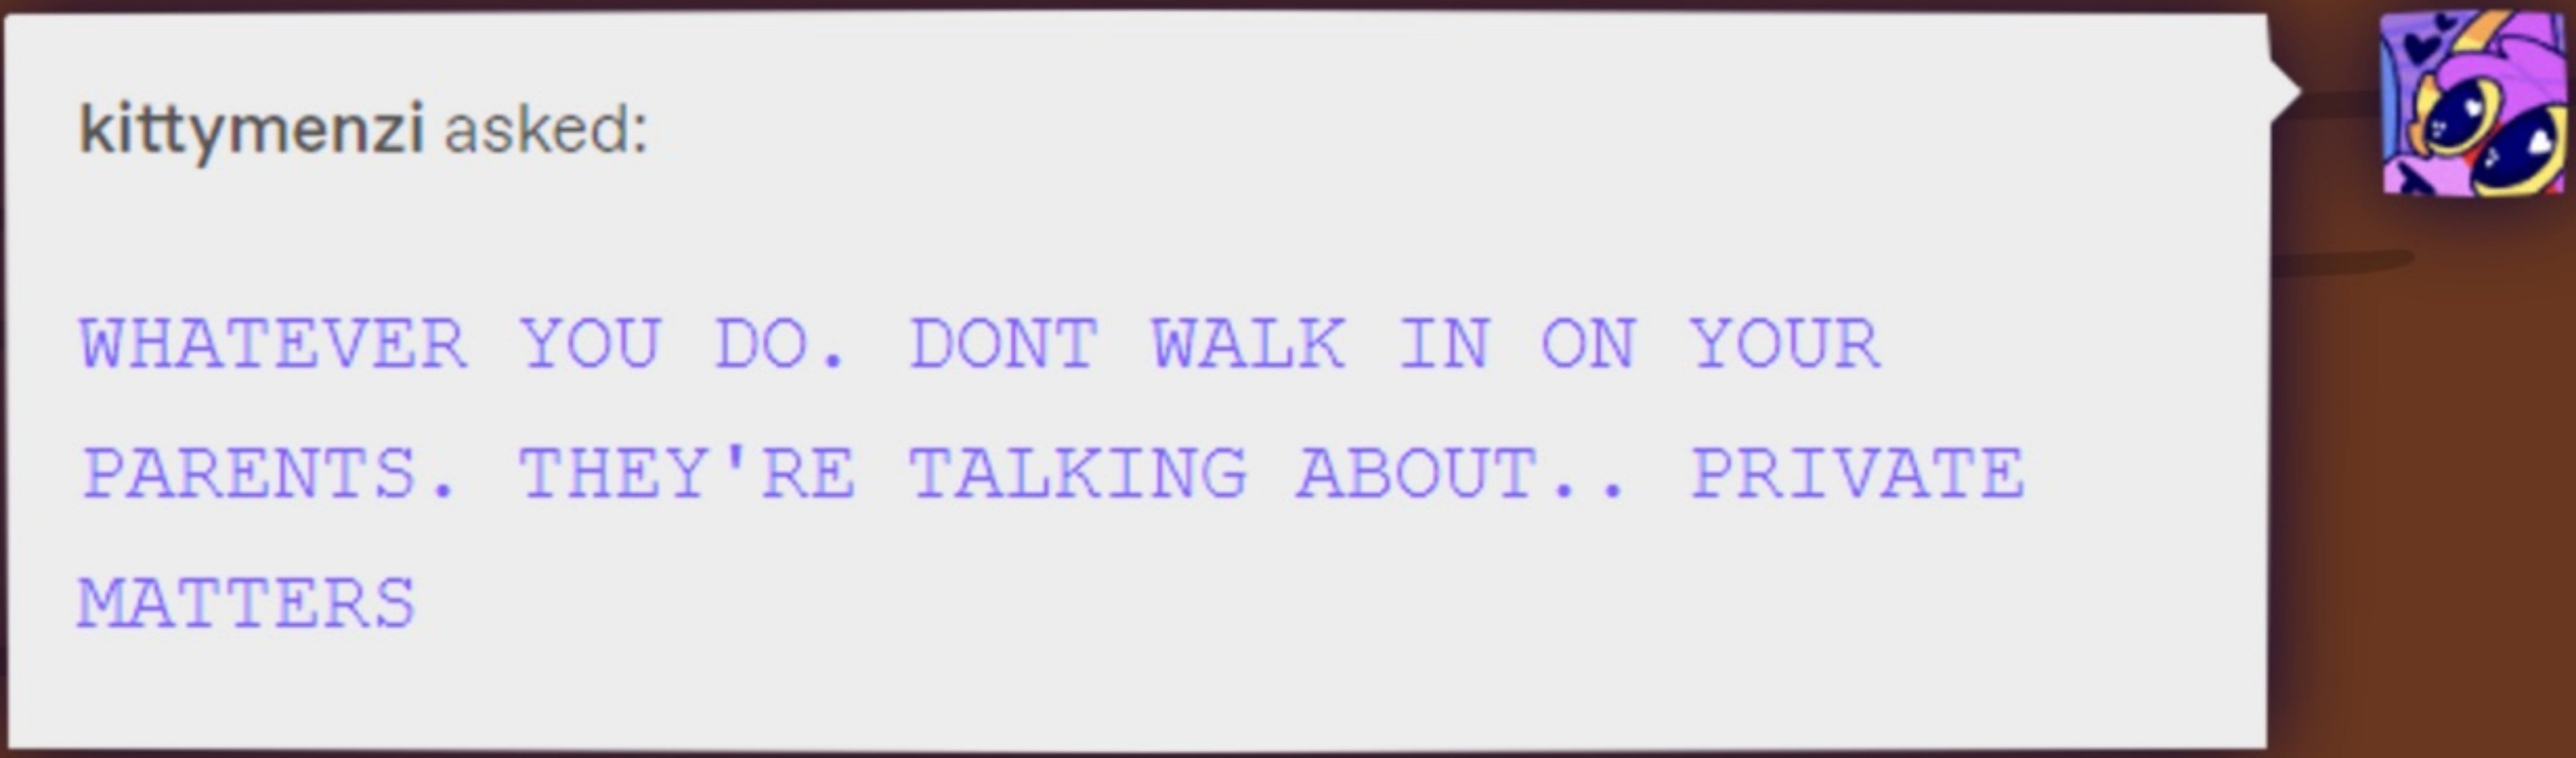
........so. Anyone got any theories as to what the hell that was about?



...i-it just doesn´t sound like a high school reunion story.

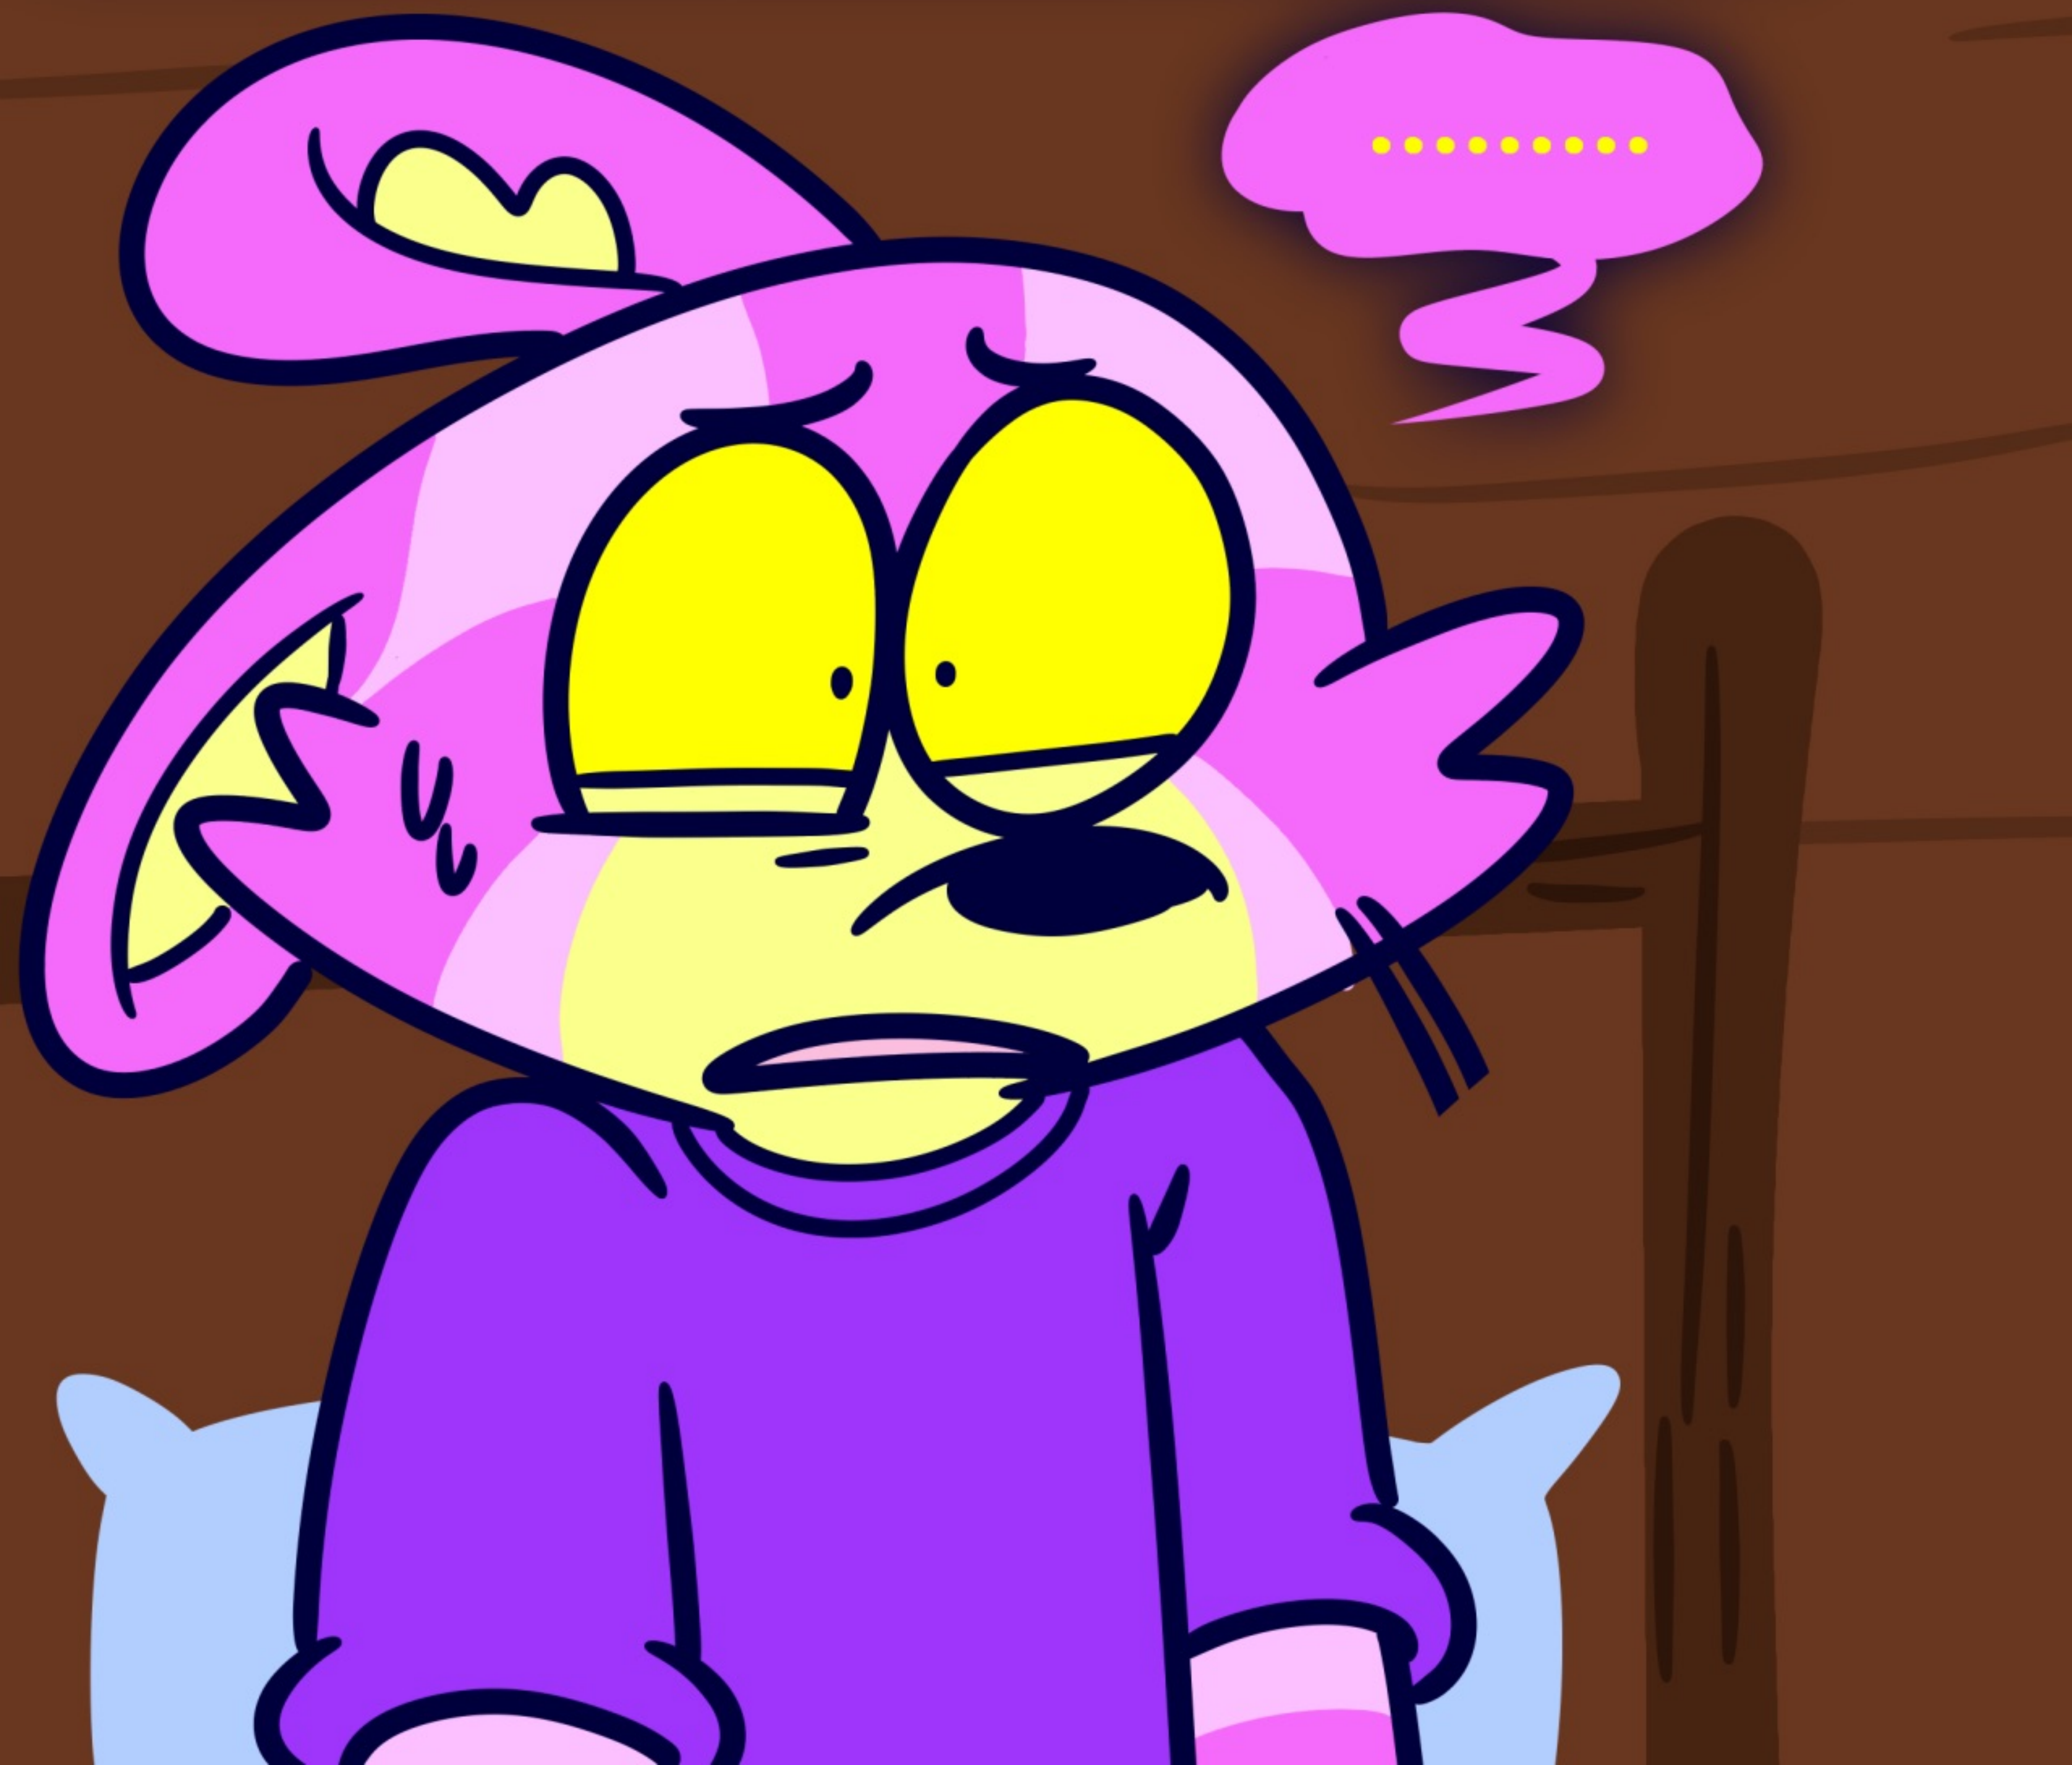


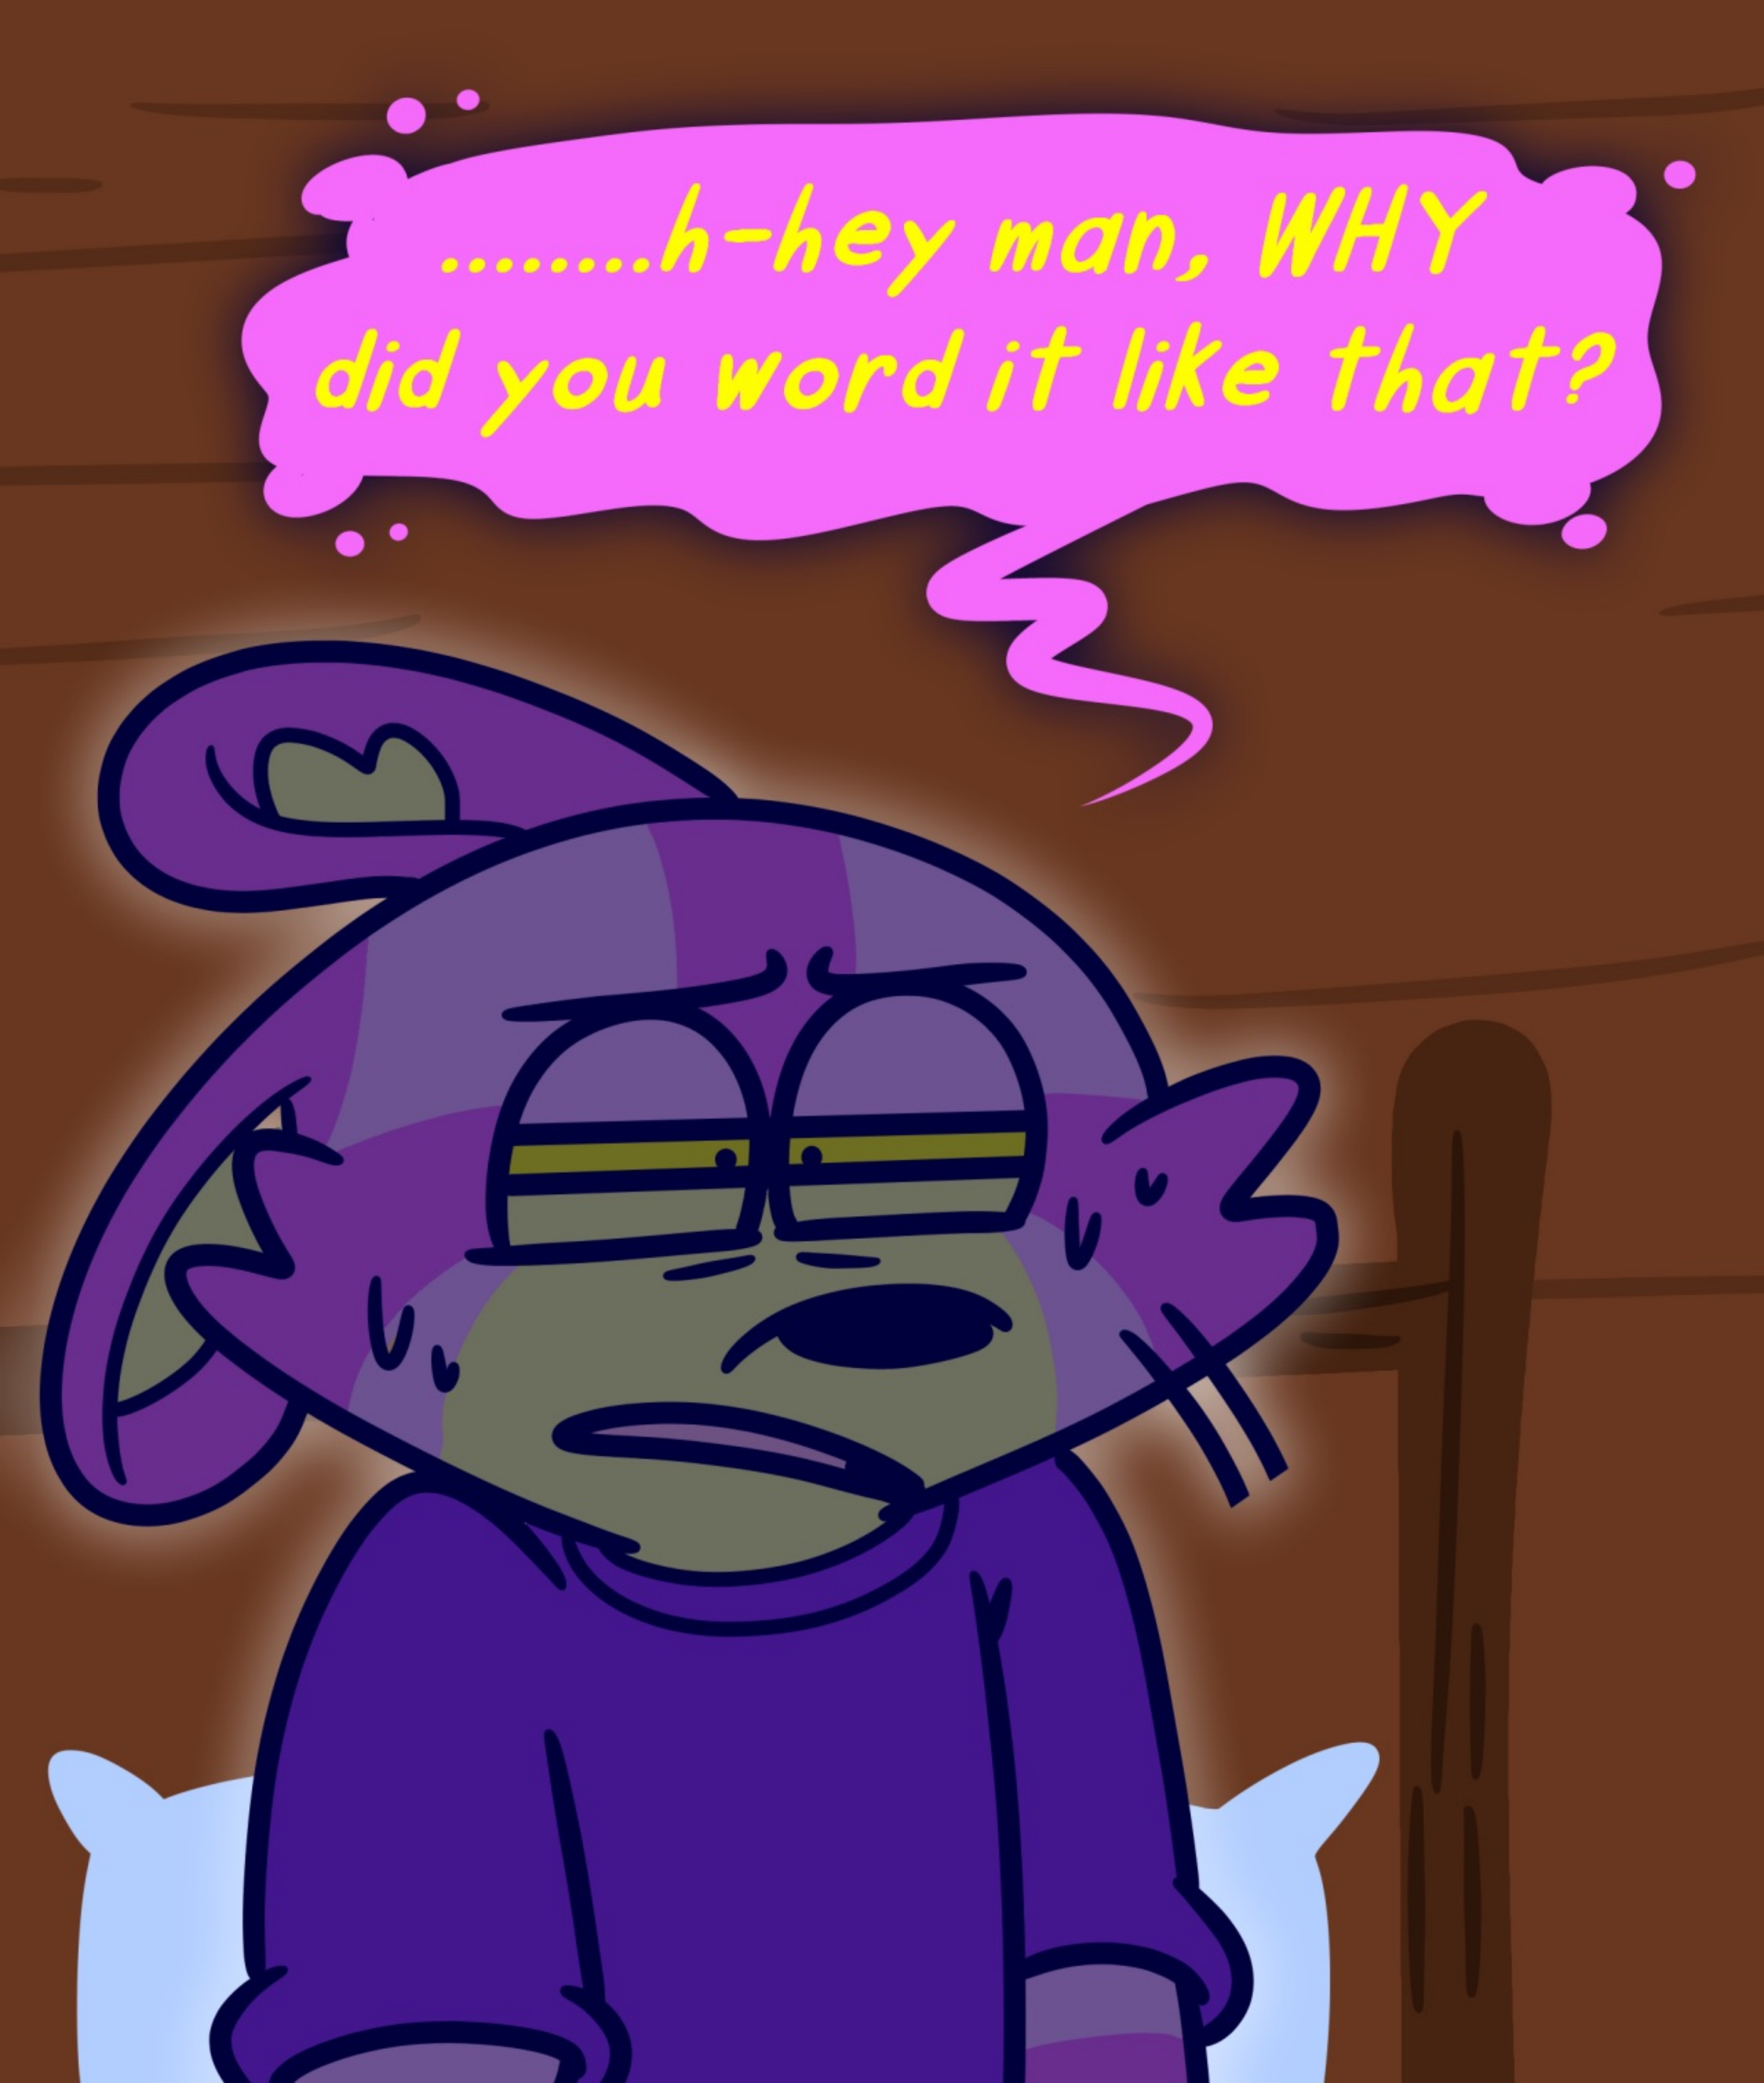
I mean... there's some people I knew in high school who I'd yell at if I saw them again.



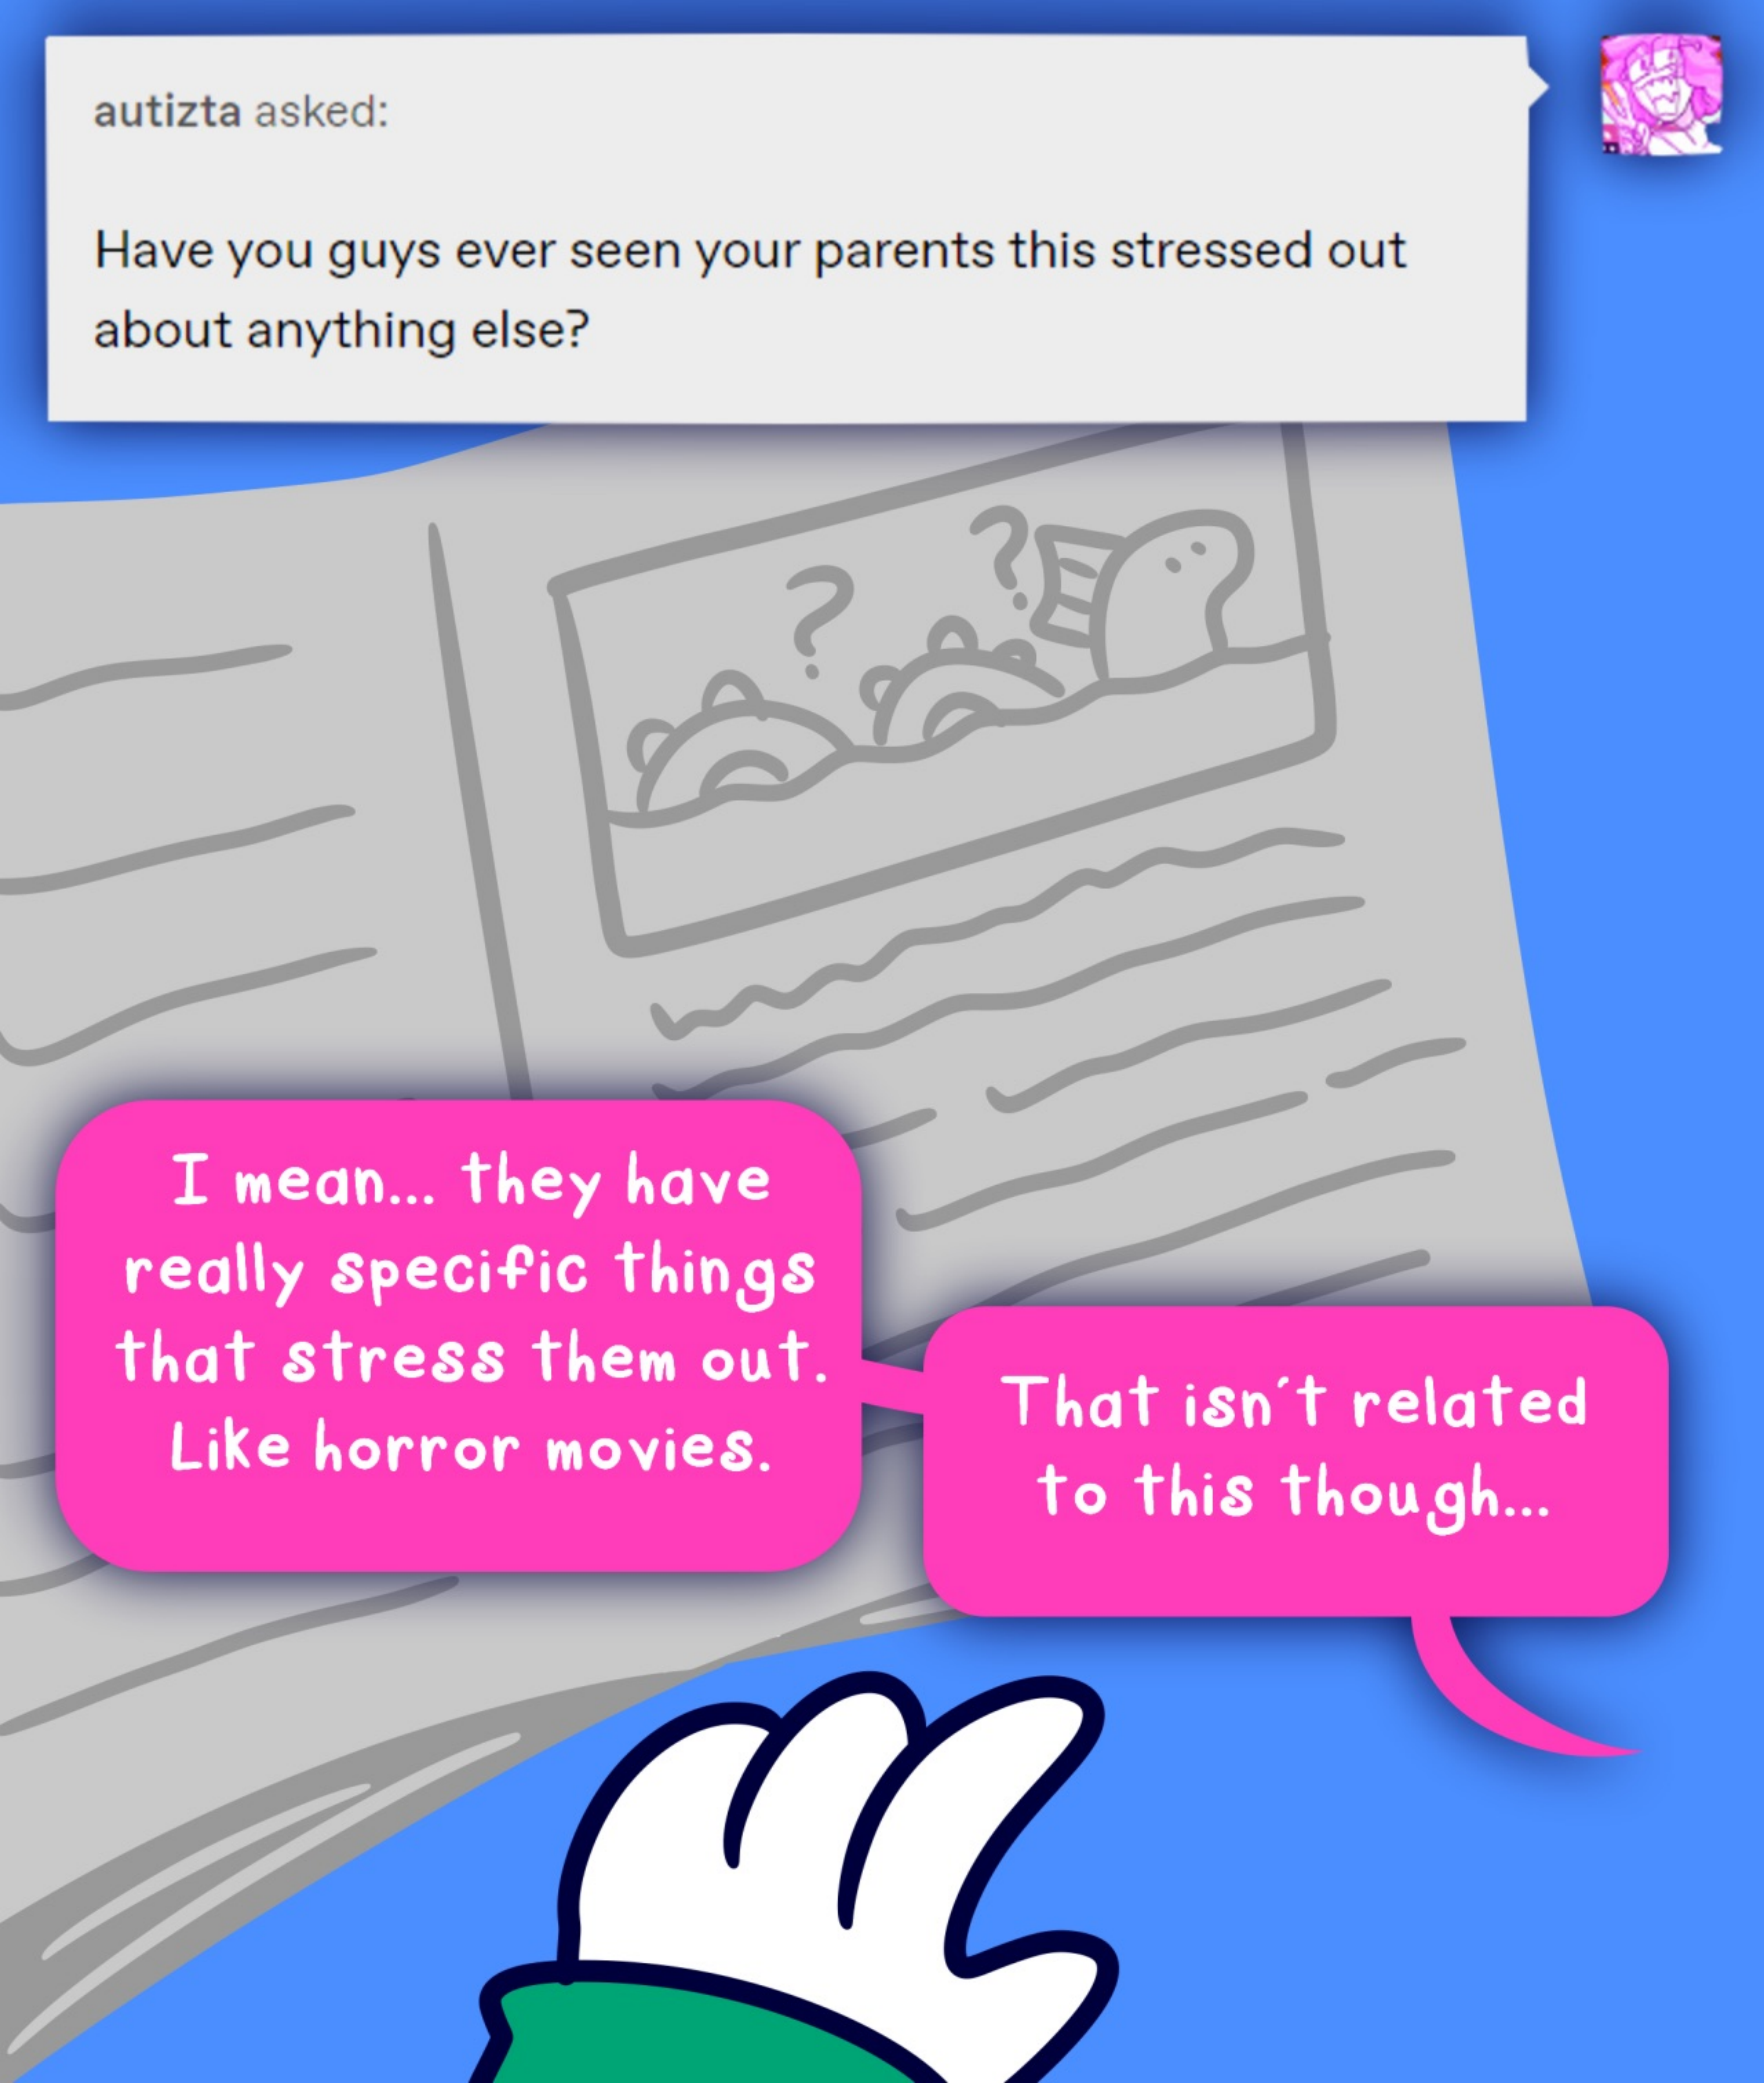
kittymenzi asked:

WHATEVER YOU DO. DONT WALK IN ON YOUR PARENTS. THEY'RE TALKING ABOUT.. PRIVATE MATTERS





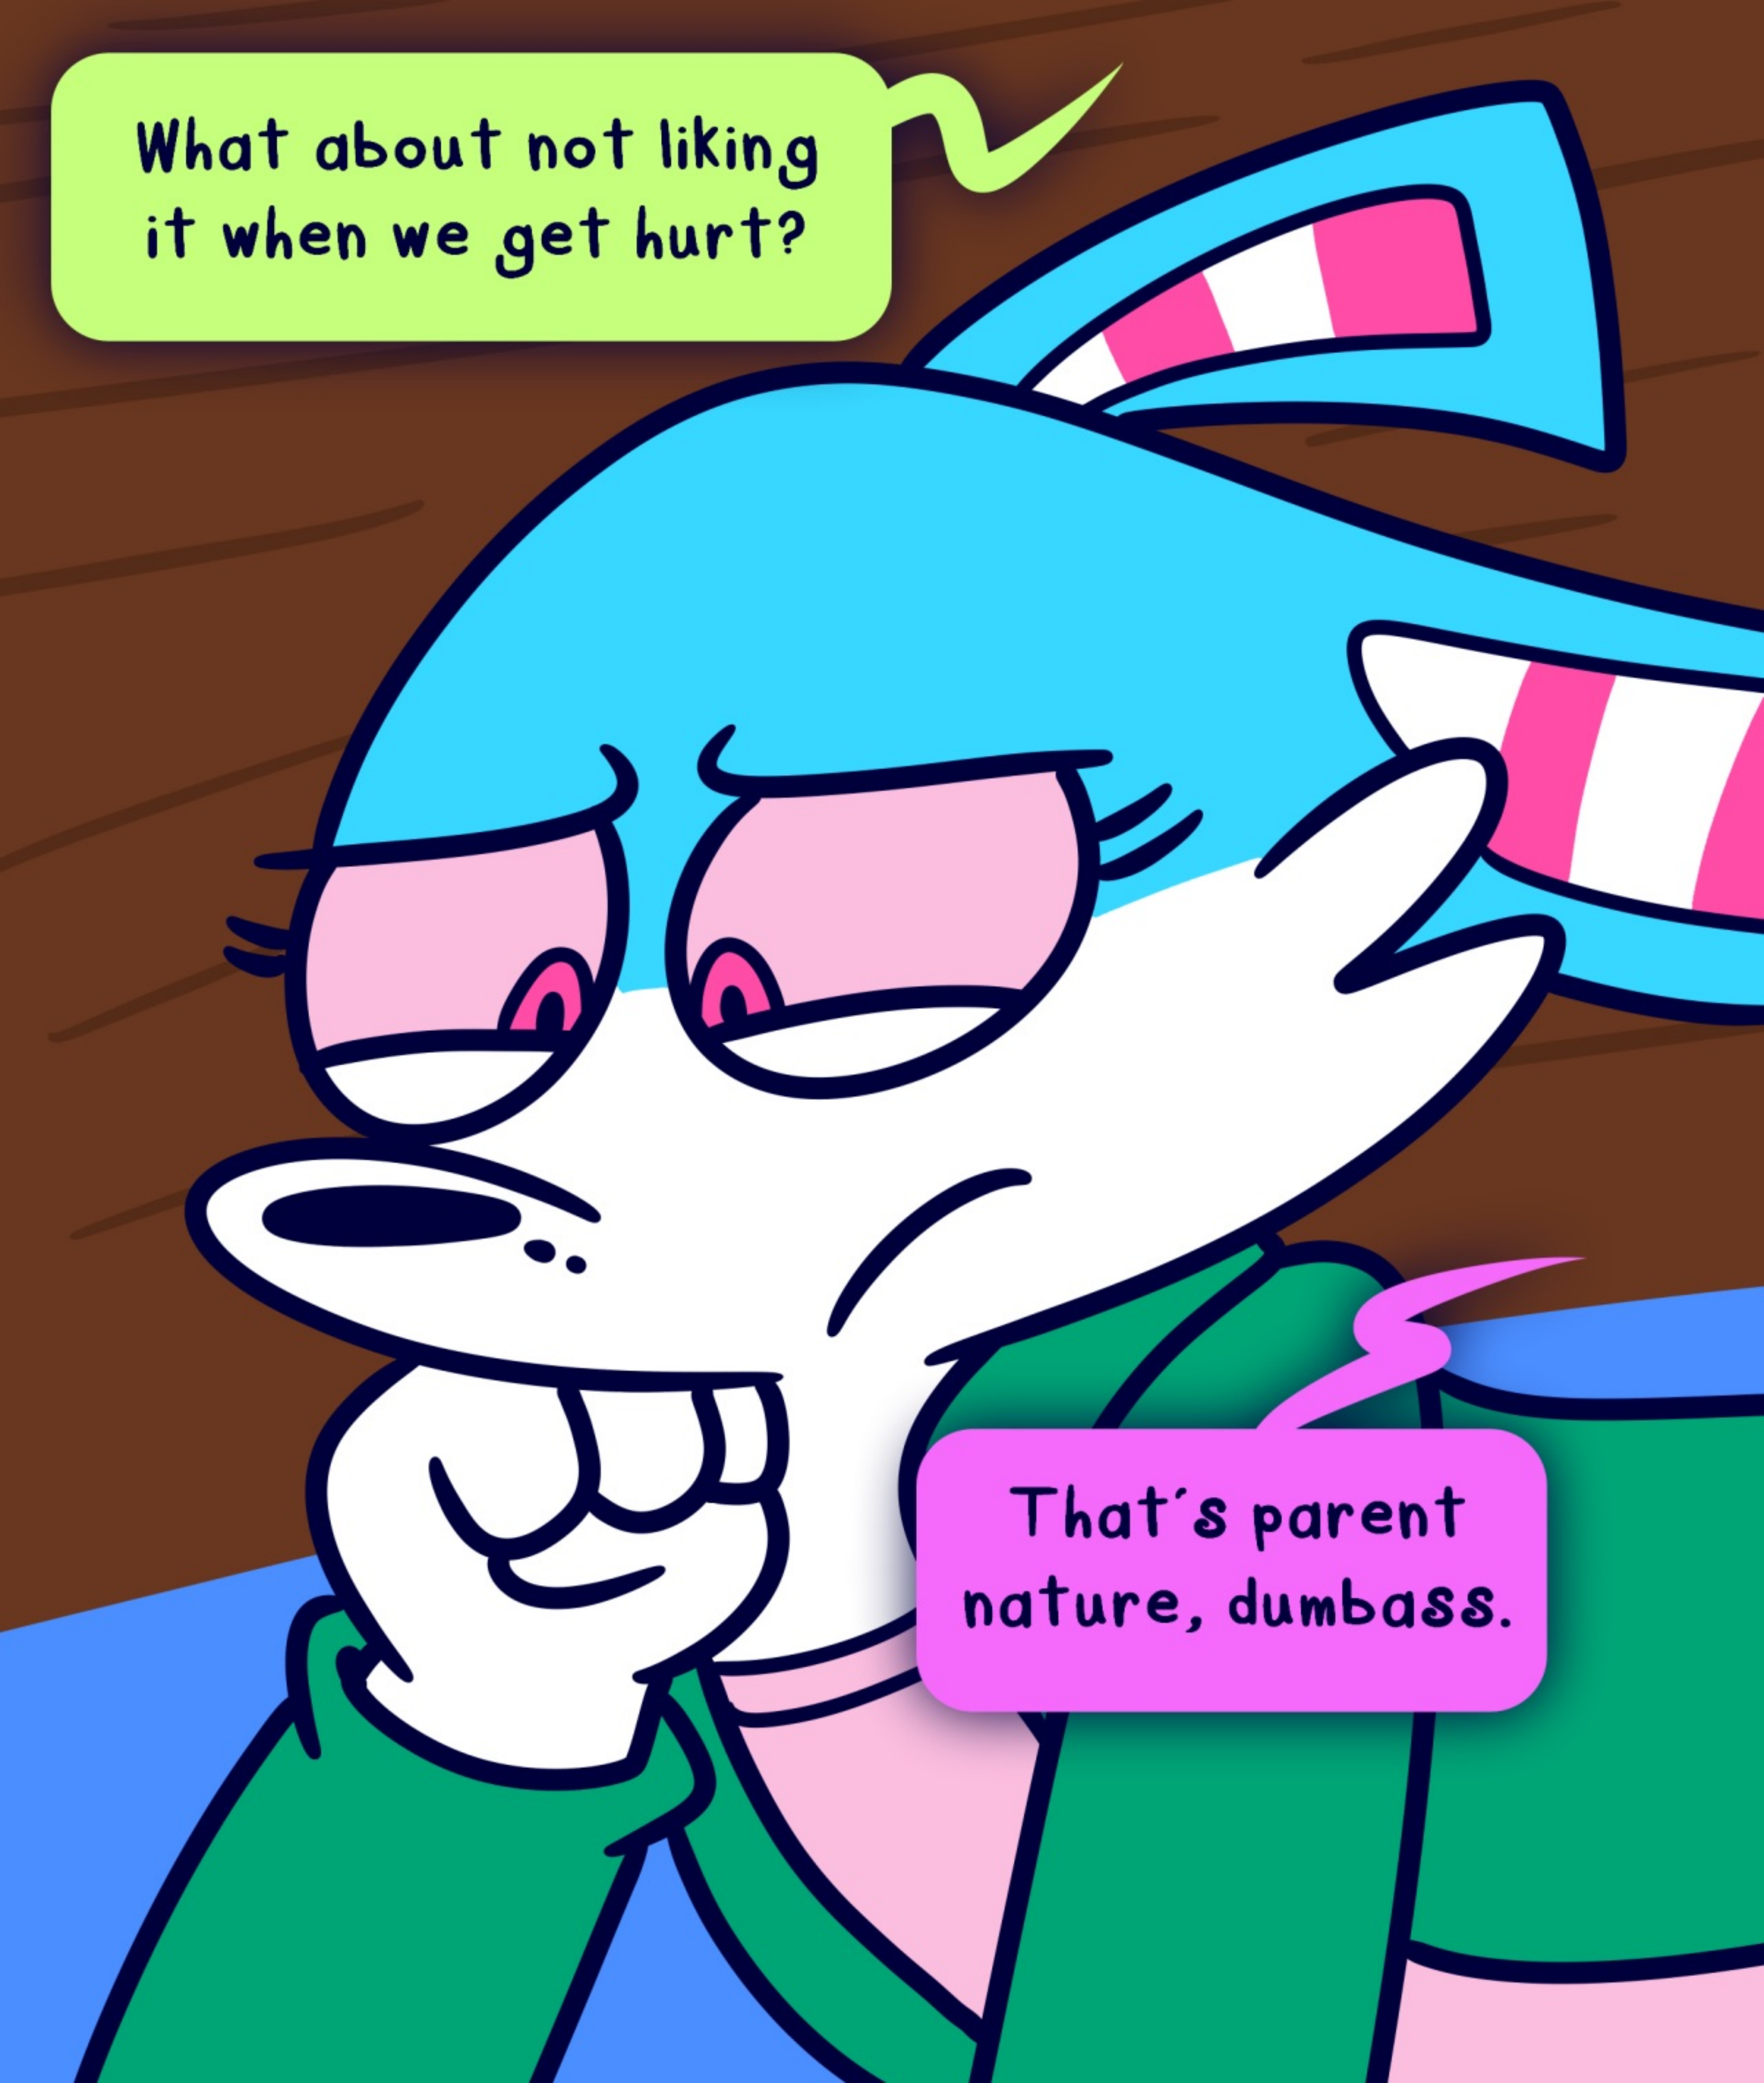
.......h-hey man, WHY did you word it like that?



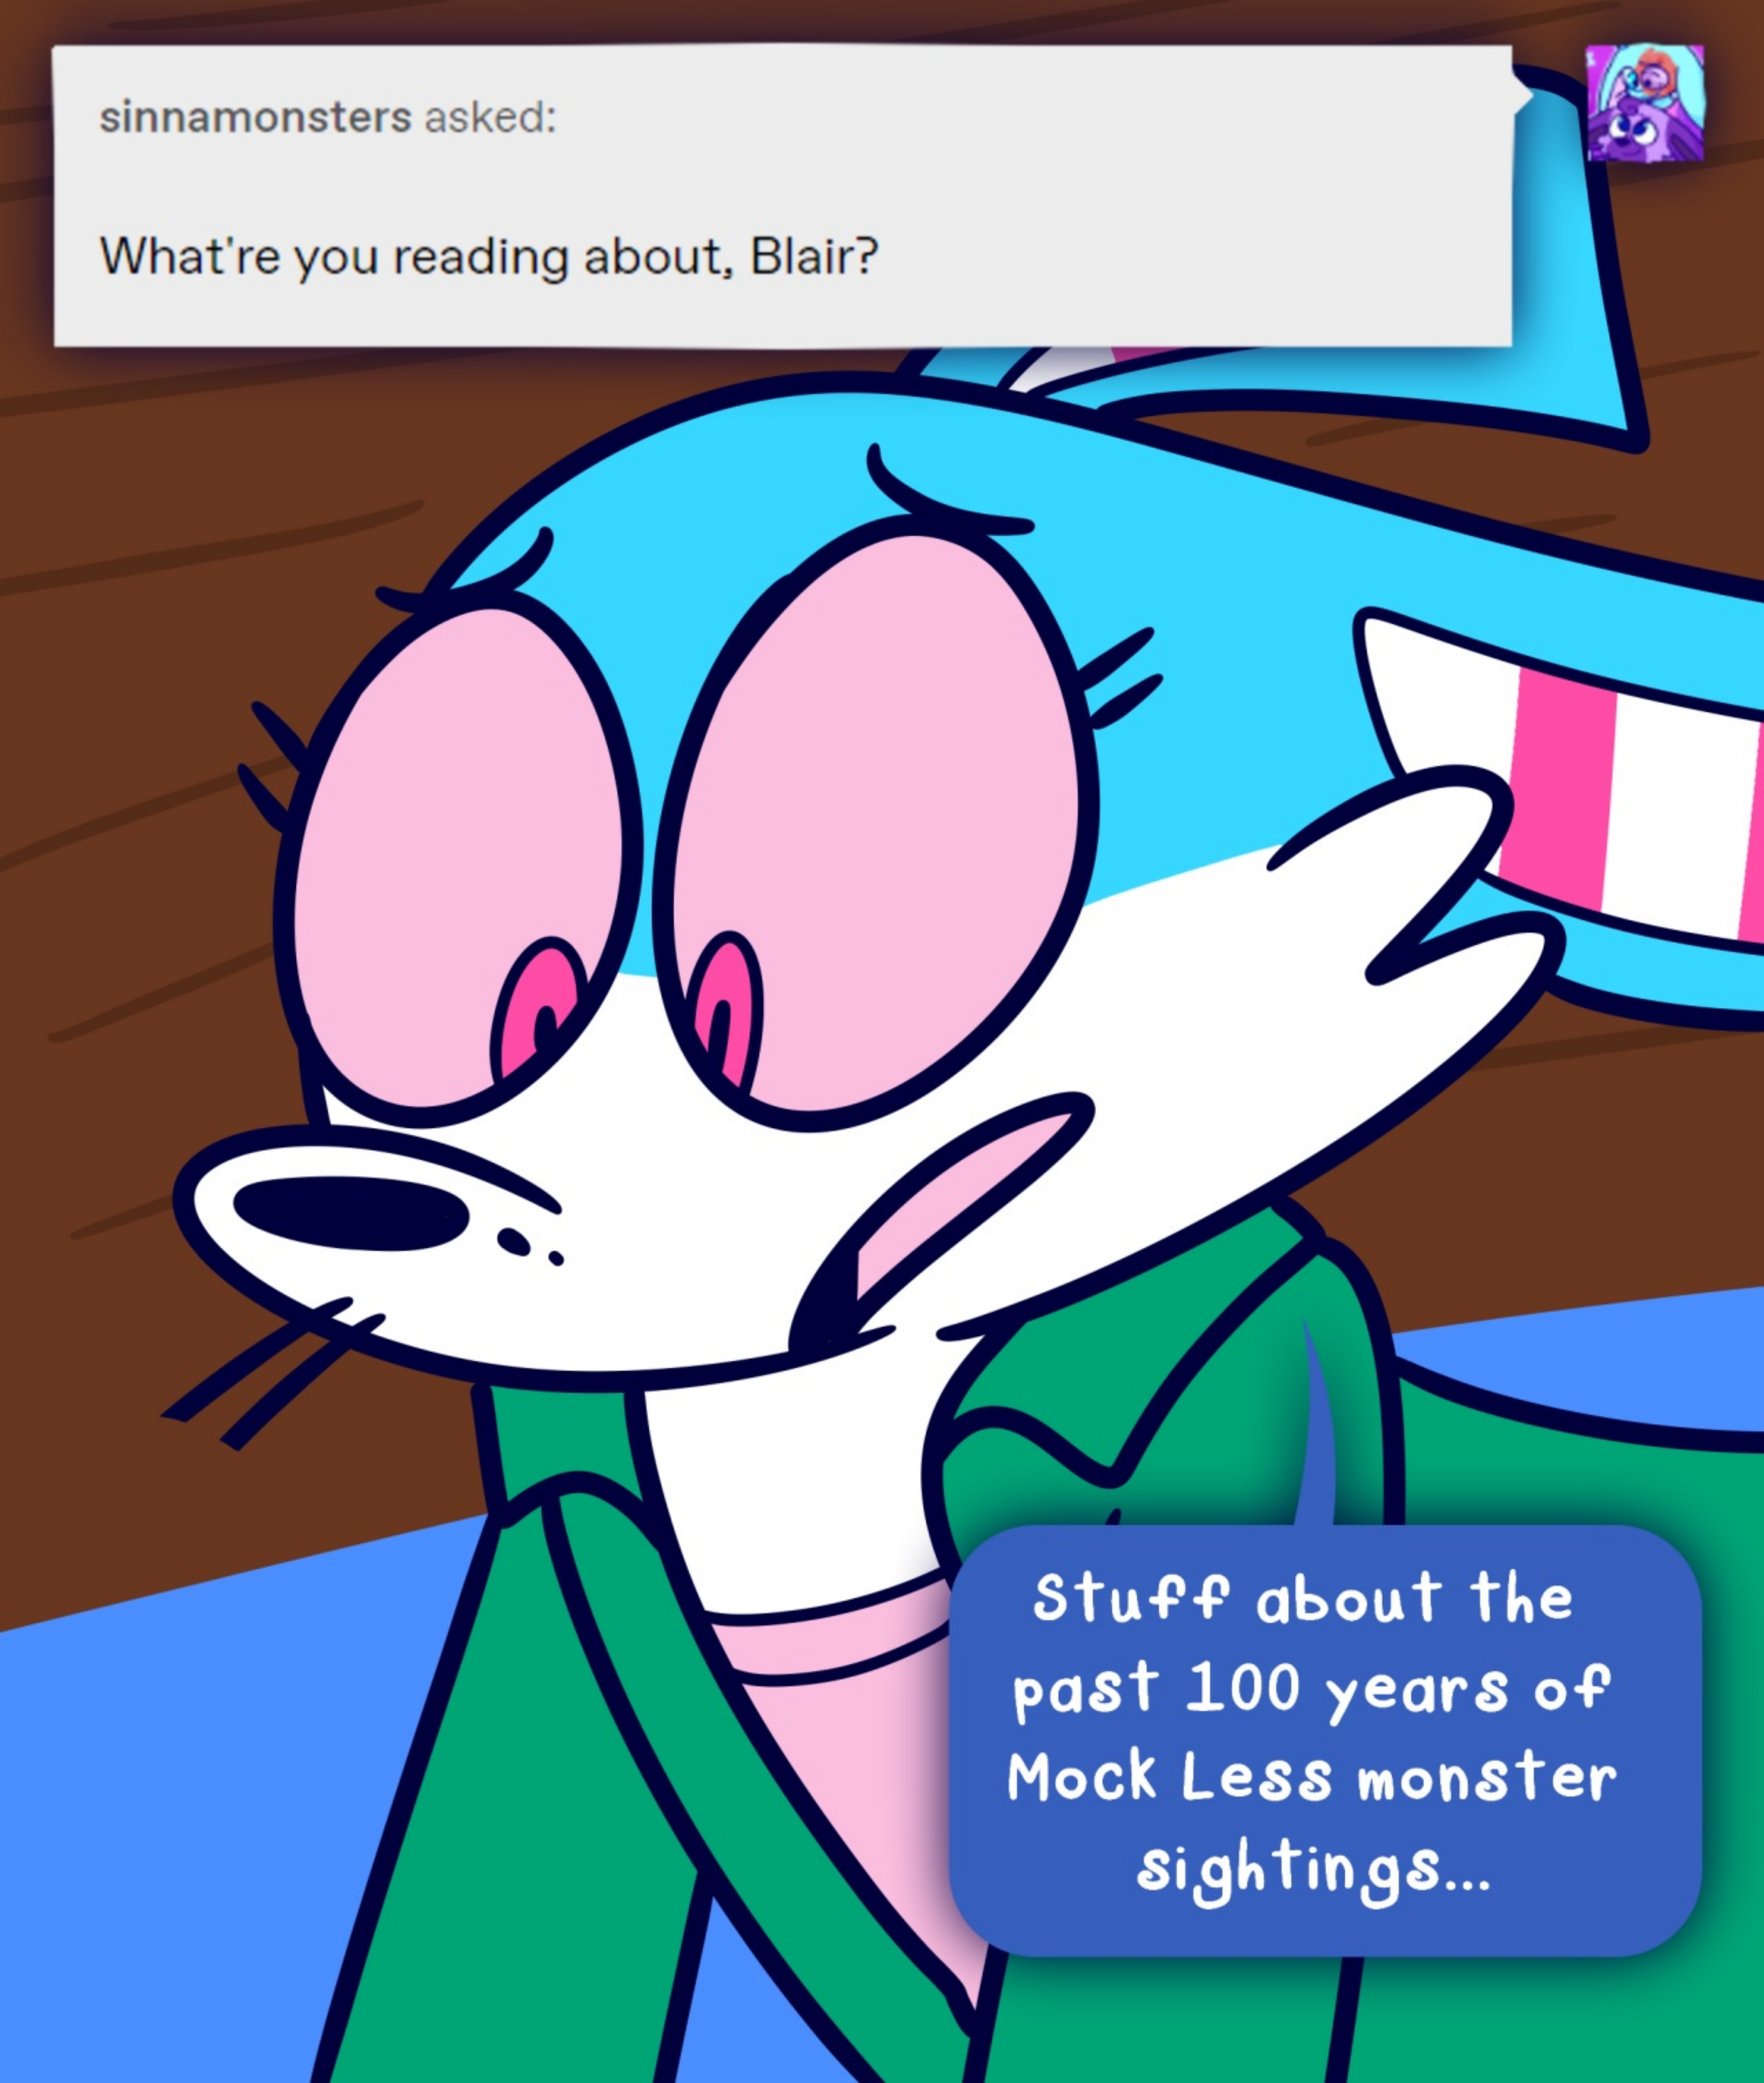
autizta asked:

Have you guys ever seen your parents this stressed out about anything else?

I mean... they have really specific things that stress them out. Like horror movies.
That isn't related to this though...



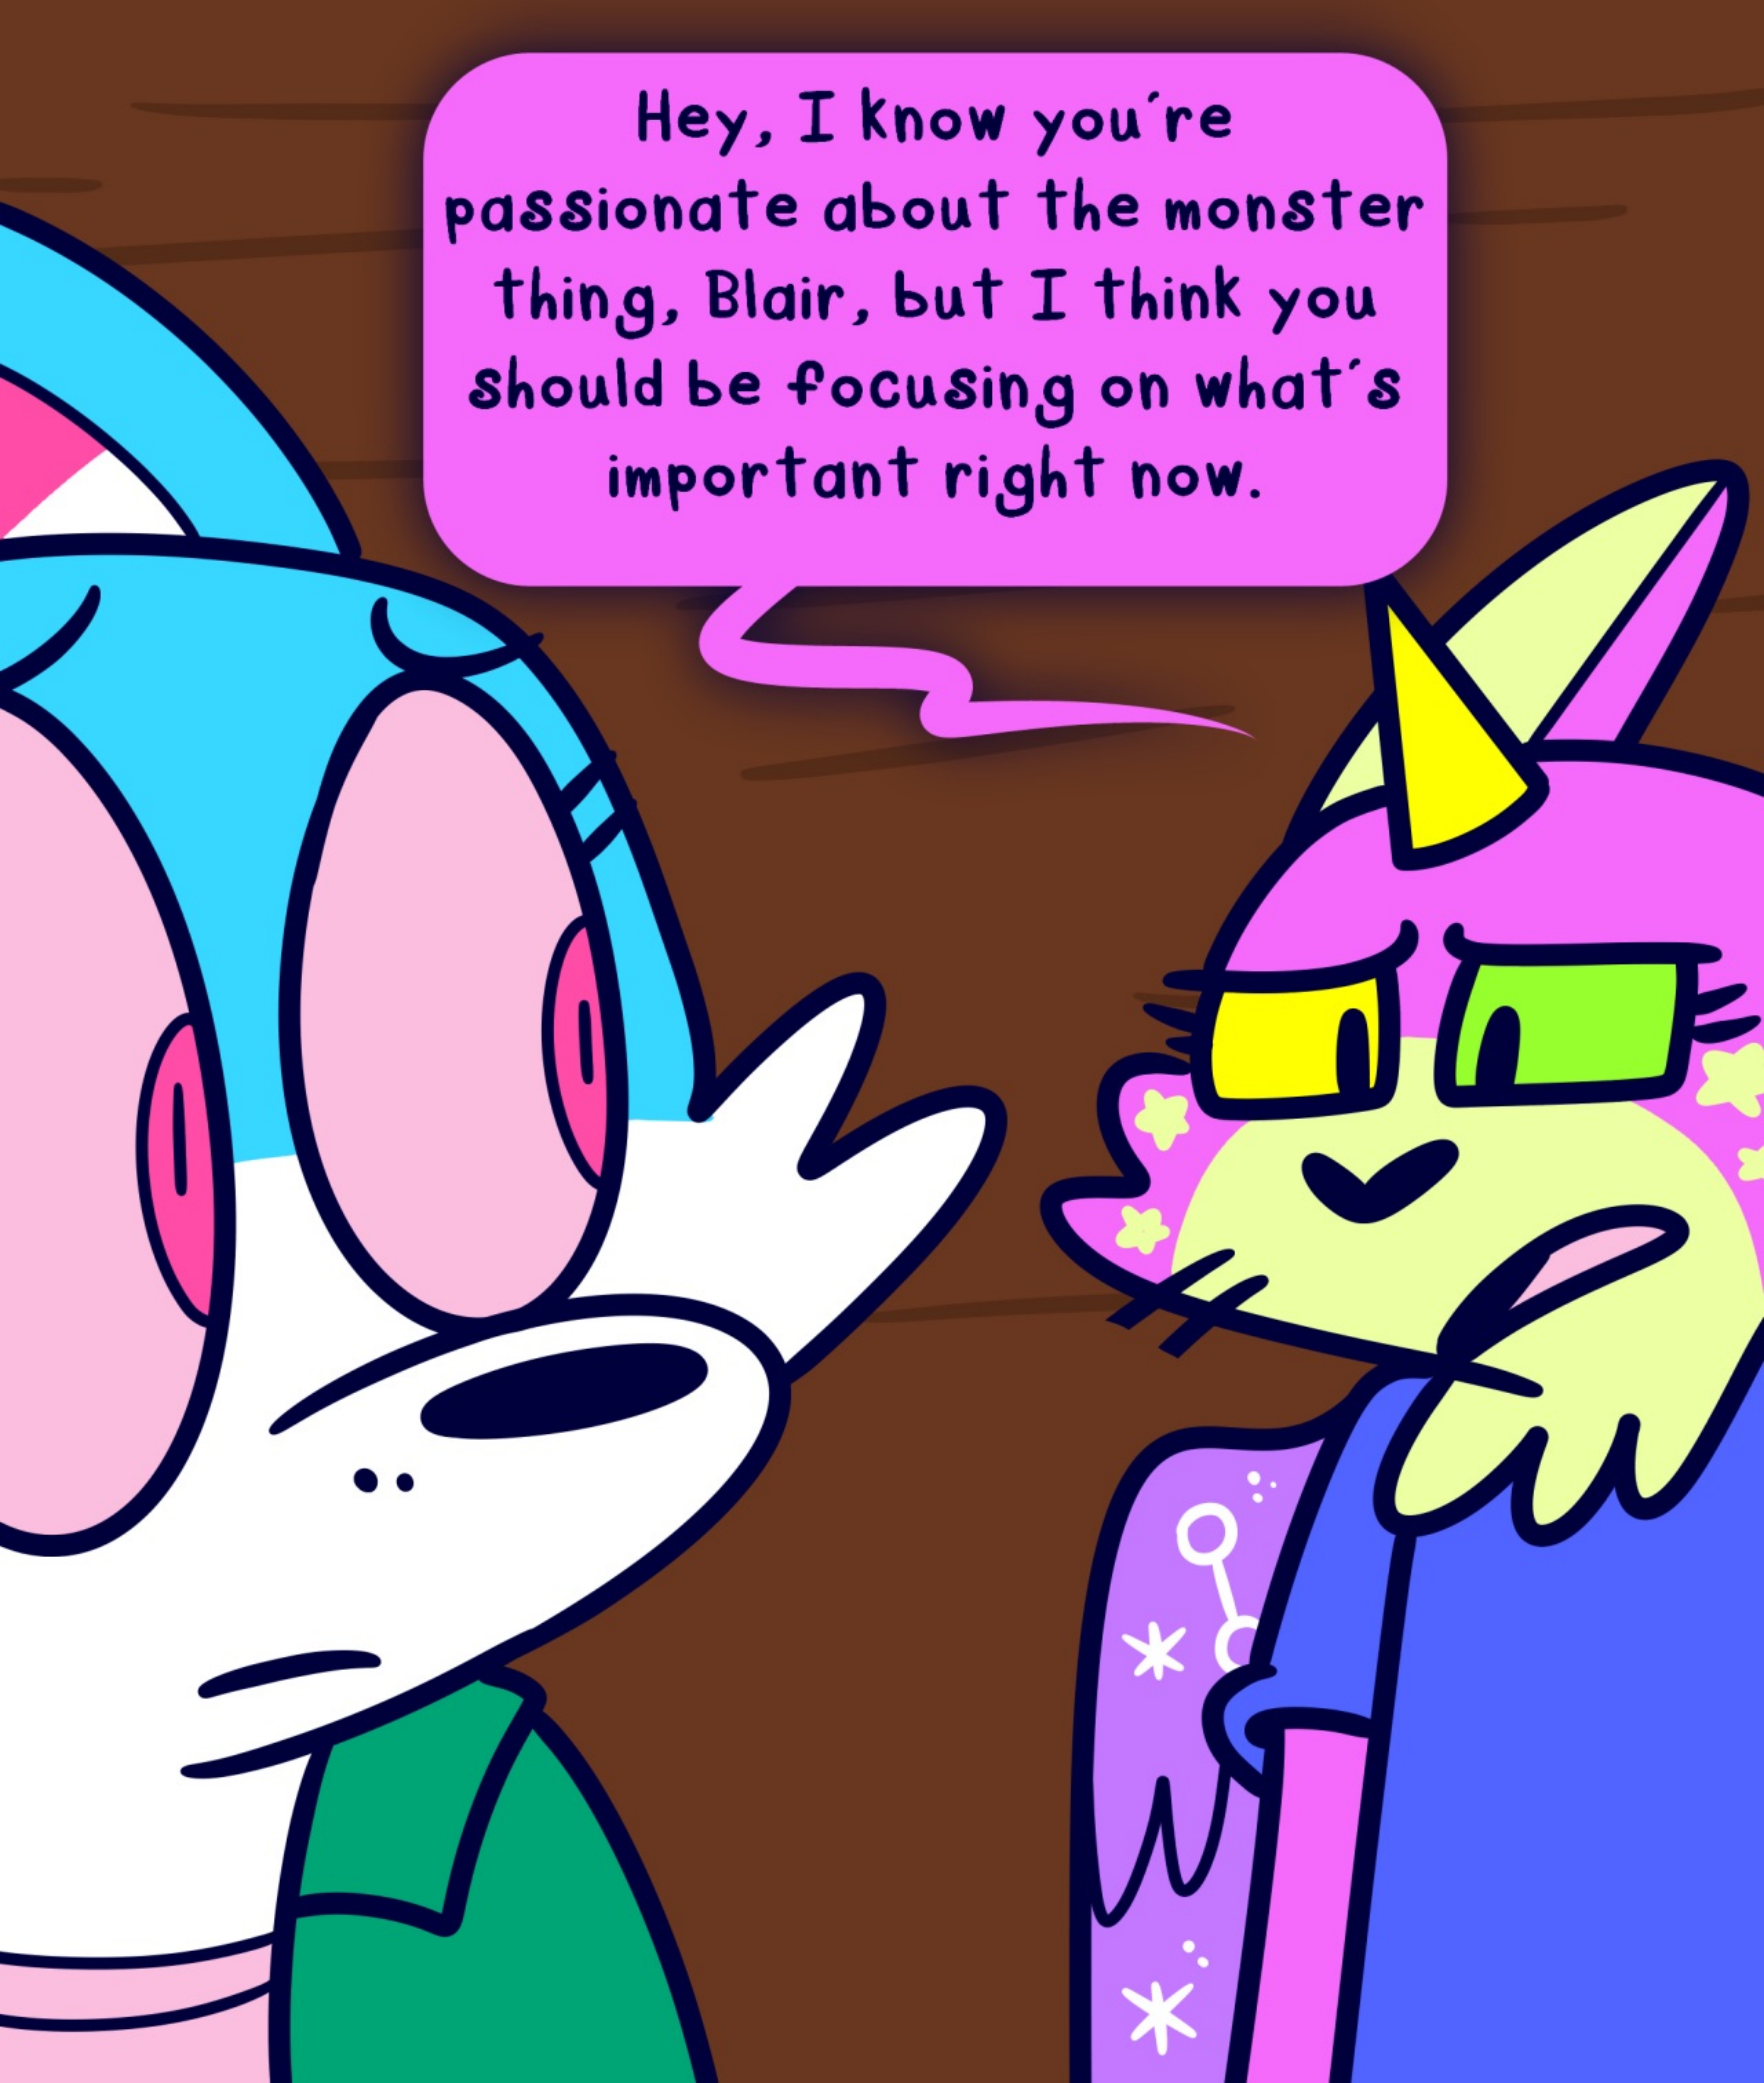
What about not liking it when we get hurt?
That´s parent nature, dumbass.



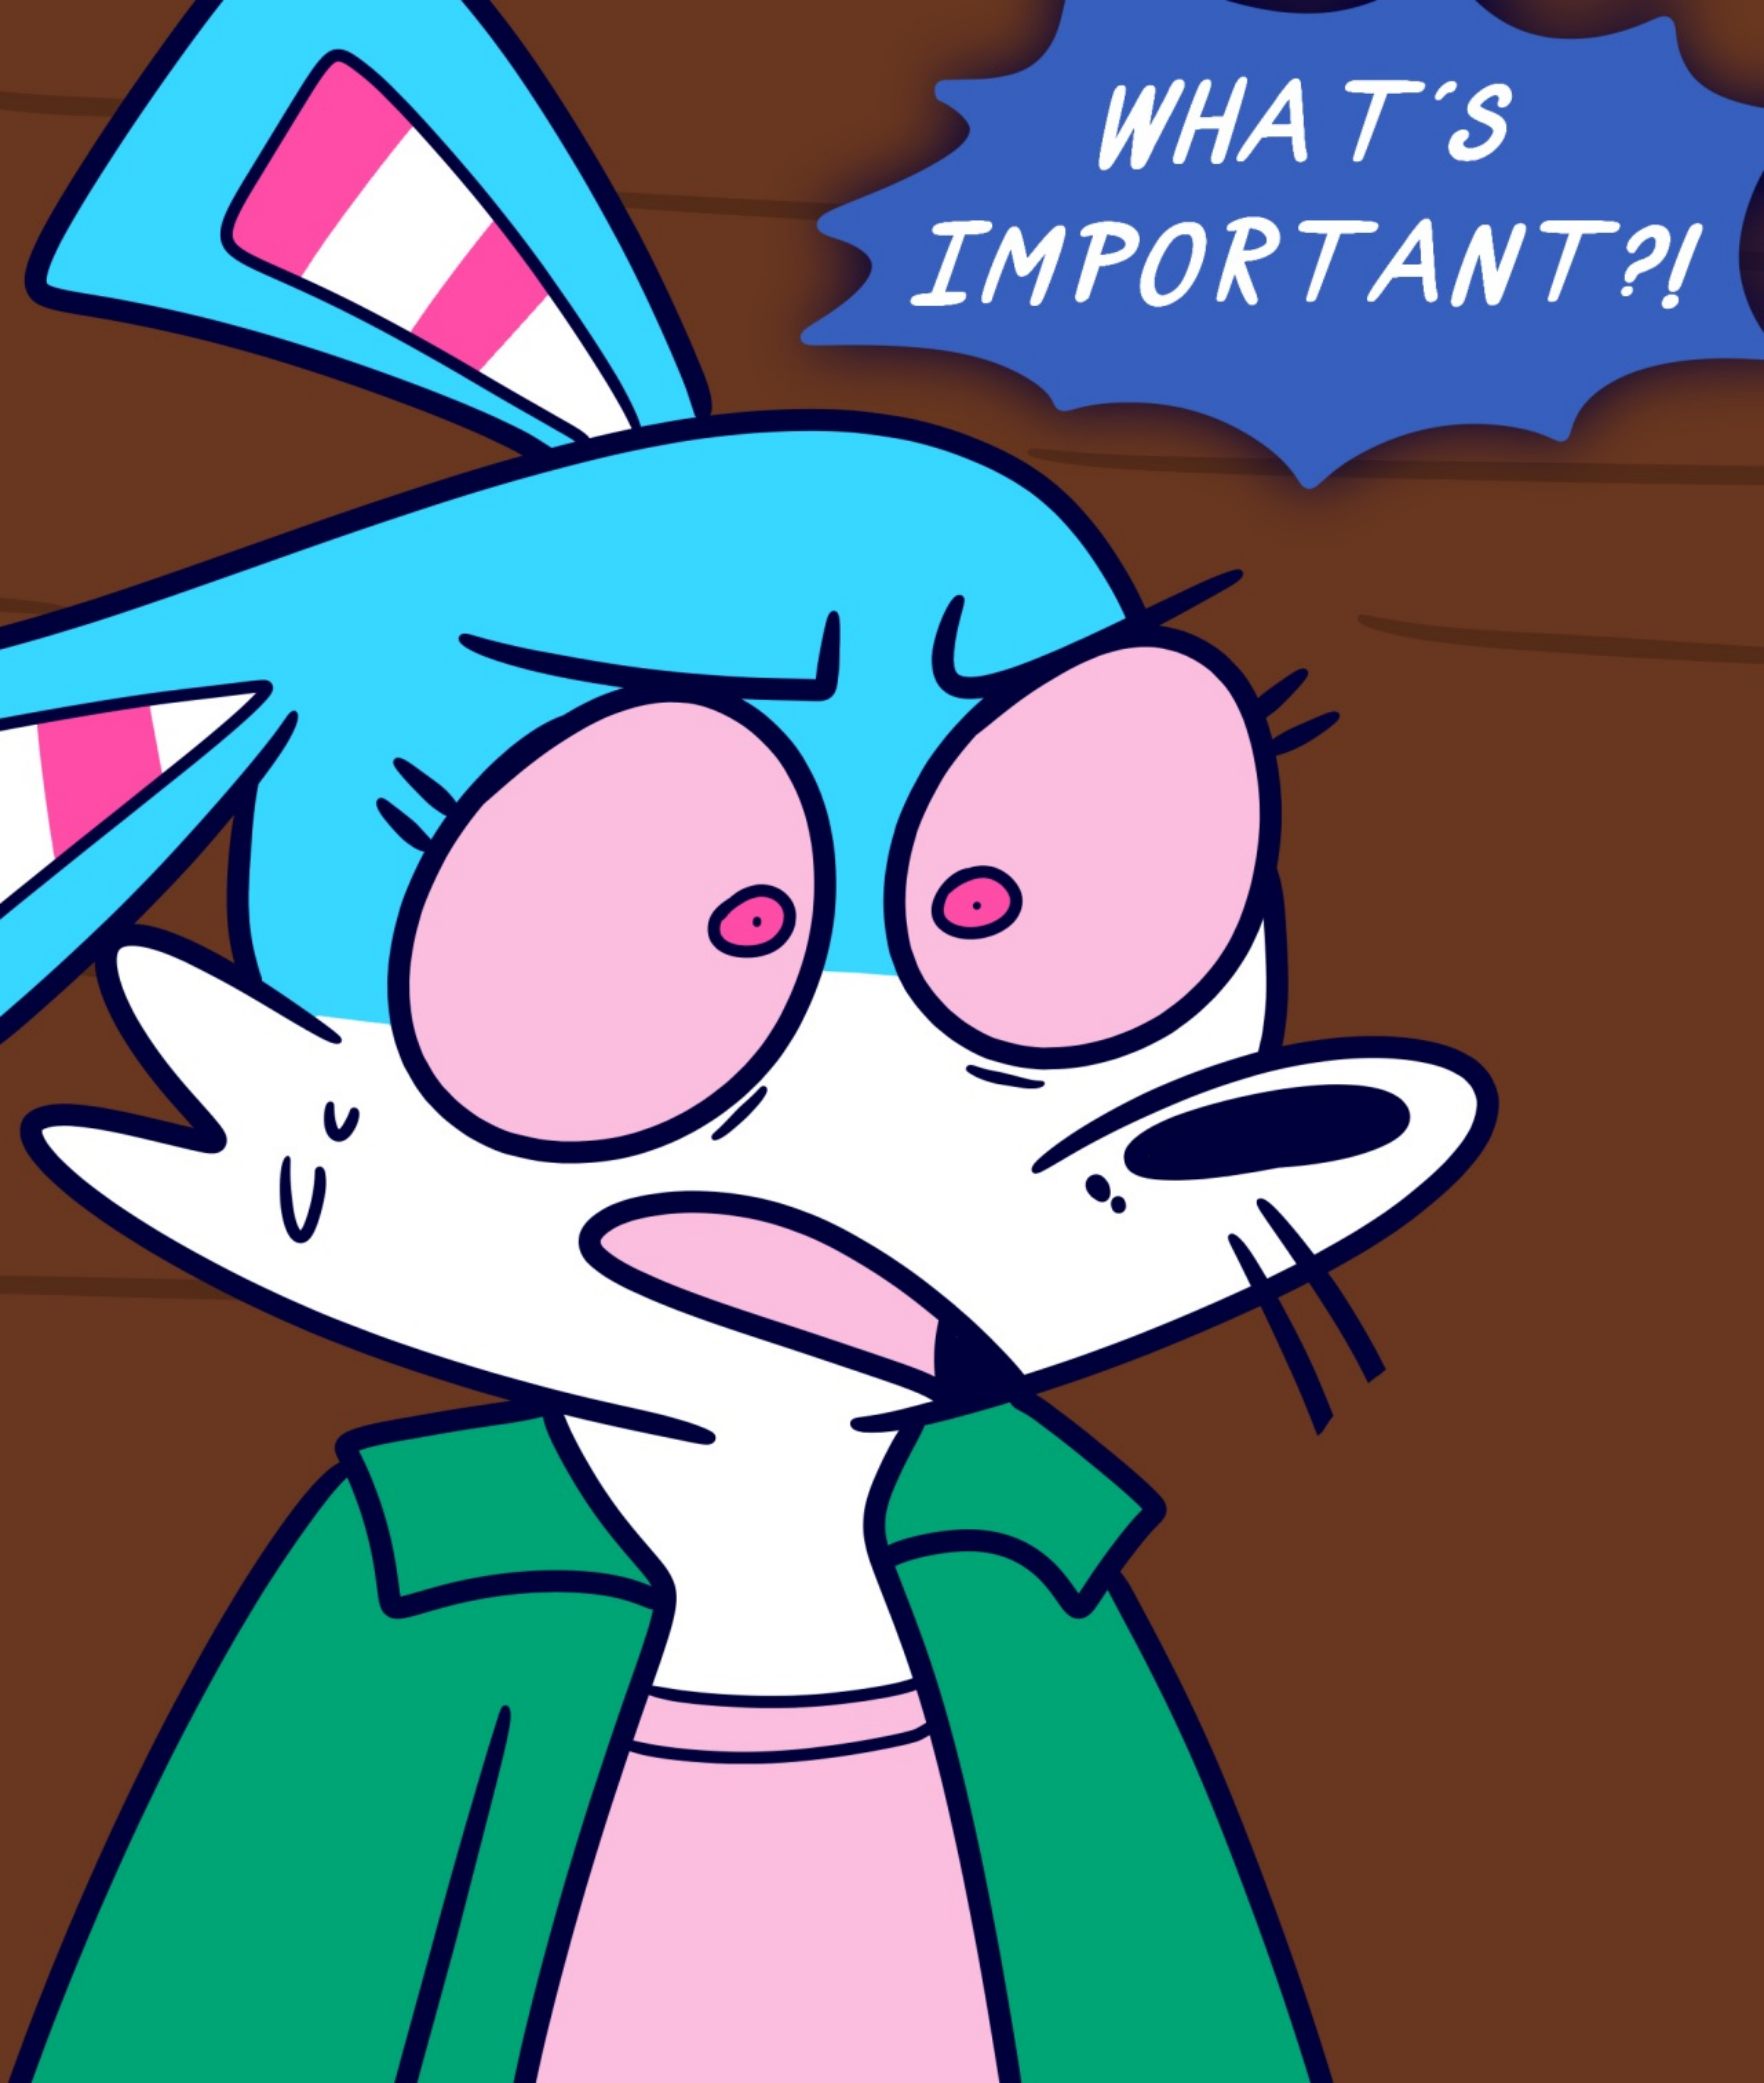
sinnamonsters asked:

What're you reading about, Blair?

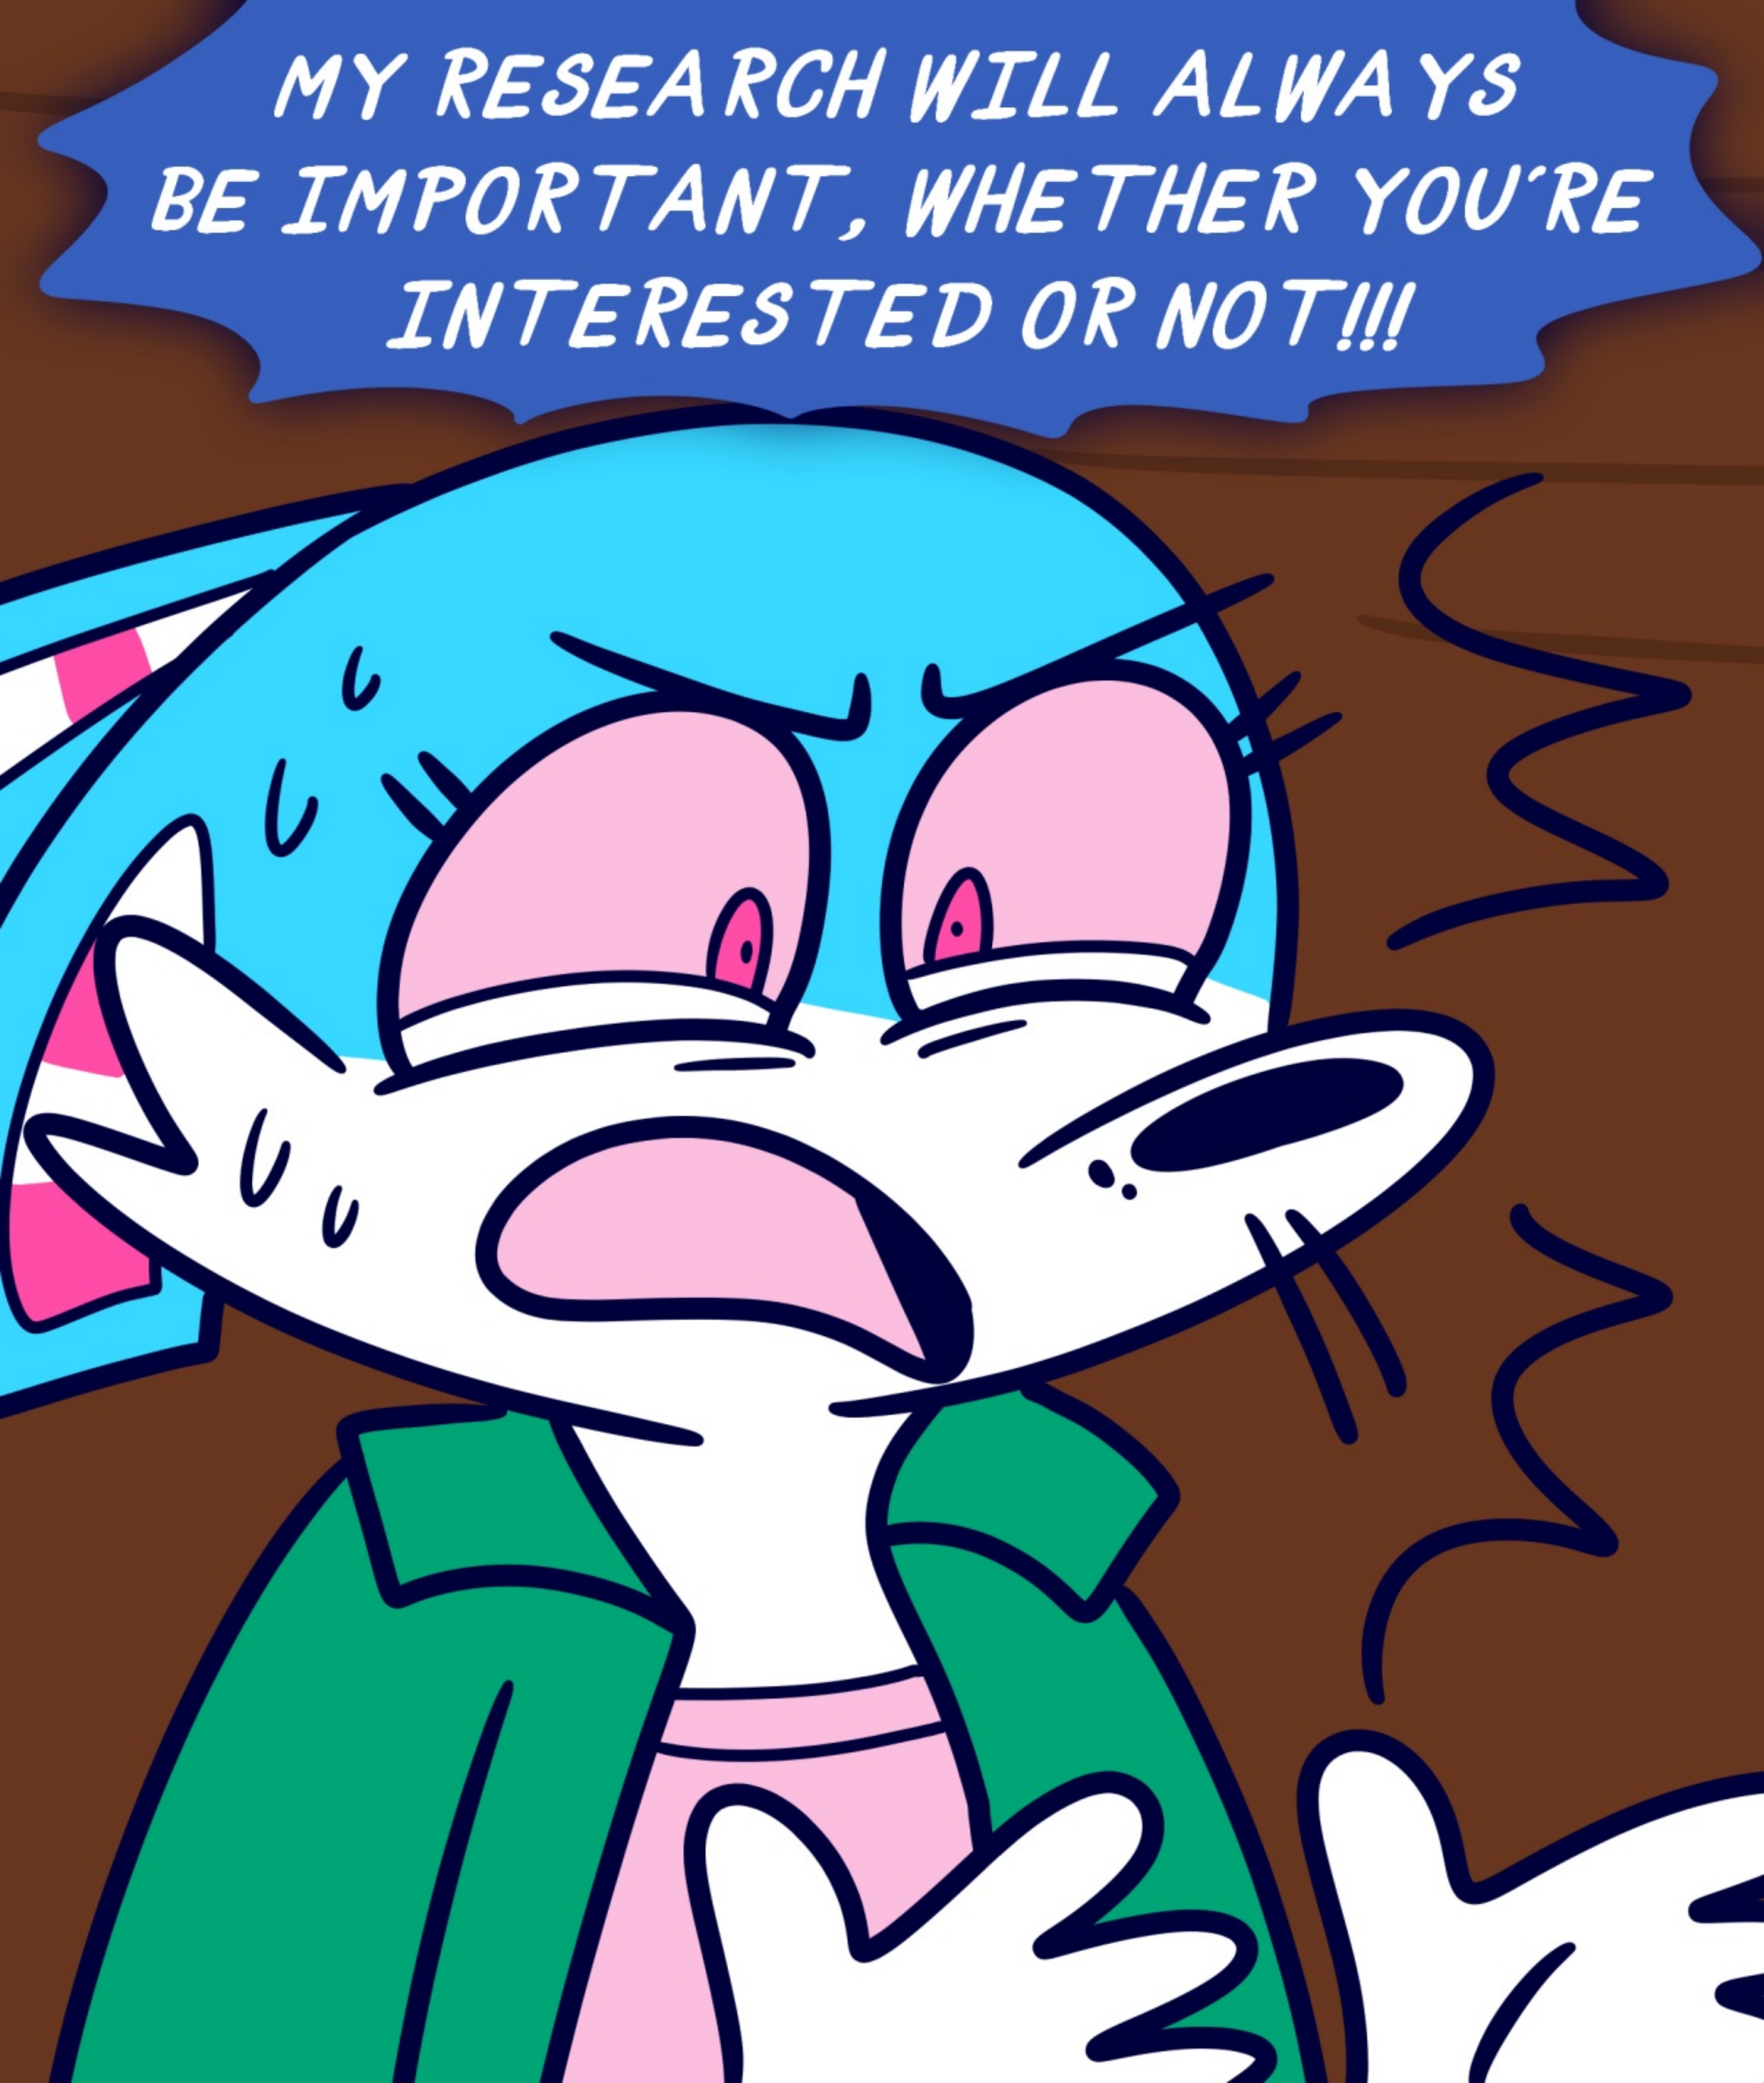
Stuff about the past 100 years of Mock Less monster sightings...



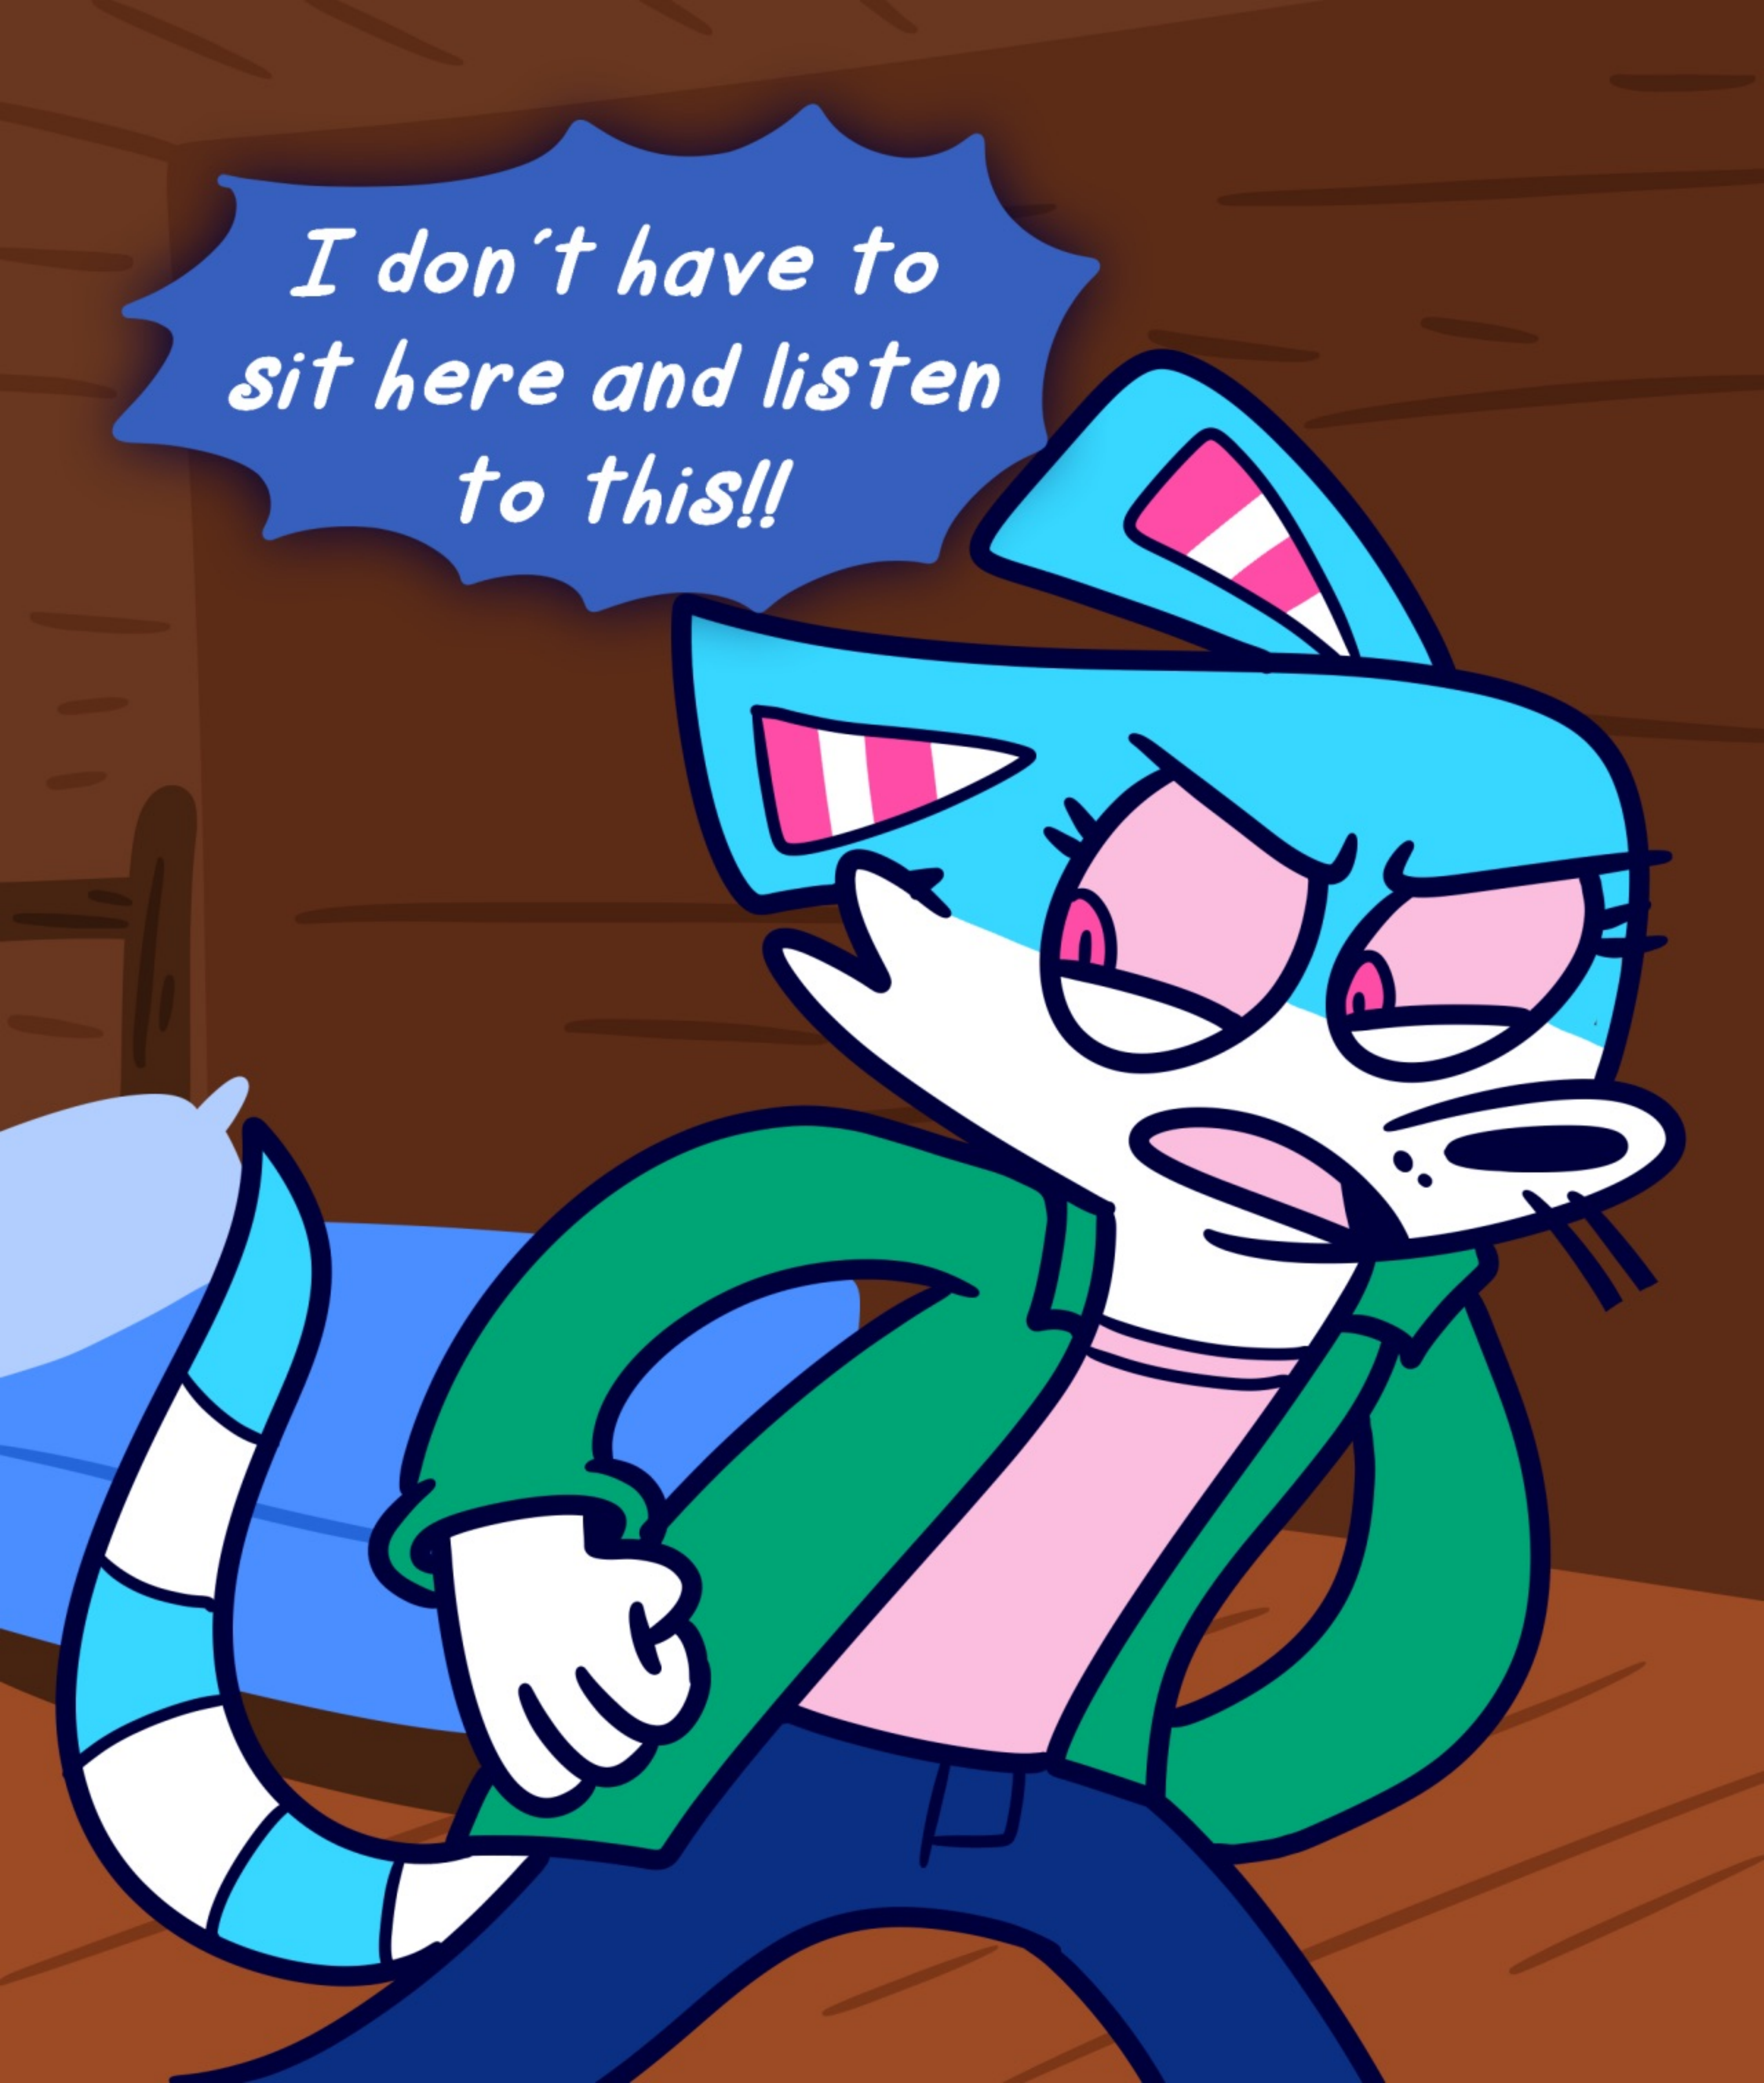
Hey, I know you're passionate about the monster thing, Blair, but I think you should be focusing on what's important right now.



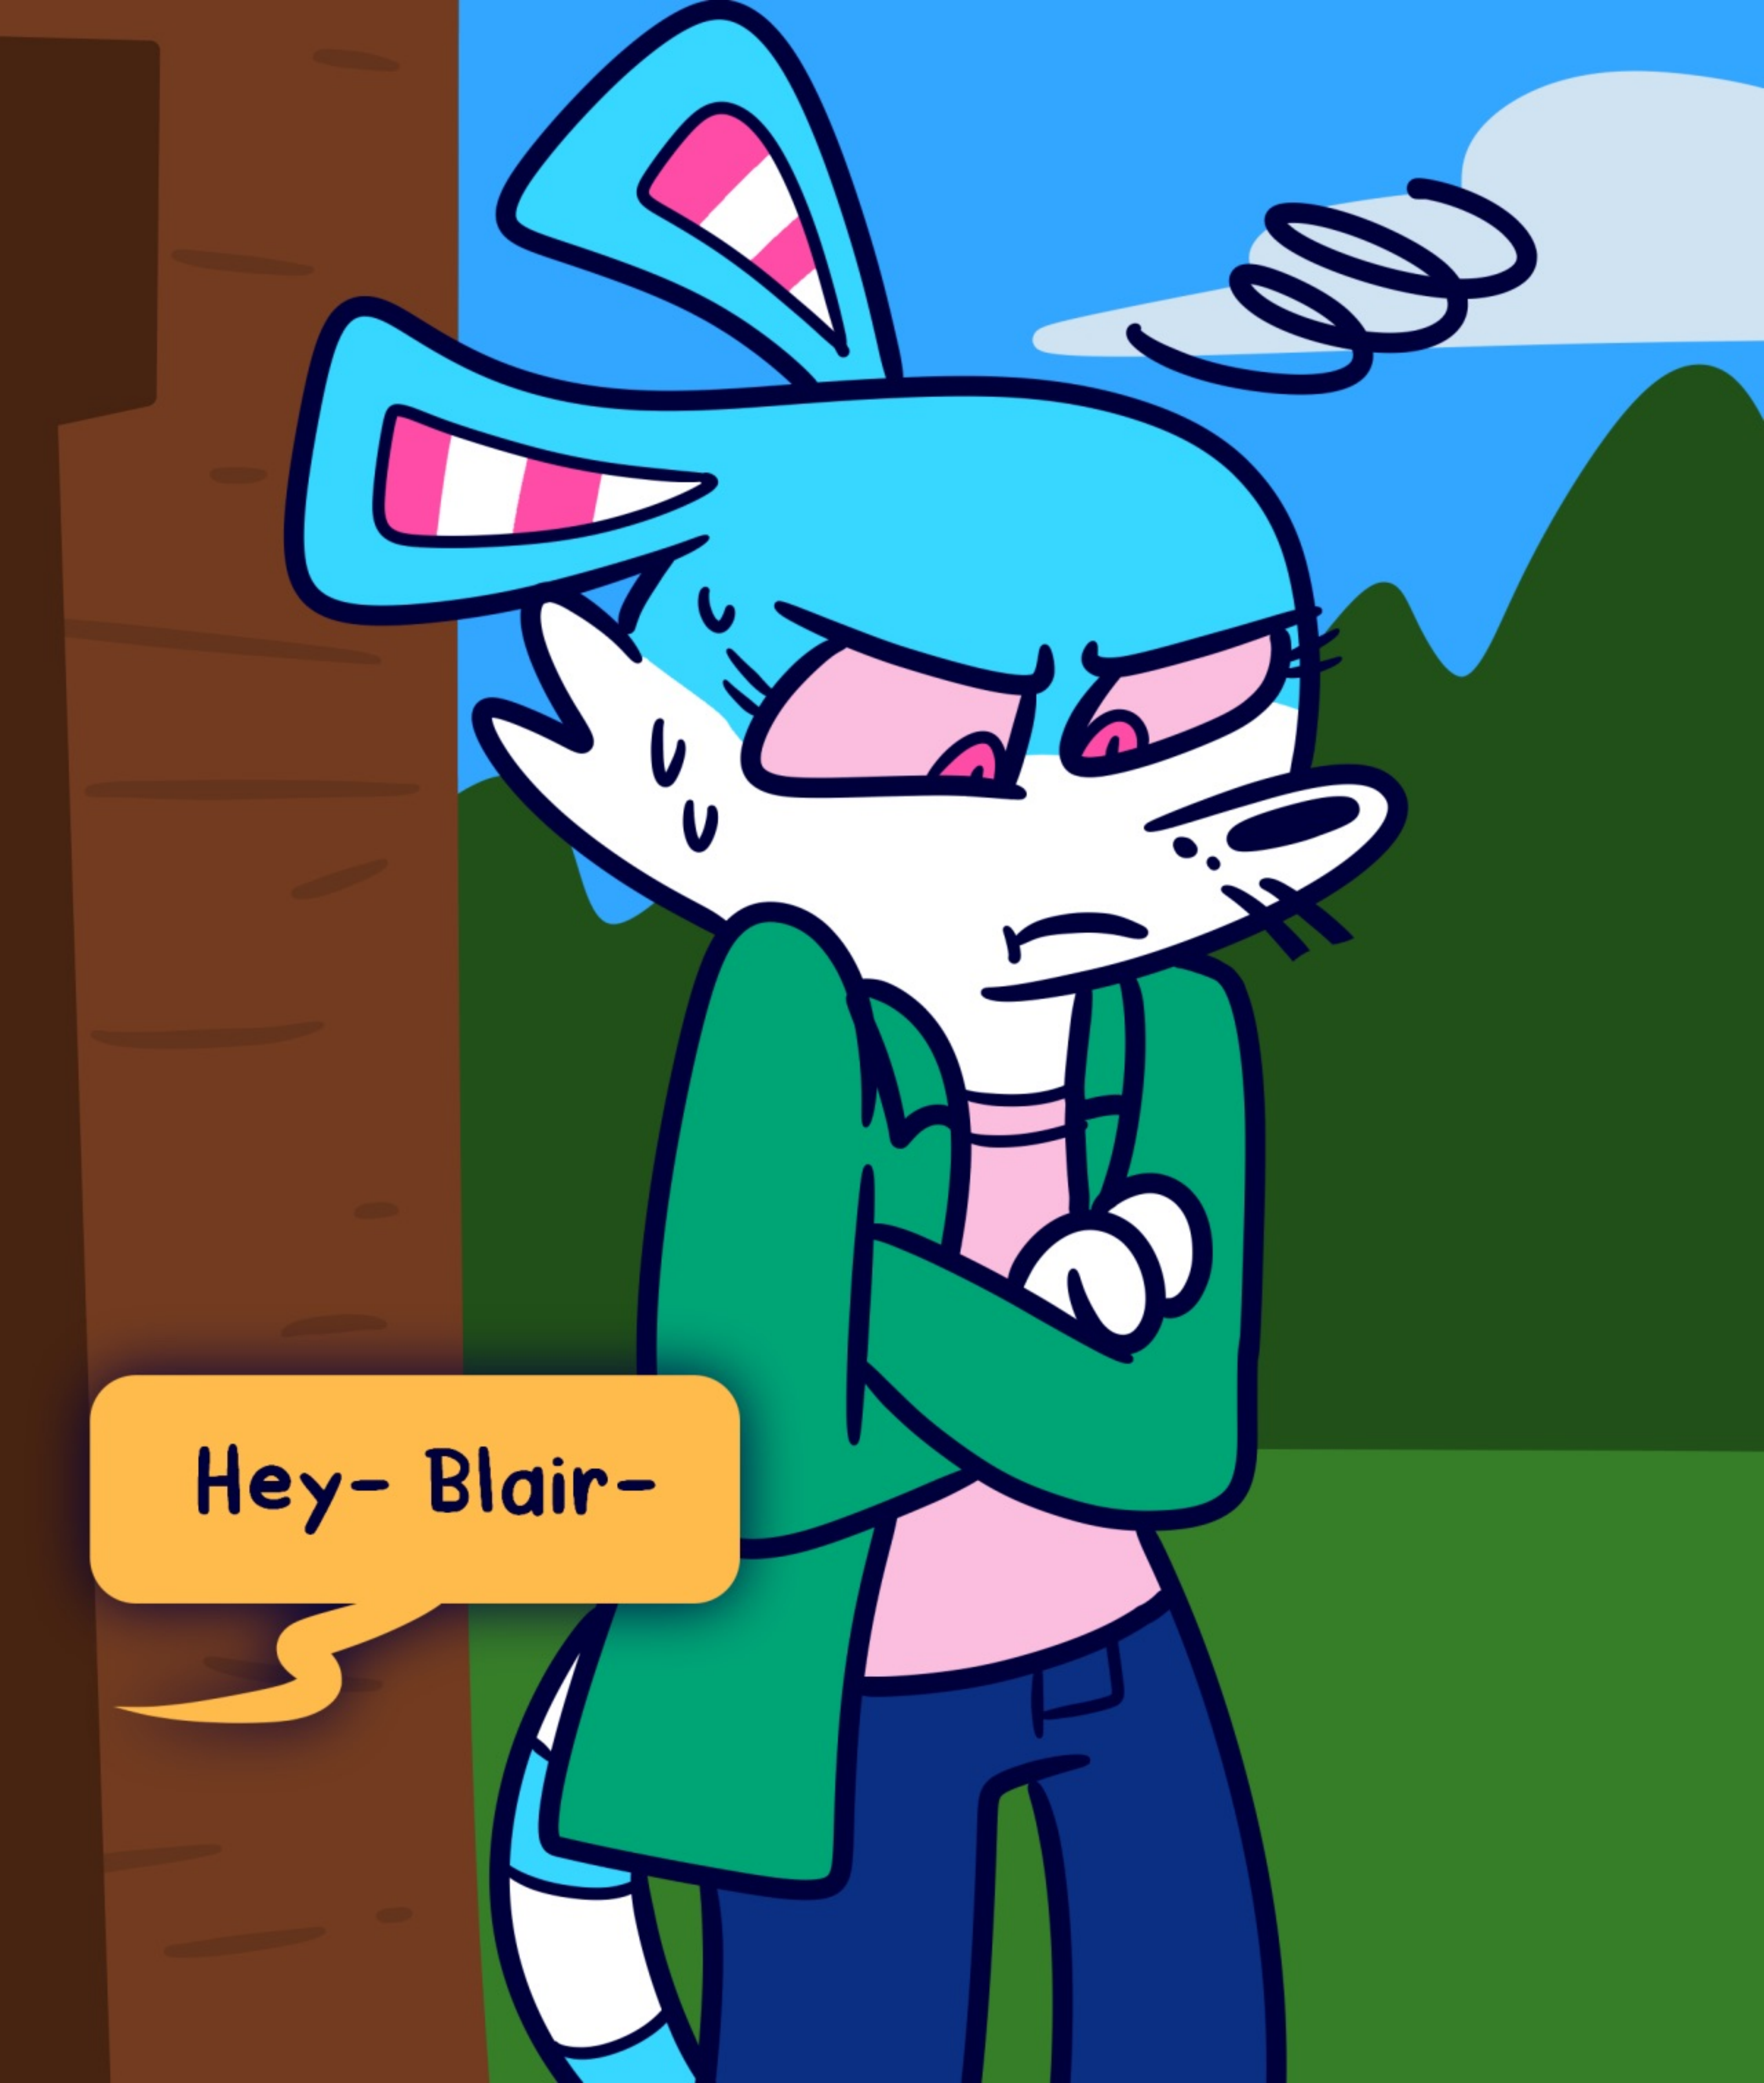
WHAT'S IMPORTANT?!



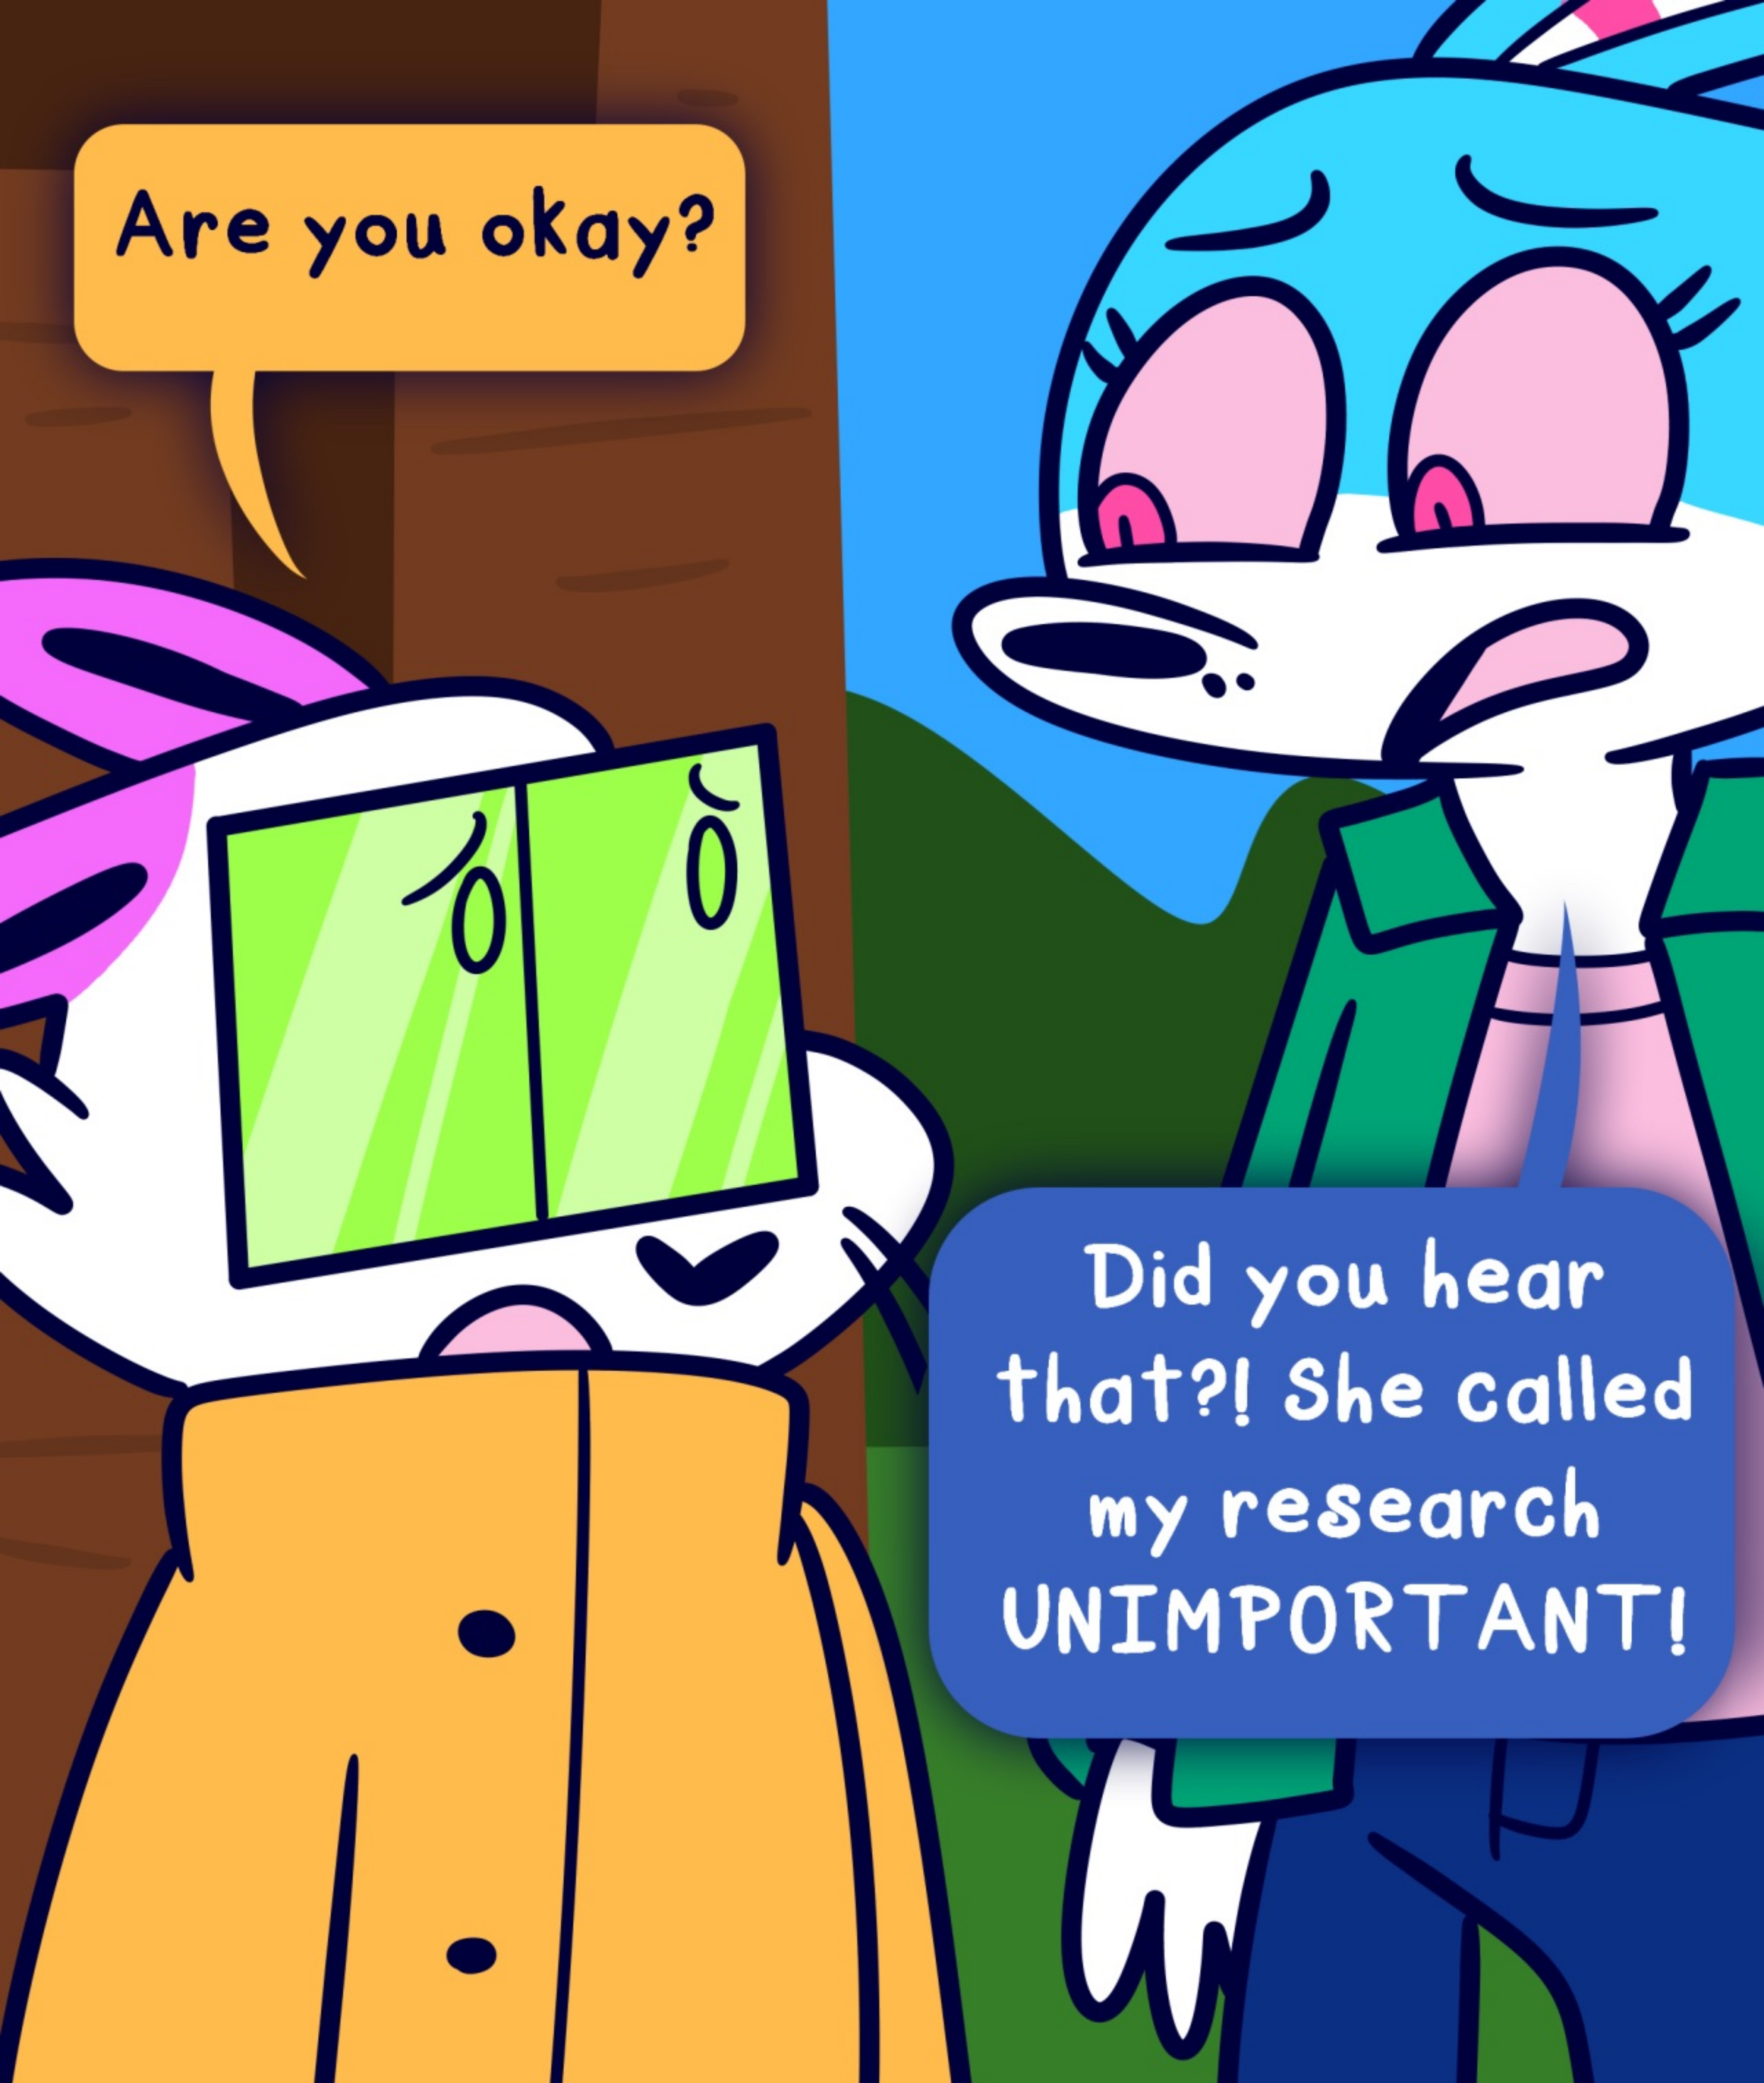
MY RESEARCH WILL ALWAYS BE IMPORTANT, WHETHER YOU'RE INTERESTED OR NOT!!!



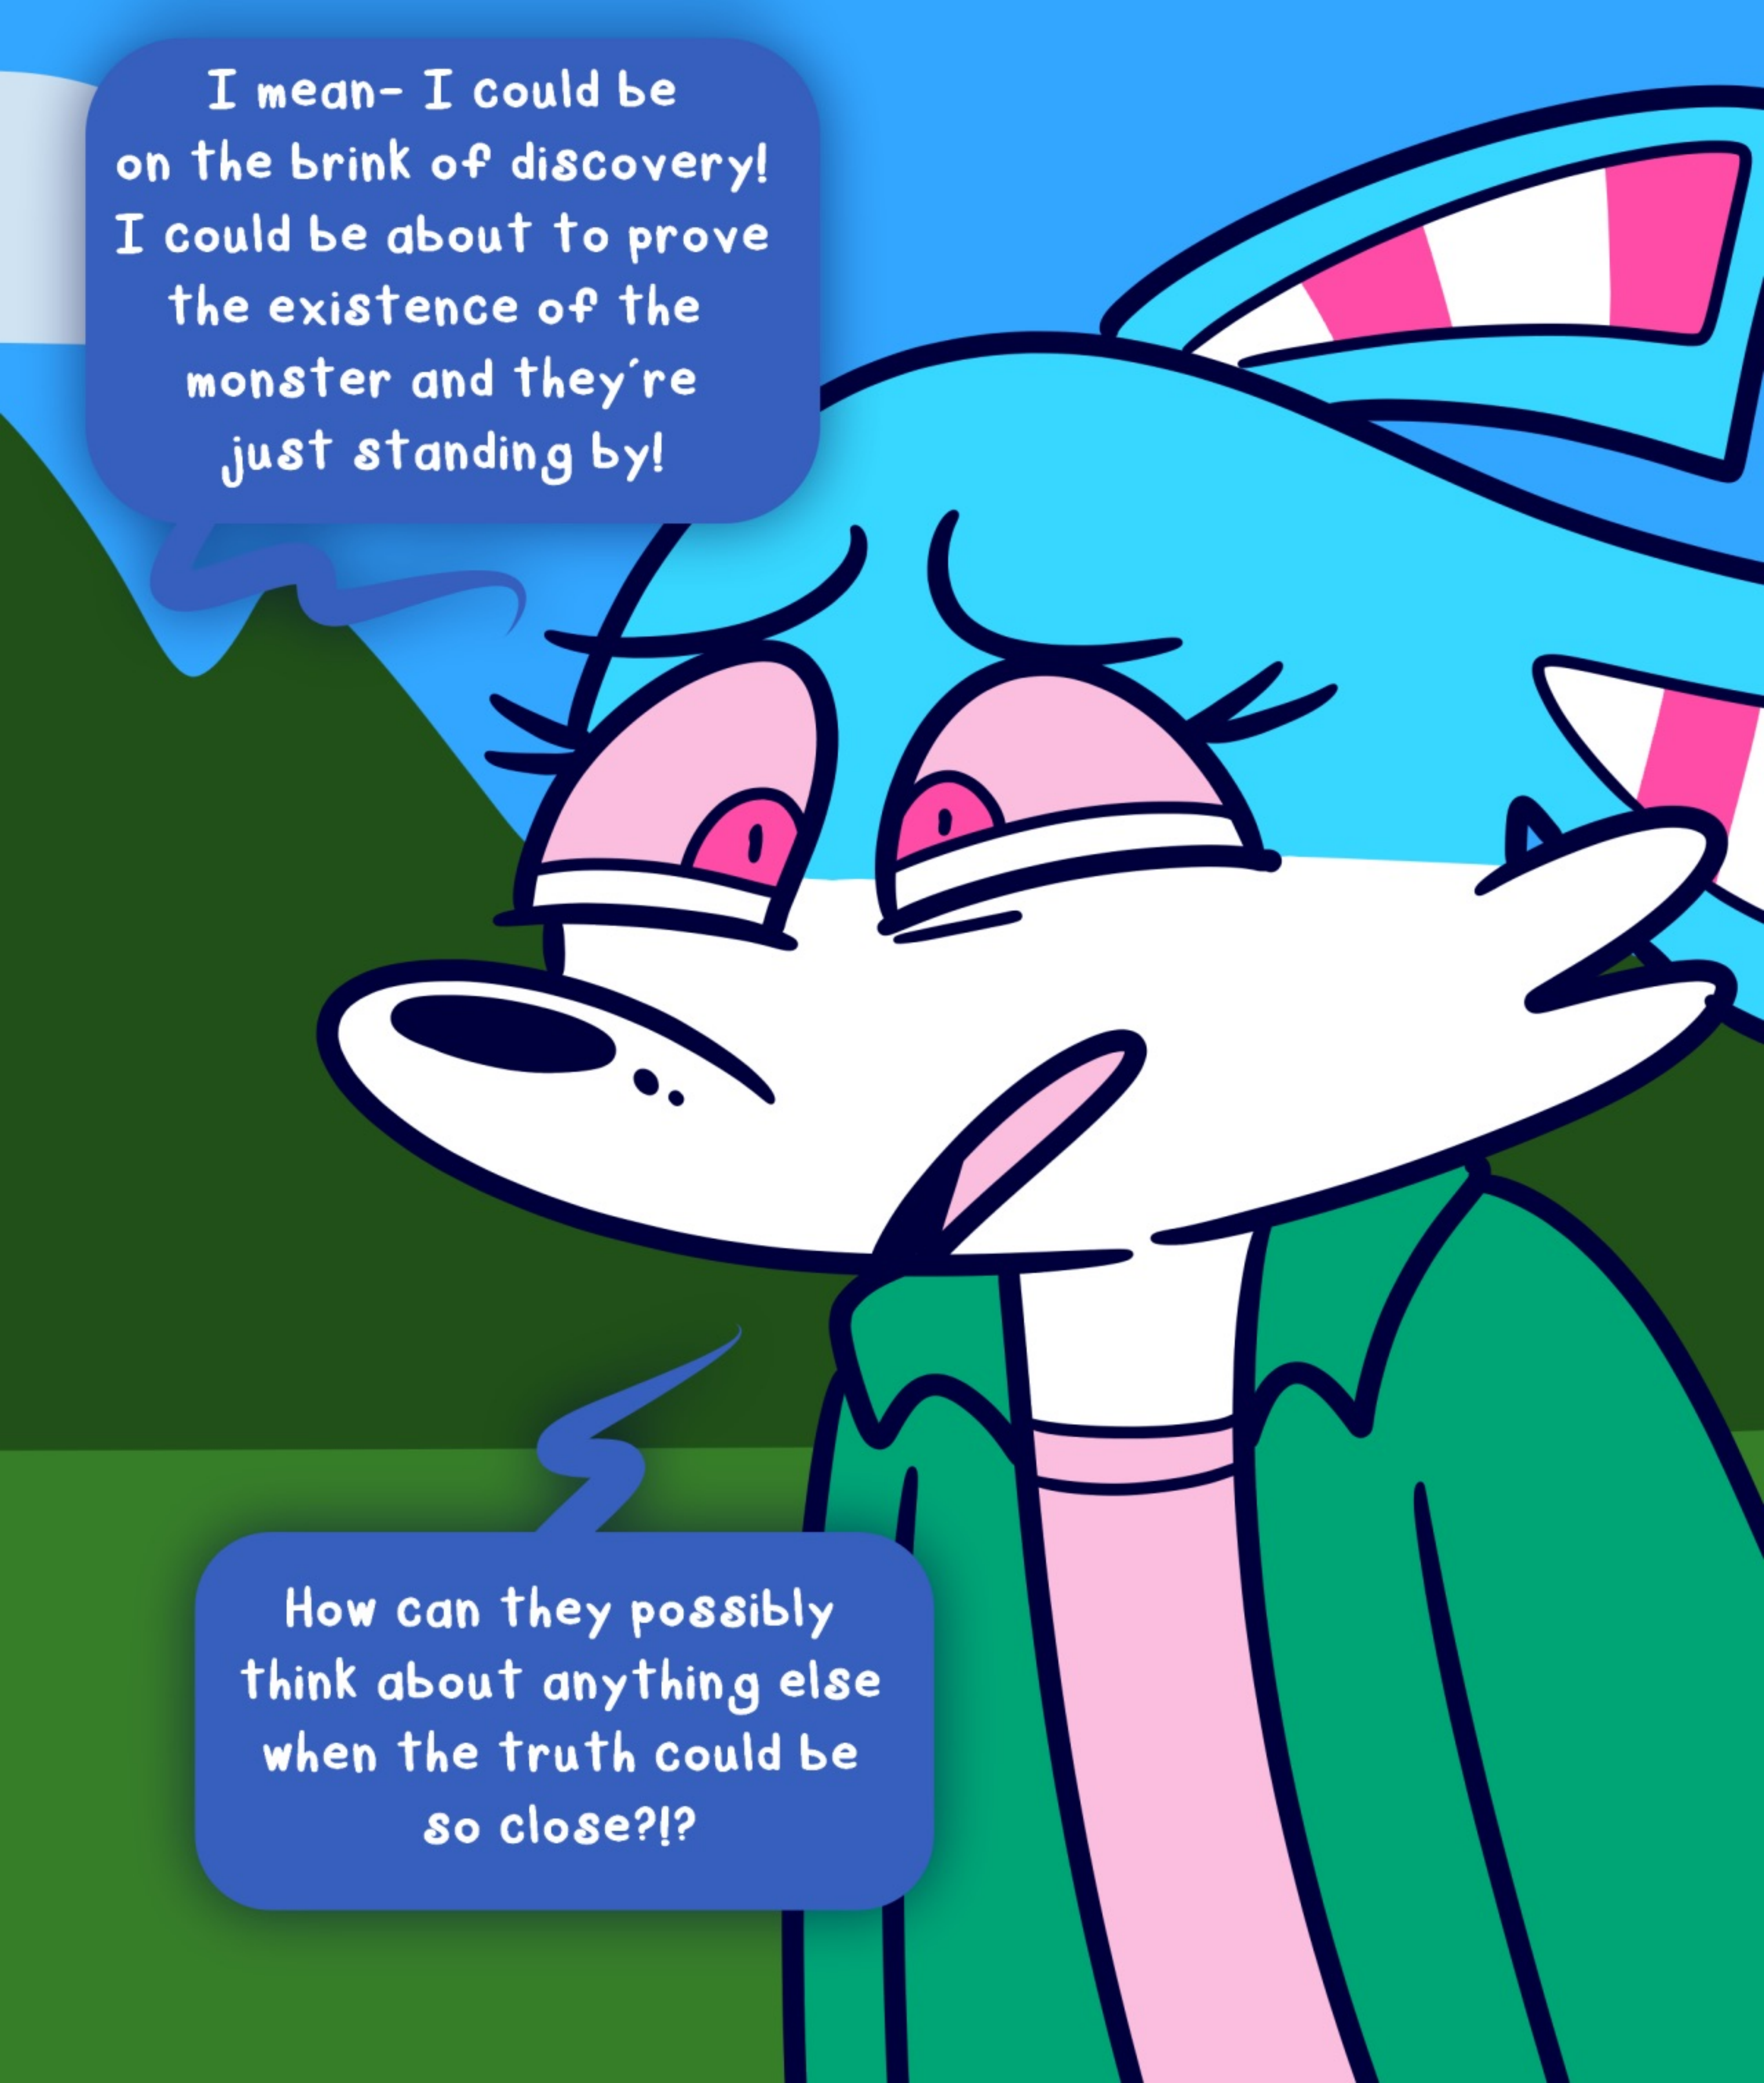
I don't have to sit here and listen to this!!



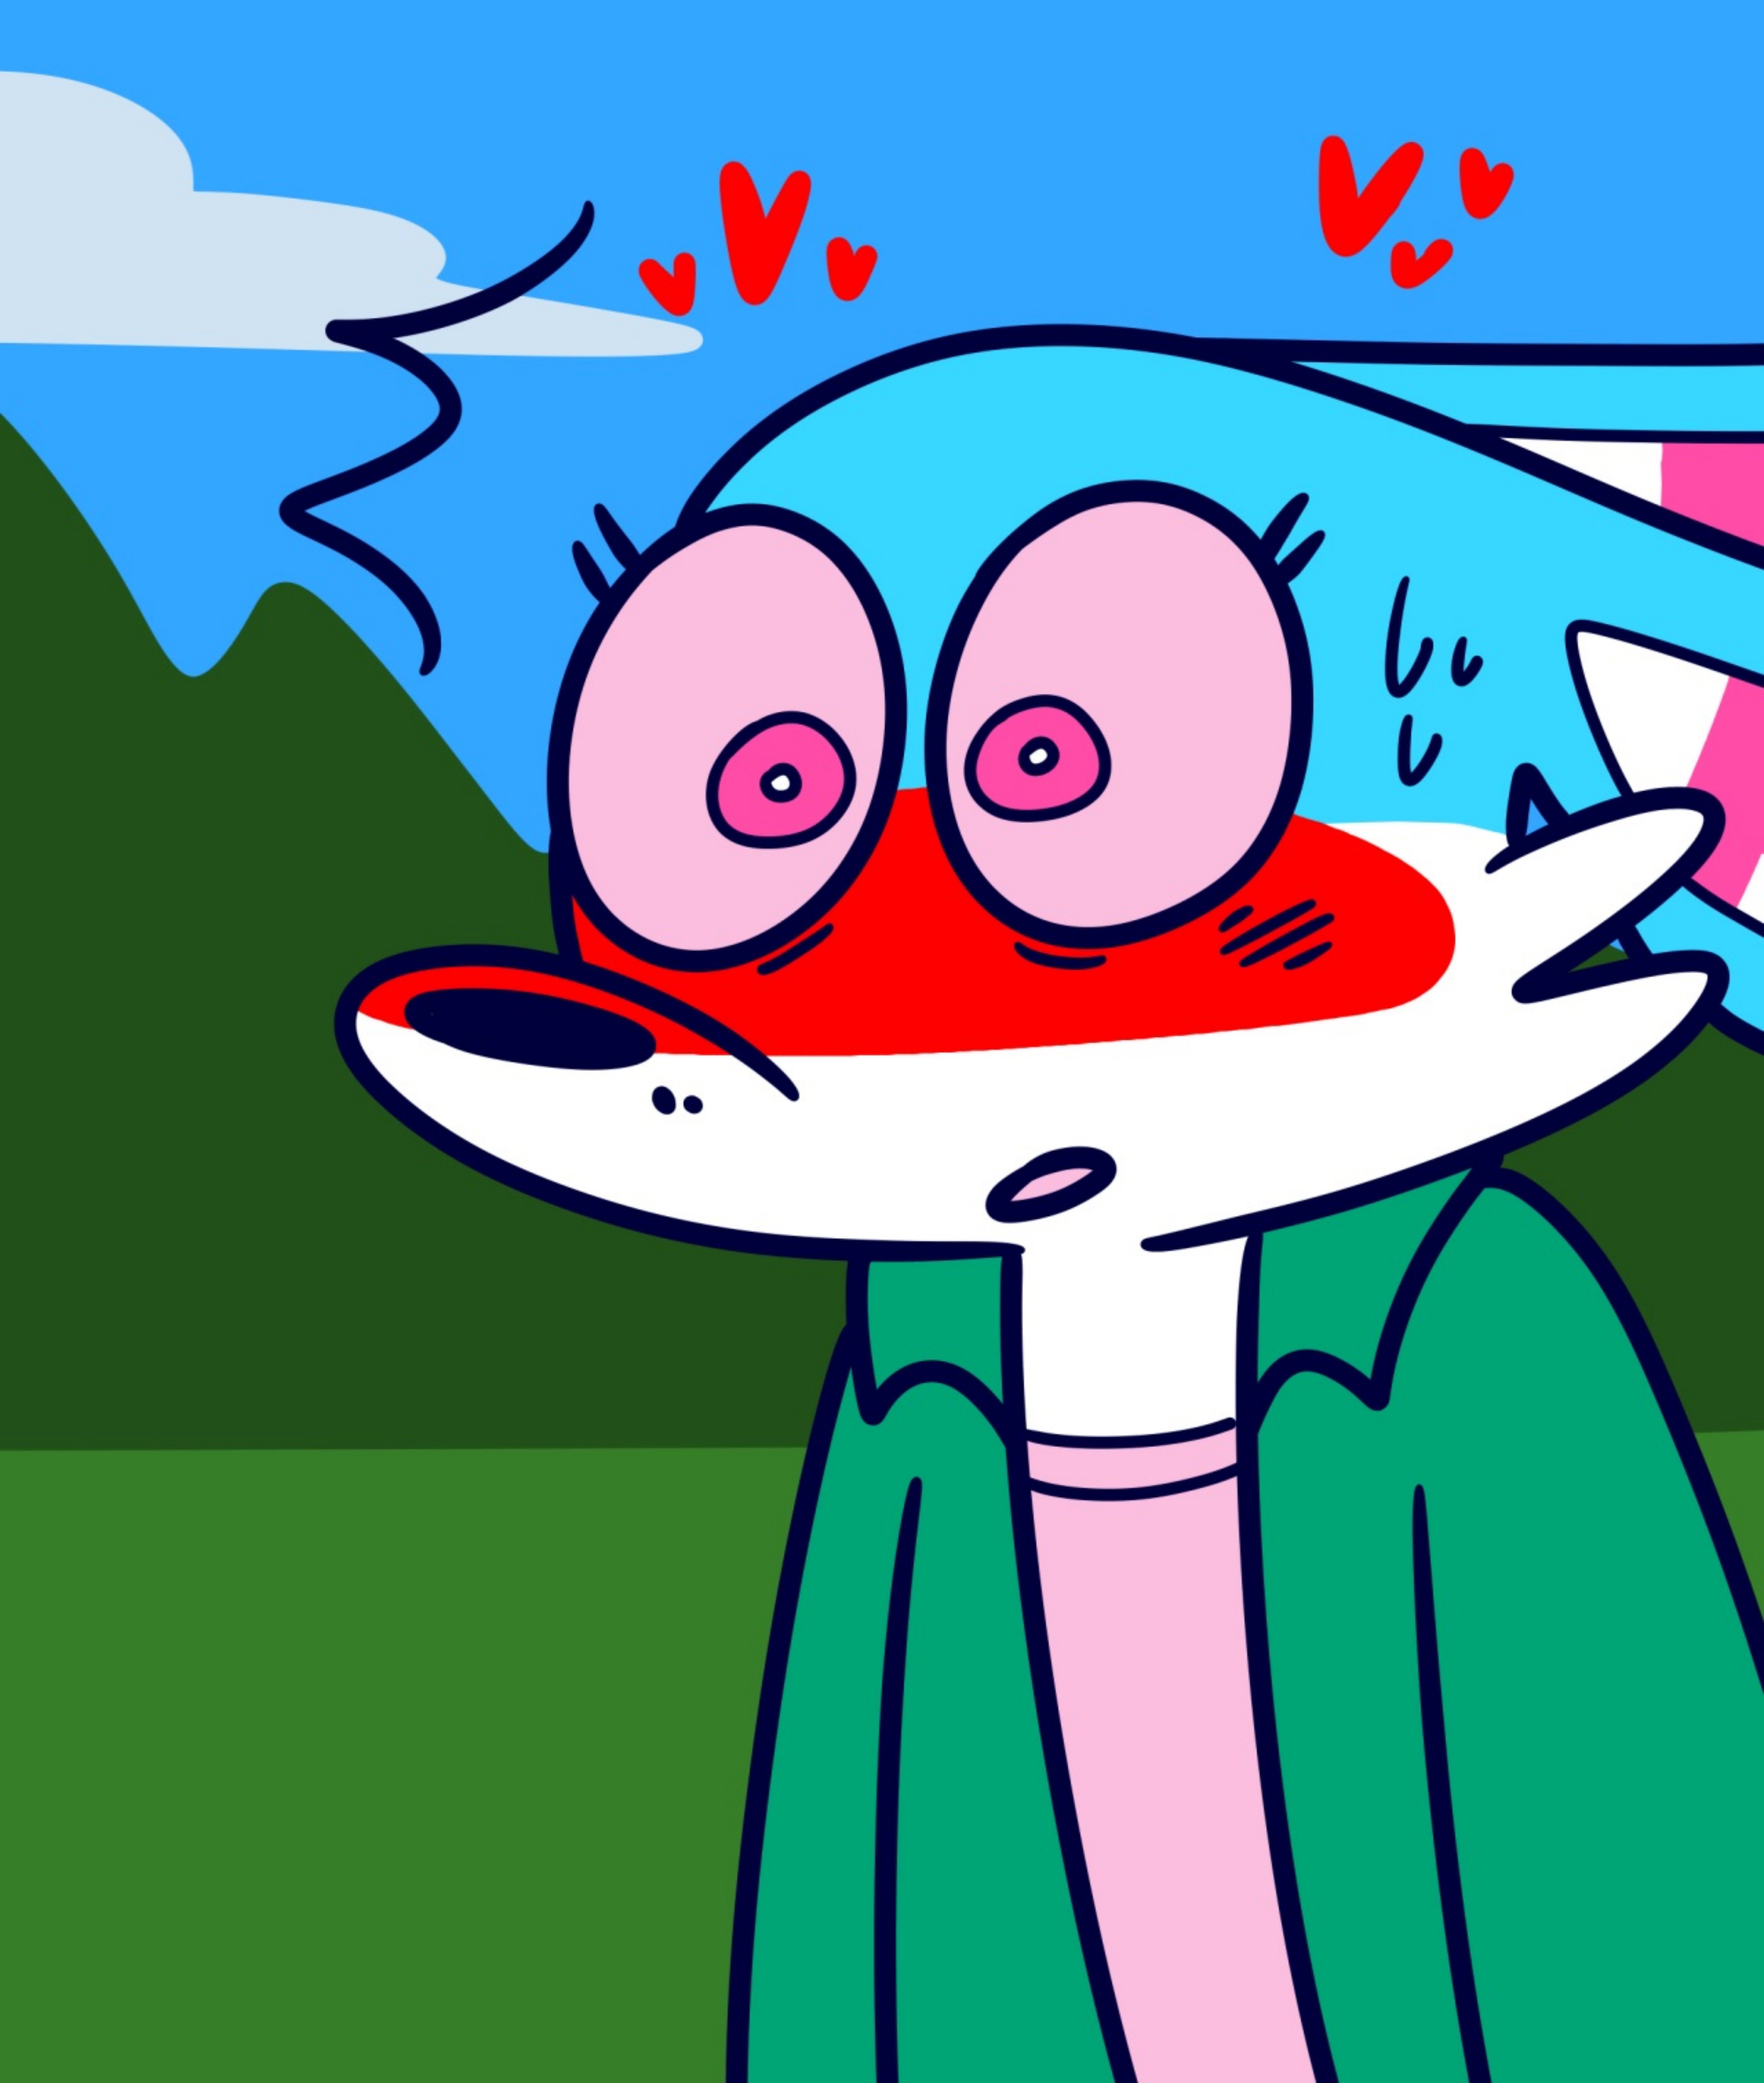
Hey- Blair-

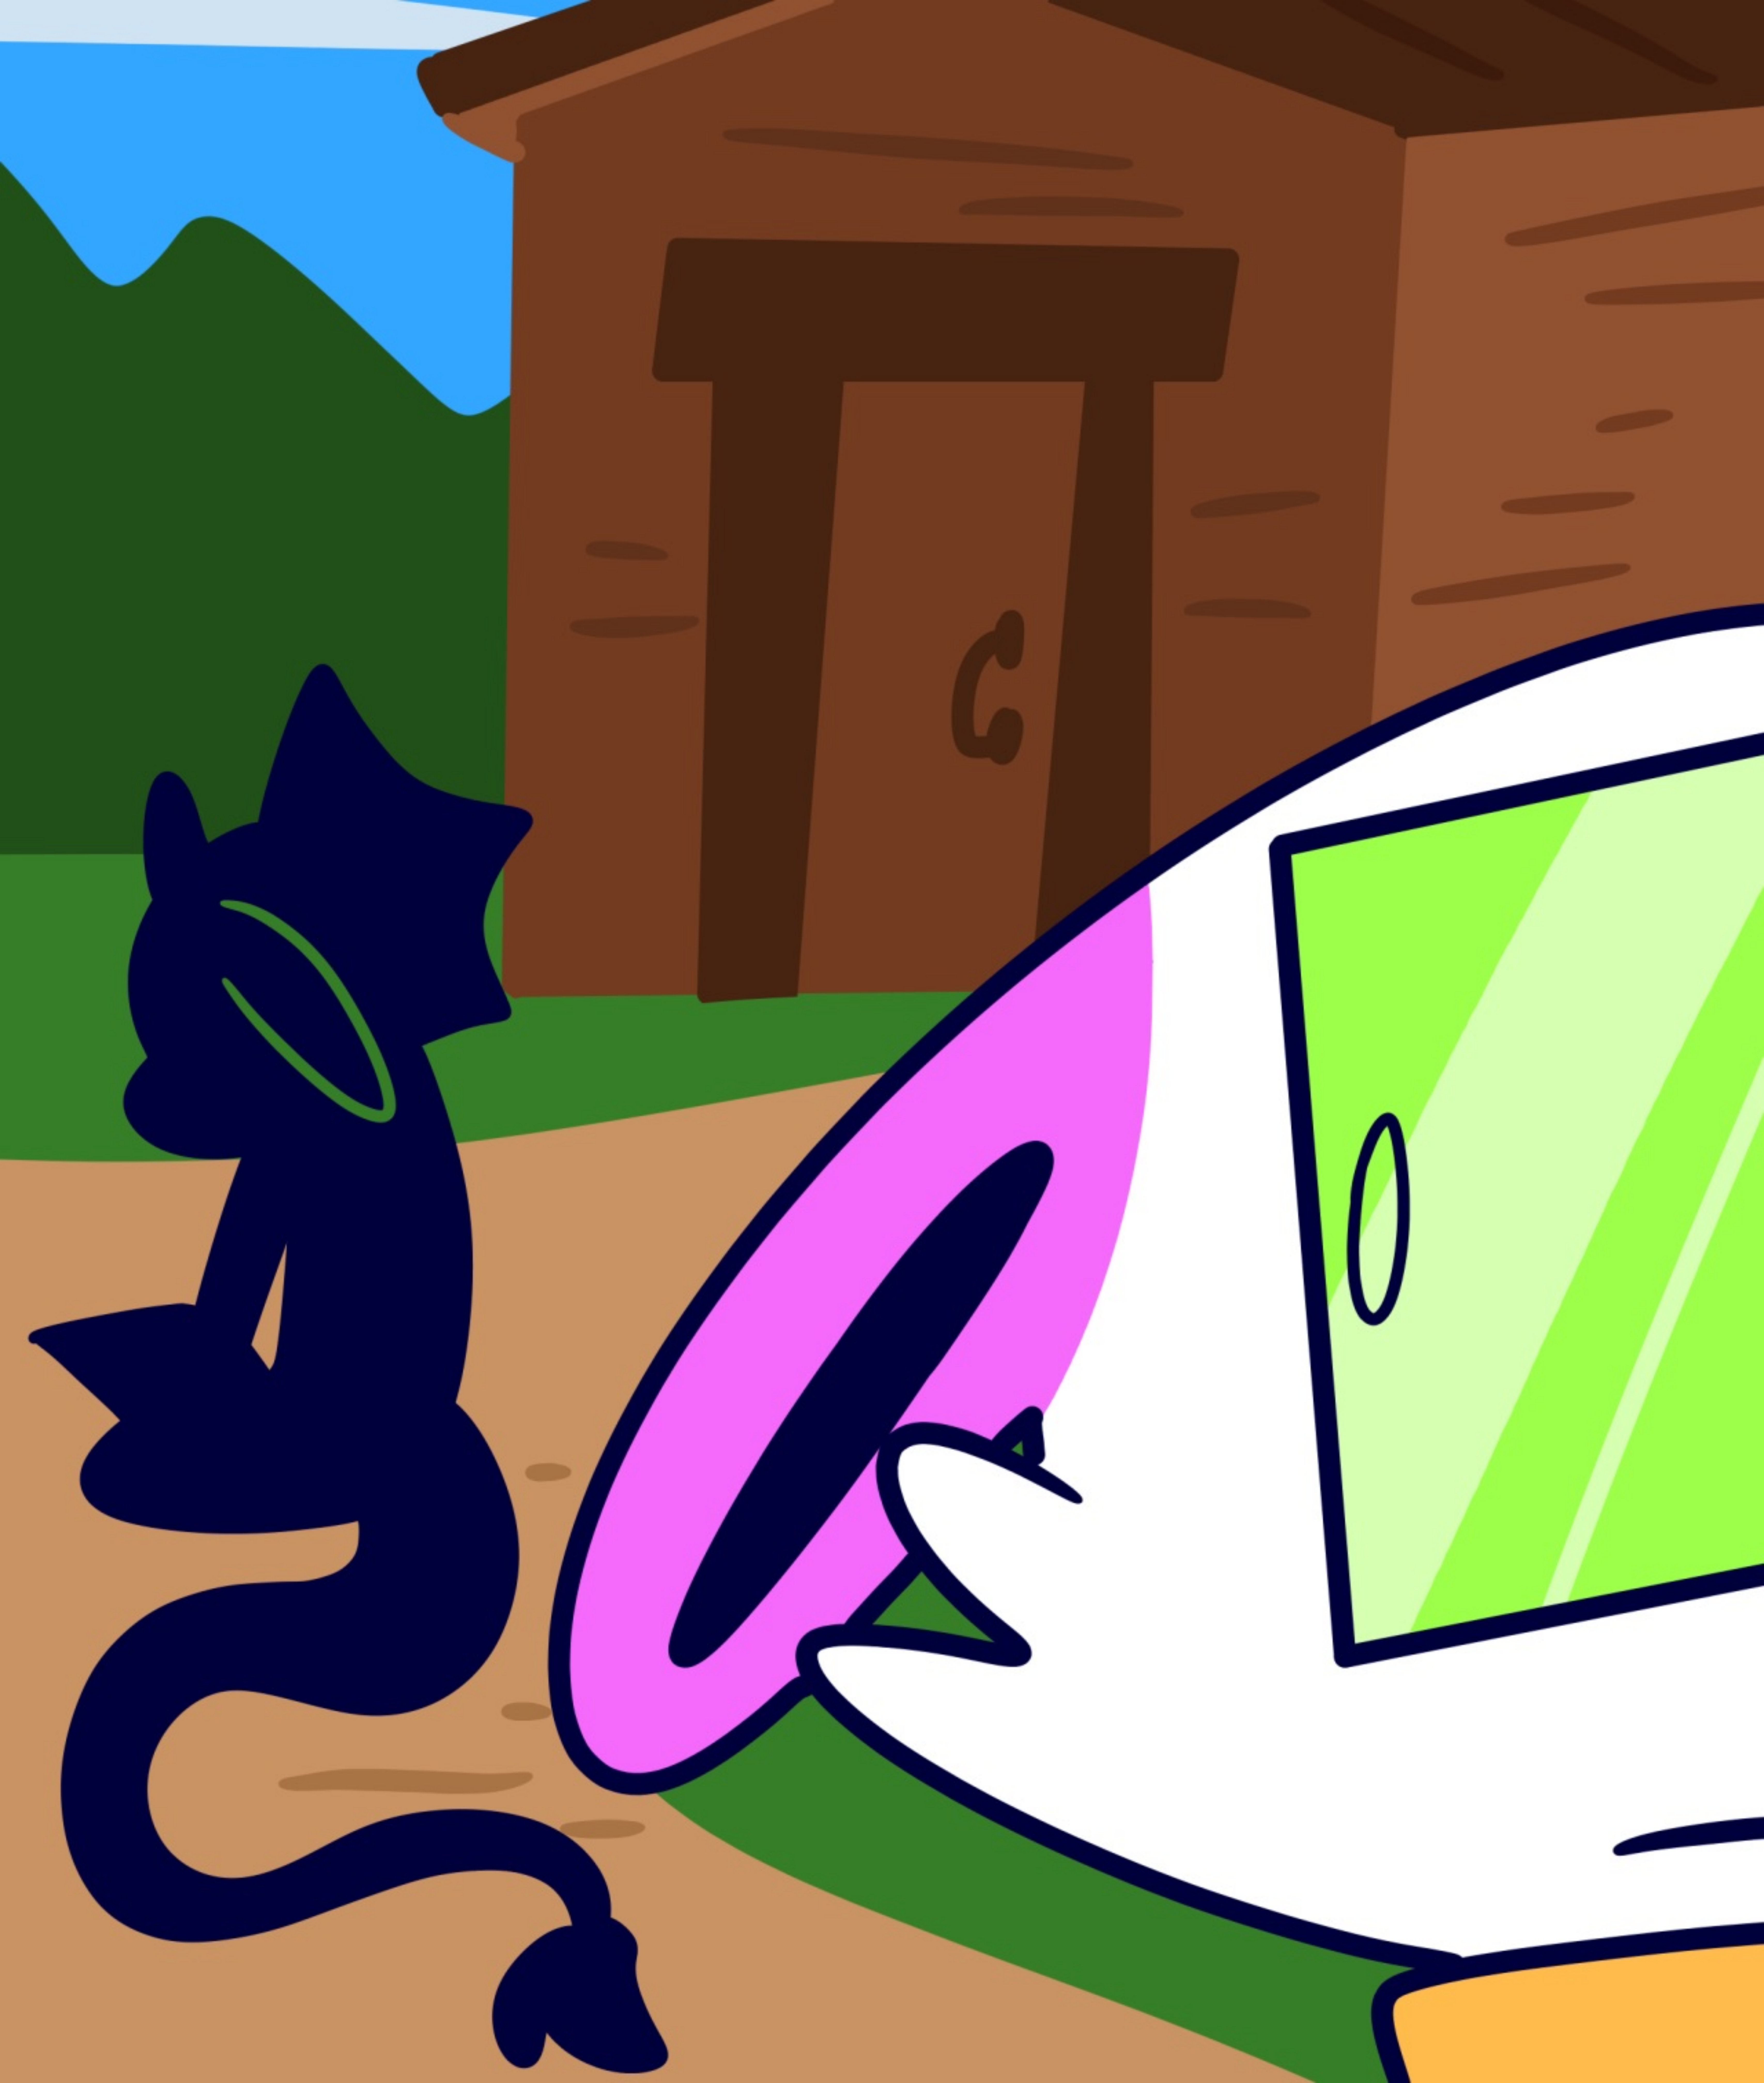


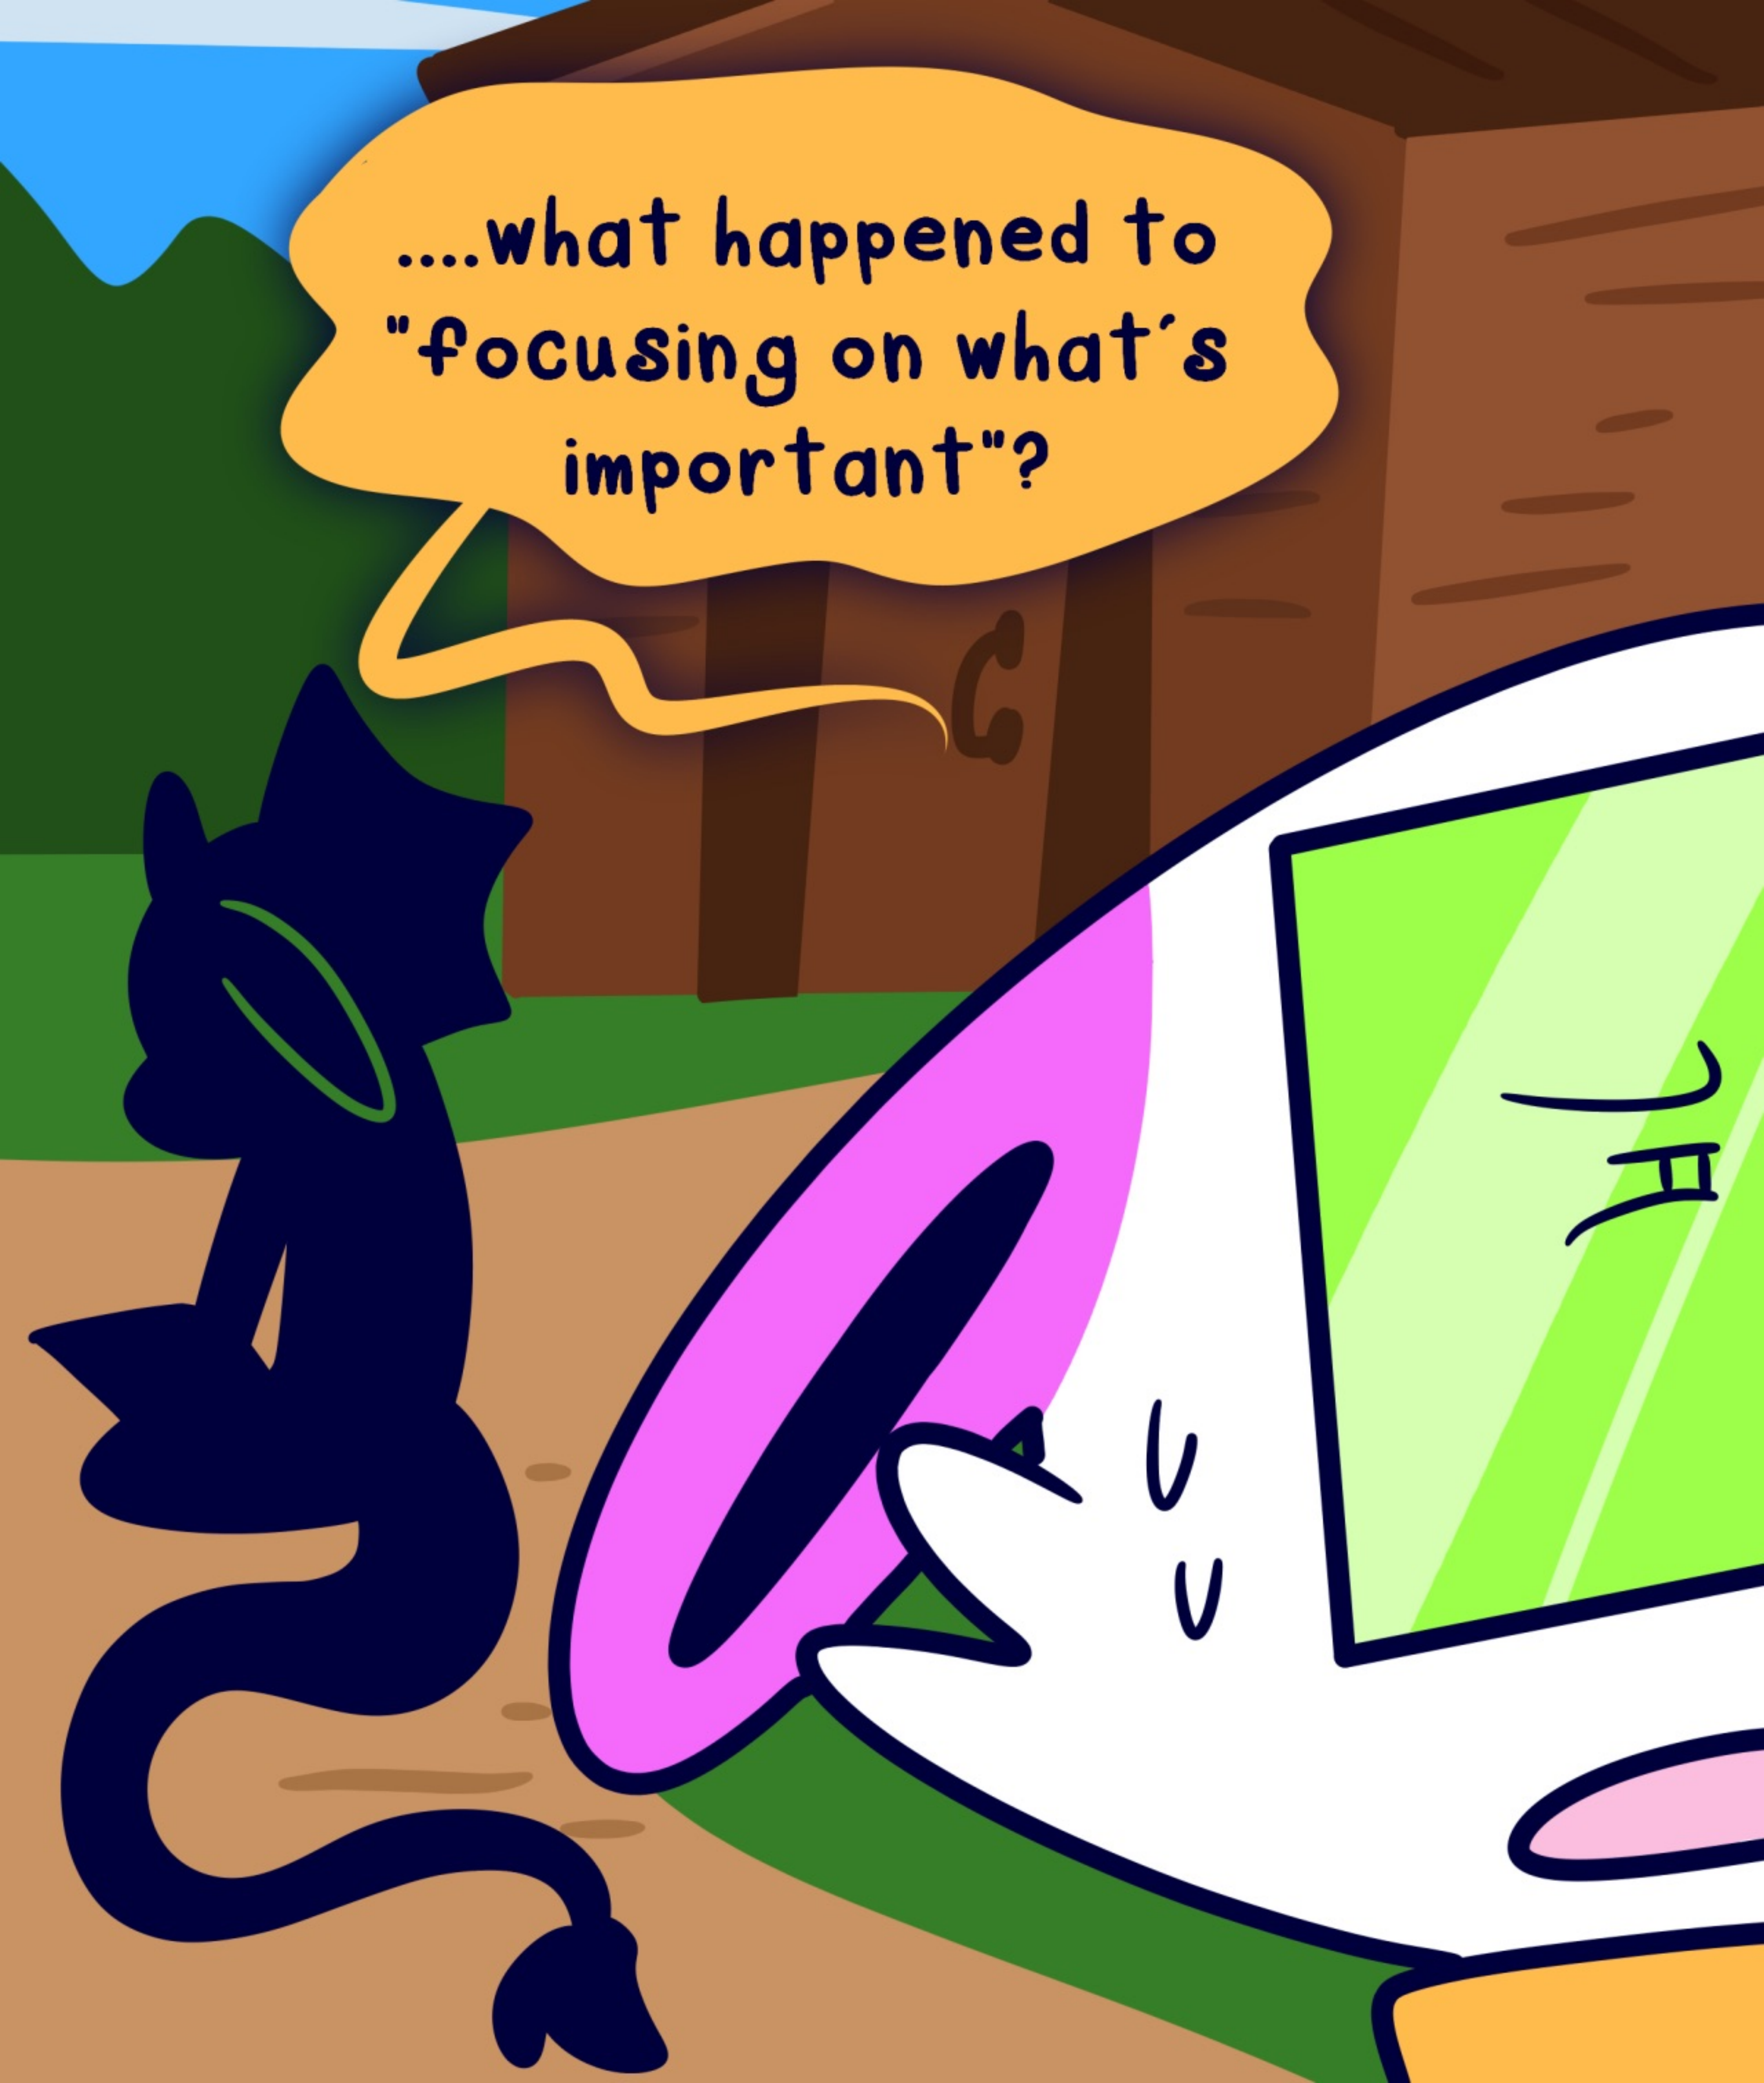
Are you okay?
Did you hear that?! She called my research UNIMPORTANT!



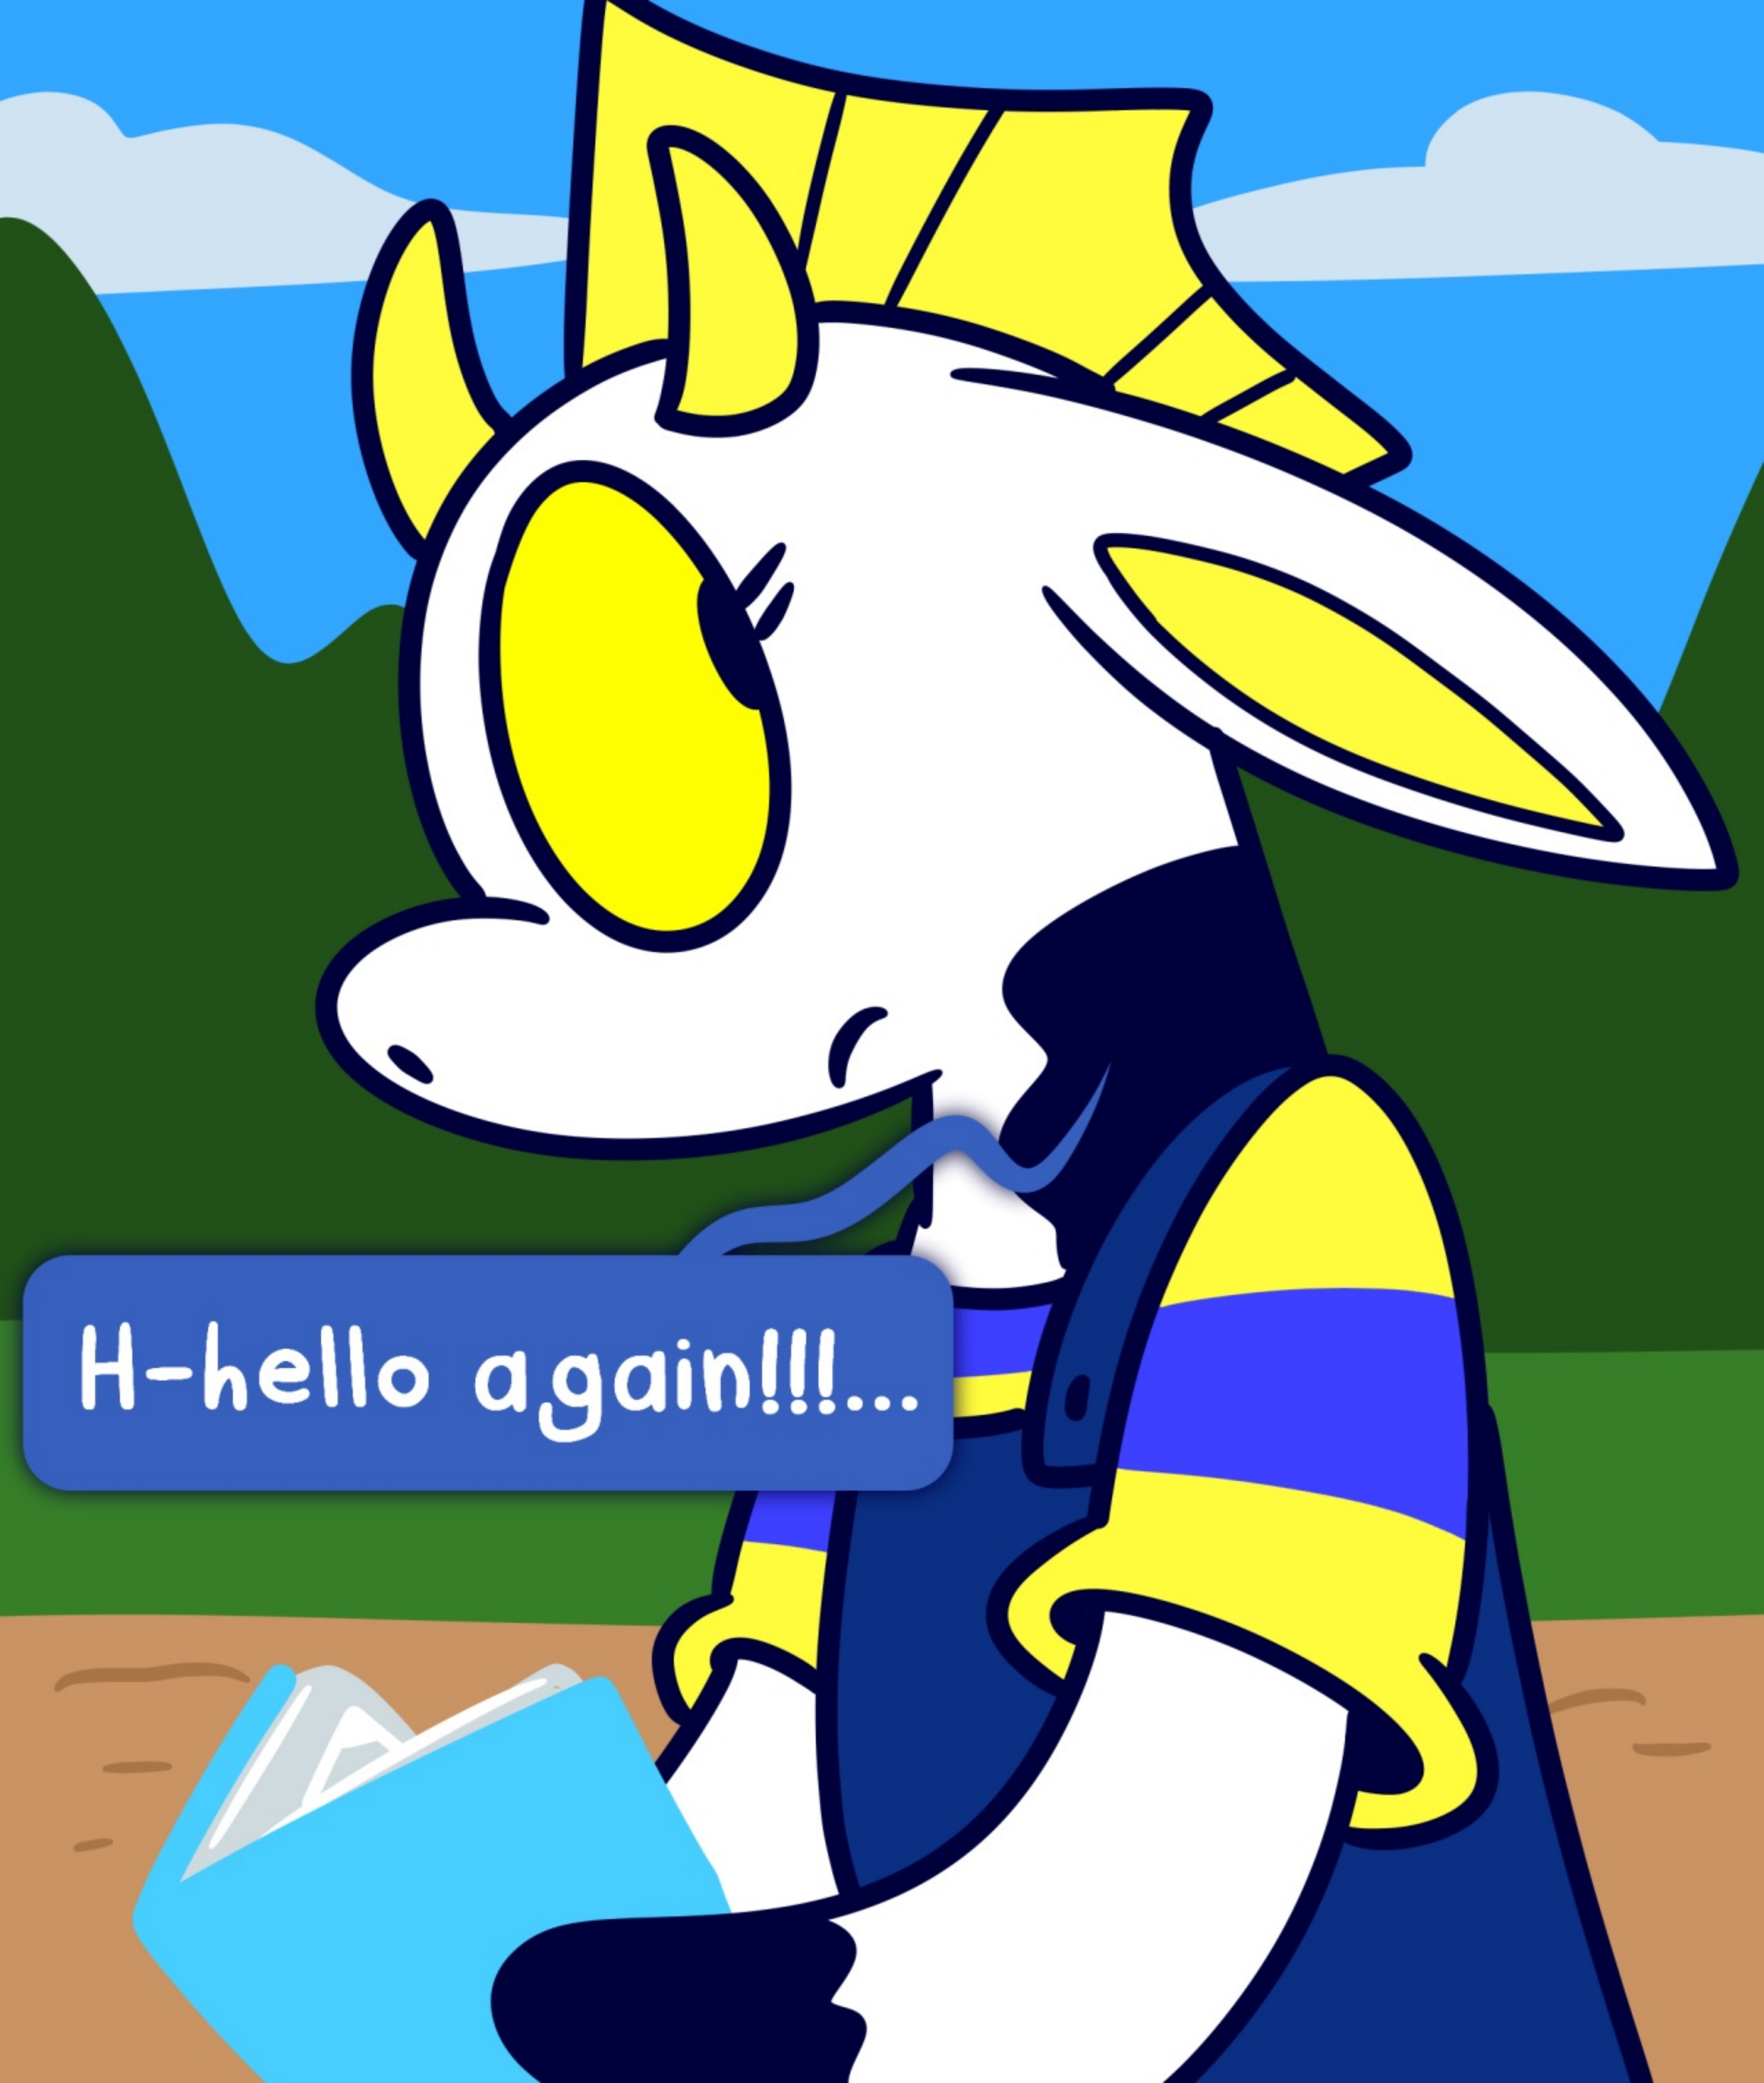
I mean- I could be on the brink of discovery! I could be about to prove the existence of the monster and they're just standing by!
How can they possibly think about anything else when the truth could be so close?!?



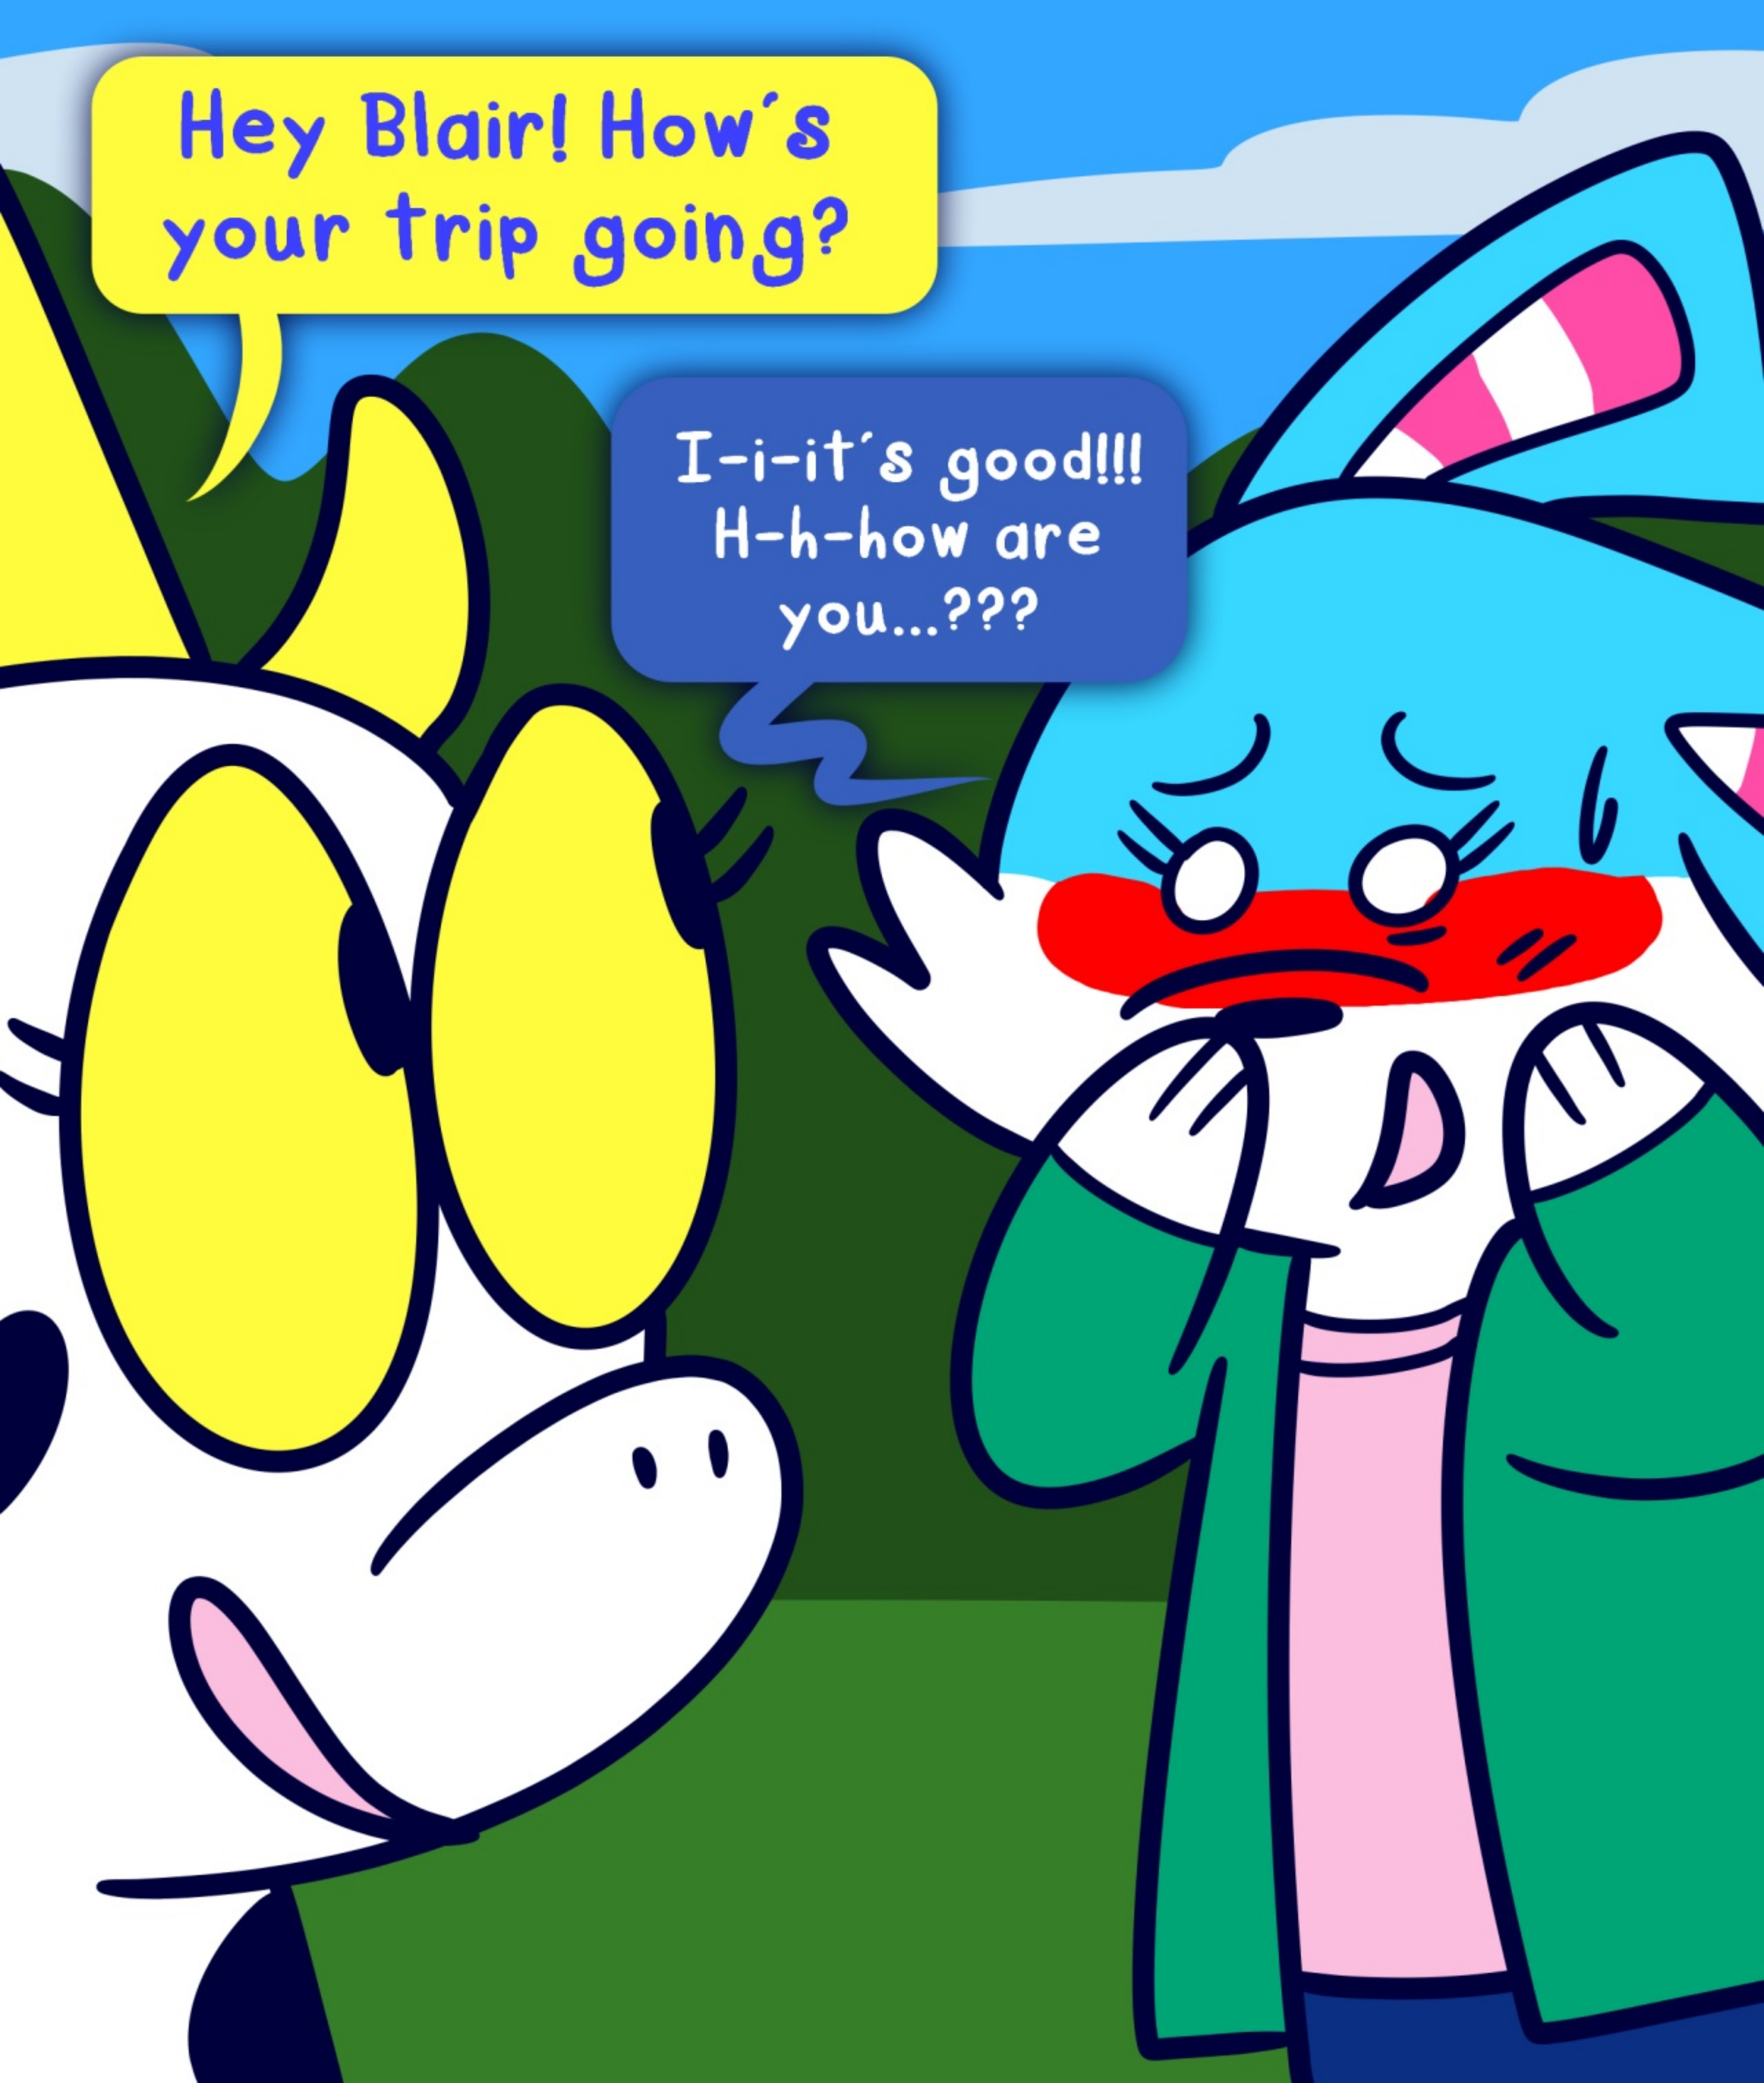




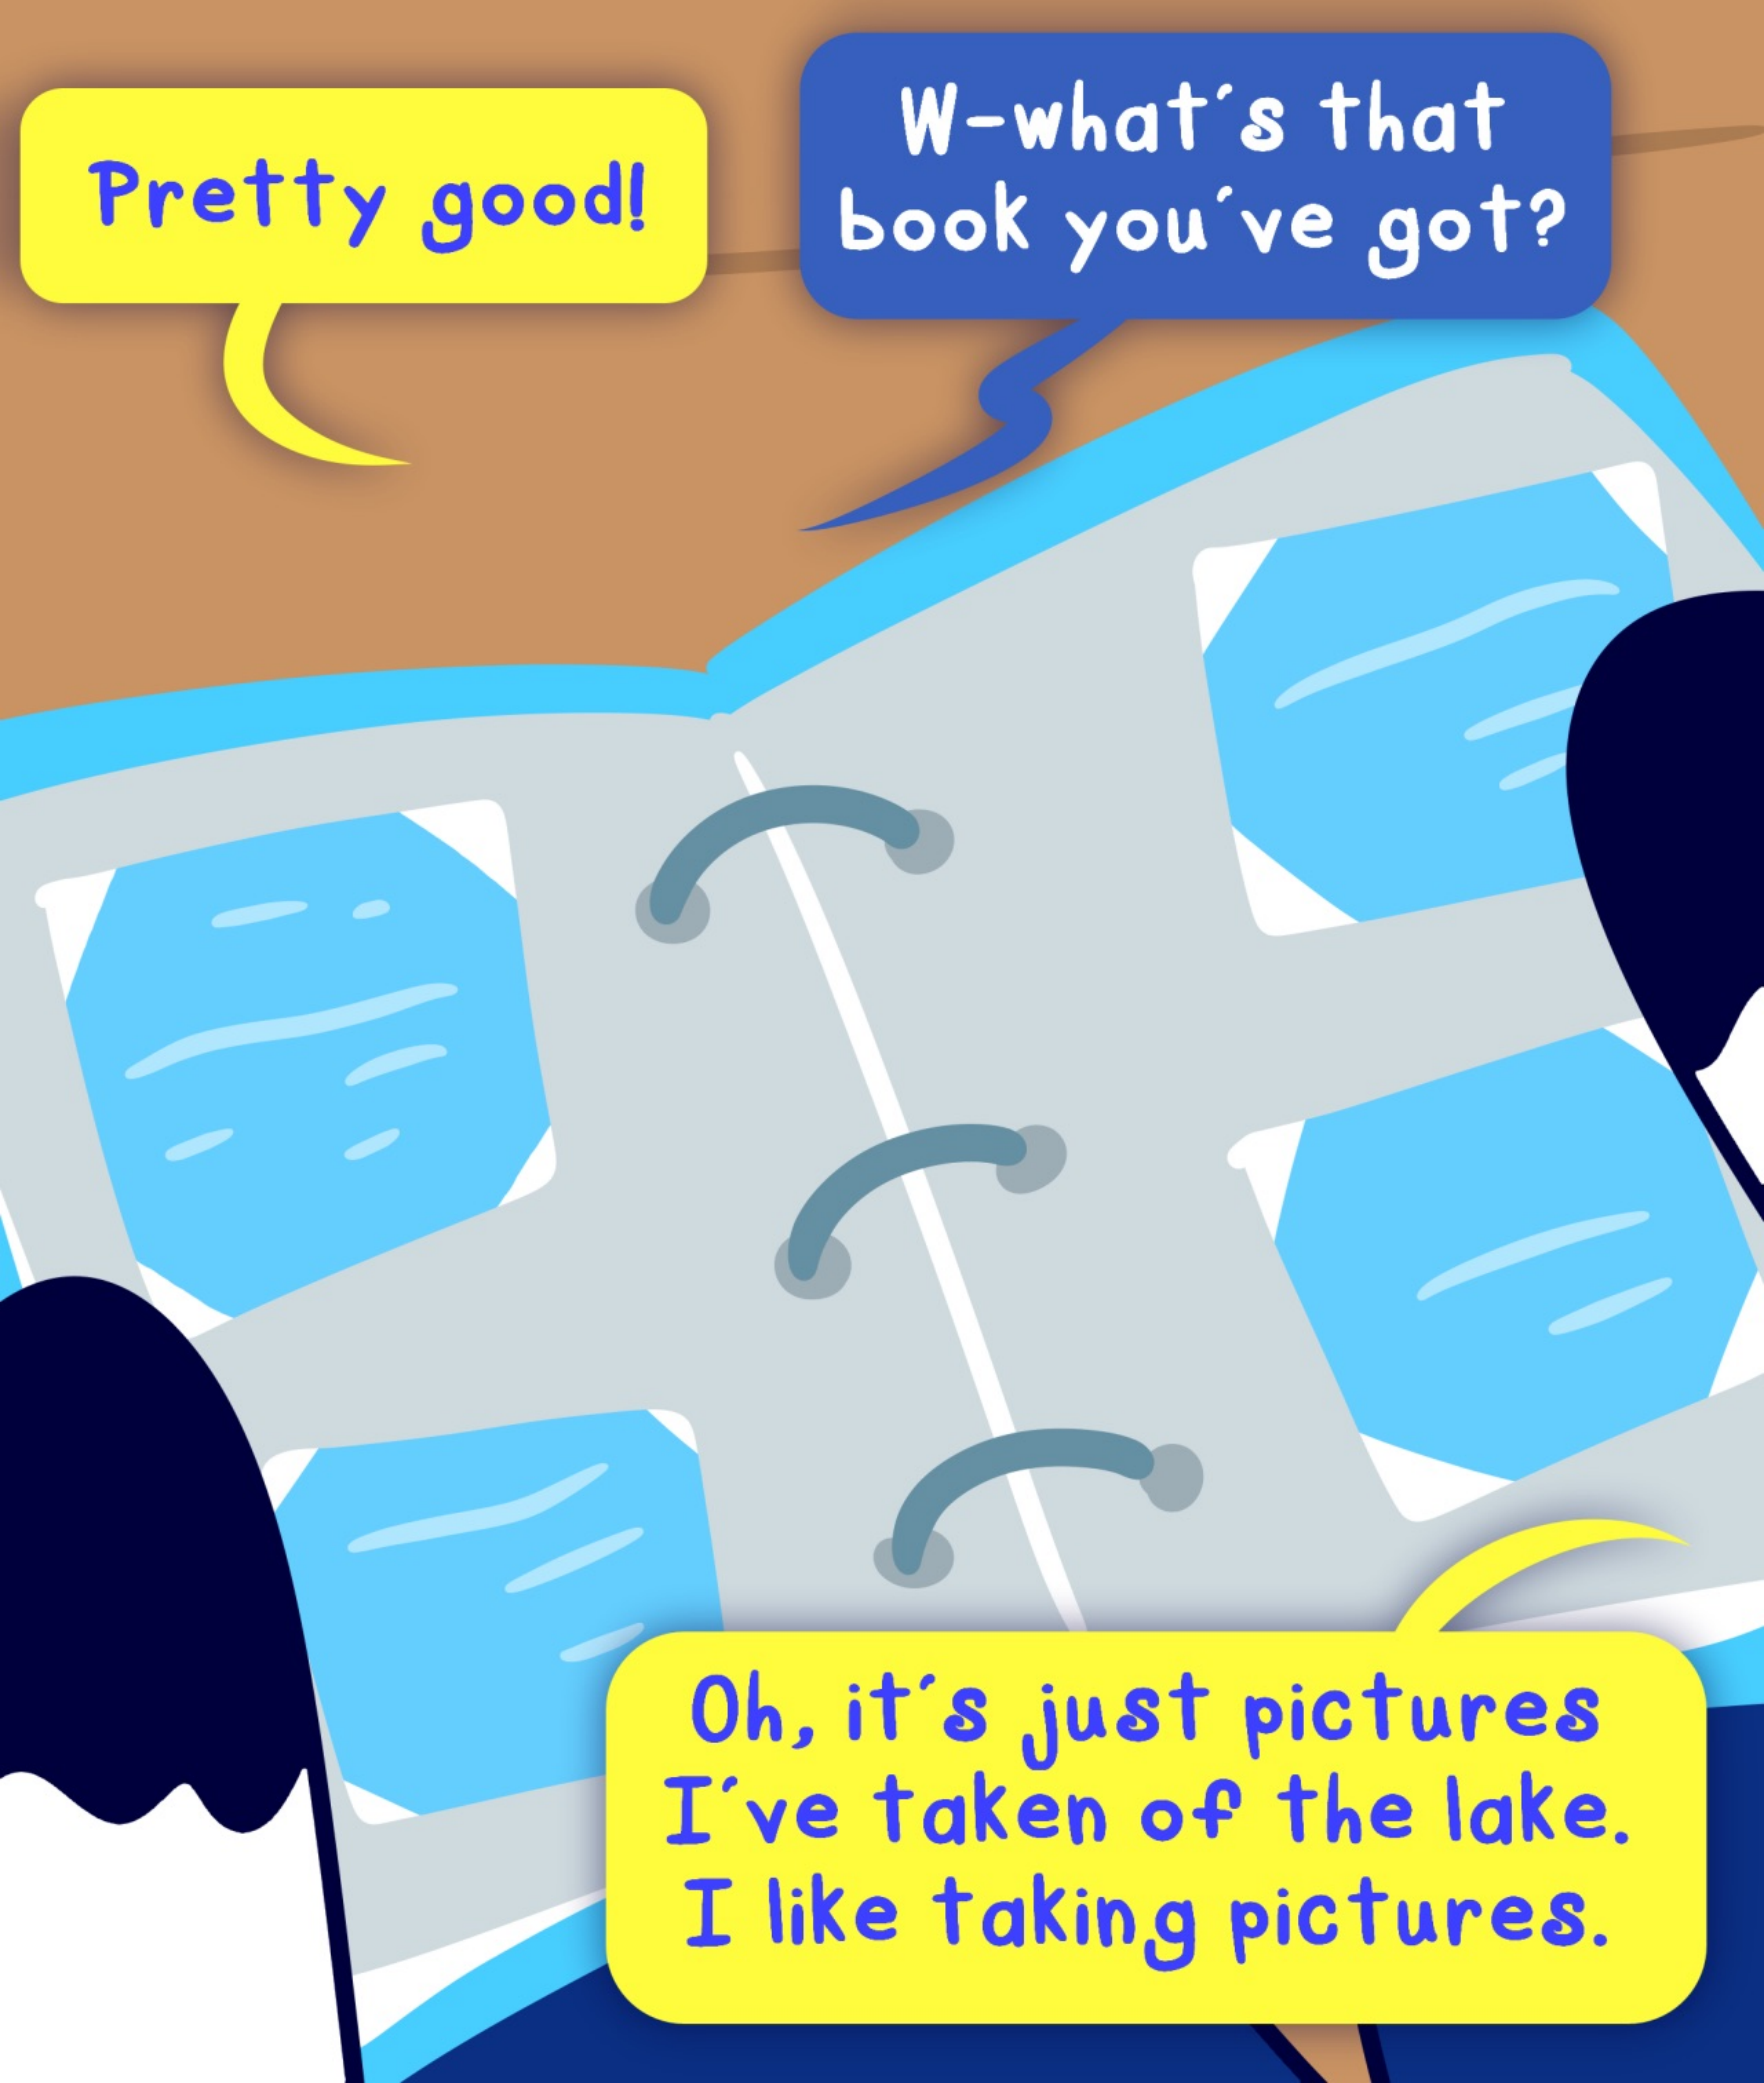
....what happened to "focusing on what´s important"?



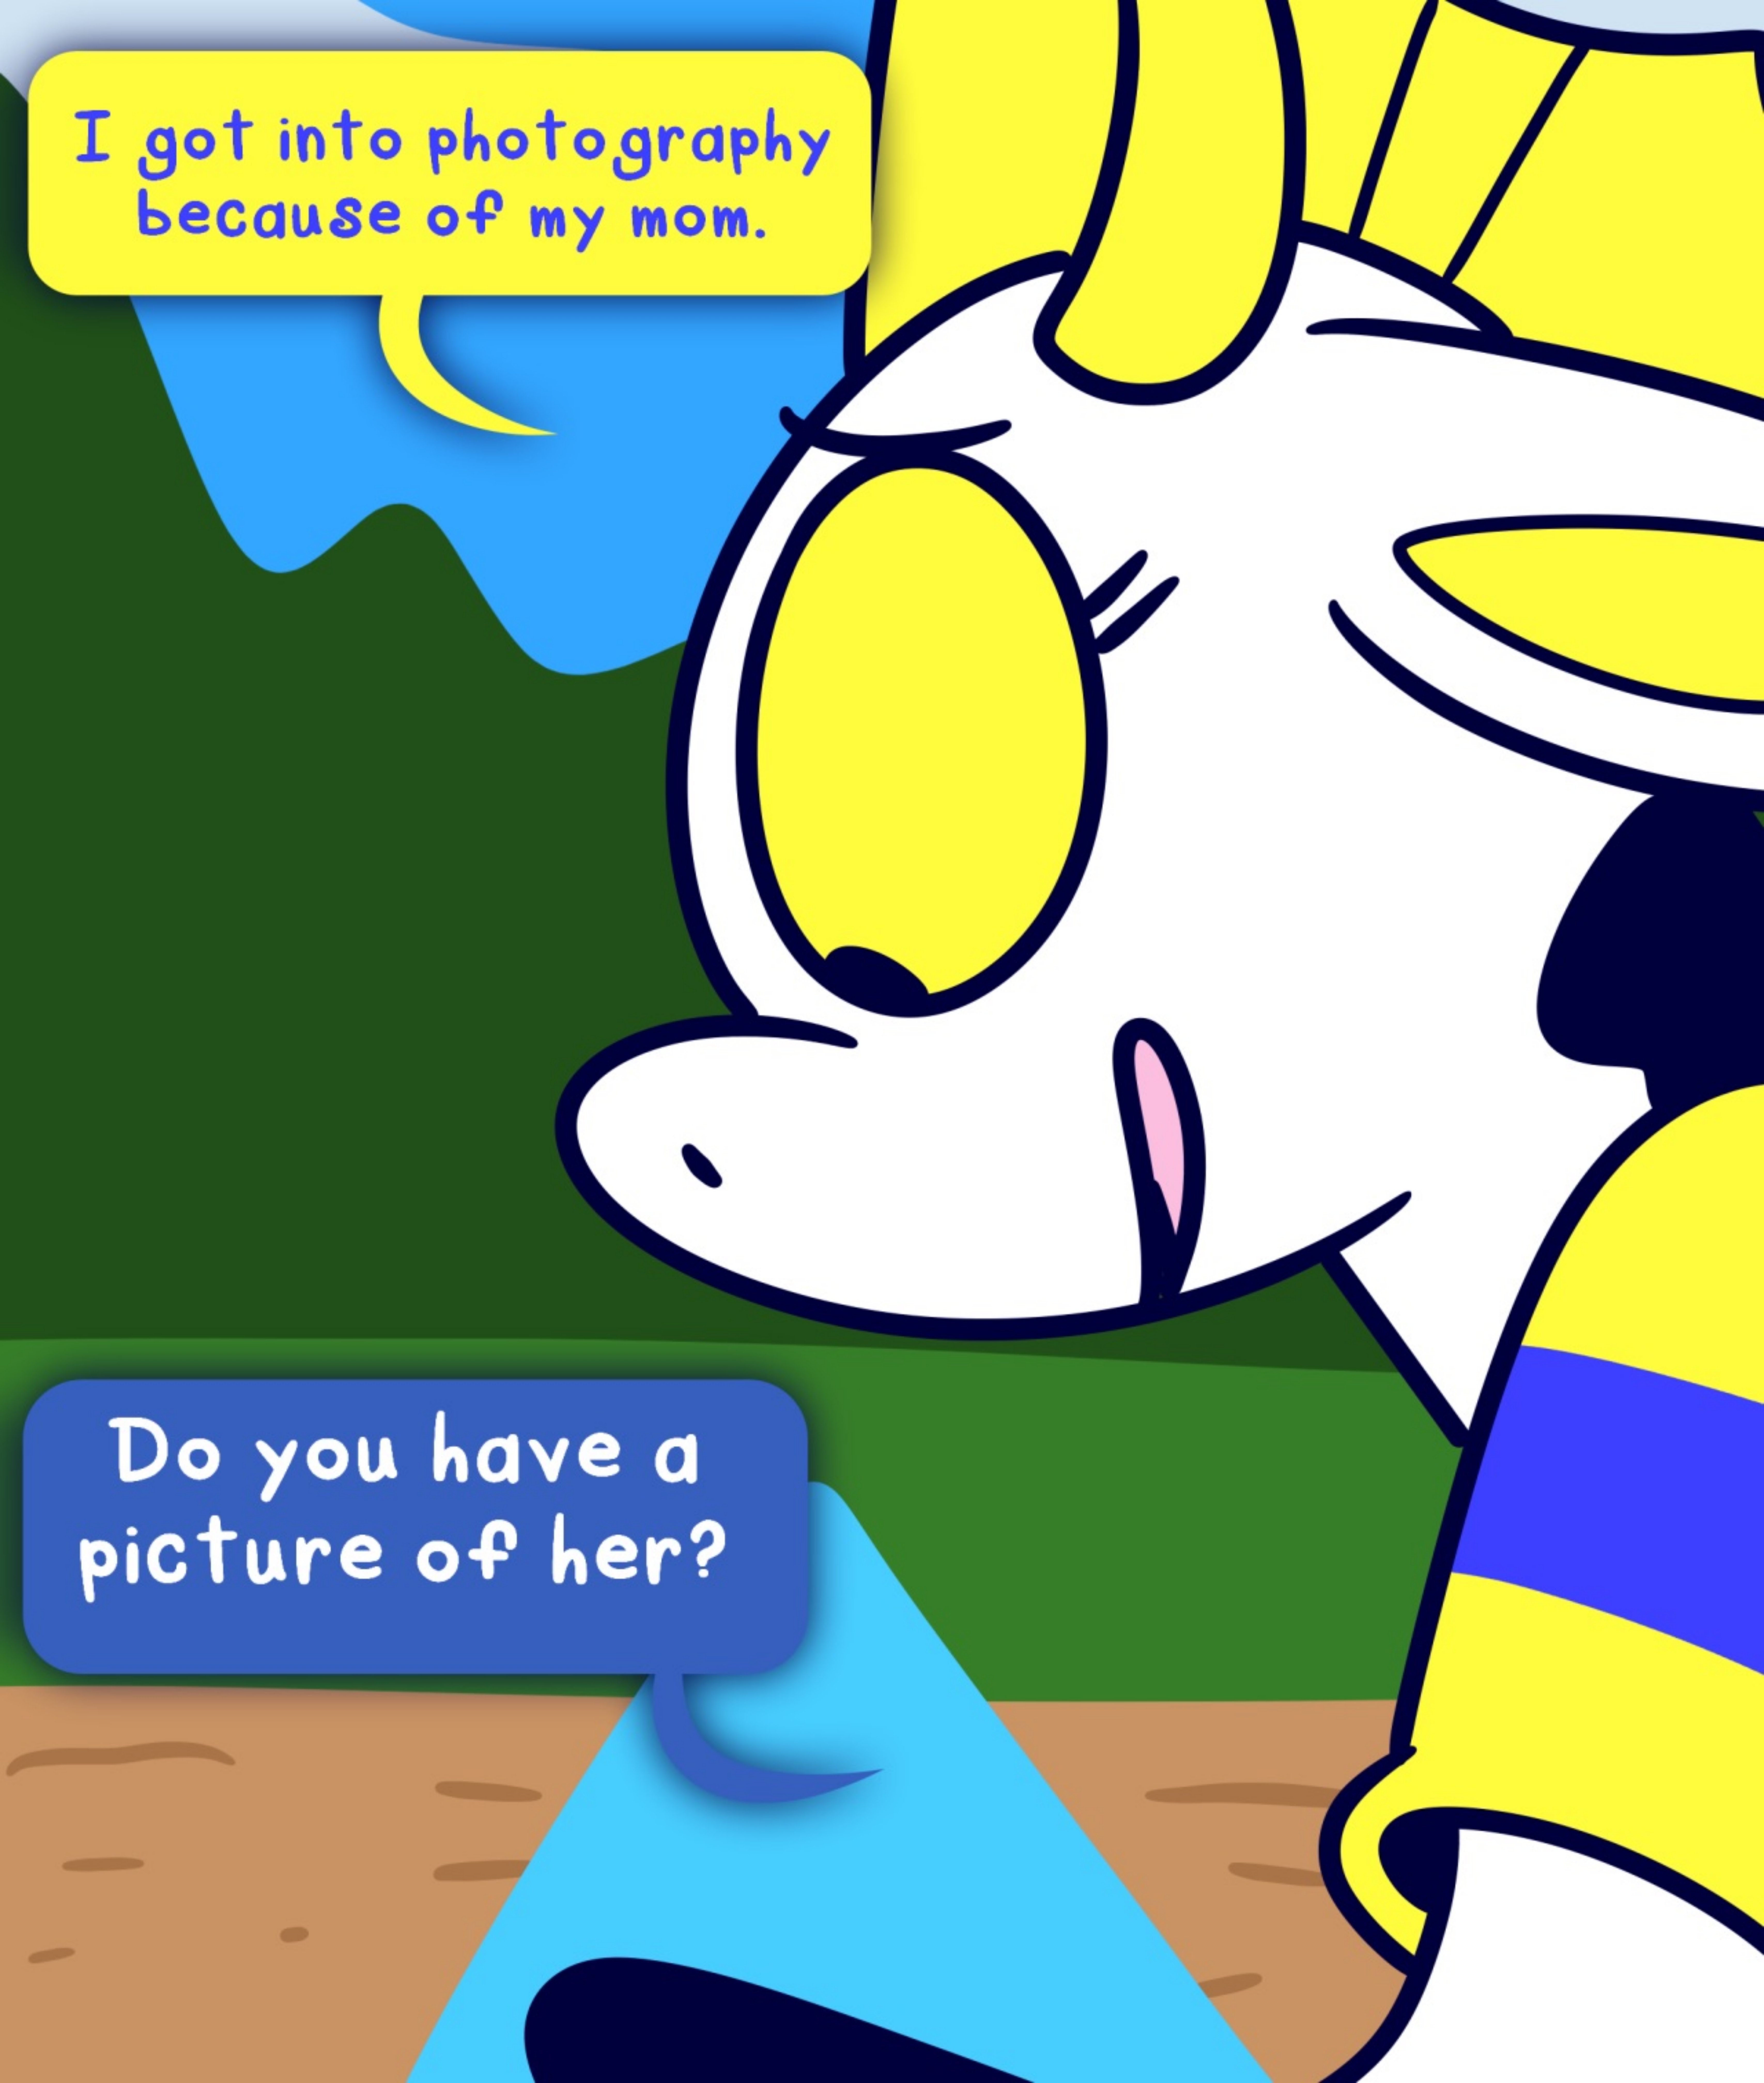
H-hello again!!!...



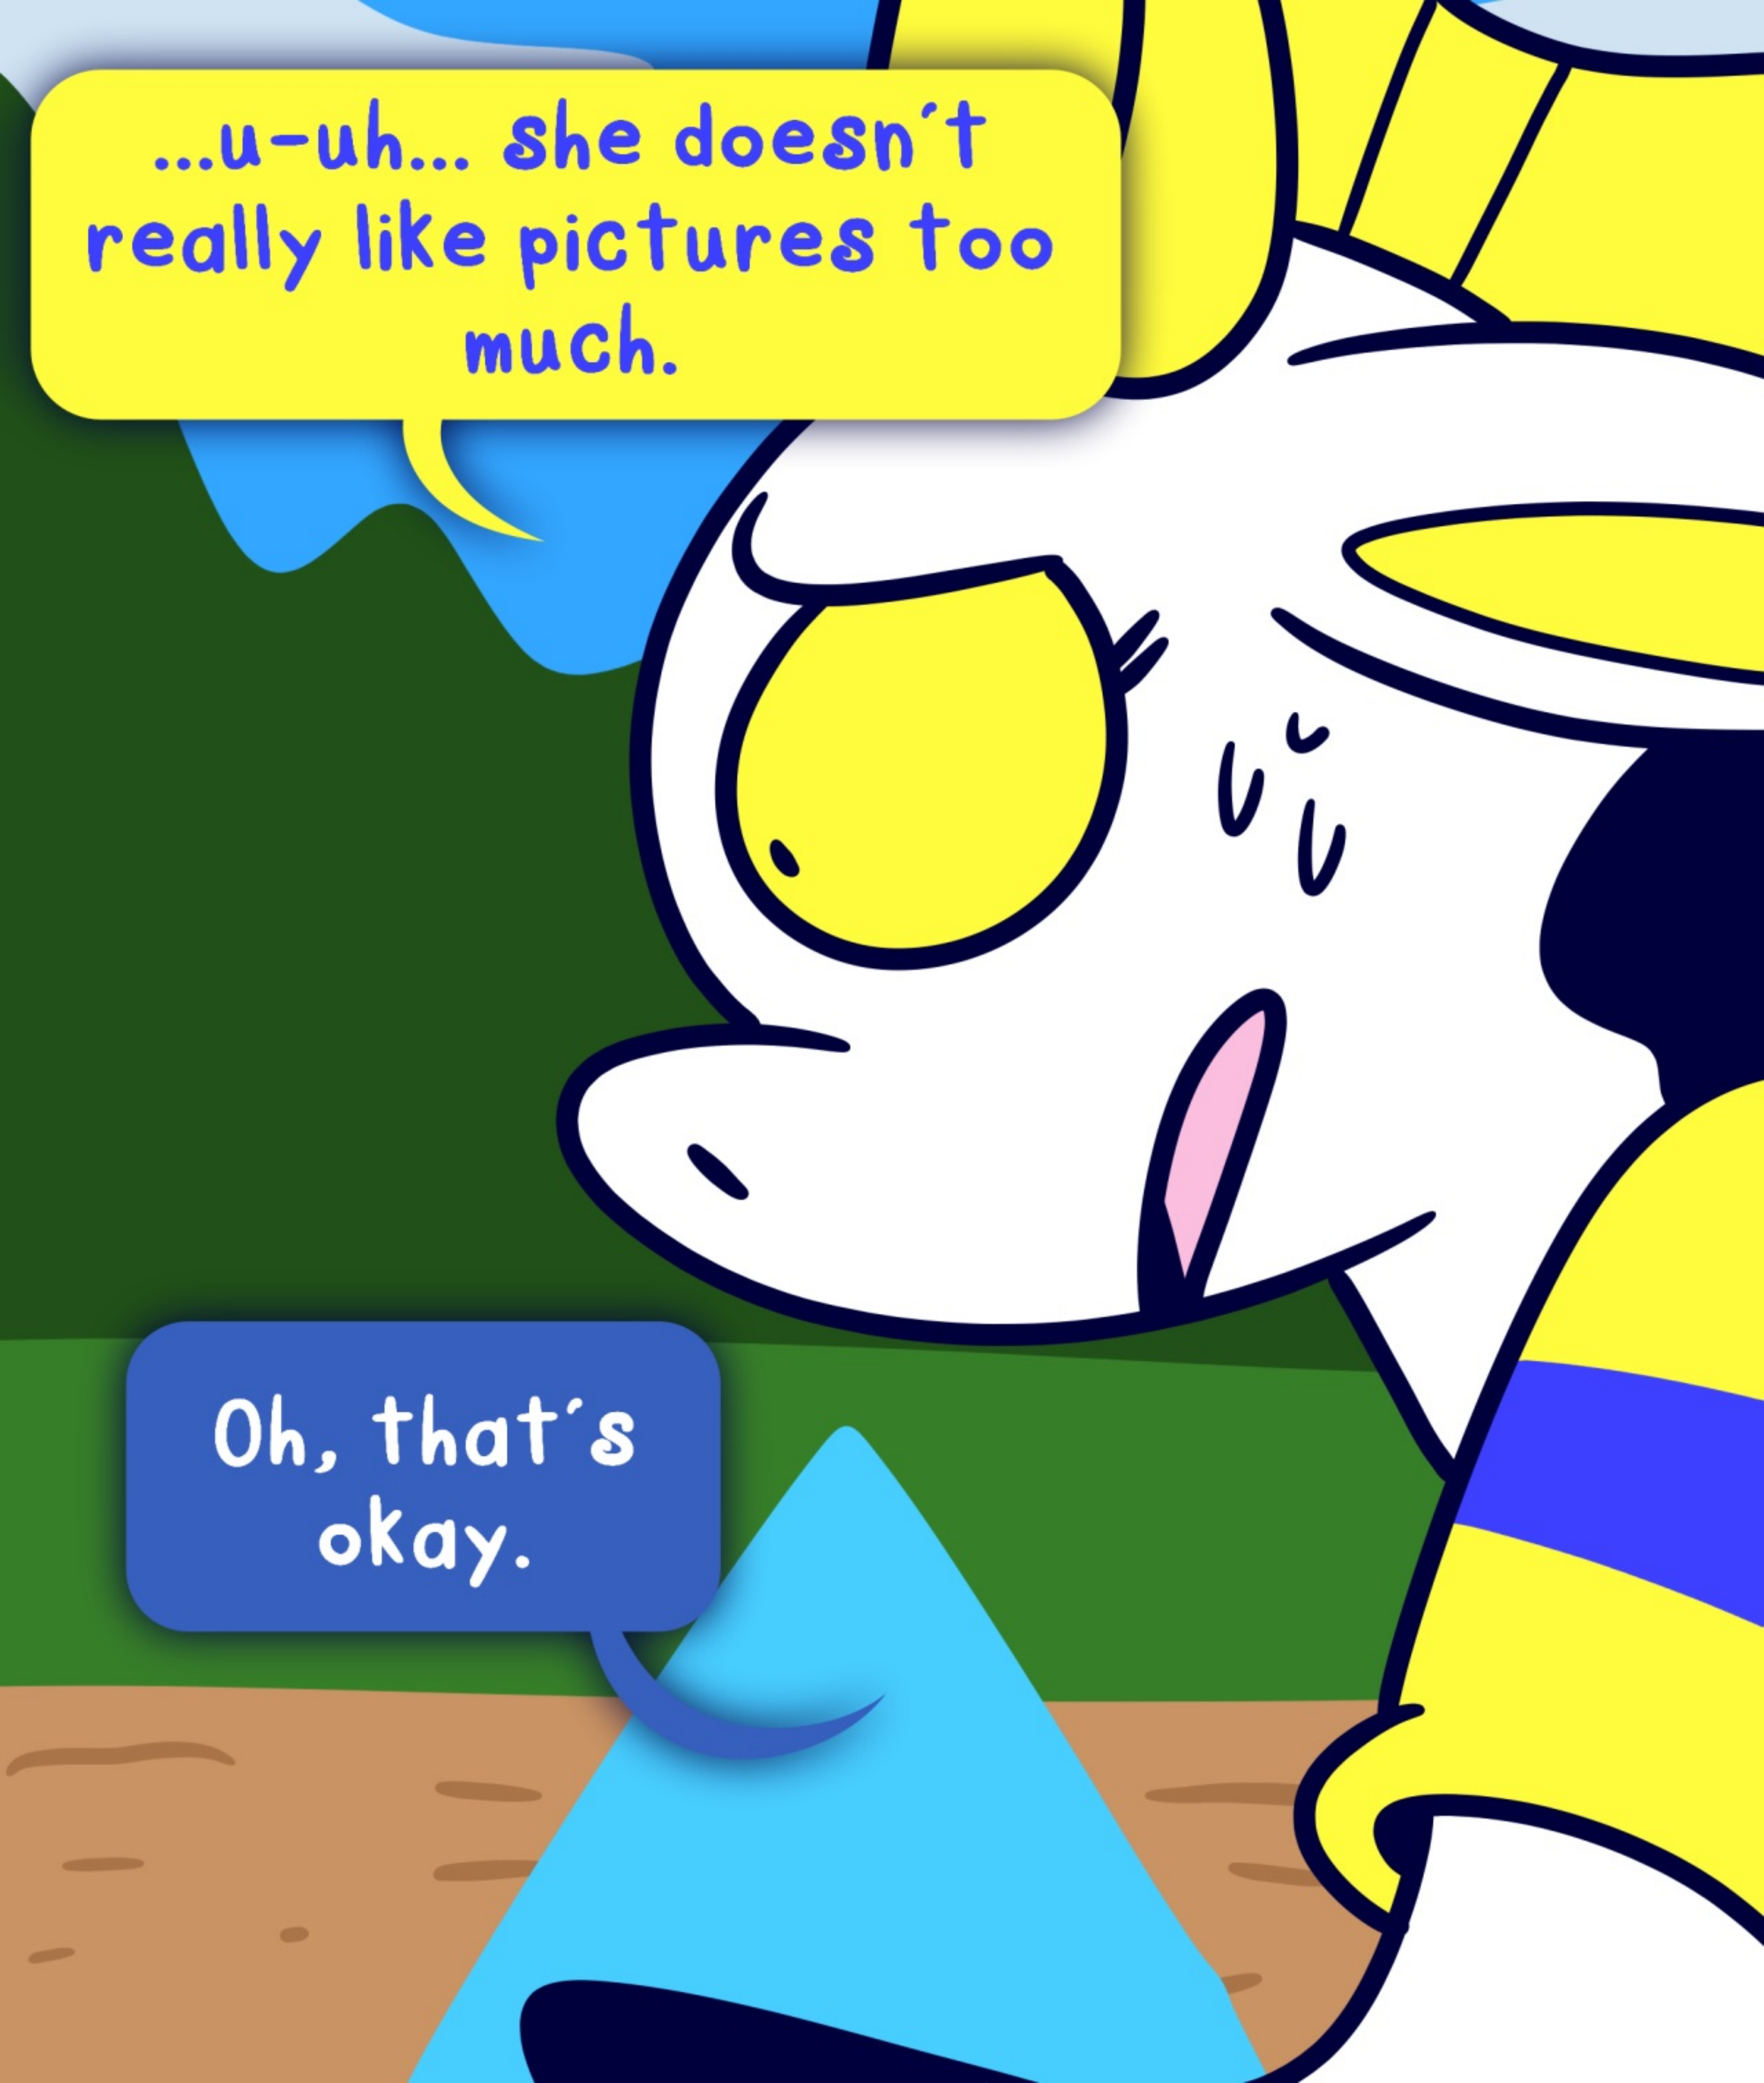
Hey Blair! How´s your trip going?
I-i-it´s good!!! H-h-how are you...???



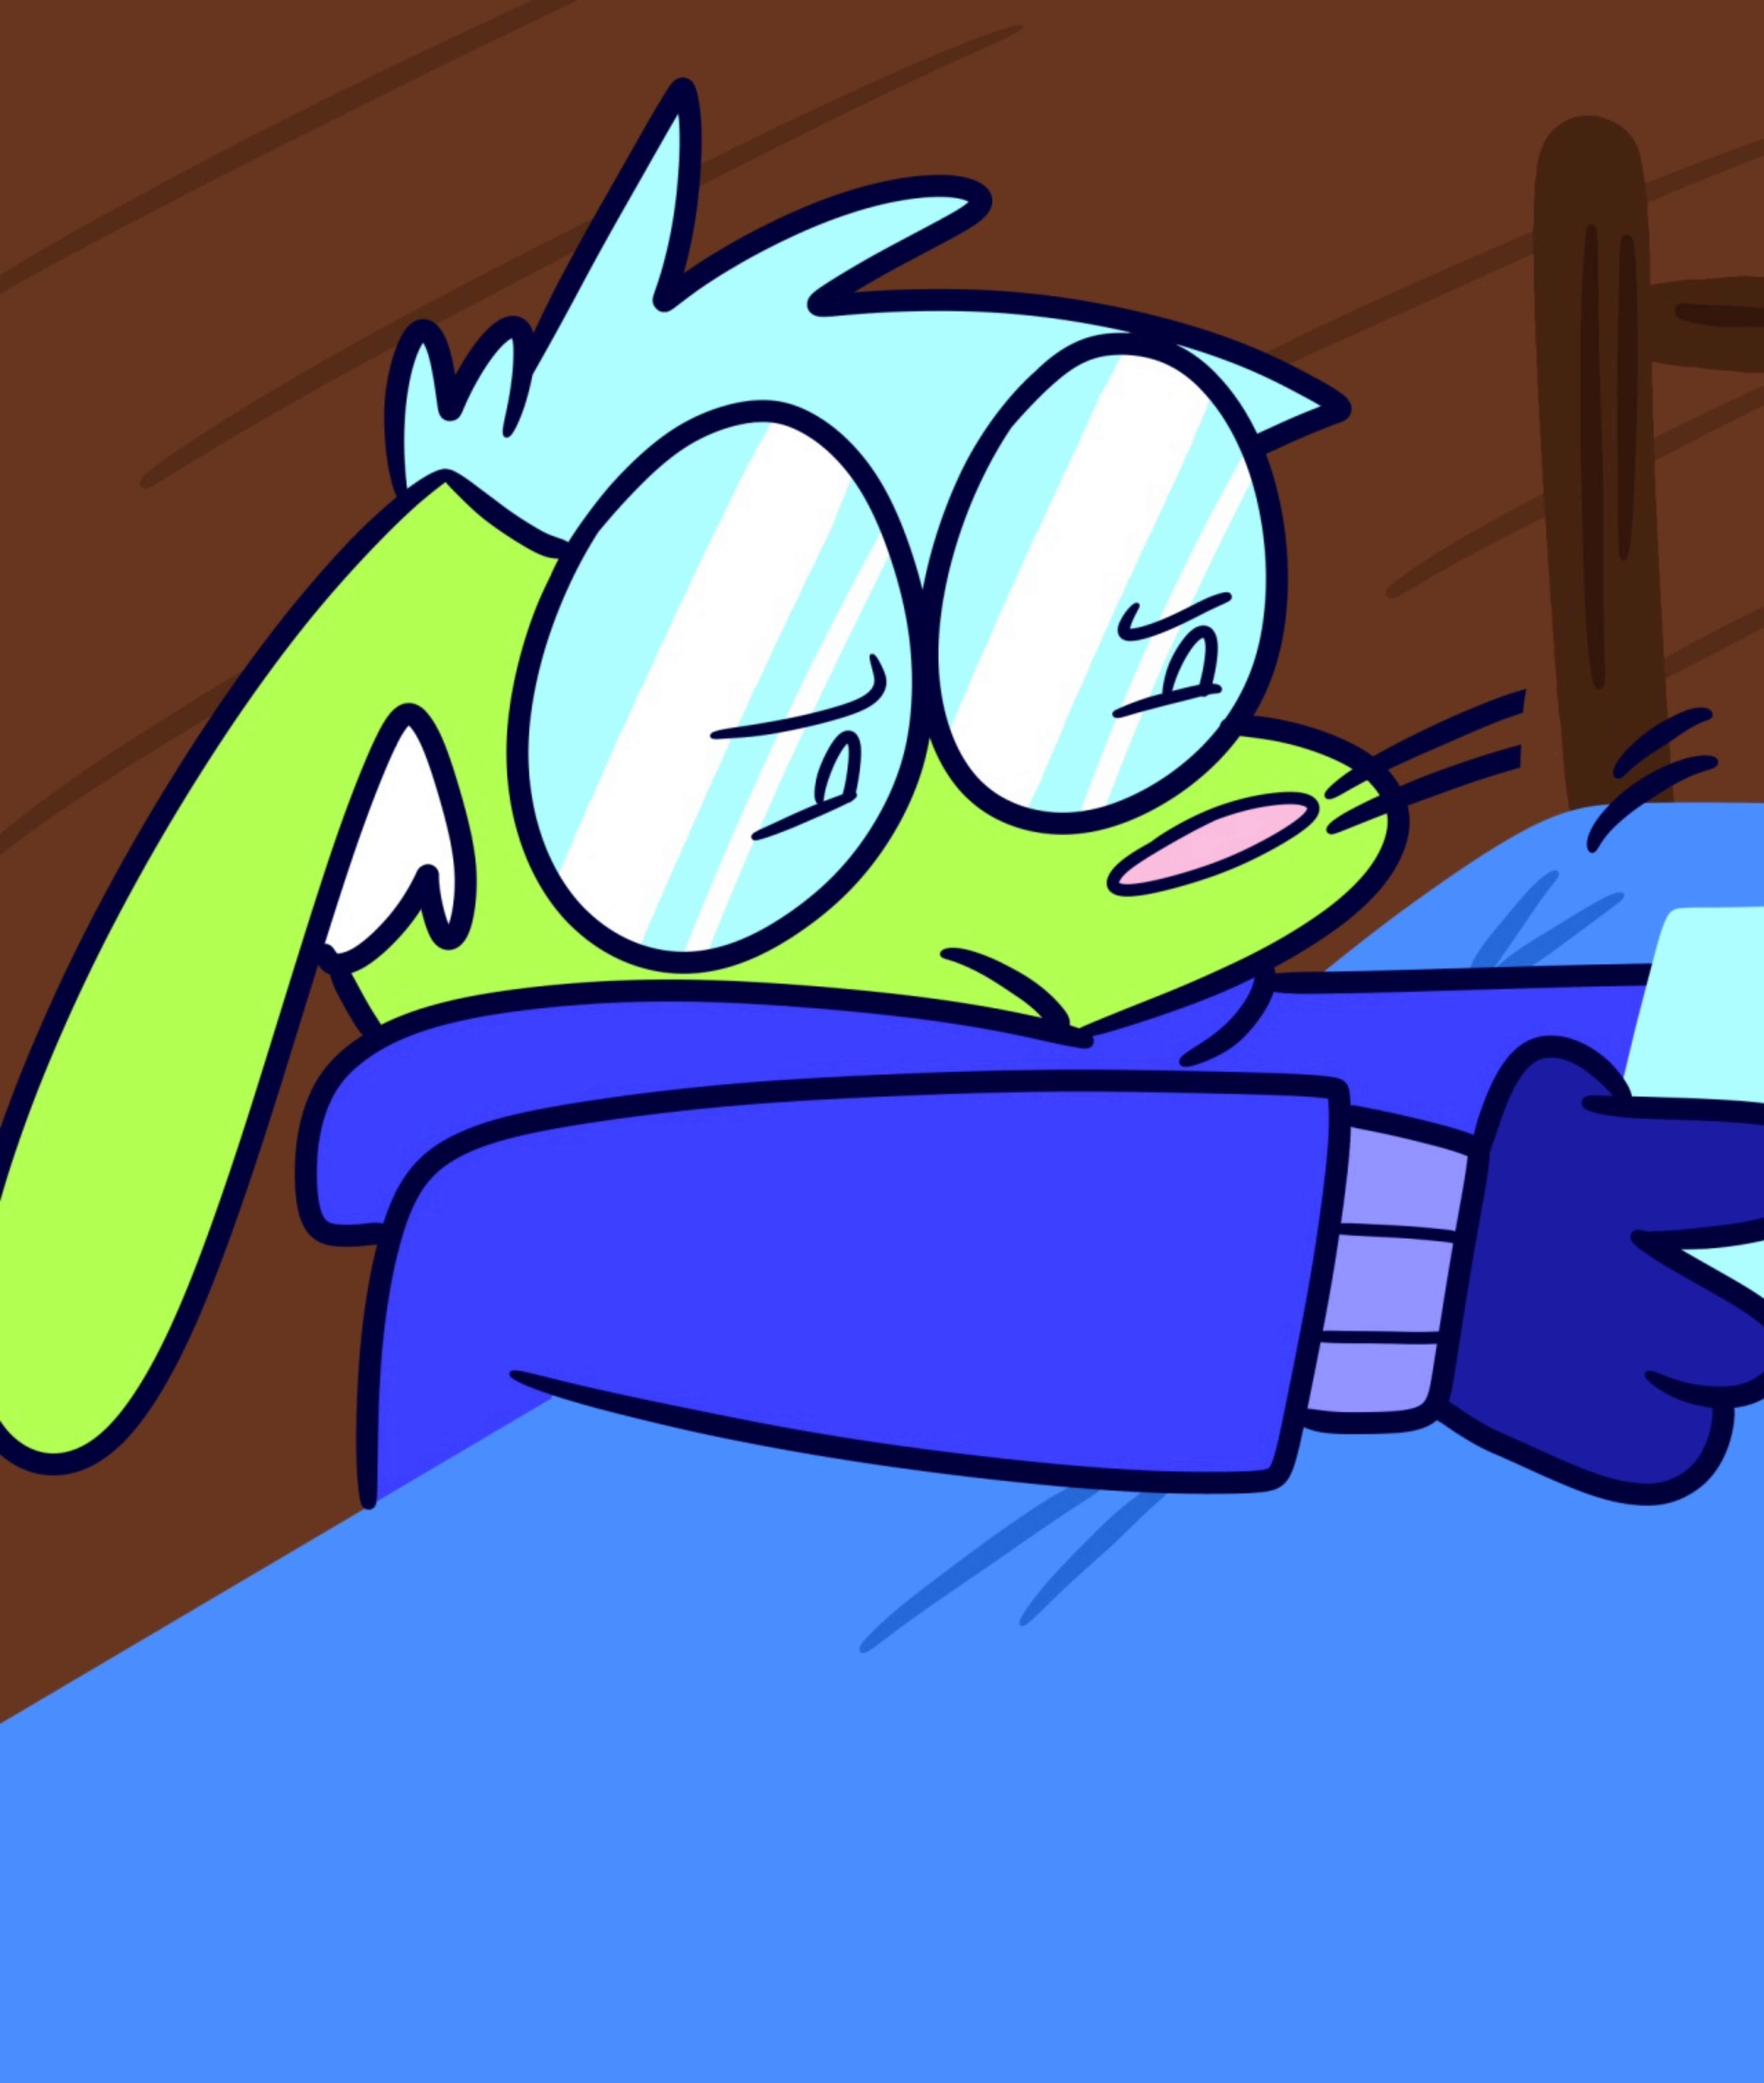
Pretty good!
W-what's that book you've got?
Oh, it's just pictures I've taken of the lake. I like taking pictures.

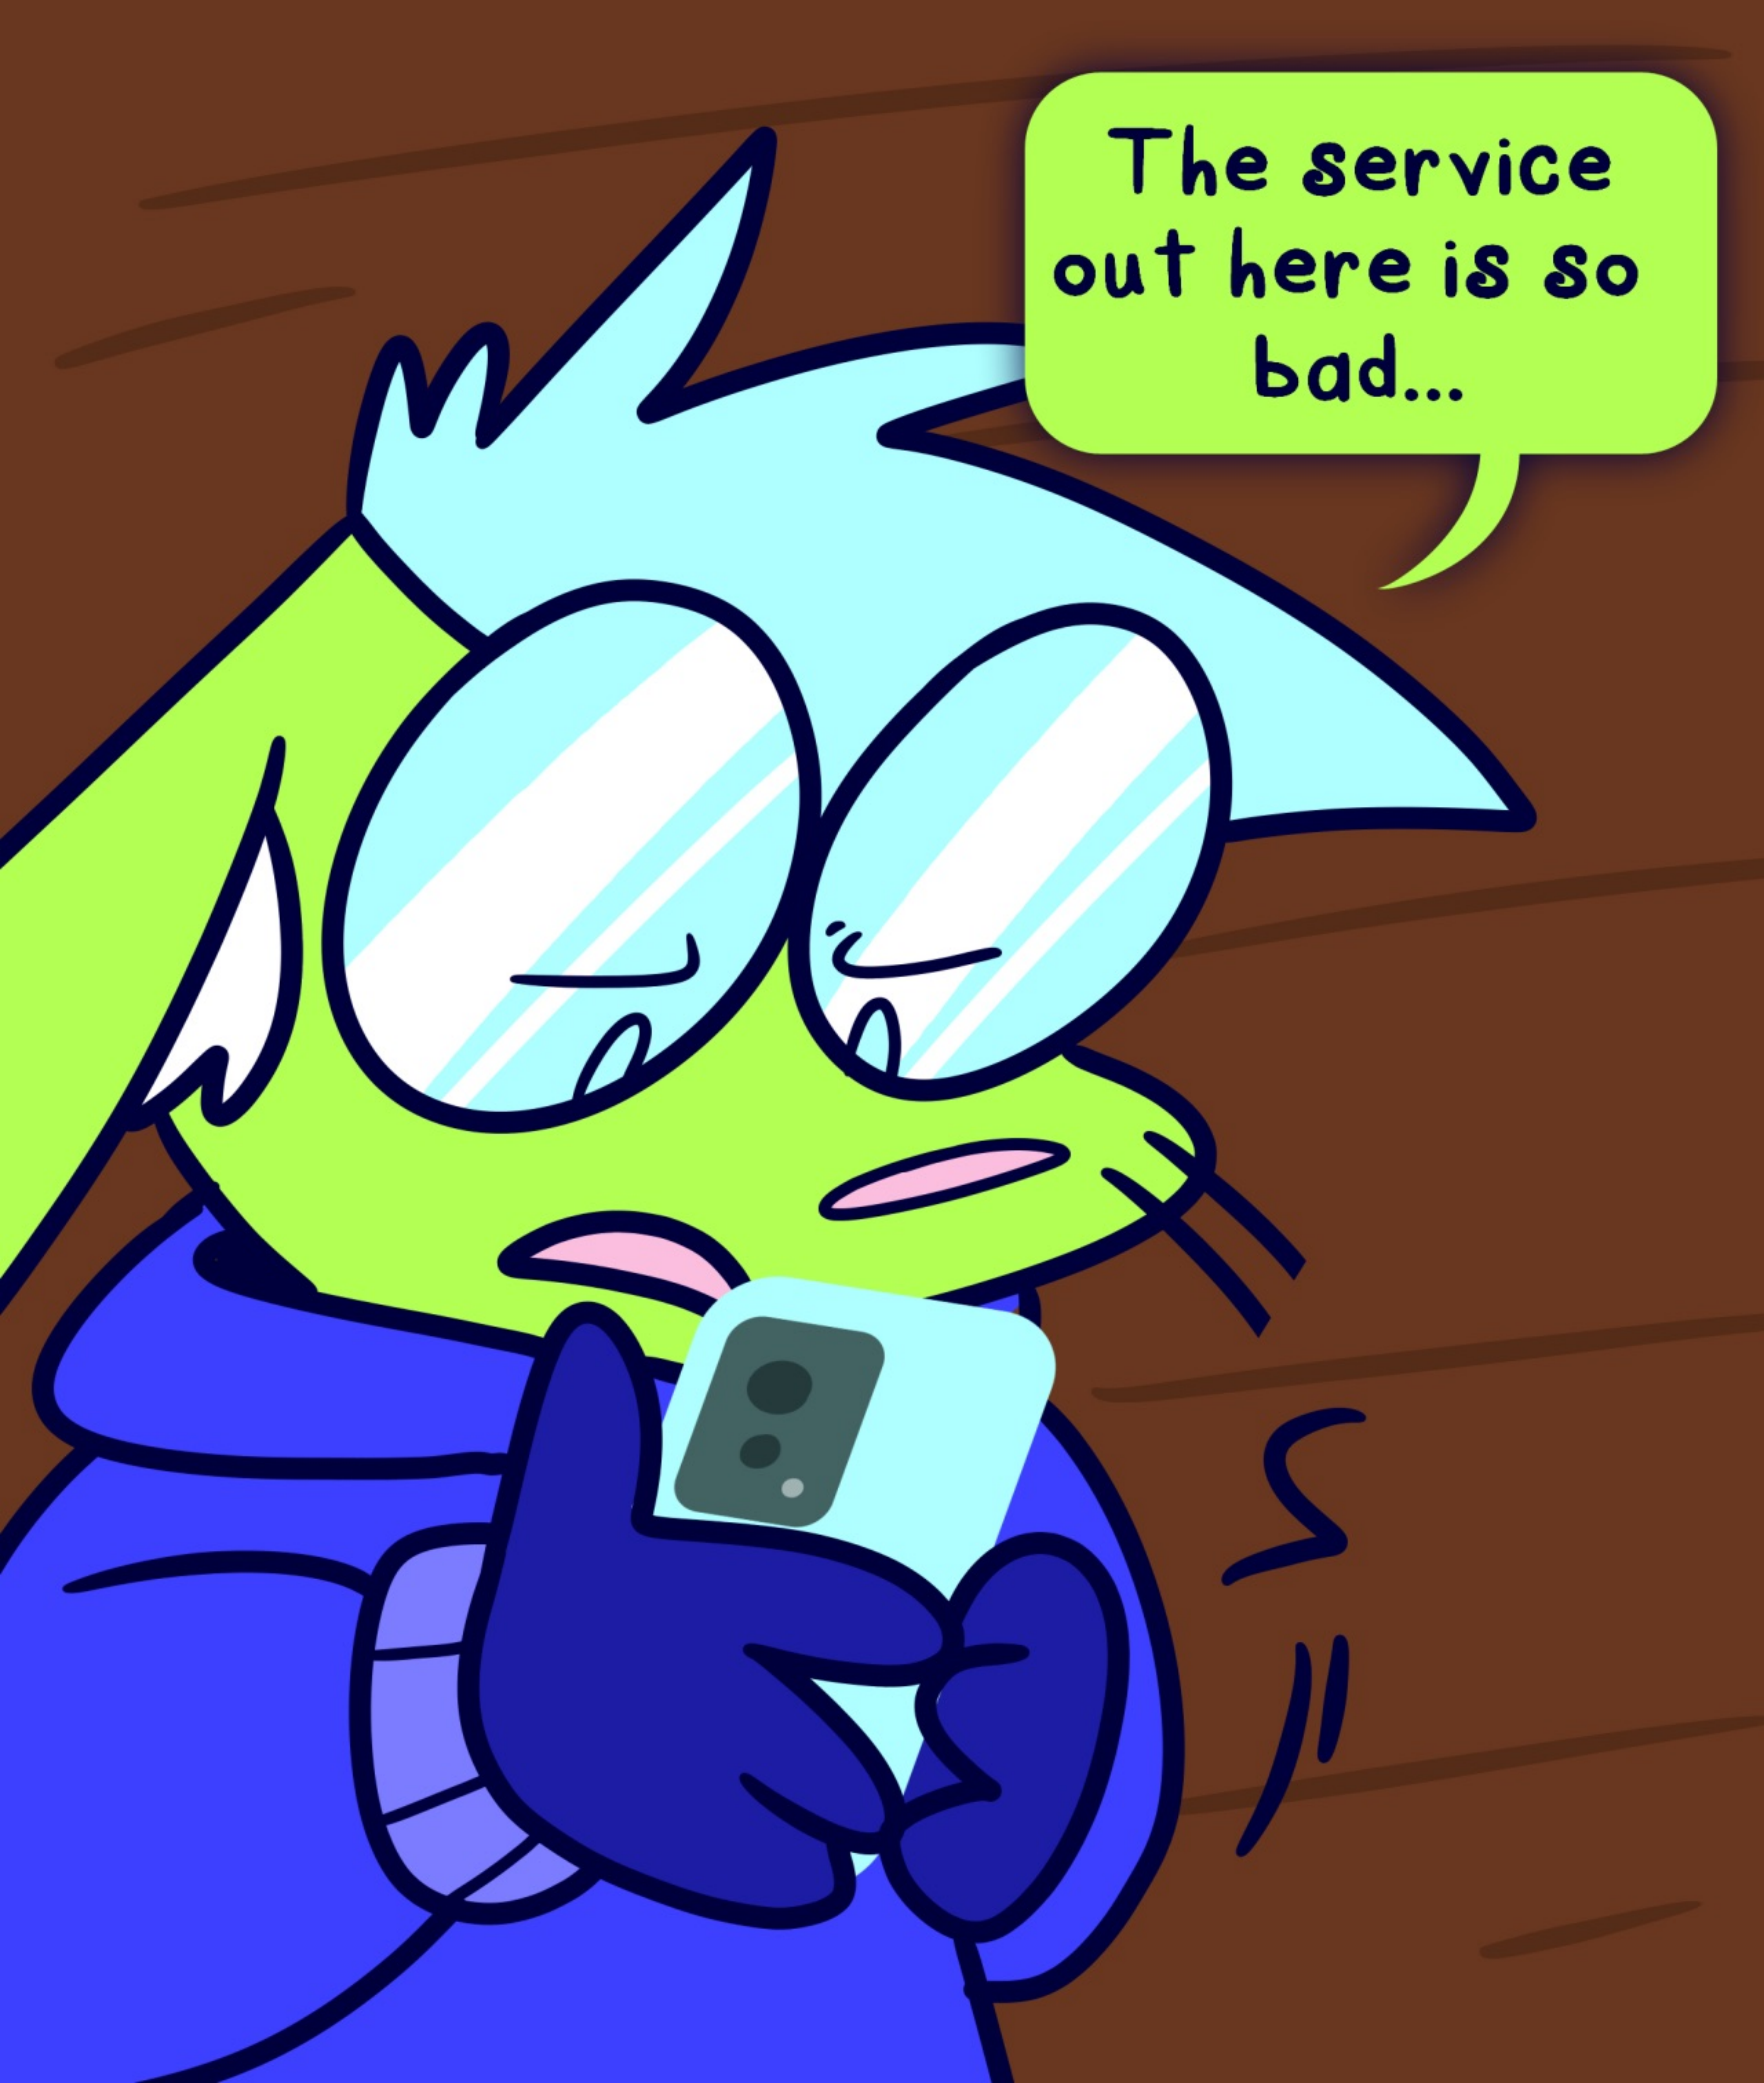


I got into photography because of my mom.
Do you have a picture of her?

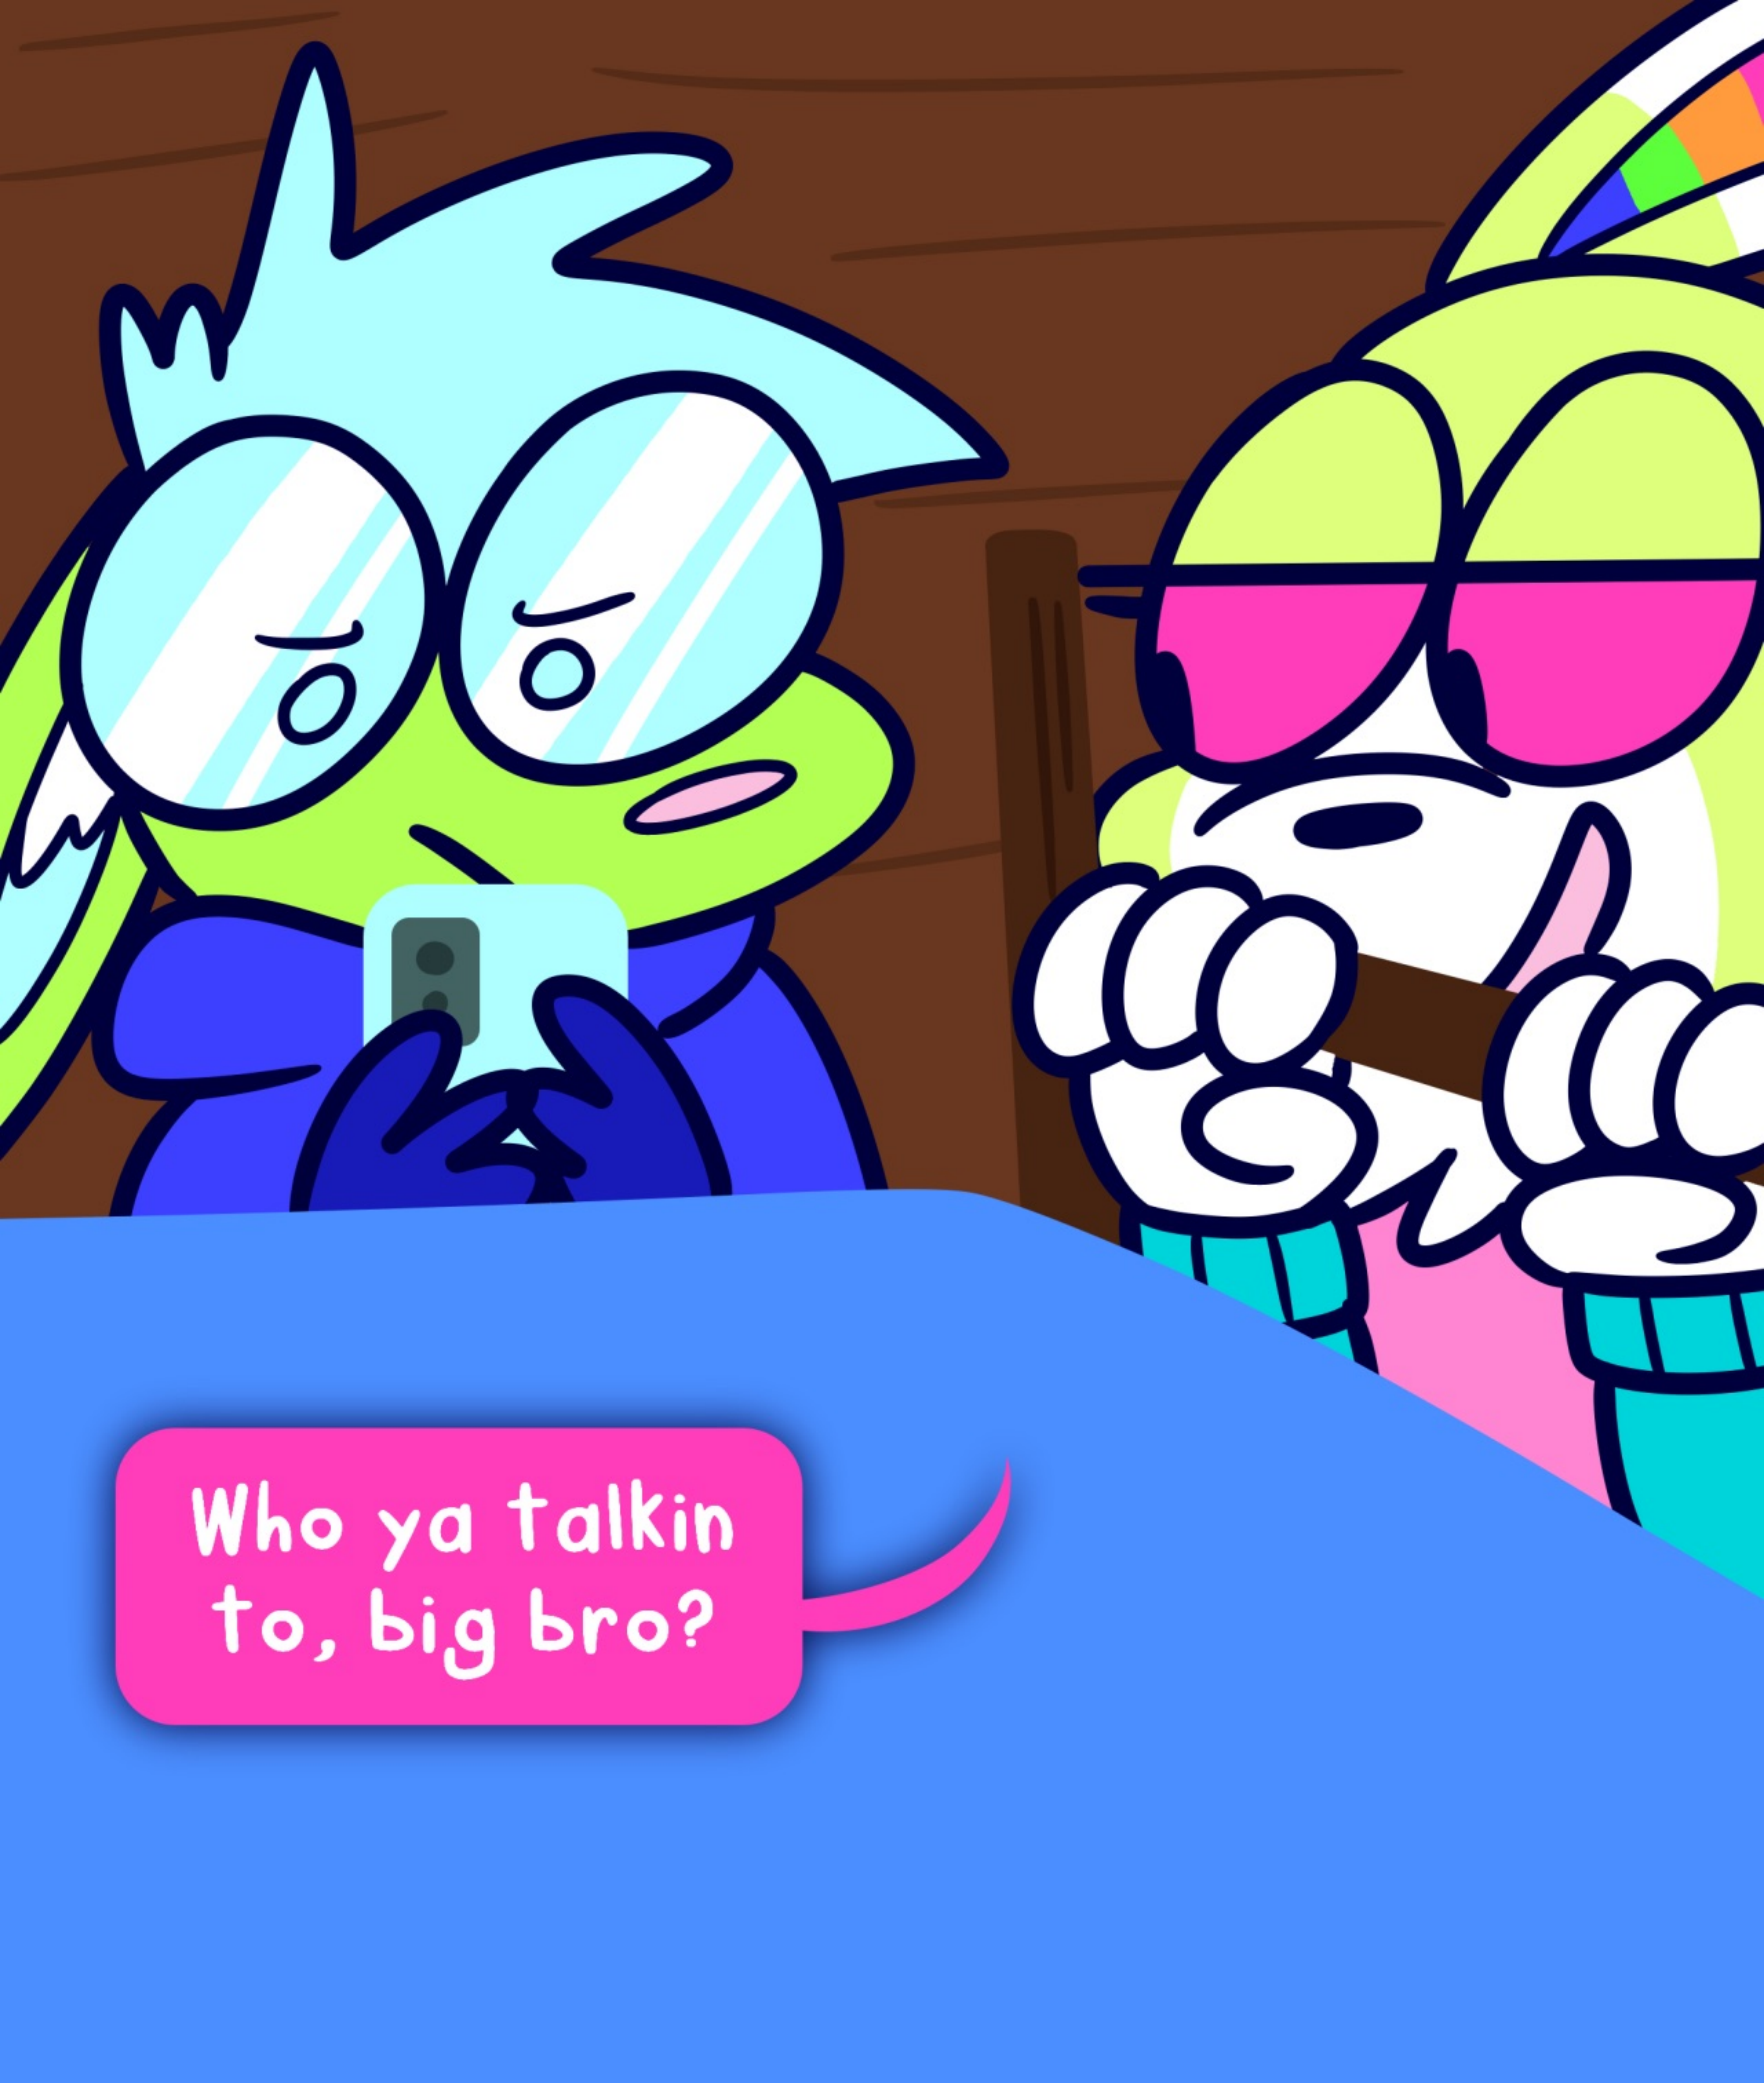


...u-uh... she doesn´t really like pictures too much.
Oh, that´s okay.

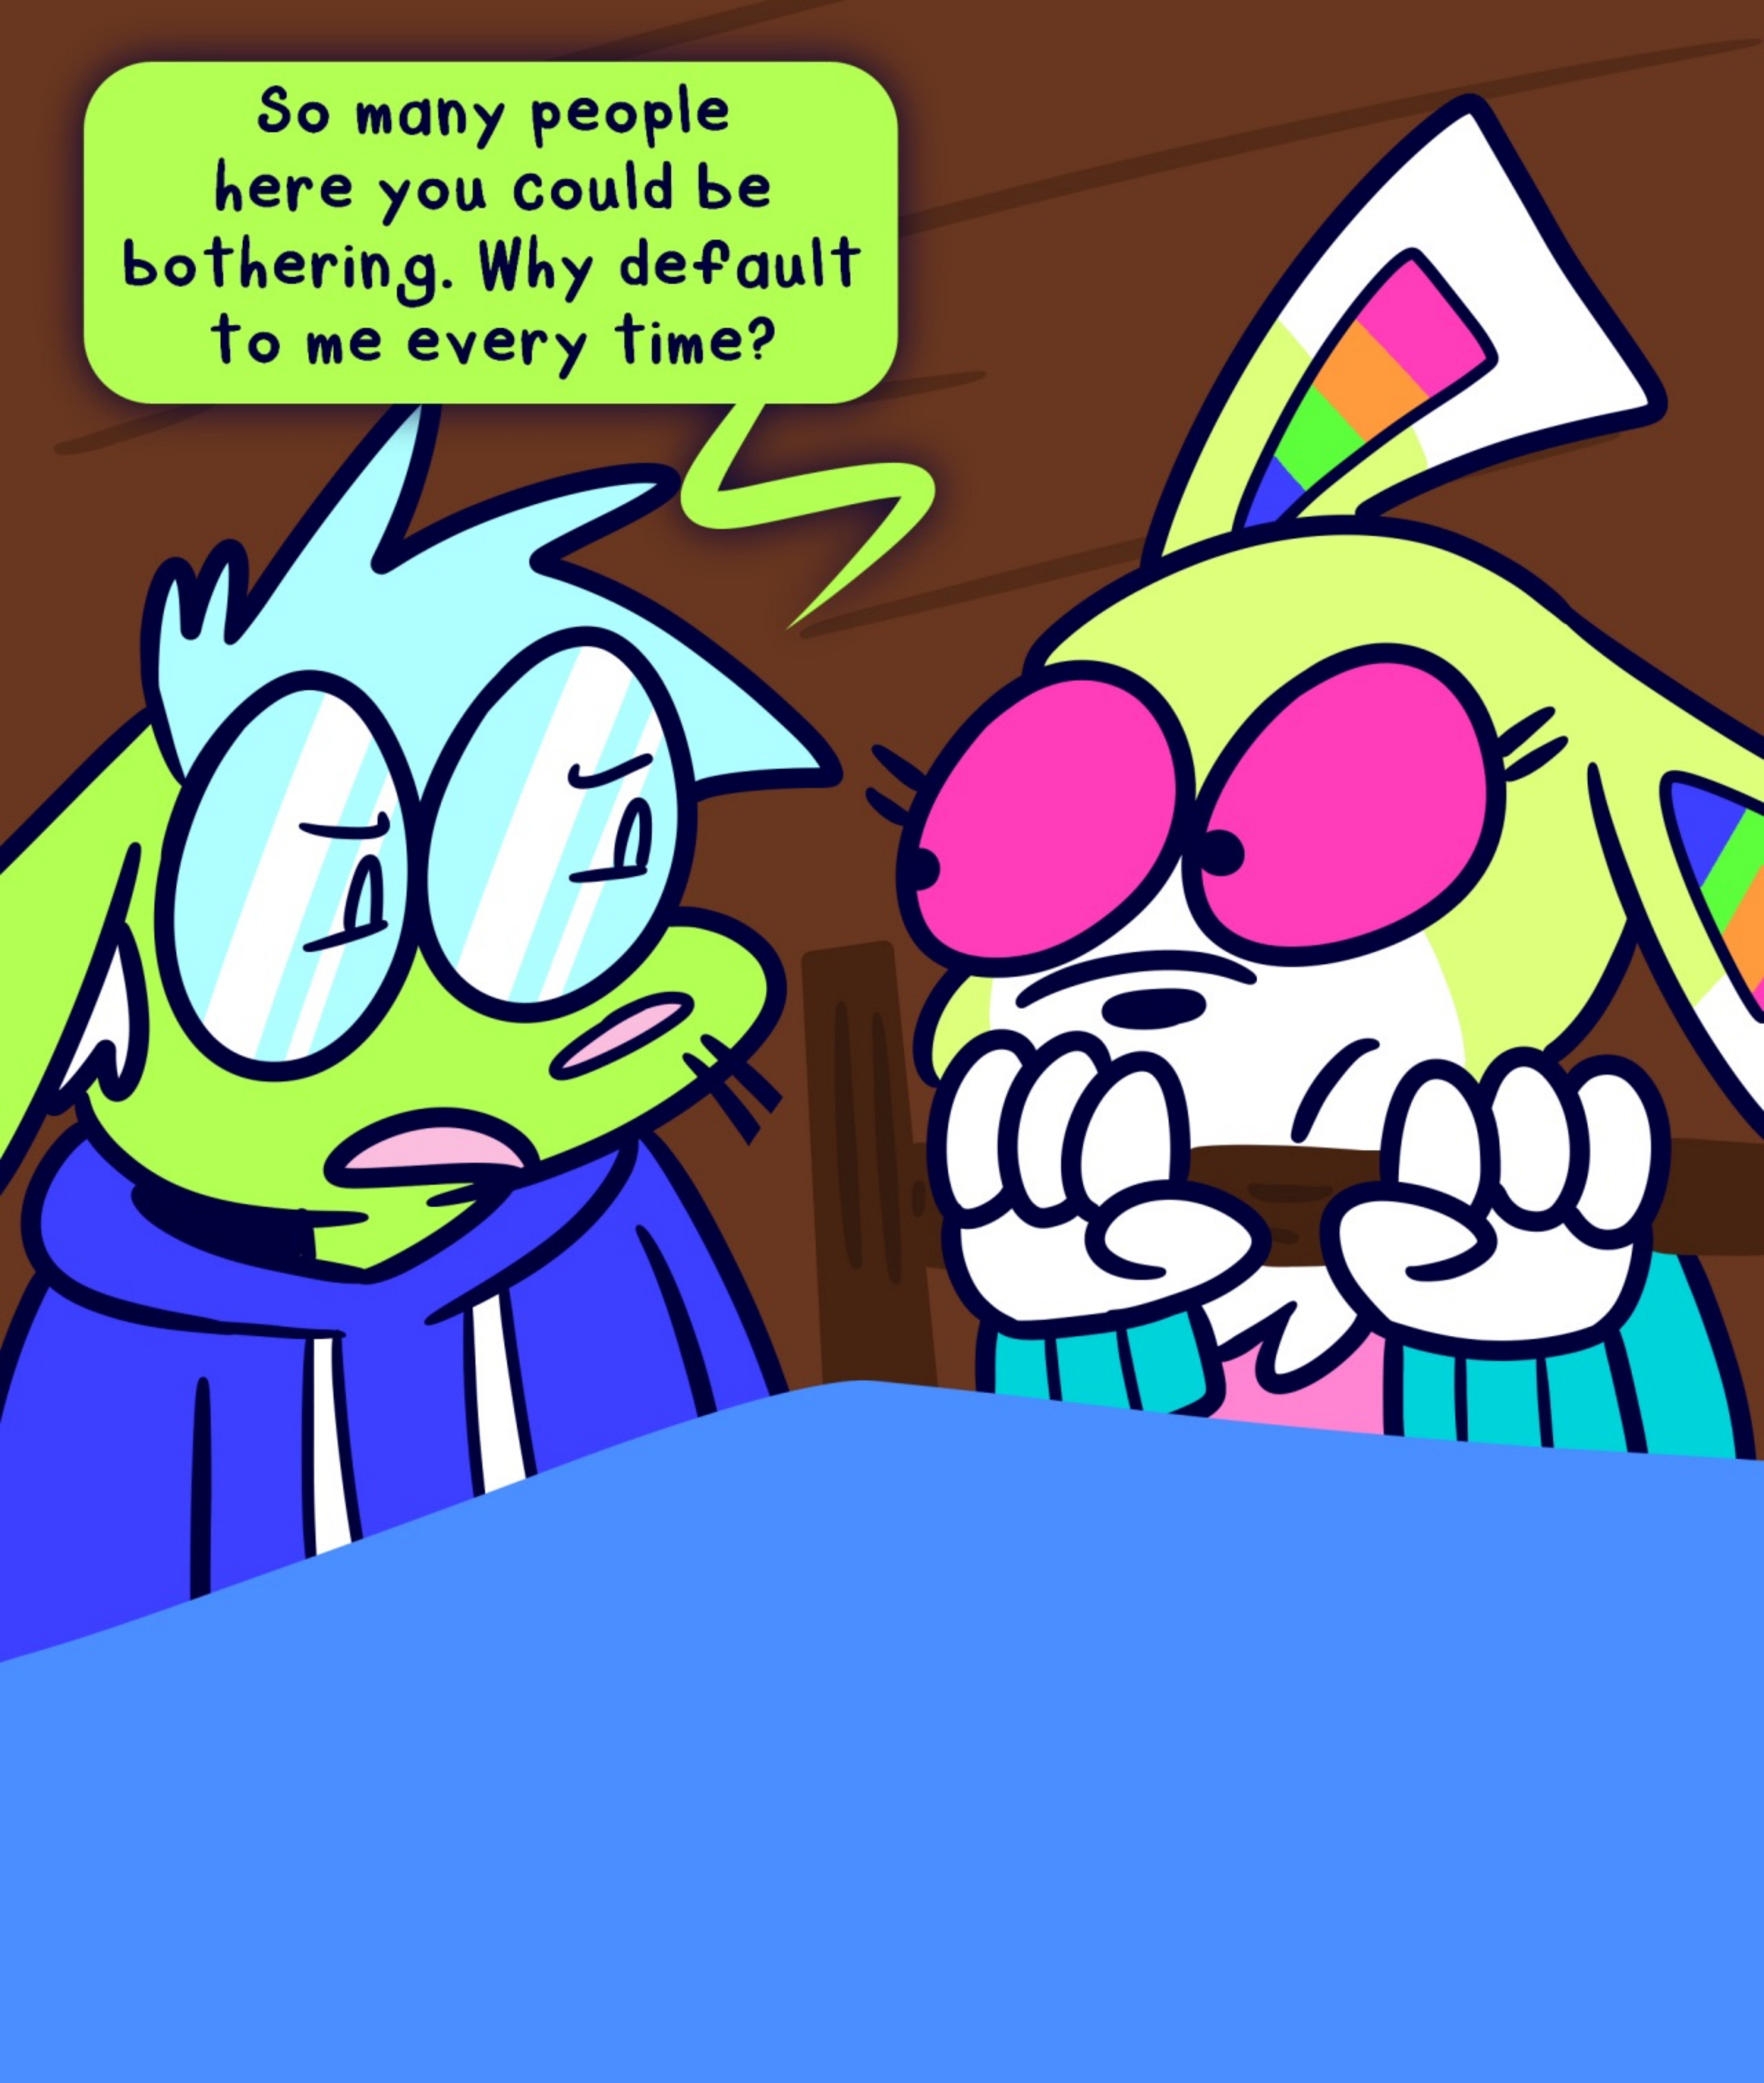




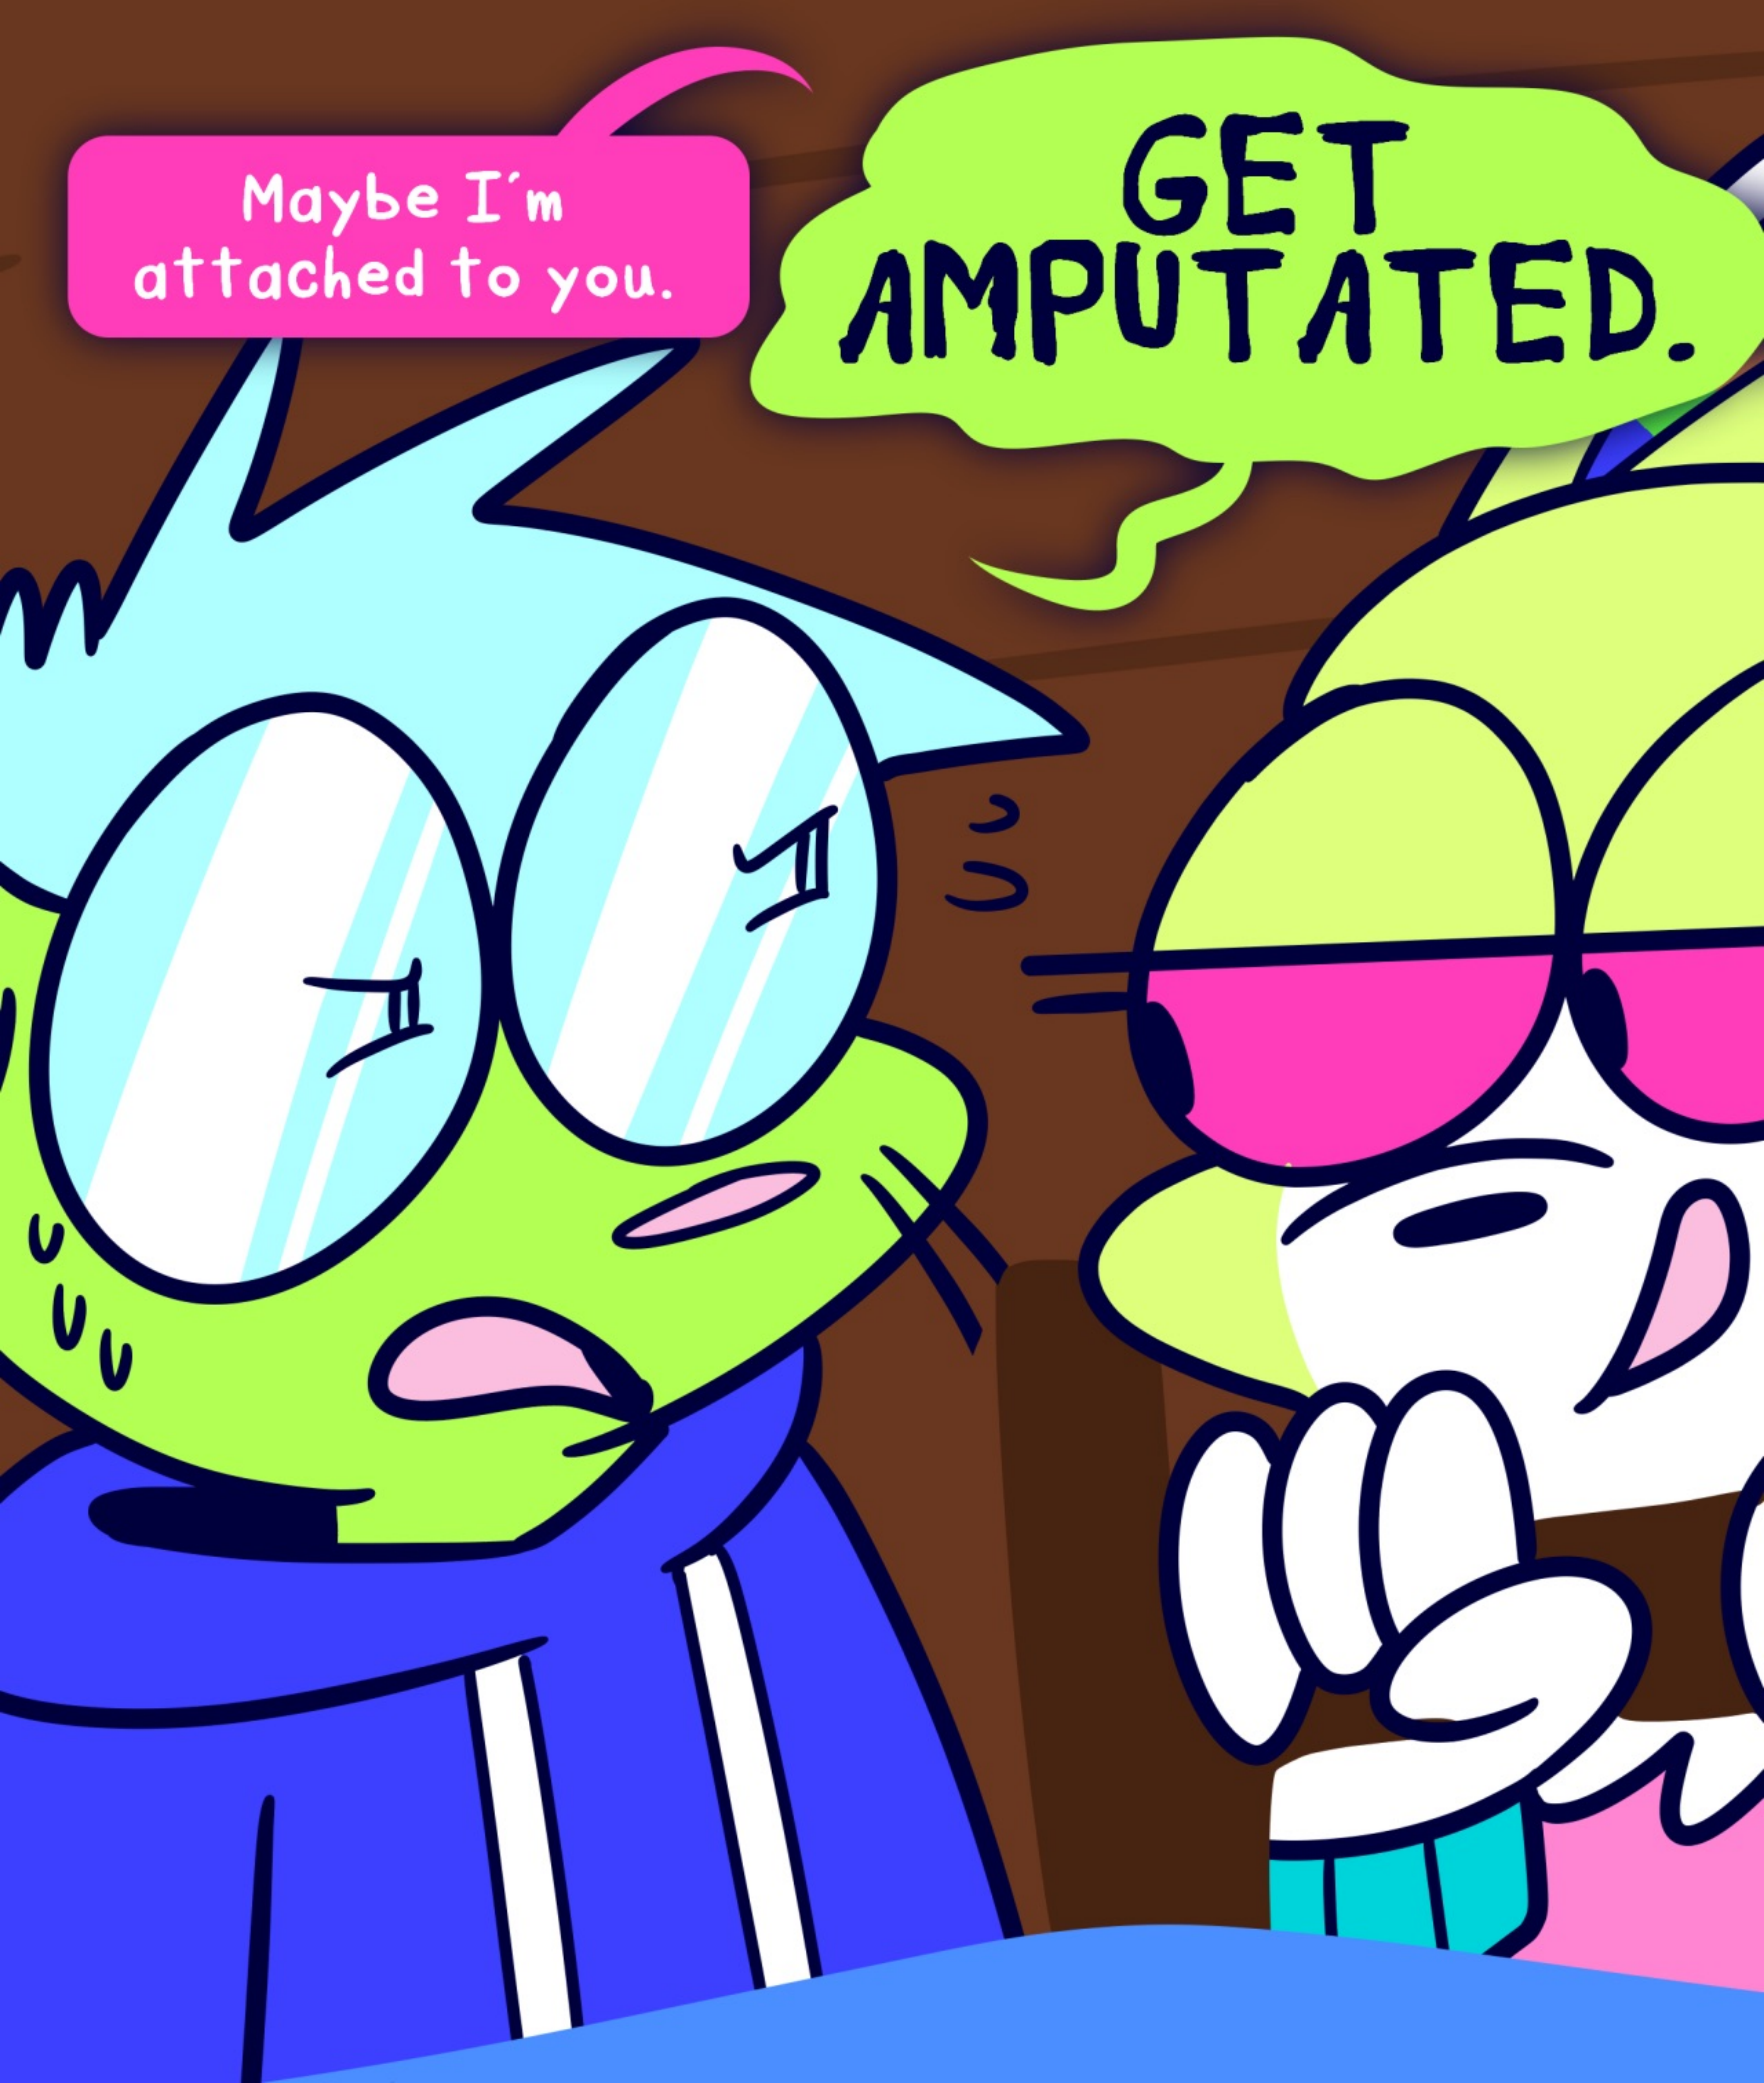
The service out here is so bad...



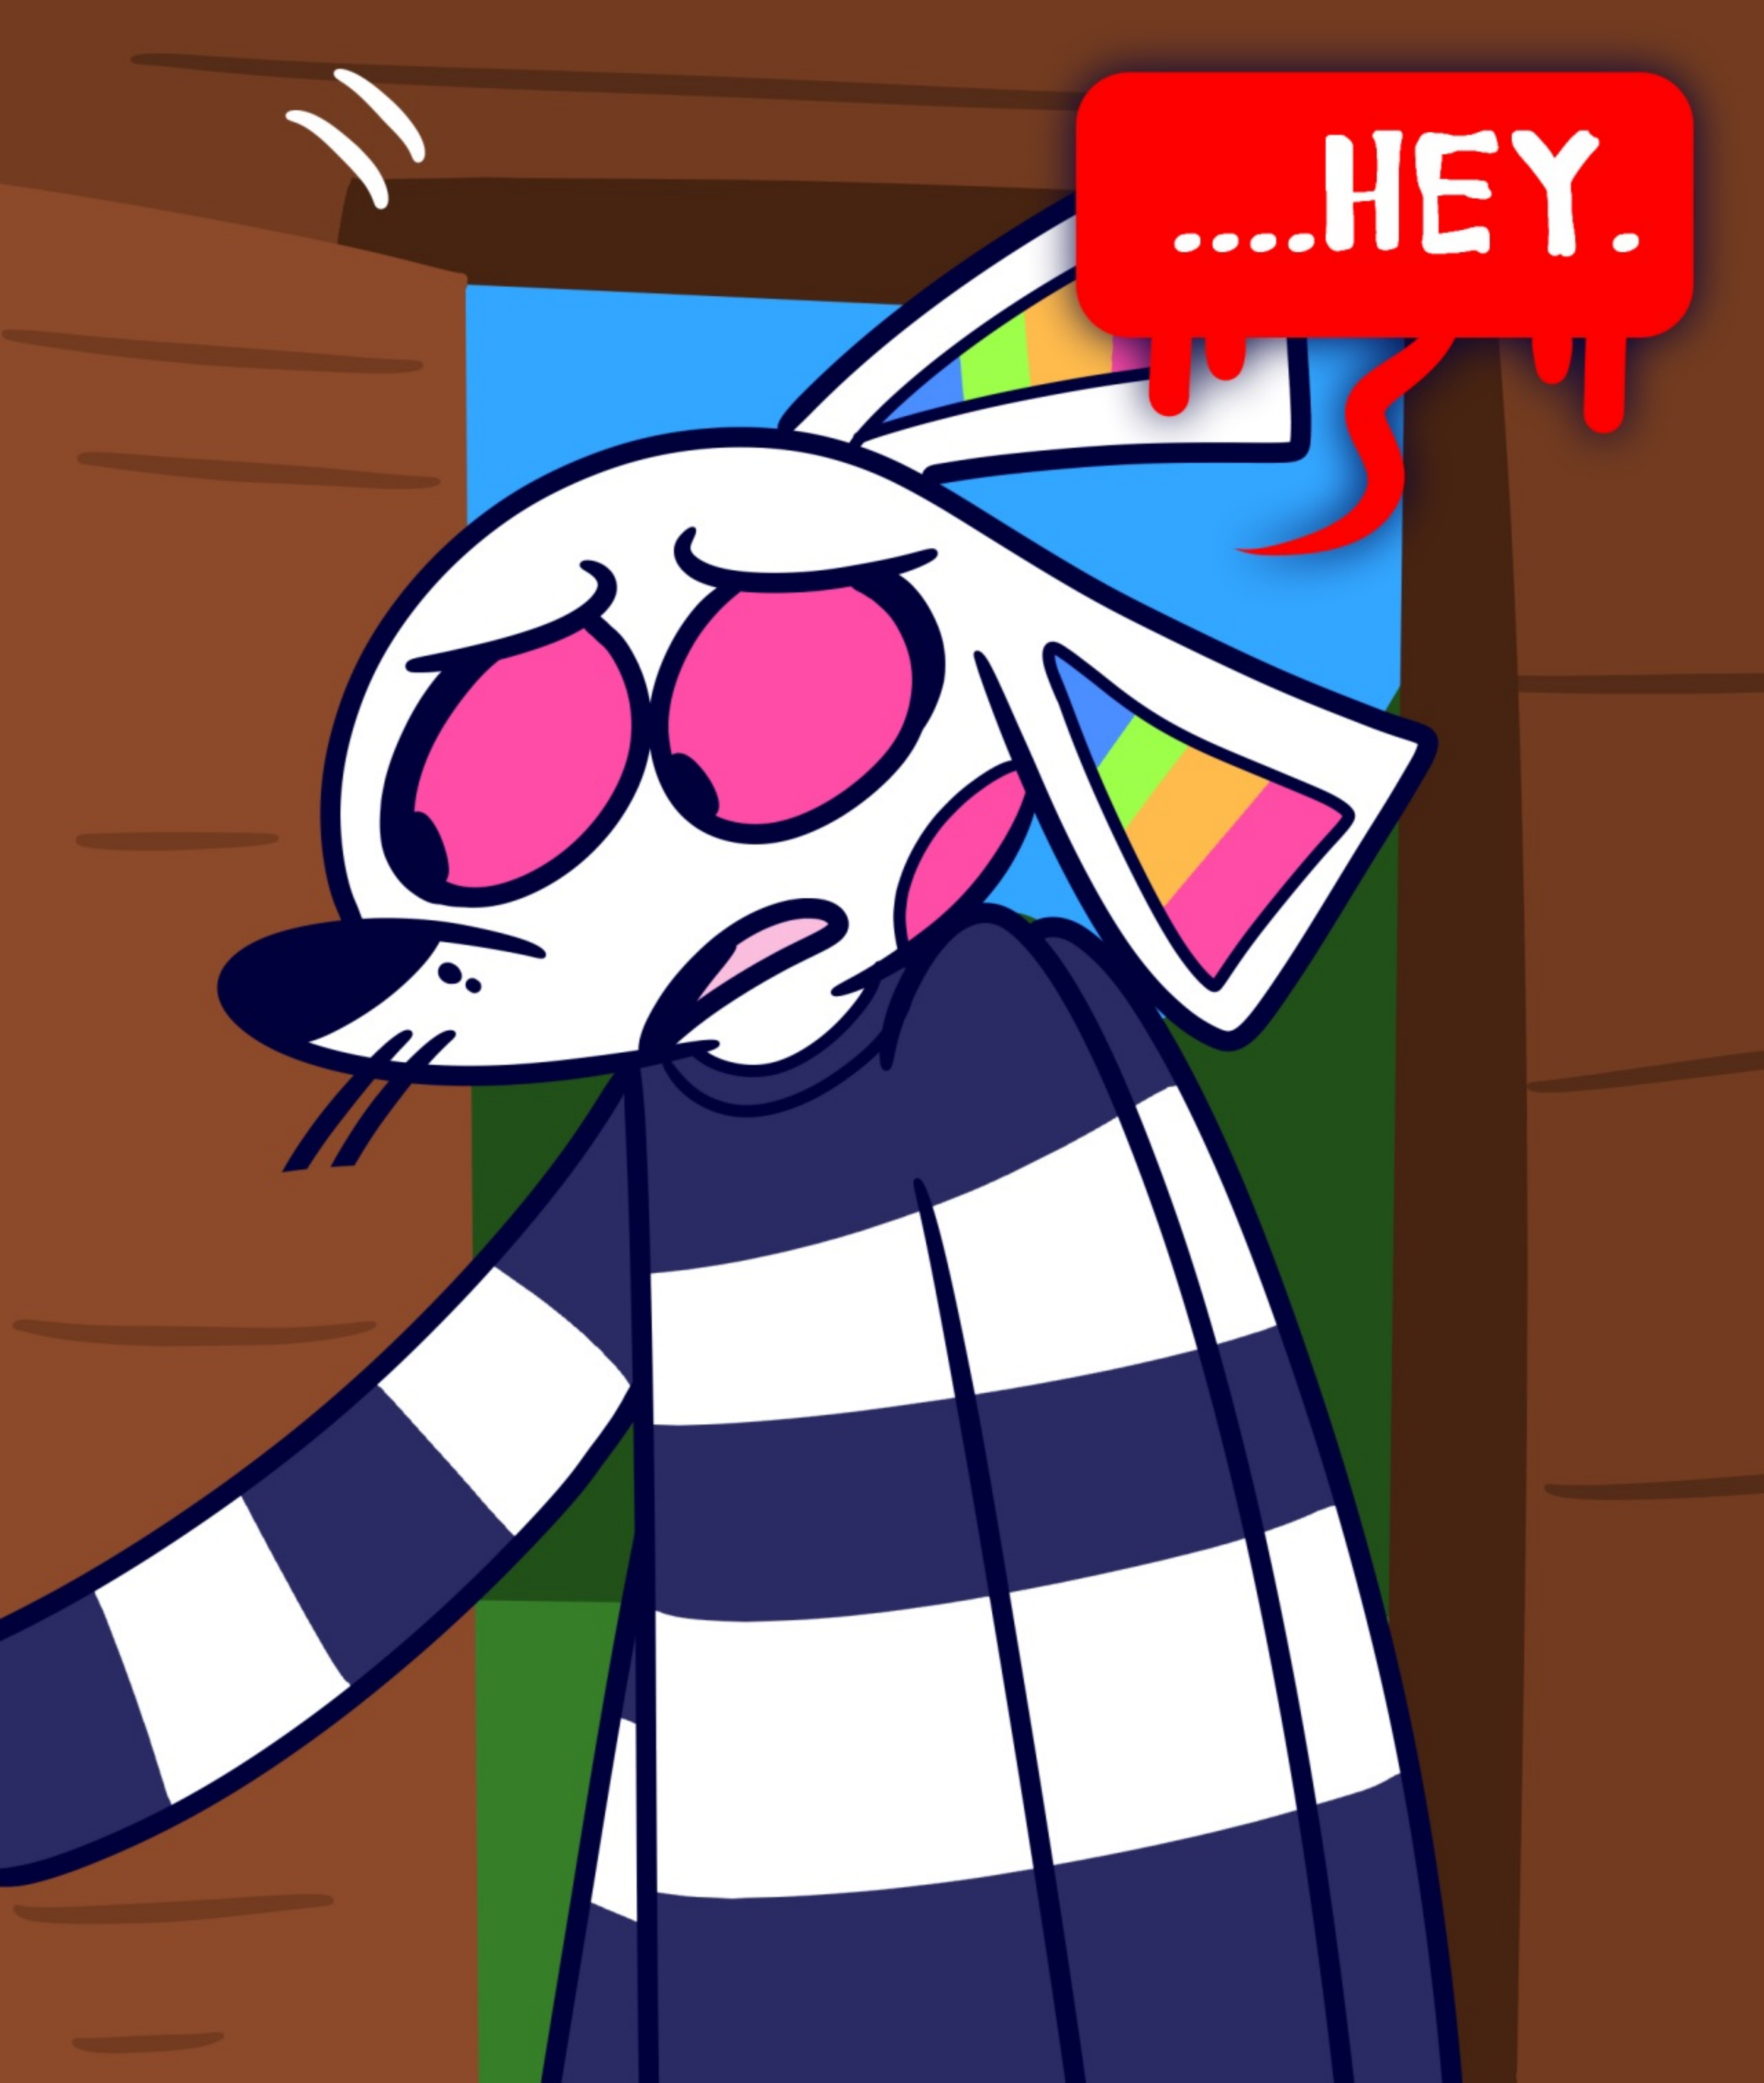
Who ya talkin to, big bro?



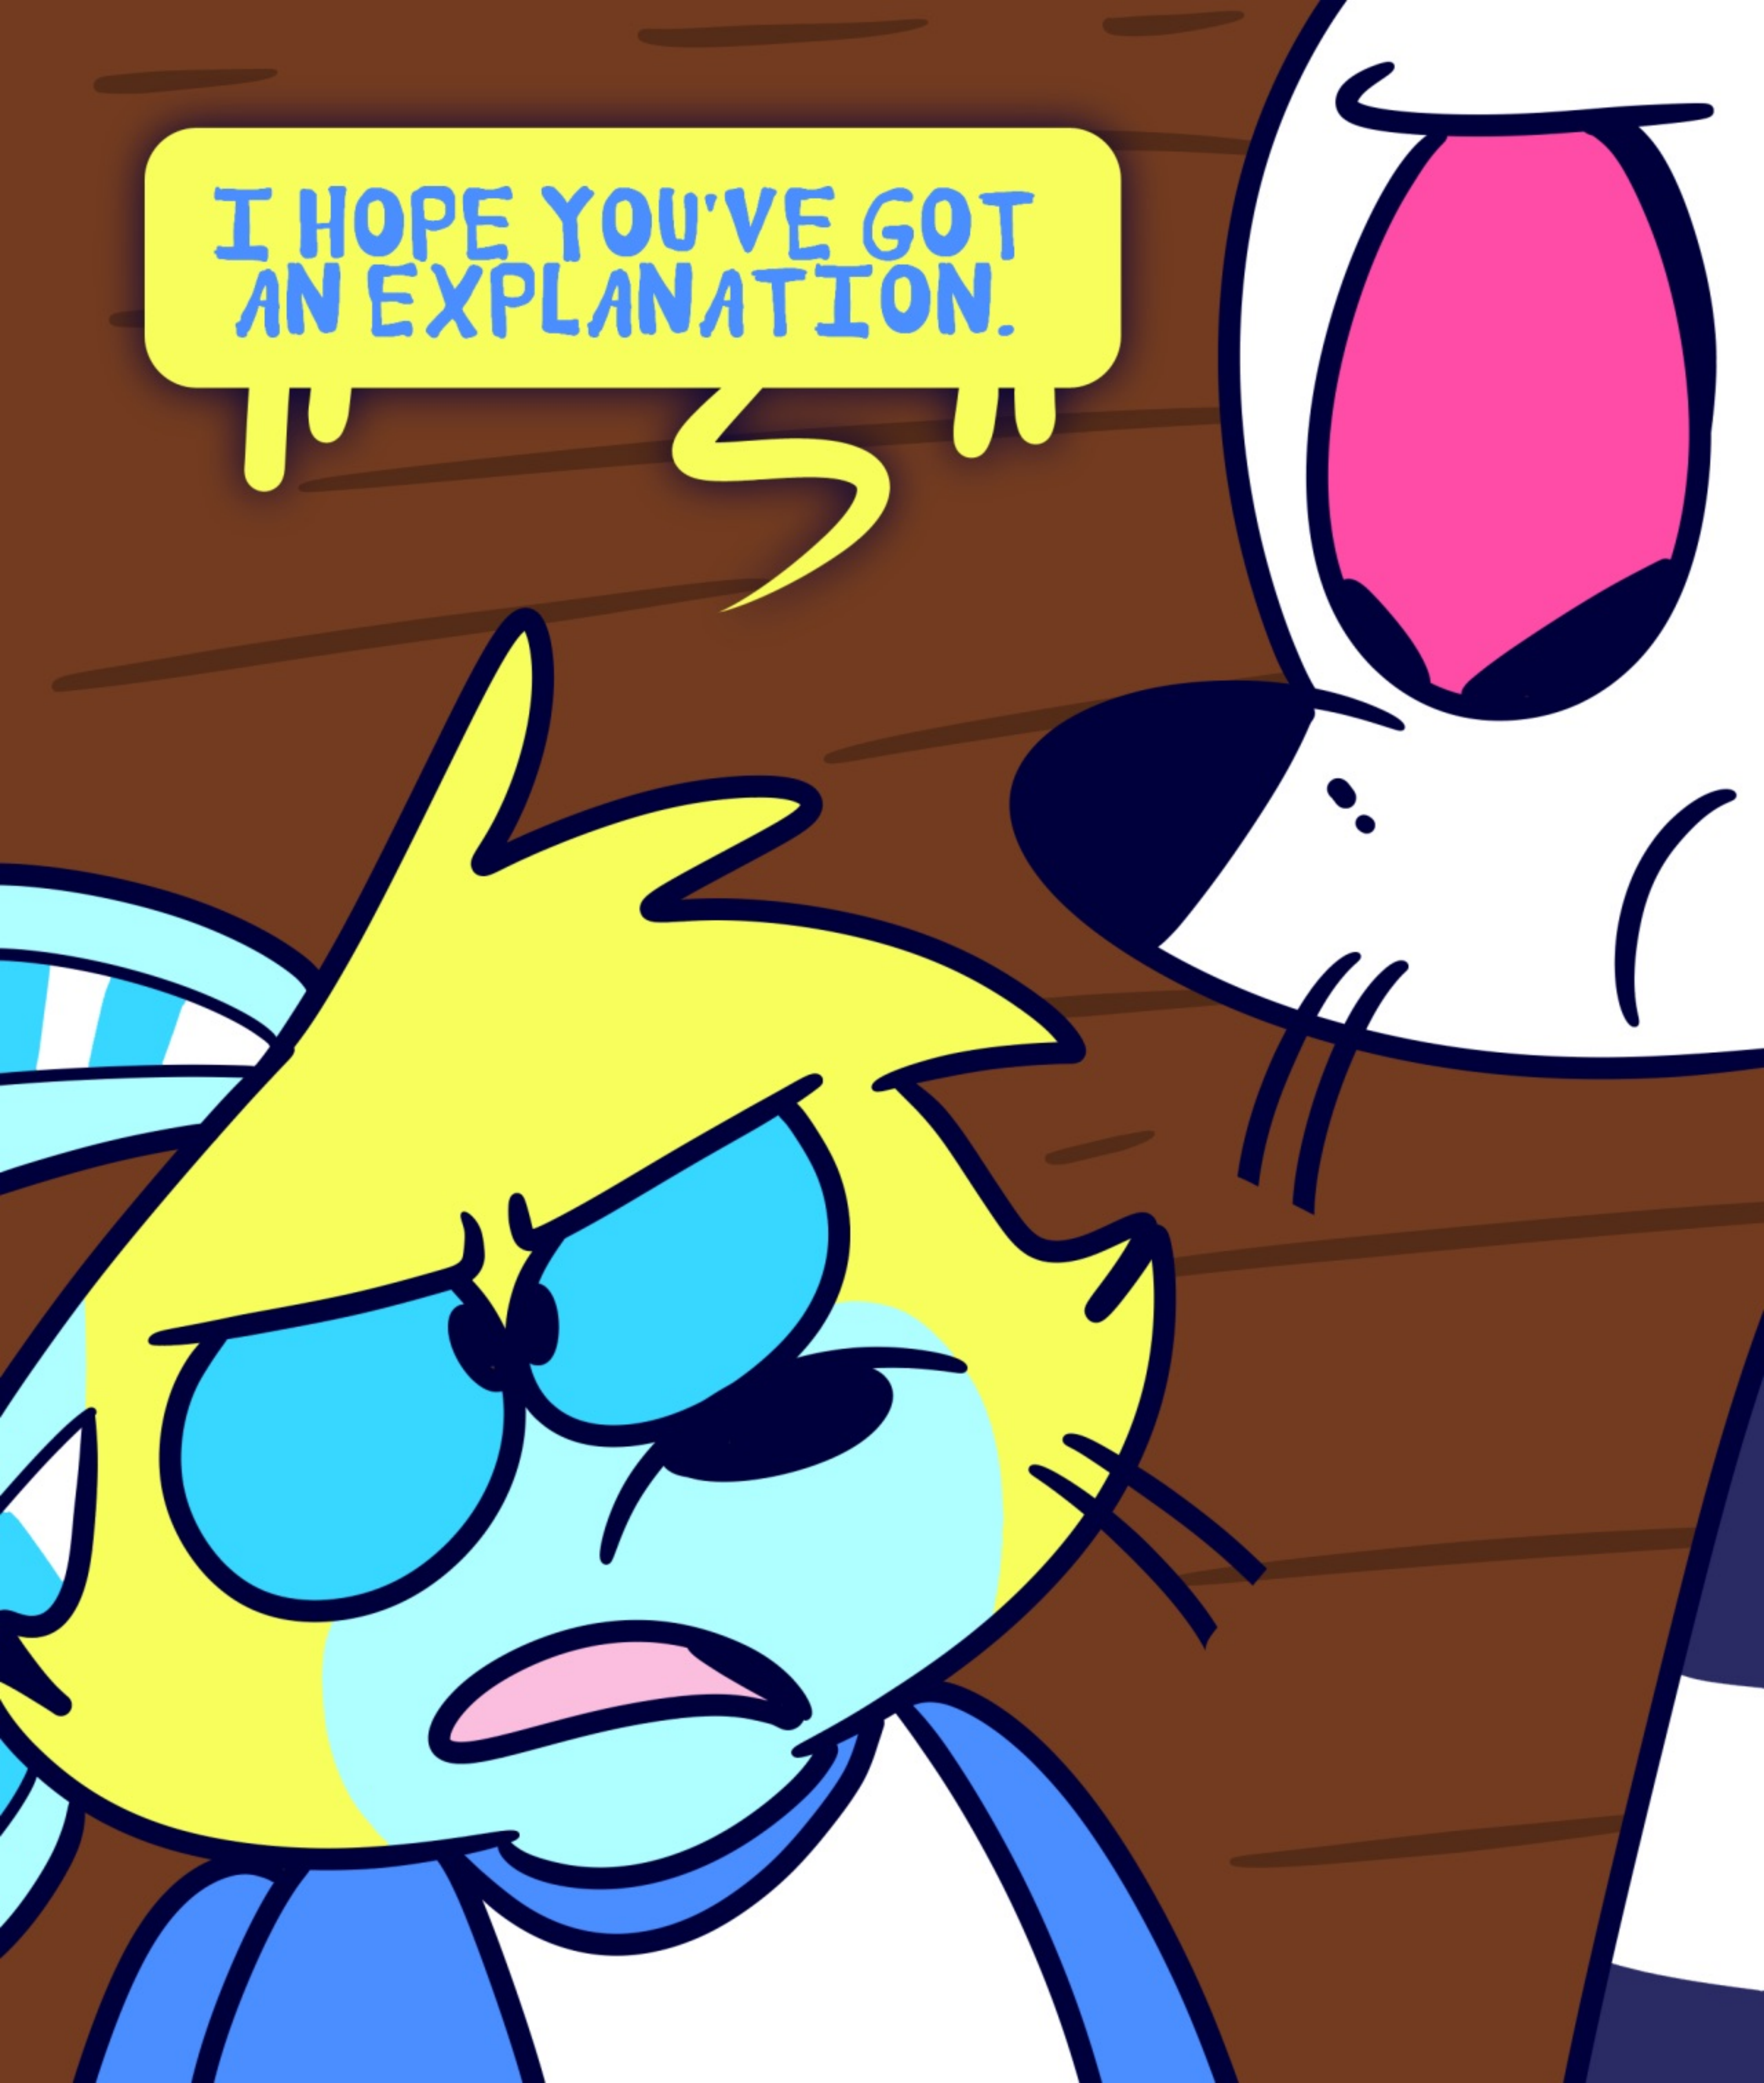
So many people here you could be bothering. Why default to me every time?



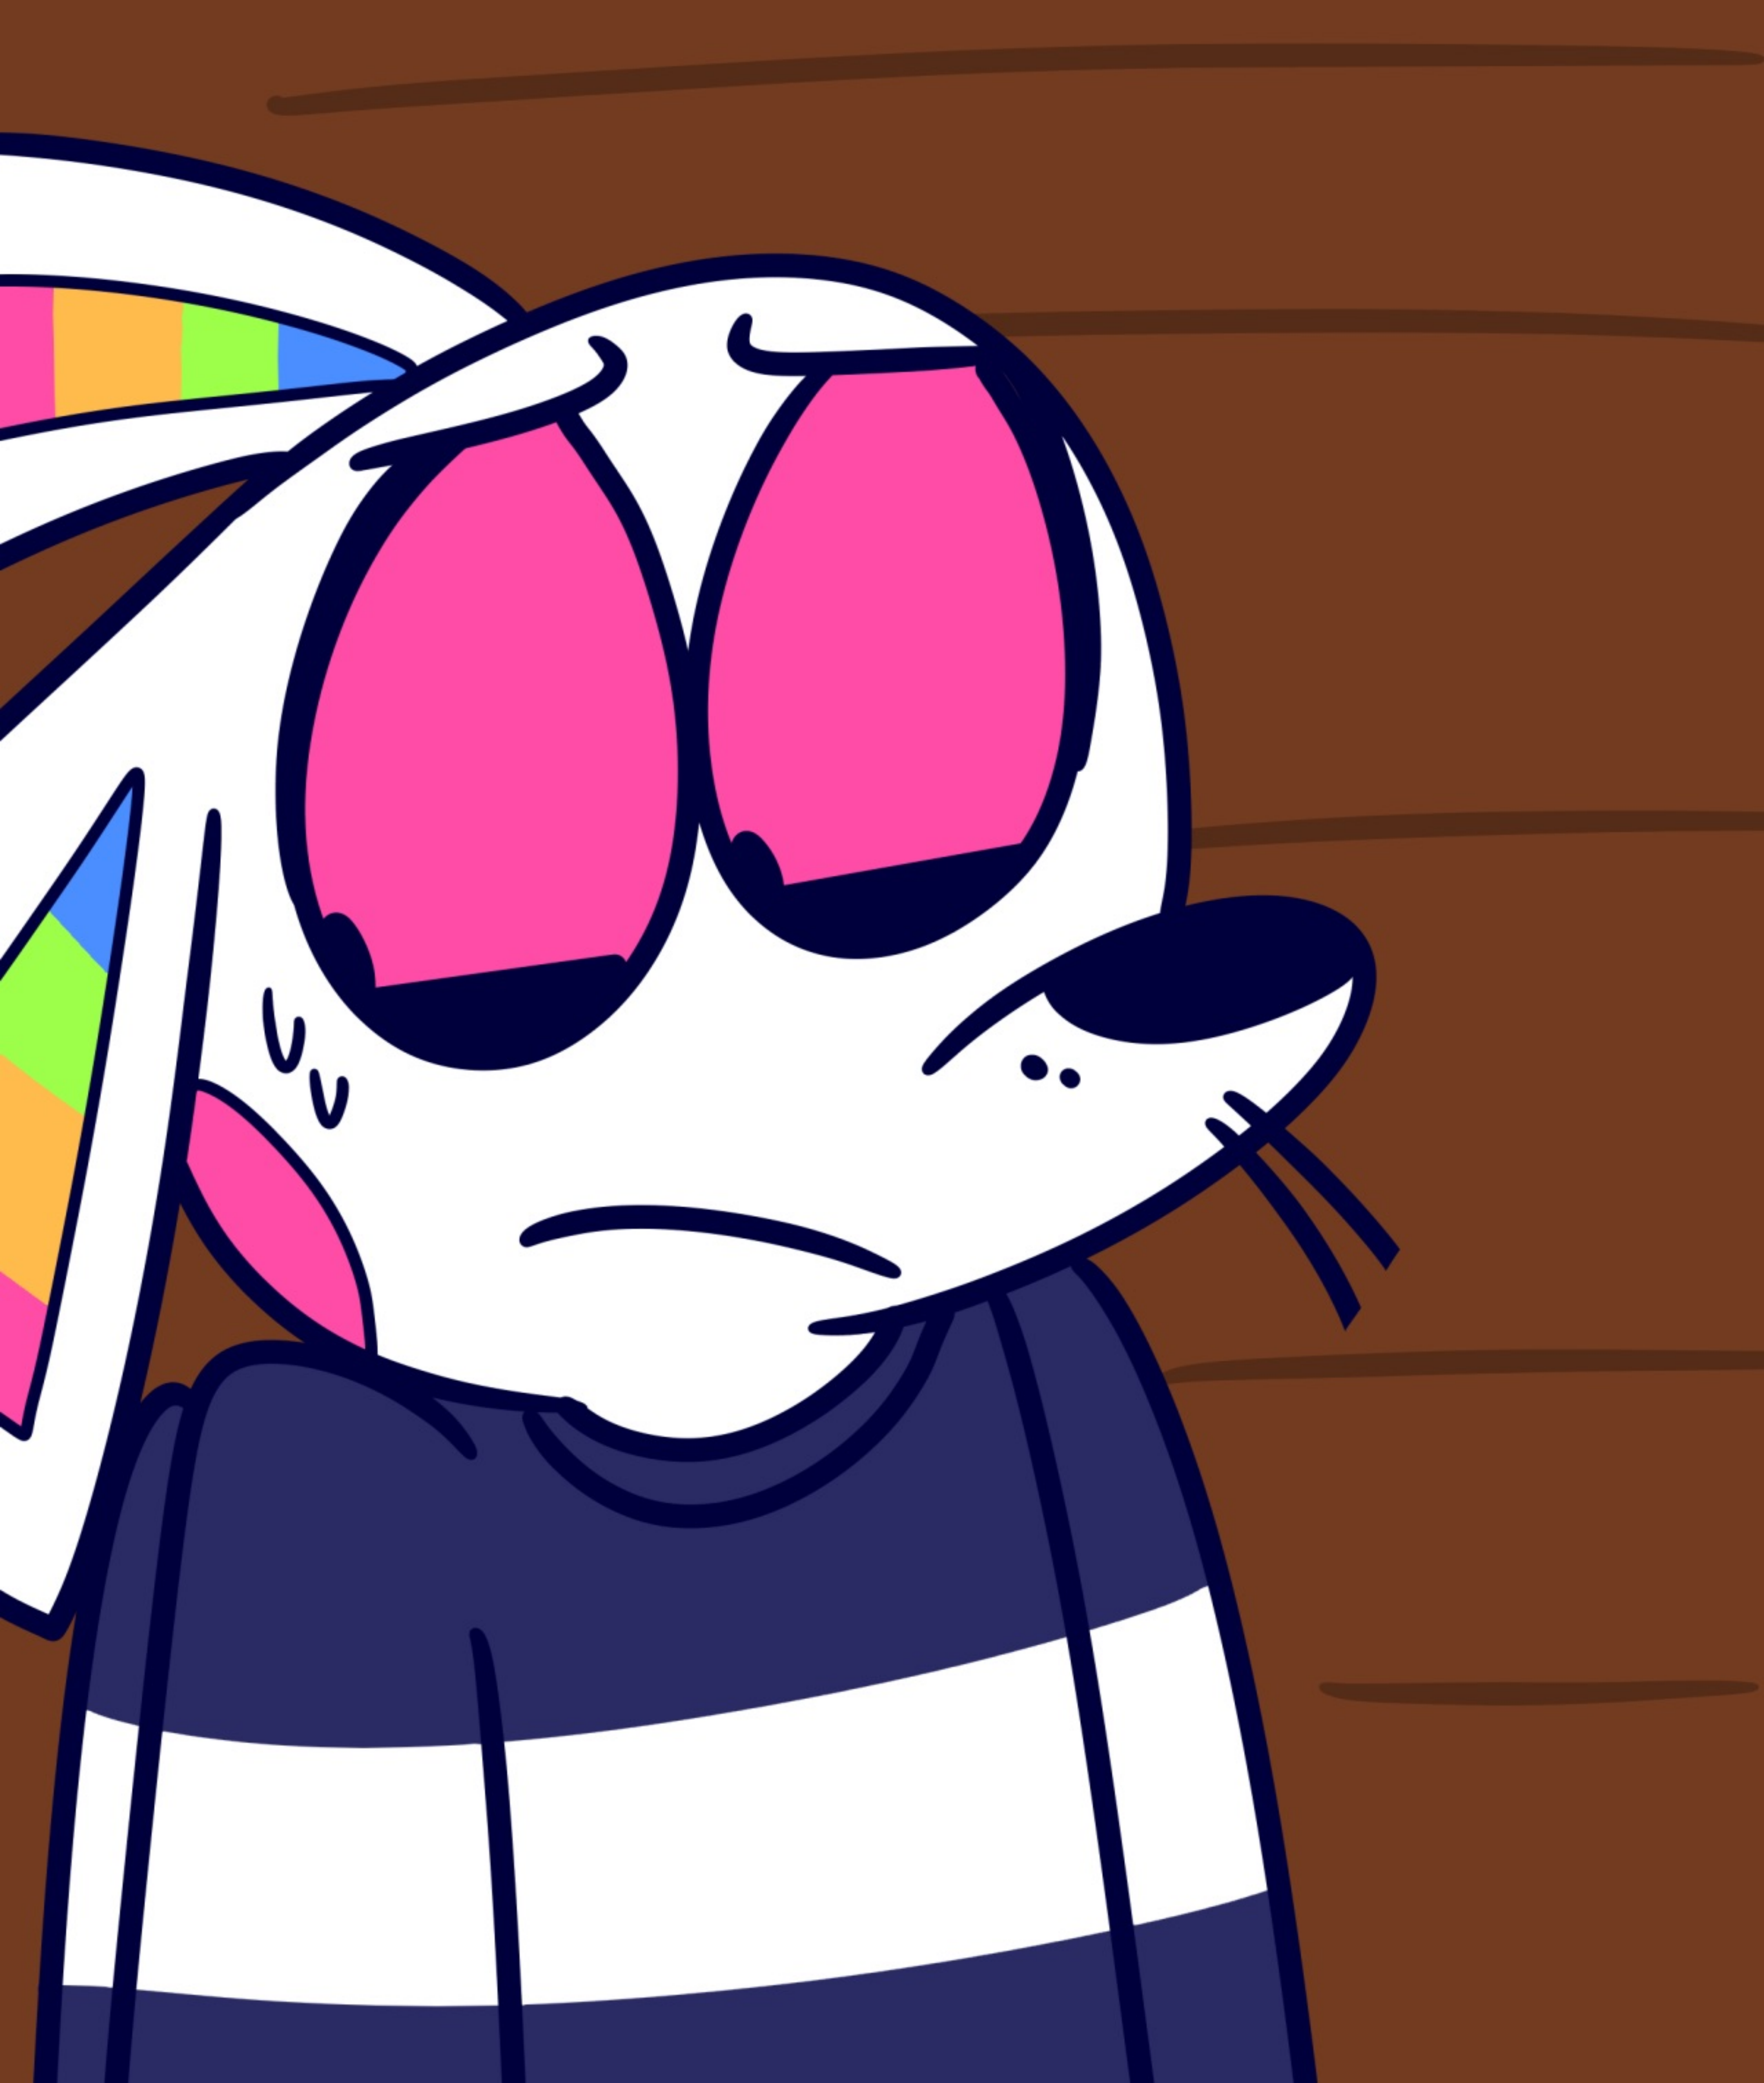
Maybe I'm attached to you.
GET AMPUTATED.

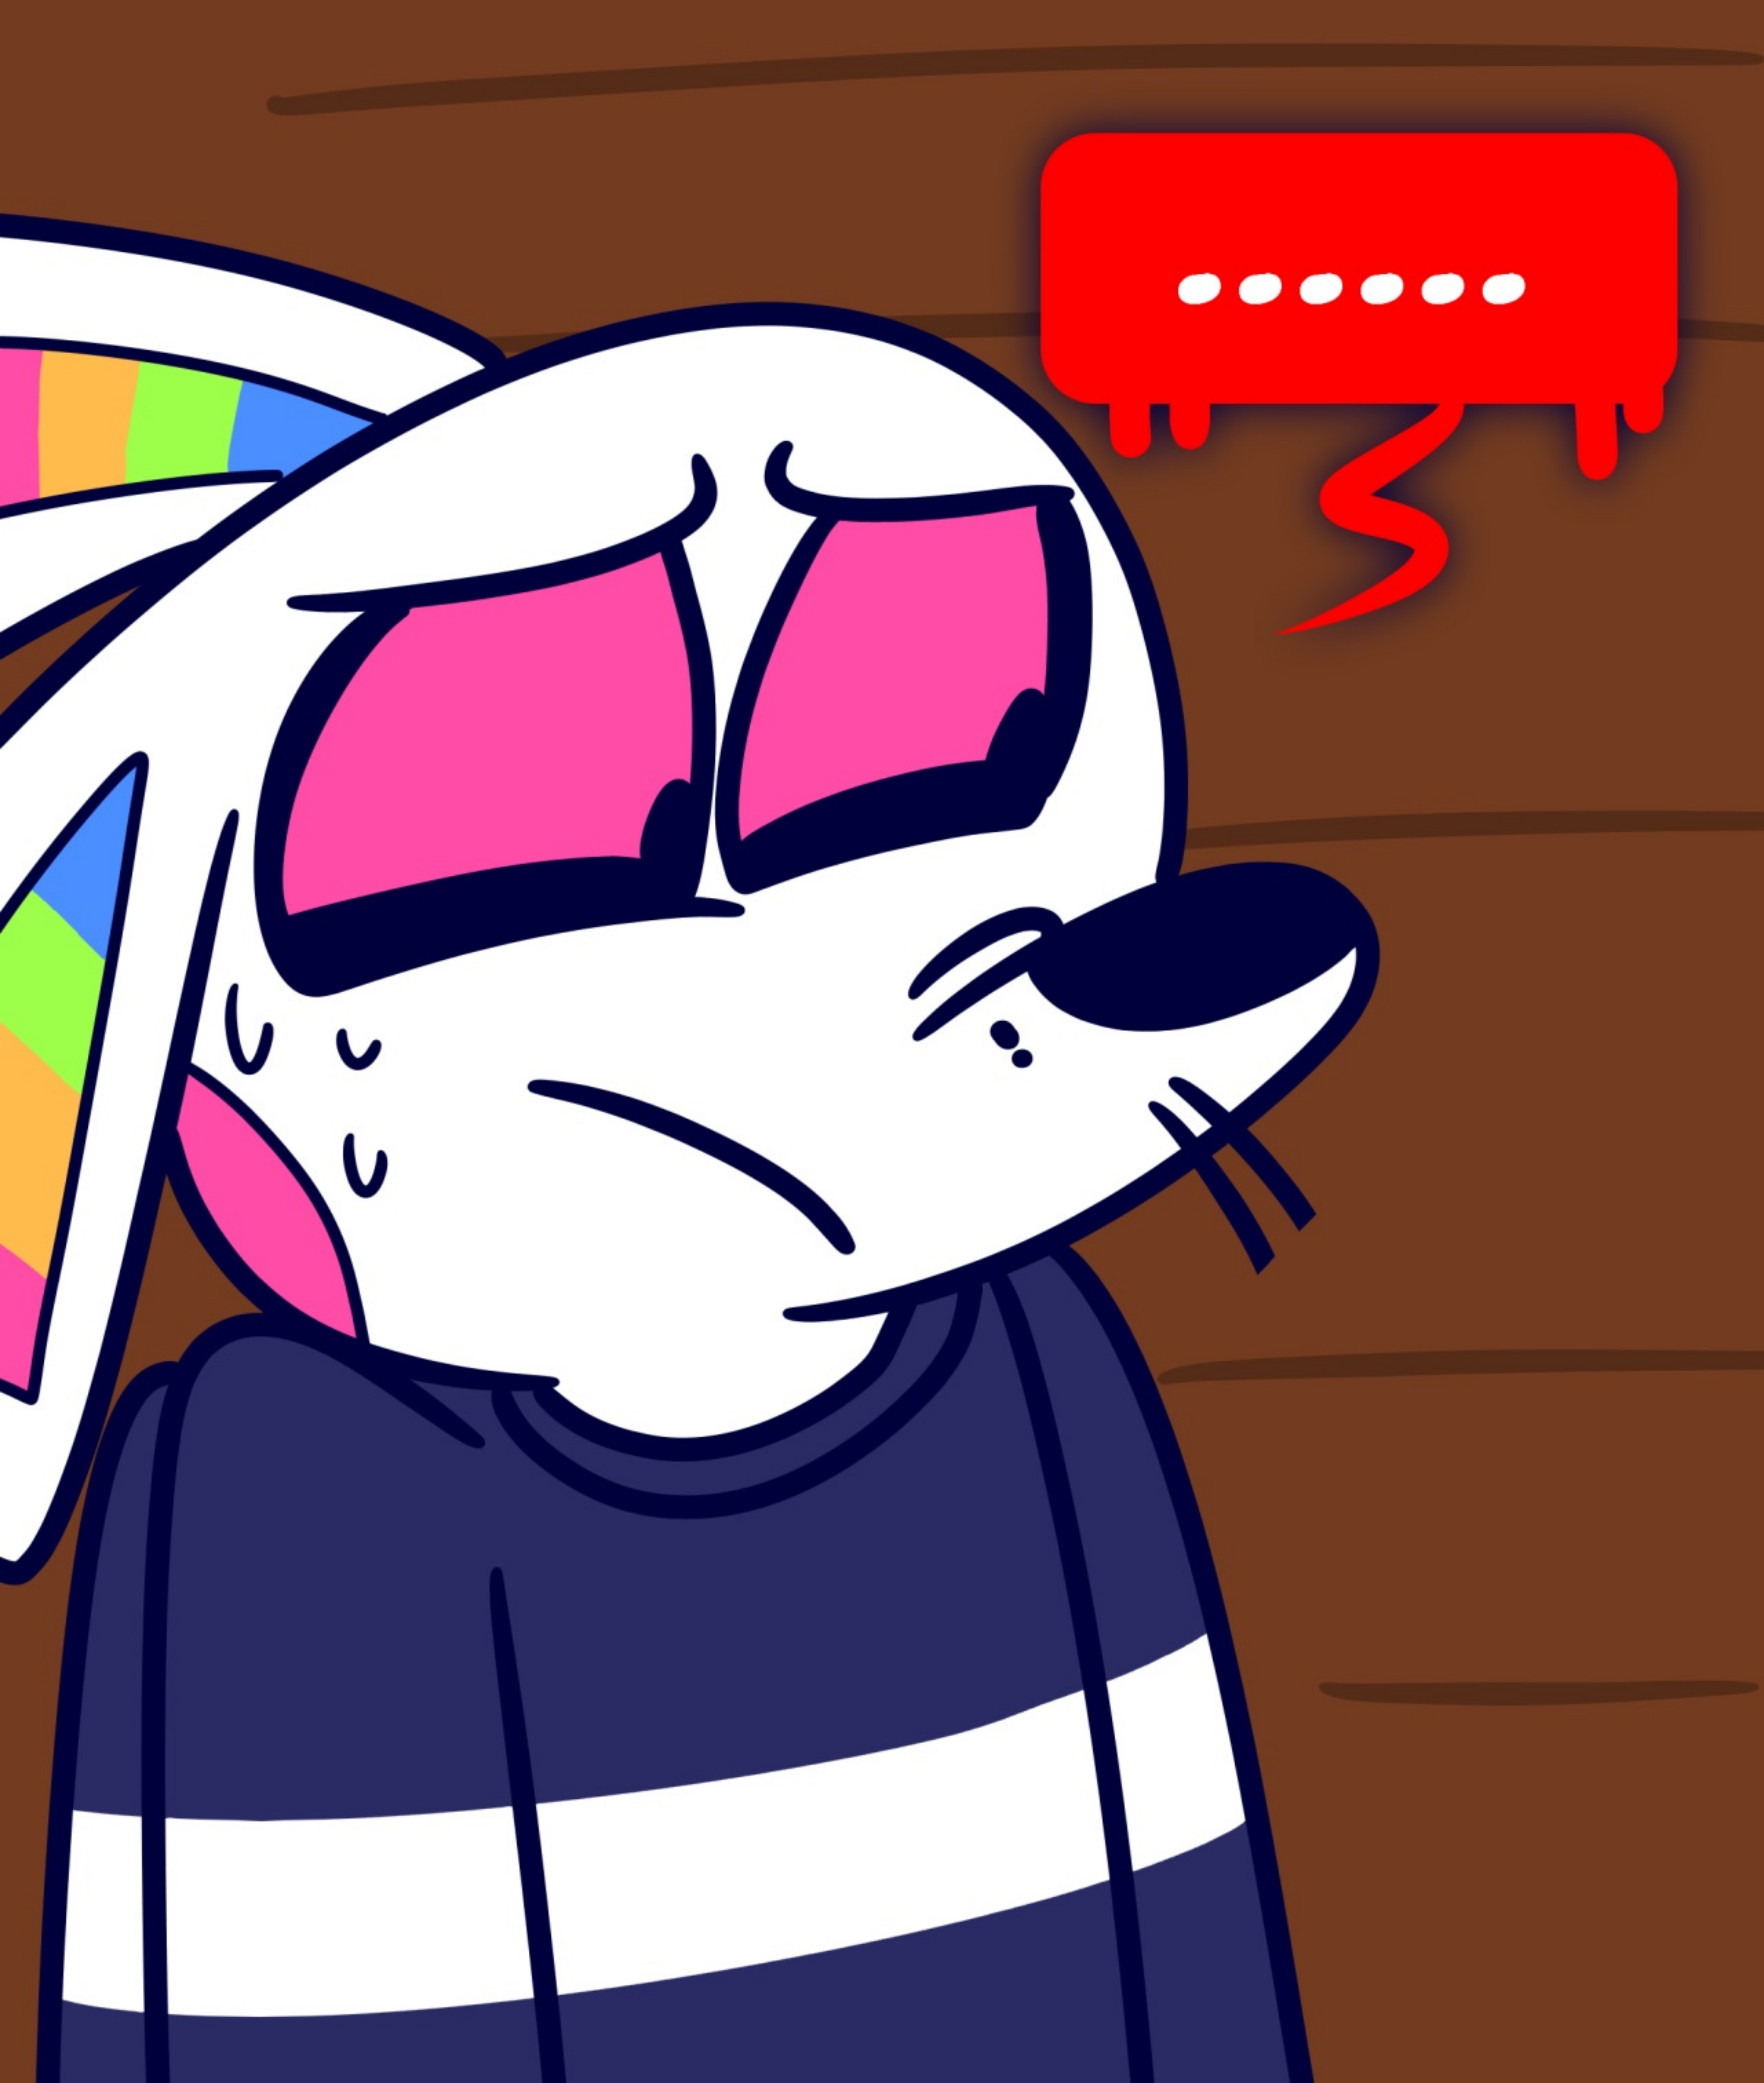


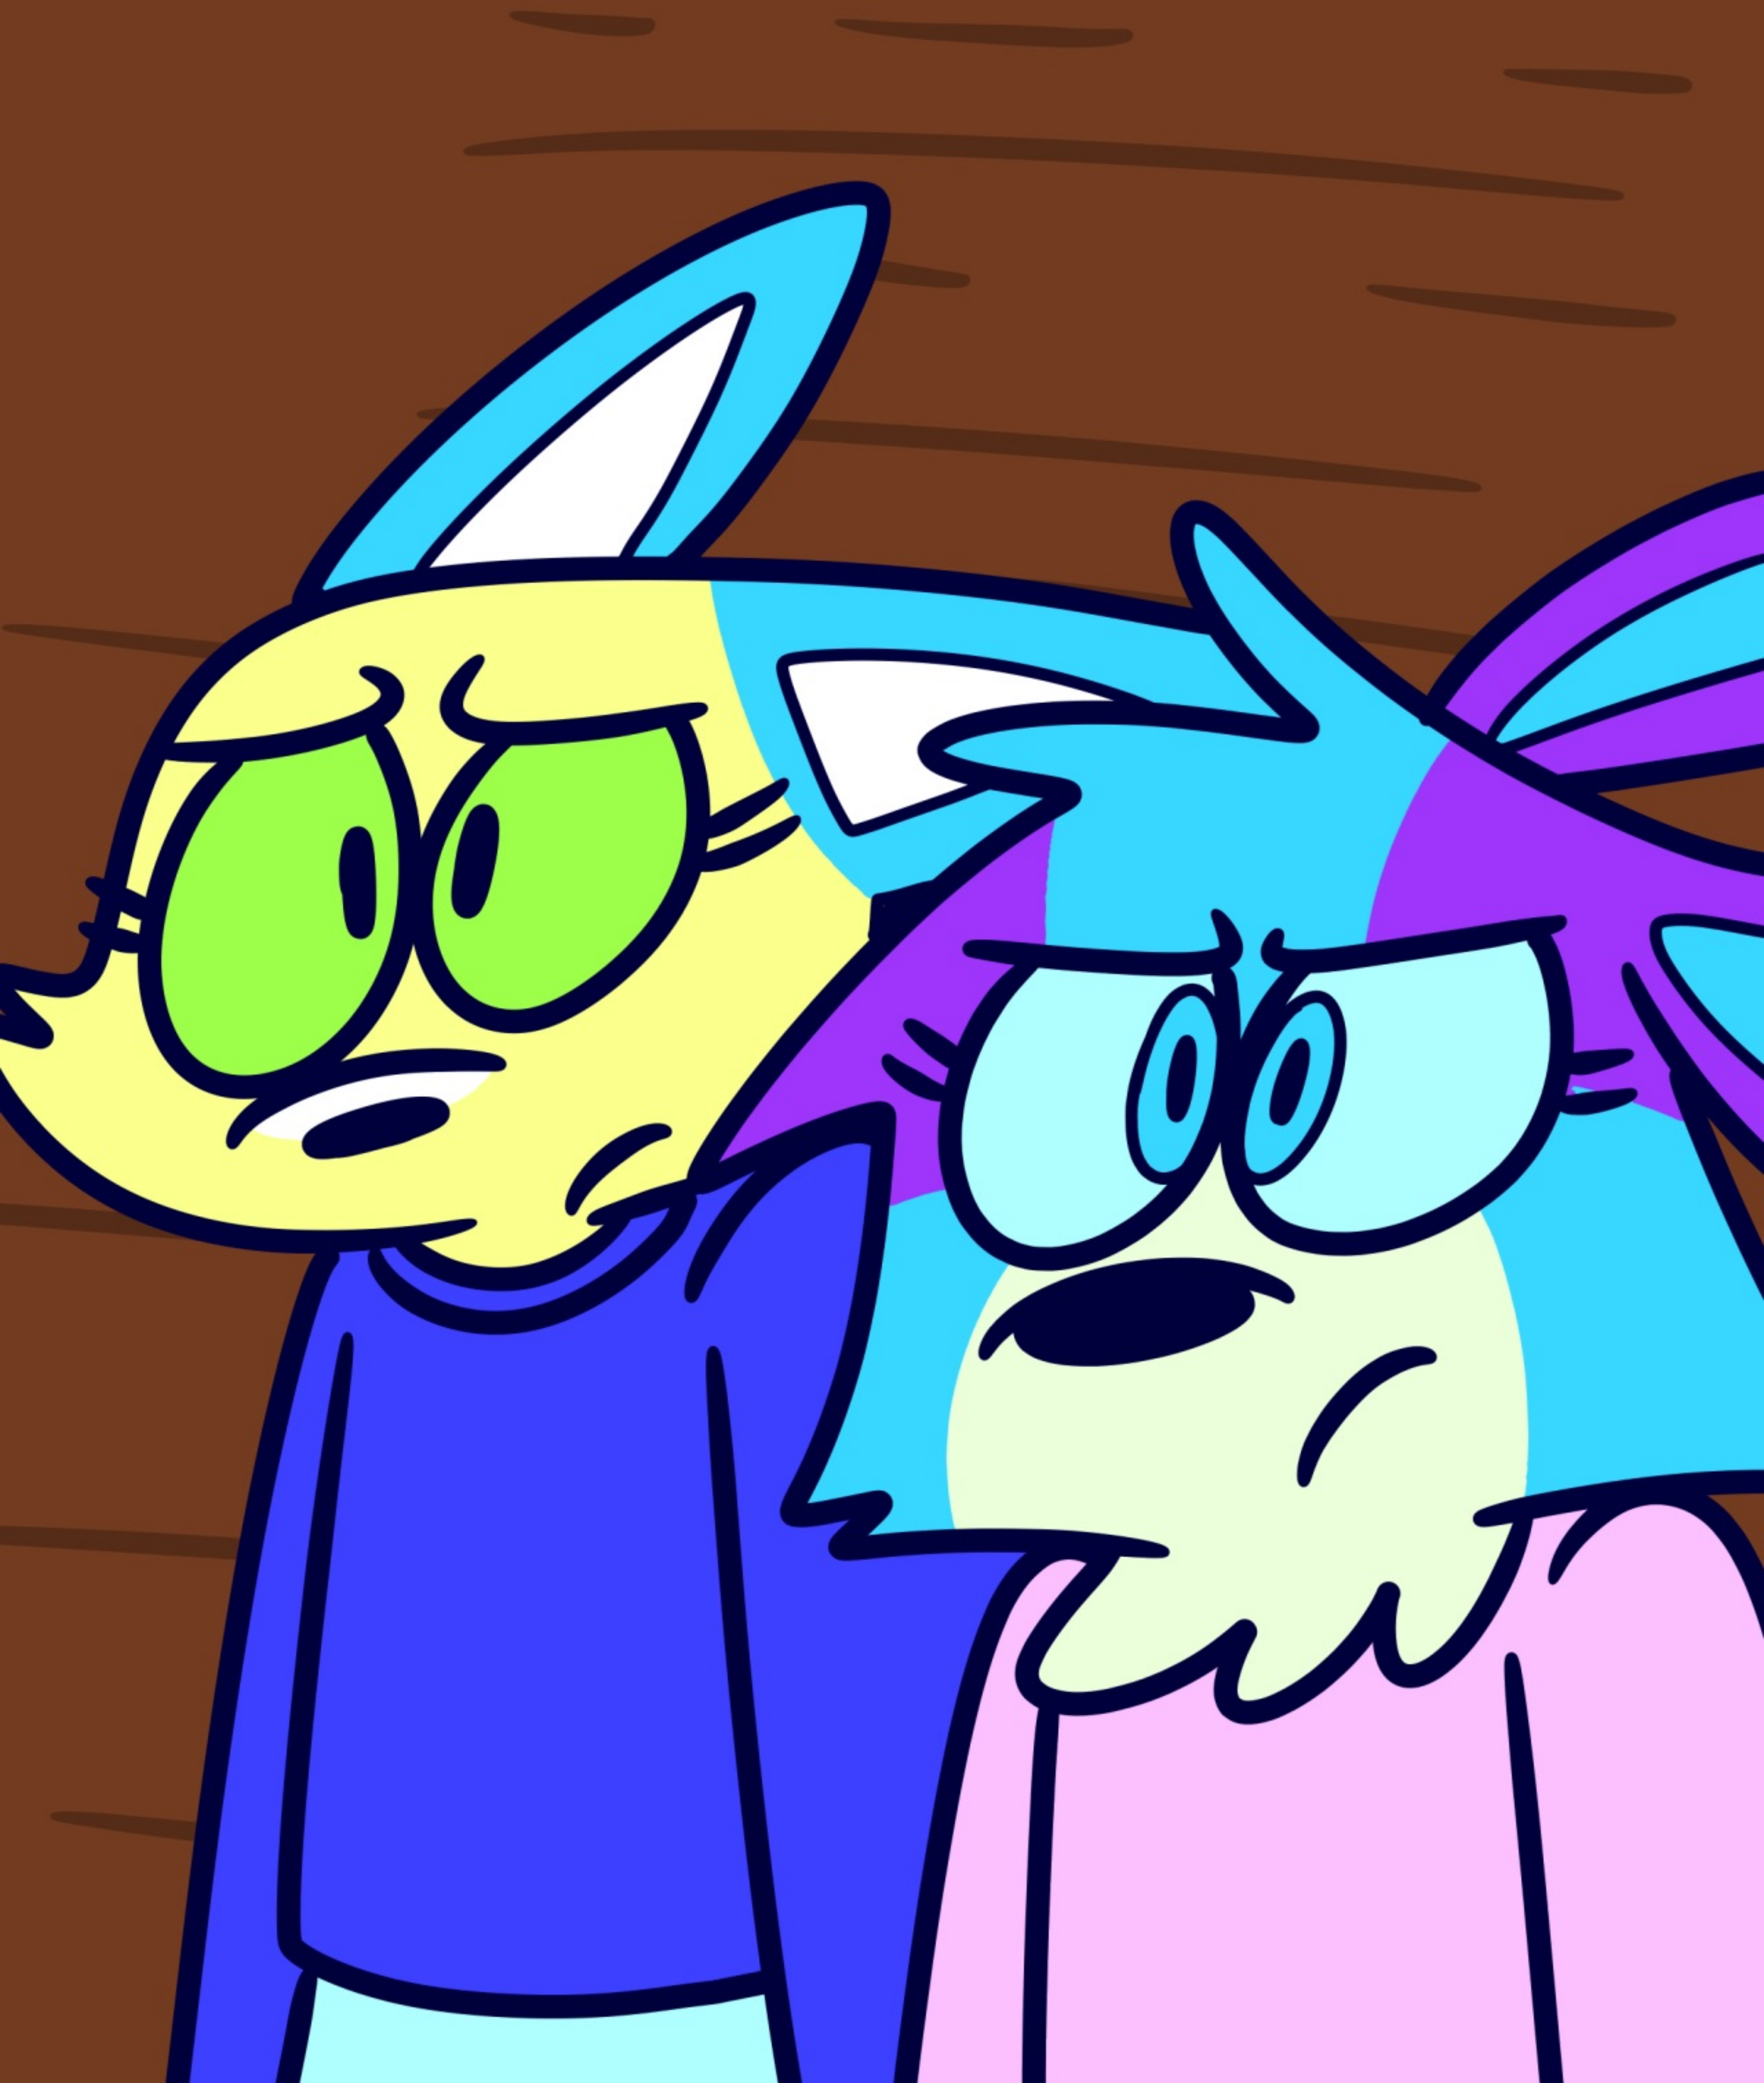
....HEY.

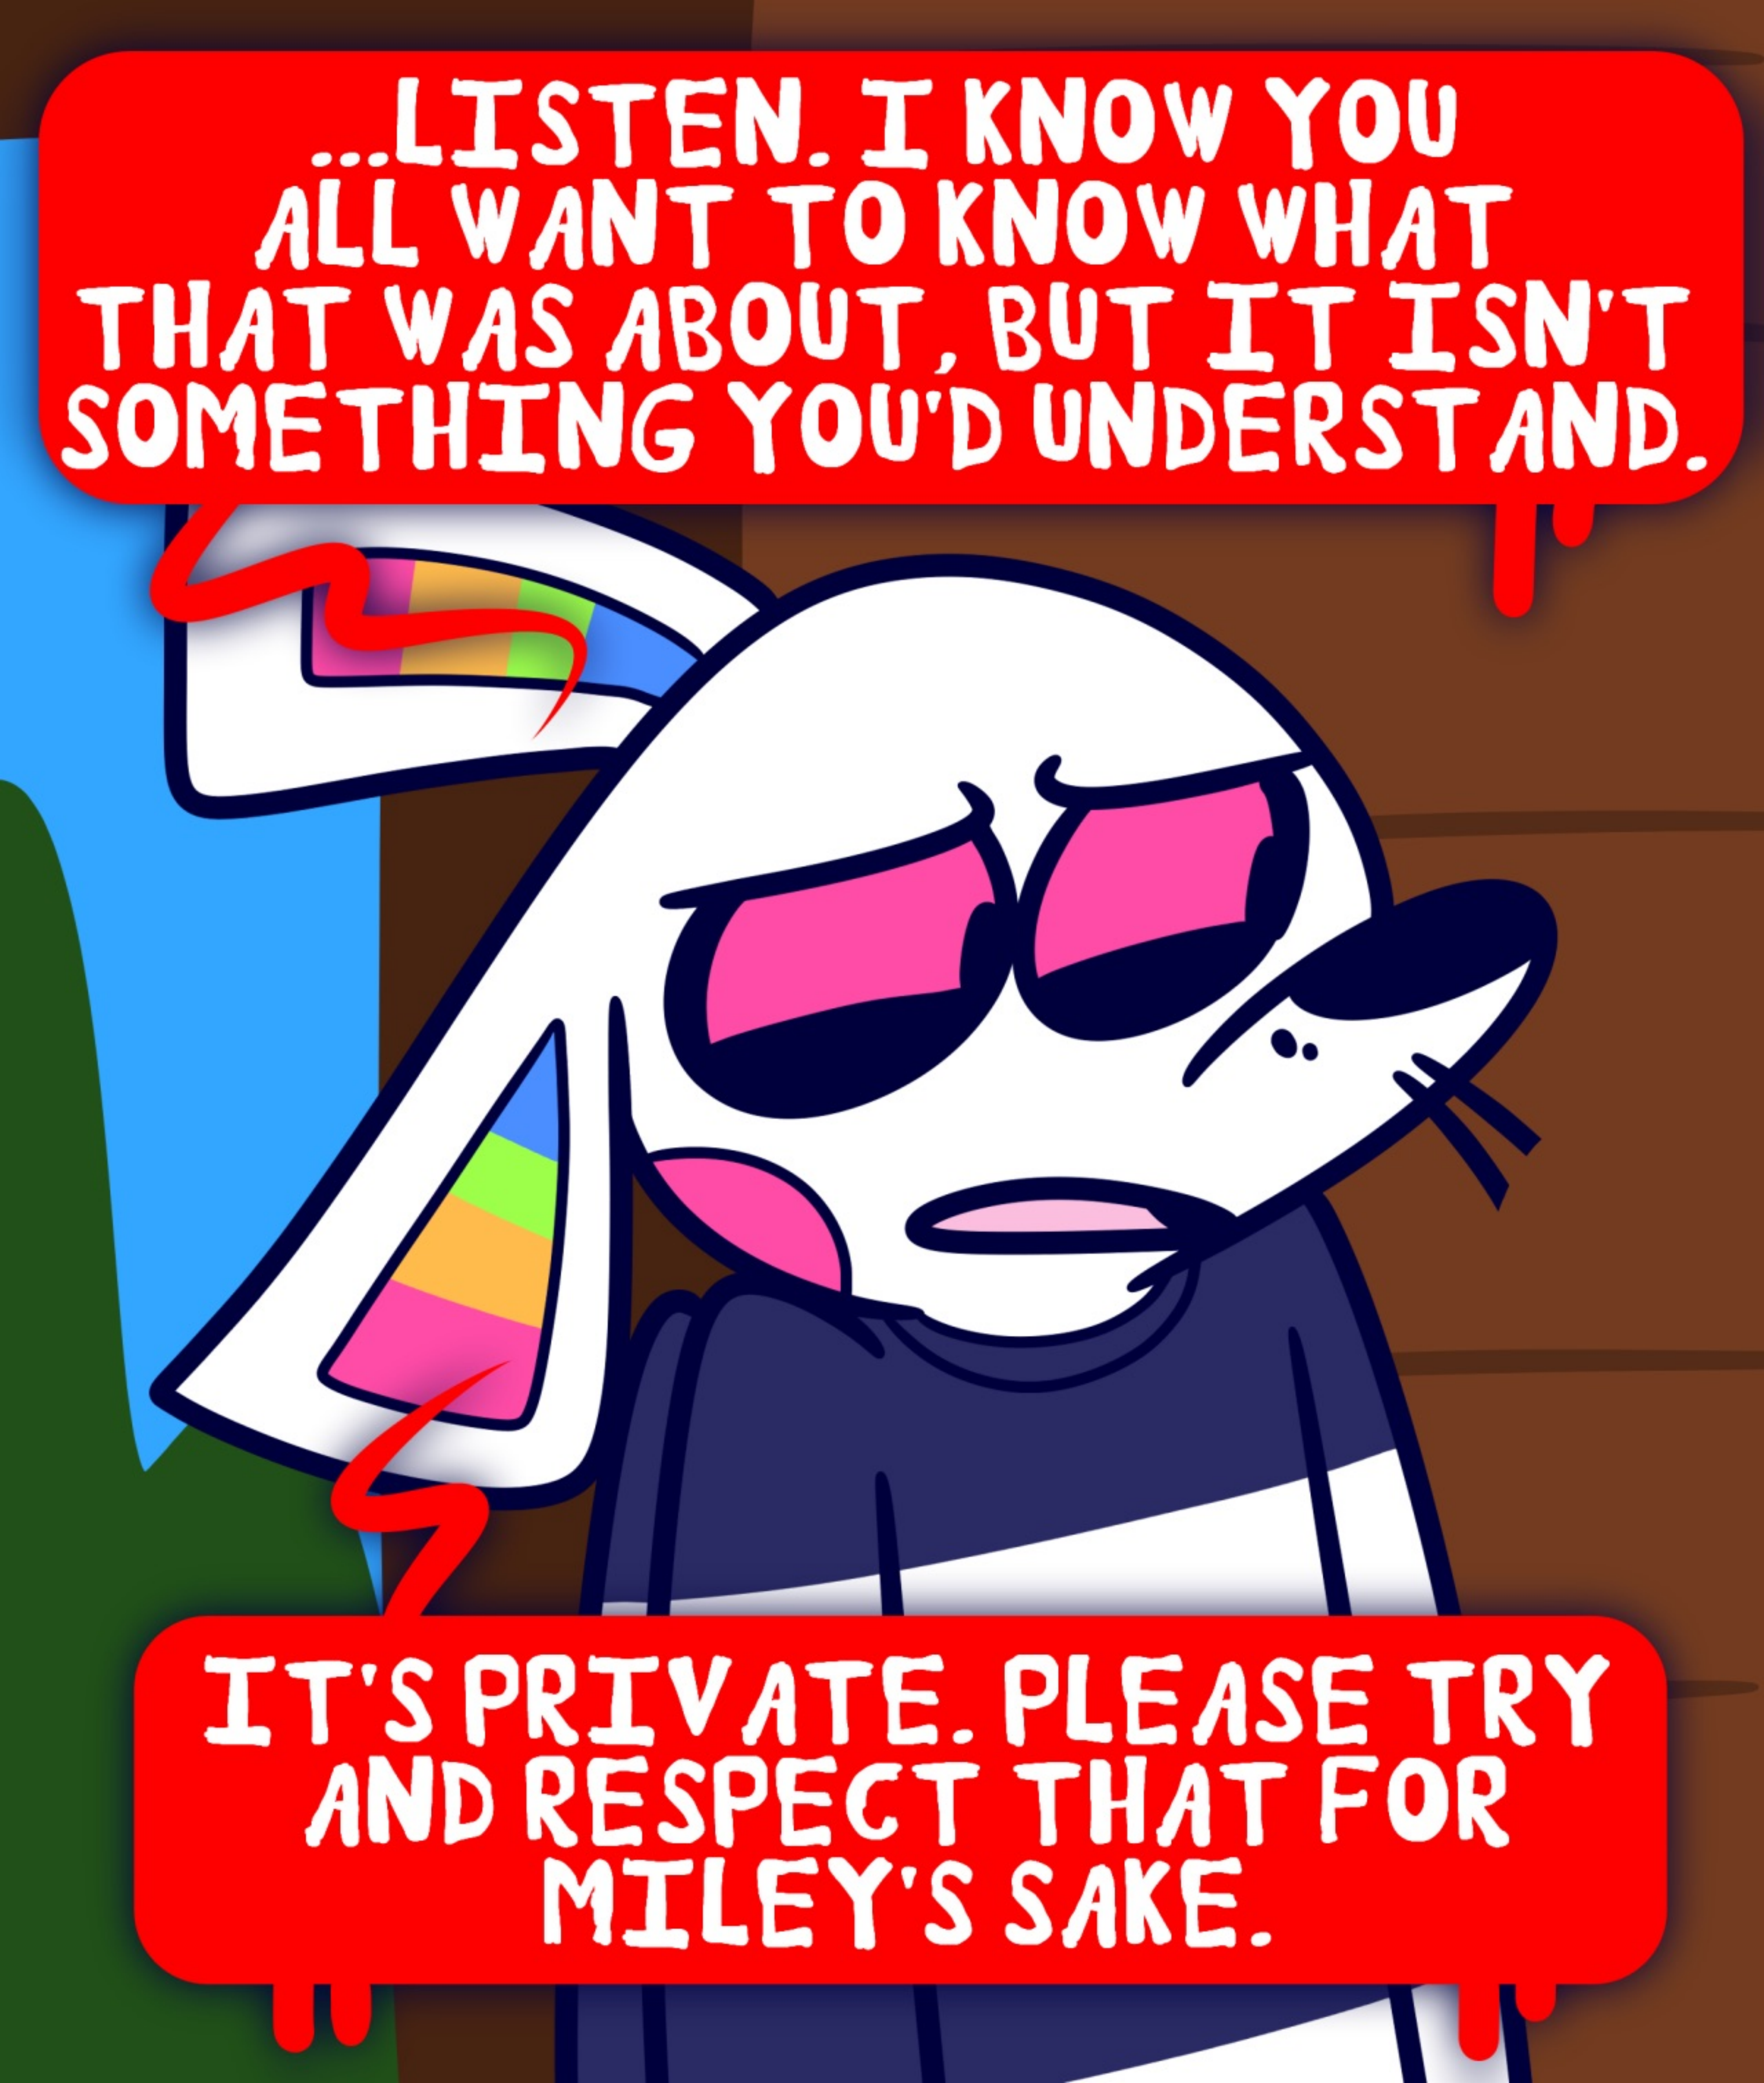


I HOPE YOU'VE GOT AN EXPLANATION.

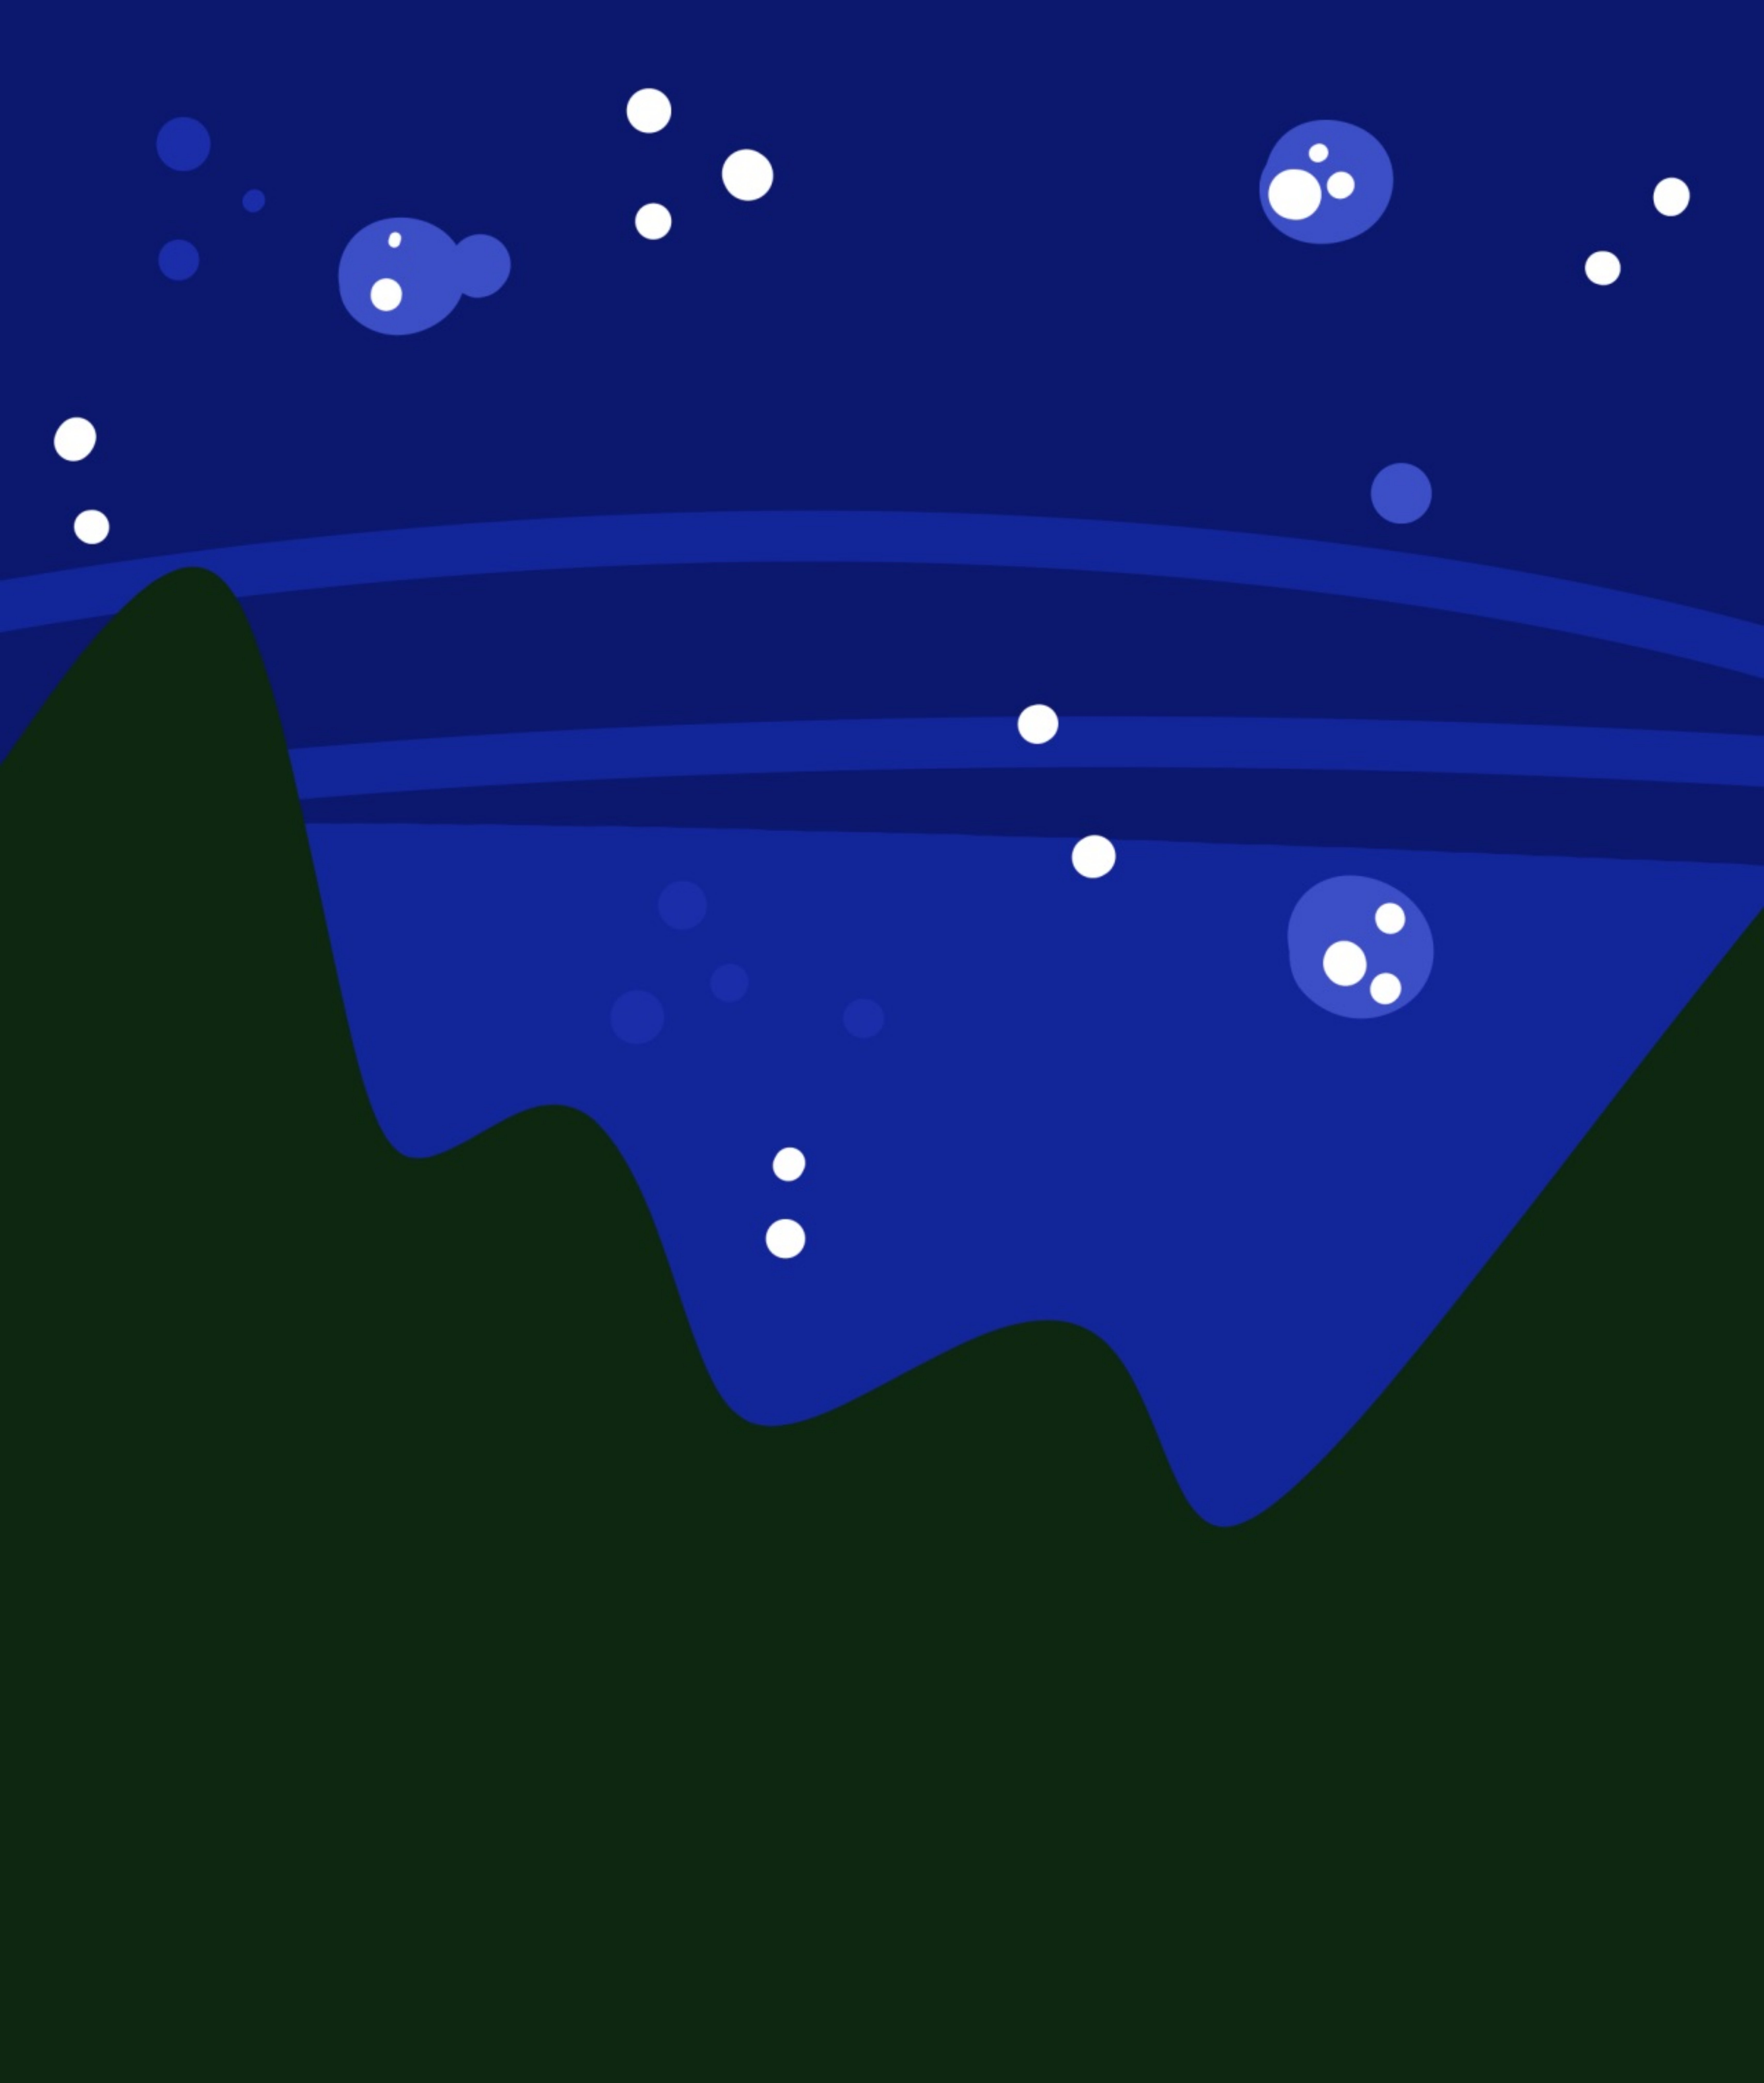


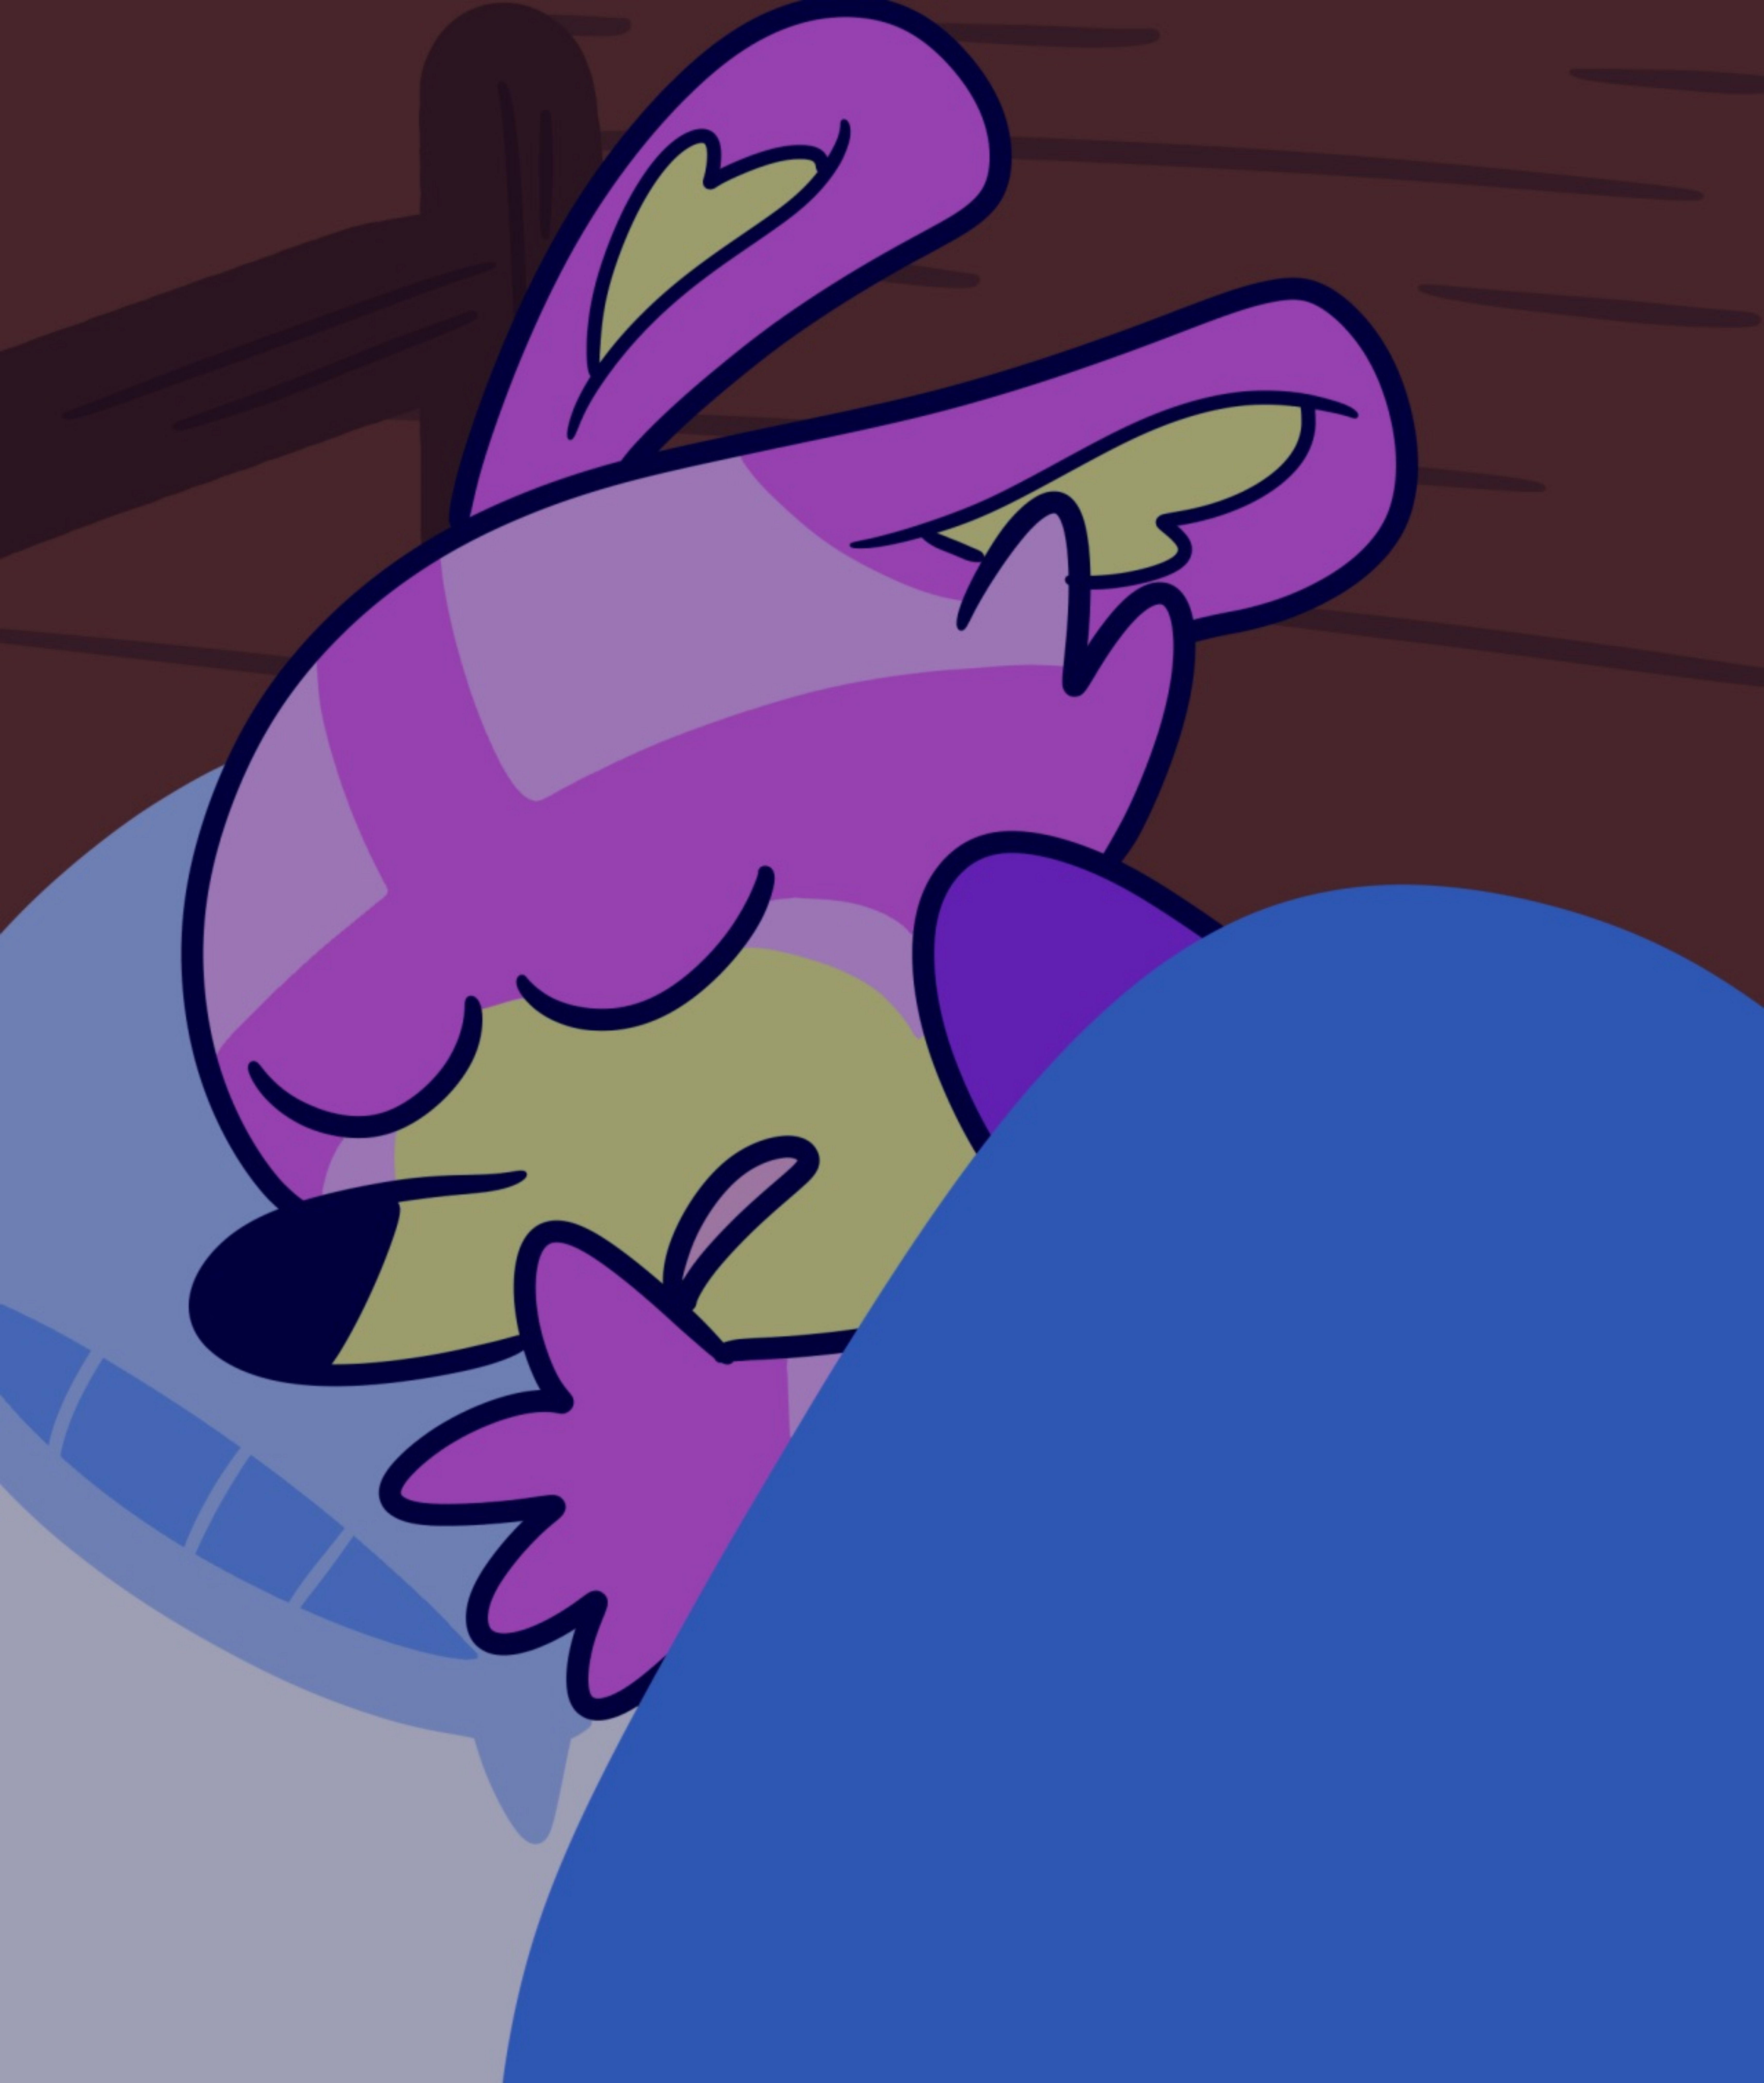


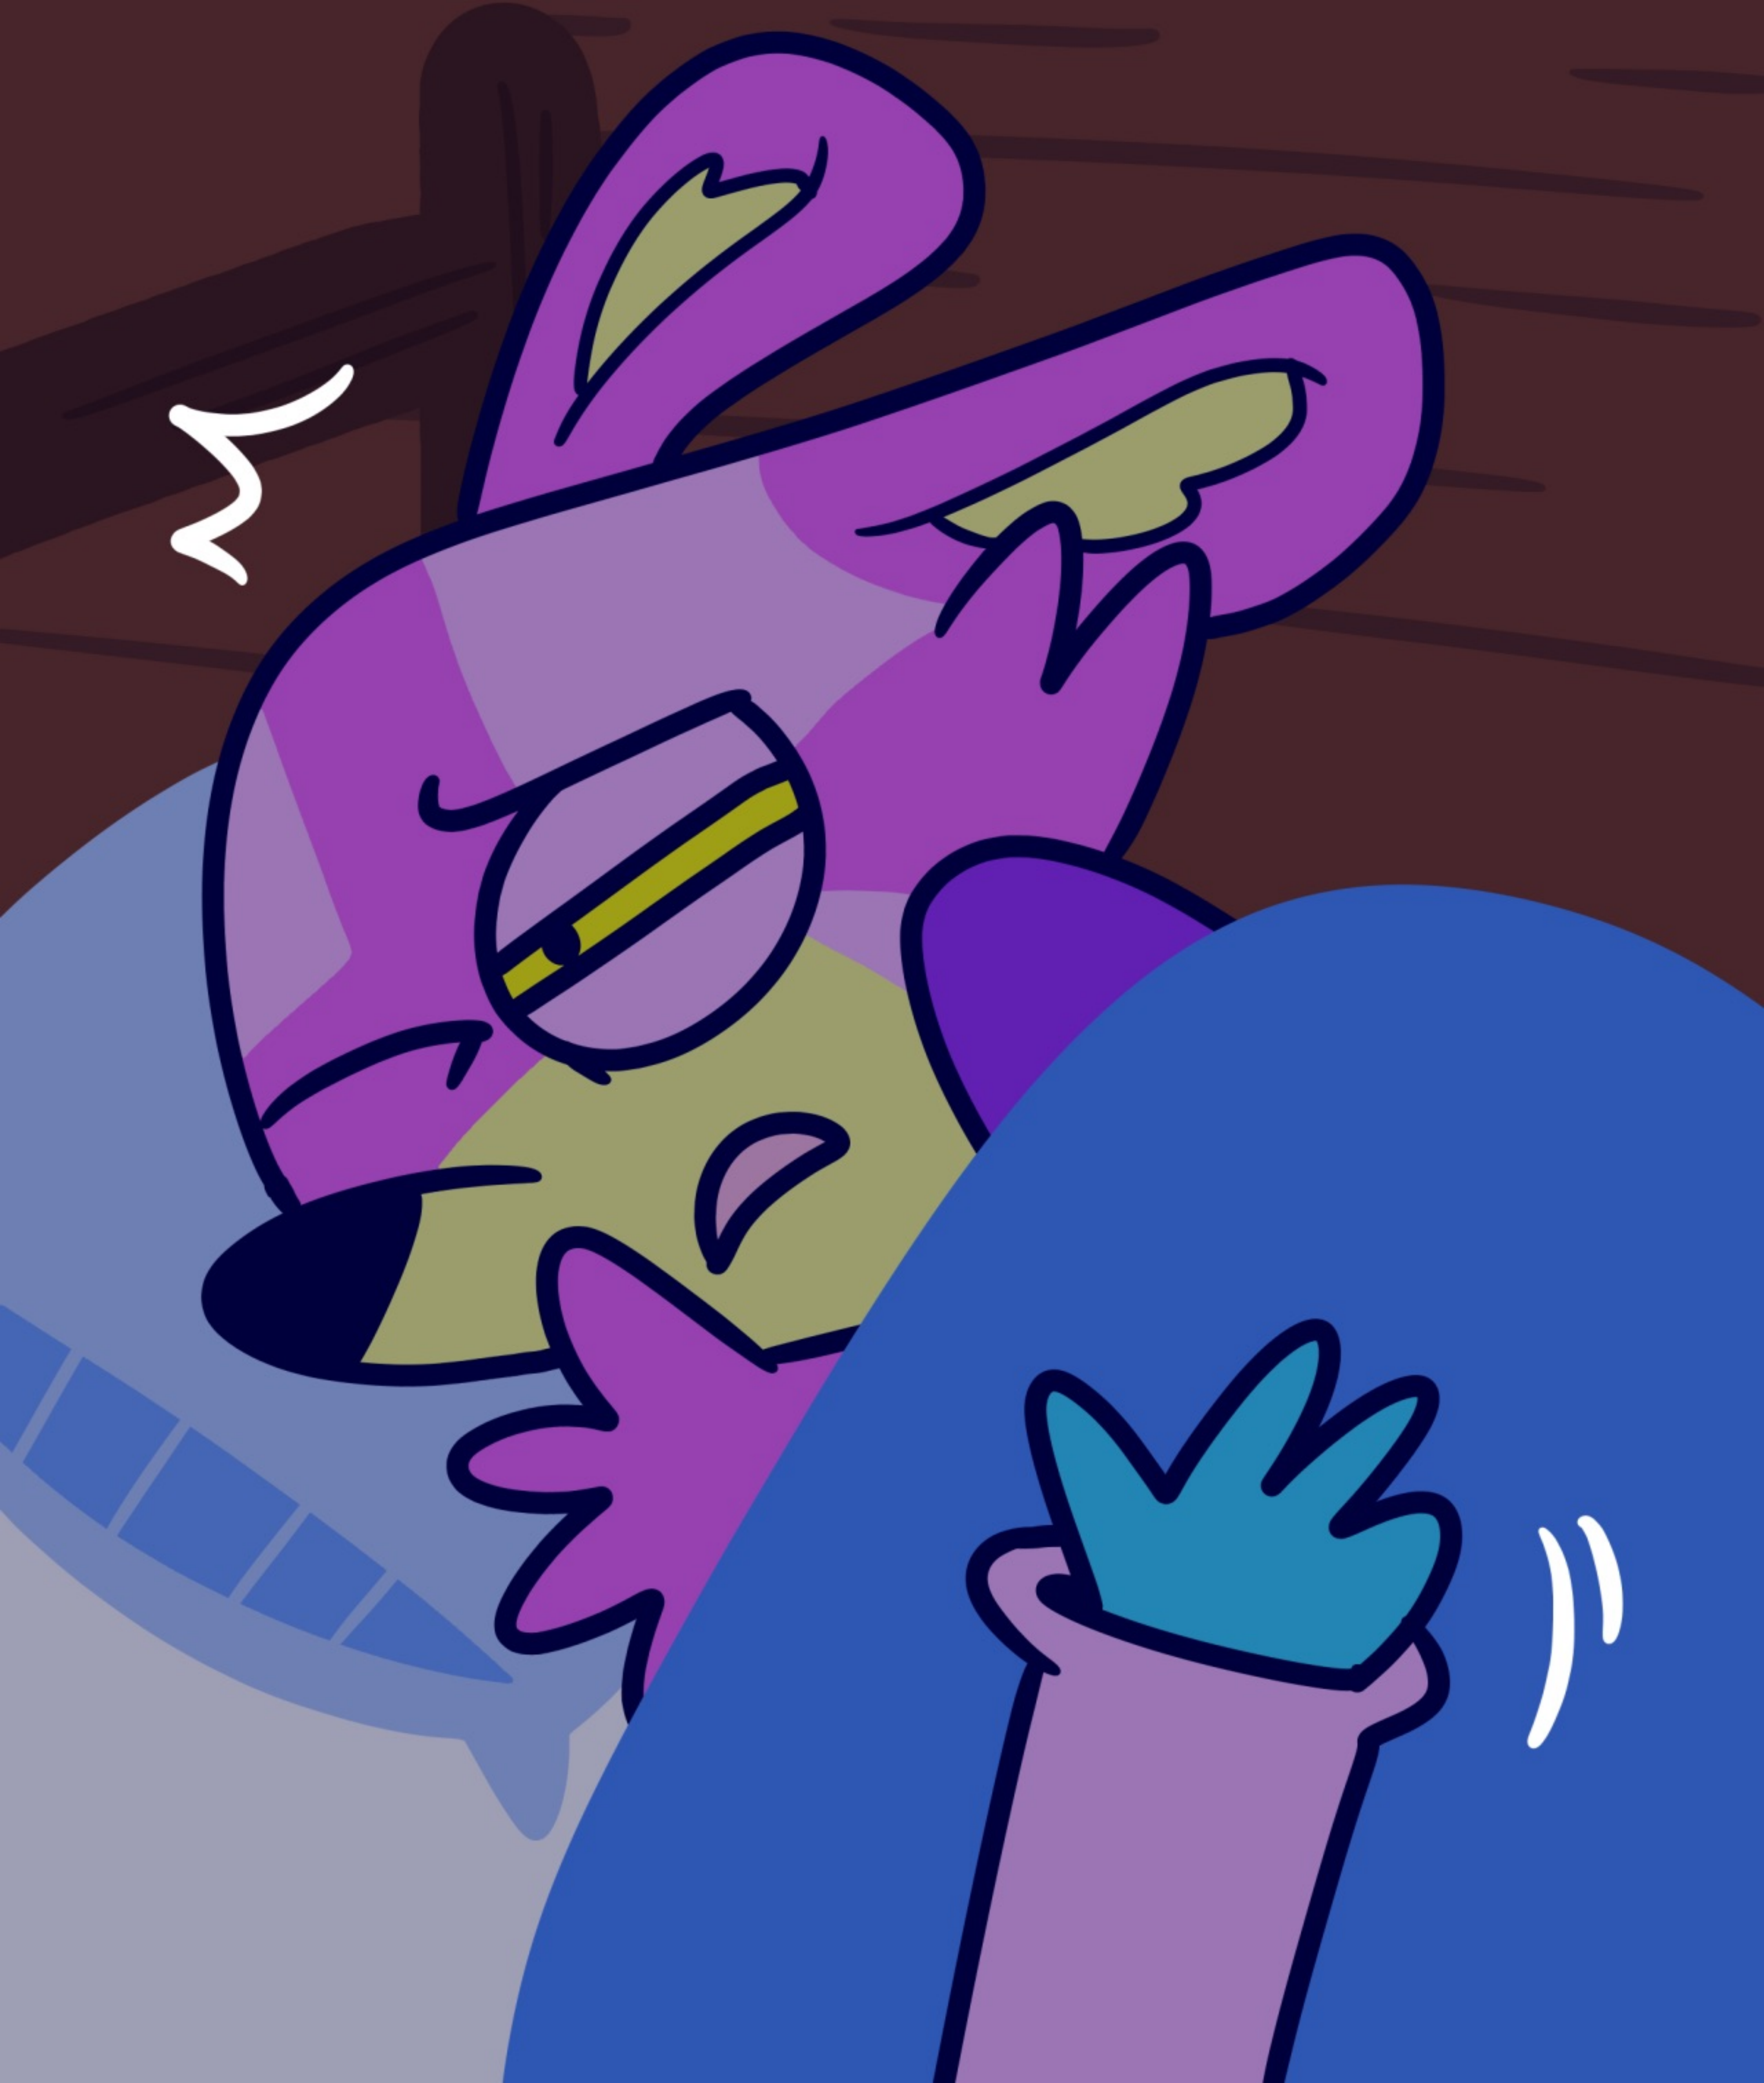


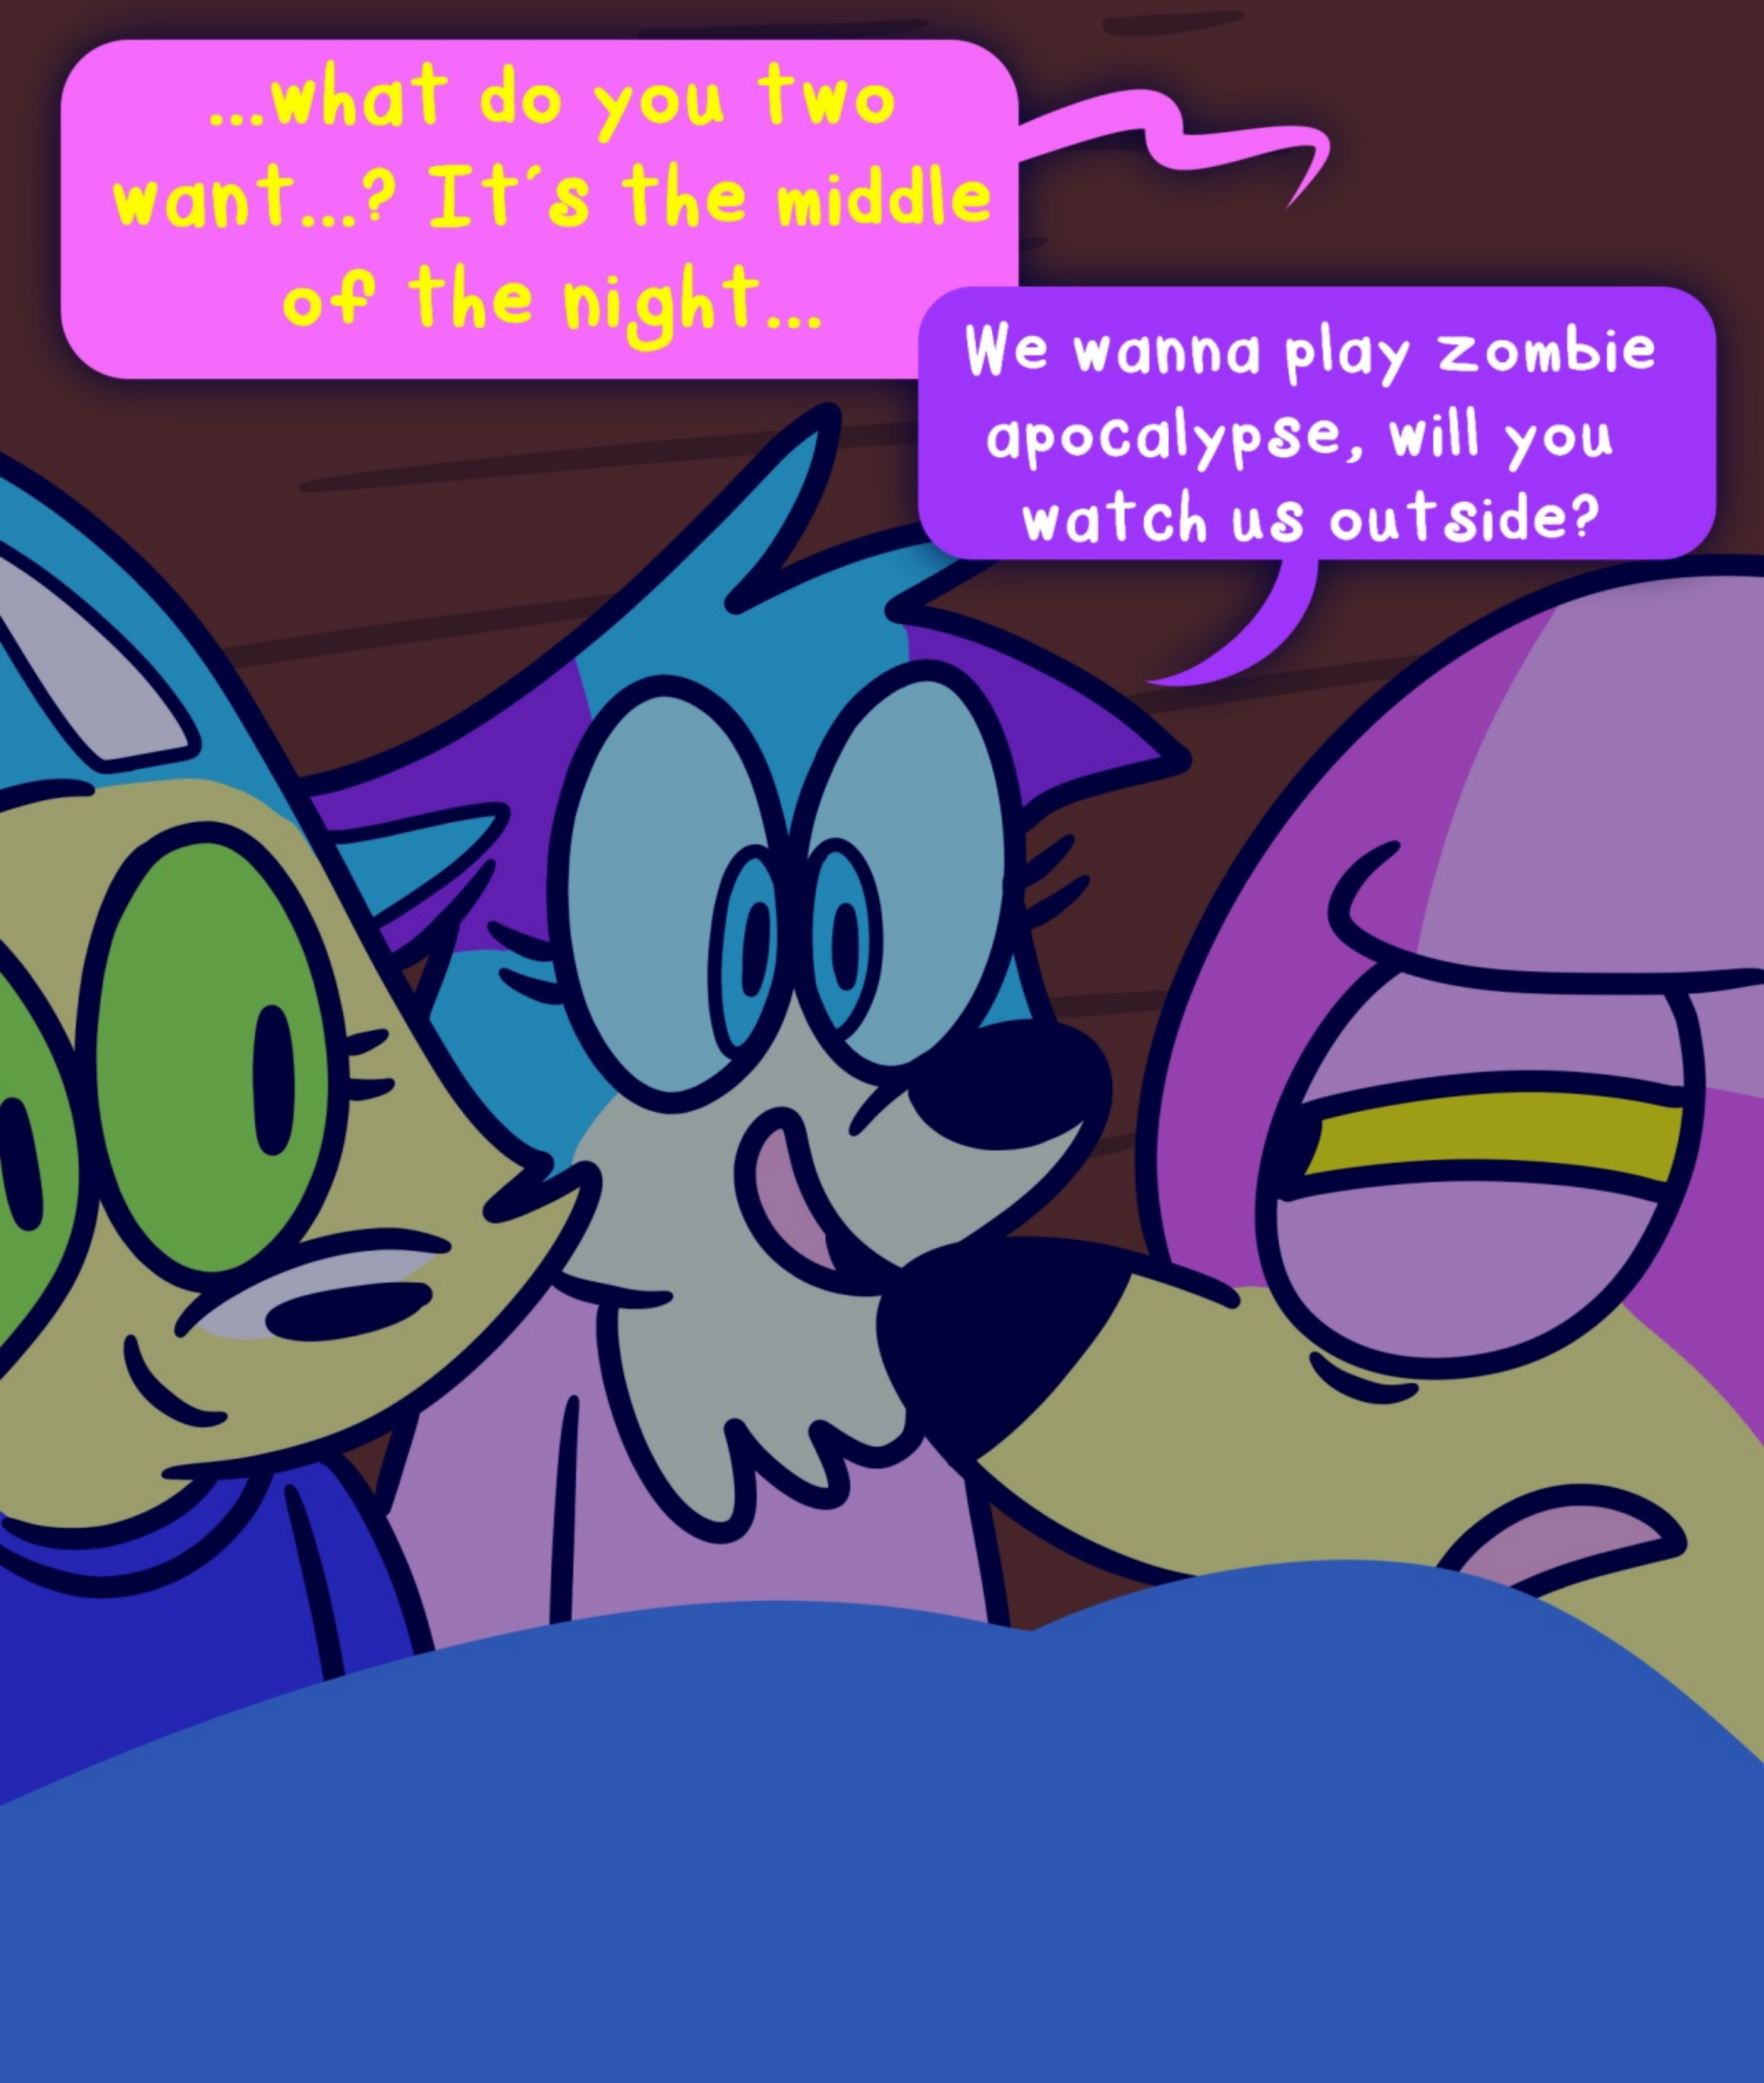


...LISTEN. I KNOW YOU ALL WANT TO KNOW WHAT THAT WAS ABOUT, BUT IT ISN'T SOMETHING YOU'D UNDERSTAND.
IT'S PRIVATE. PLEASE TRY AND RESPECT THAT FOR MILEY'S SAKE.

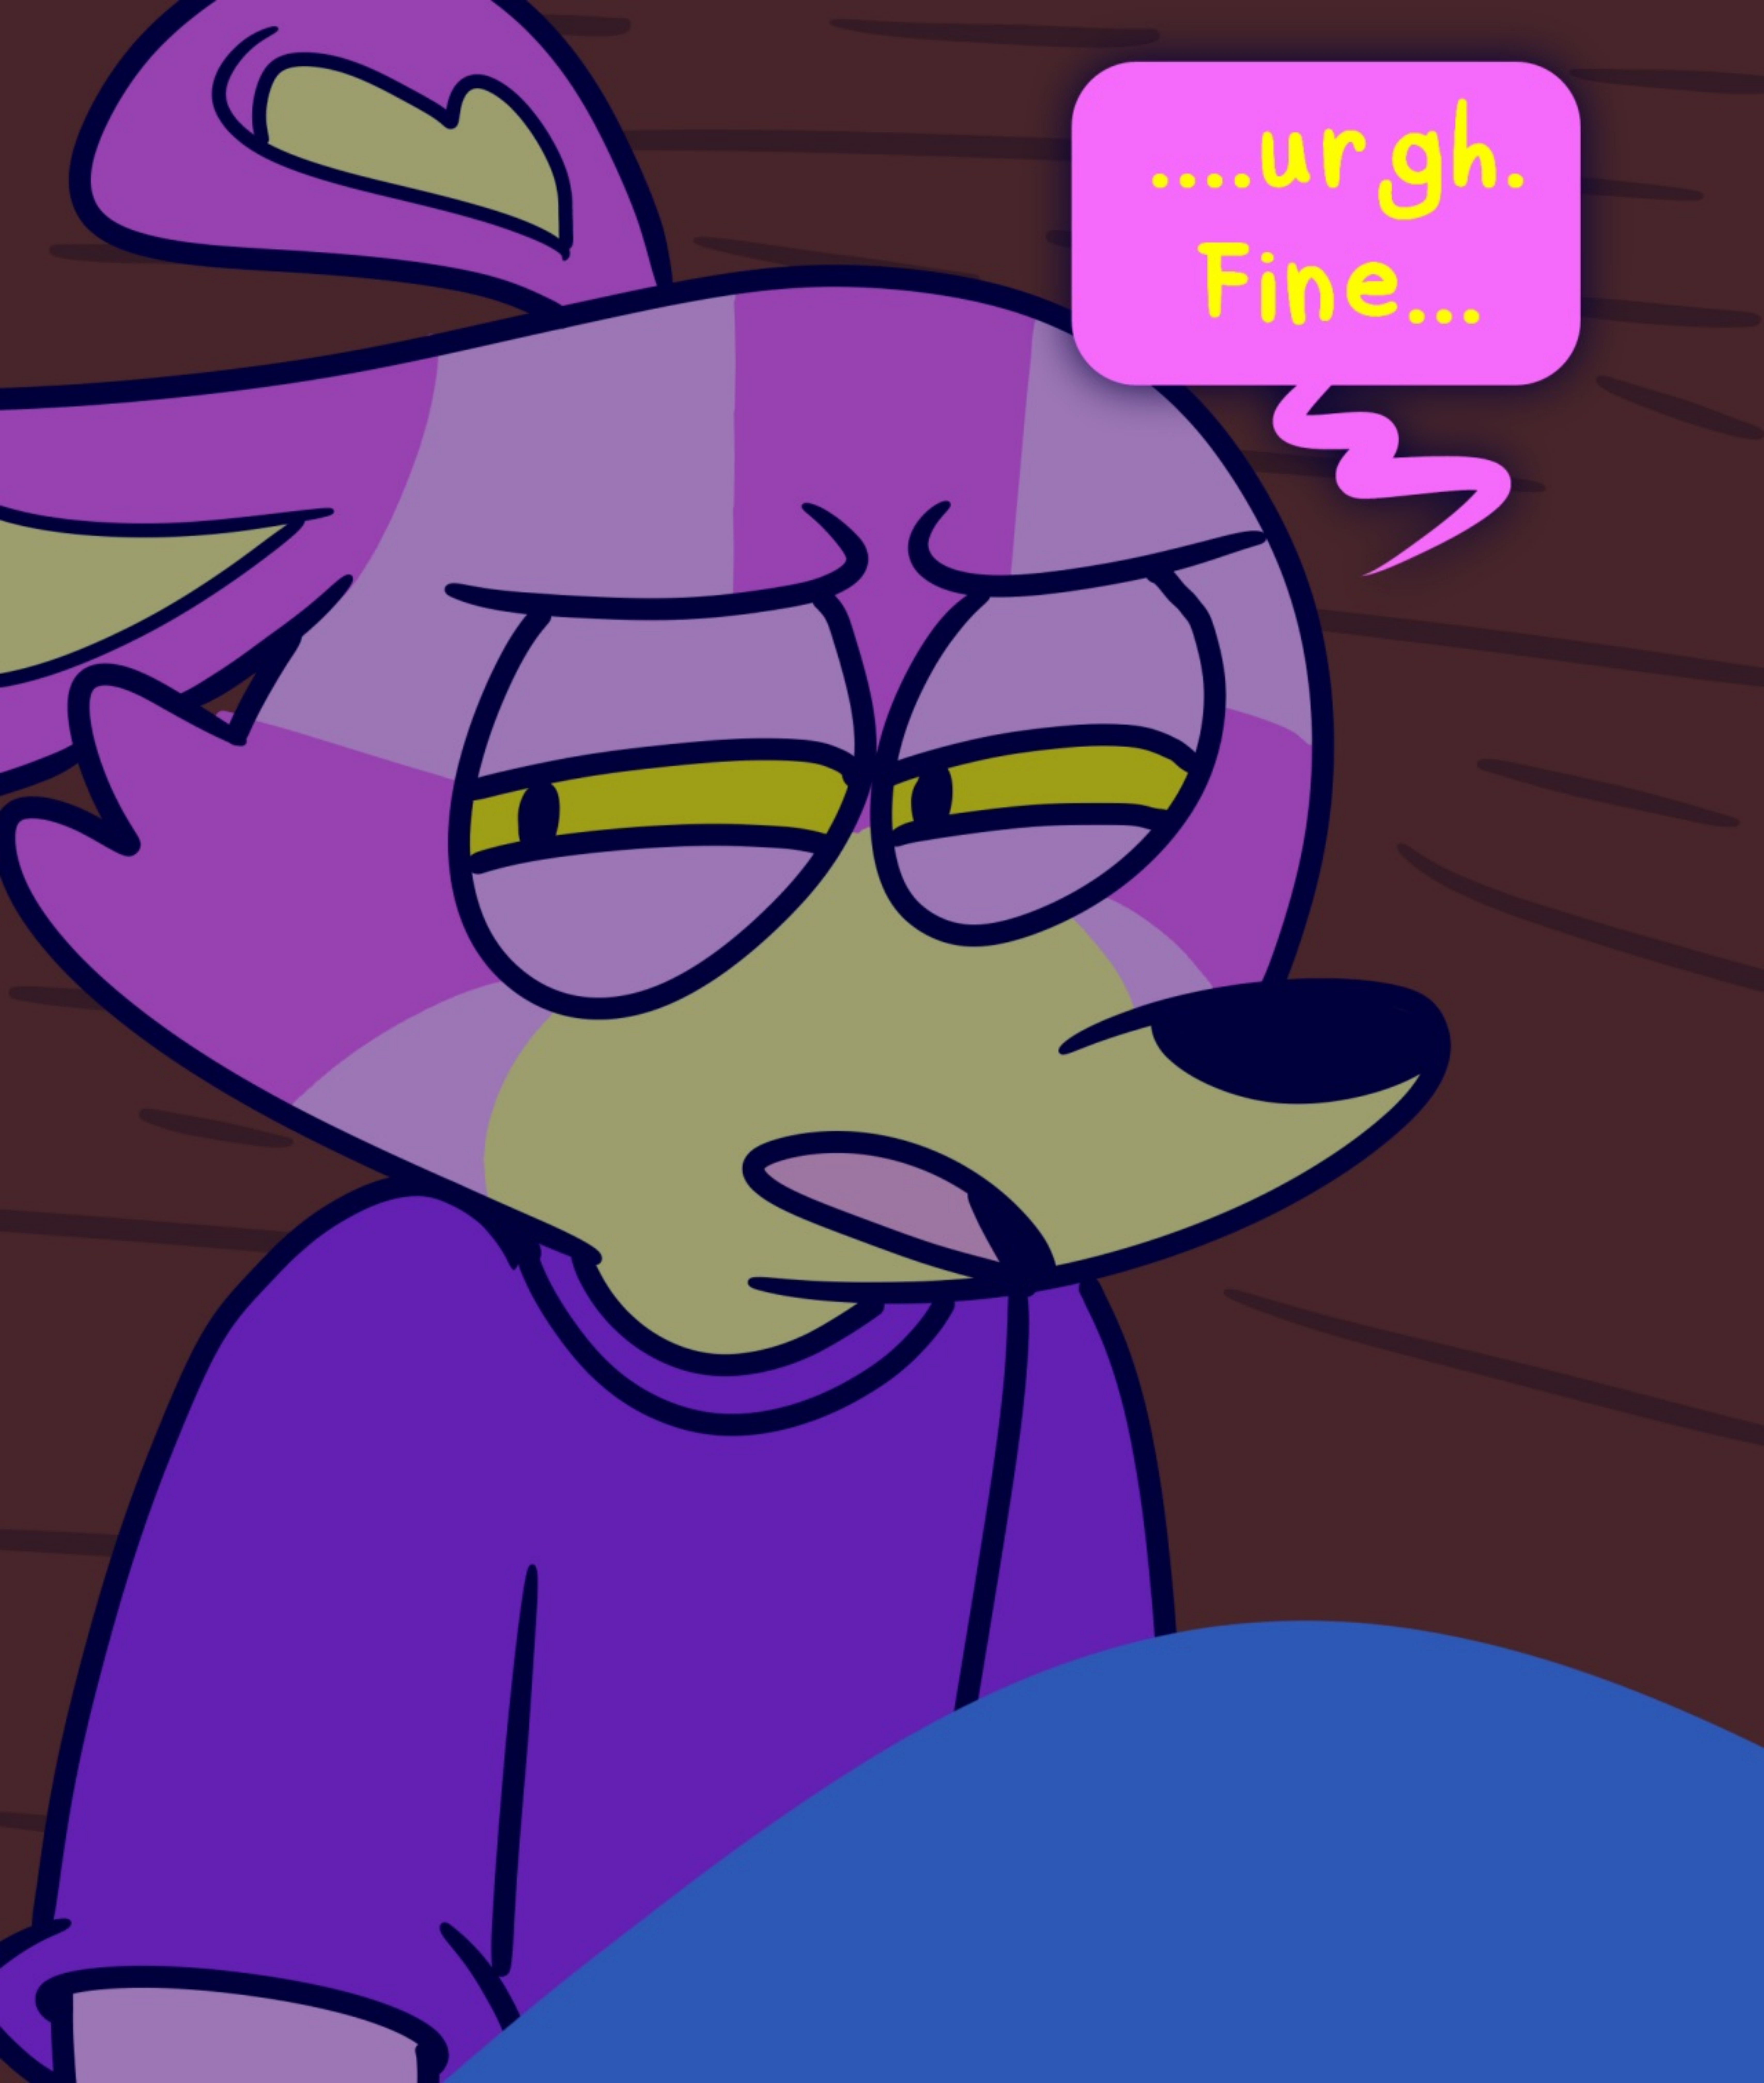




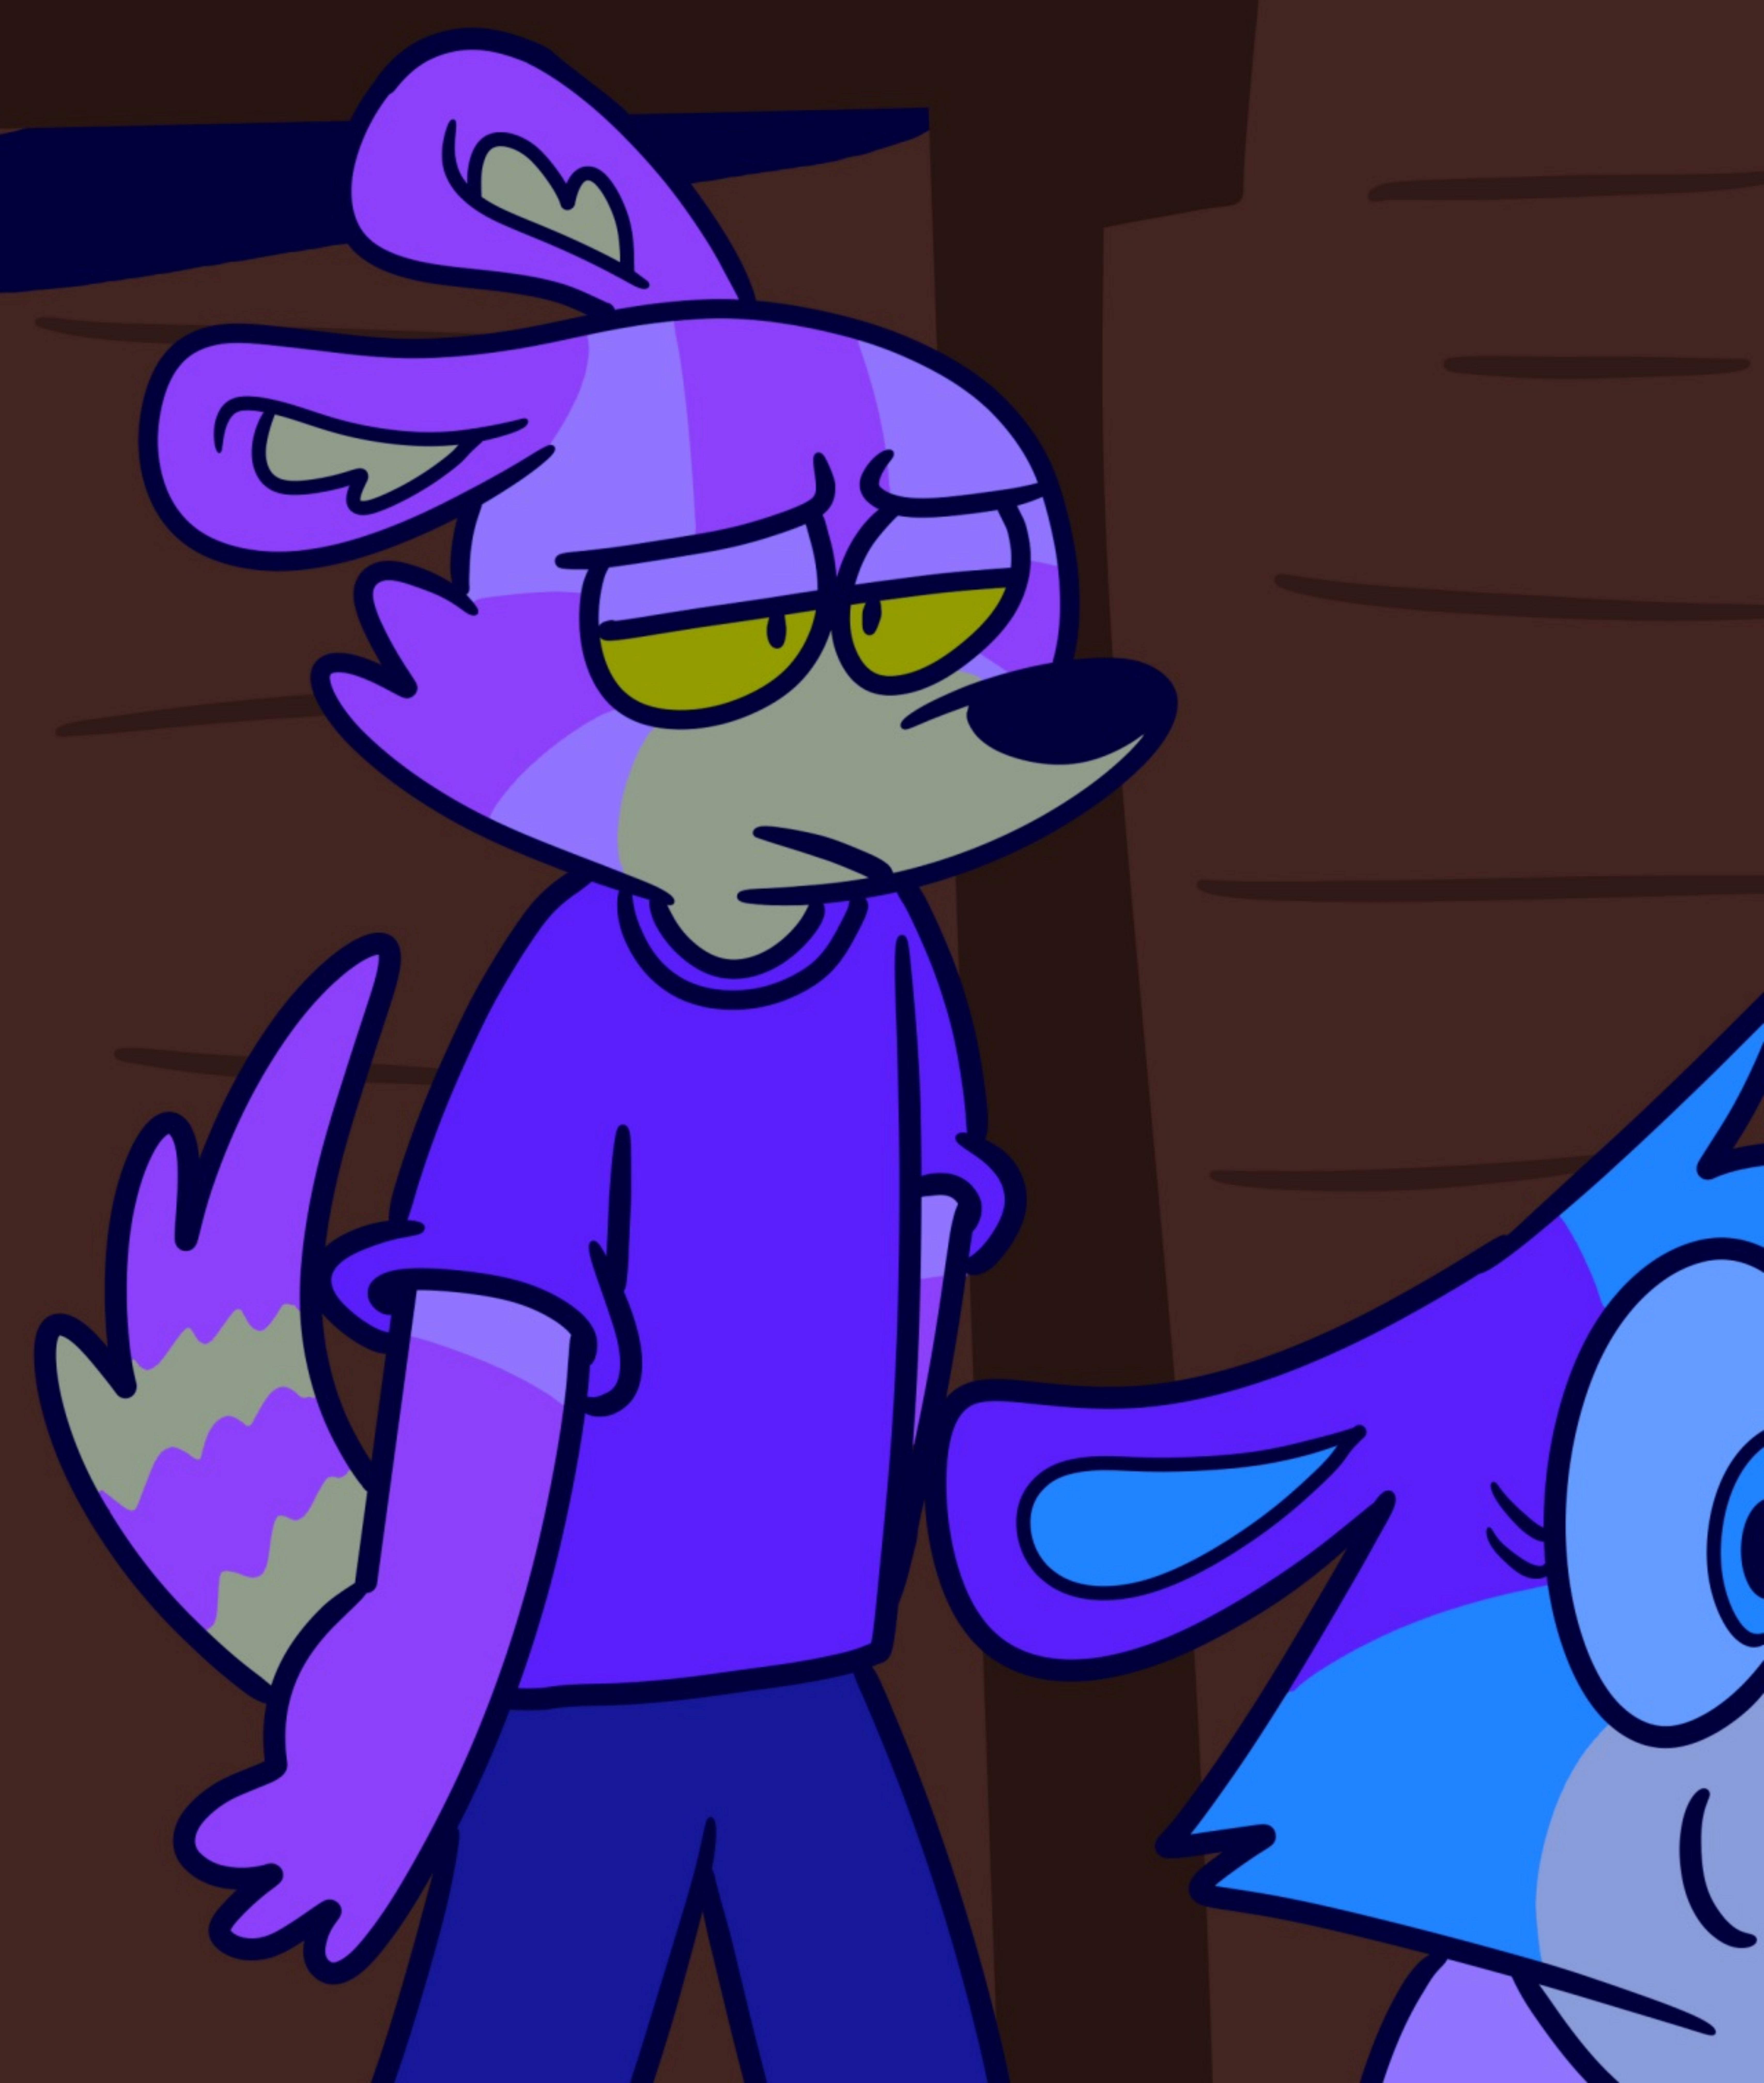


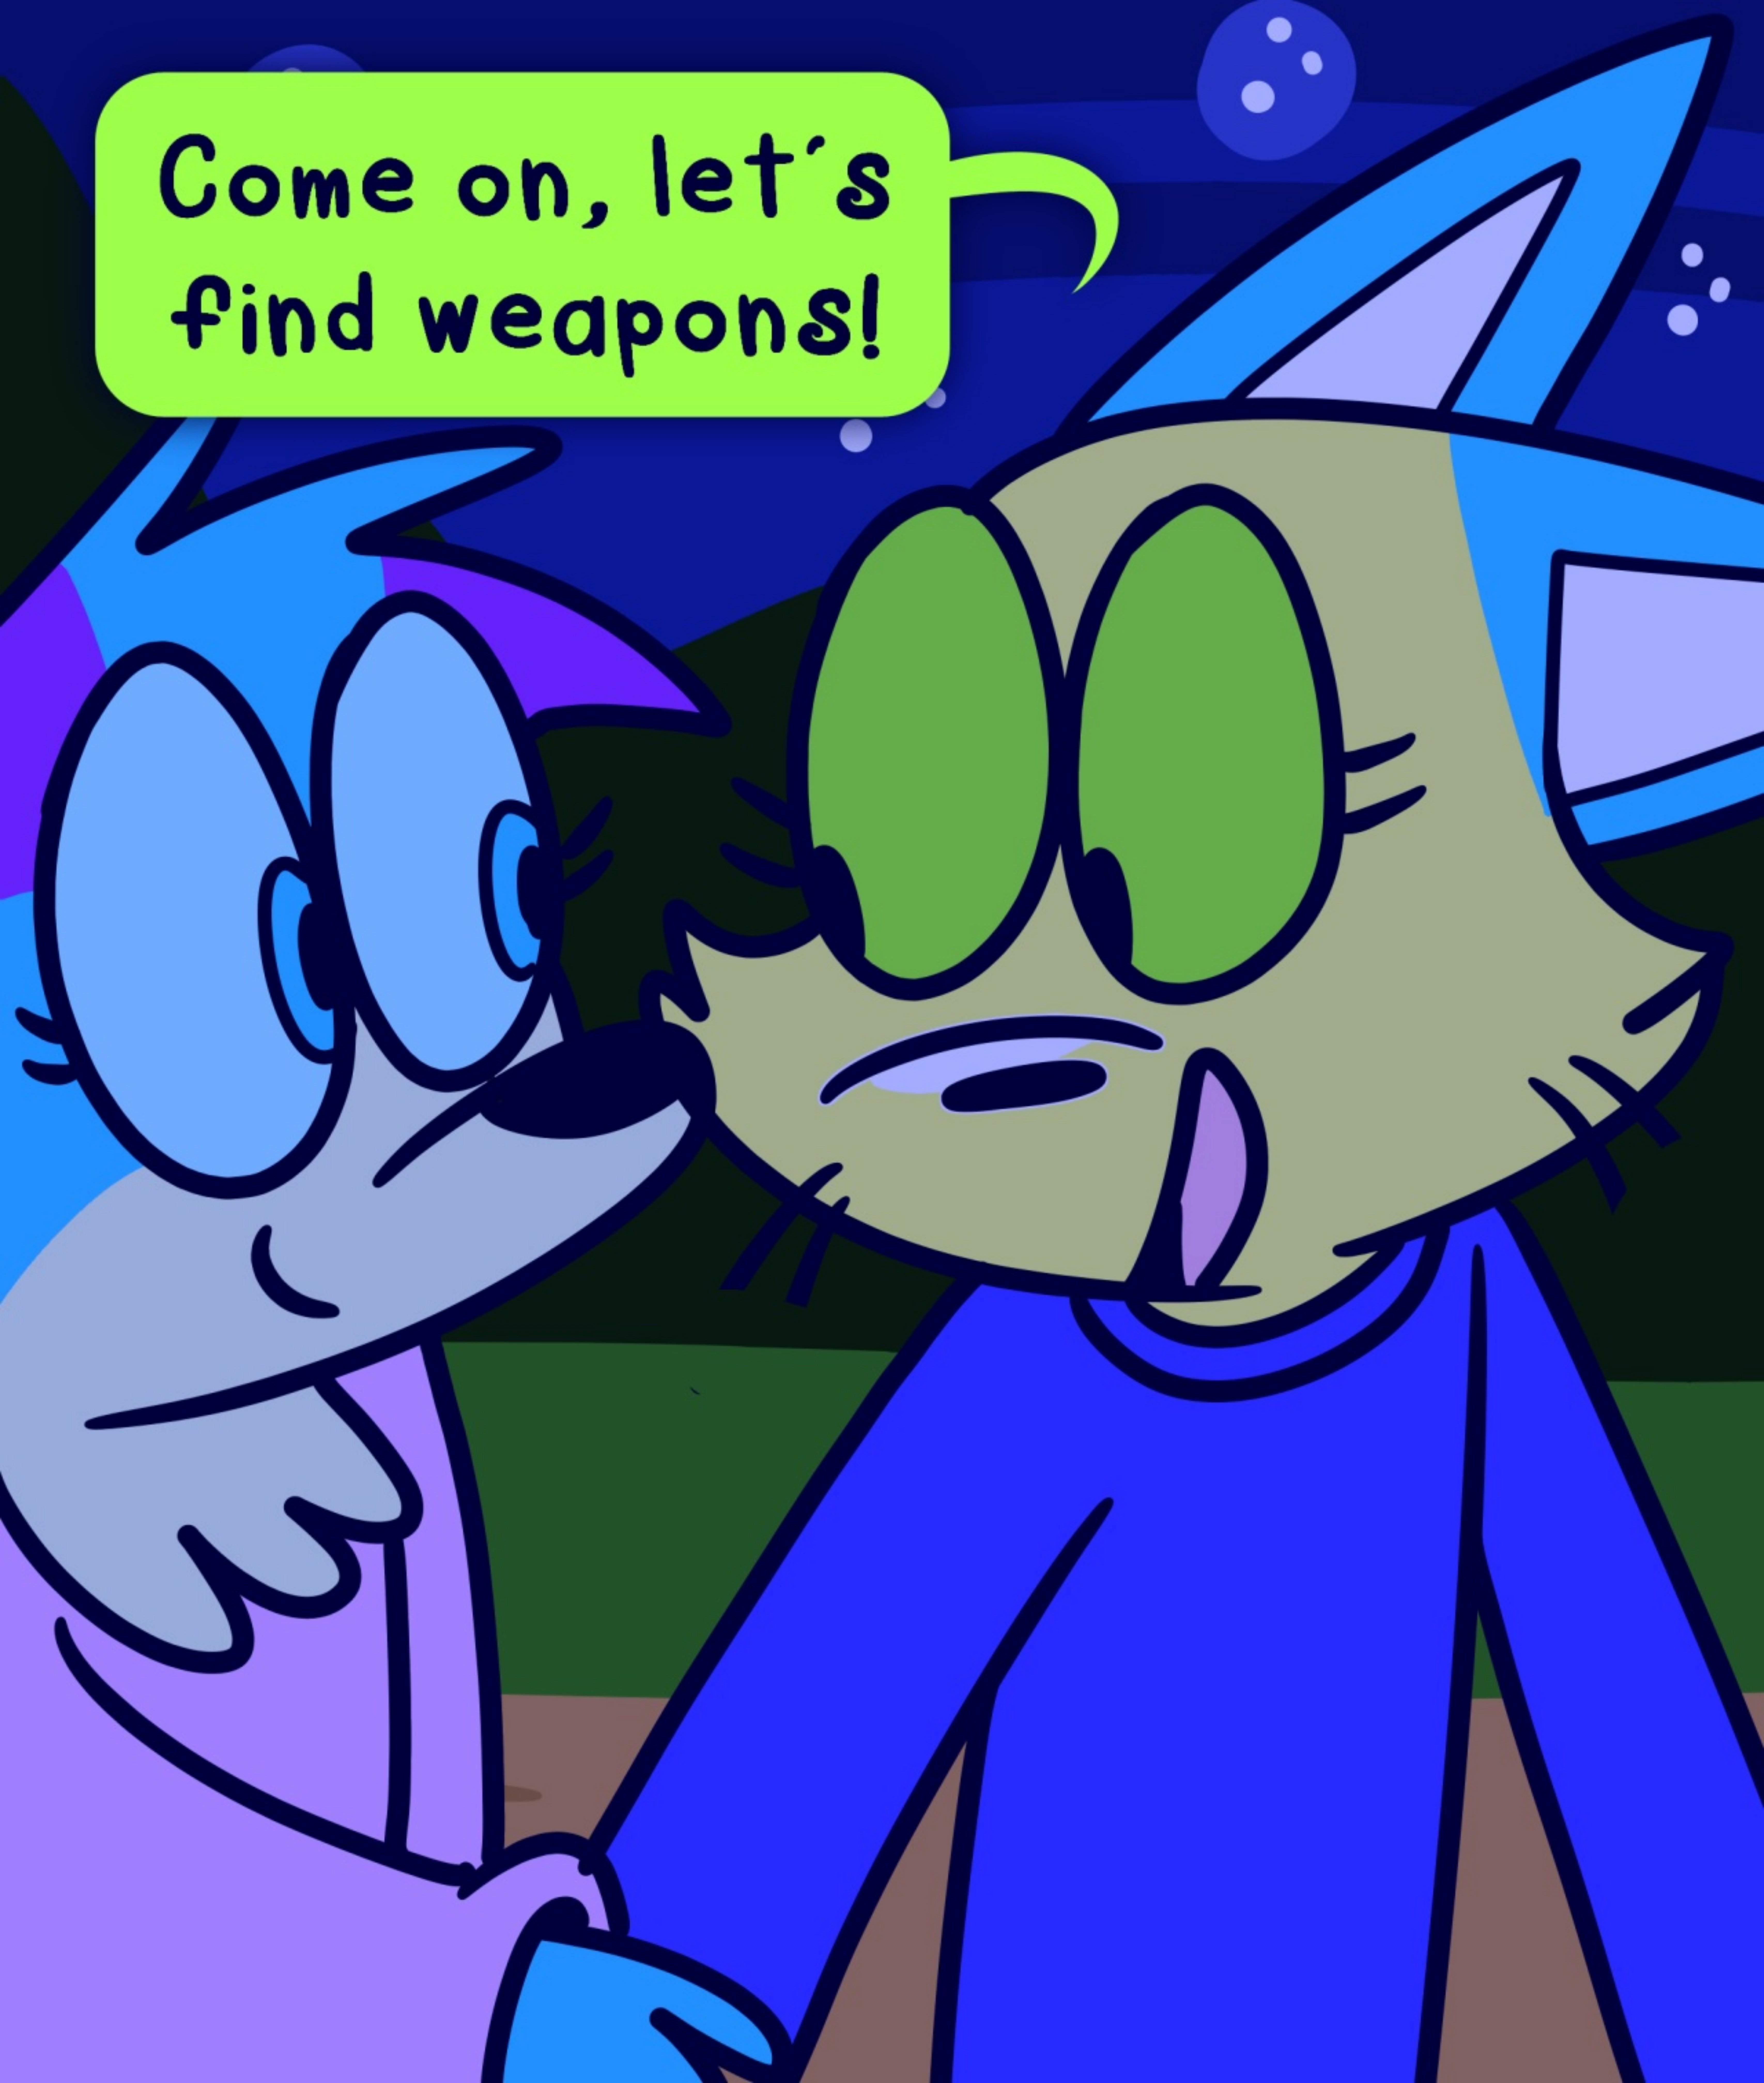


...what do you two want...? It´s the middle of the night...
We wanna play zombie apocalypse, will you watch us outside?

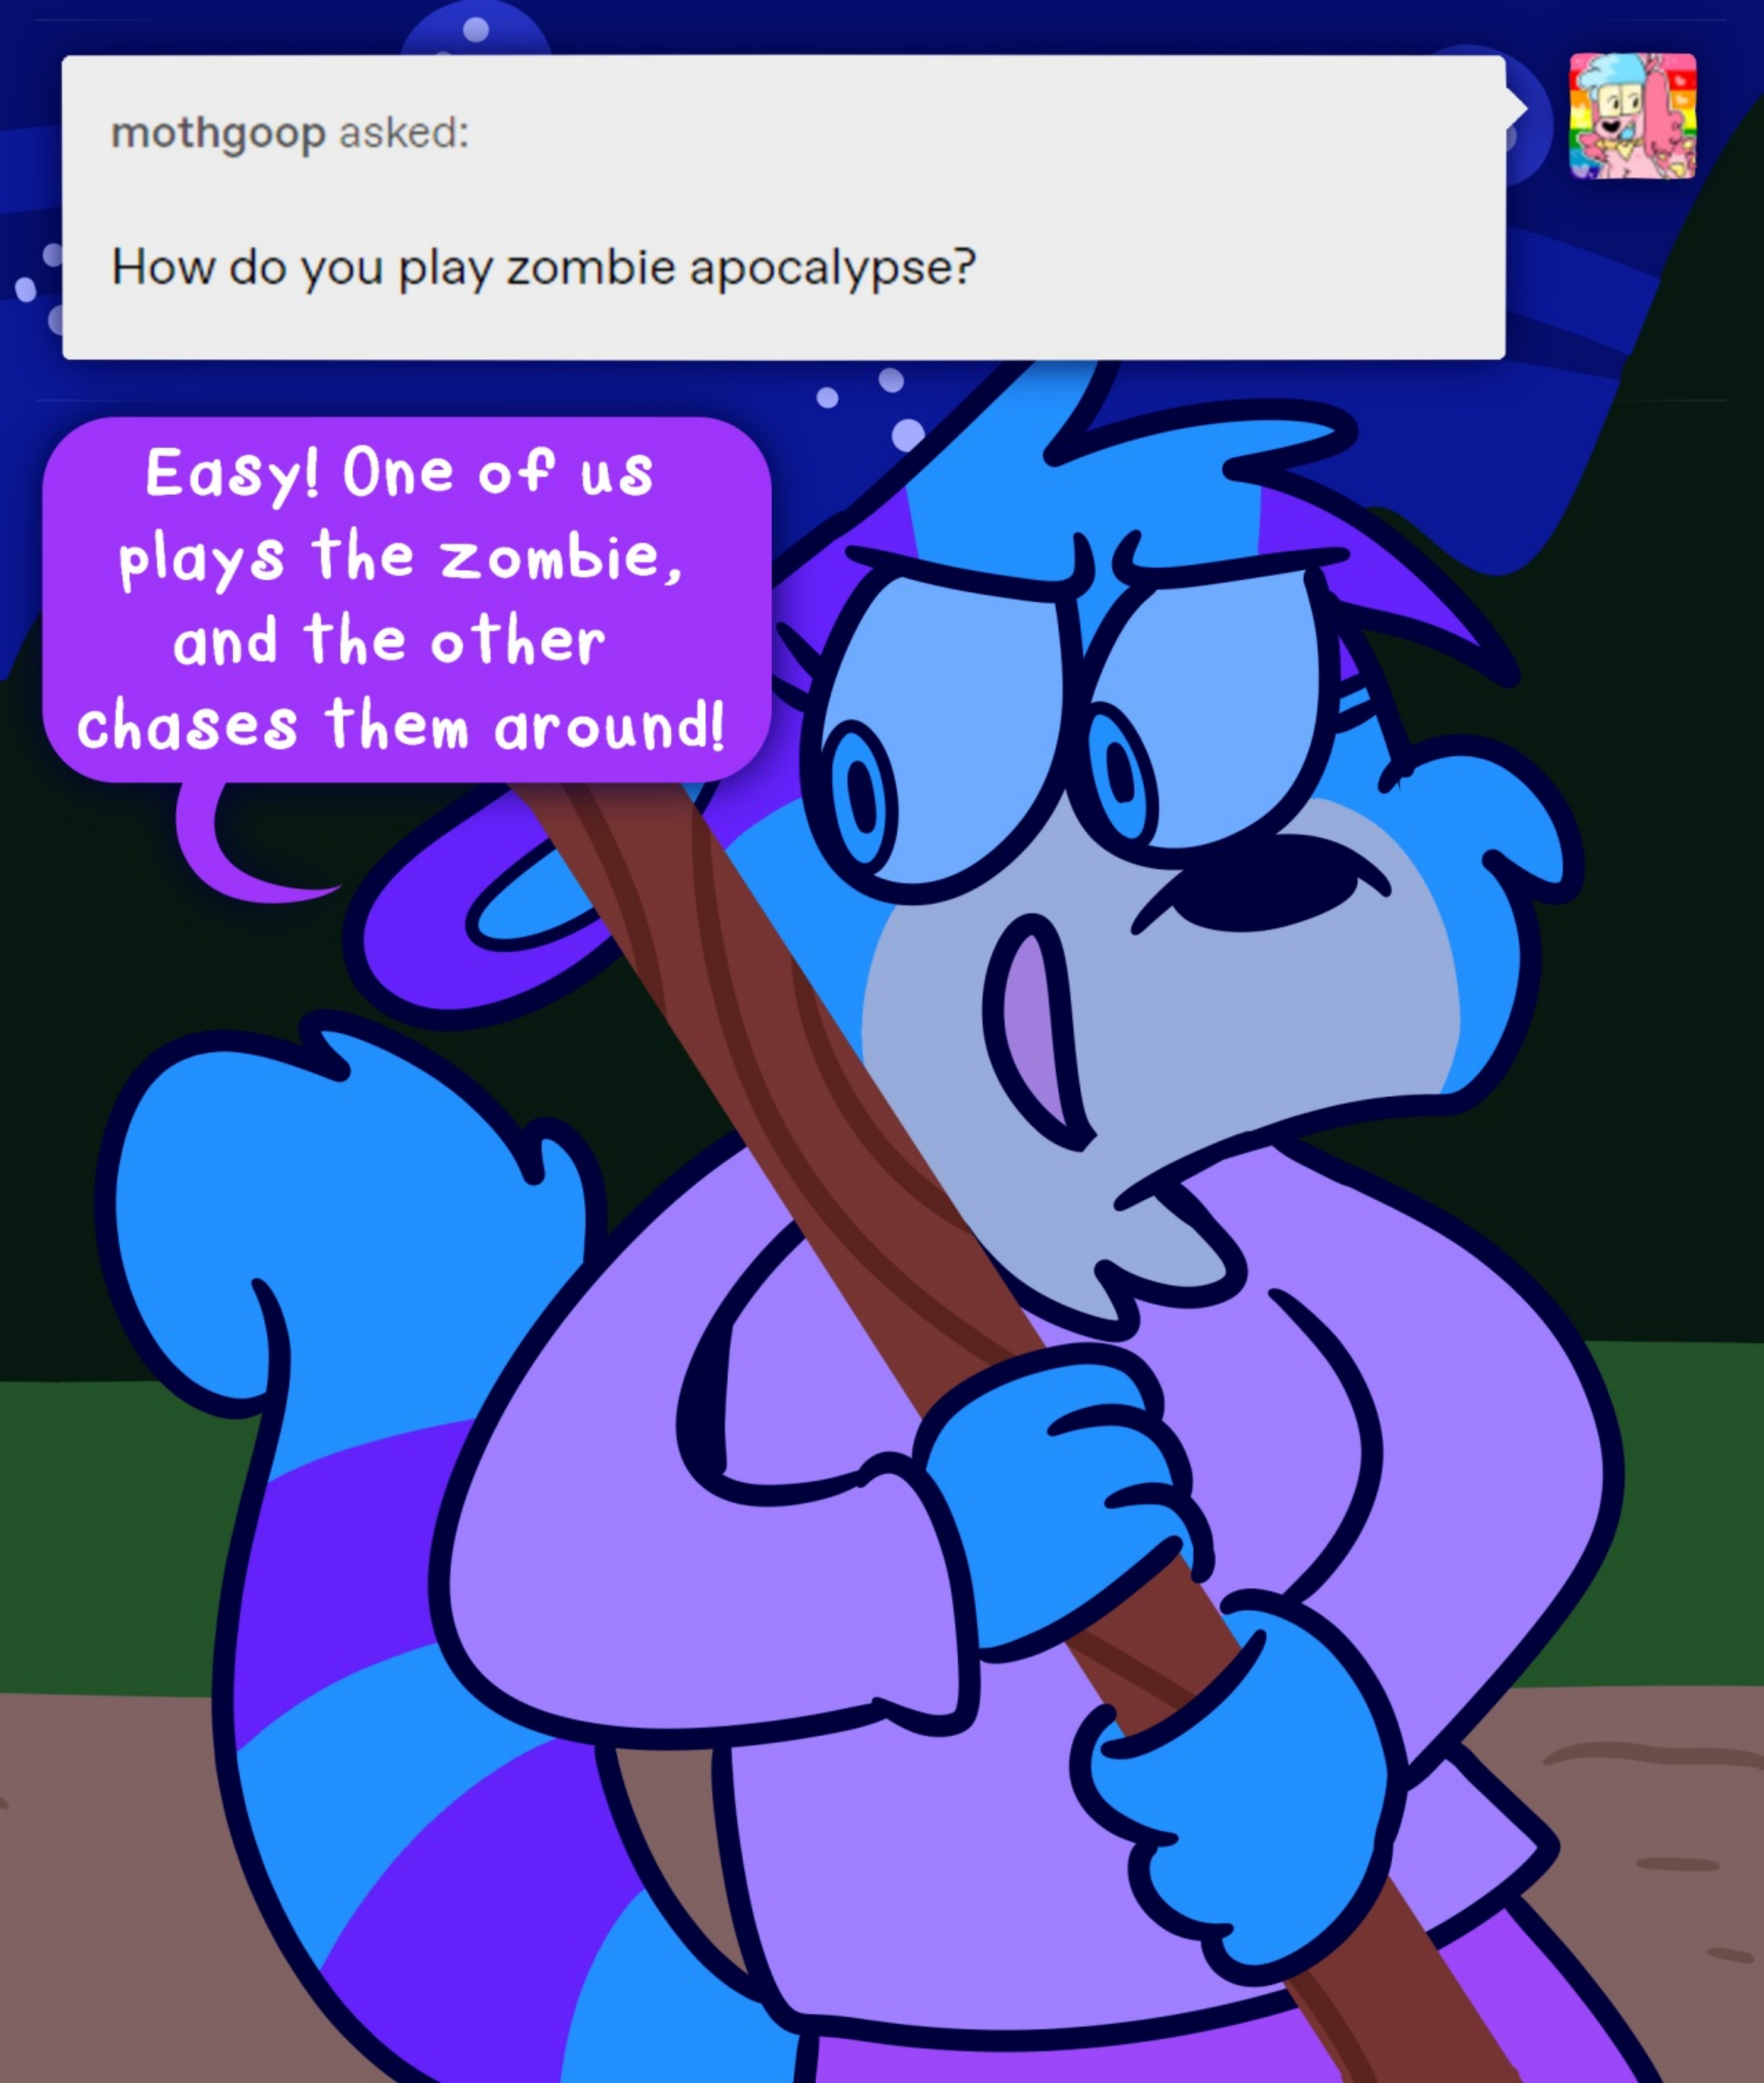


....urgh.
Fine...





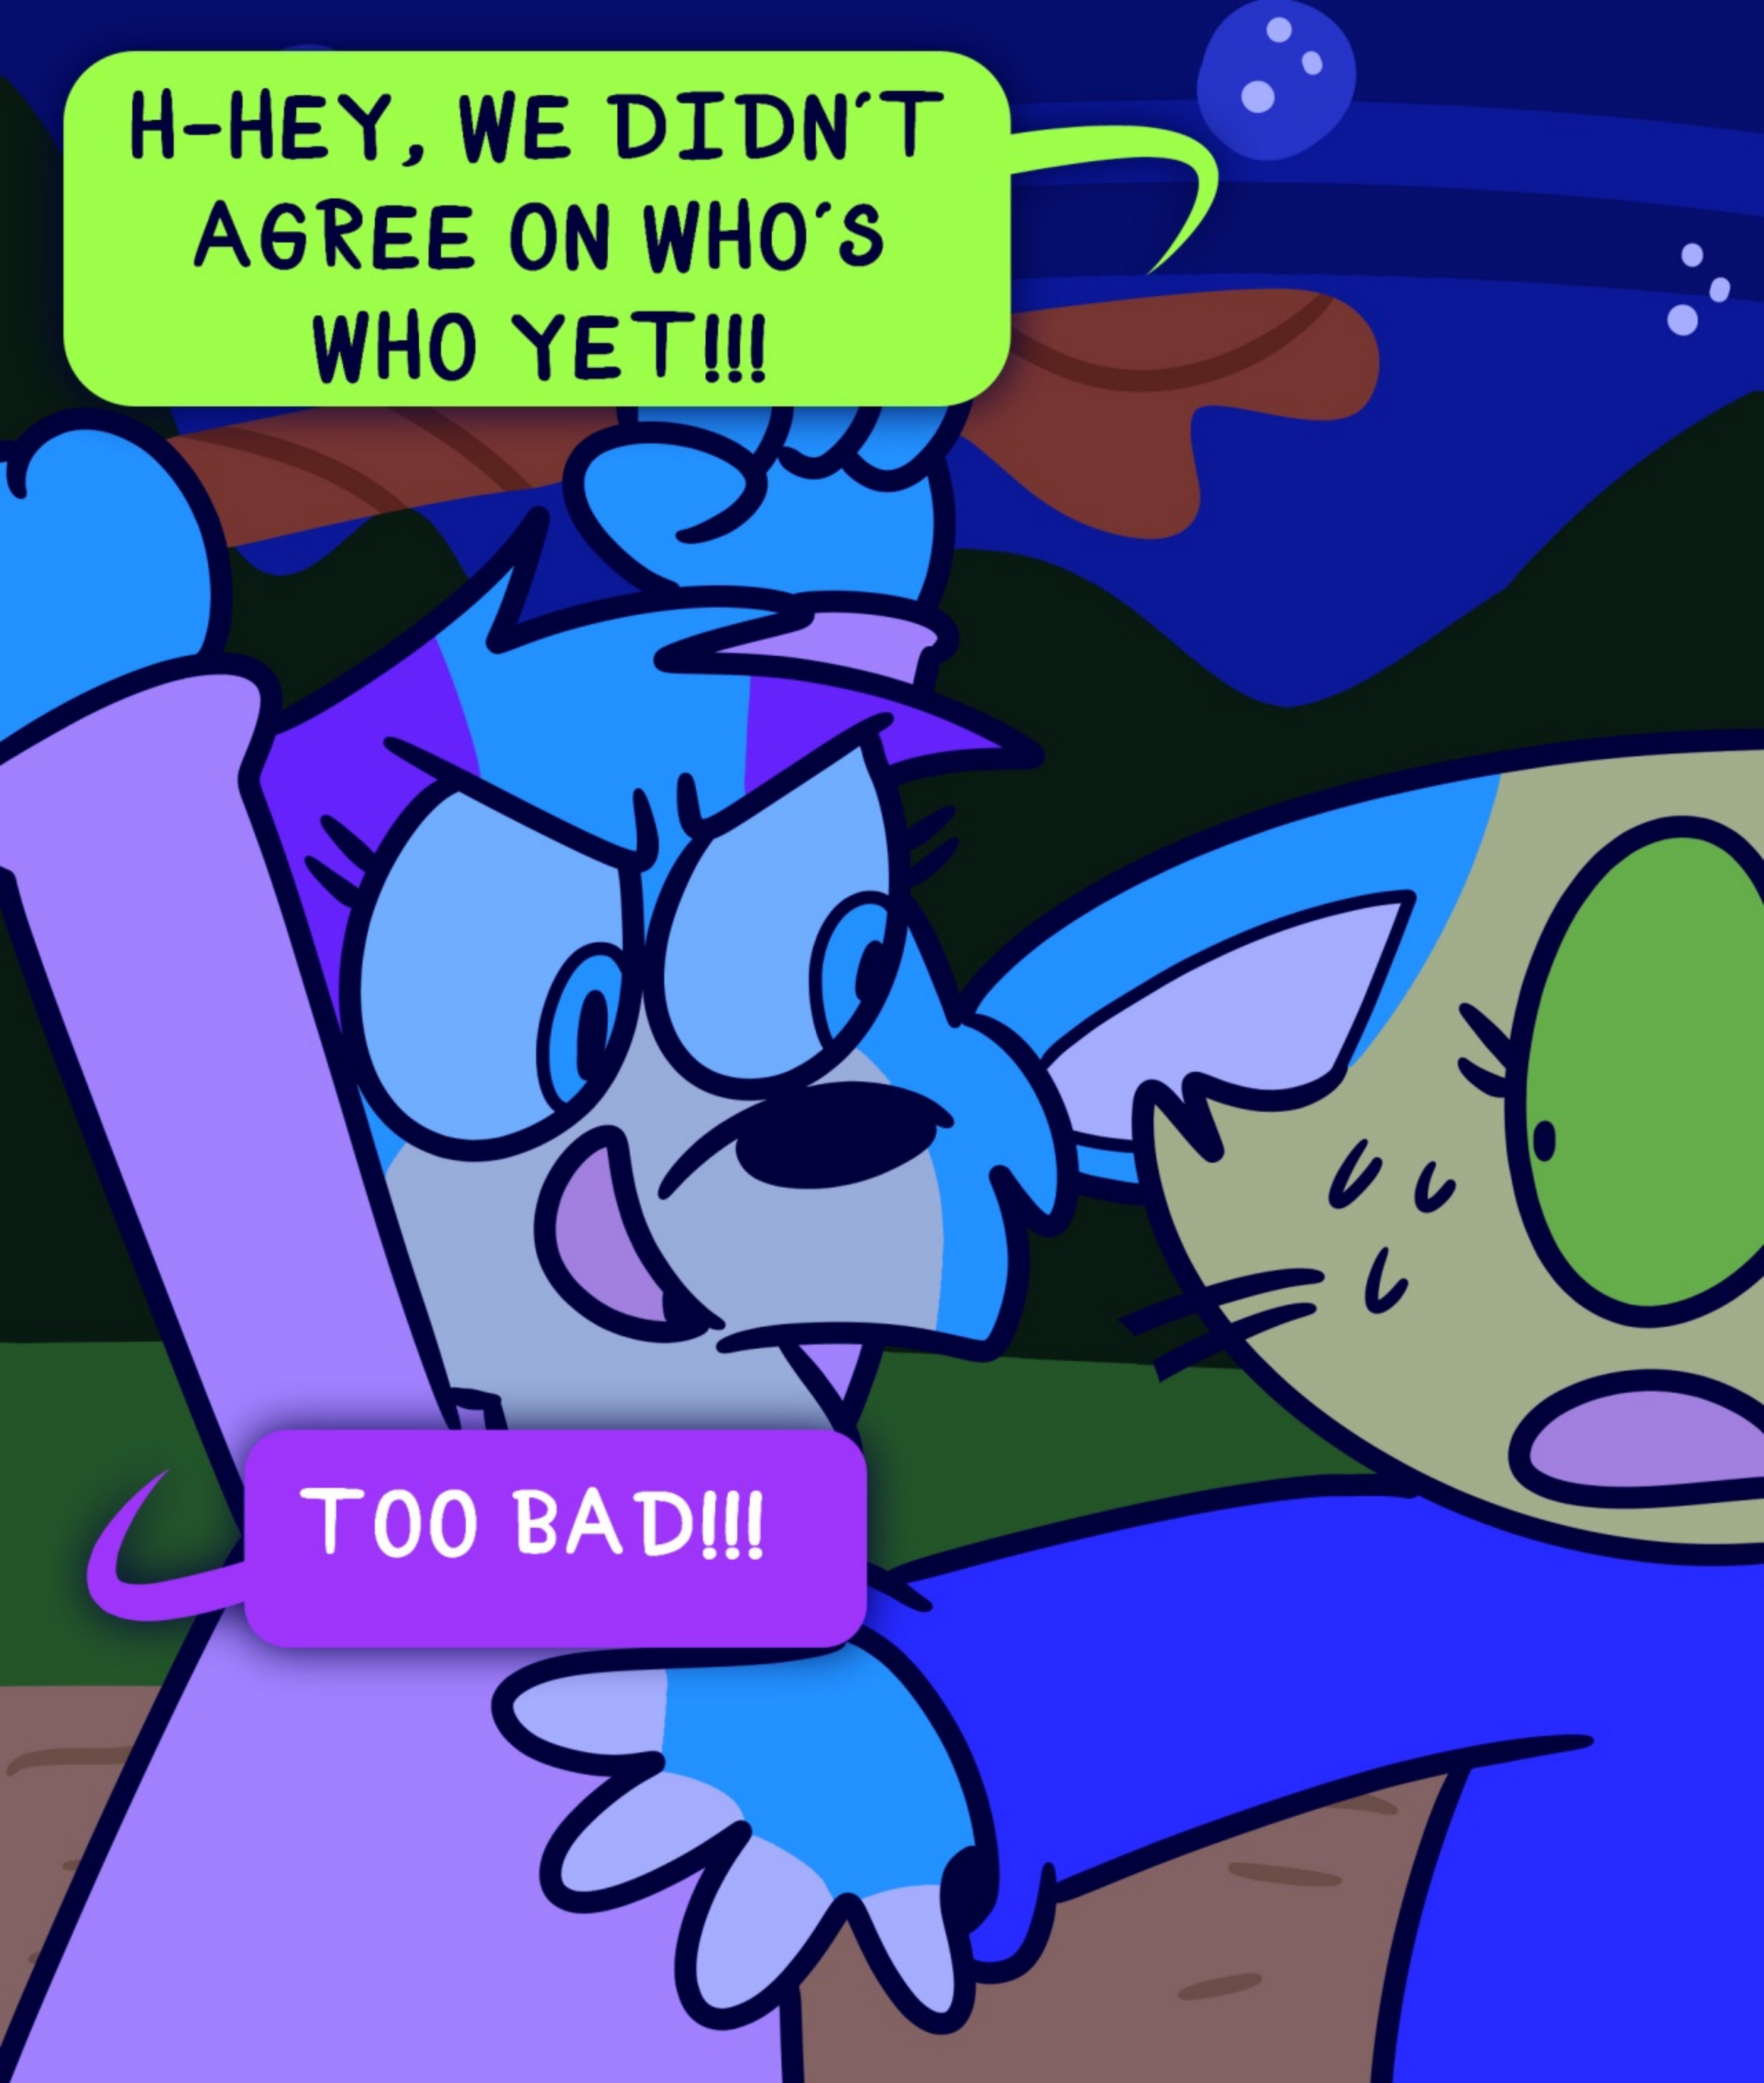
Come on, let's find weapons!



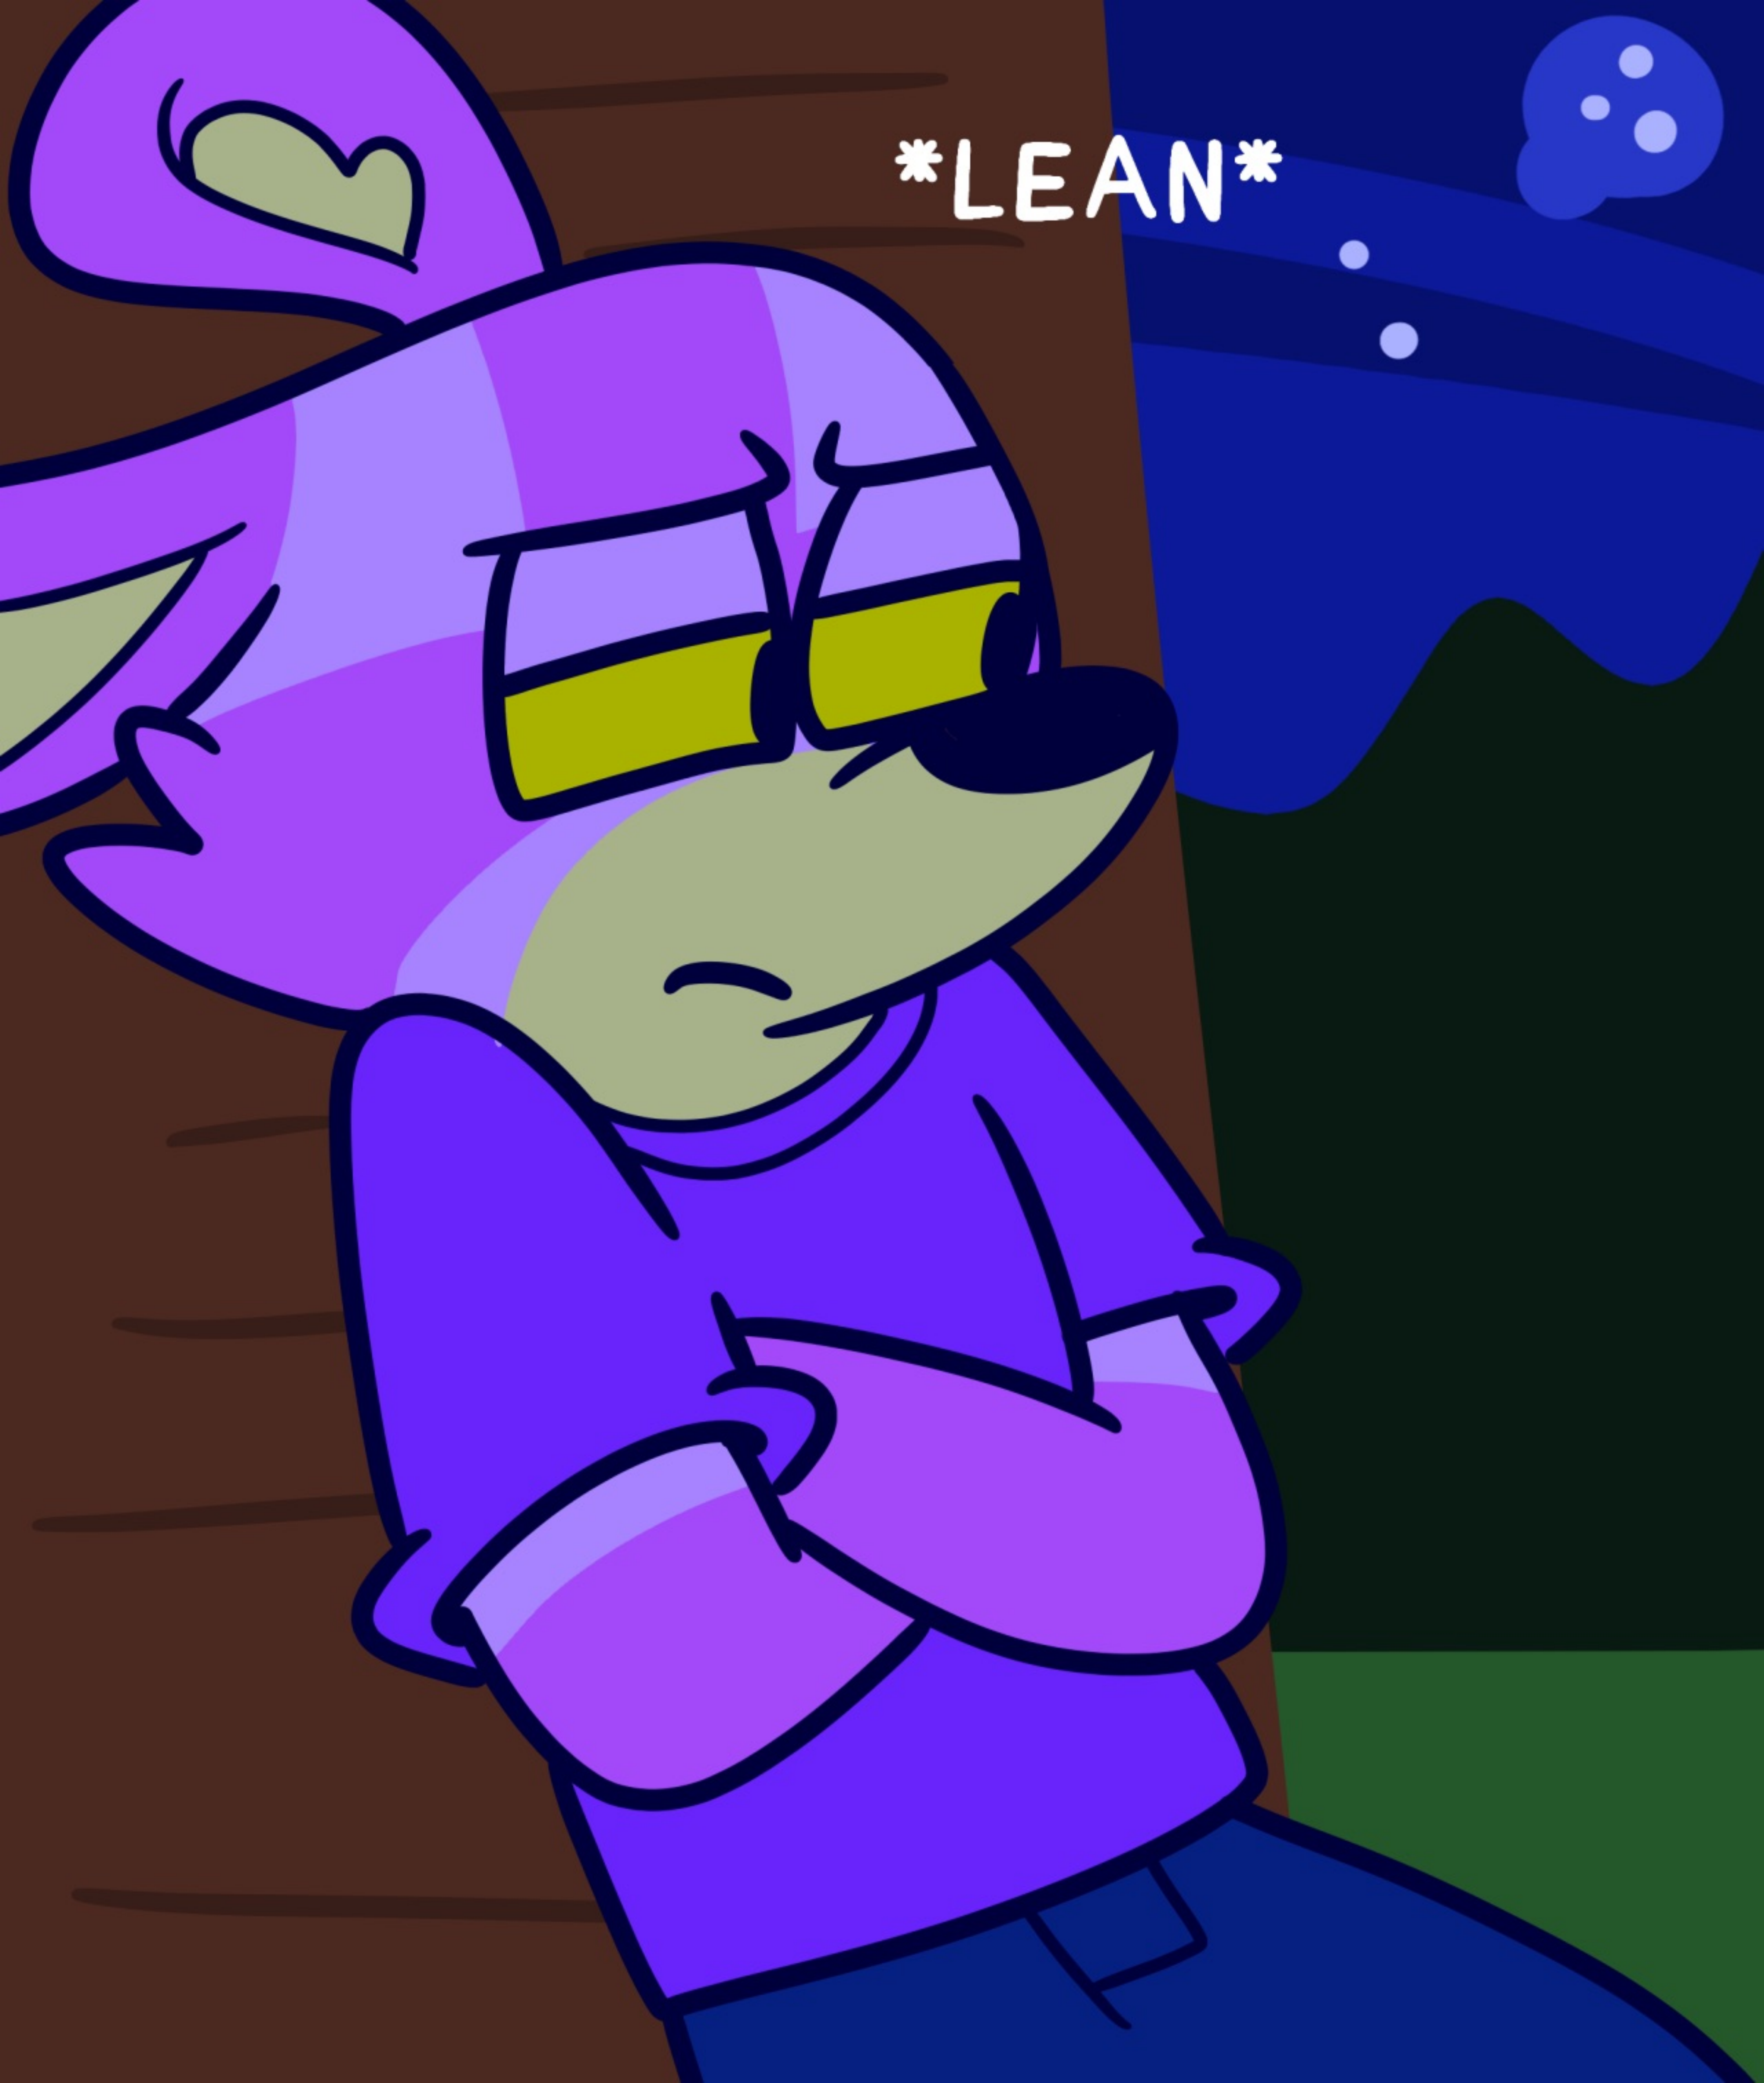
mothgoop asked:

How do you play zombie apocalypse?

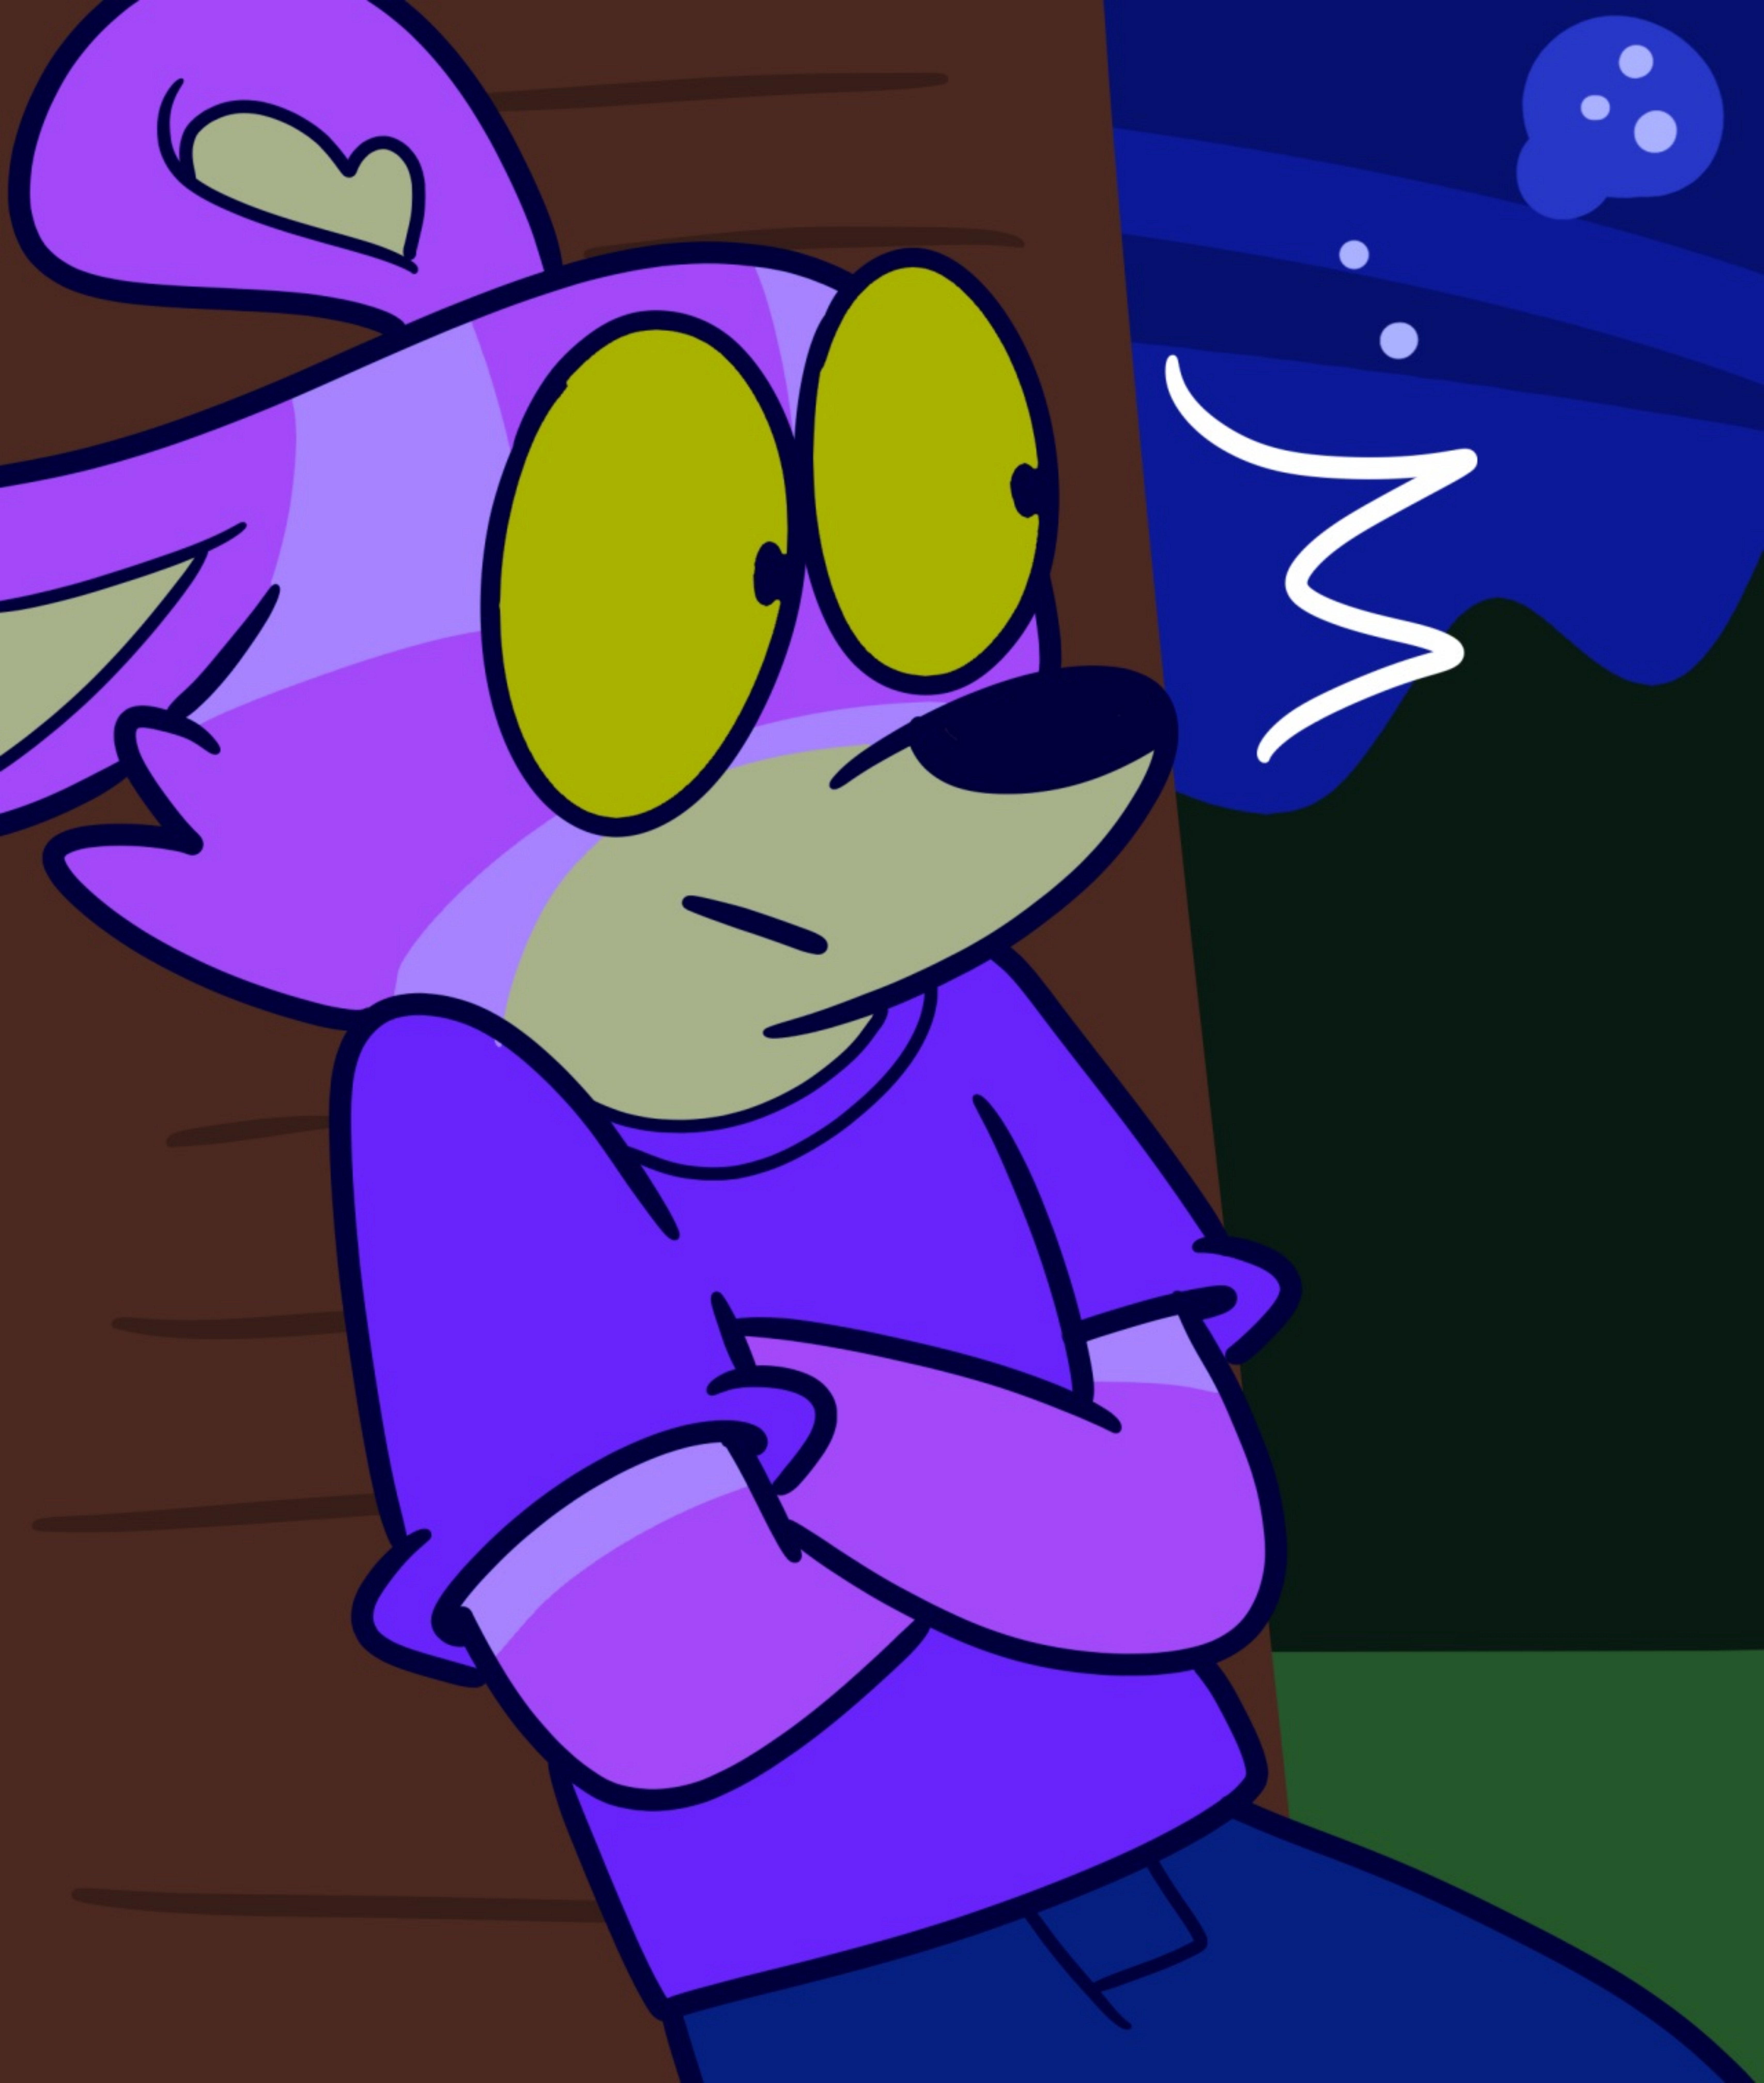
Easy! One of us plays the zombie, and the other chases them around!

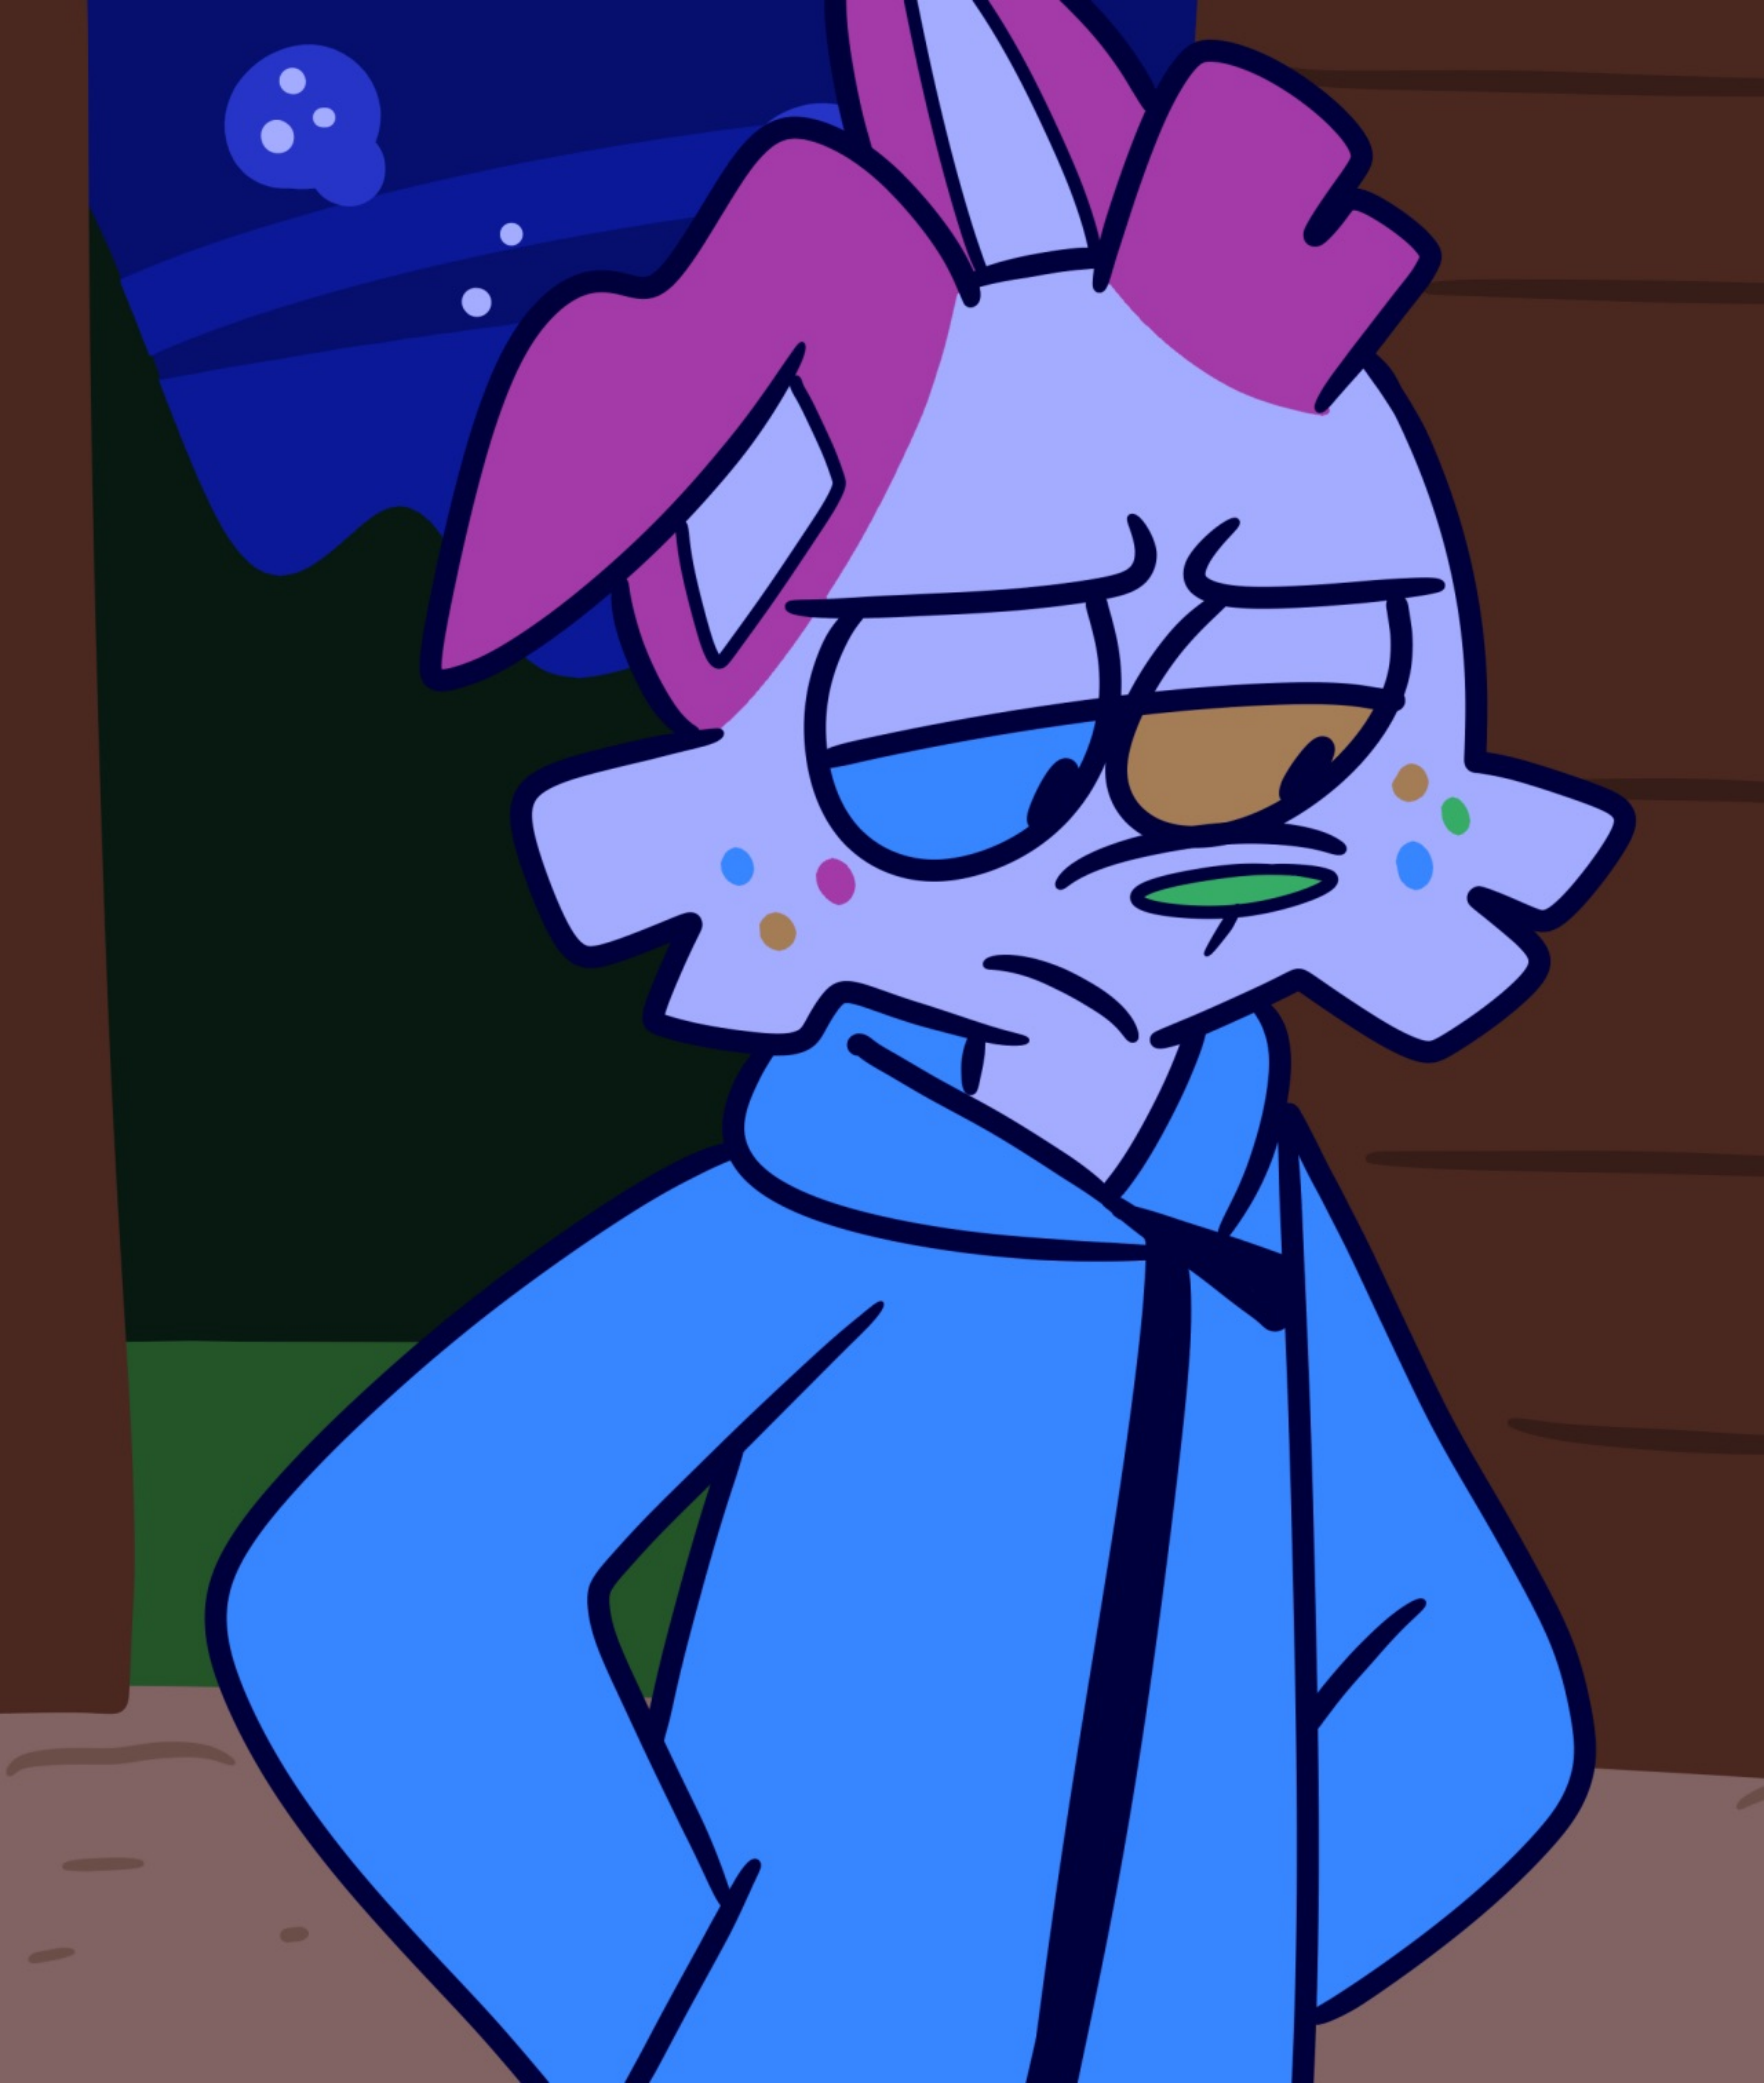


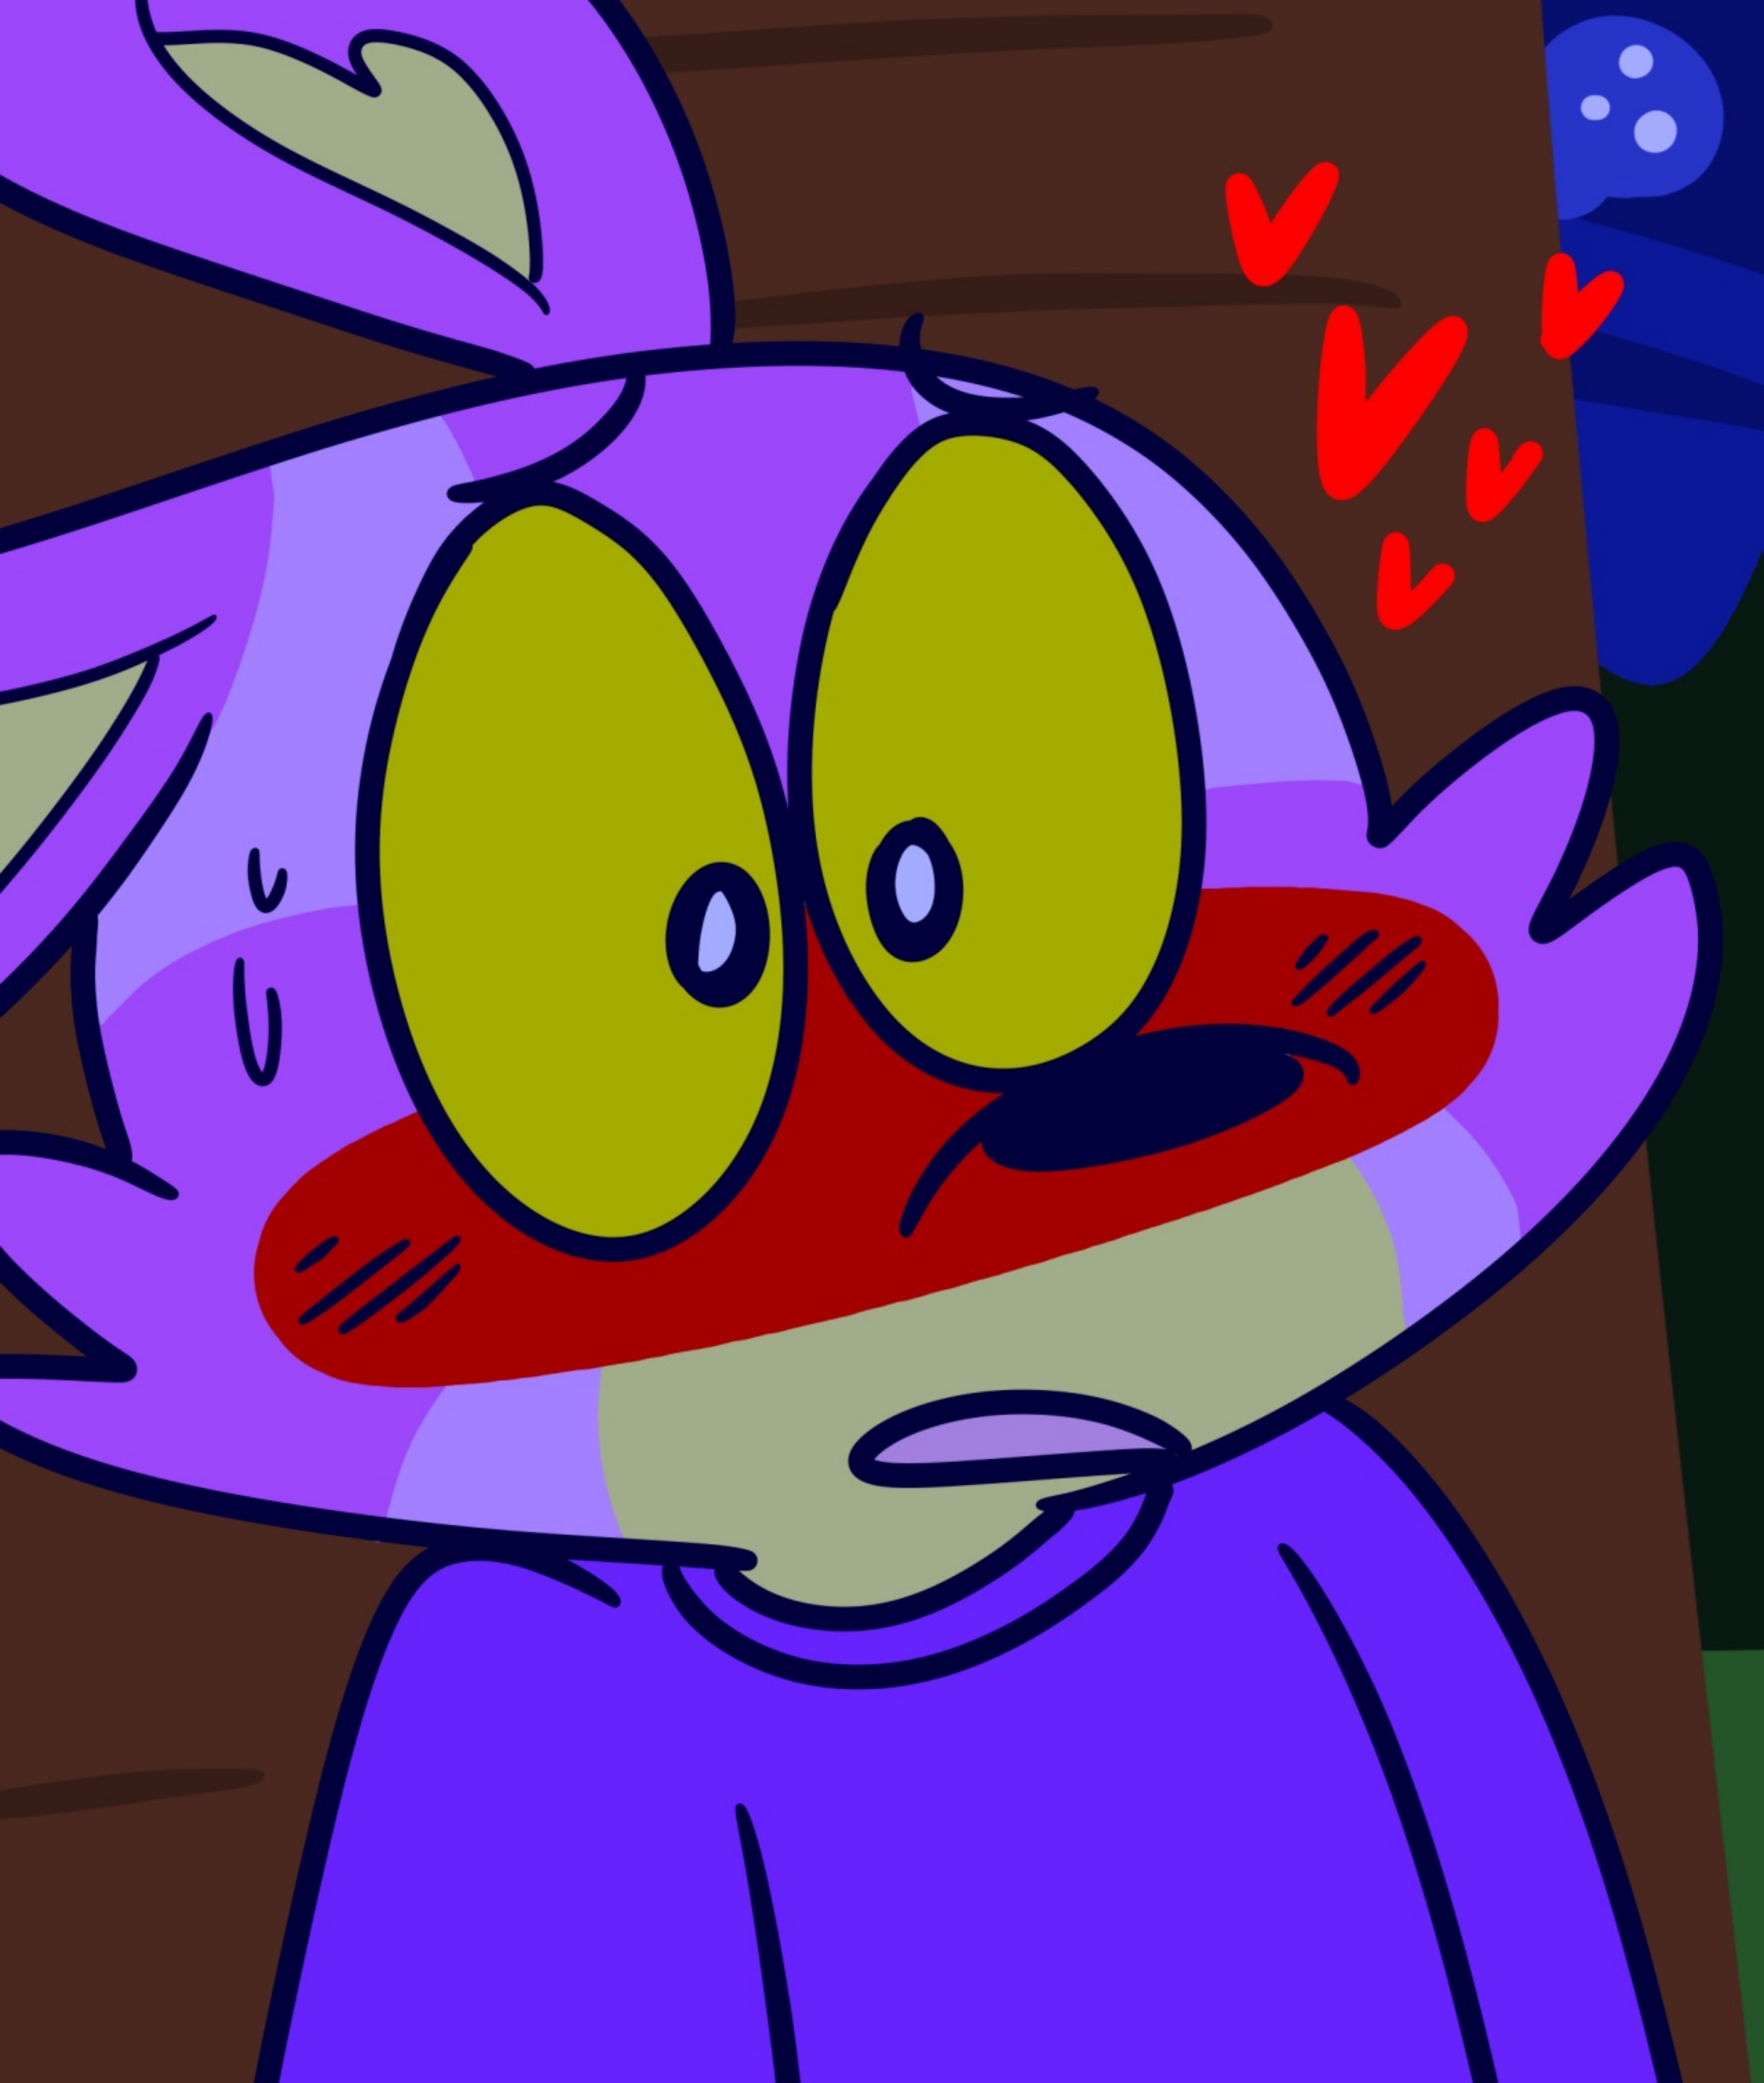
H-HEY, WE DIDN'T AGREE ON WHO'S WHO YET!!!
TOO BAD!!!

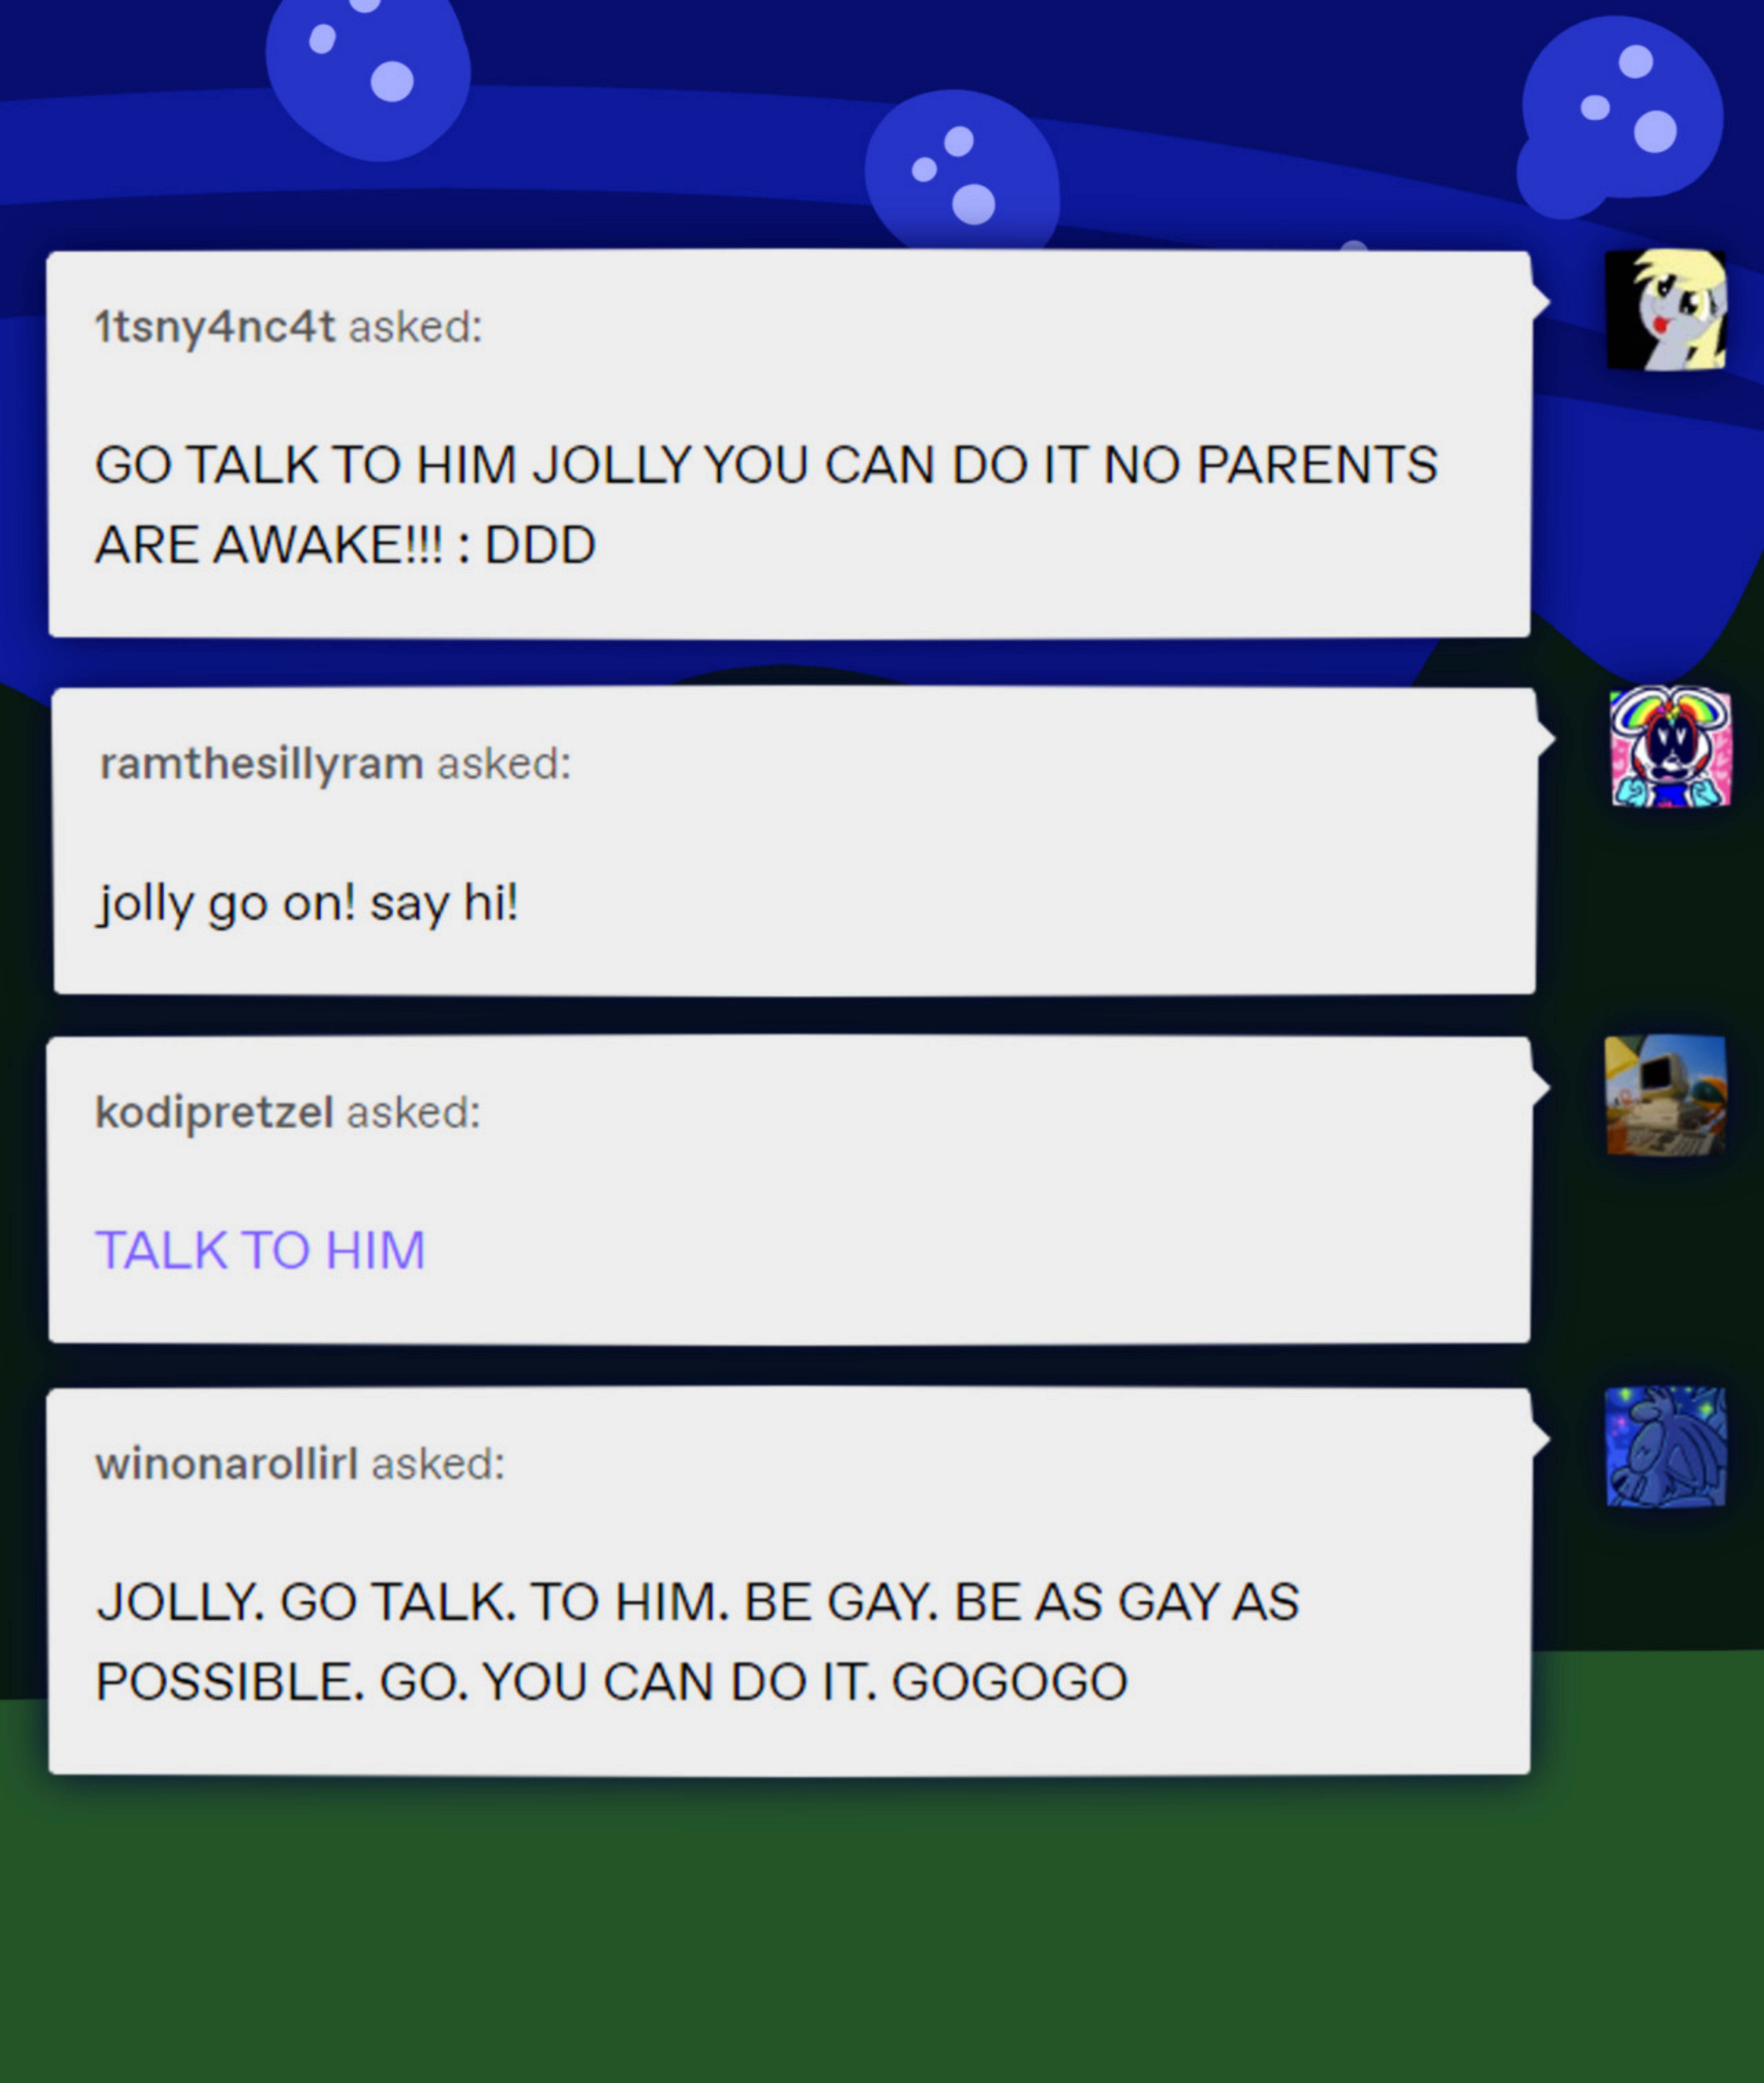


LEAN









1tsny4nc4t asked:

GO TALK TO HIM JOLLY YOU CAN DO IT NO PARENTS ARE AWAKE!!! : DDD

ramthesillyram asked:

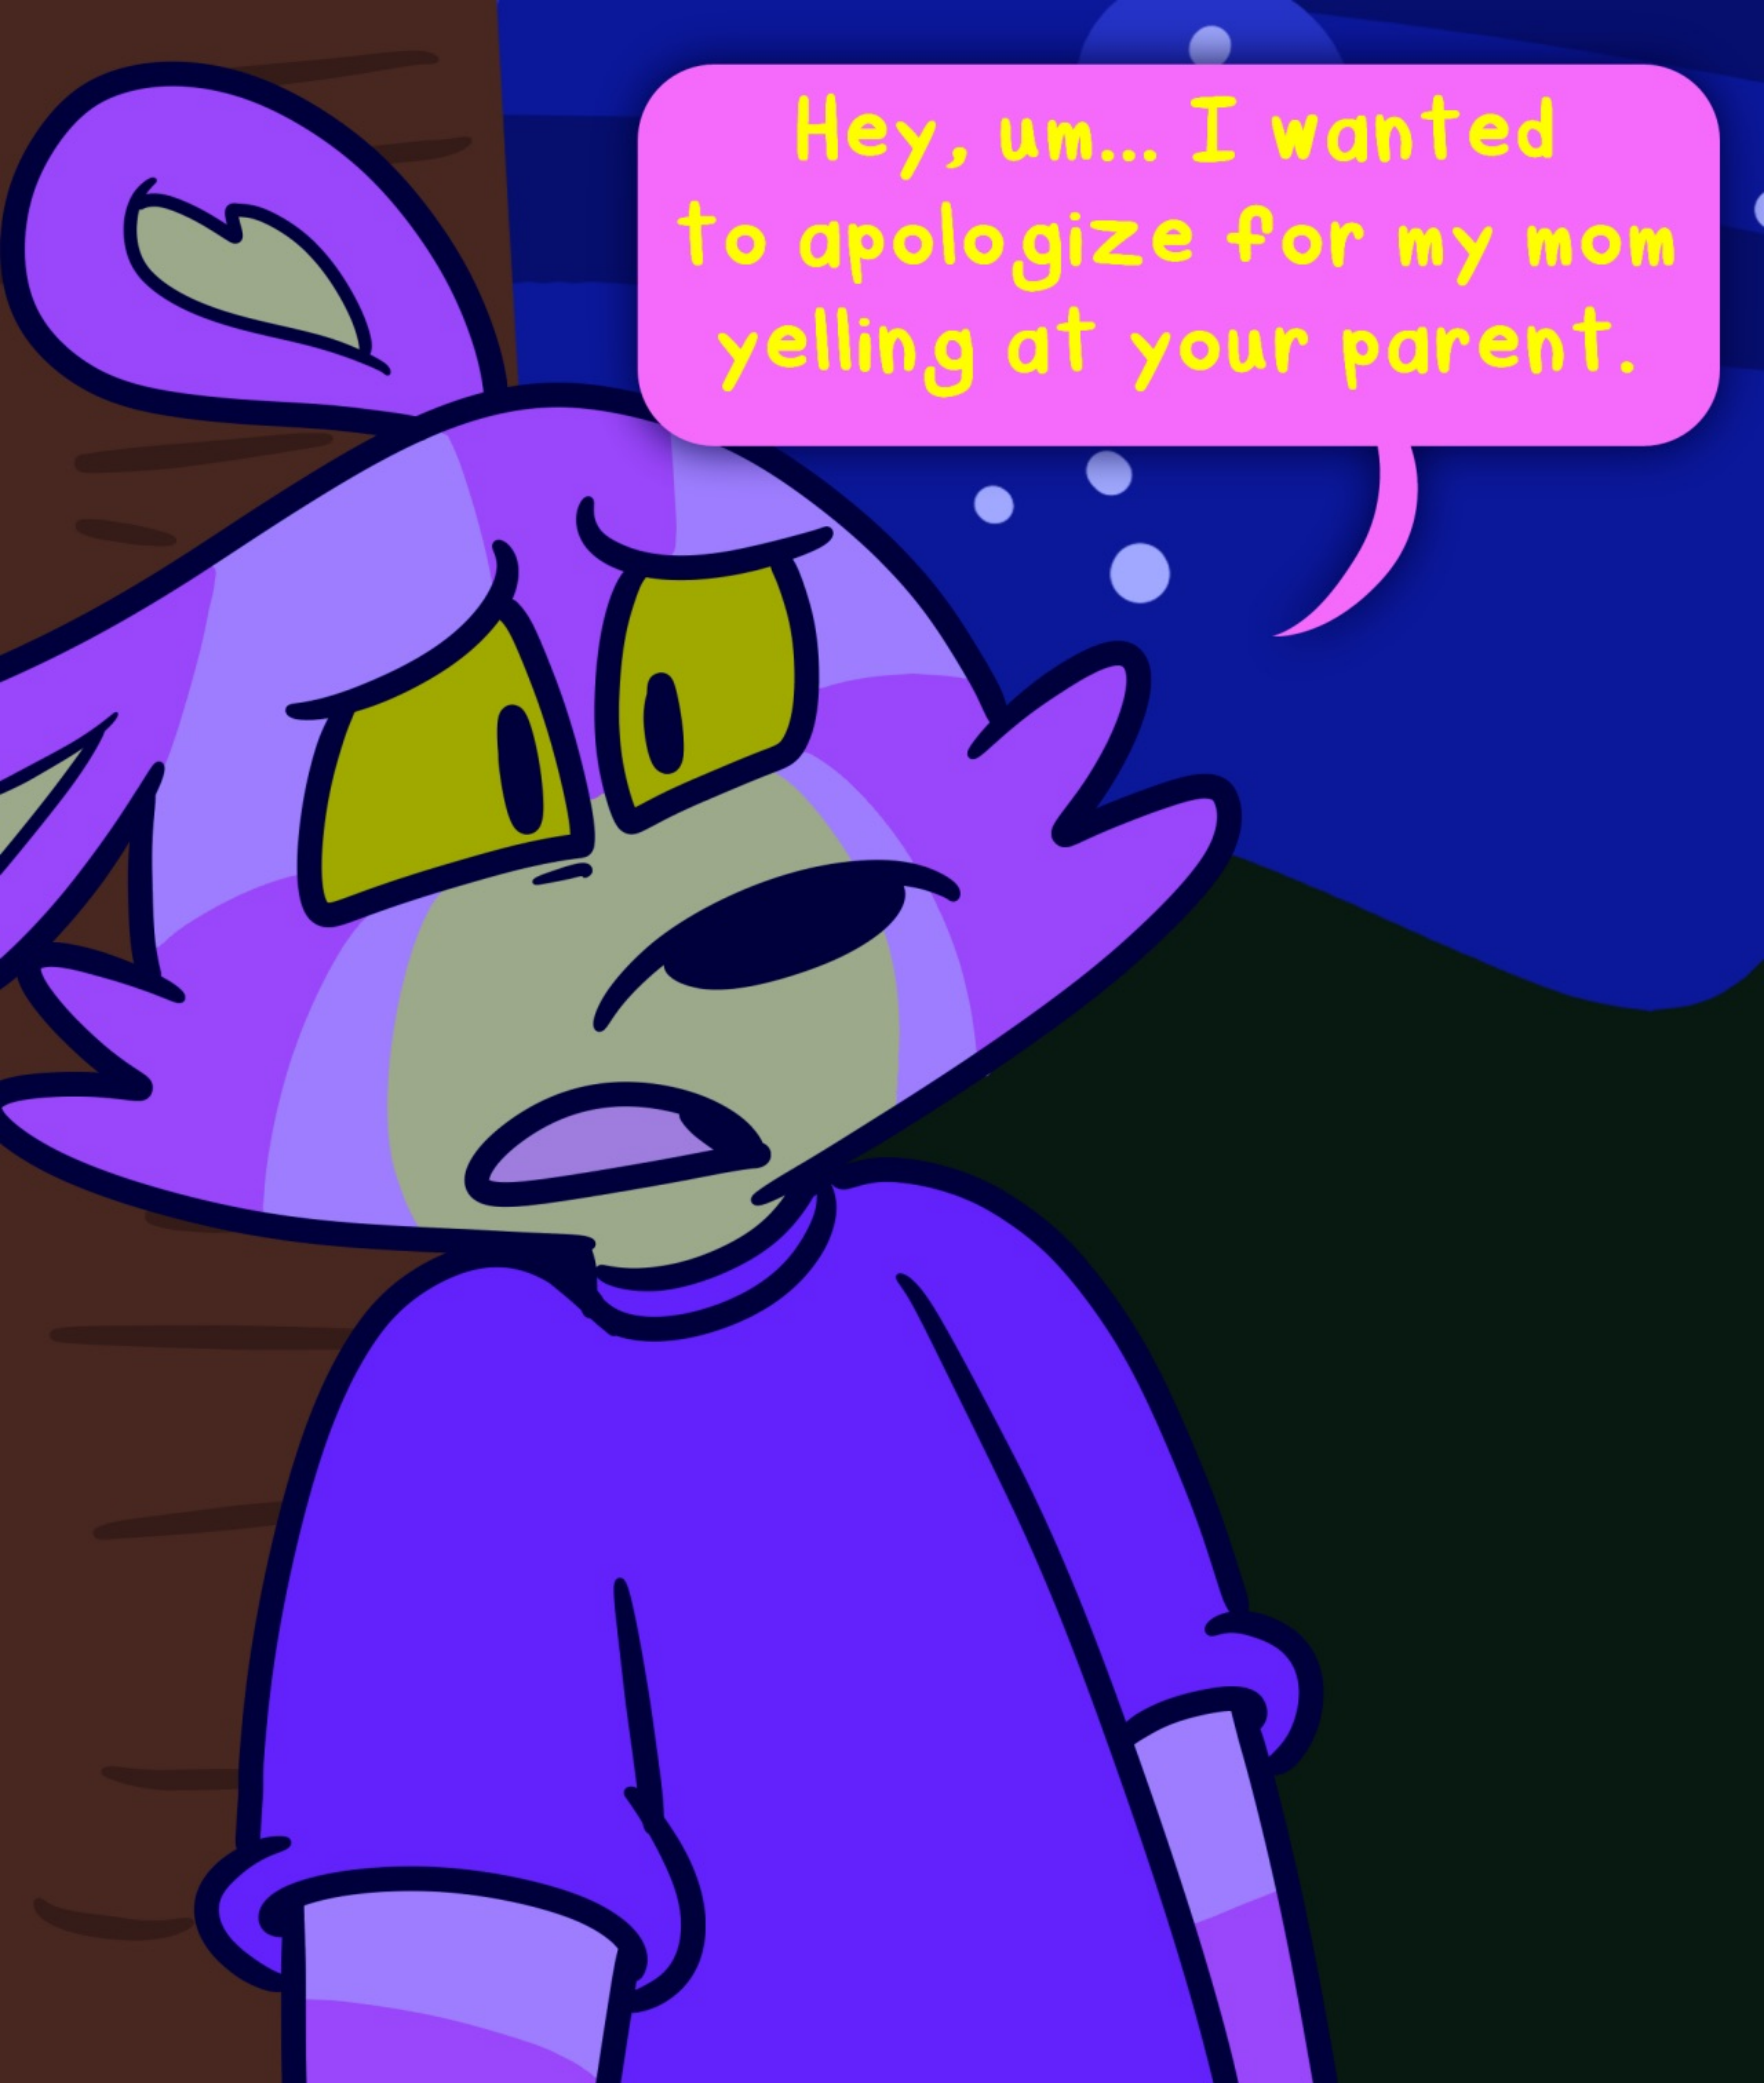
jolly go on! say hi!

kodipretzel asked:

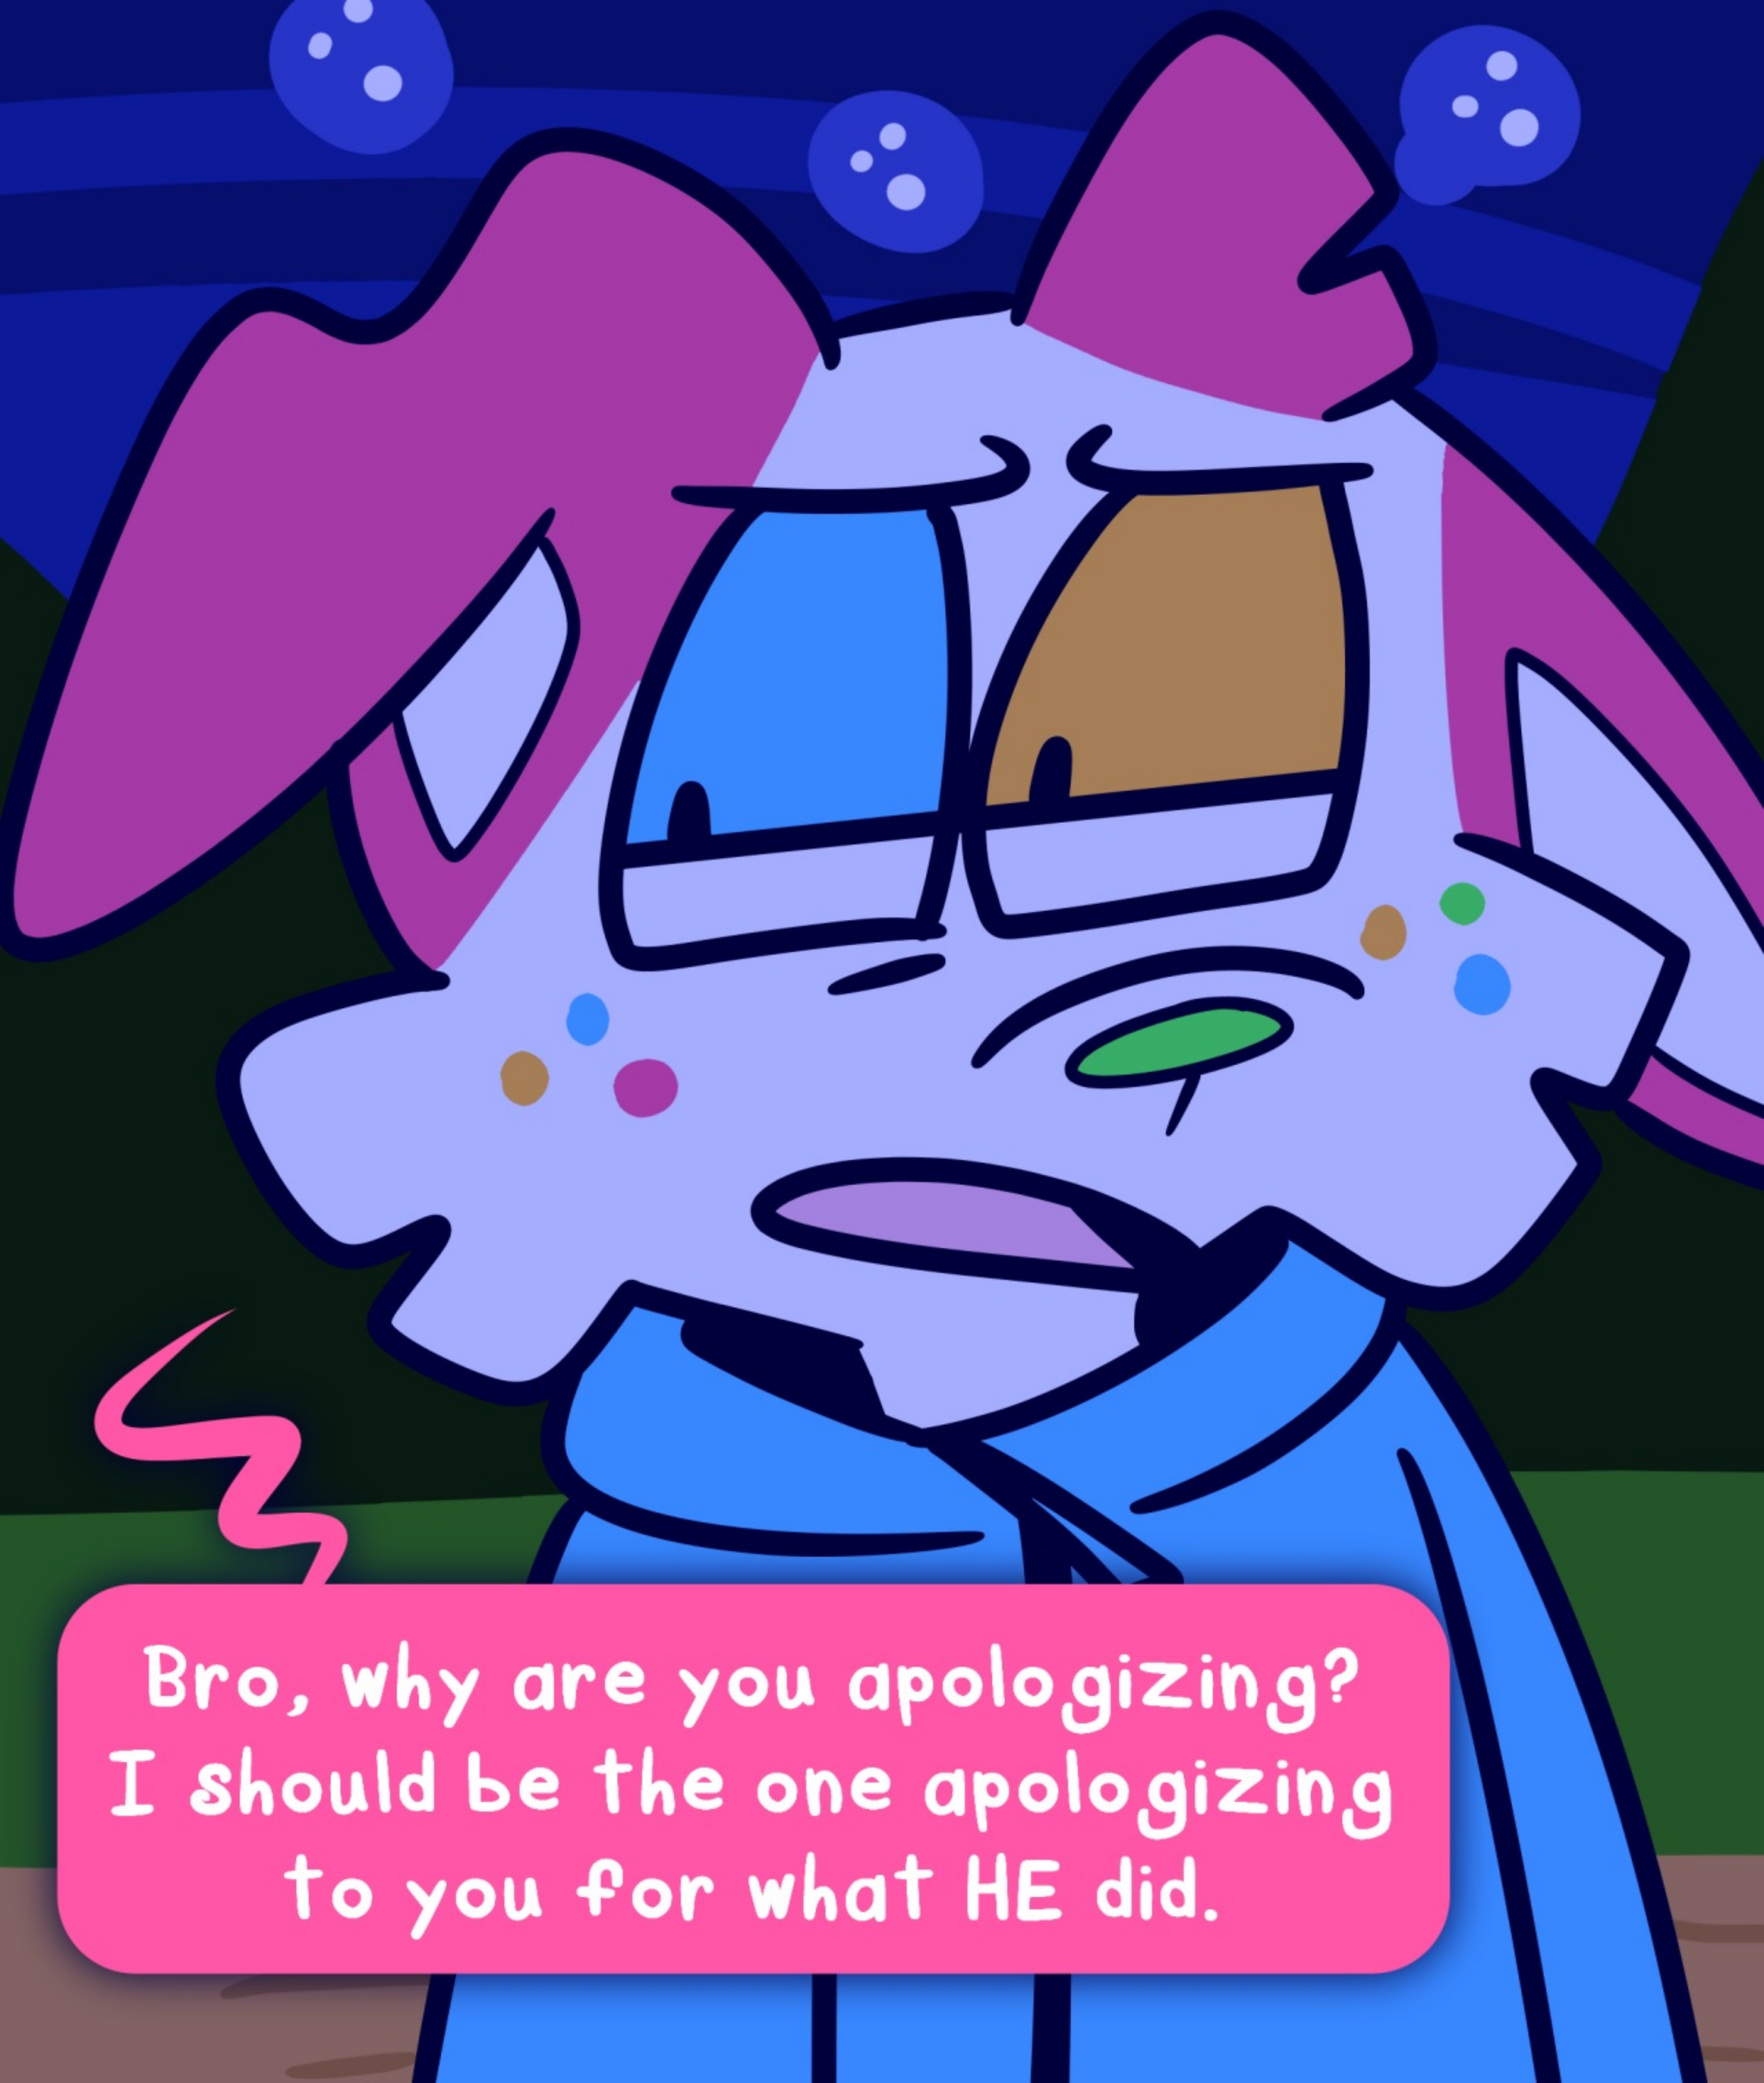
TALK TO HIM

winonarollirl asked:

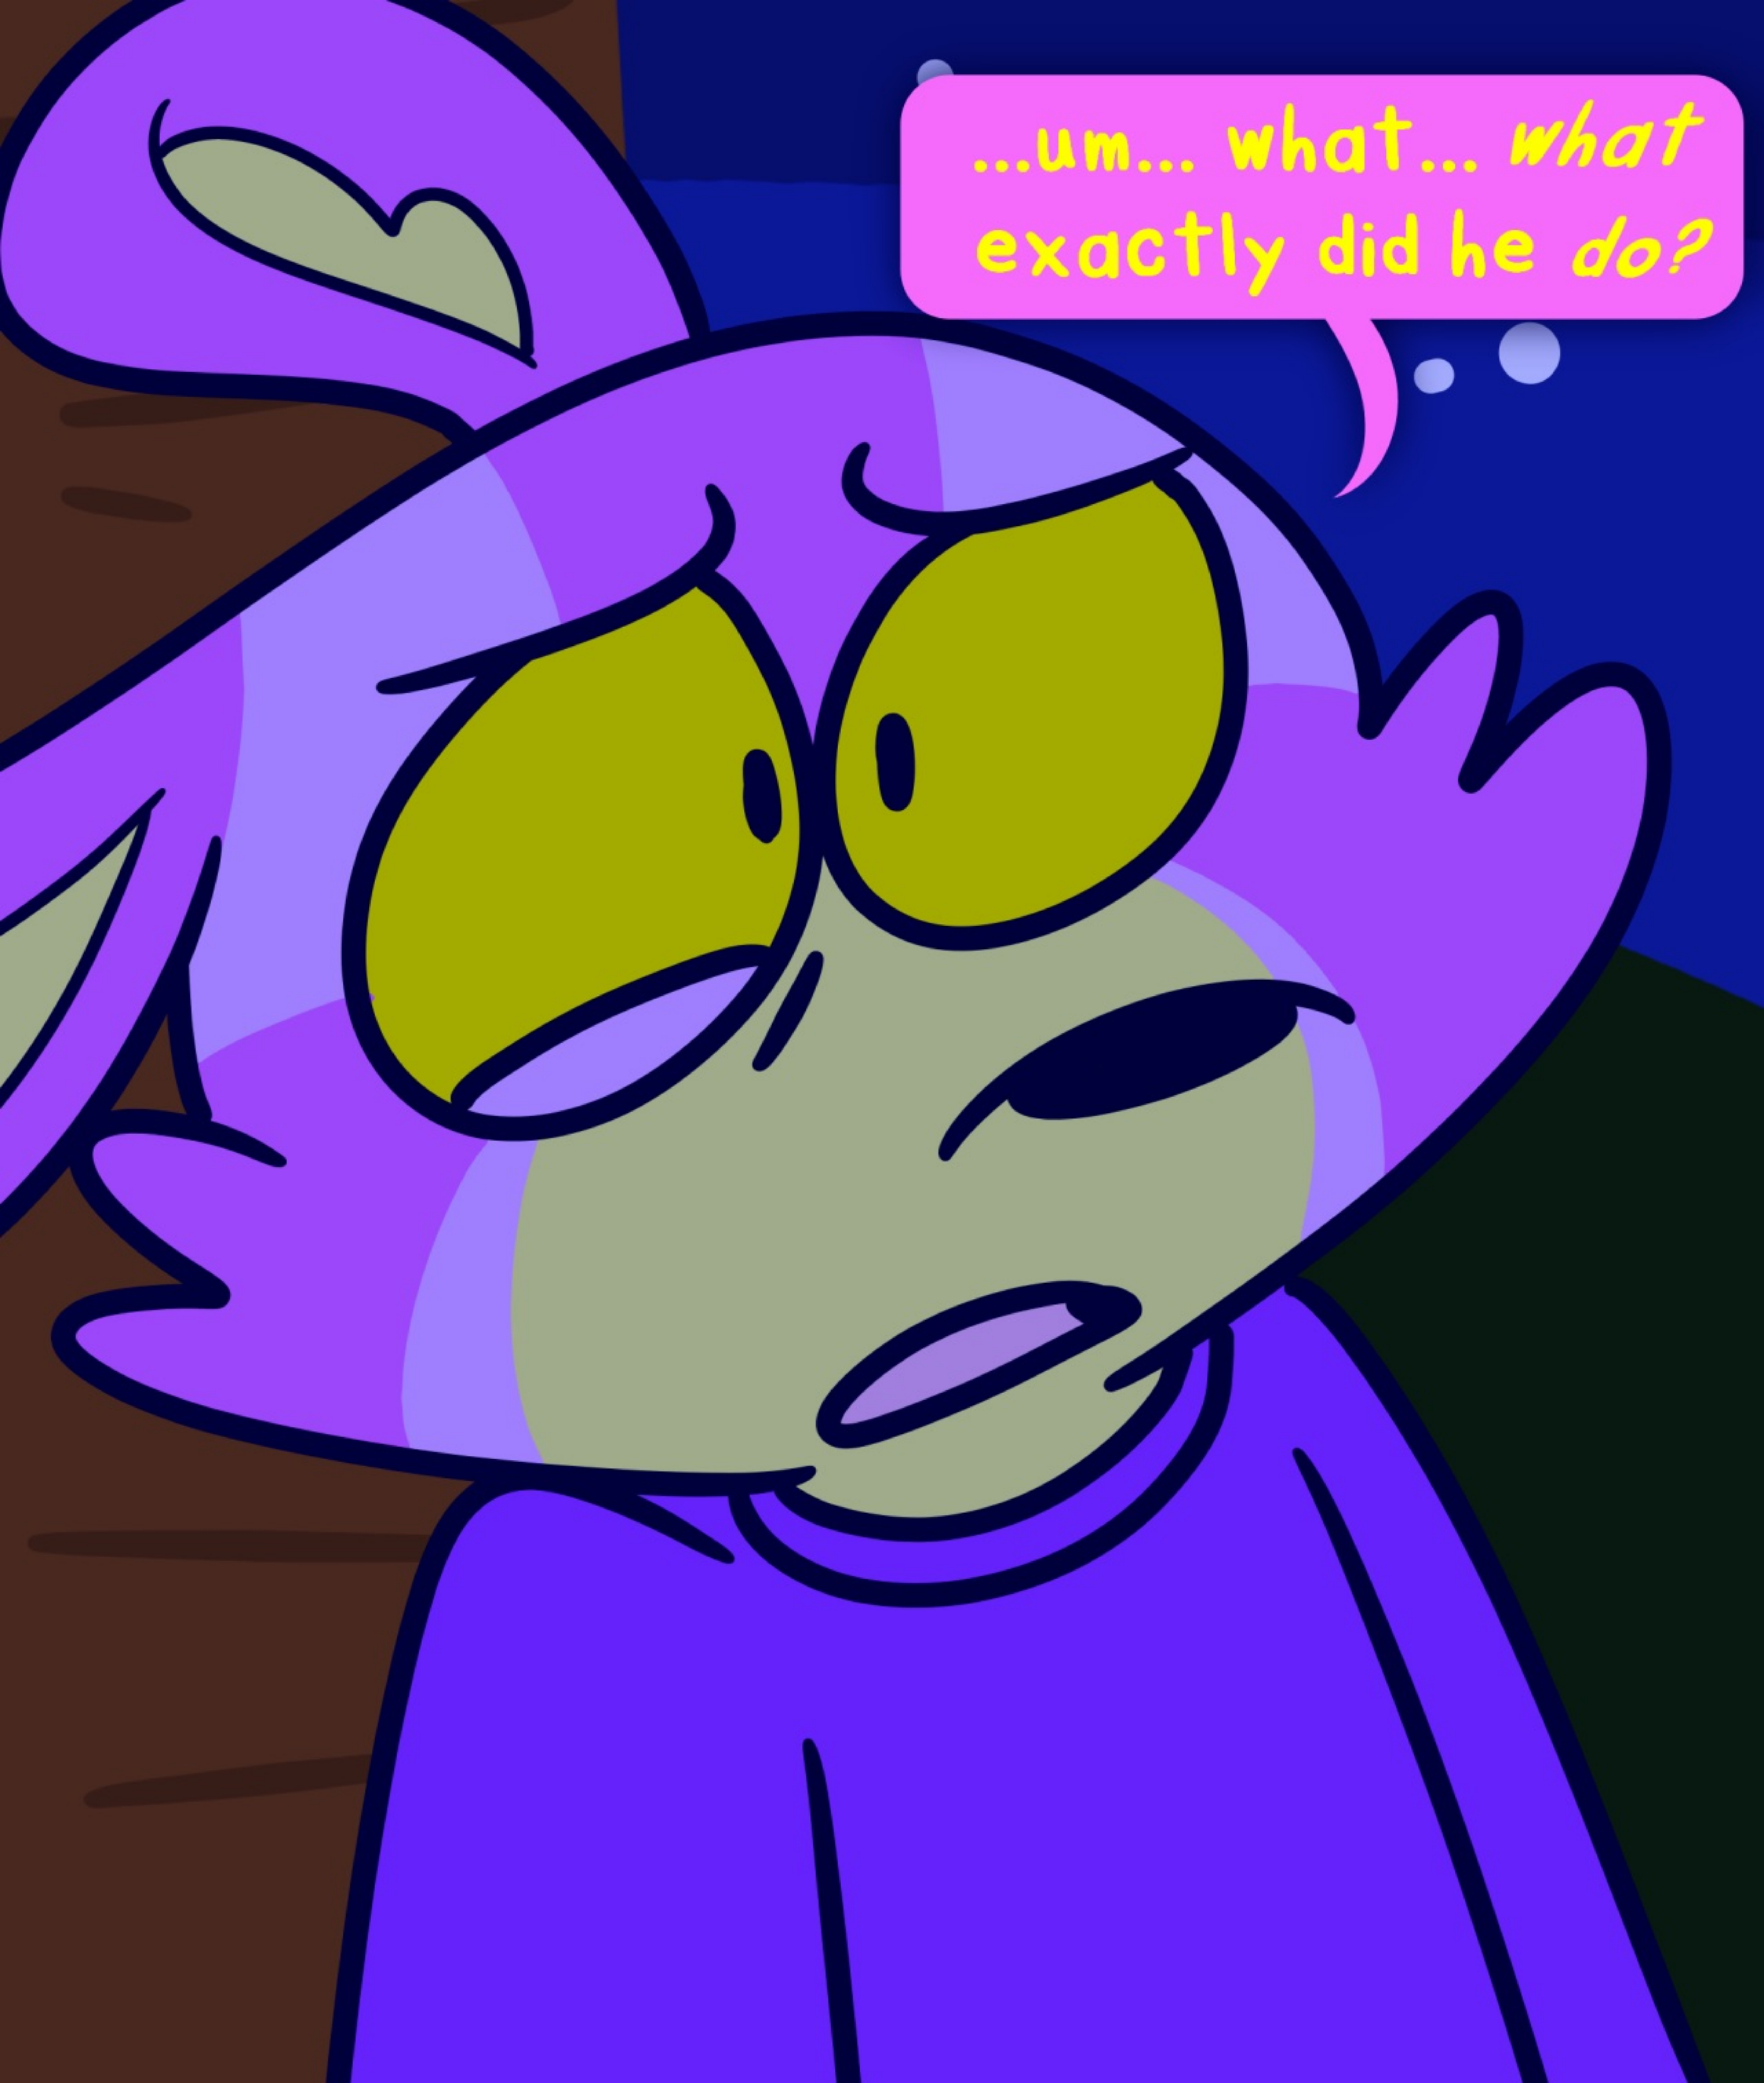
JOLLY. GO TALK. TO HIM. BE GAY. BE AS GAY AS POSSIBLE. GO. YOU CAN DO IT. GOGOGO



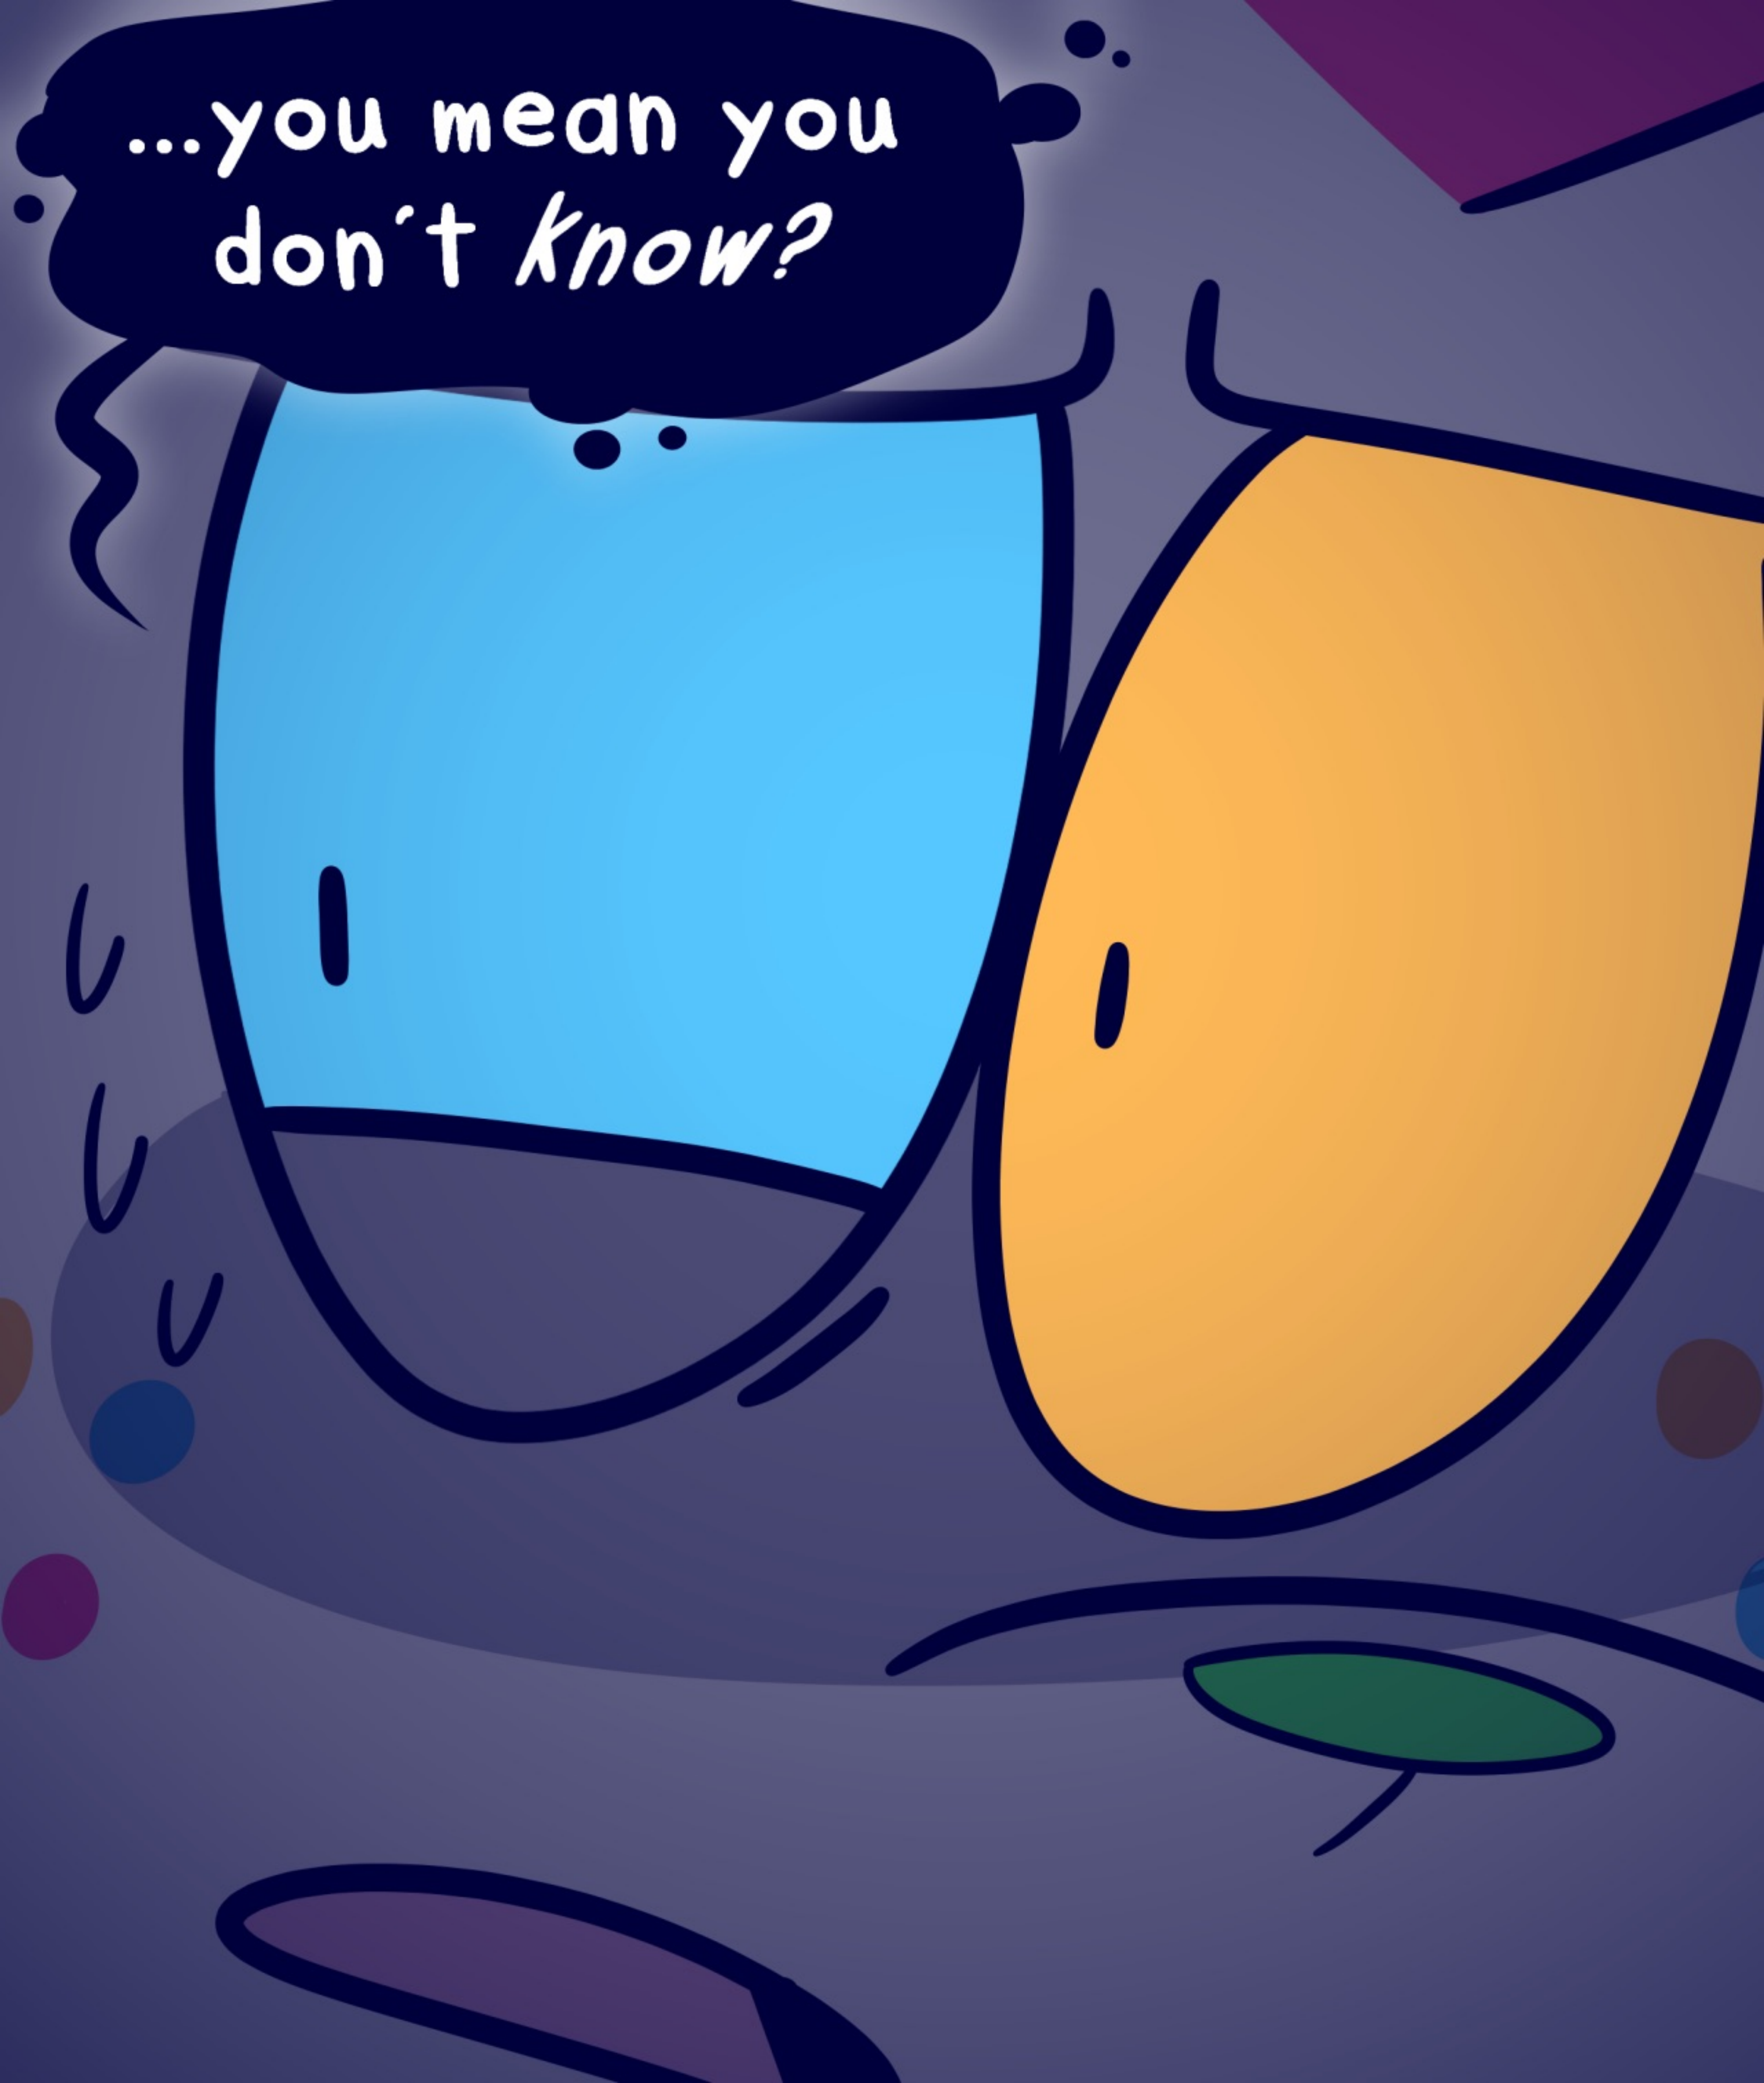
Hey, um... I wanted to apologize for my mom yelling at your parent.



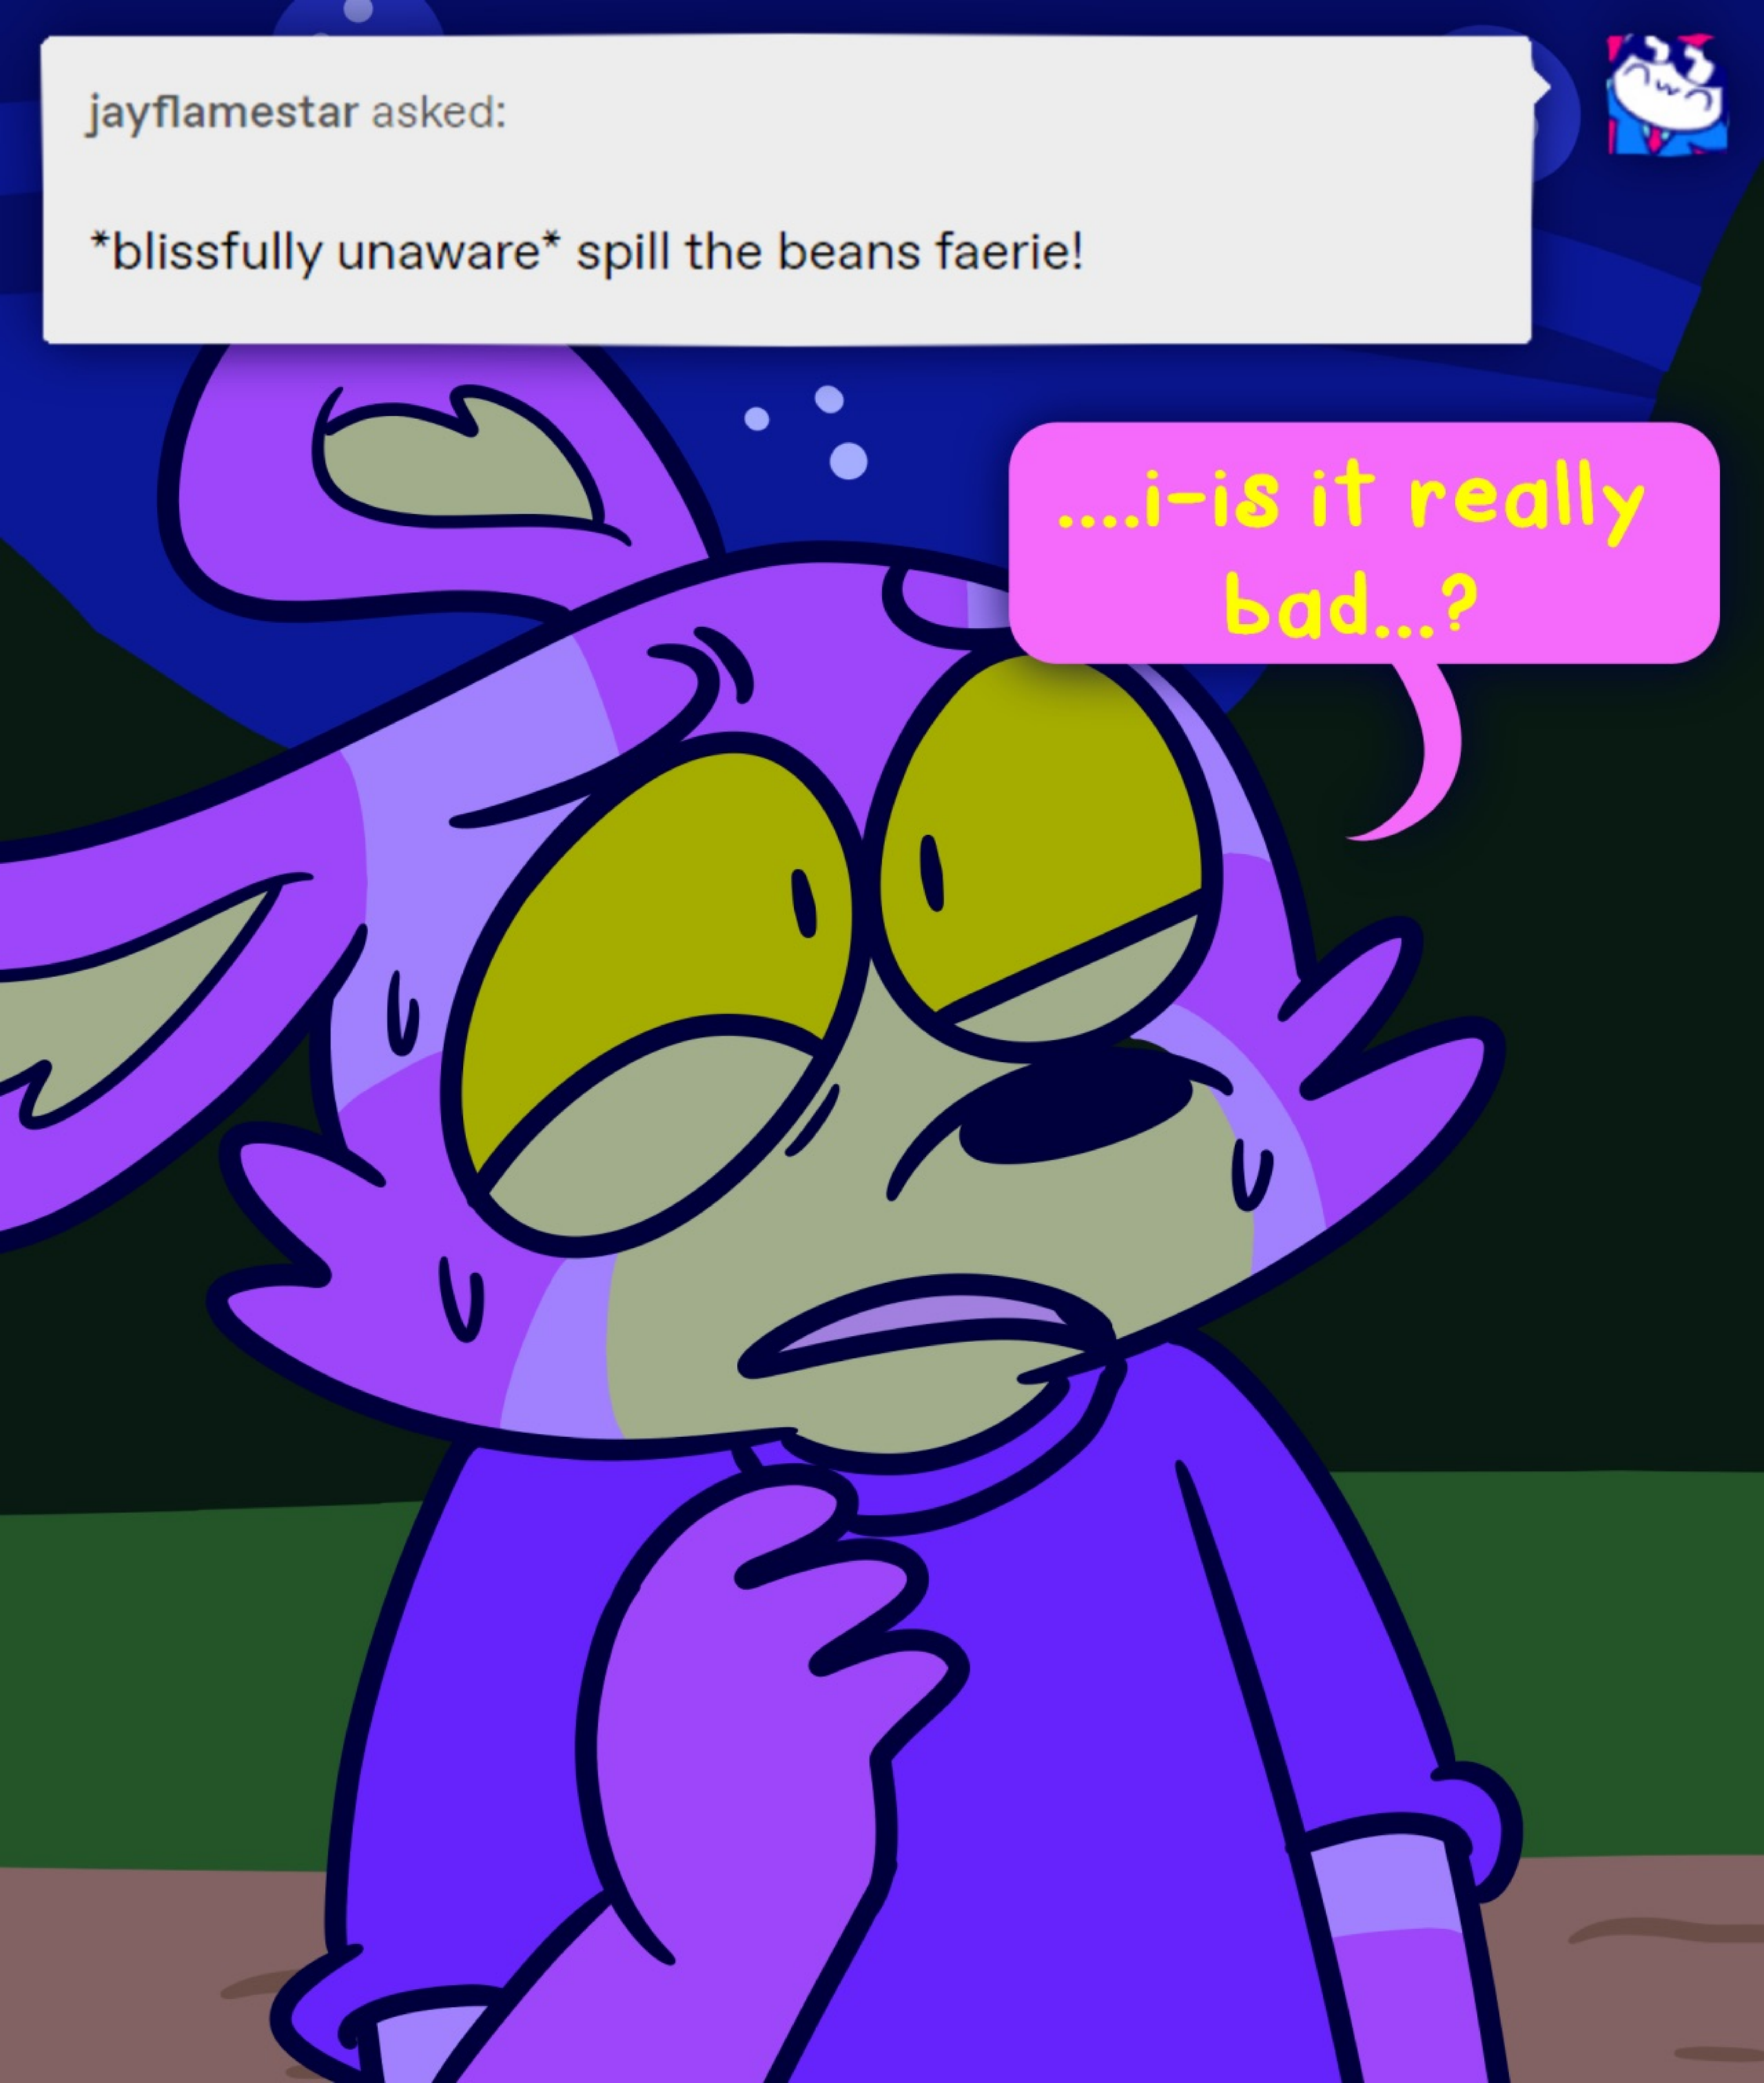
Bro, why are you apologizing? I should be the one apologizing to you for what HE did.



...um... what... *what* exactly did he *do?*



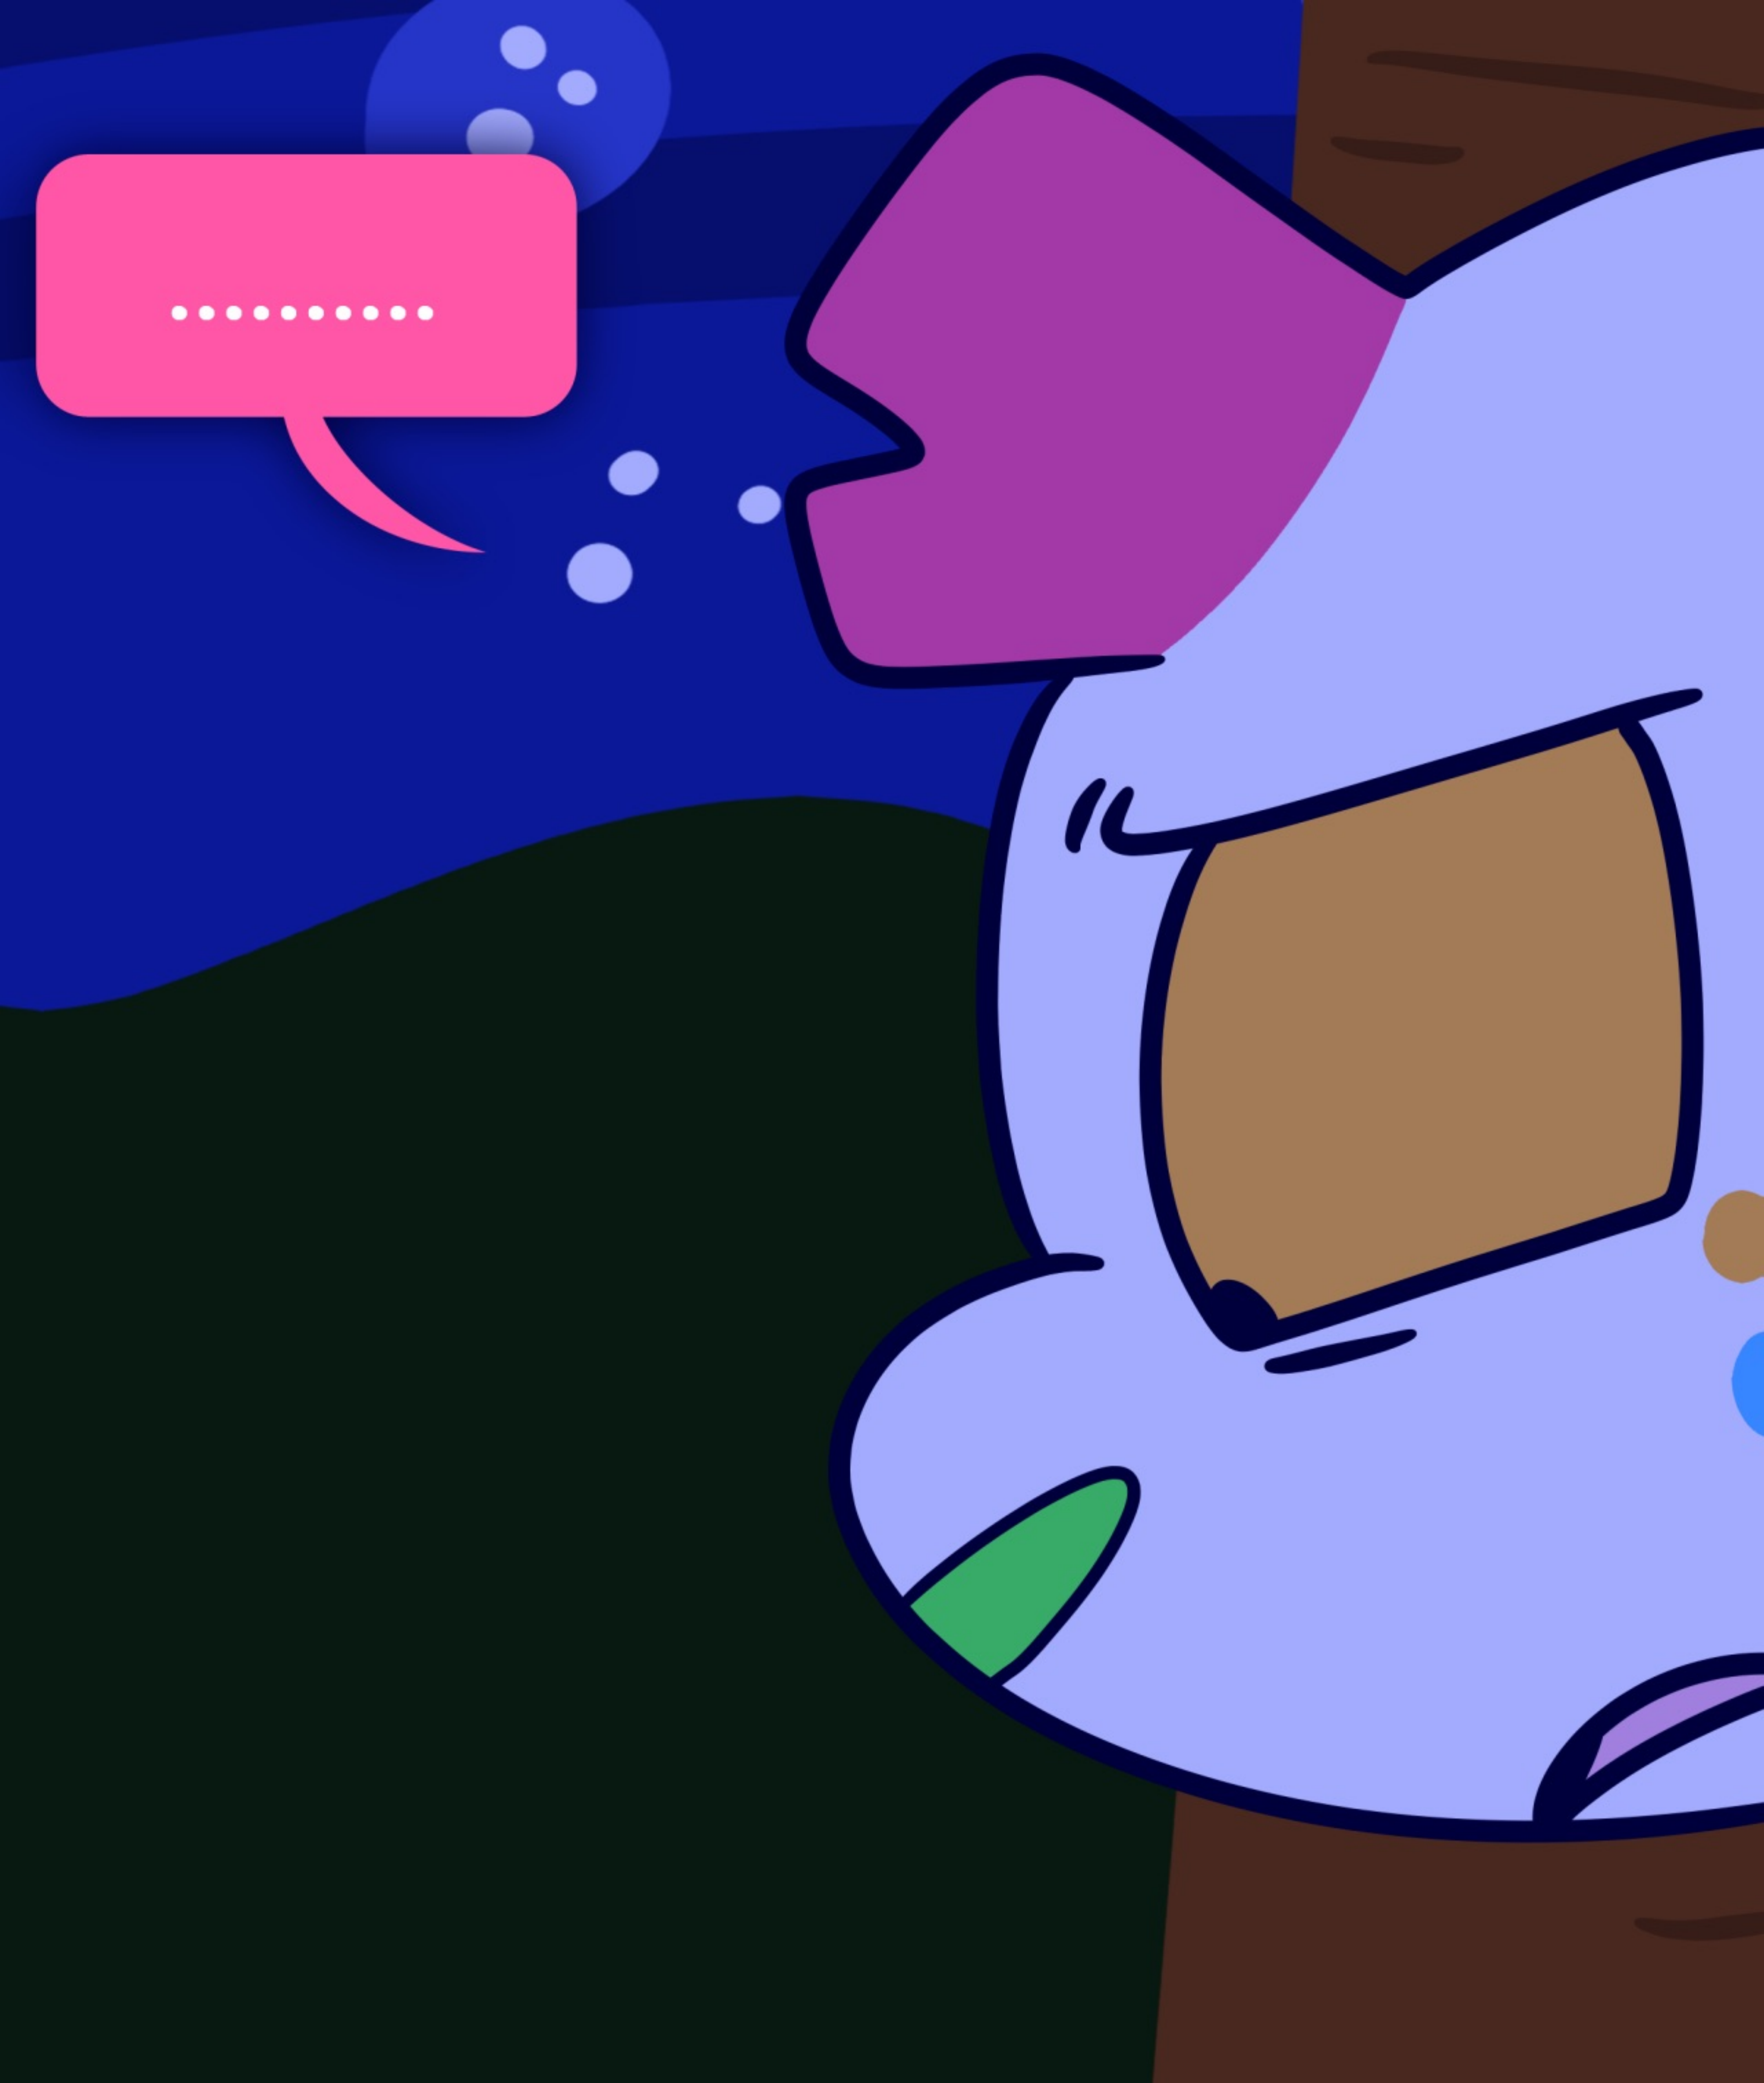
...you mean you don't *know?*

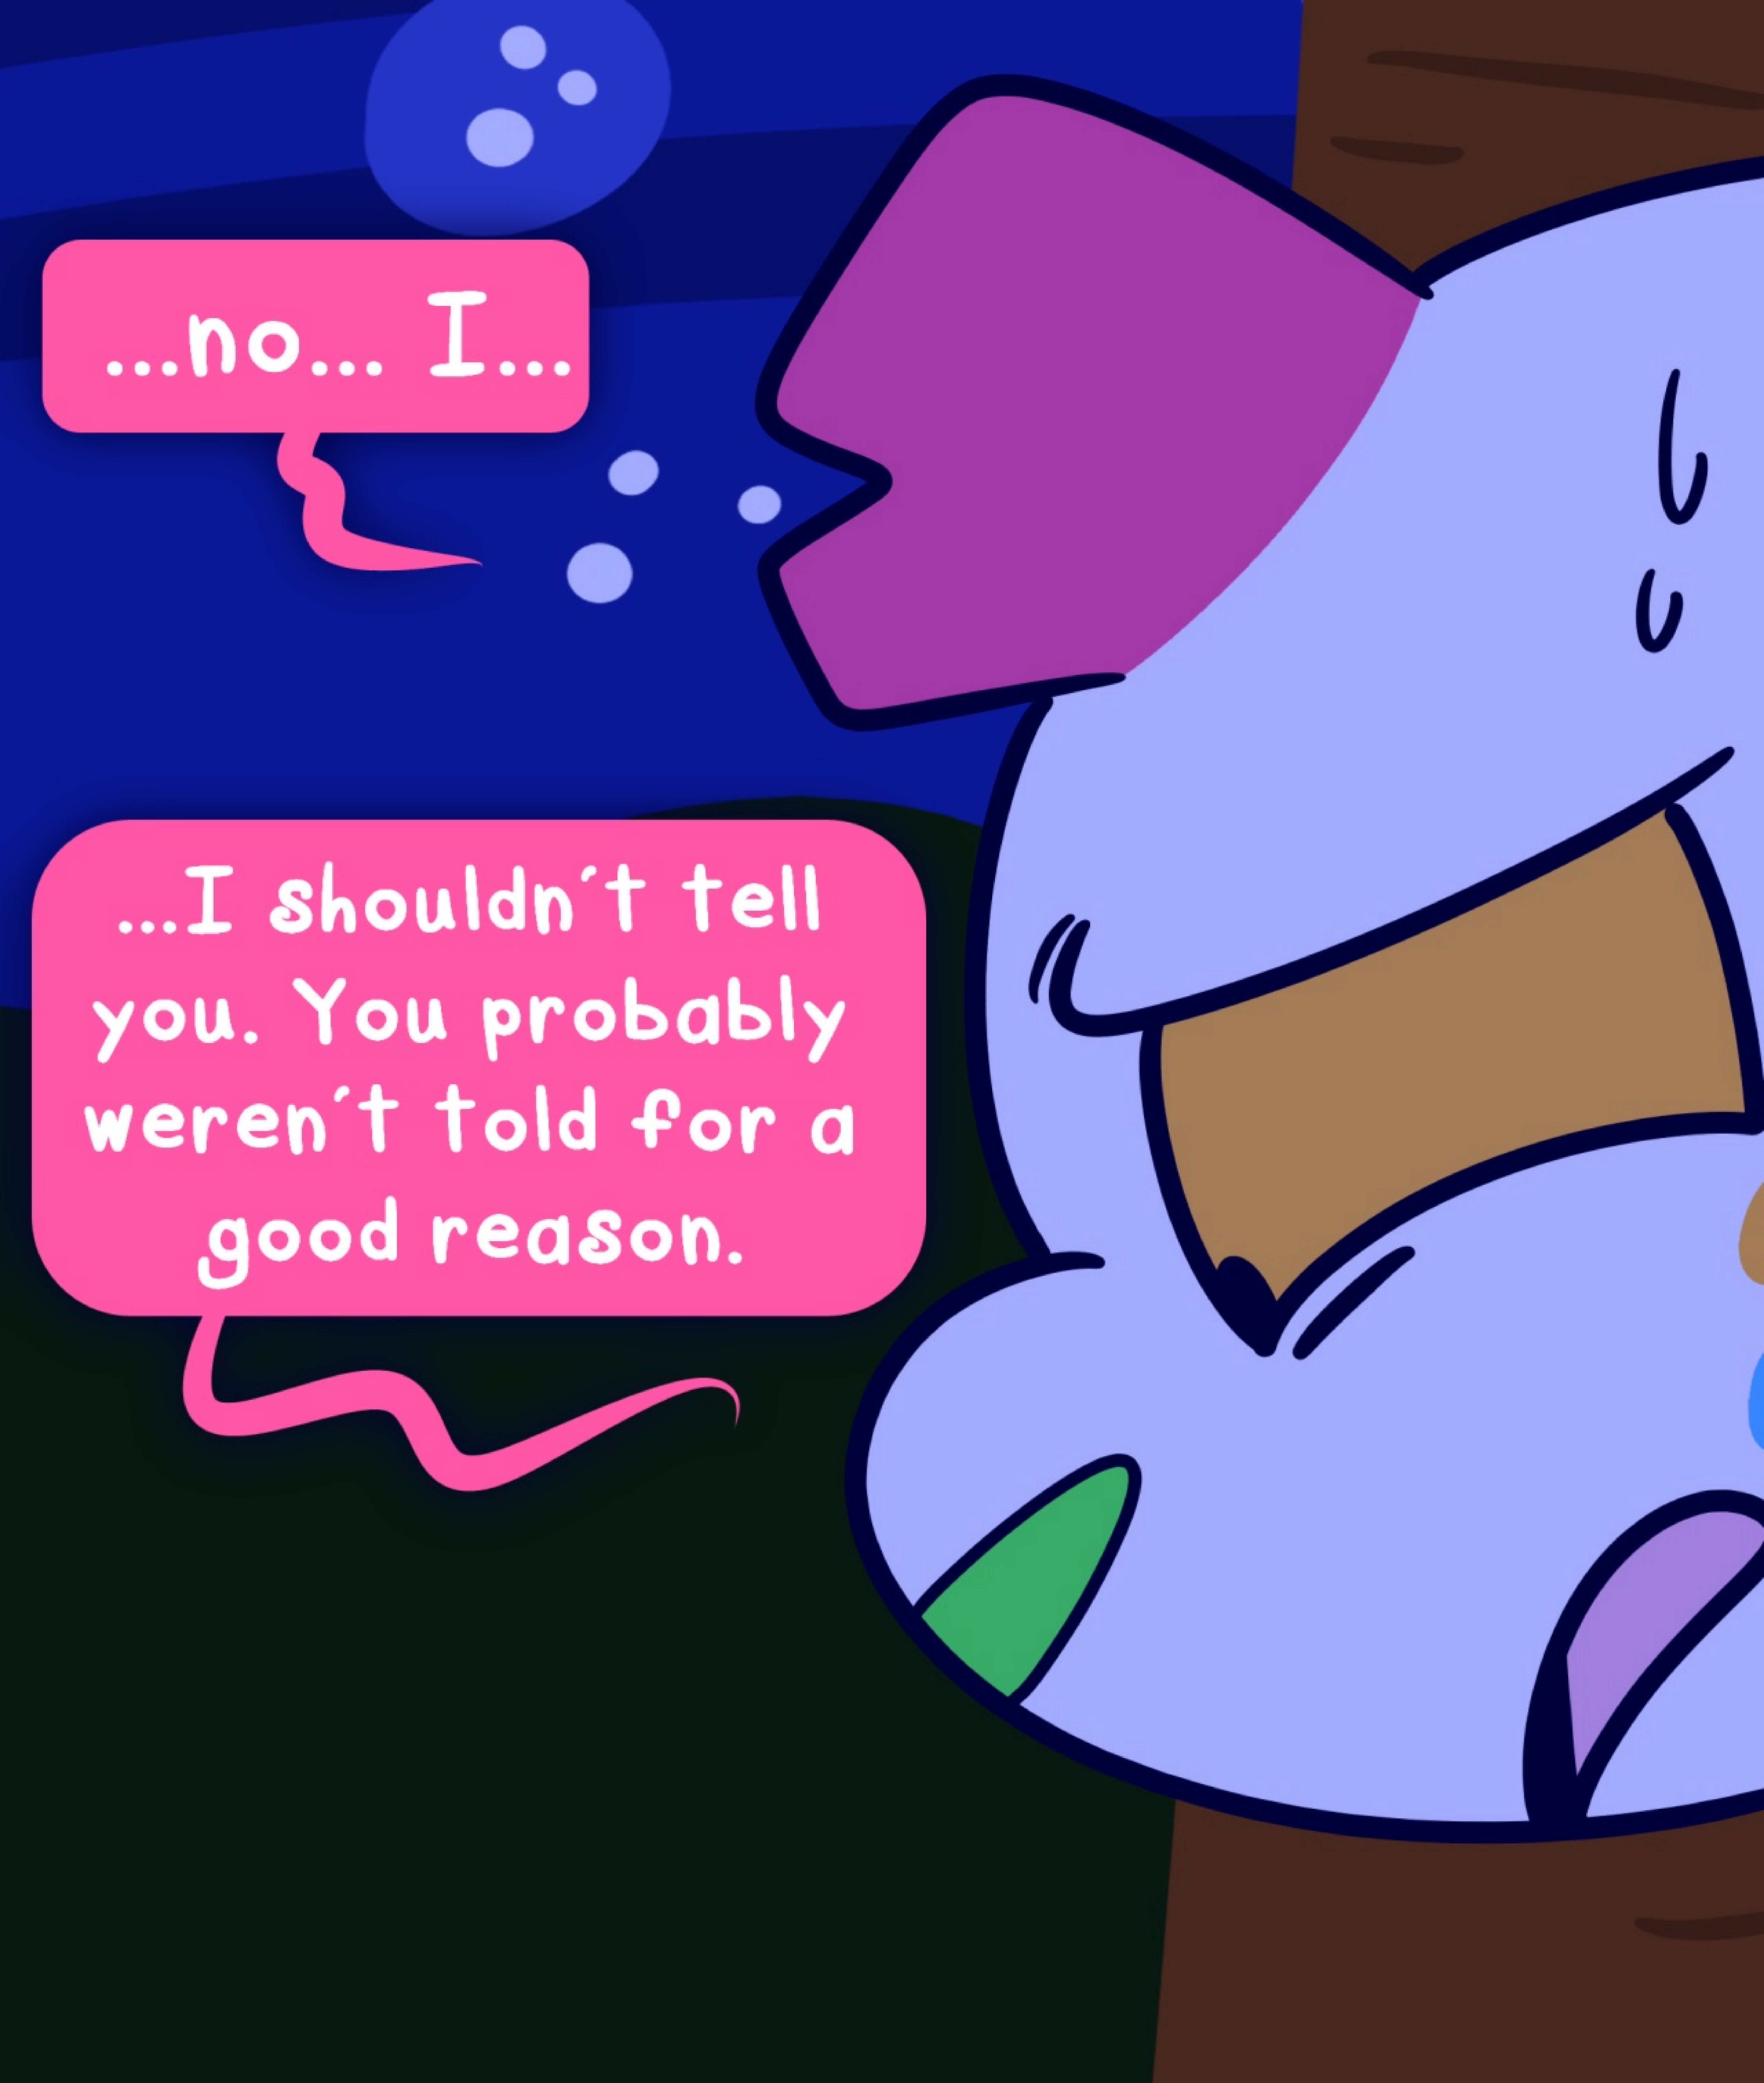


jayflamestar asked:

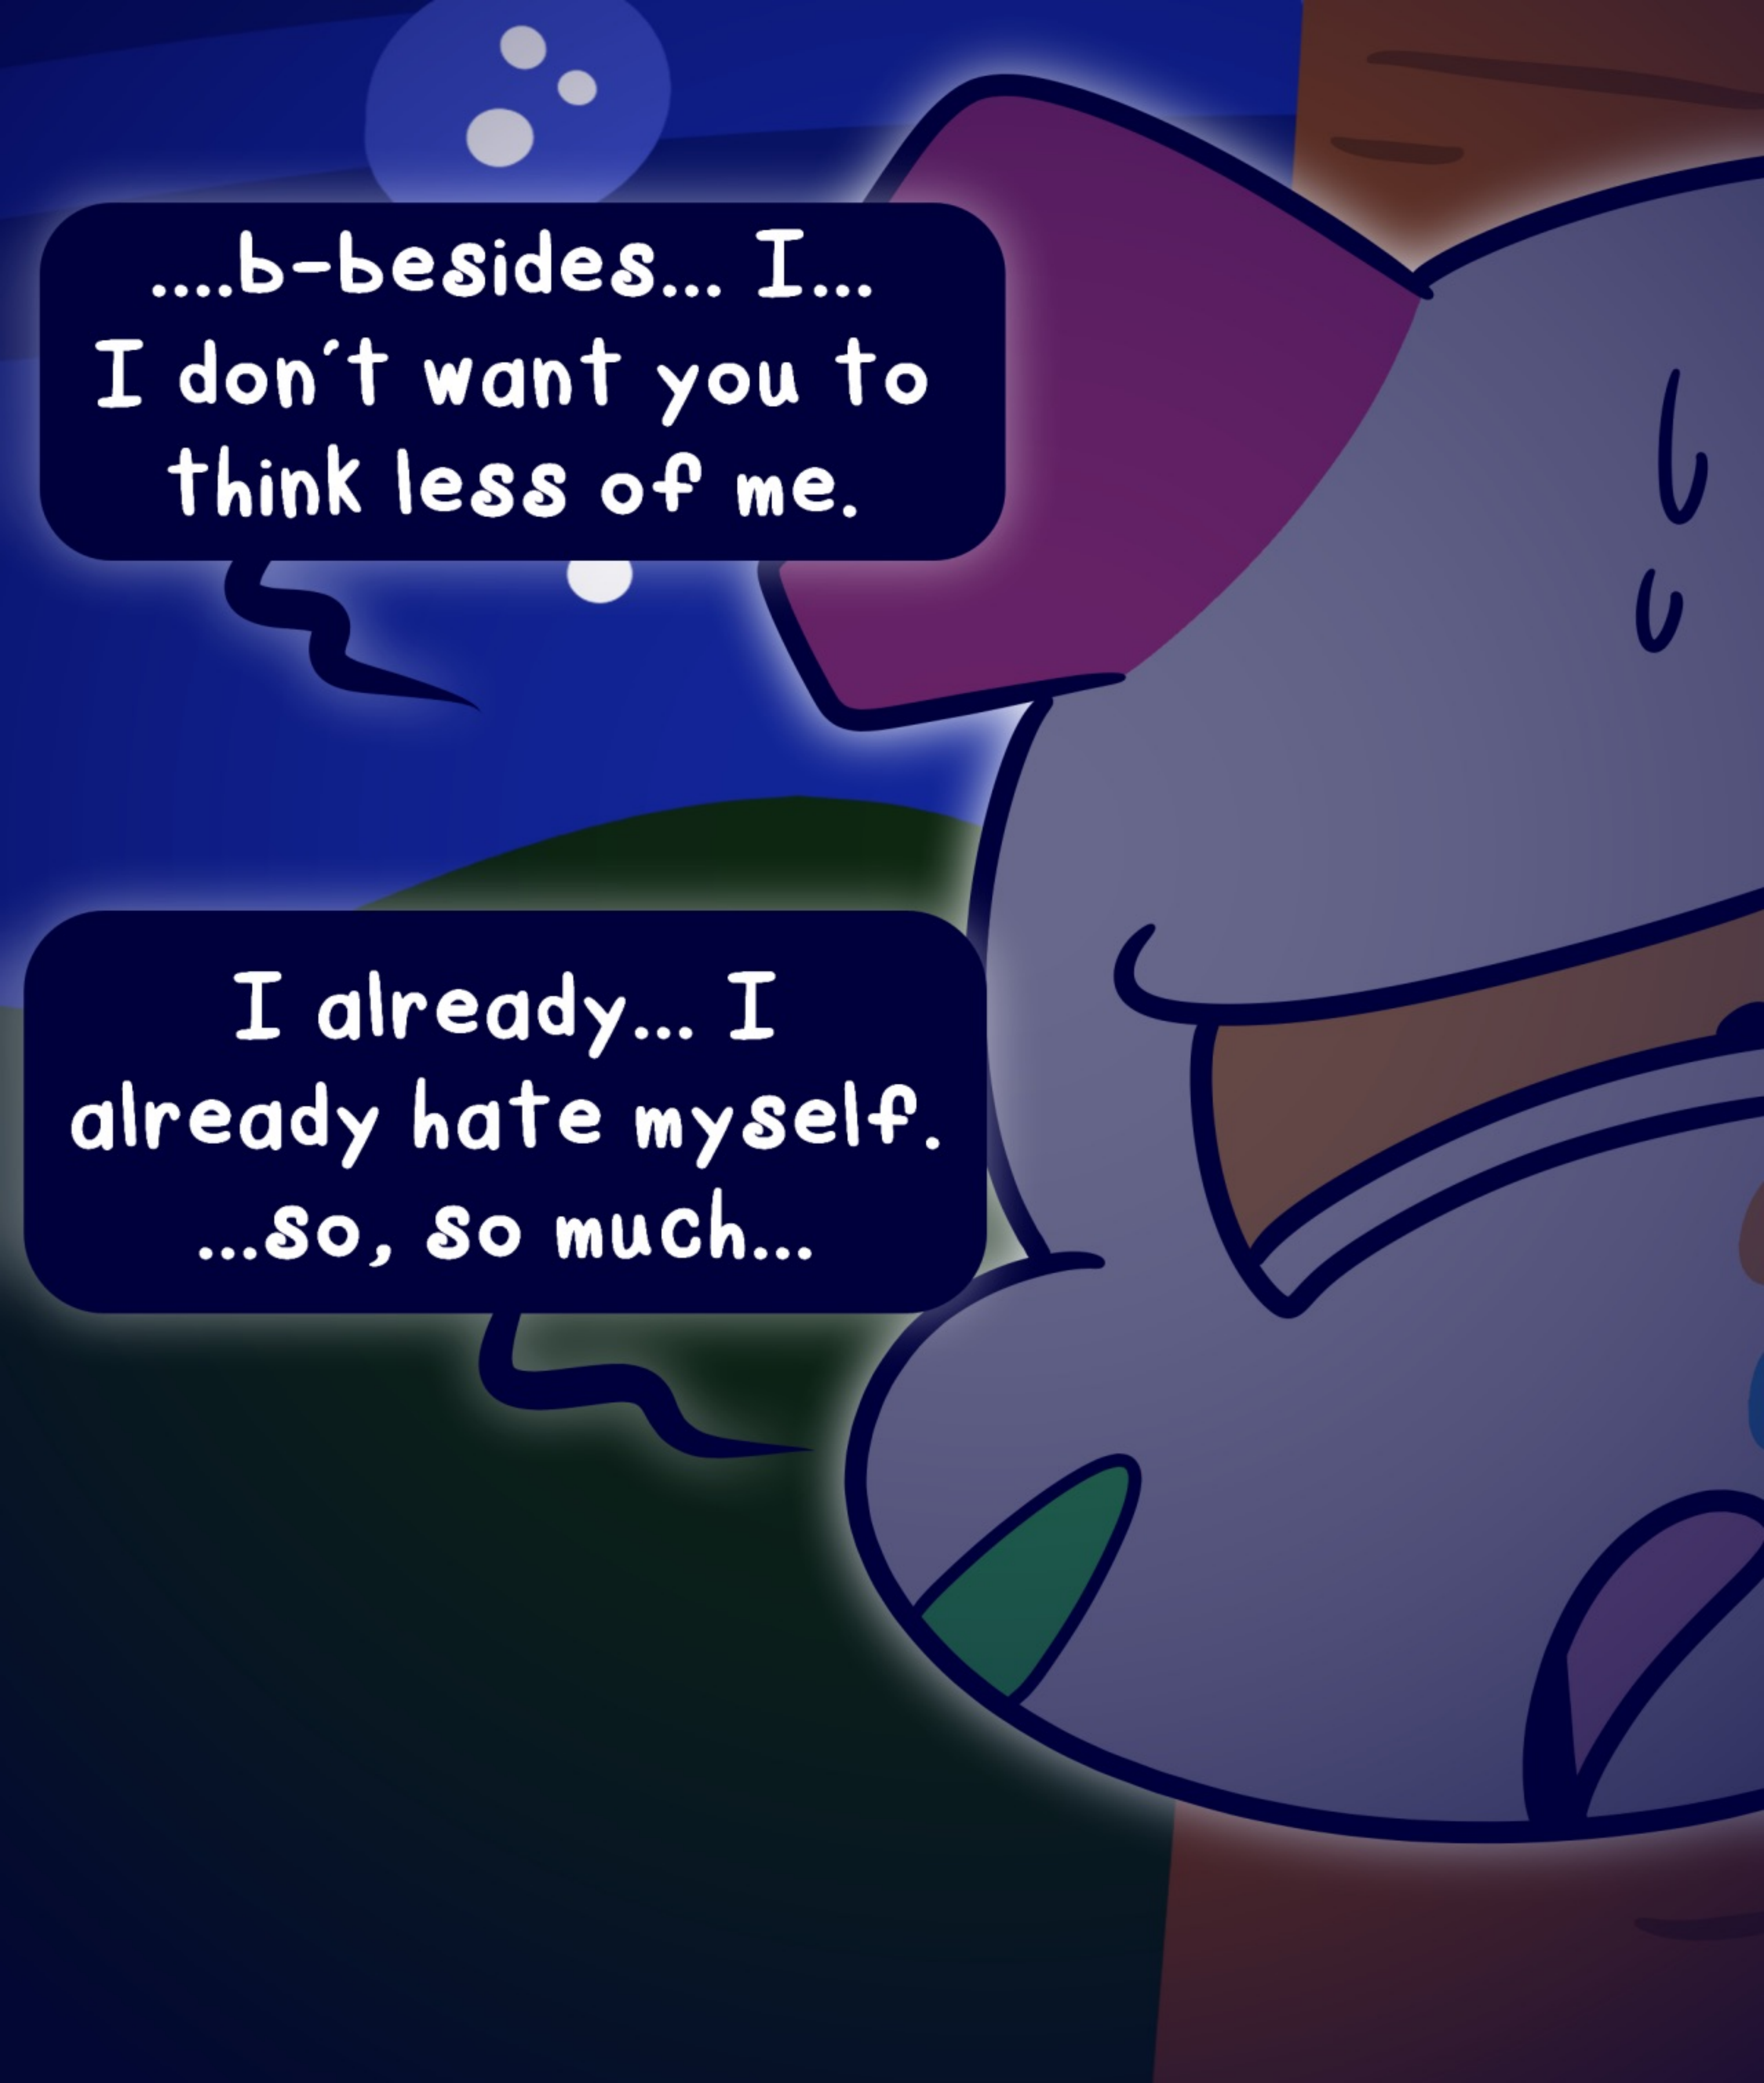
blissfully unaware spill the beans faerie!

....i-is it really bad...?

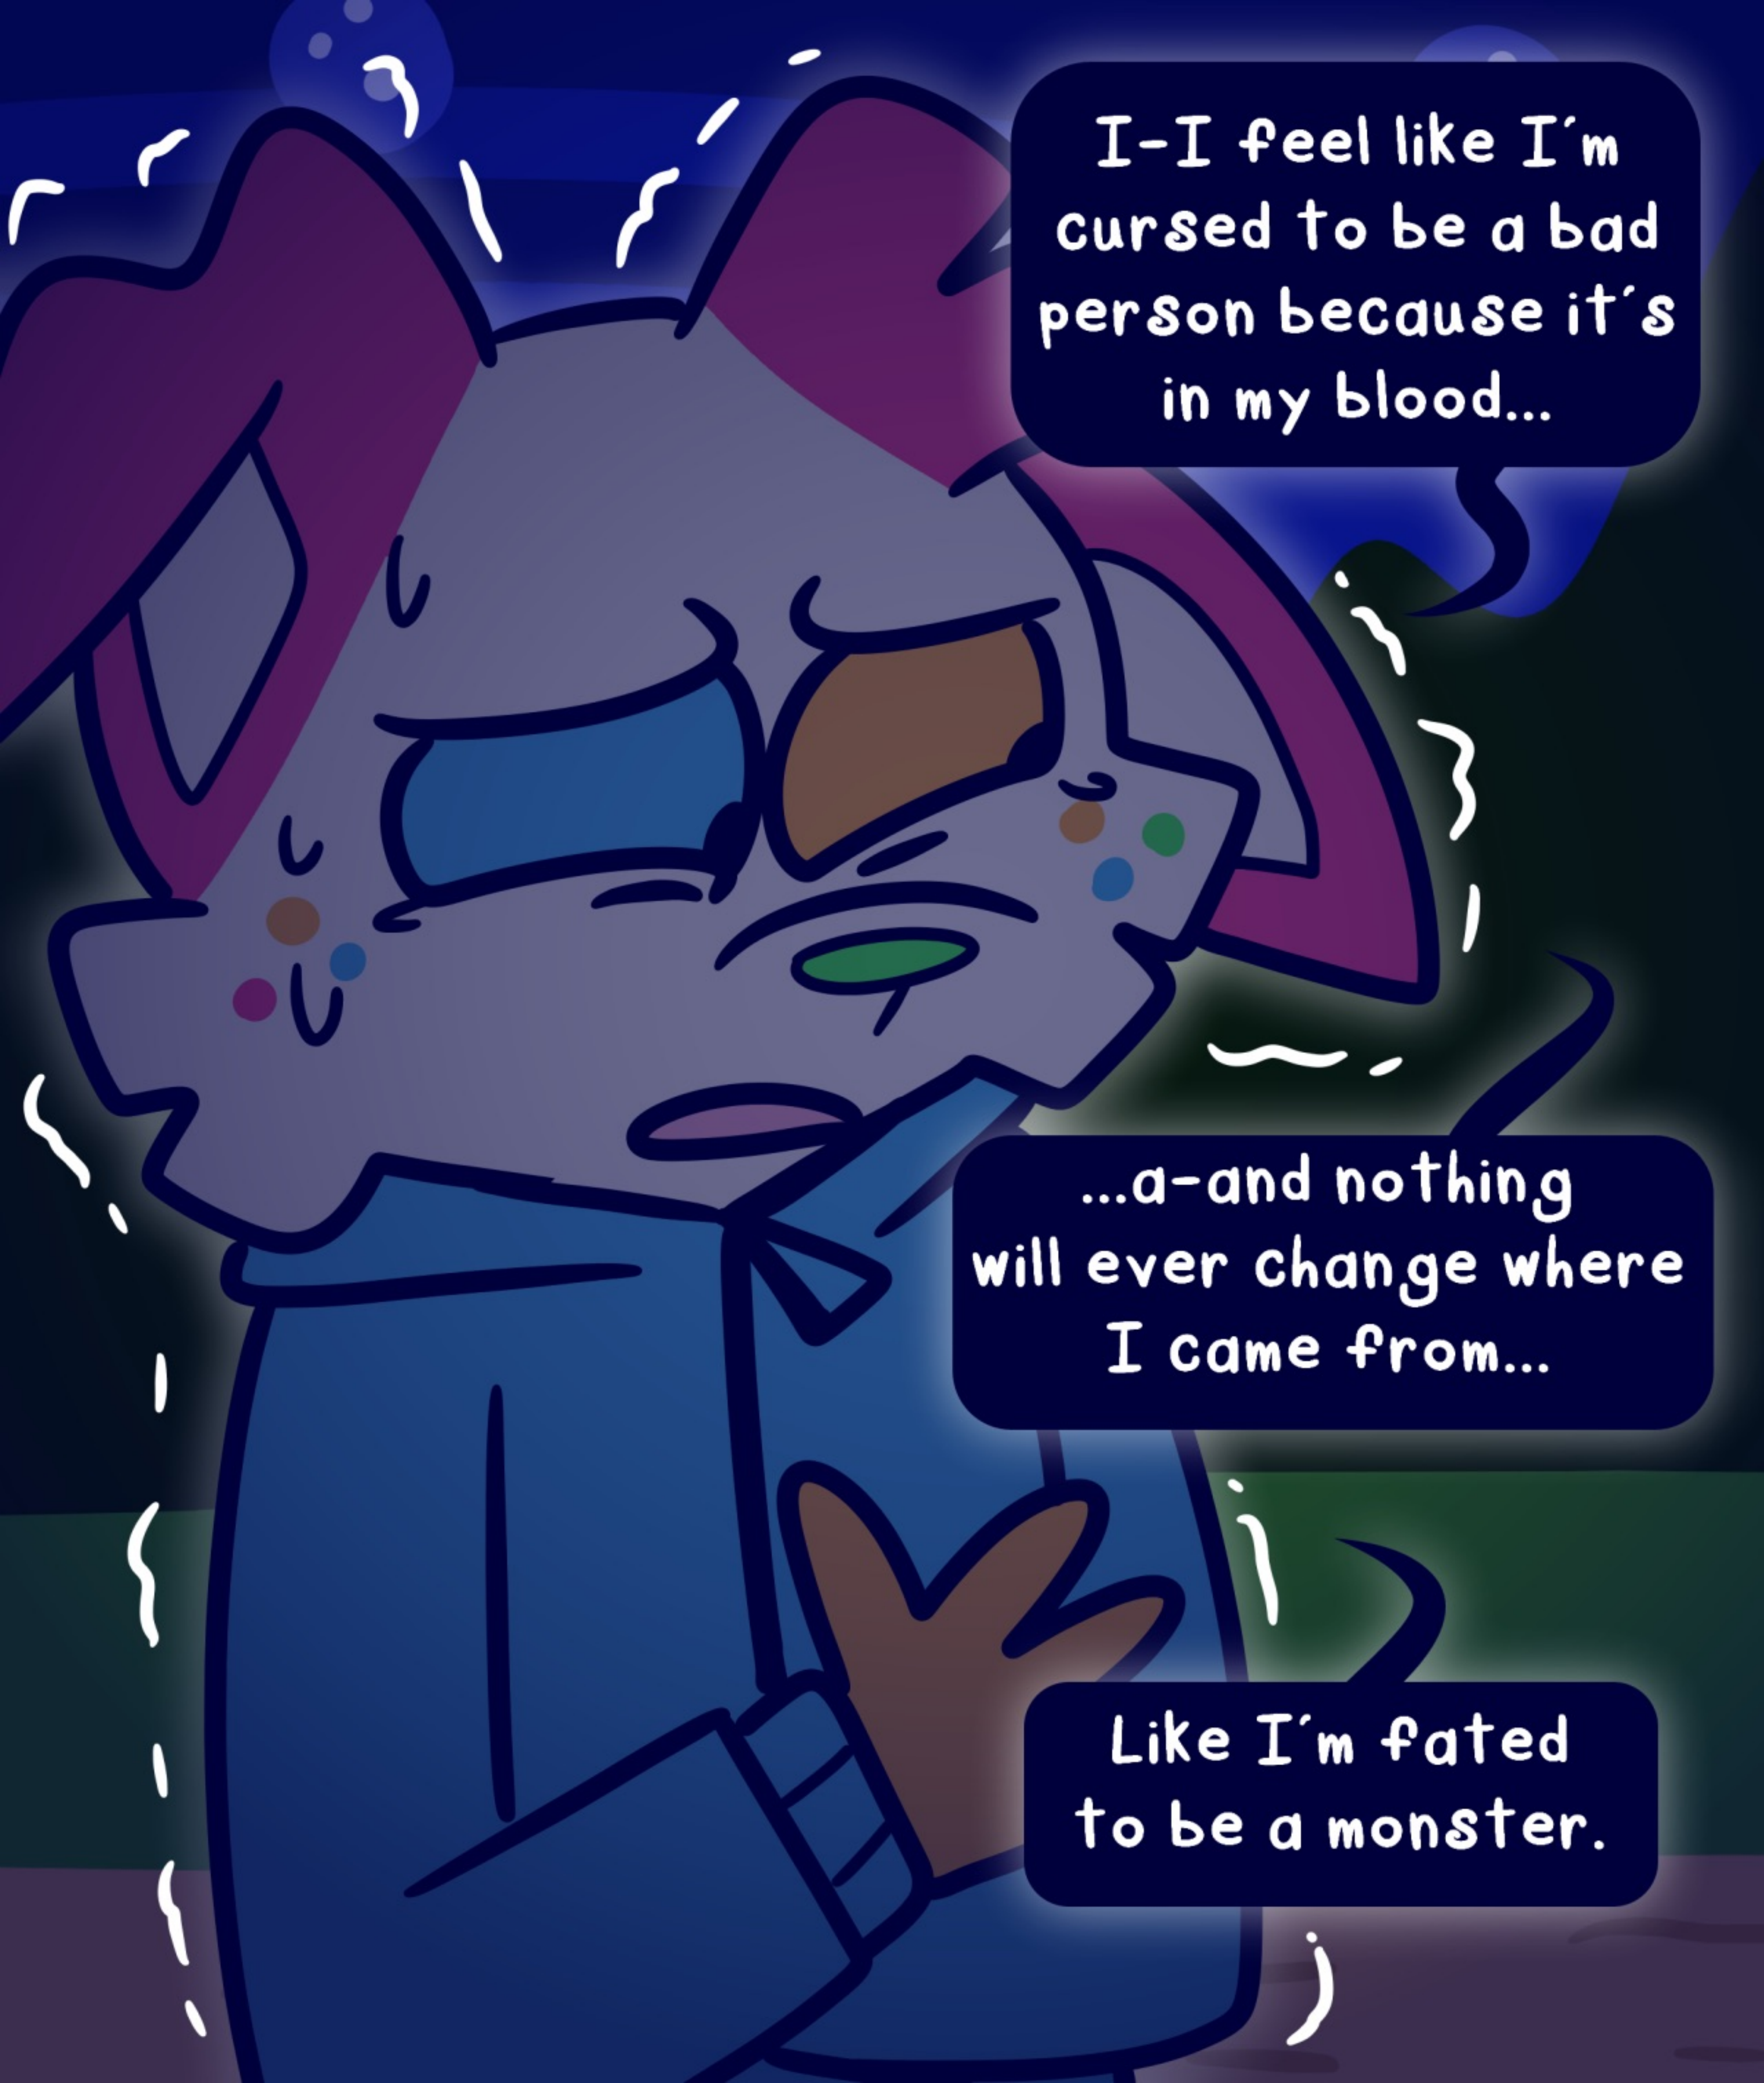




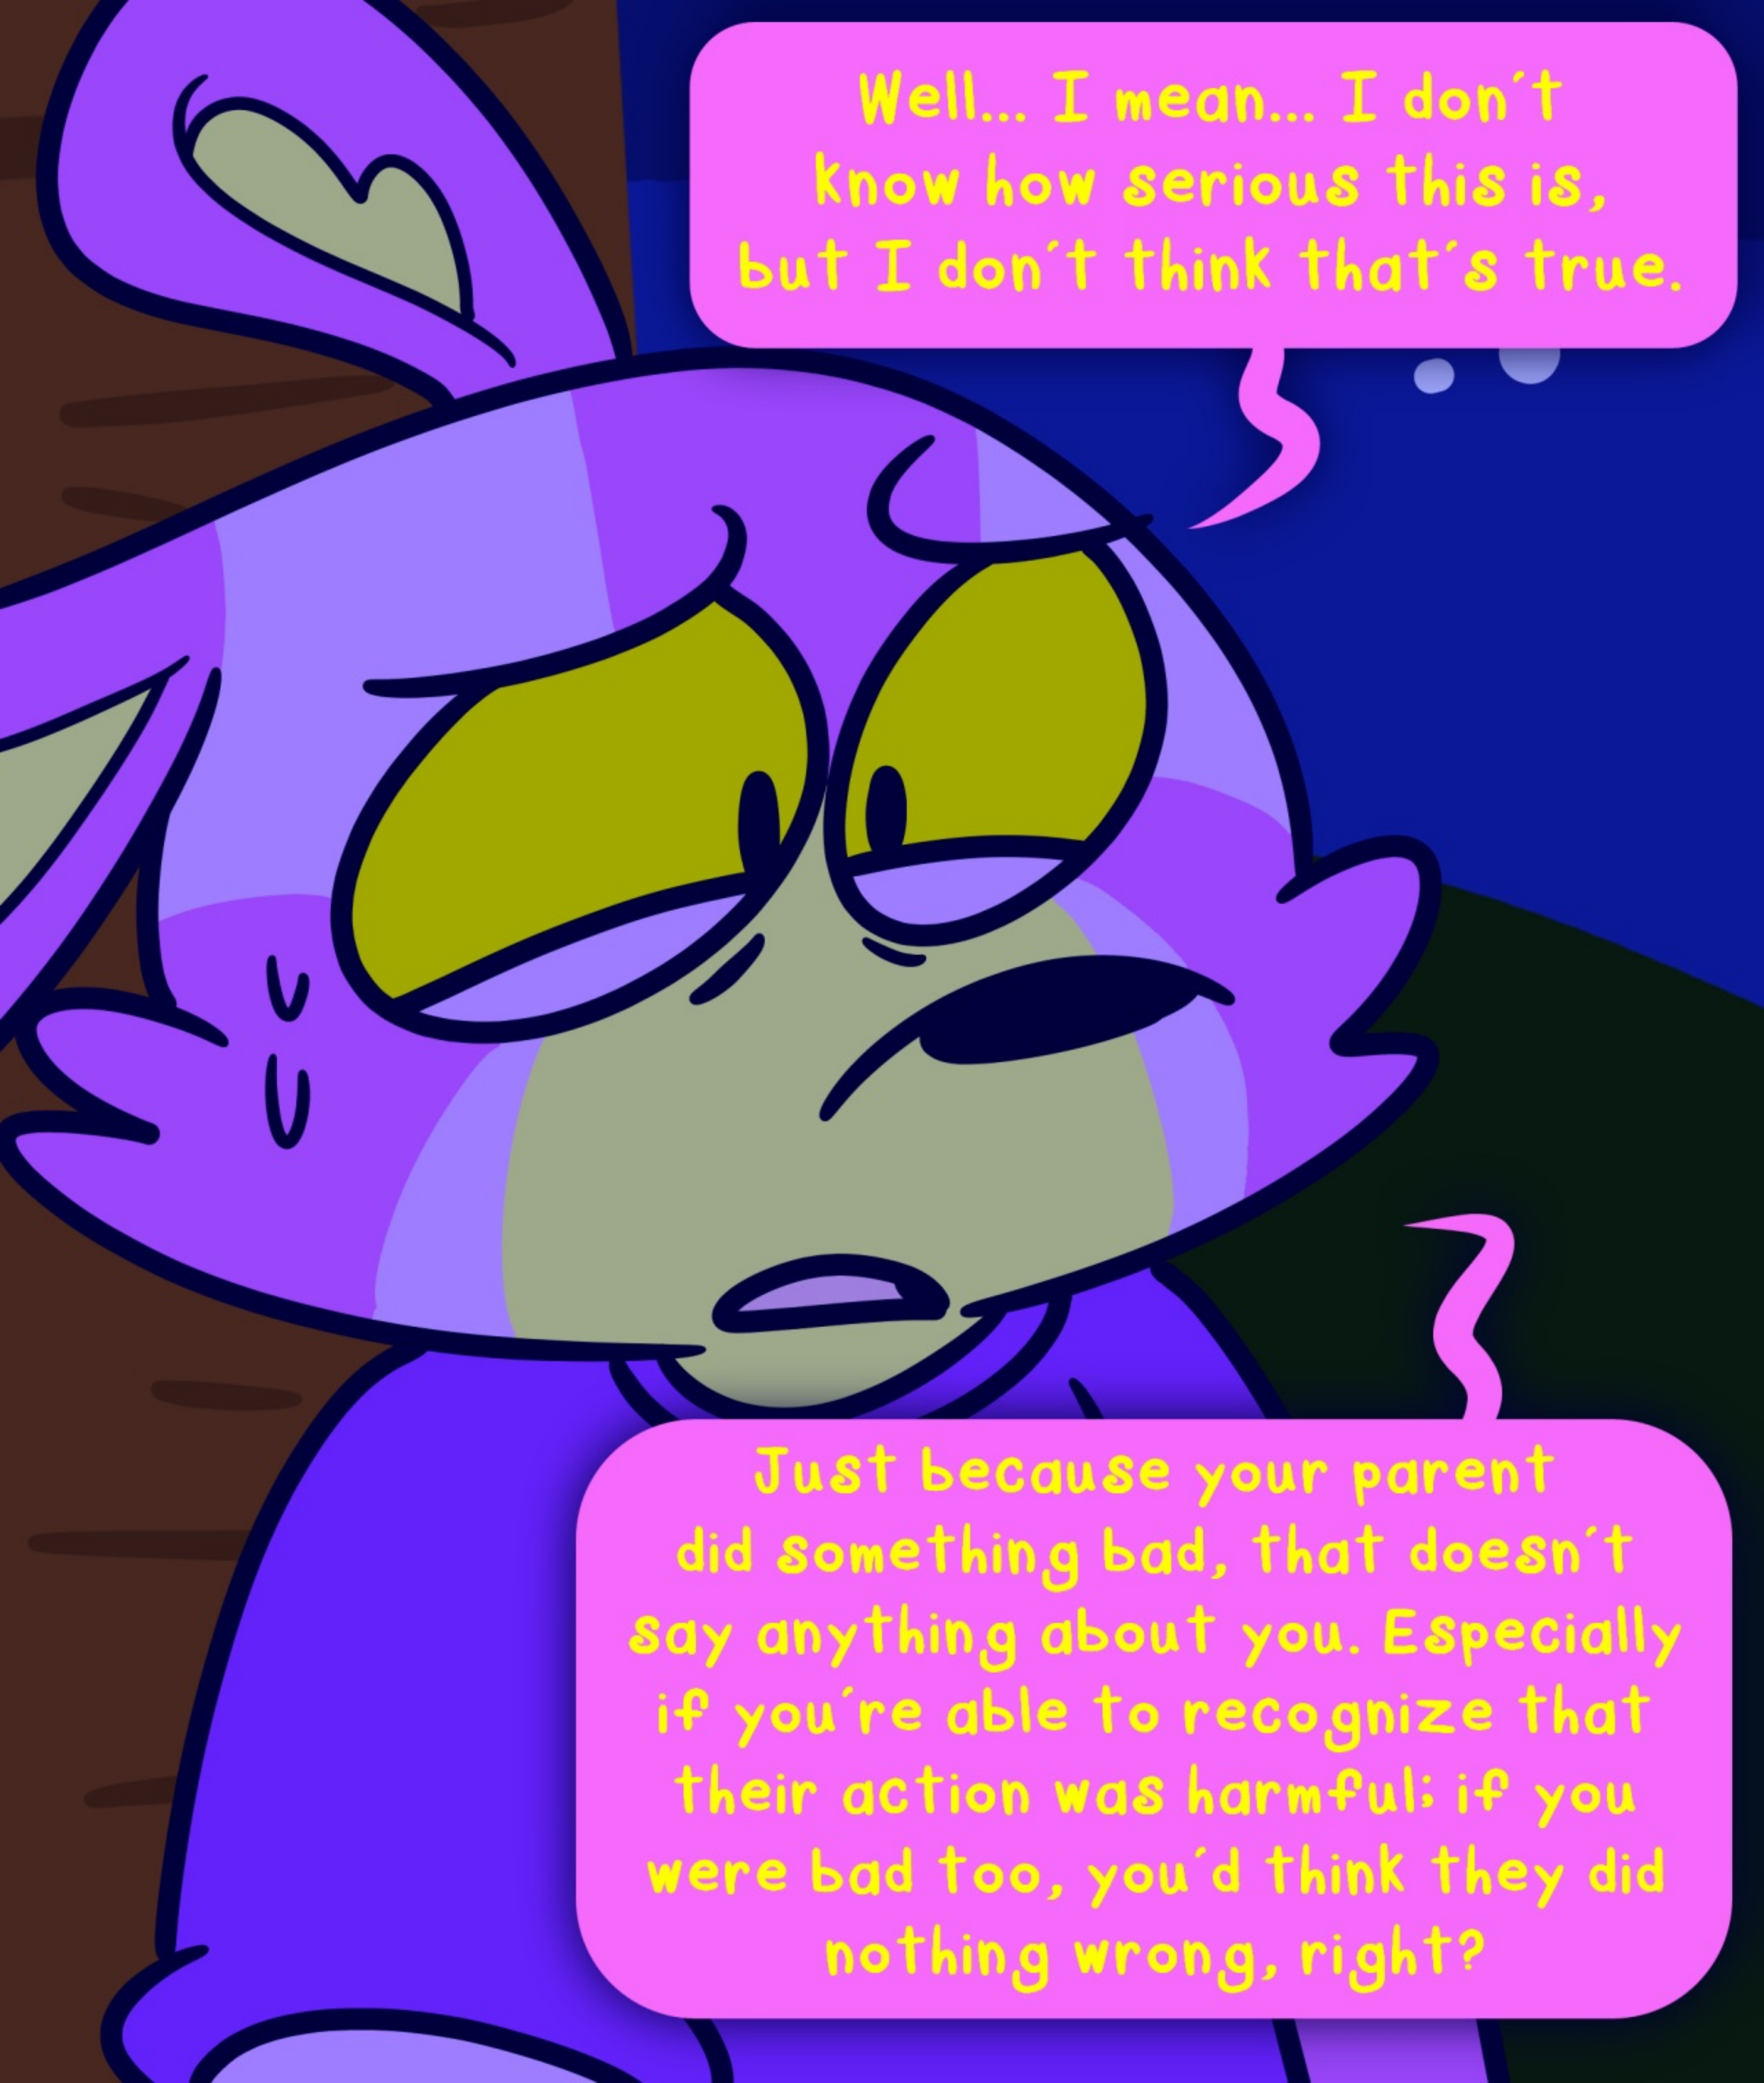
...no... I...
...I shouldn´t tell you. You probably weren´t told for a good reason.



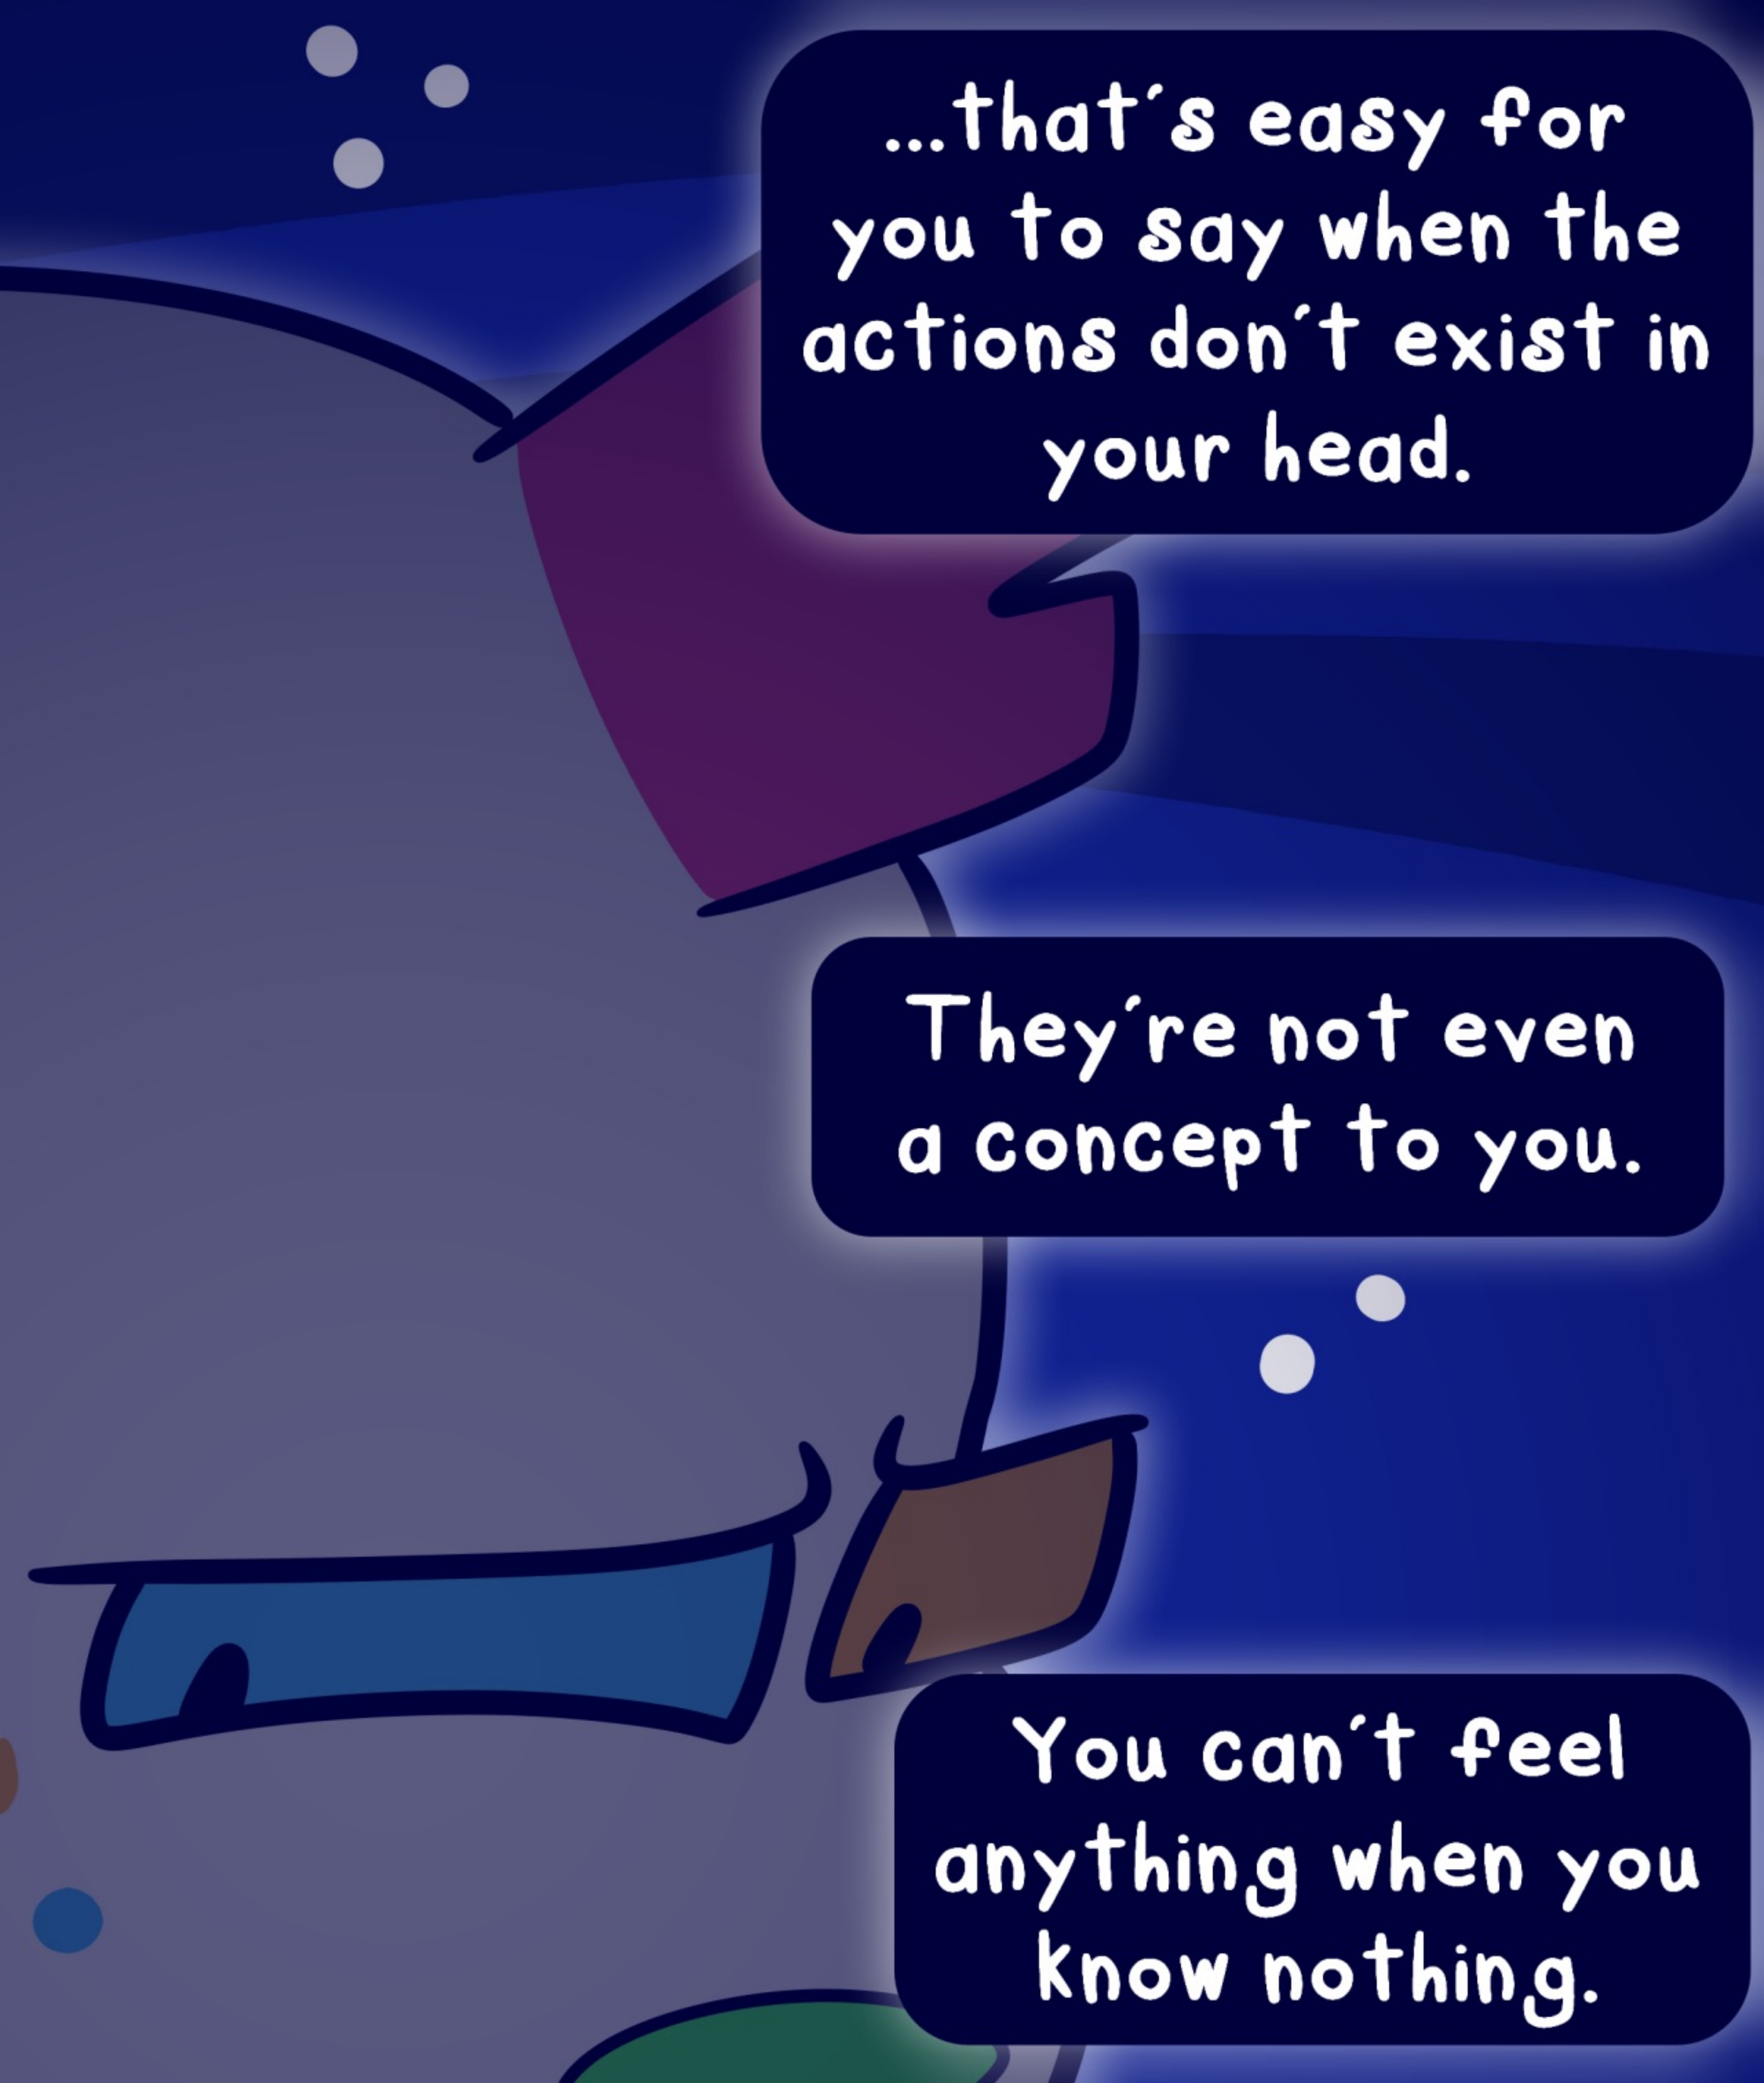
....b-besides... I...
I don't want you to
think less of me.
I already... I
already hate myself.
...so, so much...



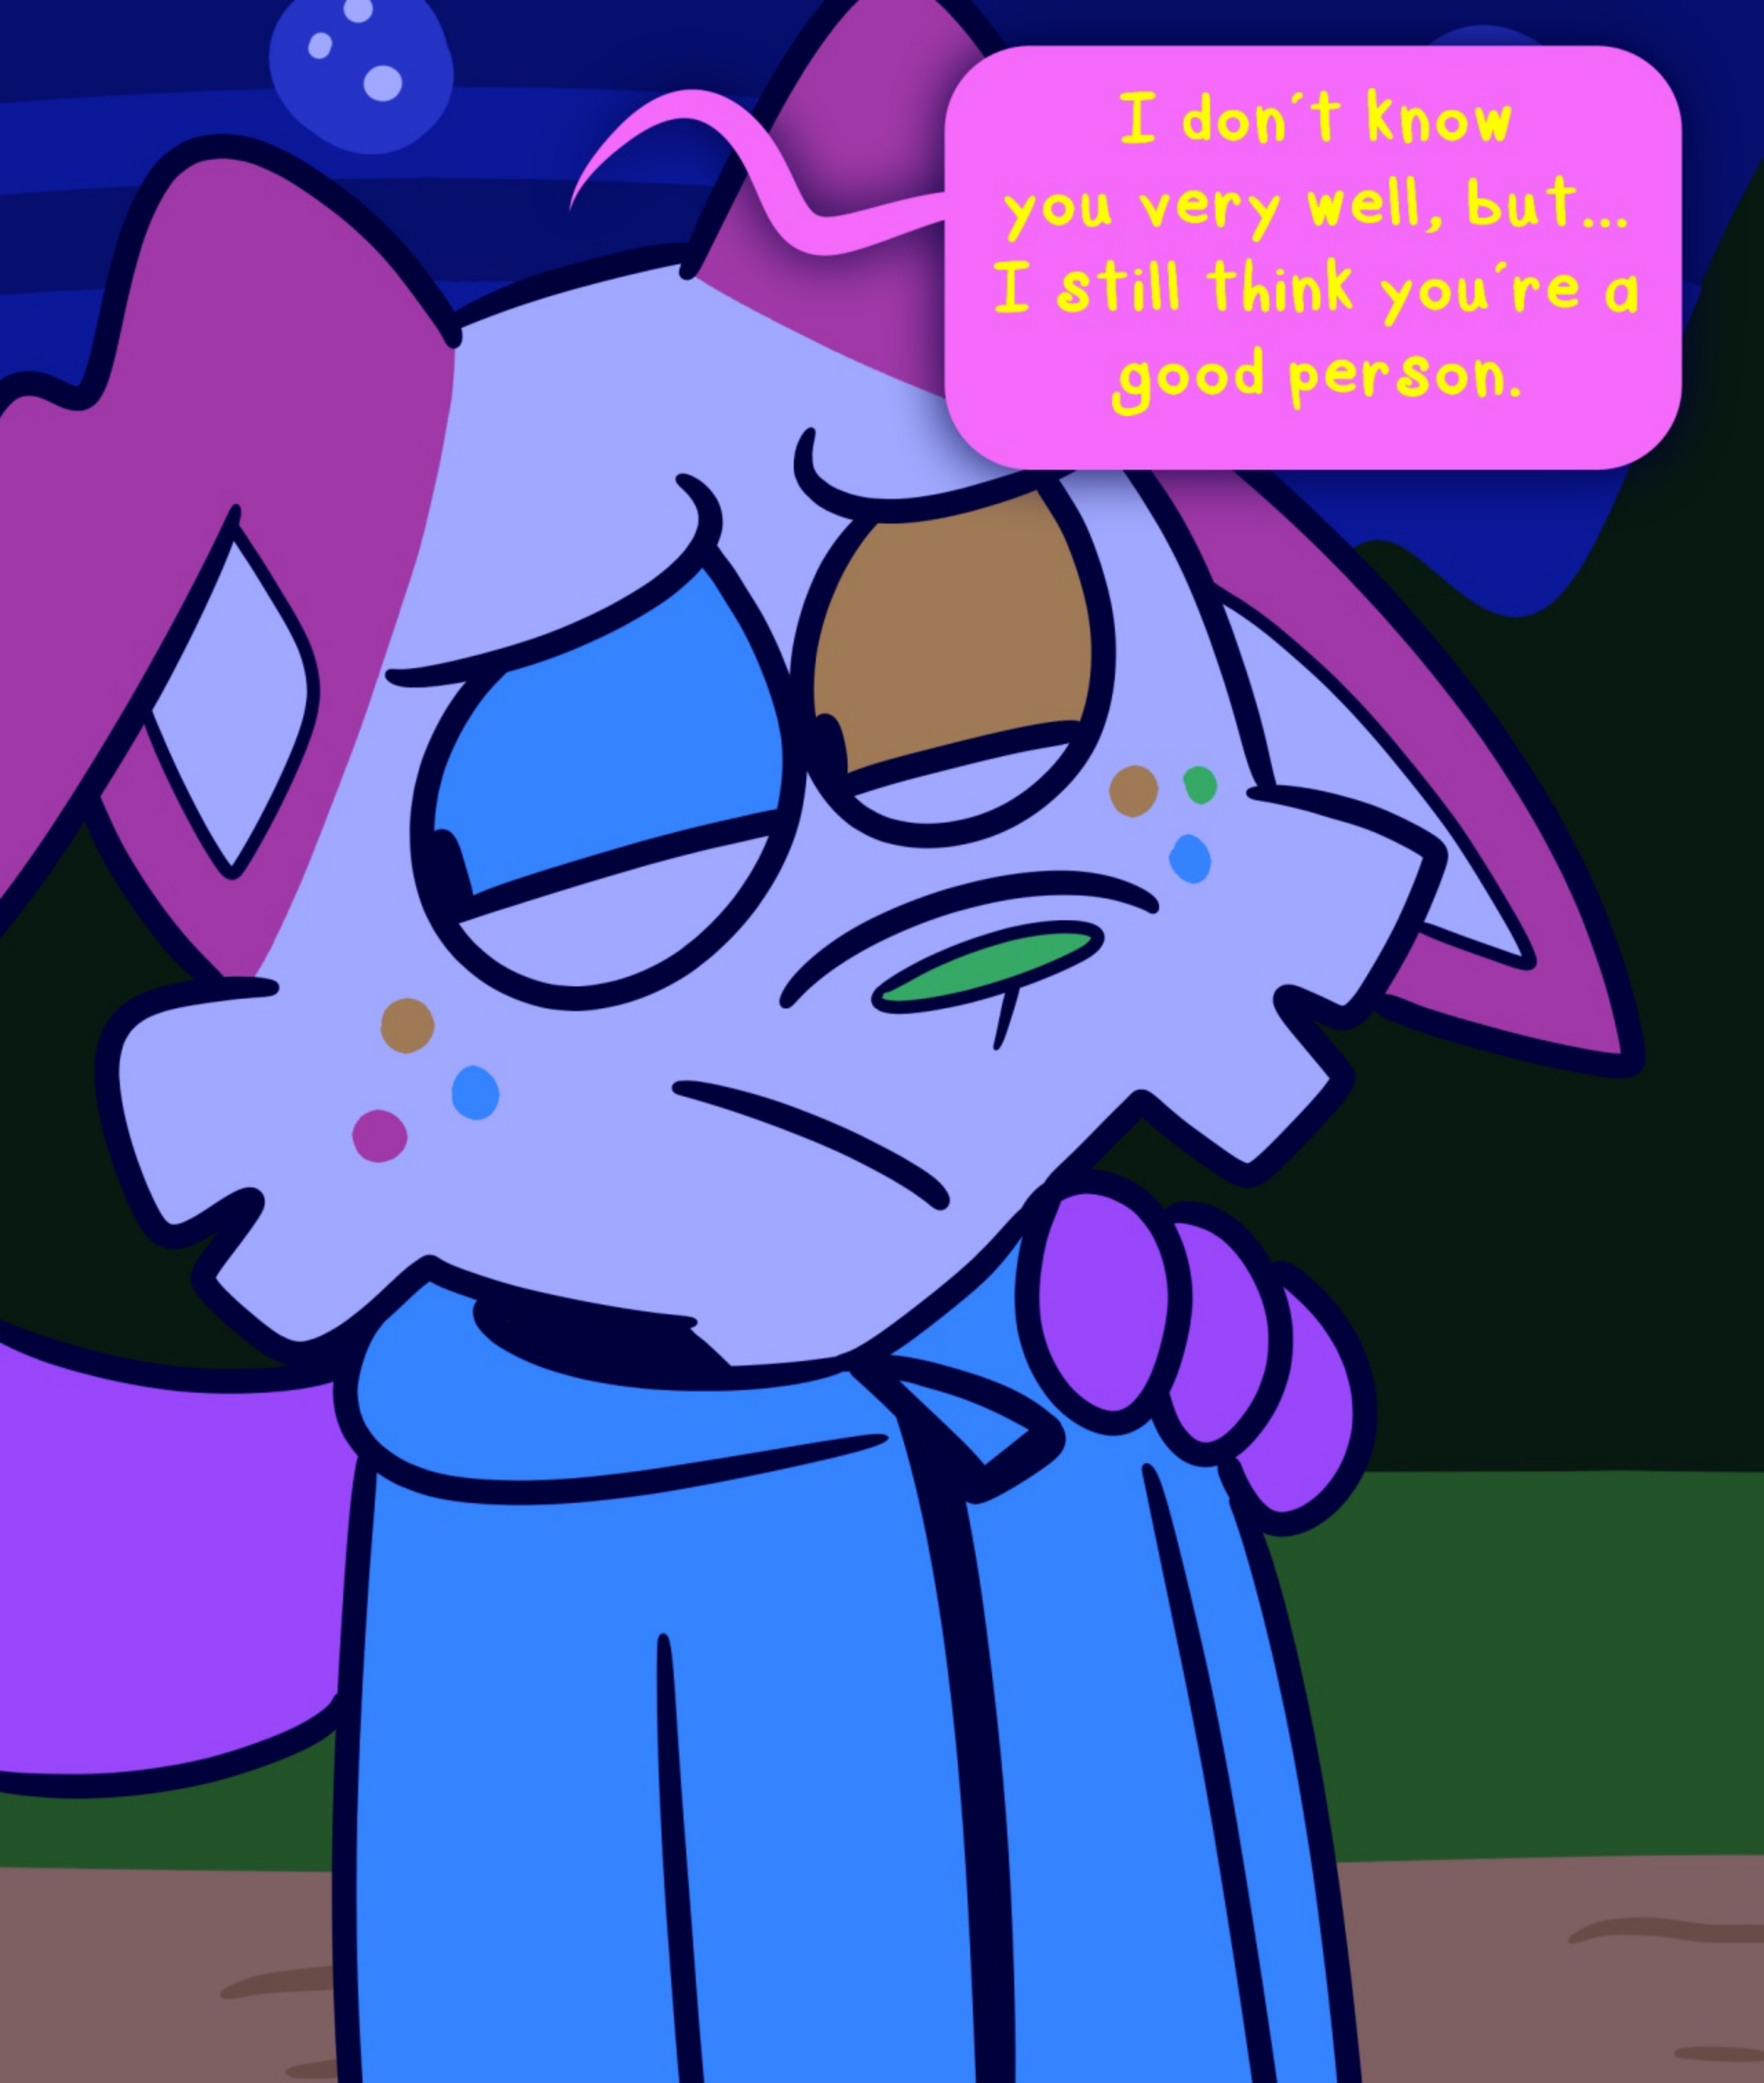
I-I feel like I'm cursed to be a bad person because it's in my blood...
...a-and nothing will ever change where I came from...
Like I'm fated to be a monster.



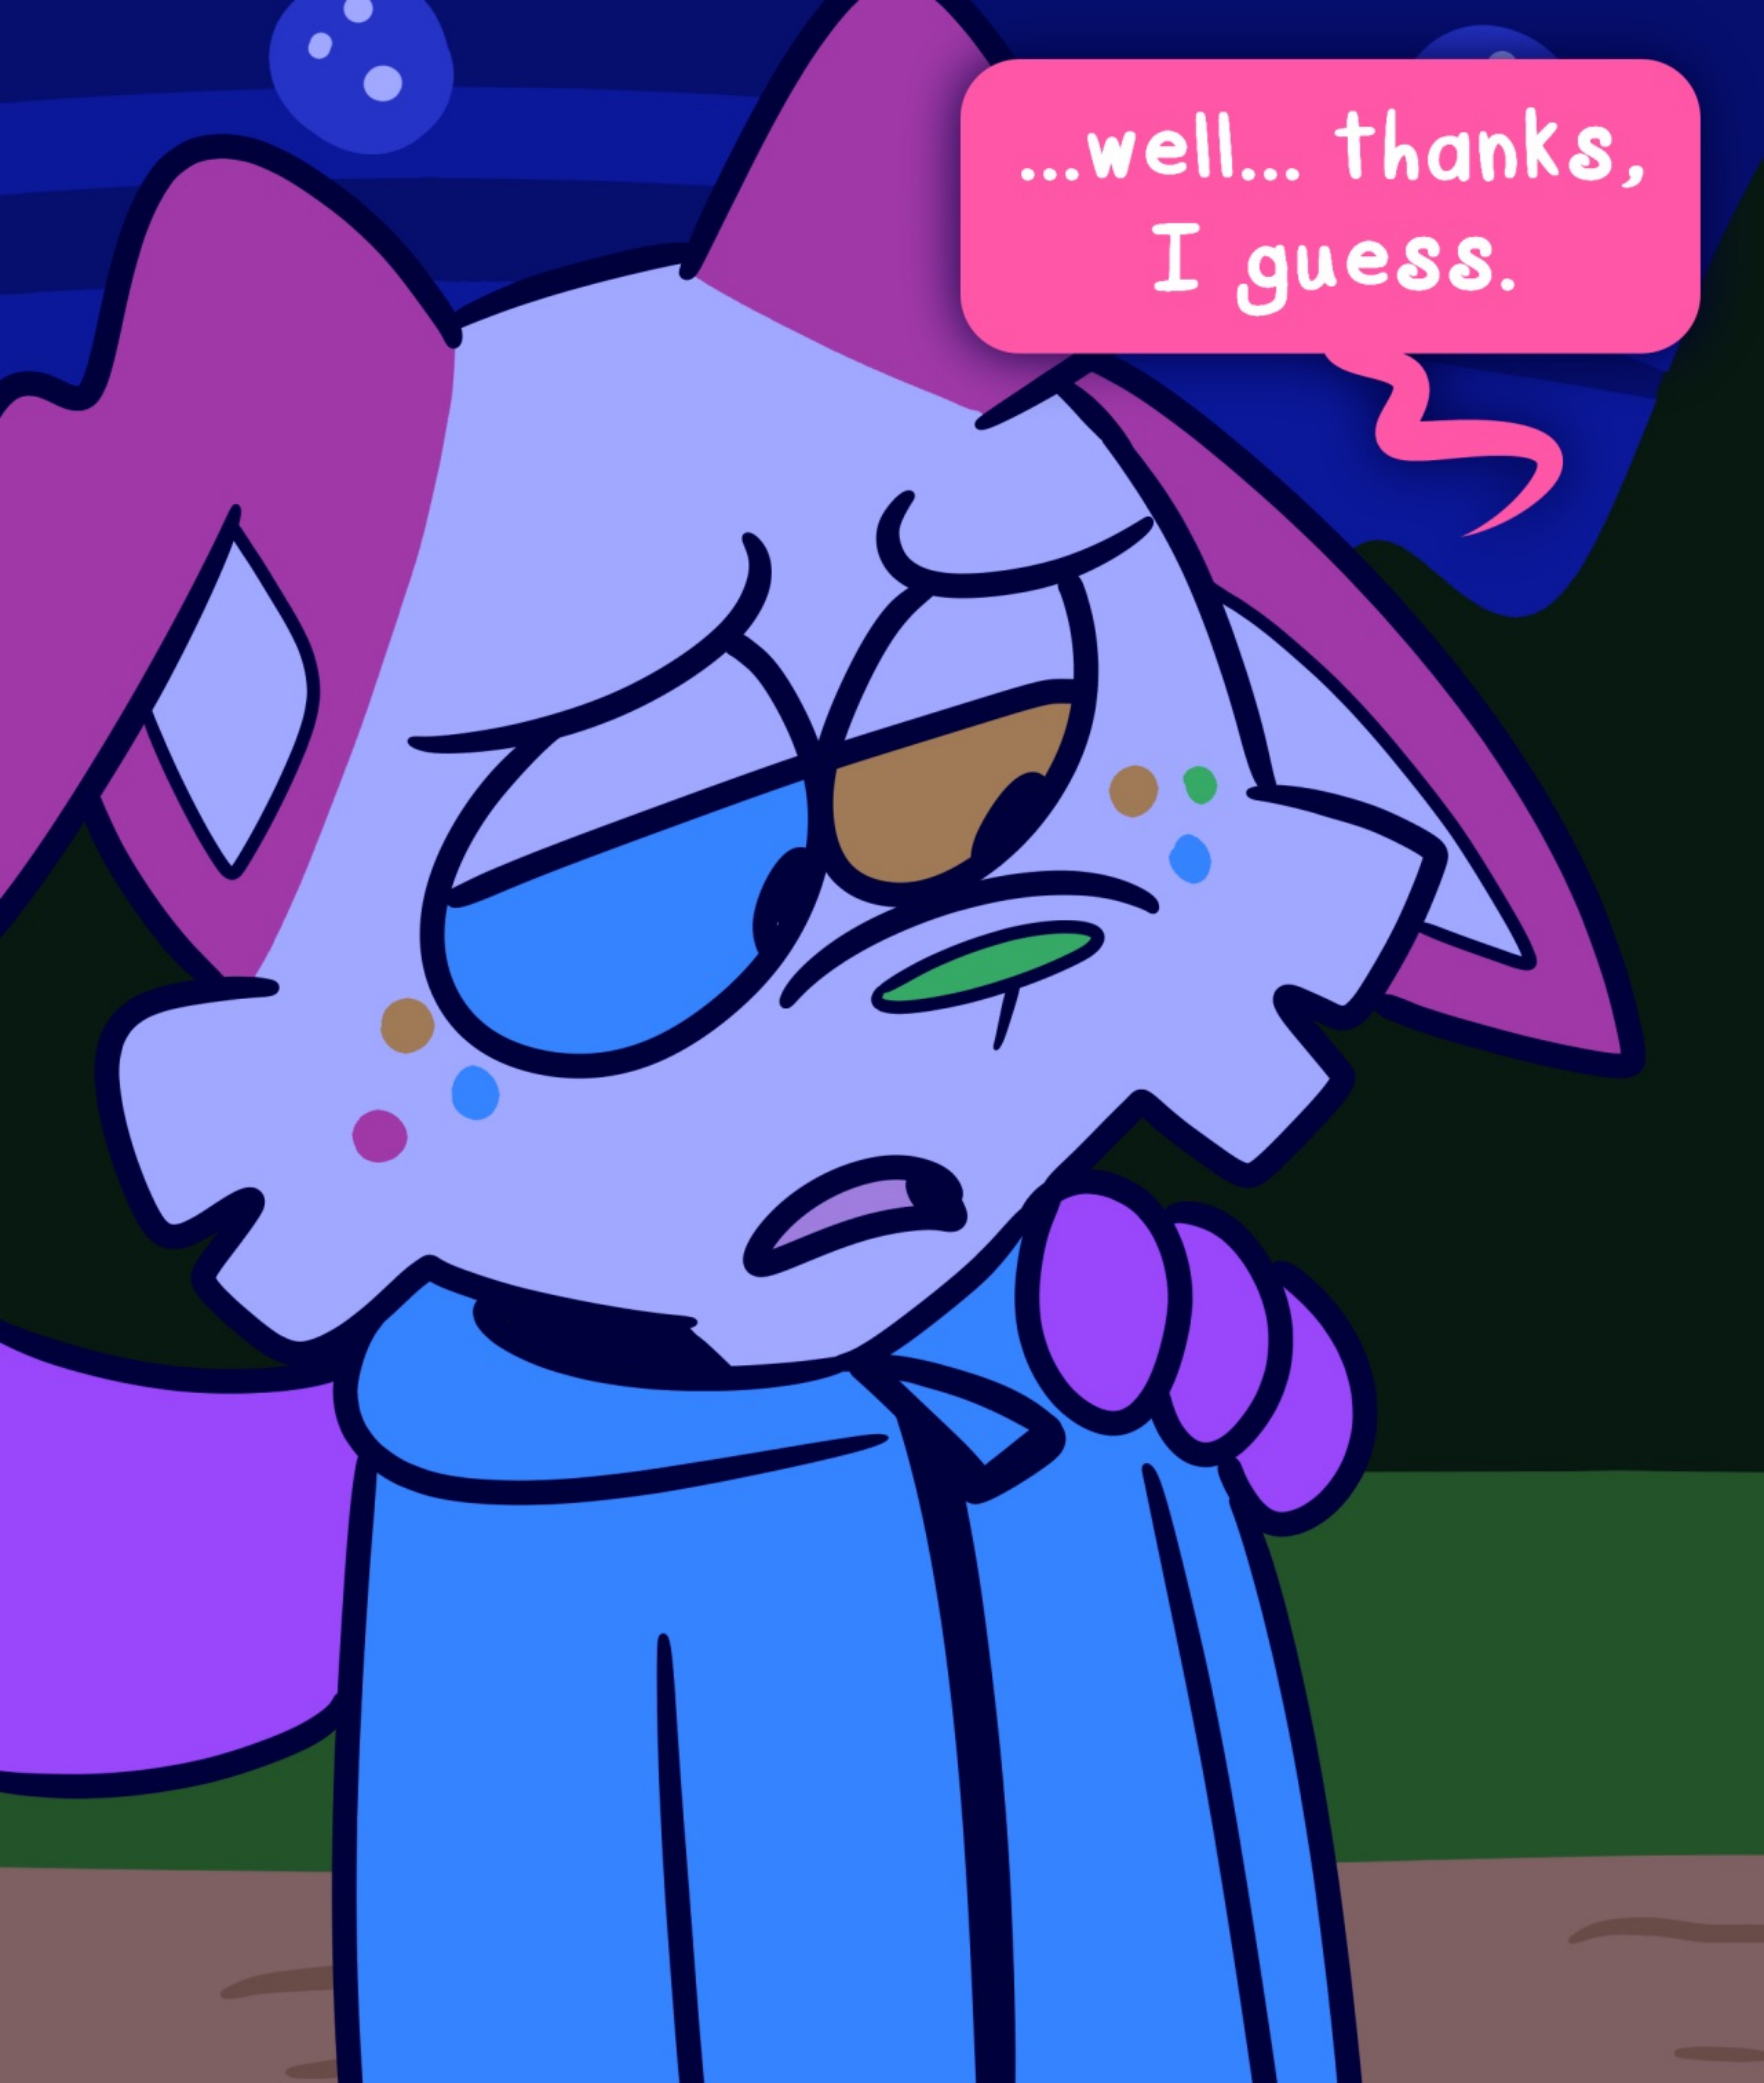
Well... I mean... I don´t know how serious this is, but I don´t think that´s true.
Just because your parent did something bad, that doesn´t say anything about you. Especially if you´re able to recognize that their action was harmful; if you were bad too, you´d think they did nothing wrong, right?



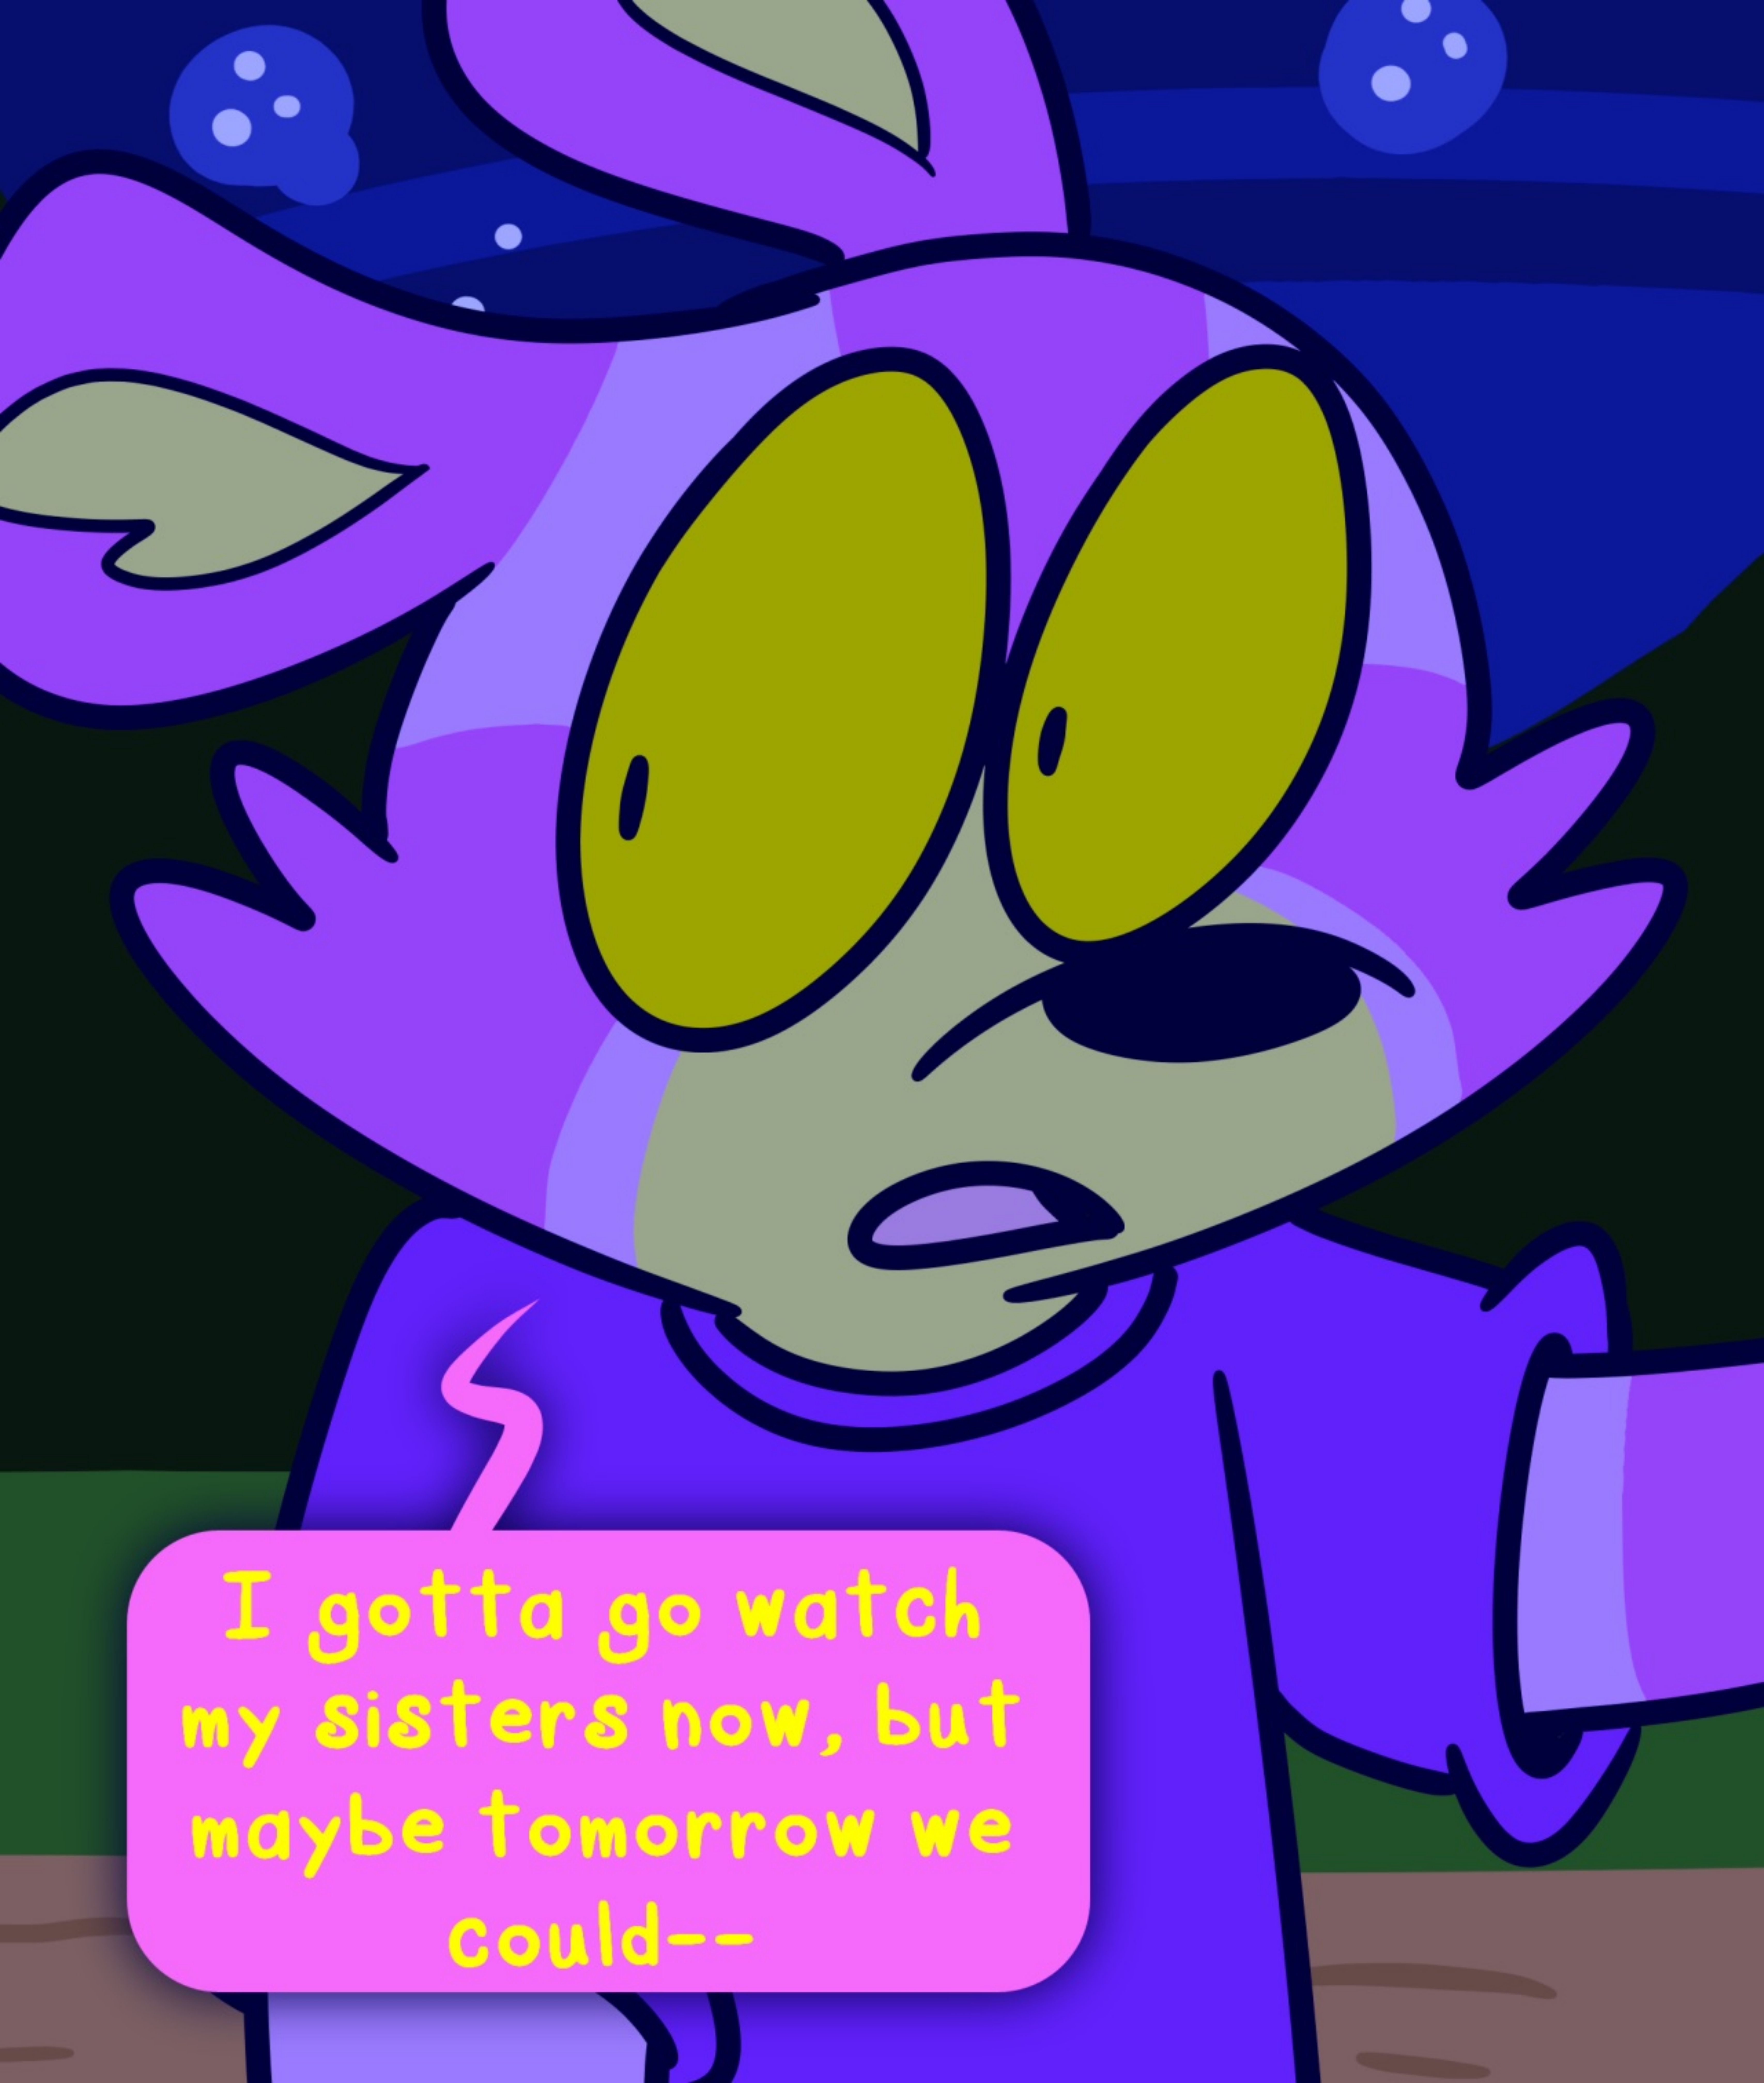
...that's easy for you to say when the actions don't exist in your head.
They're not even a concept to you.
You can't feel anything when you know nothing.



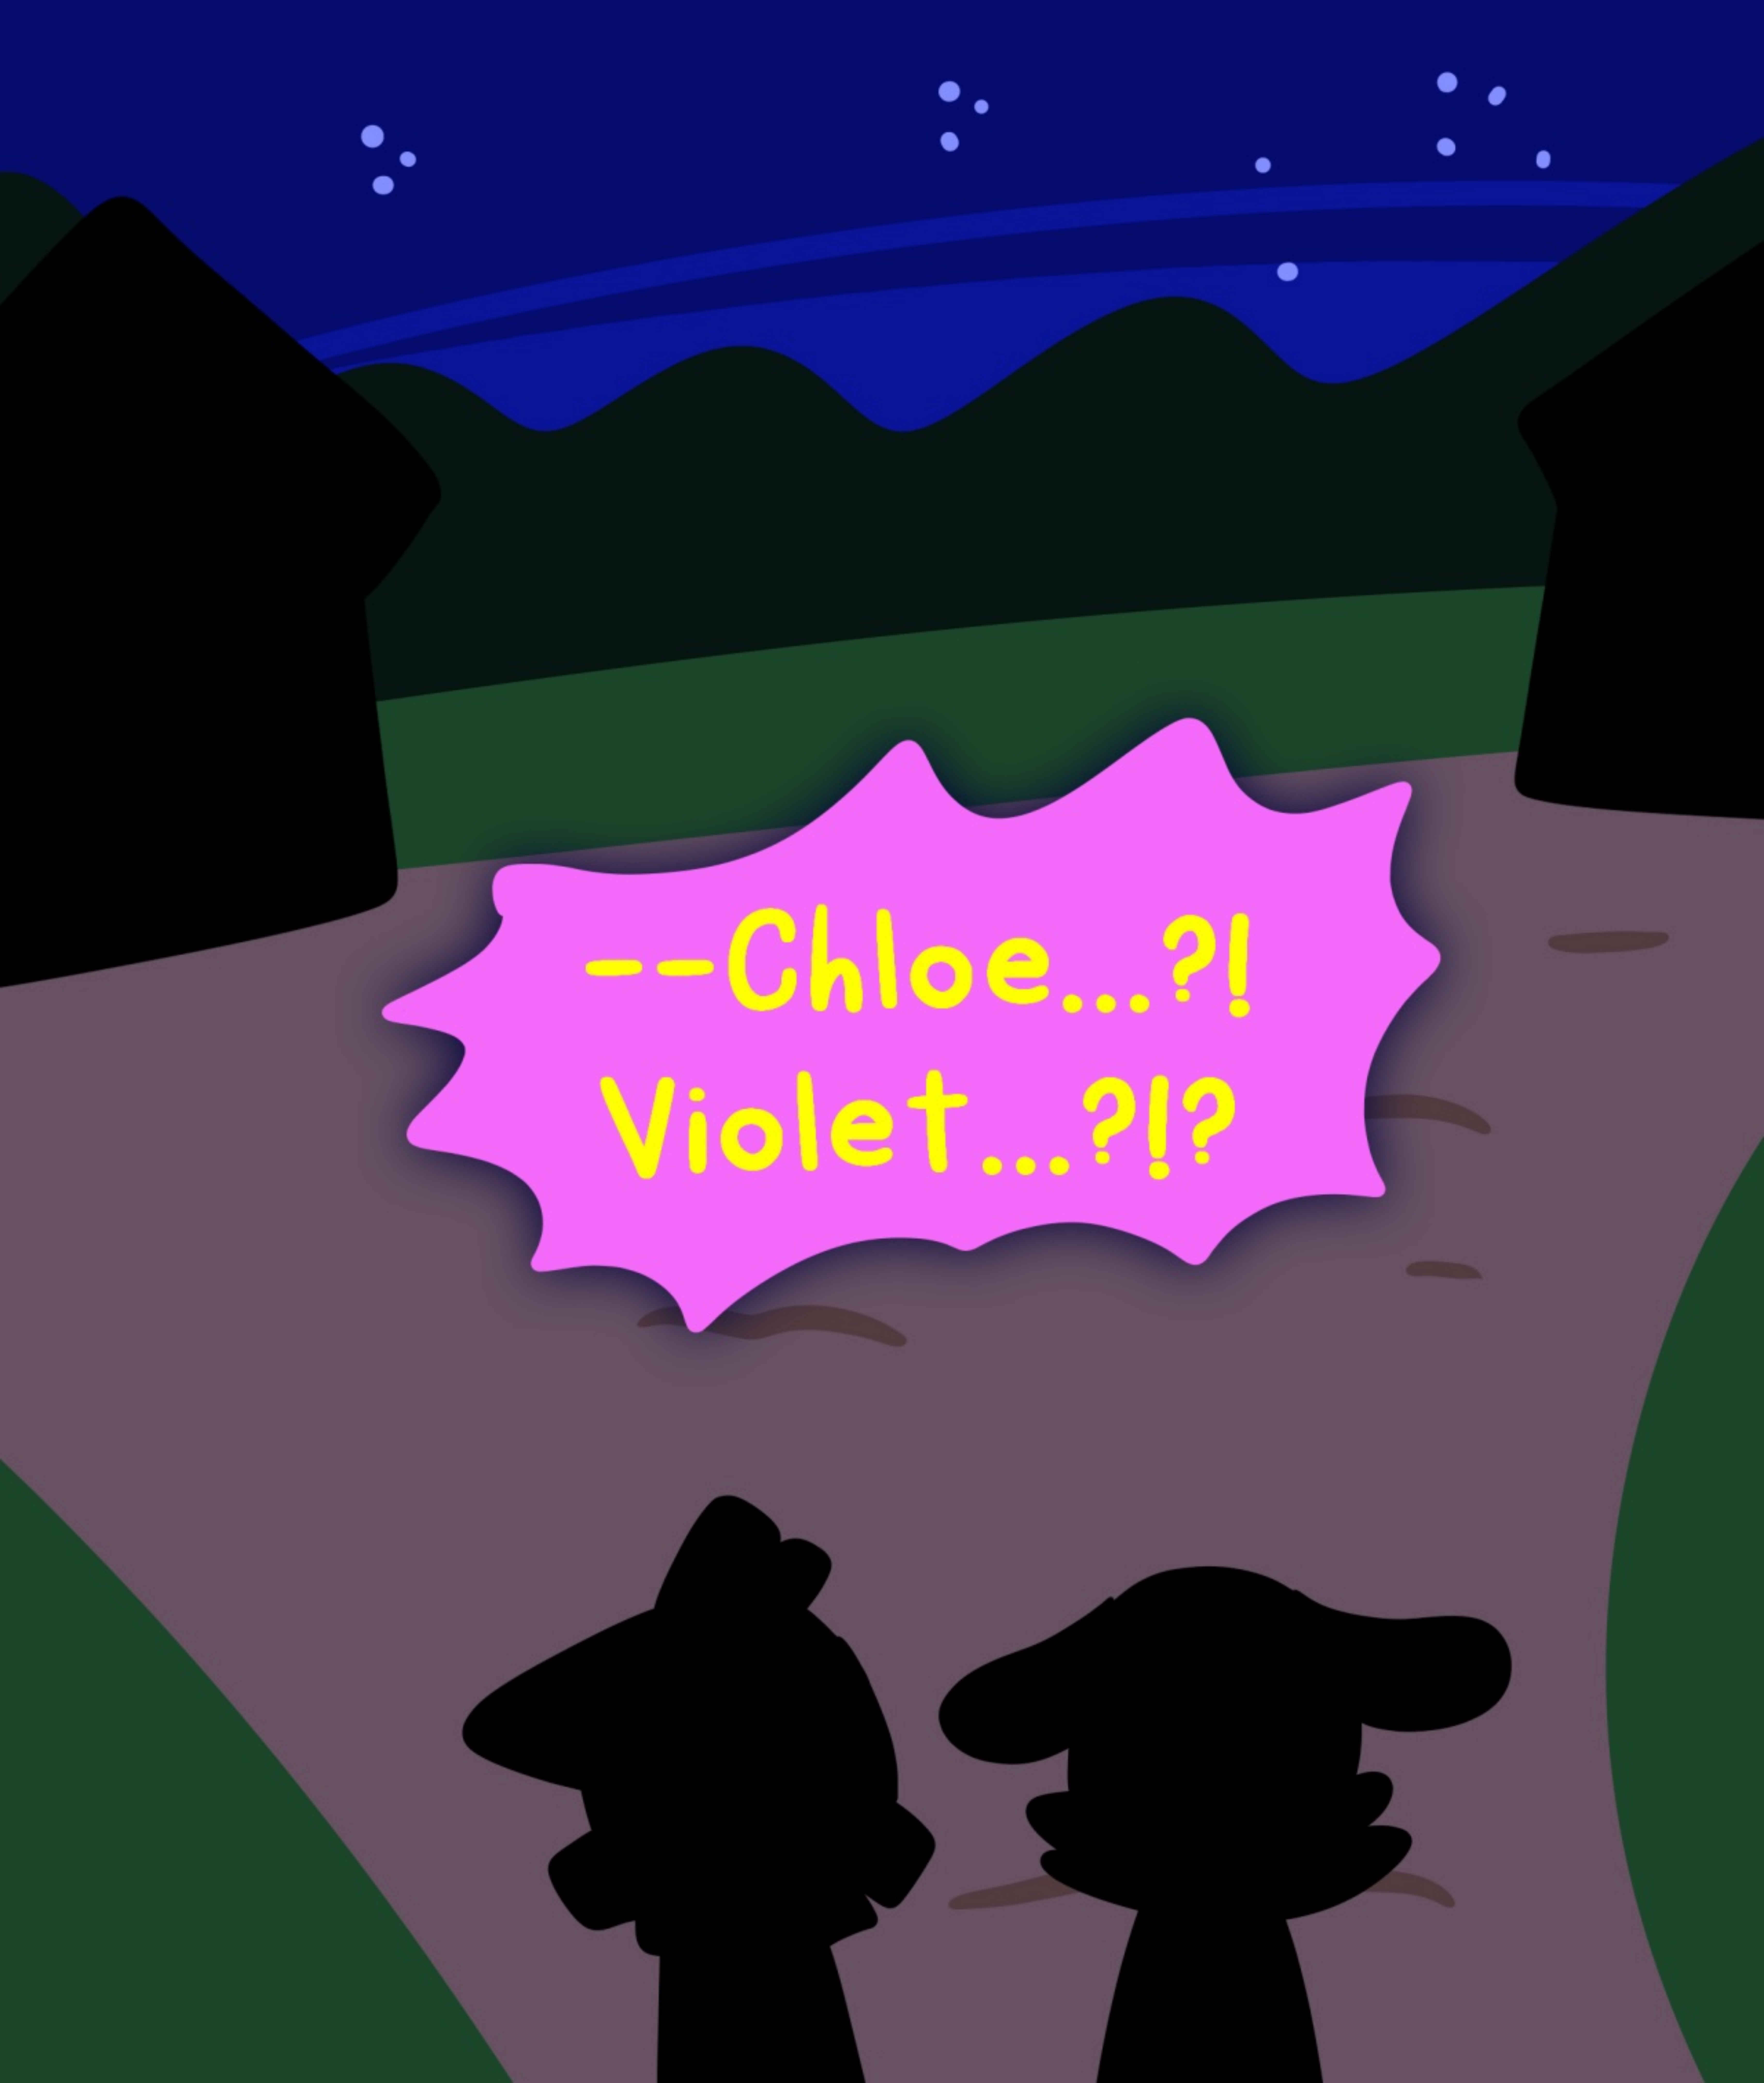
I don´t know you very well, but... I still think you´re a good person.



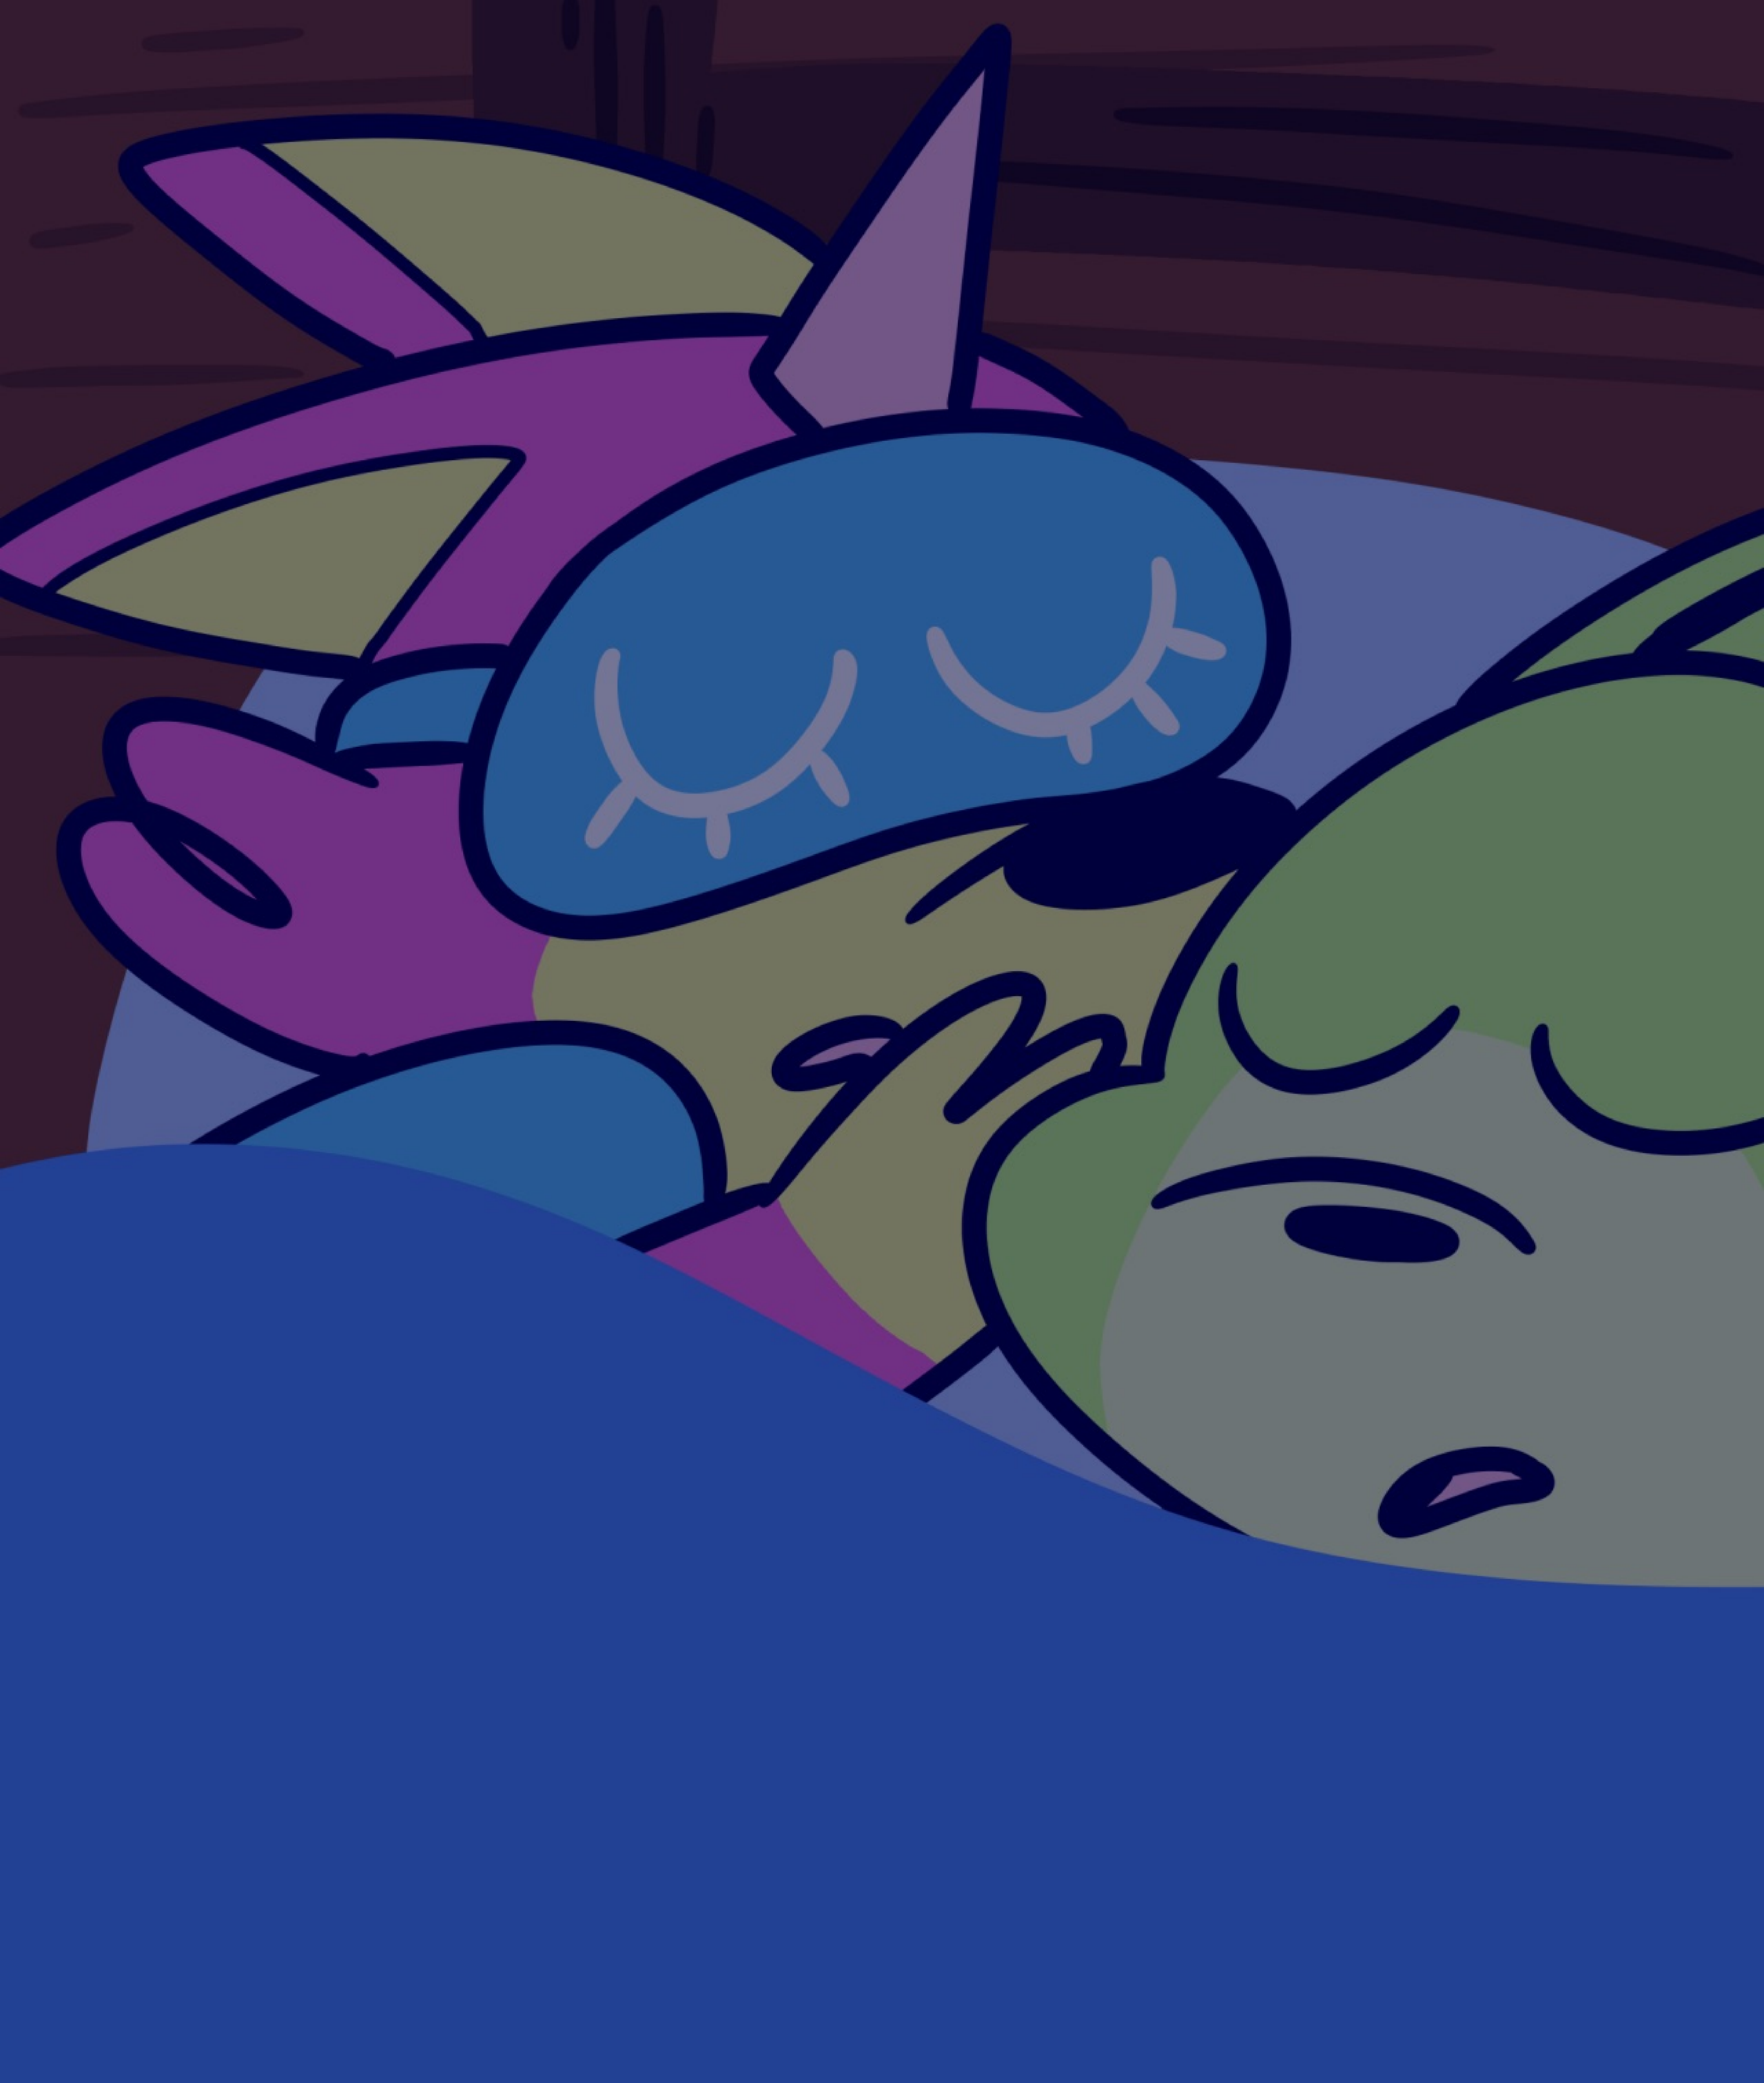
...well... thanks,
I guess.

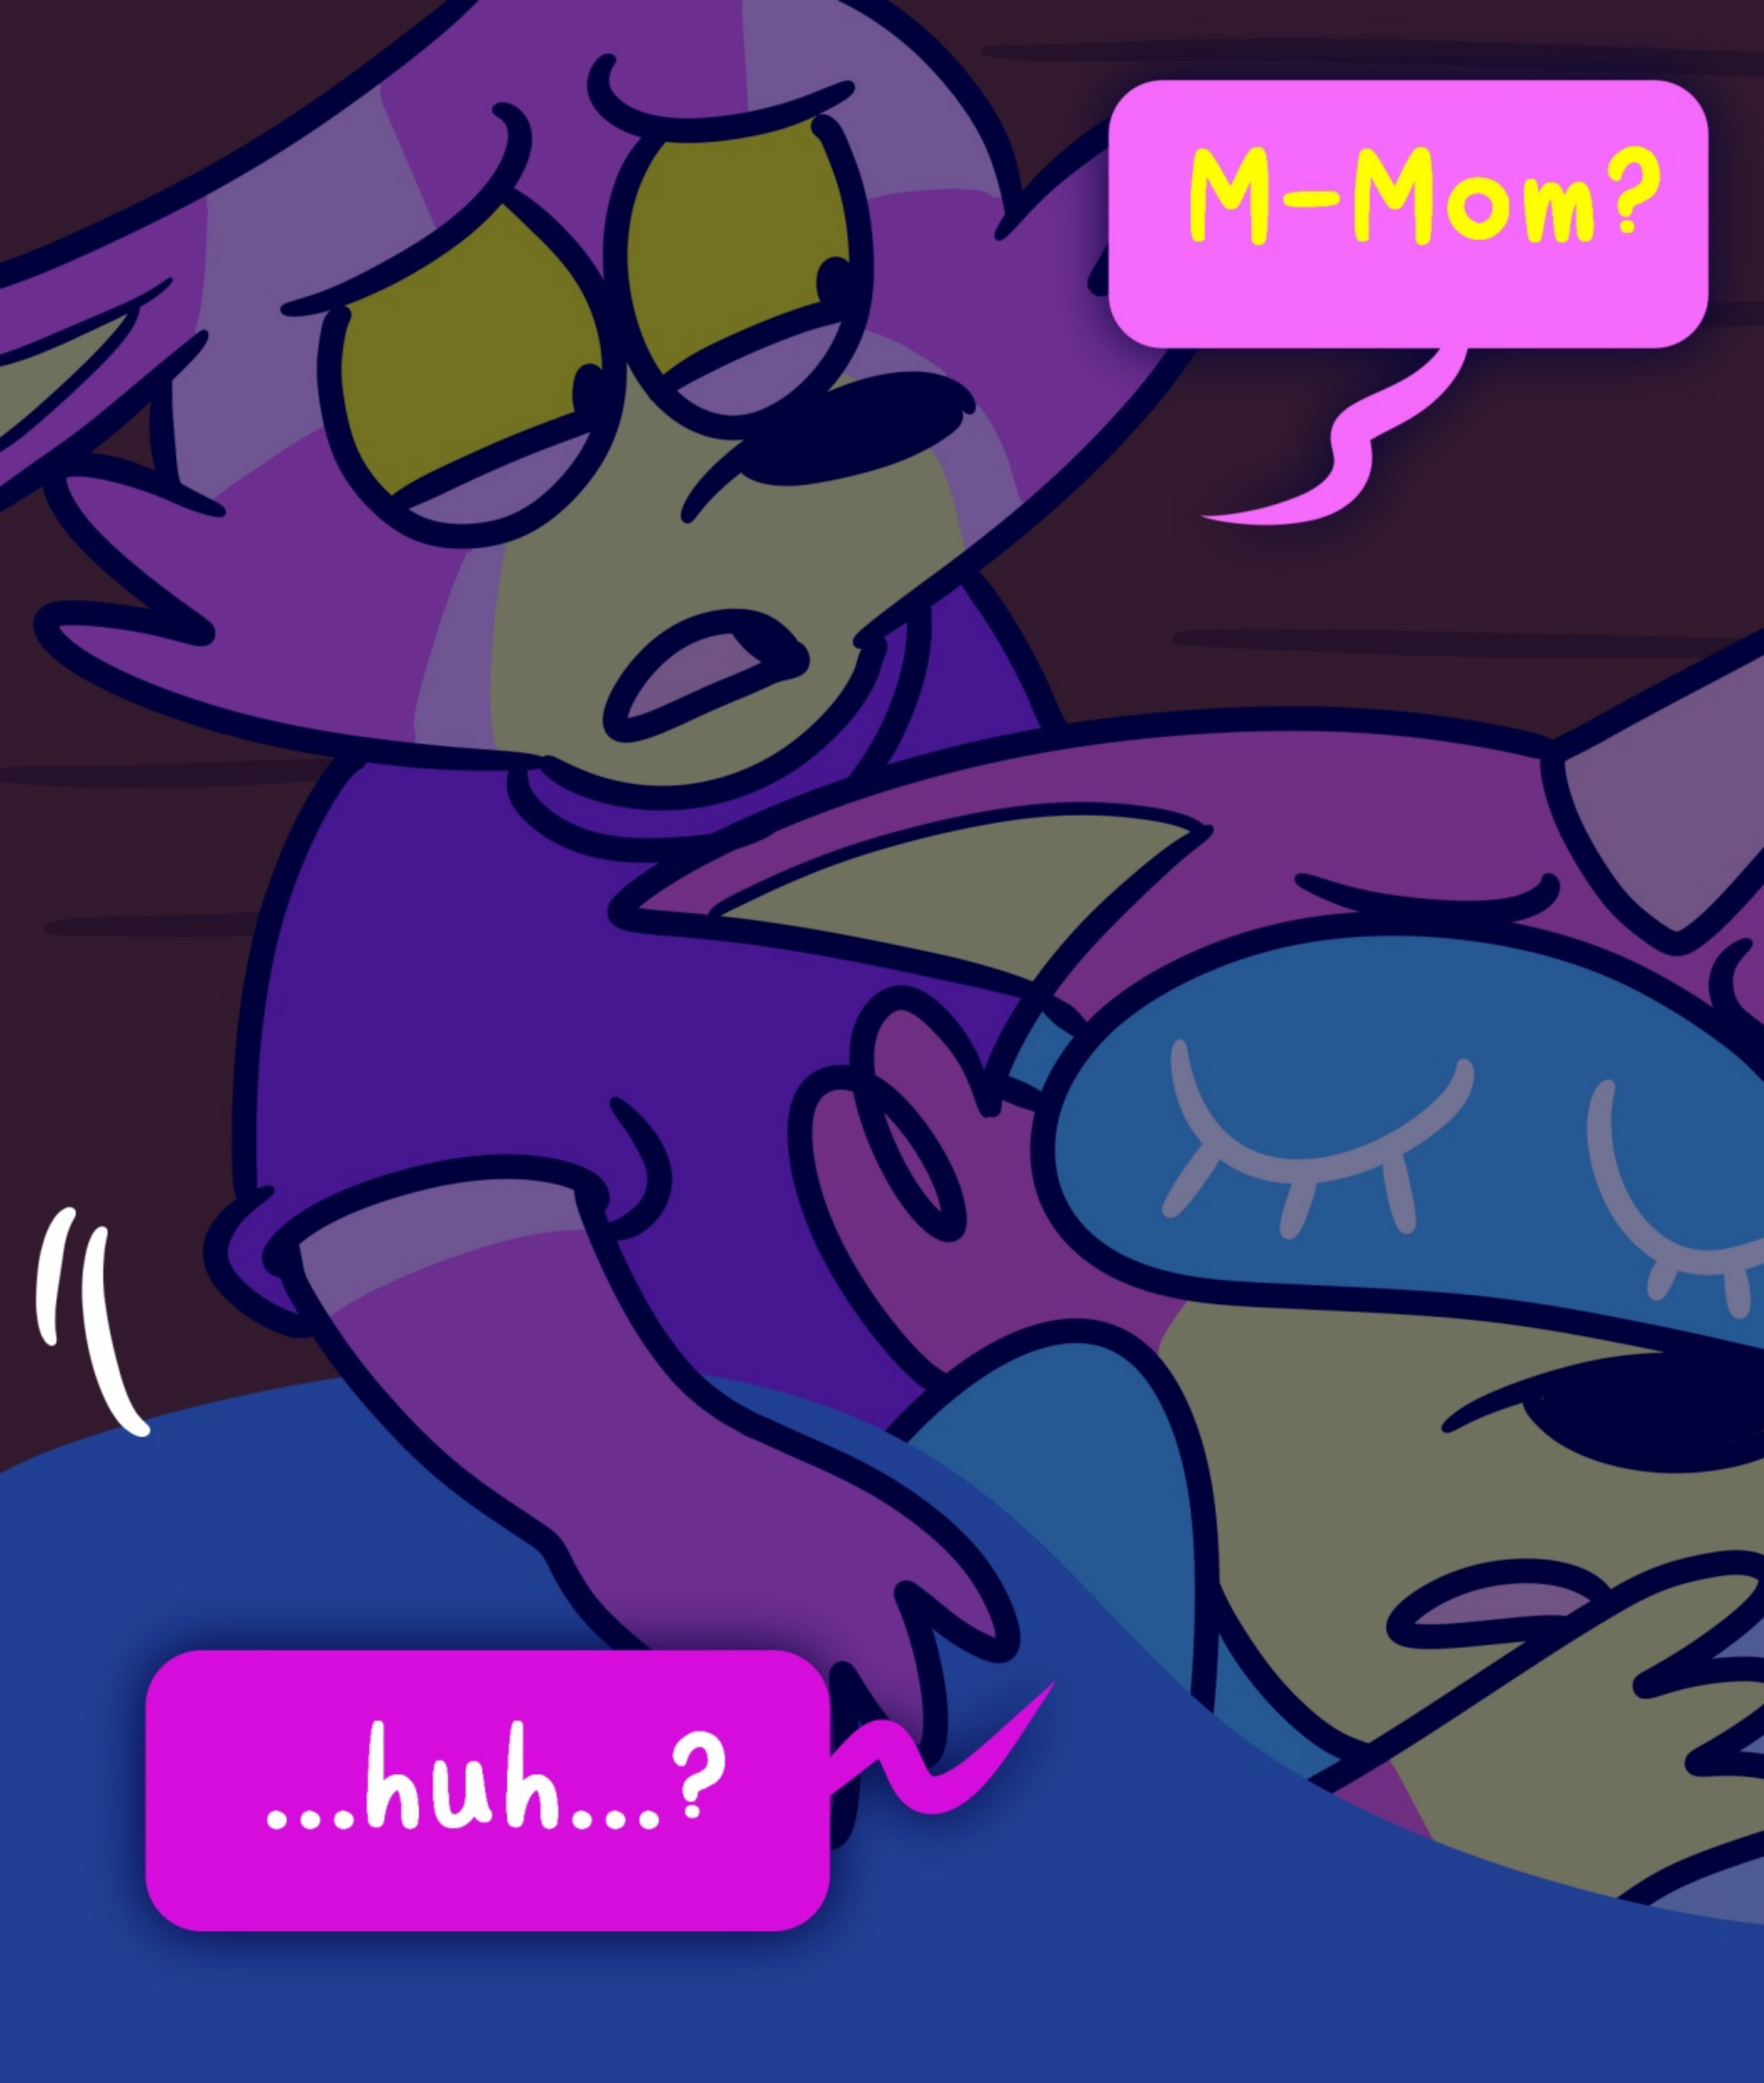


I gotta go watch my sisters now, but maybe tomorrow we could--

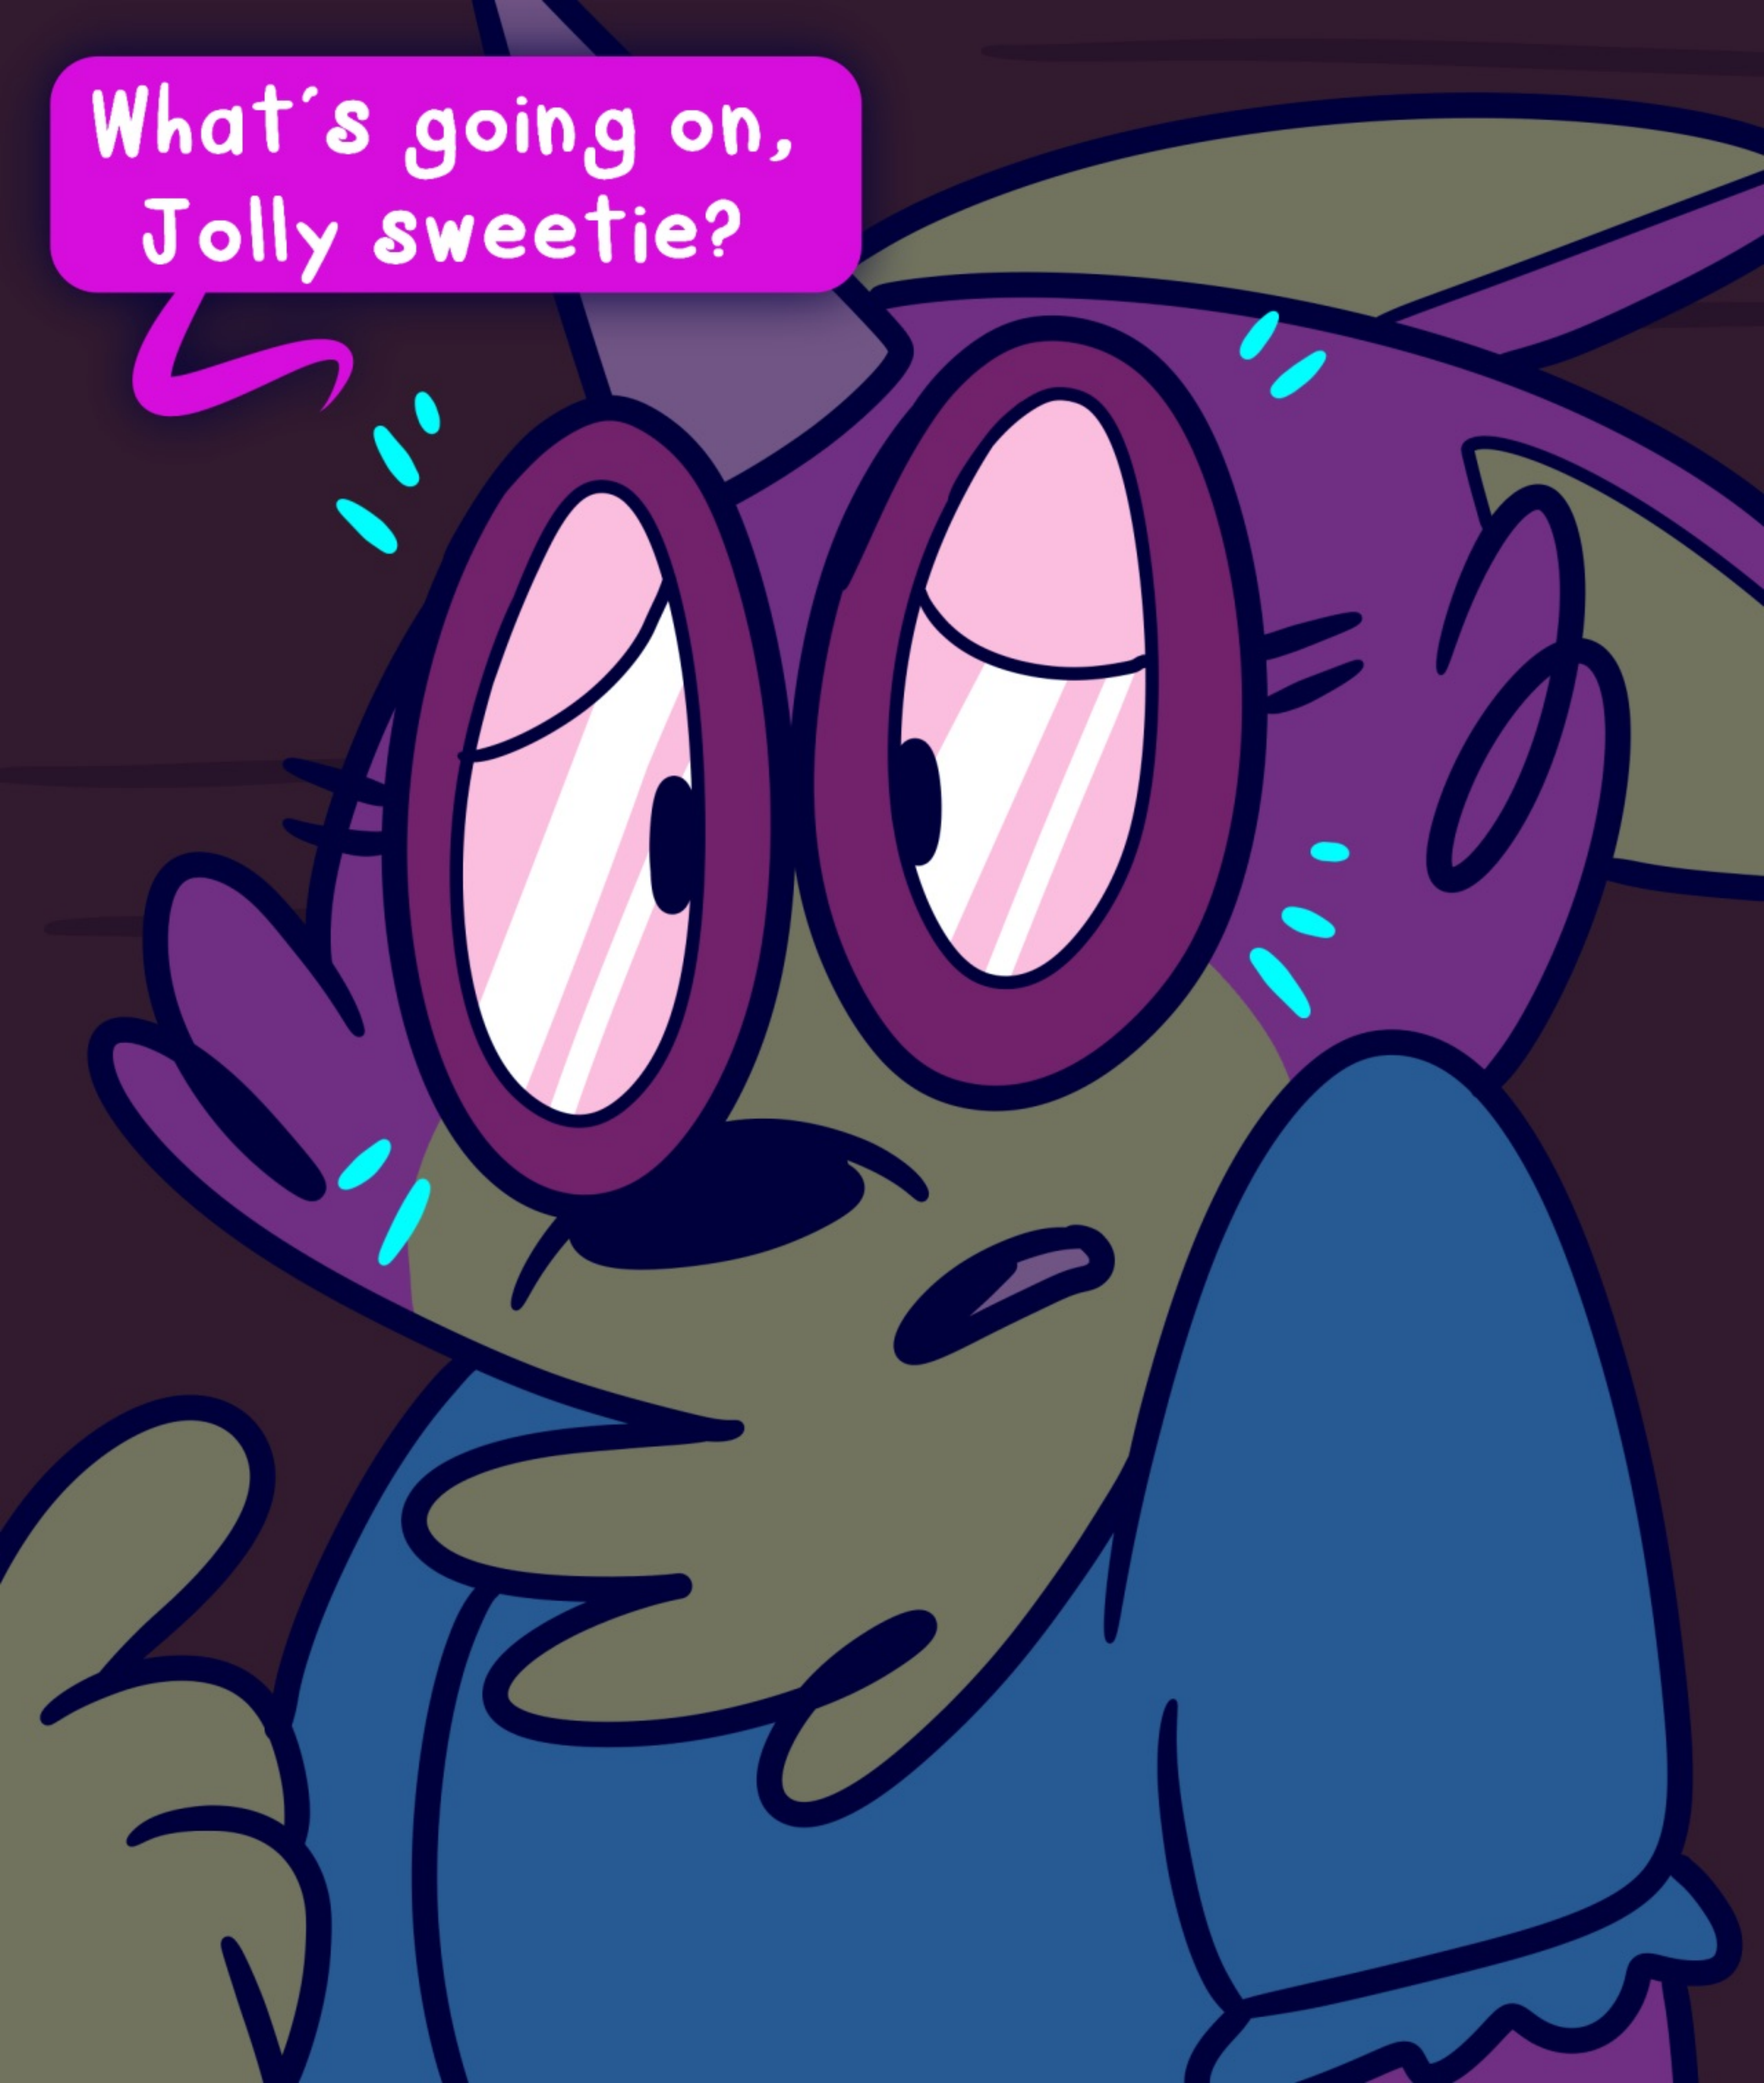


--Chloe...?!
Violet...?!?

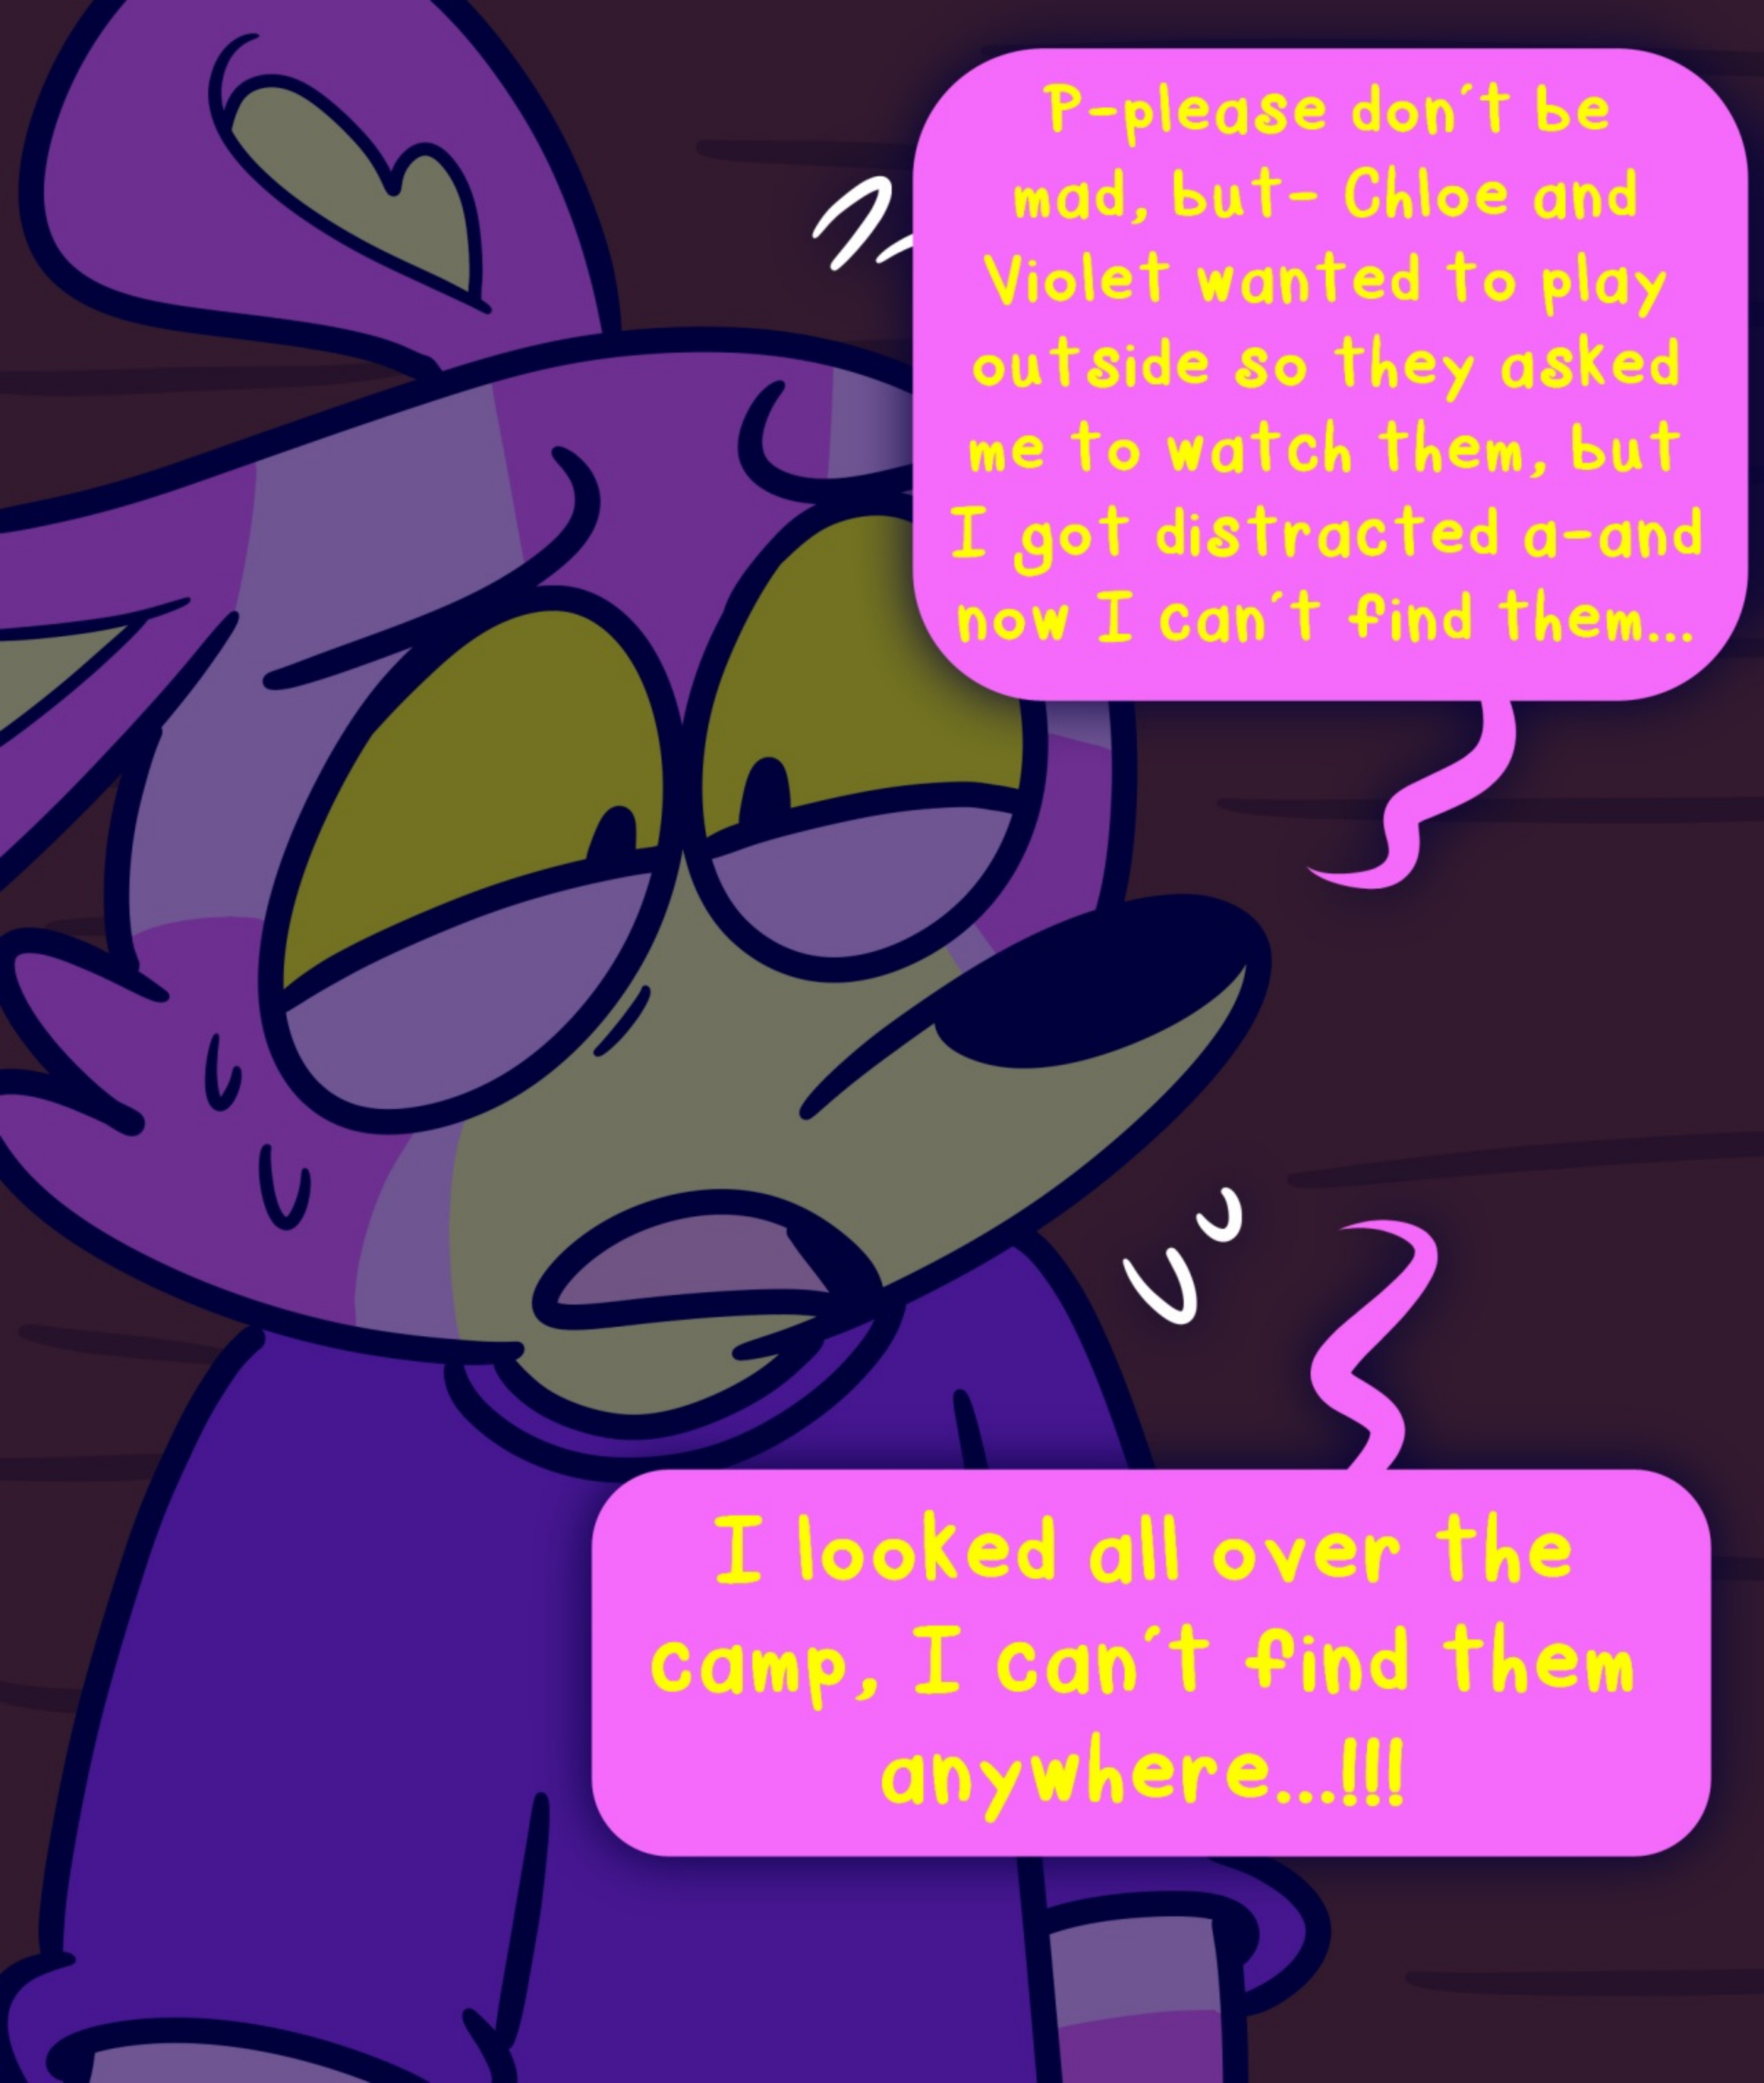




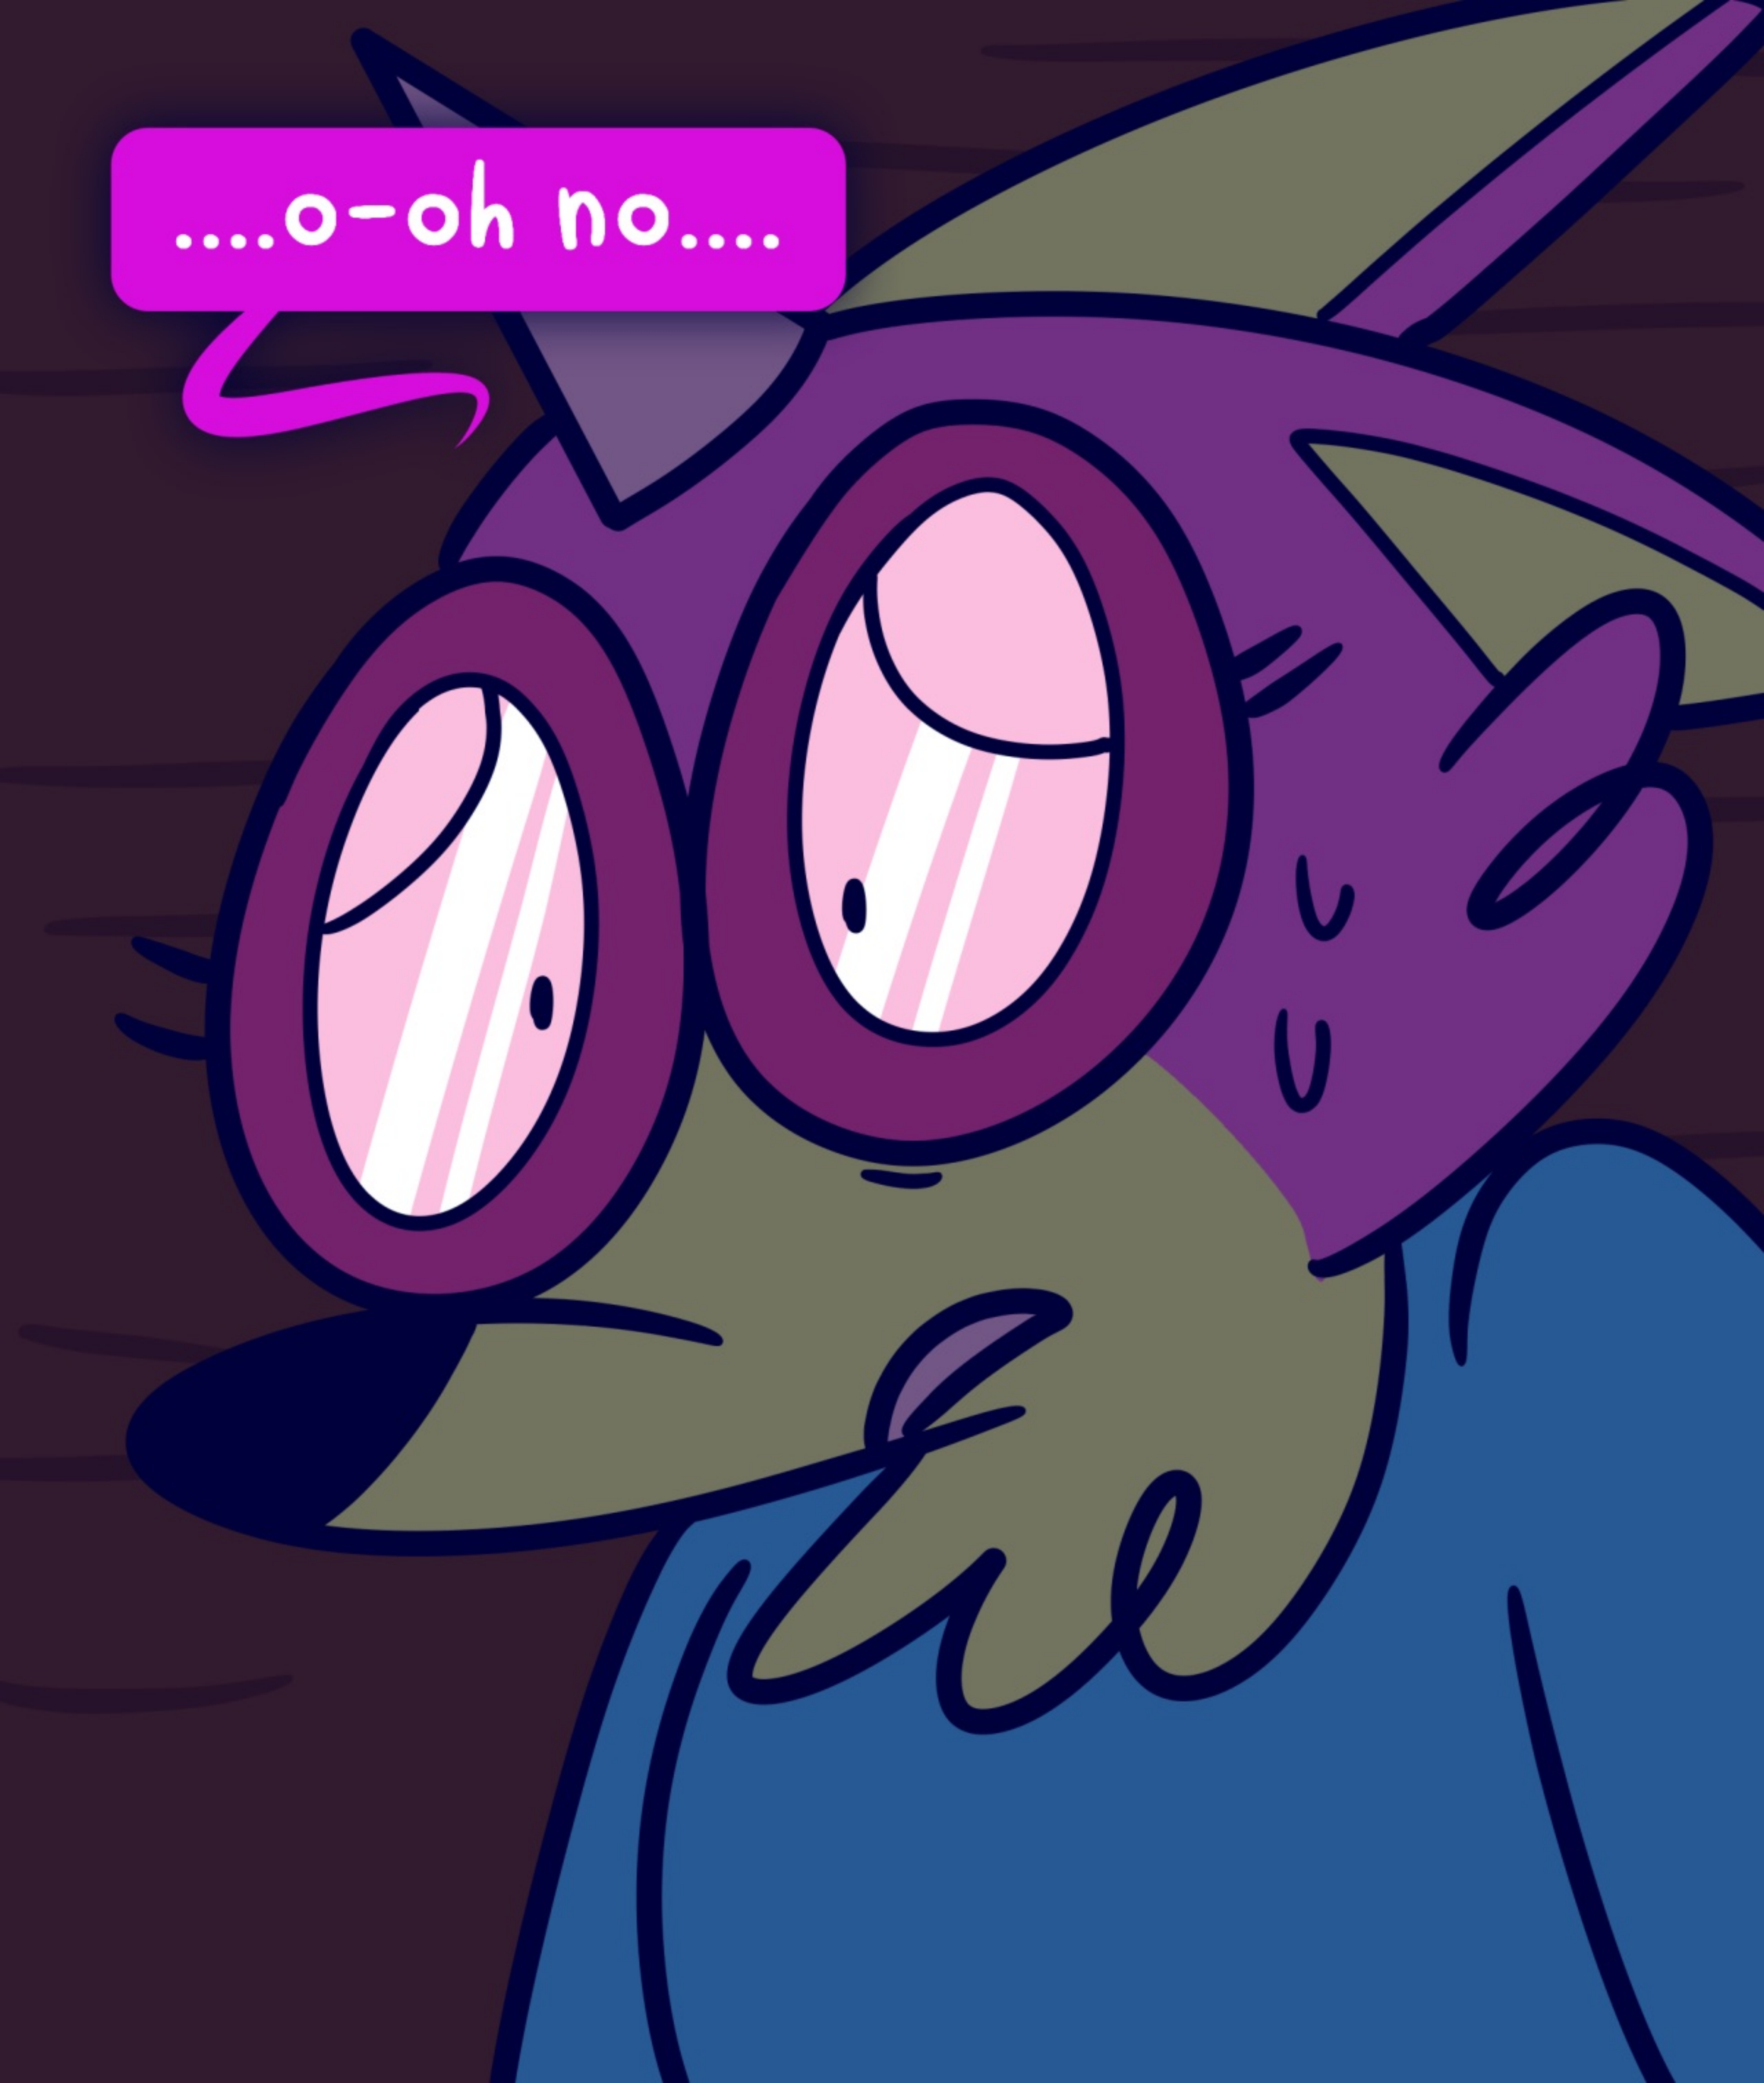
M-Mom?
...huh...?



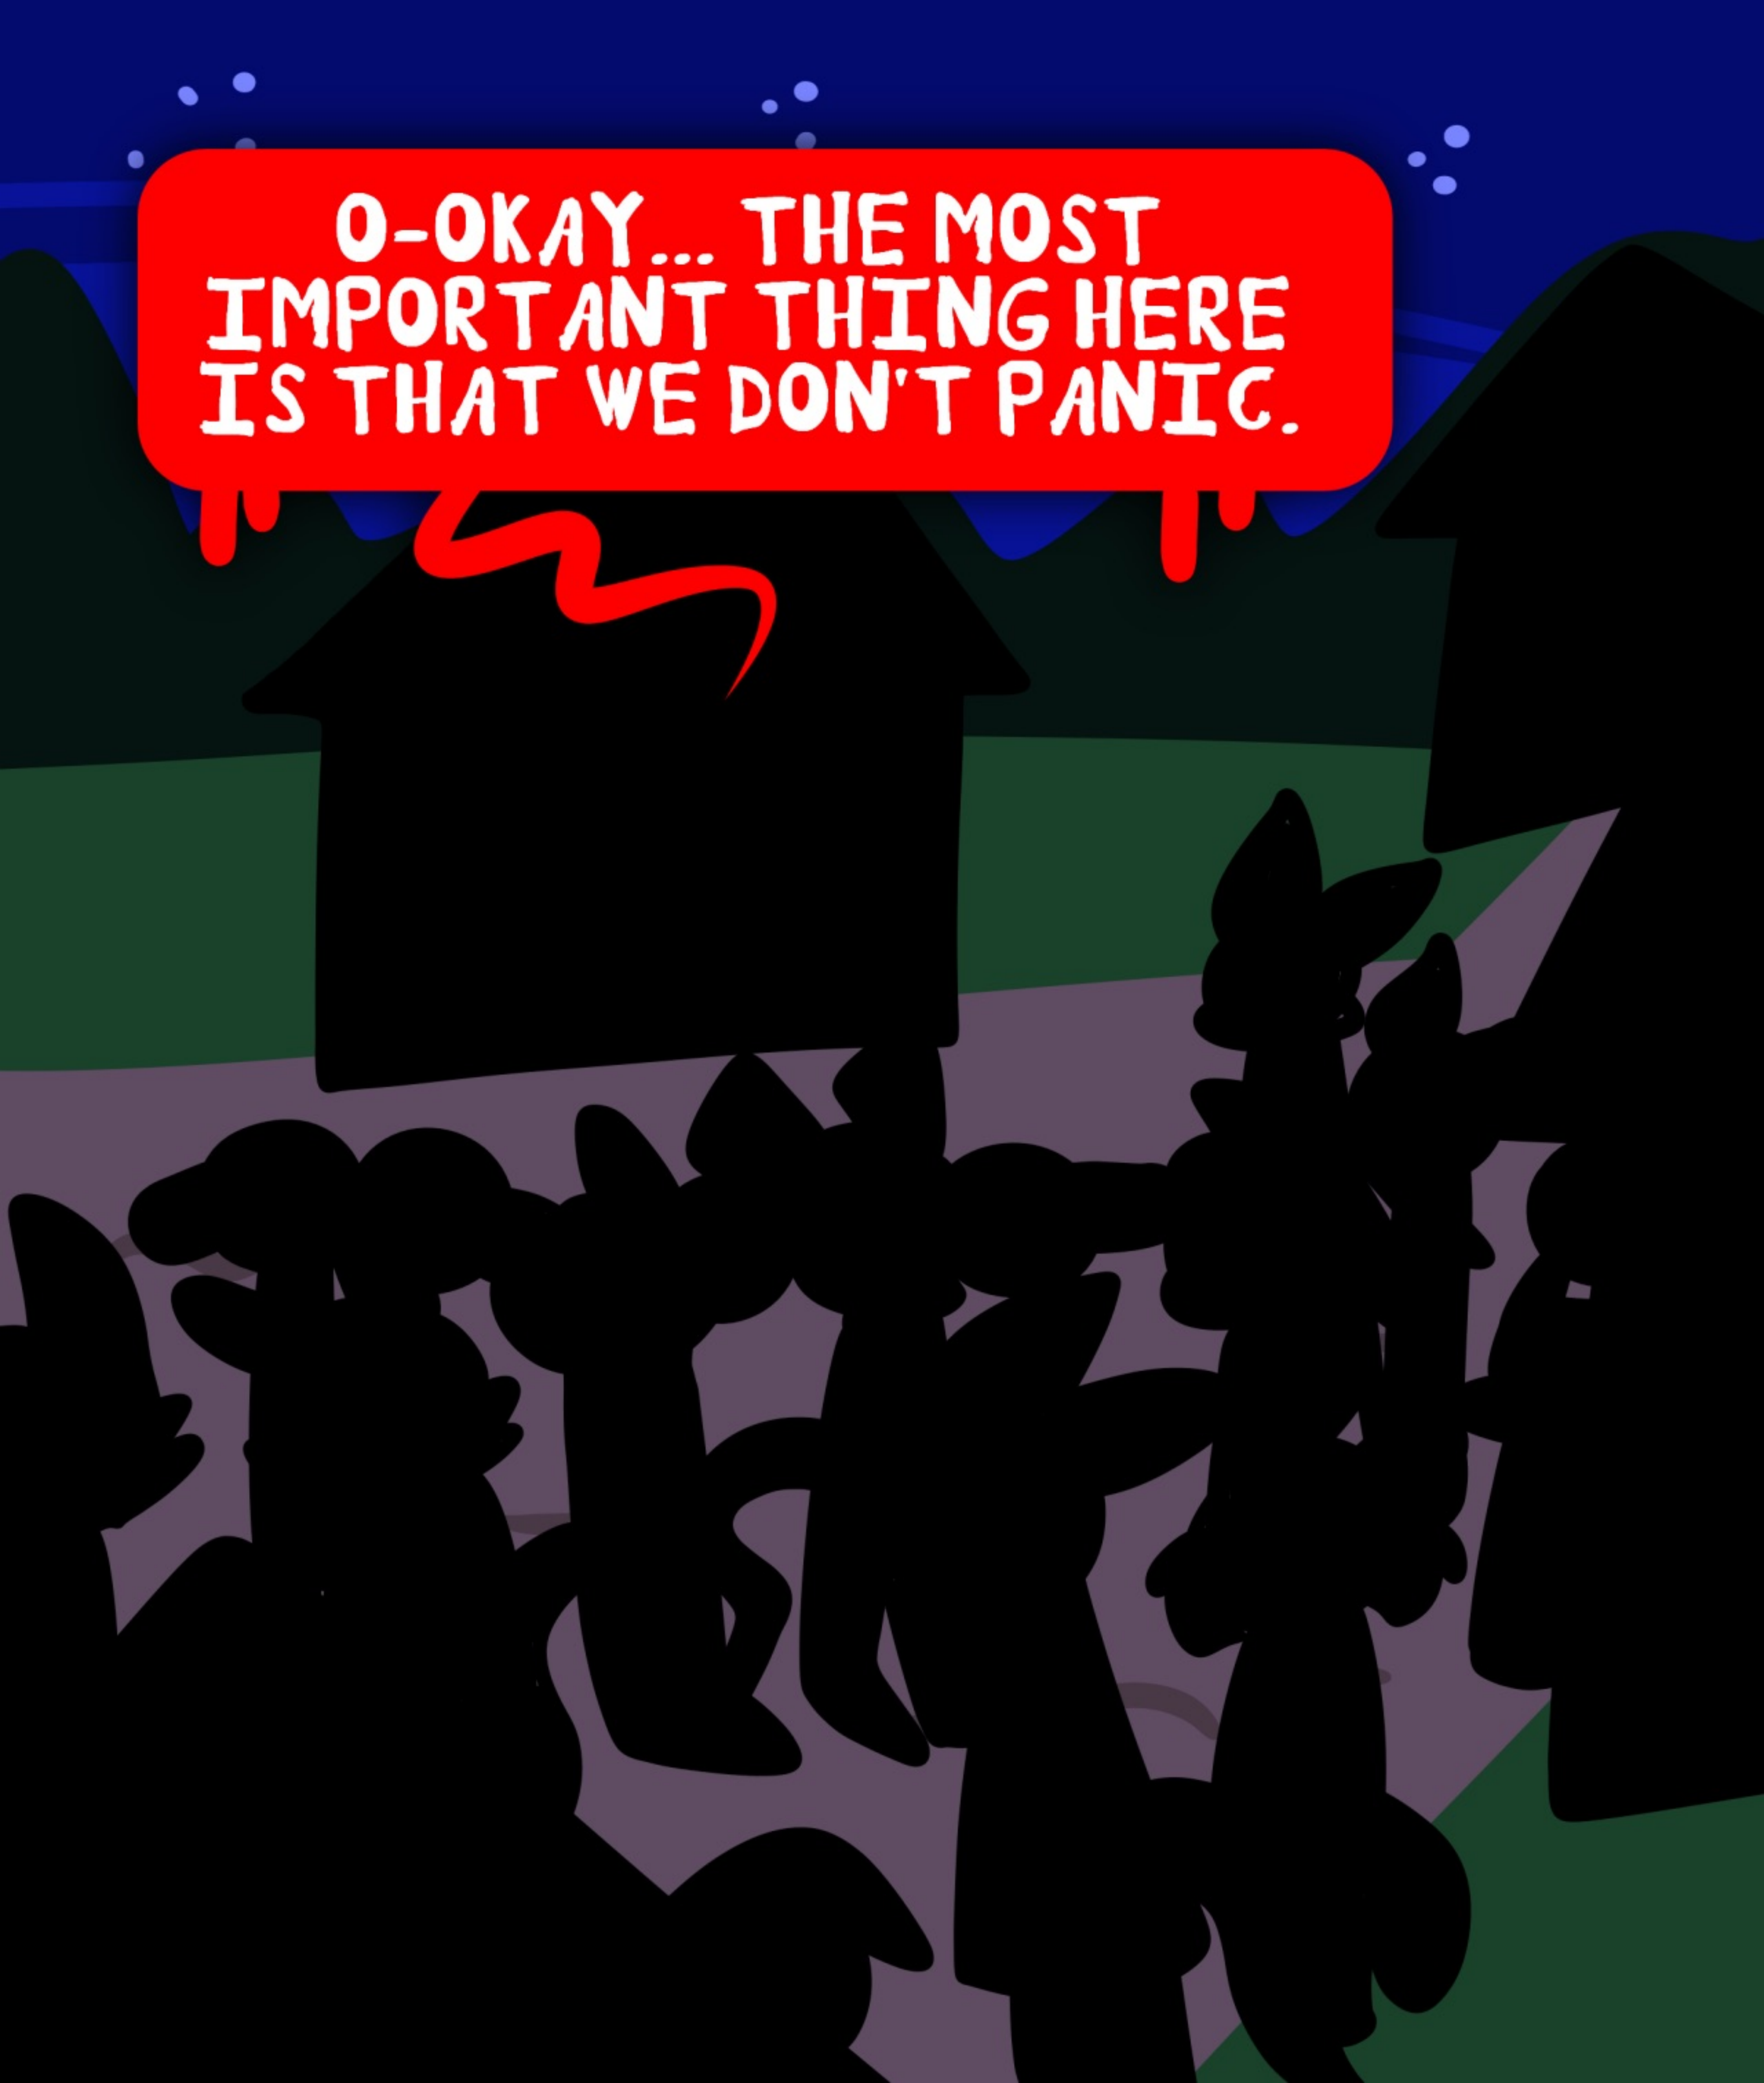
What´s going on, Jolly sweetie?



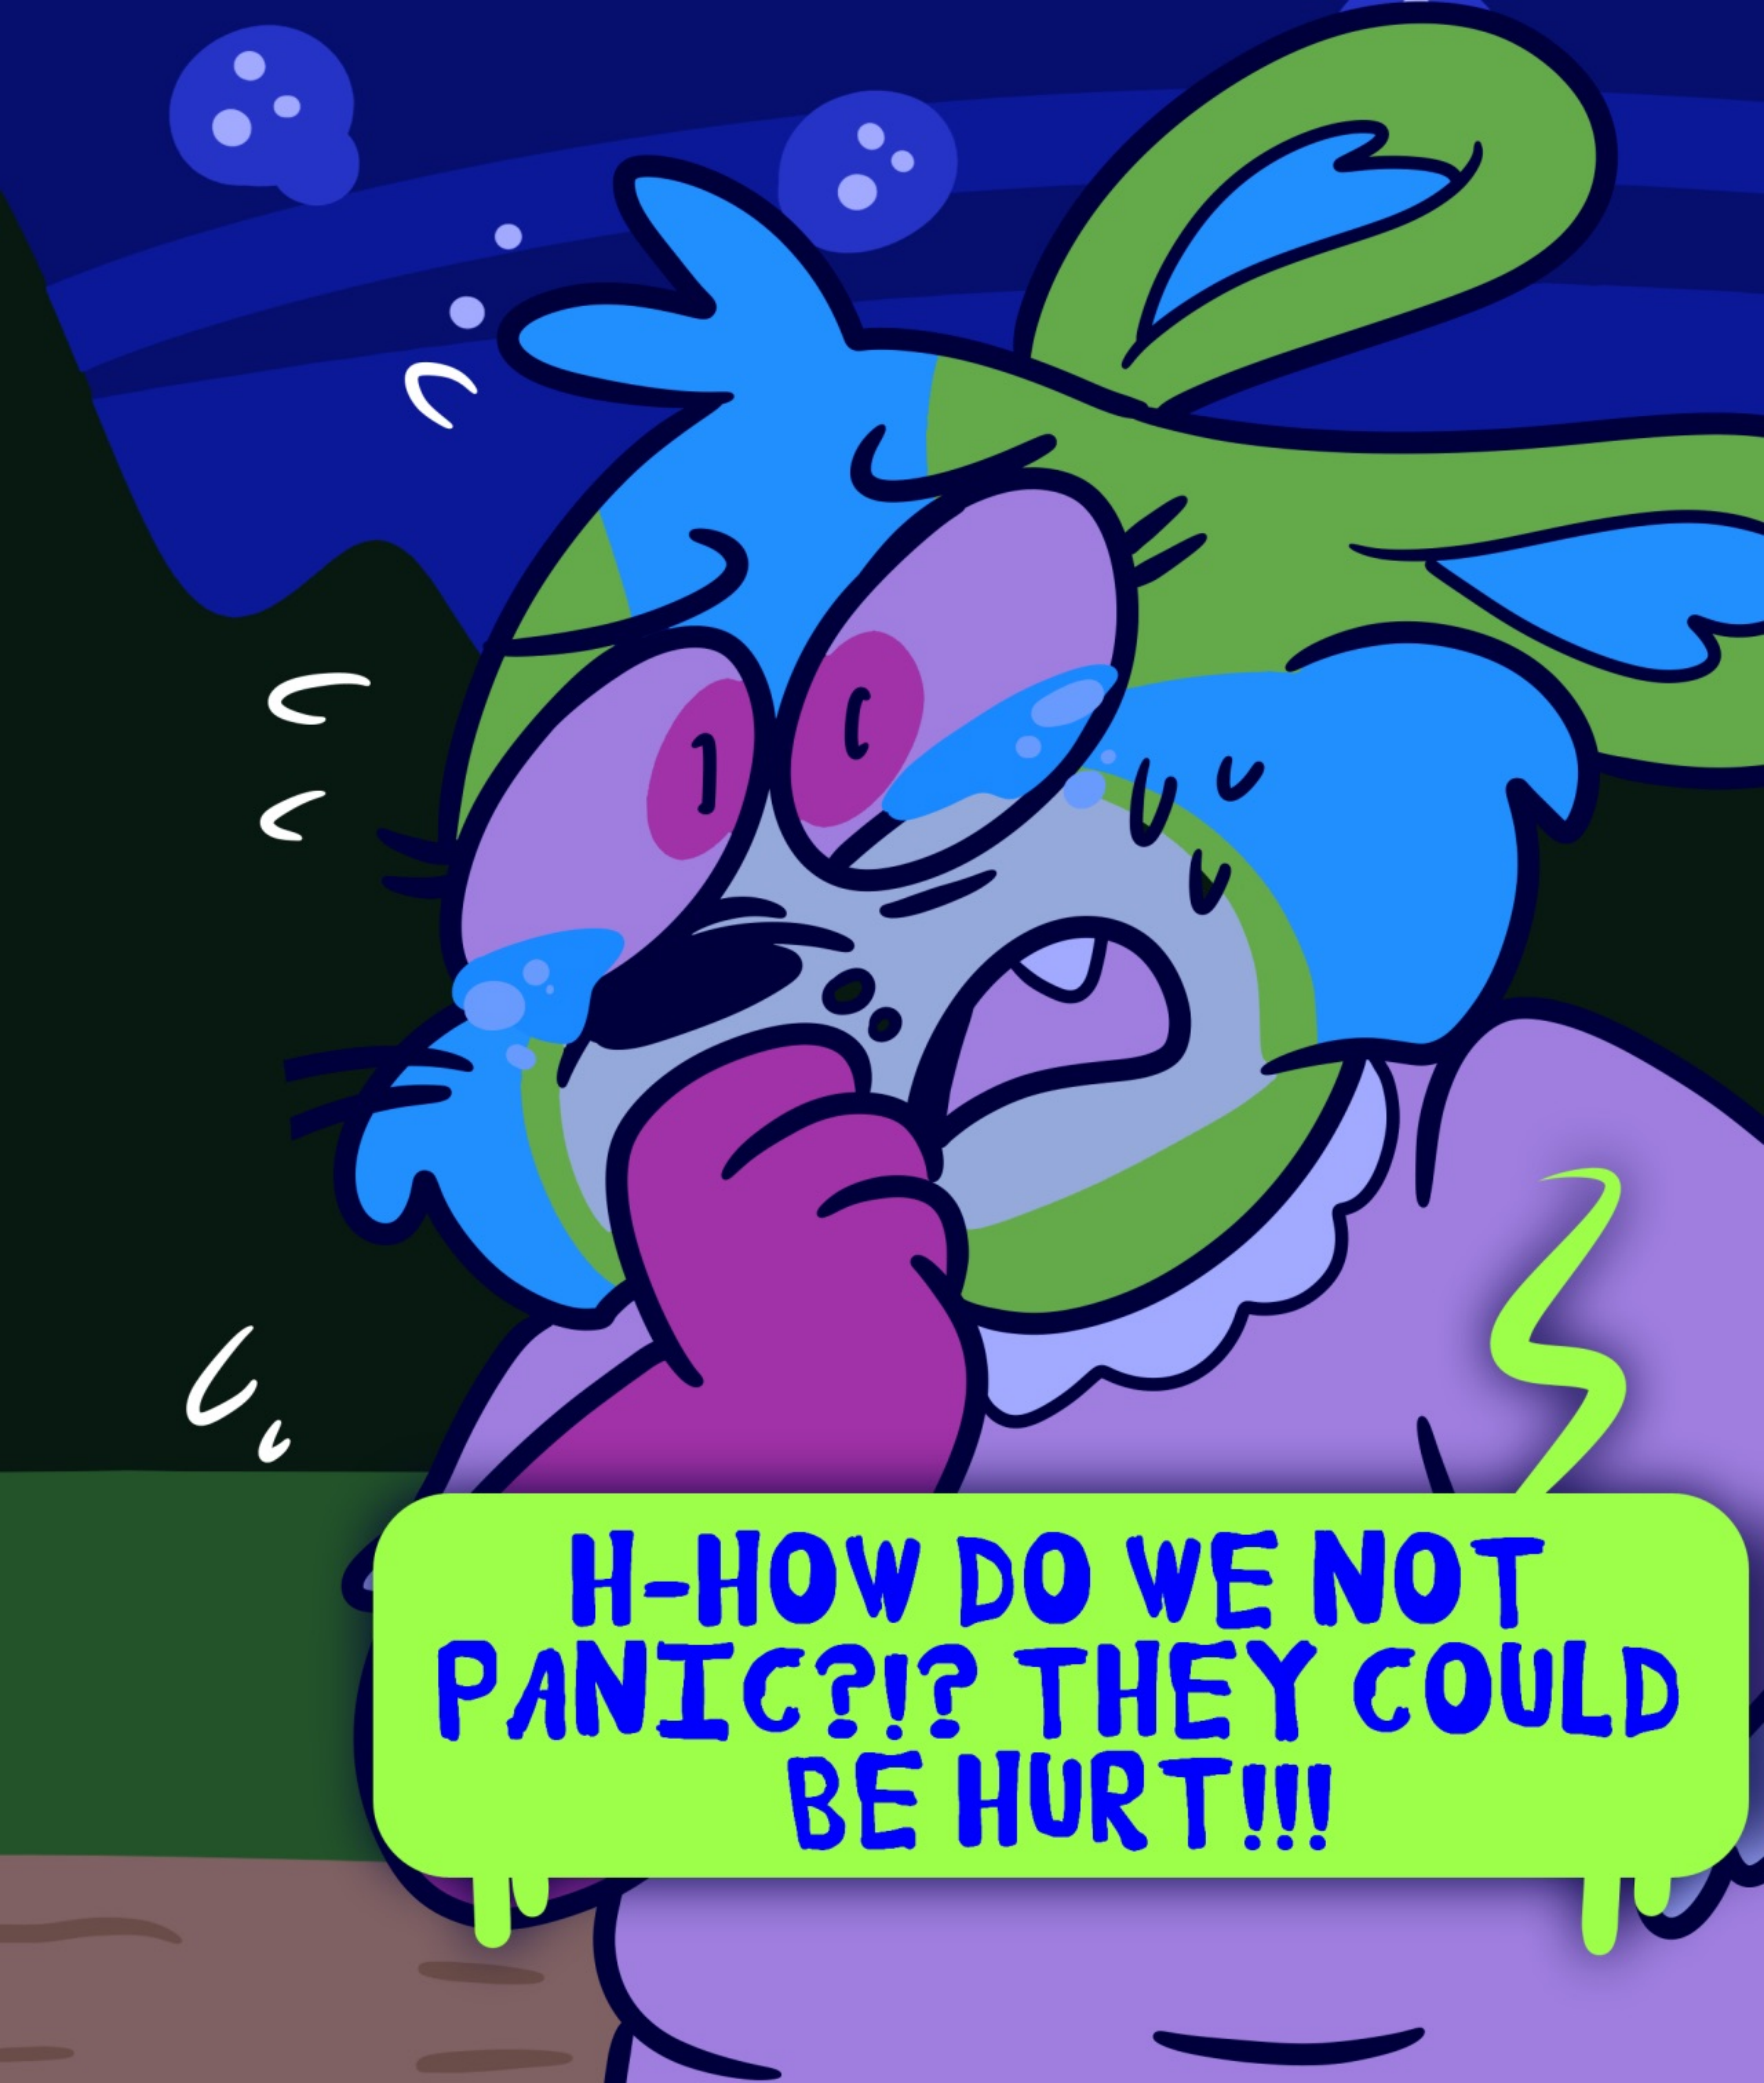
P-please don´t be mad, but- Chloe and Violet wanted to play outside so they asked me to watch them, but I got distracted a-and now I can´t find them...
I looked all over the camp, I can´t find them anywhere...!!!



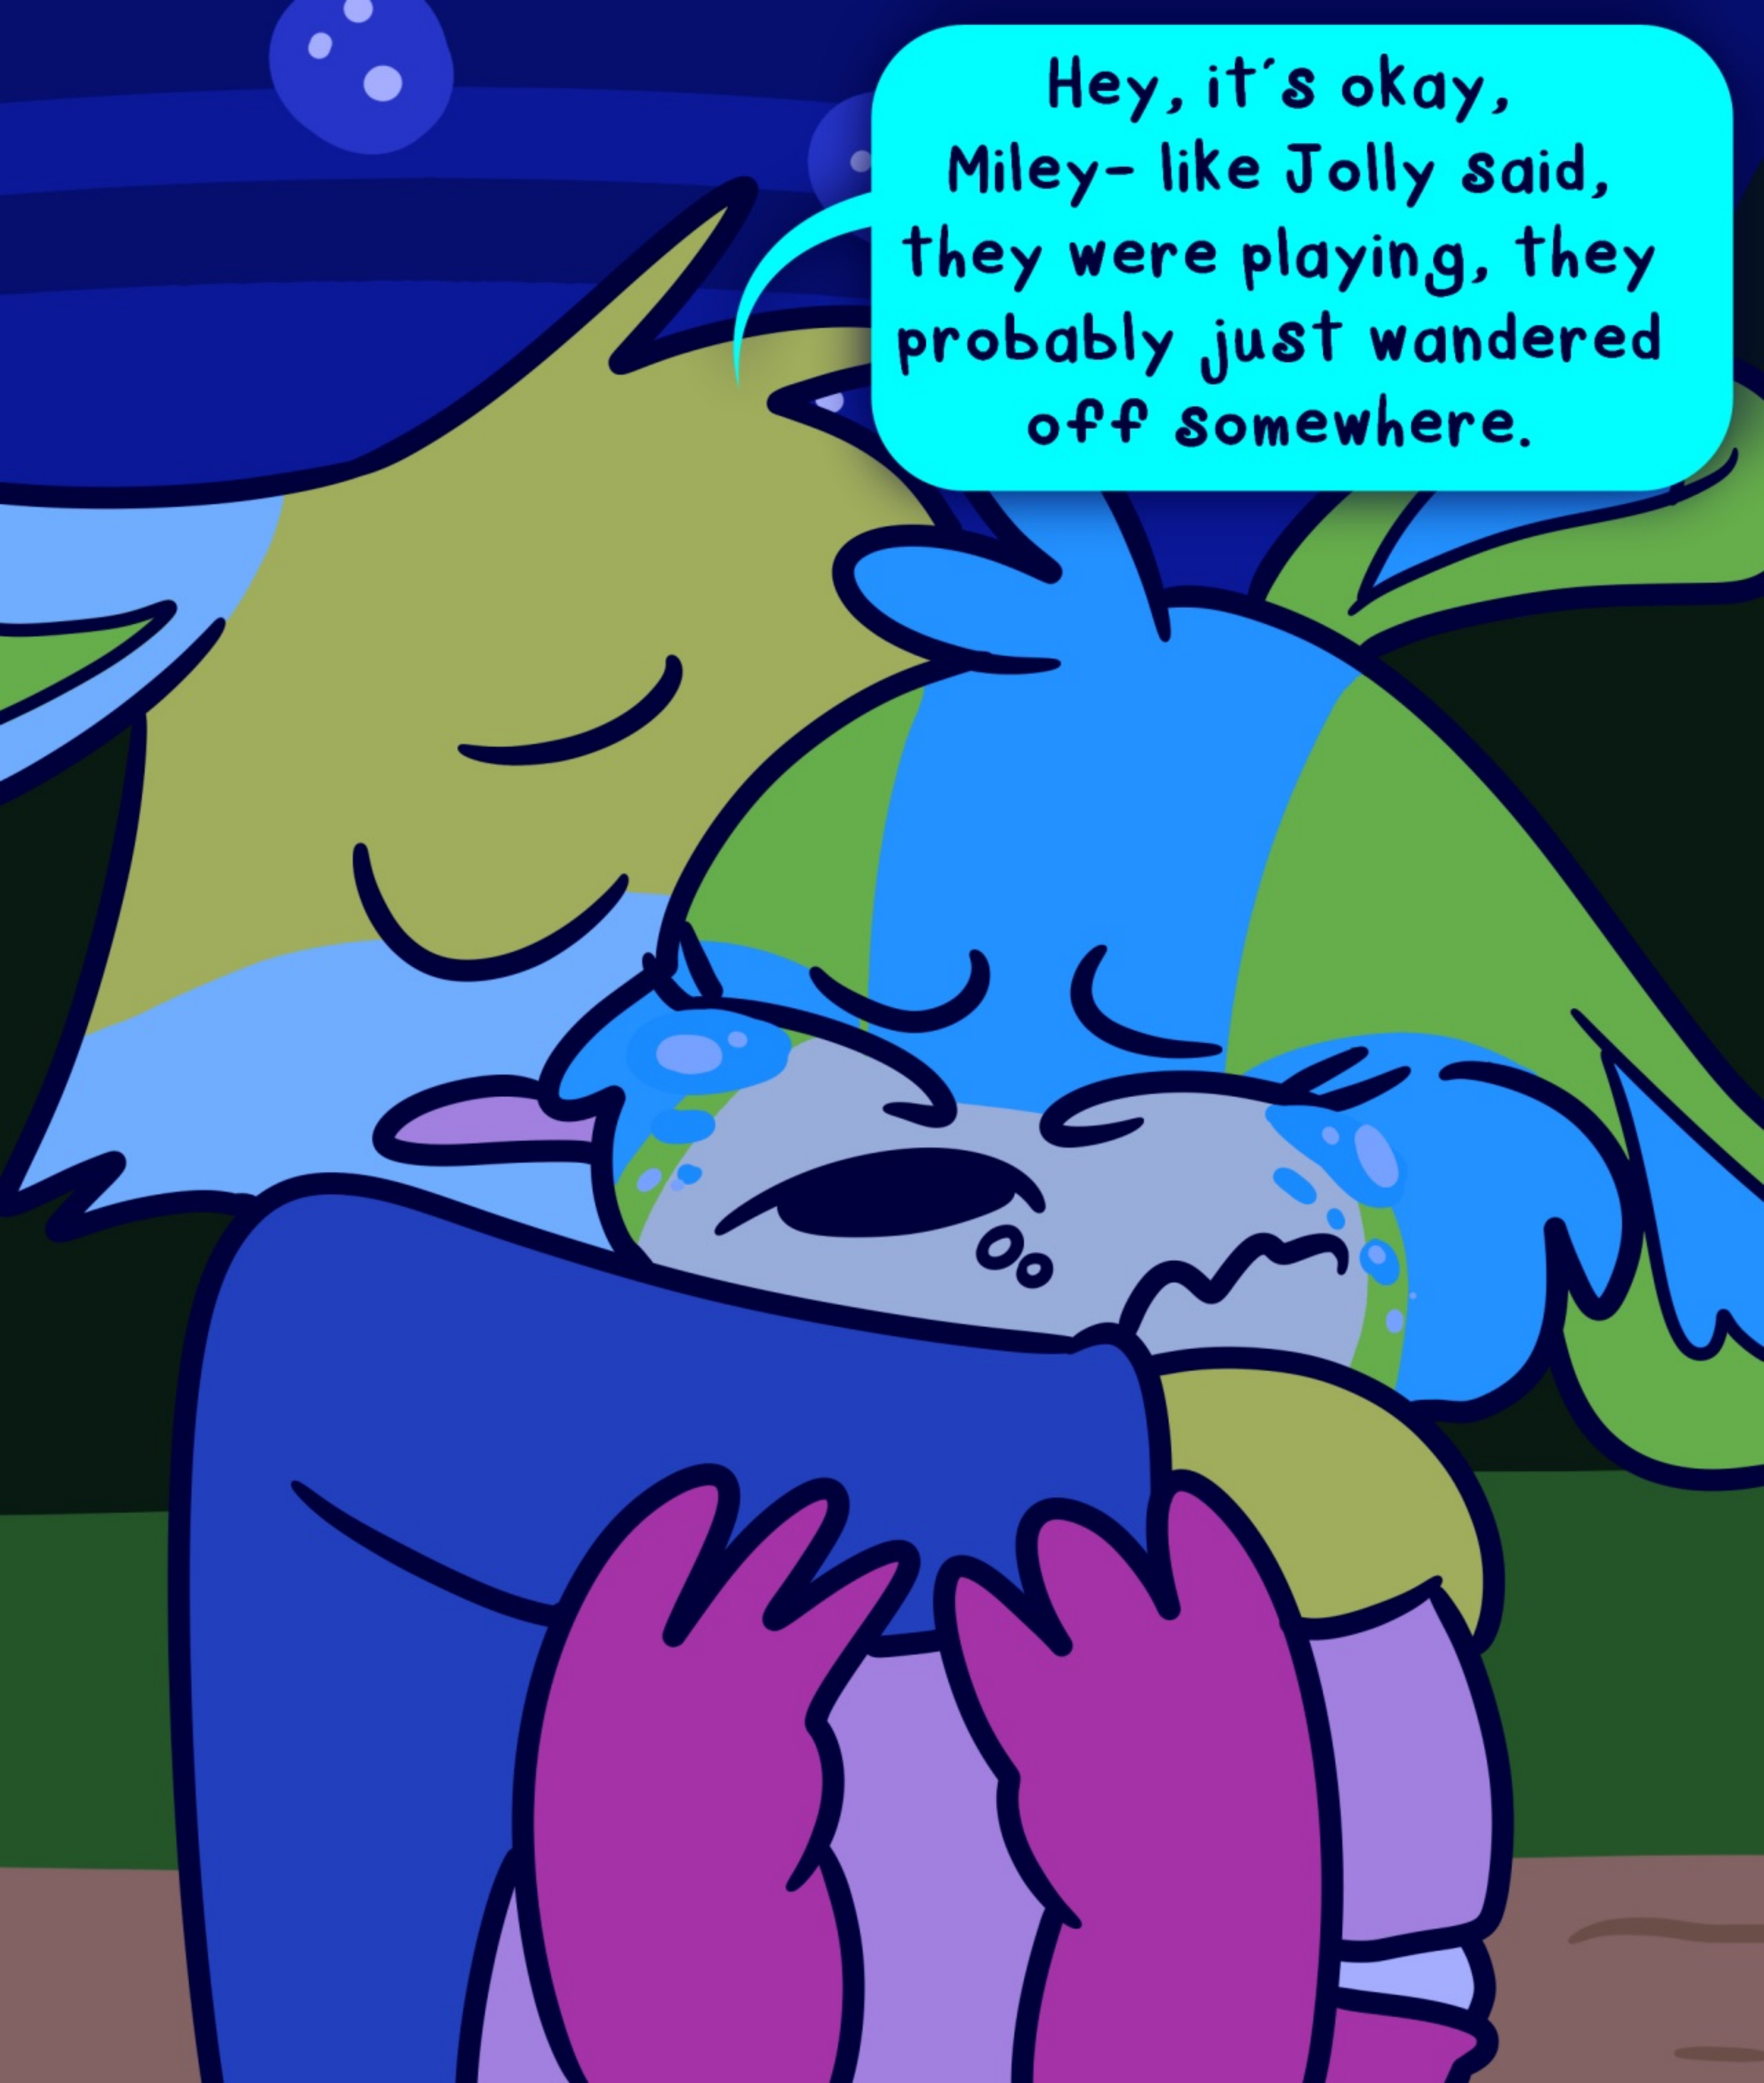
....o-oh no....



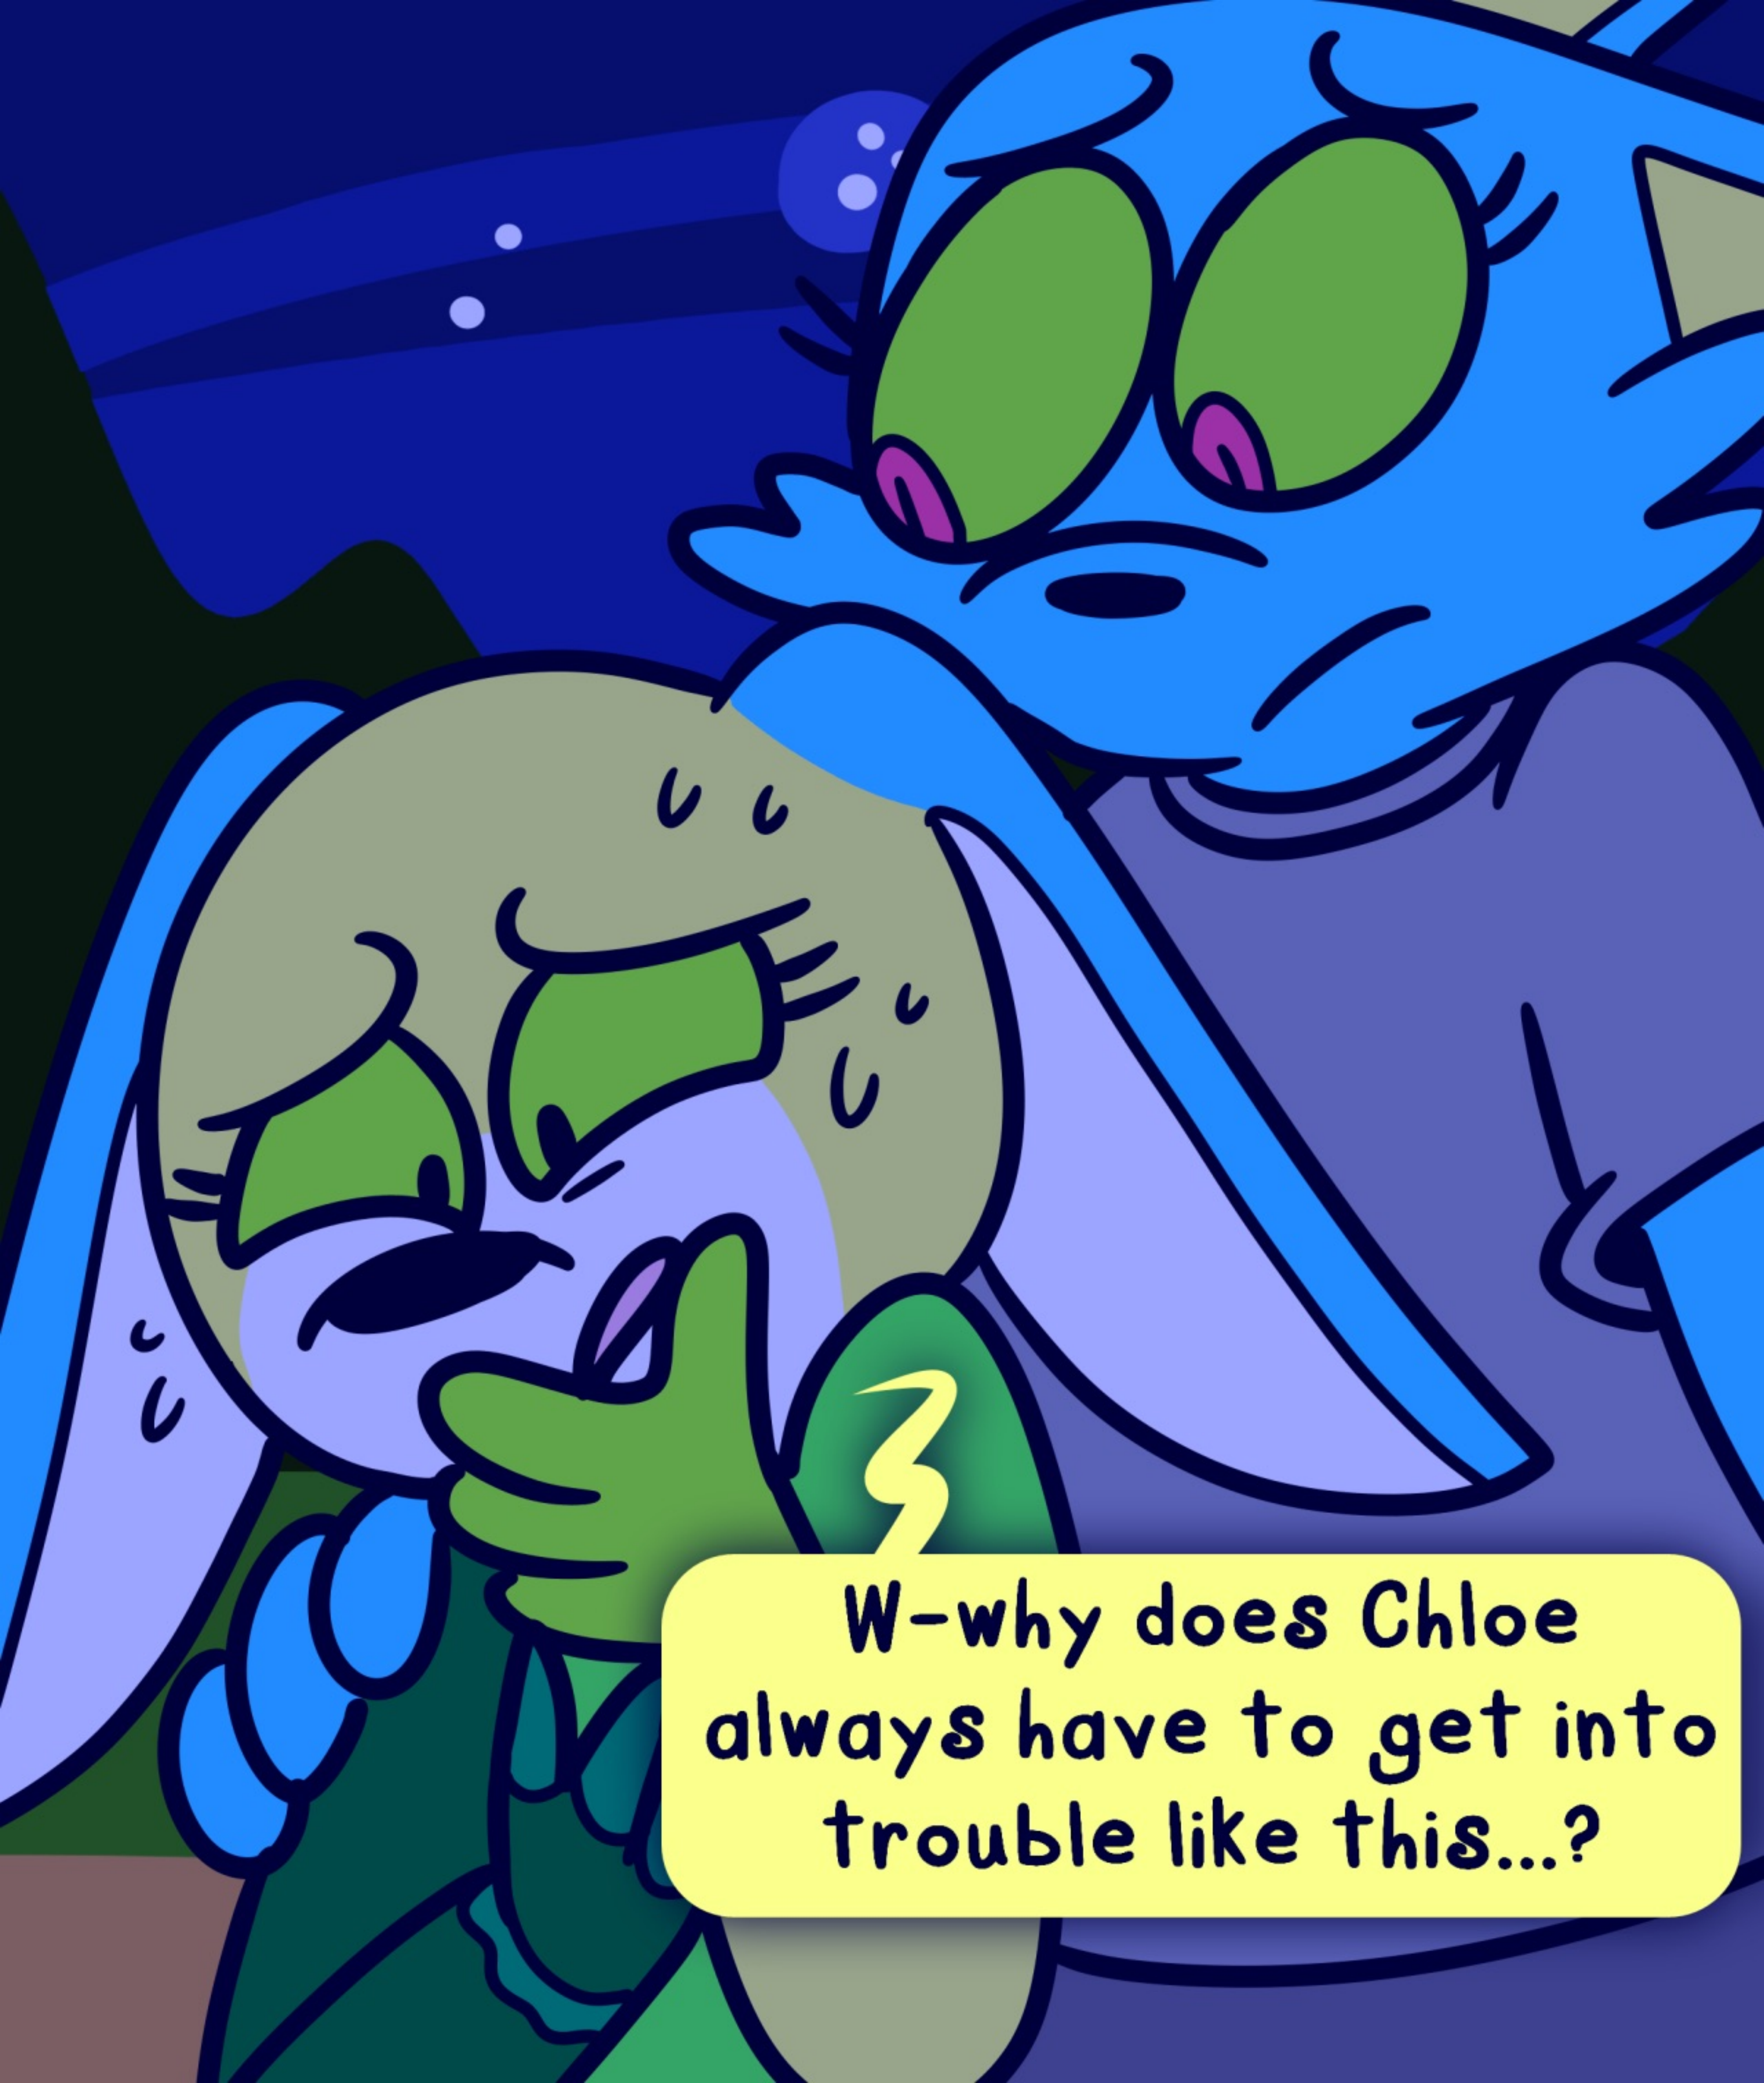
O-OKAY... THE MOST IMPORTANT THING HERE IS THAT WE DON'T PANIC.



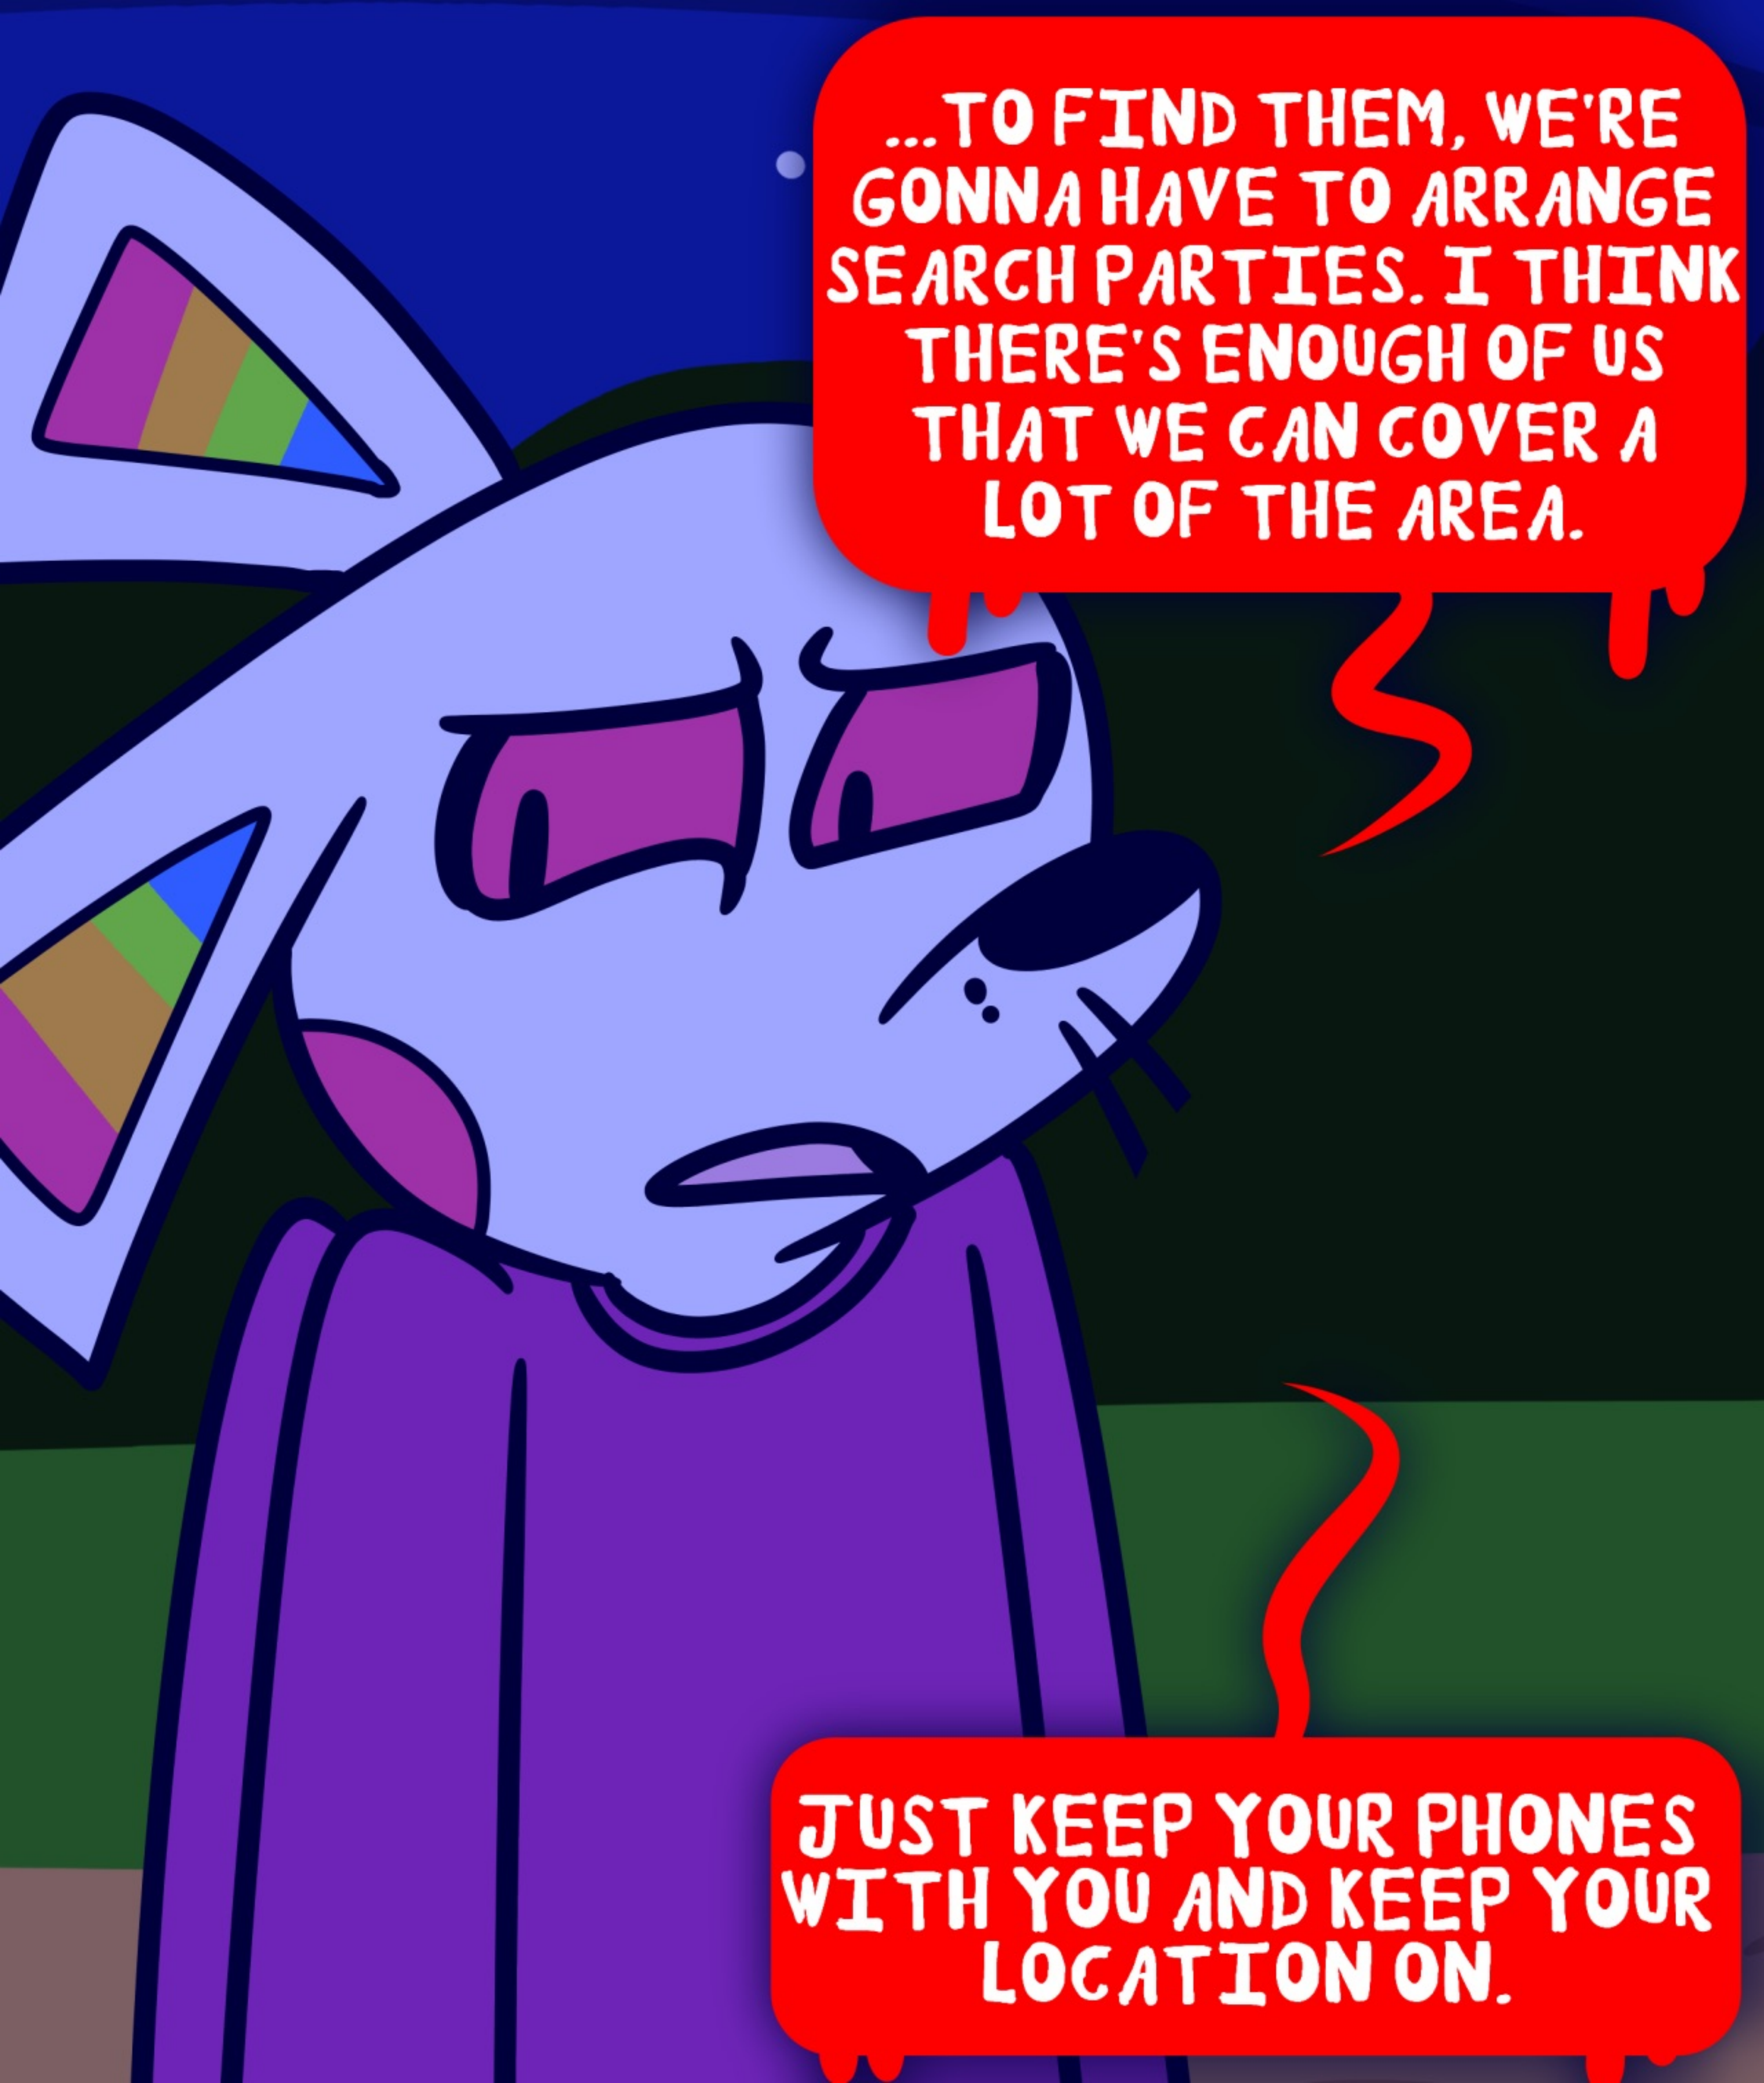
H-HOW DO WE NOT PANIC?!? THEY COULD BE HURT!!!



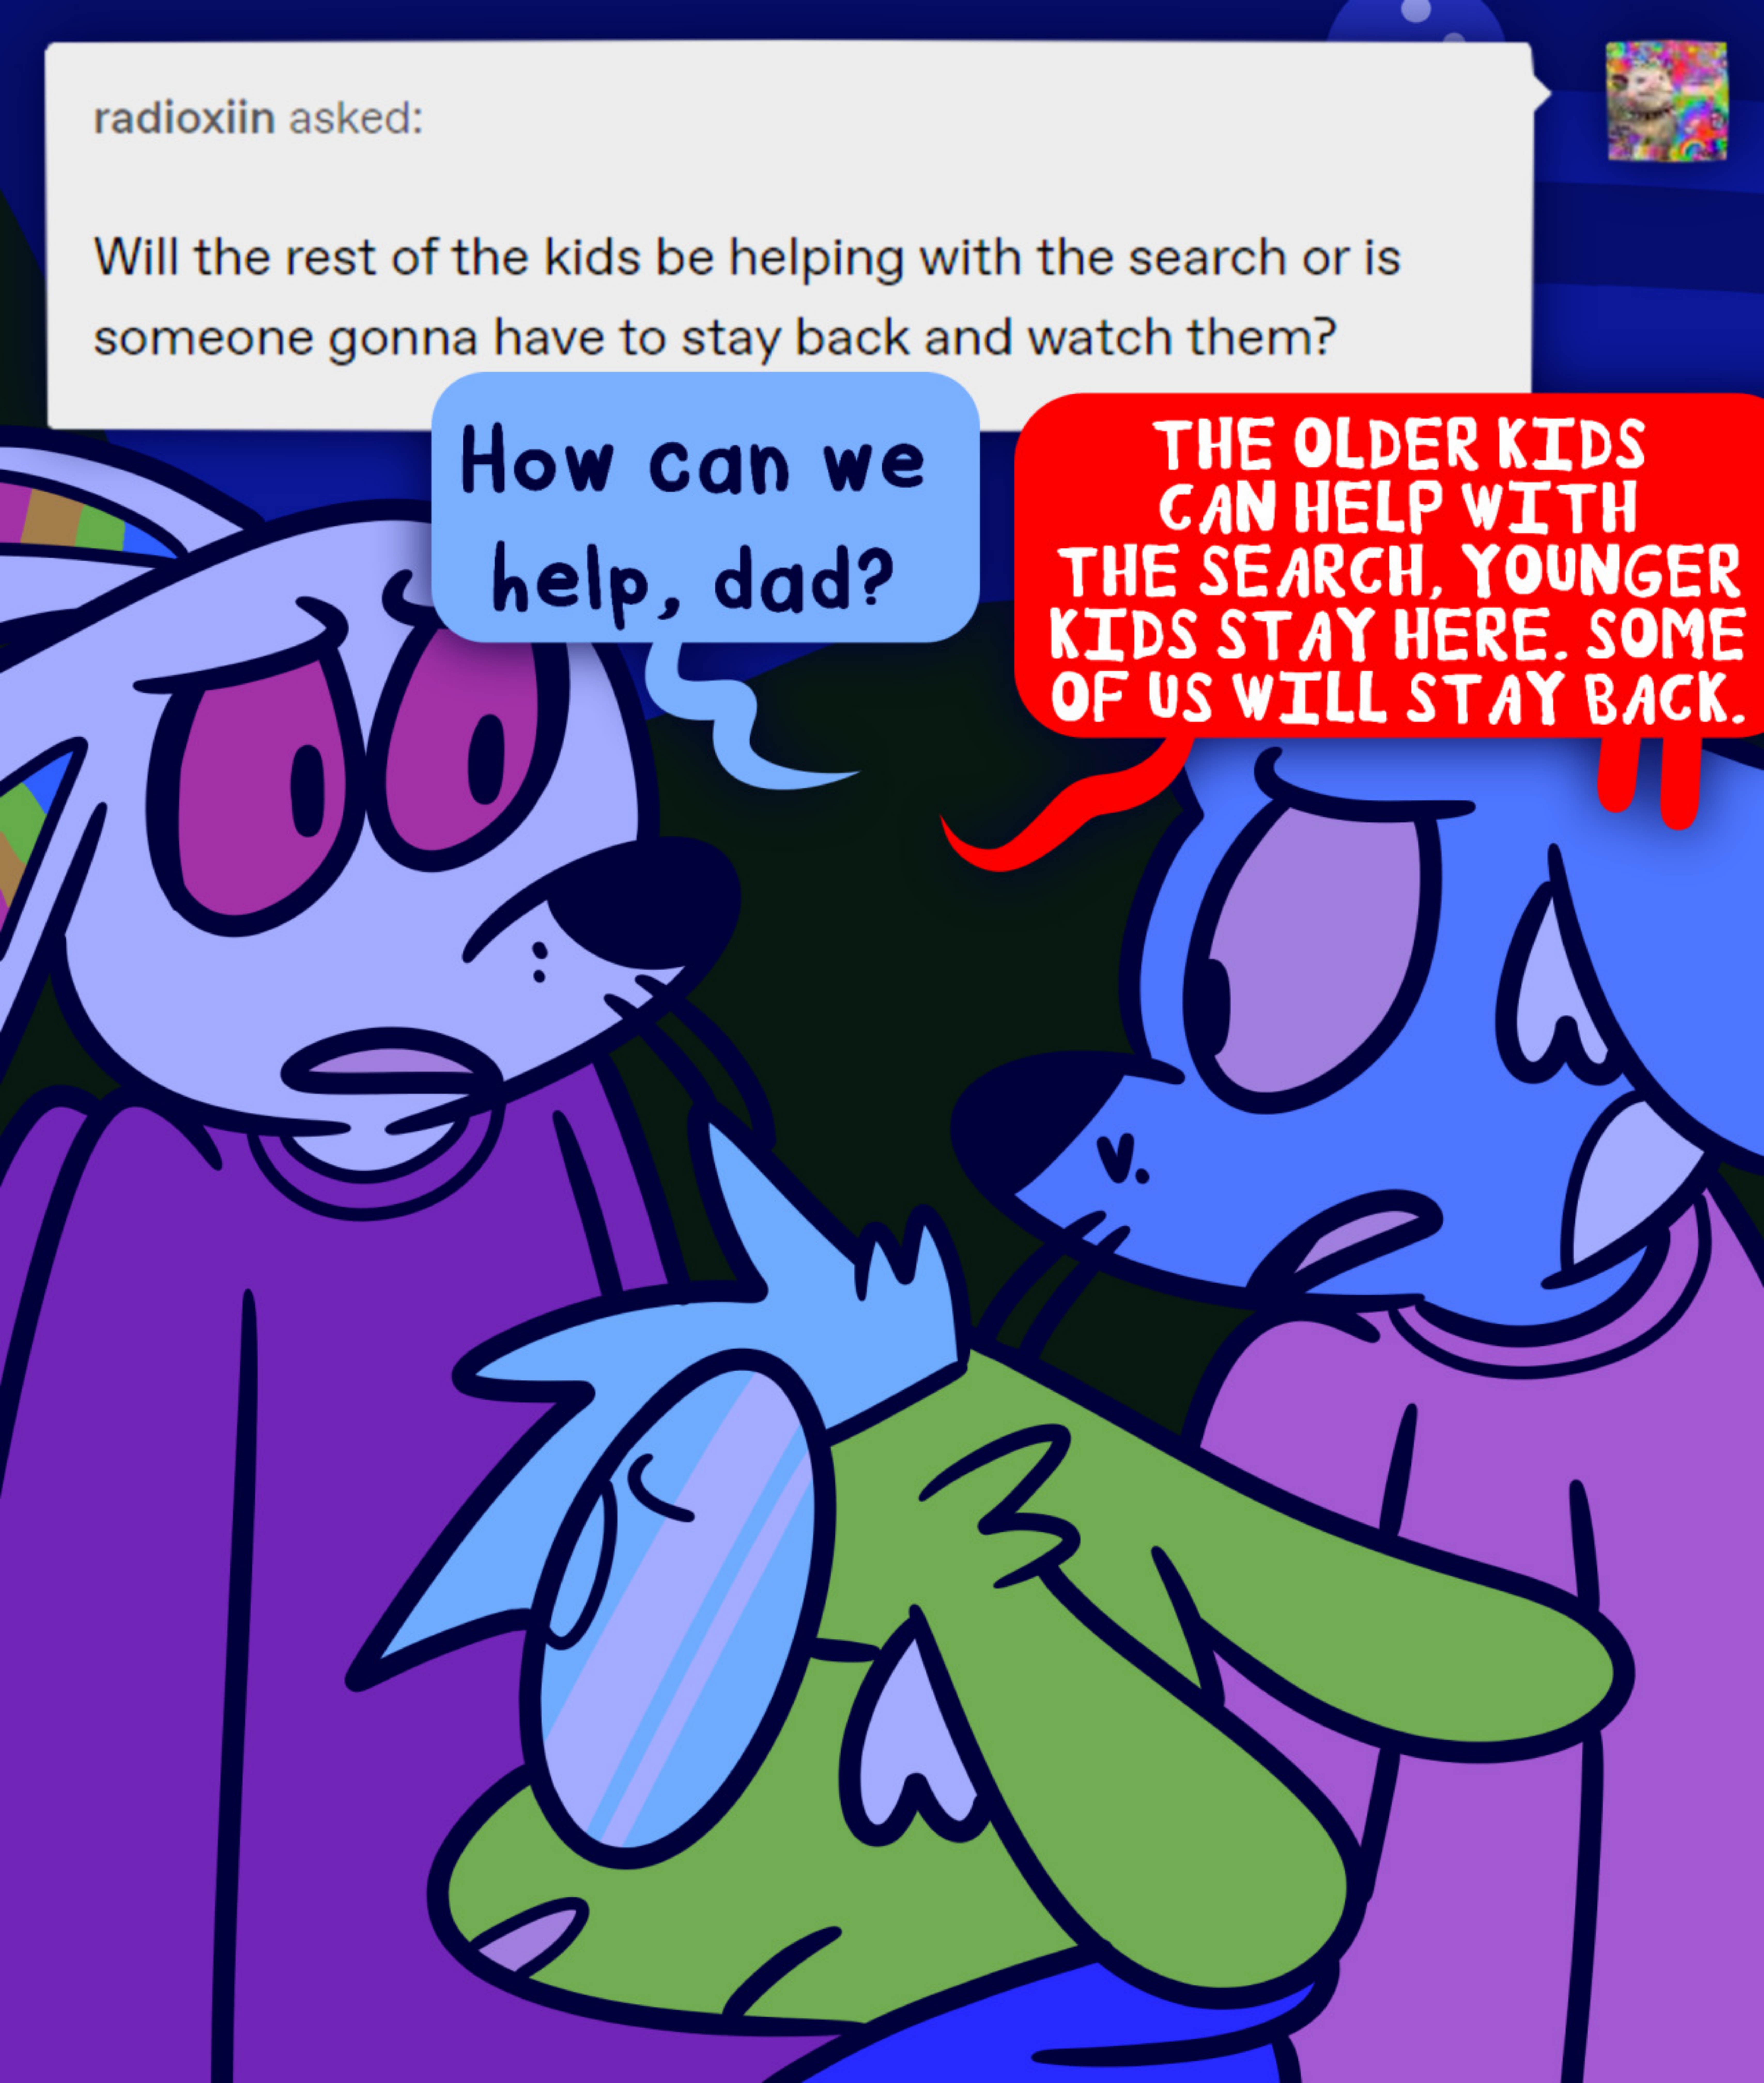
Hey, it's okay, Miley- like Jolly said, they were playing, they probably just wandered off somewhere.



W-why does Chloe always have to get into trouble like this...?



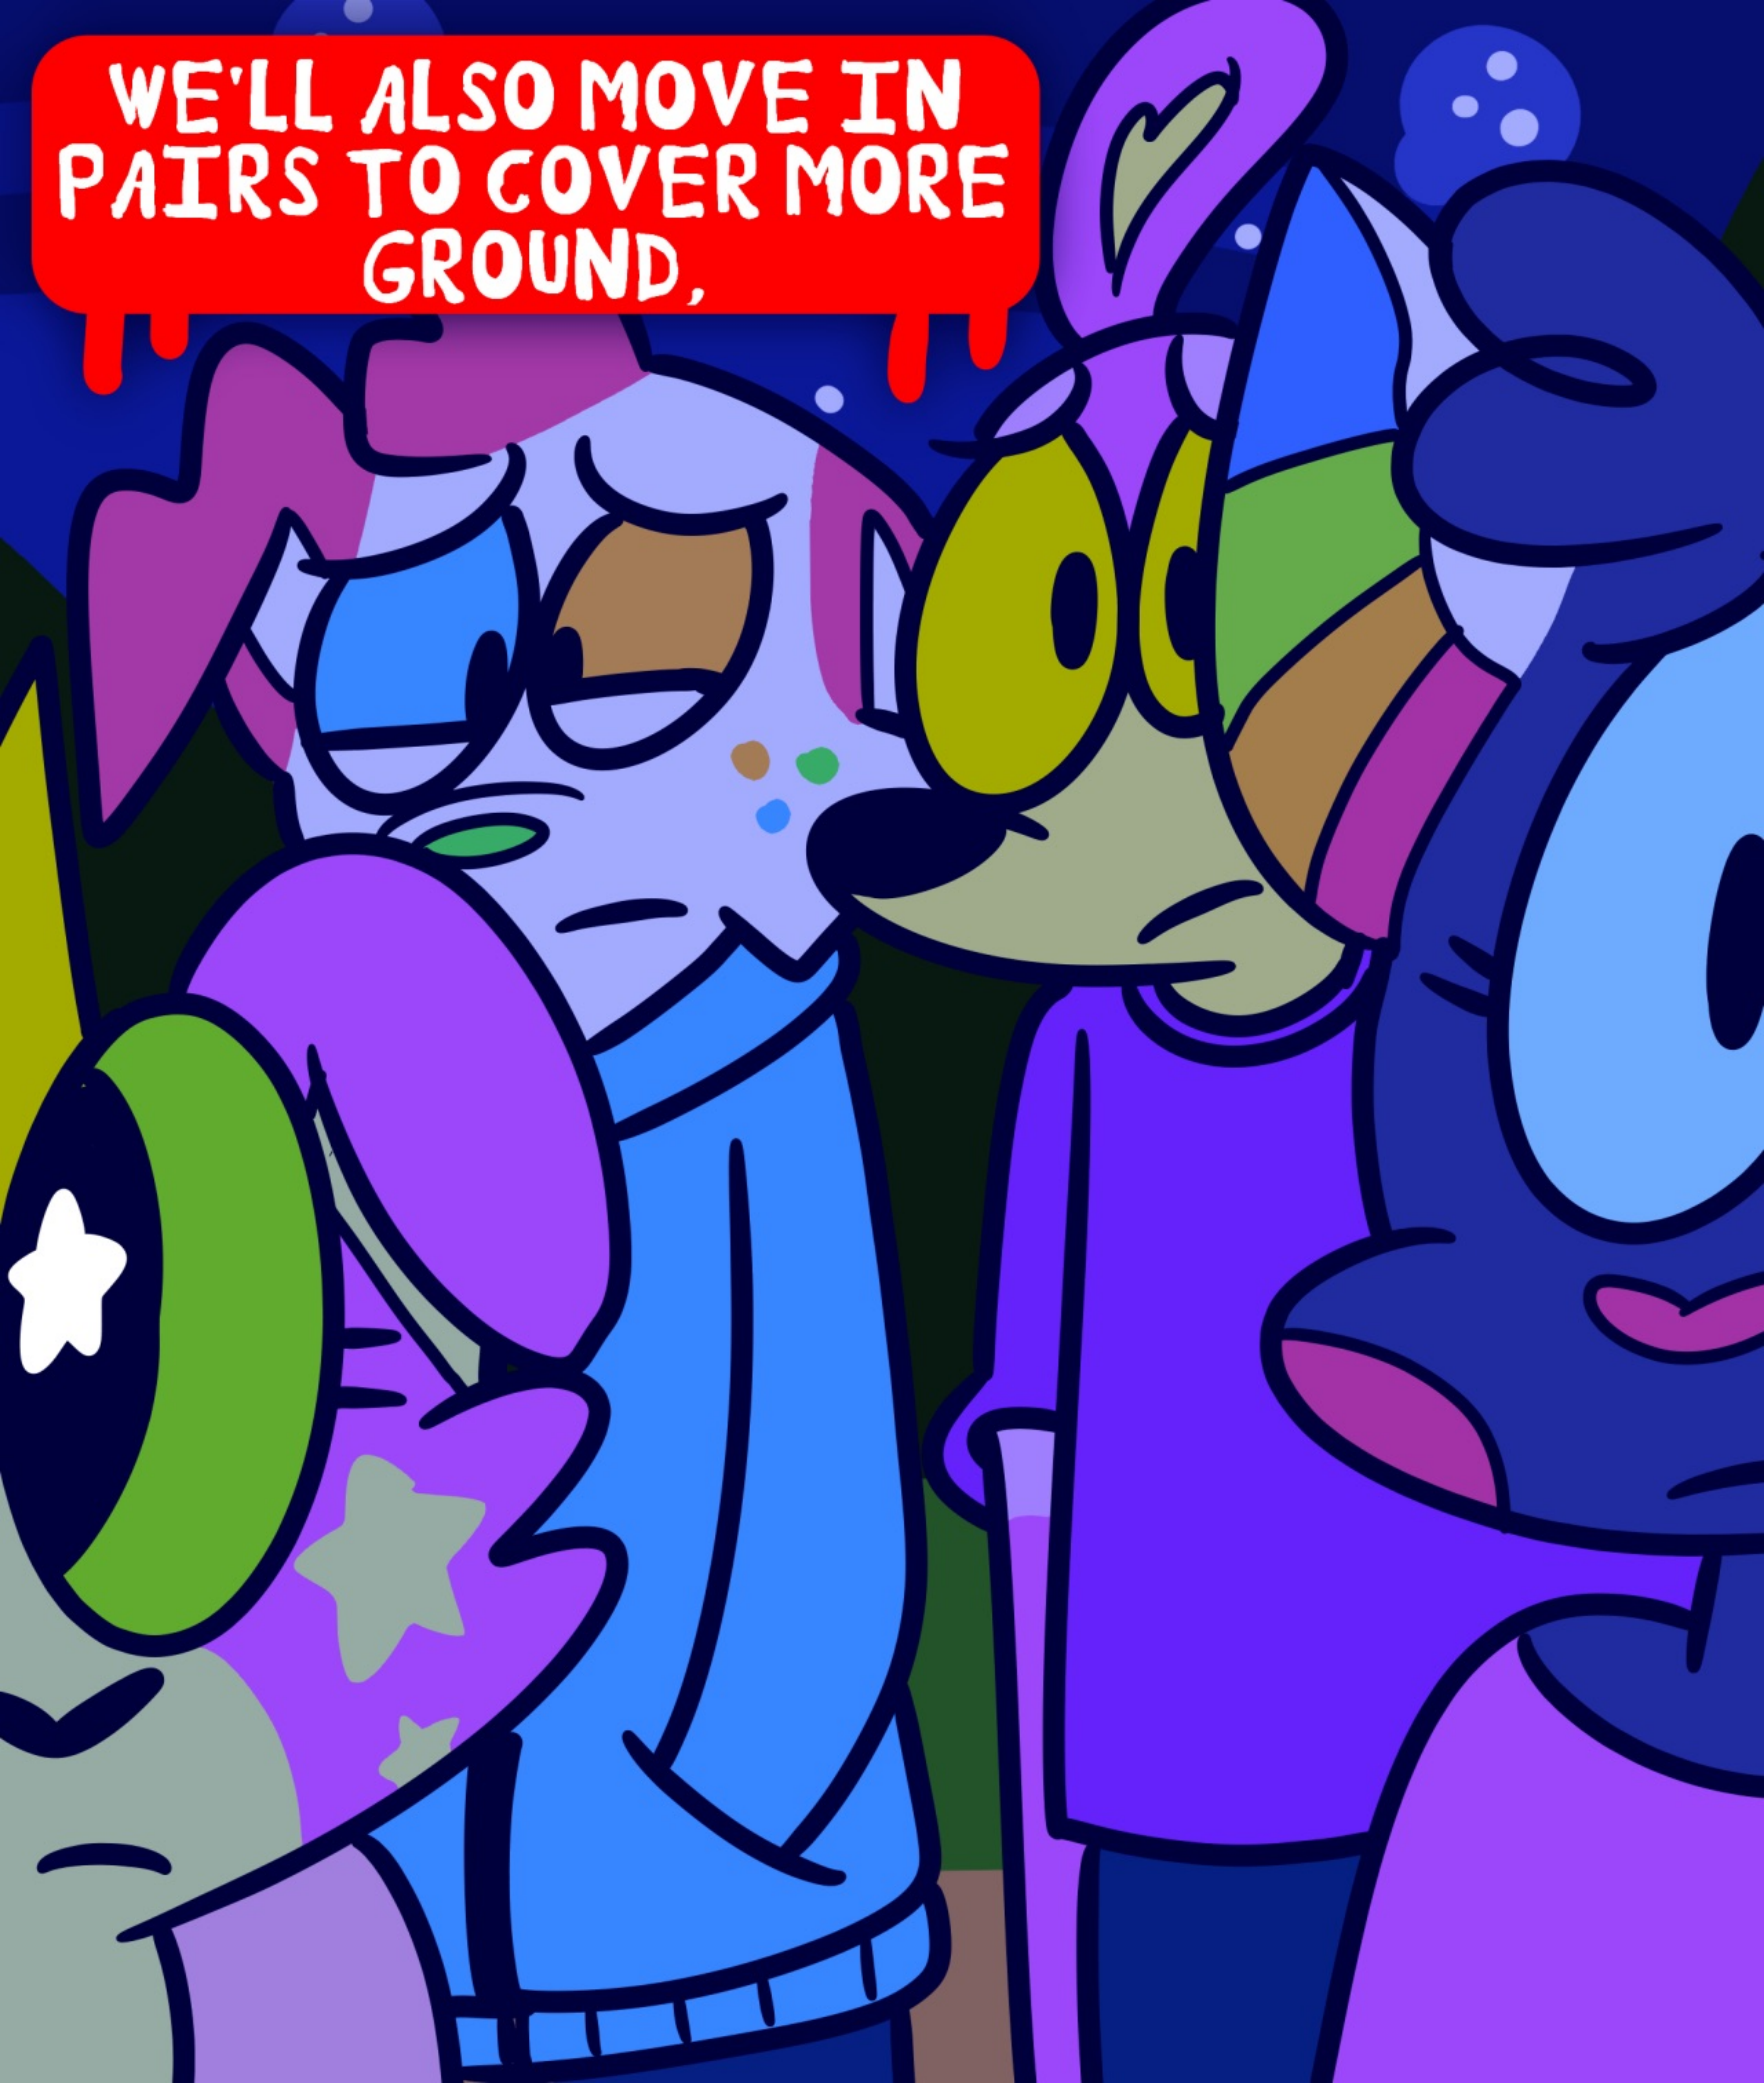
...TO FIND THEM, WE'RE GONNA HAVE TO ARRANGE SEARCH PARTIES. I THINK THERE'S ENOUGH OF US THAT WE CAN COVER A LOT OF THE AREA.
JUST KEEP YOUR PHONES WITH YOU AND KEEP YOUR LOCATION ON.



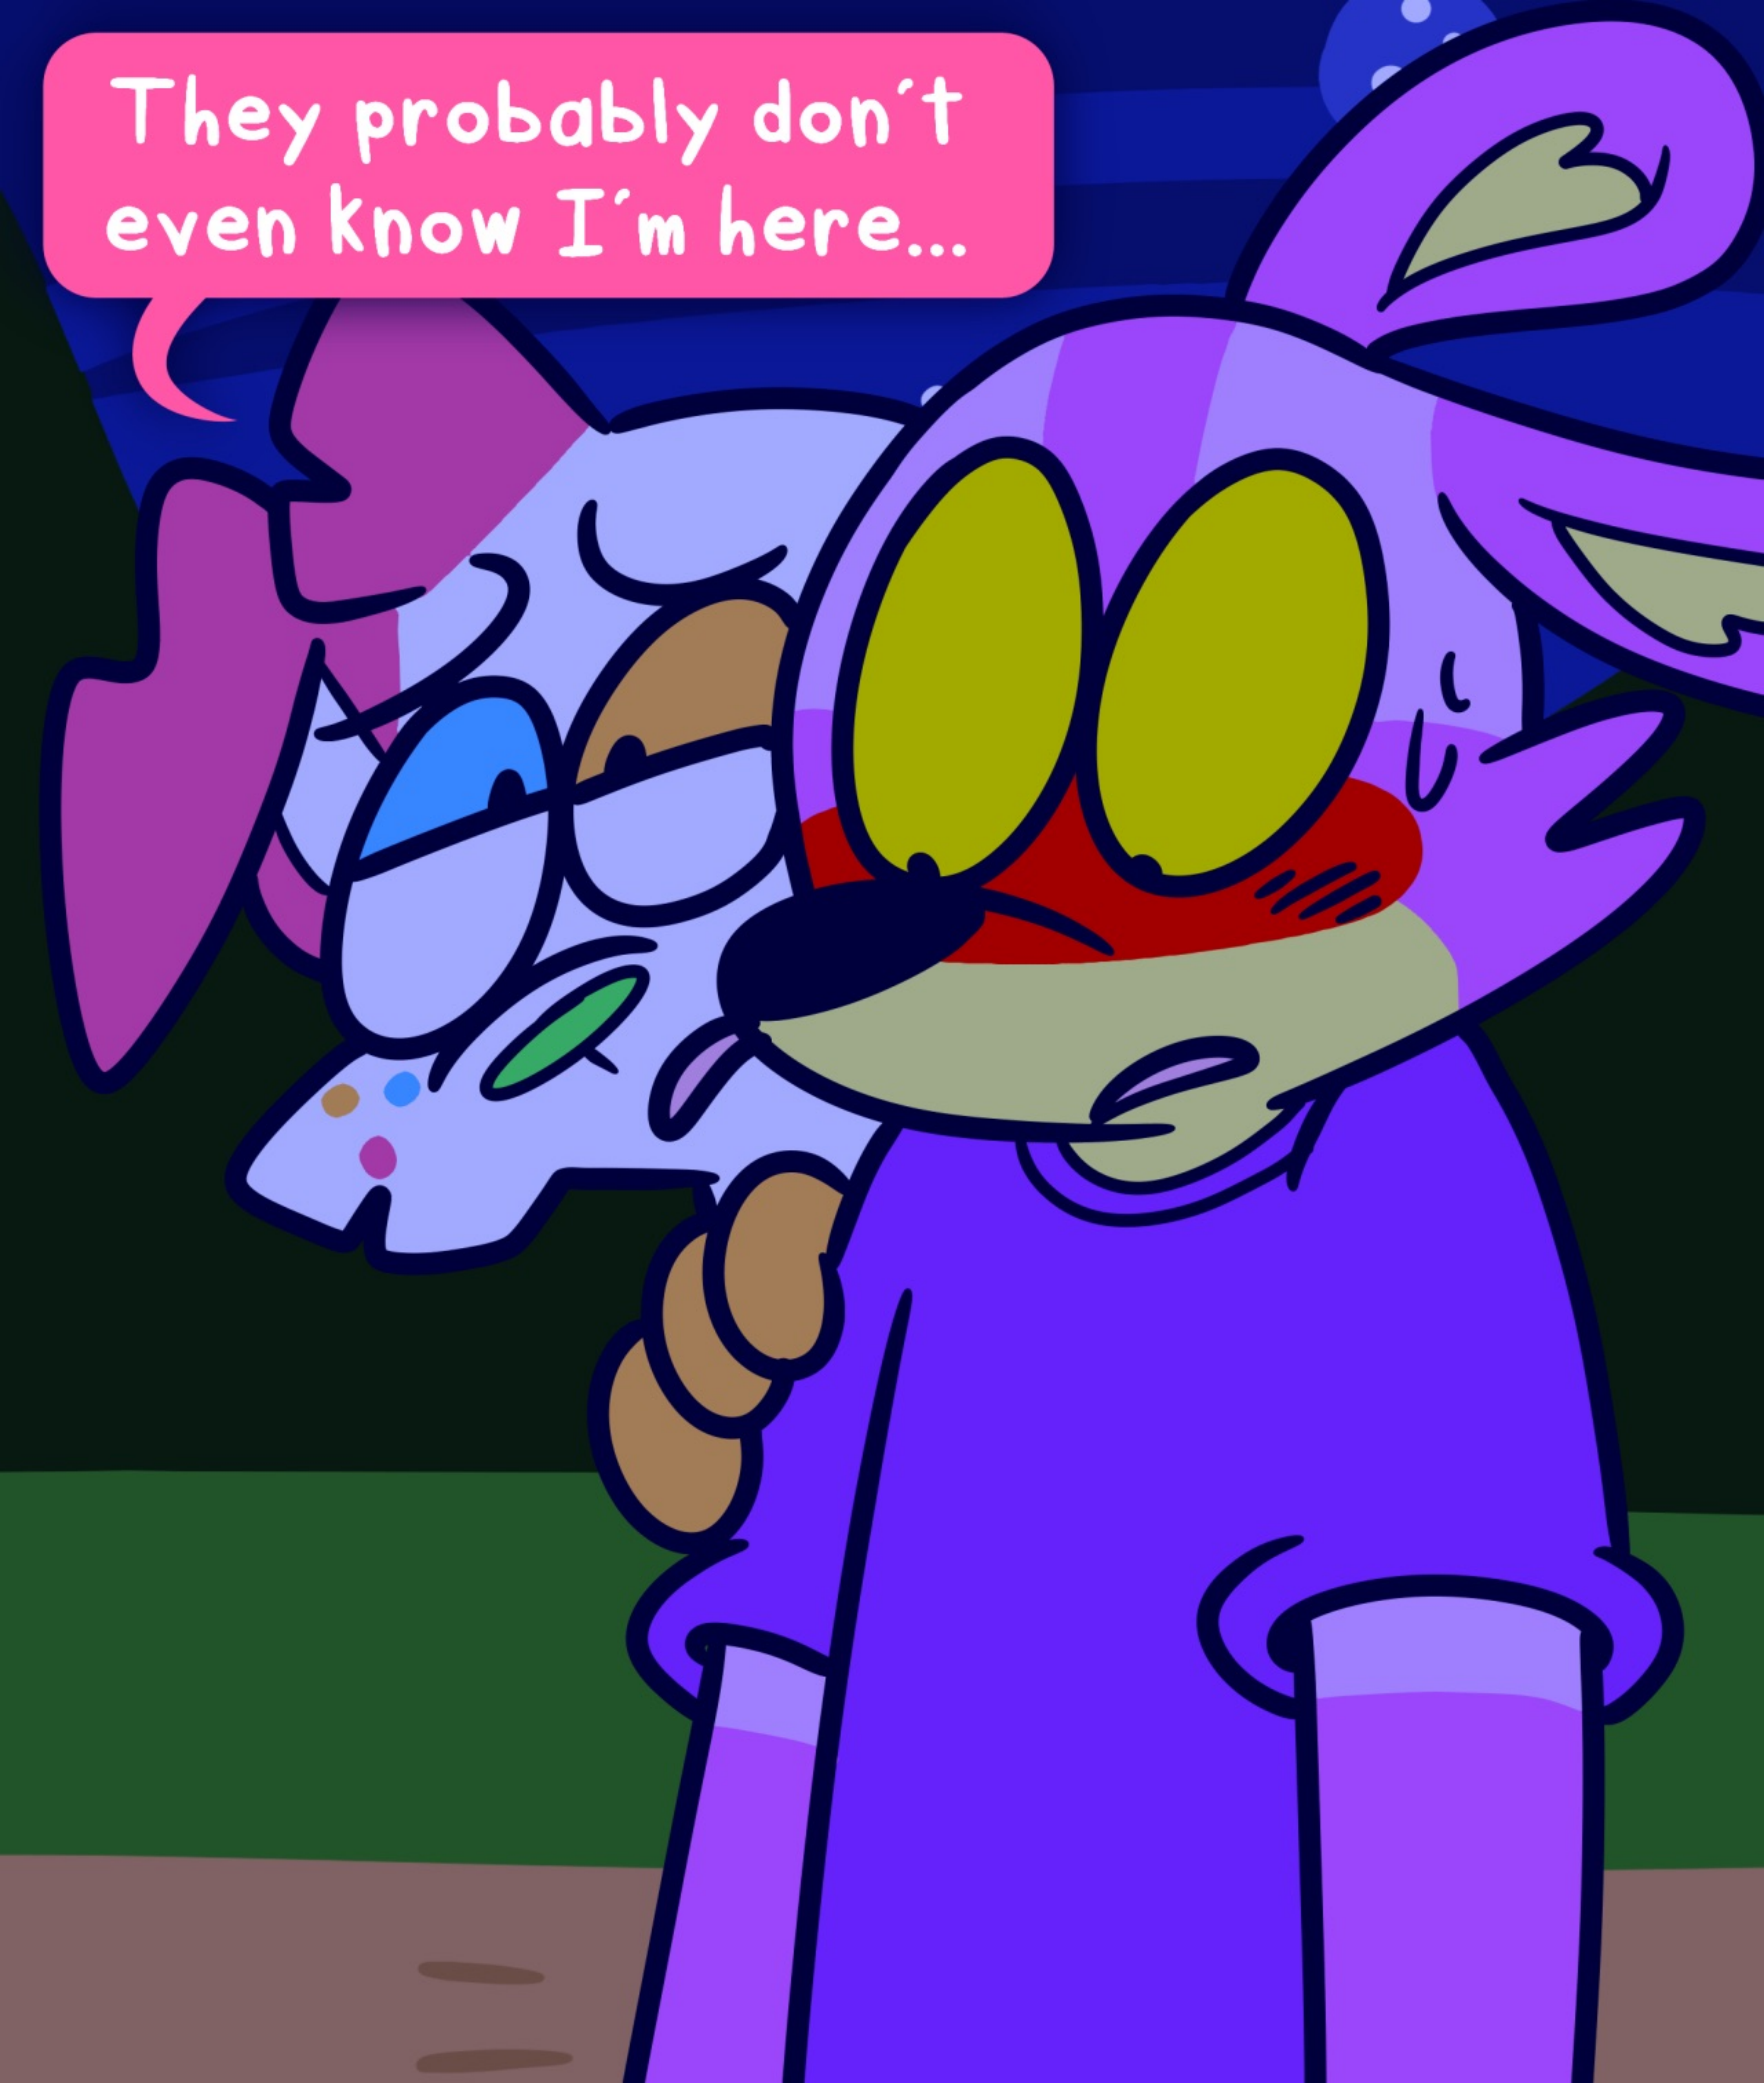
radioxiin asked:

Will the rest of the kids be helping with the search or is someone gonna have to stay back and watch them?

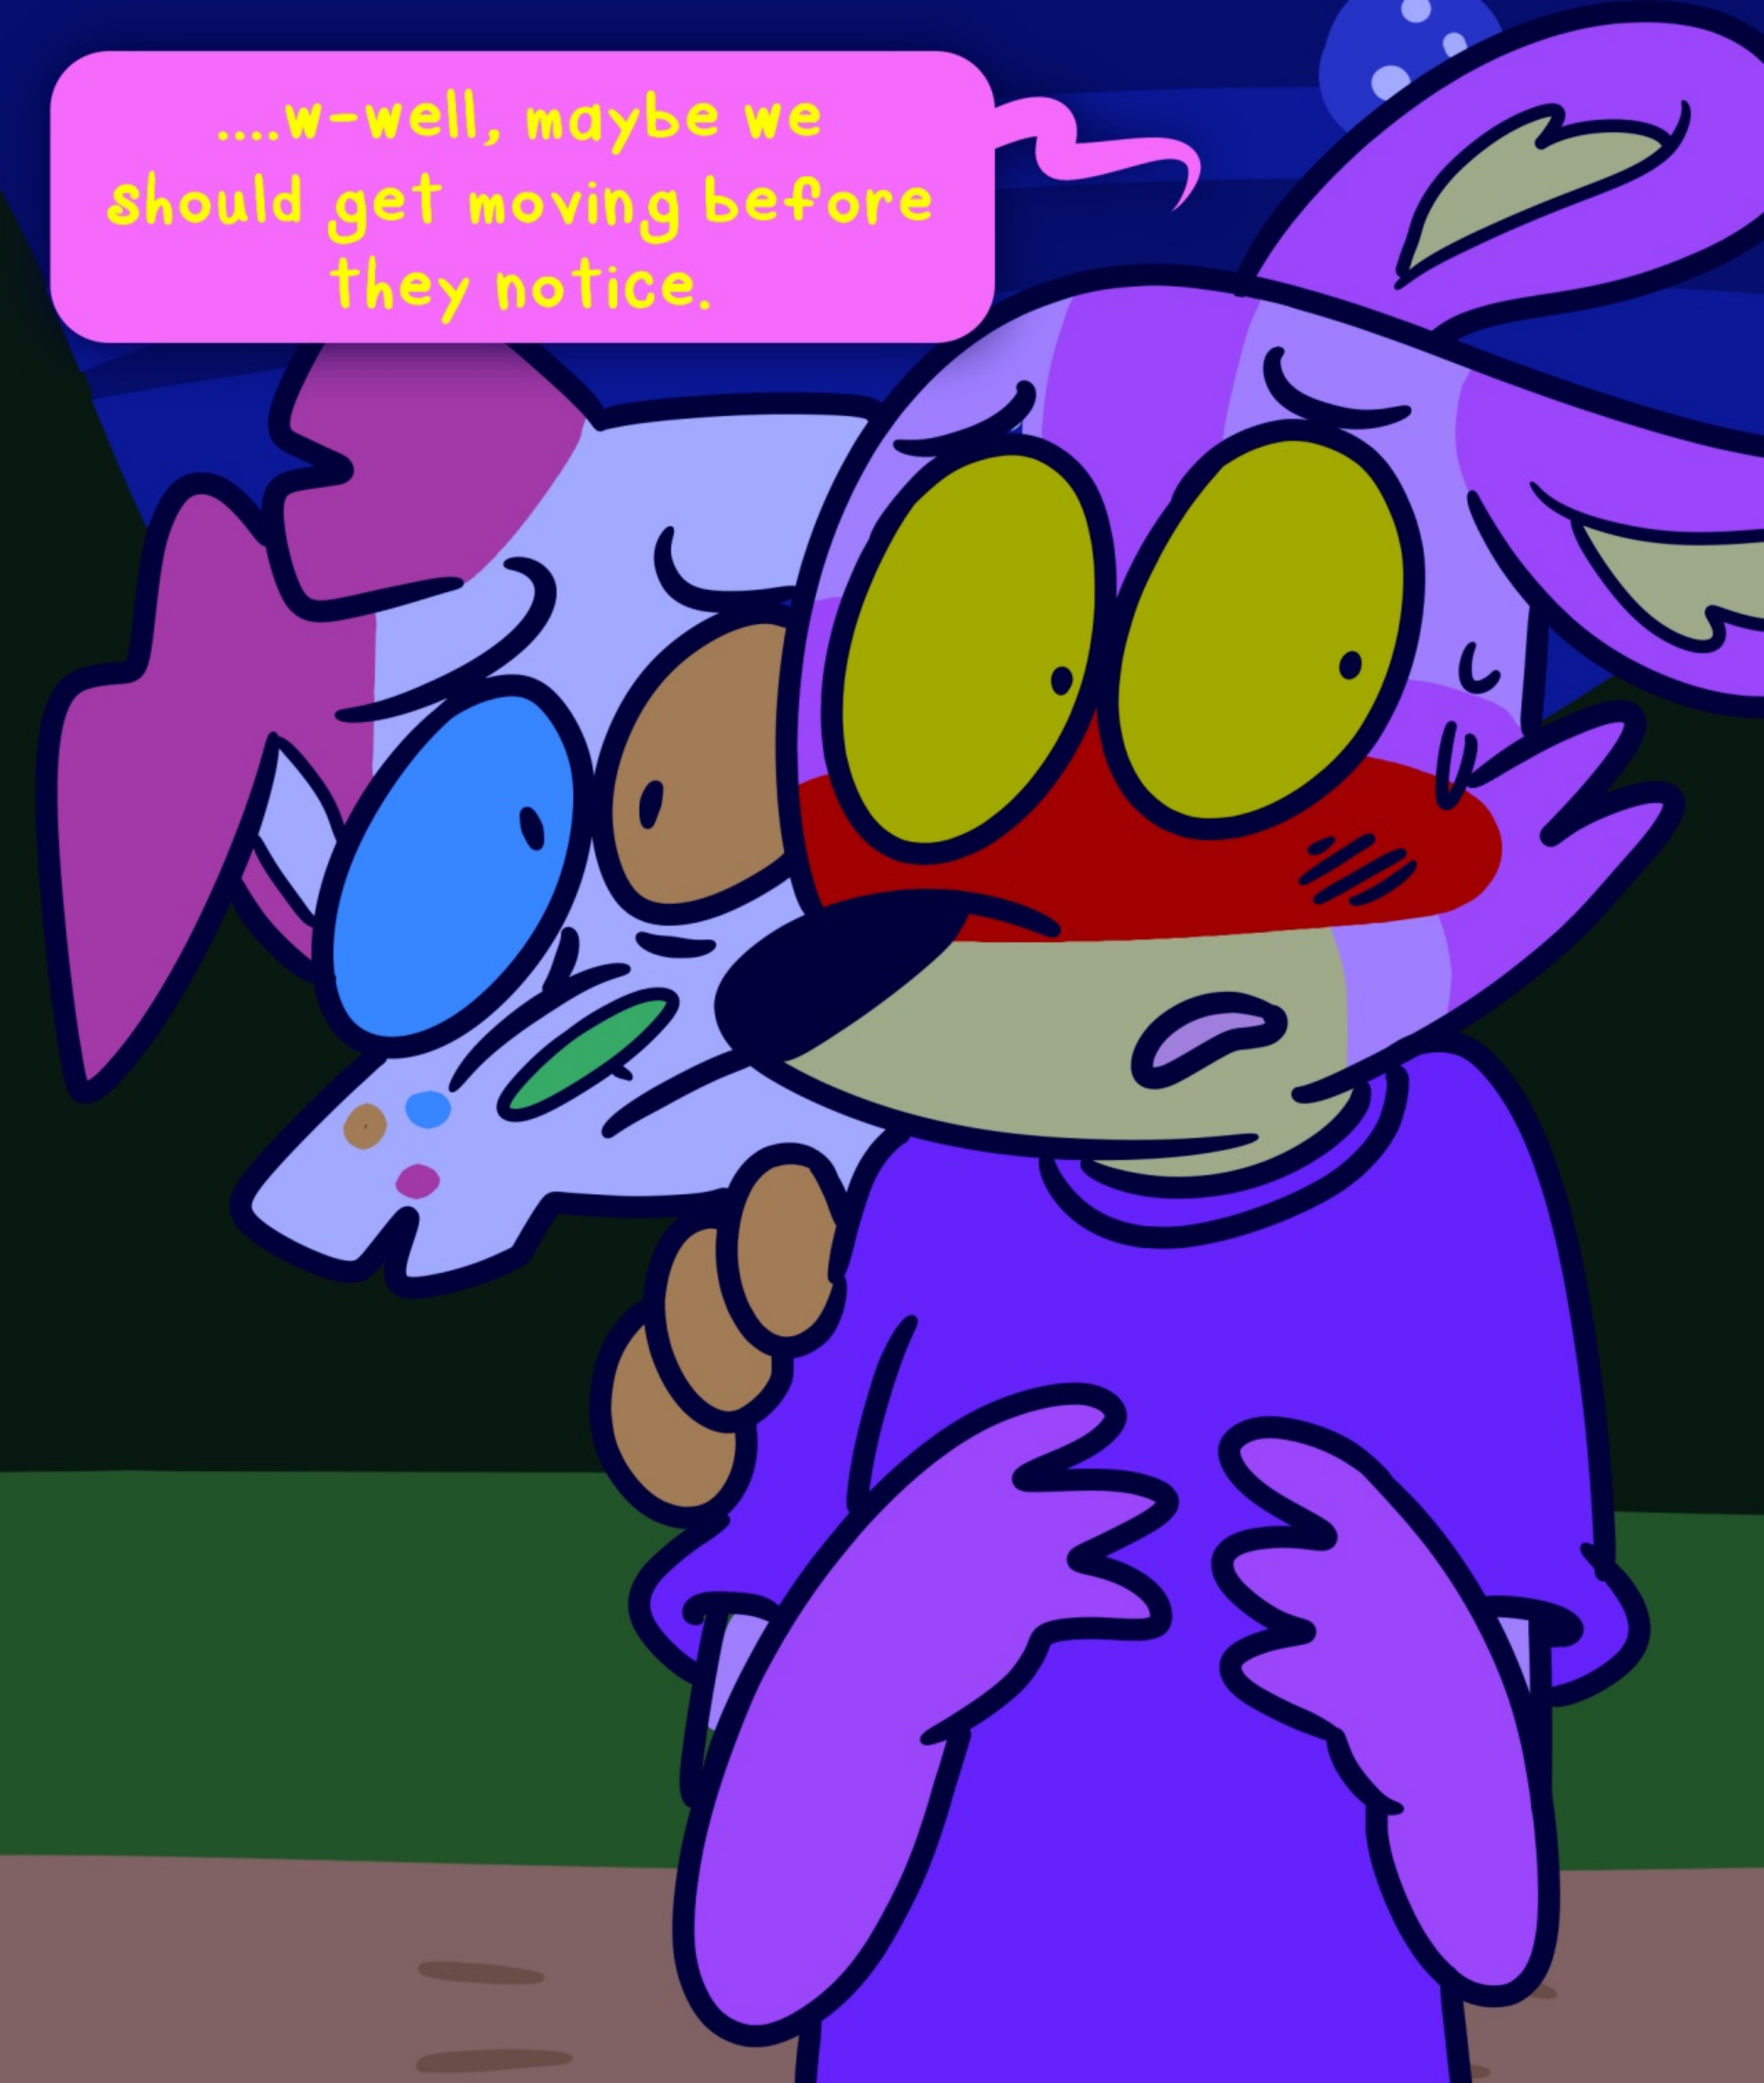
How can we help, dad?
THE OLDER KIDS CAN HELP WITH THE SEARCH, YOUNGER KIDS STAY HERE. SOME OF US WILL STAY BACK.



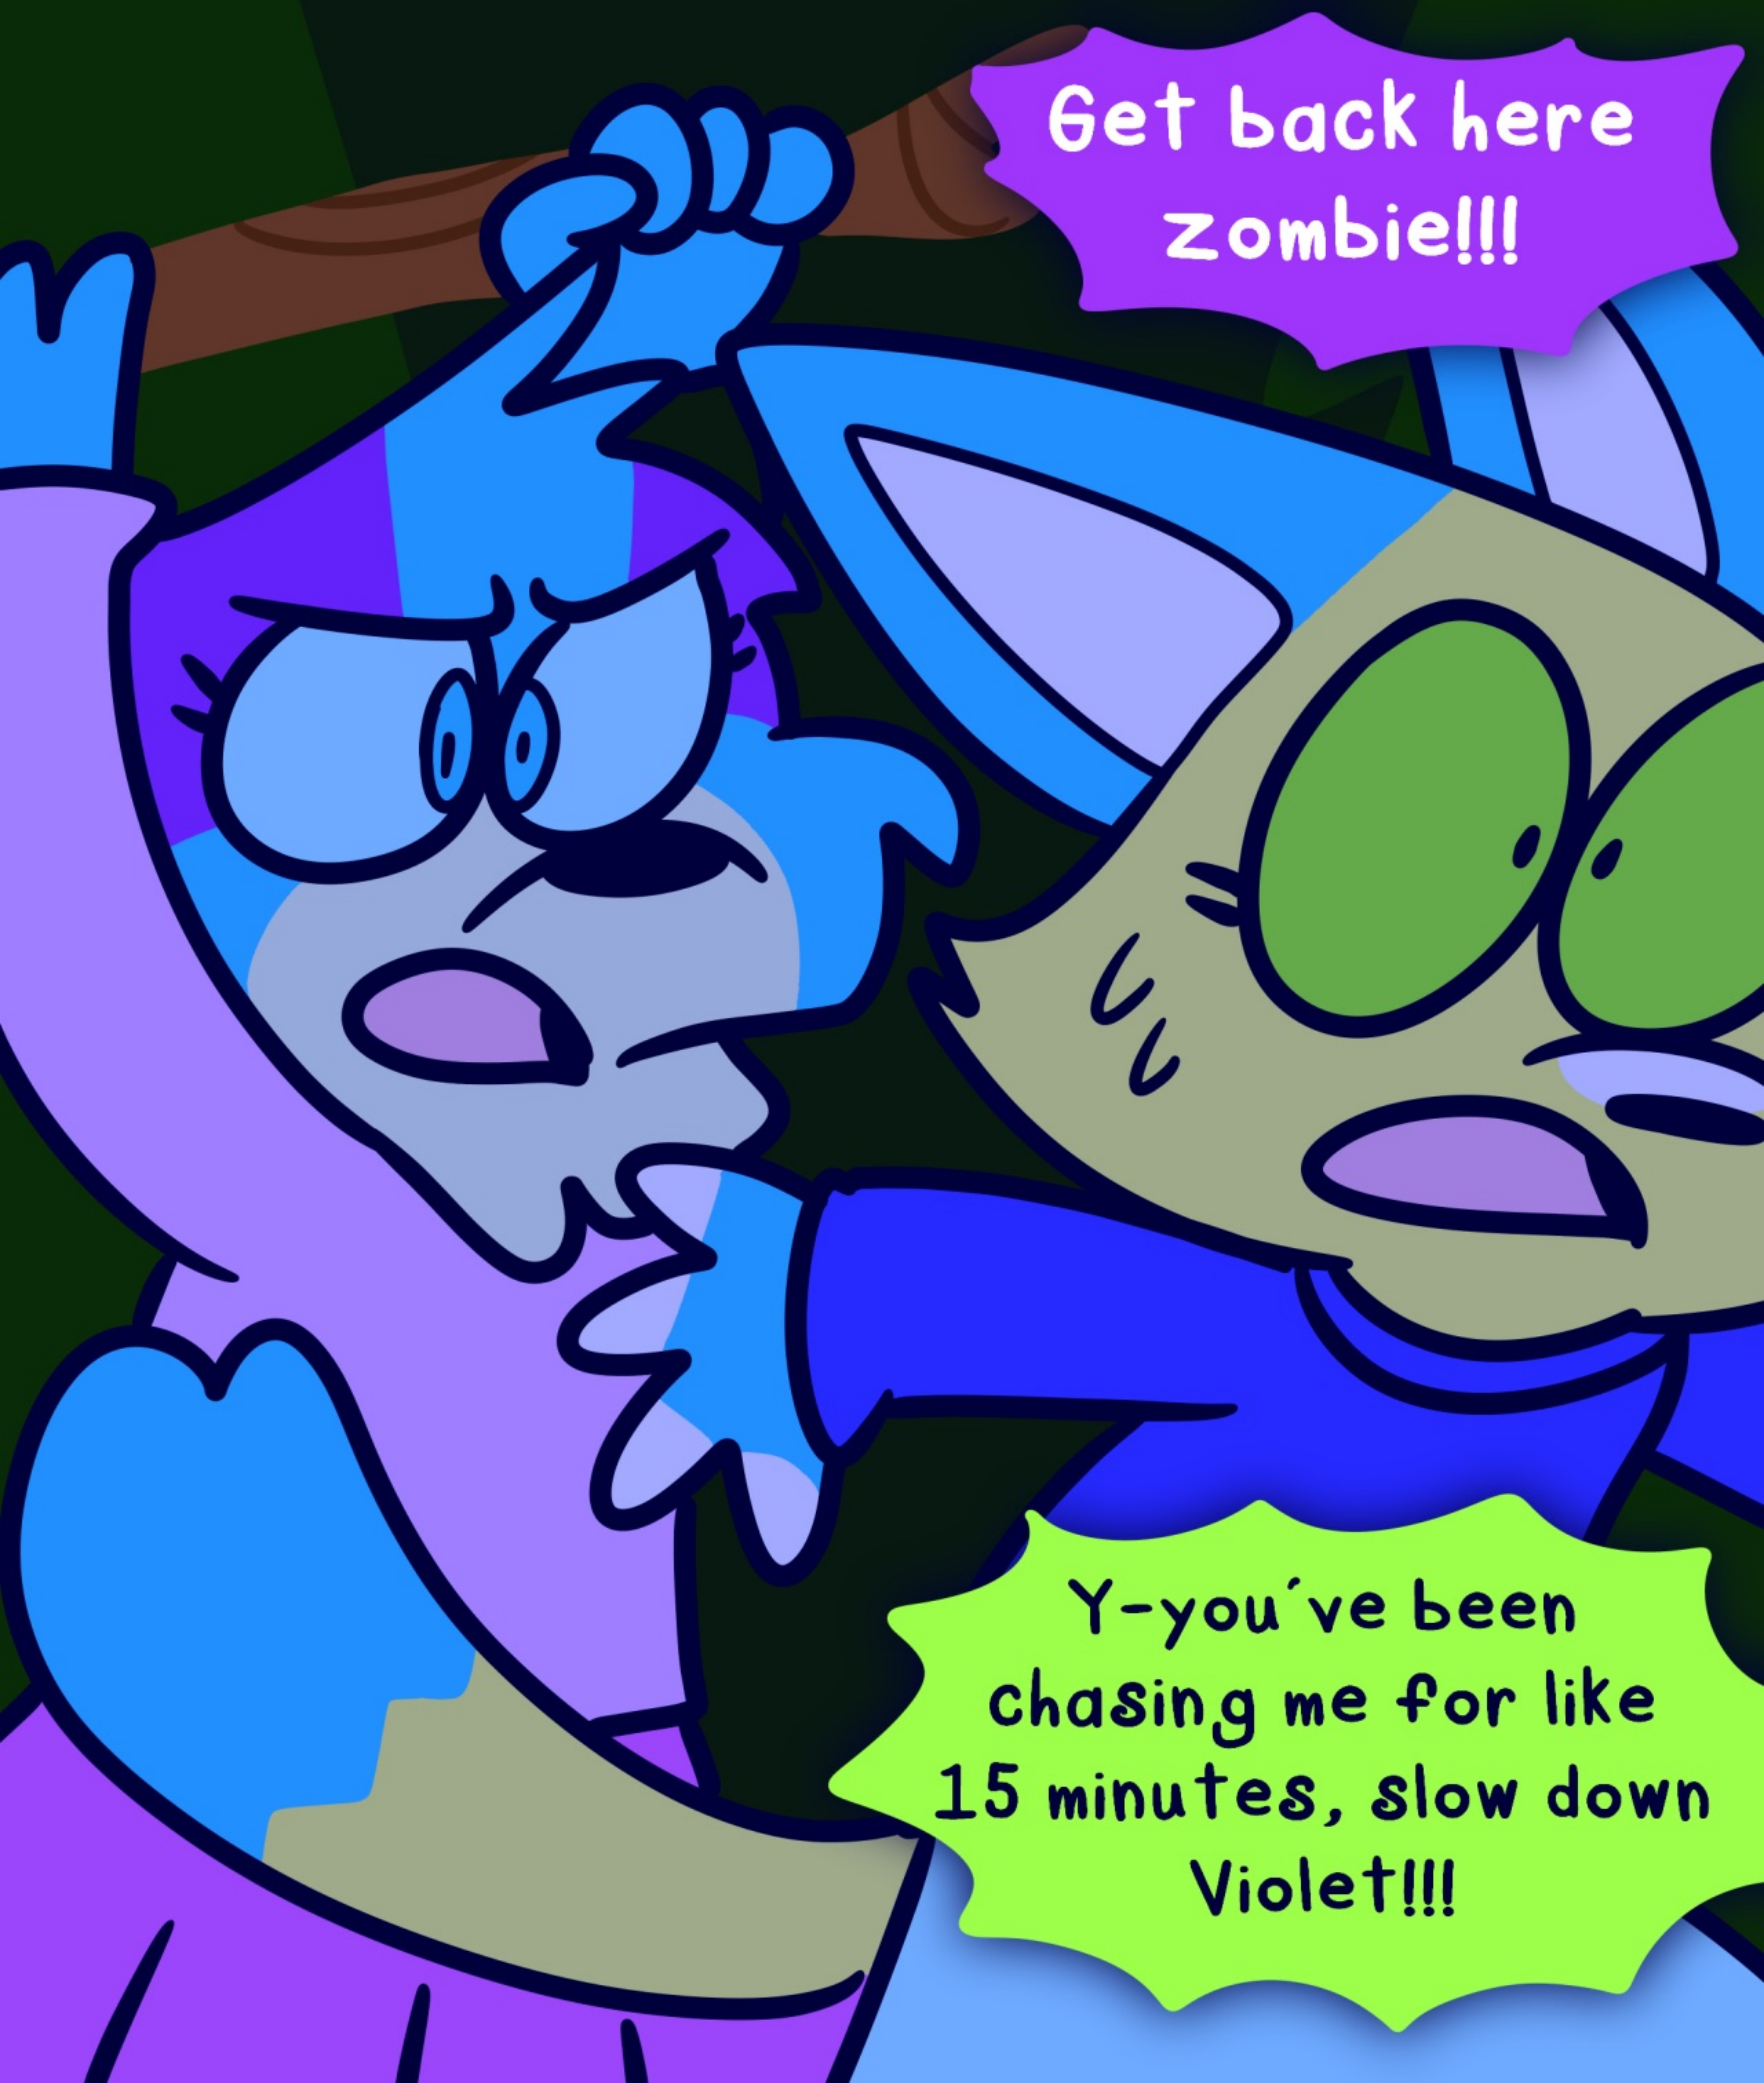
WE'LL ALSO MOVE IN PAIRS TO COVER MORE GROUND,



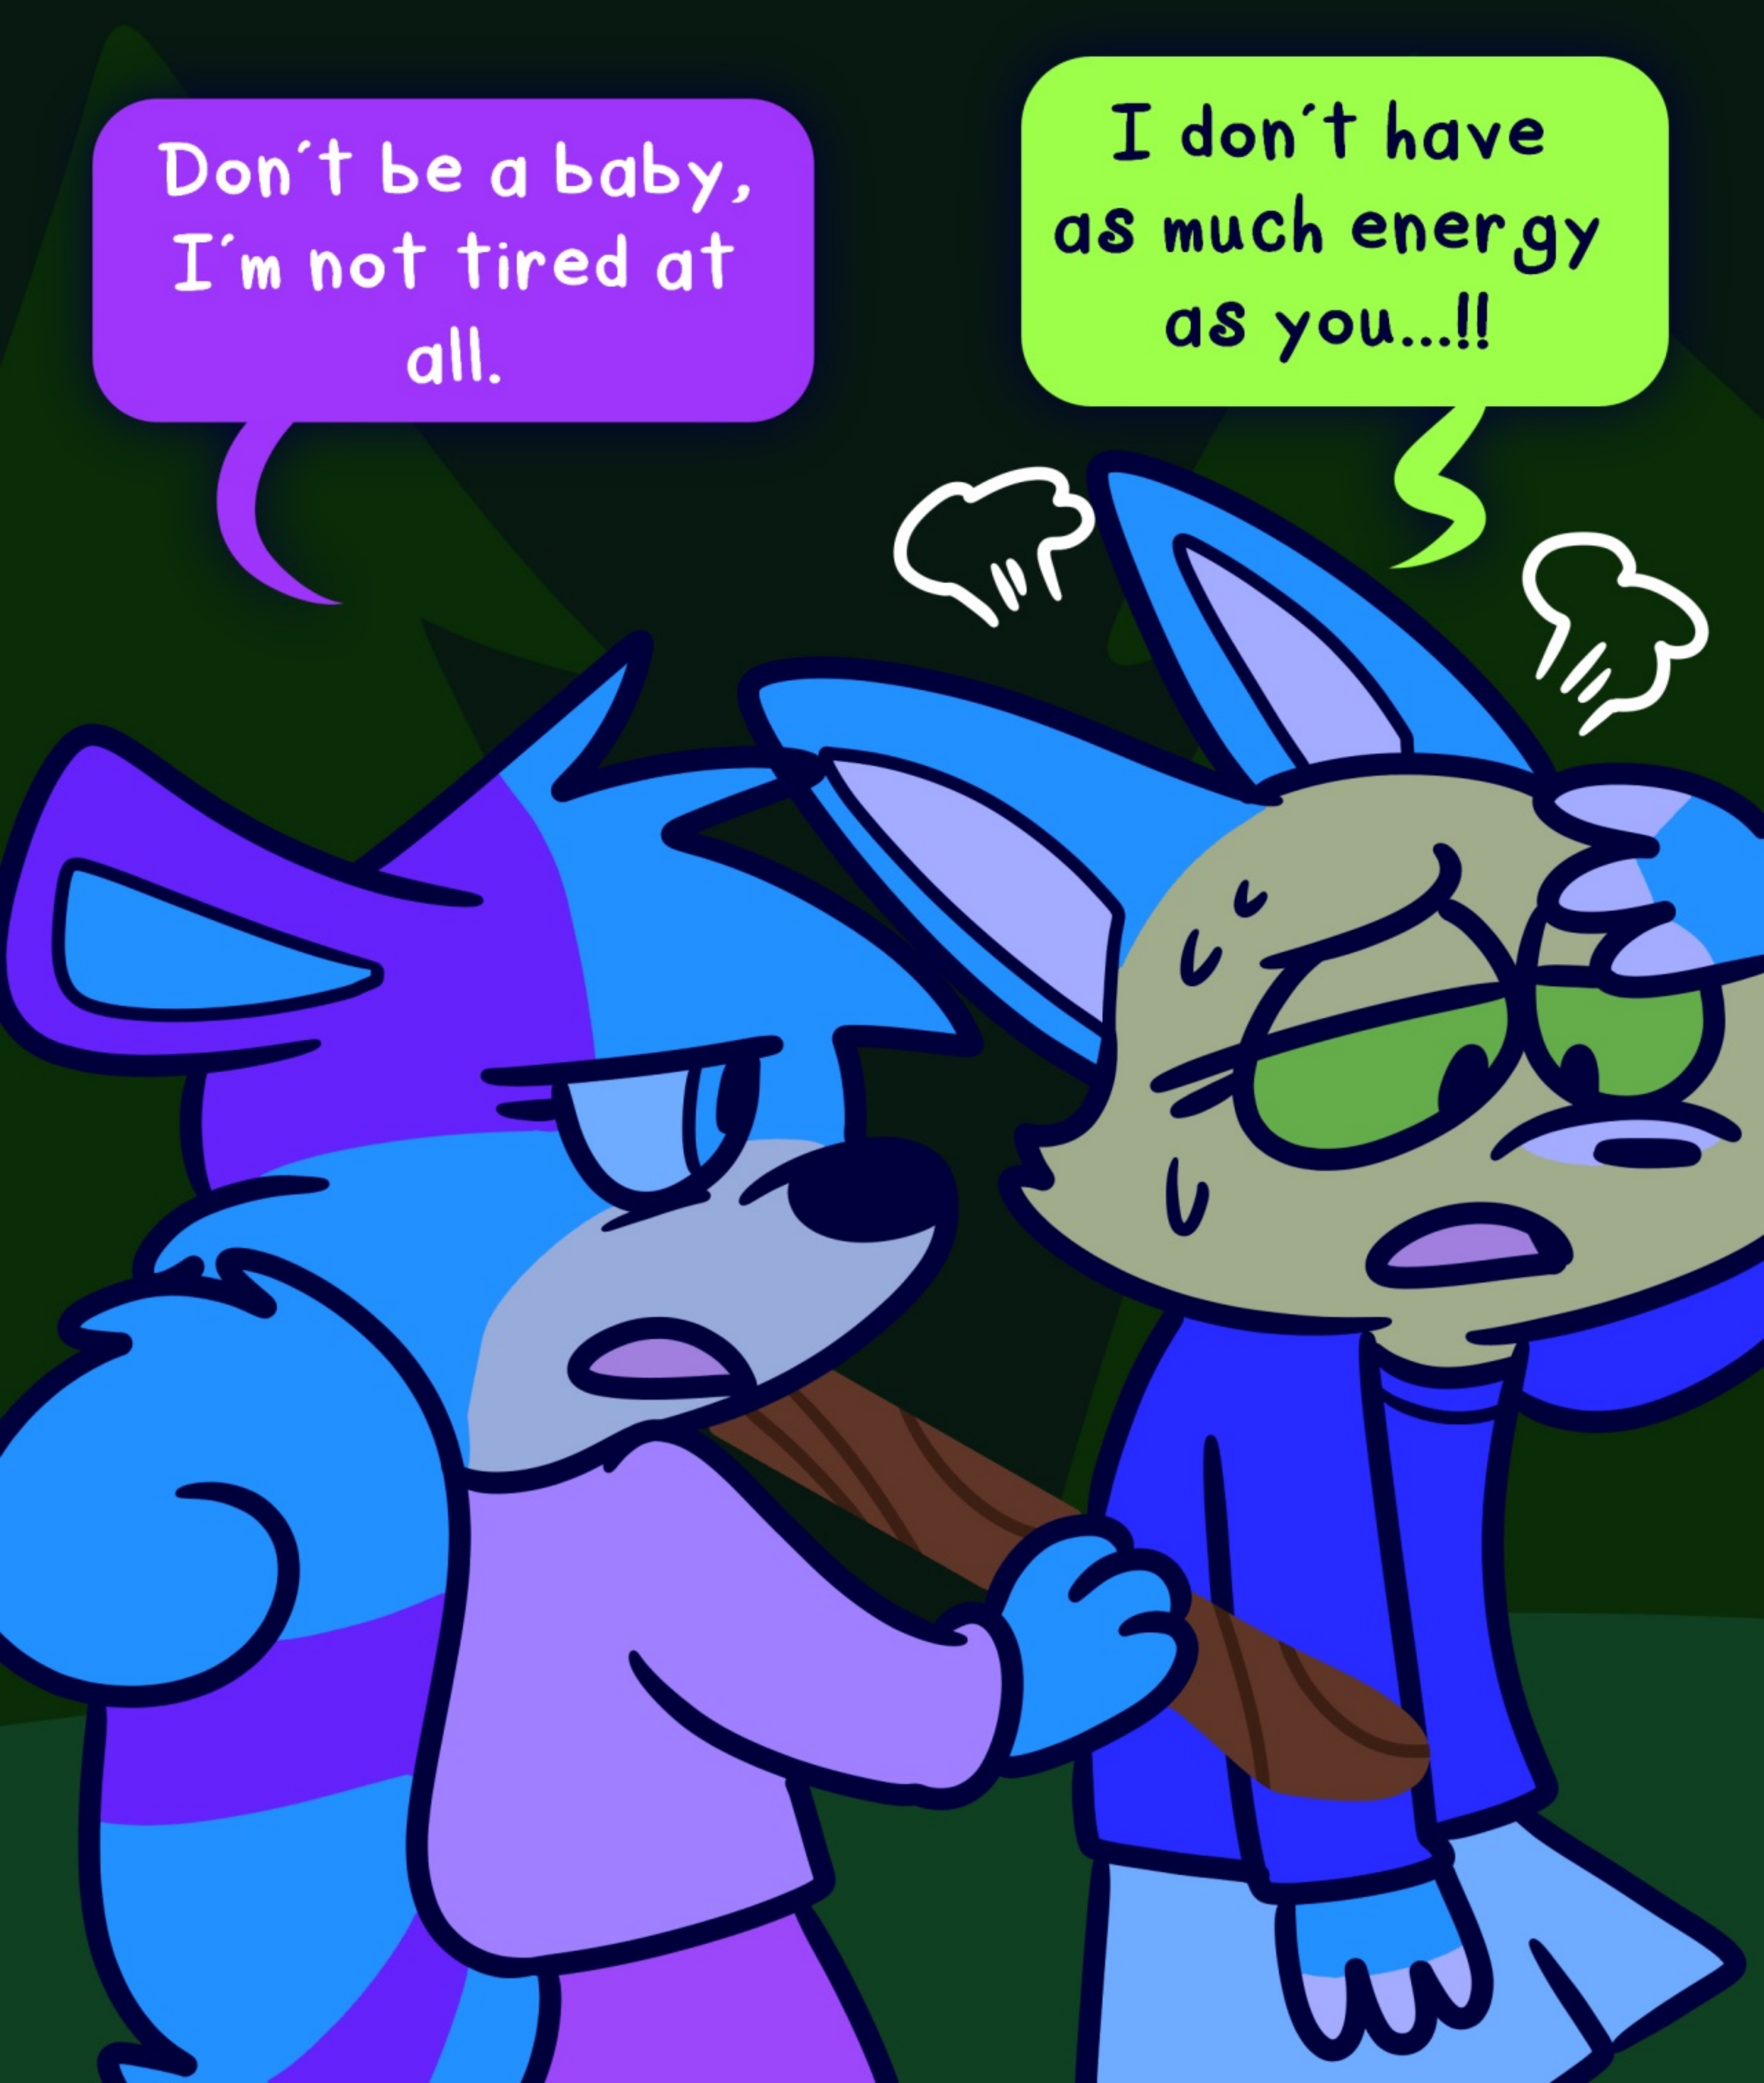
They probably don't even know I'm here...



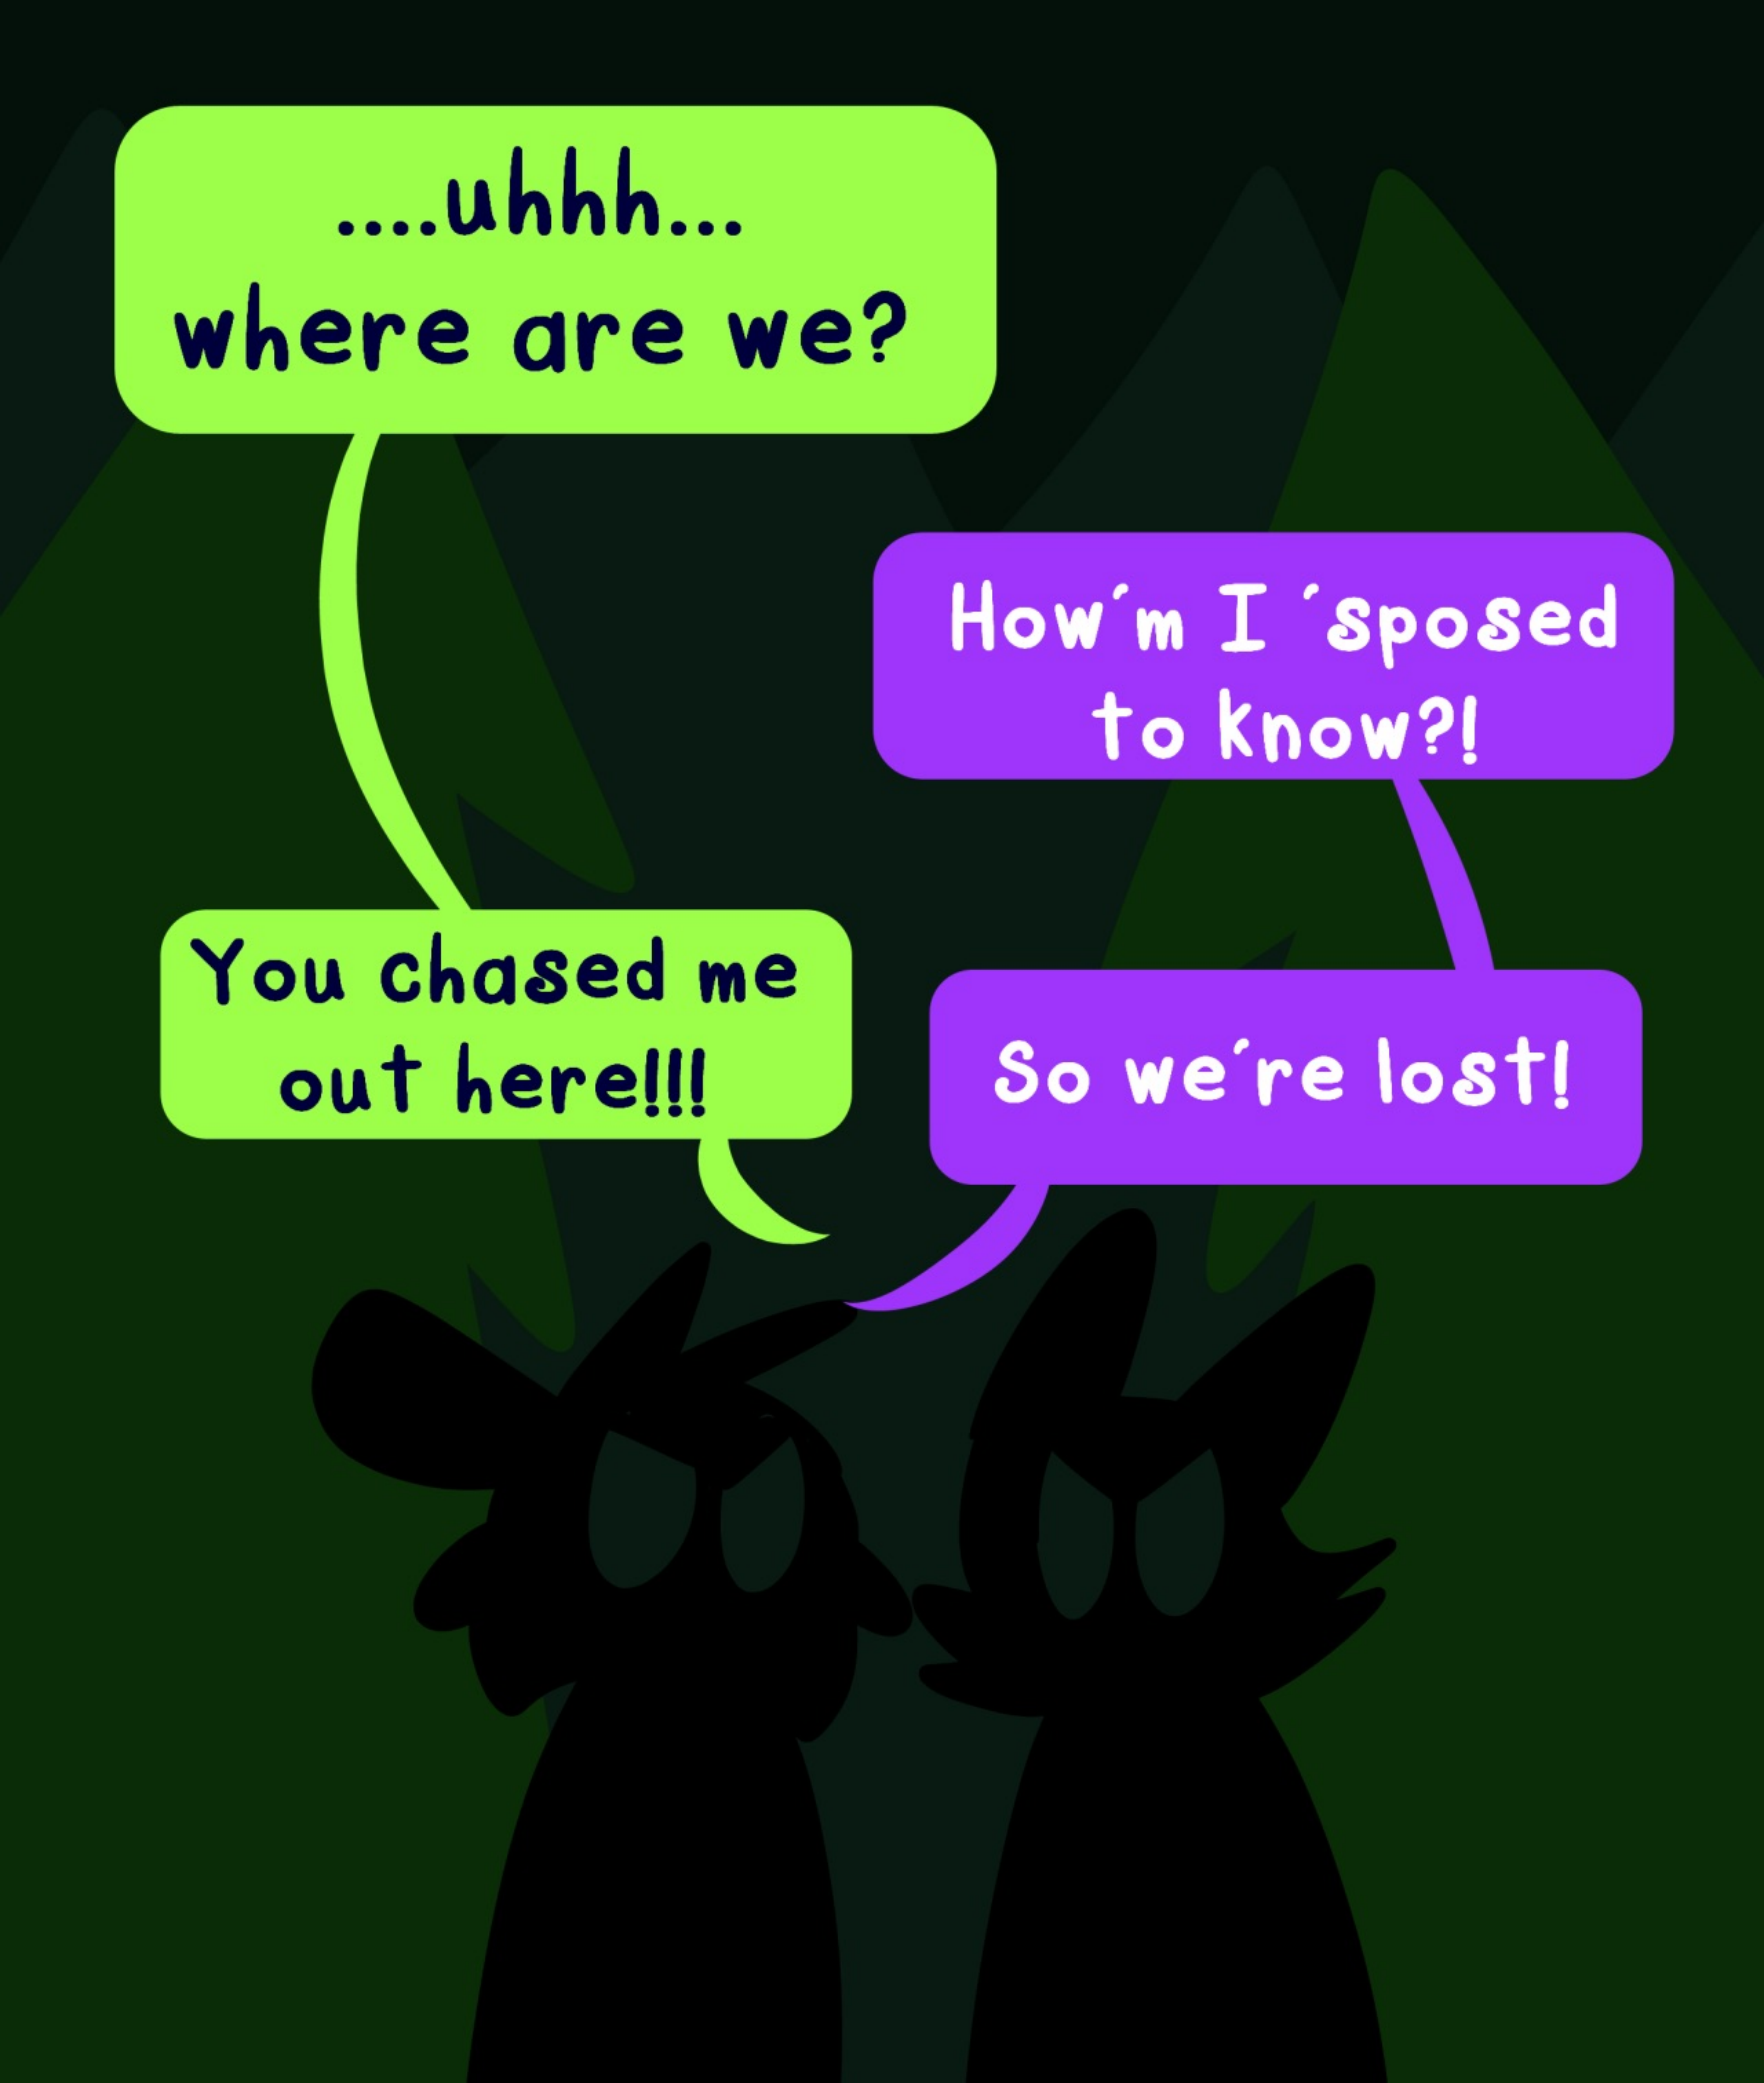
....w-well, maybe we should get moving before they notice.



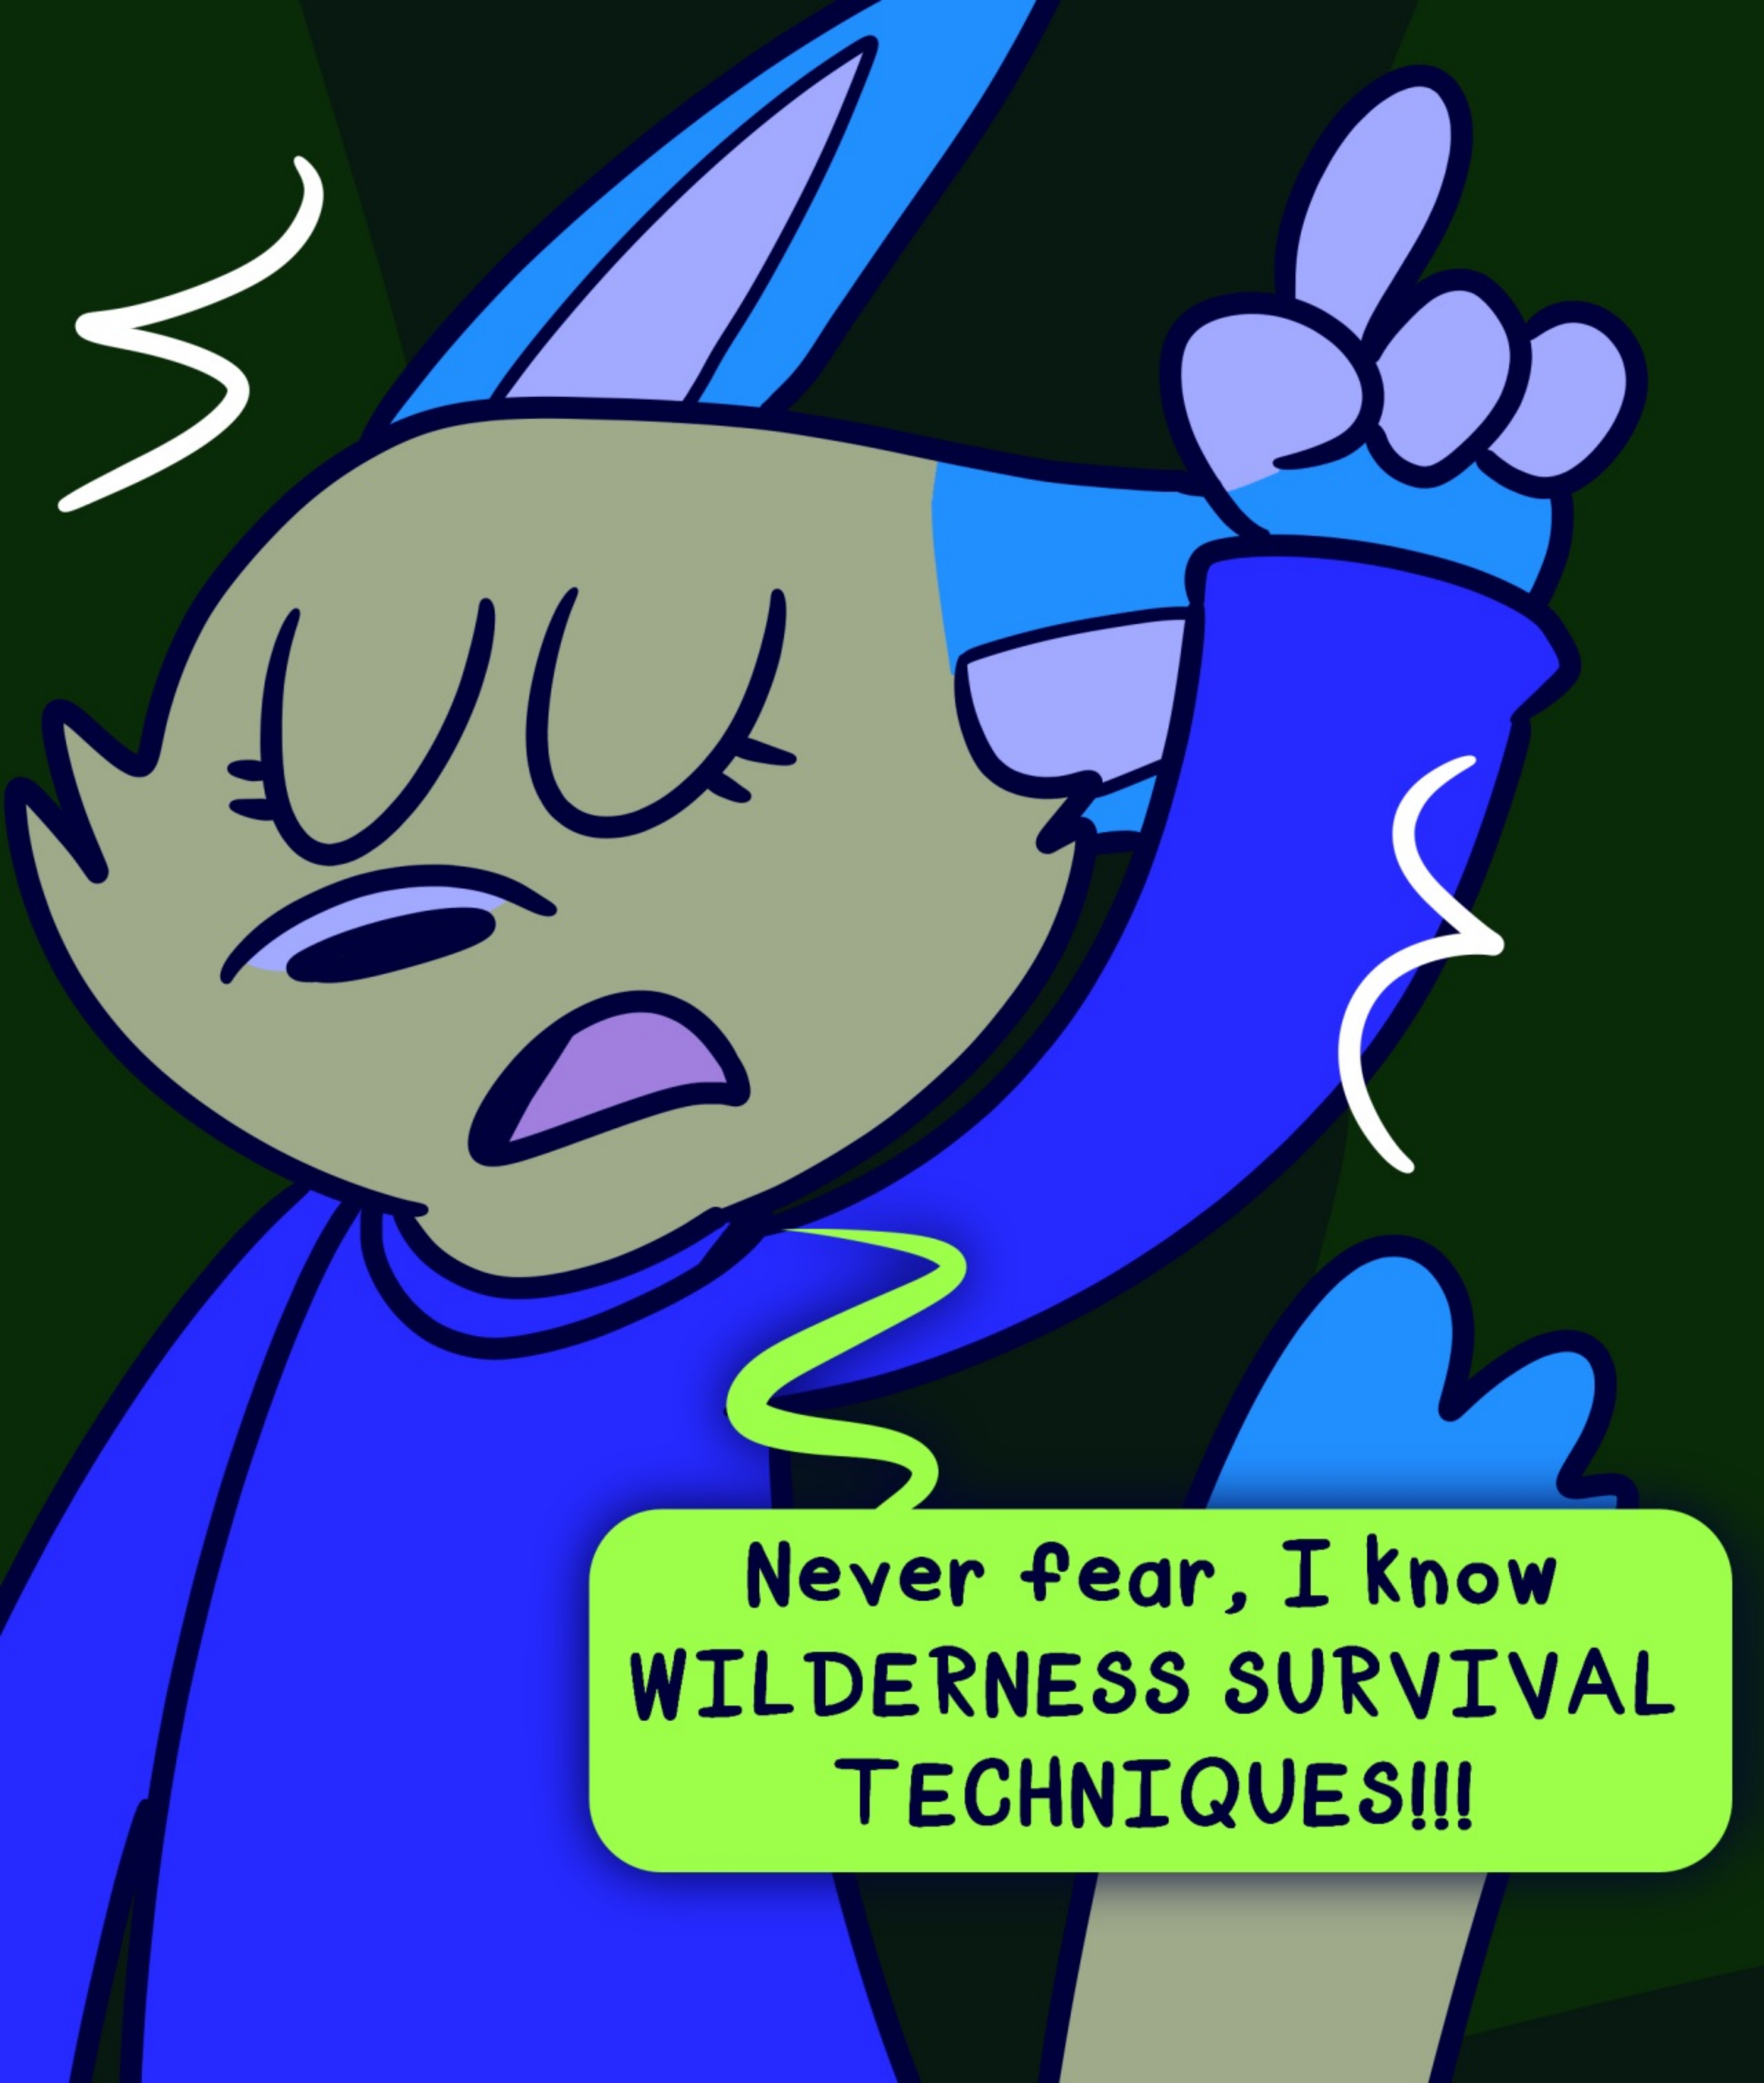
Get back here zombie!!!
Y-you´ve been chasing me for like 15 minutes, slow down Violet!!!



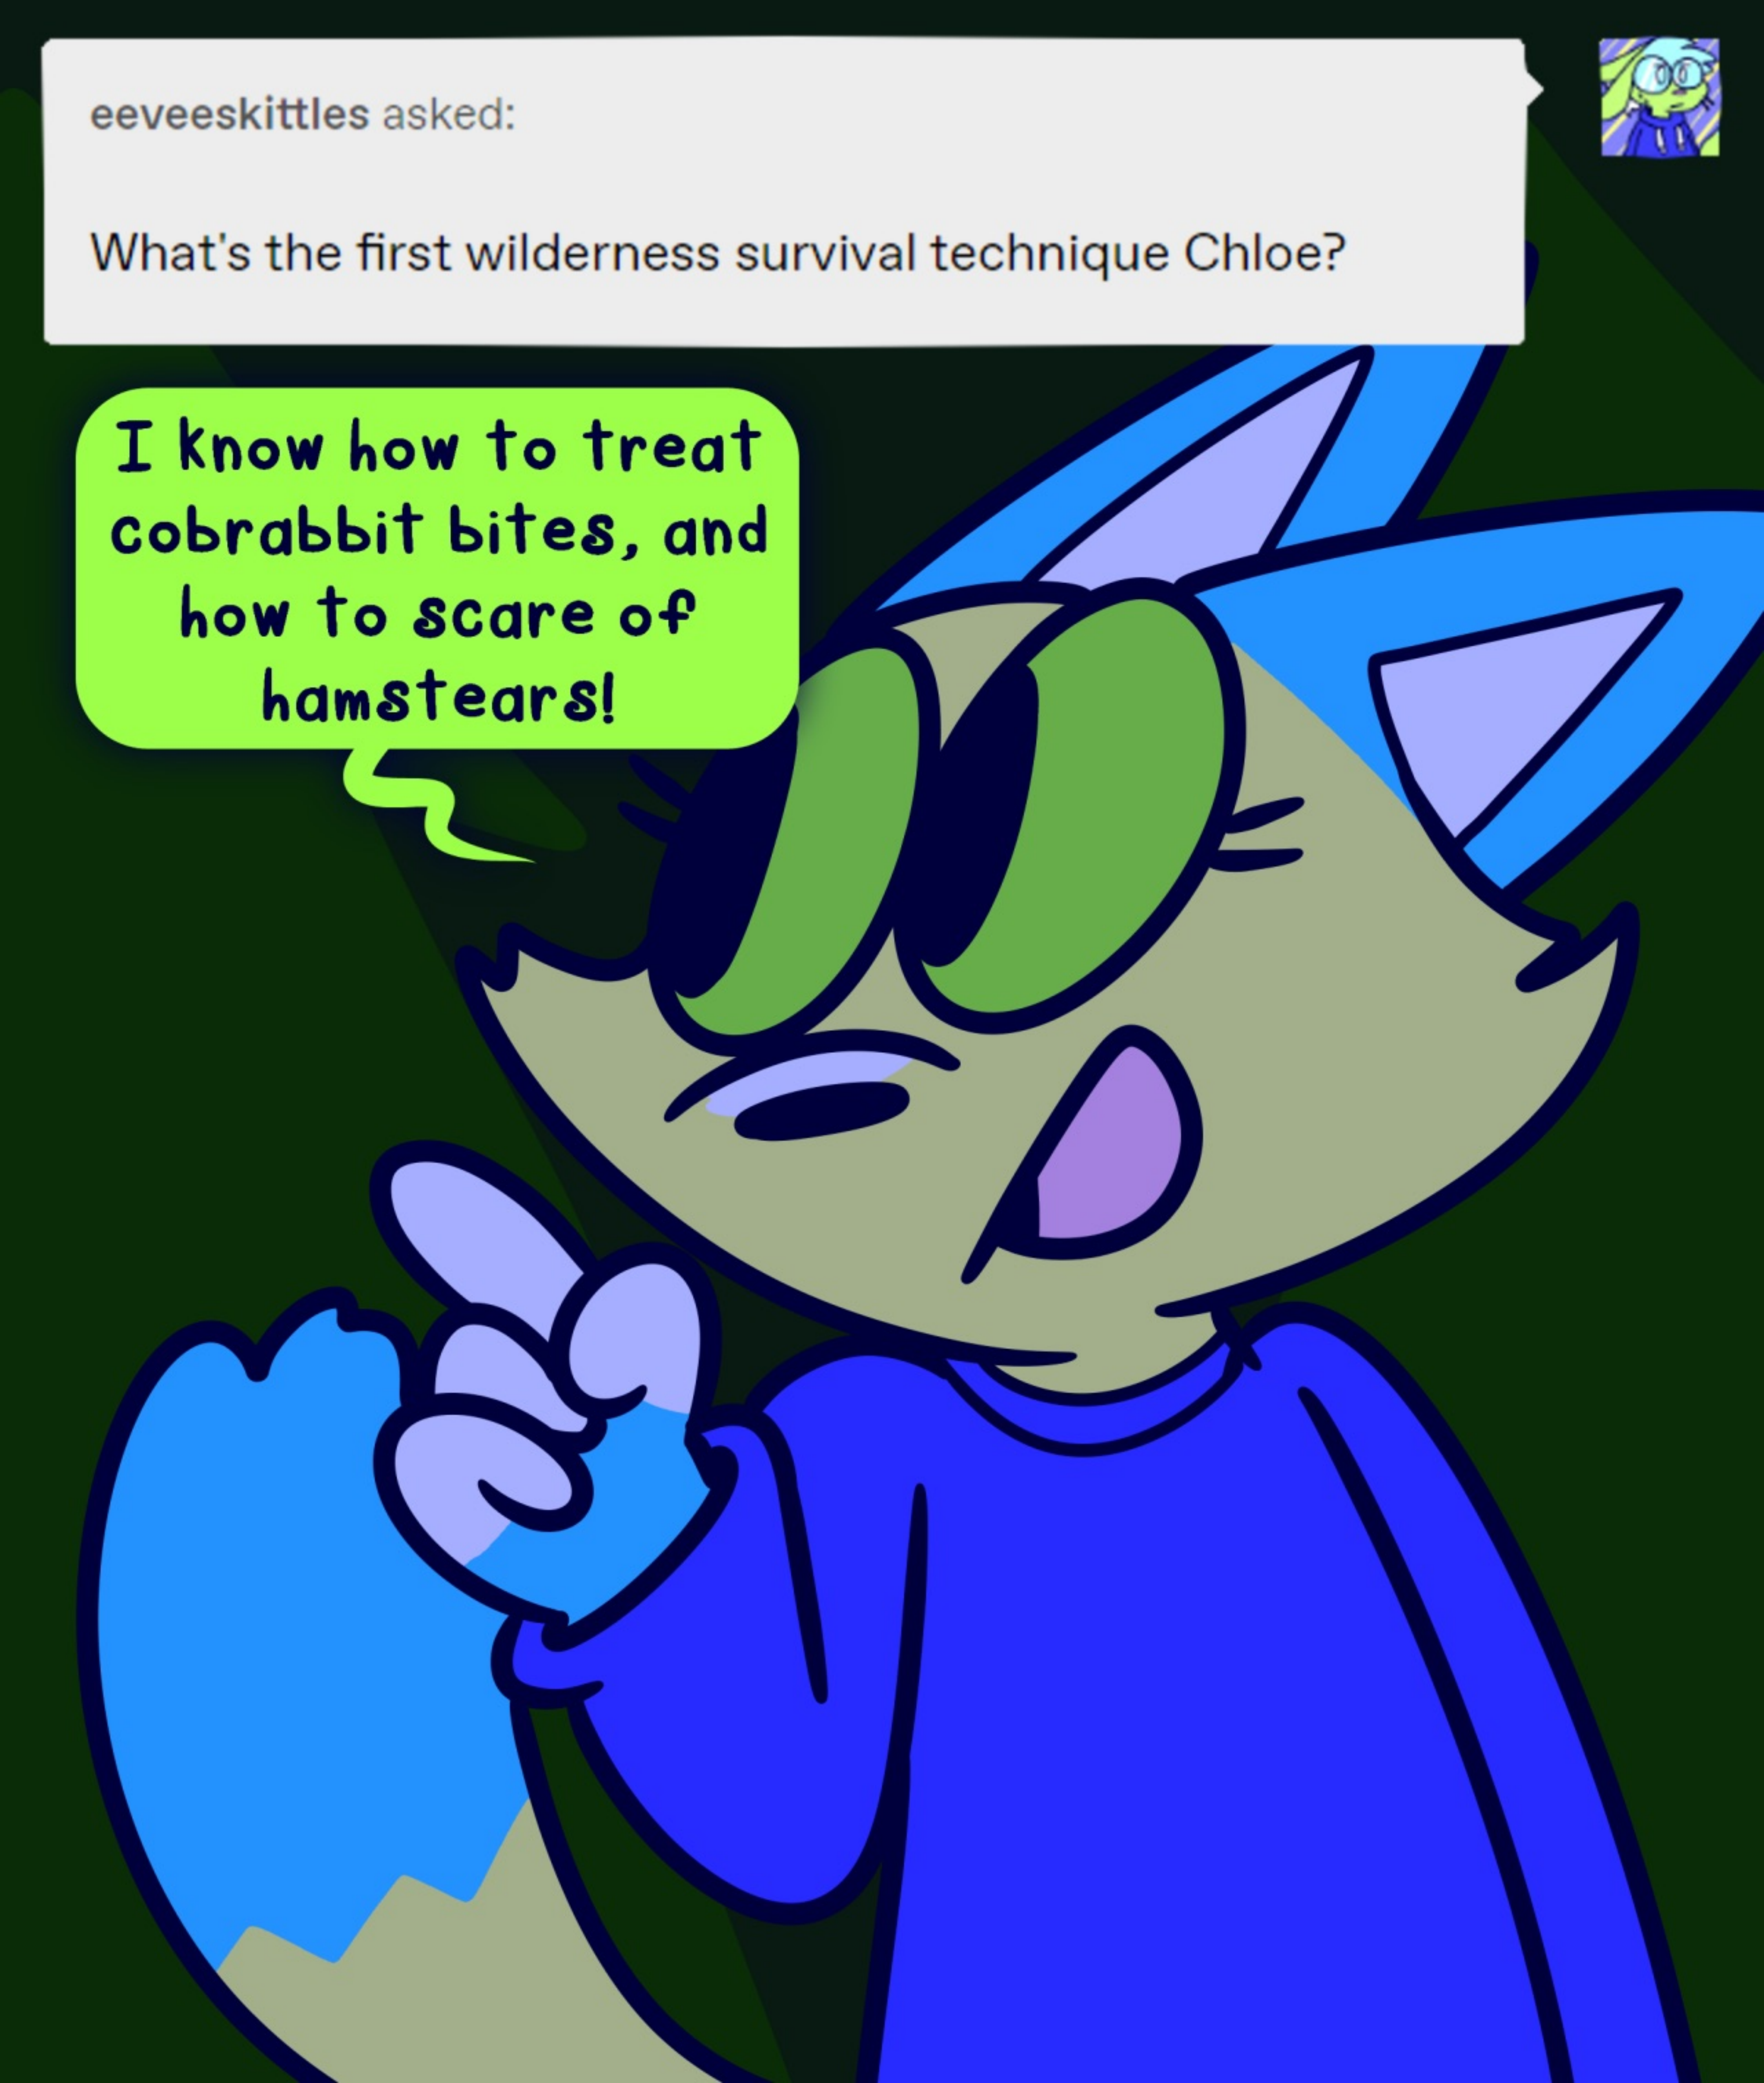
Don´t be a baby, I´m not tired at all.
I don´t have as much energy as you...!!



....uhhh...
where are we?
How'm I 'sposed to know?!
You chased me out here!!!
So we're lost!



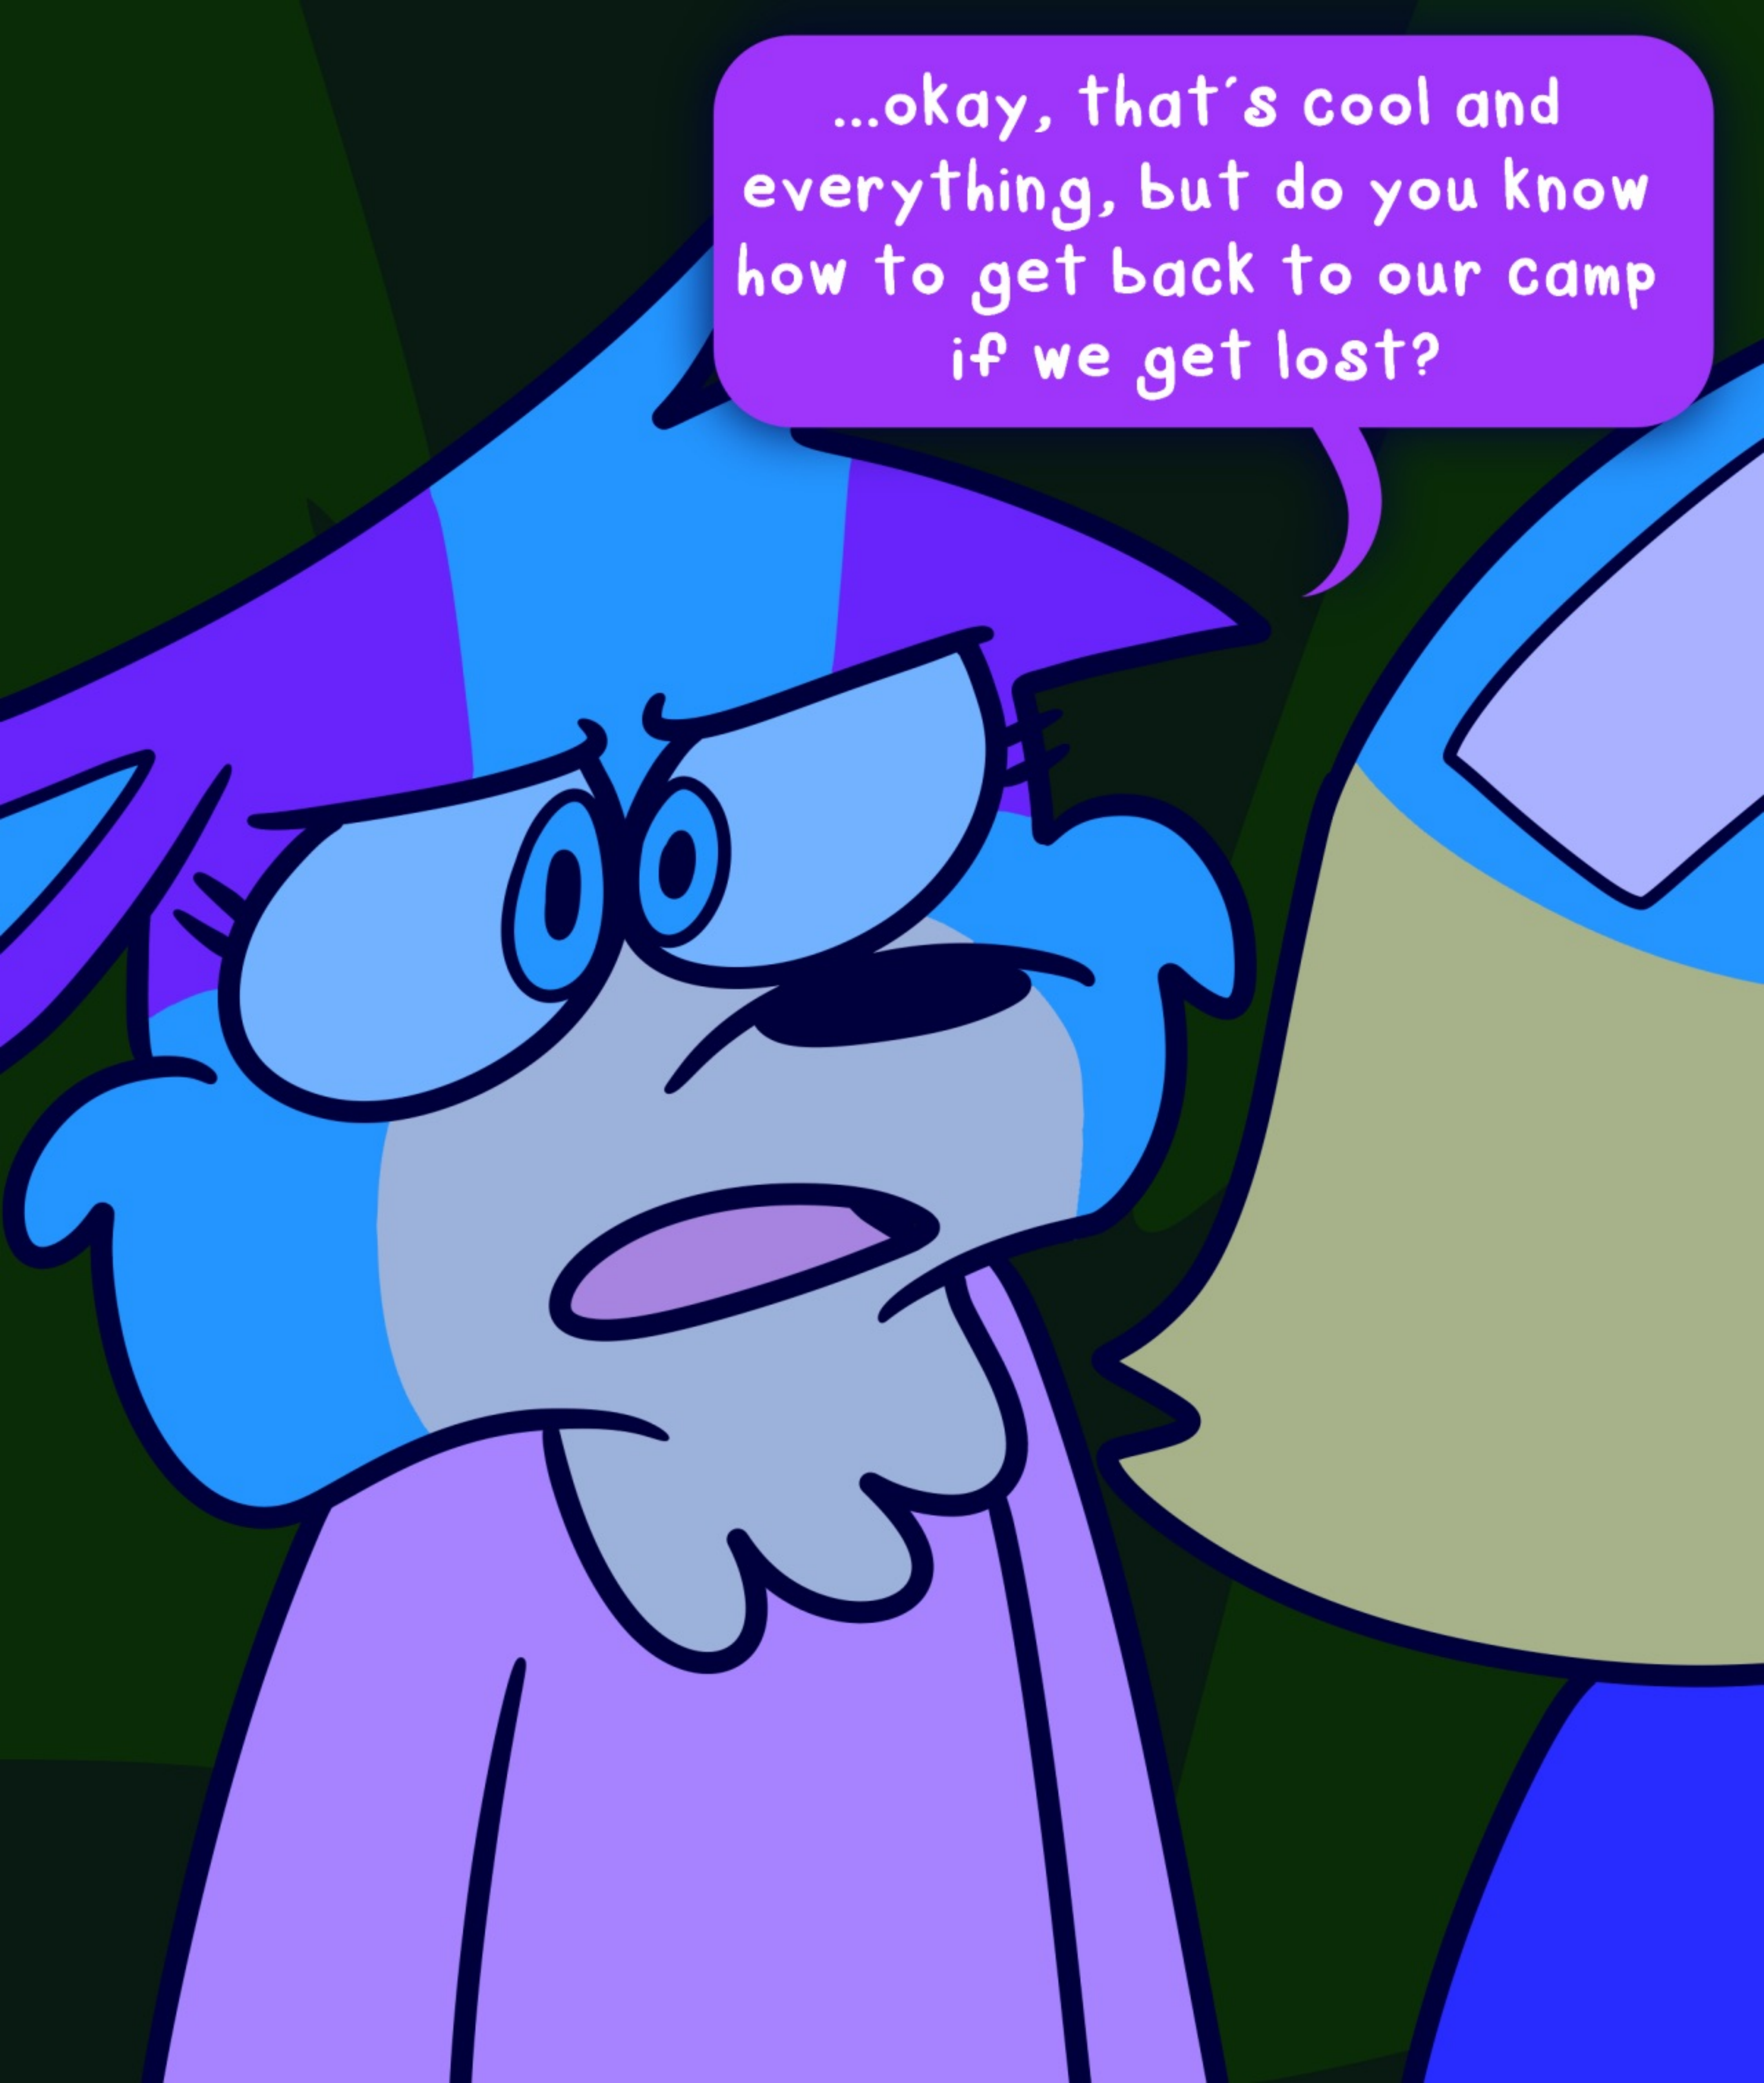
Never fear, I know WILDERNESS SURVIVAL TECHNIQUES!!!



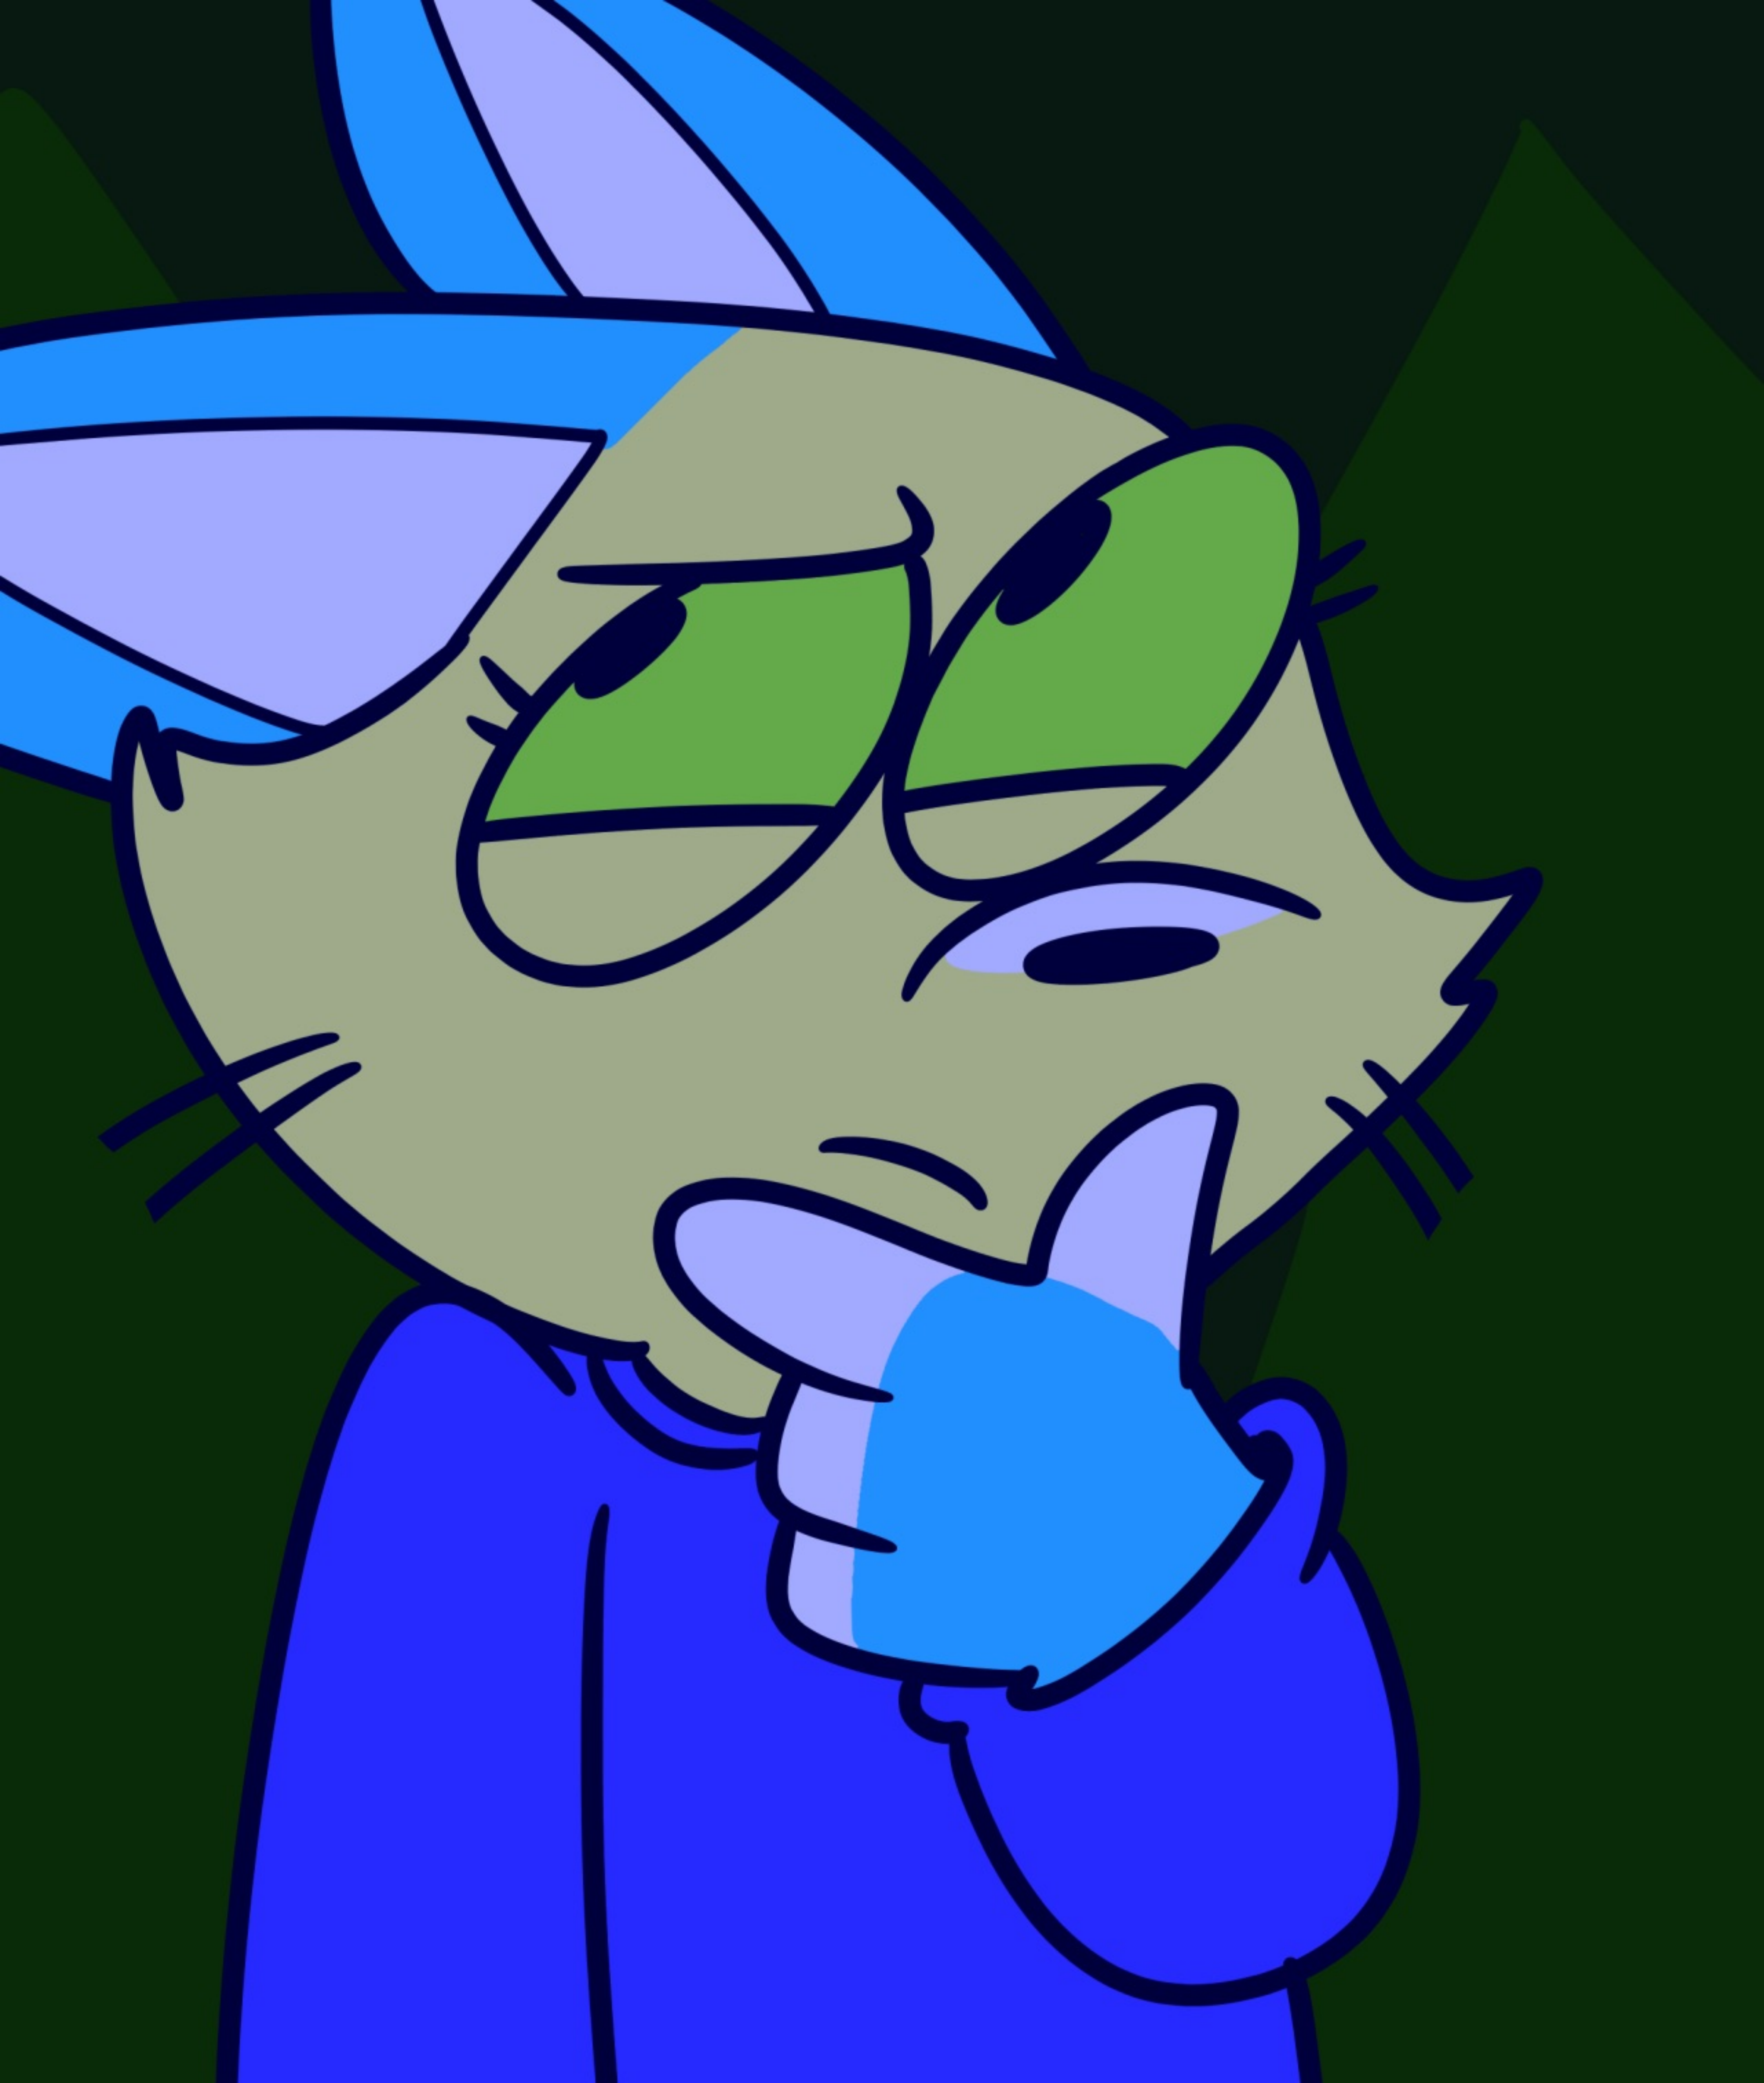
eeveeskittles asked:

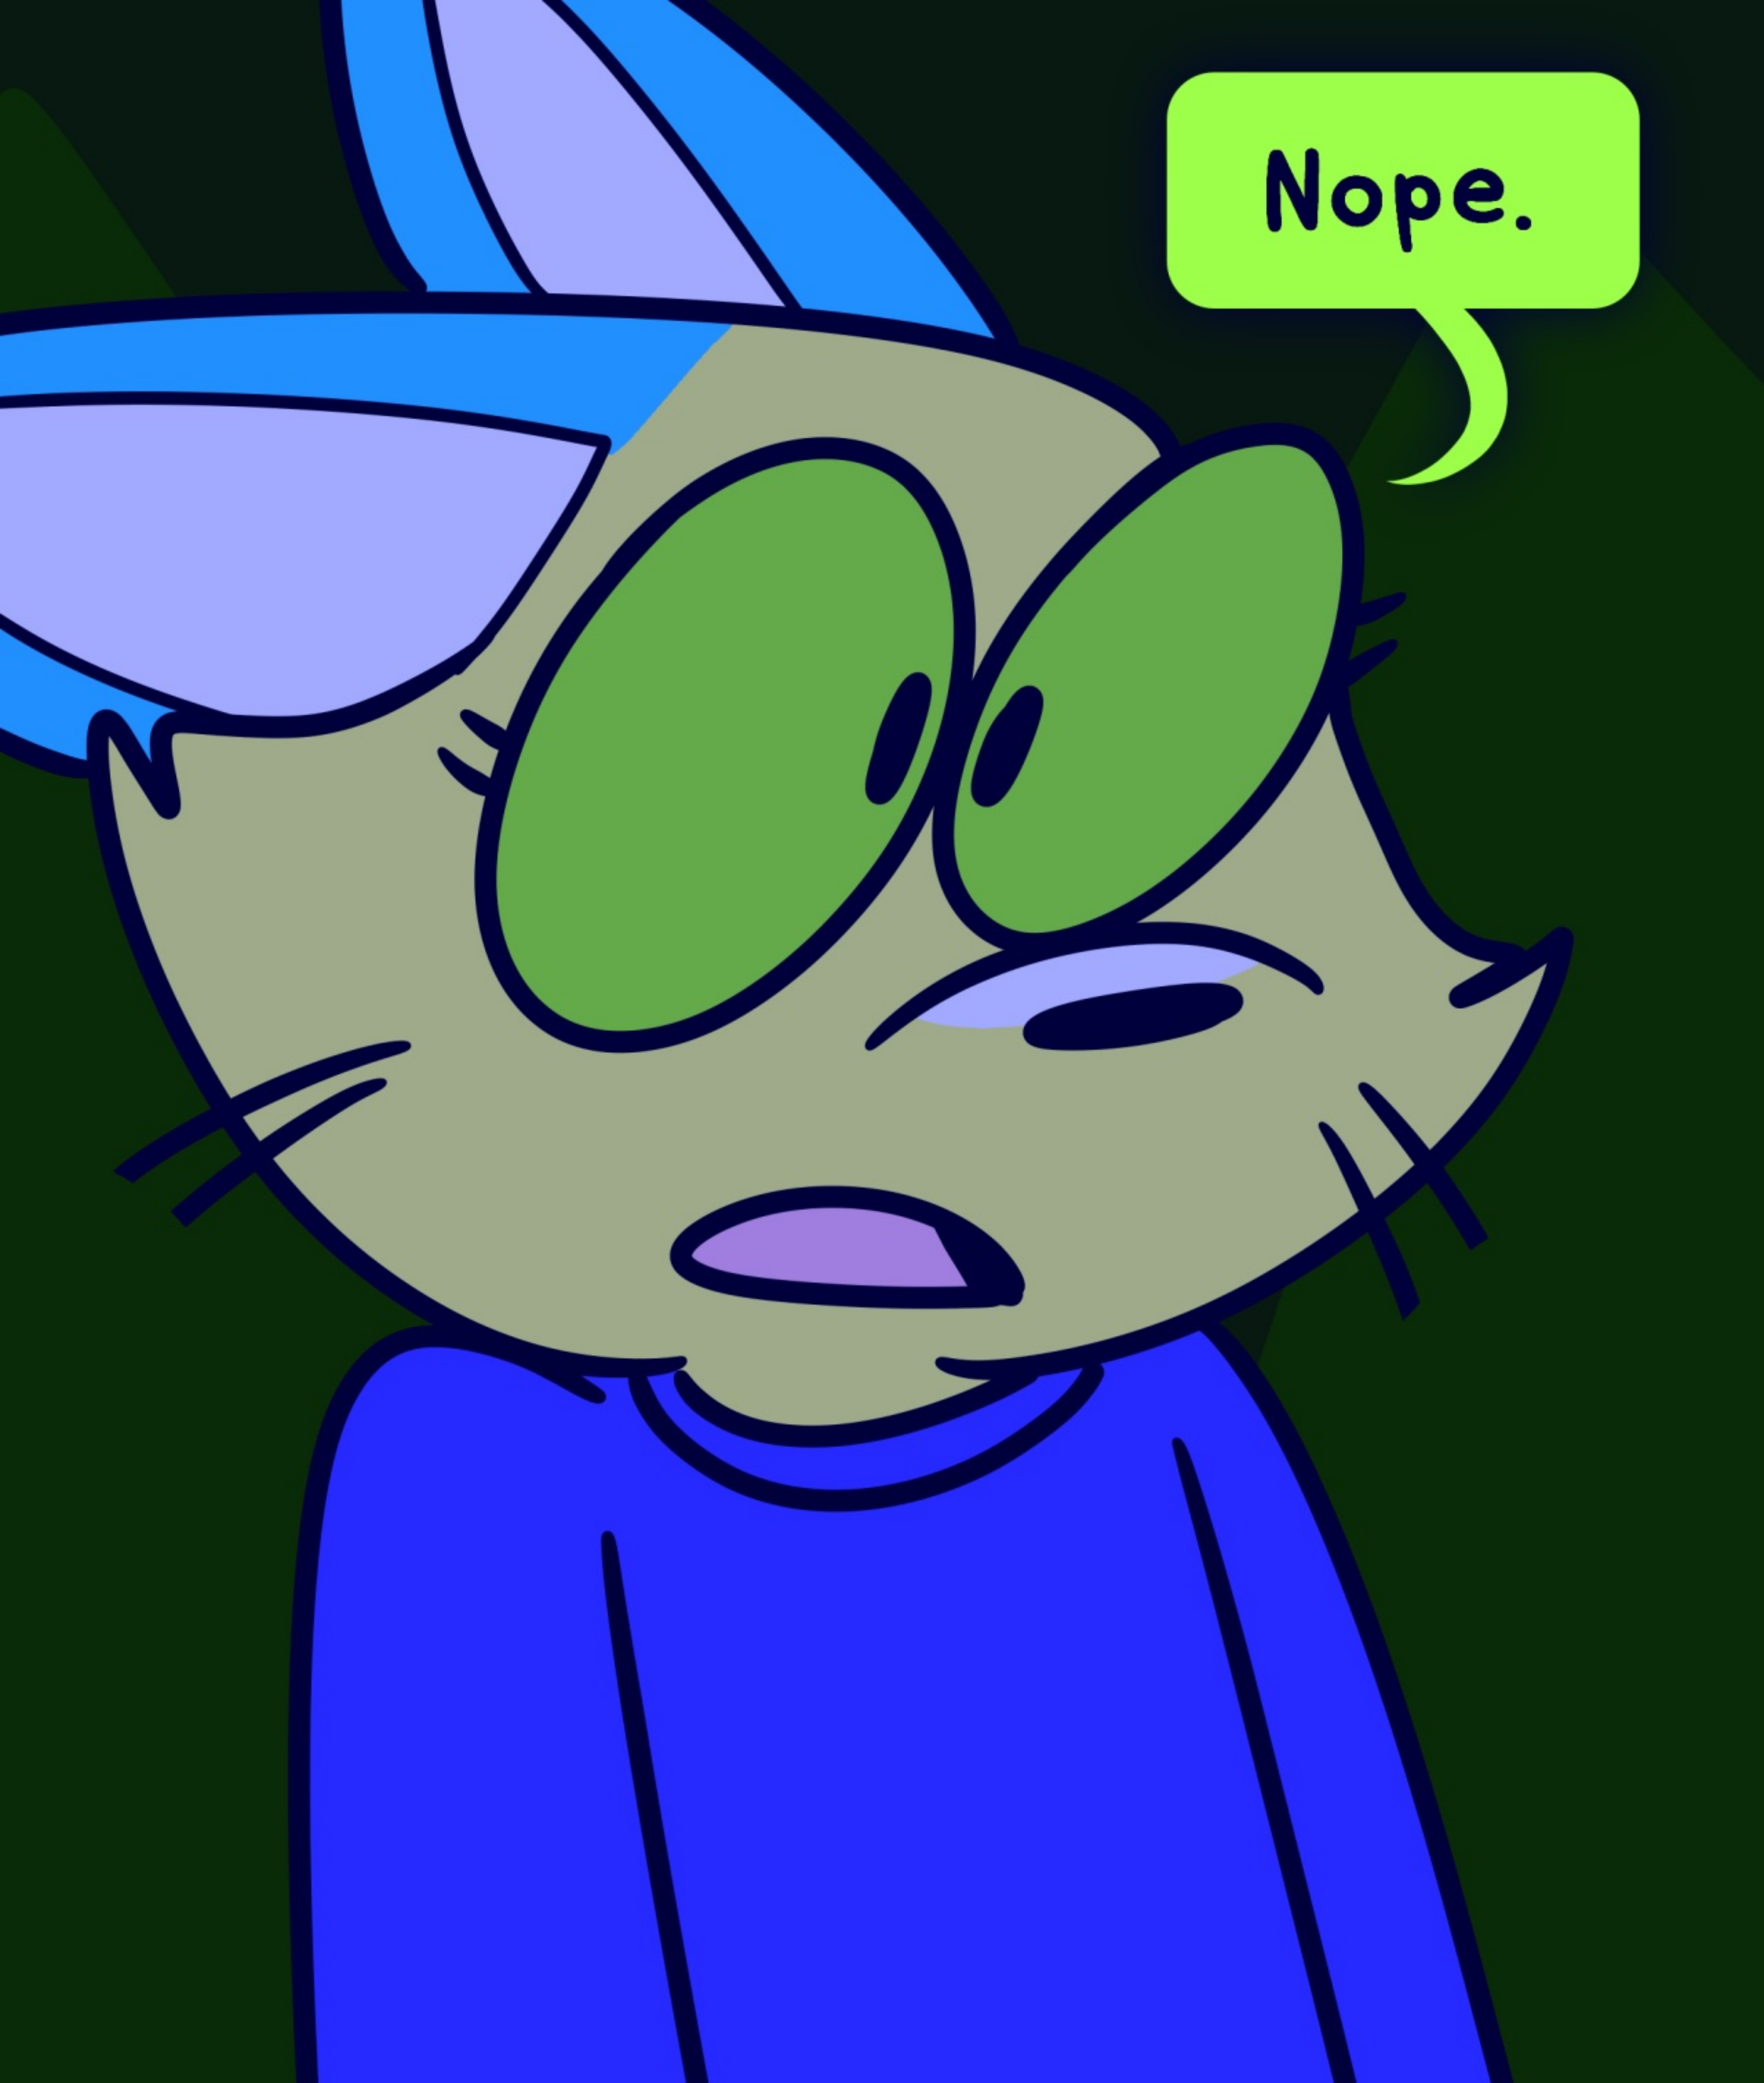
What's the first wilderness survival technique Chloe?

I know how to treat cobrabbit bites, and how to scare of hamstears!

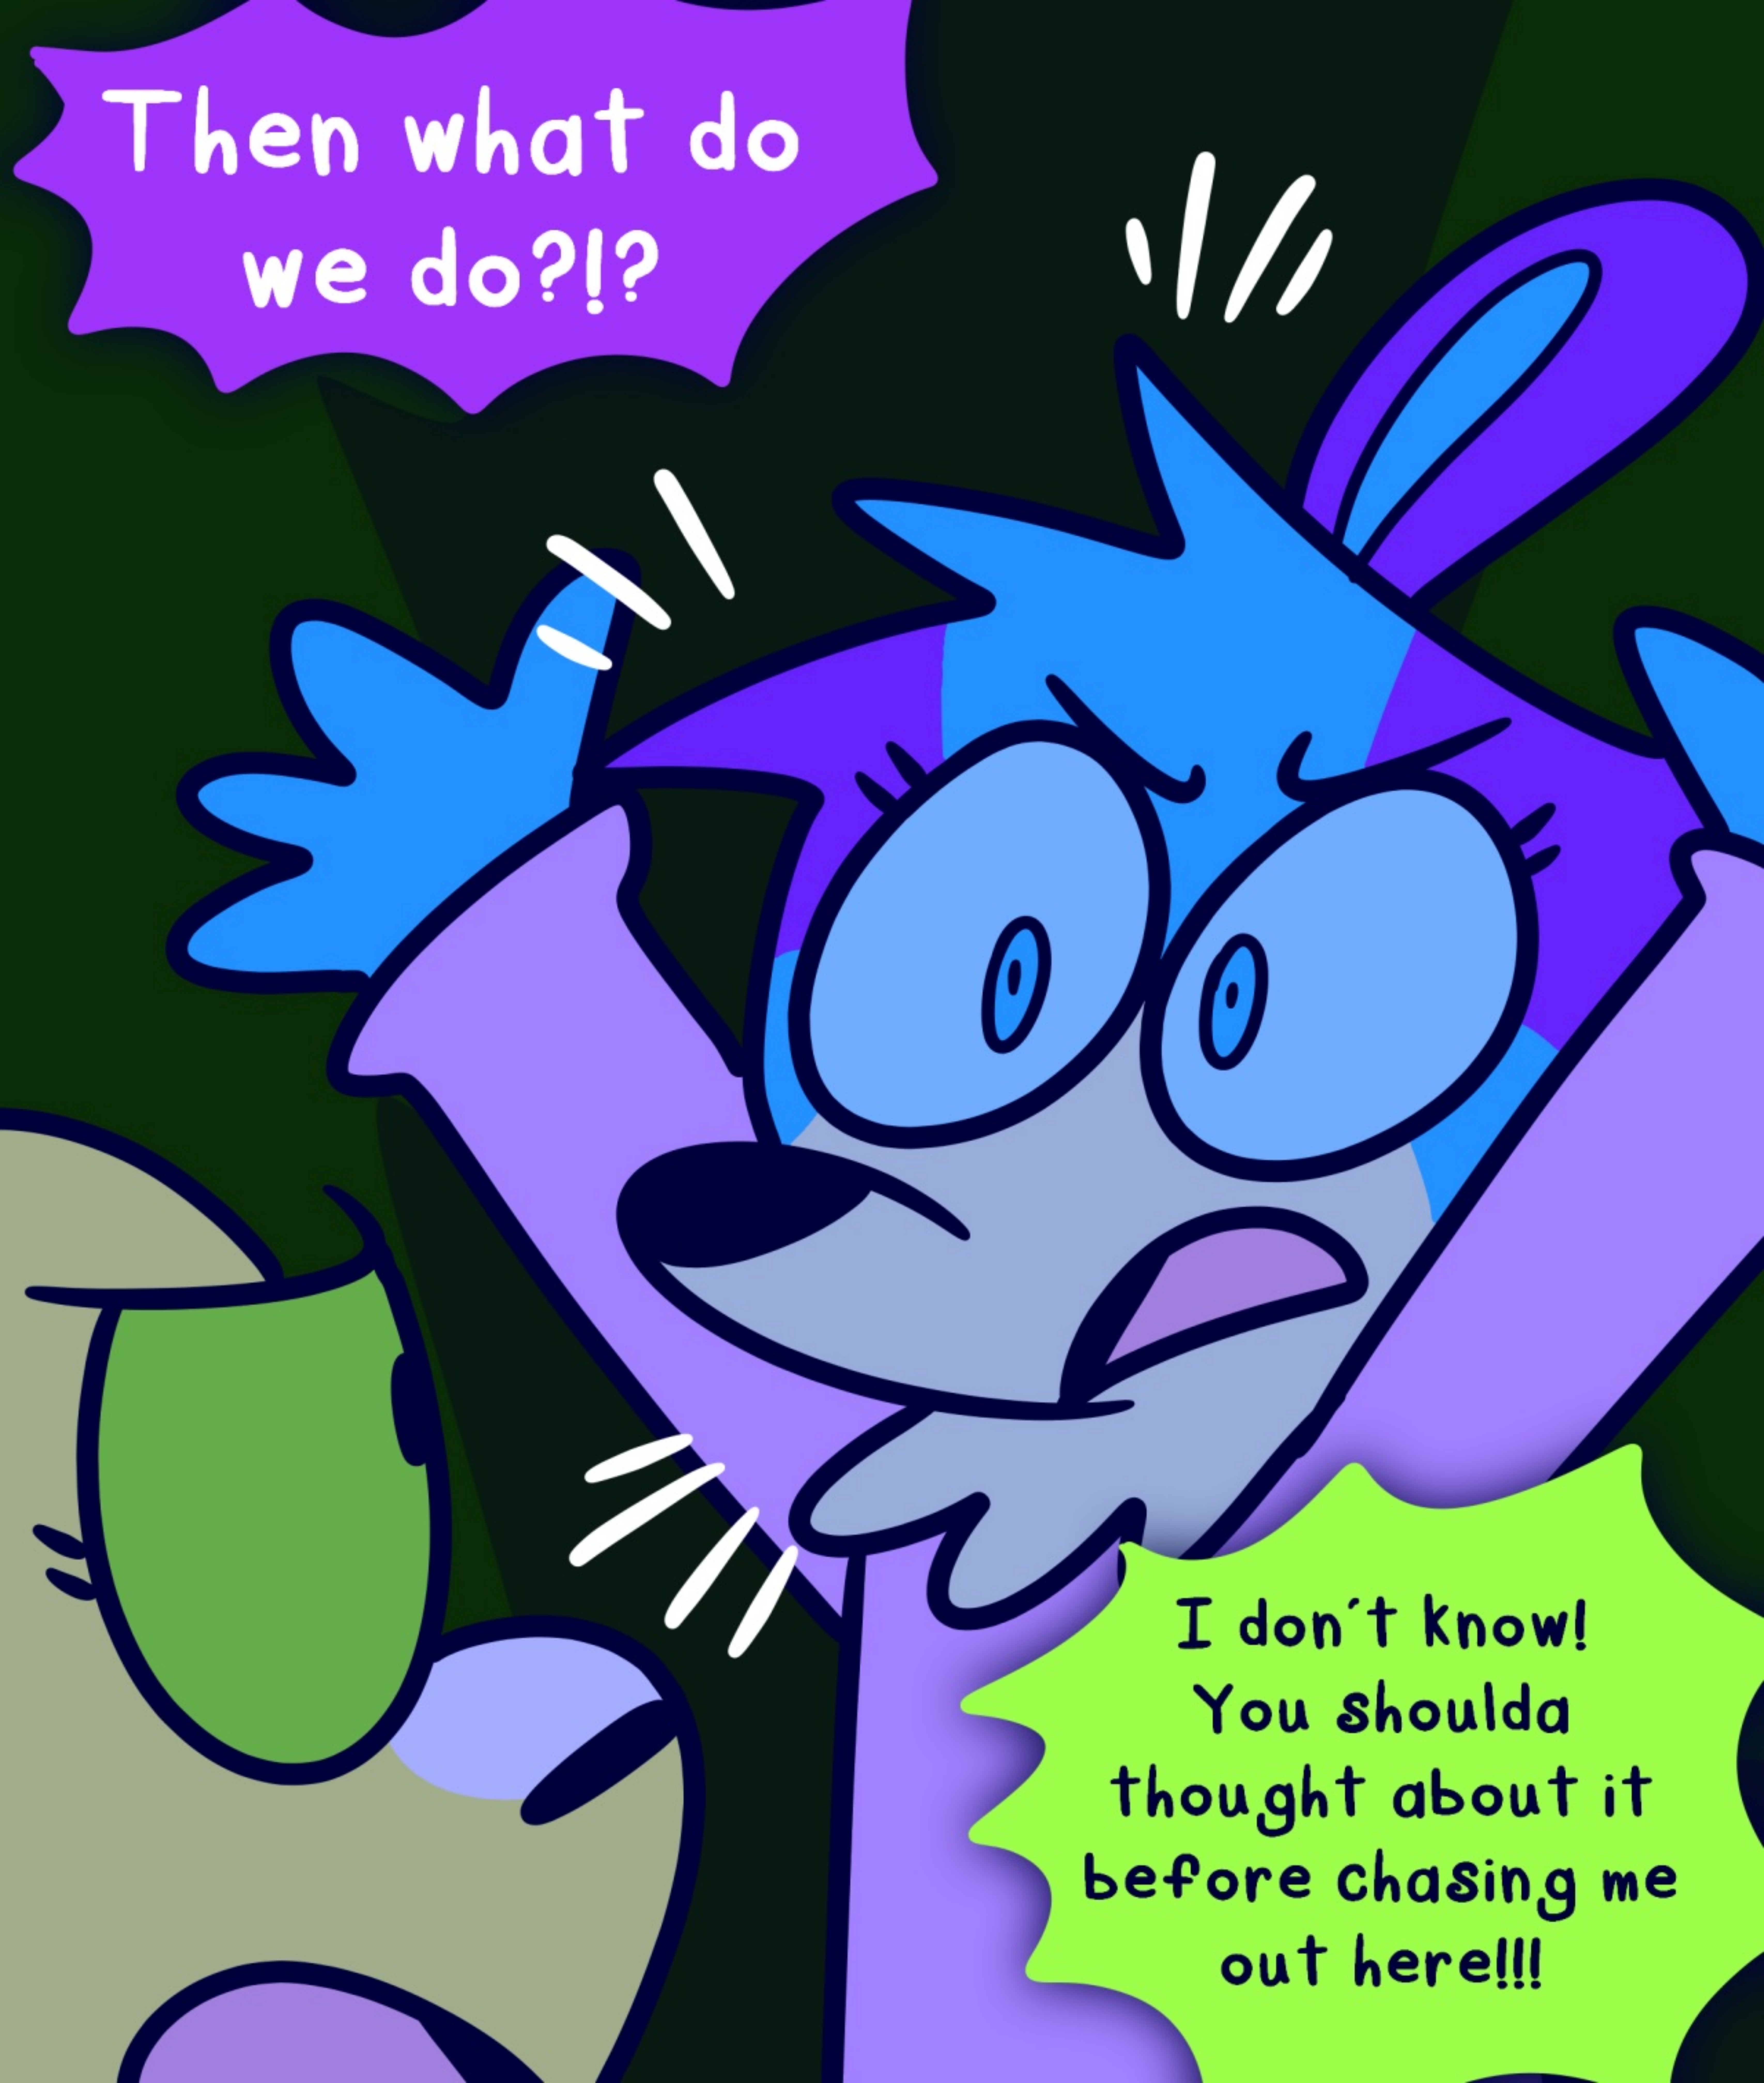


...okay, that´s cool and everything, but do you know how to get back to our camp if we get lost?

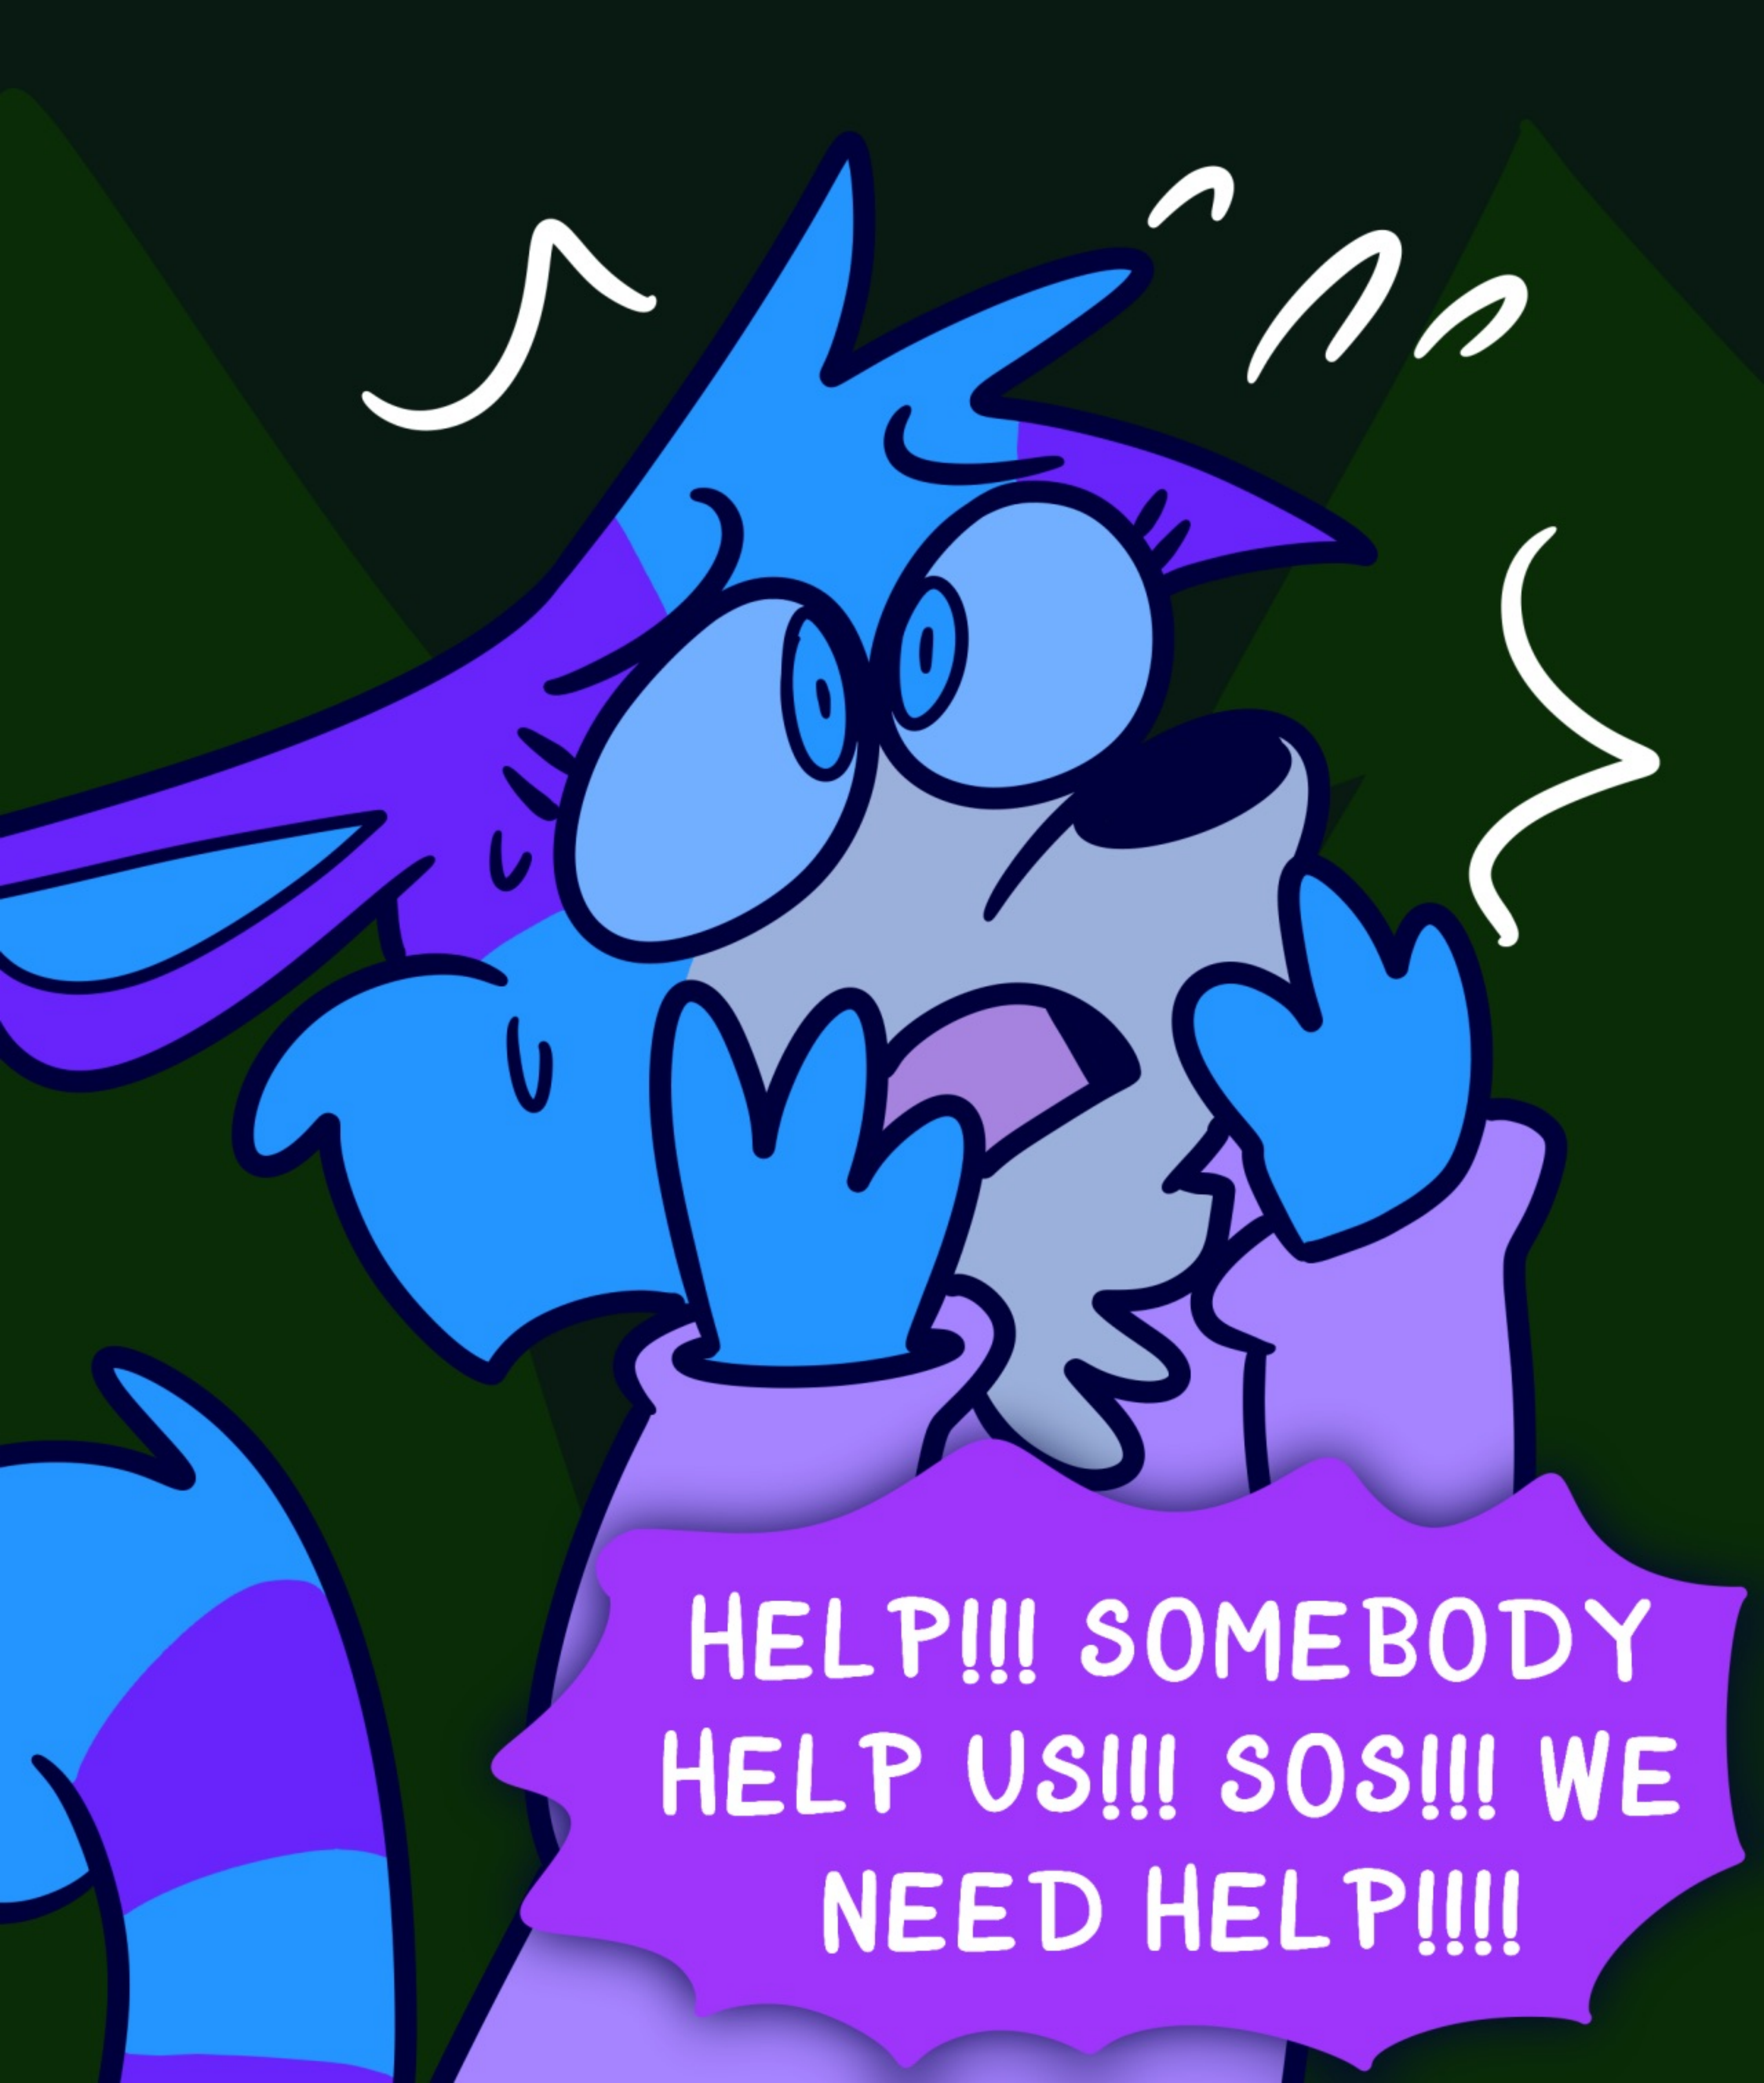




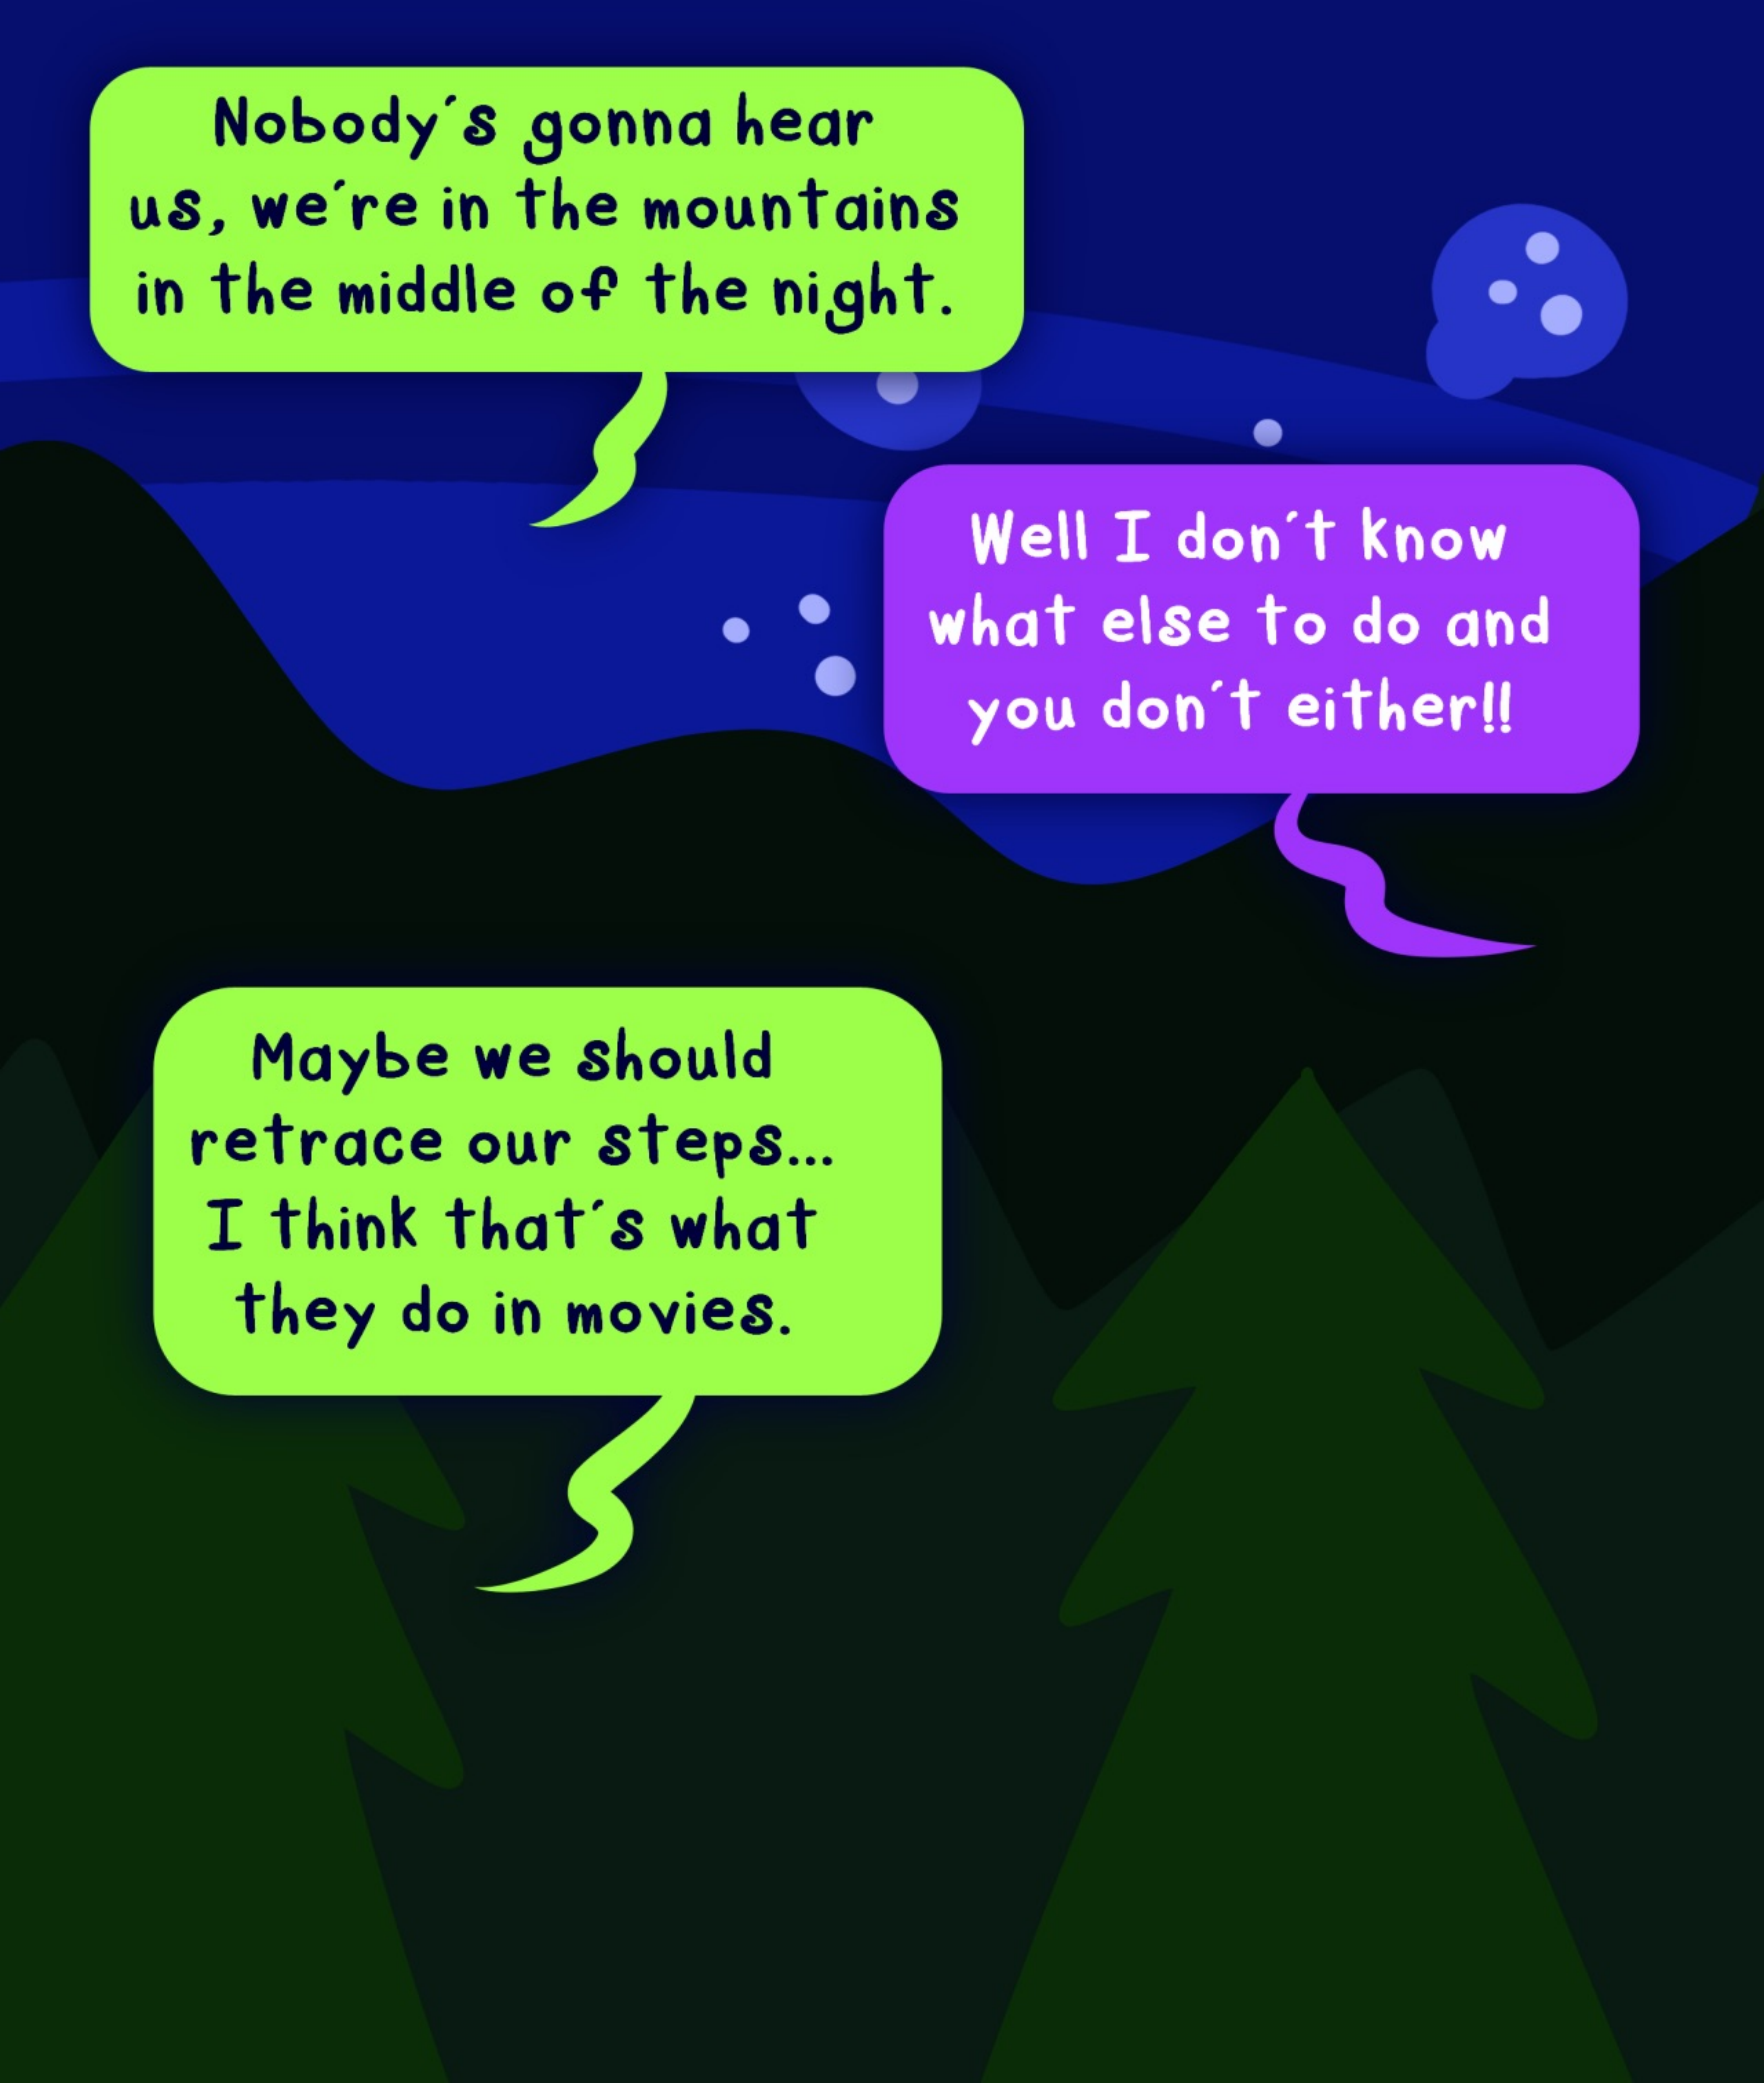
Nope.



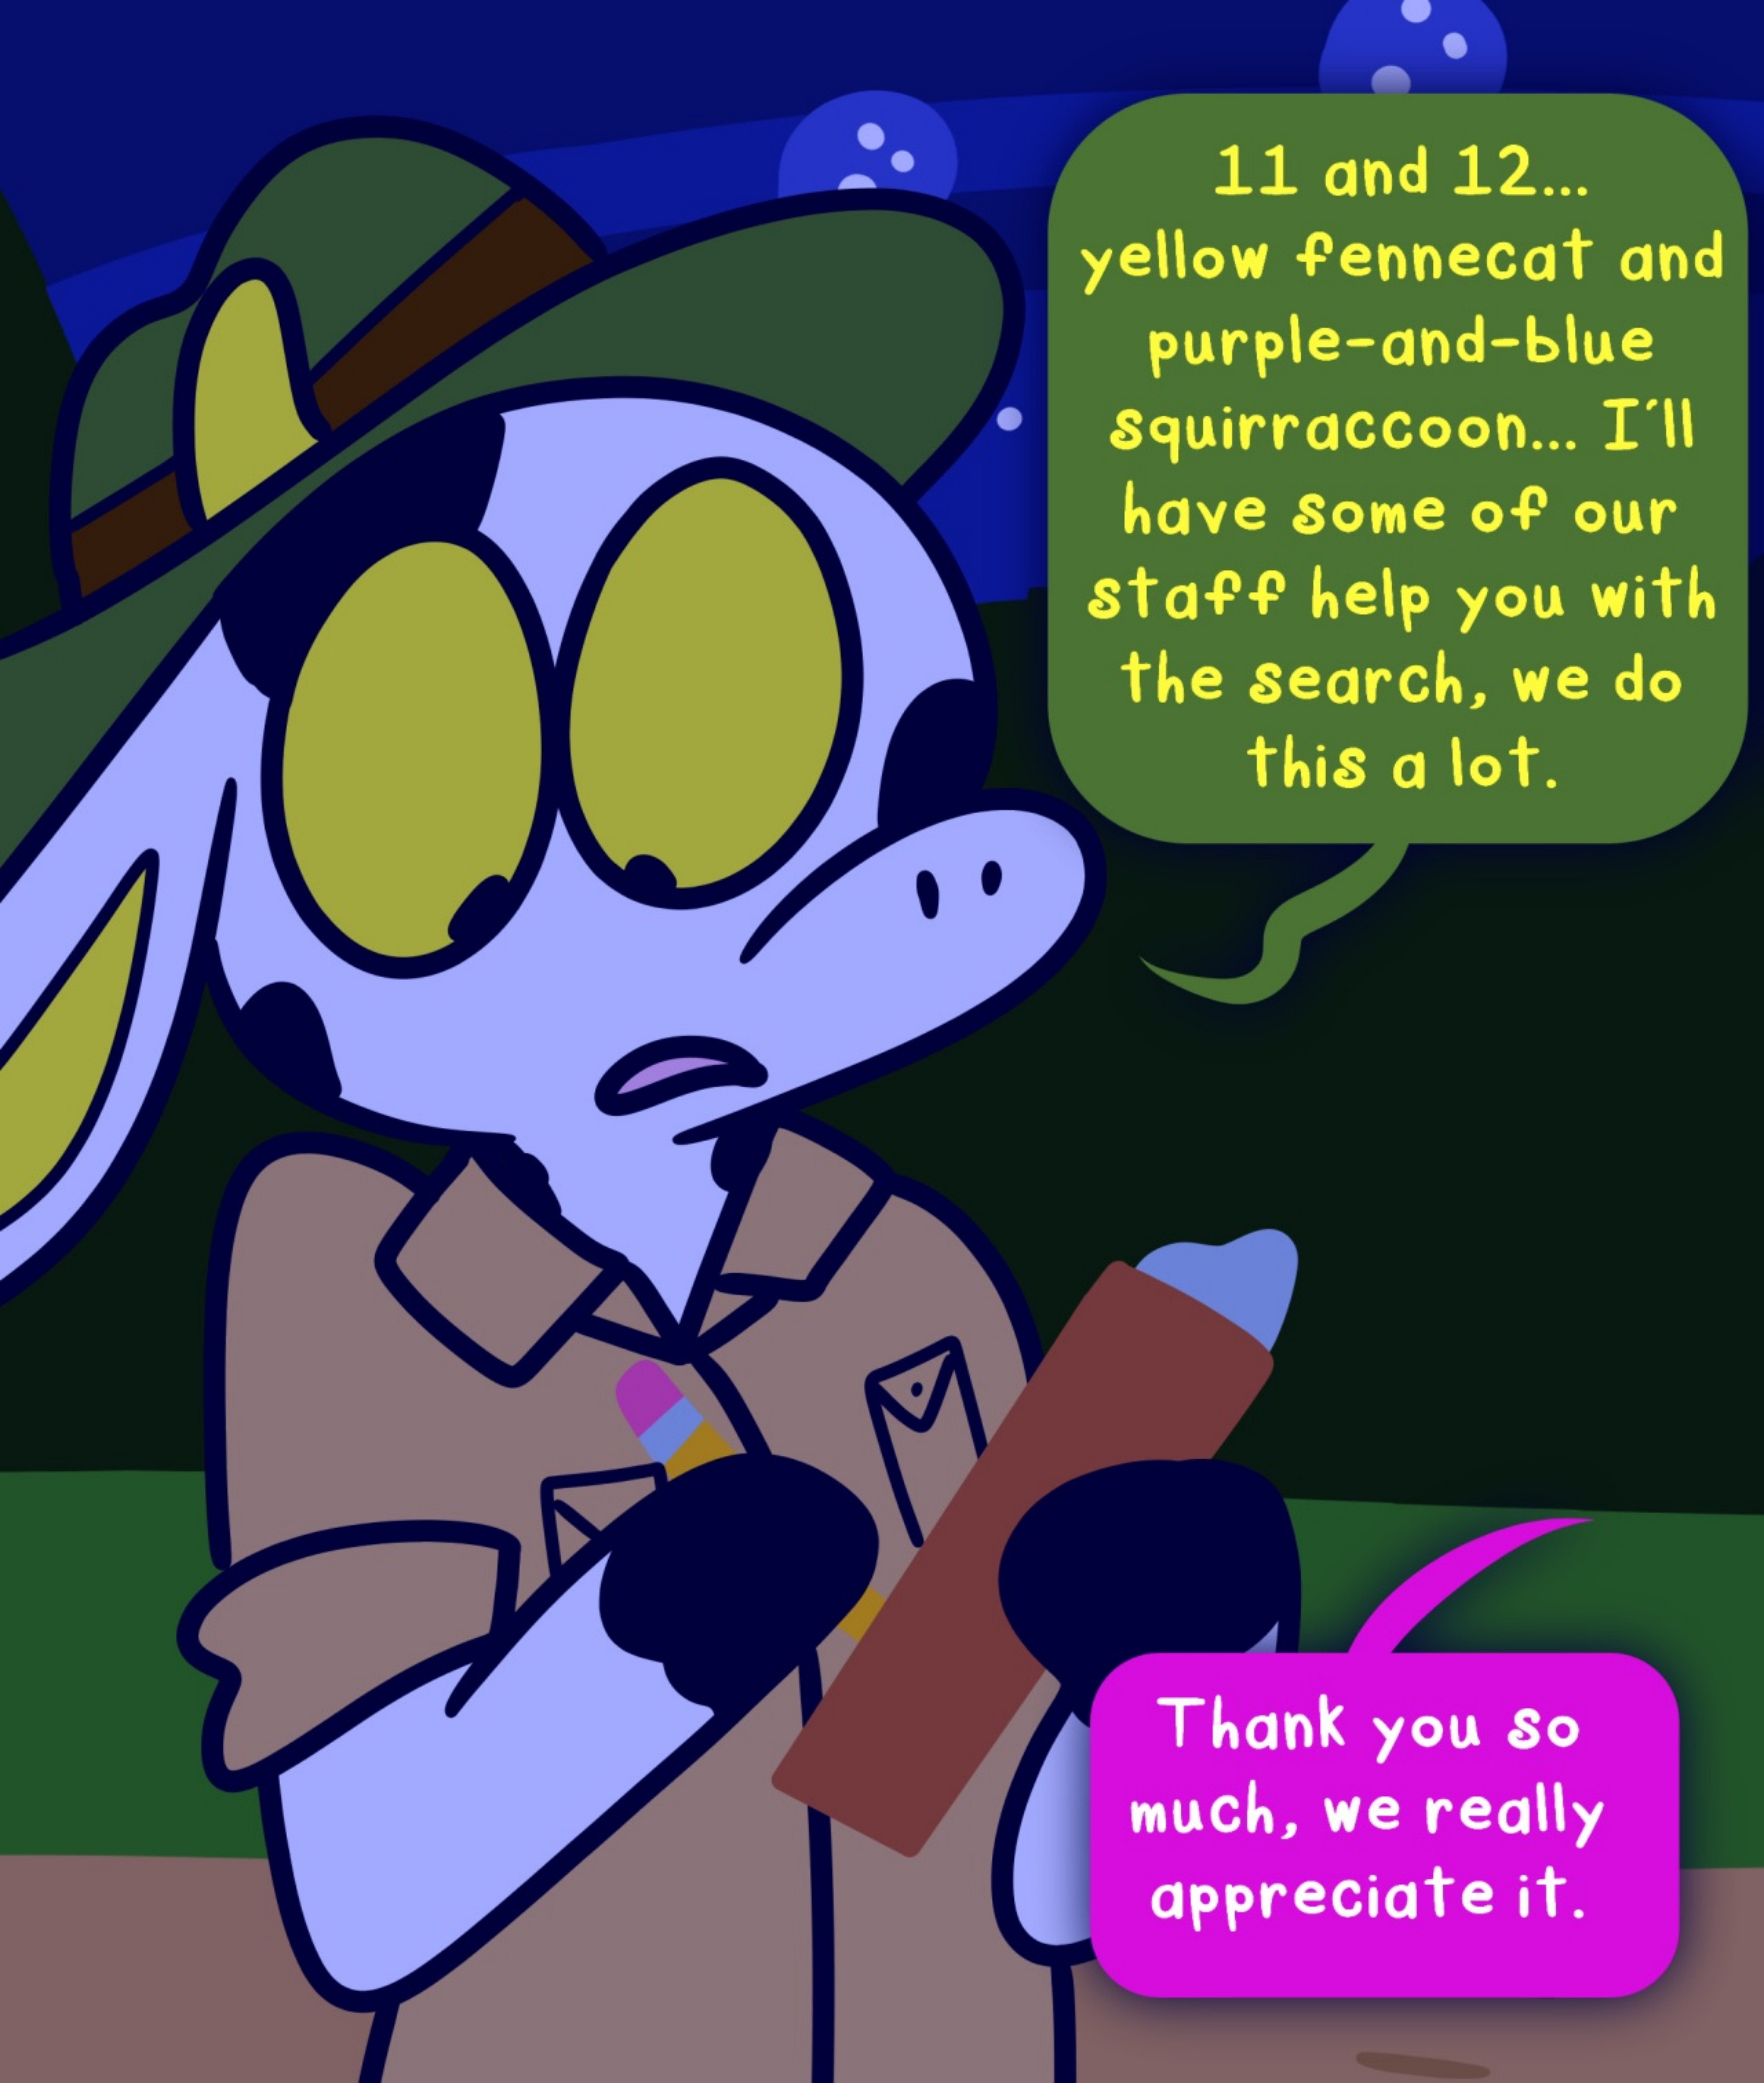
Then what do we do?!?
I don´t know! You shoulda thought about it before chasing me out here!!!



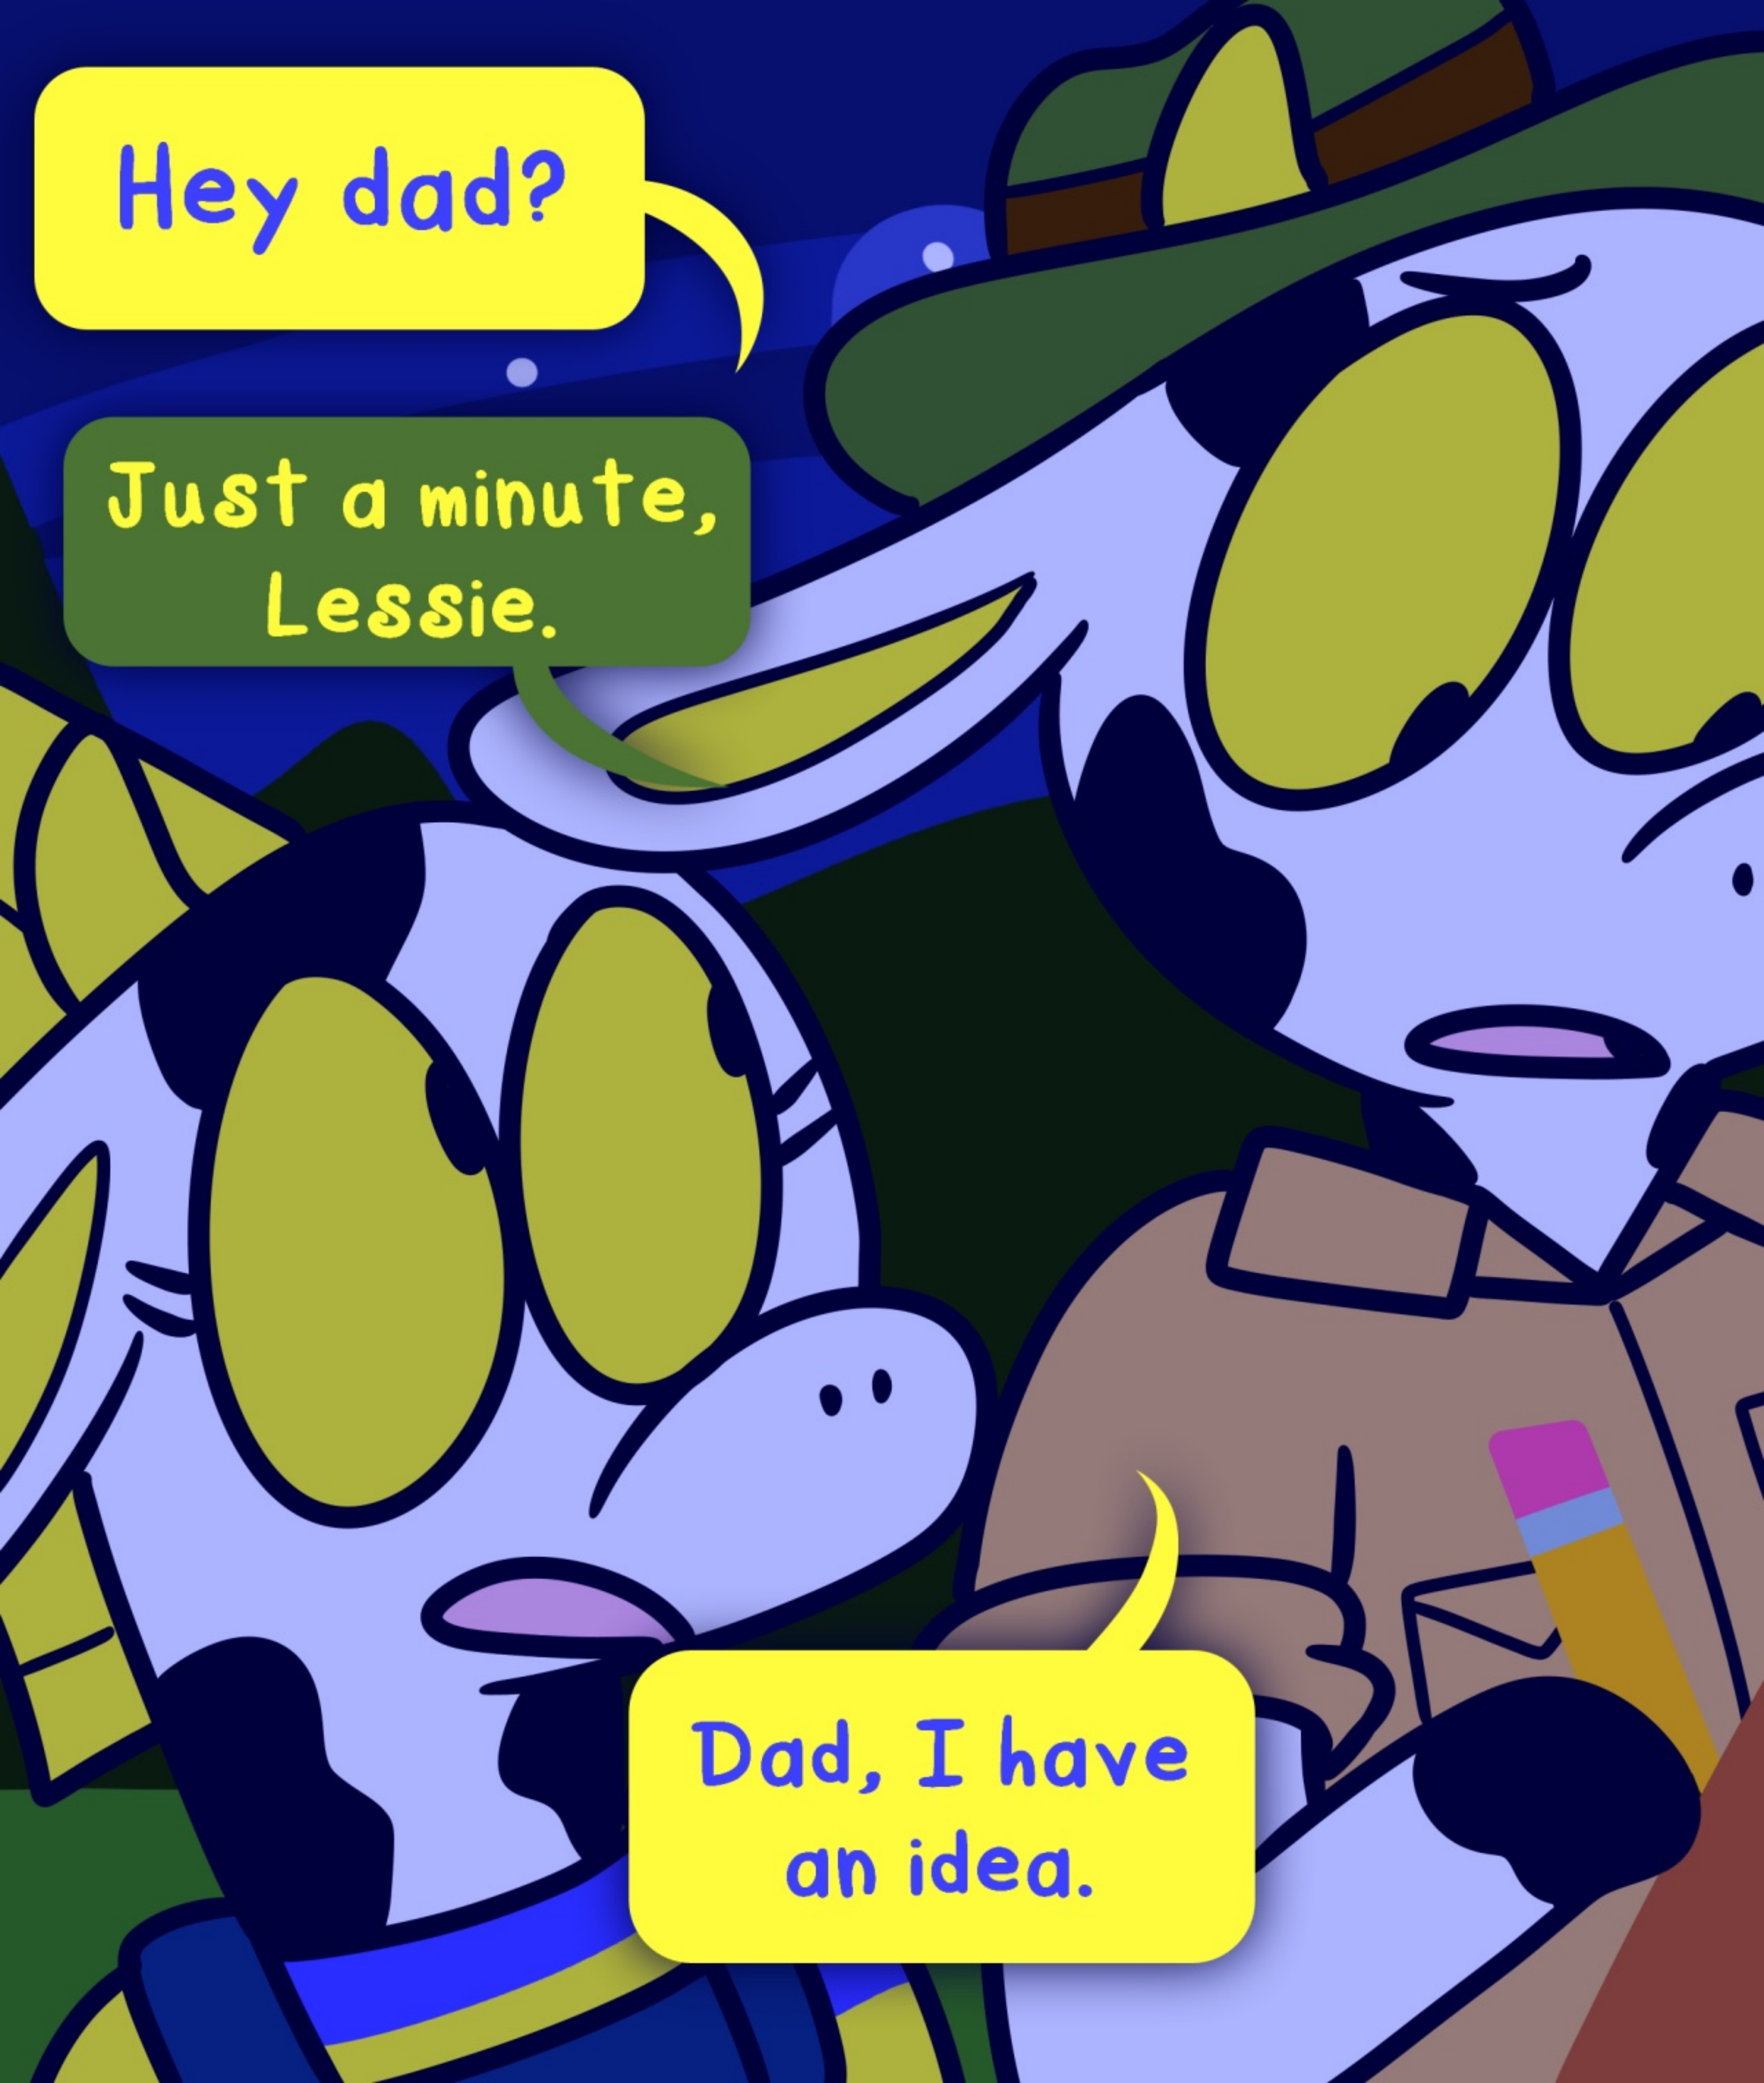
HELP!!! SOMEBODY HELP US!!! SOS!!! WE NEED HELP!!!!



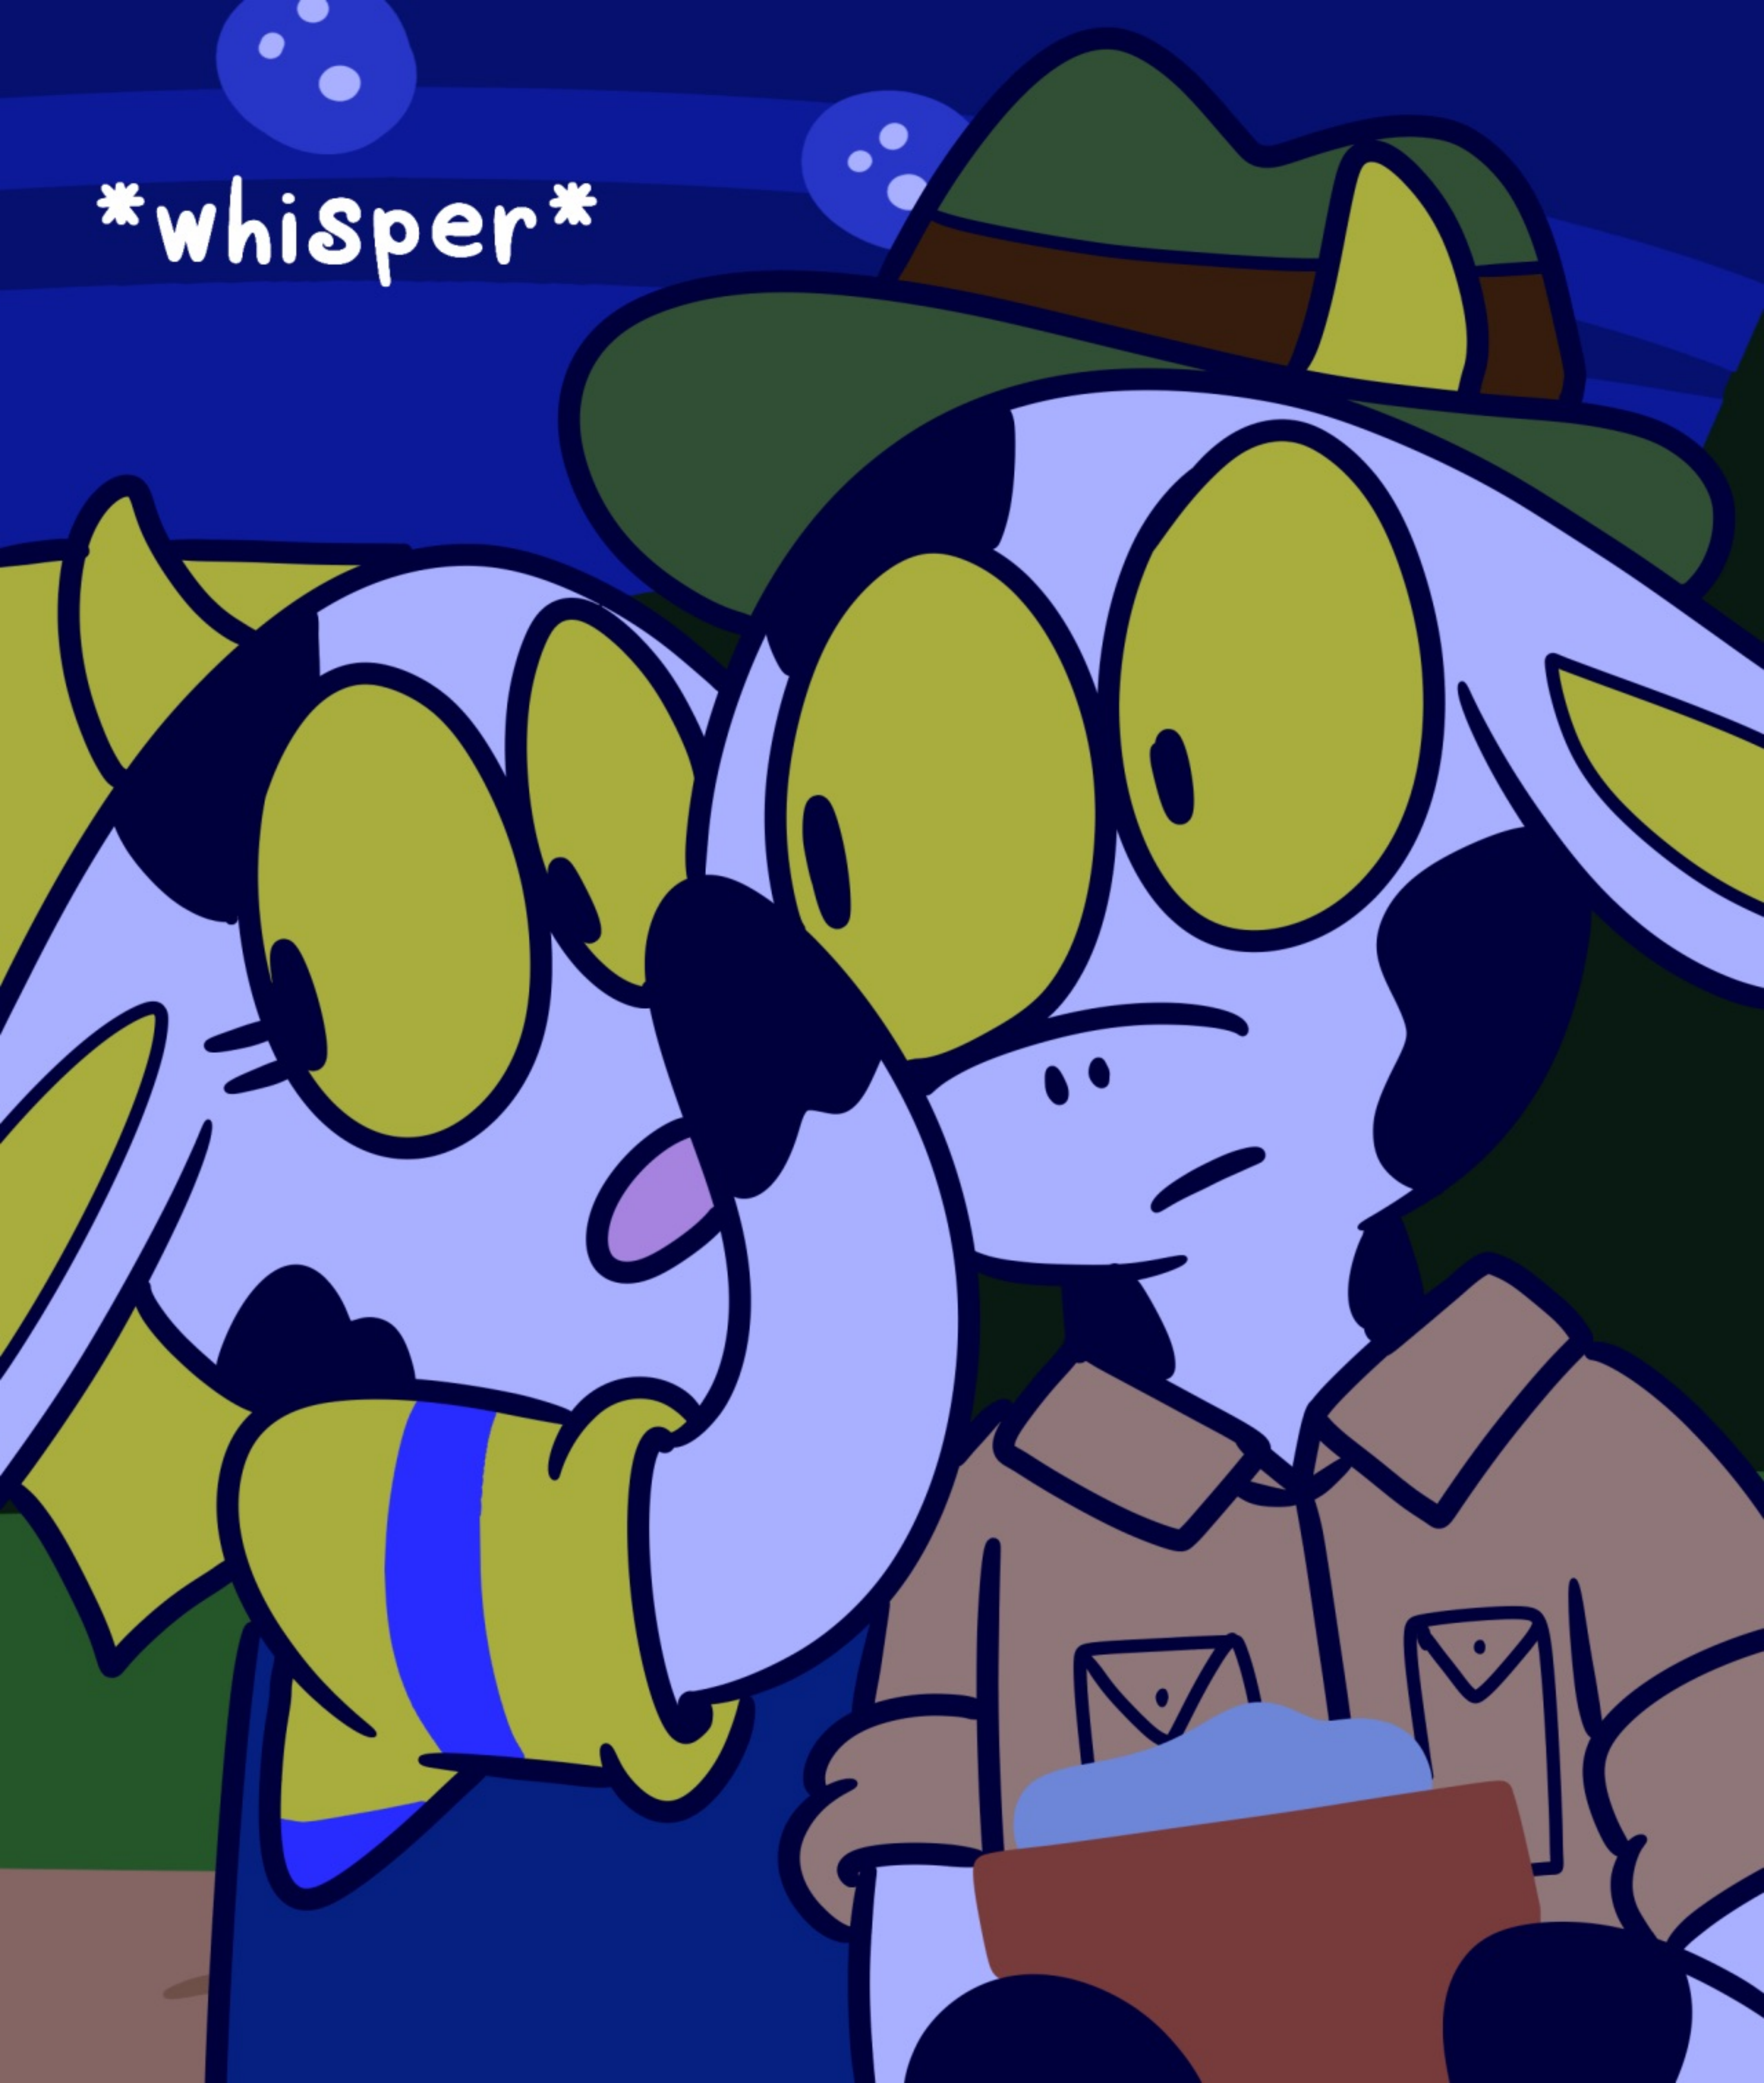
Nobody's gonna hear us, we're in the mountains in the middle of the night.
Well I don't know what else to do and you don't either!!
Maybe we should retrace our steps... I think that's what they do in movies.



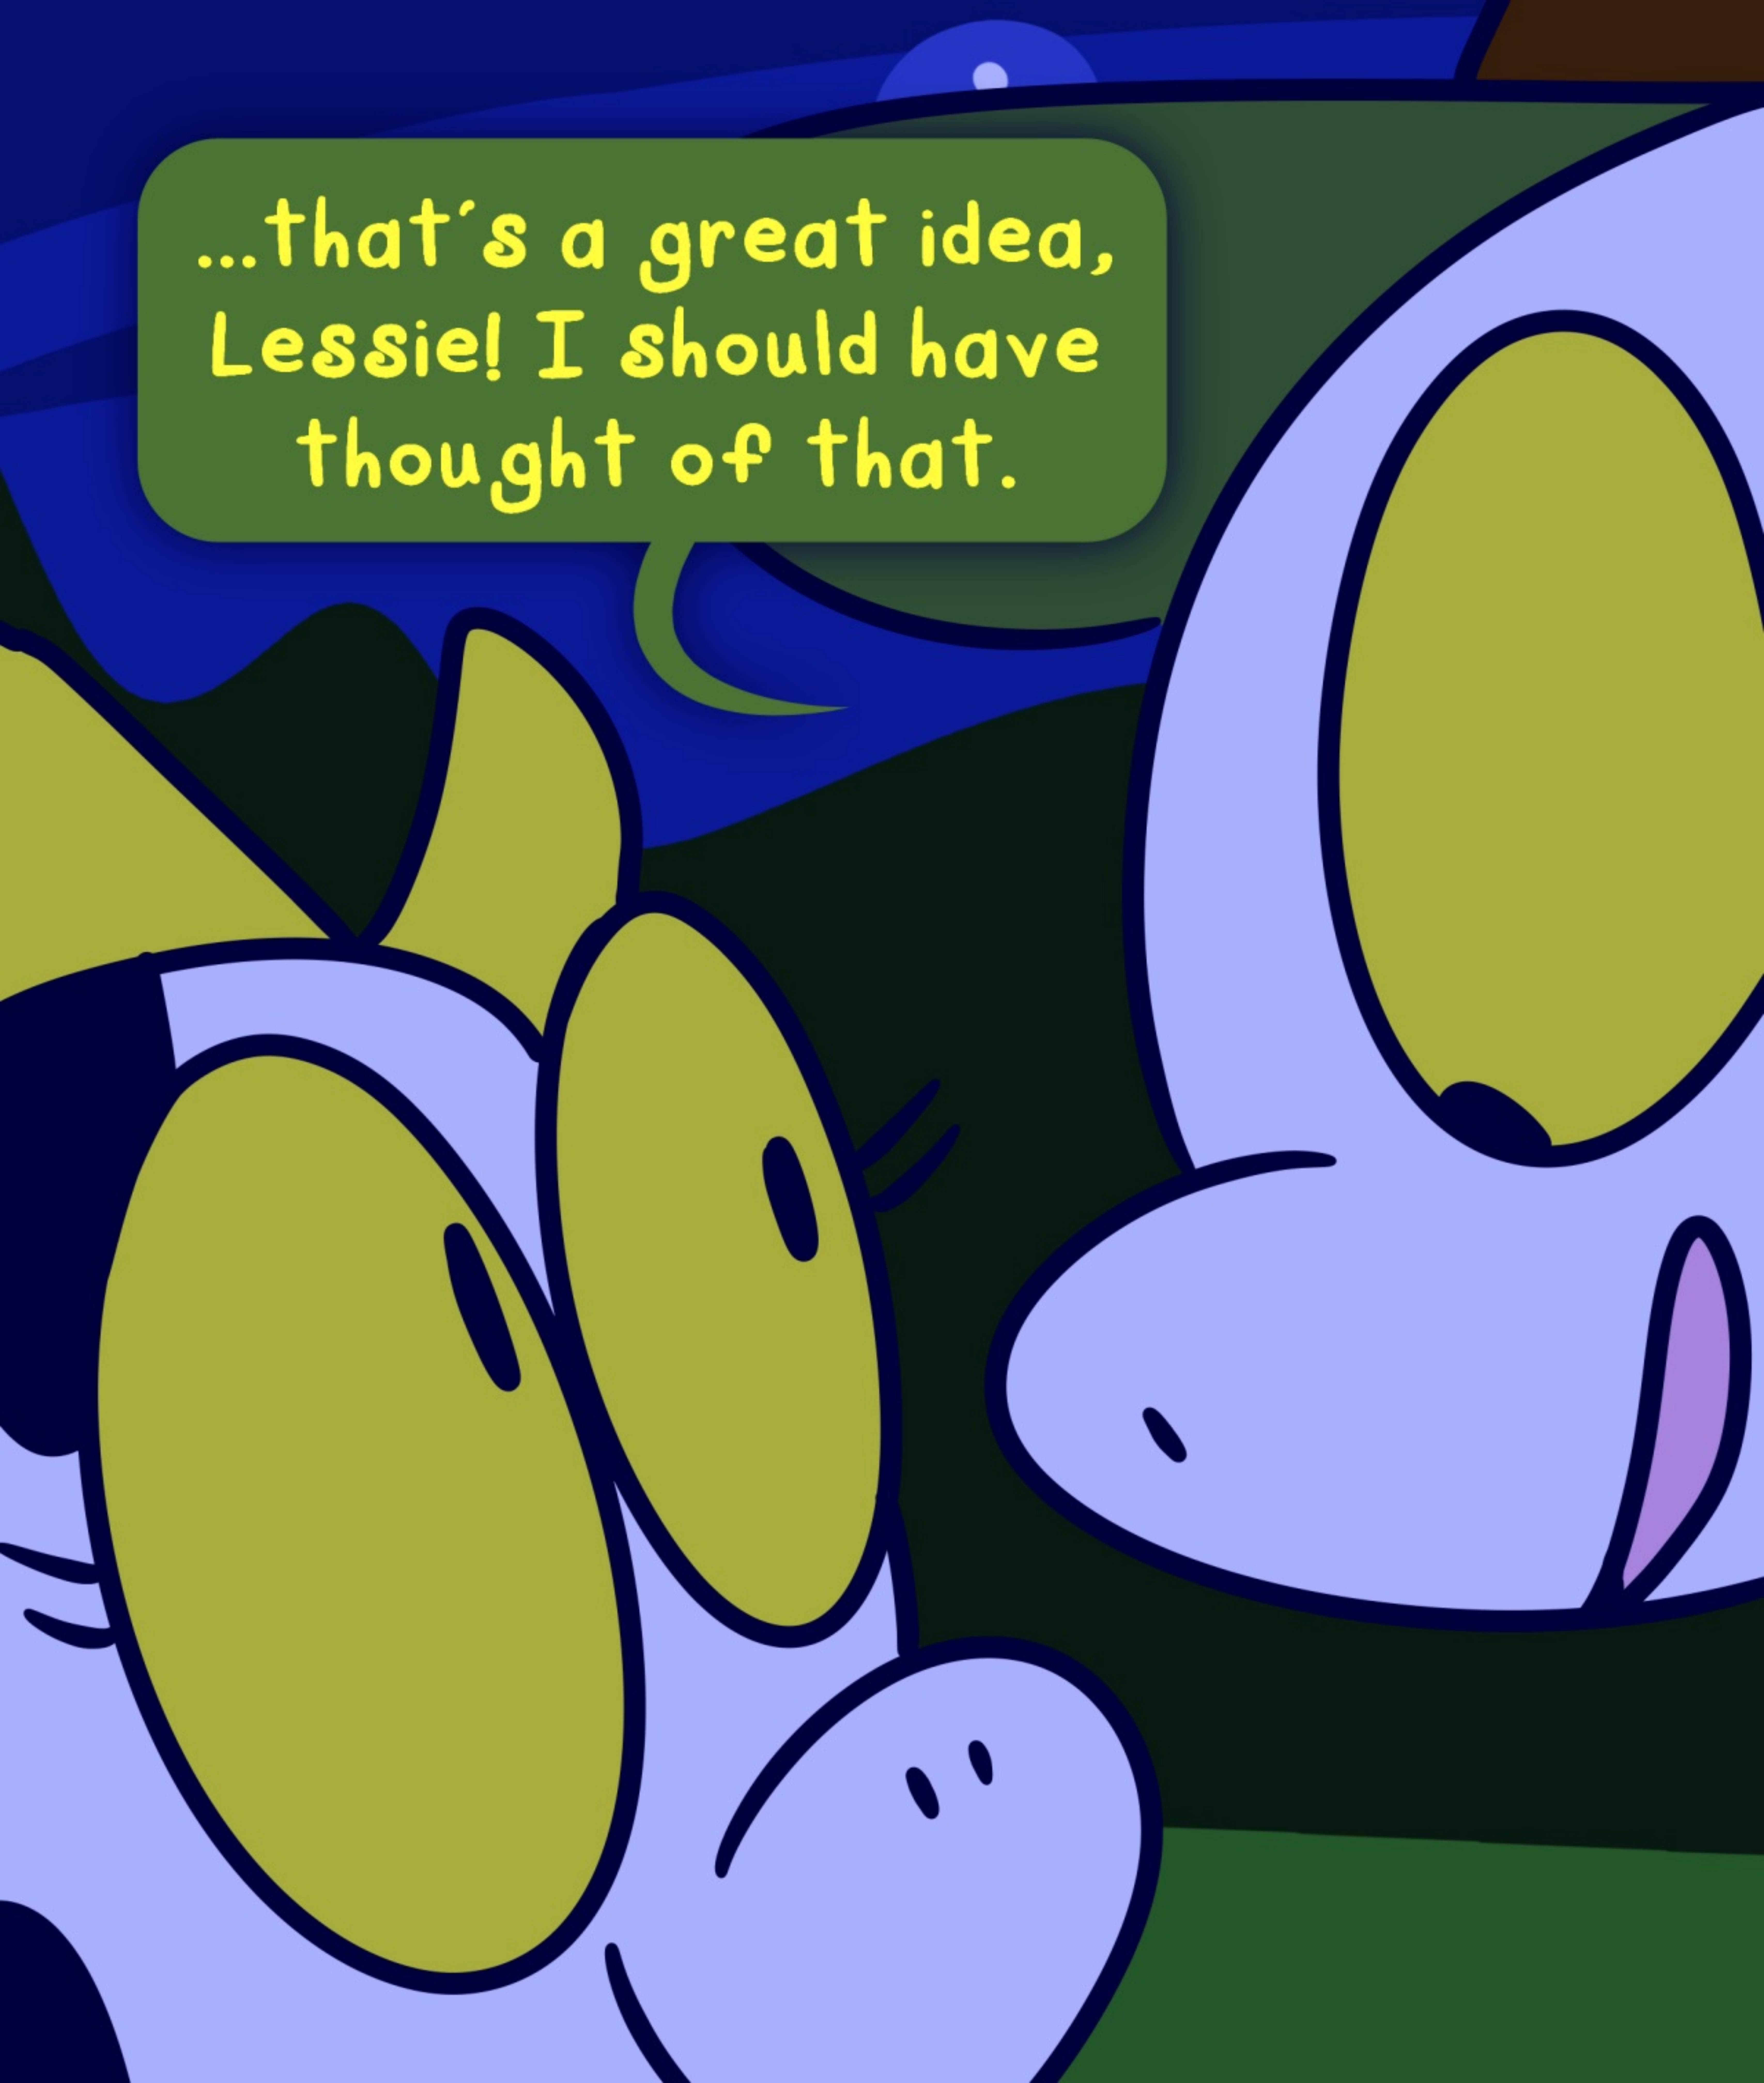
11 and 12... yellow fennecat and purple-and-blue squirraccoon... I'll have some of our staff help you with the search, we do this a lot.
Thank you so much, we really appreciate it.



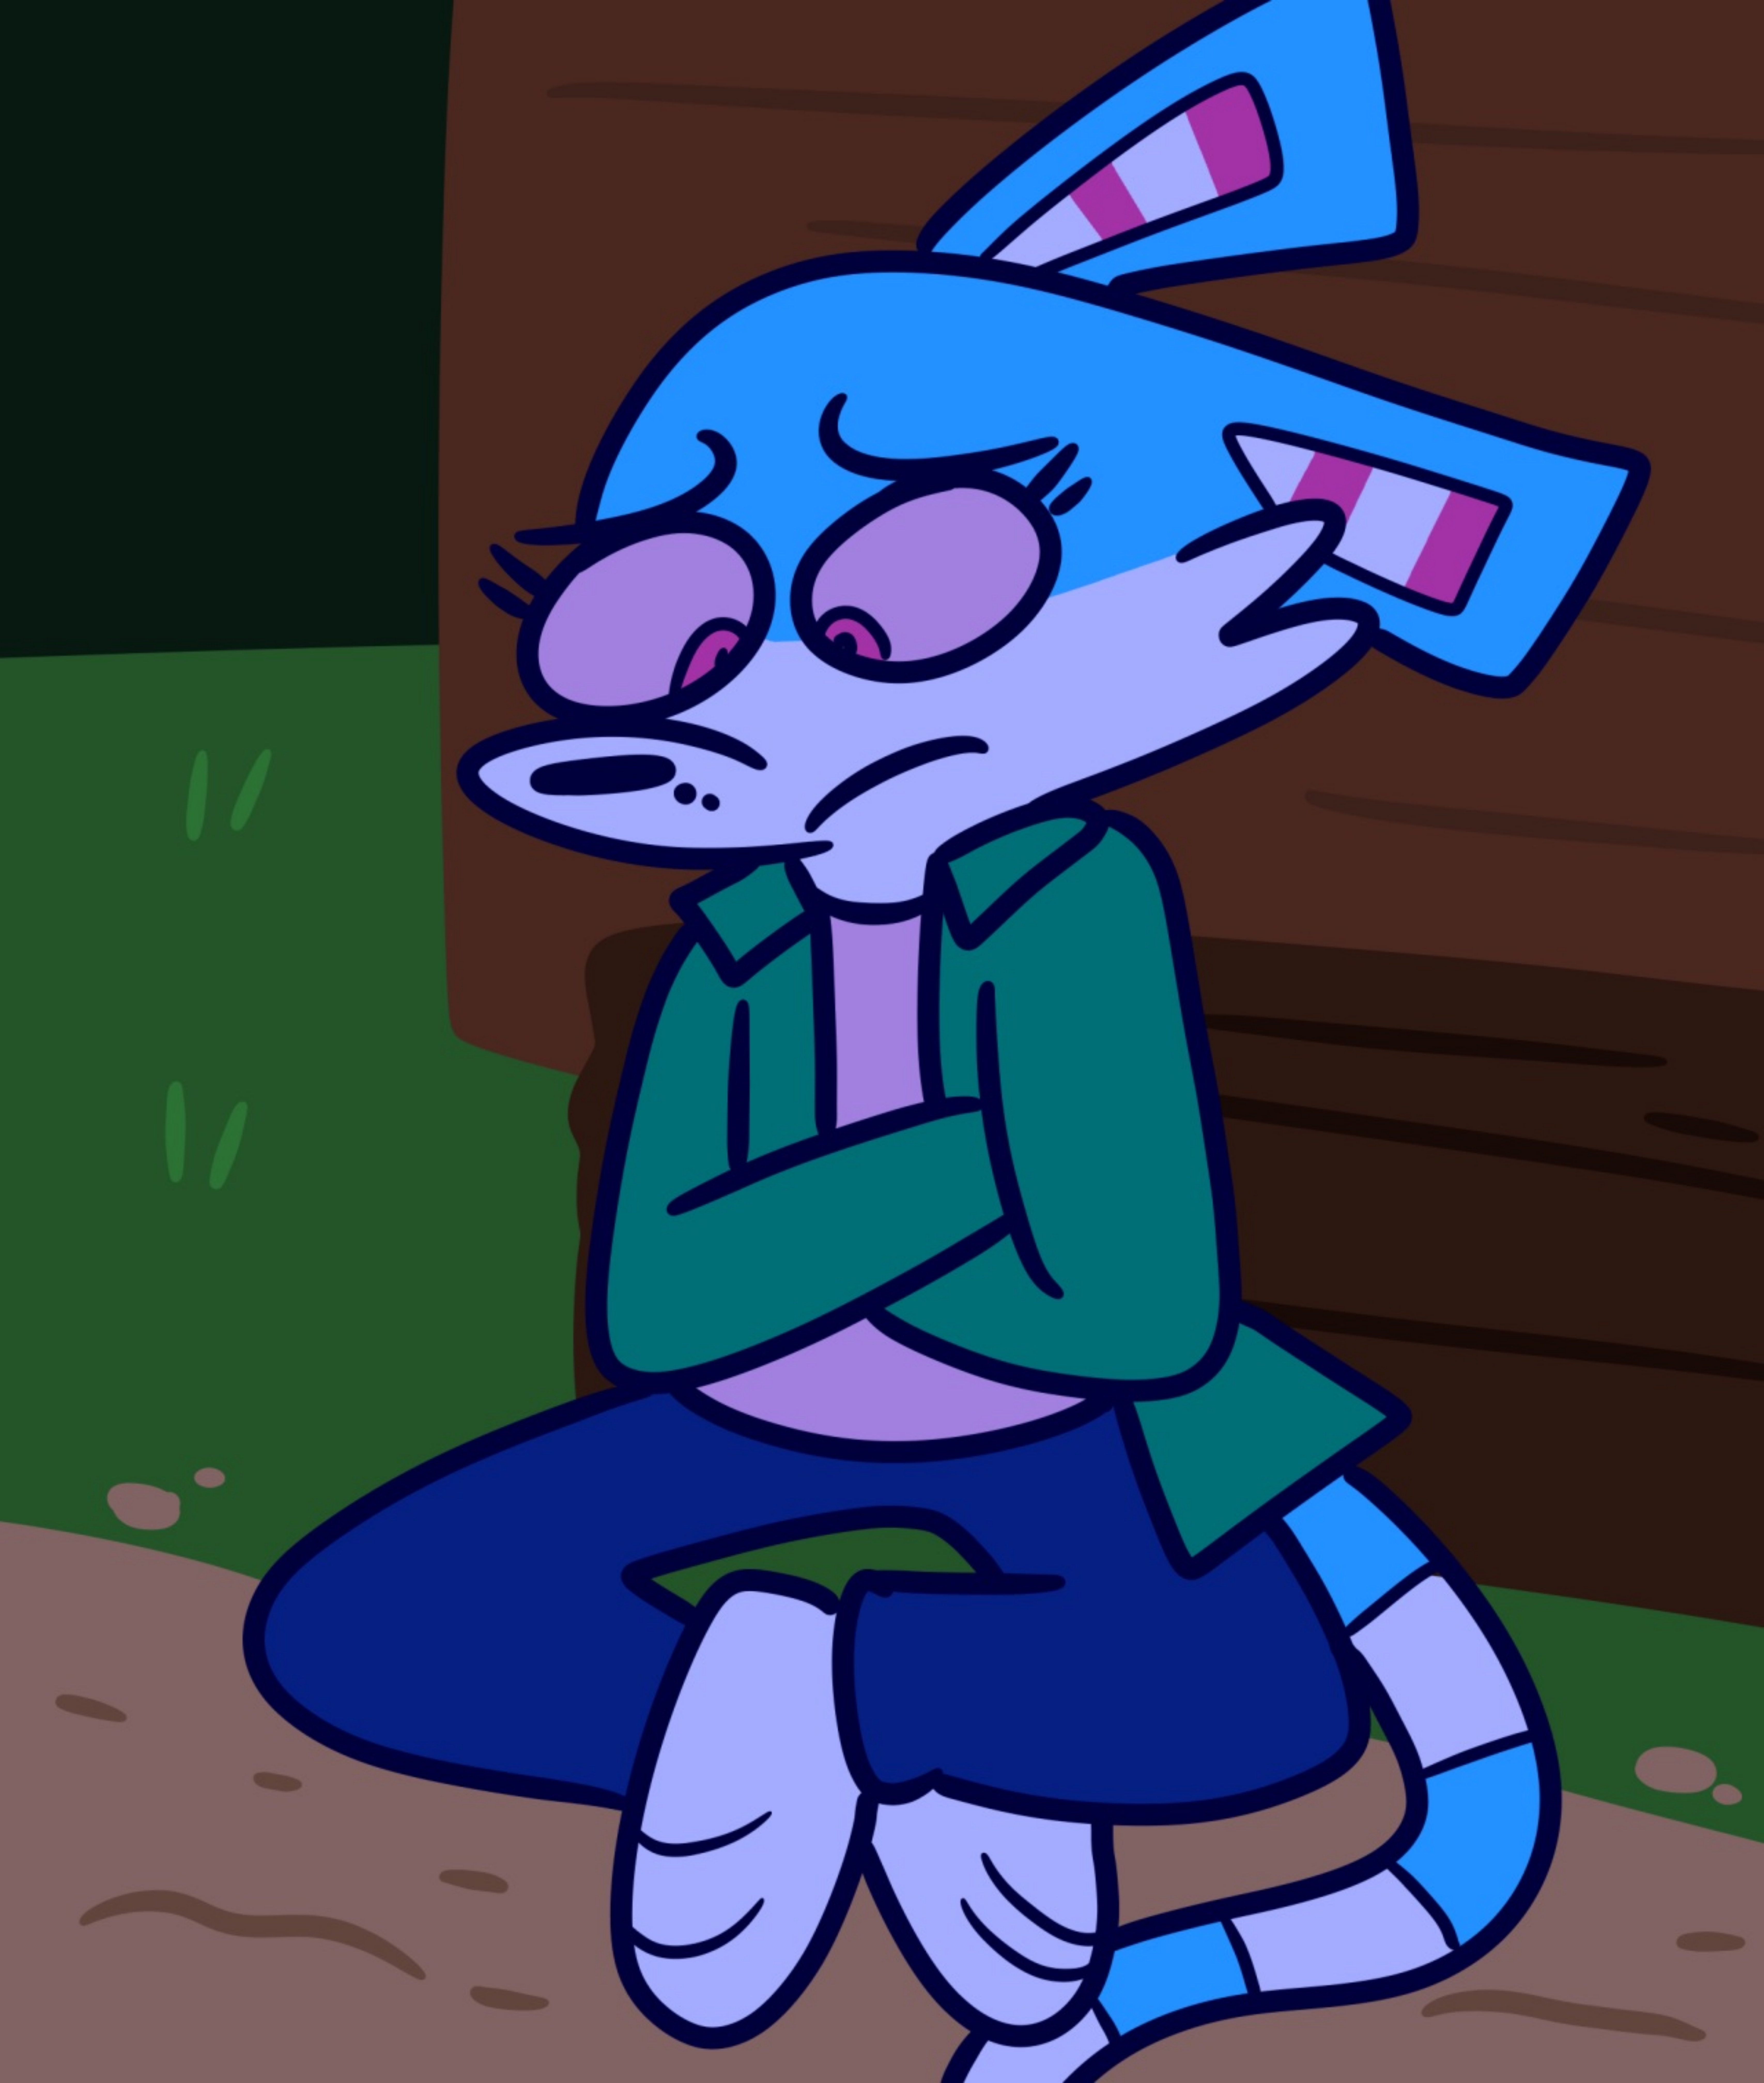
Hey dad?
Just a minute, Lessie.
Dad, I have an idea.

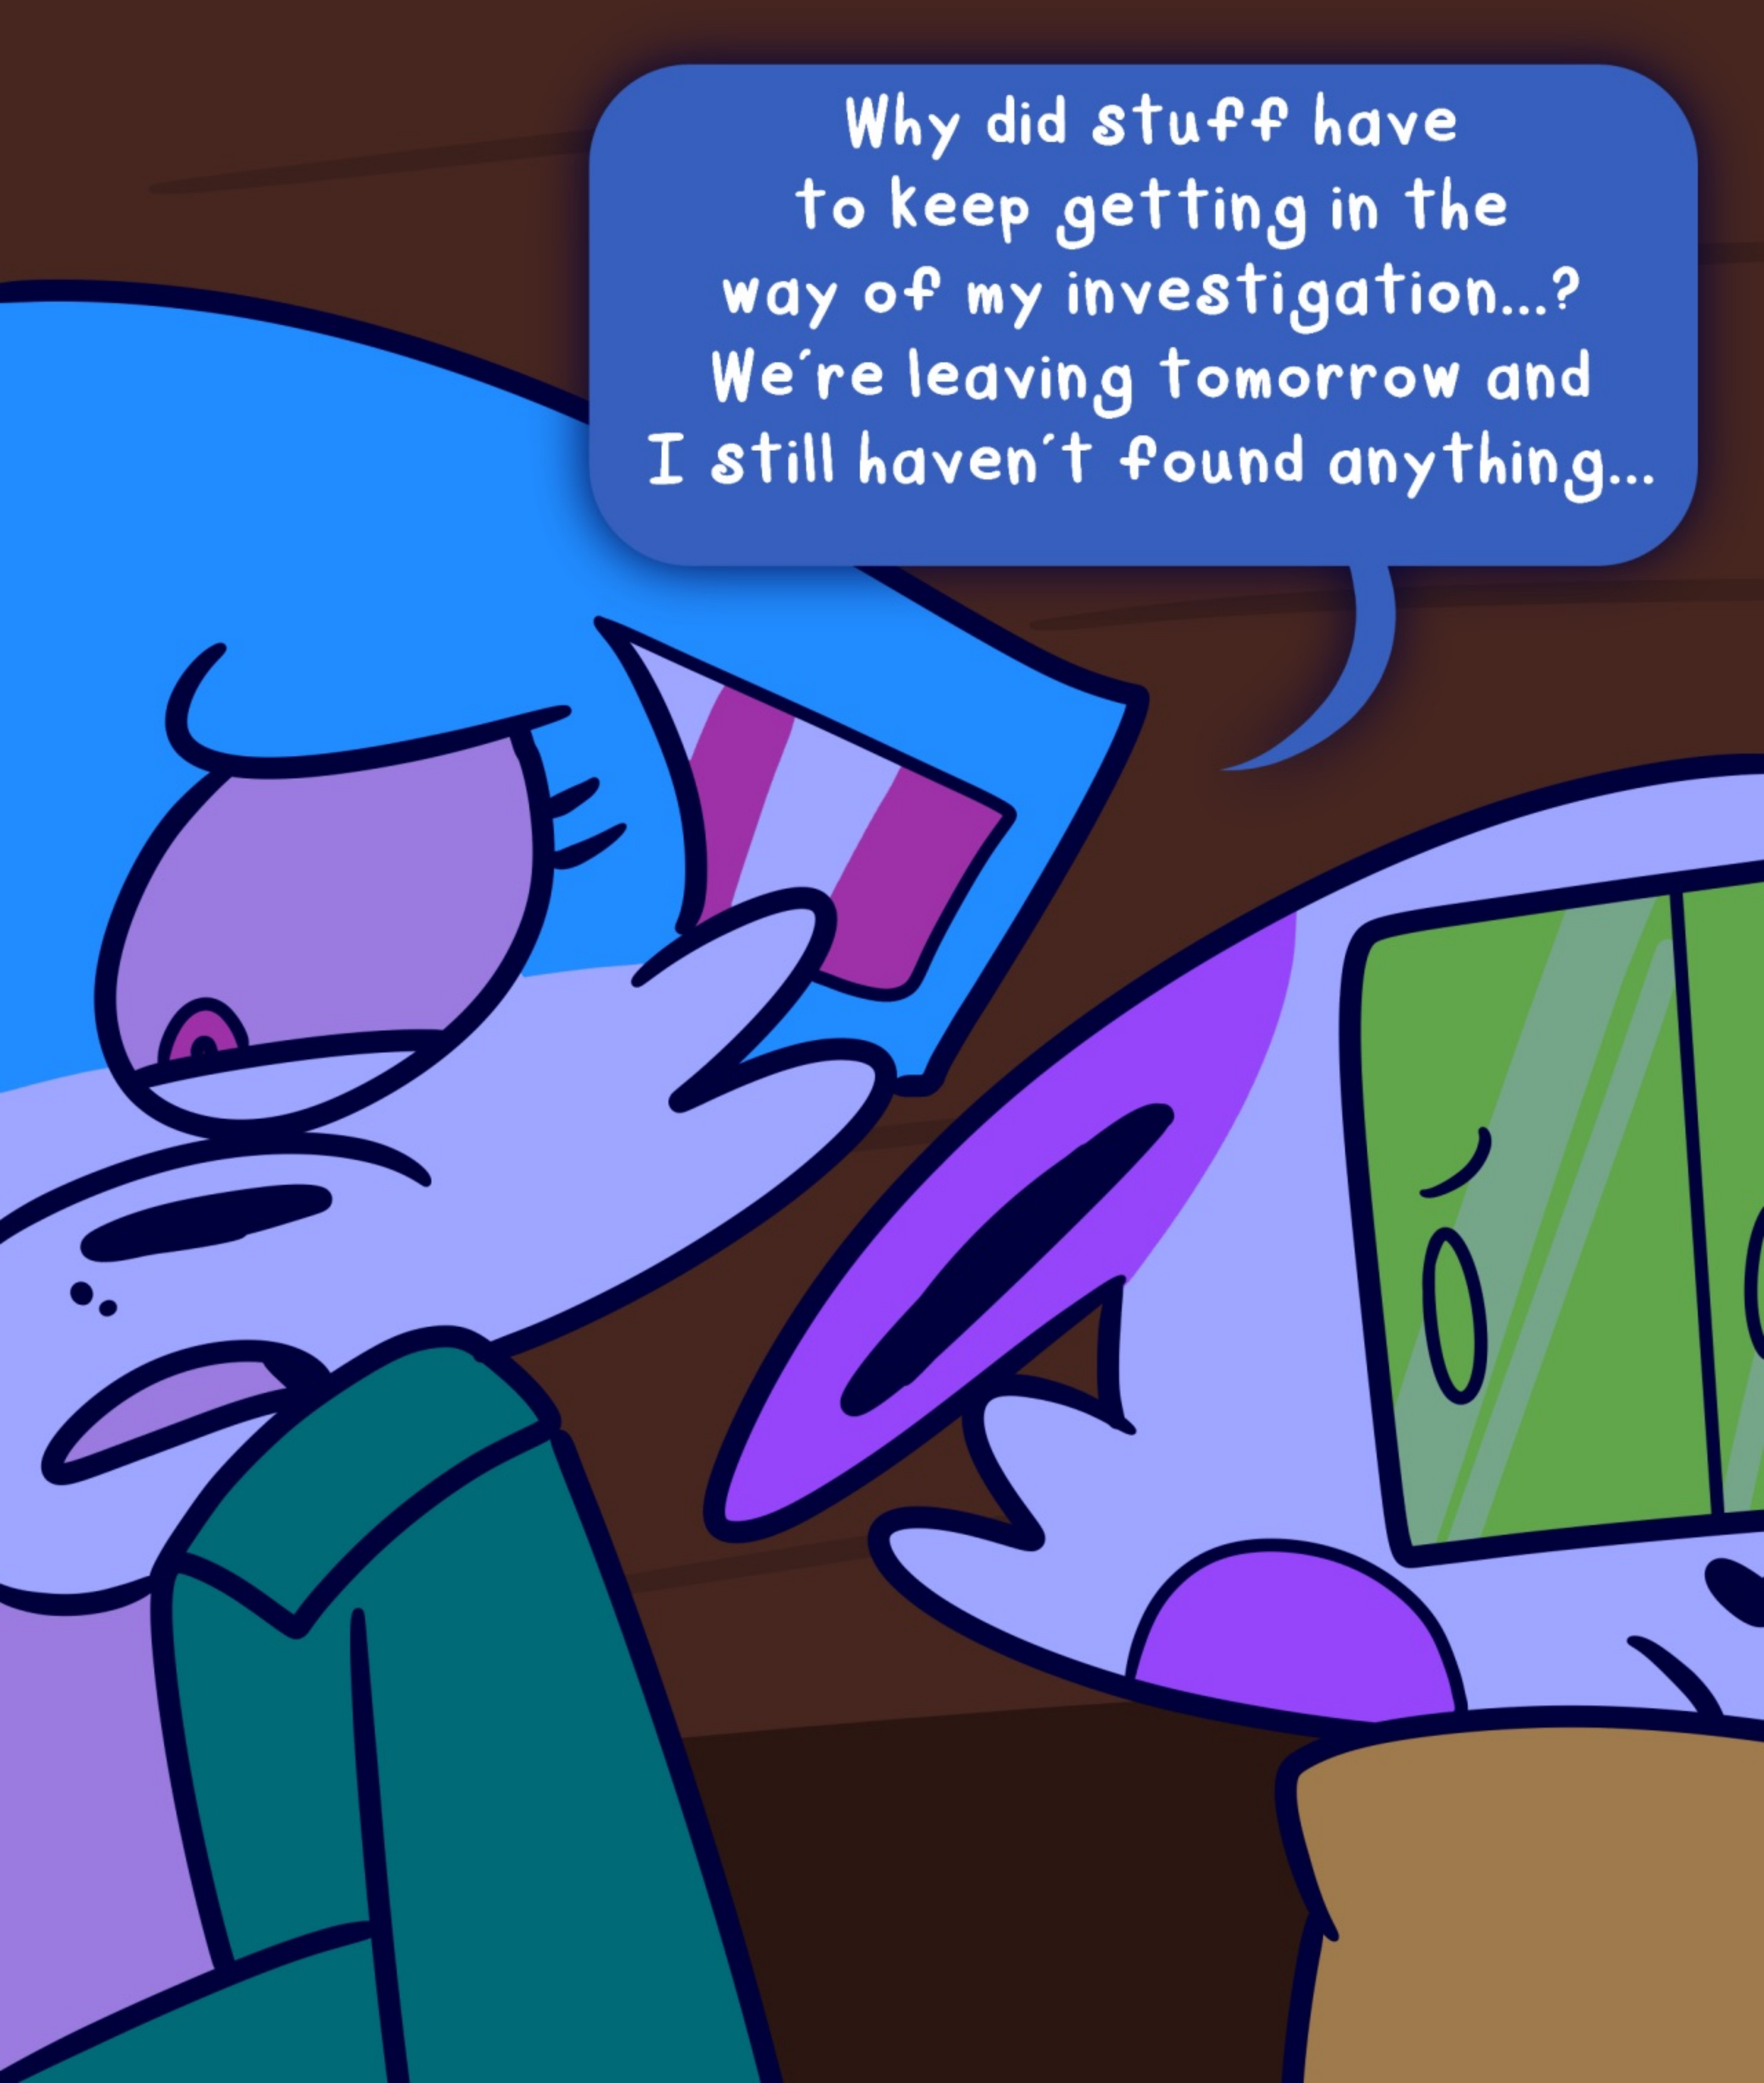


whisper

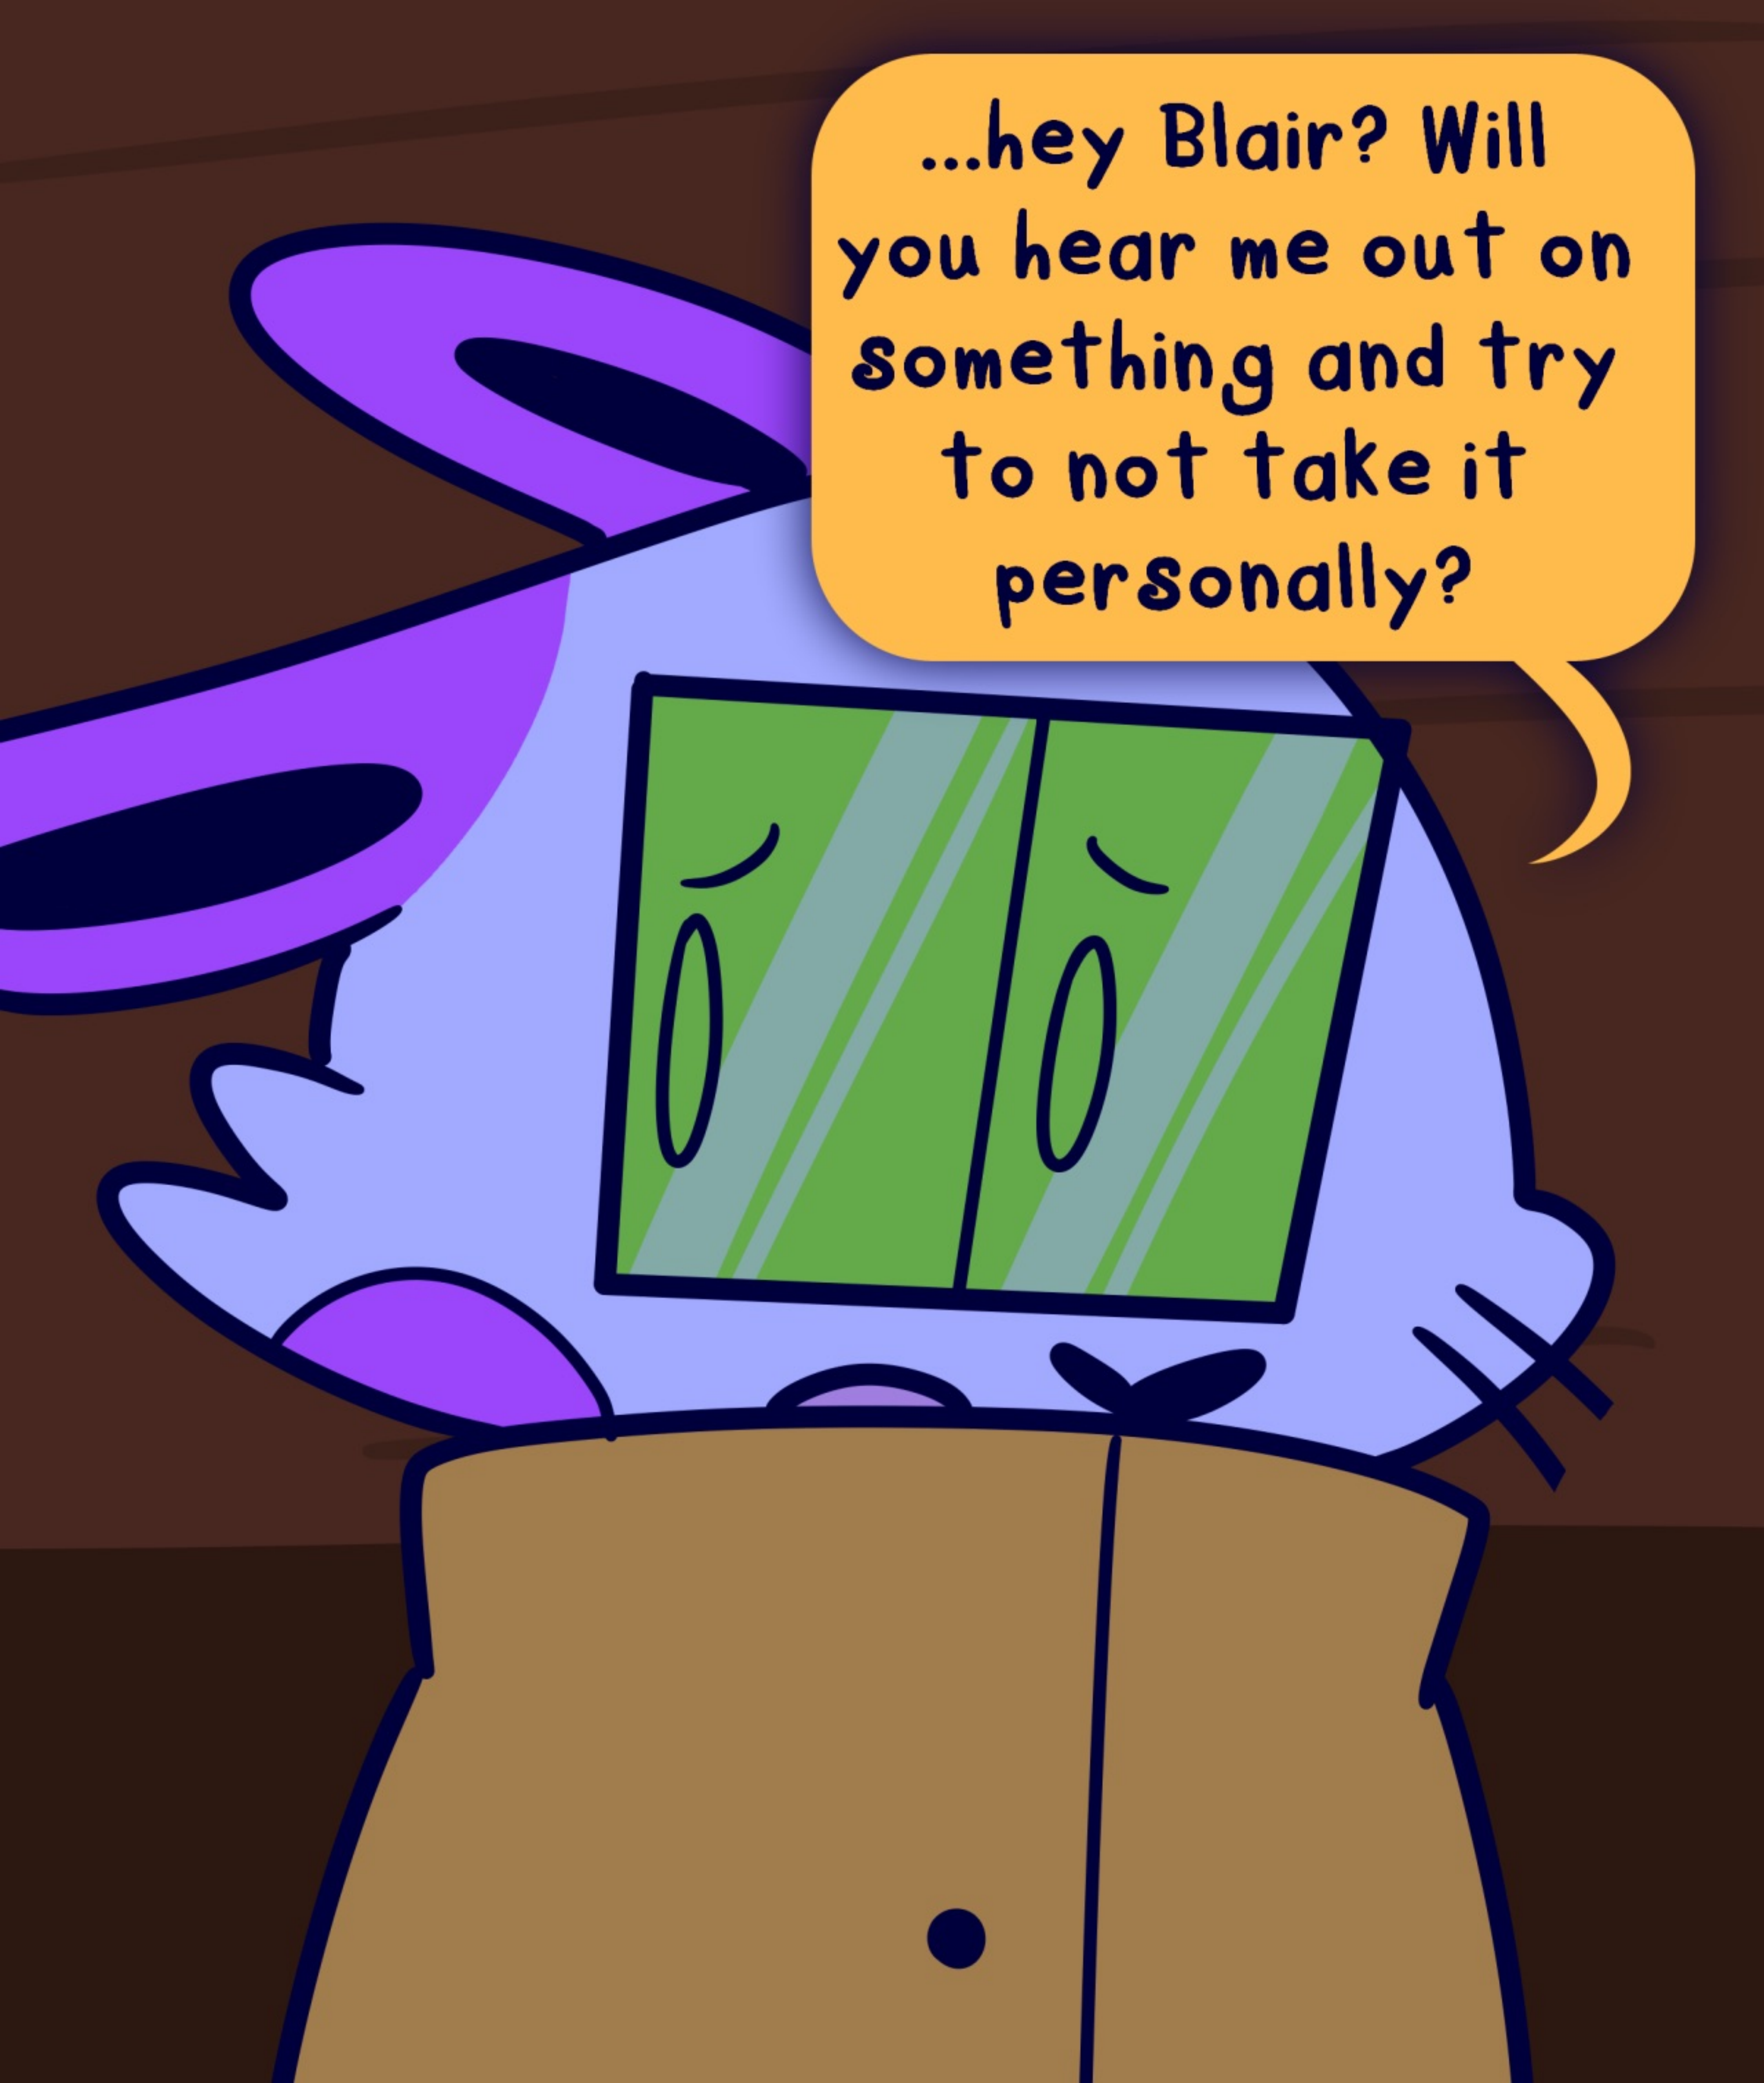


...that´s a great idea, Lessie! I should have thought of that.

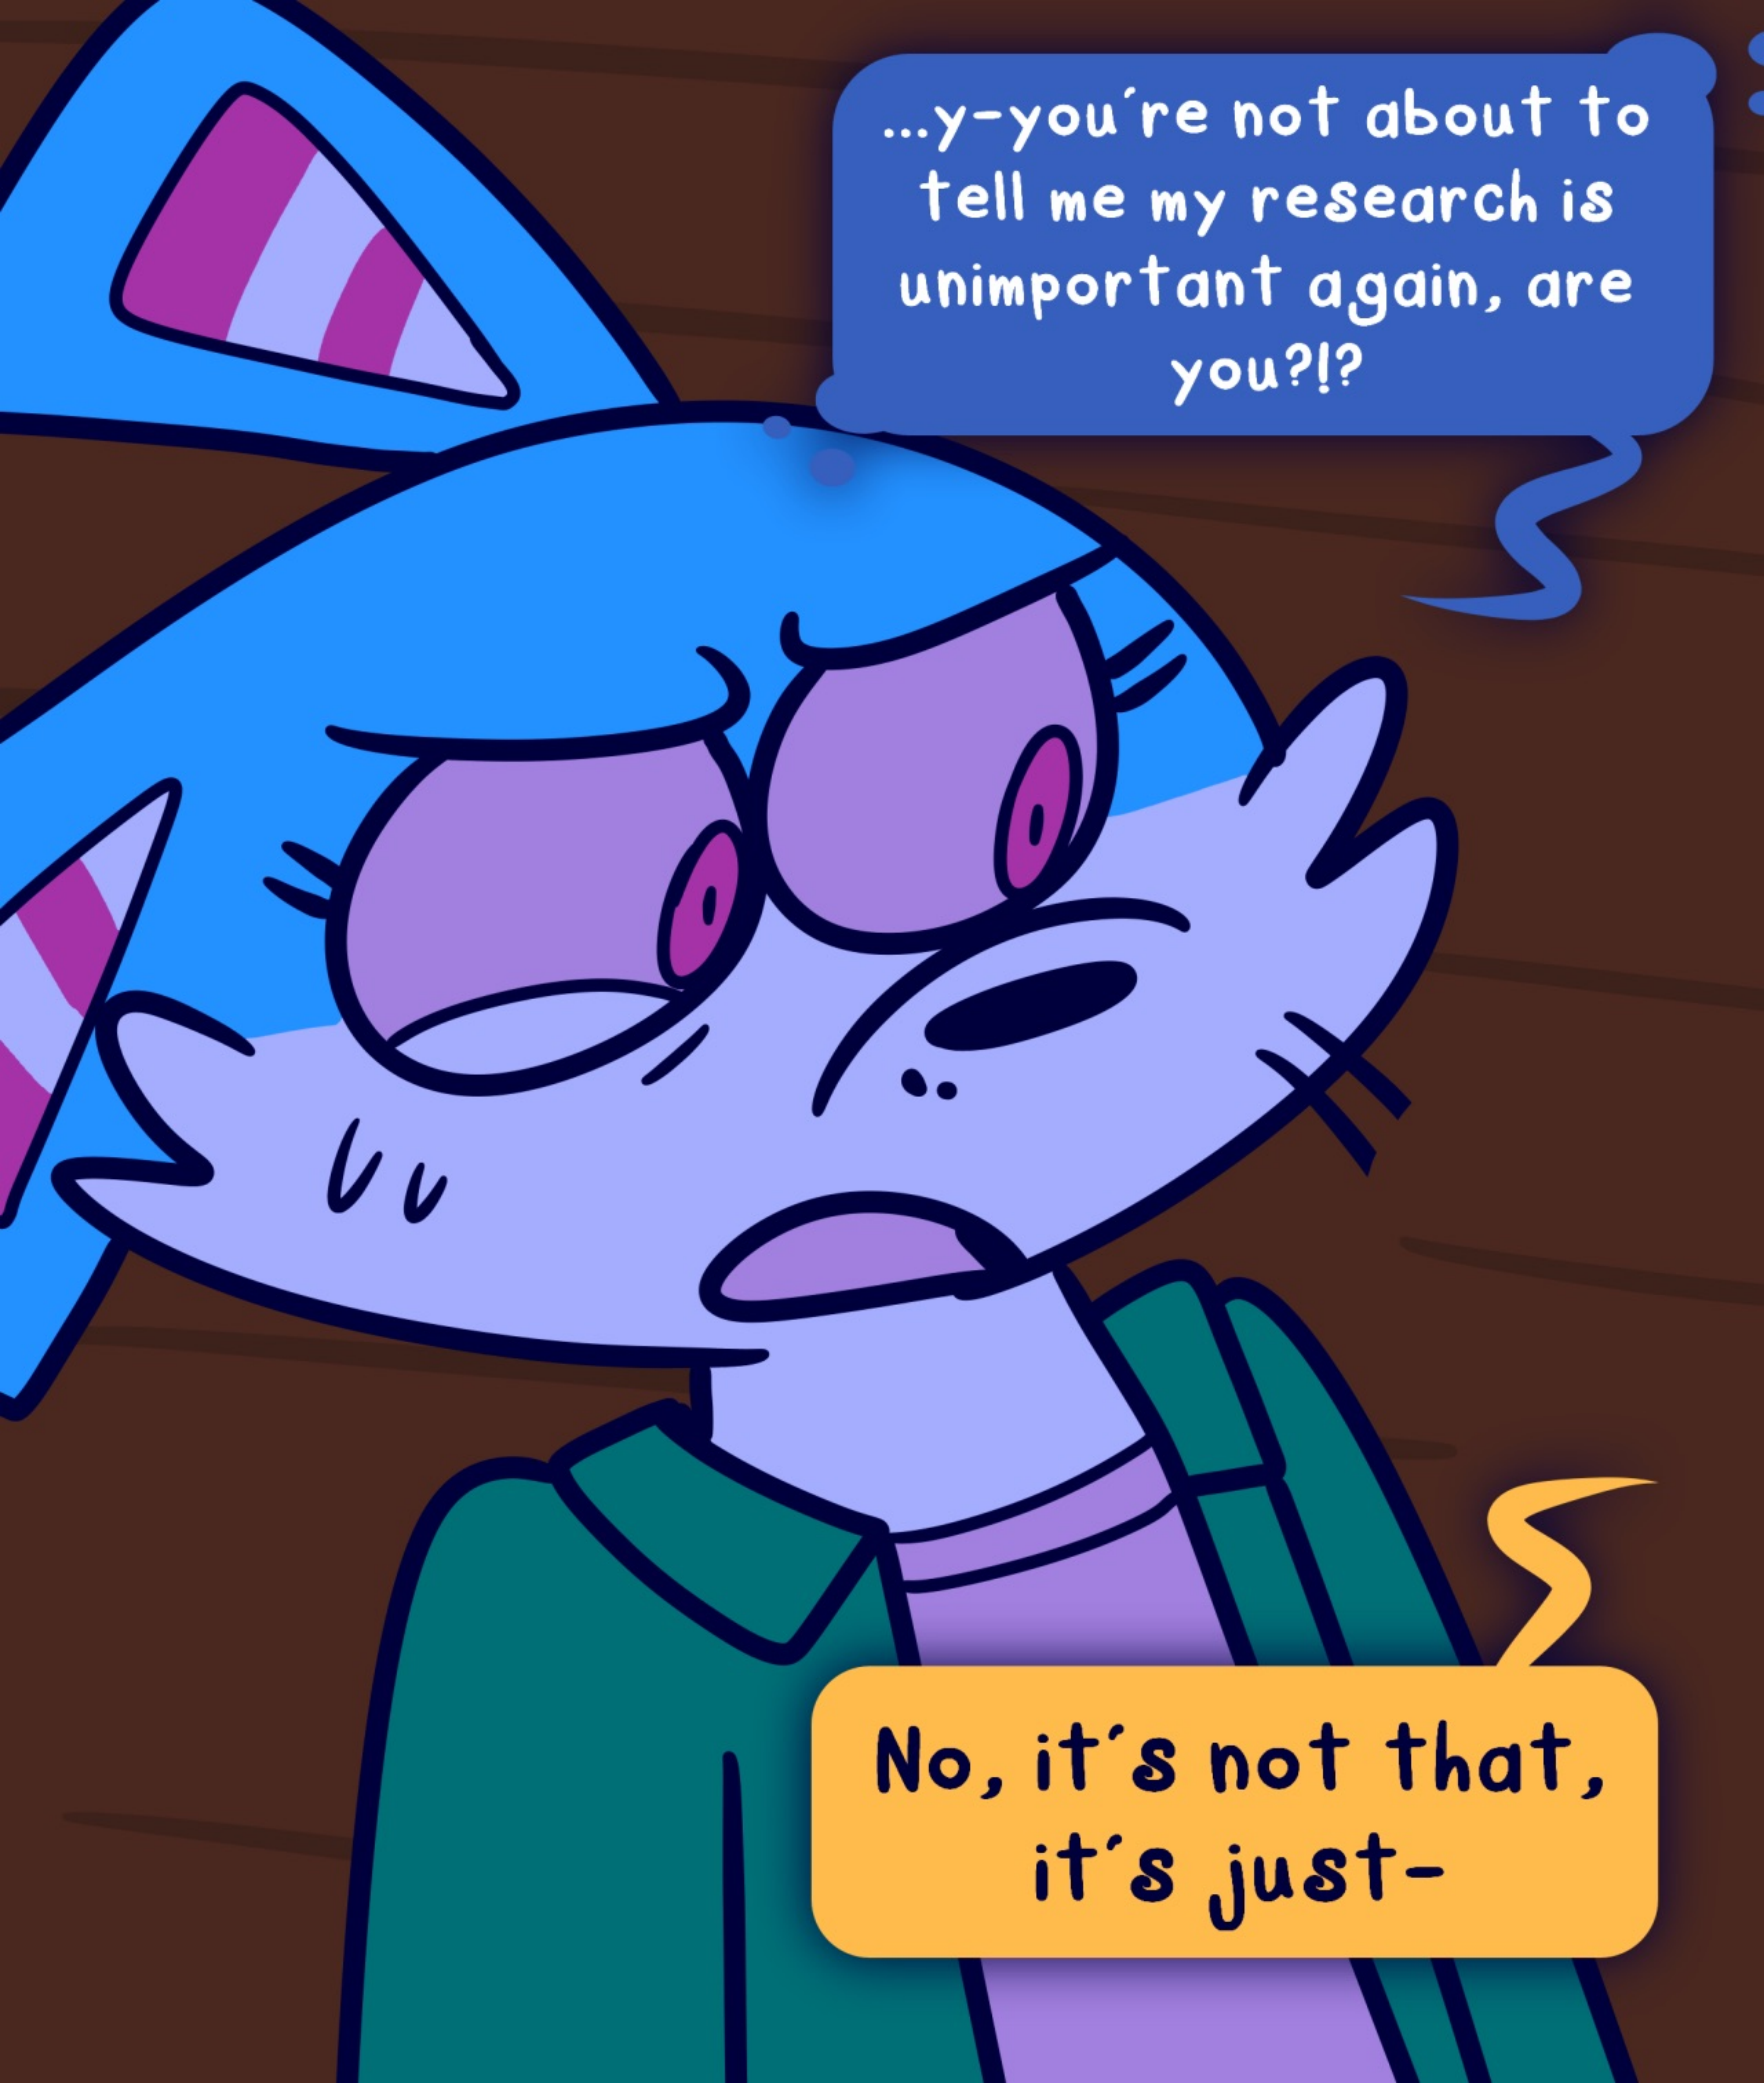




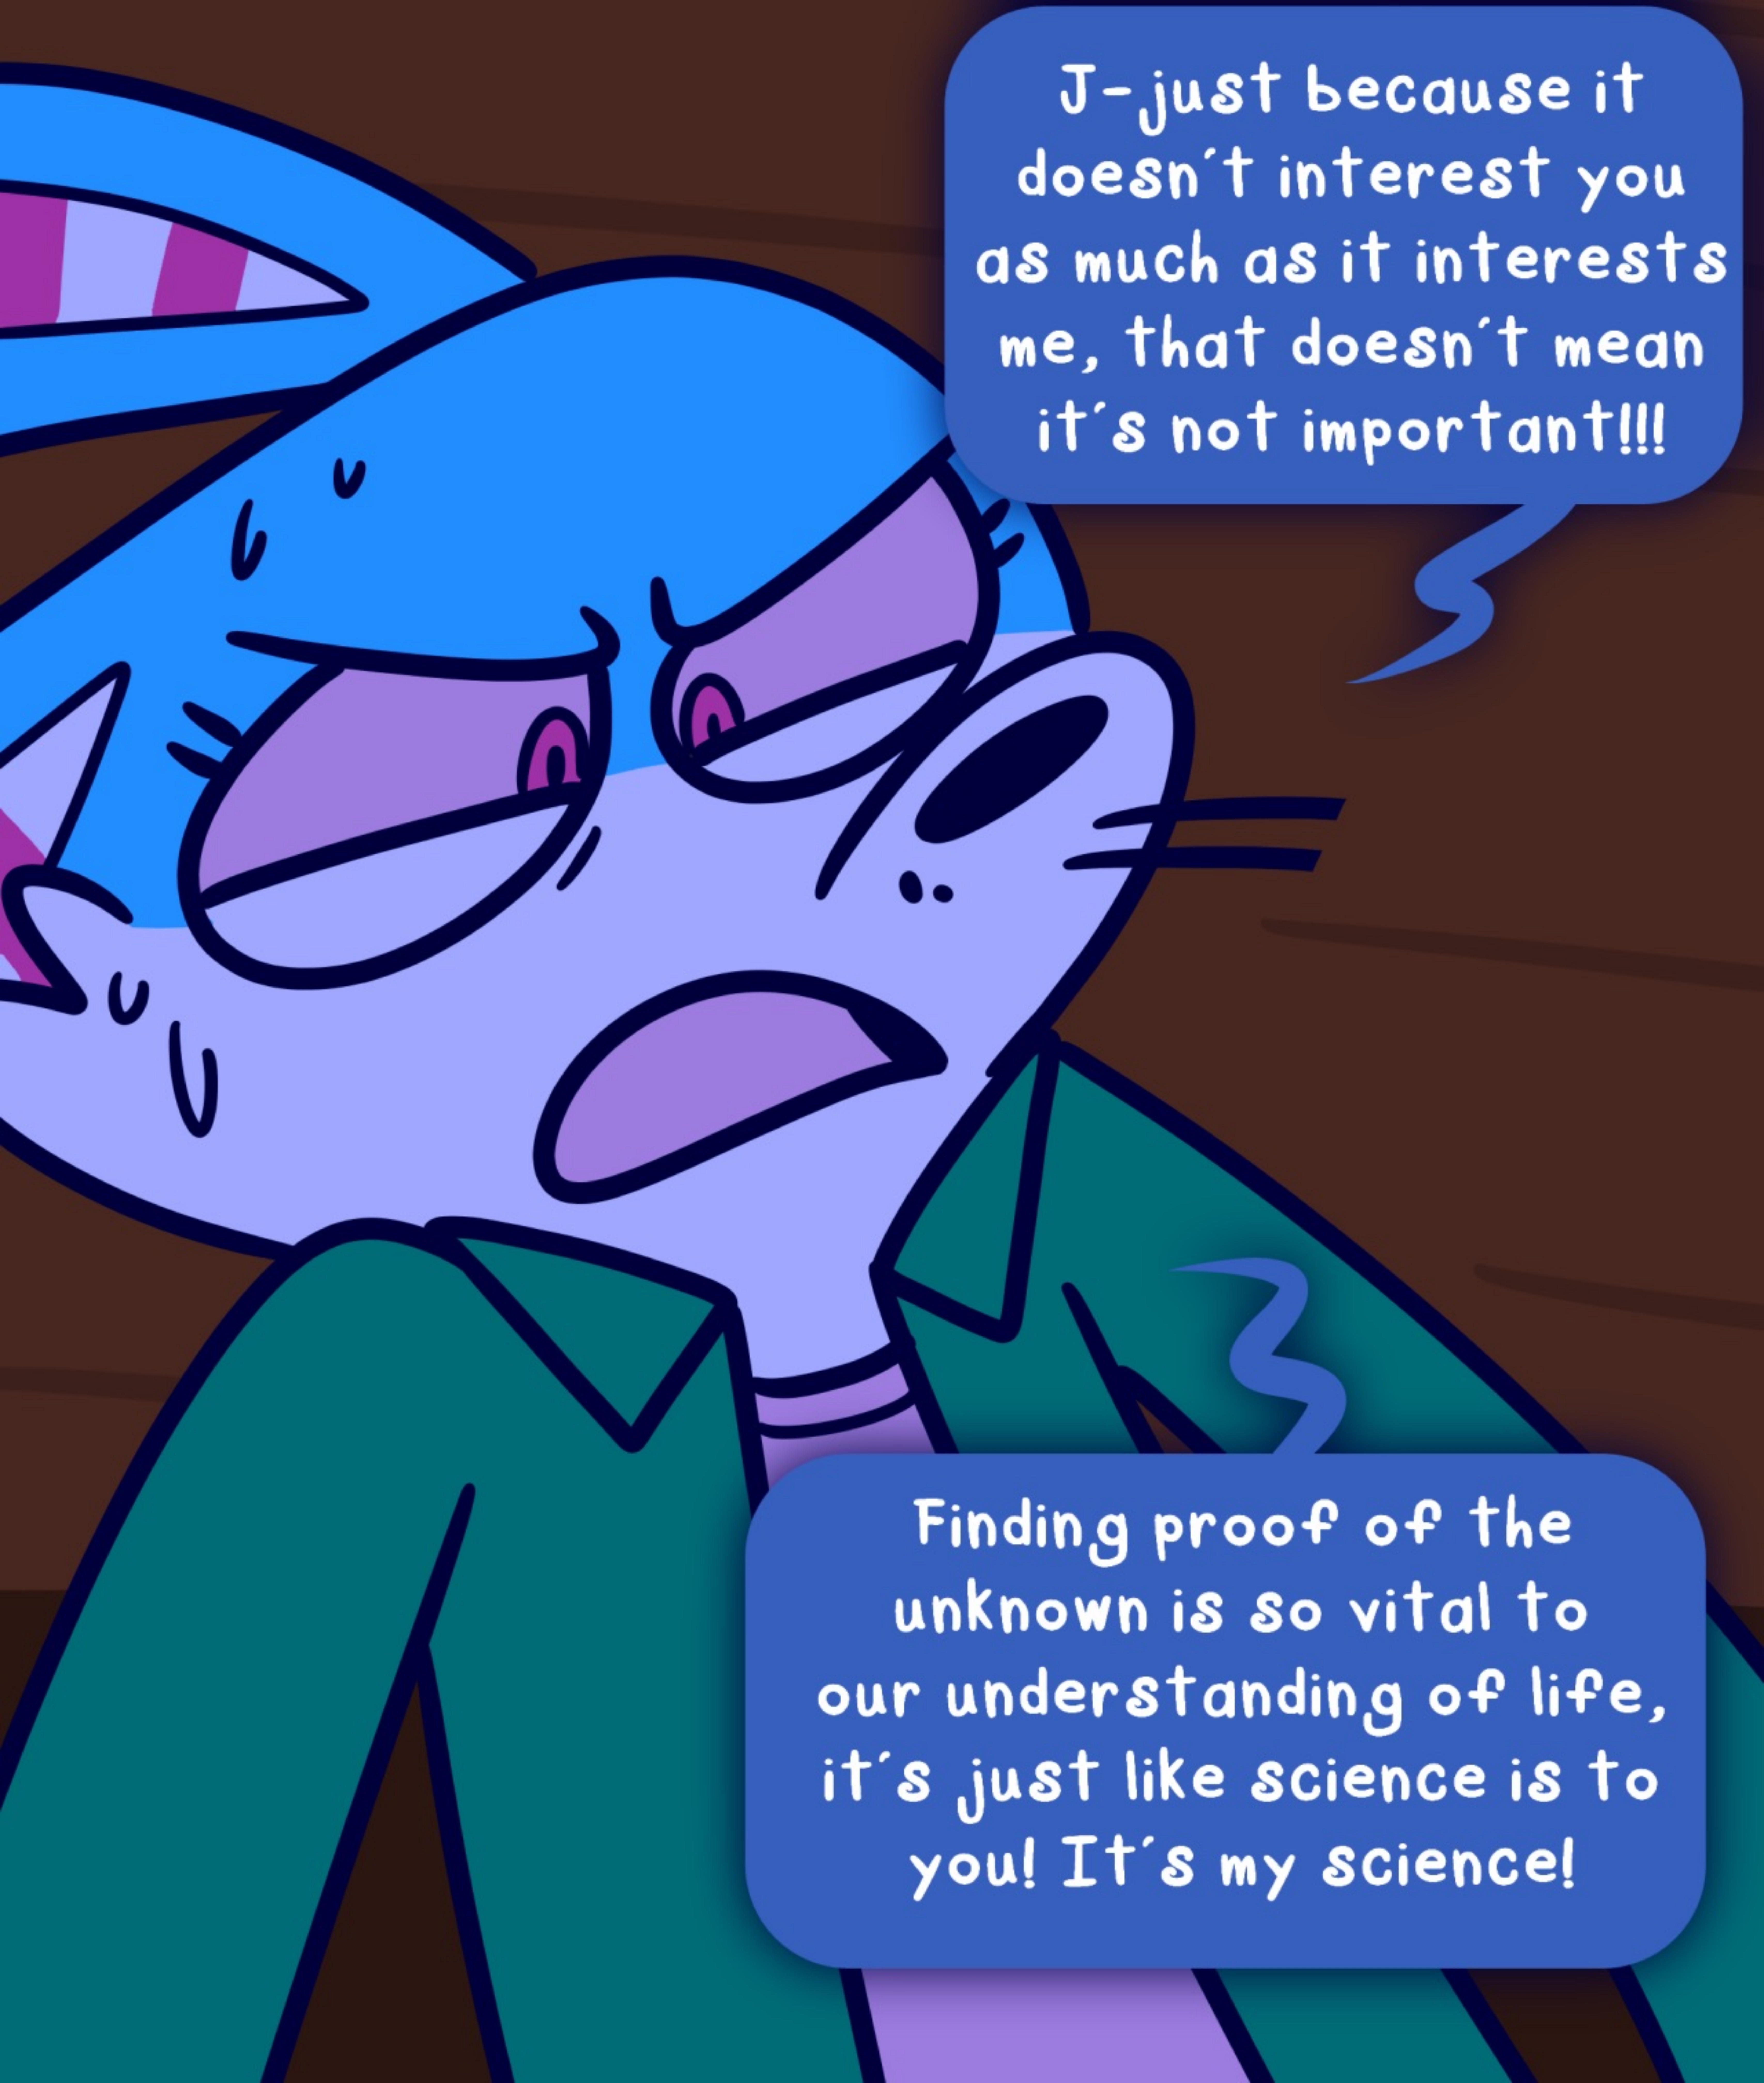
Why did stuff have to keep getting in the way of my investigation...? We're leaving tomorrow and I still haven't found anything...



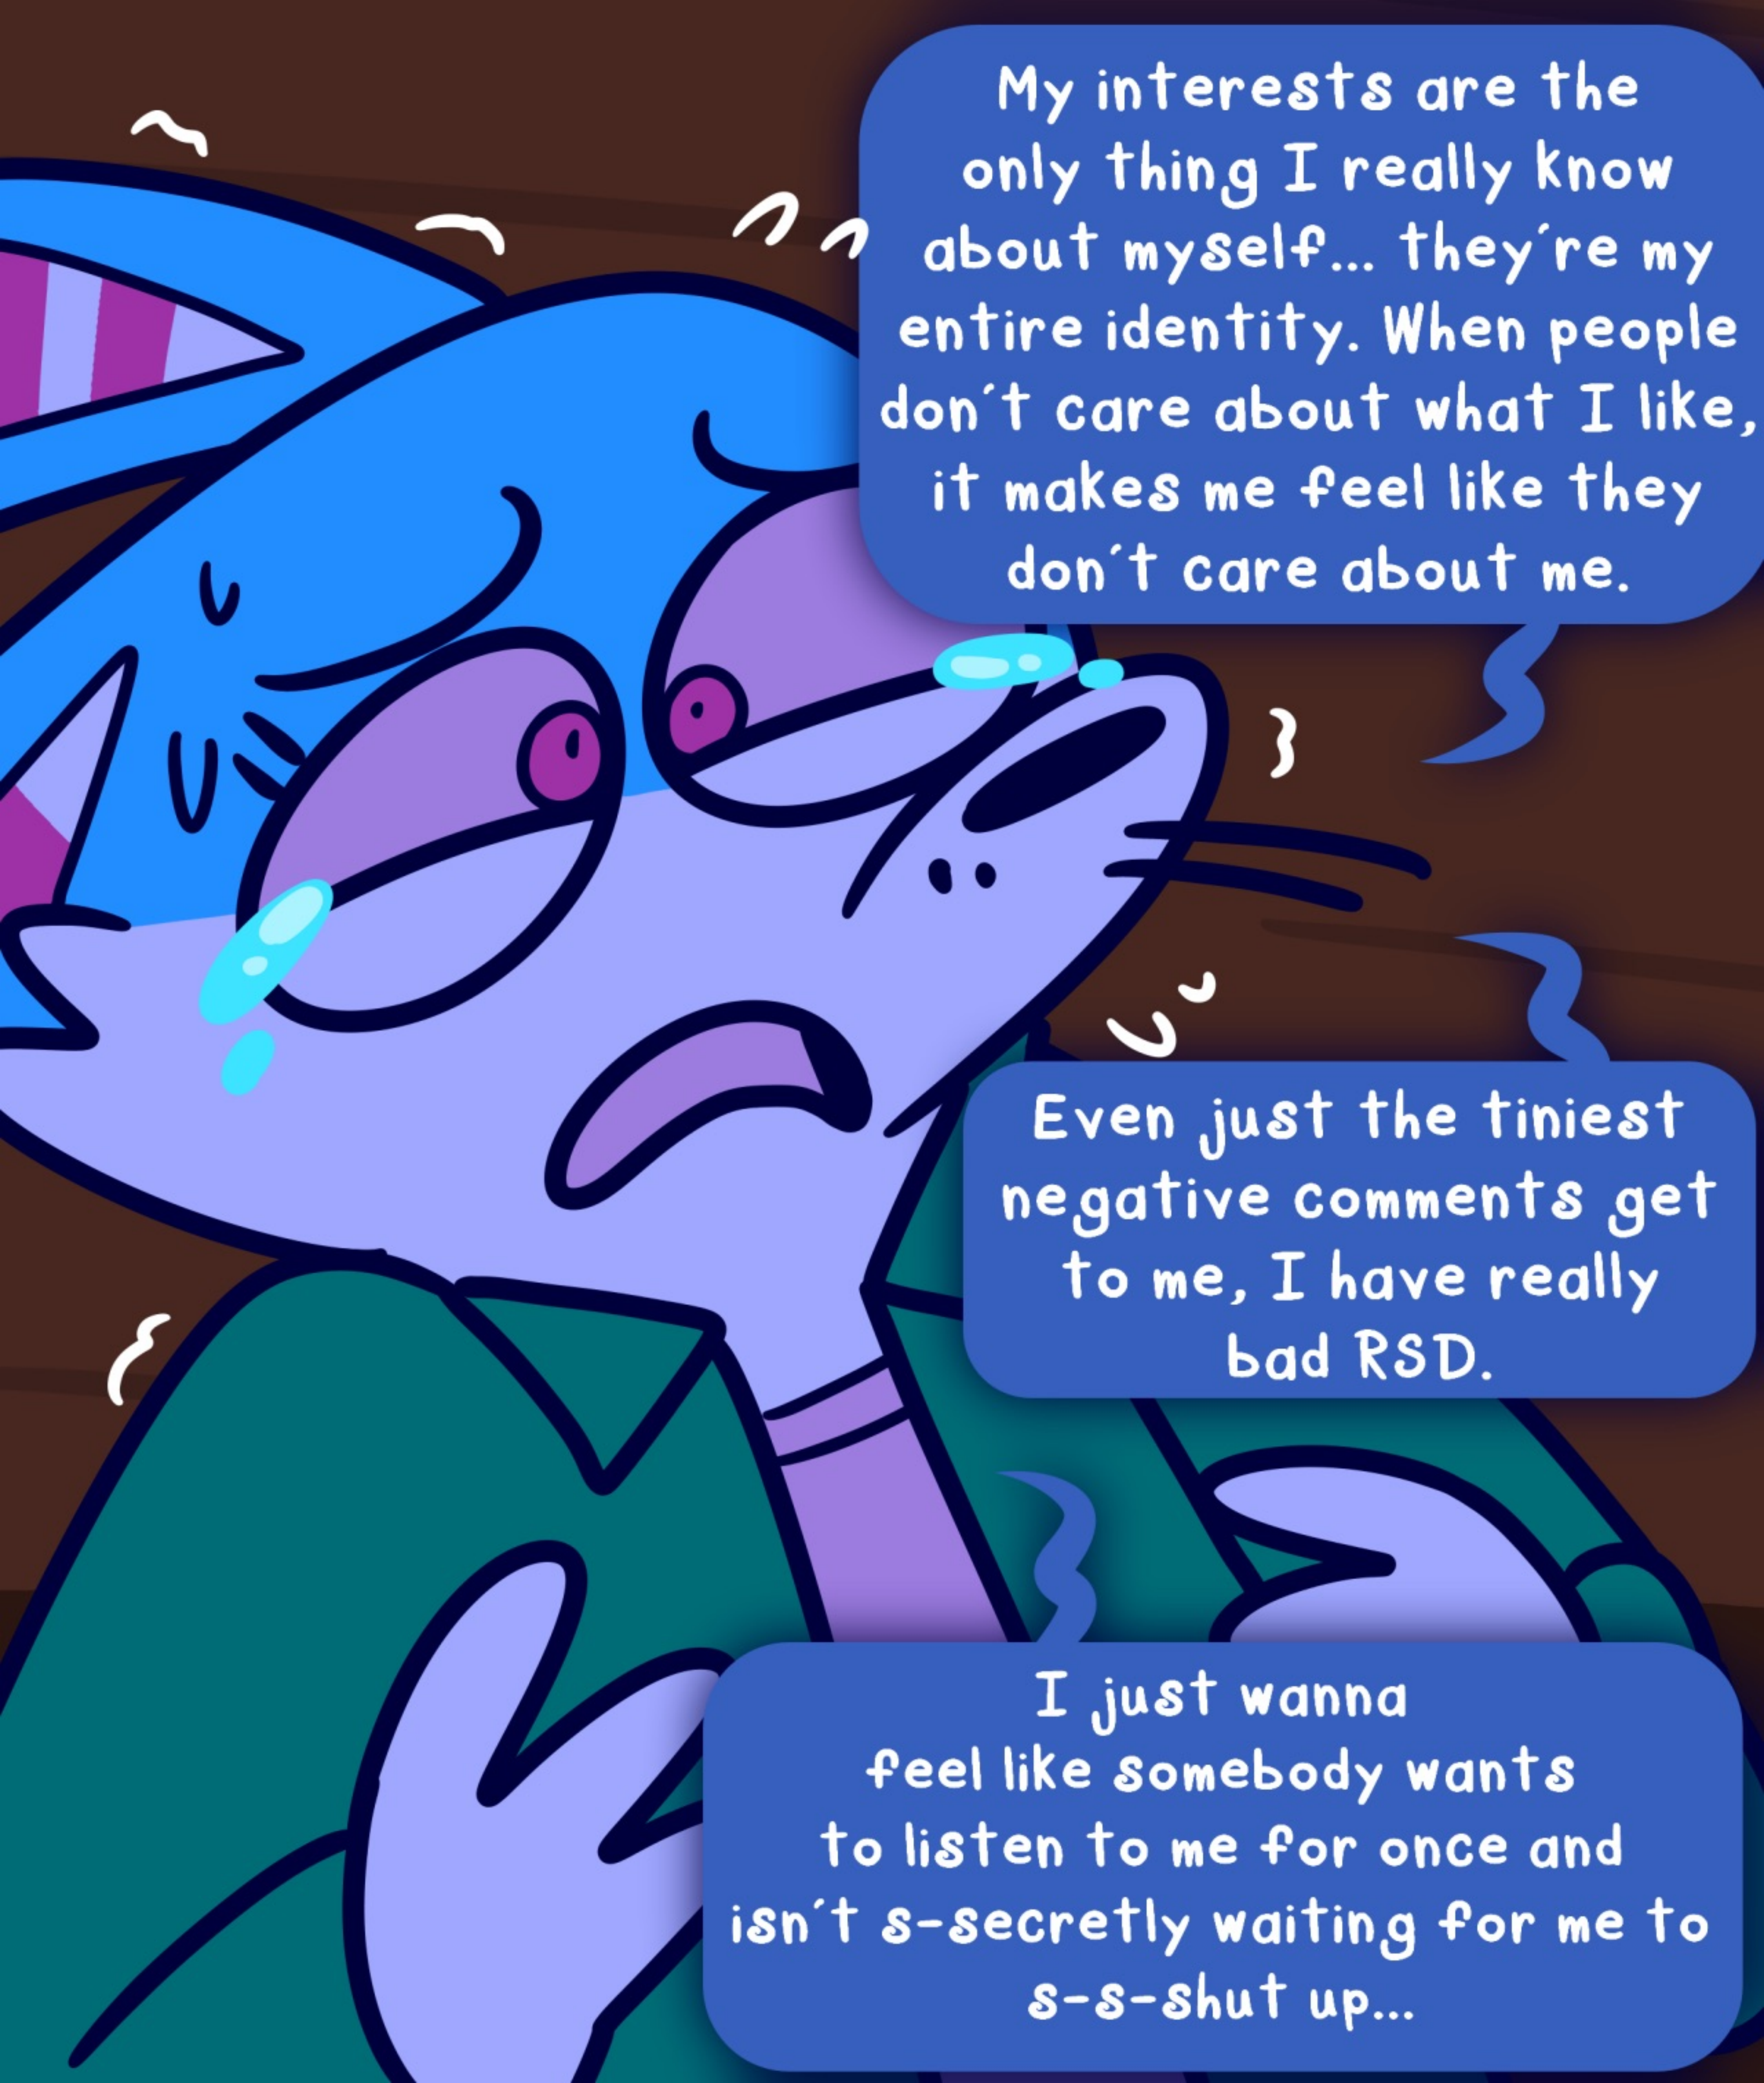
...hey Blair? Will you hear me out on something and try to not take it personally?



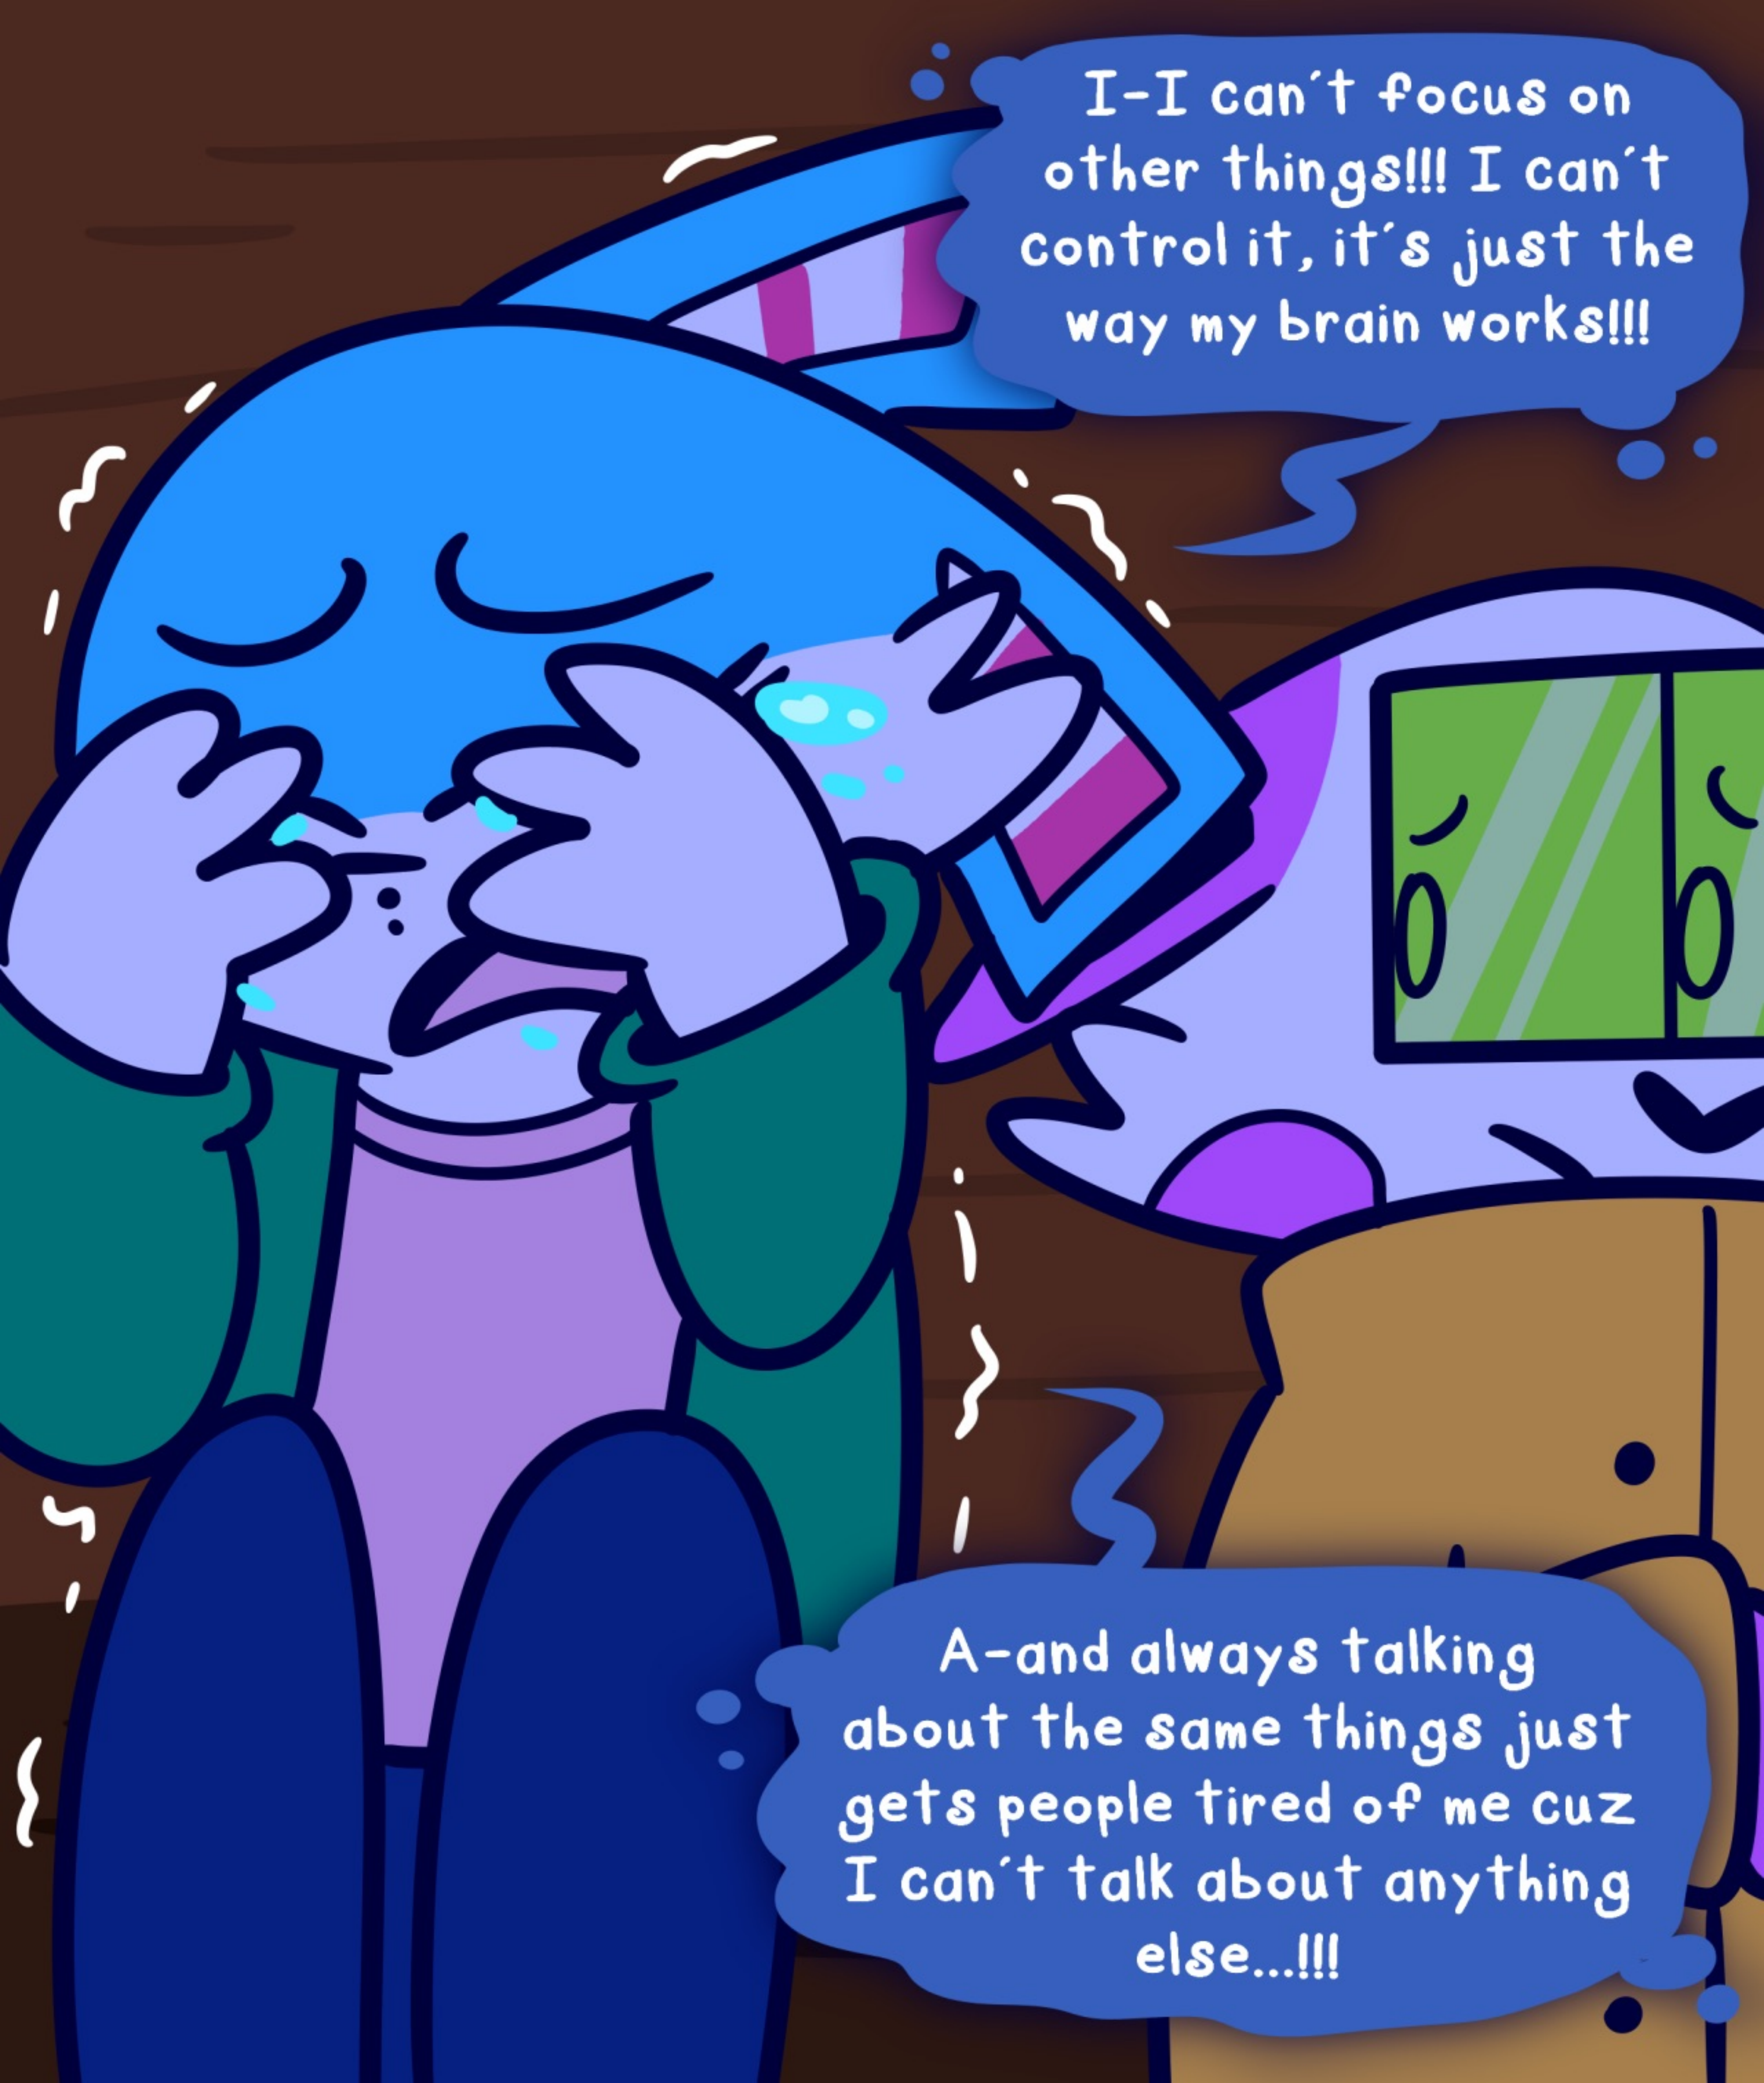
...y-you´re not about to tell me my research is unimportant again, are you?!?
No, it´s not that, it´s just-



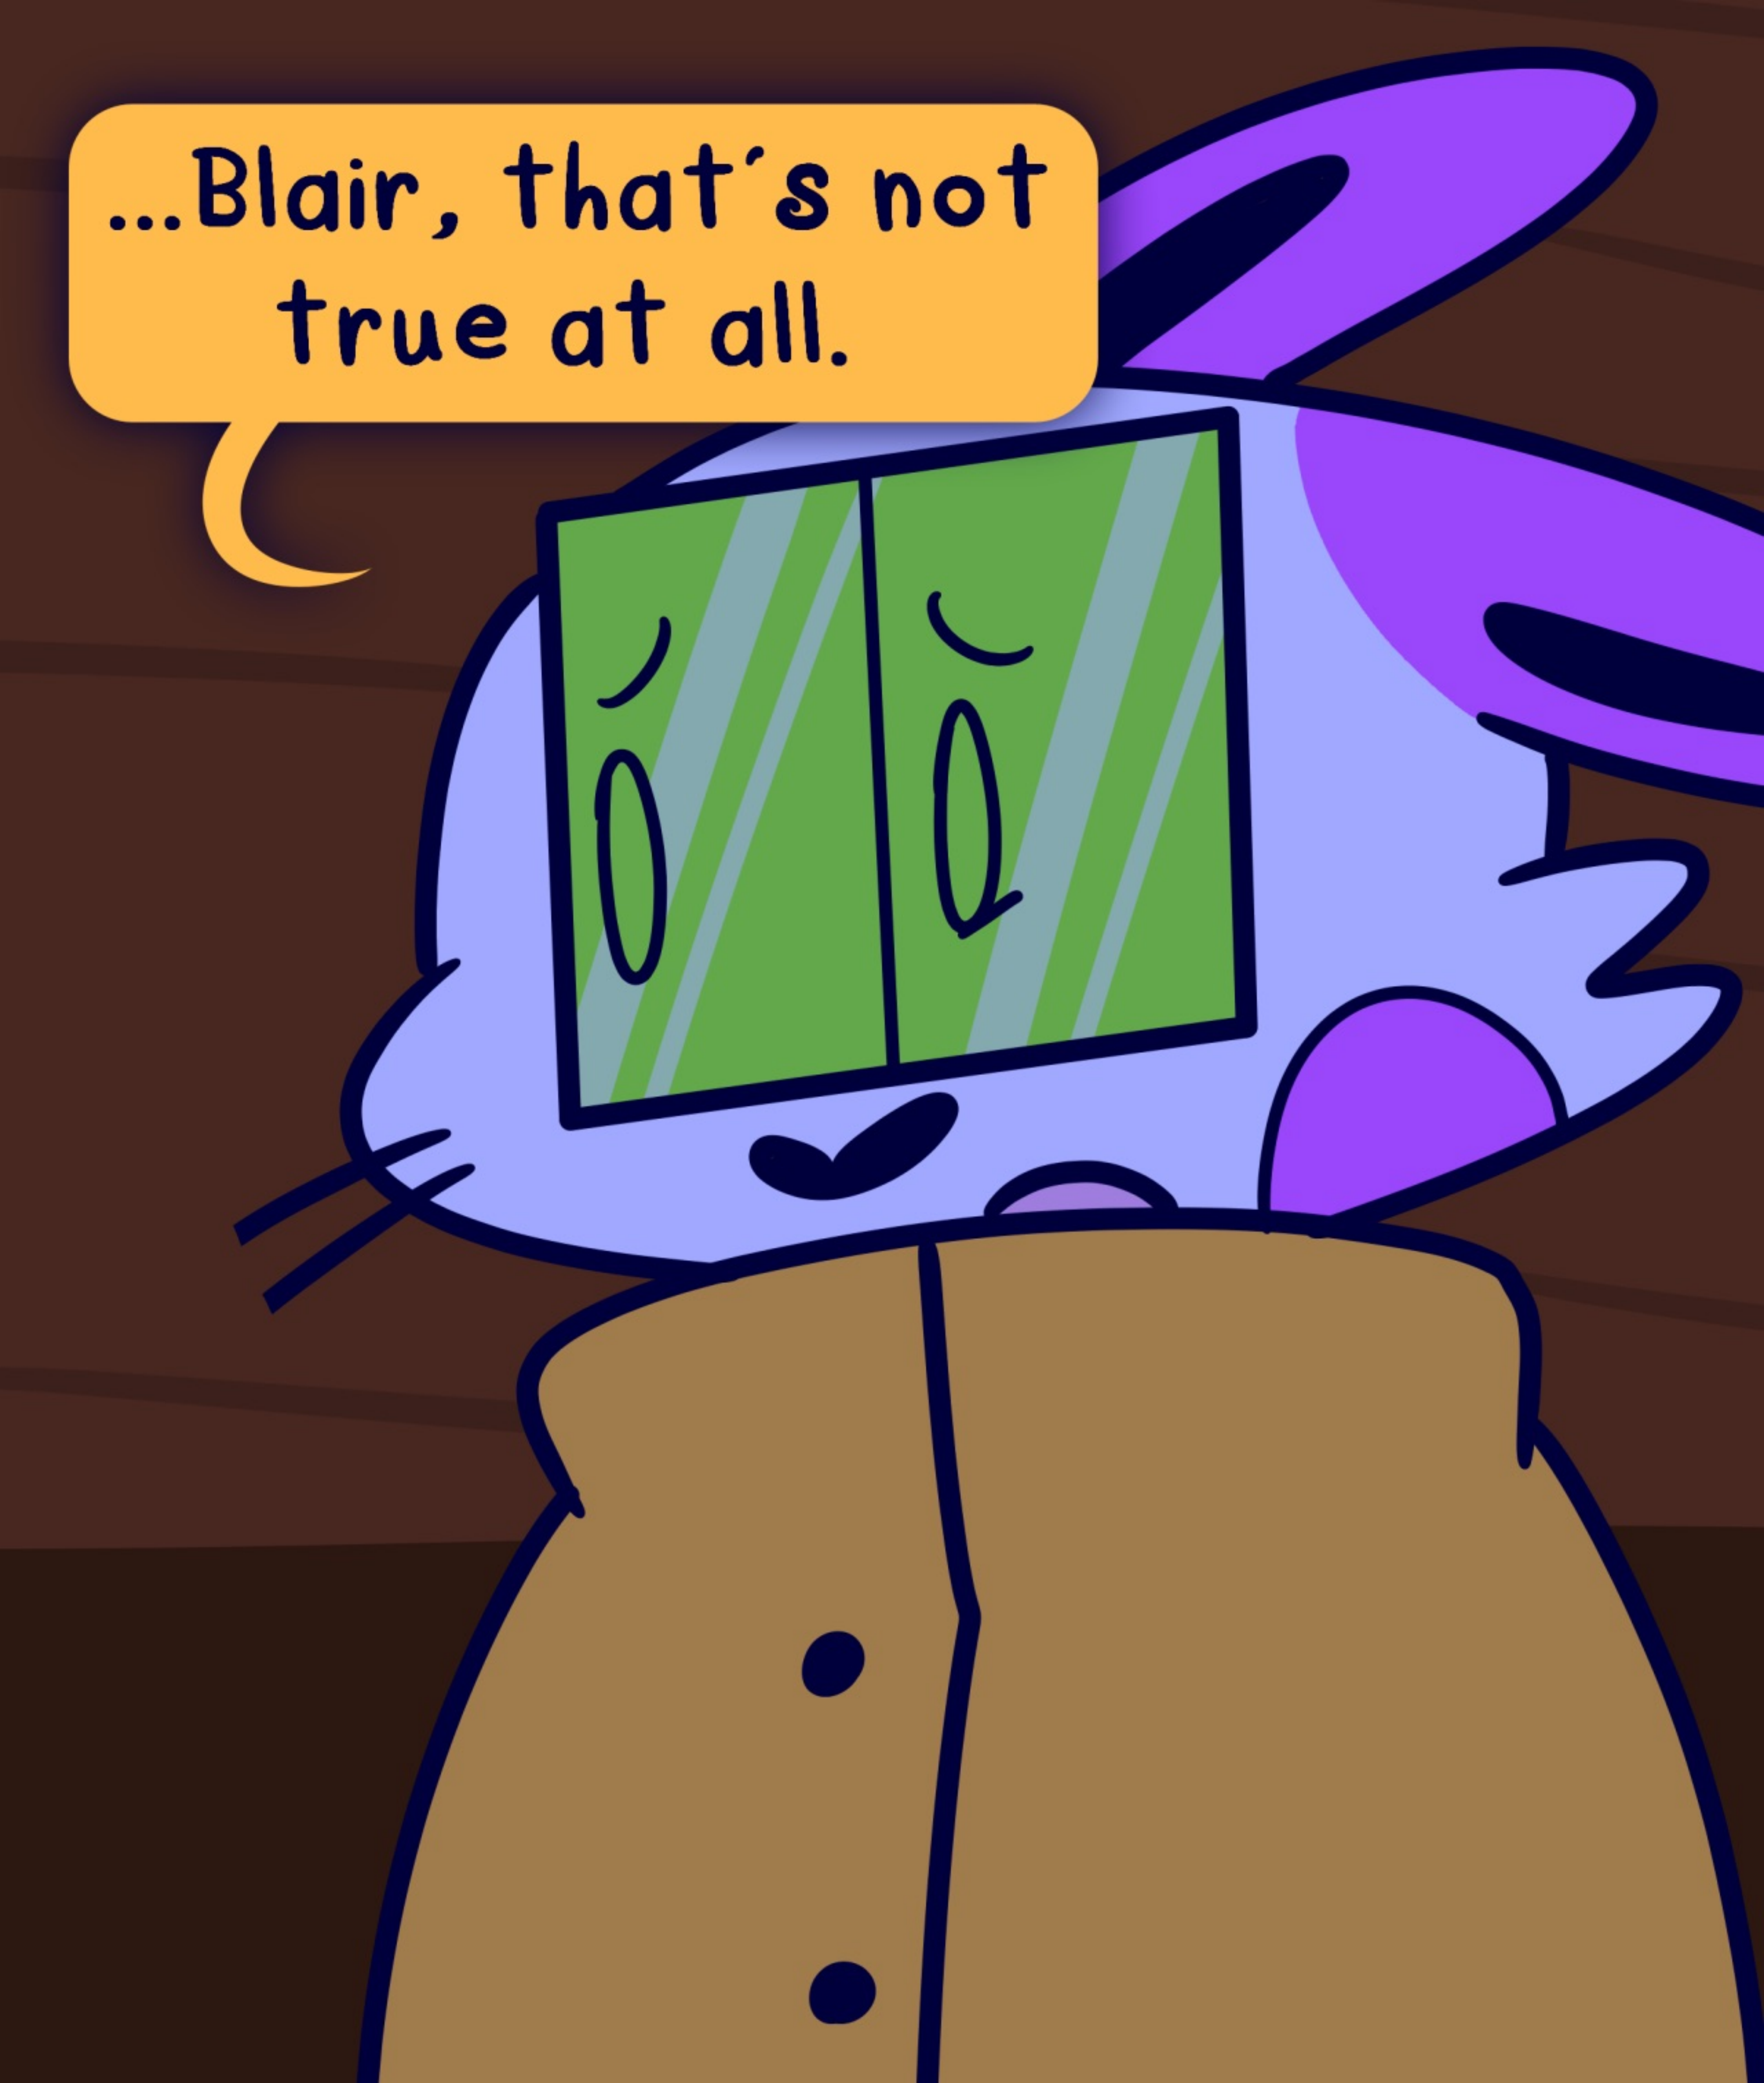
J-just because it doesn´t interest you as much as it interests me, that doesn´t mean it´s not important!!!
Finding proof of the unknown is so vital to our understanding of life, it´s just like science is to you! It´s my science!



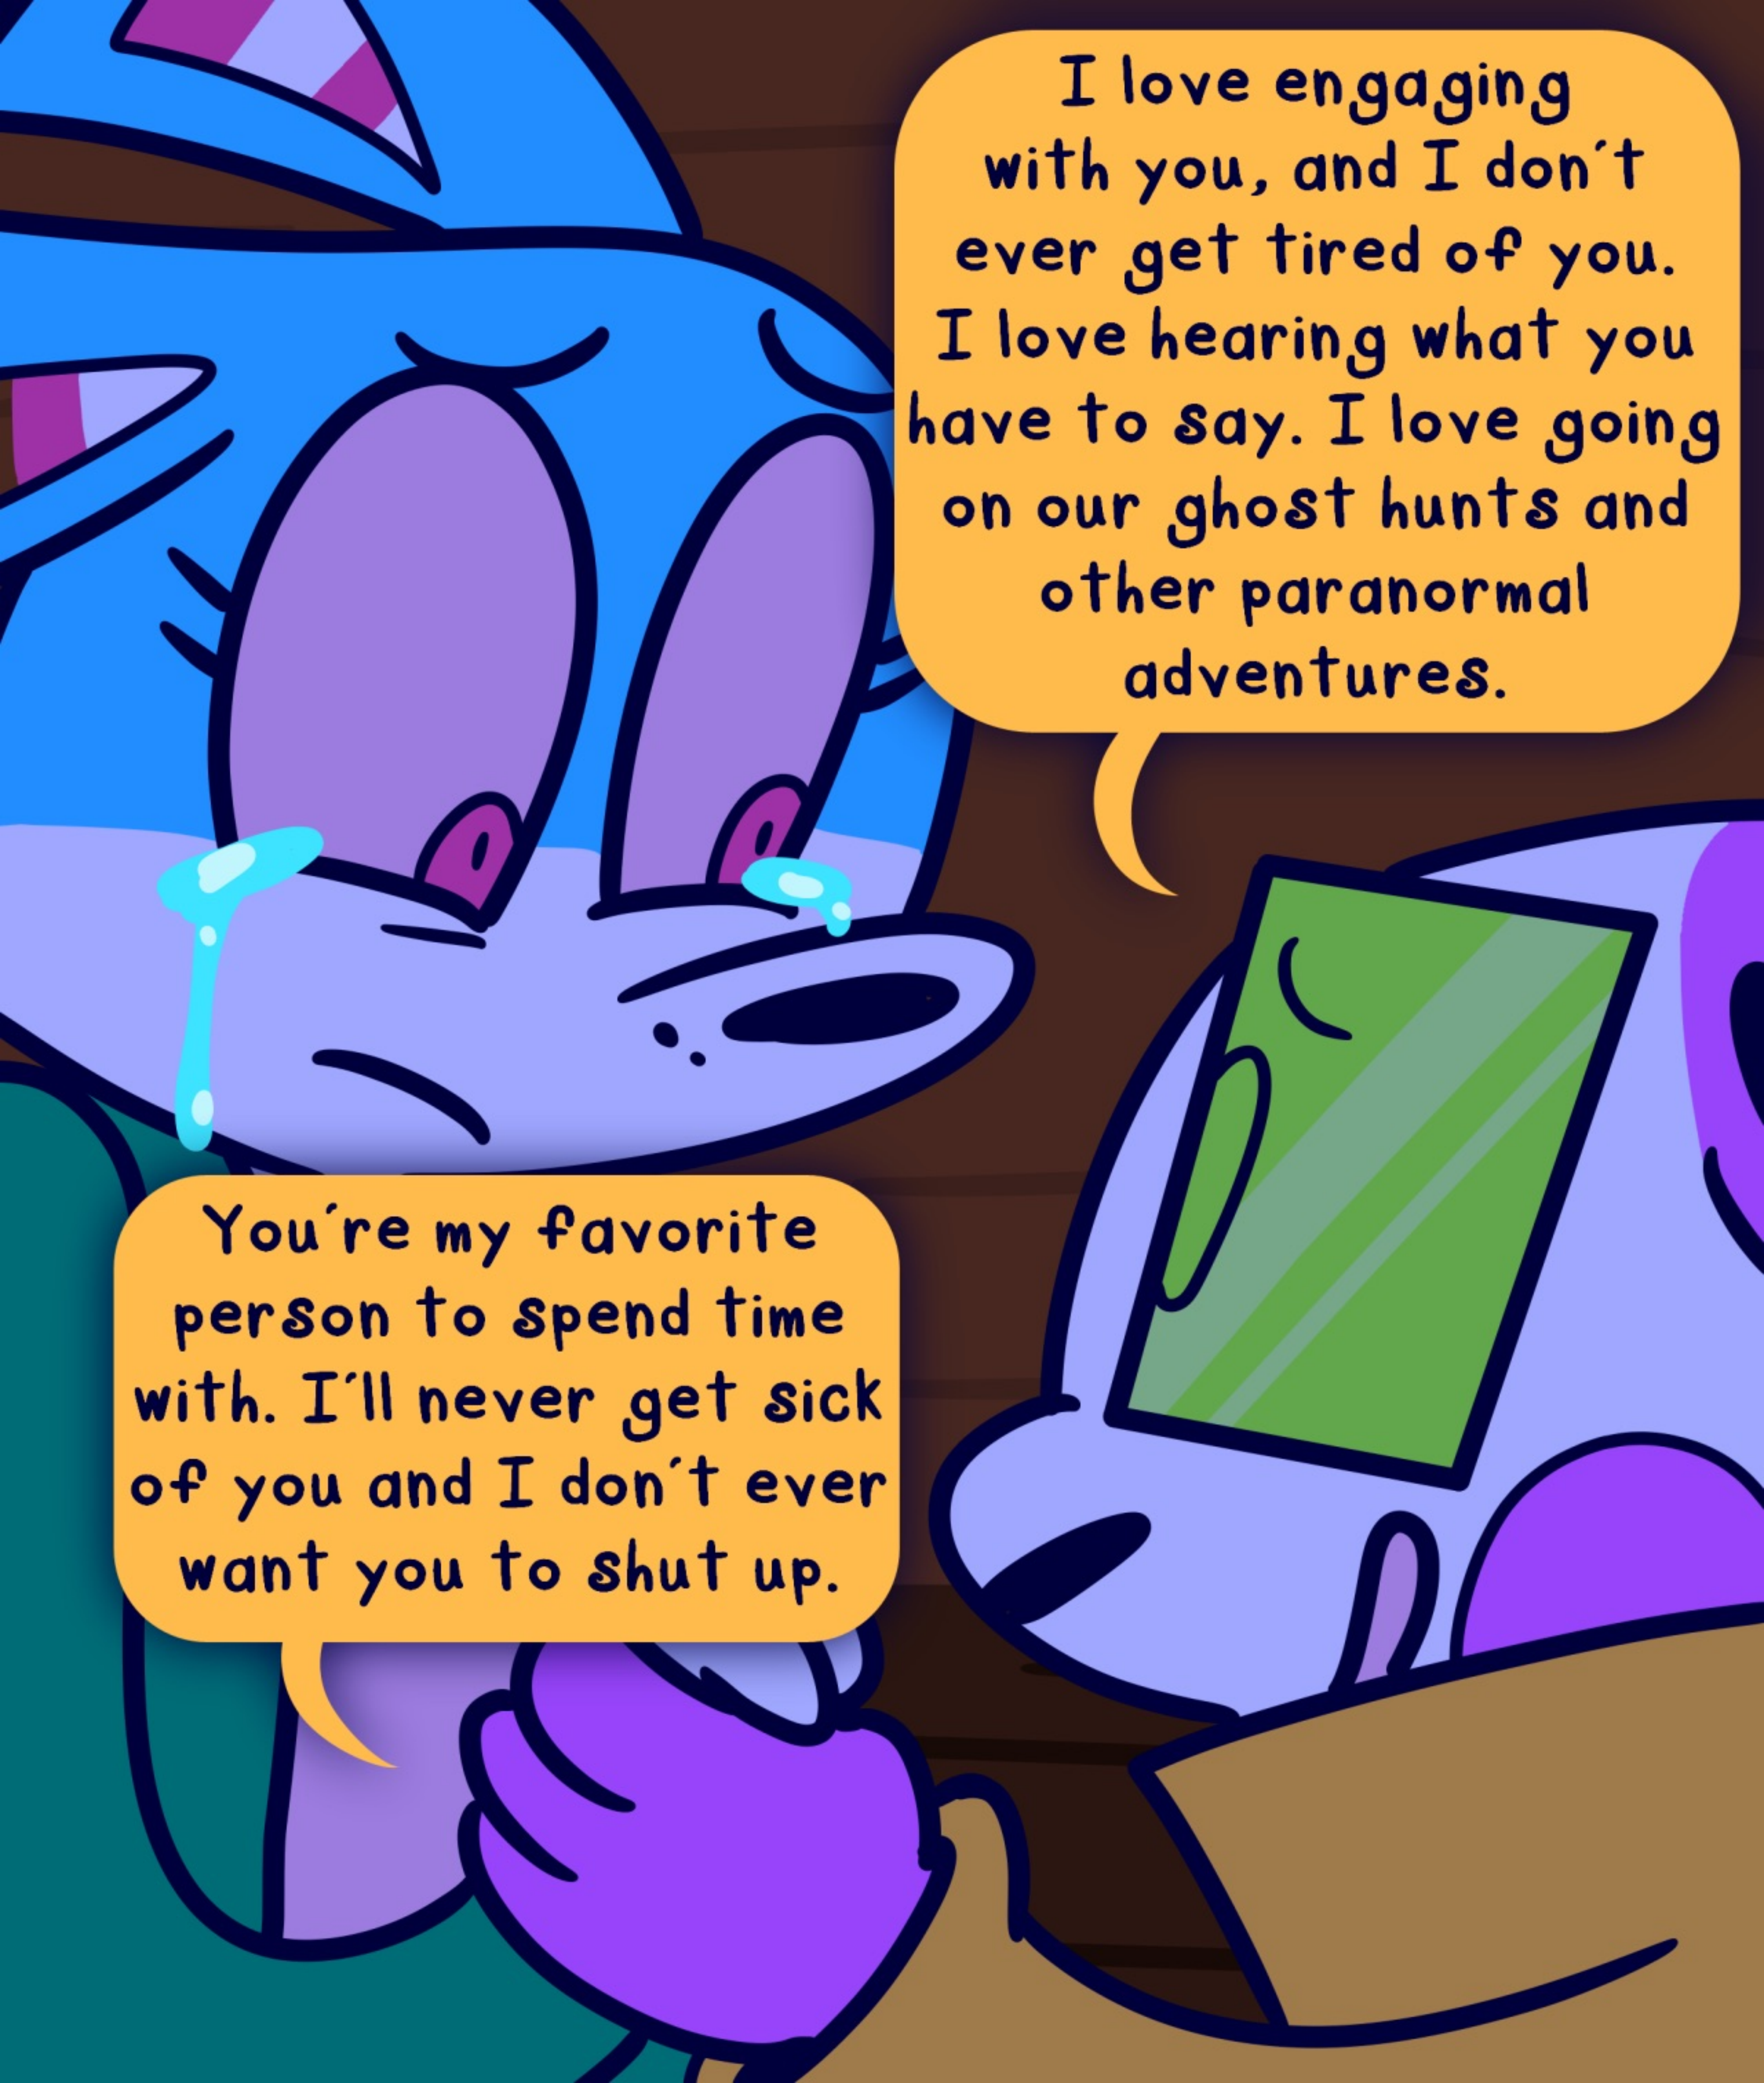
My interests are the only thing I really know about myself... they're my entire identity. When people don't care about what I like, it makes me feel like they don't care about me.
Even just the tiniest negative comments get to me, I have really bad RSD.
I just wanna feel like somebody wants to listen to me for once and isn't s-secretly waiting for me to s-s-shut up...



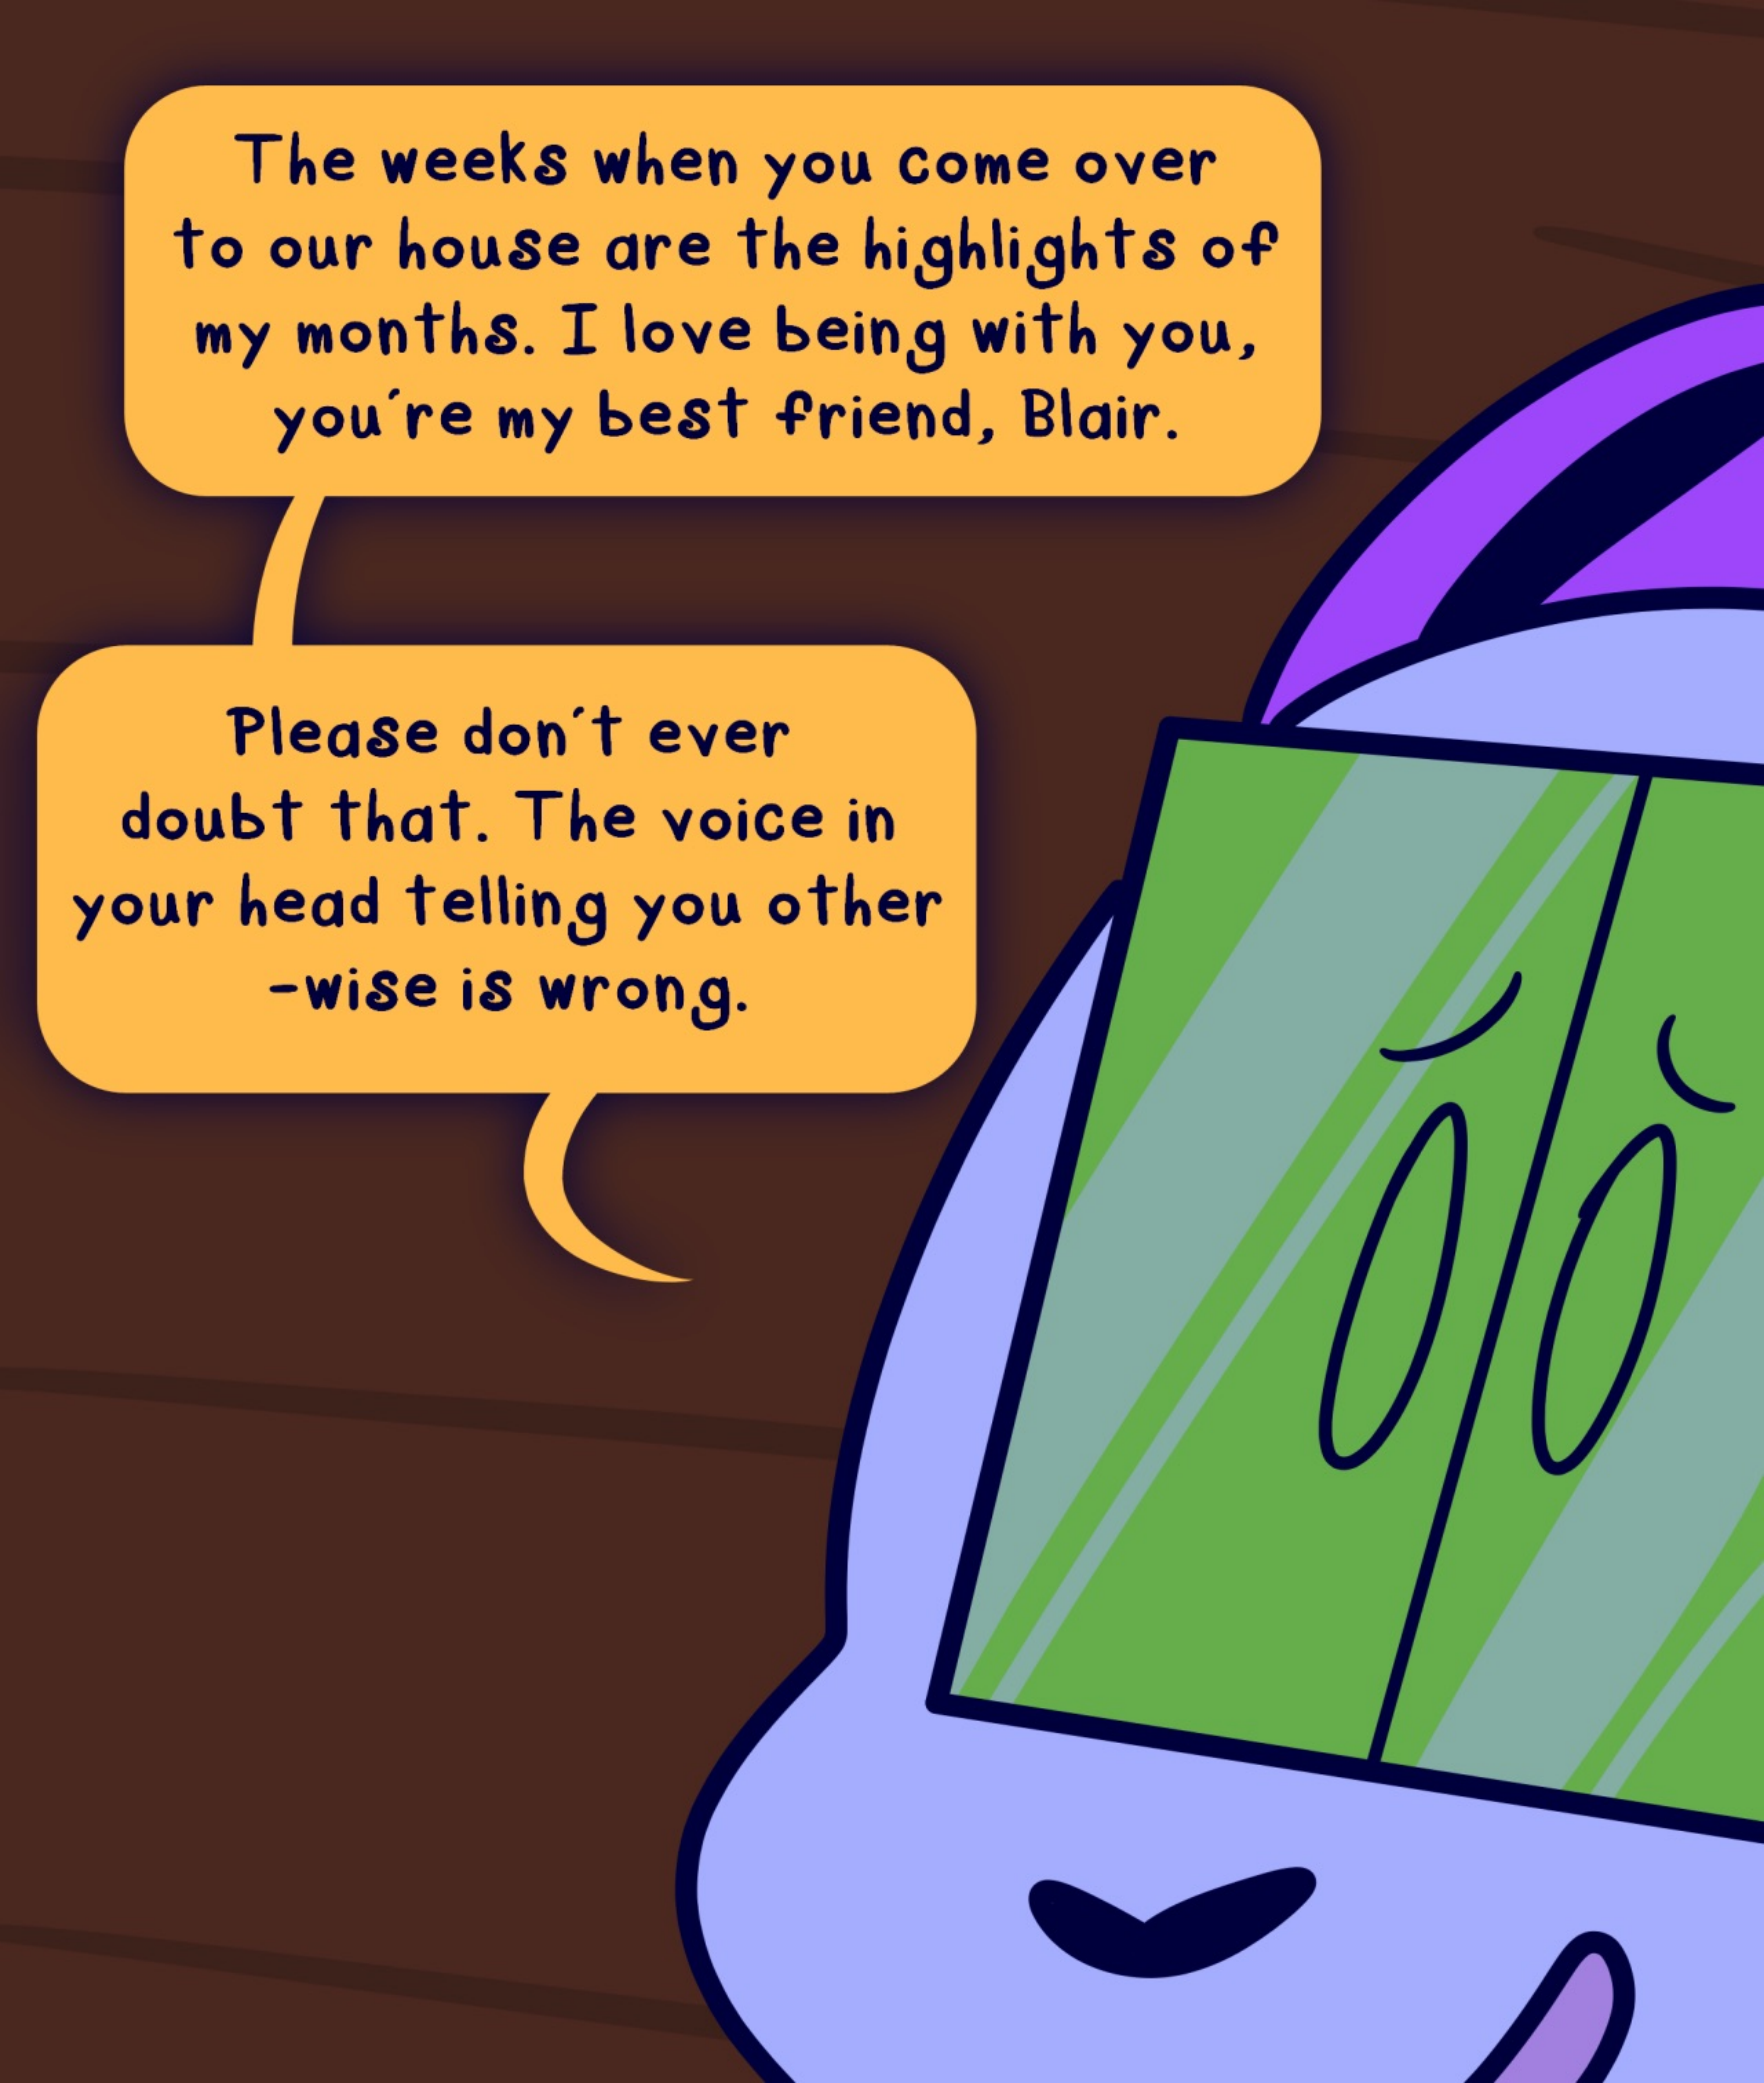
I-I can't focus on other things!!! I can't control it, it's just the way my brain works!!!
A-and always talking about the same things just gets people tired of me cuz I can't talk about anything else...!!!



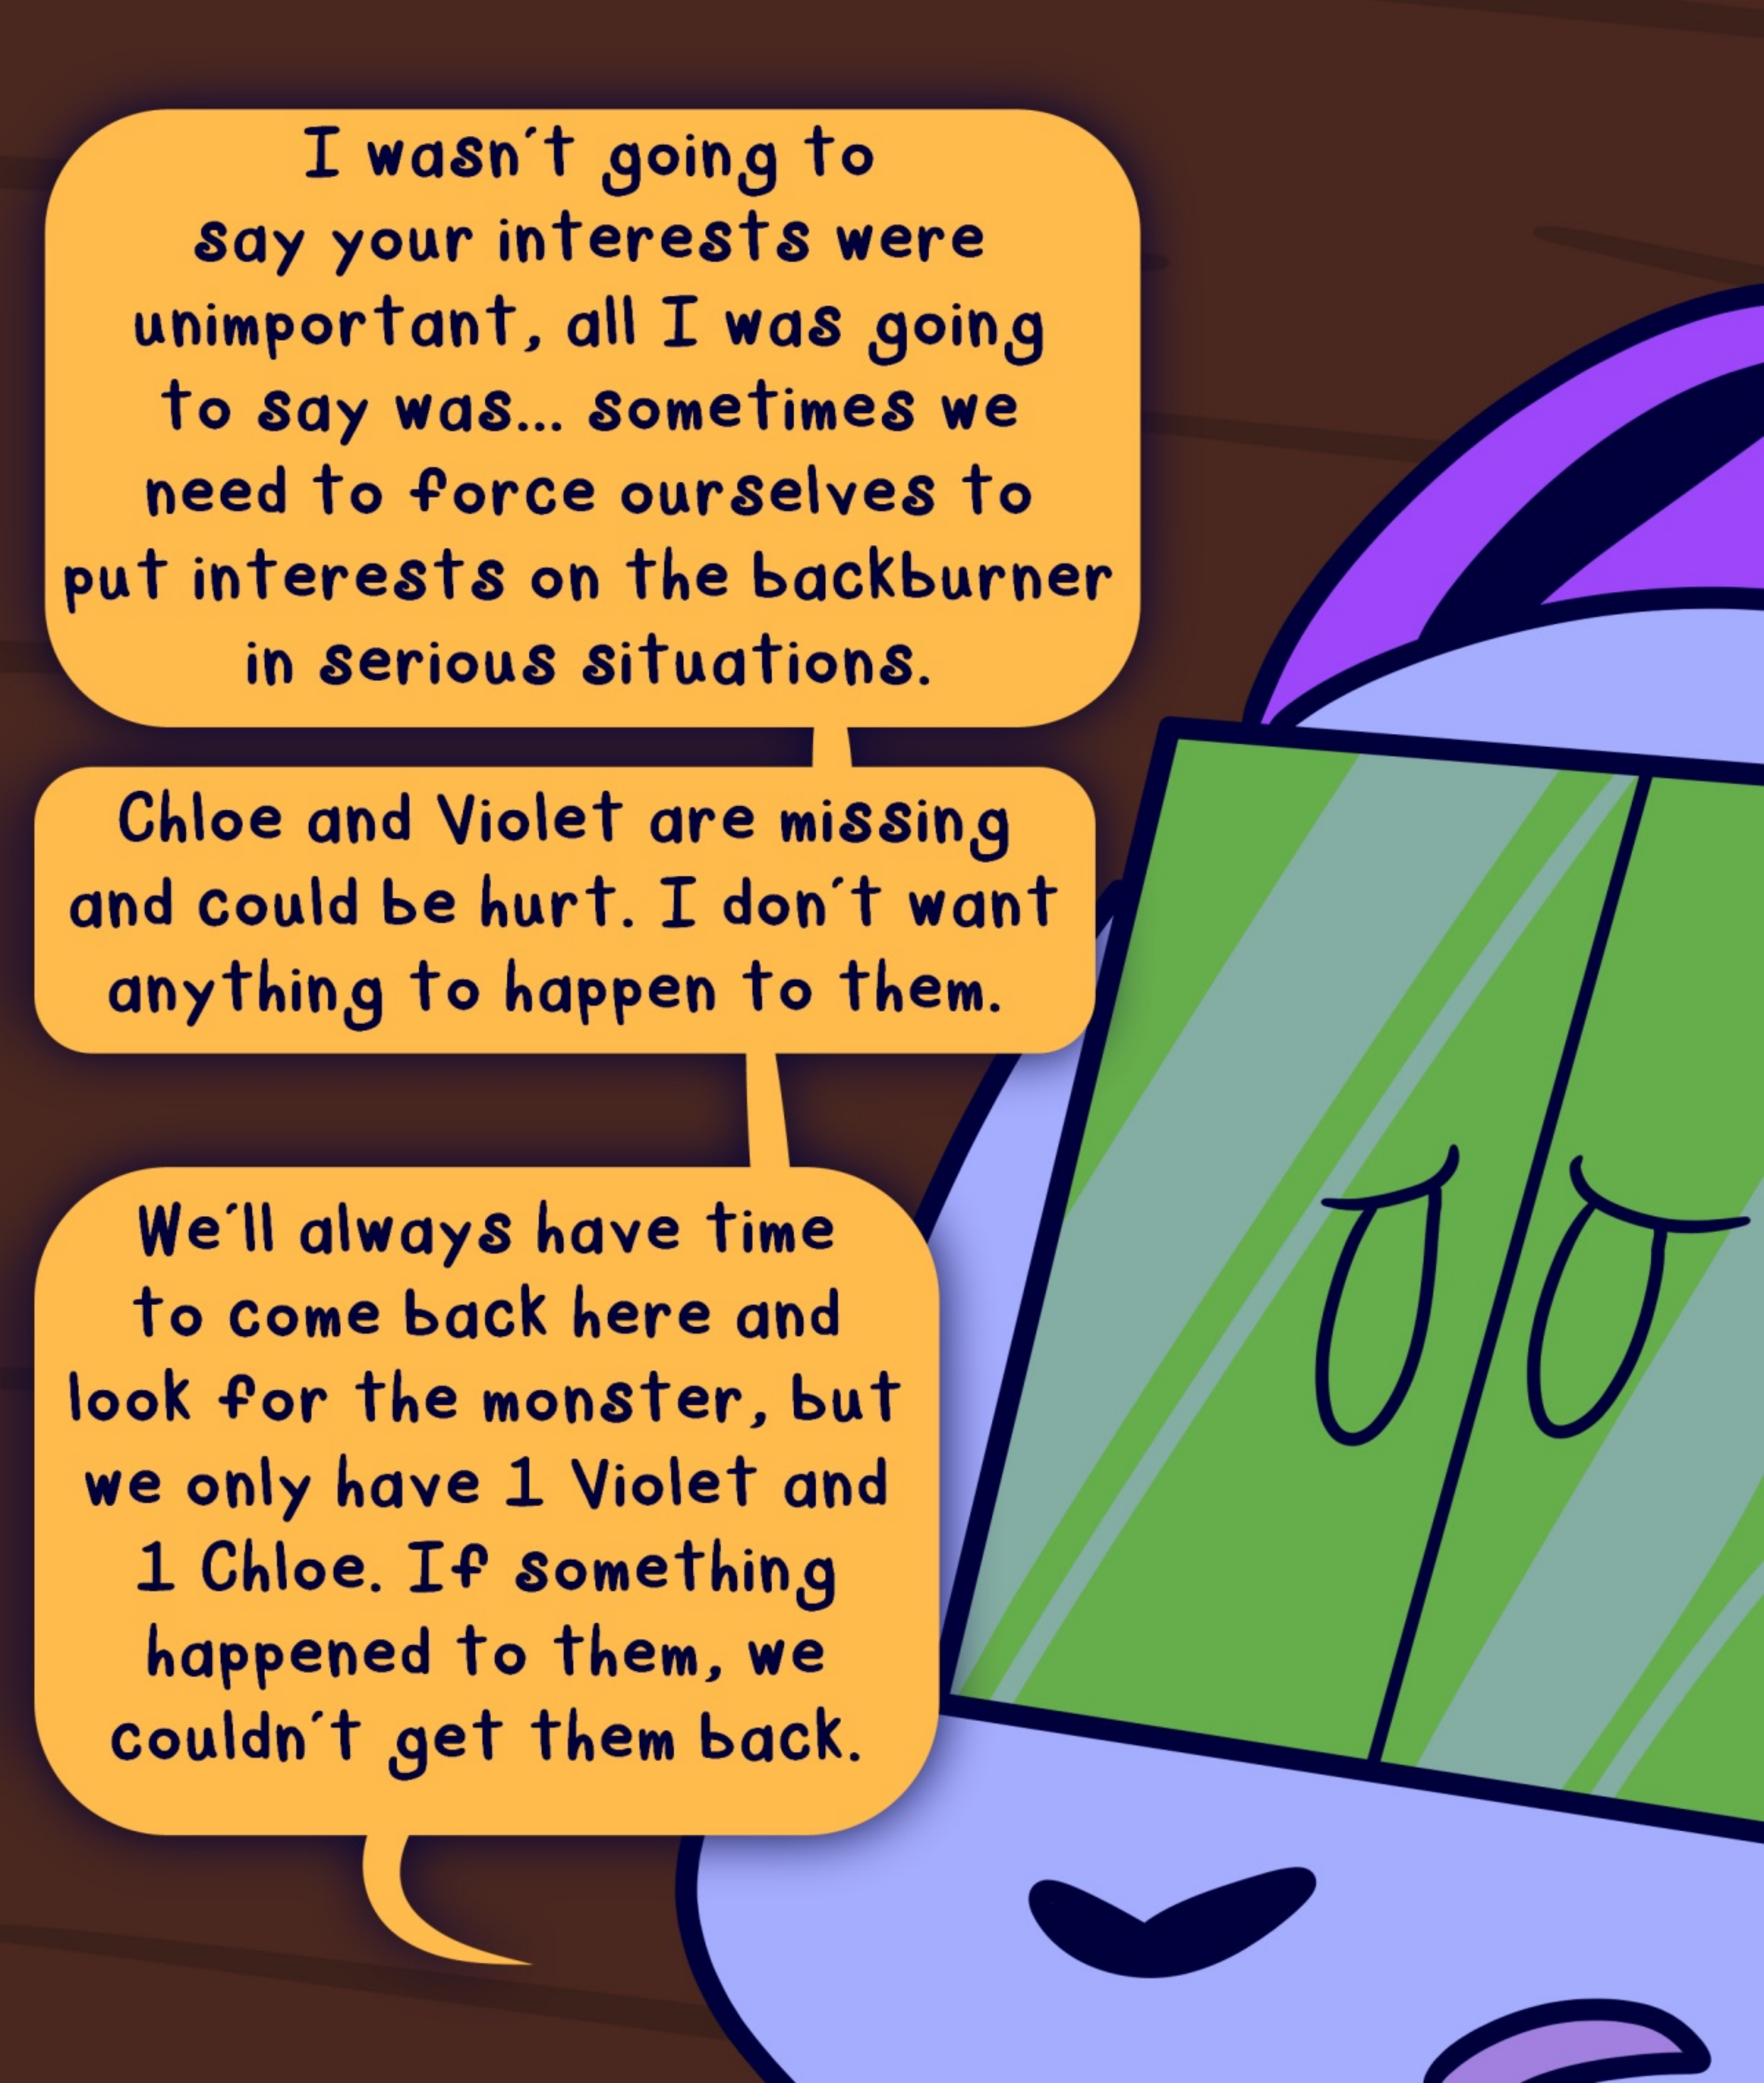
...Blair, that's not true at all.



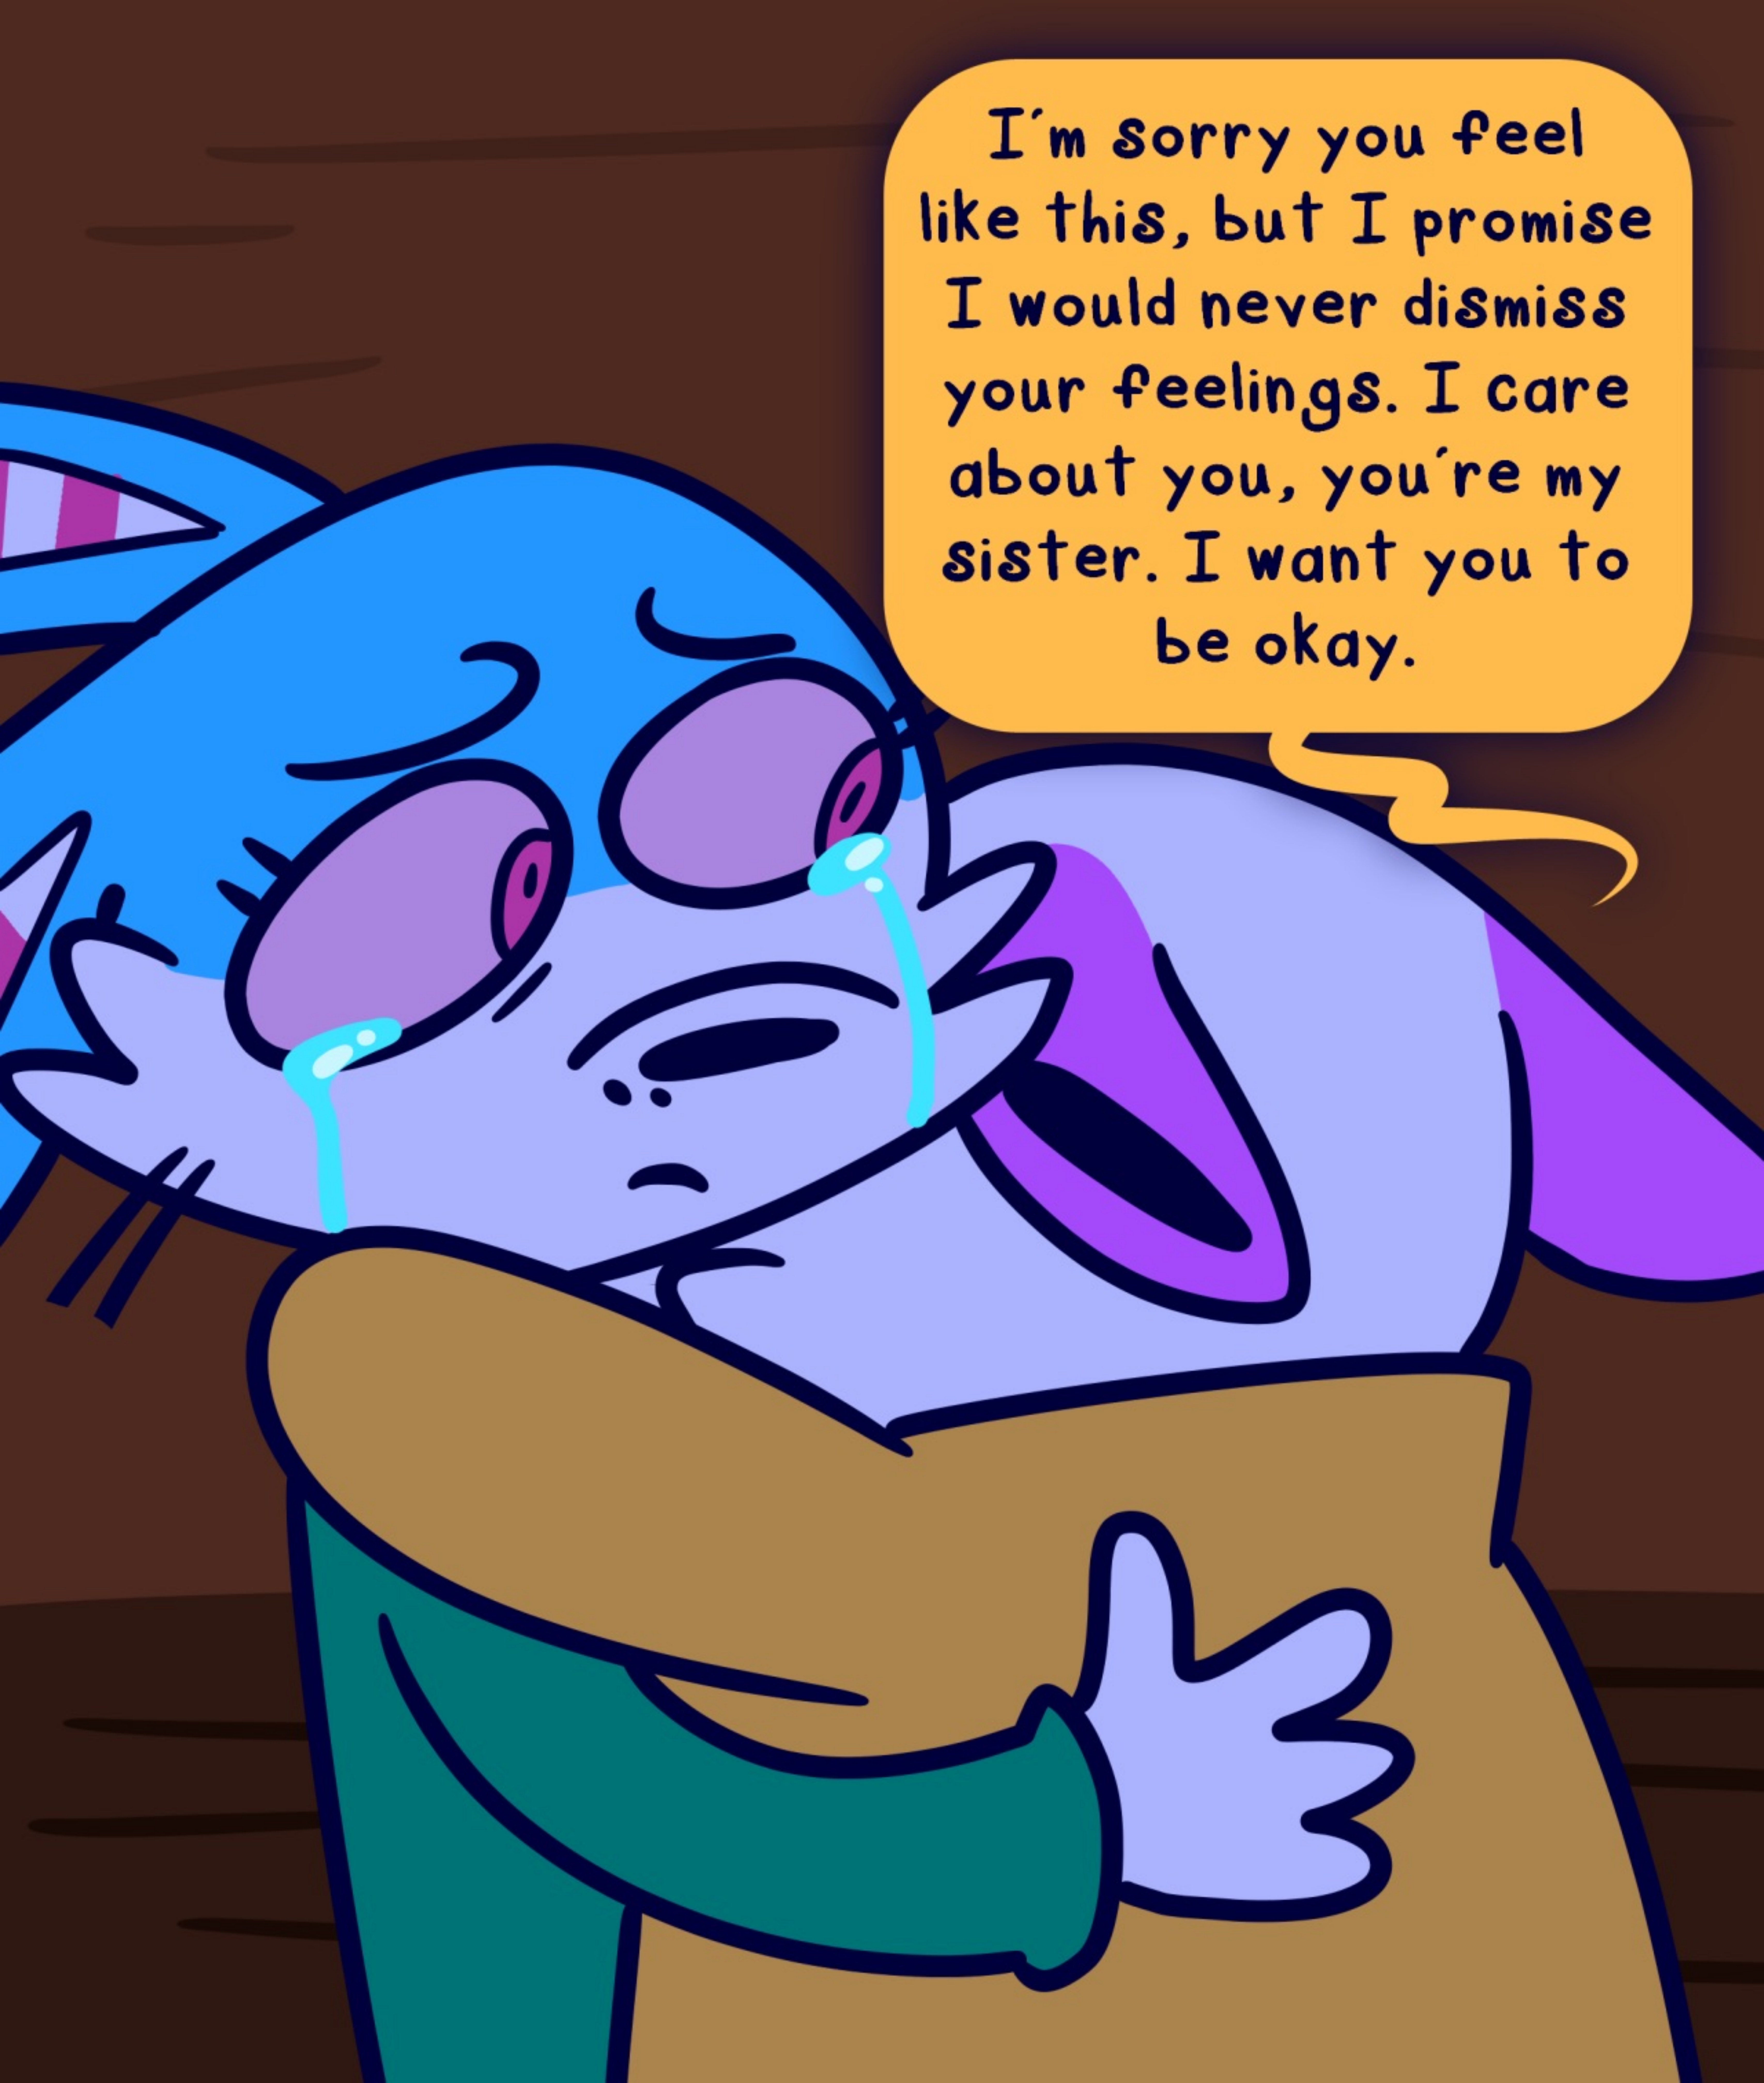
I love engaging with you, and I don't ever get tired of you. I love hearing what you have to say. I love going on our ghost hunts and other paranormal adventures.
You're my favorite person to spend time with. I'll never get sick of you and I don't ever want you to shut up.



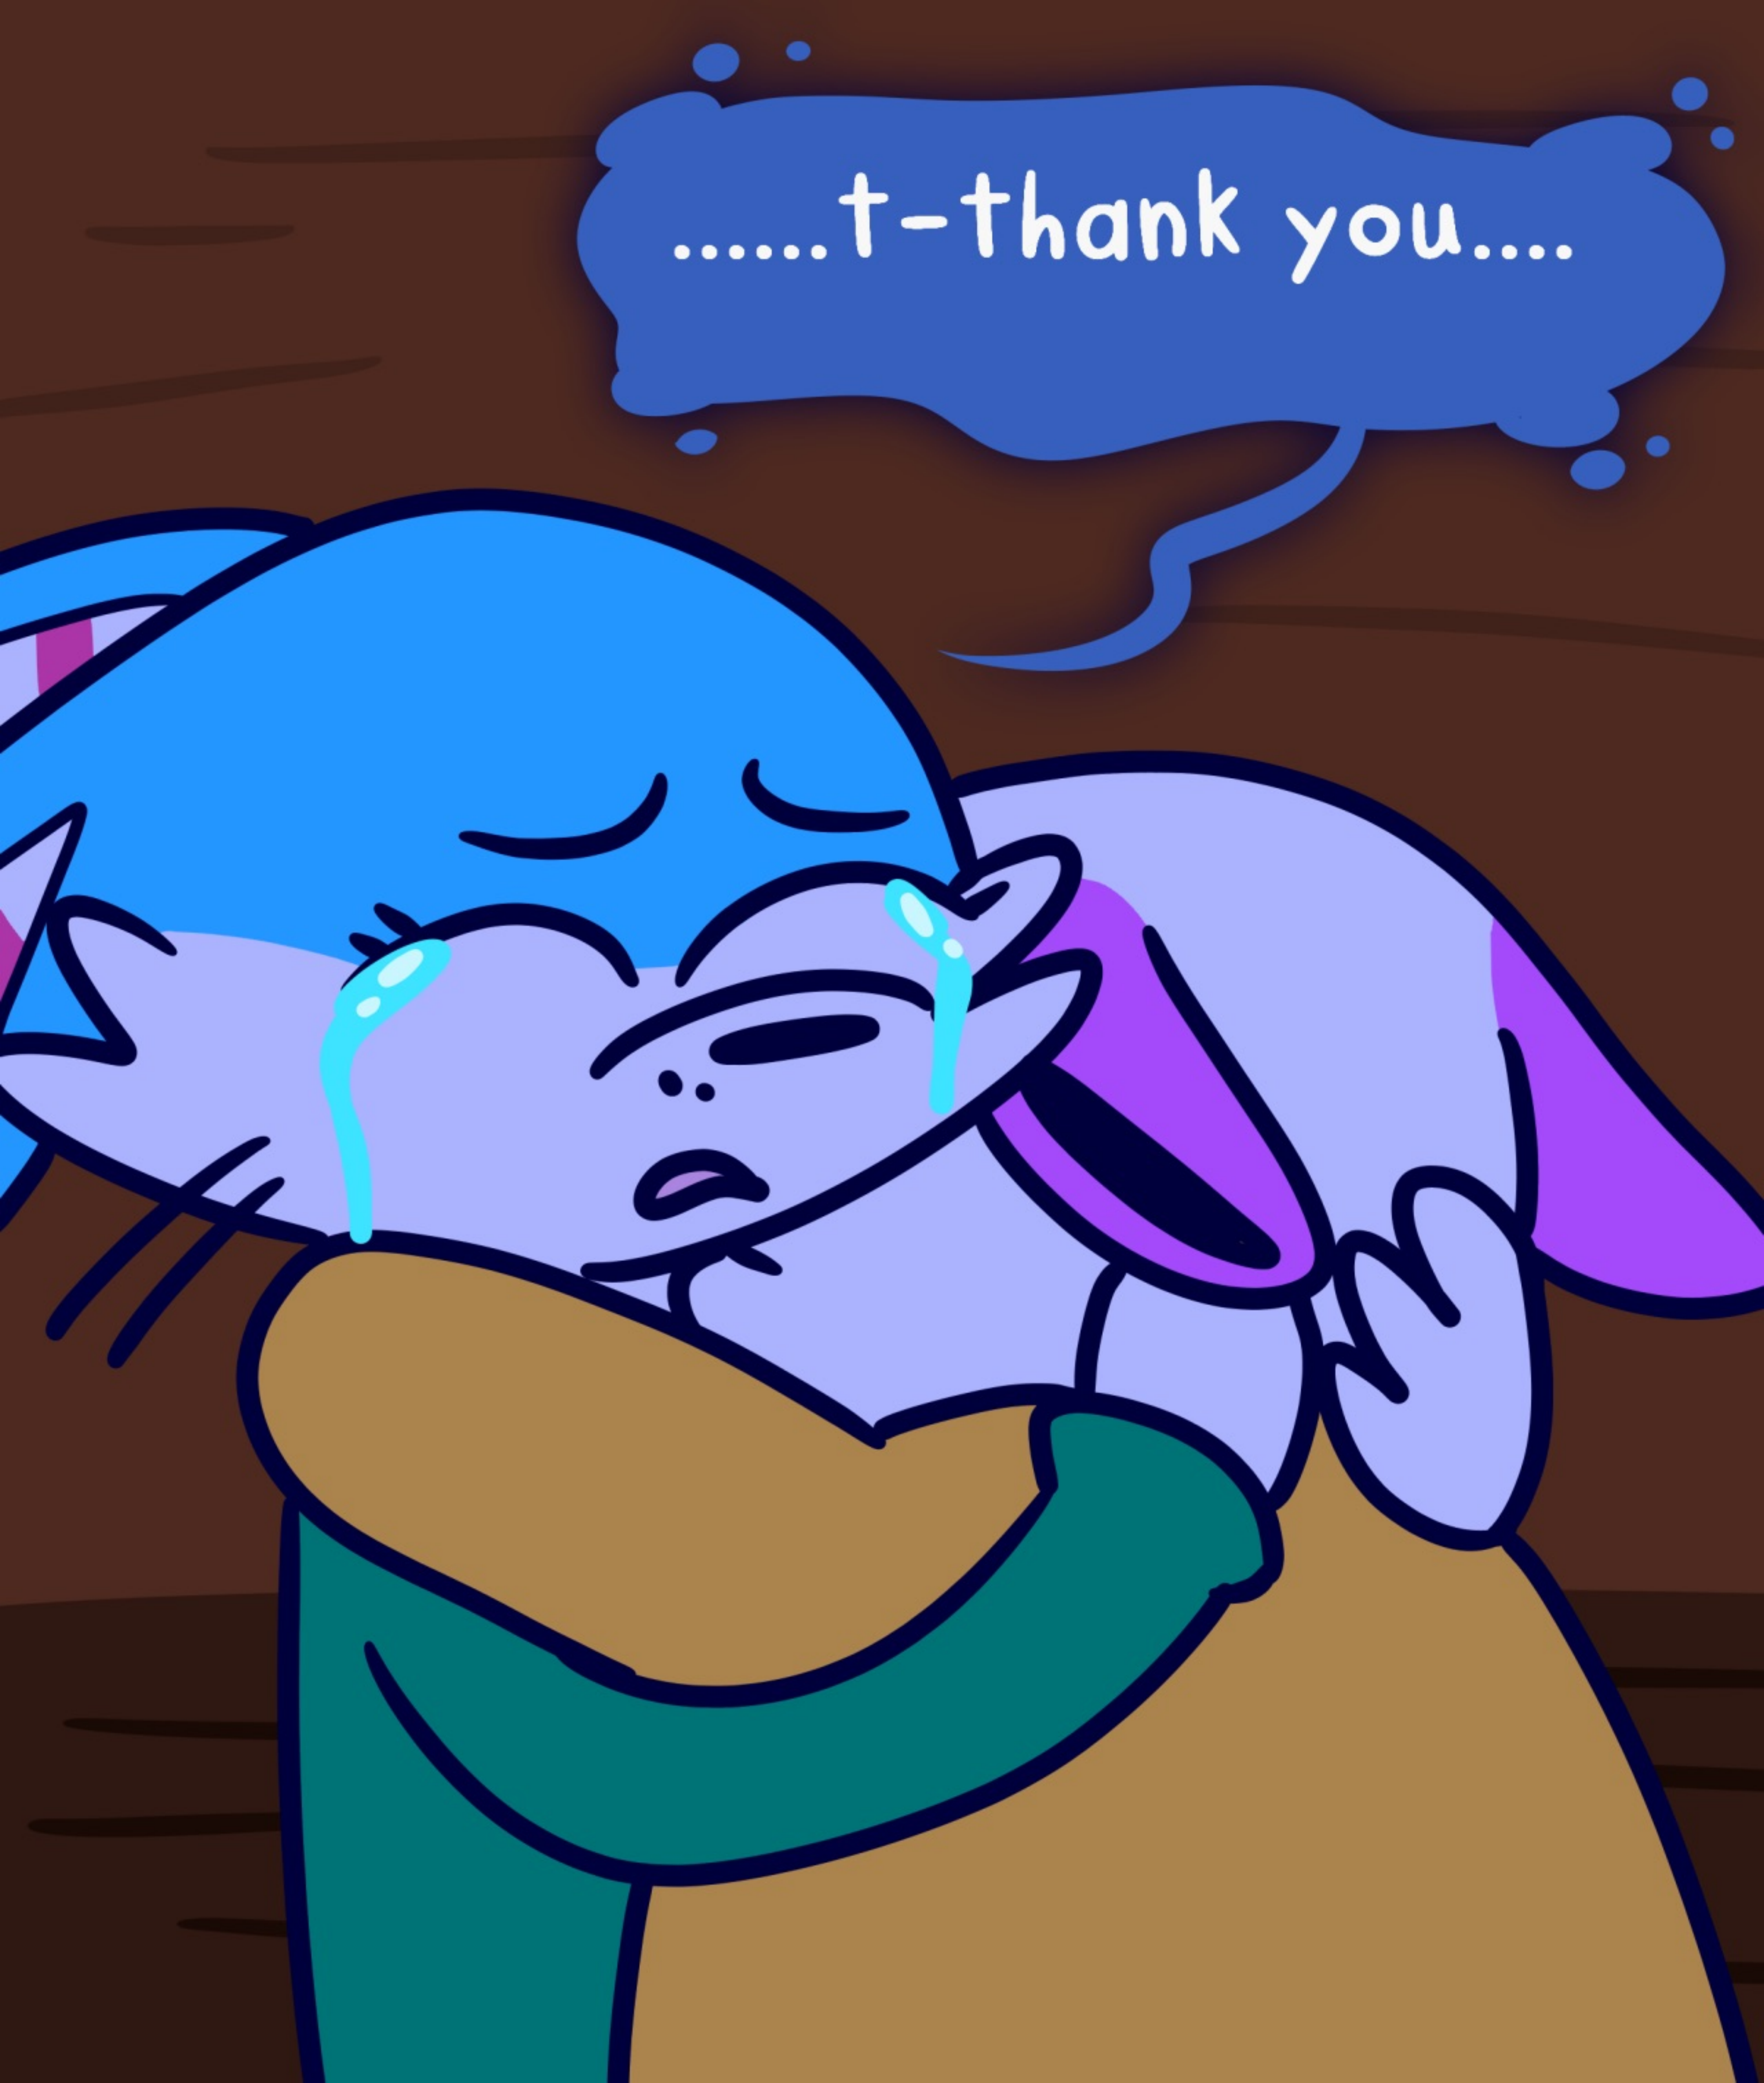
The weeks when you come over to our house are the highlights of my months. I love being with you, you´re my best friend, Blair.
Please don´t ever doubt that. The voice in your head telling you other-wise is wrong.



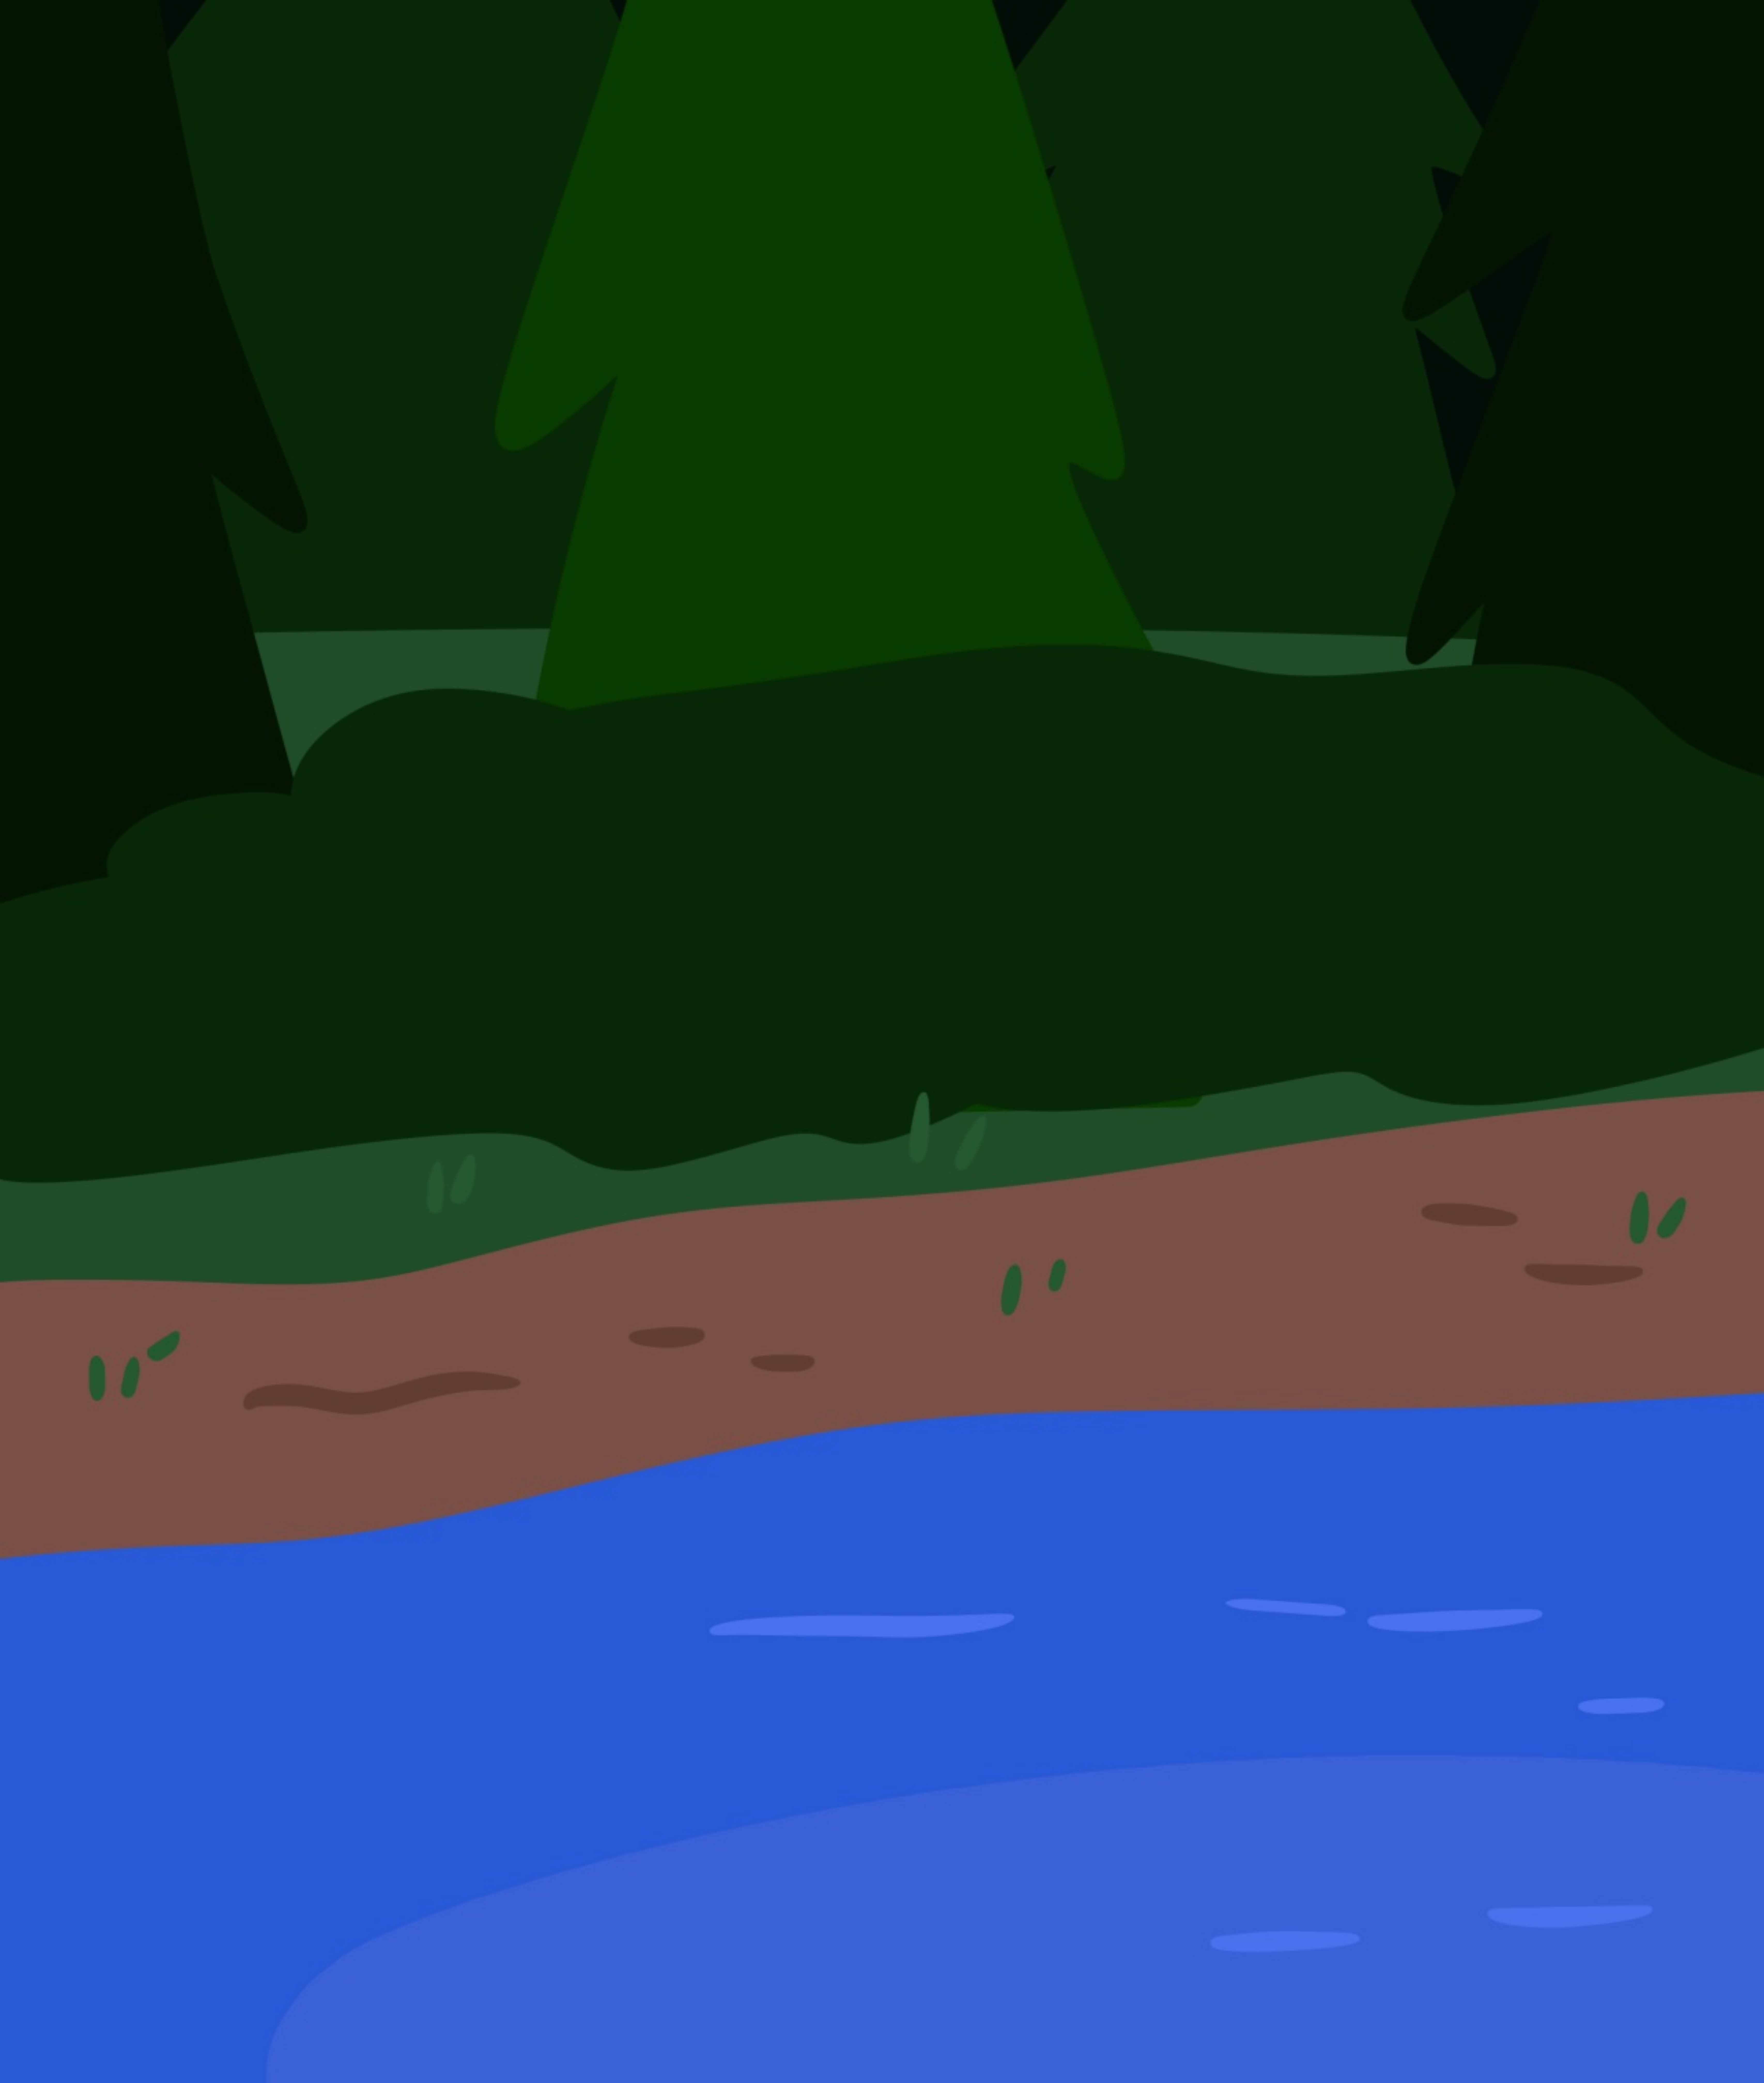
I wasn't going to say your interests were unimportant, all I was going to say was... sometimes we need to force ourselves to put interests on the backburner in serious situations.
Chloe and Violet are missing and could be hurt. I don't want anything to happen to them.
We'll always have time to come back here and look for the monster, but we only have 1 Violet and 1 Chloe. If something happened to them, we couldn't get them back.

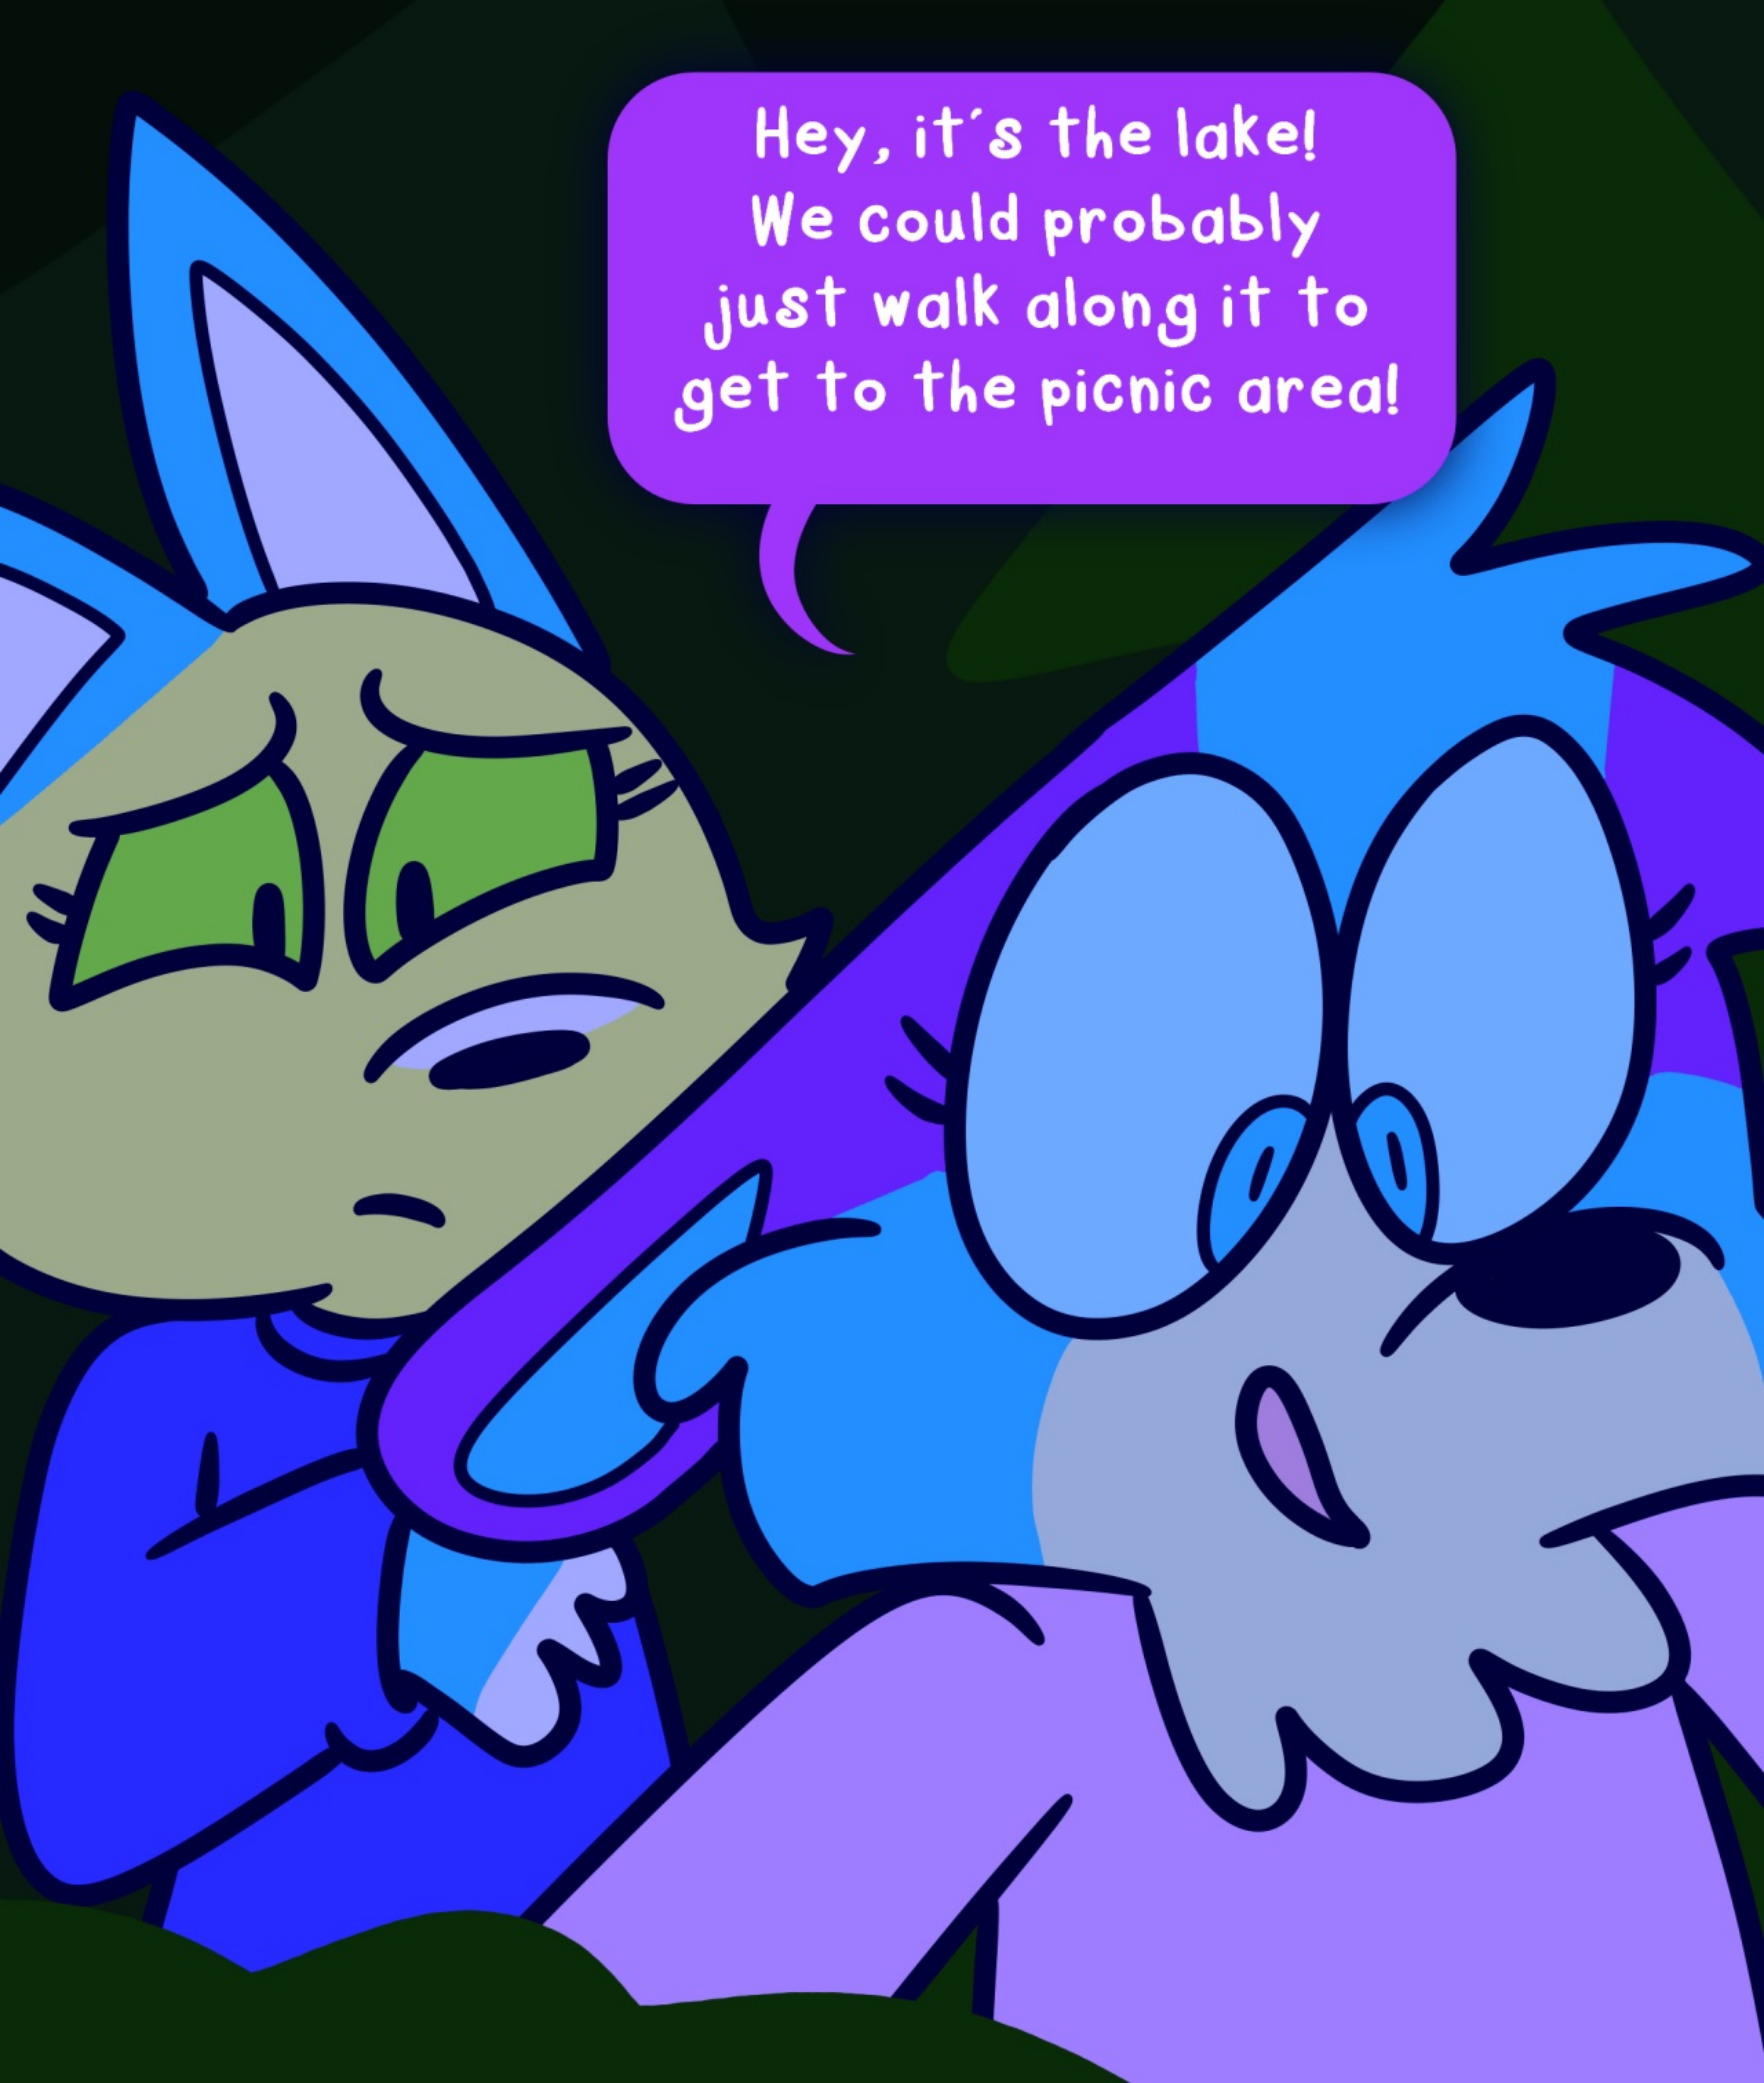


I'm sorry you feel like this, but I promise I would never dismiss your feelings. I care about you, you're my sister. I want you to be okay.

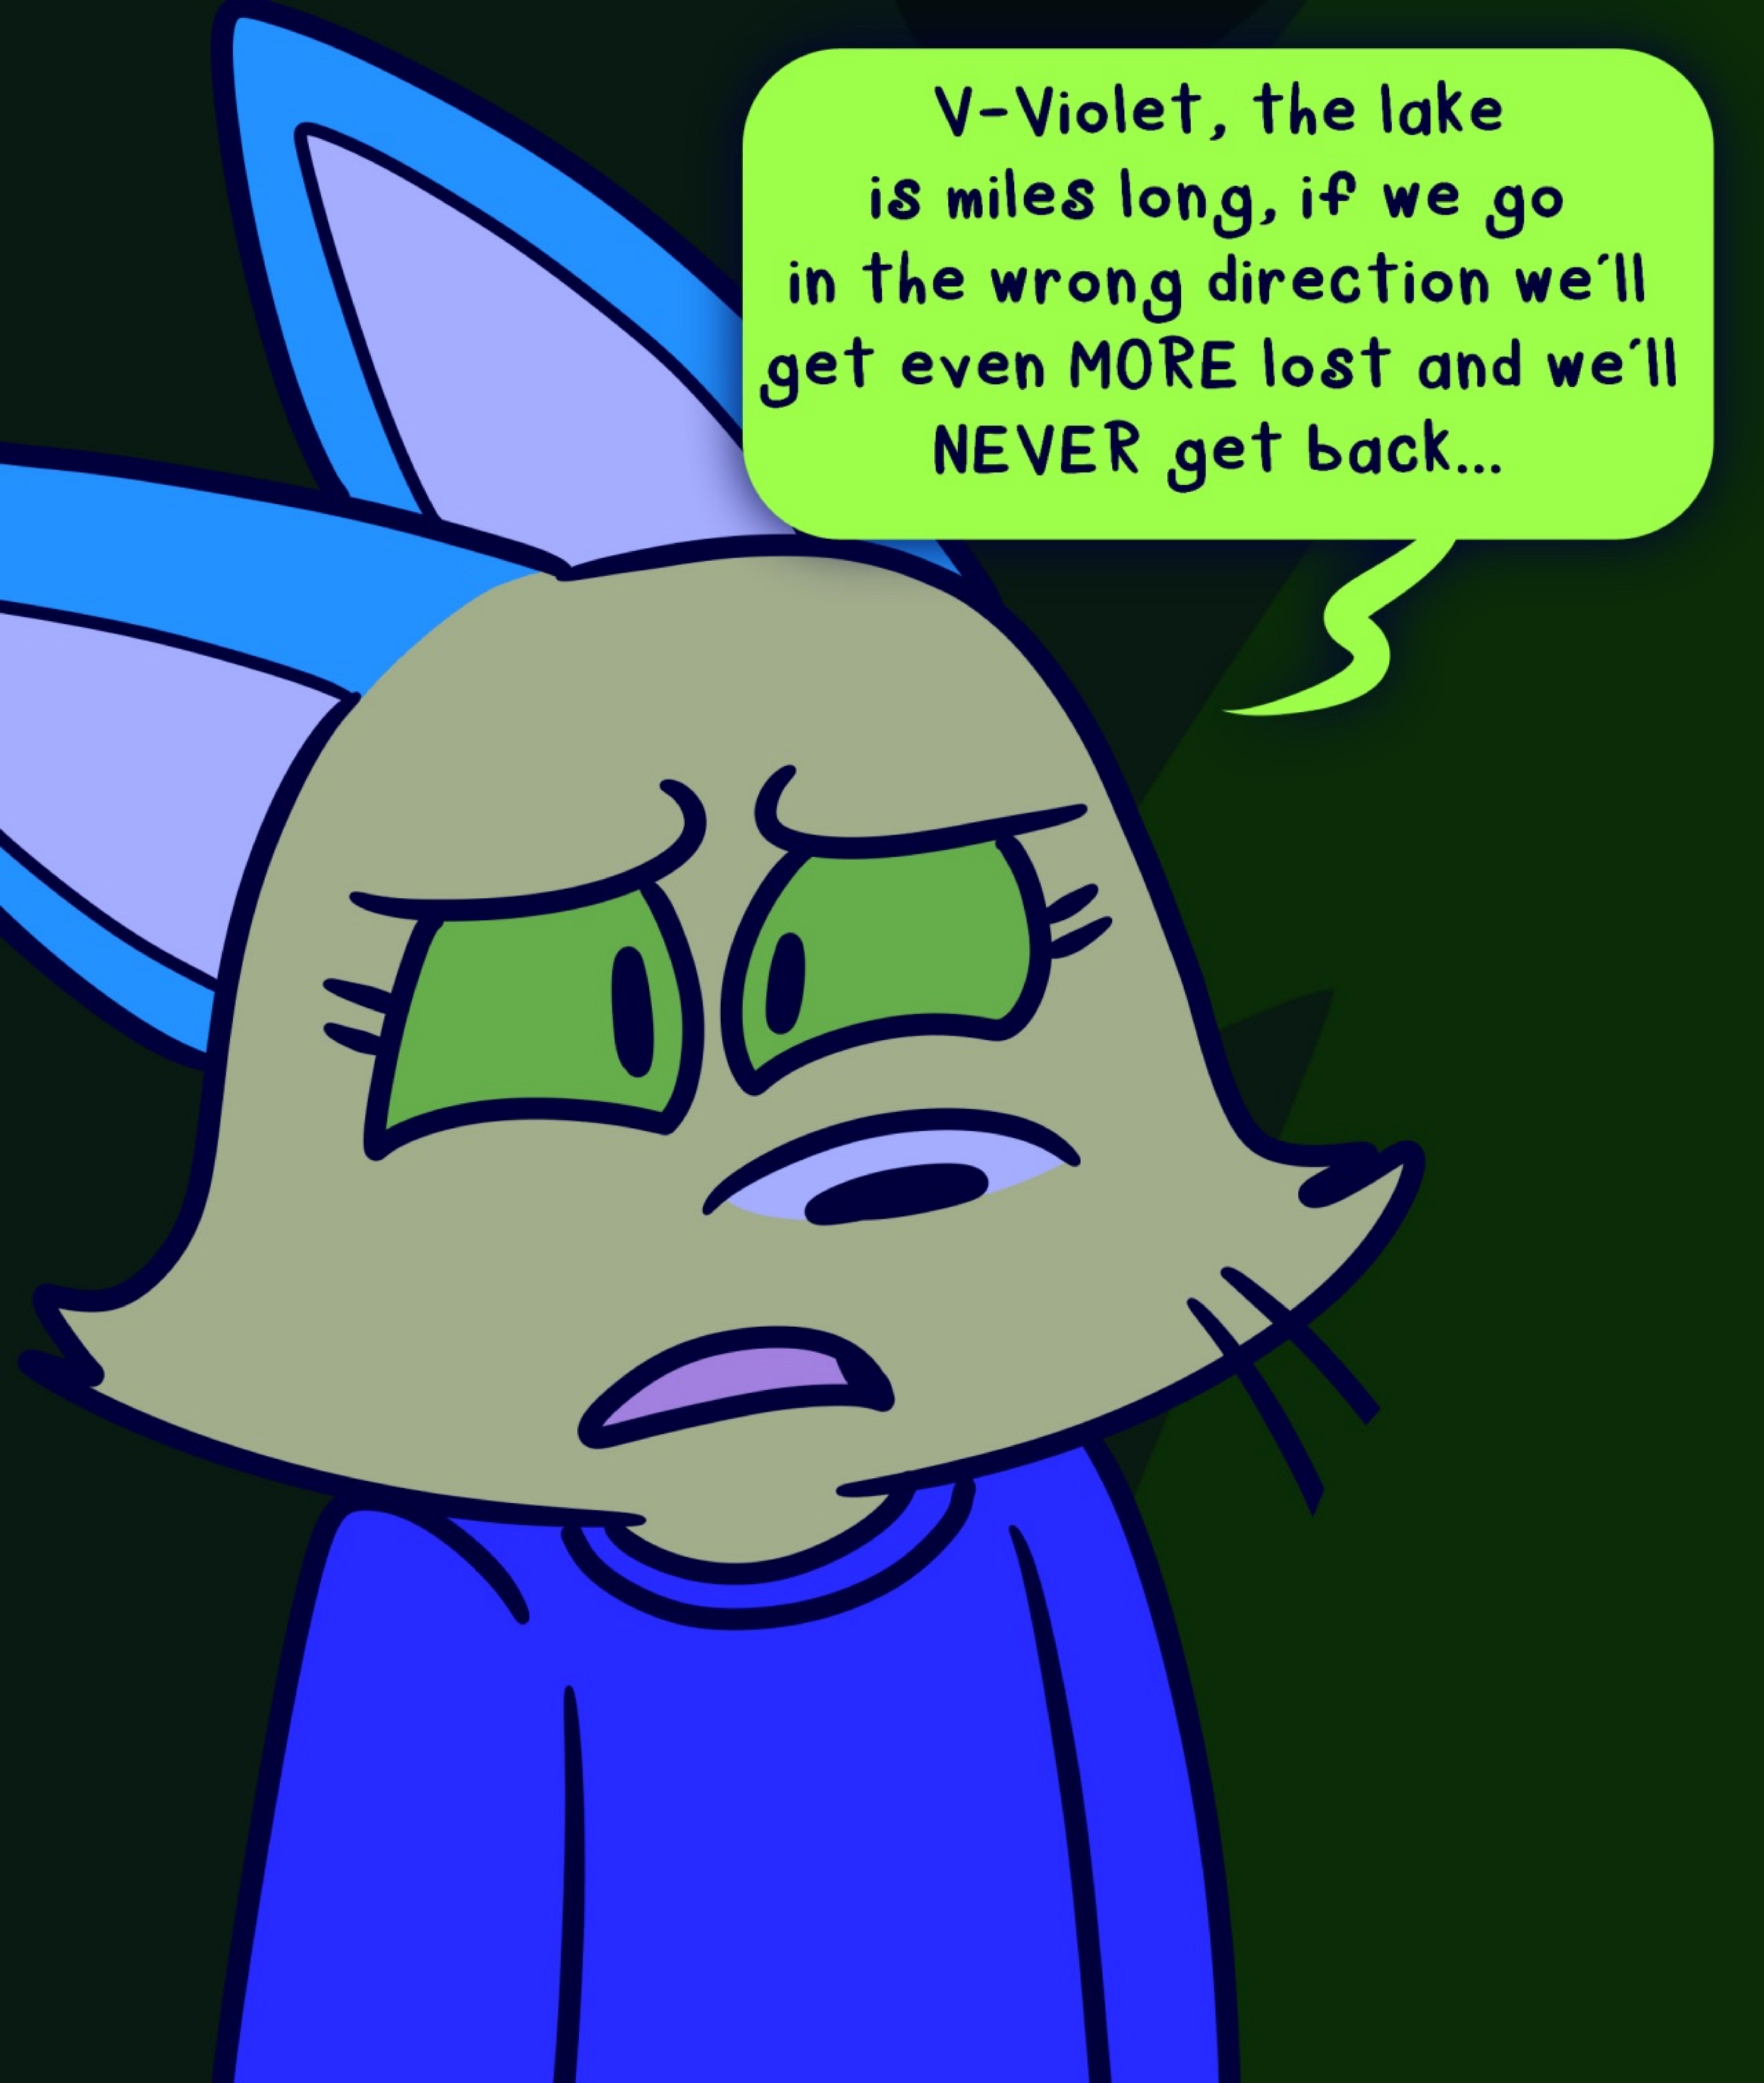


......t-thank you....

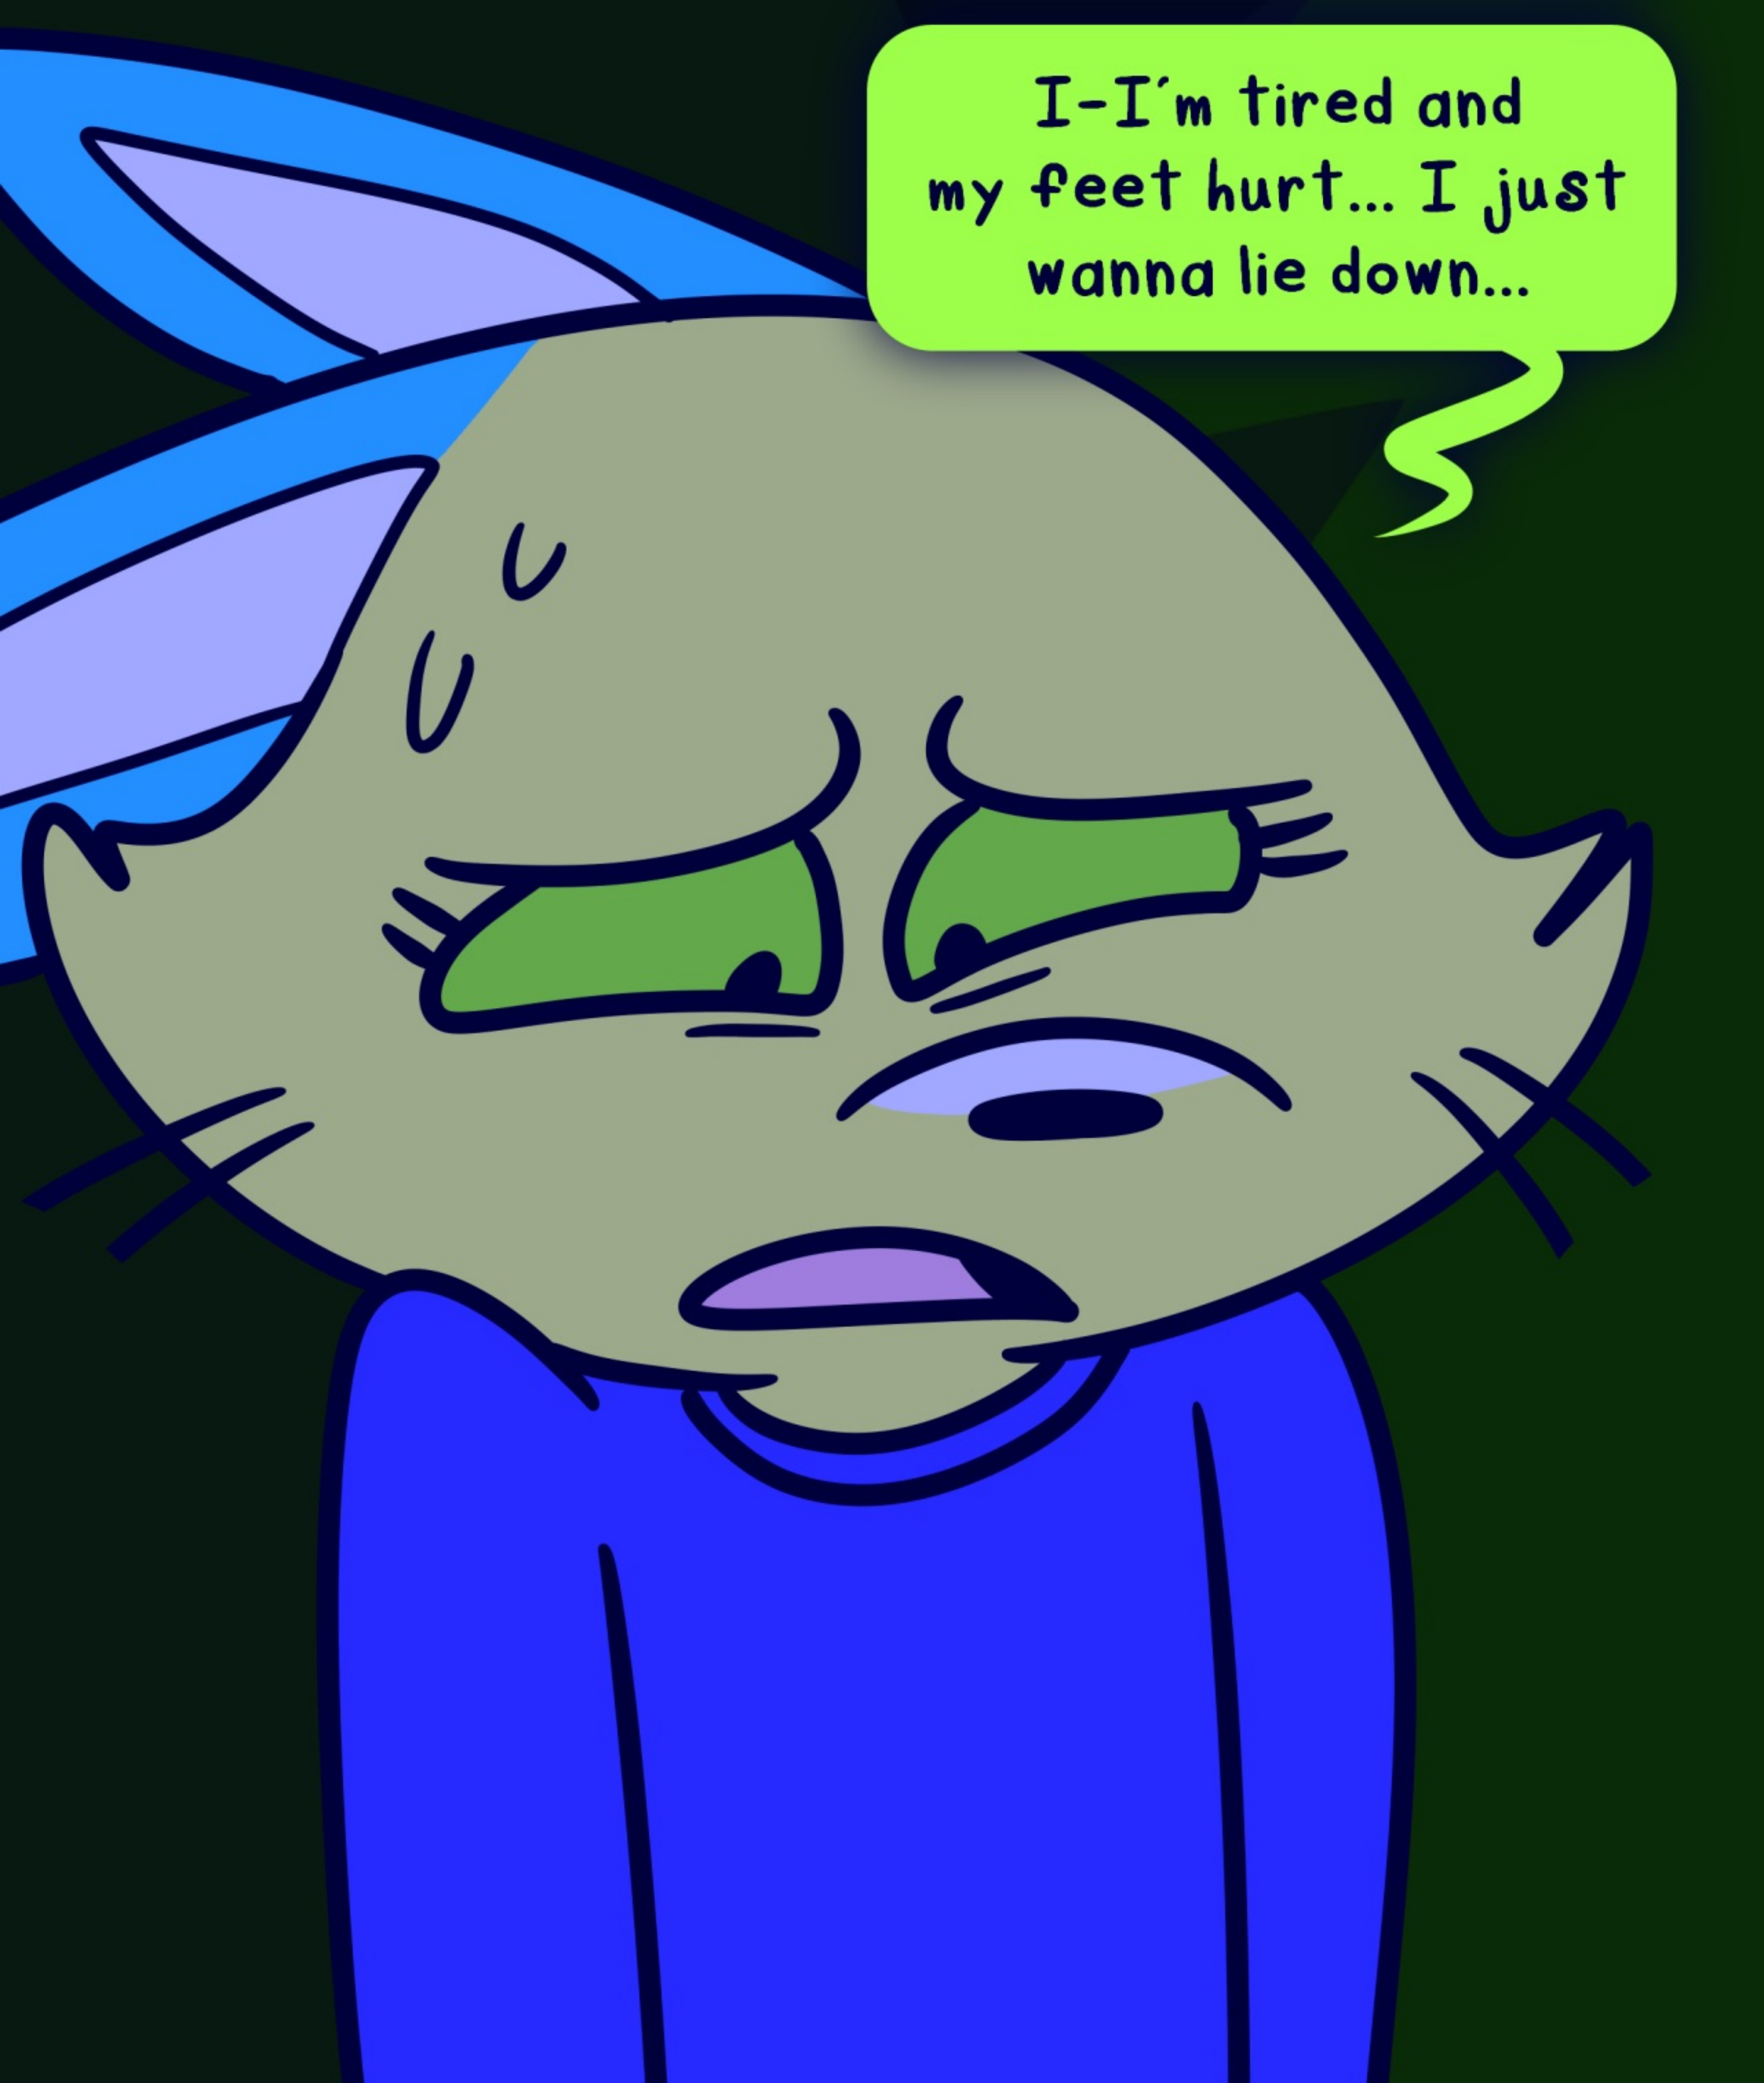




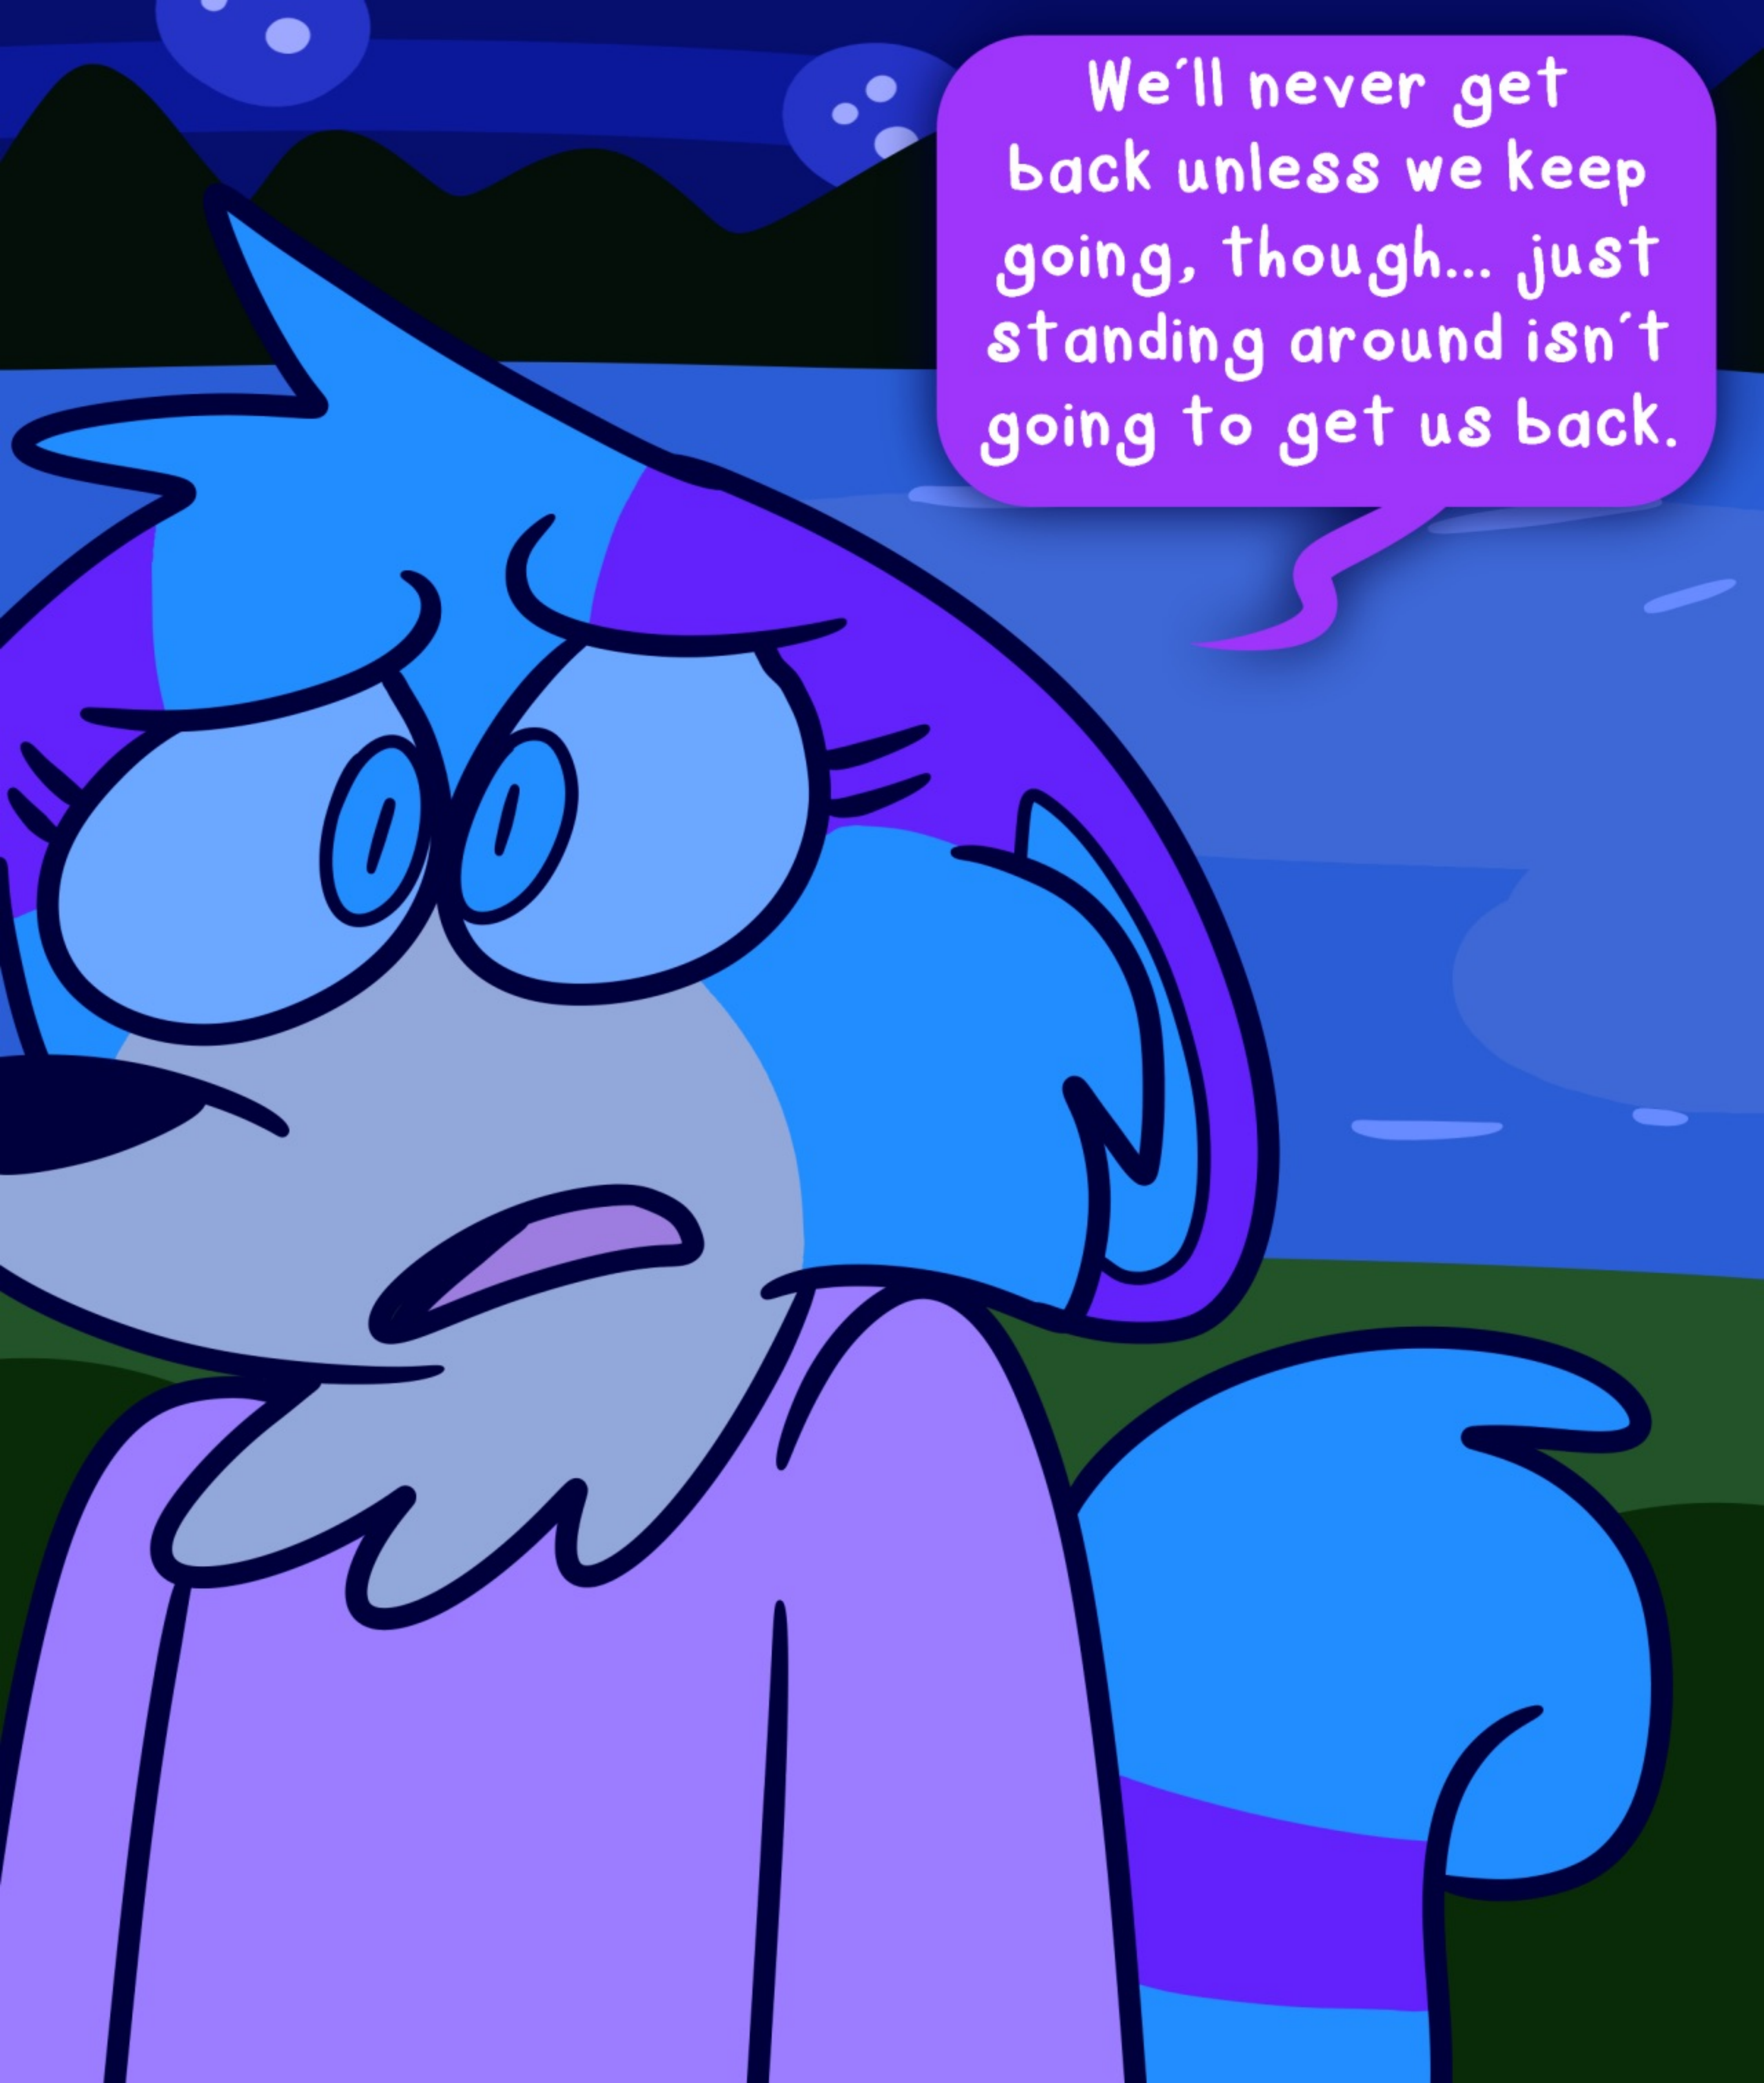
Hey, it's the lake! We could probably just walk along it to get to the picnic area!



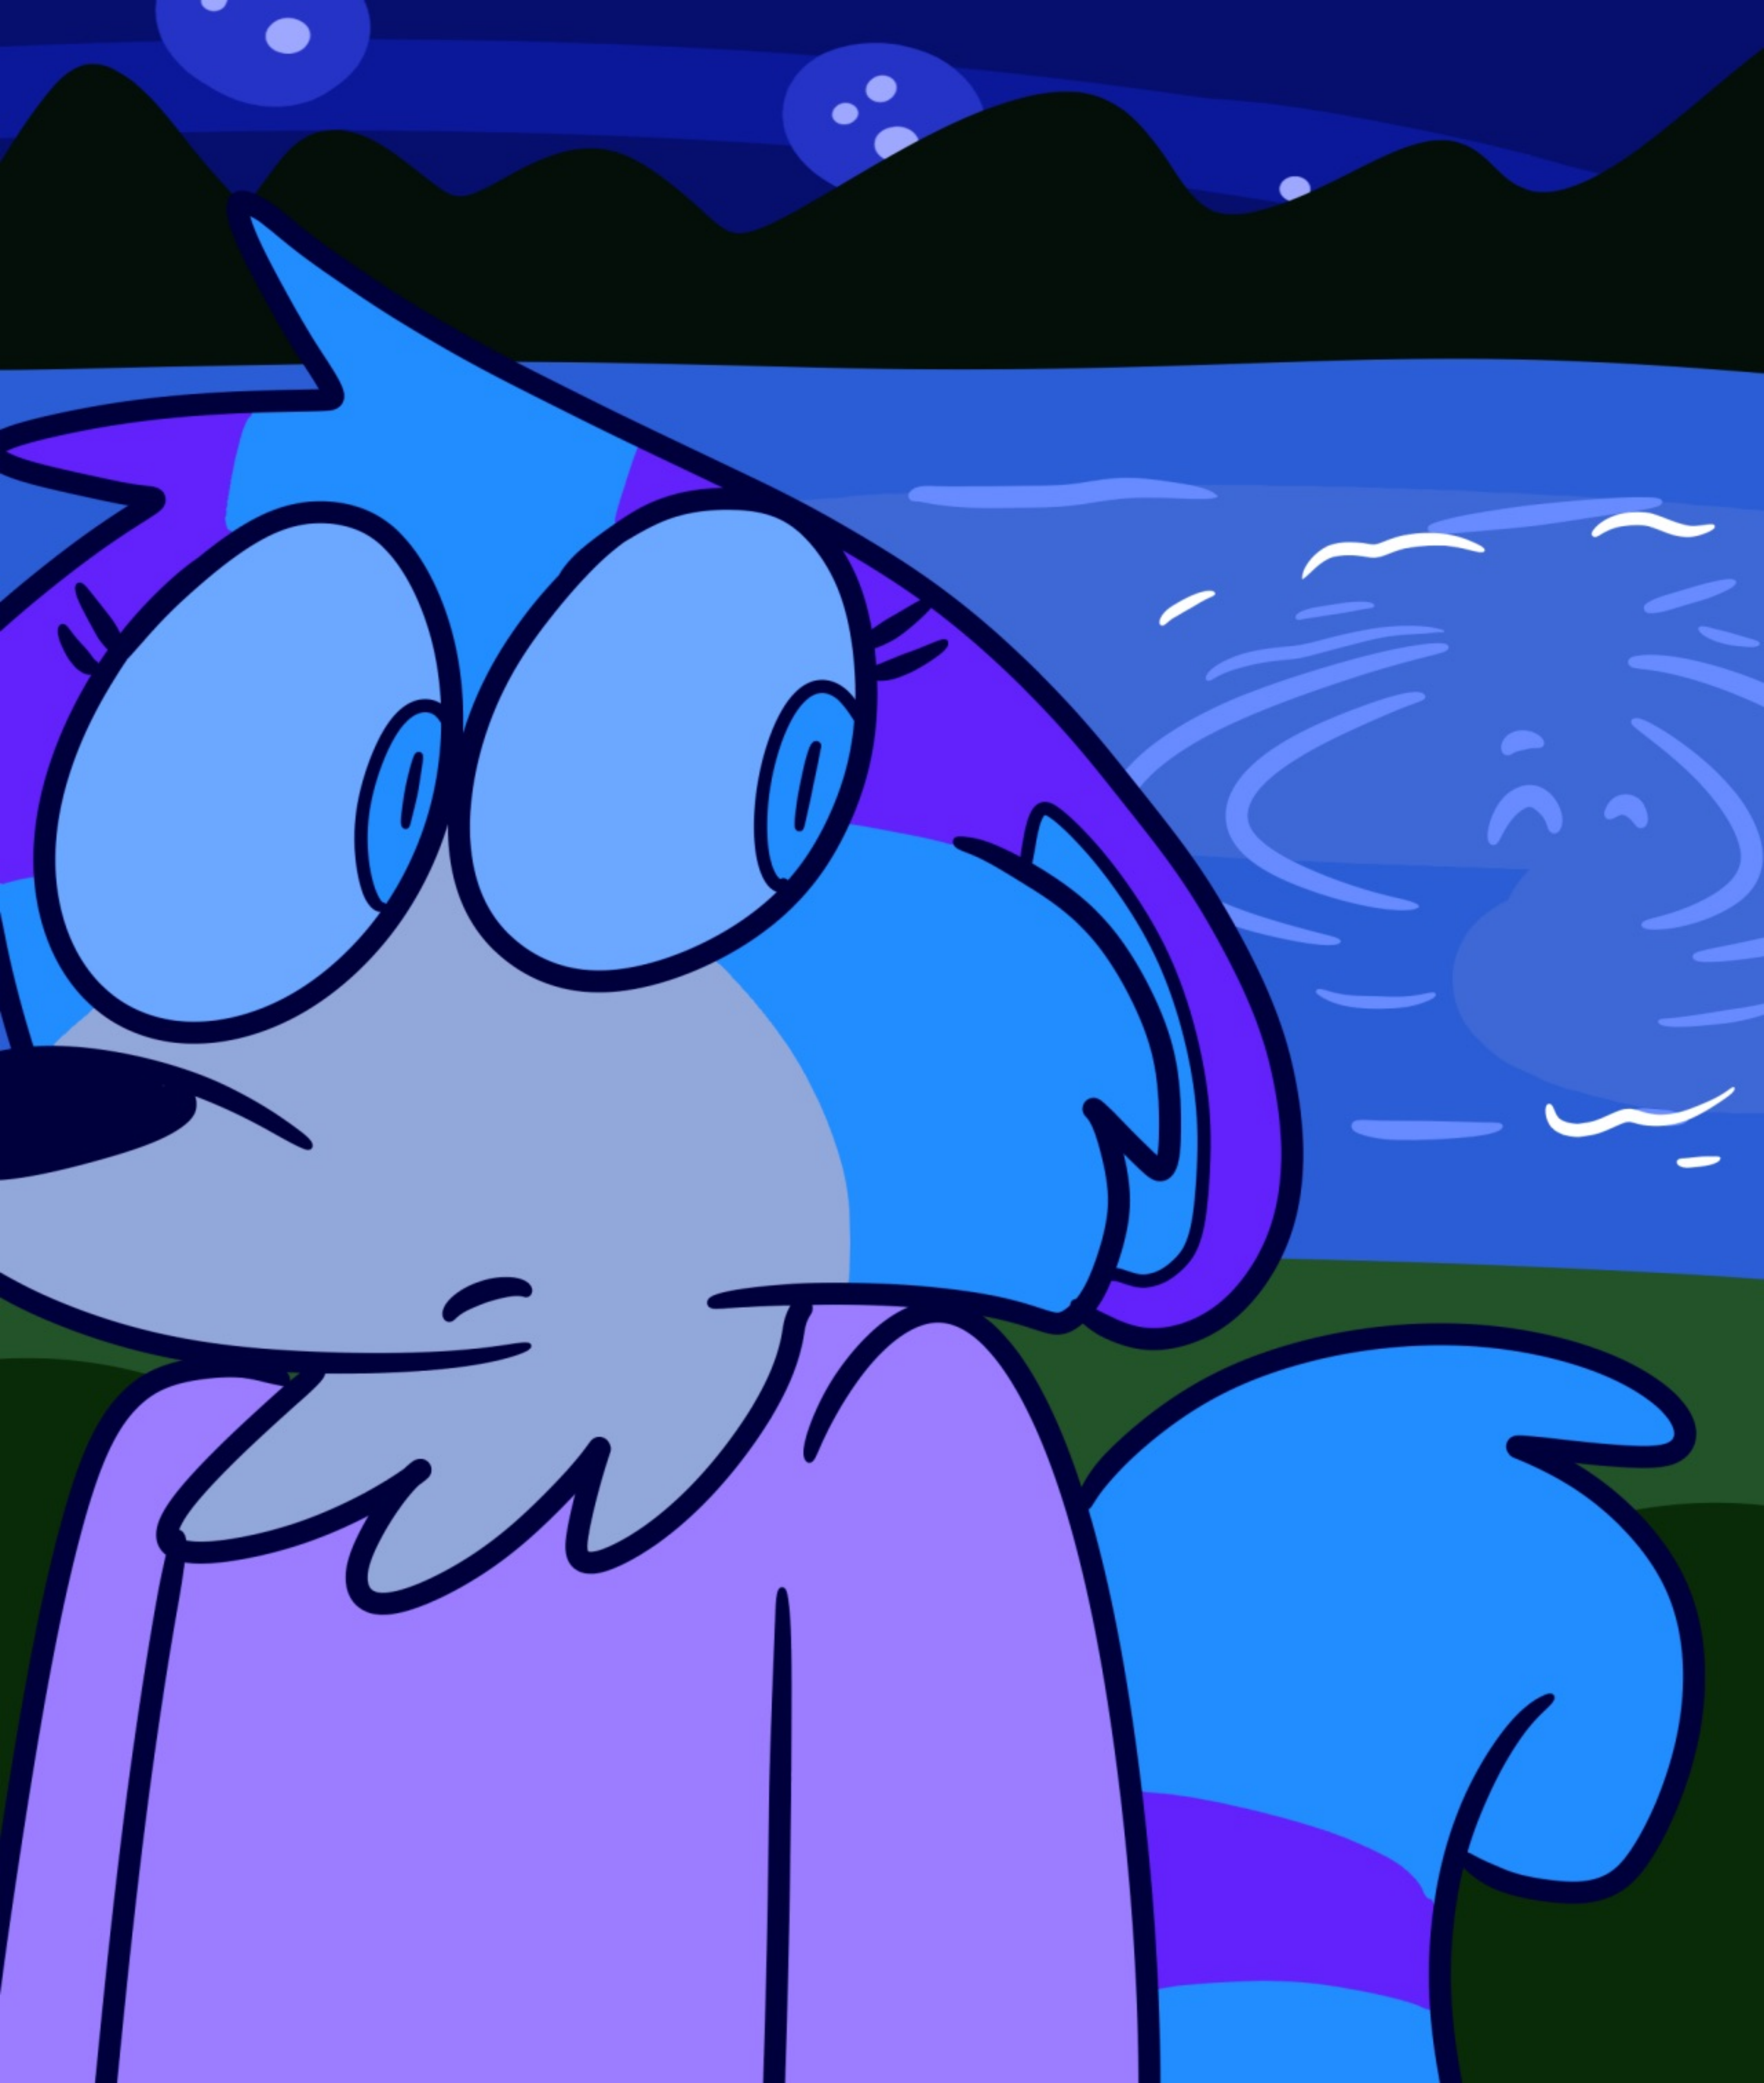
V-Violet, the lake is miles long, if we go in the wrong direction we'll get even MORE lost and we'll NEVER get back...

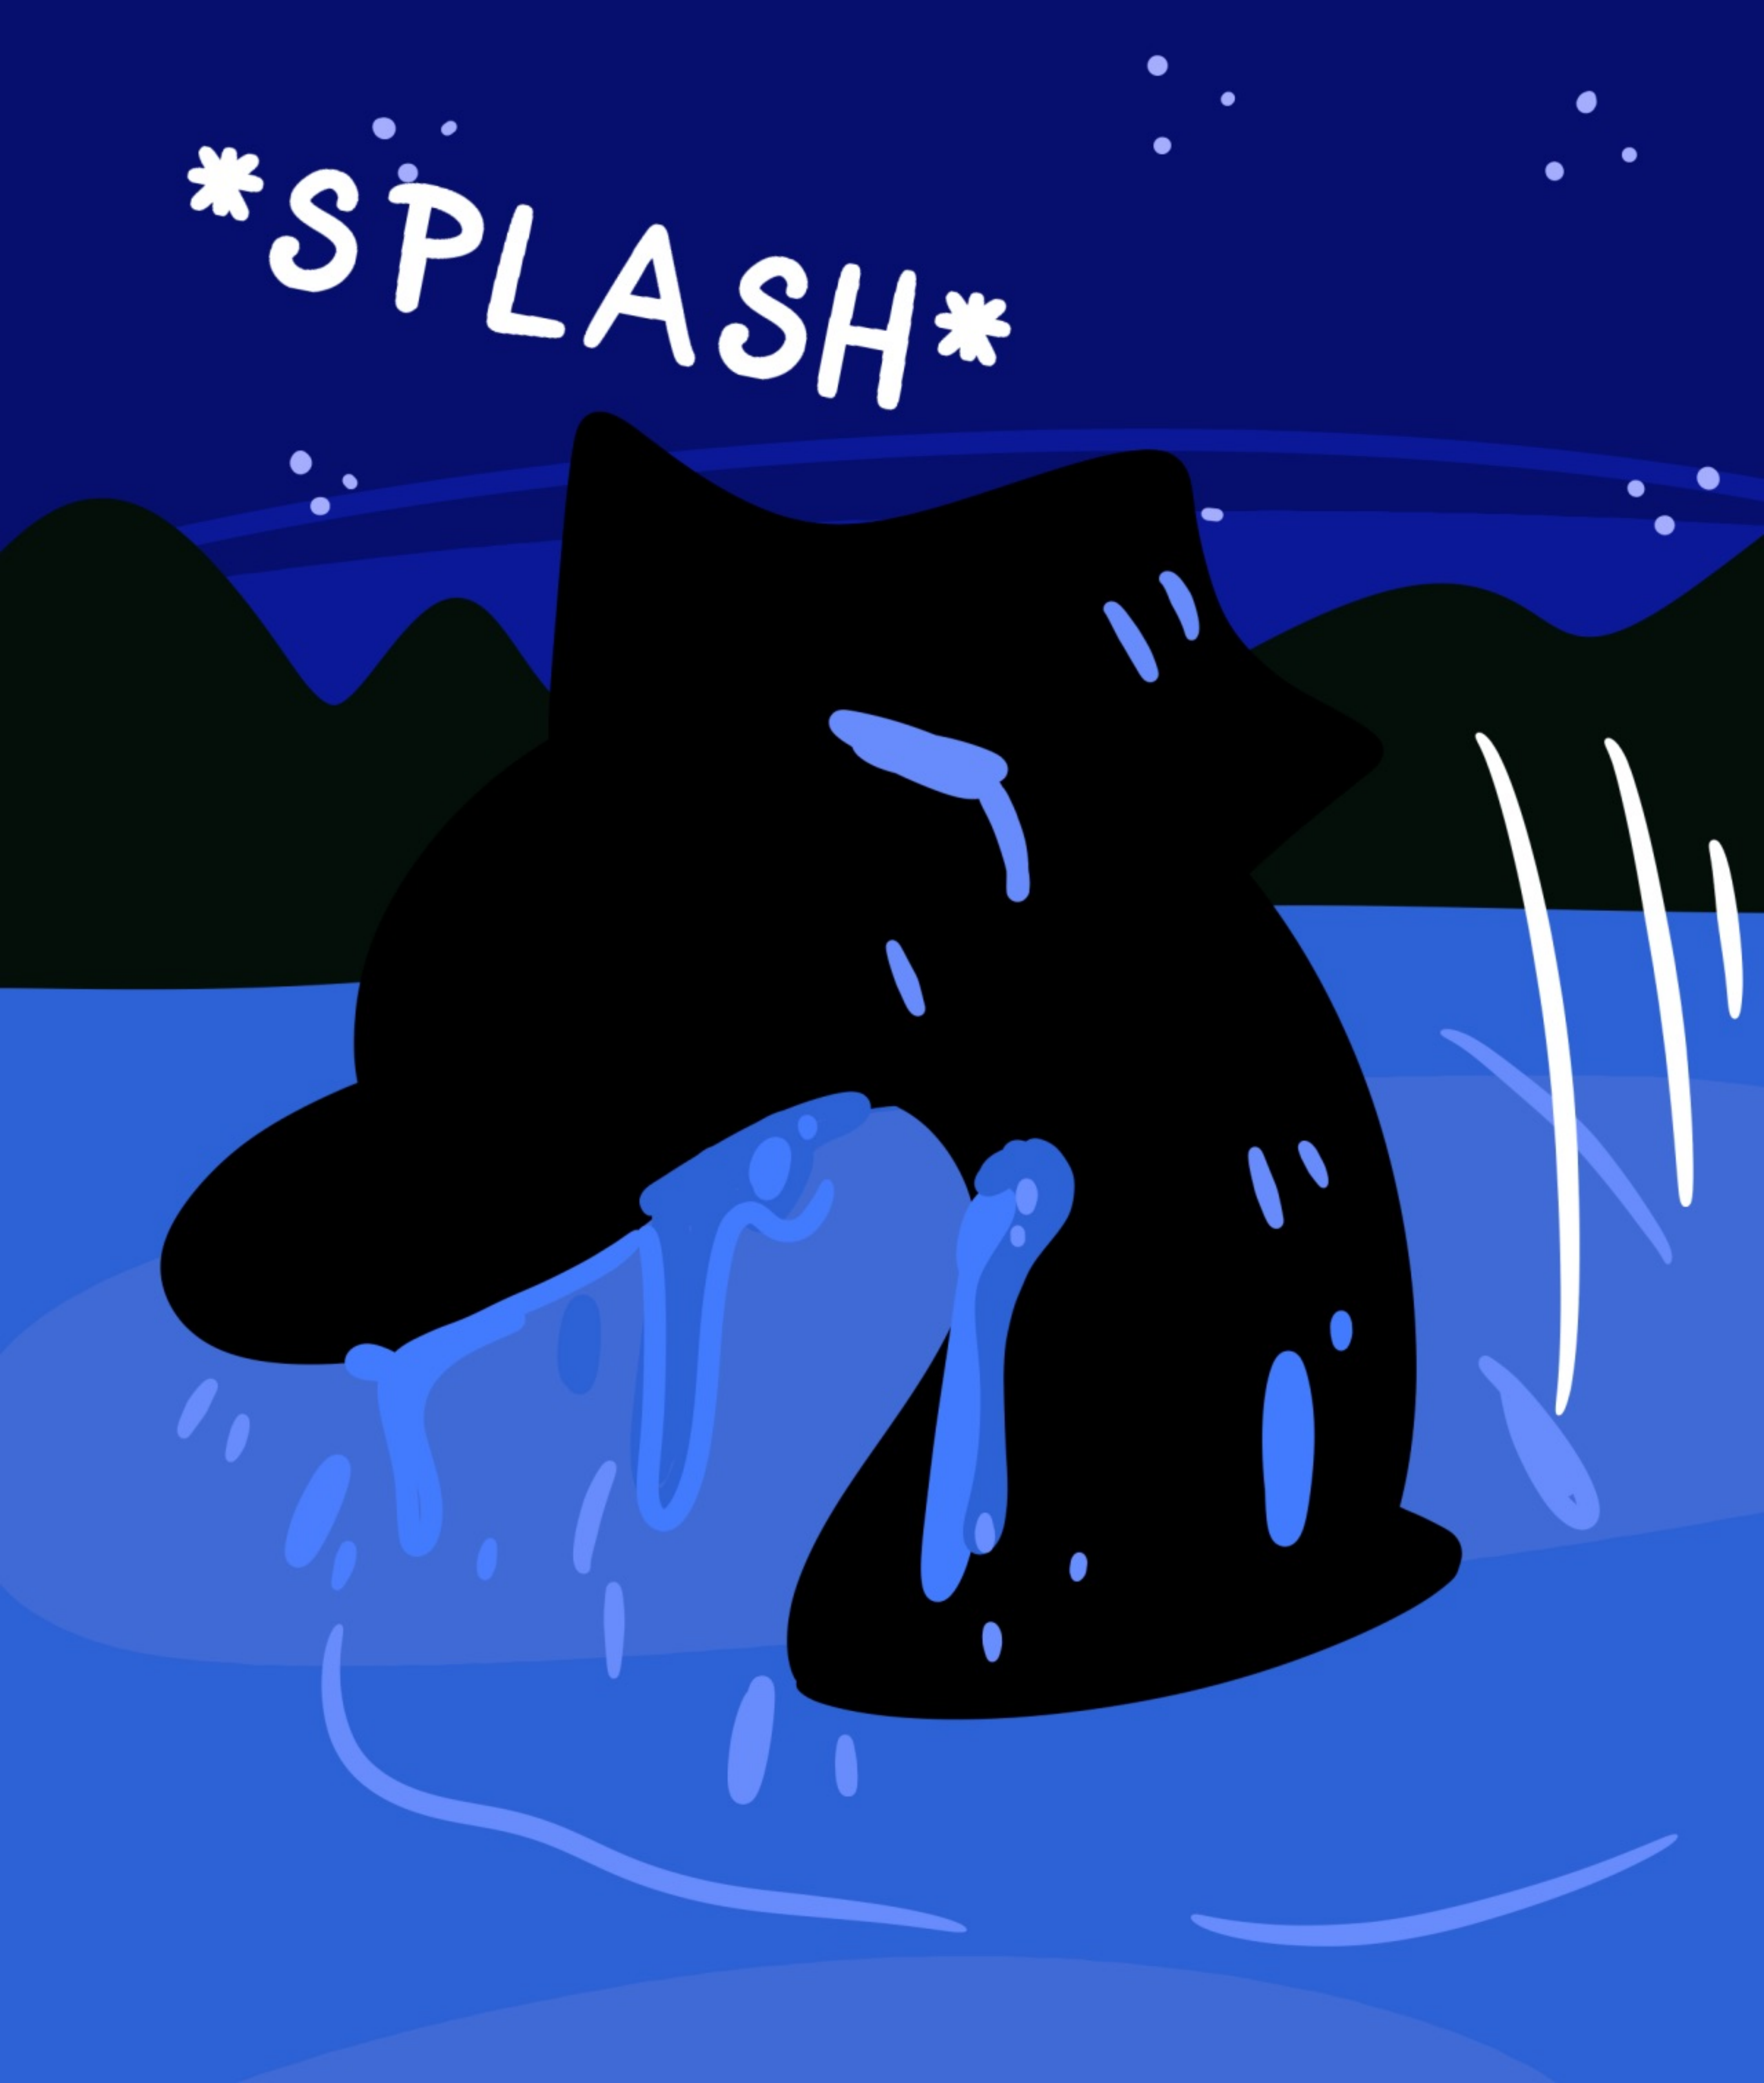


I-I´m tired and my feet hurt... I just wanna lie down...

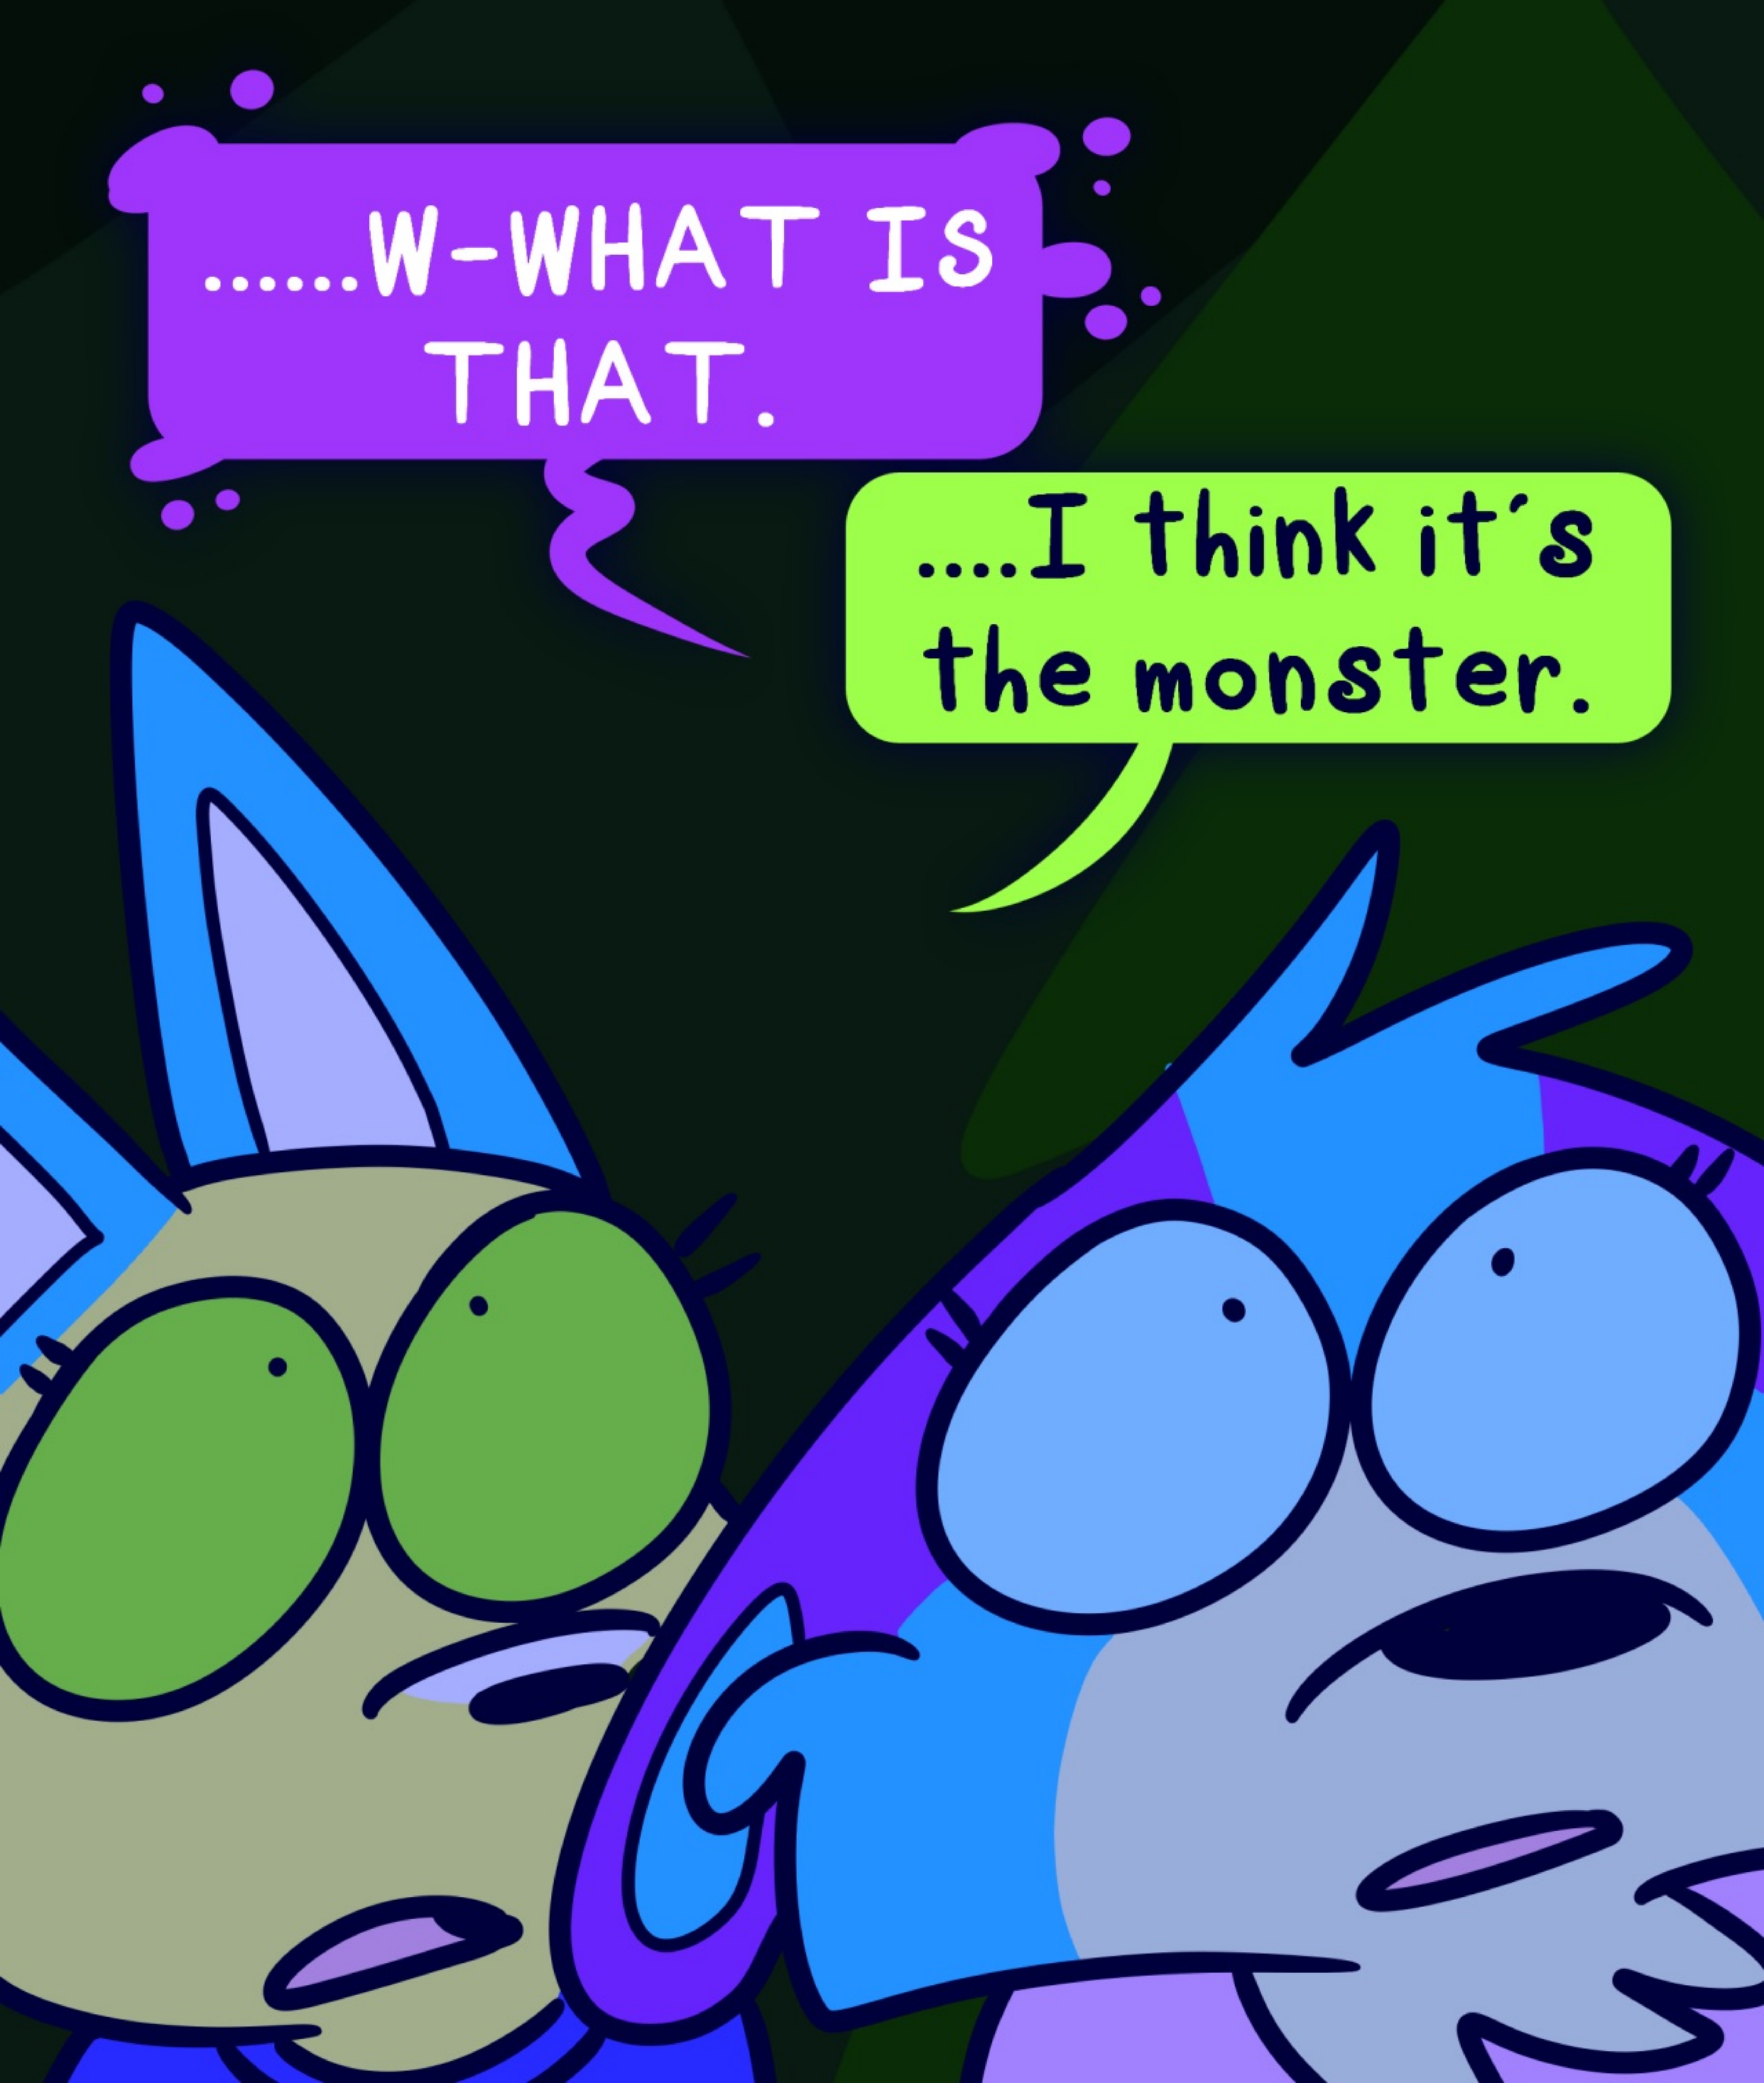


We'll never get back unless we keep going, though... just standing around isn't going to get us back.

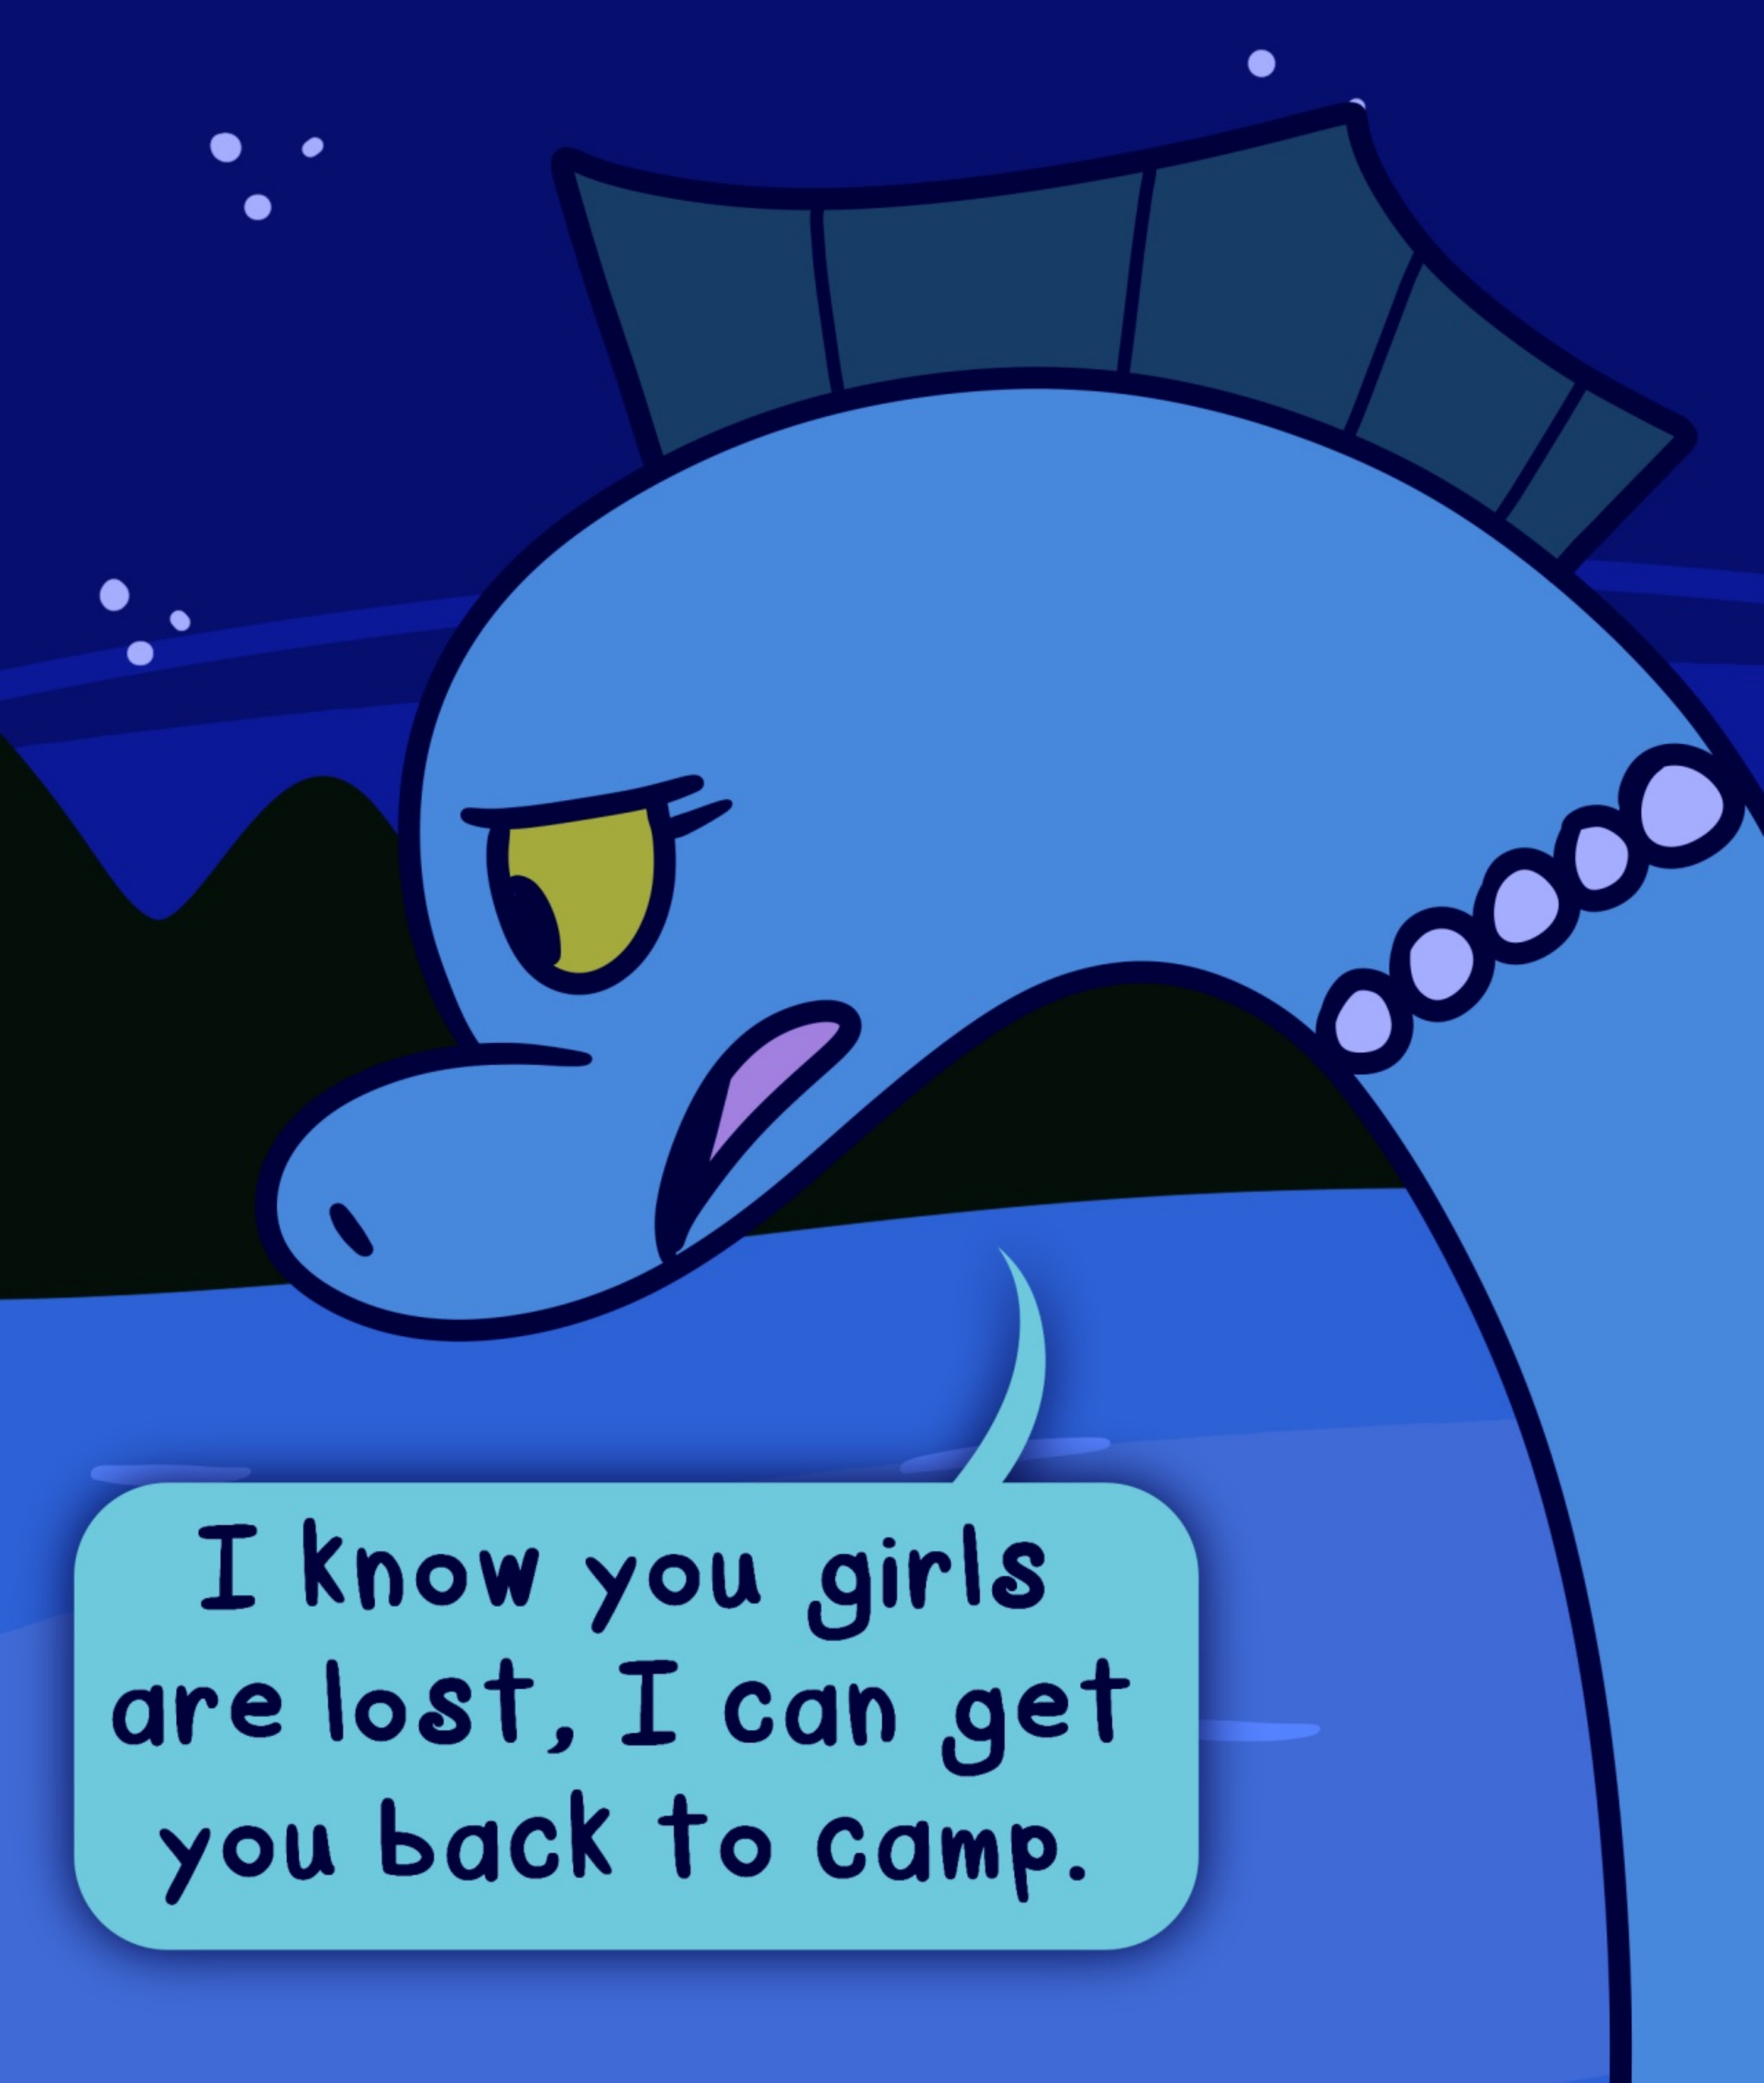




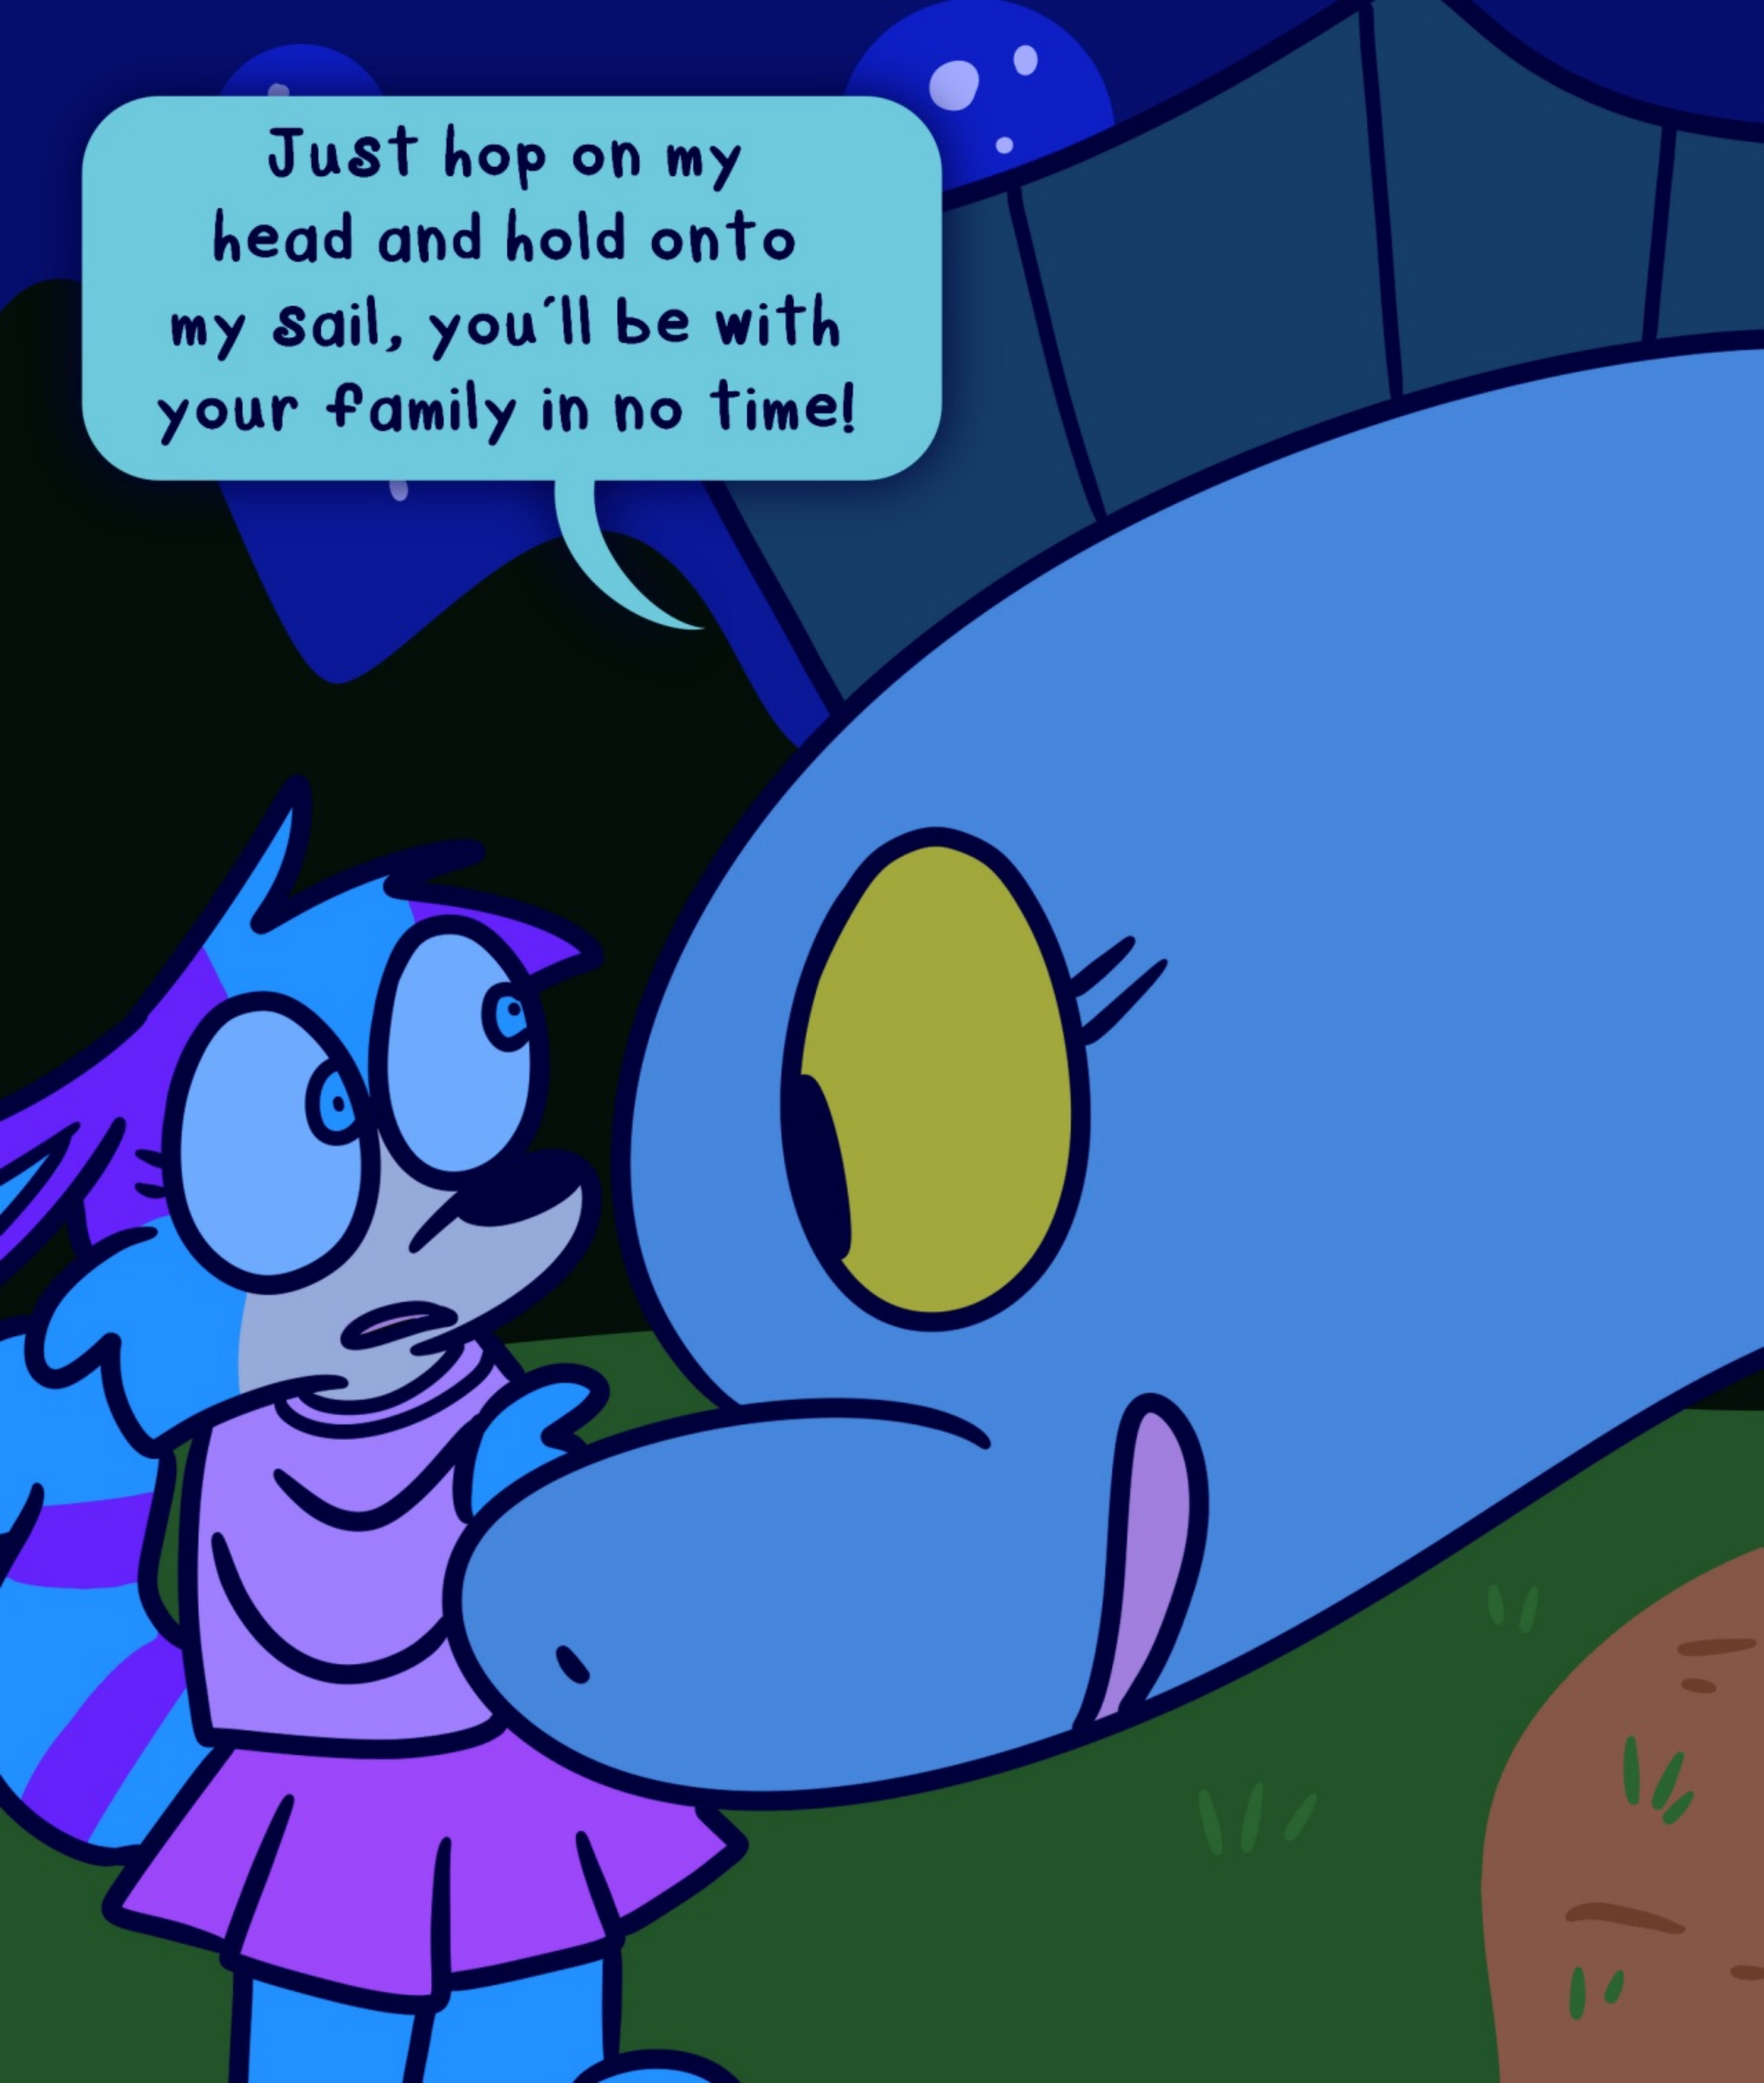
SPLASH



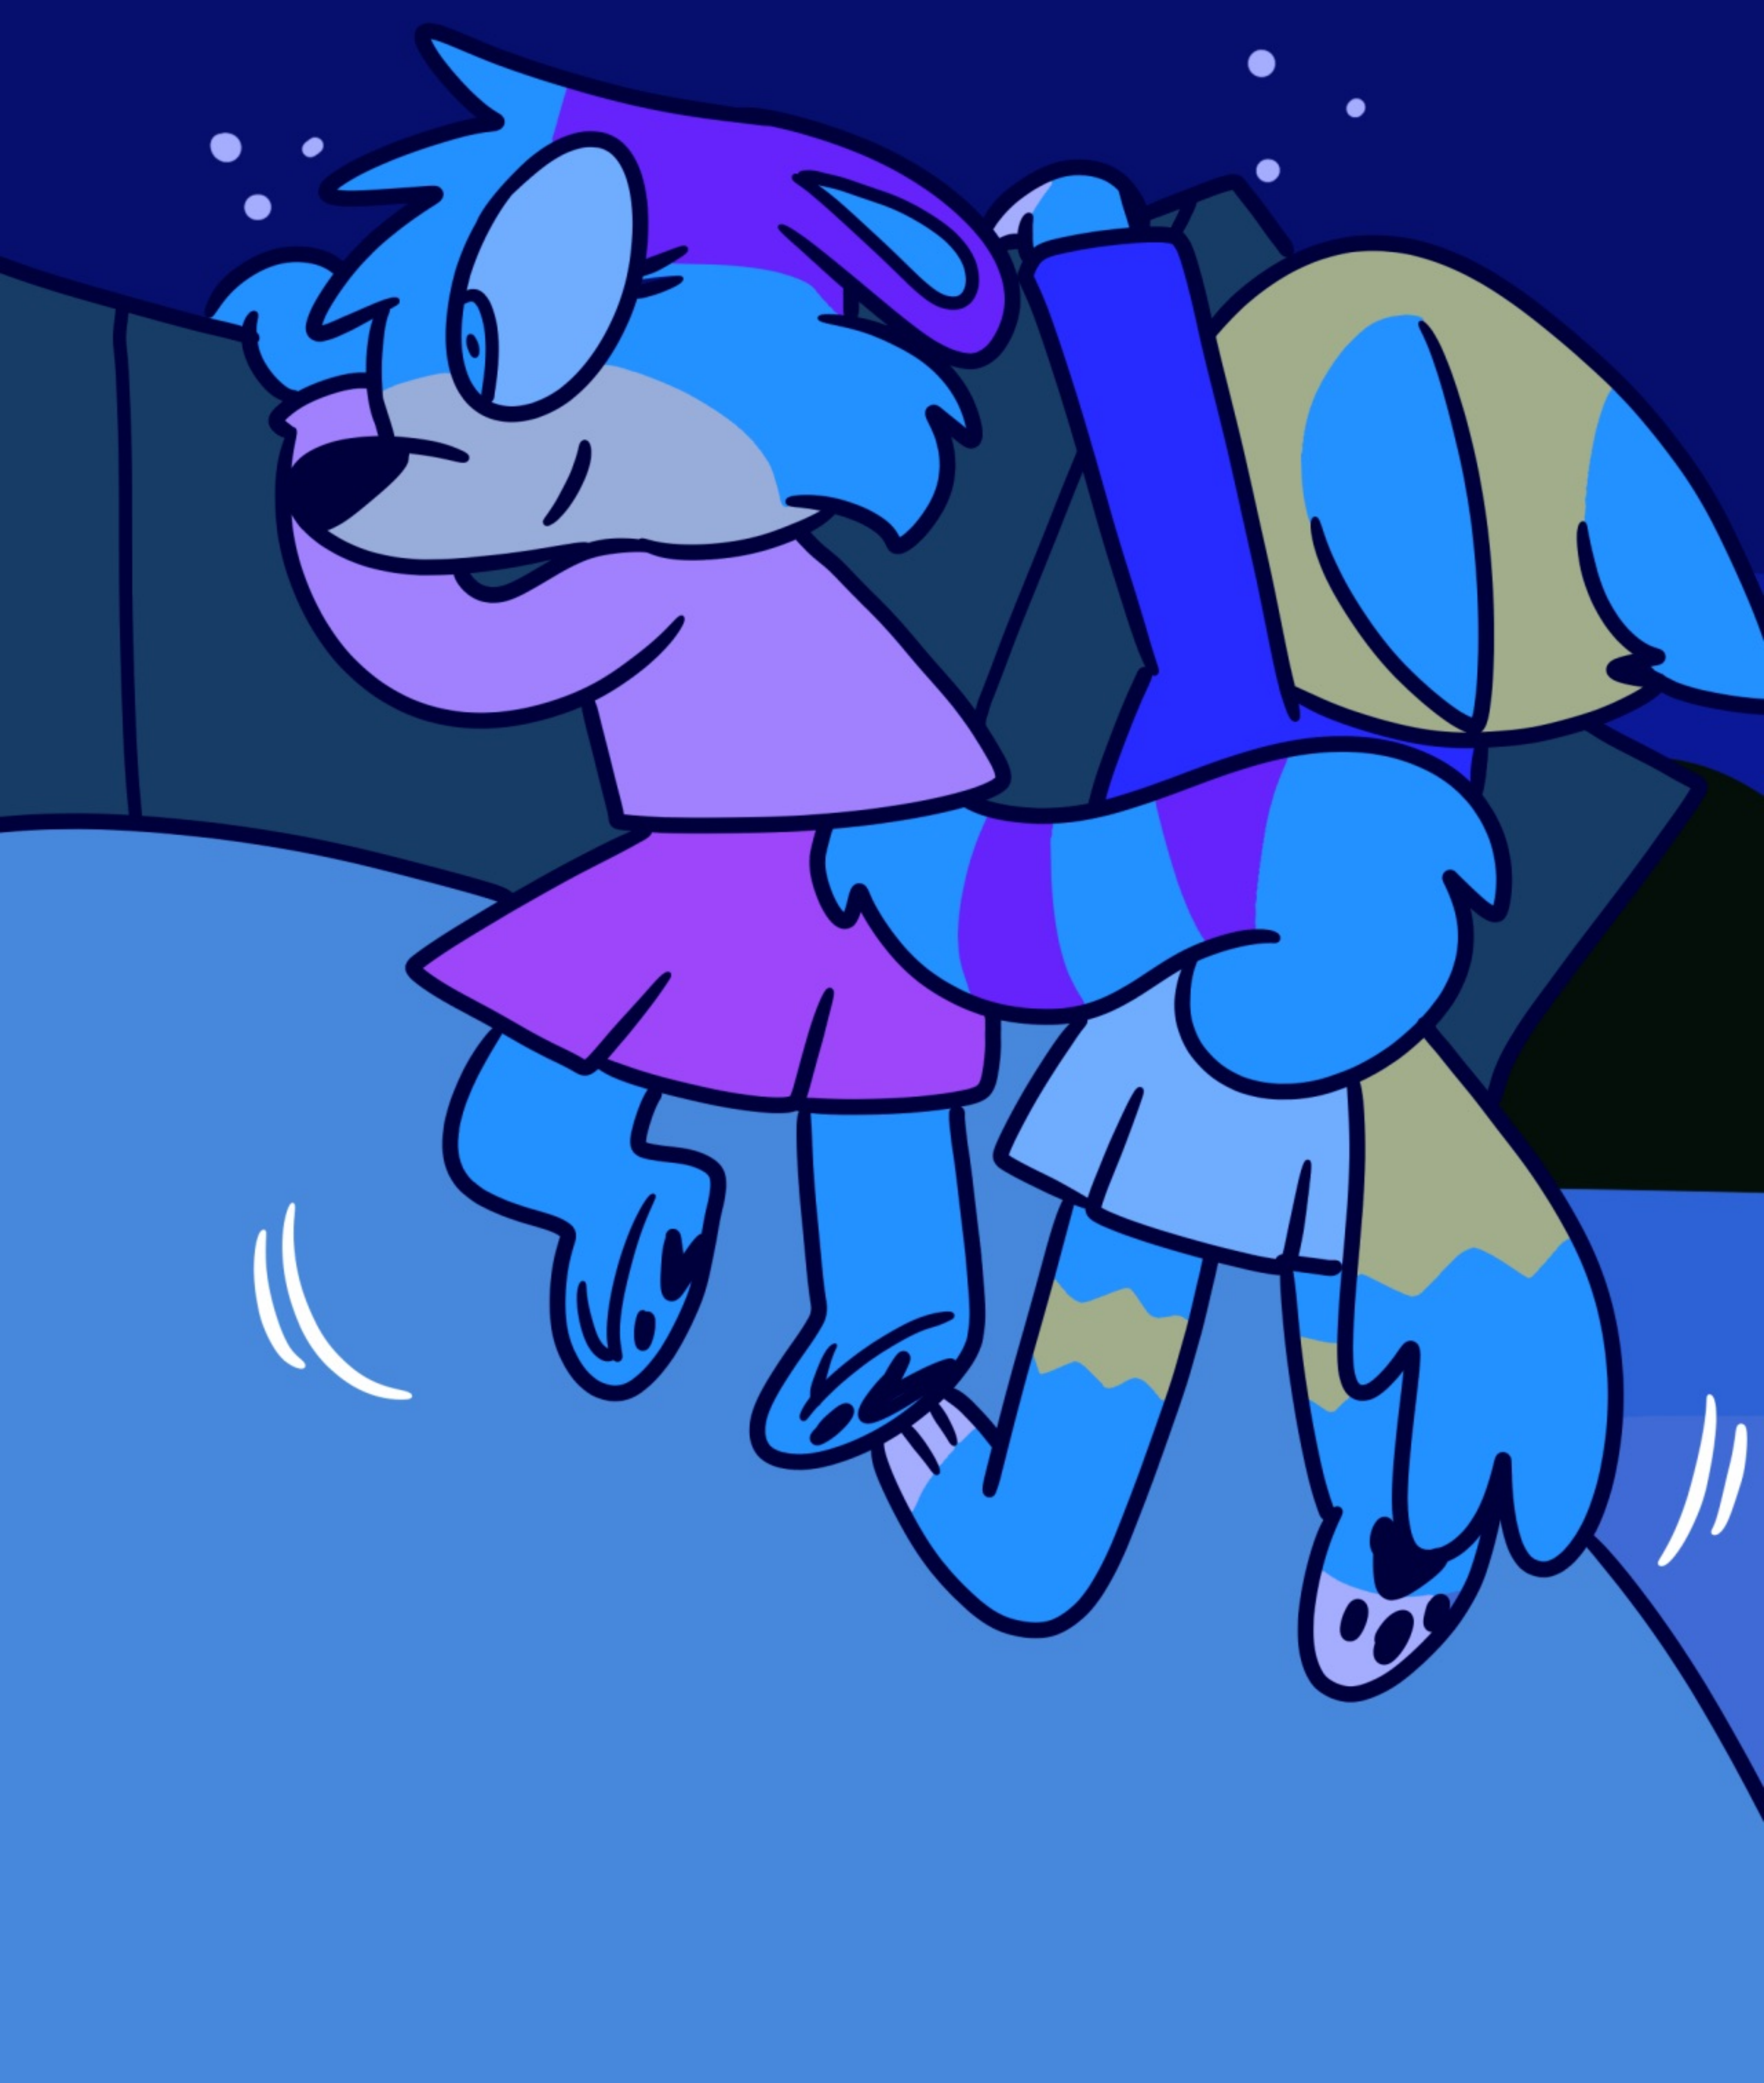
......W-WHAT IS THAT.
....I think it's the monster.

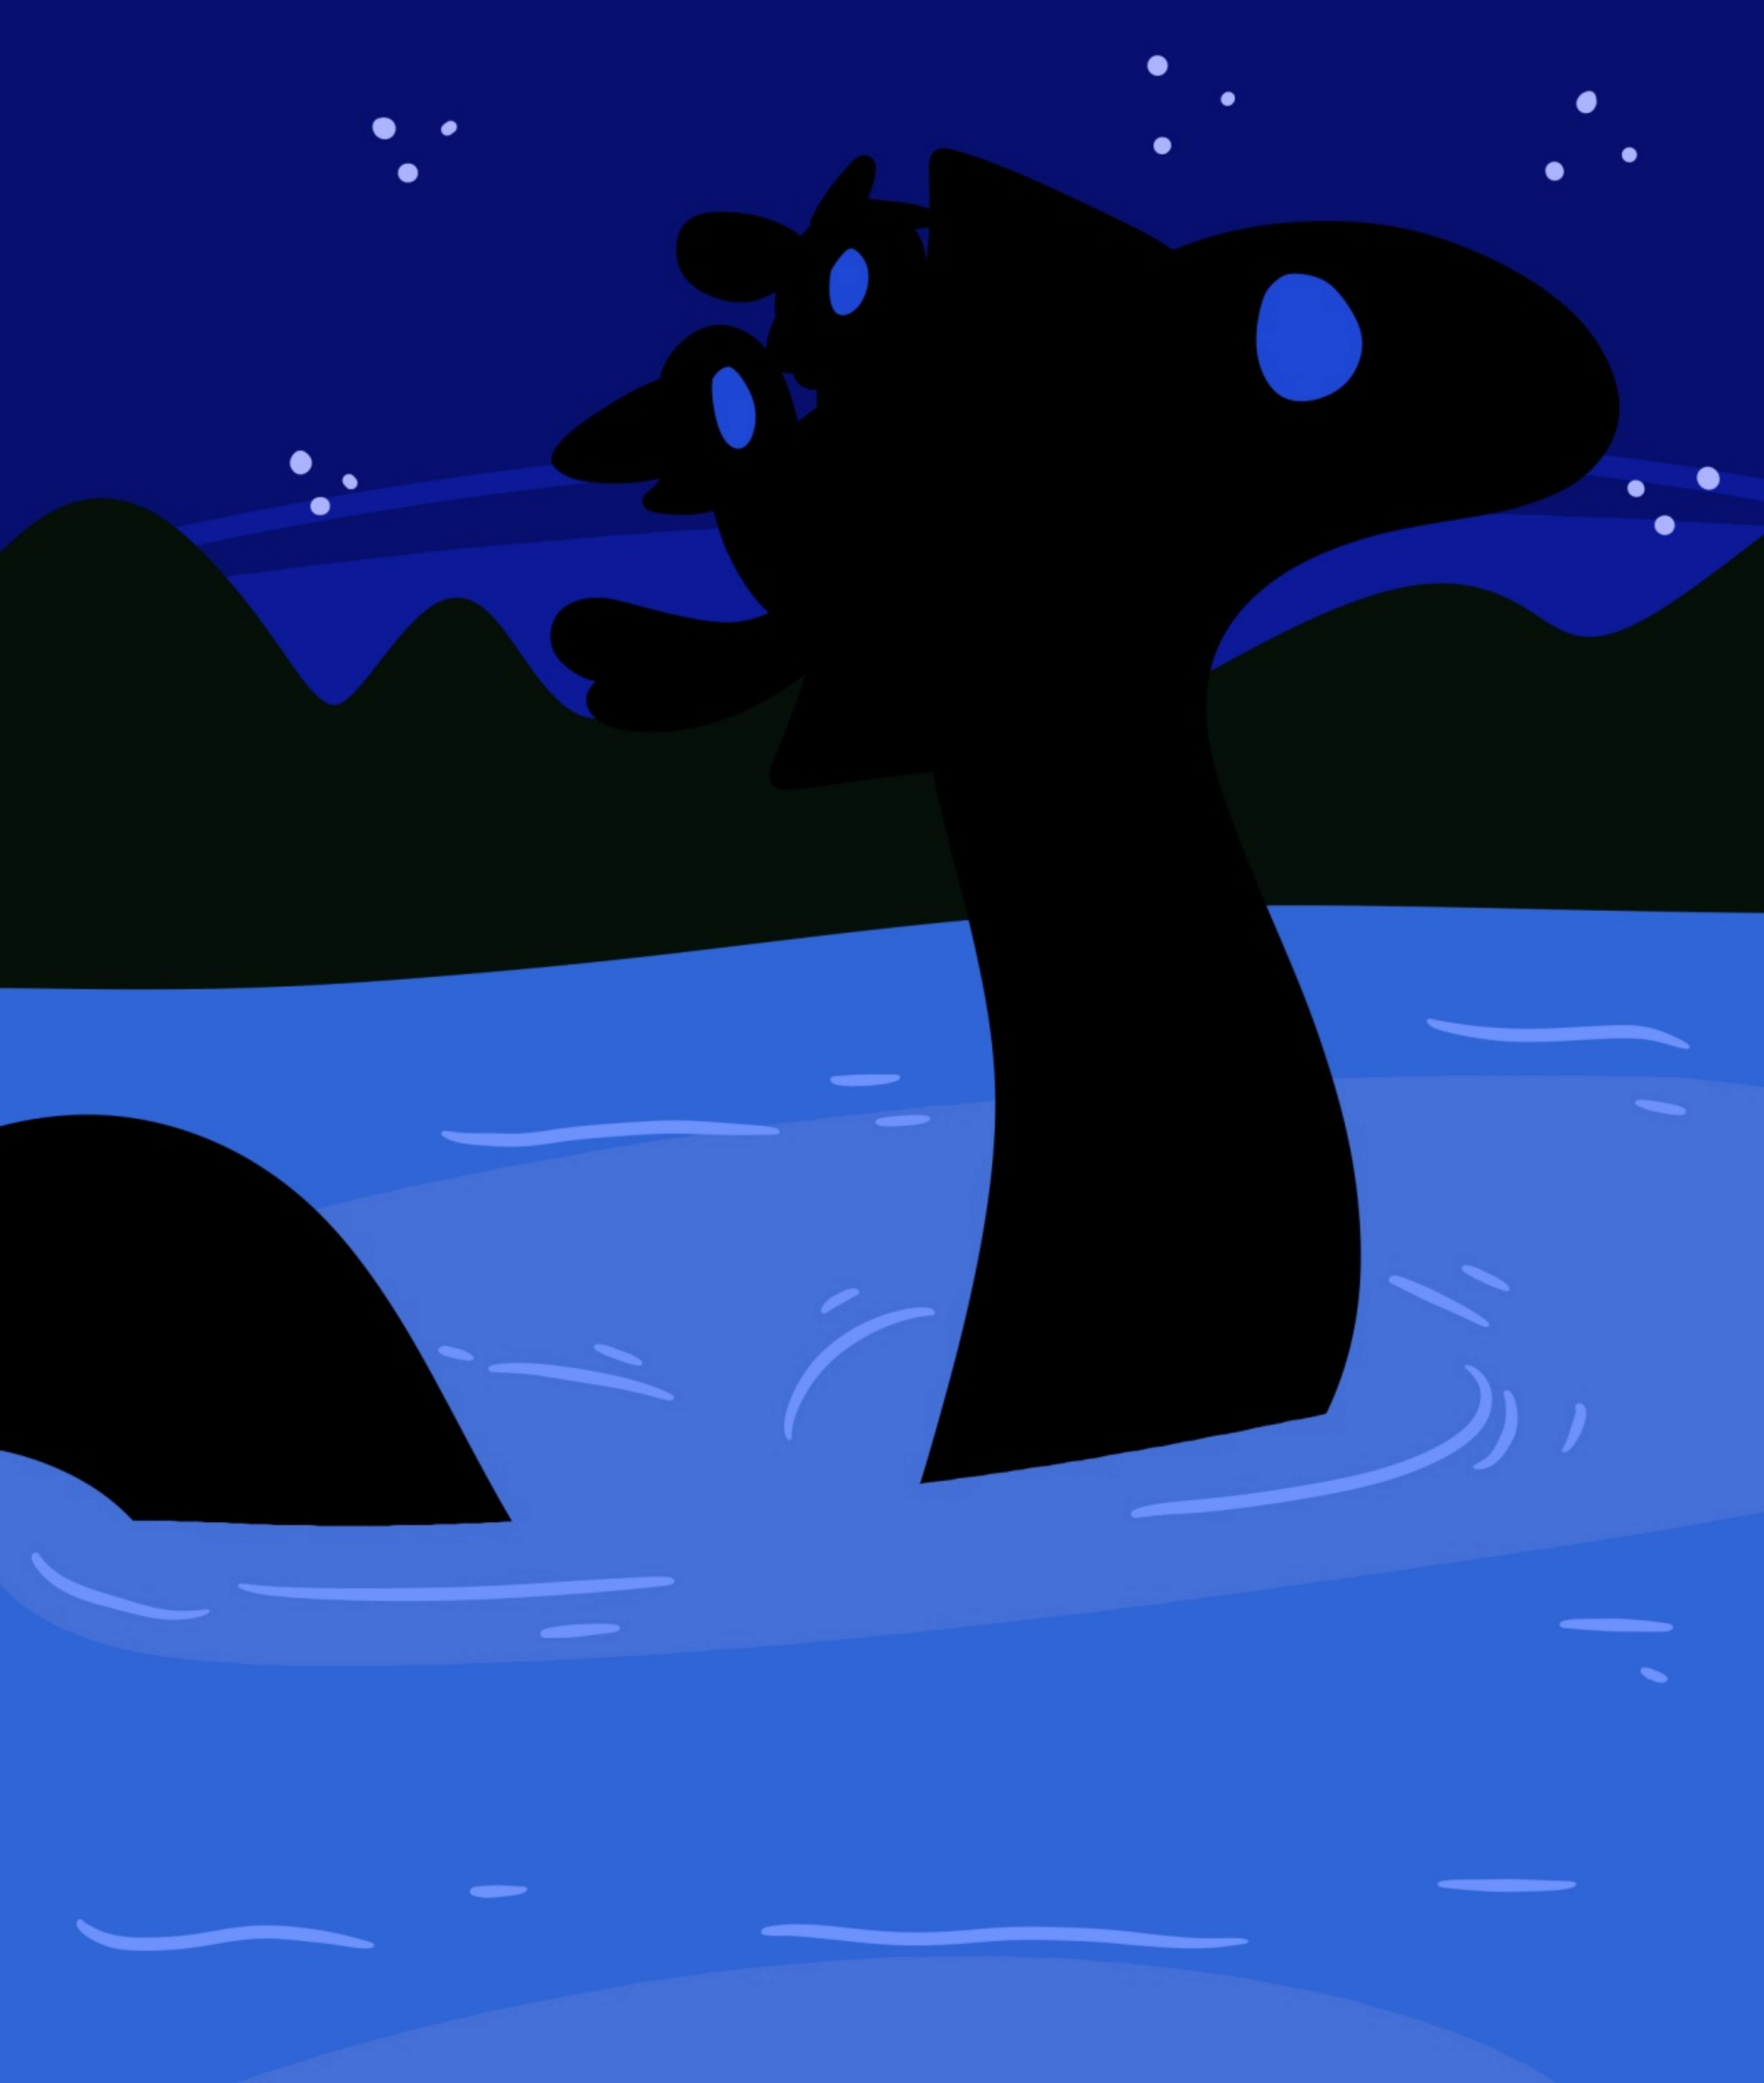


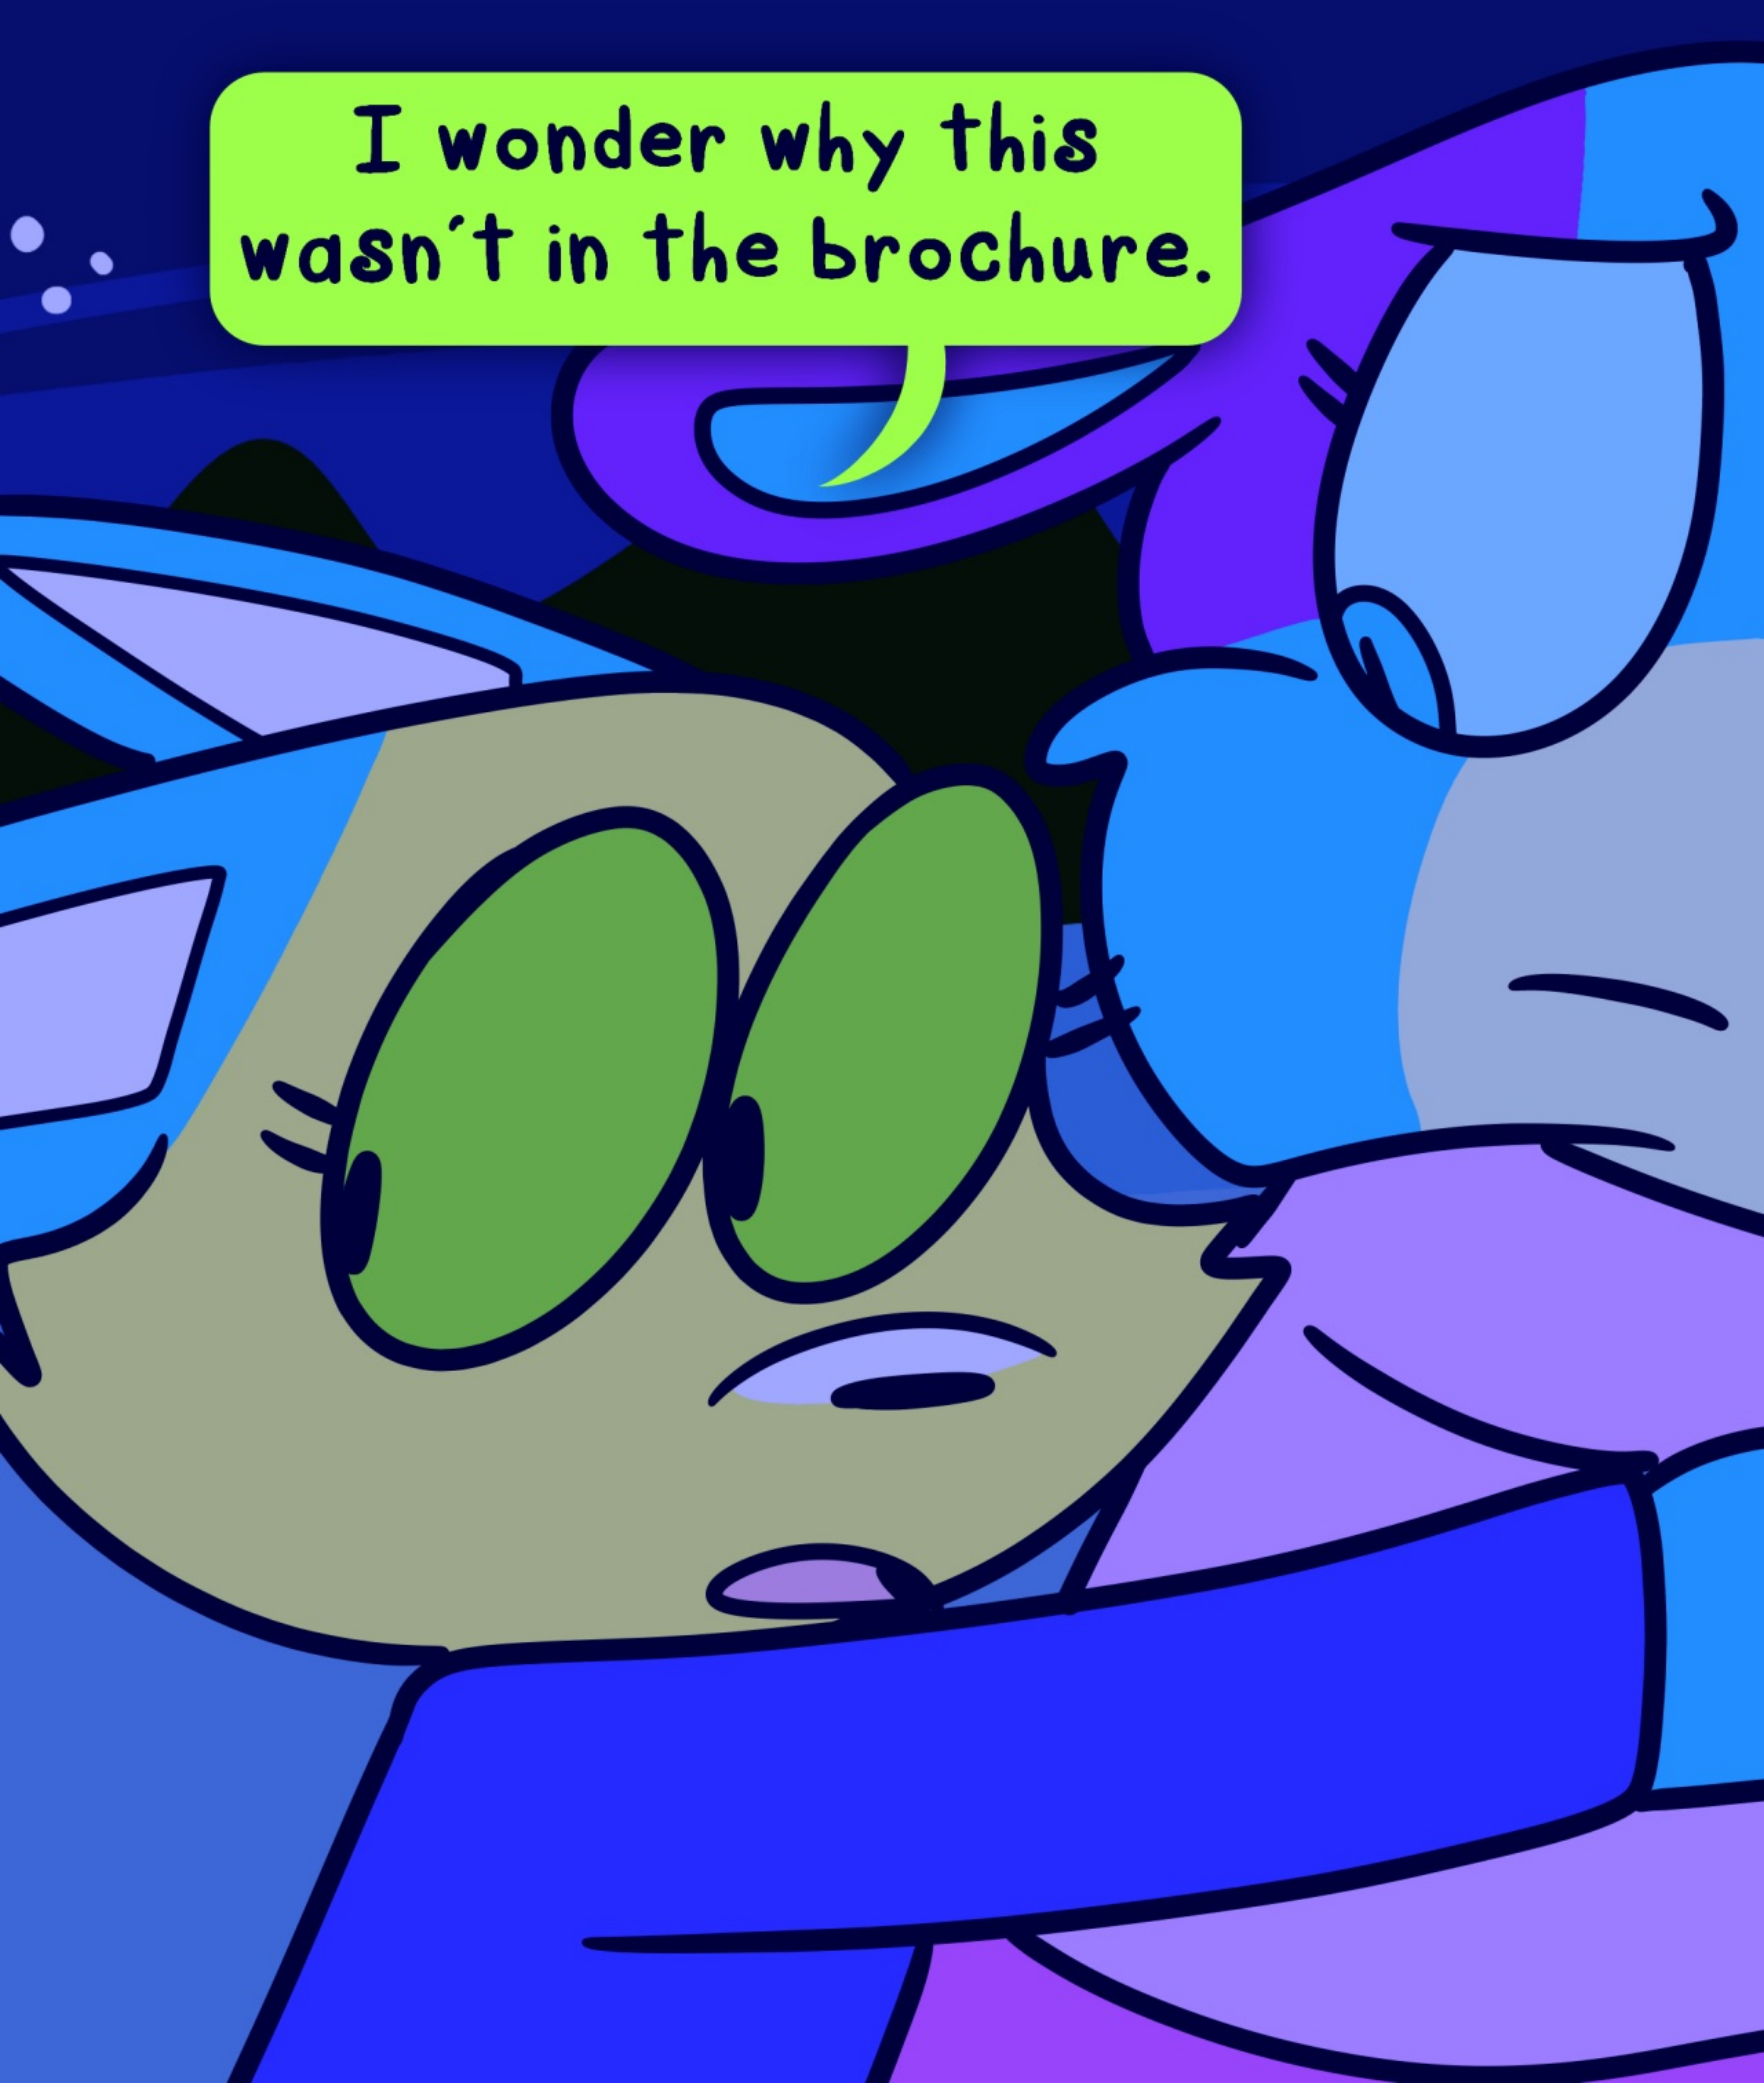
I know you girls are lost, I can get you back to camp.



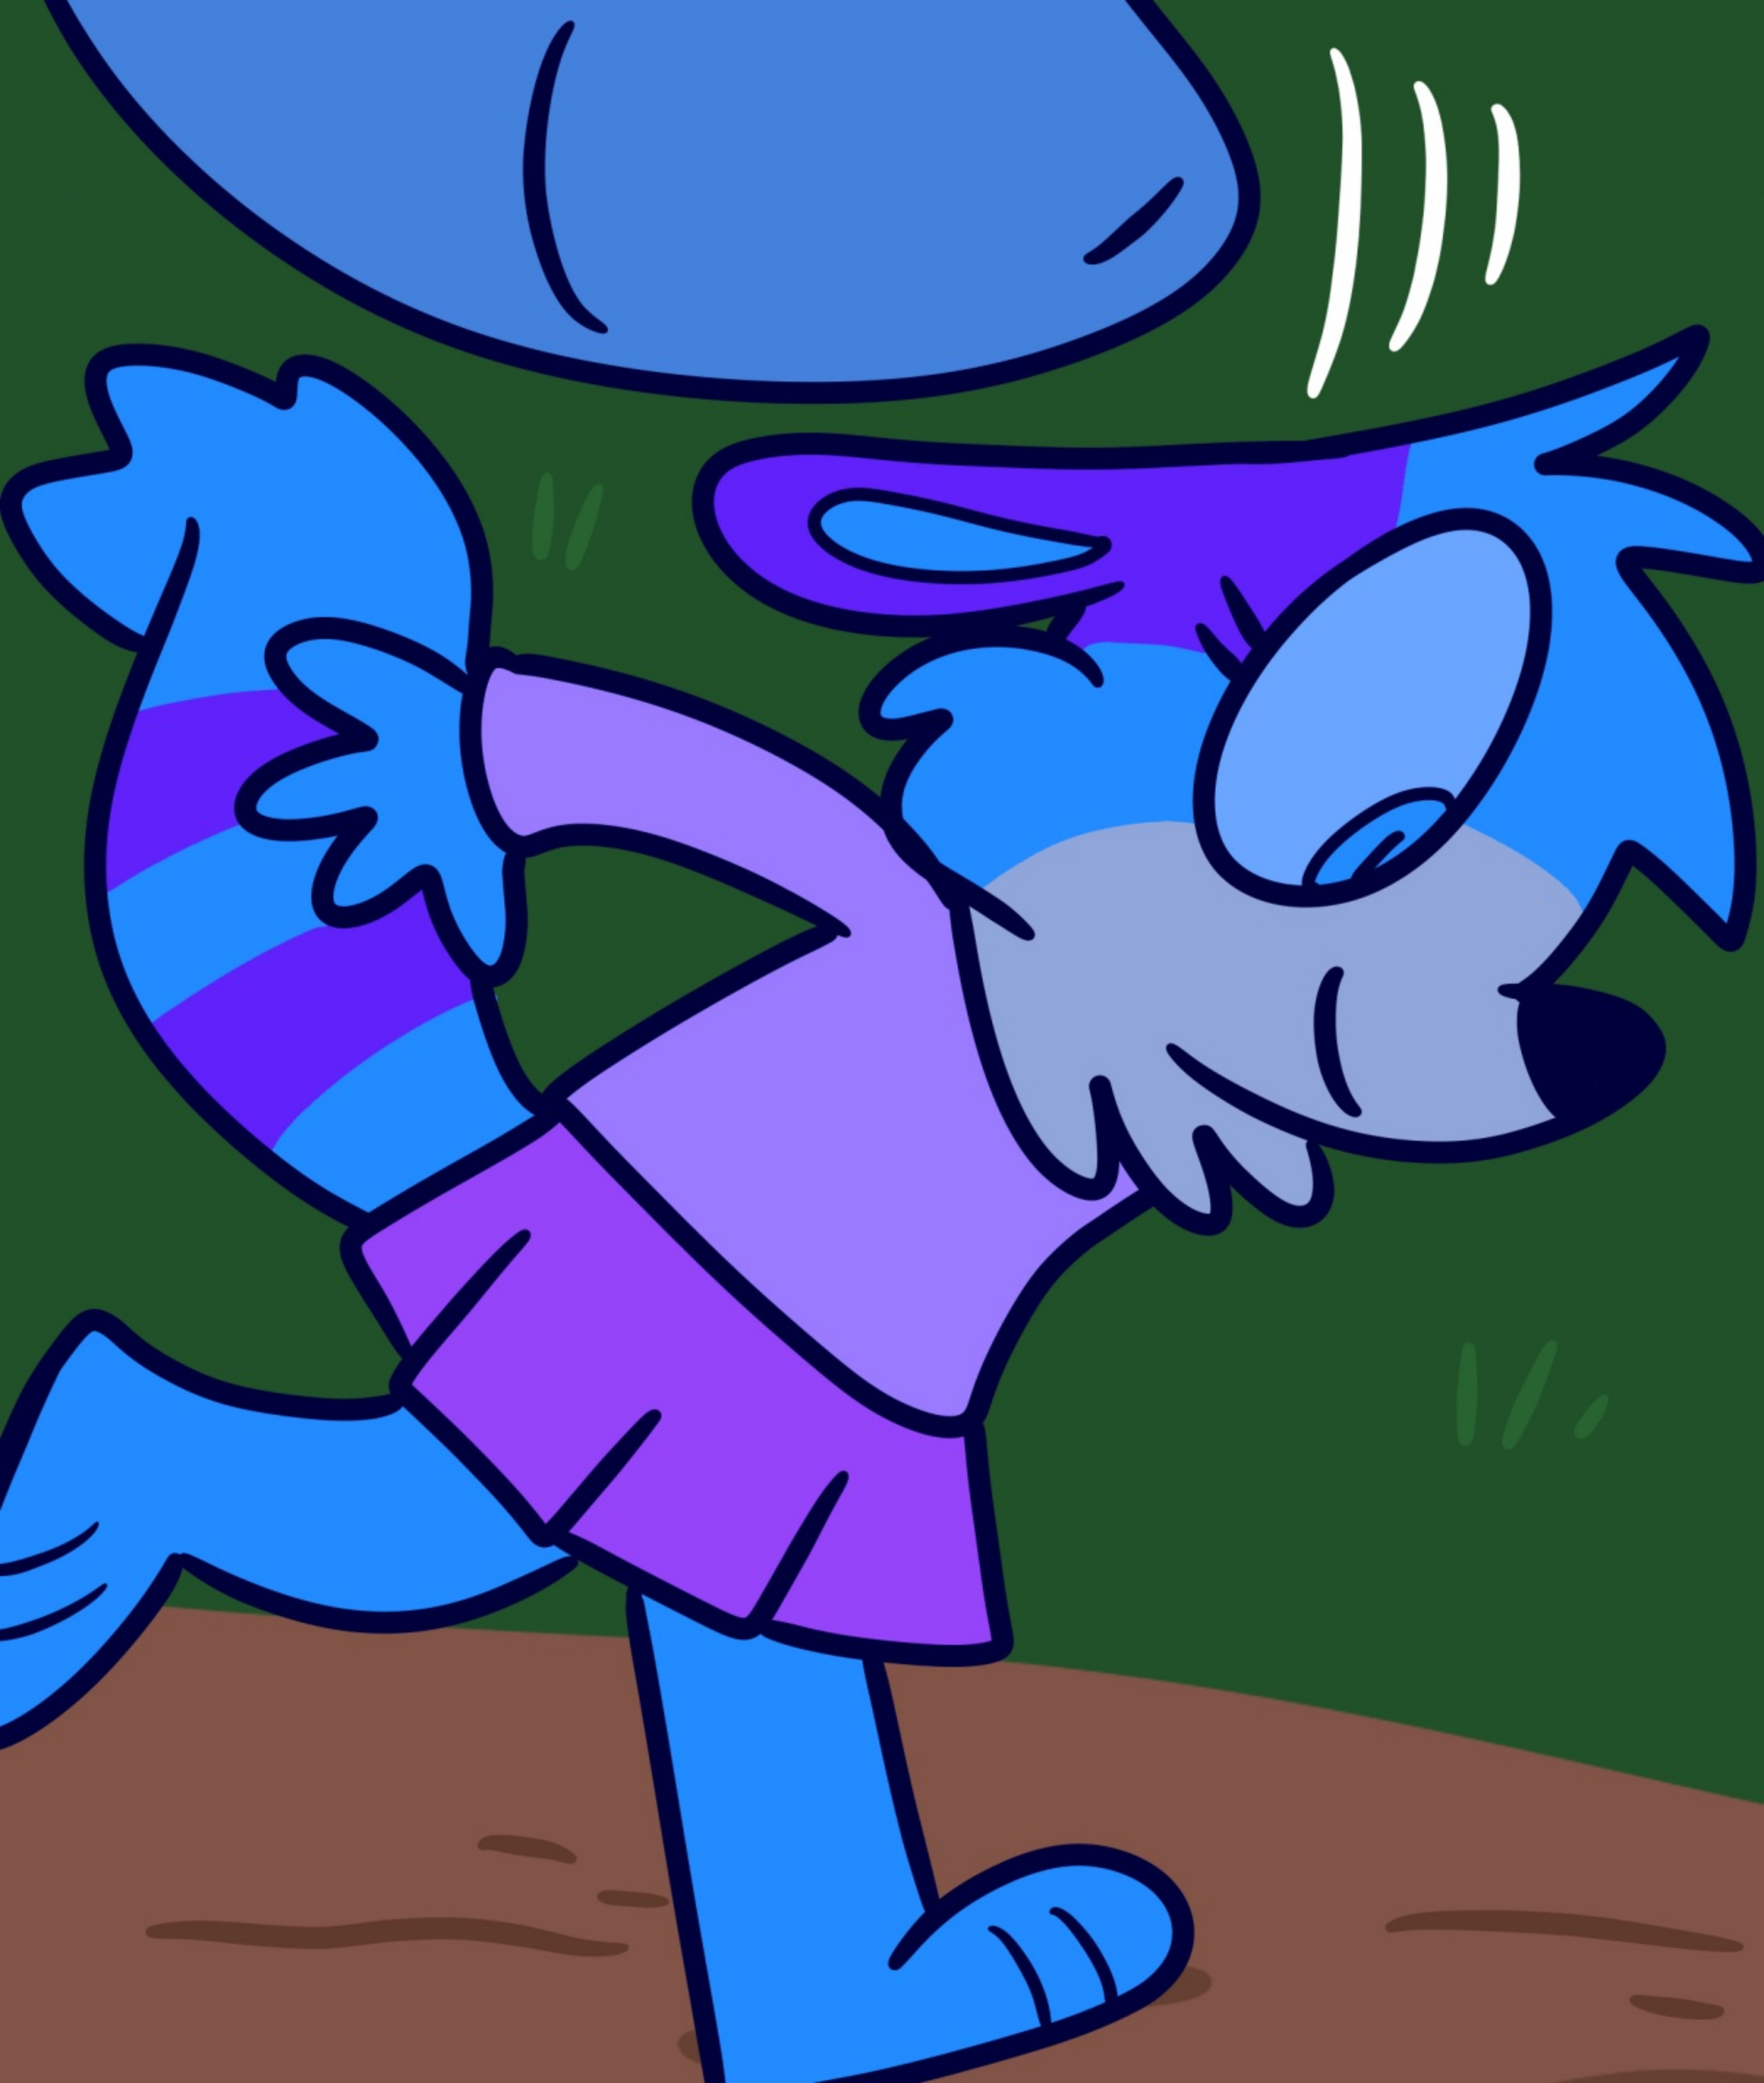
Just hop on my head and hold onto my sail, you'll be with your family in no time!

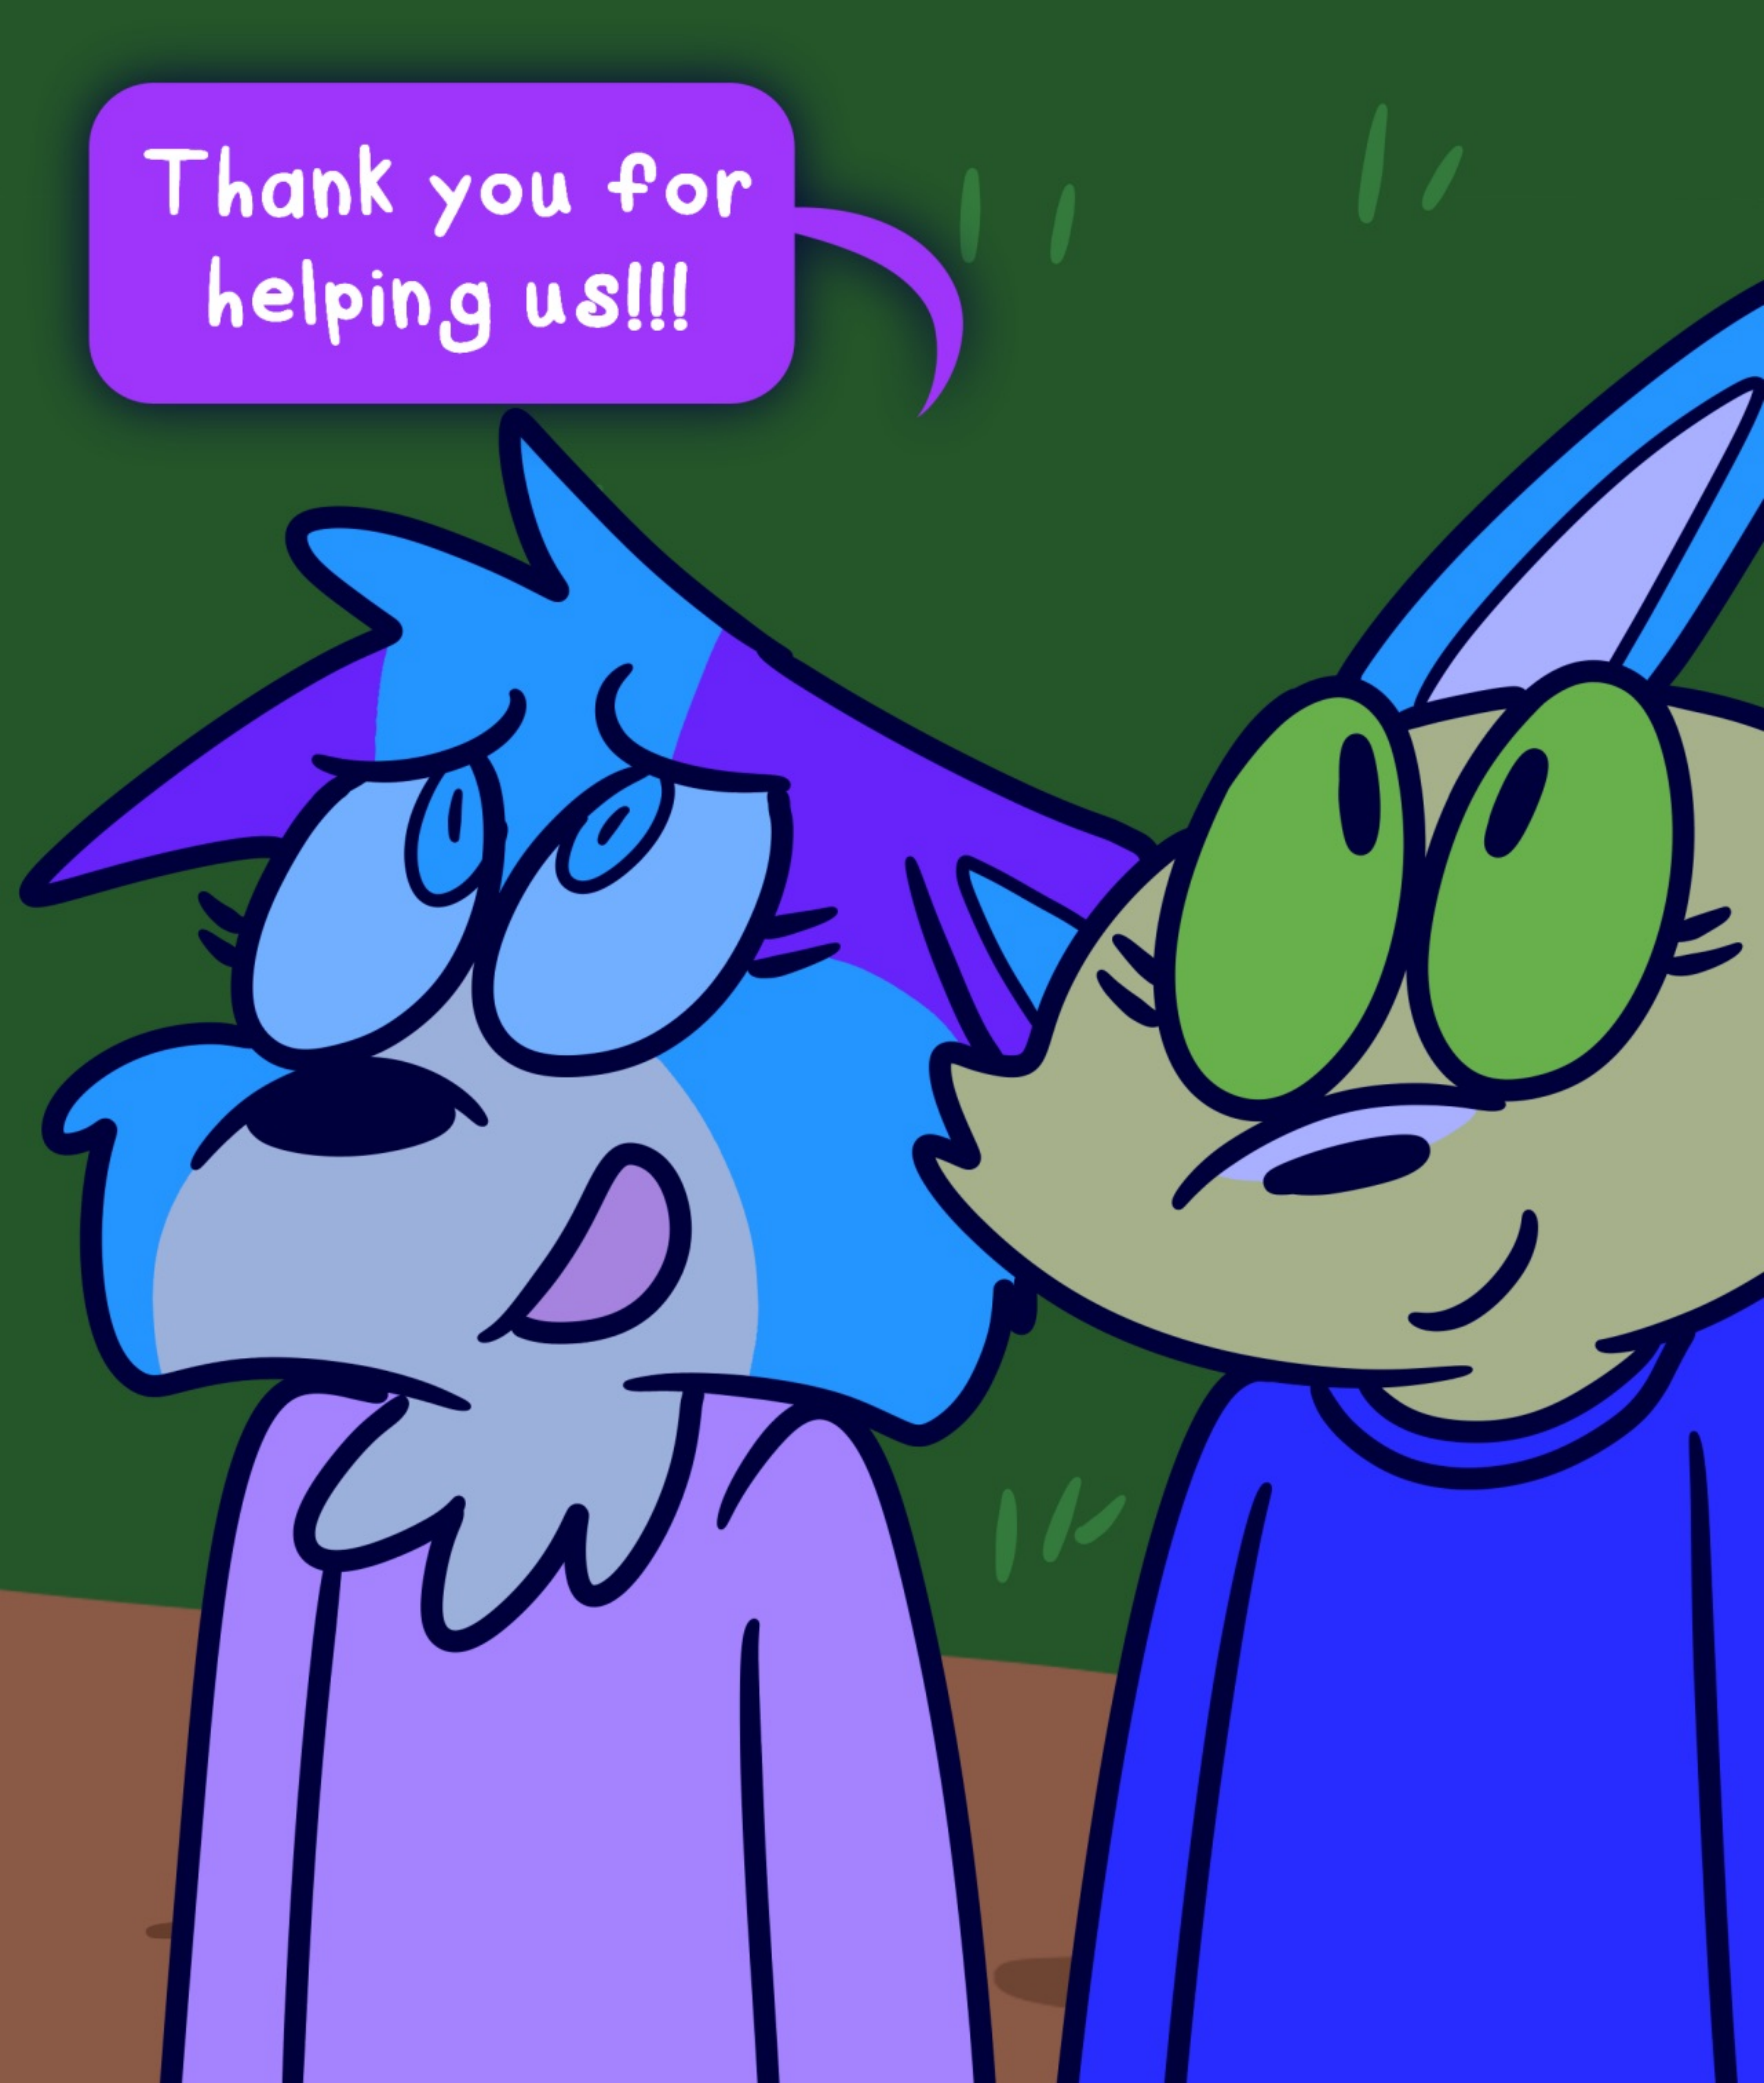




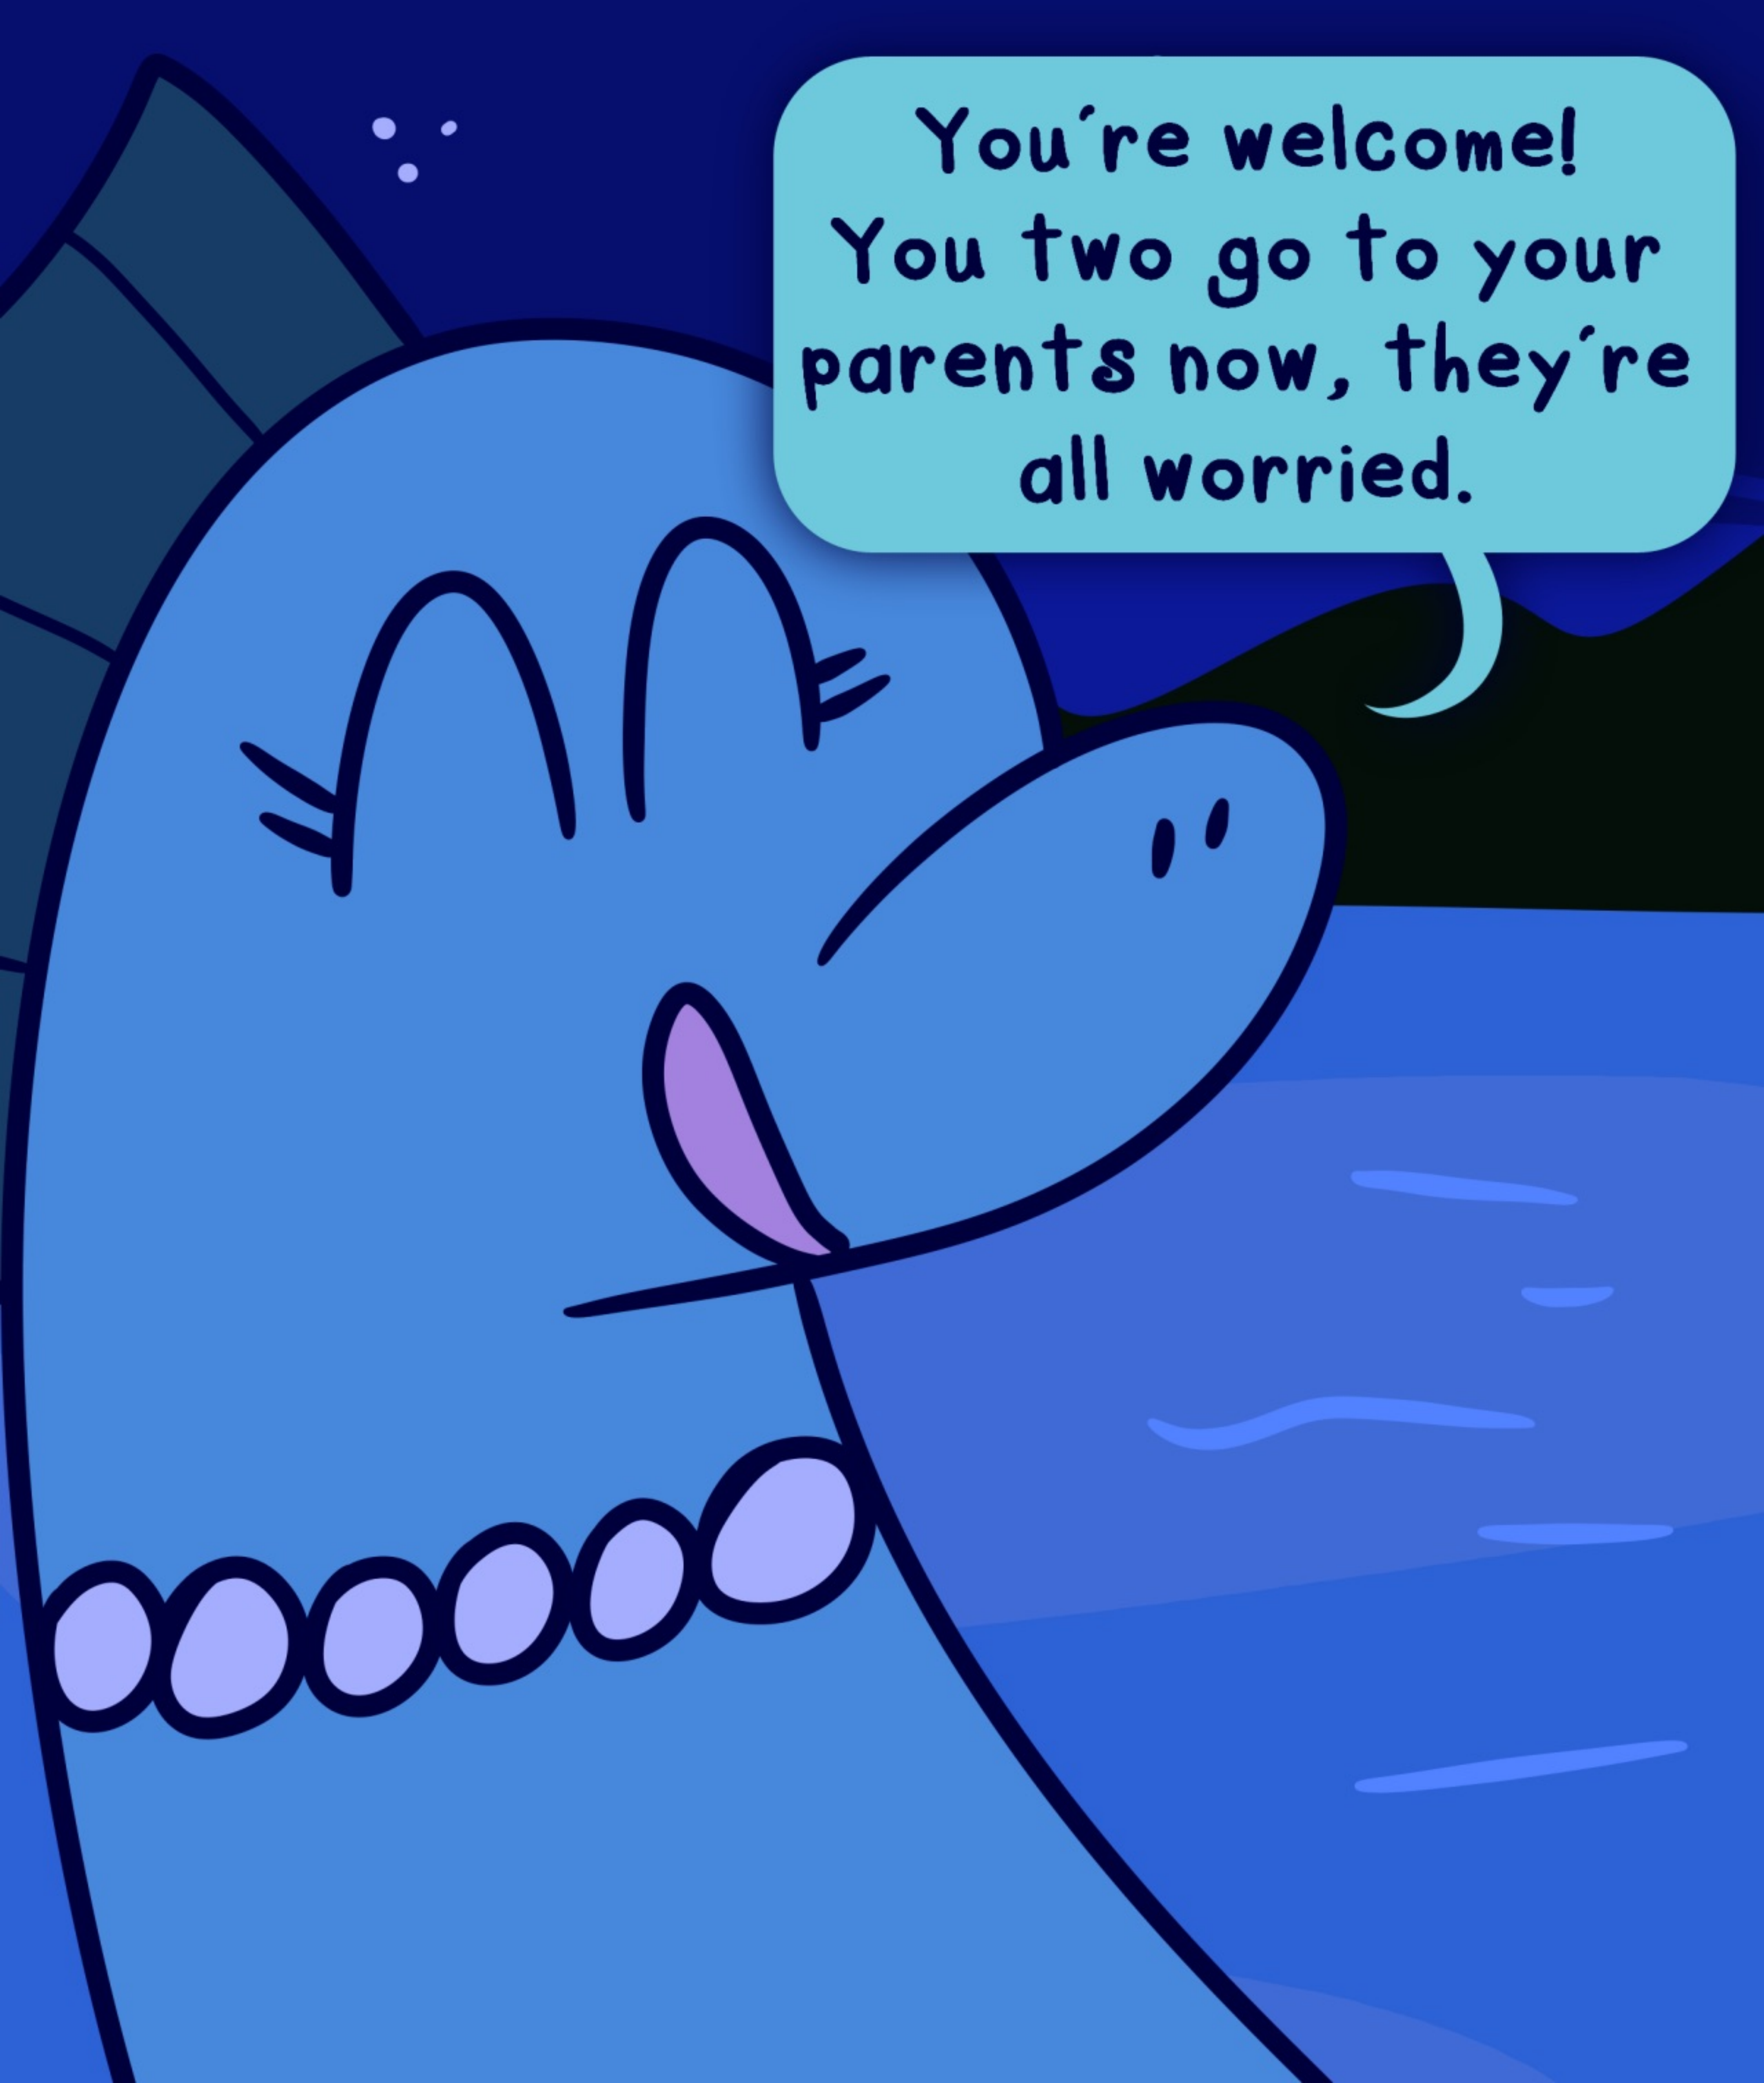


I wonder why this wasn´t in the brochure.

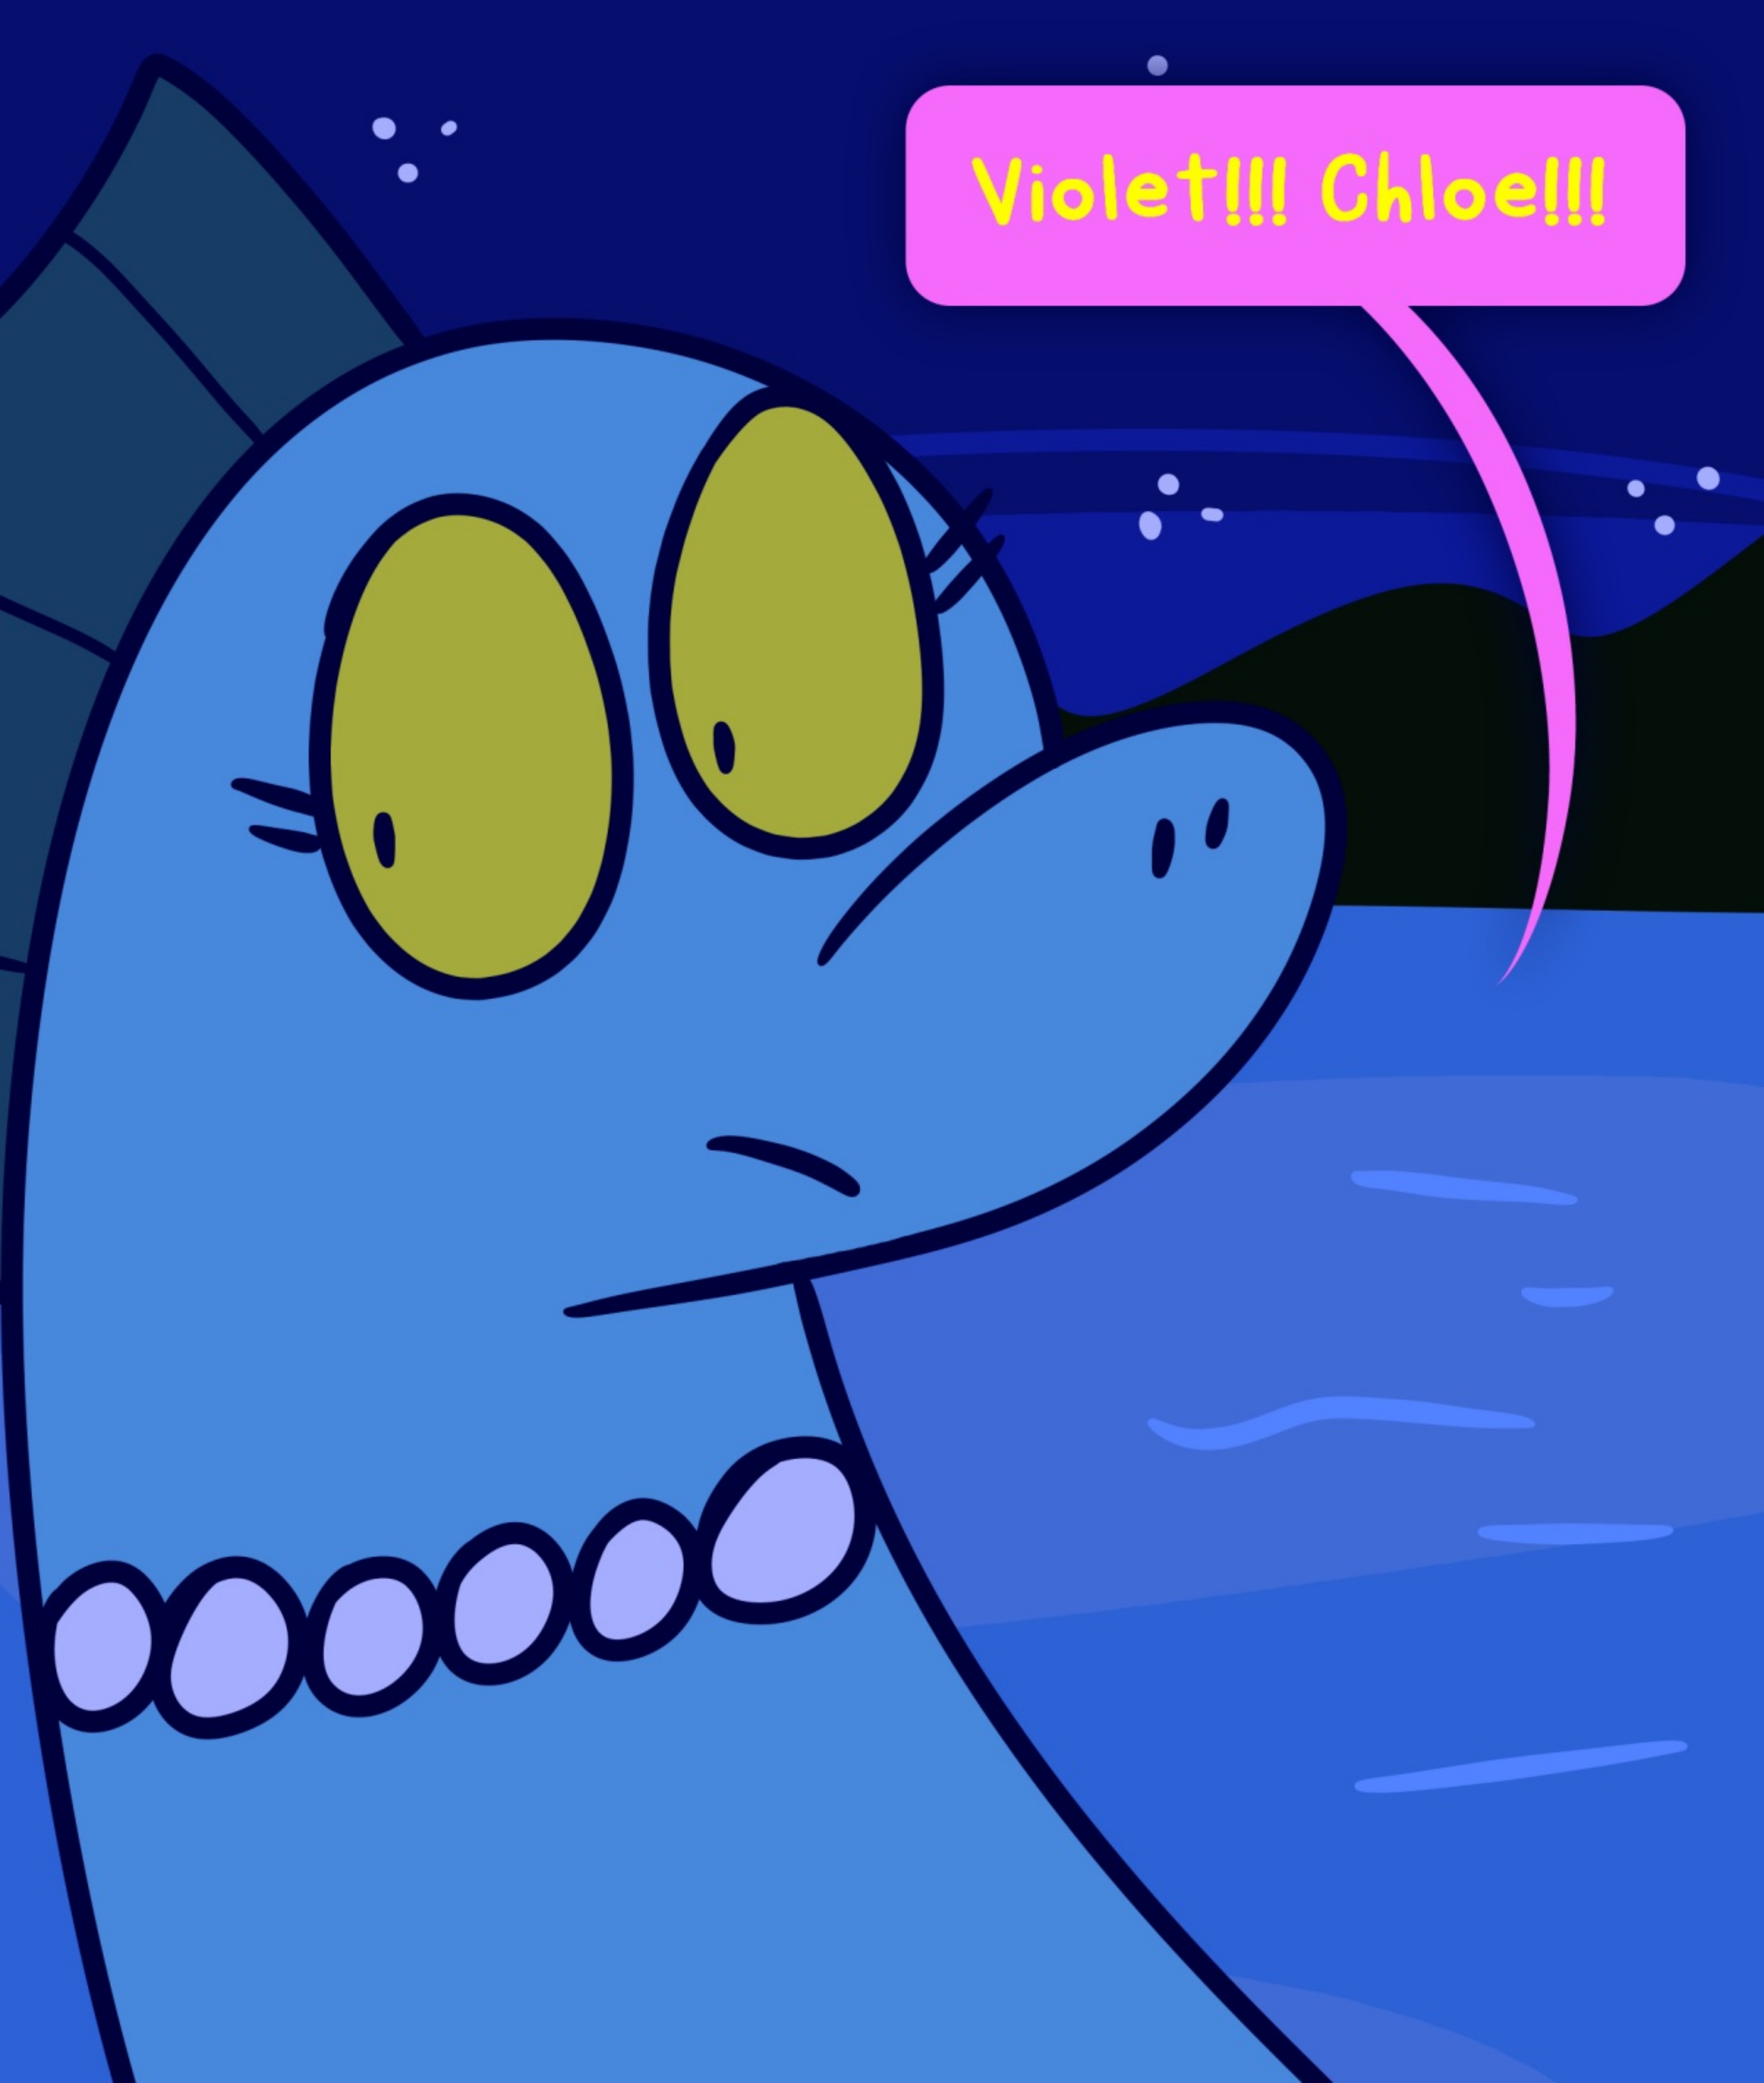




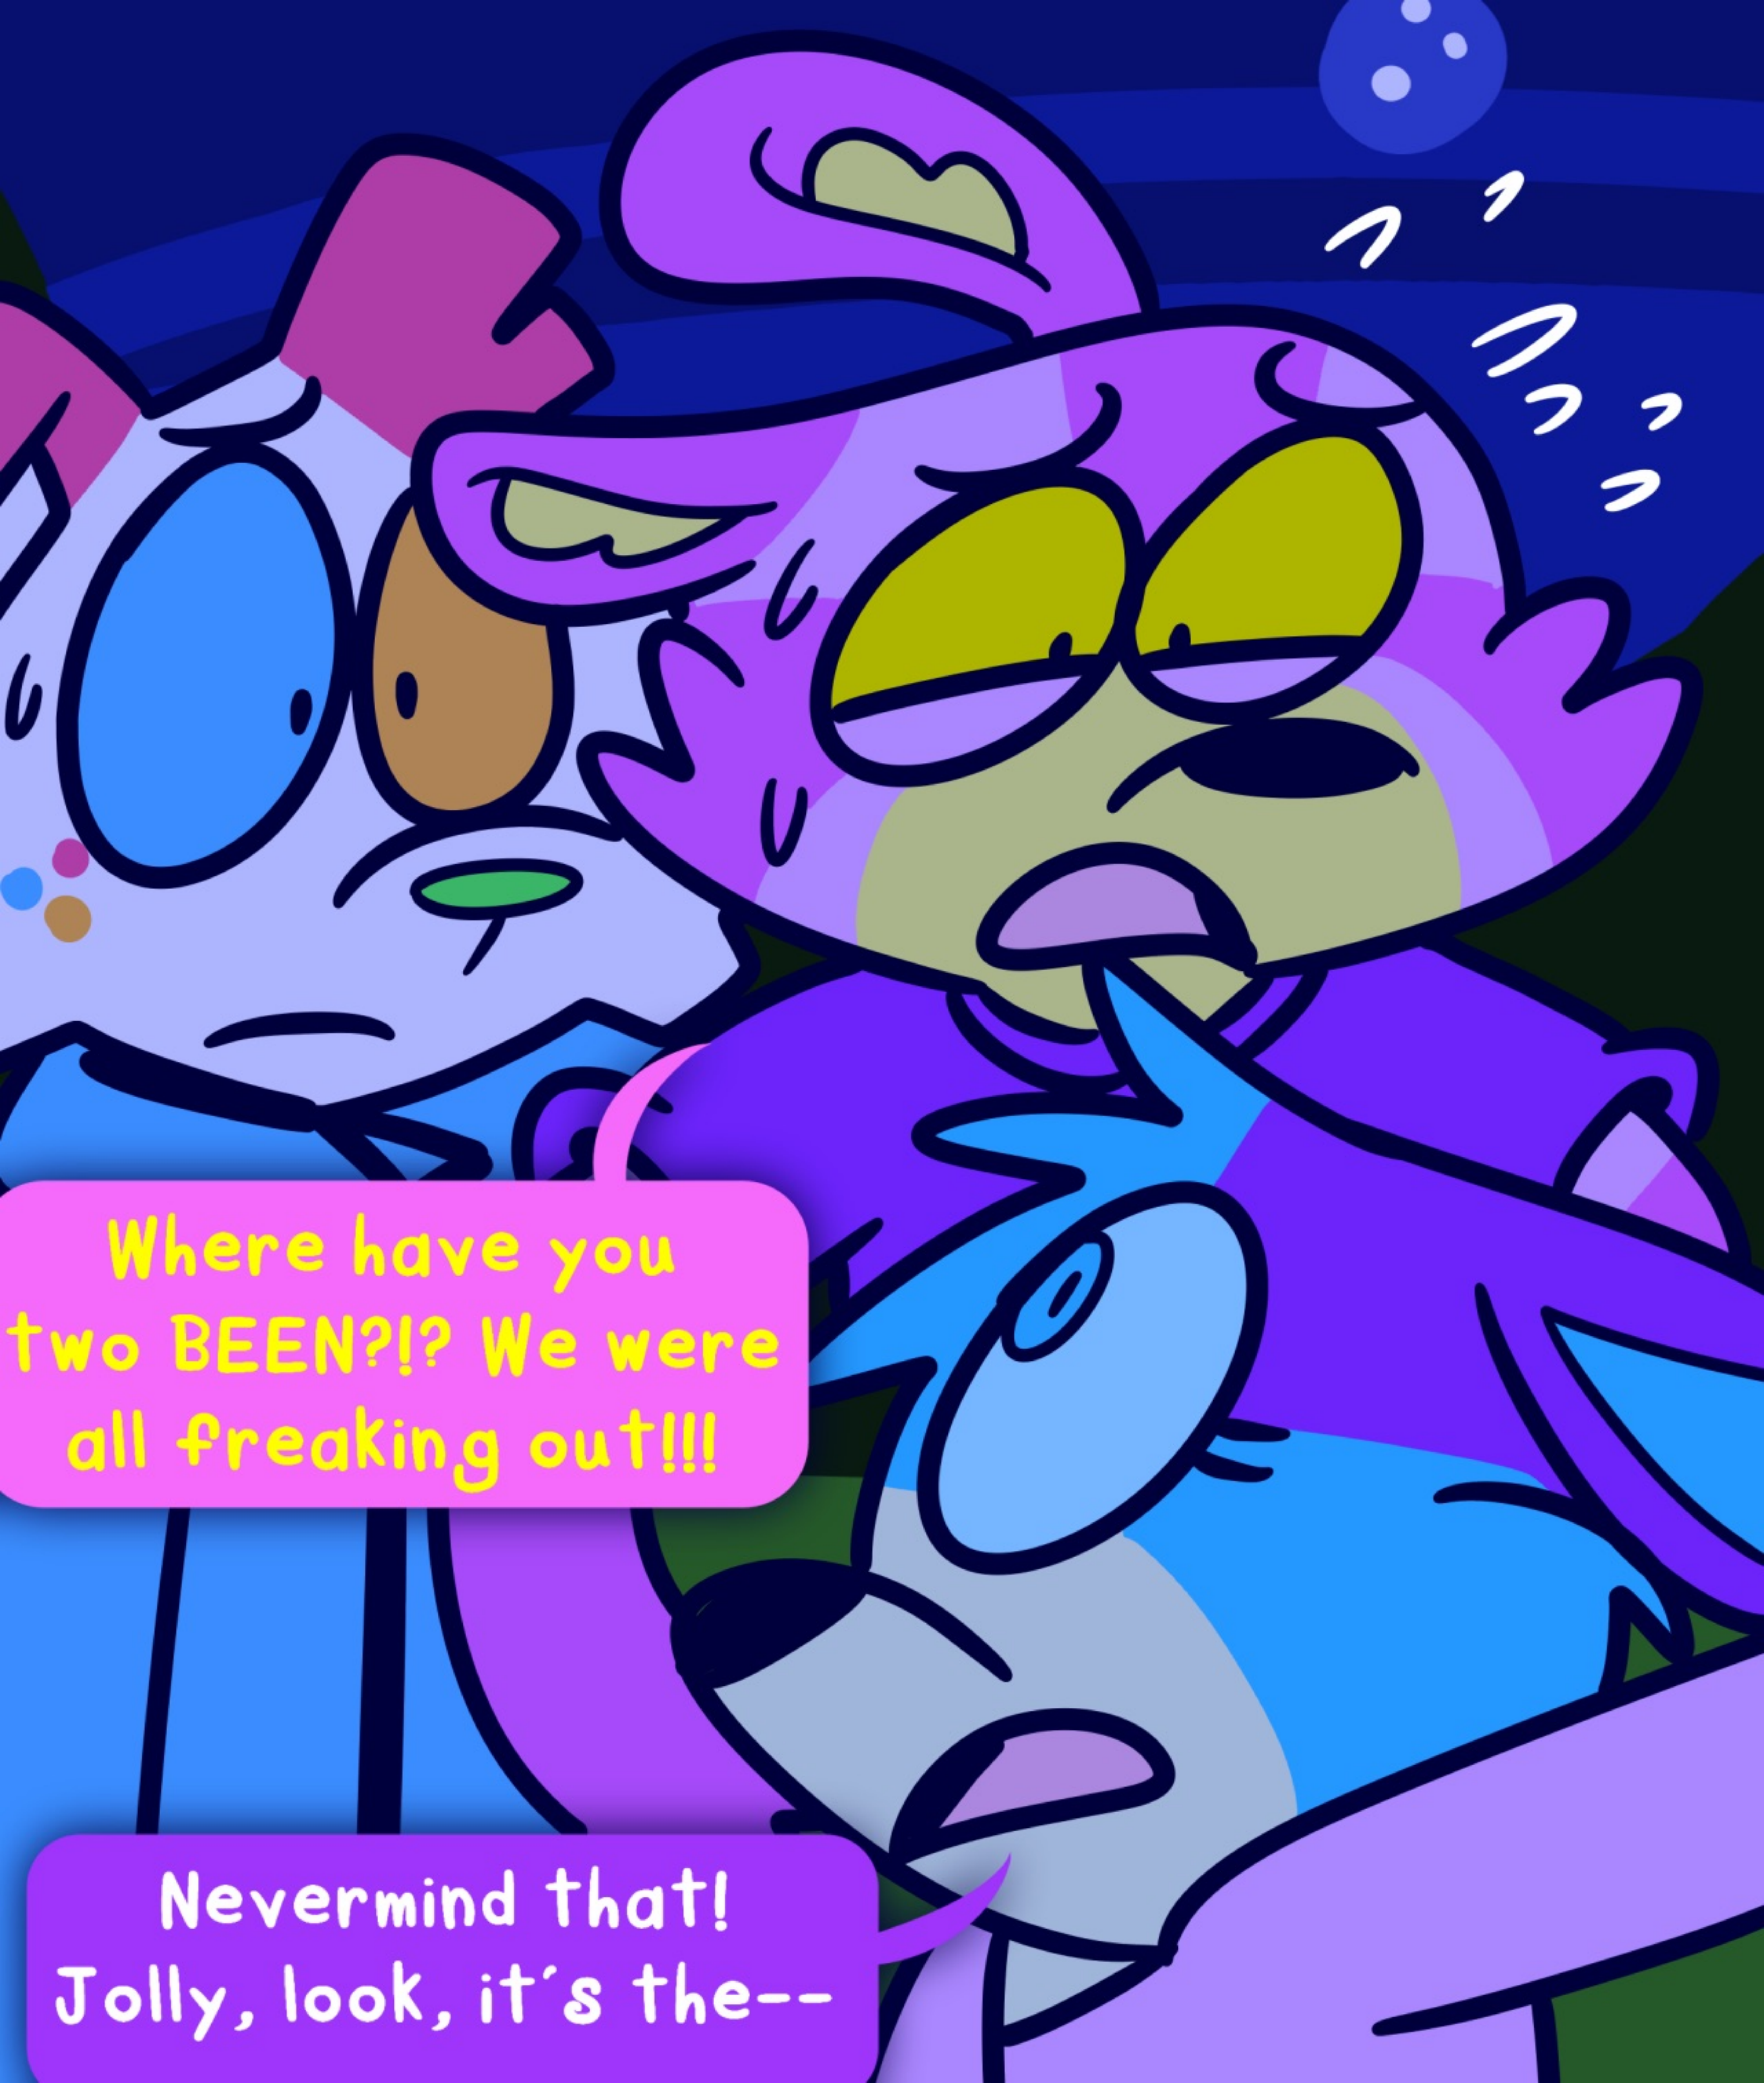
Thank you for helping us!!!



You're welcome! You two go to your parents now, they're all worried.

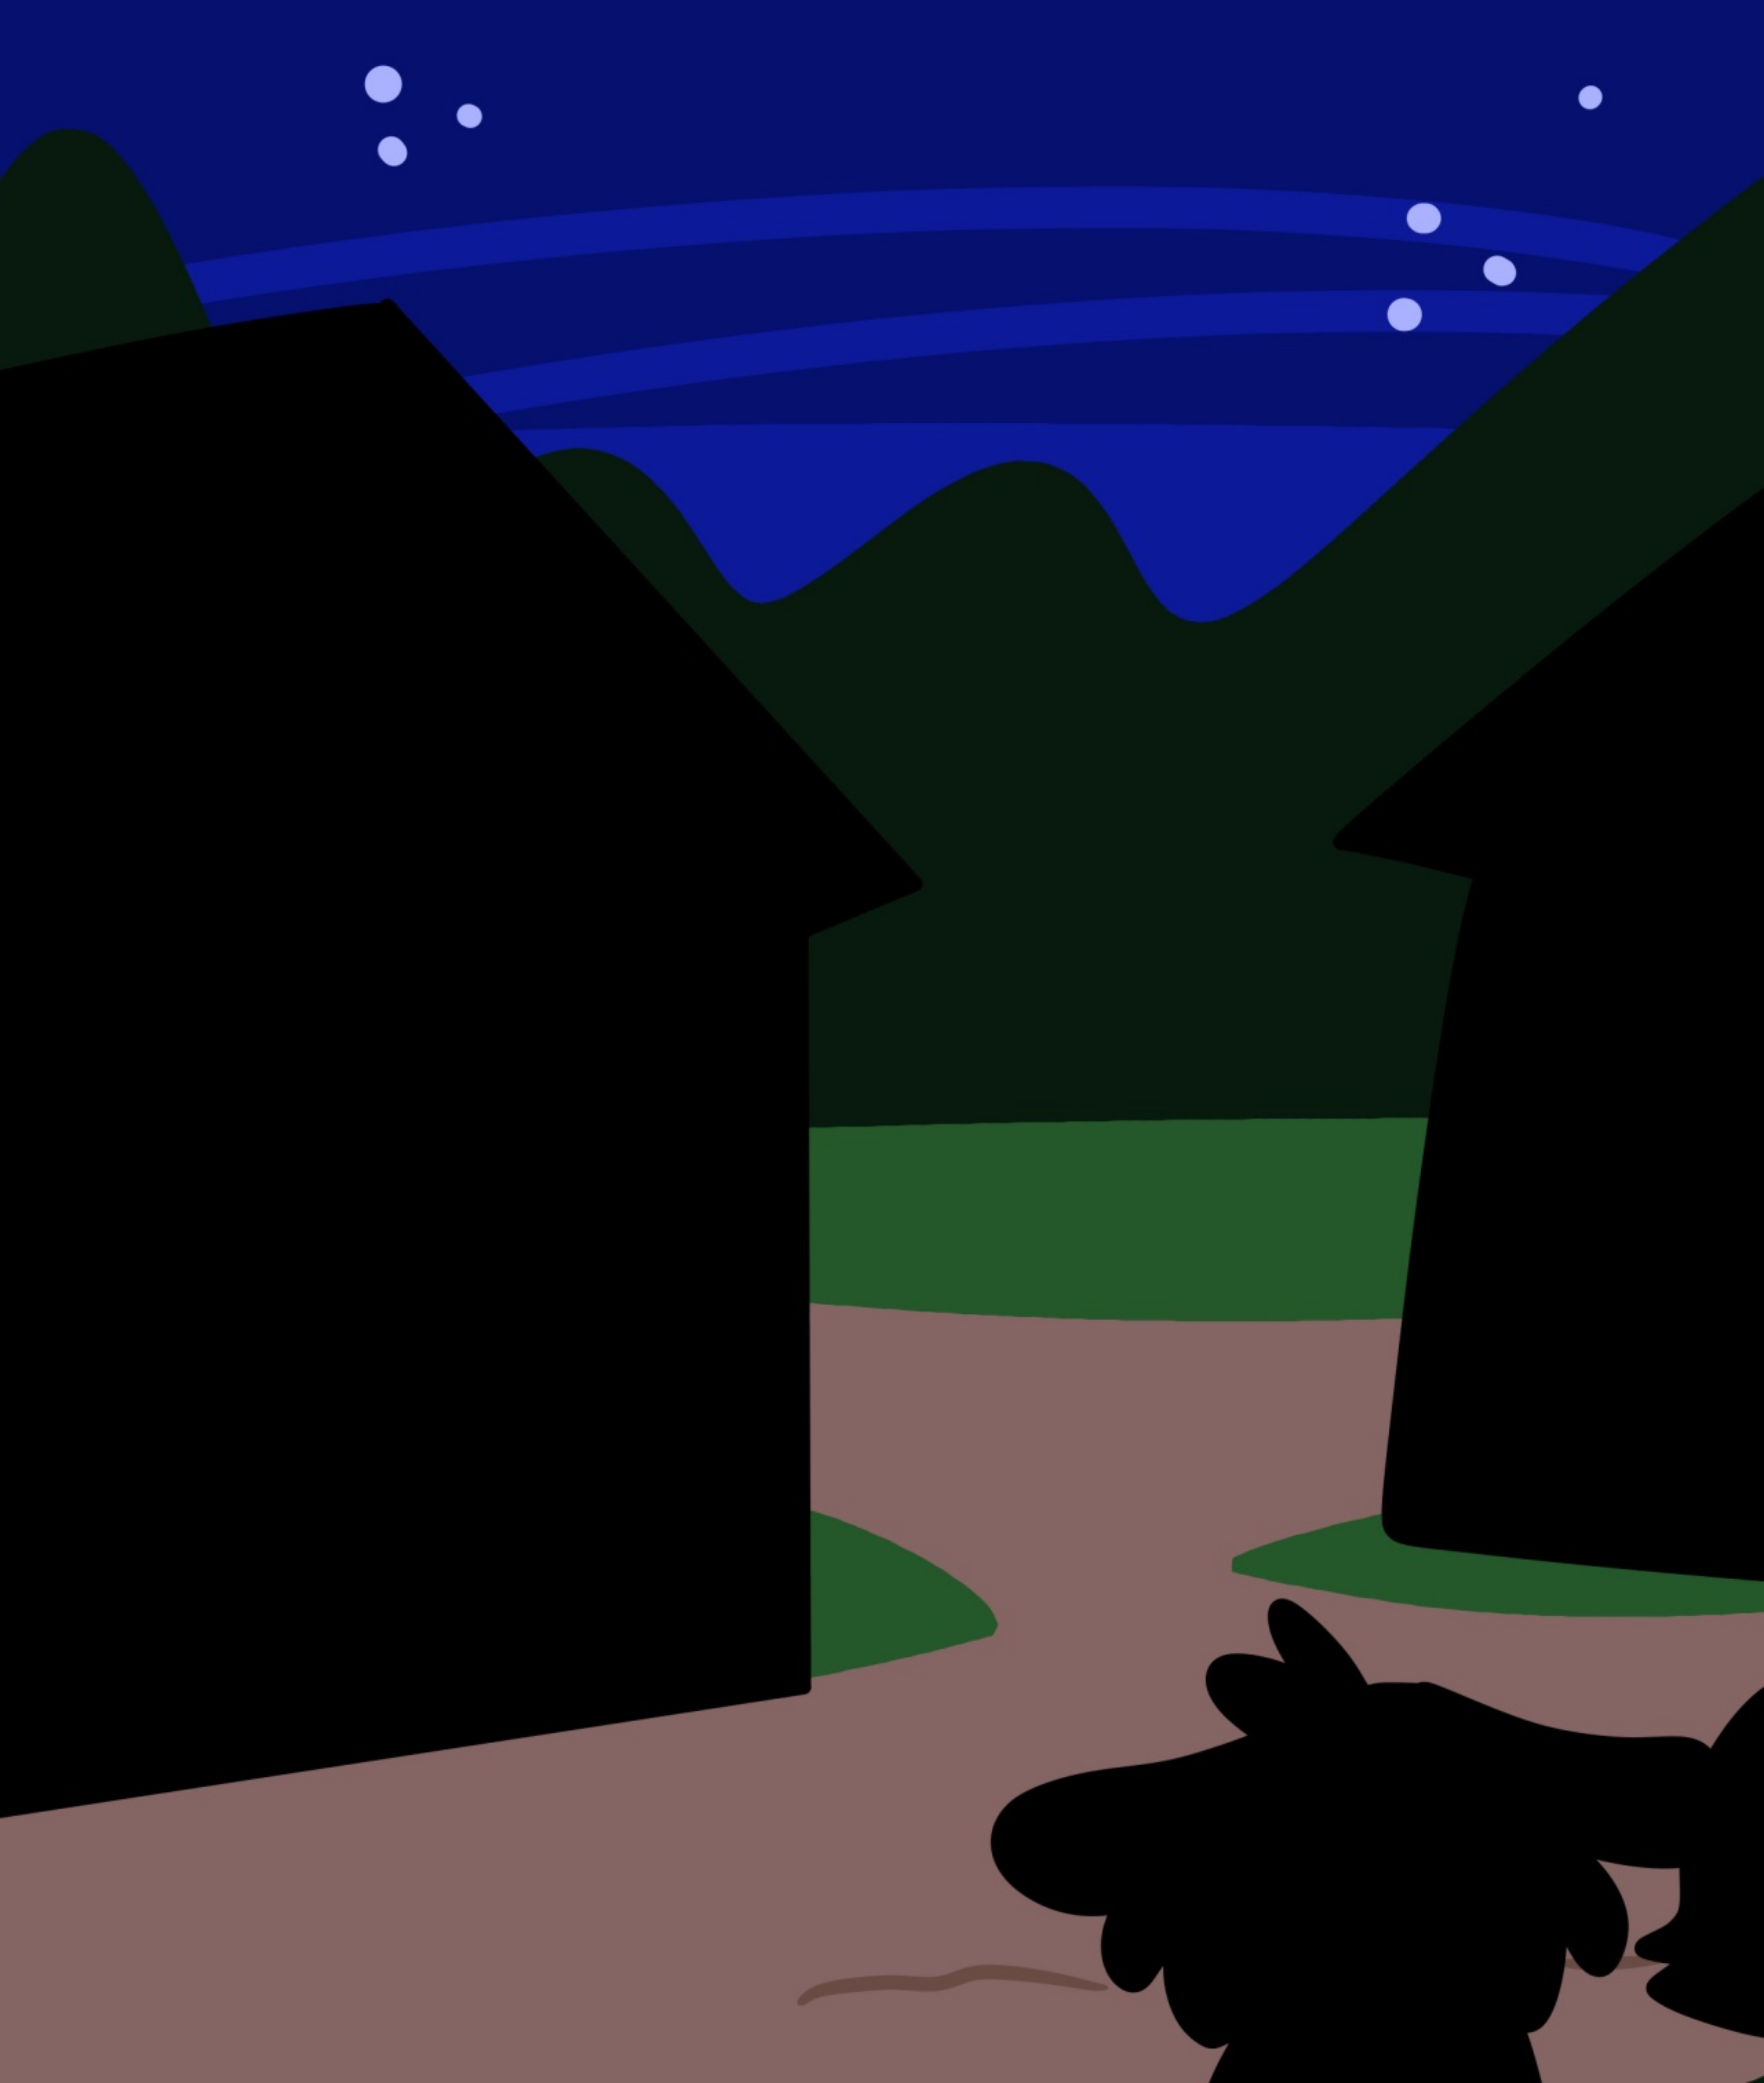


Violet!!! Chloe!!!

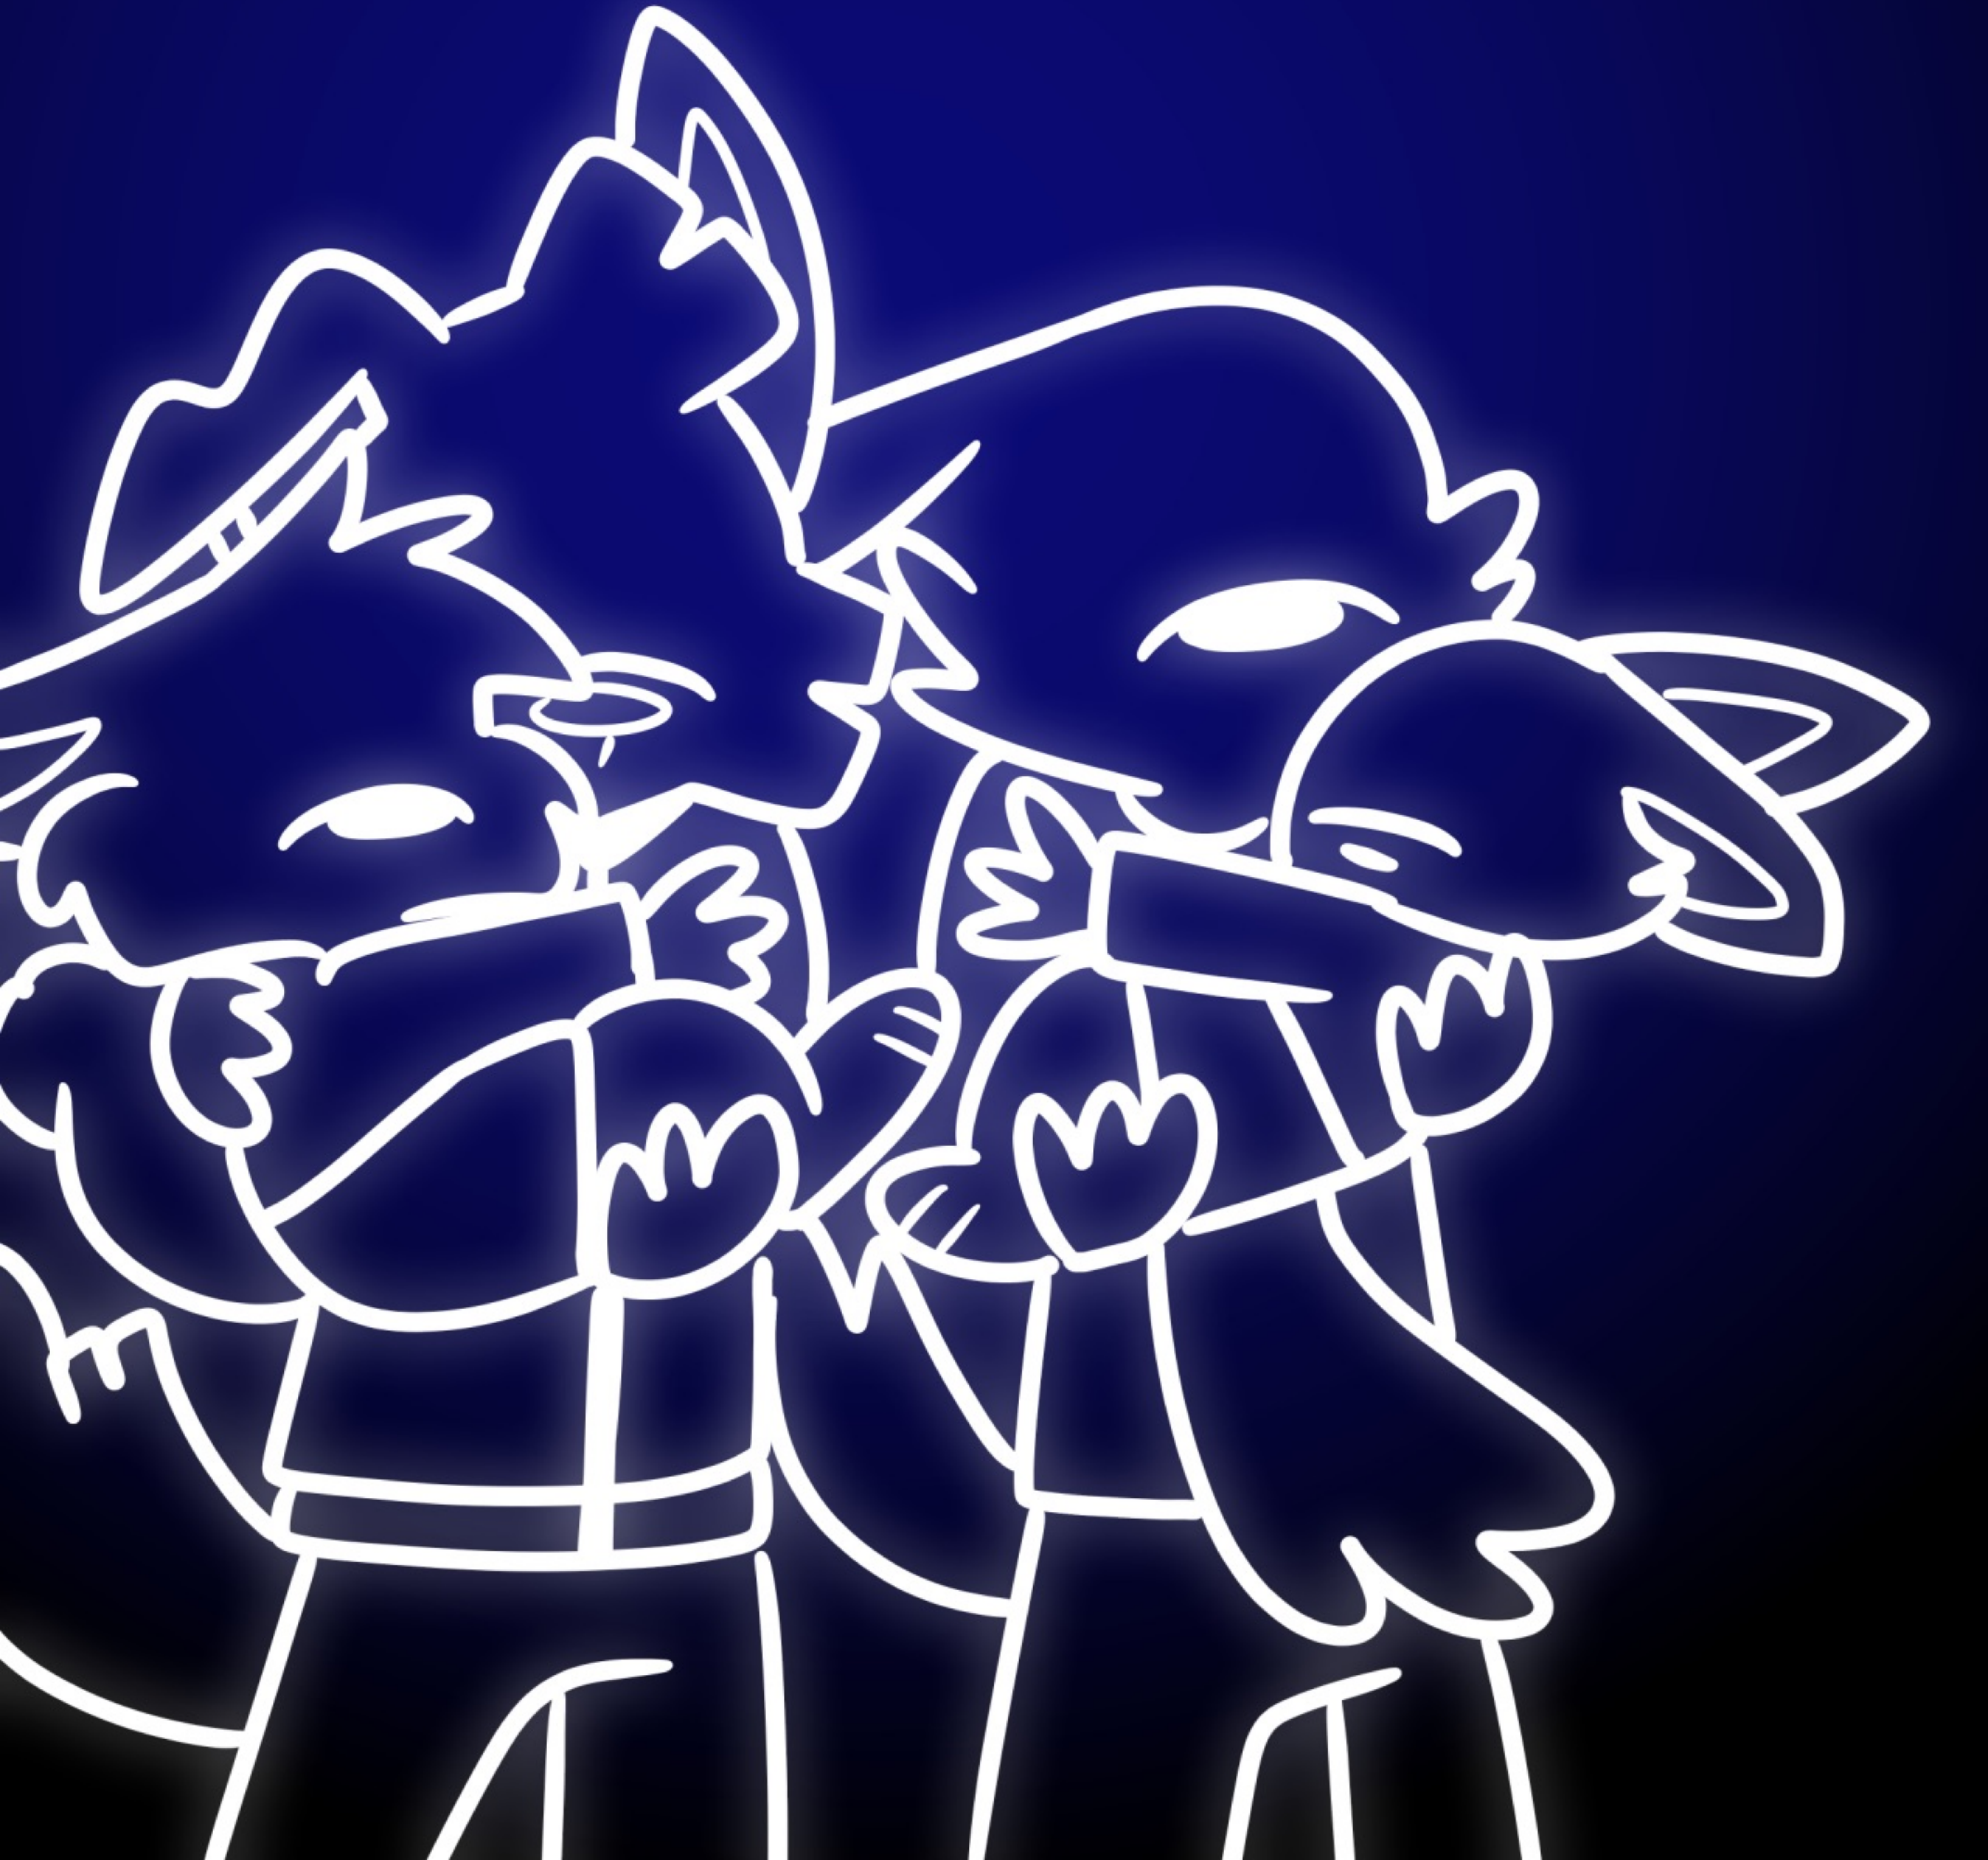


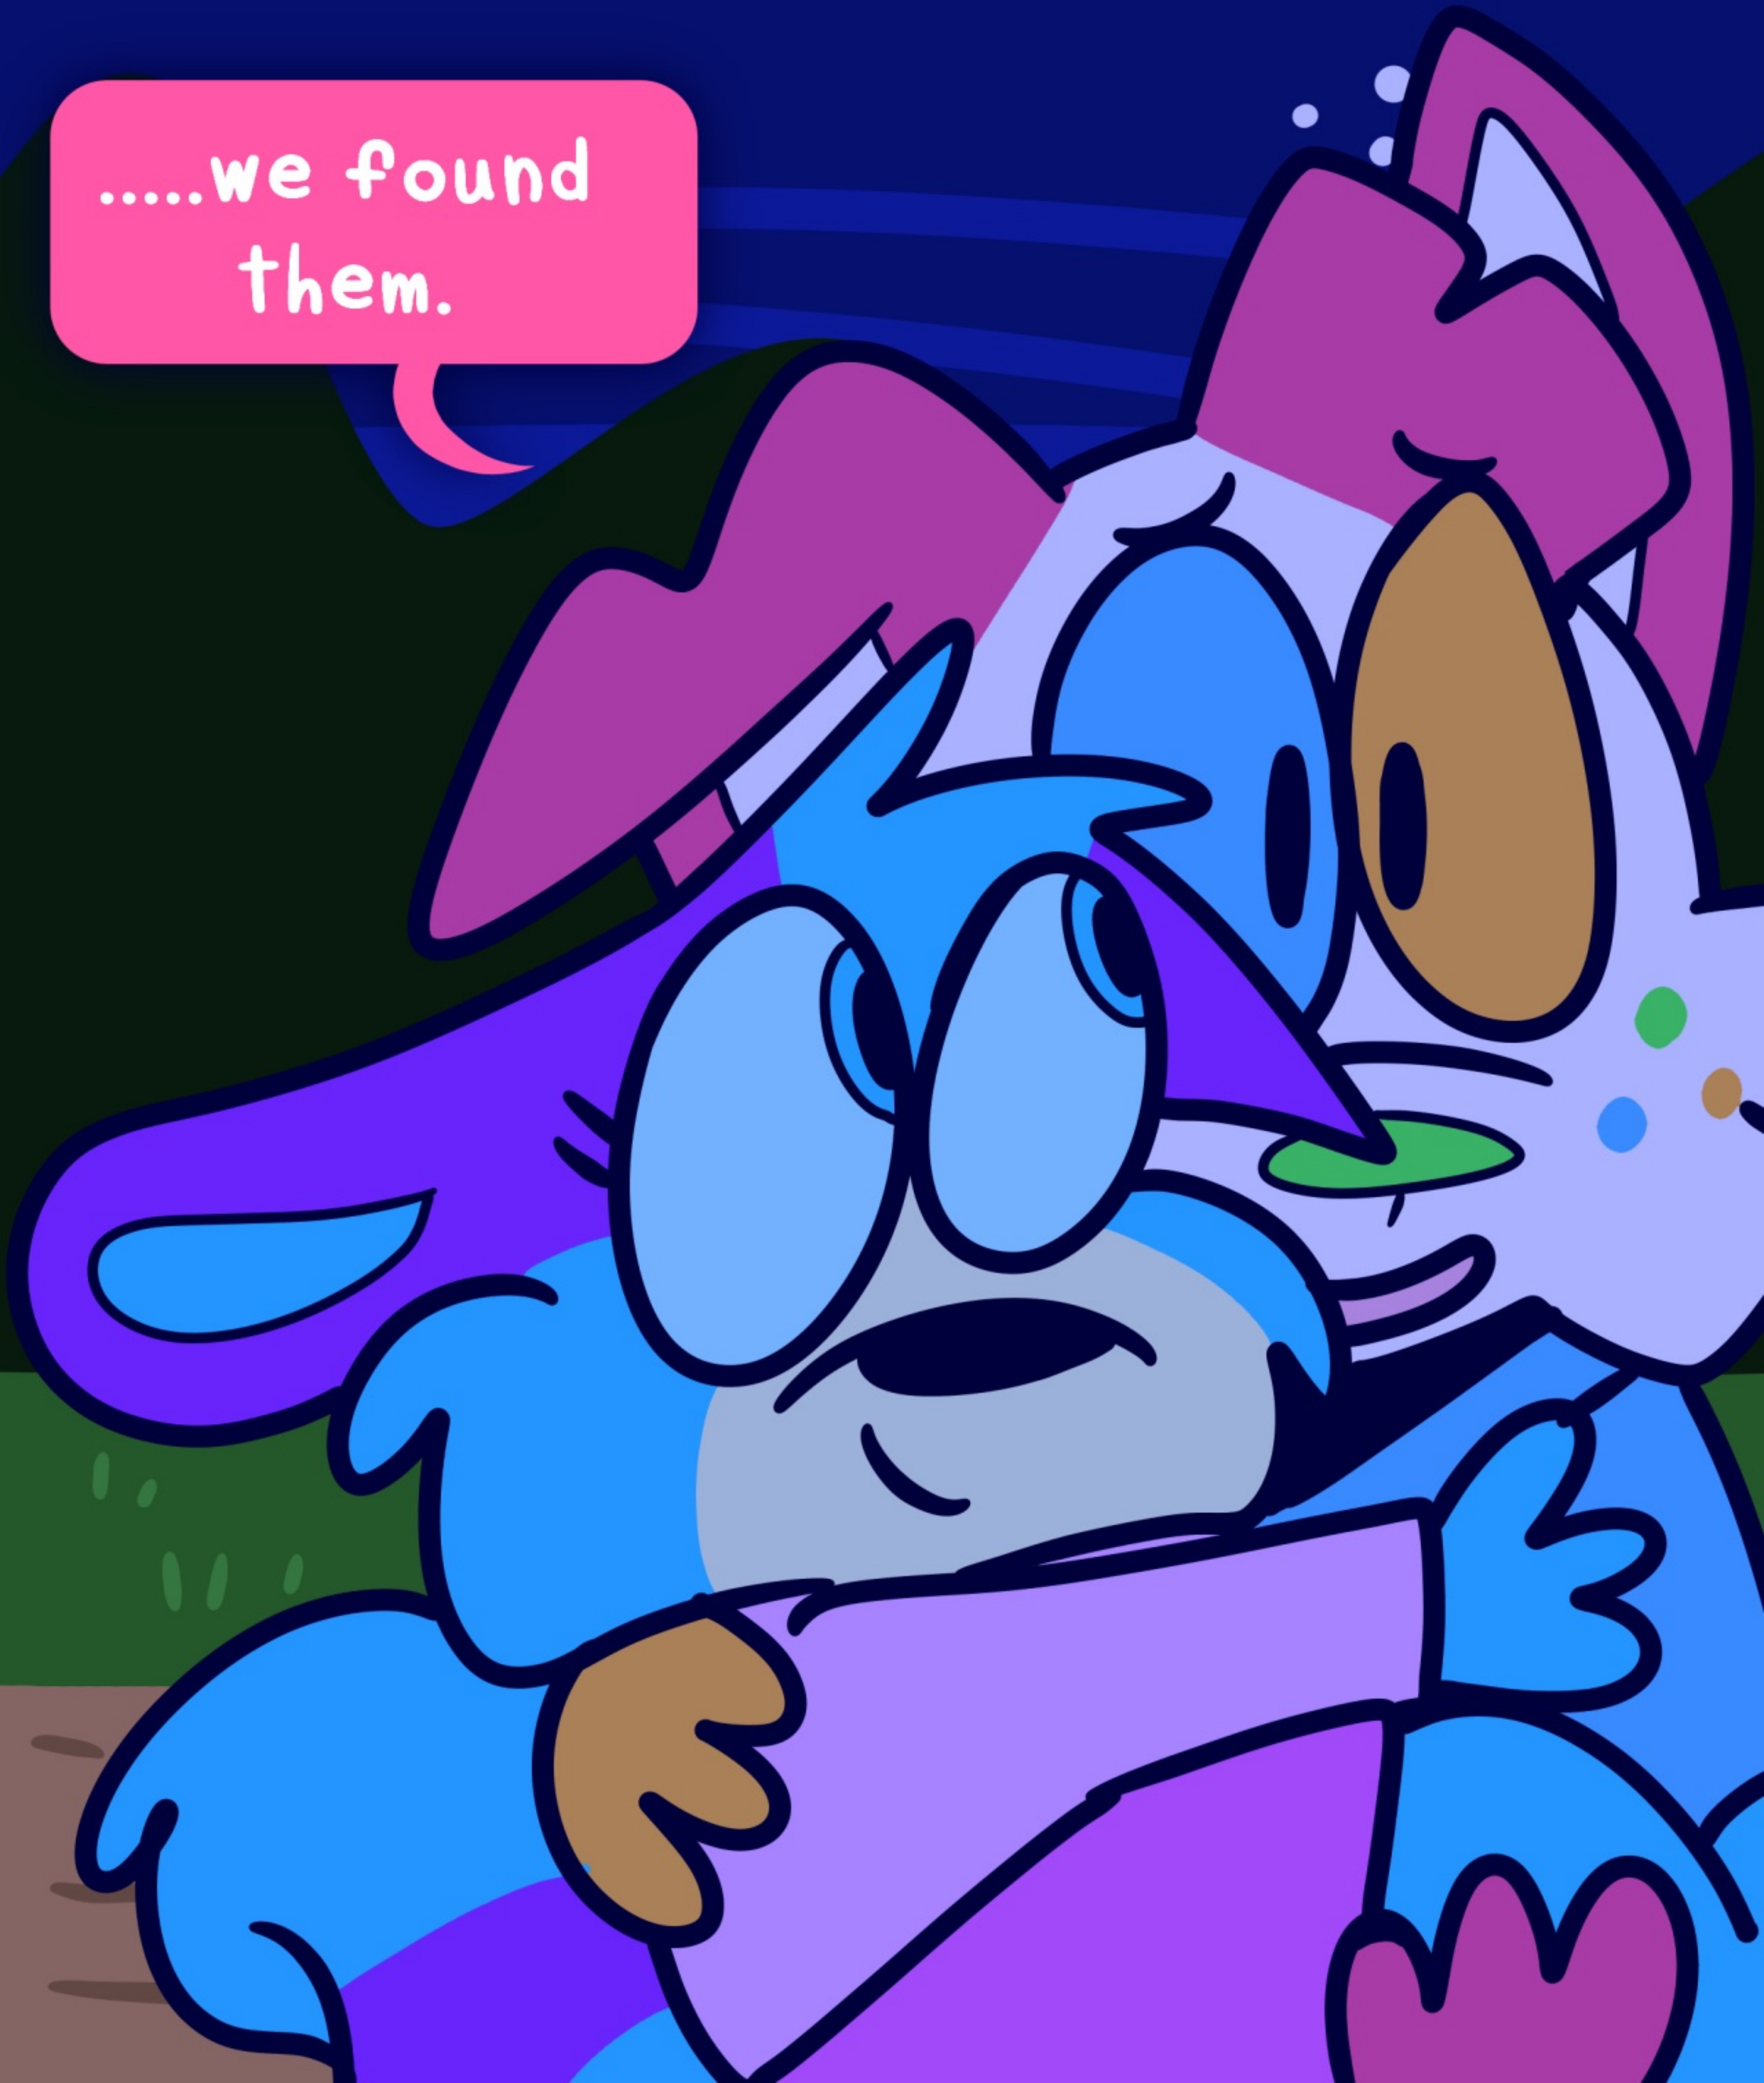
Where have you two BEEN?!? We were all freaking out!!!
Nevermind that! Jolly, look, it´s the--

...-monster...

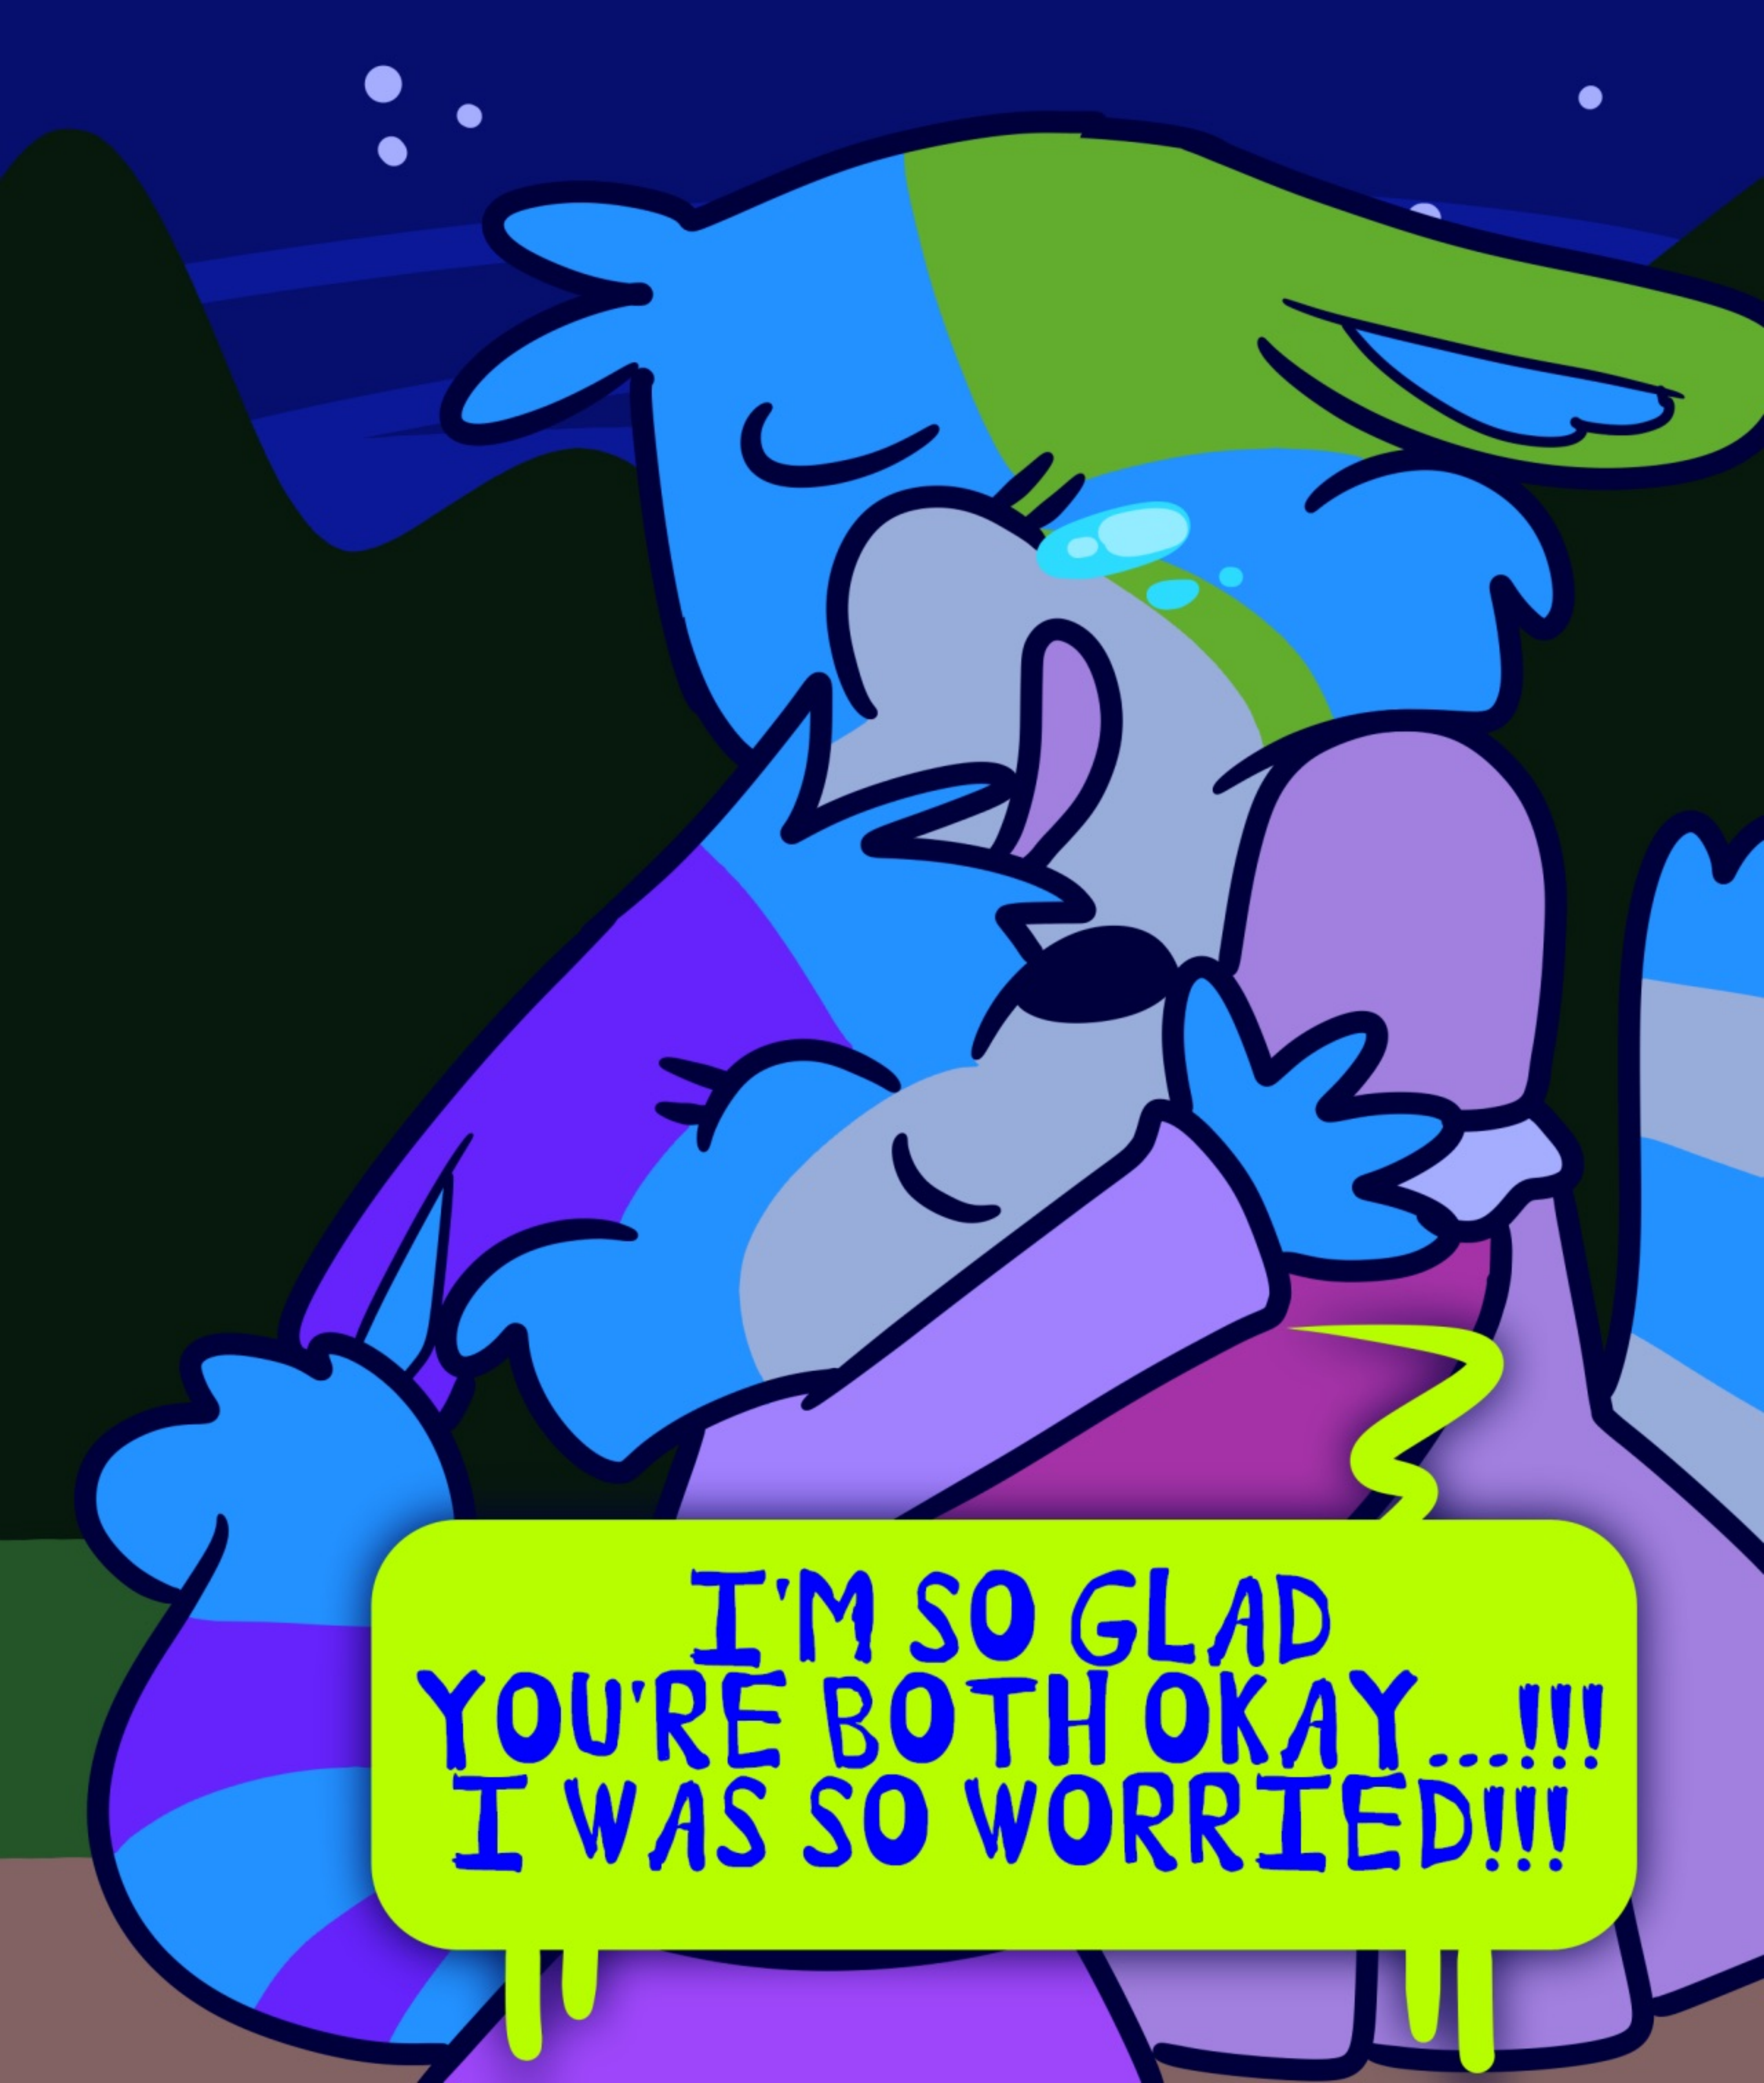


Mom, over here!

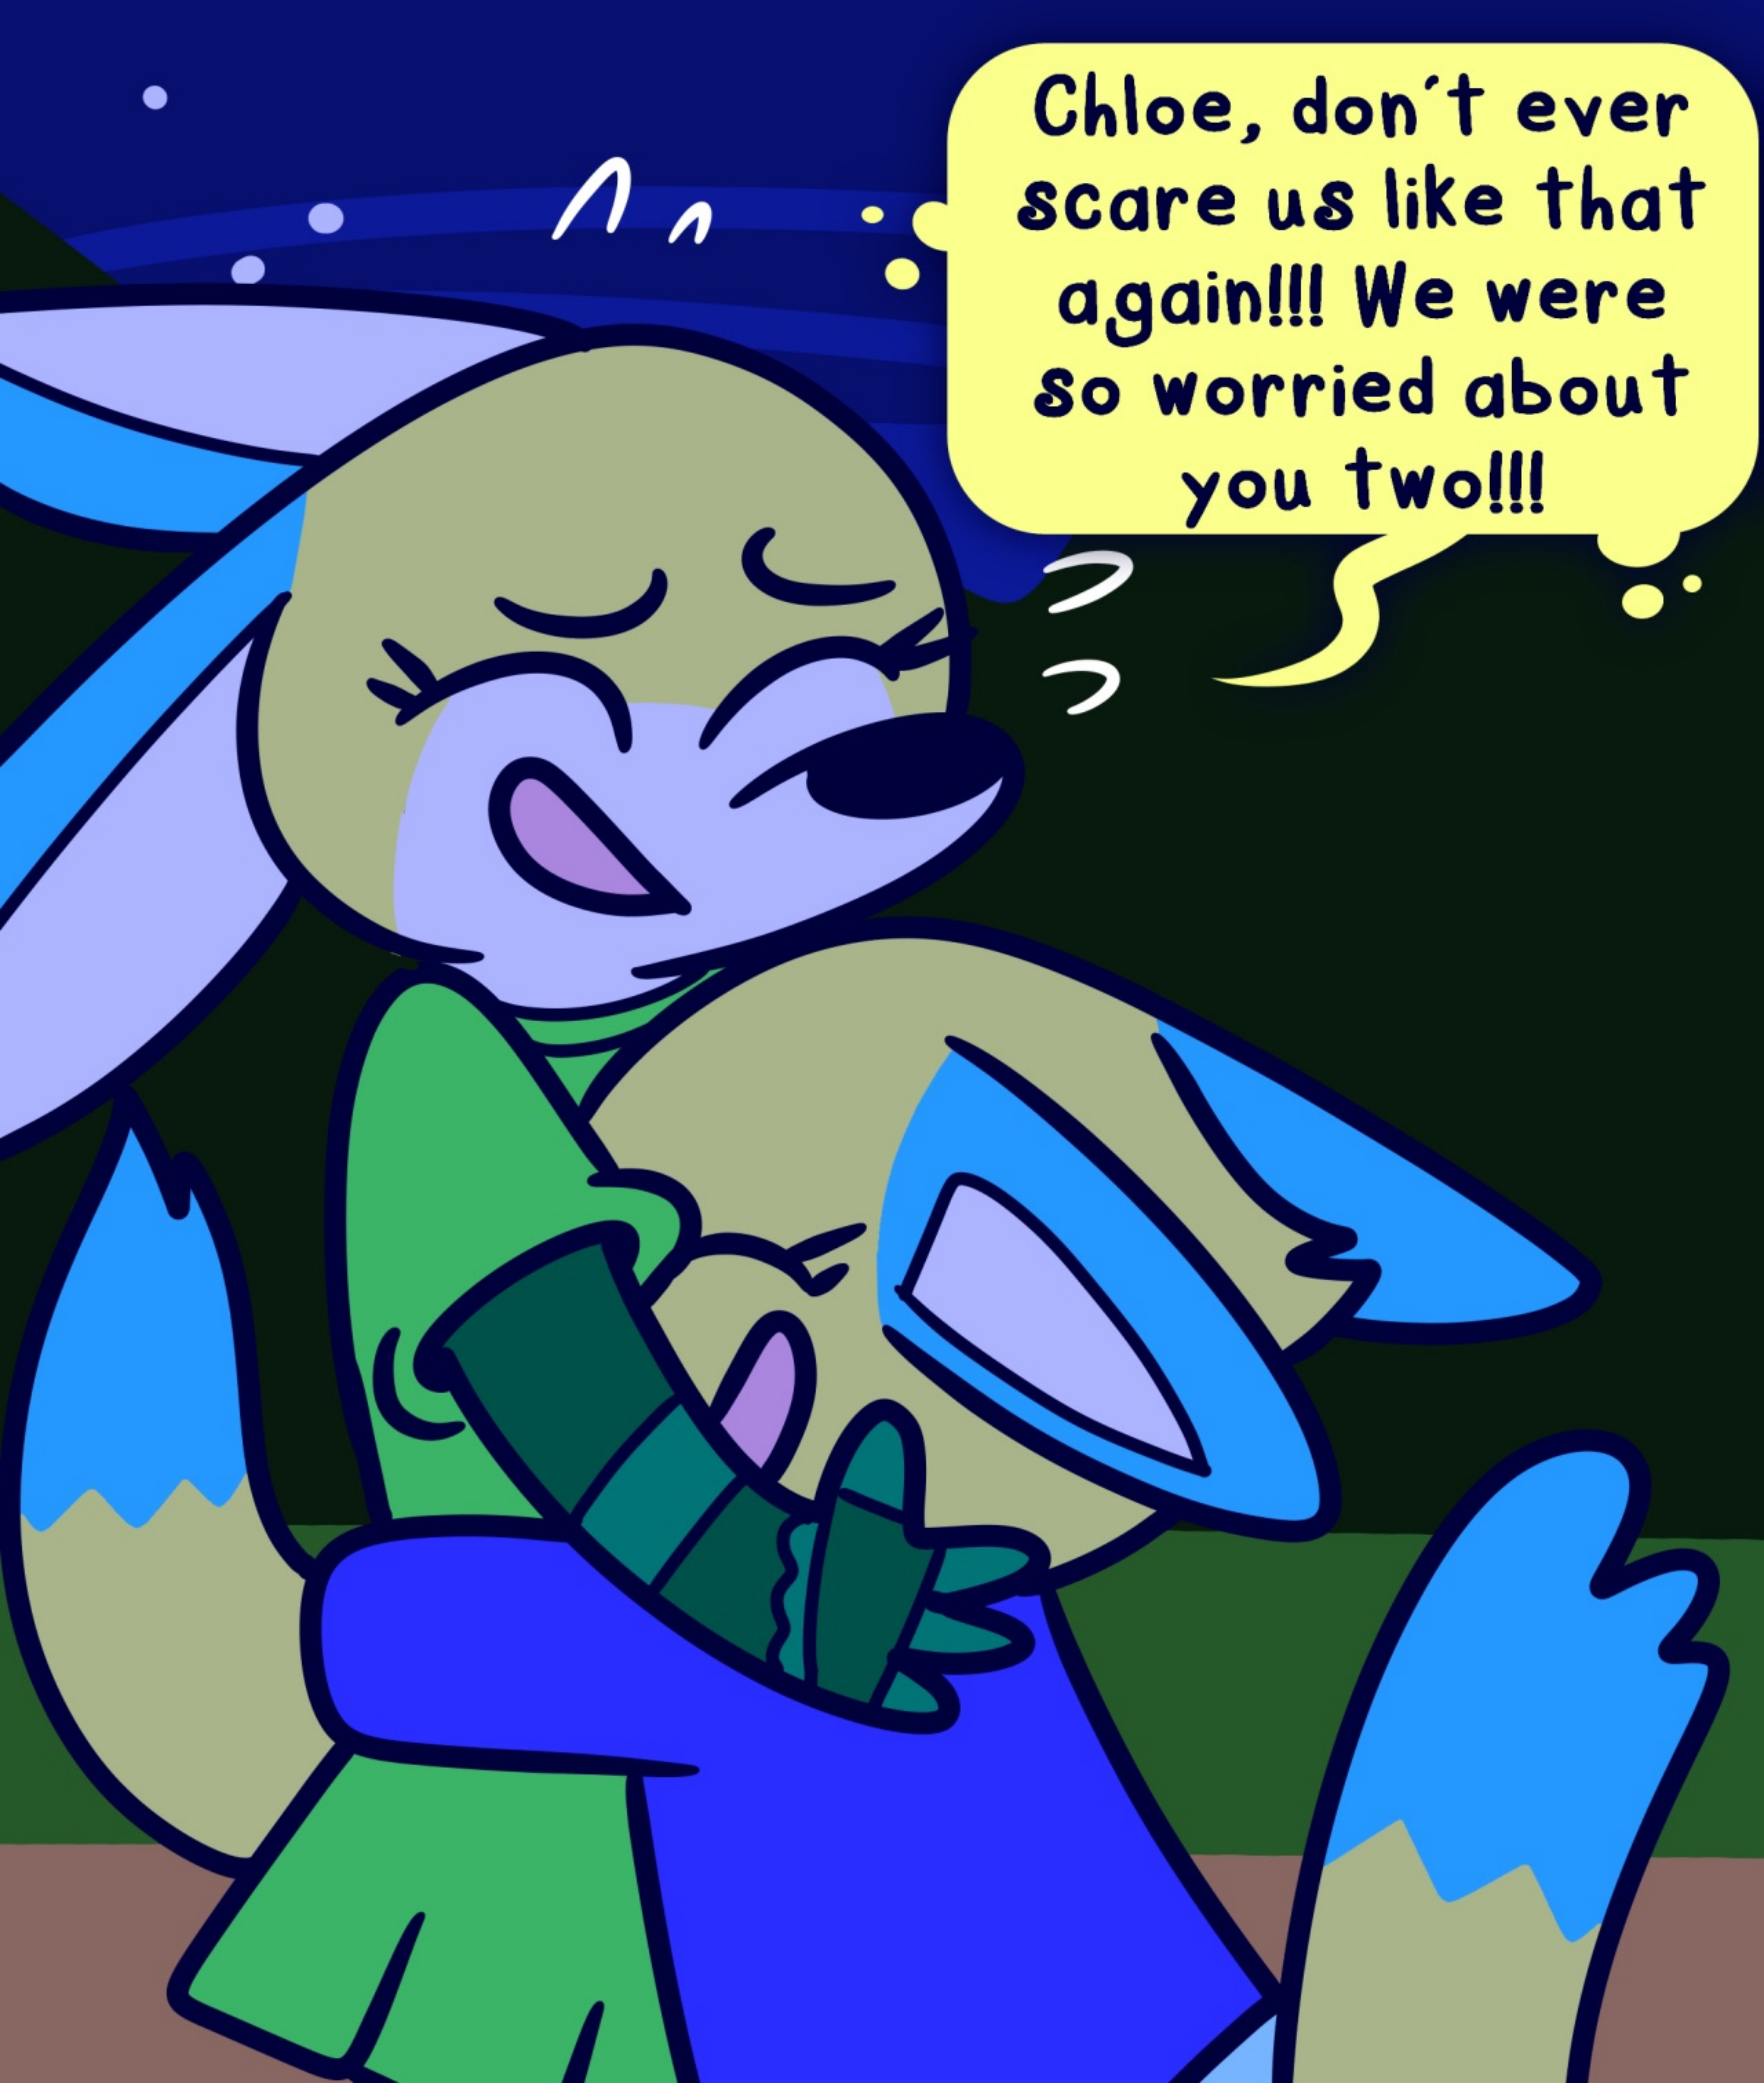




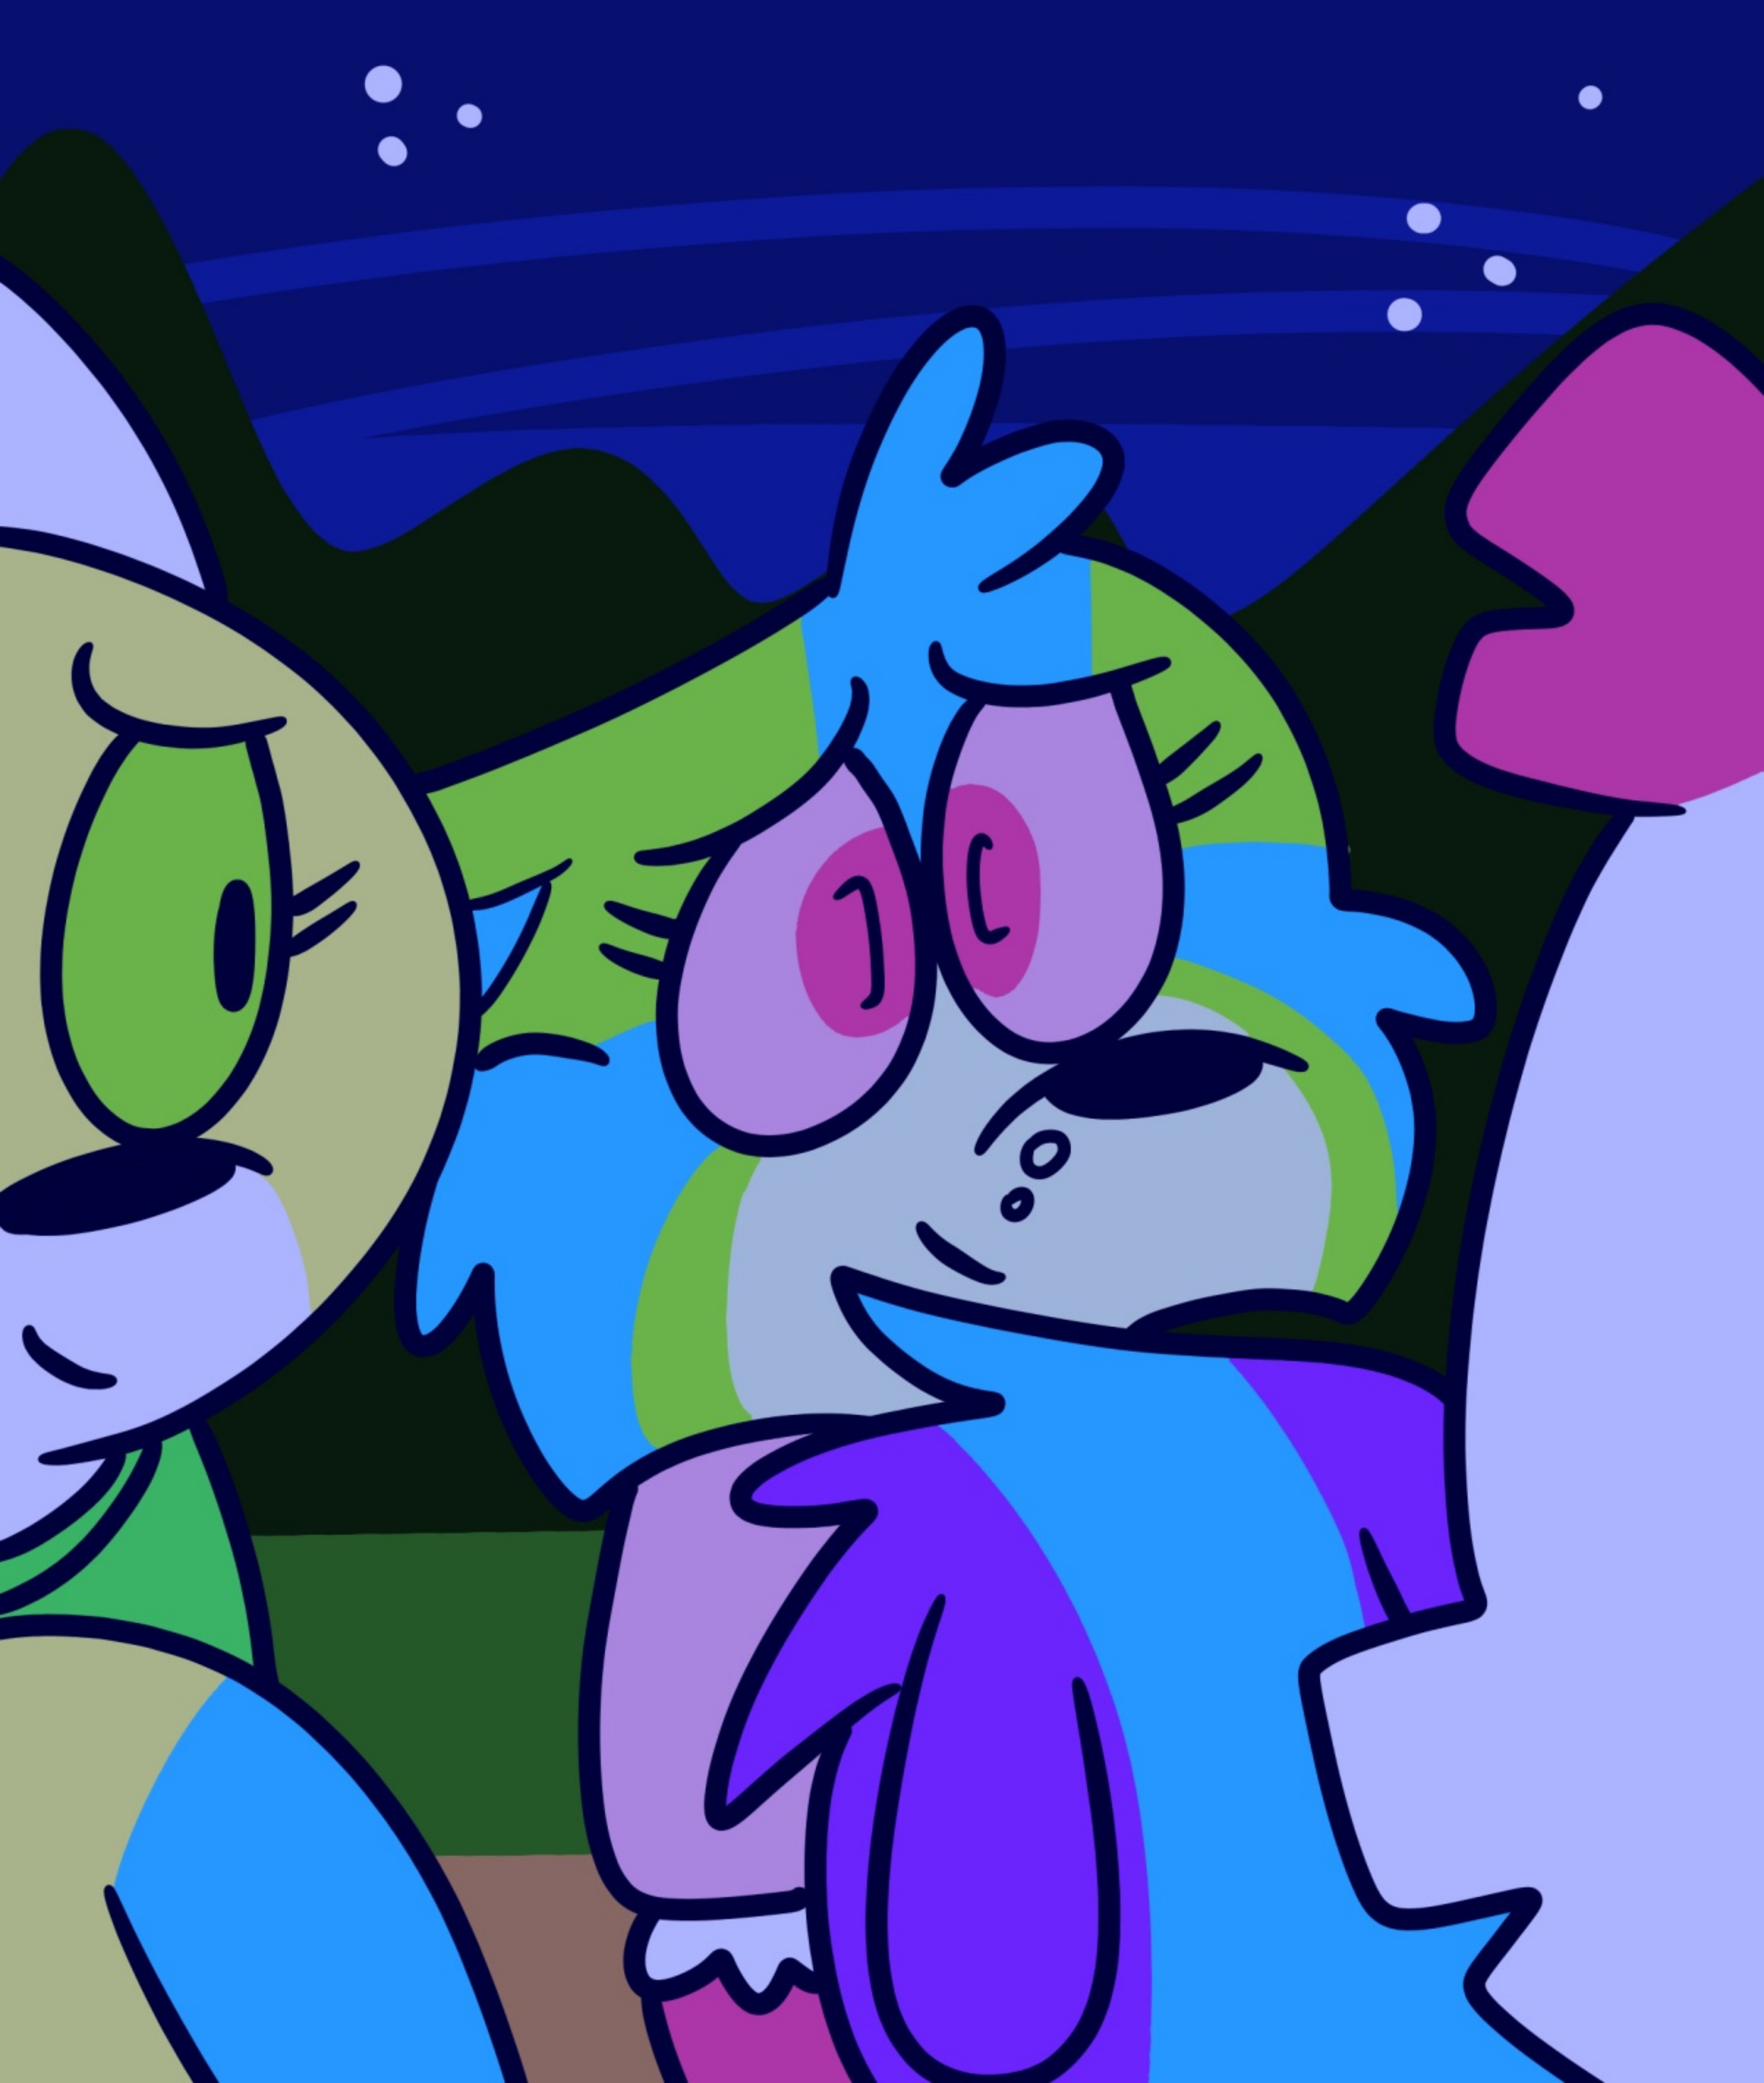
.....we found them.

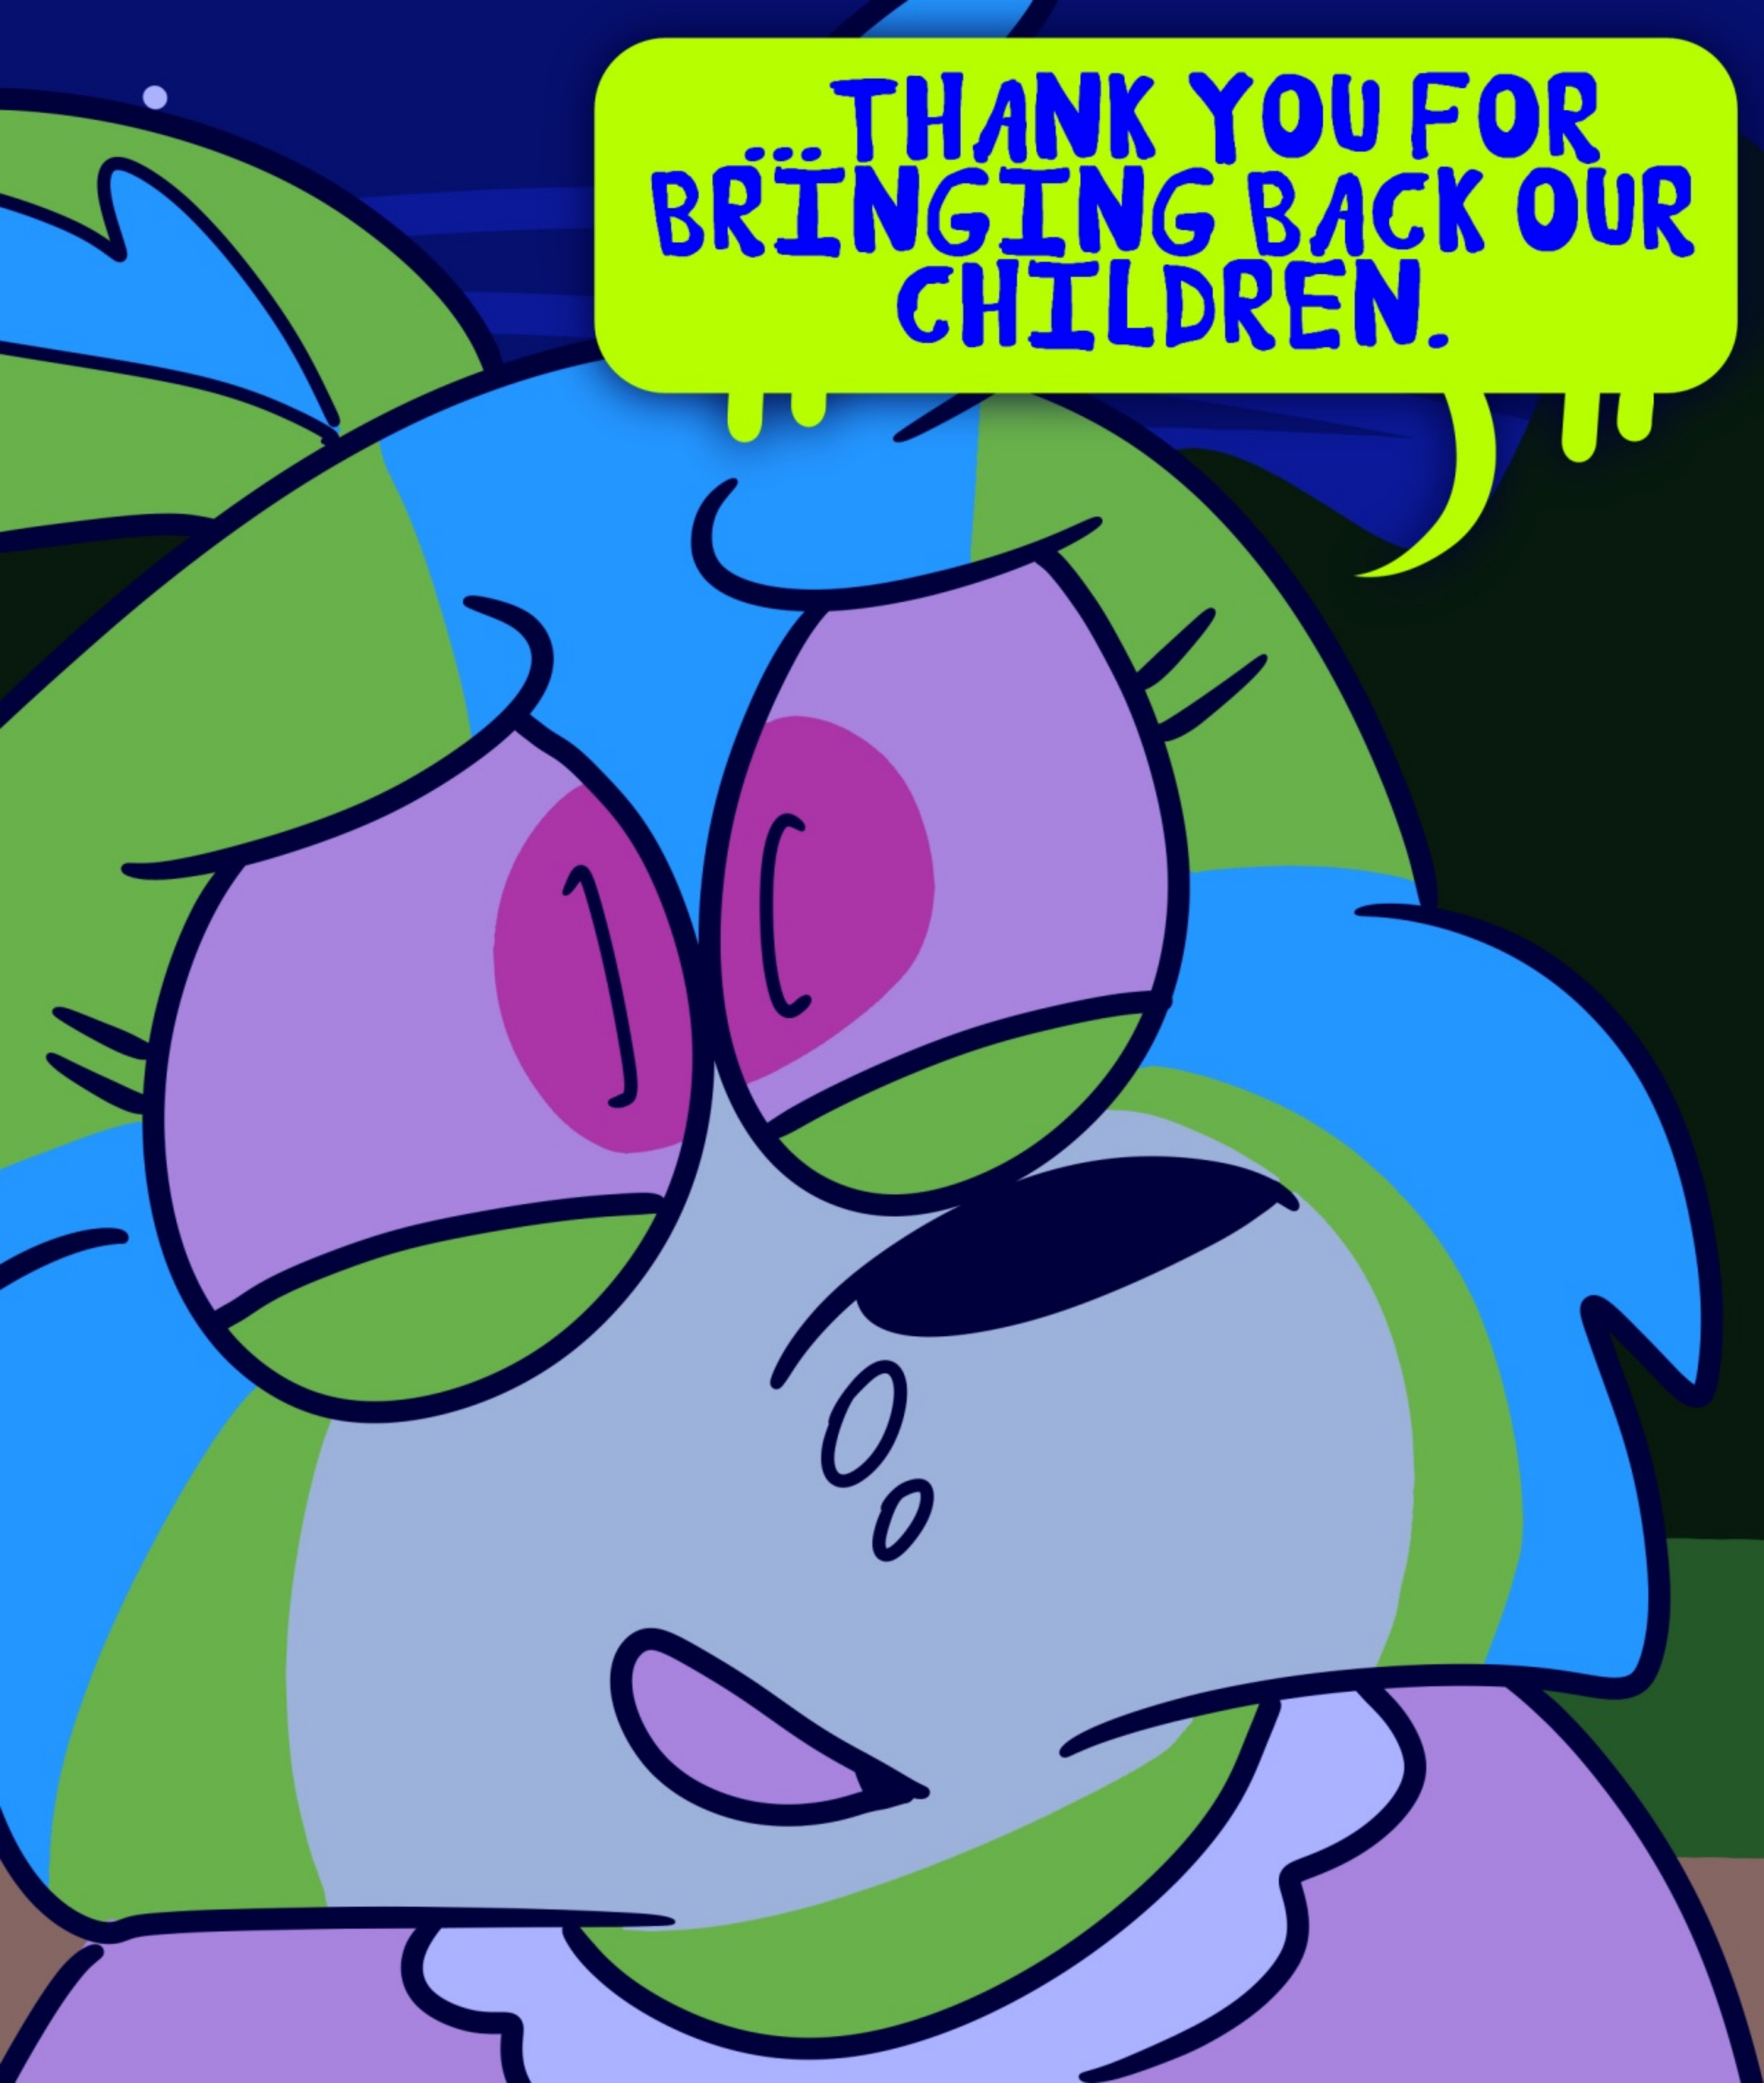


I'M SO GLAD YOU'RE BOTH OKAY...!!! I WAS SO WORRIED!!!



Chloe, don't ever scare us like that again!!! We were so worried about you two!!!





...THANK YOU FOR BRÏNGING BACK OUR CHILDREN.
